

# 2-DAY LINCOLN COUNTY FAIR BEGINS FRIDAY

If the weather holds fair, the largest crowd in the history of the Lincoln County Fair is expected at Capitan this Friday and Saturday, September 11 and 12.

Each year fairgoers see improvements and they are assured this year will be no exception, both in exhibits and facilities.

Following is an outline of events for the two days:  
Livestock Judging — Junior division, Sept. 11, 10 a.m. to 2 p.m. Open class division (including horses) Sept. 12, 10 a.m. to noon.  
Home Economics Judging — Junior division, 10 a.m. to 12 noon, Sept. 11. Open class division, 10 a.m. to 12 p.m., Sept. 11.  
Vegetable and Fruit Judging — Open class division, 10-11 a.m., on Sept. 11. Junior division, 11 a.m. to 12 noon, Sept. 11.  
Flower Show Judging — 1-3 p.m., Sept. 11.

## Something New Added To Livestock Judging

According to County Agent Ralph Dunlap, something new has been added to the livestock judging at the fair.  
After the judge, P. E. Neale, has placed the class, he will ask someone else to hold the animal while he and the exhibitors go over the animals.  
In this way, the exhibitor can see why the judge placed his animal the way he did.  
This will also give the exhibitor a much better idea of how to improve his animals next year.  
Mr. Neale will not only explain why he placed the animals in this way, but he will show them the faults and good points of each animal.

## All County Teams Won First Games

All Lincoln County football teams scored initial victories in their games last Friday.  
Carrizozo won from Tularosa, 12 to 0; Capitan defeated Hatch 18 to 0; Roswell won from Roswell "B" 19 to 0 and Corona edged Mountainair 6 to 0.

## AFTERNOON PROGRAMS

Friday, Sept. 11 — Roping and riding events and Fair-Queen contest.  
Saturday, Sept. 12 — Roping and riding events.  
Parade—10 a.m., Saturday, September 12.

## PRIZES NEEDED FOR BINGO GAMES AT FAIR

County Farm Bureau members are reminded to bring home-made cakes, cookies, candy or fruit to the Lincoln County Fair on Friday or Saturday.  
The prizes will be given away at the bingo games.  
The Apple Pie Baking Contest will start at 9:30 in the morning, Sept. 11. It is open to all girls, ages 14 to 20.

## Former County People Visit in Carrizozo

Mr. and Mrs. F. A. Stacy of Roswell were in Carrizozo Wednesday visiting the A. J. McBrayer family. Mrs. Stacy, before her marriage, was Jessie McBrayer.  
The Stacy family at one time were ranchers in the Paradise Valley country near Capitan. F. A. Stacy moved to Roswell and over thirty years ago started a concrete and gravel business, using a wagon drawn by a pair of mules.  
Today, Tracy Inc. is one of the largest suppliers of ready mix concrete, sand and gravel, in the area. Allen Stacy, son of Mr. and Mrs. F. A. Stacy, is general manager of the corporation.

## Pick's Freez to Have Open House

A steel canopy was installed this week at Pick's Freez drive-in in Carrizozo.  
To celebrate the new installation, Pick's Freez, proprietor, will have an open house all day this Saturday, with free ice cream and cake for the children and ice cream and coffee for adults. The cake is being furnished courtesy of Mead's bakery.  
The canopy, in addition to providing protection to cars from inclement weather has other advantages.  
Soon to be installed will be two-way phone service to each of the five stalls under the canopy, enabling customers to phone in their orders. Each stall will also have a loud speaker connected to a juke box inside the building.

## Vets' Service Officer To Be in Carrizozo

Joseph W. Darnell of the New Mexico Veterans Service Commission, will visit neighboring towns on the dates and times shown below.  
His visit will be for the purpose of assisting veterans, their dependents and others in all matters pertaining to veterans' affairs.  
The itinerary:  
September 14 — 8 a.m. Lincoln postoffice; 9 a.m. Capitan city hall; 11:30 a.m. to 2 p.m., Carrizozo courthouse.  
September 14 — Tularosa city hall, 4 p.m.  
September 15 — Alamogordo, N. M., Employment Office, 8 a.m. to 2 p.m. Roswell and vicinity, 3 p.m.

## To Introduce Faculty At PTA Meeting

All parents are urged to attend the Carrizozo PTA meeting, Monday evening, Sept. 14, at 7:30 in the Junior High School auditorium.  
A good program has been arranged, including a film "Barn to Freedom" starring Vincent Price. The faculty of the Carrizozo school will also be introduced and welcomed.

## Lions Club Breakfast Postponed to Sept. 19

The Carrizozo Lions Club community breakfast, originally planned for this Saturday has been postponed until the following Saturday morning, September 19, due to a possible conflict with the Lincoln County Fair.  
Everyone is invited to have a real ranchman's breakfast at the Lions Club Park.  
Tickets for the breakfast are on sale by members of the Club.

## Angler Likes Bad; Slows Down Fishing

Mayor Wayne C. Withers and C. H. Milligan of Carrizozo and Dave Gentry of La Luz have returned from a fishing trip to Lake City, Colo.  
One of the fishing partners, Gentry, had been bedfast for two weeks prior to the trip.  
Anglers Withers and Milligan reported the fishing was very good when they weren't helping Gentry in and out of his bed.

## Attorneys Hired in Paving Contest Suit

The town board has hired the law firm of Garland & Sanders to represent the town in the pending suit to enjoin the paving district.  
Up to Wednesday afternoon of this week, no change had been made in the date September 11 for hearing on the order to enjoin the paving proceedings.  
In other town business: Building permits were granted S. A. Aggar to construct garage building, cont. by E. H. Jones to build living quarters addition to present office building, total cost \$10,000; to Robinson G. Sanchez to construct frame house, cost \$6,000.  
It was stated at the meeting that the contractor has completed work on the new RMA power transmission line from Capitan to Carrizozo.

## Visiting in Carrizozo

Mr. and Mrs. Gerald King and children Mike and Brandon of Seattle, Wash., are visiting their parents, Mrs. Mary Johnson and Mr. and Mrs. Luther King of Carrizozo; also other relatives and friends.  
Franklin King accompanied his brother and family to Carrizozo. Franklin has just returned from a tour of duty in Korea and after a three weeks' furlough will return by the Army at Fort Meade, Tenn.

District finals in the Make It Yourself With Wool contest have been set for November 7 at the Capitan High School.

