

Ramblin' Around
Lincoln County

LINCOLN COUNTY
By LUCIUS DILLS

(Concluding the article regarding "Some Facts and Observations Concerning Lincoln County's Early Settlement, Organization, Historical Events and Its Geographical Trimmings.")

Arabela, off the east end of the Capitans, came into being in the last quarter of the last century. For a time it bore an unsavory reputation — whether deserved or not — for being the southeastern end, with an isolated hamlet in southeastern Utah as its northern western counterpart, of a well organized and efficient horse and mule appropriating and trading gang. However, since the auto has relegated the horse to the plow and the polo fields, such tradings have ceased to be profitable, and that settlement has regained respectability.

In the foregoing mention has been made of practically all of the old settlements in the old county. The most important industry and dependable source of wealth — the livestock husbandry, has been overlooked. It being true that over-grazing, the mother of soil erosion, has wrought great damage, never to be repaired, yet Lincoln County, with her mountains and timber protection, is blessed with a more dependable rainfall and better grass than any of the plains areas.

And now, the greater part of your citizens live in the country — in the mountain glens where rainfall may be depended upon — in the fertile low valleys where water is obtainable for irrigation — and out in the open spaces where profitable use is being made of every acre of available pasture land within the borders of your county.

The life and times of the three natural follow-ups of the El Paso and Southwestern Railroad, Capitans, Carrizozo and Corona, are far better known to each and every one of you than to any visitor.

When in 1878 the east end of Dona Ana County was attached to and made a part of Lincoln, the new county became approximately a hundred and sixty-two square miles, embracing 729 townships, 29,244 sections, or square miles.

In 1890, the last year before the beginning of her loppings-off, her tax rolls disclosed an admitted wealth of \$3,744,480.00.

In 1890, when Chaves and Eddy Counties were cut off from Lincoln, the parent county lost 479 townships, 17,244 sections, nearly two-thirds of her area, but less than half of her visible wealth and not a fifth of her population.

In the night of hand attending the creating of Otero County in 1893, Lincoln County lost an additional 149 townships, 5,364 sections. Of these, 113 townships and 4,176 sections, were given to Otero County, including the Mesquero Indian Reservation; and 33 townships and 1,188 sections to Chaves County; but, in the shuffle Socorro County relinquished to Lincoln 576 sections of her "far eastern" domain, including the Malpais.

The last slash at Lincoln's original domain was in 1905, when seven more townships and 252 sections, were deleted and added to Torrance, to keep the station of Torrance in the county of that name.

The sum of these cuts has taken nearly seven-eighths of the original county yet the present county, including the gift from Socorro, has 4,824 sections, which would make a block nearly seventy miles square; and your current year's tax rolls show an admitted valuation of \$6,947,488, nearly double that of the Old County in 1893.

It will surprise those who have not taken the trouble to investigate, that the tax roll wealth of the counties taken from Lincoln, in the creation of Chaves and Eddy, amount to \$66,728,193, divided as follows: To Socorro, \$7,975,169; Chaves, \$14,800,540; Eddy, \$17,445,747; and Las, long regarded as the most non-promising of all, has the State list with \$28,906,737 — \$2,262,995 more than Bernalillo, and with a potential wealth not to be calculated.

In the final analysis all material wealth comes from Mother Earth, and there are grounds for predicting that Lincoln County will yet prove to be one of the greatest wealth producers in our State.

Baxter Mountain, a proven but partially explored gold producer, still holds out the promise of greater things in the future.

There are untold quantities of iron in the Capitans; coal in the Tejon and the Carrizo; millions of feet of fine sawn lumber on the western slope of Sierra Blanca.

But potentially beyond all these is the fact that from the grass roots down, on this same eastern slope, practically every shovel full of earth holds particles of free gold — with the mother lode still to be discovered. That yet unexplored west side may hold the key.

Some day a Tenderfoot Tyro, possessor of any geological or mining knowledge, will stumble onto that mother lode; and his discovery will be followed by an unending of a golden wealth unprecedented in our State.

With apologies for imposing upon your patience,
I thank you.

Farm Bureau Maps Membership Drive In Lincoln County

County Farm Bureau leaders and committee workers gathered at the Village Inn in Carrizozo Tuesday evening to complete plans for the annual membership drive.

The kick-off dinner was attended by County president, Joe Skeen and Mrs. Skeen, membership drive chairman Walt Wilson and Mrs. Wilson; B. J. Porter, organization director for the State Farm and Livestock Bureau; R. L. Davis of Hobbs, state board member, and Mrs. Davis; W. G. Shreengost of Hondo, state board member, and Mrs. Shreengost.

The dinner was also attended by Mr. and Mrs. Charles A. Jones, County Agent and Mrs. Ralph Dunlap, Mr. and Mrs. Clint Sulzmeier, Mr. and Mrs. Jack Shely, Buster Bird Jr., Sid Goodloe and Paul Baker.

President Skeen opened the business meeting by saying "We need members—active members—we must organize or someone will organize for us."

A 2-piece sterling serving dish was presented Mr. and Mrs. Jones for their work for the Farm Bureau over a period of several years.

Mr. Wilson introduced R. L. Davis of Lea county as "our district representative on the State Board."

Mr. Davis traced the beginning of Farm Bureau in Missouri to its present standing as the largest farm organization in the world.

