By J. S. C. In the annual "Field Day" held in Carrizozo in the late summer of 1915...

As an added attraction to the many events of the day, Bill Barnett as promoter arranged for a prize fight between a pugilist from Roswell and a colored boy from El Paso...

When fight time arrived, there was not even standing room in the corral. The ones who were left out, climbed and straddled the corral...

Reference Barnett squared the antagonists in the center of the ring and the fight was on. It was a ferocious battle for seven rounds...

There were three knockouts, one knockdown and several bruised nugs during the afternoon and early evening...

The baseball game was between the Leans and Fats of Carrizozo and was really a pantomime. The batteries for the Fats were Dr. Johnson, Louis Adams and Henry Corn...

For the Leans it was Dr. Dlaney, Syl Anderson and Pablo Telles, with Pete Johnson Jr. in reserve and George Spence Jr. at utility.

The Leans won with the aid of umpire Wayne Van Schoeyk Sr. Artist Ralph (Rusty) Jones drew many appropriate cartoons to advertise this classic and they were on display in George Oney's billiard hall...

Fires Break Out in Lincoln National Forest; All Under Control Thursday

Capitan Peak Blaze Was in Rough Country

A Forest Service crew today was mopping up a small blaze that broke out early Tuesday evening below Capitan peak on the southeast side.

First on the scene were Vernon Morris and his son Marvin who observed the fire around 6:30.

Paul Jones and a five-man crew gave aid and Wednesday they were relieved by a six or seven-man crew.

The fire, which covered about two acres of good timber, was in extremely rough country, literally "standing on end," according to Ed Guck of the Forest Service.

Two small fires were checked in the Cloudcroft area Wednesday—one man-caused and the other resulting from lightning.

The former blaze, a spot fire, was the result of a carelessly tossed cigarette by a picnicer, according to Forest Ranger H. C. Reynolds at the Cloudcroft Guard Cabin.

The second blaze, which covered an acre and a half, was between La Luz and Bailey canyons and was attributed to lightning.

The Forest Service at Cloudcroft is in the process of setting up a 25-man Indian camp of smoke chasers at Pumphouse Canyon, east of town.

When fight time arrived, there was not even standing room in the corral. The ones who were left out, climbed and straddled the corral, sitting like a row of vultures waiting for the kill.

Reference Barnett squared the antagonists in the center of the ring and the fight was on. It was a ferocious battle for seven rounds...

Fire Fighters Check Big Fire on Reservation

More than 1200 acres of good timber was burned over early this week by a big fire in Elk Canyon, 7 or 8 miles east and a little south of the Mesalero Agency.

Thursday the fire was under control and fighters were optimistic that it would be contained if the wind got no higher than 15 to 18 m.p.h. velocity.

Four hundred fire fighters were on the scene, including 200 men from Holloman AFB, 100 Zunis and 100 Red Hats from the U. S. Government of Indian Affairs personnel at Mesalero.

The Forest Service was also reported to have given wonderful cooperation in fighting the fire. It is believed the fire started from a lightning "sleeper" that hit the area Saturday or Sunday.

When the forest dried out Monday or Tuesday and conditions became favorable the fire spread and "took off" when it touched good fuel.

Vacation Bible School At Assembly of God

Pastor James L. Wells of the Assembly of God Church in Carrizozo announces that a daily vacation Bible School will start at the church June 15 and continue until June 26.

Mrs. Opal Mae Wells of Grant Quivira will be in charge of the school each morning from 9 until 12, for children from ages 4 to 15.

A number of workers and teachers will be assisting her, Rev. Wells says and he invites parents to visit the school while it is in session.

A commencement service will conclude the Bible School Friday night, June 26, at 8 o'clock.

TEACHERS PAYING FOR THEIR FUTURE Santa Fe, June 10—Every school teacher in the state could have had a \$150 raise for the next school year for the extra money that retirement is costing.

The amount the schools must set aside for state retirement starting July 1 goes from 4% to 6.5% of salaries. That's an increase of approximately \$1,250,000.

It does not include another 2.5% that many schools are also starting to pay this year for federal social security retirement.

TEACHERS PAY FOUR PERCENT With 6.5% of salary funds being put aside for retirement, and the teachers themselves kicking in from 4% to 6.5% of their pay, many are beginning to question if retirement benefits are worth it.

If they wanted to live like the thrifless grasshopper and have no retirement plan they could be drawing 105% to 135% more pay. The retirement benefits aren't exactly lush. A 60-year old teacher with 20 years' service earning \$5,500 at the time of retirement would get \$1,500 a year. One with 35 years' service at the \$5,500 earning rate would get only \$2,625 a year.

The retirement plan works best for the well paid superintendents, college presidents and such. They can quit at 60 at \$6,000 a year and more.

PROBERS PRY INTO OVER-RUN PAYMENTS The legislators investigating the highway department are developing interest in "over-runs" on construction contracts.

An over-run is when the state pays the contractor for more than his bid price on a construction job. It is for extra work not foreseen at the time of the contract letting.

Jack Adams, whose million-dollar job at Lordsburg came apart, is under investigation as the champion over-runner among the contractors.

He completed 12 jobs in 1958 and '57 and had over-runs on every job. They added up to \$416,000. Included was \$77,639 extra paid for the Lordsburg failure. The biggest single over-run recorded in the two-year period was \$242,273 paid Thygeson and Co. on a job that was bid for \$1,279,202. New Mexico highway contractors are prone to over-run. Of 121 jobs completed in the (Continued on Back Page)

Fred Haver of the Nu-Way Cleaners in Carrizozo is offering a patriotic service. He will dry clean any American flag brought to his establishment between now and the Fourth of July.

H. E. Phillips Struck By Accidental Bullet

H. E. Phillips of Lincoln was brought to the Lincoln County Hospital Thursday for treatment for an accidental gunshot wound.

When Mr. Phillips was dismounting a horse at the ranch, his .22 pistol fell out of his snaps, struck a rock and discharged.

The bullet entered his left leg between the ankle and knee joint, lodging in the bone.

Carrizozo C. of C. to Vote for Directors

Ten members of the Carrizozo Chamber of Commerce have been nominated for directors for the coming year—five to be elected the third Tuesday in June.

The nominees are J. S. Stearns, B. G. Barnum, Vernon Pitty, King Ortiz, L. S. Vega, Jack Harkey, Clarence Chaw, Will Ed Harris, Marian Schlarb and Joe Sargent.

At their regular monthly meeting last Thursday the Chamber directors voted to have a dinner at the Country Club at the conclusion of the current membership drive. It will be a free dinner for all members and wives.

J. H. Fulmer, chairman of the membership committee, this week was calling on all businessmen and others interested in Carrizozo having a strong and active Chamber of Commerce.

Marvin H. Roberts, C. of C. president, reported that he had had a telephone conversation with Jack Smith, vice-president of the Vero Manufacturing Company, a firm that previously had indicated they were interested in a location in this area to manufacture electronic components.

Mr. Smith, according to Mr. Roberts, asked many questions about labor availability, transportation facilities and the state, county and local tax structure.

"He appeared very interested in what we had to offer," Mr. Roberts said, "but made no promise." C. of C. Secretary Johnson S. Stearns has since written Mr. Smith, giving additional information on Carrizozo.

Mr. Roberts reported that he had been reliably informed that Western Union would provide Carrizozo with a better type of telegraph service.

Applications for Special Hunts Now Available

Charlie Bird, district conservation officer, states that special hunt applications are now available to hunters at the local license vendors.

The form has been changed to an IBM card and from one to four persons may apply on one application. If the application is drawn, the entire party is drawn, he says. Personal checks are not acceptable. Certified checks or money orders are required when applications are mailed in to Santa Fe.

Commissioners to Aid Municipalities In Road Planning

Meeting in regular session this week the Lincoln County Board of Commissioners decided to spend \$5,000 from next year's road budget for planning and zoning roads around municipalities within the county.

A recent ruling of Attorney General Frank B. Zinn is that a county may contract with a municipality for the preparation of a general plan of county roads in and around a municipality.

In other county business, the commissioners approved the transfer of liquor license of the Atomic Bar at Oscura to Joe W. Dominguez, to operate there.

Ordered a notice published regarding the compulsory vaccination of dogs.

Signed a contract for the annual audit to be made by Allman & Evertson, Roswell accountants. Signed lease-purchase agreement for a new caterpillar auto patrol diesel from Harrison Machinery Company.

Approved plot of Ponderosa Heights Subdivision No. 4.

Frank Trujillo and Wm. Sandfer appeared regarding a fence and right-of-way matter near Tingo.

The commissioners met Friday to work on the 1959-60 budget. Their next regular meeting has been set for July 6.

Social Security Officer To be in Carrizozo

Ralph H. Yowell, field representative of the Roswell Social Security Administration office, will be in Carrizozo Monday morning, June 15, to assist local residents in making application for old-age, survivors, or disability benefits, and to give general information concerning the Social Security act.

He will be at his office in the court house between the hours of 10 a.m. and noon. Changes in the social security law have made it easier for adopted children to receive monthly payments, Mr. Yowell said this week.

Allier Carnival to Set up in Carrizozo

An Allier Carnival, which has come to Carrizozo every year for many years, is scheduled to set up Tuesday, June 16, for a four-day stand.

The carnival is again being sponsored by the Carrizozo Lions Club.

Old-time Folding Saw a Useful Tool in Its Day

Tranquillino Romero, 87, of Lincoln, is pictured above with an old-time folding saw, which is on display at the La Paloma Bar in Lincoln (Mr. and Mrs. Roman Mae).

The lad is his grandson, who lives with his grandparents. Mr. Romero who came to Lincoln when he was a baby has lived there all his life. For many years he was associated with his father, a mason, who made dobes and then put up the buildings.

Rec. Program in Carrizozo Begins Monday Morning

The Carrizozo summer recreation and summer school begins Monday, June 15, and will continue for eight weeks. It was announced this week by the Carrizozo Recreation Committee.

Coach Carrell Brister, formerly of Fabens, Texas, but now employed as coach for the Corona public schools, will direct the recreation program and summer school. He will be assisted by Miss Glenda Sue King.

Coach Brister has had previous experience handling summer recreation programs. He is looking forward to meeting all boys who are interested in sports and who want to be on a baseball team with their particular age group.

Miss King has completed three years of college work in the field of elementary education. She will provide a story hour and a general program in keeping with the needs of the younger boys and girls. She will also sponsor a gym program for girls in the age group of 8 to 12.

Registration for summer school will be held this Saturday, June 13, at the high school building, from 9 to 11 a.m. Classes begin Monday at 8 a.m.

Superintendent J. T. Clegg this week urged all high school students "who are behind in English or social studies to take advantage of this opportunity."

Mr. Wagner will conduct a short summer school in mathematics and science, beginning about July 15th.

Following is a tentative schedule for the summer program:

MORNING 8 a.m. to 9:30 a.m.—Summer School—Offering social studies and English at high school level. 10 a.m. to 11:30 a.m.—Boys, ages 8 through 12, in outdoor sports, including Little League baseball training. 9:00 to 10:00—Gym program for younger boys and girls. 10:00 to 10:45—Story hour for younger children, Tues., Thurs.

AFTERNOON 3:30 to 5 p.m.—Boys, ages 13 and up, for outdoor activities and gym sports. 6 p.m. to 7 p.m.—Athletic contests and gym sports for all boys. Little League—Ages 8 thru 11. Pony League—Ages 12 thru 14. Babe Ruth League—Ages 15 thru 18.