## Fruit Growers Discuss Marketing Hail Apples

The White Mountain Fruit Growers met last week to discuss the apple market situation, the major item of discussion being the best way to sell hail apples.  
Mr. Baxter demonstrated to the group the need for picking first the apples least damaged by hail, including damaged apples in the box, he explained, made the entire box unsalable.  
He cautioned the growers to pick only the salable apples.  
Another meeting is planned for September 15 at the apple shed.

## A. W. Drake Dies at Puyallup, Wash.

Ancho was saddened last week by news of the death of A. W. Drake of Puyallup, Wash. He was a greatly respected and well-loved citizen of the community for many years, having moved here with his family from Texas in the 20's.  
Mr. Drake homesteaded land east of Ancho. He was active in all community affairs of church, school and county singing conventions.  
A few years ago he sold his place here and moved to Roswell. He and Mrs. Drake came back often to visit their daughter Lavonia, her family, and many friends. Last year he sold the farm in Roswell and moved to the state of Washington to retire.  
Mr. Drake's daughter, Mrs. Price Miller, her husband Price and son Jim, accompanied by Mrs. John Dale (another daughter) and son Ted of Alamogordo left by car Saturday for Washington to attend services for Mr. Drake.

## Petition Asks Town For Flood Control

A petition, signed by nearly a hundred residents of the south side of Carrizozo and requesting that flood control measures be taken, was presented to Tuesday night's meeting of the Carrizozo town board of trustees.  
The petition asked that "action be taken to make a survey and take necessary action to control flood waters such as occurred on Monday, August 24, so that our property will not receive further damage from flood waters."  
Mayor Withers said that adequate flood control steps would be difficult without the cooperation of the Southern Pacific Railway, under whose tracks flood waters would have to be channeled away from town.  
Town Clerk Johnson Stearns read a letter written by the board to J. H. Long SP superintendent, the day after the flood occurred.  
The letter called the company's attention to the recurrence of a damaging flood in Carrizozo and stated the belief that the problem could be worked out with the cooperation of the Railway company.  
The letter also called attention to the need for a culvert or bridge at the dip on the south side of the tracks on E avenue south.

## Three Pay Fines for Drunk and Disorderly

Ronald and Jimmy Stewart of Rosado paid fines of \$25 each in Justice of the Peace Clark's court in Carrizozo this week. They were charged with being drunk and disorderly and resisting and abusing an officer. The two were bound over to district court on the charge of resisting and abusing an officer.  
Sid Larsen of Rosado Court paid a similar fine in J. P. court for drunk and disorderly and he was fined \$100 for resisting and abusing an officer and given 15 days in the county jail.

