(Outlook, Volume 25, No. 19)

Carrizozo to Help Highway 54 Ass'n

The board of directors of the Carrizozo Chamber of Commerce, meeting last Thursday evening named a committee to solicit memberships for the Highway 54 Association.

They are W. F. Ball, R. E. Shaffer, Bill Skelton and Vernon Petty. The committee will contact businessmen for memberships in the Association.

It is hoped to send a representative from this area to the state convention in Tucuman Sept. 30 and to the national convention Oct. 3 and 4 in Camden, Missouri.

The directors voted to donate \$25 from the Chamber of Commerce to the Highway 54 Association.

At their meeting Thursday, the C. of C. directors also adopted two resolutions.

One asks the Carrizozo town board of trustees to give consideration to improving the town's street lighting system, by: 1. Installation of modern street lighting on Highway 54 through town, from the intersection at 380 to a point opposite the Highway Trailer Court, and on 12th street from the town light plant to the Ortiz Bros. Service Station. 2. Try to get the existing street lights in better operating condition.

The above resolution complimented the town board for their accomplishments in improving Carrizozo during the past few years.

A second resolution, which is being sent to the district representative of Western Union in Oklahoma City, asked that facilities be made available for receiving money by telegraph. It was pointed out that this service is important to military personnel and to tourists, who at the present time have to go to Alamogordo to cash money orders issued through Western Union.

The Chamber of Commerce offered to help in locating an office and a person to take over this service in Carrizozo.

C. of C. Distributes Brochures

World-wide Publicity Given Carrizozo

Carrizozo and Lincoln County have been publicized in all the major cities of the United States and 23 foreign countries.

The state tourist brochures published by the Carrizozo Chamber of Commerce have been made available to visiting dignitaries who visit Red Canyon each Wednesday as the guests of Department of Army's "Operation Understanding."

Since firing has been rescheduled in August over 400 of the brochures have been distributed to visitors from New York, San Francisco, Los Angeles, El Paso, Colorado, Virginia, Oklahoma and such far away places, as Pakistan, Thailand, Germany, Italy and Denmark.

Thoroughbreds to Run At Ruidoso Downs

The Thoroughbreds are highlighted at the "Downs" on Saturday, Sept. 13 as they take over both the feature and co-feature on the racing card. Featured is the "Mike London"—a 6 furlong event honoring the well-known Sports Promoter.

In this one Bold Slip, owned by E. J. Smith of Clovis, has won a triple and appears the probable favorite. She is a hard-running mare who possesses a tremendous stretch drive. Last week she won an Omaha winner and has shown ample evidence of rounding back into his better form.

Kitty Boy is a steady going kind—usually close at the Ruidoso Downs.

He died, survived by his wife, whom he married when she was 15 and he 20; a son and five daughters.

Not besides his blood heirs, he bequeathed to New Mexicans a legend that has few equals in a legend-loaded west.

And now, courtesy of the Walt Disney studios, the legend of El Negro Juan, true in all major respects, will come to life in a new motion picture.

Democrats Re-Elect Hollis O. Cummins County Chairman

Democrats of Lincoln County held a county convention last Wednesday in Capitán with Hollis Cummins being re-elected county chairman and Fred Richardson returning as treasurer. Named to the county central committee were Richardson, Mrs. Charles A. Jones, Mrs. R. C. Nunez and Edward Penfield. Mrs. Nunez and Penfield were re-elected. There were about 30 persons in attendance. (The News was in error in publishing an earlier date for the meeting.)

The following delegates from Lincoln County attended the State Democratic convention in Santa Fe September 8:

Hollis Cummins, chairman; Elizabeth McVeigh, Mrs. Mae Jordan, Edna Littlejohn, Tranquilina Silva, Waldolm Armstrong, Luther King, Maude Eshom, Fred Richardson, S. M. Ortiz, Virginia Guest and Mr. and Mrs. Ramon Nunez.

Commissioners Asked For Road Improvements

Requests for road work were made to the Board of County Commissioners, meeting Monday, by Mrs. Sonny Wright of Glennco, Peg Pfingsten and Cora Dutton of Nogal Mesa and Mrs. Roy Richards, off Highway 10.

Following a request of Buddy Walker, the board adopted a proposal to close a road which has the following description: "From cattle guard approximately 1 1/2 miles east of Walker headquarters on line between Sec. 25 and 26, E. 2 S., 13 E., to middle of Sec. 14, R. 3 S., 14 E. at point known as New Baker Well."

Any objections to such closing will be heard by the County Commissioners at their next meeting October 3.

A board of viewers appointed in the above matter are Joe Ward, Floyd Proctor and Ivan Carnell.

A letter from Roland Perkins, district sanitarian, called the attention of the board to what he termed a "fly condition from the manure disposal area" in the vicinity of Ruidoso Downs. After consideration of Mr. Perkins' letter, the board decided this problem was not within their jurisdiction.

Two Injured In Accident On Indian Divide

Two Red Canyon personnel suffered broken jaws early Tuesday evening in a car accident on Indian Divide, 14 miles east of Carrizozo.

According to Deputy Sheriff Heppy Gutierrez, who investigated, the driver of the car, Roger E. Freed, lost control of his vehicle on a curve and it plunged 47 feet into an embankment and continued on another 80 feet, remaining upright.

The news ambulance took Freed and his companion, Robert Goodell, to the Carrizozo hospital. It was reported that Freed's jaw was broken in five places. The car is probably a total loss.

Mrs. Ina J. Mayer Laid to Rest Here

Mrs. Ina Jane Mayer was laid to rest in Evergreen Cemetery in Carrizozo Sunday following services at the Trinity Methodist Church. Rev. Homer Reid officiating. Burial was in the family plot beside her husband, who died in 1944.

Graveside services were in charge of Comet Chapter No. 29, Order of Eastern Star. The Shav Mortuary was in charge of local arrangements.

Memorial bearers were Roy Harman, A. J. McBrayer, H. Elford Jones, John E. Wright, Wayne Hamilton and Fred Current.

Mrs. Mayer died September 2 at the home of her daughter, Mrs. Bertha Hunter, in Modesto, Calif., where she had lived since 1950.

Ina Jane Wauchope was born January 18, 1863, at Ottawa, Ill. She lived on a farm in Kansas with her parents, and when they moved to San Antonio, Texas, she attended school there part of a year.

When she was a girl of 13, the family received news of a gold strike at White Oaks. Her grandfather, Mr. Wilson, was one of the discoverers of the South Homestead mine.

The family made the trip west with a four-horse team and covered wagon. They were camped below Lincoln the day Billy the Kid made his escape from the Lincoln County Courthouse.

In 1887 Miss Wauchope was married to Charles Mayer. Her husband ran a blacksmith shop for several years, then purchased the general merchandise business of Young & Tallaferr.

Around 1920 Mr. Mayer moved his store to Carrizozo.

His business here was dealing in groceries in his store located east of the present Lincoln County Agency bank.

Mrs. Mayer was a member of the White Oaks Congregational Church and took an active part in the cultural and social life of the bustling mining town.

She is survived by her daughter, Mrs. Hunter; a son, Paul Mayer of Mesa, Ariz.; two brothers, Geo. E. Wauchope of El Paso and Will Wauchope of Mariposa, Calif.; and two grand-children, Ina Dow of Salinas, Calif., and Charles David Hunter of Chicago, Ill.

John W. Dale

John W. Dale, 86, a Lincoln County rancher for 35 years, died Wednesday morning at the Ruidoso hospital.

At the time the News went to press Thursday, tentative arrangements were for funeral services to be at 10 a.m. Saturday in Alamogordo.

Before the turn of the century Mr. Dale was a cowboy on the Block ranch. In 1897 he was married to Miss Ellen Hazwood of the Cedar Hill area in the Capitán Mountains.