Hymn Sing at Methodist Church in Carrizozo

This Sunday, June 14, the regular session of the hymn-sing will start at 2 p.m. at Trinity Methodist Church in Carrizozo.

All who like to sing the old-time hymns and learn some new ones are invited to attend. Rev. Wells, an inspirational song leader, will be in charge.

Rev. Homer Reid suggested this week that all who have not attended one of these "sang feasts" be missed a real treat. "If you can't sing," he says, "then just come and 'soak it up'—it'll do you good."

Smorgasbord Dinner June 13, Country Club

Promising "all you can eat for \$1.50," the Ladies Auxiliary of the Carrizozo Country Club will serve a smorgasbord dinner at the Country Club Saturday, June 13, beginning at 7 in the evening.

Cancer Drive Given Excellent Support

By AILEEN LINDAMOOD

Mrs. A. N. Spencer, Cancer Crusade chairman of Carrizozo, wishes to thank everybody for their whole-hearted cooperation in the drive recently completed. Last year the county gave \$493. This year the total was near \$1,400.

It proves that people realize research is the only way to eradicate this malicious killer, and research comes high.

Thanks go to the Lincoln County News and to the Ruidoso News, the two papers in the county. They gave free publicity, along with a lot of space during the weeks of the drive.

Mrs. W. D. Horton was chairman for Ruidoso and the Hondo Valley area. She was assisted by Mrs. C. L. Wright, who collected \$32.75 in Hollywood; Mrs. C. B. Cunningham, \$25, Ruidoso Downs; Mrs. Mamie Perry, \$20, Glencoe; Mrs. Frank Tisworth, \$40, Tinnie and Hondo. Ben Sanchez collected \$7.21 in San Patricio.

In Ruidoso the Business and Professional Women had a coffee which netted \$45; a skating party by Beta Sigma Phi added \$80.76; Nob Hill school gave \$20.51; Junior High School \$30.31, and Ruidoso High School \$1.50. The Lions Club gave \$10, as did the Woman's Club, with the BPOE Dops giving \$5. Through solicitations, another \$208.31 was collected, which made a total of \$536.35.

The Capitan Woman's Club, under the chairmanship of Mrs. Hugh Calhoun, made a house-to-house canvass which netted \$94.50. Mrs. Pat Henderson personally solicited in Fort Stanton, collecting \$22.76.

The Angus and Alto community collected \$60 from a benefit tea given by the women of the area at the community building at Angus April 15 under the chairmanship of Mrs. Aileen Lindamood. She was also publicity chairman for the drive.

Carrizozo's contribution to the drive was \$771.10. The highly successful basketball game between the Bloomer Girls and Lions Club put \$118.46 into the fund under the chairmanship of Mrs. Elizabeth McVeigh, assisted by Russell Edging of the Lions Club. On April 10 the Mmes. Homer Reid and Orin Sears assisted Mrs. Spencer in a house-to-house canvass. They were given a big push with the help of the following Rainbow girls: Pam Reid, Judy Stearns, Sandra Kaye King, Jean Gott, Gale Peoples and Jean McGivier. Their combined efforts netted \$39.42.

Ruling Requires Immunization of School Children

(Adopted by the New Mexico State Board of Public Health on May 24, 1959.)

Beginning in the Fall of 1959, all public, private, and parochial school children in all elementary and secondary grades will be required to produce evidence that they have completed or initiated the following immunizations as a prerequisite to school entrance.

Section 2. Unlawful to Attend School Unimmunized.—Unlawful to Refuse to Permit Immunization.—It is unlawful for any student to attend school for longer than one month unless he has been immunized, as required under the rules and regulations of the state board of public health, and can provide satisfactory evidence of such immunization. Provided that, if within the month, he produces satisfactory evidence of having begun the process of immunization, he may continue to attend school as long as the immunization process is being accomplished in the prescribed manner. It is unlawful for any parent to refuse or neglect to have his child immunized.

Poliovaccination: A minimum of three injections are required. The first two injections must be given at least one month apart, and the third injection given at least seven months after the second injection. Intervals between injections may be longer but should not be shorter. A fourth injection may be given at the discretion of the attending physician, but it is not required for school attendance.

Smallpox: Vaccination within the last five years is required, with re-vaccination at five year intervals.

Immunization against diphtheria, whooping cough and tetanus (D.P.T.), requirements include three initial injections at least one month apart. The intervals between injections may be slightly longer but should not be shorter. This series should be given in infancy and at least two booster doses given by the time child starts to school.

Parents should check with their family physician or public health nurse and secure records to present to school authorities when school opens in the Fall. The following is a schedule of the dates the county and school health nurse will be in the specified areas to give immunizations and provide records.

Hondo—June 16, 1959
Corona—June 18, 1959
San Patricio—June 23, 1959
Carrizozo—July 6, 1959

Joe Petty Enrolls at N. M. School of Mines
 Joe Petty, son of Mr. and Mrs. Vernon Petty, has enrolled in the School of Mines at Socorro, N. M. A 1939 graduate from Carrizozo High School, he has a fine scholastic record at CHS, being salutatorian of his class.
 He was also an outstanding athlete in both football and basketball, and an active member in all other school activities and clubs.

Joe will be taking mathematics at the School of Mines for nine weeks, which will help him in preparing for his college schooling. Mathematics is now considered one of the important pre-requisites for all students entering into almost any field.
 Joe is in the process of getting a scholarship from the University of New Mexico.

MEMORIAL DAY AT FORT STANTON

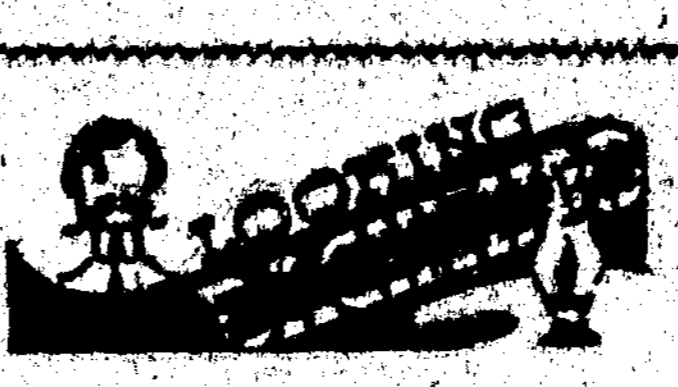

Plaque on the White Stone Shaft Reads: "In Memory of The Men and Women of the American Merchant Marine"

Seamen's Graves—Fort Stanton Cemetery

On a gently sloping, sun-drenched hillside in the valley of the Rio Bonito, inside the gateway of fieldstone and ornamental iron marking the entrance to the United States Public Health Service cemetery, rises a simple shaft of white stone bearing the inscription: "In Memory of the Men and Women of the American Merchant Marine."
 On the anniversary of our nation's Memorial Day the administrative staff of the Fort Stanton Tuberculosis Hospital, led by its medical director, Dr. H. C. Jerrigan, and its hospital superintendent, Col. L. W. Varner, joined with the seamen of the American Merchant Marine who came as patients and remained as employees, in honoring those whose gallant voyage ended in this peaceful mountain sanitarium.
 The flag they served so loyally flew at half-mast over the neat rows of small headstones that mark their well-kept graves.
 Among the veterans who were present for the ceremony was Arvo Mahla, native of Finland, who came to Fort Stanton 30 years ago. For many years he has been employed as a mechanic in the maintenance garage.
 A year later, night chief orderly Boren Manich, Russian born, was brought to the hospital.
 Spiro Vallantos from Greece, employed in the deck department of freighters, was taken ill and hospitalized 34 years ago. He is clerk of medical records in the hospital at the present time.
 Herbert Totten, from Hell's Kitchen, N. Y., who served aboard ships in the steward's department, came to Fort Stanton 20 years ago. When the United States entered World War II, he went back to duty aboard ships carrying essential cargo to the South Pacific. He is the X-ray technician in the hospital today.
 Also present was Walter Nowalk, orderly in charge of the library and book distribution. He came from Seattle 17 years ago.

LINCOLN COUNTY IN BYGONE YEARS

Twenty Years Ago

(From the Lincoln County News, June 7, 1929)
 Miss Geraldine DuBois purchased the Roberts Drug Store in Corona.
 Bob Boyce of the Navajo Lodge brought his four-piece orchestra to Fort Stanton for a small concert.
 The people of Carrizozo were advised by an El Paso health officer to cut the weeds, especially tumbleweeds, to reduce the suffering from hay fever. Follen from this weed, if unchecked, fills the air with pollen, he said.
 Bernard F. Pfingsten came up from El Paso to spend a month's vacation with his mother, Mrs. Maggie Pfingsten.
 Mrs. Otho Lowe of Magdalena, accompanied by her sister, Mrs. P. E. Johnson, visited Mr. and Mrs. Henry Fritz in Capitan.
 Mrs. Nellie Branum was visiting her son Linza in Los Angeles; also a daughter, Mrs. W. B. Ayres in Klamath Falls, Ore.
 "Uncle" William Booth was up and around again after his injury from a fall.
 Mrs. Ellen C. Sellars and daughter Mary Ellen were Carrizozo visitors; also Mrs. James H. Howard of Capitan and Thomas Carr and Mrs. J. E. Farley of Alamogordo.

 Fort Stanton was getting ready for its Fourth of July rodeo and barbecue.
 The girls at Camp Capitan were to have open house Sunday, June 11, and present an operetta "The Mikado" (Spanish version).
 Bob Hicks and his water service gang moved from Ancho to Vaughn for some time.
 Miss Finkle Ruth Skinner was home for vacation with her parents, Mr. and Mrs. Roy Skinner, at Angus.
 Pick Warden Sr. and Pick Jr. were Carrizozo visitors from Mountaineer.
 Herman E. Kelt spent a week end with Paul and Junior Jones on the Honolo.
 Bill Nickels was attending summer school at Silver City.
 Mrs. Lloyd Hulbert of White Oaks was attending summer school at the Normal in Las Vegas. She was to teach in the fall at Baca Canyon.
 Walter Fulmer was home from the School of Mines, Socorro, engineer, hospitalized from Boston, has been at Fort Stanton 10 years.
 The other seaman from Finland, John Soderback, spent two years in the hospital. He lives in nearby Capitan where he and his wife are cafe operators.
 Over six thousand patients were treated in Lincoln County's Fort Stanton Hospital during the years under the U. S. Public Health Service's operation.
 Today in its 60th year of continuous service, Lincoln County is proud of the six seamen who are continuing their pacific fight by assisting the State Tuberculosis Hospital's Board's enlarged program for the treatment and control of tuberculosis in New Mexico.

"What happens to money I deposit?"
 First, enough cash is kept in the bank's vaults to meet reasonable withdrawal requirements. Second, some of the money goes into reserves, as required by law, with the Federal Reserve Bank or other approved depositories; some into readily marketable securities, as secondary reserves. The rest is put into constructive investments and local loans. Thus *our* bank serves the need of depositors for availability and safety for their funds; the need of borrowers for low-cost credit for sound purposes. How may we serve *you*?

thing blue, a blue garter given by her cousin, Mrs. Jack Studdard of Roswell.