"Farm Bureau is a family affair," he said. "It is also a democratic organization in which the majority rules in all cases."

Mr. Porter said that membership in the State Farm Bureau was in better shape than in any previous time at this date and that the prospects were good for every county organization to achieve its membership goal.

An innovation this year is a membership contest between New Mexico and Connecticut—based on percentage of membership increase. A trophy will go to the winner.

"Membership in Farm Bureau," he said, "costs less than 3 cents a day. The savings to farmers and ranchers through gas tax refunds alone is worth more than the cost of membership."

Long Time Resident Of Corona Succumbs

Mrs. Betty Ingaboe Bond was born in Minneapolis, Minn., on November 7, 1892. She was united in marriage to Elwood T. Bond on March 31, 1913, in El Paso, Texas. The family came to Corona in 1915 and homesteaded the present ranch site.

Mrs. Bond was a lifelong member of the Pythian Sisters, both in El Paso and in Corona. She passed away on January 9, 1937, after a prolonged illness.

She is survived by her husband, Elwood Bond of Corona; by three brothers, Eloy, Paul and Rudolph Tuveson, all of Fairhope, Ala.; by her three sons, Dimmitt Bond of Corona; Bob Olof Bond of Roswell, and Tarlton J. Bond of Corona. Also surviving are four grandchildren.

Funeral arrangements were made by the Ballard Funeral Home of Roswell. Rev. Wm. P. Lytle of Corona was the officiating minister. Pallbearers included Willis Lovelace and Corbin Hester of Corona; Mack Taylor of Coyote; Leo Joiner of Hondo; Champ Turner of Belen and Frank Sulzmeier, Sr. of Roswell.

Fred N. La Lone

Funeral services were held Saturday, Jan. 8, in Sierra Madre, Calif., for Fred N. La Lone of that city who died December 31.

The Ripple Mortuary Chapel was in charge of funeral services and Rev. George Lindsey of the Congregational Church officiated. Mr. La Lone's sons were pallbearers.

He had been a resident of Sierra Madre since 1924. His family has been prominent there for many years in business and civic affairs and helped found the Sierra Madre Search and Rescue Squad.

A native of White Oaks, Mr. La Lone was a Lincoln County rancher. His place was northeast of Carrizozo. His wife, now deceased, was a half-sister of the late Nick Vega. Florencio Vega of Carrizozo is a brother-in-law and Mr. La Lone is survived by a number of other relatives in Carrizozo.

Other survivors are six sons, Fred of Monterey, Calif.; Julian of Pasadena and Robert, Edward, Earl and Richard, all of Sierra Madre; four daughters, Mrs. Alice McCarron of Arcadia; Mrs. Josephine Van Winkle of Sierra Madre; Mrs. Margaret Domasheko of Pasadena and Mrs. Frances Finley of Long Beach; a sister, Mrs. P. E. Lacey of Sierra Madre; 20 grandchildren and three great-grandchildren.

Mary Minnie Bolow

Services were held Monday at the Mason chapel in Roswell for Mrs. Mary Minnie Bolow, 79, who died last Friday in that city.

Harold W. Bolow of Jehovah's Witnesses officiated, with Mrs. Geraldine Barber organist.

Mr. and Mrs. Bolow lived in the Ancho community for many years, but for the past several years have made their home in Roswell at 510 N. Kentucky ave.

Mrs. Bolow was 79 years of age. She was a native of the North Star State, born in St. Bonifacius, Minn., and was married in Minneapolis February 4, 1904. Her maiden name was Mary Minnie Mueller.

Interment was in Memory Lawn Memorial. The pallbearers were George Caraway, Dr. W. H. Higgins, Paul Little, Carry Fruit, Jas. W. Tulk and Bill Zimmerman.

Survivors are her husband, W. J. Bolow, four daughters, Bernice Dugan and Mrs. E. K. Rudy, both of Roswell, Mrs. Geraldine Tulk of Lovington and Mrs. Ruth Meyer of Kansas City; two sons, E. M. of Gallup and Harold of Kansas City; and by a sister, Mrs. Amelia Hohman of Minnesota.

Robert Lee Evans

Services were held Tuesday at Bryan, Tex., for Robert Lee Evans, 70, who died January 9 in the Carrizozo Hospital after six days' illness.

Mr. Evans had made his home for several months with his nephew, Bill Baker, of Carrizozo.

He was a World War I veteran. He was born June 7, 1866, in Montgomery County, Texas. The body was sent by Shaw Mortuary to Bryan, Texas, for services and interment.

Anniversary Coffee For March of Dimes

The date of the 21st anniversary March of Dimes Coffee telecast from KSWB TV channel 3 in Roswell has been changed from Wednesday, Jan. 14, to Wednesday, Jan. 21, from 11 a.m. to 12 noon.

All communities in Lincoln county are taking part in this March of Dimes—support them all you can.

Community chairman for Ruidoso is the Beta Sigma Phi Sorority, President Mrs. Carmon Phillips; for the Goodie Valley it is Ben Sanchez of San Patricio and for Nogal Mrs. Ralph Dunlap.

MARCH OF DIMES COFFEE AT NOGAL

Mrs. Rosalie Dunlap and Mrs. Sam Cox are having a March of Dimes Coffee Friday, Jan. 16, at Nogal from 1 to 5 p.m. Out-of-town ladies are cordially invited to attend.