JOHN W. DALE

In 1886 the couple moved to La Luz where their first daughter was born. Here Mr. Dale worked hauling ties for the new railway that was coming in. Later he hauled for the mines around Silver City and in Arizona.

He decided to get a cow ranch for himself and bought eight sections from Ad Carey, two miles from Ancho. This was the home of the Dale family for 35 years.

In recent years Mr. Dale has made his home with his sons in Alamogordo.

Among his survivors are two daughters, Mrs. Keulah Cathcart of West Plains, Mo., and Mrs. Effie Hetter of Carrizozo; five sons, Henry and John J. Dale of Alamogordo, Jim and Elmo Dale of Dallas, Texas, and Fred Dale of Washington State.

Lions Hear Talk on Sight Conservation

Dr. R. C. Vander Meer, optometrist of Alamogordo, was guest speaker at Monday's luncheon of the Carrizozo Lions Club. His topic was sight conservation and the work Lions Clubs are doing to assist needy children to secure glasses.

Dr. Vander Meer is a member of the noon-day Lions Club in Alamogordo. They have purchased tele-binoocular machines for use in the schools to test children's eyes for vision and for color blindness.

"Sight conservation," he said, "is a primary concern of Lions clubs everywhere."

Guests of the club at Monday's luncheon were Rev. Homer Reid, pastor of the Carrizozo Methodist Church, and Fred Hoyer, new proprietor of the Nu-Way Cleaners.

L. Z. Manire, club secretary, and Austin Wooten, first vice-president, attended a zone meeting in Tularosa Wednesday evening.

Directors of the club will meet next Monday noon at the Village Inn Cafe.

News to Publish County Directory

Work commenced this week on the compilation of the Lincoln County Directory, to be published by the Lincoln County News of Carrizozo.

Mrs. Louise Runnels of Bonito will handle the advertising for the directory.

The Lincoln County Directory will consist of three parts. The first will contain maps and historical data of the county. The second will list everyone in the county, alphabetically, and will give in addition to names, addresses, P. O. boxes or RFD numbers, telephone numbers and will designate if they are home owners, voters and other general information. Owners of summer homes will also be listed and so designated.

The third section will be the yellow classified section and will list alphabetically, by classification, the business and services available in Lincoln County, or if not available in the county, the nearest town in which they may be obtained.

Circulation will be free and complete throughout the entire county so that everyone may enjoy and use a complete directory of the entire county.

The New Mexico Directory Publishers of Hobbs will act in an advisory capacity in the compilation.

Delivery of the book is slated for late in January of 1959.

Tom W. Bookout

Mrs. Helen Nowell and sons Lonnie and Eddie attended funeral services Saturday afternoon, September 6, in Truth or Consequences for Tom William Bookout, 84. His death occurred the previous Friday morning.

Interment is to be in the family cemetery on the Block Ranch.

Mr. and Mrs. Wesley Lindsey have moved back to Las Cruces. Mrs. Lindsey has been staying in Carrizozo the past three months.

Along the Way..

John Harkey was advised on good authority this week that the oiling of the Nogal road from Nogal to Highway 380 is to start the first of next week, and that a highway crew is now being moved in for this purpose.

The News has been pleased to receive, forwarded by H. C. Buchly, Roswell attorney, a new subscription for Curtis H. Hill, Mr. Buchly writes:

"Mr. Curtis Hill, a retired lawyer here, has asked me to send you a check for a year's subscription to your paper. Mr. Hill has lived in New Mexico since 1903 and has spent considerable time in Lincoln County and knows a number of Lincoln County people, among them Willbur Coe, who is a close friend of his, and he is much interested in your part of the State. He tells me that he was in Lincoln the day they had the election to move the county seat to Carrizozo."

Other recent subscribers to the News are Antonio Semora, Mrs. Claude Sorrels, E. E. Hale, Wm. Pixley, Paul R. Higgins, Fred Miller, James Morris, J. F. Hoyer and Luke Coburn.

Editor, News: We were tied up in Carrizozo for 25 days while Mrs. Stetler was confined in the hospital. If you would care to print a thank you to the people of Carrizozo for the fine treatment accorded both of us we would certainly appreciate it. Mrs. Stetler is getting along just fine and stood the trip home very well. Our doctor tells us she is doing OK. She now is on her feet and getting around with the aid of a walker. Thanking you, we are, Mr. and Mrs. C. C. Stetler, 638 First ave., Portia, Mich.

Editor, News: I see in your Lincoln Co. News of 8/23/58 a letter which was signed: "Keep the drunken drivers off the Highway." The article reads: "Every pay day at Ft. Stanton you can't drive home without several cars being all over the road."

They wanted State Police Protection. "Do you realize that our Sheriff, Mr. S. M. Ortiz, is capable of running his own office?"

"Do you realize that Col. L. W. Varner is capable of taking care of his job? Do you realize that we have a Deputy Sheriff here? I see Mr. Perry Zamora out patrolling the road every night. Do you realize that Ft. Stanton supports 1/2 of Lincoln County?"

It is true that people drink. It is true that the bars have license to sell intoxicating liquor. I think Ft. Stanton is getting some unnecessary publicity. I think James Clayton is a wonderful fellow and a nice officer.

I am sure that if he was needed over here Mr. Zamora would call him, or Mr. Ortiz.

Thank you very much. J. W. Pennington, Fort Stanton, N. M.

P. S. I am not ashamed to sign my name to a letter.

Thought for the Day: "The best way to love a friend is to be one."

OK Name Change for Ruidoso Downs

The name of the post office at Green Tree, N. M., will be changed officially to Ruidoso Downs on Oct. 1, according to a directive received last week by Mrs. Dorothy Farnell, postmaster, from the Postal Department in Washington.

Voters of the village had indicated approval of the name change in a referendum in the spring. Agitation for the change was sparked by a series of progressive developments in the area, which lies adjacent to the well-known Ruidoso Downs race track.

Attendance totaled 2,732 persons from all the States, Alaska, and Hawaii; visitors were also recorded from several foreign countries, including Canada, England, France, Germany, Iceland, Malaya and Mexico.

Gran Quivira National Monument is located 25 miles south of Mountainair and 55 miles north of Carrizozo on State Highway 10.

GRIST & GRITS

By OLIN MILLER
 (Copyright 1956)

Every week end holiday makes the highways a bit safer, as many reckless drivers who take to the road then never drive again, on account of their being dead.

If the Government quizzes the quiz show quizzers about how they have been conducting their quiz shows, probably the best showing they could make would be to win consolation prizes.

It probably won't be so very long before it will be less hazardous for a person to return to earth from outer space than to return home by car from a holiday week end trip.

"Jehovah's Witnesses say the world will end soon."—Press report. If it doesn't, the end will probably come too late to do much good.

Trying to make 3 and 1-cent stamps come out even is comparable to the difficulty a syrup-sopper has in trying to make biscuits and syrup come out even.

"Among college graduates, men are having more children than women," says a statistician. Everything is mixed up these days.

"Ashes to ashes, and dust to dust"—If the blast doesn't get you, radiation must.

"The human body is almost 90% water," says an anatomist. It seems Longfellow was mistaken to a great extent when he wrote, "Dust thou art, and to dust shalt thou return," as thou mostly evaporatest.

Don't worry because you can't take it with you. In heaven you wouldn't need it, and in hell you couldn't use it.

State Fair Begins Advance Ticket Sales

Albuquerque (Special)—Leon H. Harms, secretary-manager of the New Mexico State Fair, said this week that the 21st State's 1956 Fair would be "the biggest yet."

In view of last year's Coliseum Show ticket sales experience, Harms emphasized that potential fair visitors should order tickets for the Arthur Godfrey Rodeo performances in the Coliseum this year in advance where they have definite plans to attend.

