Desert Dan

says

Yep, these summer days sure pass in a hurry. Like a friend told me "other day" "I never saw time fly by so fast like it did when I signed a note that came due in six months."

Food Supply Adequate

Santa Fe, N. M. — The Malthusian doctrine does not yet apply to either cattle or people and won't in the 20th Century, Dr. F. H. Stephens, director of research for the Farm Credit Banks of Wichita, Kansas, told members of the Great Plains Agricultural Council here recently.
"The law of Malthus states that population is limited by food supply," Stephens said, "but thanks to our many blessings and the productivity of scientific agriculture our population continues to grow by leaps and bounds."
Pointing specifically at livestock, Stephens said that a big feed supply does not generate a big meat supply and low livestock prices. But big profits do. "For the past few years cattlemen have been in a profitable cycle of production but I think that cattlemen and their creditors are aware that current very favorable prices of cattle hinge on the temporary rapid expansion-low slaughter situation."

Frank M. Romero Serving in Korea

Seventh Inf. Div. Korea (AHT-NC) — Army 2nd Lt. Frank M. Romero, son of Mrs. Isabel M. Romero of Captain, is a member of the 7th Infantry Division in Korea. The 7th is one of the two U. S. combat divisions which have remained in Korea since the Korean War.
Lieutenant Romero, a track platoon leader in Company B of the division's 17th Transportation Battalion, entered the Army last November and arrived in the Far East last March.
The 24-year-old officer is a 1953 graduate of Captain High School, a 1958 graduate of New Mexico State University, and a member of Alpha Gamma Rho fraternity. Before entering the Army he was employed by the Department of U. S. Forest Service.

Completes Advanced Armor Training Course

Fort Knox, Kentucky (AHTNC) — Army Pvt. Robert T. Martinez, 17, son of Mrs. Carlotta Martinez of Carrizozo, completed eight weeks of advanced individual armor training July 25 at Fort Knox, Ky.
During this phase of training, Martinez qualified as a driver of the Army's medium tank, passed proficiency tests with the 30 and 50 caliber machine guns and qualified as a gunner with the 90 millimeter tank gun.
He entered the Army last March and completed basic training at Fort Chaffee, Ark.
The son of Ermindo Martinez, 312 E. Mathews St., Roswell, he attended Carrizozo High School. Water Rehabilitation

Arrives in Germany

Leroy W. Sidwell arrived July 18 in Mannheim, Germany, with the 97th Signal Detachment, on an 18 months' assignment.

Three States Suffered Costly Soil Erosion

Santa Fe, N. M. — High winter and spring winds dealt costly erosion blows to unprotected crop and range lands in eastern Montana, North Dakota and western Texas, Texas State Conservationist H. N. Smith of the U. S. Soil Conservation Service reported here to the Great Plains Agricultural Council.
Smith said lands damaged during the recent wind erosion season in the three states totaled about 2,500,000 acres.
He explained the damage is reflected in topsoil removed from fields, in soil accumulations in the fields and along fences and in some instances the forming of dunes.
However, Smith added, damage generally in the Plains states was considerably less than in the 1957-58 season and less by 80 per cent than the damage in the 1954-55 period.

Lincoln County in Bygone Years

20 Years Ago
(From the files of the Lincoln County News, August 4, 1939)
Walter Fulmer returned to Carrizozo from Nevada, where he had been employed.
F. A. English was awarded the contract to install gas in the town of Carrizozo.
Miss Theilma White was in charge of the public welfare office in Lincoln.
L. D. Merchant was New Mexico's representative to the national range conference at Hot Springs, South Dakota.
Governor Miles on Sunday dedicated the Old Lincoln County Museum at Lincolntown. Prior to the event, Gov. Miles was entertained by Senators Cop and Sears at Glencoe.
Mrs. D. S. Elliott and Margaret entertained in honor of Mrs. Tommy Hughes.
Mrs. Paul Mayer attended a reunion of the Greer and Gilmore families in Alamogordo.
Farmers and ranchers were happy about seasonal rains which had fallen every day for a week.
Mrs. Fannie Dishman and Mrs. W. E. Henson were in charge of a party for 4-H club members and parents.
Reld Dudley visited Murel Burnett in Dallas.
Mr. and Mrs. Roy Treat and Miss Jennie Lee Ashinheart of Roswell visited their old-time friend, Mrs. A. E. Lesnott, in Carrizozo.