Miss Judy Yarbrough, sister of the groom, was the bride's only attendant, as maid of honor. Miss Yarbrough was attired in an ice blue lace sheath gown. Her tightly molded empire bodice was accented by three rows of tiny blue satin ribbon and was complemented by a scoop neckline and dainty short sleeves. The maid of honor carried a cascade bouquet of pink feathered carnations with pink satin eyelet ribbon, tied in loveknots, cascading from the bouquet.

Billy F. Mittag, of Eunice, served as best man and Douglas McKnight, brother of the bride, served as usher.

Mrs. McKnight chose for her daughter's wedding a navy blue Irish linen with a scooped neckline of white double net appliqued with white linen flowerettes. She wore white accessories to complete the ensemble and at her shoulder she wore a white, yellow throated, orchid trimmed with matching satin ribbon and tiny pearls.

Mrs. Alexander, mother of the groom, was attired in a suit dress of bright royal silk shantung. She wore navy accessories to accent her ensemble. Her corsage was a white, yellow throated orchid trimmed with matching satin ribbon and tiny pearls.

Following the ceremony a reception was held in the home of the bride's parents. Upon entering the foyer, guests were greeted by Miss June Yarbrough, sister of the groom, and invited to register in the guest book.

The bride's table, flanked on each side with baskets of white gladioli, was covered with a white Irish linen cloth and centered with the traditional anniversary candle. A four tiered wedding cake was topped by a miniature bride and groom and decorated on the sides with sugar spun orchids and bells. Mrs. Jack Studdard served the cake after it was cut in traditional manner by the bride and groom.

Miss Janice Yarbrough, sister of the groom, presided over the punch bowl. Dainty pink mints and white and silver napkins with "Judy & Jim," May 30, 1959 inscribed on them, completed the loveliness of the table.

The young married couple left on a wedding trip for points in Northern New Mexico and Colorado and were at home after June 5 at the Border Ranch, south of Picacho.

For going away the young Mrs. Yarbrough chose a beige eyelet embroidery batiste two-piece dress styled in a feminine shirt waist style with full skirt. Her cinnamon accessories enhanced her outfit. On her shoulder she wore a white purple throated orchid from her wedding bouquet.

The bride is a graduate of Hondo High School, class of '58 and was worthy advisor of the Order of the Rainbow at Catrizzo, in 1957. For the past year she has attended New Mexico State University. The paternal grandparents of the bride are Mr. and Mrs. T. J. McKnight of Roswell, a prominent Lincoln county pioneer ranch family. The maternal grandparents of the bride are Mrs. Robert Morris and Henry Lassiter, both of Roswell.

The groom is a graduate of Roy High School, class of '58 and is presently a senior at New Mexico State University, Las Cruces.

*** ABOUT PEOPLE**
Glenn Doyle Daves Jr., of Mesalero was among 1252 recipients of degrees awarded May 26 by Arizona State University, Tempe, during annual commencement exercises there.

Daves was graduated with distinction, having compiled a grade index of 3.0 or above (B). He received a bachelor of science degree in chemistry from the ASU College of Liberal Arts.

W. F. Ball and Rev. Homer Field attended Monday's convention of the State Lions' Clubs in Alamogordo.

Carl Thornton, home from the University of New Mexico, is again assisting in Thornton's Market.

Mrs. Sandra Whittaker is assisting in the office of the Lincoln County News.

Miss Judy Ann McKnight, daughter of Mr. and Mrs. Jud P. McKnight, of Picacho, N. M., and James W. Yarbrough, son of Mr. and Mrs. George Alexander of Roy, N. M., were united in marriage Saturday, May 30, at 9 a.m. in a quiet ceremony attended by members of both families at St. Anne's Episcopal Church, Glencoe.

Father Charles W. Dawson of Fort Stanton, officiated at the double ring ceremony before an altar decorated with white gladioli and white satin kneeling pillow and was illuminated by tapers in candleabra in back of the altar.

Young John Wade Cooper, cousin of the bride, dressed in altar robe, lighted the candles preceding the ceremony. The family pews were marked on both sides of the center aisle which formed the bridal pathway with large bows of white satin tied with clusters of white flowers and fern.

Special music was by Mrs. Chas. W. Dawson, organist, preceding the ceremony. The Choral Chorus from Lohengrin by Wagner was the processional and Mendelssohn's wedding march was the recessional.

The bride, given in marriage by her father, wore a formal gown of organza and Chantilly lace. The circlet neck line banded with organza enhanced the short sleeve bodice.

The princess silhouette, with lace applique accenting the empire bodice, flared into a full skirt of organza encircled with Chantilly lace adorned by self-bows down the back of the chapel length train.

Her fingertip veil of illusion was attached to a Juliet cap of matching lace, jeweled with seed pearls. She carried on her Rainbow Bible a cascade bouquet of Stephanotis flowerettes styled with a white, purple throated orchid, encircled with dainty seed pearls. Multiple shower ribbons tied in loveknots of tiny bows descended from the bouquet.

The bride carried a 65 year old handkerchief given to her by Mrs. Jacob Smith of Roswell, and a shiny new 1959 coin in her shoe given to her by her brother, Douglas McKnight. For something borrowed she wore a gold locket given to her mother by her father on their wedding day and for some-

LEGAL NOTICES

NOTICE TO CREDITORS

NOTICE is given that the undersigned has been appointed and qualified as Executor of the Last Will and Testament of HORACE E. CARTER, deceased, in Cause No. 969 in the Probate Court of Lincoln County, New Mexico.

R. EWING CARTER, Executor.

Publ. May 29; June 5, 12, 19, 1959.

NOTICE TO BIDDERS

Sealed proposals, addressed to the State Purchasing Agent acting for the State Tuberculosis Hospital Board, Fort Stanton Tuberculosis Hospital, Fort Stanton, New Mexico, for the construction of a Water Filtration Plant, controls and piping will be received at the office of the Superintendent, Fort Stanton Tuberculosis Hospital, Fort Stanton until 10:00 A. M. o'clock MST June 26, 1959, and then publicly opened and read aloud.

The principal items of the work are as follows:

- 1. Furnish and install one 150 g.p.m. Water Filtration Plant complete with building, chlorinator, filter, pumps, piping, controls and miscellaneous construction.
2. Furnish and install one bolted steel filtered water storage tank complete with piping, controls, meter, and other miscellaneous construction.

A Certified or Cashier's check issued by a bank satisfactory to the Owner, or a Bidder's Bond executed by some reliable Corporate Surety Company, authorized to do business in the State of New Mexico, in the amount of five per cent (5%) of the largest possible lump sum bid submitted, payable without recourse to the State Purchasing Agent, must accompany the Bidder's Proposal, as a guarantee that the Bidder will enter into a Contract and execute the required Performance Bond and Guaranty in the forms provided, within ten (10) days after notice of award of contract to him. Bids or proposals without the required Bid Guaranty will not be considered.

Complete copies of the Plans, Specifications and Contract Documents may be examined in the office of the Superintendent, Fort Stanton Tuberculosis Hospital, Fort Stanton, New Mexico, and may be obtained from the office of Mann Engineering Company, Box 781, Roswell, New Mexico, upon a deposit of twenty dollars (\$20.00). This deposit will be refunded to each actual bidder upon return of such documents in good condition within ten (10) days after receipt of bids.

Plans and Specifications will be available on and after Wednesday, June 3, 1959.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Attention is called to the fact that there must be paid on this Project not less than the minimum wage rate in effect at the time of the Contract and as listed by the Office of Labor Commission of the State of New Mexico, pursuant to Section 6-5-5, New Mexico Statutes, 1941, annotated. It shall be the Bidder's responsibility to inform himself of all State, Federal, and Local Laws and Statutes pertaining to the employment of labor and conditions of employment as well as to carrying on contracting business in the State of New Mexico, and to comply with their requirements.

Working time for completion of this Contract is 120 calendar days. Time will be counted from date of notice to proceed. Such notice will not be issued until the delivery date of major equipment and materials may be established.

The Bidder's attention is directed to the fact that bids or proposals shall be submitted only on the forms provided therefor in the Contract Documents, and must not be submitted in letter form or in any other form. The Bid Form shall be filled out in ink in both script and figures. The Proposal Form provided in the Specifications and Contract Documents sets forth in detail the various items and approximate quantities thereof contained in the Project and Contract to be bid upon. Bids submitted in any other form will be considered irregular and will be returned to the bidder without receiving consideration by the State Purchasing Agent.

Payments to the Contractor will be in cash and according to the final measurement of the completed work.

The State Purchasing Agent acting for the State Tuberculosis Hospital Board reserves the right to accept or reject any or all Proposals or Bids, to waive technicalities, to make any investigation deemed necessary to a Bidder's ability to perform the work covered by the Specifications, and to accept what in the judgment of the Superintendent and Hospital Board is the best bid.

Several from Fort Stanton attended the opening races at Ruidoso Downs and again last Saturday.

Mr. and Mrs. Joe Wagers of Tucuman were on their honeymoon June 1 and made a short visit to their father, Joe Wagers Sr. here.

Messrs. Jesus Zarate and Ladislado Elzalde had visitors on May 31 from Lamesa and Deming, respectively.

Mrs. Apolonio Marquez of Socorro visited her husband and father here last Sunday.

Orderly Hernandez was taken to the hospital in Carrizozo last Saturday.

The remains of Paul Patton and Sidney F. Cornelius, who died here on the night of June 2 were taken

Everyone in Fort Stanton has the Fourth of July spirit and are planning to have a great day.

A committee composed of Superintendent Varner, Vigil and Zamora and others of the personnel have charge of arrangements to leave nothing undone to entertain the people of the Fort and also help us celebrate the day.

The boys have pennants galore and other decorations to really decorate the baseball diamond and surroundings.

There are plenty of nice, cool shade trees and green foliage for the families to spread out their picnic baskets. The girls' Trading Post will be well supplied with sandwiches, cold drinks and confections.

There will be no admission charge and come as you are. All will be given a hearty welcome.

We will give you more developments on the celebration from time to time. Please keep it in mind folks, and plan to attend!

SPORTS CORNER

DIAMOND DUST

By J. S. C.

"Ho who laughs last, laughs best" must be contagious, and it is not only coming true for Casey Stengel's Yankees who were desperately isolated in the dungeon a few weeks ago.

The Fort Stanton Cubs clawed themselves out of the cellar for the last three games, losing only to Union by a close margin here.

They kept their uphill climb last Sunday when they went to Holly-

wood and romped over the Fruit- to imitate the horses and let loose with a wild stampede, to score in growers by the lopsided score of 34 to 1.

Not being too far from Ruidoso, the hooves of the tramping nags at Ruidoso Downs must have been ringing in our boys' ears. It was contagious also and they decided every winning, while the opposition's lone tally came in the first inning.

Manager Vigil had to be in Albuquerque for a family reunion, so Captain Joe Ezebedo took over and gave a good account, as attested by the team's victory.

Ferry Zamora served as umpire, while Mrs. Joe Montana reported the score in place of Joe Chavez who was away in Carrizozo with son and daughter, their families and other relatives.

BEFORE THE NEW MEXICO PUBLIC SERVICE COMMISSION

IN THE MATTER OF THE SALE OF THE GAS DISTRIBUTION SYSTEM OF WALTER RAY AND ORDA L. RAY, d/b/a TULAROSA BASIN GAS COMPANY AND THE PURCHASE OF SAID SYSTEM BY CITY GAS COMPANY OF CARRIZOZO, A CORPORATION.