"We have a big Coliseum," Harms explained, "with more than 12,000 choice seats, we want to handle ticket sales in the best possible way for our visitors, and advance ticket orders will assist us a great deal in this respect."

Harms said where money orders or checks accompanied ticket requests, together with an addressed return envelope, tickets would be mailed to buyers in advance of the Fair, September 27 through October 5. He also explained that tickets could be reserved by letter, phone or wire, and that such reservations would be honored up to 24 hours prior to the requested date.

The Coliseum show ticket prices announced by Harms are: general admission (adults)—\$2; (children)—\$.75; all reserved seats—\$2.50; all box seats—\$5. Tickets can also be purchased Monday through Friday between 9 a.m. and 5 p.m., at the Administration building on the fair grounds, Harms added.

Double Ring Ceremony in Albuquerque Unites Miss Robinson to Mr. Barley

In a double ring ceremony on Saturday, August 30, in Immanuel Presbyterian Church, Albuquerque, Miss JoAnn Robinson became the bride of Lee James Barley of Albuquerque.

white gladioli tied with blue ribbon, and tall silver candelabra holding seven white candles each were placed on either side of the altar.

A white aisle cloth was laid. Given in marriage by her father, the bride wore a chapel length bridal gown, fashioned of white nylon organdy and lace applique. The fitted bodice had short sleeves and sabrina neckline. Tiny self material covered buttons fastened from the waist to the back to below the waistline, and also the wrist of the elbow length mitts which were of the same material as the dress. Tiny white pearls and delicately tinted sequins trimmed the neckline and extra panels fastened to the skirt. The white veil was held by a coronet of white lace covered with pearls.

The bride carried a cascade of white carnations made up with white satin ribbon and bits of pink and blue net for a touch of color.

Carrying out the traditional custom, the bride wore her maternal grandmother's gold heart earrings. She wore a blue garter, a gift from her bridesmaid.

The attendants were dressed in pink and blue. Miss Nancy Dill of Albuquerque was maid of honor, wearing a ballerina length dress of blue crystalline over blue taffeta. The only trim was a wide sash of matching blue chiffon. She wore blue shoes, white gloves, and nose length veil of blue tulle held with a head band of white pearl effect. The scalloped veil was trimmed with rhinestones. She carried a nose gay type bouquet of variegated pink and white carnations edged with white net and tied with long white satin ribbon streamers.

Misses Marietta Sultemeler of Corona and Roberta Leavelle of Albuquerque were the bridesmaids. They wore identical dresses styled the same as the one worn by the maid of honor, but of light pink nylon organza over a deeper shade of pink taffeta. The chiffon sashes were of the deeper shade of pink.

Their headpieces were made of pink tulle and styled the same as that of the maid of honor. They wore white shoes and pink nylon gloves trimmed with tiny white seed pearls. They also carried nosegay type bouquets of blue and white variegated carnations.

Little Miss Gretta Griffin, cousin of the bride, was flower girl. She wore a floor length dress of blue taffeta trimmed with small pink roses that caught up the over skirt into scallops. Her headpiece was of the same material covered with tiny pink flowers. She carried a blue taffeta covered basket filled with pale pink rose petals.

The ring bearer was Michael Sumner, cousin of the bride. He was dressed in a formal suit with small white carnation boutonniere and carried the rings on a lace trimmed satin pillow.

The bridegroom's attendant was Dick Longman of Joliet, Mo., and Albuquerque where he attends the University of New Mexico.

Ushers were Derrell Robinson, brother of the bride, and Paul Callahan of Albuquerque.

After the ceremony, a reception was held in the basement of the church. The bride's table was centered with a large three-tiered wedding cake of white with pink and blue confection decoration and topped with a miniature bride and groom.

Pale pink carnations circled the cake. White tapers in silver candelabra and a small vase of pink rosebuds in baby breath finished the table decoration.

To cut the first piece of cake, the bride and groom used a silver cake knife engraved with their names and wedding date, and tied with a white flower and ribbon bow. The knife was a wedding gift. Mrs. Dill, mother of the maid of honor, served the cake.

The punch tables held bowls of pink punch, blue tapers in silver holders and small bowls of flowers. Girl friends of the bride took turns at pouring punch.

Ruth Miller of Columbus, N. M., presided at the guest book.

The couple left immediately for a week's vacation and wedding trip. For traveling the bride wore a suit of blue flannel. She chose black suede shoes and purse, a black felt hat and black gloves. She wore a pearl necklace, the gift from the bridegroom, and her corsage was taken from the bridal bouquet. After the trip the couple will be at home in an apartment near the University of New Mexico at Albuquerque, where they plan to attend college.

Mrs. Clara Lowe entertained with a covered dish luncheon for the Past Matrons Club at her home last Tuesday.

Present were Mrs. Rose Sittion, Mrs. Anna Brazel, Mrs. Nettie Lemon, Mrs. Gussie Titworth, Miss Grace Jones, Mrs. Ella Sales, Mrs. Emma DeGner, Miss Frances DeGner and Mrs. Lovene Ferguson.

They enjoyed a delicious dinner, followed by a business meeting.

Do not forget the Fair, Friday the 12th and Saturday the 13th here at Capitán.

Mrs. Daisy Gehring was sent to Roswell to see a specialist for her illness. She went last Monday, though at this time we have not heard about her.

Mrs. Gussie Titworth and George Titworth, who is visiting her, went to El Paso last Thursday returning Friday night. She had a checkup on her eyes.

Mr. and Mrs. D. S. Williams went to Gallup last Tuesday to visit Aileen (Mrs. Roby Connor and sons) returning Thursday evening.

Mr. and Mrs. Harry A. Sharp and her sister Mrs. Clara Jansen of Sioux City, Iowa, arrived Friday, Sept. 5 in Capitán at the home of his sister, Mr. and Mrs. Joseph E. Bench, for a nice visit.

Mrs. Edna Littlejohn of Carrizozo spent last Tuesday and Wednesday with her sister Mrs. Robert Leslie, Jr., and Mr. Leslie at their ranch home.

Rev. Charles W. Dawson took their son Clyde who is a junior in high school in Littleton, Colo., to Albuquerque to catch a bus. He had to register and be ready for school the 6th. He spent the summer at Fort Stanton with them.

Mr. and Mrs. Dwight Allison and little son Mark of Tulsa, Okla., are visiting his parents, Mr. and Mrs. James Howard, for a few days.

Mrs. Zane Lalle and Mrs. Robert Leslie made a business trip to Carrizozo last Thursday.

Joseph Bench and Mrs. Jansen made a business trip to Roswell last Monday.

Mr. and Mrs. Vernon Payne of San Angelo, Texas, were in Capitán visiting friends last Tuesday.

Mrs. Hipp at this time is not feeling too good.

Gordon Dockray of Morenci, Ariz., visited Mrs. Maude Clark and other friends last week.

Mr. and Mrs. Woodrow Cozart of Albuquerque visited her sister Irene (Mr. and Mrs. Roy Coffman and Dorothy) over this last week end.

Mr. and Mrs. Vance Benton, Mr. and Mrs. Charles A. Jones, Mr. and Mrs. N. E. Britton and Mrs. Sultemeier of Corona were here last Monday helping get ready for the County Fair. There are others, though at this time I am not familiar with their names.

Mr. and Mrs. Hatley Sharp (Madeline), two children and a neighbor's boy of Downey, Calif., spent a week with her sister Pearl (Mr. and Mrs. John Soderback). Then went to Gallup to visit her sister Ogdah (Mr. and Mrs. Tom Rogers, and son Tom.

Report Progress on Smokey Museum

Reports on Smokey Museum are that it is going very nicely with log construction half done and it looks good.

We still have 36 foot logs to haul in from the forest which will be done any day now.

Mrs. Pearl Soderback and Mrs. Guck went to Roswell for ads for the Fair to help Smokey and did very well. Then they went to Carrizozo and did exceedingly well.