## MARRIAGE LICENSES ISSUED

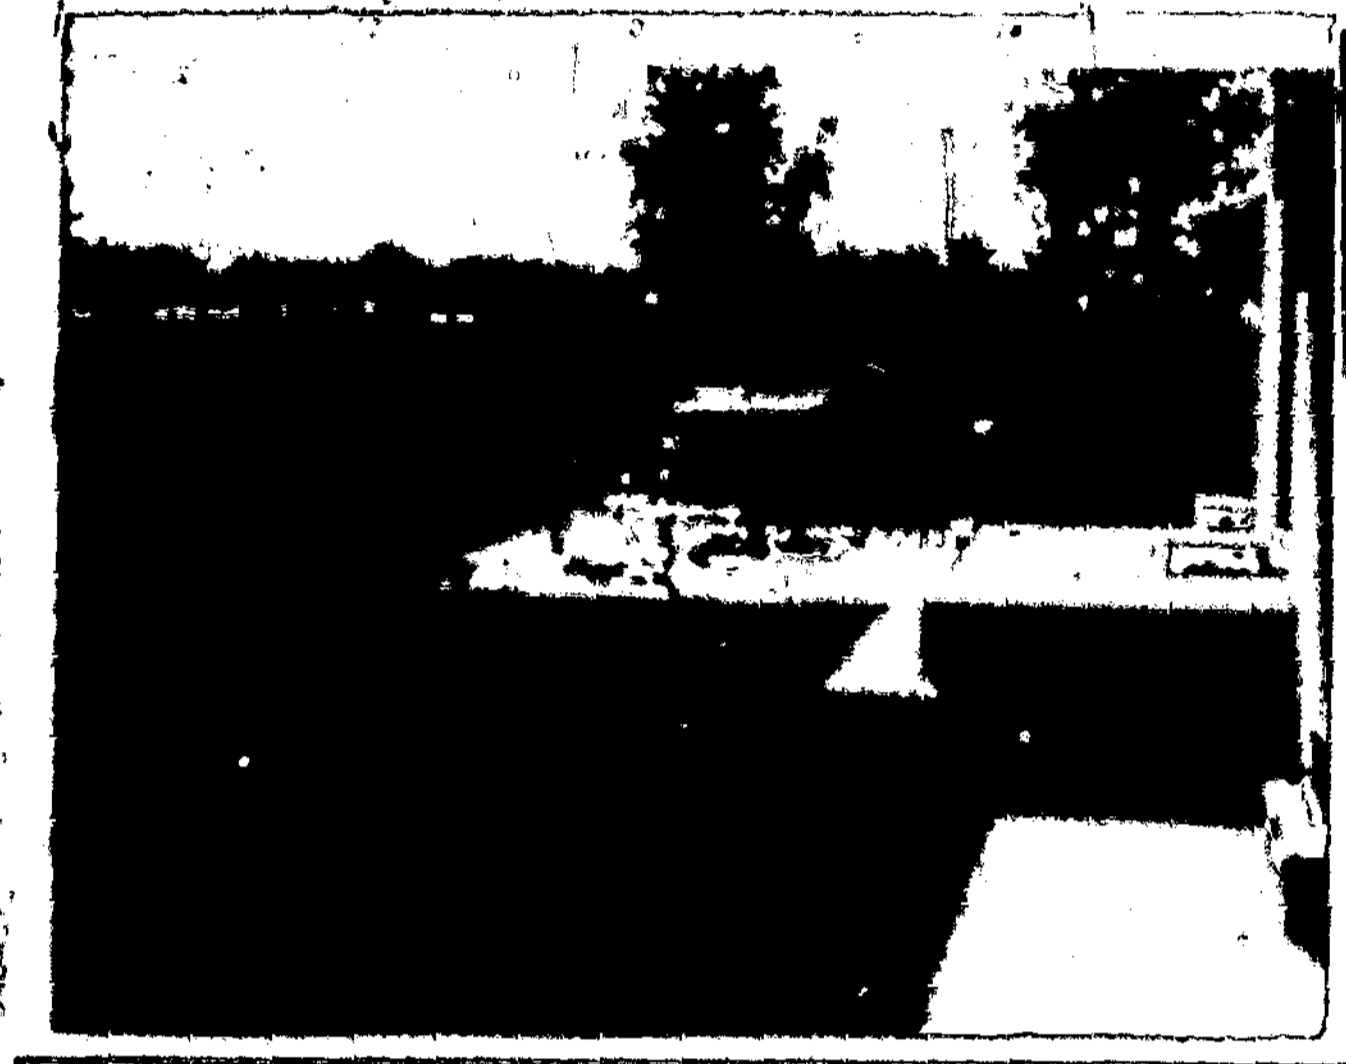

The Lincoln County Clerk's office has issued a license to wed to Linda York, 18, of Los Alamos, and John Barber, 27, of Capitan.  
To Harlene Hooper, 19, of Alamogordo, and John C. Phillips, 30, of Three Rivers.  
To Mary Theresa Fumagalli, 33, and Edward Eugene Massey, 43, both of Rosado.  
To Kathryn Dorcas Haley, 19, of Rosado Downs and Billy Ray Sear, then, 27, of Seminole, Okla.

## Mr. and Mrs. Dishman Were Golden Wedding Honorees on September 6

More than a hundred relatives and friends called at the home of Mr. and Mrs. Joe Atkinson Sunday afternoon, Sept. 6, to honor Mr. and Mrs. W. S. Dishman on their golden wedding anniversary.  
The table was beautifully appointed, being centered with a bouquet of yellow roses and an anniversary candle. A three-tiered white and gold cake and frothy gold-colored punch were served by the two grand-daughters of the honorees, Miss Helen Kay Atkinson and Miss Sam B. Stewart of Claxton, Texas.  
Assisting Mr. and Mrs. Atkinson were Ernest Dishman, Mrs. A. C. Hester and the Misses Julia and Dorothy Kerr.  
A lovely floor lamp and matching TV lamp were presented by the Dishmans by a group of friends in the community. Numerous gifts, flowers, letters and cards have also been received, for which Mr. and Mrs. Dishman are most appreciative.  
Out-of-town guests included Mr. and Mrs. Willard Knox of Lelia Lake, Texas; Mr. and Mrs. R. Sulzberger of Stanley; Mrs. Bessie Clark of Claxton, Okla.; Mrs. Maurine Henderson, Othel Simmons and John Simmons, all of Dimmitt, Texas; Mrs. Mae Cobb of Logan, N. M.; Mr. and Mrs. Curtis Hester of Abilene, Texas; Mr. and Mrs. T. T. Ballenger of Roby, Tex.; Mrs. Martha Addison and son David of Artesia; Mrs. J. H. Kerr of West Point, Miss.; Mr. and Mrs. A. J. Irwin, Santa Rosa; Mr. and Mrs. F. A. English of Carrizozo; Mrs. James Cole and son David of Mesilla Park; Mrs. Eula Dubois, Phoenix; Mr. and Mrs. Brack Sloan and Miss Helen Sloan of Claxton; Mr. and Mrs. L. E. Hanson, Mountair; Mr. and Mrs. Hans Stewart, Claude, Texas; Mrs. Hattie Dishman, Mrs. Edna Tracey, Rosado; Lee Tracey, Mr. and Mrs. Roy Brown, Mrs. Grace Simpson, Mr. and Mrs. Neal Knight, and Joyce DeVany, all of Abilene, Tex.

One lot for the home and one lot for the garden is the layout of the A. T. Roberts home in the Harkey Addition in Carrizozo. The entire area is landscaped with lawns and trees (above) in front of the home and lawns, trees, shrubs and flowers throughout the garden area. Photo below shows the patio corner. All is enclosed with a plastered block fence.

## Charge Negligence in Law Enforcement

A charge that local law enforcement had been "negligent" in failing to arrest James Lucero after he created a disturbance in Jonnie's Bar last Friday night, was made to the Carrizozo town board of trustees at their meeting Tuesday night.  
Mr. and Mrs. Lloyd Vigil appeared to protest that Lucero had not been arrested and made to appear at a trial set for Saturday at 2 p.m. in Pick Warden's municipal court. A warrant issued for Lucero's arrest could not be served because he had left town.  
Lloyd Vigil came into the board meeting his arm still in a sling, allegedly broken when kicked by Lucero in the altercation at Jonnie's Bar.  
Mrs. Vigil protested that Lucero should have been taken into custody when she called the town patrolman to the scene.  
Mayor Wayne C. Withers and members of the board agreed that Lucero should have been taken into custody.  
They said the town patrolman would be instructed of the procedure in such cases and to use the town jail to lodge disturbers of the peace.

## Win Mexico Fleeces at Ogden Wool Show

Two New Mexico wool growers won high placings on fleeces they exhibited at the Seventh National Wool Show in Ogden, Utah, recently.  
J. A. Cooper of Tularosa, the A. D. Jones Estate of Tatum, and Lerch Reeves of Hope, took first, second and third place ribbons, respectively, on fleeces shown in the 64's-66's range ewe class.  
-David McGee of Roswell and S. P. Johnson Jr., of Roswell were awarded second and third place ribbons, respectively, on their entries in the 1/2 blood range ewe class.  
The Ogden show is rated one of the best in the nation, according to Jack L. Rattle, sheep and wool marketing specialist with the New Mexico State University Extension Service.  
The show attracts fleeces from the top wool growing areas of the country and competition is always keen. New Mexico wools, grown under strictly range conditions, are consistent winners at this as well as at other big shows held throughout the United States. Rattle stated.