NOTICE OF HEARING

On May 29, 1959, Walter Ray and Orda L. Ray, Owners of the Tularosa Basin Gas Company, (Sellers) and City Gas Company of Carrizozo, a corporation, (Buyer) filed with this Commission their joint Application requesting that the Commission approve the sale of the gas distribution system owned by the Sellers to the Buyer. The Sellers operate a gas public utility distribution system in the Town of Carrizozo, New Mexico, and are subject to the jurisdiction of this Commission with respect to the sale of their public utility property. The Buyer requests that the Commission issue to it a Certificate of Public Convenience and Necessity authorizing it to serve the area now being served by the Sellers.

The Commission by Order entered and issued June 4, 1959, has directed that public hearing be held in this matter beginning at 10:00 o'clock A. M. on July 14, 1959, or as soon thereafter as counsel can be heard, before the Commission at its offices in the State Capitol Building, Santa Fe, New Mexico, to determine whether the public interest does or will require or permit the transaction proposed by the Application and whether the public convenience and necessity requires or will permit the sale of the said facilities by the Sellers and the purchase and operation by the Purchaser.

TAKE NOTICE, THEREFORE, that any person claiming an interest in the subject matter of this proceeding and desiring to intervene and be heard, or to make any protest, may file his Petition for Leave to Intervene, on or before July 9, 1959, and shall serve a copy of same by mail upon Walter Ray and Orda L. Ray, Tularosa, New Mexico, and upon G. L. Carrizosa, President, City Gas Company of Carrizozo, Carrizozo, New Mexico, on or before that date; or say such person may appear at the time and place fixed for hearing and be heard, provided such person first show a legitimate interest in the subject matter of this proceeding.

TAKE NOTICE ALSO that additional and more detailed information with respect to this matter may be available from the files and records of the Commission, which are public records.

DONE at Santa Fe, New Mexico, this 4th day of June, 1959.

Fire Soon Quenched At Sacra Gas Office

There was a fire behind the drug store in the part where Sacra Brothers have an office, Wednesday morning. There was lots of excitement for a little time. Our fire department responded so quickly that 20 minutes later they had it under control.

Smokena Soon to Have New Cage

Joseph Rensch and Charlie Bird went after the cage for the baby bear last Friday. Soon it will be in its place - for Smokena. They hauled it on the Rensch pickup. The new cage will take care of her until she is good size and until they can get a permanent home built for her. She will be in it very soon now, with a proper fence around it.

Tuesday, June 16, Date For Sewerage Election

Tuesday, June 16, we are having a special election for sewerage here in Capitan.

Remember that date and come and cast your vote for it. We must have sewerage for our health and for a bigger and better Capitan.

Let's all come out that day and do our civic duty.

Remember the big meeting at the school house at 7:30 p.m. Friday, June 12, for the sewerage. Be certain to go, for it is there that you will be informed about all of the facts.

Any and all of your questions will be answered by important men who know. Meet us there and become acquainted with the facts about sewerage for our town, how it affects each one of us, how it is to be paid for and all the facts you should know.

You will not have any doubts about anything regarding it when you leave that meeting. Be sure to attend and bring your neighbors.

Another Smokey Dance Saturday, June 13th

A Smokey dance will be held Saturday, June 13, at the American Legion Hall. There will be good music and we hope to meet you there. Let's have a good time while we are helping build the Smokey the Bear Museum. Come and bring your friends.

Jessie Van Winkle

Jessie Van Winkle, 78, of Roswell, brother of Mrs. Betty Purcella, passed away May 31. He was laid to rest at the South Park Cemetery June 2.

He came to this part of the State in the early 1900's and worked at the Block ranch years ago.

He had a store and station on West Second street in Roswell for many years, and will be remembered by his many friends.

Survivors are his wife Myrtle, three daughters and two sons.

Remember Date for Lincoln County Fair!

Are you remembering the Lincoln County Fair September 11 and 12? Time is drawing near. We need that to prepare for it. Think about it and do something ready to help make this fair the biggest and best yet.

Mr. and Mrs. Bill Purcella and three children of Roswell visited his mother, Mrs. Betty Purcella, and his sister and family, Mr. and Mrs. George McBride, and other relatives for a few days this last week.

Mr. and Mrs. F. W. Terry are the proud parents of a son, born May 21, at the Ruidoso hospital weighing 7 lbs., 15 ozs., named Guy D.

Mr. and Mrs. Lee Smith and children left last Friday night on their vacation for Florida and other points.

Mr. and Mrs. H. C. Scoggins of Roswell visited her parents, Mr. and Mrs. Loss Morris, over this past week end.

Round Table Club Stages Mock Wedding

To Honor Couple on 50th Anniversary

The N. E. Britton home on the Block Ranch was the scene of a mock wedding honoring Mr. and Mrs. Don Murphy on their 50th wedding anniversary. A large "Happy Anniversary 1919-59" sign was over the fireplace in front of those attending as they entered the living room.

A gift from the Round Table Club, host for the party, was presented the honored couple. It was a white Irish linen tablecloth, with a center circle representing the Round Table, Don and Grace at the top, 1919-1959 in the center and the Round Table club on the bottom. Each member had embroidered their names around the edge.

A mock wedding was then presented with the bride, Bill Egan; Jack Shaw, the groom; Kitty Mack, the best man; Loretta Ferguson, mother of the bride; and Ethel Howard, the preacher. The bride, flanked with Jack, the groom touched his/her hand which resulted in an unexpect-

Returns From Family Reunion in Texas

Mrs. K. W. Floyd has returned from a family reunion at her mother's, Mrs. Betty McMillaney in Waco, Texas. There are eight living children and six of them were present; altogether 45 members of the family were present. Many friends were there as well.

While there Mrs. Floyd received word that they were grandparents again. Their son, Mr. and Mrs. Jeff Floyd, are the proud parents of a 6 pound daughter, Judith Ann, born Wednesday, June 3, at the hospital in Waco. Her sister, Susan 16 months old was delighted.

Jeff is the minister of music in the Immanuel Baptist Church with a membership of 1800. He is going to Baylor to finish his master's degree.

Mr. Floyd was not able to go with his wife as work came up that he had to stay home so Mrs. Floyd went to Tatum to join her brother Hugh who is mayor of that city. Then Mr. and Mrs. Hugh McMillaney and Mrs. Floyd went on to the reunion. The rest did her good as she is feeling much better at this time.

Mr. and Mrs. M. L. Ward of Roswell spent last week end with their daughter Minnie and family, Mr. and Mrs. Loss Morris.

Mr. and Mrs. Bill Hall, Nancy and Debbie Smith returned from a week's vacation touring Arkansas, Missouri and Texas. They went with Mrs. Hall's sister, Mr. and Mrs. Ed Stanfield. They enjoyed it very much as it was not as hot as they had expected.

Mr. and Mrs. Tom Rogers and son Tommy of Gallup were week end guests of her sister (Mr. and Mrs. John Soderback) this past week.

Mr. and Mrs. Dusty Williams and three children went to the rodeo in Carlsbad last week end. Mrs. Williams and the children stayed for this week with her parents, Mr. and Mrs. Frey, to rest and take care of business.

Mr. and Mrs. W. A. Hartley and family of El Paso arrived Friday and spent the week end with Mr. and Mrs. Champ Ferguson.

Clara Snow spent Sunday at the Ferguson ranch home with them. Also Mr. and Mrs. Mack Brazel of Animas, N. M., spent the week end there.

Mrs. Billie Williams and son Buddy arrived here last Saturday from their home in Phoenix to spend a week with relatives, Mr. and Mrs. Champ Ferguson at their ranch home. Buddy is going to spend the summer, helping at Hall's store.

Carol Ann Williams will join them Friday from Albuquerque where she flew from Phoenix to visit her uncle, Mr. and Mrs. Brazel Hartley. Then all will come Friday.

Mr. and Mrs. Dan Pruitt and three children are moving to their home on the Murray property east of Capitan which they purchased some time ago. He has been teaching at Bledsoe, Texas. They have been moving for the last month. He will teach here beginning this fall. They are tearing down buildings, preparing to build a new house in the near future. They like it here and they do have a lovely location with lots of water of their own. Welcome to Capitan.

Mr. and Mrs. W. E. Holwick and son Phillip spent last week end in Abilene, Texas, visiting relatives and friends.

We had a very good rain Wednesday, June 3, in the late afternoon. A cold north wind followed. We truly are needing lots more moisture.

Mrs. Louise Ferguson left last Tuesday to attend summer school in Las Vegas, N. M.

Mrs. Duane Darling underwent surgery at the Roswell hospital last week. She was quite sick but is expected home this week some time.

Mr. and Mrs. Roby of Farmington spent several days here on business. On their return last Monday morning, Mrs. Lewis

Teensters Union No. 1 BY PAM REID

This guy came into the office, snapping his fingers like mad. The nurse looked at him and asked: "Can I help you?" He smiled at her. "Well, my wife wanted me to come to see the doctor. — she thinks something is wrong with me—snapping my fingers like this all the time."

"Oh?" says the nurse. "Yeah, I have a perfectly good reason for snapping my fingers, though."

"Oh?" says the nurse. "Yeah, it keeps the tigers away." "Tigers? Good Lord, there aren't any tigers within six thousand miles of here!" "Yeah, I know. Effective, isn't it?"

Sometimes I get to feeling like that about this column. I'm doing a lot of writing, it seems, and "snapping my fingers" for no reason at all; but this last week sort of cheered me up. The letters began to come in again and then my editor told the sordid story of the swimming pool. I say "sordid" because to learn that our own student council could vote against having a swimming pool in "dry-as-dust" Carrizozo seems sordid to me!

I'll bet the ones that voted against the pool have their own pools in their own back yards. I can't say that I blame the merchants and civic-minded people for being a bit skeptical about putting up any more money on a pool—if all they got back was eighty cents on the dollar; although that's better than nothing.

Not letting the boys from camp use the equipment to help build a pool was silly too, if you ask me.

Cummins accompanied them as far as Albuquerque where she will visit Jerry and family, Mr. and Mrs. Donald McClung, until Mr. Cummins joins her this week end.

Mrs. Louise Ferguson is the proud possessor of a 1959 two-tone blue, two-door, Galaxie Ford, and the Leo Smiths have a 1959 two tone bronze, four-door Chevrolet. Both are beautiful cars.

Mr. and Mrs. George Morris and family, en route to make their home in Lordsburg, visited their parents, Mr. and Mrs. Loss Morris, this last week end. Also Mr. and Mrs. David Morris and three daughters. The children spent the week before with their grandparents.

Mr. and Mrs. Kenneth Lacy and children of Hobbs have moved back to Capitan and are making their home in the Roy Freeland home on Main. Welcome home.

Mr. and Mrs. Candelario Trujillo and children returned last week from a grand vacation for six days in Yellowstone Park. They enjoyed every moment. They commented on the cleanliness of their highways. No debris anywhere. There were signs posted of a \$100 fine if anything was thrown out. They wished that our state would do that. I join them there, for bottles and cans, papers, etc., do clutter our highways which makes them an unsightly mess.

Mr. and Mrs. Phillip Abney of Odessa, Texas, and Isaac Chavez of Brownfield, Texas, were guests at the ranch home of Mr. and Mrs. Claudio Montoya last week end.