Then Mrs. Guck made a talk at the Rotary Club in Buldoso last Tuesday and she did grand there too.

They and all of us members at this time express our deepest thanks and heartfelt gratitude for all assistance.

Woman's Club to Have Booth at County Fair

The Capitán Woman's Club had their regular monthly meeting September 4 at 8 o'clock in the evening.

The meeting began with the singing of "America the Beautiful," the repeating of our Pledge of Allegiance, and the Woman's Club Creed, reading the minutes, and the treasurer's report by Mrs. Stratton.

The club had some discussion about their adopted boy's needs. A letter of honorary member acceptance was read from Mrs. Gussie I. Titworth. Mrs. Titworth also donated two park benches to use in our city park.

Discussion and decision was made concerning food and volunteer workers for the club booth at the County Fair. Mrs. Jess Guthrie became a new member.

After the business meeting, followed a most interesting program by the program chairman, Mrs. I. W. Varner. She introduced Mrs. Dawson of Fort Stanton, who played a piano solo, the universal favorite, "Clair De Lune."

Mrs. Varner also introduced Miss Sally Cloud who gave a report about her trip to Girls State and the week spent there, which was sponsored by the Woman's Club. Miss Cloud was enthused about all the worthwhile information she received by putting government into practice at Girls State.

The refreshment committee, Mrs. Lewis Stratton, and Mrs. L. H. Merrell, served hot tea and coffee with an unusually good date cake.

We have been enjoying the nicest cloudy and rainy weather this week.

Hondo Drops First Game to Vaughn

Last Friday, Sept. 5, the Hondo Eagles met their first opponents of the 1938 football season. The game was played on the Eagle's home field against the Vaughn gridiron squad.

The Eagles kicked off to Vaughn and on the third play Vaughn completed a whopping 30 yard pass which took them 45 yards down field and put them to rest on the Eagles two yard line. Two plays later, Vaughn scored with a dive through the middle of the line. They converted their extra point try with a pass play.

From this point on, the game became a defensive battle which kept the ball moving up and down the field, but not far enough in either direction to count in the score book.

Hondo put together a drive in the fourth quarter which was good for 60 yards, but it bogged down on the Vaughn 30-yard line.

Outstanding players for the Hondo Eagles were Johnny Gomez, Doug Bradley and John Blea.

Corona Swamps Mountainair, 32-2

By A. CARDINAL FAN

The Corona Cardinals opened the 1938 football schedule victoriously Friday downing Mountainair 32-2 behind the fine all-round play of fullback Wayne Hanson.

The Cardinals scored in every period except the first quarter while the Mustangs were held scoreless except for the first quarter.

Hanson broke the game wide open on two-second period touchdowns and then converted both extra points. In the fourth period Hanson smashed over from the one yard line. Stubby Huey rammed the third touchdown over and the 4th touchdown honors fell to Woody Dame.

The Cardinals' defensive line was a standout. Repeatedly the guards and tackles broke in and smothered the offensive backfield. Four standouts in the Cardinal line were Carlos Otero, Billy Huey, Rand Perkins and Bobby Wade.

Offensive bouquets were heaped on the Cardinal quarterback Johnny Erramospe, who called one of the finest games that this poor ole reporter has ever seen. Everytime the coach was about to send in a certain play, this fine quarterback would call it beforehand.

In the fourth quarter Johnny intercepted a pass on the 15 yard line, broke like a frightened rabbit, and went all the way for a TD. But a Cardinal, who was a little overzealous, clipped a Mustang from behind, and the TD went for naught.

Lee Mulkey, despite a painful injury, played his usual "heads-up" brand football. Leo Alliez playing at middle line backer kept the opposition bottled up all afternoon.

Scoring by quarters:
Mt. Air 0 0 0 2-2
Corona 0 12 12 6-32

The Scoreboard

Frying questions asked Coach Moses:

Q. Tell me, Coach, how did the boys play Friday against Mountainair?

A. They looked ragged in spots, but they hit hard and showed a good scoring punch.

Q. Is there over confidence in your camp after that 32-2 riot?

A. Yes, it is hard not to be after winning an easy game.

Q. Much has been said about our shallow inexperienced line. How good is it?

A. We have a small squad this year, about 22 boys, but we have a good first team line and some good replacements for those who get hurt.

Q. The experts put Corona at or near the bottom of the conference. Could a surprise be in store for these second guessers?

A. Corona or Melissa will win the District this year.

Q. Are any changes in store for the offense?

A. Yes, new variations of our plays will be added from time to time.

Q. What newcomers have placed to date?

A. Leo Alliez at linebacker and Wayne Lindsey in the line.

Q. And the veterans?

A. All veterans are looking good.

Convinced that Coach Moses has planned some fireworks of his own for Zozo, Sept. 12, we took our line. If fans don't believe Coach plans to win the game next Friday, you, my friend, have a surprise in store.

Friday, Sept. 12, the Corona Cardinals meet Carrizozo on the Cardinals' field. Game time is 2 p.m. It has been six years since the Cardinals have beat the Grizzlies.

The Cardinals are favored because of their overwhelming defeat of Mountainair last week, 32-2.

SPORTS CORNER

Week end Games

The Grizzlies meet Corona here this Friday.

The Capitán Tigers play Estancia here on Thursday, Sept. 11, a date arranged not to conflict with the County Fair.

Ruidoso takes on Hatch in Ruidoso at 8.

Hondo plays Roswell 8 at Hondo.

Carrizozo Drops Opener to Tularosa

The Carrizozo Grizzlies, making their first start of the 1938 season, dropped a 21 to 0 game to the Tularosa Wildcats Friday night on the local field.

It was a non-conference game for the Grizzlies, in which they took on Class B competition and, though unable to score, gave a good account of themselves. Tularosa was far ahead of Carrizozo in number of fumbles and penalties.

The Wildcats counted in the second quarter when Rocha went 25 yards for a touchdown and Saucedo place kicked the extra point, Booker holding.

Carrizozo recovered three Tularosa fumbles in the first quarter.

The Grizzlies were deep in Wildcat territory as the half ended following an 18-yard pass Saucedo to F. Vega.

Little ran well in the third quarter to set up another Wildcat TD with conversion and came back soon to score another after a short Grizzly punt gave them possession on the Carrizozo 39-yard line.

The Wildcats played their B squad late in the fourth quarter and Nunez was hauled down after a 40-yard run to the Grizzly 10-yd. line as the game ended.

A light drizzle fell at times during the game but it little more than dampened the good-sized crowd attending the game.

Other week end scores were: Ft. Sumner 37, Bovins, Texas, 0. Capitán 6, Hatch 6. Eunice 34, Van Horn, Texas, 10. Ruidoso 7, Roswell "D" 6. Vaughn 7, Hondo 0. Corona 32, Mountainair 2. Estancia 6, Cathdra) Gallup 0.

Capitan Battles Hatch to 6-6 Tie

By WALTER JONES

The Capitán Tigers and Hatch Bears battled to a 6-6 tie in last Friday night's opening football tilt for both teams at Hatch.

The first quarter saw a hard struggle between both teams with neither team getting within scoring distance.

In the second period Hatch fumbled on a reverse and Smith of Capitán recovered to sprint 50 yards for a touchdown. Smith's try for the extra point failed.

With just four minutes to play in the fourth quarter, Hatch, with a series of right tackle plunges by McDonald, lined up in scoring position. Nevarez then drove through the middle of the line with a quarter-back sneak for the tally. McDonald's plunge for PAT was stopped by the Tiger's line.

With a series of passes the Tigers made a last bid for victory but time ran out as they reached the Hatch 40 yard line.