## Commissioners Hear Plan to Trade Lands at Bonito Lake

Before the Board of County Commissioners, meeting Tuesday of this week, F. E. McDermald, official of the Lincoln National Forest, presented a map of lands within the forest that the Forest Service proposes to trade to the City of Alamogordo for other forest land in the vicinity of Bonito Dam.  
The Commissioners said they would file an objection to the proposed trade until they had time to look into the matter fully.  
They proposed a field trip into the area with a Forest Service representative.  
Due to an apparent misunderstanding about the location of a road that is proposed to be closed by Mr. and Mrs. Sonney Wright, the commissioners have set another date for a hearing on the matter—October 5 at 2:30 p.m.  
Three protests were made to the closing. Viewers appointed by the commissioners are Charlie Peebles and Joe Coe.  
Approval was given to a plat of Western Hills subdivision in Rosado, presented by Jack Kandinsky.  
It was stated that during the last 12 months county equipment has graveled and improved approximately 100 miles of roads in Lincoln county.  
The water-well being drilled on the courthouse ground was said to be down around 75 feet and that preparations were being made to perforate the casing and test the well.  
The commissioners approved a liquor license transfer from Sam Hames Jr., dba Sunset Bar, near Pecos, to E. Ray Izzard Jr., same location.  
The next meeting of the county commissioners will be October 5.

#### STATE LAND MONEY SLIPS \$1.5 MILLION

Santa Fe, Sept. 9.—The two-go period of New Mexico's rich land office is in a grinding slow-down.

Money brought in during the last business year was a million and a half under the year before.  
The count was \$27.2 million and \$25.7 million for the year just closed.  
Most all of the loss was in oil and gas lease sales, \$600,000 down, and oil and gas royalty payments, \$700,000 down.  
Royalties produced \$16.3 million last year and \$17 million the year before; lease sales and rentals \$7.9 million last year and \$8.5 million the year before.  
Eighty per cent of the rap falls on the public schools. The balance is shared by the colleges and other institutions and agencies.

#### FAVORABLE START IN JULY, AUGUST

There was an encouraging note in the collections for the first two months of the new business year, July and August, which climbed \$316,000 above the two months last year.  
The money collected by the land office does not necessarily reflect the quality of Commissioner Murray Morgan's administration.  
Least cash money is going down because the state is simply running out of attractive unleased land. Royalty payments reflect the ups and downs in oil production in the state.  
Other declines in land office business last year included a drop of \$90,000 in land purchase payments, a drop of \$33,000 in potash royalties, a drop of \$35,000 in general mining rentals, drop of \$21,000 in timber sales.  
There was an increase of \$33,000 in general mining royalties, accountable to uranium production on state land.

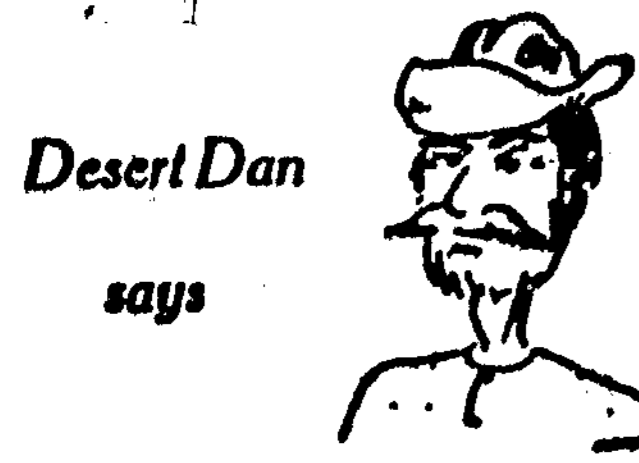

#### LOTS OF MONEY, NO OPPOSITION

Corporation Commissioner Seven-Foot Dickson's early solicitation of campaign money from firms operating under the jurisdiction of his commission came at a time when he doesn't have an opponent in sight and after he said that he had been accused by Gov. John Burroughs of support for renomination.  
It looks like he is playing super-vice. He said he would start his run for the May primary next month. That may explain the need for a lot of dough.  
A seven-month campaign could be expensive even if the campaigner didn't haven't anybody to run against.  
Pick's early bite on truckers and others regulated by his commission—he said he had been doing it since June—was undertaken, he explained to go to them before the Burroughs' "money raisers" got to them "and left 'em broke."

There's another advantage in getting campaign contributions in the summer for a run in the following spring. They don't have to be reported in the candidate's financial statement. Only money received within 90 days of an election is required to be reported.  
Pick's firm was nothing wrong in asking firms under his regulation for money. He said others do it and the only difference is that he admits it.

#### \$150 TRACK STOCK CLIMBS TO \$246

The million shares of \$150 stock in the controversial Fertuna race track in Dona Ana county went to \$246 the first day after hitting the market. Adding to the confidence in the stock was the news that got around about several prominent legislators and state-finance officials investing in the issue. For a while last year it looked like the horse betting venture would be wiped out by local Dona Ana moral opposition and statewide political opposition but that seems to have worn itself out.  
SPRINGER, MECHEM GETTING CLOSER  
Republicans Ed Springer of Cimarron and P. A. Mechem of the governor's office who suffered a violent split in the campaign of 1958 look like they may be drawn together by common interests in next year's run when Mechem is expected to be the candidate for governor again.  
Mechem and Springer share an intense desire to beat One Child the Senator, and lately they're both against Demo Gov. John Burroughs.  
Close associates of Springer are telling that he wants no more track with Burroughs after giving him help in 1958 that could have accounted for his 1960 vote victory. There seems to be a mysterious standing or something concerning a promise Burroughs was supposed to have made Springer.  
Republican need Springer for his money raising ability.

With the steel workers and their bosses fussin at each other and Congress sore at the teamsters' leaders, Labor Day was more like an armistice than a holiday.

We do all we kin t' save th' lives of Americans from th' cradle to th' grave, then have 3-day holidays so's a few hundred kin git themselves killed.

It hurt th' pride o' Texas when Alaska became th' largest state; but two things Texans won't give us: Th' Alamo and havin' th' oldest livin' Civil War vet.

Letter to Editor

Editor, News:  
Enclosed is check for renewal to the News. There seems to be a real likelihood of my getting out to New Mexico at the end of this month; however, I doubt that I'll be able to get down to Carrizozo and vicinity, as I'll be in the state for only a couple of days.  
After the first of the year I may be back in New Mexico permanently, and then will have an opportunity to see all my friends in Lincoln county—Walter H. Krumm, 214 W. Magnolia Ave., Aldam, Delaware County, Pennsylvania.

Returns to Roswell From European Trip

After touring Europe for two months, Miss Joy Dawn Reil wrote in a letter to her mother, Mrs. Vincent Reil, that she was leaving Paris September 3 on the British-European Airlines for London.  
She will stay there one night and leave September 3 at 9 p.m. on TWA flight No. 701 for New York City.  
After sight-seeing in New York she will be at her desk at the Humble Oil Company offices in Roswell Tuesday morning, September 8.