March of Dimes Dance Jan. 24 in White Oaks

The White Oaks March of Dimes dance this year will be January 24 at the White Oaks school house.

The dance is to start at 9 and refreshments will be served throughout the evening. Music will be by Sambo Kendall and his Western band.

MOTHERS MARCH BY REBEKAH LODGE

The Rebekah Lodge will have a Mother's March for Dimes this Saturday evening, starting at 6 o'clock.

Residents are asked to turn on their porch lights and make a contribution, large or small, to the March of Dimes.

Two Captain Students On A&M Fresh Team

Two of last year's Captain High School's 1936 basketball team are members of the freshman court squad at New Mexico State University—the Aggies.

They are 5 ft. 8 in. Penny McKnight and 5 ft. 8 in. Ralph Vance. The Aggie freshmen pride themselves in their record to date. It has included two wins in Chihuahua, Mexico, tournament, one against New Mexico Military Institute and one against the Juarez, Mexico, Independents.

Last week Aggie frosh took two games from their Texas Western College counterparts by almost identical scores, 63 to 47 Saturday night and 62 to 49 Thursday night.

Social Security Official To Visit Carrizozo

Ralph H. Yowell, field representative of the Roswell, Social Security Administration office, will be in Carrizozo, Monday morning, Jan. 19, to assist local residents in making application for old-age, survivors, or disability benefits and to give general information concerning the Social Security Act.

He will be at the office in the Courthouse between the hours of 10 a.m. and noon.

"Facts About the Old-Age and Survivors Insurance Trust Fund and the Disability Insurance Trust Fund," a booklet just issued by the Social Security Administration, gives the latest available information on the financing of the social security program. Free copies of the publication, No. OASI-36, may be obtained at the Roswell social security office.

Carrizozo Serviceman Bound for Germany

Port Riley, Kan. (AHTNC) — Army Pvt. Billy K. Stephenson, son of Mr. and Mrs. Kelley Stephenson of Carrizozo, is scheduled to depart from Fort Riley, Kan., for Germany in mid-January with the 1st Division's 2d Infantry.

The 2d is being reassigned to the 24th Infantry Division and will be located in Augsburg.

Stephenson, a rifleman in the infantry's Company C, entered the Army last July and received basic combat training at Fort Riley, Kan.

The 22-year-old soldier is a 1933 graduate of New Mexico Military Institute, Roswell, and attended New Mexico A&M College.

Position Open for Town Patrolman

Orin J. Sears, Carrizozo chief of police, is accepting applications for the position as patrolman for the Carrizozo Police Department.

Patrolman Collier turned in his resignation following an altercation with Johnson Shickie, after which the latter required medical attention.

County Wool Growers' Program Outlined for Carrizozo Meeting

The afternoon program of the Lincoln County Wool Growers Association meeting, to be held in the Carrizozo Woman's Clubhouse, will be highlighted by a discussion on the predatory animal control, especially eagles.

The morning program will start with coffee and doughnuts furnished by the Lincoln County Farm Bureau.

The highlight of the morning program will be a talk by Mrs. P. E. Neale on "My Trip to Australia." She will use color slides to illustrate her talk.

Another item of interest is a report on the new tattoo pencil.

County 4-H Award Night Planned

4-H awards for Lincoln County will be held the evening of January 23, starting at 7:30 p.m., the meeting place to be announced next week.

At this time completion pins as well as other 4-H awards will be given.

Plans for the coming year will be discussed.

Other items on the program are a film on National 4-H Club congress and musical games for everyone.

School Board Election Feb. 3 in Carrizozo

The Carrizozo Municipal Board of Education in a special meeting Monday afternoon, January 12, passed a resolution providing for the calling of an election on Tuesday, February 3, for the purpose of electing a school board member to the Municipal Board of Education in School District No. 7 Lincoln County.

There will be one member to be elected for a six-year term—Hino Ortiz is the member of the present board whose term expires this year.

Any qualified person desiring to file as a candidate for election may do so at the office of J. T. Clegg, superintendent of the Carrizozo Municipal Schools. The filing period is from January 13 to January 28 at 4 p.m.

License Plates Being Sold at Courthouse

License plates are being sold at the courthouse in the office next to the county agent's office—hours from 9 to 5, including the noon hour.

Applicants for licenses are required to bring certificate of title and 1936 license receipt or their application received in the mail.

The deadline for securing 1937 plates is March 3.

Mrs. Helena LaMay is in charge of the office, assisted by Mrs. Julia Sherrill.

Visit to News Plant

Two dens of Cub Scouts visited the News office this week to see how newspapers are put together and printed.

Accompanied by their den leader, Mrs. John McColquhoun, six Cubs were shown through the print shop Tuesday. They were Dean McColquhoun, Carl Hein, Tommy J. Straley, Jeffrey Currie, Joe Kucharz and Richard Lopez.

Wednesday's group, with their den mother, Mrs. Fred English, were Mike Petty, Bill Hightower, Scott Shafer, Walter Currie, Hugh Bancroft, Robert Hill and Toby English.

HOMER OFFENDED BIG SCHOOL BRASS

People in the stately school are guessing that School Budget Officer Homer Heathman was run off his job as a result of having caught the Albuquerque school people with their hands in state school money for about \$150,000 a year to which they were not entitled.

Heathman spotted and knocked out a practice Albuquerque had followed for years in claiming money for adult, part-time students as though they were regular students.