45 Years Ago

(From the files of the Carrizozo News, August 7, 1914)
The Gurnoy Building, occupied by Kelley & Sons, was to have an 18 x 50 foot addition built.
Lincoln County taxes collected for the year 1913 were reported to be \$121,691.30, or 97 1/2% of the total amount on the tax rolls.
Dr. T. W. Watson was named temporary chairman and O. T. Nye temporary secretary of the Lincoln County Republican central committee.
A. J. Lahan won his case in the State Supreme Court for a patent to the Smuggler Mine.
The Carrizozo Browns defeated the Ancho ball club in a Sunday game, 21 to 4. Dolan was on the mound for Carrizozo.
Death claimed one of Lincoln county oldest citizens, in the passing of Ambie Ecker.
The Corona schools were to have three departments at the opening of school with Principal E. W. Campbell instructor in the grammar department; Miss Donnie Franks, intermediate grades, and Miss Rebecca Livingston, primary grades.

Trout Grow Fast in Nogal Lake Since Its Rehabilitation

Phenomenal growth in trout has been observed in Nogal Lake since it was chemically treated in January for removal of rough fish, according to Dick Navarre, biologist with the Game Department.
On April 14, after rehabilitation was complete, 15,000 trout measuring 3 1/2 inches were planted in this lake along with some catchables. Exactly two months later, on June 14, Ralph Little in the course of a creel check, observed three of the former fingerlings, which has been fin-clipped for identification. Two of these fish measured 6 1/2 inches, the other 8 1/2 inches. Each of them weighed two ounces dressed, as compared with hatchery fish of the same size which normally weigh two ounces live.
Trout in Nogal Lake prior to the rehabilitation had made little or no growth, and the phenomenon gain made since rehabilitation is proof positive of the value of removing rough fish, according to Navarre.
Navarre says further, that 50 per cent of New Mexico's waters, more and more sportmen have begun to realize its benefit to fishing.

ters, are in need of rehabilitation. This is especially true of waters infested with gar, carp, carp suckers and suckers. Such work will be accelerated by the Department, as more and more sportmen have begun to realize its benefit to fishing.

"Will your bank help me finance a home?"
We have helped many families along the road to home ownership, with modern mortgage loans repayable on a convenient monthly basis. Monthly payments include both interest and a reduction of the loan. We recommend making as large a down payment as possible. That way, you pay less interest over the years. If you have now reached the point where you have a specific home in mind, come in and let us outline a specific mortgage loan plan suited to your particular financial situation.

WHY DO WITHOUT A LITTLE LUXURY LIKE THIS... LET ALONE THESE BIG CHEVY VIRTUES!

greater roominess
Automobile Manufacturers Association records carry the facts on this. In a Chevy sedan, for example, you've got more front seat head room than all but one of the high-priced cars! And Chevy's front seat hip room spreads up to 5.9 inches wider than comparable cars.

bigger savings
Here's solid proof that Chevrolet squeezes more miles out of a gallon: In the famous Mobilgas Economy Run, two Chevrolet sixes with Powerglide took the first two places in their class. Winning mileage: 22.38 m.p.g. And that, friends, took top honors for Chevy from every full-sized car!

full coil ride
You're the expert on ride, so you'll want to try Chevy's easygoing smoothness for yourself. MOTOR TREND magazine can give you a hint of what you're in for: "... the smoothest, most quiet, softest riding car in its price class." And Full Coil springs, of course, never squeak, never need grease.

bigger brakes
Bigger, yes, and built with bonded linings for as much as 66% longer life. And how's this for proof that Chevy's a real stopper: in a N.A.S.C.A.R. conducted test of repeated stops from highway speeds, Chevrolet outstopped both of the "other two" times after time.

award-winning engines
The N.A.S.C.A.R. Outstanding Achievement award goes to Chevrolet! Chevy wins for "the creation and continuing development of America's most efficient V-type engines... for the establishment of new levels of V8 compactness combined with outstanding smoothness." And you can choose among eight V8's and the Six that won the Mobilgas Economy Run for its class.

fresh styling
POPULAR SCIENCE magazine gave Chevy's styling a thoughtful look, then said it this way: "In its price class, Chevy establishes a new high in daring styling..." You'll find your own happy way of saying that Chevy's the only unmistakably modern car in its class.

higher trade-in
N.A.D.A.* Guide Books prove that your Chevrolet will keep its value. Chevy used car prices last year, for example, averaged up to \$128 higher than comparable models of the other two cars in Chevrolet's field.
*National Automobile Dealers Association.