Bill Nickels played the first cornet in the 185-member All-Star Band in Chicago.  
Judge Numa C. Frenger convened the full term of district court and called for criminal and civil cases. Attorneys present for court were J. C. Gilbert, Lew Fuller, Harold Hurt and H. B. Hamilton.  
Henry Dale, Henry Morris, Lavene Snodgrass and Clyde Stone-man were the Ancho school bus drivers.  
Carrizozo visitors included H. J. Garrard and Dr. Woods of Lincoln, Sidney Goldston of Roswell, Mr. and Mrs. Stafford and Mrs. Eva Emerson of Lon, Mr. and Mrs. Buck Dillard of Hot Springs, and Louise Coe of Huidoso.  
Mrs. Ernest Aguayo was clerking at the B&M Mercantile.  
Miss Virginia Pierce was teaching at the Lincoln school.  
Kemp Pepper and Bryant Dock-ray of Capitan were attending the World Fair in San Francisco.  
Andy Padilla of Albuquerque was visiting friends and relatives in Carrizozo and Tularosa.  
Mrs. Albert Zolger was to have charge of the first meeting of the season of the Carrizozo Woman's Club.

45 Years Ago

Welch & Titworth in Capitan advertised a wide range of merchandise, ranging from fruit jars to mowing machines, dynamite and wagons and buggies.  
In the war in Europe the Germans were halted near Paris and the Russians were winning victories over the Austrians.  
Miss Monroe of Portales arrived to teach school at Oscuro, assisting Mrs. Blancy.  
M. Sayers Crockett and family moved in to Oscuro so that the children could attend school.  
Carrizozo was having a housing shortage, even though several new homes had been built.  
A meeting was held at the Nyo-Osborn office in Carrizozo to plan for the Fall Field Festival. An executive committee was named, composed of A. J. Rolland, J. A. Haley, F. W. Gurney, H. S. Campbell and W. J. Doering. On the fund-raising committee were H. D. Dawson, S. L. Squire, T. E. Kelley and W. W. Dutton.  
New officers of the Lincoln County Teachers Association were A. McFarley, president; Mrs. Maude L. Blancy, vice-president; and Miss Edith C. Tielmer, secretary-treasurer.  
People on the east side of the Jicarillas were trying to get a school started in their area.  
Johnnie Montoya was cutting a fine crop of hay in the Jicarillas. The fat men were to play the teams in a Sunday ball game in Carrizozo.

First Look at Ford's New Economy Car

Heralding a new "breakthrough" in automotive design, the Ford Falcon—shown here with three views of the Ford model—is all-new from the ground up. Functionally styled, the Falcon has a full length sculptured side panel that adds grace to its lines and provides greater strength for doors and side panels. The Falcon's all-new 98-horsepower six-cylinder engine is designed to give up to 50 per cent better gasoline mileage than standard cars.

Ford Division of Ford Motor Company released the first official photographs of the Falcon this week and said it expects to build 100,000 of the new economy cars by the end of 1939.  
James O. Wright, company vice president and Ford Division general manager, said assembly of Falcons already is under way at plants near Kansas City, Mo., and San Jose, Calif. Falcon engines are being produced at Lima, O.  
Mr. Wright said the keynote of the Falcon will be economy of operation and maintenance.  
"For example," he said, "the Falcon will have gasoline economy 50% better than the largest of the so-called 'compact' cars of American manufacture, and 30% better than the smallest domestic car made by the same producer."  
Compared with the latter, the Falcon has 23% more luggage space, 70% more windshield area, and a full foot more of rear-seat width.  
Mr. Wright said that for the price of replacement parts a Falcon sedan will cost 60% less, a windshield 40% less and a muffler 30% less.  
With regard to air-cooled versus water-cooled engines, Mr. Wright said the Falcon's water-cooled, front-mounted engine will require only \$1.00 worth of anti-freeze in the winter—30% less than a full-size car.

GRIST & GRITS

By OLIN MILLER  
(Copyright, 1939)  
With reference to the birth of twins aboard a huge airplane, it is assumed that either the plane was running late or the stork was ahead of schedule.  
As Khrushchev has said he will bury us, many think it is a terrible mistake to invite him over here and thereby give him opportunity to measure us for a casket.  
"Dirty green will be a highly popular color this fall" says a style magazine. The seasclick person who is too busy to wash his face will be right in style.  
The early bird caught the worm that got out early, the early hawk caught the early bird, and the early farmer shot and killed the early hawk, the recall of the gun breaking his collar bone. So much for early rising.  
Mother Nature conditions many trillions times as much air as man does, but she does a far poorer job of it.  
When a woman fires a pound of sarcasm at a man, it weighs a ton when it hits him.  
"A game somewhat resembling bridge was played a thousand years ago"—Newspaper filler. The same kind of game is being played today—by thousands of alleged bridge players.  
The admonition, "If at first you don't succeed, try, try again," may be poor advice. It depends on what one is trying to do.  
"Many traffic accidents are caused by a loose nut at the wheel," says an editor. Yes, or a tight one.  
Perhaps the moon was once inhabited and its lifeless and scarred condition resulted from the moon-ites waging Moon War III with H-bombs.  
In this motorized age, it would be suicide not to look carefully up and down before crossing the road to the greener pasture on the other side.  
"You are taller when you first get up in the morning than at any other time of the day," says an anatomist. Well, maybe so; but that's when we feel lowest.  
The expression, "running into debt," is used because people are interperated about going into debt—they never just walk into it.  
The only place to pass on curves is in a beauty contest.  
"About 180 babies are born each year on trains of the Nagpur, India, division of the Central Railway System"—Press report. One wonders when the occasion arises, as it often does, if the conductor and flagman toss coins to see who will act as obstetrician.  
"It seems to me that folks were more contented when there were hitching posts around town," said O.C. Gorehead, "instead of parking meters."  
Alas, we'll be kissing more money goodbye—The high cost of living has hit a new high.  
A Milwaukee man was fined \$100 for pointing a pistol at a cab driver's head and telling him, "If you don't drive carefully, I'll kill you." Hurrah for the Milwaukee authorities! All back-seat drivers should be fined or jailed—preferably the latter.  
If it weren't so sad, it would be funny. We refer to the Republican administration that keeps strongly advocating a sound dollar and running increasingly large deficits.  
Another thing that causes a person to have "that tired feeling" is having to put up with this world and the hapless people in it.  
Especially during summer replacement TV programs, many who are put on the ether should, instead, be put under it.