Remember that poem — I can't quote it exactly but here goes: "Give to the world the best you have and the best will come back to you. Give love and love to your life will flow, a strength in time of need. Life is a mirror of king or slave — it is what you are and do — so give to the world the best you have and the best will come back to you."

Or, more anciently said: "As a man sows, so shall he reap." Love—Pam.

Farm Bureau Reviews Plans for Building

Plans for the Farm Bureau's building were received with enthusiasm at the regular meeting of the Tularosa Farm Bureau last Tuesday.

Ways and means of financing were discussed and it seems actual construction is not far away.

There will be three office spaces in the front of the building and others are to rent two and the other office will be for the use of the Farm Bureau.

Mr. and Mrs. Ed Edington of Alamogordo and Mrs. and Mrs. Bill Cotton of Tularosa were named to attend the Western Regional Farm Bureau training school at Tucson June 11 thru 13.

Tularosa Lions Serve Famous Steak Dinner For State Convention

The Tularosa Lions Club served another of their famous steak dinners Sunday to over 800 visiting Lions and Lionesses. The annual Lions convention was the occasion. The dinner was served at the White Sands and was declared a very good beginning for the convention.

Tuesday morning the Tularosa Lion's ladies entertained the visiting Lionesses with a coffee at the Tularosa Lion's Hut.

The Hut was beautifully decorated with flower arrangements of local flowers and the local ladies were very pleased to show it off. Tulle is one of the few clubs who have a Hut of their own.

Mrs. Dale Dodds, Mrs. James Goforth, Mrs. Dan King and Mrs. Rex Hobson poured the coffee and helped serve fruit juice and home baked goodies to the large number of ladies attending.

"Coffee" to be Served N. M. County Officials

A coffee, welcoming the New Mexico Association of County Officials, will be held in the lobby of the Otero County court house in Alamogordo on Sunday, June 14, from 2 to 5 p.m.

The Otero County Democratic Ladies are hostesses for the coffee and everyone is cordially invited to attend, meet old friends, and make new ones.

CLUBS AND ORGANIZATIONS

The M. Y. F. of the Methodist Church is having a coffee Sunday at 6:30 p.m. in the basement of the church. Parents and friends are cordially invited to attend.

The Thursday Bridge Club met last week at the home of Mrs. John Hall in Mesalero. Mrs. Pat Murphy was a substitute. First prize went to Mrs. C. D. Stewart and second to Mrs. Harry Clifford. Lemon pie, coffee, nuts and candy were served.

Chase Webb of Silver City was a week end guest of Mrs. Stella Mitchell and son Billy. Mr. Webb is drama and English teacher at New Mexico Western College, and is well known by many in Tularosa, having begun his teaching career here several years ago.

"Commencement" For Homemakers Planned in '60

By MRS. H. E. MARR

Would you like to know more about flower arranging for fun, or of the public services within your community?

Did you know that surplus animal fats are being used to make fine raincoats, or that chicken feathers make chicken feed? Well, I didn't either until I attended Home Makers College at N. M. S. U. this month.

These are just a few of the things we heard about. Over 600 women attended the different classes and the assemblies, where fine speakers discussed world affairs, national affairs, facts on nutrition and all phases of homemaking.

This was the third year N. M. S. U. has made this "fine" program available to the women of New Mexico. I think it is one of the finest and most important services they have given and I wish every home-maker would start now thinking about going next June.

One highlight this year was a meeting of the "Class of 1960" to plan their "commencement" for next June. This first commencement will be very important, as the first of its kind in the state and, as far as I can find out, in the nation. A committee of five members was appointed to work out details. They are Mrs. Linda Lambert, Mosquero; Mrs. H. E. Marr, Tularosa; Emma Adams and Mrs. Emil Anderson, Las Cruces, and Miss Elsie Cunningham, University Park.

The 16th annual meeting of New Mexico Association of Home Extension Clubs was held in connection with Home Makers College. There were general assemblies, election of a vice-president and secretary for the coming year; also six workshops. The legislative workshop discussed the bills, concerning rights of women, in the last legislature and pledged to carry on a campaign to interest more people in politics and to concern themselves with legislative matters. Everyone was asked to contact his legislators, talk to them, find out their views and tell them theirs.

The principal speaker at the banquet Thursday night was Dr. Marlan Hardman, professor of English at N. M. S. U. She reminded us that we are, or certainly should be, first of all women. We are taking on so many jobs and doing so many different things these days we may sometimes forget that, after all, we are most important as women. Her speech was a fitting climax to the four fine days of Homemakers College.

About Tularosans

Mr. and Mrs. Fred L. Parker and children of Alamogordo were Sunday evening dinner guests at the Eddie Beyer home.

Montie Sims came home last week from N.M.S.U. and brought a friend, Wilfred Kusada, whose home is in Hawaii and he is also attending State. Montie and his mother, Mrs. John Sims, took Wilfred back Sunday as he plans to attend summer school.

Wm. H. Danley III, Donna Mae and Jimmy Danley are visiting their grandparents, Mr. and Mrs. Wm. H. Danley here while their parents, Dr. and Mrs. Wm. H. Danley II are attending a dental convention in Santa Fe.

Bill's wife Bonnie is living here with his parents, Mr. and Mrs. Jullian Floore. When Bill was sent to Alaska, it was "overseas" or out of the U. S.; but since then Alaska has been made a state, so they are back in the U. S. without having moved an inch.

Mrs. Felix Loggins of Alamogordo entertained the Birthday Club with a luncheon Saturday at her home. Guest of honor was Mrs. G. V. Clayton of Tularosa. Other guests were Mrs. John McRahon, Mrs. Ray Daniels of Clouderoff; Mrs. Eber McKinley, Mrs. H. G. Odell, Mrs. Jack Carnes, Mrs. Joe Cozby of Alamogordo and Mrs. Chris Braunstein of High Rolls. They played Crazy Eight after Mrs. Clayton opened her gifts.

Mrs. Elwanda Marr and children Dennis, Nancy and Jo Lynn left Monday afternoon for Craig, Colo., where they will visit awhile with Mrs. Marr's brother and family.

Mr. and Mrs. Marvin R. Caley and family returned Sunday from a trip to Council Grove, Kansas. They visited relatives and friends in several towns while they were there.

Mrs. Don Miller of La Luz and Mrs. Bill Black of Alamogordo hosted a pink and blue shower Friday night at the home of Mrs. Don Miller for Mrs. Fred Lloyd Parker. Guests from Tularosa attending were the Mmes. Bill Trammell, Charlo Trammell, Lester Wilcox, Shelby Bryant, R. M. McVatt, Eddie Beyer, LeRoy Nowell, Dwight Bookout and Mrs. Donald Menfonce.

Clarence Fitts is in the Veterans Hospital in Albuquerque with injuries received in a wreck last week.

Mr. and Mrs. Clyde Green, Susie and Pat, and Mrs. Lee Green, returned last Saturday from a trip which included a look at Grand Canyon in Arizona. They went to Flagstaff to attend the graduation of two of Mr. Green's nieces, Bonnie and Doris, daughters of Mr. and Mrs. Basil Green who lived in Tularosa at one time. Bonnie was graduated from the eighth grade and Doris from high school. They are granddaughters of Mrs. Lee Green.

Mrs. Bill Trammell and Mrs. Lester Wilcox surprised Mrs. C. W. Trammell with a birthday dinner June 4 at the Bill Trammell home.

Mrs. Wilcox is the former Peggy Trammell. Just "home folks" were present for the fine dinner and, of course, the cake. Wonder how many candles?

"Prayer Perfect," accompanied by Richard Foss at the organ.

Given away by her father, the bride wore a long gown of nylon organza with embroidery accented at the neckline and on the full skirt. Her fingertip veil of illusion was attached to a pearl coronet, and she carried white-orchids and pink rosebuds, tied with cascades of satin ribbon.

For something old she wore a single strand of pearls which had belonged to her maternal grandmother, the late Mrs. R. D. Champion of Tularosa. For something new she carried a white lace handkerchief. Something borrowed was her pearl clip earrings, and she wore a blue garter and a penny in her shoe.

Bridal attendants were Miss Nancy Lee of Visalia, Calif., maid of honor, Miss Jean Lee of Alamogordo and Mrs. Bob Adeo, University Park, were bridesmaids. They wore similar ballerina length gowns of silk organza with matching picture hats. Miss Nancy Lee was in peony pink and Mrs. Adeo and Miss Jean Lee in light pink. They carried nosegay bouquets in harmonizing colors.

Ray Cowley of Lordsburg was best man, and ushers were Bob Adeo and Hugh Bailey, brother of the bride.

For the wedding, Mrs. Wilborn Sr. wore a pink silk sheath with a small pink feathered hat and a lavender orchid corsage.

The groom's grandmother, Mrs. Dean Patterson of Imperial Beach, Calif., chose a navy blue sheer dress with matching hat. She had a pink cymbidium orchid corsage.

Receiving guests at the reception which followed in the church parlor were Mr. Bailey, Mrs. Wilborn, the newlyweds and the attendants. The bridal table was covered with a pink cloth with an overcloth of white net trimmed in silver. The three-tiered wedding cake was topped by a miniature bride and groom and decorated with pink and white roses. The crystal candelsticks, which belonged to the bride's maternal grandmother, held white candles.

Serving the cake and punch were the bride's aunt, Mrs. Jack Hobson and Mrs. Dan King from Tularosa. Assisting with other courtesies were Mrs. Richard McCowan, Mrs. Lowell Platt, Mrs. Angus Sandall, Mrs. Bernard Hansen, Mrs. Hugh Bailey, Mrs. Dick Isler, Mrs. Clarence Soukup and Mrs. J. A. Loughridge.

Out of town guests included Mr. and Mrs. Clarence Loucup, Mr. and Mrs. J. A. Loughridge, Bruce and Deborah, of Albuquerque; Mrs. Ray Cowley, Lordsburg; Jack Hobson, Dan King and David King of Tularosa; Ed Pullman, Santa Fe; and Mr. and Mrs. Kiel Bonnell, Ruidoso.

The couple will be at home in Las Cruces after a short wedding trip. For the wedding trip the bride wore a blue and white printed silk dress with a white feathered hat and a white orchid.

The bride was a 1955 graduate of Tularosa High School, and graduated from N.M.S.U. May 30, 1959, where she received her bachelor of science degree in home economics.

FARM NEWS

By RALPH DUNLAP

County Extension Agent

It pays to improve your sheep, as figures in the recent Lincoln County wool survey shows that some growers received \$2.00 more per ewe than the average, and \$3.20 more than the lowest income per ewe. The income per ewe ranged from \$3.79 to \$6.99 with an average of \$4.96. This increased income costs you very little but the

extra time spent grading your sheep. The gross price on the herd having the best income ranged from 44 to 58 cents per pound; so price per pound of wool is not as important as income per head.

Treating sorghum seed before planting it is good insurance.

Untreated sorghum seed is susceptible to kernel smut, rotting and damping off. Proper seed treatment will increase germination, the stand and the yield of your sorghum crop. It can mean the difference between getting a good stand and replanting. Replanting costs time, money, and, frequently, additional irrigation water. Replanted crops yield less because they are put in too late to make top yields.

Most local feed and fertilizer dealers are equipped to treat seed at a nominal fee. Seed sold by such dealers is usually treated. If it is not, arrange with the dealer to have the seed treated or treat it on the farm before planting.

PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF ROSWELL AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of the Lincoln County News as he saw conditions. These people are leaders in their various lines of endeavor and the co-operation of these citizens in Roswell who helped to make this department possible is sincerely appreciated.

Larry A. Daniel

In paying tribute to some of the more progressive business men of Roswell, we would be remiss in our duty should we fail to include Larry A. Daniel of Daniel Auto Repairs, whose business ability is no greater than the "know-how" and mechanical skill which has contributed to his well-earned success in the automotive repair and maintenance business, with emphasis on automatic transmissions, and automotive air conditioning.

He has also contributed generously to the welfare of the city and the community for many miles around, and his civic spirit is evidenced by the many services which he has performed and will continue to perform in the interest of the people as a whole.

Mr. Daniel is a man of wide acquaintance, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

We congratulate Larry Daniel on his splendid record of service, and trust he shall continue to assist us for many years to come.

Victor Walz

It isn't the size or volume of a man's business which determines its value to the community in which he lives. But rather by the manner in which it is conducted. Which, to a greater or lesser degree, reflects the personality and character of the individual. The value of Victor Walz's business to his city is a reflection of his progressiveness and a determination to render the utmost in service, a policy which has caused the United Rent-A-Is to be so well thought of, and so widely patronized by the people of Chaves and Lincoln counties.

That same progressiveness and ability which has made him so successful in his own business has also fitted Mr. Walz to be of assistance on community projects and public drives. Moreover, he does so cheerfully and with a friendly spirit of cooperation that is always more than welcome.

It is a pleasure to include Victor Walz in this Roswell review, and to wish him further success in his field of endeavor.

"Don" Hamilton

"Don" Hamilton has proved his progressiveness by constantly adding to and increasing the service which the Downtown Gulf Service Station has extended to the people. The large volume of business handled by his Gulf station proves that "service," to him, is not just a word, but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Hamilton was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

"Don" Hamilton has many friends in and around this entire district, and it is a pleasure to bring him before our readers in this review of progressive Roswell business men.

Fran Cahoon

It is appropriate that we include in this review of progressive Roswell business people, Fran Cahoon, a well known realtor of the city, and a member of both the Farm Brokers Institute, and Multiple Listing Service, who is recognized as an authority on all city, ranch and farm real estate values. Moreover, she not only has the reputation of being progressive, but also the added one of being a willing supporter of many community affairs.

Aside from her business activities, she has always shown an interest in the civic betterment and progress of the city, and has backed up her interest by her contributions to many projects which have benefited the city and surrounding area.

Her help along these lines have made of Fran Cahoon a fine example of the kind of people we all appreciate. We congratulate and extend to her, on behalf of all citizens interested in better business and civic progress, sincere appreciation for her contributions to the general welfare of Roswell and vicinity.

R. J. "Bob" Dodson

At the head of one of the district's more prominent wholesale lumber firms, and as a leader of recognized ability in community life, R. J. "Bob" Dodson stands out today as one of the best liked men on the panorama of Roswell activity.

His friends are numbered by the hundreds, and all of them are of the lasting fiber which comes of worthwhile associations, both in the world of business and in the realms of neighborhood life.

The Dodson Wholesale Lumber has been a strong factor in the growth and progress of Roswell; and Mr. Dodson's own efforts, in many instances, has been the stimulant behind the outstanding accomplishments of the wholesale lumber firm.

The case is a fine example of a man weaving his own personal prominence into an executive's life, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to a man who is doing so much to promote the growth and progress of this entire district.

Ernest L. Hodges

Ernest L. Hodges, the manager of the Nickson Hotel, has won the universal respect and good will of the people of Roswell and the surrounding country for the progressive manner in which he has kept the hotel in the forefront of the business, civic and social life of this entire district.

Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Hodges is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment Ernest Hodges for the successful management of the Nickson Hotel, and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

Jim Clark

In all business and professional pursuits there are men who have not with success because they have honestly deserved it, and such a man in his field is Jim Clark, who well deserves the reputation he has earned for being one of Roswell's more progressive business men. His thorough knowledge of everything pertaining to the masonry contracting business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Furthermore, such experience as Mr. Clark has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including Jim Clark in this group of progressive and civic-minded men who are actively taking part in the evolution of the business and industrial life of Roswell.

J. C. Forbes

One of the more progressive business men of Roswell, and a man who deserves the respect and good will of a great many residents of the city is capable, friendly, J. C. Forbes of the Forbes Refrigeration Service, whose wide knowledge and long experience in the industrial and commercial air conditioning business has raised him into a position of prominence in his line.

It is because of this that the Forbes Refrigeration Service has earned a reputation for reliability—second to none.

Mr. Forbes is also civic-minded and has always been ready to contribute his time and energy to any plan which promises to benefit this entire district. And the people of Roswell may regard with particular satisfaction the many services which he has performed for the community in the interest of progress and civic betterment.

We urge our readers to look to J. C. Forbes as a progressive business man of whom we may well be proud. His devotion to the city has been constant, and his achievements well merited. We wish for him further success.

Phillip E. Ernst

The city of Roswell has assumed its place of importance in this section of New Mexico because of the efforts of far-seeing business and professional men who have helped in developing its industry, or in some manner extended the trade advantages of the locality. One of the men who has taken an important part in many progressive movements is Phillip E. Ernst, well known and completely reliable commercial and residential building contractor.

Mr. Ernst has devoted his share of time and energy to the growth and development of Roswell and this district, and it is fitting at this time that we attempt to express in a small way, our appreciation for his unselfish contributions to the general welfare of the community.

He is a man of wide acquaintance whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. His upright business methods are but an outward reflection of his inherent appreciation for fair practices. We congratulate Phillip Ernst on his splendid record of service, and wish him continued success.

William B. Barnhill

We take pleasure in this Roswell review to call the attention of our readers to one of the more dependable geologists of this district. That personality is William B. Barnhill, who is rendering a valuable service to the oil producers of the state.

The production of petroleum in this section has been one of the greatest single factors in the growth and progress of Roswell and this district, and Mr. Barnhill is a man who has taken an important part in many phases of oil field activities.

He is a resident of Roswell, and has a large circle of personal friends throughout this entire district. He is also a man who has considered his civic responsibilities in a serious manner, and is always ready and willing to help in the promotion of any project which promises to benefit the city and this district.

We congratulate William Barnhill for the part he is playing in the development of the petroleum resources in this section, and we wish him many more years of successful operations.

Lake J. Frazier Jr.

Performing an outstanding service for the people of Roswell and the surrounding territory, Lake J. Frazier Jr., District Manager of Farmers Insurance Group, has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection the people both need and can afford, have been important factors in his well-earned success.

Mr. Frazier is a man of ideas, and he is as practical as he is progressive in putting those ideas to beneficial use in furthering the service he renders to the people. His sound business judgment and unwavering honesty are characteristics which place him in the front rank of the business leaders of his city. Yet he is unassuming and modest in his personal contact with the people; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as Lake Frazier Jr., who have caused Roswell to become recognized as the metropolitan center for this section of New Mexico.

Johnnie Barajas

In bestowing credit upon some of those progressive business men of Roswell, who in one way or another, have contributed their bit to improve both business and civic conditions, we wish to publish a few words about Johnnie Barajas of Johnnie Barajas Humble Products Service Station.

Mr. Barajas has set a standard for himself and the operation and management of his business that, under present existing conditions, has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his Humble station continues to handle, much of which is due to his unceasing attention to detail and his ability to cope with new and unexpected problems.

Johnnie Barajas is also civic-minded and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend assistance. He more than deserves the respect and good will which he has earned, and we and his friends are confident that he will continue to maintain his usual high standards.

Ted S. Martin

Recognized as an authority on all electrical contracting problems, Ted S. Martin of the Martin Electric Company, has turned his knowledge to the advantage of the people of Roswell and vicinity. More than that, Mr. Martin is a man who has always been vitally interested in the civic betterment and progress of the city, and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. Roswell owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, Ted Martin has become accepted as a progressive business man who is an asset to both the business and civic life of the city, and we trust he will continue to serve the people of Roswell and the surrounding area in his present capacity for many years.

Roland L. Cherry

Logically a man who has earned the reputation of being one of Roswell's more dependable used car dealers would in so doing, have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is—modest, efficient, friendly, Roland L. Cherry of the Cherry Auto Sales, now located at 1407 South Main, who numbers many of our readers as some of his best customers.

Mr. Cherry is the type of man who would be an asset to any community, not only because the successful conduct of his business plays a definite part in the general civic scheme, but because the ultimate measure of his value to his city and this district lies in the fact that he is unflinchingly zealous, and remarkably successful in the promotion of civic progress.

It would be difficult to estimate the actual dollars-and-cents value of such a man to his community. We congratulate the people of Roswell for numbering among their more progressive citizens such a man as Roland Cherry, and we also express the wish that he will enjoy many more years of success.

Gilbert A. Espinosa

Gilbert A. Espinosa, representing Sonotons Of Roswell, has a well-earned reputation for progressiveness because he has consistently forged ahead in his business, never letting up in his efforts to make the service he renders to the people more valuable. This invariable policy has made Sonotons Of Roswell outstanding in its field, a fact that is well known to the hard of hearing throughout this entire area.

But Mr. Espinosa has accomplished much more than just making a success of his business and private affairs, and we take this opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not only to the city, but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Gilbert Espinosa the credit for his accomplishments which his friends and associates have so long accorded him.

W. H. Lewis

Because this is a period of growth and expansion for Roswell, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to W. H. Lewis of the Lewis Development Company, for he has become a well-known figure in the business and industrial life of the city.

Mr. Lewis' persistent optimism and steadfast belief in the continued future prosperity of the people of Roswell and vicinity are characteristics which are deserving of our highest praise.

W. H. Lewis has also always shown a willingness to do his part in civic advancement, and has contributed his bit, in one form or another, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincerest praise, both because he has achieved success in his private affairs, and because he is willing to contribute to the public good.

Glenn and Monice Yarnell

Good motels and tourist courts are indispensable to the progress and development of a growing city such as Roswell. And the Sunshine Motel, combining the best features of both, has accommodated a great many tourists and business men in a manner that assures them of the continued patronage and good will of the motoring public.

The management of the Sunshine Motel has maintained an ideal of service which is thoroughly exemplified by the manner in which every need of the traveling motorist has been anticipated and prepared for. Nothing is taken for granted; nothing is forgotten, and hospitality and service is always their first and last consideration.

Much of the credit for the splendid reputation of this modern drive-in motel is now due to the executive ability of Mr. and Mrs. Glenn Yarnell, whose untiring efforts, foresightedness and careful attention to detail, have maintained a standard of hospitality and service which would be difficult to surpass. It is a pleasure to publish these few words of praise about the Sunshine Motel and its friendly operators, Glenn and Monice Yarnell.

Robert A. "Bob" Folkes

One of the better informed real estate and insurance executives of the city is Robert A. Folkes of the Bob Folkes Agency.

He has been operating a complete service for his large clientele over a period of time, and during that time he has made a great many friends both for himself and for the companies his agency represents.

Mr. Folkes has also contributed considerable of his time and energy to the growth and progress of Roswell and this district, and has been content to take his reward in the quiet knowledge of a work well done, and the respect and admiration of his many friends. The value of such a man to his city and the surrounding territory cannot be overestimated when considering the many personal sacrifices he has made in order to contribute to the general welfare of the community as a whole.