Carroll Jones, Joe Smith, Robert Salas, and Claudio Montoya in the backfield along with Charles Leckhart, Sonny Gavl, Jim Kerr, Cesar Mendolla, Pat McCreary, Walter Jones, Wilson Purcella, Eloy Sedillo, Paul Sedillo, and Jimmy Montoya in the line showed outstanding running, blocking and tackling.

'Tween Us Teens

By MARY (Ginger) NICKELS

Golly, wasn't that a thrilling Miss America pageant? Mary Ann Mobley, Miss Mississippi, really deserved the title Miss America. Of course, all the young ladies were fabulous but actually I thought it was a toss-up between Mississippi and Iowa. They both were real great. Man, I nearly flipped when I heard Mary Ann had been a real tom-boy and hadn't had a date 'till she was sixteen. It was nice that she won because she was the first one from her state to win. (So much for that.)

Say, Sheb Wooley's new platter, "The Chase," is really the most! It's as gone as "Purple People Eater" — almost. Keep your eye on this one, y'all; its going to sell plenty.

Let's hope Harry Rickerson gets out of the hospital real soon.

Welcome to Pam Reid, an Eighth Grader, here in Zozo. She lived in Albuquerque before moving here. Rev. Reid, her father, is the new Methodist minister.

Looks like Bobby Stearns, Lee Adell Baker and Penny McKnight, have gone to college for the fall term.

Sally Lewis is in Artesia now, and Patty Sargent is going to school in California.

Thought for the week: If at first you don't succeed, you're like most other people.

Overheard at the school grounds:

Little Boy: "A big boy called me a sissy, today."

Teacher: "Well, what did you do?"

Little Boy: "I hit him with my purse."

Even after the Labor Day holidays, lots of folks have been on the Bonito fishing and camping. Fair fishing, according to reports. We have had some good rains but the roads to Bonito dam and above are in good shape.

I made a flying trip to Ruidoso hospital to visit Wynema Tully and new daughter, Patricia Ann, on Monday. Both were doing fine.

The English farm has had several visitors recently. I didn't get all the names, but Sadie's son and family from Deming were expected on Sunday and Dr. Frank English and family from Roswell. There's lots of fruit on the English farm this year. Frank and Sadie have been busy canning pears.

Joe Sheppard, who is taking Eugene Brown's place checking water lines, etc., on the Bonito, was around checking his new job Sunday. Joe usta live at Captain. He and wife will live at Nogal lake. Eugene Brown and wife are going to Utah.

J. W. (Dub) Tally and wife Dorothy stopped at Bonito City Sunday. They have been on a month's vacation here and in Texas, visiting. They are now with Dub's sister, Mrs. Ed Nelson and Mr. Nelson, and Dub's son Jimmie at Tinnie. Dorothy has visited, too, with her sister, Mary Weaver at Alamogordo. Dub was raised in Lincoln County.

Dorothy and Bud Payne were on the Bonito Sunday — they didn't stay long enough for me to learn their business — but

guess that wasn't any of mine now but they're nice folks to chat with.

Mrs. Guy Dabney, great grandson Patrick and his mother Carolyn Vanover, were on the Bonito last week. Carolyn, husband and son live in Roswell but spend lots of time on the Dabney ranch. They, like most ladies, have been busy canning. Carolyn has a horse for sale — address her in care of Dabney's, Nogal, N. M.

Mr. and Mrs. Claude Pettersen from Ruidoso were on the Bonito last week to relax and do some fishing at the lake.

Last week some horse racing fans came by the Bonito on their way to Nogal. They were Mr. and Mrs. Lewis Greer, Irma Doll and husband from Borger, Texas, and Laird Stortz.

Johnnie Wright, county treasurer, and Jake Fulmer from Carrizozo were on the Bonito Saturday looking after some mining interests.

Bob McProud from Orogrande spent a few days on the Bonito last week looking over mining claims. His wife Mary and her children and grand-children drove up from Alamogordo to get Bob.

'Twas Robert Lloyd Runnels' first football trip to Hatch with the Captain team. The score was 6-6 and a big thrill for Robert, being a freshman. Frank Stearns from Bonito made the trip too. It was a long, hard ride.

I was in Captain recently. The Smokey Bear Museum is going up and looks so pretty with new peeled logs. Capitan should be

CARAVAN TO SANTA FE IN SEVENTEENTH CENTURY

In the 17th Century, a mission supply caravan came from Mexico City to Santa Fe every third year, with one wagon allotted for every two triars in the province. The round-trip, including a stop-over in Santa Fe, took a year and a half.

Recommend Funds for Hospital Construction

Santa Fe, Sept. 4 — The New Mexico Hospital Advisory Council meeting in Santa Fe last week recommended distribution of more than \$1,000,000 in Federal Hill-Burton funds for hospital construction. Recommendations of the council will go to the New Mexico Board of Public Health for action in the near future.

Among the hospitals recommended to receive the Hill-Burton funds, which are for new hospital construction, were the Fort Stanton Tuberculosis Hospital, \$27,500; Ruidoso-Hondo Valley General Hospital, \$45,000; and Gerald Champion Memorial Hospital, Alamogordo, \$6,000.

Social Security Officer To be in Carrizozo

Ralph H. Yowell, field representative of the Roswell Social Security Administration office, will be in Carrizozo, Monday morning, Sept. 16, to assist local residents in making applications for old age, survivors, or disability benefits and to give general information concerning the Social Security Act.

He will be at the office in the Court House between the hours of 10 a.m. and noon.

"Your social security account is the key to your family's and your own financial security," Mr. Yowell said this week.

"Make sure that this record is accurate by checking your account at least once every three years. You can do this by completing a wage statement request card, available at the Roswell social security office. In making your request, give your social security number, date of birth, mailing address, and sign your name."

"Chances are that the record of your account will agree with your own record of your wages or self-employment earnings, but in the event you find it does not, your local social security office will help you to correct any error in your account."

"There is no charge for this service."

ROSSELL DEMOCRAT TO RUN CONVENTION

Santa Fe, Sept. 8 — The Democratic courting of eastern New Mexico moved up last week with the selection of Jack Campbell, Roswell legislator and lawyer, as chairman of the state platform convention in Santa Fe Sept. 8.

The agreement on Campbell, not yet publicly announced, came as State Rep. Matias Chacon of Rio Arriba, Democratic floor leader, complained of inadequate representation of the Spanish-American counties of northern New Mexico on the party's platform committee and noted the absence of Spanish-American candidates for state offices.

State Chairman Seaborn Collins replied that the committee members were chosen on qualifications and not race.

LOOK FOR WIN IN THE EAST

The Democratic leadership is obviously bidding for victory in the Little Texas of southeastern New Mexico which has a capacity for huge Democratic majorities when conditions are right as compared to the close voting in the Spanish-American area.

The party is armed this time with eastsiders John Burroughs for governor and Tom Morris for lieutenant governor and the new state chairman, like Burroughs and Morris, are transplanted Texans who should appeal to Little Texas voters.

Abe Ribble of the party executive committee has announced that Sen. Lyndon Johnson or Rep. Sam Rayburn of Texas will speak at the opening of the

campaign in Portales Sept. 13.

SMALLER VOTE, BIGGER MARGINS

The Little Texas counties — Chavez, Curry, Lea, Eddy, Quay and Roosevelt — have a smaller vote than that cast in the nine Spanish-American counties but often go overboard for the Democrats with margins in the sky.

In the last election the Spanish-American counties — Santa Fe, Guadalupe, Mora, Sandoval, San Miguel, Rio Arriba, Socorro, Valencia and Taos — had a total vote of 63,000. The Little Texas group produced 57,000.

In 1954, the last time the Demos had a run-away in the state, the northside counties gave them a margin of 4500, the eastside group came through with 10,000 for the Demo candidate for governor.

The 1948 election showed how far Little Texas can go in supporting Democrats when the six counties gave Tom Mabry 21,000 lead over Manuel Lujan, the Republican candidate for governor.