California Services for

Mrs. Julia O. Cochran  
Salinas, Calif.—Funeral services were held from Healey Mortuary here last week for Mrs. Julia O. Cochran, 73, who died in a Salinas hospital. Burial was in the Garden of Memories.  
Mrs. Cochran had been a resident of Salinas for 18 years. She was a member of the Church of Christ.  
Surviving are her husband, Henderson T. Cochran of Salinas; two daughters, Mrs. Andra Renfro of Huidoso, N. M., and Mrs. Della Dasher of Oakland, Calif.; five stepchildren, Mrs. L. W. Social Security Officer

To be in Carrizozo  
Ralph H. Yowell, field representative of the Roswell Social Security Administration office, will be in Carrizozo Monday morning, September 21.  
He will assist local residents in making application for old-age, survivors, or disability benefits and to give general information concerning the Social Security Act.  
Mr. Yowell will be at the office in the Lincoln County Courthouse between the hours of 10 a.m. and noon on the above day.  
September 30, 1939, is an important deadline for certain dependents of disabled workers now receiving disability benefits under the Social Security Act.  
Mr. Yowell explains that recent amendments provided benefits for certain dependents of disabled workers beginning September 1938.  
Since an application for benefits can be retroactive for only twelve months, it is important that a dependent who can qualify for benefits should file his application before September 30, 1939, in order to prevent any loss of benefits.

"What's the best way to get a loan quickly?"  
Generally speaking, it is to borrow on collateral. The logic of this is readily apparent: If a lender can hold, against what he lends, property of equal or greater value, the time required to check into the prospective borrower's financial status can be minimized. The cash value of life insurance policies, savings account balances, good marketable securities are acceptable collateral for loans here at low rates. If a speedy loan is necessary to your plans, bring us your collateral without delay, and learn just how much money we can lend you on it.

A Final Demonstration Showing Ford's 3 Years and 3 Million Miles of Research and Development on the New Ford Falcon...  
**EXPERIENCE RUN, U.S.A.**  
A fleet of Falcons is going to undergo a final testing trial... every major type of highway and terrain... the challenges of every type of roadway and highway, from street and boulevard.

**THIS VERY MINUTE... THE NEW-SIZE FORD IS ON ITS WAY TO YOU!**  
The Falcon, the New-Size Ford, already is the most thoroughly tested and proven new car in history. This week the new Ford Falcon starts **EXPERIENCE RUN, U.S.A.**, over every mile of numbered U.S. Highway.  
This is not a test run in the ordinary sense of the word. For in its 3 years of development and over 3 million miles of proving, the Falcon has already passed and repassed every kind of test that could be devised.  
It's been dust-tested, heat-tested, and endurance-tested on the test track at Kingman, Arizona. Wind-tested and rain-tested in the 300 mph wind tunnel at the University of Maryland. Shock-tested, curve-tested, brake-tested, noise-tested, paint-tested, stability-tested, service-tested... everything tested on Ford's own proving grounds. The Falcon has already proved to engineers that it takes anything they can dish out.  
Now, Experience Run, U.S.A., will show you what the Falcon can do over your kind of road.  
How many miles to the gallon? Records will be kept of every drop of gas used. Better gas mileage? The Falcon will average up to 50 miles per gallon!

On October 8, the New-Size Ford will be at your Ford Dealer's... for you to experience. See your Ford Dealer today for more information on the Ford Falcon.

'60 Soil Bank Payments To Average \$8 an Acre

Albuquerque, N. M.—The basic rate of rental payment in New Mexico under the 1939 Conservation Reserve of the Soil Bank will average \$8 an acre, according to Claude Edwards of the New Mexico Agricultural Stabilization and Conservation committee. This is the same as the basic payment rate in the state under the 1933 program.  
Average per-acre payment rates for New Mexico counties, based on the 1930 state rate, will be announced later, Edwards said.  
For individual farmers, a per-acre rate will be set for the particular land to be placed in the Conservation Reserve taking into consideration the productivity of the land and limited to the local fair rental value of the land based on crops harvested during the past five years.  
The 1939 Conservation Reserve program contains special incentives for farmers to place all their eligible land in the program for at least five years and a priority system for accepting Conservation Reserve contract applications. Eligible land, in general, is cropland which is regularly used for cultivated crops or tame hay.  
As in former years, there will be two types of payments under the program—a cost-share payment for carrying out a conservation practice on the reserved land and annual rental payments during the 5 to 10-year life of the contract.  
Forms for farmers to use in requesting rate determinations for their land are available from county ASC offices. The deadline for filing such requests is Sept. 20.

**Teensters**  
**Union No. 1**

BY FAN REED

"Hill didn't summer go fast? It seems like just yesterday that school was out, and here we are in our third week of it! I hope everyone had a grand summer. Mine was just wonderful. Thanks to you for the letters and comments. I promised I'd start writing the Teenster's column again—and I'm keeping my promise. It's up to the editor now, to find space if he can.

Here's a few hints for you driving-training students. They might come in handy:

1. Adjust seat and mirror. You'll find this much easier if you open the door of the car first. When adjusting the mirror, focus it on yourself—after all, one must look one's best when meeting a policeman.

2. Release the emergency brake. This is not essential. So what, if you do leave a couple of inches of rubber in the parking lot?

3. Turn on the ignition. This is essential. This is done by using halprins, girls.

4. Give car gas. This is also essential. You push against all the things on the floor (except the instructor) until the car moves. Then, checking both ways, extend hand out the window and signal. Be sure the window is open. This is a marvelous way to dry your nails.

5. If you have standard transmission depress clutch and shift to first, or low gear. Just try it without the clutch (more fun!)

6. Release the clutch, give gas and leave curb. What I mean is, leave the curb where you found it!

7. When you are moving, shift to second. Use the clutch—the clutch—C-C-H!!!

8. After car is really rolling, shift high. No, shift to high—don't shift up like that, that's reverse! Now that we're on the road—the road, you fool—oops! There, that's better. Now, as I was saying, remember to be cautious and courteous. Here are some additional rules:

9. Keep to the right of the road! That makes sense. After all, everyone knows that the best clothing shops are on the right!

10. When parking, remember to keep your front end in, turn sharp, then left, then let it drop in slow-leeeee—and after you clean the marks off of that nice blue Chevy, pull out and find a parking lot.