Such students are not eligible for inclusion in the average daily attendance of schools on which state money is apportioned and Heathman ruled them out but made no effort to recover the illegally advanced money from the school system's surplus.

After that the Albuquerque school people were frequent critics of the Heathman operation, criticism which could have contributed to his replacement by Jim Green, a member of the staff of the New Mexico Education Association.

COWMAN REFUSES COWMAN'S BOARD
Pete Shubert, new Democratic senator from Harding county, has asked that his name be removed from the New Mexico Cattle Growers legislative committee which was composed of 20 members of the legislature all in the livestock business or associated with it.

Shubert, a stockman, apparently felt his responsibilities were broader than that of the industry.

Lions Club to Have Anniversary Party

The Carrizozo Lions Club, meeting last Thursday evening at the Village Inn Cafe, set Thursday, Jan. 23 as the date for a Tenth Anniversary party and Ladies' Night.

The dinner and entertainment is to be at the Carrizozo Junior High School cafeteria, with Rev. Homer Reid, chairman of the entertainment committee.

All past presidents of the club and their wives are invited to attend the party as guests.

The club voted to build a cement picnic table at Lions Park, with Jete Voss and Arrell Posey co-chairmen of the project.

Three Changes Made In School Faculty

Paul Riggins, due to ill health, has resigned as junior high school principal of the Carrizozo public schools.

Supt. J. T. Clegg also announces that James Ohman is resigning to take a position in Sterling, Colo., where his wife is employed.

Bernie Laabs, local teacher, will replace Mr. Riggins as junior high principal and Richard Carbajal, a recent graduate of Highlands University, will replace Mr. Ohman in the music department.

Miss LaVergne Murdock of West Texas State College will be employed as high school English and social science teacher.

The new assignments will be effective January 19.

C. of C Meeting This Thursday

The Carrizozo Chamber of Commerce is to meet this Thursday night at the town hall.

Several important matters are to come up for discussion and all members and board members are urged to attend.

Secretary Johnson Stearny will sign the checks for the Christmas home lighting display prizes at that time.

Cub Scouts Pay

Two dens of Cub Scouts visited the News office this week to see how newspapers are put together and printed.

Accompanied by their den leader, Mrs. John McColquhoun, six Cubs were shown through the print shop Tuesday. They were Dean McColquhoun, Carl Hein, Tommy J. Straley, Jeffrey Currie, Joe Kucharz and Richard Lopez.

OVER-PAID POSTS BURDEN THE STATE
SANTA FE, Jan. 13 — The \$550 post of state civil defense administrator, abandoned as useless a year ago and revived by the appointment of Adair Gossett of Carlsbad is one of a long list of over-salaried, and in some cases useless, jobs in the state government.

Among them: State treasurer, \$10,000 a year; officer shorn of investment authority by 1935 constitutional amendment, no longer keeps even the records of state investments; work could be handled by cashier in the finance department; legislature will likely get a request to raise treasurer's salary along with that of other elected officials.

THREE EMPLOYED FOR ONE-MAN JOB
Three public service commissioners at \$8,400 a year; one could handle all commission business with plenty of time for conventions and vacations; jobs require no particular knowledge, experience or anything else.

Three corporation commissioners at \$10,000 a year; one could handle commission work with hearing officers.

Secretary of state, \$10,000; officers main responsibility is looking after capitol housekeeping; has no authority of executive nature as usually associated with independent elective offices.

EDC DIRECTOR \$15,000 A YEAR
Director economic development commission, \$15,000; two holders of place have been a former football coach and former operator of an office supply business; salary of \$3,000 more than paid attorney general is grossly out of line.

Traffic safety director, \$10,200; this post superfluous unless filled by highly qualified executive; salary set in 1937 to meet amount necessary to hold Col. C. L. Mears on job in an emergency operation; state motor vehicle division has regular officers on job with authority to administer all functions of safety director; new appointee is D. K. Kelly, Albuquerque Demo chairman and former bus driver.

TAX POST A SINECURE
Chief tax commissioner, \$10,000; this once highly important office has become sinecure for most anybody the administration wants to favor.

The revived civil defense position was abandoned last year when Dan Sadler, Jr., the administrator, said it was purposeless, nothing to do.

It is possible that reactivation of the office could lead to the state qualifying for a federal appropriation of some \$85,000 for establishment of a survivors project.

That federal program, however, has been revived and ridiculed all over the country. Governors John Sims and Ed Mechem refused to bring the state into the deal.

PRAYERS OF A DRIVER

(Submitted by Mrs. J. E. Boren
of Fort Sumner)

O ever-present Lord, I pray,
Be with me at the wheel today,
Fill every corner of my mind,
That wandering thoughts no
lodging find.

And take control of my two eyes,
That I may be alert and wise,
And take my feet and take my
hands,
That they react to quick de-
mands.

Give me Thy guidance, Friend Di-
vine,
For other folks as well as mine,
Then when we come to journey's
end,

My prayer's to Heaven will as-
cend,
To utter thankfulness to Thee,
Who kept the wheel all day
with me.

Aw, come, now — Russian rock-
eteers aren't so hot. They shot at
the moon and missed it by 5,400
miles, which is comparable to a
rifleman's missing the bull's-eye by
80 inches at a distance of 100
yards.