BACKED MECHAM TWO OUT OF THREE

All of the Spanish-American counties voted for the Republican Ed Mecham for governor last time giving him a majority of 4500. The Little Texas group supported Gov. John Simms with a 5200 margin.

Mecham has carried the northside counties in two of his three runs and when he lost it was only by 200 in 1950. This seems to explain the Democratic leadership's counting of the eastsiders over the north.

TAXPAYERS FIRST FOR TAX REDUCTION

The New Mexico Taxpayers' Assn. was first up with a suggestion for a reduction in the amount of property taxes levied for state purchases. Governor Mecham dood it and apparently scored politically ... Fats Leonard, Democratic financier, has been moved out as boss of the big Leonard Mack Co. of Albuquerque by his Mack Truck company partners but he's not broke by any means. Leonard still holds his stock in the firm and holds Mack franchises in Farmington and El Paso and operates a construction equipment company, a tire firm and other enterprises ... Contest for speaker of the house seems to have narrowed to Democrats Fred Foster of Grants, Bill Culbertson of San Miguel and Mack Easley of Lea with Easley way out in front ...

Two New Body Styles For 1959 Oldsmobile

Detroit—Sept. 1—The automobile industry in general, and Oldsmobile in particular, are headed for a successful 1959 model year, according to the optimistic prediction made in Detroit recently by Jack Wolfram, general manager of Oldsmobile and a vice president of General Motors.

Speaking to the nation's automobile writers and editors gathered in Detroit to preview the 1959 Oldsmobile, Wolfram revealed that Oldsmobile will introduce two completely new body styles in its 1959 line. They are the Holiday Sportsedan — a sporty four-door family-size car — and the two-door Holiday Sport Coupe which has an entirely new silhouette, a snappy appearance and exceptional visibility in all directions. The two new styles will be available throughout the Oldsmobile line.

"I believe that these two body styles will attract the many people who want a totally new automobile — something different — especially buyers who want a full-size family car with a sporty flair," Wolfram said.

Some Republicans are nervous about the big American Legion crowd being swung against them by Demo State Chairman Seaborn Collins who was national commander of the Legion a short time back ...

The Republican controlled state tourist bureau broke a policy of 23 years standing by kicking in \$500 for a state float in the parade at the national Legion convention in Chicago last week. New Mexico had first place in the parade.

LEGISLATORS SELL TO STATE

Legislators are not allowed to work for the state but there is no law against doing business with the state.

Sen. Bill Wheatley, Union county Democrat, led the lawmakers in state business during the year that ended June 30. His Clayton Automotive Service sold automobiles, to the state for \$43,809.

Most of the others dealing with the state were insurance agents.

Our Clint the senator led all the rest in insurance sales to the state, the record showing the Clinton P. Anderson Agency doing a volume of \$108,000. It was most all for workmen's compensation for the highway department.