See how much more Chevy has to offer—visit your local authorized Chevrolet dealer!

PAM REID

Colorado Springs, Colo., July 31
— Sorry, but I didn't receive a single letter this week and being not too original myself, I can't think of anything to say of importance. Of course, I'm not there, "on the spot," so to speak, and therefore feel rather "out" of things.

Since most of you folk that have been writing seem to have taken a "vacation" I don't think it would be too much out of order for me to take a vacation too—no other than wishing you a happy summer, I say adieu with the hope that I'll see you all this fall.

Look for me again around the first of September (if Mr. Baker still wants me in his paper) and anything you want to write I'll answer you personally — "not for publication."

"Aw-reservoir"—Pam.

Remember that address: Care of Fern Simpson, 321 E. Bijou, Colorado Springs, Colo.

COKER'S COMMENTS

COUNTY FAIR TIME

September is County Fair time, and a few tips on judging exhibits of fruits, vegetables and flowers seem pertinent. There are several points the judges look for in rating exhibits. Many of these points are set forth in the rules and regulations section of the fair catalogs and in 4-H club manuals. Club members and visitors will learn much by knowing what judges consider as they make the awards.

In judging vegetables and fruits, quality and condition are outstanding points. Another important judging item is cleanliness. Uniformity of exhibits is also stressed by the specialist.

Exhibit only fresh vegetables that have barely reached their best condition of edible maturity without being overripe, shriveled, or wilted. They should be perfect specimens, free of injury or blemish.

Excessive size in most vegetables goes with coarseness and poor quality. Medium to slightly above the medium is usually the most desirable size. The vegetables should be typical of the variety in color, shape, and size.

Exhibits of flowers are usually in classes for individual specimens or floral arrangements. In judging specimen entries, the judge considers foliage and stem, and the perfection of the bloom. He observes the form, color, substance,

Letter to Editor

Editor News:

Enclosed is my check for an additional year's subscription to the Lincoln County News.

I might say that, as always, I enjoy the NEWS and would probably enjoy it even more if there were more items about some of the older residents of Carrizozo and Lincoln County. I have enjoyed very much the articles written by Joe Chavez and his reminiscing of the old days which even though I was not yet old enough to remember, I do recognize the names.

I might say in passing that a sufficient number of articles have been written about "Billy the Kid" and "Old Lincoln" and that this particular theme has just about been "run in the ground" where, of course, it should lay. It seems to me that this important episode in the history of Lincoln County and New Mexico should be "exhumed" but once a year, especially so since there are more worthy events to be reported such as civic and community endeavors, Chamber of Commerce functions, current events, etc.

It is not usually common for me to criticize and I wish that my comments be taken only as passing remarks, for if I did not make such comments I would be remiss in my prerogative as a long time subscriber to the News.

Incidentally, Sheriff S. M. (Sally) Ortiz made national news last week when he ousted Governor (Ol' Earl) Long from the Race Track at Ruidoso. It was on the front page of the "Los Angeles Examiner" replete with picture and story. — David A. Sanchez, 527 Melham Ave., La Puente, Calif.

Ask State Help on White Mountain Park

Appearing before the State Highway Commission meeting recently in Santa Fe to request study of state help in building a road into White Mountain Park, were Mayor Jack Hull and Trustee Tom Hood of Ruidoso; Charles Fuller, Picacho rancher, and Ray Izard, Roswell, representing Sierra Blanca Corporation of which Robert O. Anderson of Roswell is the head, and Engineer Tom Mann of Roswell. The latter made a preliminary road survey into the park earlier this summer.

White Mountain Park may be developed into one of the Southwest's finest winter sports and summer resorts.—Ruidoso News.

and abundance of bloom and size. Floral arrangements in a class calling for a theme, title, or purpose are judged on design, suitable interpretation of the theme, color, relation of flowers to container, distinction, and condition.