New Mexico Due For Large Growth In Population

Washington, D. C. — Spreading
cities, fast-growing highway net-
works, and a tremendous boost in
construction of homes will change
the face of the nation in the next
decade, according to a report pub-
lished here by the Kiplinger Wash-
ington editors.

To take on new businesses and
enterprises, cities will have to fan
out. Suburbs will grow and join
other suburbs from adjoining
cities, creating new residential and
shopping centers between cities.

New houses will be built at the
rate of a million and a half a year
by the late 60's, a gain of around
40% over present totals.

"To relieve growing congestion
highway networks will grow faster,
but in doing so will create new
congested areas not originally
imagined. Commuting distances
will be longer, so more families
will have two cars," the report
states.

"Farms will be longer and will
utilize more machinery. Many of
today's farmers will be tempted by
wages from nearby plants, many
of them in the farm areas. Some
farmers will even move into the
cities, become part-time farmers
and commute to the farm to over-
see it, thus holding two jobs simul-
taneously," Kiplinger says.

"With expansion of the cities,
local civic problems will increase.

Perhaps it's been several years.
If that is correct, during this time the

Higher local taxes will be levied to
support all the special services
needed," predicts Kiplinger. "More
police and fire services. Better wa-
ter supplies, health and sanitation
with increased facilities. More
electric power. More telephones."
Along with the increase in city
size, growth rate of certain states
will rise. Alaska will be the fastest
growing state with a population
increase of 97% by 1970. Nevada
will increase 82%, Arizona, 79%,
Florida 65%, California 57%, and
Delaware, 52%.

Other states with population
growth with 30% or more are
Maryland, 45; Utah, 44; Michigan,
43; Colorado and New Mexico,
both 42; Oregon, 38; Ohio, 37;
Texas, 34; Washington, 33; In-
diana, 32; and Connecticut and
New Jersey, 30%.

The population shift, however,
will result in some states losing
their present population. A drop of
30% is predicted for Arkansas;
Mississippi, 6%; Oklahoma, 4%,
and Vermont, 2%.

"Just what are the advantages of a
joint checking account?"

First off, a great advantage to a husband and wife
is that either can sign a check to pay a bill, or for
any other purpose. Both enjoy, too, the advantages
that every checking account offers: Safe, effortless
transfer of funds (checks can be safely mailed) . . .
easier, more accurate record-keeping (stubs are
records; cancelled checks, receipts). Why not get full
measure of all these advantages for your family. Start
your own joint checking account, here at our bank!

Teensters Union No. 1

By FAM REID

Cheerios! Top 'o the morning! Pip! Pip! And all that old rot! (I've seen so many English pictures on the TV lately that I'm beginning to talk like one) — an Englishman, not the TV, of course. What a hectic week end, though. Rev. Ken Wood, of Albuquerque, was down to see us and brought along his daughter, Barbara! She's a livin' doll and we had a wonderful time. She got here in time for the Teenage dance at the Country Club. She said it was the nicest time she's had in ages! Thanks to all you Union members for making her stay here such a memorable one.

Rev. Wood who runs a very successful television repair business in Albuquerque as well as being the preacher in Bernalillo, spends most of his time working with the teenagers in Albuquerque, teaching them to box, play baseball and so forth—says he thinks that teenage recreation is a wonderful idea and was very much impressed by the nice way it was conducted and the good behavior of everyone—so, you see, gang, we've got something here in Carrizozo that other towns don't have—thanks to Mr. Clegg, our Mayor, Mr. Withers, Mrs. Jane Spencer and all the rest who have anything to do with it.

You always hear a lot of talk about what we teenagers should do and shouldn't do but this is the first time, in my experience, that the parents have really done some-

thing! I think we ought to show our appreciation by really turning out! What do you say, gang? I'd sure like some comments on it.

This week there were not very many letters—so I'll maybe get caught up on some of the old ones. This one from Albuquerque I've got to answer, though:

Dear Pam: I think your column is real cute. I do believe you're doing a wonderful job (I always knew you could). I think all the letters sent in are real gone, cool, and crazy. I just want to wish you good luck on your column and hope you always keep up the wonderful job. Lots of luck—Lassie P. S. You probably know who wrote this.

Dear Lassie: Yes, I know who wrote it—and it isn't the canine TV star, either. Thanks, Barbara Bailey, for the kind words and the nice letter. Come see us soon, Love, Pam.

Dear Pam: Just gotta write and find out what to do about a boy I met the other day. It was at the Teenage recreation at the Woman's Club. He's real cute, tall, dark and handsome—and I mean it! He looks grown up; in fact he looks marvelous but he acts like a kid! Always fooling around, hitting the other boys on the arm; acting silly. If I could just tell him how to act he'd be wonderful—a real find for Hollywood. He doesn't know how to dance either. He just fools around and he says he doesn't want to be bothered learning how! The way I look at it, those lessons are free and I understand Mrs. Field has had a lot of experience teaching. She taught the kids in Artesia to dance and she taught in Arthur Murray's studio in Colorado Springs—so why not take advantage of the deal? My problem is, how can I make a real "gone guy" get help? As a silly kid he's the greatest disappointment womankind has ever suffered—but as the mature guy he could be if he wanted to—it just makes me "flip" to think of it! I hope he sees this letter and has enough sense to know who I'm talking about. One thing: I can say about him just for identification purposes—he goes to New Mexico Military Institute. — Yours—"Chiquita."