Gracious Living Is Yours With This Split-Level

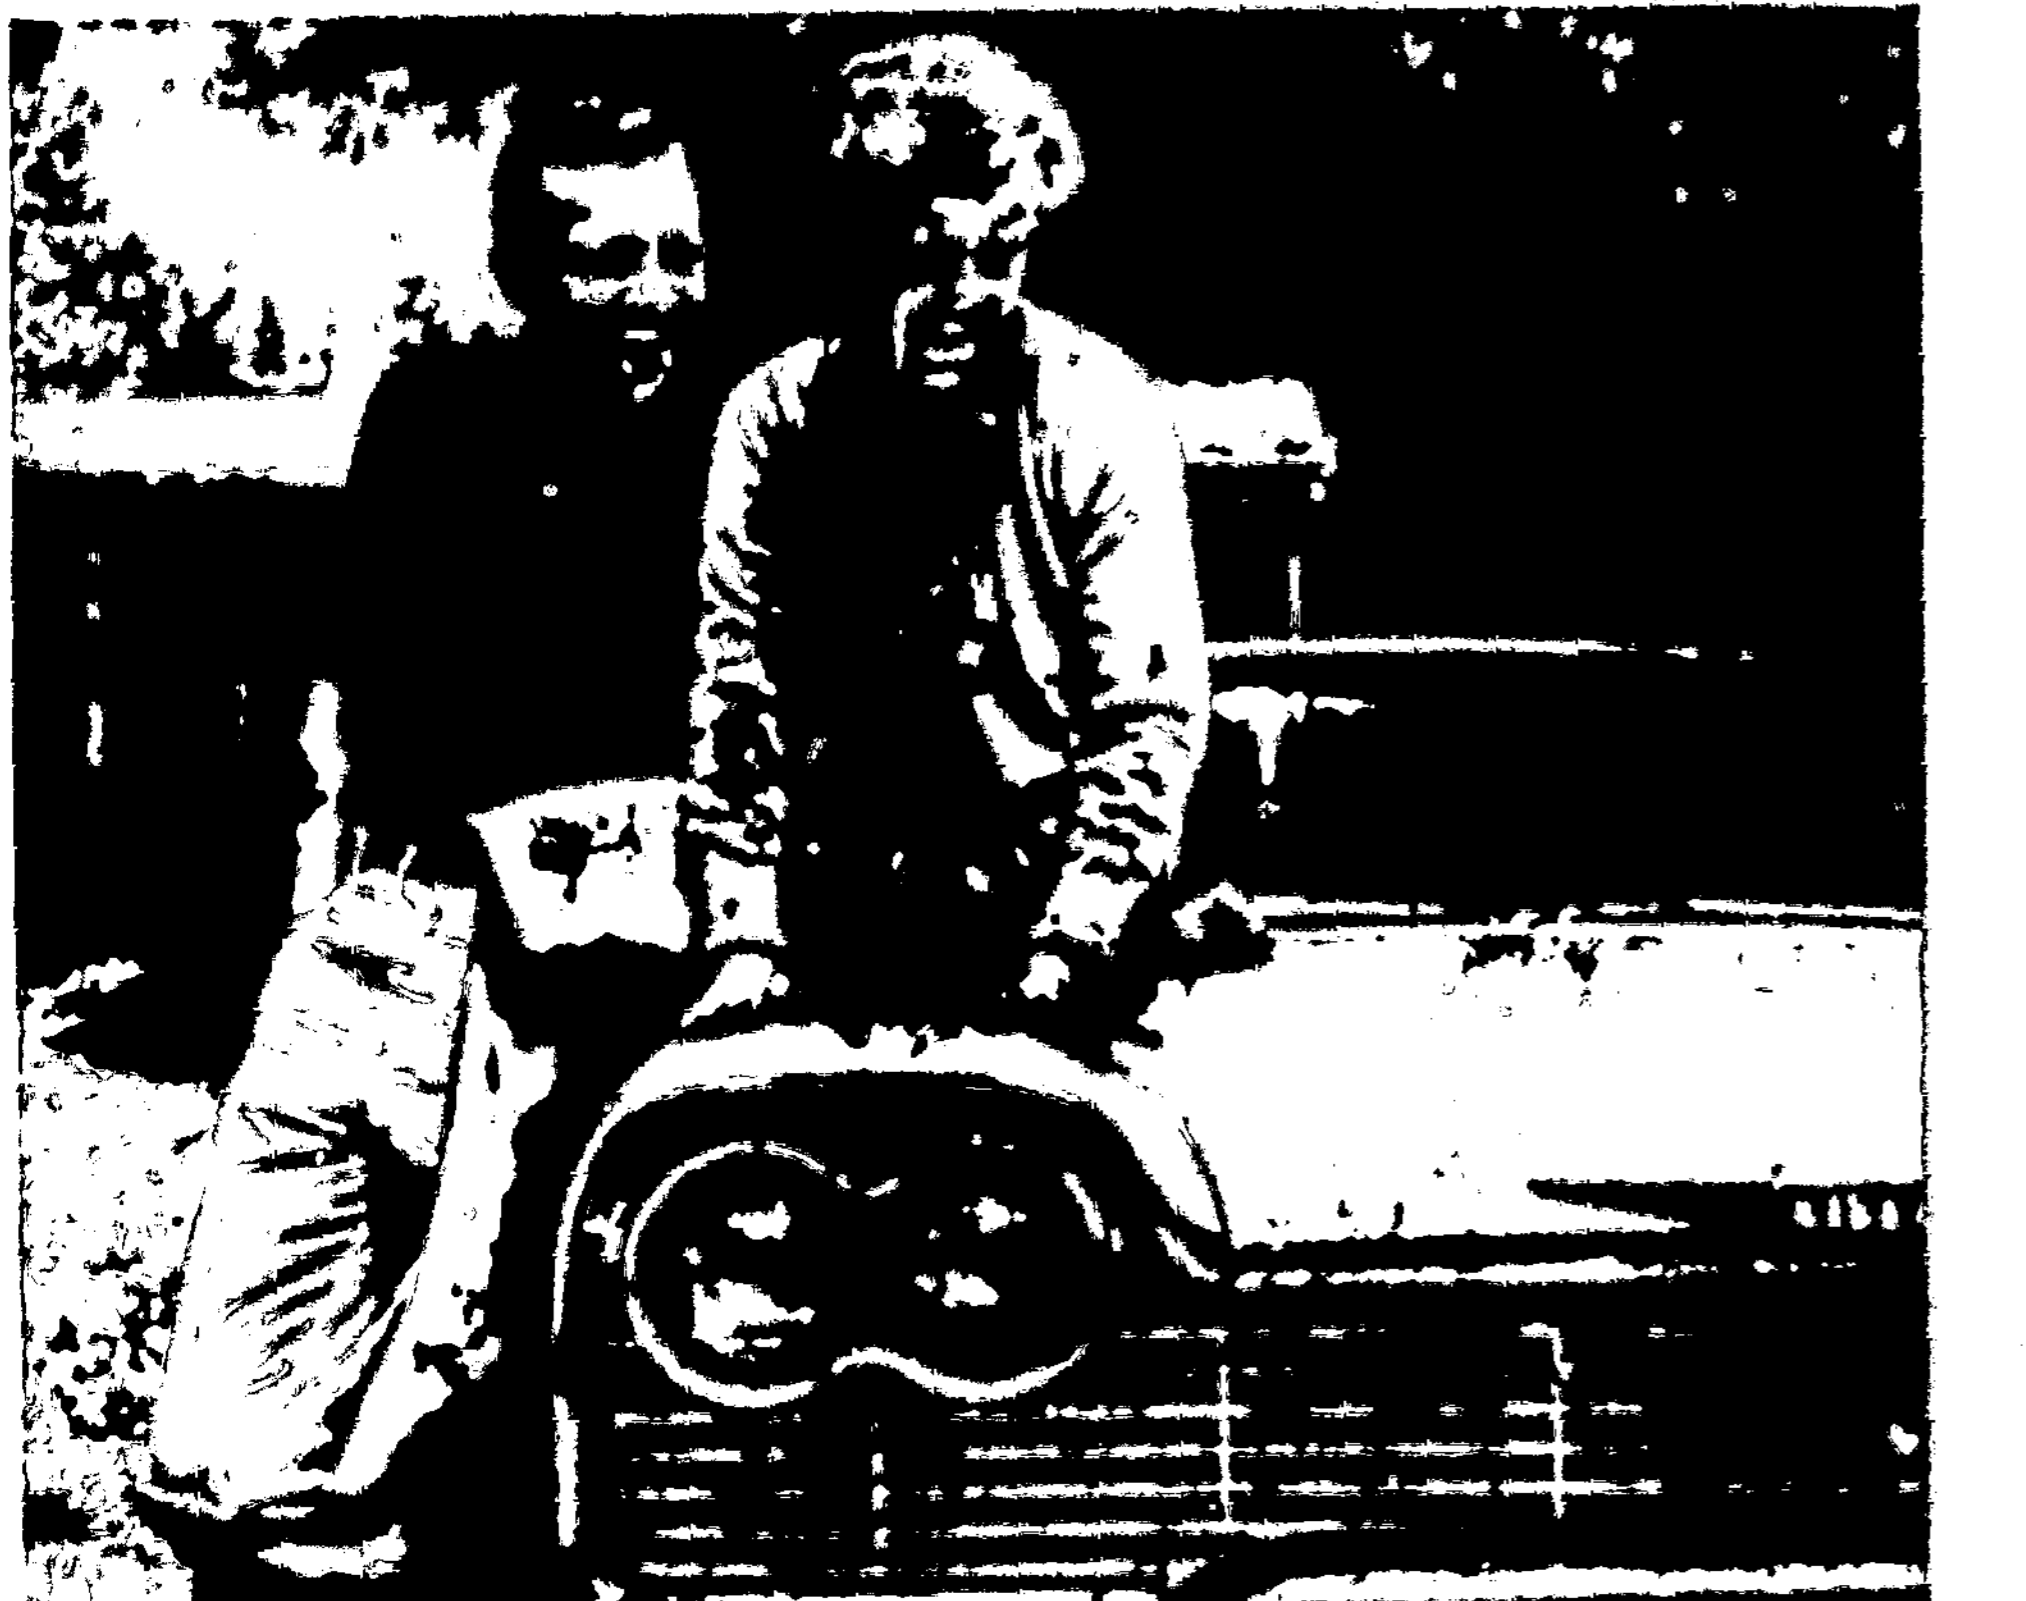

The ultimate in gracious living in the low-cost home field, this split-level beauty illustrates the happy result of a luxury house plan going "economy."

Designer Don Scholz has maintained the architectural touch that keeps him in top demand as planner of large estate type homes. Here he has stripped away non-essentials to achieve a house that has 1418 sq. ft. of floor space and yet can be built for less than many "economy" homes of only 1000 sq. ft. in site or smaller.

Here's the economy secret: (1) lines are kept simple, using a straight rectangular floor plan; (2) every inch of the three "direct-drive" levels is utilized; and (3) the split-level's inherent ability to incorporate a garage with bottom-level recreation and utility space is employed.

And there are the ways luxury-home beauty keeps pace with: (1) the facade kept in balance with two straight gable roofs; (2) the large living room window complements as well as balances the garage door and smaller windows in the larger section of the house; (3) judicious use of light and dark exterior shades makes the house appear massive and comfortable.

Indoors, rooms flow into each other uniformly and according to purpose—utility, recreation, living and sleeping. This excellence of traffic pattern is paralleled by room spaciousness and commodious storage facilities. For further information on this house, write to Don Scholz Design Associates, Dept. 108, 2021 N. Westwood, Toledo 7, Ohio.

Country Club Luxury In This California Contemporary Home

The rich endowments toward greater home beauty and livability contributed by the strong "California" influences are today witnessed across the nation. Numbered among these are the hard, low silhouette; floor-to-ceiling glass areas which interrelate the exterior and interior; and the use of color in combination with balanced material texture variation.

Designer Don Scholz, pioneer in the "California" trend has in this house captured the best elements among the Western innovations. And what's more it's built into a structure which through straight in-line construction and economical use of space, is within reach of the modest budget.

Among outstanding features in this 1,944 sq. ft. home are: (1) three ample bedrooms. (Also available in deluxe 4 bedroom model) with plenty of storage; (2) a compartmented family bath just a step away from each of the bedrooms; (3) three areas for dining to suit the occasion—a separate dining room for formal meals, a family dining area in the efficient "in-line" kitchen, and a covered patio for pleasant dining on warm summer days; (4) a view of both front and back from living room or kitchen; (5) a full-size garage; and (6) a storage room or workshop with direct access to the outdoors in the latest version of the house.