We congratulate "Bob" Folkes on his splendid reputation, and wish for him a continued successful career as a leader in the real estate and insurance field throughout this entire area.

Mrs. Diamond Williams

A city grows and prospers by reason of the public-spirited men and women who take an active interest in its development. Roswell has its share of these progressive and civic-minded people, and one who is deserving of recognition is friendly, likeable, Mrs. Diamond Williams of the Mountain View Rest Home.

Her business ability, coupled with a sense of obligation to the public have been major factors in maintaining the Mountain View Rest Home in a position of leadership throughout the Roswell area. She has not only in her business activities but also in her attention to civic duty, assumed an active part in community affairs.

Mrs. Williams has always been ready and willing to contribute her time and energy to the promotion of any project promising to benefit the community as a whole. She has often sacrificed personal interests to be of assistance to the city, and her efforts are deserving of commendation and support.

We congratulate Mrs. Williams on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

Robert C. "Bob" Borom

In making this review of progressive Roswell business men, it is fitting that we should include some of those men who, by their aggressiveness, have definitely established themselves in the business and civic life of the city.

Such a man is Robert C. "Bob" Borom, representing Service Of Roswell, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advance the city.

Mr. Borom has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter who does not sit back and wait for the business to come to him.

We are glad to pay tribute to "Bob" Borom, and to point out to our readers that his sincere desire to be of service, coupled with his aggressive methods are largely responsible for the standing of Service Of Roswell throughout this entire area.

Daniel and "Jackie" Hanbury

Progressiveness coupled with ability, always a praiseworthy feature in the passing scene of any community's daily life, is to be duly appreciated. In full realization of this, and in recognition of the splendid personalities which give impetus to the personal success in their case, many residents of Roswell and our own community regard Daniel and "Jackie" Hanbury of the Heap-A-Burger Drive Ins, located at 105 West Alameda, and 2009 Southeast Main, as true assets to their city and this district.

Mr. and Mrs. Hanbury are keeping their Heap-A-Burgers at the forefront at all times, both in business and civic activities, and they have maintained positions of leadership in their field of endeavor. Capable and energetic in the management of the business, they have come to be recognized as two of the city's more progressive business people.

The splendid food and service supplied to the public by "Jackie" and Daniel Hanbury and their Heap-A-Burgers in the past is the best indication of what may be expected of them in the future. They have our admiration and best wishes for continued success.

Allie and Clarence Carpenter

Two restaurant operators of Roswell who have based their success upon the belief that the public will appreciate good food, well prepared and appetizingly served, are Allie and Clarence Carpenter of Carpenter's Cafe, whose many friends and customers by their daily patronage of their popular eating place, attest to the soundness of their policy.

It is not only because of the successful management of their cafe that Mr. and Mrs. Carpenter have come to be recognized as assets to the community, but it is also because of their policy of "looking ahead" and endeavoring to sponsor or take part in those community activities which will, in some manner, benefit the city of Roswell and the people as a whole. They are two citizens who have shown their appreciation for their success by a willingness to contribute of their time and efforts to the promotion of community projects.

It is such people as Clarence and Allie Carpenter whom we are privileged to include in this review, and to publicly give them due credit for their success in business and civic affairs.

Oliver and Sue Ferguson

Oliver and Sue Ferguson of the Ideal Trailer Park, are two of those progressive type of citizens upon whom the community depends a great deal for leadership in business or other matters. They are also civic-minded and have, in the past, and no doubt will continue in the future to give more of their time and energy for the welfare of others than themselves.

They are the kind of people who make friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

Mr. and Mrs. Ferguson have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm and unostentatious manner, and accomplish their objectives with a quiet dignity. We do not hesitate to recommend Sue and Oliver Ferguson to our readers as good examples of the more progressive type of business people who have aided in the growth and development of Roswell and the surrounding country.

Kenneth Wise

Kenneth Wise of the Kenneth Wise Gulf Service and Garage, is one of those progressive business men who has always done his bit to maintain the prestige of the city of Roswell as the leading business center of this section of the state. He has always worked for the development of the city, and his many services are worthy of sincere appreciation.

His well-earned success as a business man is easily understood, knowing as the people do his widespread reputation for the honesty which characterizes all of his business dealings.

And it is a combination of technical knowledge, professional skill and business ability which has elevated Mr. Wise to a position of leadership in the filling station and automobile repair and maintenance business. He is completely aware of his civic responsibilities, and is wide awake to the many opportunities for service, and is always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment Kenneth Wise on his accomplishments, and wish for him continued success.

Radio shop operators are being discontinued, but the mechanical housewife who is recreational will find something else to say about.

Leroy C. McPherson

There are a number of business and professional men in Roswell who have gained recognition for their progressiveness, and a well-known insurance man who belongs in this category is Leroy C. McPherson, District Agent for the Connecticut Mutual Life Insurance Company, whose fair dealings with many of our readers has earned for him a host of friends and policy holders throughout this entire area.

He is well established in the forefront of the business and civic life of the city. And the ethical manner in which he has conducted his business affairs is but one of the reasons for his outstanding success.

In addition to his insurance activities, Mr. McPherson has also accepted his share of responsibility in aiding civic projects. As a result of the combined efforts of men like him, Roswell is firmly established in the minds of the people as the logical business center for this section of New Mexico.

We congratulate Leroy McPherson for his success in business and civic affairs, and trust that he will continue for many years to enjoy that success which he has so justly earned.

Harold J. Reid

Roswell owes much to those progressive citizens who have taken an active part in the growth and progress of the city and who have helped to make it the business center for this section of the state. In mentioning some of these men, it is only fair to include Harold J. Reid of the Roswell Tile Company, whose outstanding knowledge of the tile contracting business, backed up by his many years of experience, has brought him to the forefront in his particular field.

Mr. Reid is wholly deserving of our sincere praise, and these few words of commendation are but a just recognition for the many activities he has conducted on behalf of the general welfare of the community.

The honest and successful conduct of his business affairs is not only a reflection of his character, but has also been a strong factor in maintaining him in a position of leadership in his field of endeavor.

We trust that Harold Reid will continue to serve the people of Roswell and the surrounding area for many years to come.

Jack G. Zarris

We wish in this edition to pay tribute to Jack G. Zarris of the Horse-Shoe Package Store, for his many services to the city of Roswell, and his splendid record of achievements in the business life of the city.

Mr. Zarris probably has as wide a circle of friends as any other man we could name, because he is just naturally the kind of man who makes friends with almost everyone, and always conducts himself in such a manner as to deserve the respect and good will of all who know him.

Roswell is fortunate in being able to number, among its more progressive business people, citizens of this type. He is always ready and willing to lend his support to the promotion of any project which promises to benefit this entire district.

He may be depended upon, and his services to the people are too many in number to be described here. It may be sufficient to say that we consider Jack Zarris an asset to the community, and a progressive business man of whom his city may be proud.

AVENUE "G": From the North line of Eighth Street to the South-westerly line of U.S. Highway 390
AVENUE "H": From the North line of Eighth Street to the North line of Sixth Street

II. Character of Improvements
Except as shown on the plans and specifications filed in the office of the Town Clerk, the character of such improvements shall be more particularly as follows:
Paving and street improvements to consist of necessary street and roadway excavation, fill, grading, shaping, draining, drainage structures and appurtenances, adjusting sewer manholes and water works and gas system valve boxes to finish grade, the construction of driveway and alley approaches; the construction of concrete curb and gutter 24" in width and 12" in height or depth; the construction of a flexible base course of 6" compacted depth composed of crushed stone, caliche and timber material, the construction of a pavement wearing course approximately 1 1/2" in thickness composed of a mixture of asphalt, crushed stone and mineral filler, such wearing course or surface to be either hotmix asphaltic concrete or triple inverted penetration, said pavement to be 4 1/2 ft. in width.
Such improvements will more particularly be as shown in the plans on file in the office of the Town Clerk, all of which are deemed by said engineer and the Town to be essential to the construction of said improvements.
The estimated total cost of said improvements, including engineering, legal and incidental expenses, is \$289,623.48 of which it is estimated that none will be defrayed from sources other than special assessments and \$289,623.48 will be assessed against the property abutting said streets on a front footage basis; provided that where the side of a corner lot or parcel abuts a side street so to be improved, such corner lot or parcel shall be assessed in proportion to all of its abutting frontage, if any, in the same manner as other lots and parcels in the District; provided further, that an equitable adjustment will be made for assessments levied

against any irregular lots or lands so that the assessments according to benefits are equal and uniform.
All persons interested are hereby advised that the plans, plats, typical section, preliminary estimate of the total cost, the description of the property to be assessed, the portion of the cost to be assessed thereagainst and the maximum amount of benefits estimated to be conferred on each piece or parcel of property are on file in the office of the Town Clerk and may be inspected by any property owner, or other interested person, during regular office hours.
On Thursday, the 18th day of June, 1959, at 7 o'clock P.M., at the Town Hall, in the Town of Carrizozo, New Mexico, the owners of the property to be assessed, or any other persons interested therein, may file a written protest or objection, and may appear before the Board of Trustees and be heard as to the propriety and advisability of making such improvements, as to the cost thereof, as to the manner of payment therefor, and as to the amount thereof to be assessed against the property to be so improved.
The Board of Trustees requests that any property owner or interested person wishing to make protest or objection, make such protest or objection in writing at the office of the Town Clerk before the time set for such hearing. Any person filing a protest or objection, as aforesaid, shall have the right within thirty (30) days after the Board of Trustees has finally passed on such protest or objection to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination, but thereafter all actions or suits attacking the validity of the proceedings and the amount of benefits shall be perpetually barred.
After such hearing, said Board of Trustees shall determine as to the advisability of so improving said streets and parts thereof, and shall determine the kind and character of such improvements so to be made, and shall proceed to advertise for bids for the doing of the work therefor, and shall enter into a contract for the doing of such work and the furnishing of all necessary materials to the lowest responsible bidder.
After the making of such contract, said Board of Trustees shall determine what portion of the cost of such work, including incidentals, shall be paid by the property specially benefited, and assessments shall be levied in accordance with the laws of the State of New Mexico. In no event shall the assessments exceed the estimated benefits to the property assessed. The Board of Trustees shall provide that the assessments may be payable without interest or demand, at the election of the owner, or in twenty substantially equal semi-annual installments of principal. The Board of Trustees shall also provide the time and terms of payment of such assessments and the rate of interest upon deferred payments thereof, which rate shall not exceed eight per centum (8%) per annum, and shall fix penalties to be collected upon delinquent payments.
By order of the Board of Trustees of the Town of Carrizozo, New Mexico.