Dear Chiquita: Guess I didn't spot him at the dance. Sounds interesting but don't worry too much about it. He probably doesn't know if he's a man or a boy yet. After all—that's a teenage dance and teenagers aren't really adults, y'know. As far as knowing how to dance a tango or a samba—I haven't met anybody in Carrizozo yet who does know how to—among the teenagers, that is—and I mean including me, and my mother is the teacher, so you see I have even less excuse than he has for not learning! If he sees this column and wants to answer your letter he's welcome to write me

These specific common sense features are the big reasons why Ford is the best seller:

1 Six passengers, not just four, ride in comfort. Yes, even the man in the middle, because Ford's full-depth seats are extra thick all the way across.

2 The doors are wider for easier entry. Compared with Ford's major competitor, they open wider... and have convenient two-stage front door checks.

3 Ford's styling is sensible. It's clean and simple like the Thunderbird. No useless frills or wings that are easy to dent.

4 Ford's frame surrounds you with safety. In its field, only Ford has a wide-base frame that seats all passengers within the protection of its tunky side rails.

5 Ford's spacious luggage compartment is easier to load and unload. High rear trunk wall on Ford's nearest competitor makes loading and unloading difficult.

6 Ford's got the most sound and weather insulation. The most everywhere. No other low-priced car compares.

7 Ford is economical. You save up to a dollar a tankful with standard Six or Thunderbird V-8 engines that thrive on regular gas. You need change oil only after each 4000 miles. And the muffler is aluminumized to last twice as long as ever.

Bowling Team Takes 7 Out of 8 Games

By AILEEN LINDAMOOD

Bonnie McEuen, a member of the Ruidoso travelling bowling team, rolled in the league play at the Red Rooster Lanes in Alamogordo Sunday afternoon.

The team won seven out of the eight, taking three from a Roosevelt team and four from a Lovington team.

The series with the Lovington team was the closest match of the afternoon. They won two games by only four pins each and one game by two pins.

Those from Alto who went were: Jim and Corky McEuen, Mr. and Mrs. Walter Schneider and Mr. and Mrs. F. B. Lindamood.

Dan Griffith was over from Ruidoso Downs Monday of last week. Carla Wright has been out of school since the Christmas holidays because of chicken pox.

Thursday Robert Creel was up for the day from Carrizozo.

The County March of Dimes director, Jane Turner of Carrizozo, was by the store last Thursday to leave the literature and container for the drive. She made a day of it by going 390 to Honda up the valley to Ruidoso and over on 37 to Alto and Captain and then on back to Carrizozo.

State Representative and Mrs. Glenn Bradley were by for a visit Thursday.

R. Jack Stewart of El Paso came over on Saturday from Ruidoso while he was in the community on a business trip.

The Leck Cowdens were over from Ruidoso Saturday with their house guests, Mrs. Evelyn Simpson and Andy Anderson from Lamesa, Texas. They were going up Mon Jean to experiment with the camera Santa left under the tree for Mr. Cowden.

The Bobbie Peebles stopped by Thursday on their way from Alamogordo to see his mother Mrs. Henry Peebles on the Nogal Mesa.

The Alan Johnsons came up from Carrizozo on Sunday to see the George Dingwalls.

(Box 835) and I'll publish it — providing it's printable. Let's hear from some of the others.—Pam.

Dear Pam: I'm a teenager and would like to come to the Teenage recreation and meet some nice girls but I don't feel I'm welcome. You see, I'm a serviceman. I didn't know I was any different than anyone else until I put on the Army uniform and now I feel like I'm unwelcome. I want to be friendly with the town kids but they won't let me. What are they afraid of—they might have some competition? Just remember—they'll be in the same spot I am some day soon. Maybe then they'll feel a lot different about it. I hope you publish this but I doubt that you will 'cause this is a pretty sore subject. Do you have any ideas? I could sign it "G. L. Joe," and I guess I will.

Comments, Gang—Pam.)
Thought for the Week: Minds are like parachutes; they only function when open.
Love, Pam.

Another Smokey Dance At the Legion Hall

A Smokey dance will be held at the American Legion Hall Saturday, Jan. 17, with music by the Daugherty Brothers. Do join us for a good time.

Additional donations for the Smokey Museum are \$10 from Johnny Martin, owners of the Fritz ranch; \$5 from Barney Bar-nosky and \$5 given some time ago by Virgil Hall. Thanks to each of you.

Jack Shaw is trimming the trees at his home. R. D. Kingston too is trimming the trees at his motel.

Mr. and Mrs. Dyer Forbus and daughters made a business trip to El Paso last Saturday.

Mrs. Bert Cheney, Mrs. Maude Clark and Dab attended the Jehovah Witness assembly in Albuquerque last Saturday and Sunday. It lasted three days starting Friday. Saturday afternoon 45 were immersed. The attendance for the public talk Sunday afternoon was 1437.

The snow is nearly gone now. Roads and streets have been graded, still is plenty of mud. It now looks as if more moisture might drop in. That we always welcome.

Capitan to Adopt Condemnation Rights

The Village Council meeting was held last Monday night at the City Hall with 100% attendance.

Mr. Knox of Ruidoso appeared before the council seeking a franchise to put in a TV cable. The council took the first steps to embody in their village ordinances, the State condemnation laws, which will give the governing body—the power to rid the village of dilapidated buildings and unsightly debris, etc.