11. In case of accident, tend to the injured, take the other fellow's license, and sue the clumsy idiot.

12. When hitting a pedestrian, make sure he falls near a trash can—don't be a litterbug — they fine you for that!

13. When approaching a railroad crossing, stop, look both ways and proceed slowly. If the car stalls, give it gas, give it gas, give it gas—G-G-G!!!

The above was written especially for you girls. How about a letter?

Dear Pam: I am not a teenager, but still I need your advice on it.

I have a guy's ring, but I want to break up. Should I write him a "Dear John" letter because he lives far away?—"Boycrazy"

Dear Boycrazy: It might not be any of my business, but since you asked for it, I think you are a little "wacky" going steady, worrying about dates and boys before you are even a teenager. You have years to date, go steady, etc. Why rush it? Nine times out of ten, girls like you, by the time they're 18, are bored to death with their teens and jumping ahead, and just out of place. I would send him his ring and tell him to look me up in a couple of years (or more).—Love, Y&J Pam.

F. S.—I just look for granted that you date, etc., because when you go steady that's usually what's up.

Well, better get my nose to the grindstone and get my homework done. Drop me a line sometime.—Love, Pam.

**Women's Service Club Plans Three Unique Events**

The Fort Stanton's Women's Service Club ushered in its autumn season with a regular monthly meeting September 3 at 7:30 in the Community House.

After transacting old business and hearing the encouraging reports of the treasurer, Mrs. L. V. Varner, a lively discussion of plans for the coming three months resulted in arranging for three unique events. The neighboring communities will be invited to participate.

A tribute was offered to one of the club's most helpful and talented members who helped to form the club, Mrs. Charles W. Dawson, wife of the hospital chaplain, who was moved to a new parish at Gallup, N. M. Mrs. Matthew Price was instructed to write a letter of appreciation to Mrs. Dawson.

During the evening a hand-tooled leather wallet, made in the occupational therapy workshop, was presented John Little of the carpentry staff, in appreciation of the skills and time he donated in constructing the attractive kiosk, "The Trading Post," from which the club has dispensed refreshments during the summer's baseball games.

After adjourning the meeting, Mrs. Lela Escobedo, president, led an informal and enthusiastic discussion of ways and means to promote the coming special programs, while the evening's hostesses, the Mesas, Corine Vigil, Eva Henderson and Gloria Aliaz, served coffee, tea, and a delicious coconut cake, made by Miss Linda Escobedo, 13-year old daughter of the president.

Posters in different communities will announce the "October surprise."

**News Notes from Along the Bonito**

By LOUISE RUMMELS

Fishing in Bonito Lake is over for this year. Not many fish were caught the last three weeks and only five big Rainbow trout were caught the whole season. Loran W. Willis, who lives in Tularosa and works for McDonald Aircraft, caught one measuring 25 1/2 inches and weighed 12 pounds. Donald has fished up here all summer. Out of 27 trips here he has caught his limit 24 times, using salmon egg clusters mostly. He said he caught the big one, though, on corn and around the first of August.

Game Warden Charlie Bird and his father came by Bonito City last week to leave some 1959 Big Game Hunting Proclamations.

Dr. Frank English and family from Roswell spent the week end at the farm on Bonito. Frank Sr. hasn't been so happy lately, with little coon pests eating his nice crop of sweet corn.

Mr. and Mrs. Walter Purcella from a ranch near Tinnie were visitors at the Tommy LaMay's on Sunday. Levera subscribed to the Lincoln County News.

On Sunday Bob Hicks Jr. and Rachel Najar from Carrizozo were out sight-seeing in the Bonito country. Sunday, Mr. and Mrs. Bob Hicks, Tommy Hicks, and Mrs. Hicks' brother and wife, Mr. and Mrs. Tony Wood from Las Cruces, drove over to the mountains for the evening.

Jackie Straley Silvers from Ancho and her daughter and family, Mr. and Mrs. L. Jackson from El Paso visited Bonito City Saturday. Jackie had not been on the Bonito for many years and said she'd wanted to come for a long time to see what New Bonito City looked like. I enjoyed their visit and hope they were not disappointed with the small population. We think the place is growing gradually.

Fred Sweet Jr. and family stopped by Bonito City on Labor Day. They were out sorta looking for doves, since season is open.

From Ruidoso out driving Saturday were Mr. and Mrs. Earl Allison, young daughter, and Mr. and Mrs. Ben Hall and small daughter.

Out to find some rich soil for flower beds were Mr. and Mrs. Lewis Cummins from Capitan and Mrs. Adda Sellars.

Mr. and Mrs. Junior Oxley and two little daughters who live at Mills Canyon visited at Bonito City on Sunday.

Mr. and Mrs. P. A. Seaburg from Las Cruces drove to Bonito Canyon for an outing over the week end.

H. Houston Alexander and family from Ruidoso Downs are moving to Eugene, Oregon. Mrs. Alexander and sons, Don and Claud and their families stopped at Bonito City on Saturday.

Walter Snell from Nogal and Don Harrow and son Don Richard from Artesia were on the Bonito last week. Mrs. Don Harrow and youngest son Kenneth Lee were at Nogal at Walter's home. Walter is a retired man now, he says, and has been doing some traveling around.

Mr. and Mrs. Fred LaMay stopped at Bonito City lately for a short visit. It's always good to see them.

L. W. Storm from Glencoe drove by to say hello, as he was on his way to Carrizozo on business Saturday.

Thelma and Bob Williams from Amarillo, who have a cabin on Eagle Creek, drove over to Bonito City on Saturday.

Robert, George and Prentice Crowl from Aitz and friend Edie Arnette from Ruidoso Downs fished at Bonito Lake two days last week and had fair luck.

On Labor Day, Larry Bailey, Ira Young and Hank Bagley went Jeeping up the canyon.

Mr. and Mrs. Al Windman flew to Springer last Sunday and spent the day with the Raymer Shaws. The Shaws recently moved to Springer where he is principal of the Junior high school. The Windmans report a fine visit and beautiful scenery around Springer.

Mr. and Mrs. Elmer Host were in Albuquerque Saturday, visiting his sister, Mrs. Jim Greer, and family.