Albuquerque Man M. of D. Chairman

Robert P. Conway of Albuquerque has been appointed State Chairman of the 1959 March of Dimes in New Mexico, it was announced this week by Basil O'Connor, president of the National Foundation.

The March of Dimes will be held in January.

The polio-fighting organization is expanding into a broad new force that will tackle health problems on a wider front and no longer will confine its activities to a single disease.

Mr. O'Connor said in making the appointment, "I am confident that the people of New Mexico, who helped make possible victory over polio through their contributions to the March of Dimes over the past 20 years, will give even greater support to the National Foundation's expanded program in the future. The Foundation is fortunate indeed, as is the State of New Mexico, in having leaders such as Mr. Conway."

Discontinue Drilling On Test Water Well

Drilling was discontinued last week on the test well for the Village of Corona at a depth of 336 feet and no water.

The two wells on the Binyon ranch now supplying the town with water will probably hold out until May 1, 1959.

As more water is used in the summer the water level may go down again, and the town will be short of water. Here is hoping some solution may be found to our water problems.

The moisture at Corona, recorded by the Southern Pacific depot employees, from September 3 through the 9 measured 1.67 inches. Heavier rains fell to the north and west, we believe.

Mr. and Mrs. James Aldrich and sons Mike and Johnny of Belen were in Corona the past week end working on their house just north of Roberts Mercantile Company.

TAOS DEMOCRATS UPSET PROGRAM

Santa Fe, Sept. 10.—Taos Democrats shook the party with their resolution calling for repeal of the "guaranteed profit" laws on liquor and cigarettes.

It was the last place in the state that such action was expected and following an identical resolution in Los Alamos it seemed to assure a fight on the painful subject in the state convention here next Monday.

Republicans already have a plank for repeal of the liquor price law. Democrats had hoped to ignore it in convention and in the following campaign. That will be difficult now. State Sen. Palamon Martinez, a freshman legislator who has been full of interesting surprises, is getting credit for the Taos resolution.

LEADERS PREFER QUIET CAMPAIGN

Democratic campaign managers would like to avoid a fight on liquor or anything else that might produce a big outpouring of votes in the November election.

They figure there are enough habitual Democratic voters to put over their ticket in a quiet, normal election.

When the Republican, Ed Mechem, won for governor in the presidential election year in 1958 there were 260,000 voters. When Democrat John Simms coasted to victory in 1954 there were 200,000 voters.

This is another off-year which may be expected to attract only a couple of hundred thousand unless somebody stirs the hornet's nest.

BOSS JANITOR MAND TO FIRE

Nep Torres, the \$600-a-month boss janitor at the statehouse who has worked under the sponsorship of retiring State Secretary Natalie Buck may be up for replacement at the end of the year but don't bet on it yet.

There has been a lot of talk that the highly valued job which involves the hiring of scores of sweepers and moppers and the buying of a lot of supplies would go to Santa Fe Demo Chairman Johnny Vigil if Democratic Betty Fiorina is elected secretary of state, and it is likely that she will be. But it is not that simple.

The law says that the boss janitor, or capitol custodian as the law calls the job, shall be chosen by the governor, the secretary of state and the capitol custodian.

In the event Fiorina and Republican Gov. Ed Mechem are in office that bi-partisan pair would have to agree on a custodian before Nep could be replaced. If they should not agree Nep could vote for himself and stay on the job.

Torres, incidentally, has done a real good job keeping the statehouse clean and the grass growing.

NOTHING BUT BAD IN POLICE BADGE

If there ever was an ill wind that blew nobody good it was the one that blew in that police badge incident in Cimarron the other day.

Results so far: State Police Capt. Penn Winston who presented the official badge to rancher Ed Springer has been suspended for 30 days without pay, action that seems to cook his prospects for ever becoming chief of the state force.

Springer, who had no control over being on the receiving end of the ceremony has been publicly presented in an unfavorable light.

The police force department has been held forth to the public as one that leads to big shots such as Springer, and the governor who had been fighting with Springer was made to appear as continuing the fight when police were directed to take the badge away from Springer.

Winston who is unpopular at headquarters at the moment, had been regarded for years as heir to the chief's post if Joe Koach ever moves out.

MATEAR NAMED OSTEY'S MENTOR

Unsigned letters from two osteopaths name lawyer Peter McAtee of Albuquerque as the boss of the osteo's state society and say in effect that it was perfectly natural for him to name a member of the profession to the state hospital advisory council, a prerogative usually reserved to the governor.

There was confusion last week when Glen Darrow, D. O., showed up as a member of the council replacing Kenneth Warren, another D. O. from Albuquerque, and participated in the allocation of \$1.3 million to state hospitals.

CONSERVATION FOREST

The Nation's first forest conservation postage stamp goes on sale October 27 at Tucson, Arizona during the annual meeting of the American Forestry Association.

The issue was designed by the Post Office Department to commemorate the 100th anniversary of the birth of Theodore Roosevelt, one of this country's earliest forest conservationists, and to salute the many private and public agencies whose cooperation has helped make possible the progress in forest conservation.

First-day mailings will be cancelled with the above die featuring the Smokey Bear and the Keep America Green forest fire prevention program.

Drive in Dona Ana to Combat Mosquitoes

Santa Fe, (Sept. 11) — A concerted drive to overcome the mosquito-borne encephalitis menace in Dona Ana County has been undertaken by the State Health Department in cooperation with the U. S. Public Health Service, the Governor's office, the Highway Department, City and County officers and the National Guard.

Present plans, subject to Board of Finance approval, call for the expenditure of some \$30,000 in a widespread spraying effort and an attempt to clean up some 350 miles of drainage ditches in the area. The ditches are breeding areas for the mosquitoes.

National guard trucks, jeeps, and flame throwers are included in the program. Also cooperating is the Highway Department which will furnish bulldozers and operators.

ABOUT PEOPLE

Mrs. Ernest Snyder and baby, Vick Henry, have left for their home in El Paso, after spending several weeks with Mrs. Snyder's parents, Mr. and Mrs. Vick Lopez and family.

Carl and Glenn Thornton returned Tuesday evening from a week's trip to Little Rock, Ark., where they visited relatives. His vacation nearly ended, Glenn will soon return to California.

he had not been named to the place by the governor.

Explanations that followed indicated that the switch had been made by McAtee who overlooked clearing with the governor.

CAPITOL SERVES POTASH STRIKERS

Potash strikers are doing all right at the statehouse. The Republican controlled welfare department is distributing food to those who qualify and the Democratic land office has employed R. C. Brooks, chairman of a strikers negotiating committee at \$300 and the corporation commission is taking care of Sherwood Matney, striker and active union member, at \$305.

Youth Injured When

22 Pistol Discharges

Ronald McDaniel, 15, is home from Carrizozo hospital where he was a patient for three days after he accidentally shot himself in the leg with a 22 pistol.

Ronald was doing some target practicing at Nogal when a live target in the form of a rabbit suddenly came into view. In his haste to draw his pistol from the holster, Ronald discharged the gun. The bullet entered his right leg above the knee and ranged downward several inches into his leg.

The bullet was extracted at the Carrizozo hospital.

Chino Mines to Install Skip Haulage System

Hurley, N. M.—A skip haulage system which will cost more than \$2,000,000 will be installed at the open pit copper mine of Kennecott Copper Corporation's Chino Mines Division in Santa Rita, W. H. Goodrich, Chino general manager, announced this week.

The new installation, which is relatively new in open pit copper mining, will be completed sometime next year.

When constructed, the system will include two 40-ton skips or ore buckets which will be pulled by cables up an inclined track from the bottom to the top of the pit. The skips would have a hoisting capacity of around 18,000 tons per day assuming the full length of the track.

NOTICE TO BIDDERS