These laws can be used to help clean our city.

School Play to Have All-Woman Cast

By CHARLES LOCKHART

"Twelve Angry Women," an adaptation of "Twelve Angry Men," will be presented at Capitan High School on Friday, January 22.

The play, using an all-woman cast, is a special version of the exciting drama first seen on Studio One over CBS-TV in 1958.

A nineteen-year-old boy has just stood trial for the fatal stabbing of his father. As the search for truth by the jury develops into a clash between the members, the suspense builds until the fate of the boy depends upon the vote of one juror.

Barbara McGrew, Capitan High School "Superior Actress of 1958," plays the role of the strongly opinionated, intolerant juror who is convinced of the boy's guilt. Judy Lockhart, veteran actress of four plays, portrays the quiet, truth-seeking woman of strength who has a reasonable amount of doubt whether the boy is guilty.

As the conflict between these two explodes, the rest of the jury is caught in a web of doubt as the excitement mounts until the foreman gives the verdict to the court.

Fred Miller, play director, is trying a new experiment in that he is using playbox staging. The audience will gasp and seem to live the roles themselves as they sit on three sides of the actresses. This is the first time the playbox has been presented at Capitan High School, and will provide a unique new way of seeing a play as the audience will seem to be in the room itself.

The play and the movie "Twelve Angry Men" were outstanding hits and playwright, Reginald Rose, was awarded the "Emmy" in 1958 for the "best dramatic writing" for television. "Twelve Angry Women" is the same play for an all-woman cast with surprises that will keep you tense until the final verdict.

The action will start at 8 p.m., Friday, January 22, at Capitan High School. Admission is \$1 for adults, \$1.50 for adult couples, and 50c for students.

Episcopal Women Guests of Mrs. Black

The Episcopal churchwomen group met on Tuesday the 11th, at the home of Mrs. J. L. Black in Capitan. An interesting program was given by Mrs. T. A. Spencer, Jr.

Attending from Carrizozo were Mrs. T. A. Spencer, Jr., Mrs. Frank Wagner, Mrs. Fred LaMay, Mrs. J. P. Turner, Mrs. W. S. Hobbs and Mrs. A. A. Brooks.

These ladies will sponsor a Shrove Tuesday benefit bridge at the home of Mrs. T. A. Spencer, Jr. on Tuesday, Feb. 10.

Chamber of Commerce To Meet January 19

The Capitan Chamber of Commerce will meet at the City Hall Monday, Jan. 19, at 7:30 p.m., with a potluck dinner. All members are urged to attend.

Fletcher Hall is the proud possessor of a new 1959 Ford pickup in "palest gray-blue. The purchase was from Marvin Roberts in Carrizozo.

Mrs. Bob Latham and Mrs. Floyd Halo were Capitan shoppers last Friday—their first time out since the snow.

Mac Benge was in from their Jicarilla ranch the first part of the week. He states there is plenty of moisture and lots of snow, which they welcomed. We know that all of the ranchers did welcome it.

Mrs. Bert Cheney and Mrs. Maude Clark attended the funeral of Mrs. Bill Balow in Roswell last Monday.

Mr. and Mrs. Travis Werner, Mr. and Mrs. Champ Ferguson and Mrs. Louise Ferguson took a lovely cake and went to visit their sister Mora, (Mrs. Frank Titworth) in Tinnie last Thursday evening. The grand occasion was Mora's birthday. They helped her enjoy the cake too.

Father. Through this image, God took enough time in His creative process to give His children the gift of His love to be used and shared with all brothers and sisters.

Love is bigger than the whole world. It is nearly as big as God Himself for when God miraculously created love, He made it big enough for the whole world, but still small enough for every human soul to possess a little of it.

A little bit of this love planted in a human soul is immeasurable in its relationship to its accomplishments. Love can change a body into a living human soul so that it may find a deeper meaning in life, and a spiritual awareness of God. It can change human destiny into a life with an eternal purpose, saturated with hope, faith, and love that will direct its course back to God to reside with Him forever and ever.

All love comes from God. It is a gift to us to be used, to be shared, and to be given to others. You have the love of God in your soul, and if you want to keep it you must do your best to try to give it away, because in its giving it becomes like the cool, refreshing water of an artesian well that never exhausts its supply.

Love cannot be stored in the reservoir of the soul for your personal usage, because stored love will become like a thistle in the burning desert that dries and withers away into humus dust to be carried away with every whisp of the wind. Potential love is as worthless as potential electricity that is stopped and stored by a little switch on the wall. Love must become kinetic in its supply like kinetic electricity that has a purpose, that has a source of supply, that has a destiny and that has power to bring light to the whole world if it is properly used.

Love can do things to a person that nothing else in the world can do. It can give courage and comfort to the lonely; it can give hope and faith to a life who is struggling to keep the other foot out of hell; it can give happiness and assurance to a person who has been clothed in sadness of a lost or a loved one; it can remove and destroy the barriers of hate and resentment that threaten too much of humanity; it can give a new perspective in a panoramic view to a distorted mind that sees the world only as a battle ground for the survival of the fittest; and love can give all people a big faith of transforming power to make big decisions for the hope of the world.

Love must be shared with other people. One of the best places to share your love is in church worshipping God in the beauty of holiness. The church needs you and you need the church. Will you go to church Sunday, and try His way in the love and fellowship with other people?