Mrs. Madelle McDaniel, Ronnie and Roger, and Mrs. R. E. Berry were in Albuquerque Friday thru Monday. Mrs. McDaniel visited her father, Henry Yates and her brother, Tommy and family at Los Lunas. Mr. Yates came with them and will go to El Paso to consult an eye specialist. Mrs. Berry stayed with her daughter, Margaret and family, the Walker Schoonovers. She also visited Mr. and Mrs. Thell Schoonover.

Benjamin I. Berry, airplane motor mechanic in the USAF, now stationed at Larsen AFB, Moses Lake, Wash., writes home folks that he likes his new station better than Travis AFB.

Mr. and Mrs. E. L. Taylor and daughter Barbara, of Grants, visited friends in Carrizozo Saturday night and Sunday. Mr. and Mrs. Taylor were house guests of Mr. and Mrs. F. O. Brown. Barbara was the guest of Miss Judy Stearns at the El Cibola Hotel. The Taylors went to Roswell Sunday afternoon to visit friends, returning to Grants Monday afternoon.

Mrs. Ernest Roberts of Tucumcari was in Carrizozo Thursday of last week to attend the regular meeting of Comet Chapter, OES, and to visit friends. She was the house guest of Mr. and Mrs. F. O. Brown. Mrs. Roberts returned to her home Friday afternoon.

Henry McKnight has enrolled in Junior College at Thatcher, Ariz. After his sophomore year there he plans to continue his education at New Mexico State University.

Mr. and Mrs. Henry Hoffman from Carrizozo and daughter Anna Belle Duncan stopped by lately for a cold drink. Mrs. Duncan has worked in the telephone company in Roswell for the last 15 months.

The Cliff Fergusons from Ruidoso Downs brought their small daughters over for a horseback ride Sunday.

Whatta nice party of folks stopped in for hamburgers Labor Day on their way for a Jeep ride in the mountains. They were Bob and Mildred Hingsten from Tucumcari, Marvin and Bursay Jones and Mr. and Mrs. D. O. Jones, and so we were glad to have Clarence and Jo Shaw and Barbara Jean (Mixon) Thomas from Carrizozo. The last three had been to the Angus cemetery to place a headstone on the grave of Barbara Jean's dad, Lewis Mixon.

June Shook and children from Alamogordo spent the Labor Day afternoon at Bonito City and June paid a short visit to Mary Helen LaMay, an-ole schoolmate.

Out picnicking Sunday from Capitan on Labor Day were Mosa Maryfield, Mr. and Mrs. Kenneth Lacy and children and Miss Bitt from Fort Stanton.

Some folks who were here years ago dropped in the other day to ask about old-timers. They were Mr. and Mrs. Lee Bethel from Midland, Texas. Mrs. Bethel was one of the William Wheeler family who in 1923 or '24 lived in the old Tom Bragg house one winter. Mrs. Bethel remembered walking to visit the Beckmans, nearby. The Beckmans lived where Mr. and Mrs. Bryan Cazzar's home is now.

She remembered the Culler girls, who were artists and lived in the canyon; also said Mr. Culler is buried somewhere in the canyon. The Bethels have four boys and four girls.

Mrs. Vernon Loveke, along with Vernon's brother and dad, and an aunt and uncle, Mr. and Mrs. C. A. Atzberger, visited Vernon over the week end. They drove down from Albuquerque.

**ANCHO**

The Ancho U. P. W. will meet September 10 at 2 p.m., at the home of Barbara Harkey. The program will be the last study on "Ever Widening Circles."

Mrs. B. W. Wilson left last Saturday by Southern Pacific train No. 3 for California to be with her mother, Mrs. Elizabeth Stokes, who has been seriously ill. She will stay for an extended time.

Lennie Ray, an old timer of this part of Lincoln County, was a visitor here last week. Lennie has made his home in California for the past several years.

Sunday, Sept. 7, C. G. Straley, (Todge), as he is affectionately called by his family and friends) was honored on his birthday with a "scrumptious" noon day meal. Hosting the party were Mr. and Mrs. George Straley at their ranch home. Members of the family who attended were Mr. and Mrs. Leo Straley, Leann, George L. III and Phil, Mr. and Mrs. Pete Straley and Tawanna, Mrs. John Straley, Cope, Rookie and Tommy J., Mr. and Mrs. T. A. Knight, Dan and Barbara, Mr. and Mrs. L. Y. Jackson Dee Ann and Leland Cope and Jackie Silvers.

Sunday afternoon Mr. and Mrs. L. Y. Jackson, Jackie Silvers, Dee Ann and Leland Cope made a trip to Bonito Lake and New Bonito City, a most delightful place. There they visited with charming Louise Rummels who, with her husband, Arvel, operate the cafe and do a lucrative business. Louise is tops as a hostess and the and Arvel are, indeed, adding their bit to the Land of Enchantment with this interesting place.

Mr. and Mrs. Pete Straley and Tawanna were week end guests of Pete's parents, Mr. and Mrs. Geo. L. Straley and his uncle, C. S. Straley. Pete and Pat are now making their home in Las Cruces.

Mr. and Mrs. Tom Carnett, Call and John Cooper were week end guests of Mrs. John Straley and family. Tom leaves here for Albuquerque Monday to attend school for two weeks. Jo Anne and the children will stay for a longer period.

Mr. and Mrs. Eddie Gahaldon and children of Bent, N. M., were Ancho visitors Monday. Eddie lived on the ranch at Claunch for many years before moving to Bent.

Mr. and Mrs. Pasqual Cineeros and children of Ysleta, Texas, spent the Labor Day week end with Mr. and Mrs. Salomon Aragon, parents of Mrs. Cineeros.

Jeff Morris, Jim Barnett and little son Steve of Alamogordo and Bill Winchester of Corona were pleasant Ancho visitors Monday.

Mr. and Mrs. Herman Burkstaller, friends of the Straleys, and three lovely children of Roswell paid the Ancho Truck Terminal and the Straley Store a pleasant call on Labor Day. They were driven through the Jicarillas to White Oaks, then back to Roswell. Mrs. Burkstaller is the daughter of the late Bob Crosby of roper's fame.

Franklin King and Jack Heffer were Monday visitors of Cope and Rookie Straley at their mother's home at Luna.

Bruce Williamson of Albuquerque is this week the guest of Marilyn Harkey. Marilyn will go to New Mexico State University at University Park this fall and Bruce will attend the University of New Mexico in Albuquerque.

Mr. and Mrs. Tom Knight and children were Sunday afternoon guests of Orris Smith at his ranch home.