LEGAL NOTICE

NOTICE OF PUBLIC AUCTION OF STATE LANDS LINCOLN COUNTY
SALE No. 3221

Office of the Commissioner of Public Lands
Santa Fe, New Mex.
Notice is hereby given that pursuant to the provisions of the Act of Congress, entitled Enabling Act for New Mexico (36 Stat. 557) approved June 20, 1910, the laws of the State of New Mexico, and the rules and regulations of the State Land Office, the Commissioner of Public Lands, subject to the conditions hereinafter set out, will offer for sale at public auction, to the highest and best bidder at 11:00 o'clock, A.M., on July 7th, 1959, at the front door of the County Court House in the City of Carrizozo, New Mexico, subject to existing rights, easements, rights of way, lease or leases, if any, the following described state institutional lands, to-wit:
SE 1/4 NW 1/4 of Section 36, Township 4 South, Range 15 East, N.M.P.M., containing 40.00 acres, more or less, according to the government survey thereof. This parcel of land is located approximately 30 miles southeast of Corona, New Mexico, and 40 miles northeast of Carrizozo, New Mexico.
Said above-described lands have been appraised at \$40.00 per acre and no bids for a less amount will be considered.
Any person desiring to qualify as a bidder, other than the applicant who has requested said lands to be offered for sale and who has complied with the rules for so doing, is required to deposit with the Commissioner of Public Lands, or his agent conducting the sale, prior to the hour set for the sale, the sum of \$200.00 to cover the cost of appraisal, advertising, filing fee and other expenses connected with such sale. An advance payment of 5% of the appraised value of the lands will also be required to be deposited as evidence of good faith, and not to be refunded if party or parties to highest bidder for lands offered for sale. Deposits shall be in cash or in the form of a certified check drawn to the order of the Commissioner of Public Lands. All deposits made by unsuccessful bidders shall be refunded.
The purchaser at the time of said sale will be required to pay five (5%) per cent of the amount bid, less the 5% appraised value deposited in advance. The balance of the purchase price will be payable in thirty (30) years with interest on all deferred payments at the rate of four (4%) per cent per annum in advance.
All minerals of whatsoever kind, including oil and gas, are reserved to the State of New Mexico.
The right to reject any and all bids is expressly reserved and no sale shall be effective unless and until approved in writing by the Commissioner of Public Lands.
Detailed information concerning this offer of sale, the lands involved, and other matters related thereto may be obtained by writing to the Commissioner of Public Lands, State Land Office, Santa Fe, New Mexico.
DATED at Santa Fe, New Mexico, this 15th day of April, A. D. 1959.

Racher - Joiner Nuptials May 29 at First Presbyterian

On Friday evening, May 29, Miss Patsy Joiner, daughter of Mr. and Mrs. Leo A. Joiner of Hondo, became the bride of Mr. Terry L. Racher, son of Mr. and Mrs. Gordon W. Racher of San Patricio.

The double ring ceremony was solemnized in the First Presbyterian Church in Ruidoso, by Dr. Paul Van Dyke, pastor of the church.

The bride was attended by her sister, Ruth Joiner, as maid of honor, and Martha McKnight as bridesmaid. The groom's attendants were his brother Ted, best man, and the bride's twin brother Pat, groomsmen.

Mrs. Oberholzer at the organ played the processional and recessional and "Because," softly throughout the ceremony. She also accompanied Mrs. Richard Phillips as she sang "The Lord's Prayer."

The bride was attired in traditional white. Her dress was street length in all-over eyelet embroidered cotton with full eight gored skirt and small jacket with round collar and long tapered sleeves. Her veil fell to her shoulders from a small crown of orange blossoms and rhinestones. Her bouquet was of white feathered carnations centered with a white orchid.

The bride's attendants wore identical light blue cotton dresses with full skirts and puffed sleeves. Their headpieces were fashioned from white net and a large bow of the same material as their dresses. They carried bouquets of white carnations tied with light blue satin ribbon.

For her daughter's wedding the bride's mother wore a light blue suit with white accessories and a corsage of pink carnations. The groom's mother wore navy blue with white accessories and corsage of pink carnations.

For going away the bride chose a silver gray suit of nubby linen with turquoise accessories and pinned to her shoulder was the white orchid from her bridal bouquet.

After a honeymoon to Canada and a number of the northern states, the happy couple plan to live in Alamogordo where the groom is employed by Convair Aircraft Corp. at Holloman.

Postcarding from England, her last stop en route home, Mrs. Louise Coe writes that she finds the English countryside very beautiful. She had visited the Rowland Coupers who used to live in Lincoln County (1937-39); also the Clarks, who raises fine Arabian horses.

"Mr. Clark, an Englishman, bought a horse from my father-in-law, Frank Coe, 50 years ago at the Coe Ranch in Glencoe. Mr. Clark was 20 years old then. Bob Anderson, owner of the Circle Diamond Ranch, will come to England soon to buy an Arabian horse from Mr. Clark."

INSIDE THE CAPITAL

Two years, 84 cost more than the contract price; 37 cost less. The state paid \$2,833,000 for over-runs, and saved \$660,000 on under-runs.

ASPHALT MESS STILL STICKY

Speaking of the highway department recalls that the asphalt mess is still sticky.

The governor and the highway commissioners who insisted on taking the state road oil business away from the Spencer Agency of Santa Fe and the Malco Refinery at Artesia have been telling that they have secured lower prices and are saving the state money.

They cannot justify the claim for several reasons:

1. The specifications for the oil being currently purchased are not the same as in the past, and comparison is difficult.

2. The delivery requirements are not the same, involving much money. It would require a competent force of certified public accountants and considerable period of experience with the new purchasing practice to determine if it is costing more or less than the old system.

Along the Bonito

By LOUISE RUNNELS

Over the week end lots of cars were buzzing up and down the canyon. Seems like there are more families than ever this year and station wagons to haul them. Camp fires are restricted in this area until we have more rain, but campers with gas cooking camp stoves are allowed to spend the night. Alamogordo is charging a fee of \$1 per car a day or \$5 per season for recreation if anyone fishes.

Last week a bear was seen in Philadelphia Canyon and a tourist told me one came down near a filling station in Ruidoso—or off the hill back of the old forest campground and caused a little excitement.

Peg Pfingsten, Ralph Vance and Lora Morris are doing fence work above Bonito Dam.

Leota Pfingsten and her brother-in-law Foster Putney from Denver, were out driving Friday and came by Bonito City. They said the Bradfords had a reunion in Farmington, which they attended. Mr. Bradford, Leota's dad, will soon come here from Farmington to spend the summer with Leota, Peg and Ralph. He will fly to Roswell where the Pfingstens will meet him.

George Dingwall from Alto was on the Bonito last week fishing—his luck was no good so the "season recreation permit" he planned to buy is off until some fish are stocked in the dam. Please, Mr. Game Dept. can't we have more fish? One load just gives room galore for more! Then there'd be more licenses sold, more recreation and more people happy.

Mr. and Mrs. Bill Salley from Artesia spent the week end on the Bonito doing a little "recreationing" but didn't catch any fish. Lem Sallee at the Sallee Riding Stables in Ruidoso is Bill's brother.

Willis Hill, S. P. mechanic from Carrizozo, was on the Bonito fishing last week.

Rodger Pope from Ruidoso tried his luck this week fishing.

Mr. and Mrs. A. B. Richardson and friends, Mr. and Mrs. J. L. Gualtney from Odessa, Texas, were Bonito sightseers last week. They were staying at Fred Richardson's Fiesta Courts at Ruidoso.

From Jal last week were: Edna Ingram, Jal cafe owner, and Mr. and Mrs. Jerry Walker and children. Jerry works for El Paso Natural Gas. We are always glad to see the Walkers come around because Jerry is a real musician. He plays on TV some and also with "Lefty Frazier."

Albert Scharf from Carrizozo was at Bonito Dam last week to fish.

Lloyd and Nita Coe spent a night at Bonito City last week. Lloyd tried his luck fishing with Bob McProud and Arvel Runnels, but they, too, were disappointed.

Mr. and Mrs. Harold Sellers have relatives from Albuquerque for a few days.

Douglas Denny, nephew of Mrs. Lewis Ciminna and Fred Smith, both of Alamogordo, were on the Bonito over the week end.

Mr. and Mrs. J. P. Halsey and children and Mr. and Mrs. Spencer Ely and children were at the "Jal Dudes" cabin over the week end. They went to the horse races Friday and Saturday.

Mrs. Graves in Ruidoso wants the author of the "Old Timers Story" that just ended and is holding out on his name, to please let it be known. Her address is Hattie Graves, Ruidoso, N. M.

Lawrence Watson who comes to Bear Canyon, above Bonito Dam each summer from Arizona to do assessment work on his claim is back. He has relatives in Roswell who visit him and he enjoys the mountains till fall.

Mr. and Mrs. Raymond Bean and Larry Kelly from Loveland spent a few days recently at the Dan Williamson cabin at Bonito City.

Fern Jackson of Ruidoso Downs was on the Bonito Saturday.

Bobbie Crenshaw (Bud's sister) and friend were on the Bonito last week to visit with Tom Bragg. She lives in Santa Cruz, Calif.

Mr. and Mrs. Joe Rodgers and young daughter were in the county visiting around over the week end. Joe works for the Fish and Wildlife Service. They expect to move from Portales where they've been several months to country north of Albuquerque.

Mr. and Mrs. B. O. Harris and family were on the Bonito Sunday. Dr. and Mrs. Frank English and family from Roswell spent Saturday with Frank Sr. and Sadie this week.

Jim Byles is in Fort Bayard, N. M. hospital for veterans.

GEE PARTIES IS FUN

By Frank Alsup (poor, low-rate)

Boy what fun parties are. Mom blows up balloons 'til she's dizzy. If I bust just one "gee whizz" She throws a full grown "hissy".

Mar what fun a party are. With gifts 'n' stuff 'n' things I thank my lucky star. Each time the doorbell rings

I greet each guest with "whadda I bring?" Instead of "Hello, come in." Mom says I'm a rude little thing. But whadda I care, this is my day to win.

We play a rousing game of musical chairs 'N fight 'n yell 'n run. We climb trees 'n fall down stairs. Boy parties sure is fun.

After our clothes are dirty and torn And our noses are red from the sun. Mom looks all fired and worn. Man a party sure are fun.

We gather all about. And a big fat wish I make. Then we blow the candles out. Hey, Alsup's sure make a sugar cake.

For a cotton pickin' sake that's out of this clam diggin' world, call Thornton's Grocery.

CHEVRY BESTS

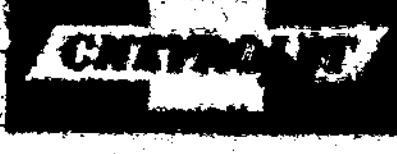

7 (COUNT 'EM) 7

Independent experts and official facts and figures prove Chevry's ahead of its field in seven big ways.

BEST BRAKES... In direct competitive tests of repeated stops from highway speeds, conducted by N.A.S.C.A.R., Chevry out-stopped both the other leading low-priced cars—and why not? Chevry brakes are far larger, built with bonded linings for up to 66% longer life. **BEST TRADE-IN**... Check the figures in any N.A.D.A. Guide Book. You'll find that Chevry used car prices last year averaged up to \$126 higher than comparable models of the "other two." **BEST STYLE**... Popular Science magazine says it

up: "The fact is, in its price class the Chevry establishes a new high in daring styling..." It's the only car of the leading low-priced three that's unmistakably modern in every line. **BEST ECONOMY**... No doubt about this: two Chevry's will run on their class in the famous Mobilgas Economy Run, get the best mileage of any full-size car. **BEST ROOM**... Official dimensions reported in A.M.A. make this clear. For example, Chevry front seat has room in up to 5.9 inches wider than comparable cars. **BEST**

ENGINE... Every motor magazine has given Chevry's standard and Corveta V8's untainted praise. As Sports Cars Illustrated puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." **BEST RIDE**... You'll be able to tell this yourself, instantly. But Motor Trend magazine expresses it this way: "... the smoothest, most quiet, softest riding car in its price class."

Make sure you get the most for your money—see your local authorized Chevry dealer!