ALTO BRIEFS

By AILEEN LINDAMOOD

C. A. Thormalen of Alice, Texas, was by last week looking over the land in this area.

The "Dub" Coopers and Virgil Monthies of Seven Rivers, N. M., visited with relatives Friday on their way home from a camping and fishing trip into Colorado. The Monthies visited her grandmother Mrs. W. N. Hightower and the Coopers visited the Jim McEuen and Lawrence Peebles.

Mayor and Mrs. Jack Hull of Ruidoso were over on Wednesday showing his brother and wife, Mr. and Mrs. M. H. Hull of New York City, the countryside.

Lawrence Peebles made a trip to Alamogordo on Thursday.

W. S. Catby of Lubbock and Mrs. J. R. Richards of Portales were recent guests at the Sidney Prestons.

Robert Creel was here from Carrizozo Tuesday.

H. B. Murry of El Paso spent a few days here last week working on his cabin in Gavilan Canyon. Mr. and Mrs. Melvin Love and children Wayne, Kim and Polly of Westminster, Calif., visited her brother, Tommy Davis and Mrs. Davis last week.

Chris Starrs of Portales spent the week end in their Gavilan Canyon home.

Mr. and Mrs. Jack Ryan and children of El Paso are vacationing at Eagle Creek Lodge.

Mrs. Charlie Peebles made a trip to Alamogordo Thursday with Mrs. Henry Peebles.

Basil Ryan came up from El Paso for the week end to take Mrs. Ryan home in order to finish their plans for making a trip to Hawaii this month.

Mr. and Mrs. Tom Haley of Eastland, Texas, and son Tom C. Haley of Washington, D. C., visited the Lindamoods last week.

Mrs. Frank Parsons, Judy, Mike and Becky are vacationing at Eagle Creek Lodge. Judy has a house guest, also of El Paso, named Ellen Kahn.

Mrs. J. N. Neal of El Paso was up for a few days last week with her guests, Judy Payne and Linda Crews, of Denton, Texas.

Mr. and Mrs. W. R. Simonton of Orange, Texas, are in their trailer house here at the Preston Trailer Park.

The S. W. Neal family of Houston left Friday after a lovely vacation at Eagle Creek Lodge.

The Sonney Wrights had Linda Taylor of Tatum and Jo Bill Dunn of Deming visiting them last week.

Mrs. Margaret Randel took her sister Mrs. Ola Akin to Albuquerque Wednesday, returning to Eagle Creek Lodge Friday.

Mrs. Frank Stewart and children of El Paso are visiting the Jack Stewarts.

Last week Scottie Wright was visiting with his grandparents, the Lloyd Wrights of Yeso, N. M., and Carla Wright was visiting the "Smookey" Dunns in Deming.

The John Von Rosenbergs and son Jeffrey and the D. A. Kincaids of Albuquerque enjoyed the week end in their summer homes near Alto.

Mr. and Mrs. E. J. Blaylock of the Pine Lodge country were by on Saturday.

Jim McEuen left Saturday for Silver City to attend the School Bus Driver's annual school there the coming week.

Mr. and Mrs. Lowell M. Smith and family of Roswell stopped by Saturday. He enjoyed seeing how things had changed since he lived here in 1930 and attended school at Alto.

The Wayne Hamiltons of El Paso stopped to visit the Lindamoods over the week end on their way to Artesia.

"CATTLE DRIVE"

By Frank Alop (poet low-rate)

Along the Rio Bonita
Fast the mosquito and manzanita
We pushed the herd without rolled
It was Fort Stanton or bust
Through the heat and the dust
For the soldiers were needing beef

We pushed along
'Til the day was gone
And we camped as the sun went
down
Next morning at dawn
We started on
Through the streets of Old Lincoln
Town

The howling of cattle
A trace of the rattle
As the chuck wagon rolled over
the rocks
These sounds echoed back
From a homesteader's shack
And the trail boss yelled "Rattle
your heels!"

We arrived in Fort Stanton
With our horses a pair
Says the trail boss "Everything's
jake"

If I have my way
Along with our pay
We'll get an Alop's Cattle Drive
Coke.

Your Lincoln County vaqueros can
order your "Cattle Drive Cakes"
from Thornton's Grocery.