Tigers Rally to Defeat Eagles

By SALLY CLOUD

The Capitan Tigers met the Hondo Eagles at Hondo, Tuesday, Jan. 13, in an action packed game. Final score: Capitan 50, Hondo 44. The Eagles displayed their ability to dunk baskets as they scored 18 points the first quarter. The Tigers started very slowly, letting Hondo score 10 points before they started hitting the basket, scoring nine points in this period.

The second stanza brought defensive playing from both teams. Personal fouls were heavy and the scoring was low. The Tigers dumped three baskets, three free throws to Hondo's three baskets, and one free shot. At half-time, Hondo held the lead, 25-18.

The Tigers entered the last half intent on scoring. Despite Hondo's efforts they racked up point after point. The Tigers efforts began to show reward when the trailing Hondo score showed them trailing Hondo one point, 34-35.

With the wind in their sails, the Tigers breezed into the last quarter still displaying their fine shooting form. The Eagles seemed to lose their touch to hit the bucket but managed to rack up 9 points to the Tiger's 16. The Tigers had the ball ready to raise their score more when the final buzzer sounded, with the Tigers victorious, 50 to 44.

The Hondo Corner

By FREDDA PERRY

Hello everybody! The semester exams are finally over, and everyone around school is breathing easily again. I haven't gotten a chance before to wish you all a Happy New Year, so I'll take this opportunity. Hope everyone has a very prosperous 1959.

The Eagles traveled to St. Peters last Friday to an invitational tournament and dropped their first game to the St. Peter Crusaders by a score of 58-40. Rayno Montes was high point man for the Eagles, with 18 points. James Sanchez was close behind him with 12 points.

The winner of the tournament was the outstanding Ft. Sumner team. Lake Arthur, St. Peters, Hagerman, Pius X, New Mexico Military Institute were the other teams participating there.

This week end the Eagles travel to Eunice and Jal, where they will tangle with those two fine teams. Good luck, Eagles!

The game with New Mexico Military Institute which had been scheduled to be played here on January 6, has been re-scheduled for February 20 at Hondo.

The Juniors and Seniors are preparing and practicing their plays, which are to be presented January 31 in the high school gym. The Juniors will present "Scary Hollow," a one act comedy-mystery play by Jay Tobias. "Mama's Getting Married" will be presented by the Seniors. It is a comedy in one act also by Jay Tobias. Both plays promise to be very entertaining, and I hope to see you all there. Preceding the plays will be an enchilada supper, which will be sponsored by the Junior class. The supper will start at 5 o'clock. Adult tickets will cost \$1, and children's tickets 60 cents.

Our school's 1959 Betty Crocker Homemaker of Tomorrow is Patricia JoJner.

She received the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by graduating senior girls. She will receive a home-making pin manufactured by Josten's, which represents the slogan, "Home Is Where the Heart Is." Her examination paper will be entered in competition with those of other school winners in the state to name the State's Betty Crocker Homemaker of Tomorrow.

The test is designed and judged by Science Research Associates. Each state Homemaker of Tomorrow will receive a \$1,500 scholarship from General Mills, an educational trip April 4-10 with her school advisor to Washington, D. C., Colonial Williamsburg, Va., New York City and Minneapolis, and she will be a candidate for the title of All-American Homemaker of Tomorrow. The school of each state winner will receive a set of the Encyclopedia Britannica. General Mills will award a \$500 scholarship to each state runner-up.

Winners are being chosen for 12,280 schools throughout the nation which enrolled 348,150 senior girls, the largest number of participants in the five-year history of this \$106,000 scholarship program. Growth has been steady since 1955 when 187,653 girls in 8,040 schools participated.

The 1958 All-American Homemaker of Tomorrow will be announced in Minneapolis April 10, at the American Table Dinner in the Leaning Tower Hotel's "Hall of States."

The scholarship of the All-American Homemaker of Tomorrow will be increased to \$5,000. The national runner-up will receive a \$2,500 grant, third place winner a \$1,000 grant and fourth place winner a \$500 scholarship.

floor 5-B game, January 9, in a District 5-B game. The score: Ruidoso 42, Capitan 40.

The Tigers burned up the floor in the first quarter leaving the Warriors far behind. The Tigers popped the net for eleven points while the Warriors score stood at zero. With two and a half minutes left in the first quarter, Ruidoso broke the jim and as the buzzer sounded ending the period, the score stood at 15-4 in favor of Capitan.

The game settled into a fast-moving pace as the teams entered the second period. Ruidoso came back with a new air and marched forward intent on challenging Capitan's lead. The Warriors outscored the Tigers 12-9 in this quarter. The half-time score: Capitan 24, Ruidoso 16.

Everything looked bright for the Tigers, score-wise, as the second half started but the rampaging Warriors slowly closed the eight point margin the Tigers held. The game became touch and go between the teams and the two point lead was held by one then the other. The third period score: Capitan 28, Ruidoso 26.

The last stanza was a high-scoring period. Both teams struggled to evade their opponents and raise their own score. Ruidoso dumped sixteen points to Capitan's twelve

Grizzlies Squeeze Past Cardinals

After a hard fought game last Friday night, the Carrizozo Grizzlies emerged victorious over the Corona Cardinals, 43-41, and ran their undefeated string of games to four, and six for the season against four losses.

Both teams started out slow the first half, as the half-time score read 18-17 in favor of the Grizzlies. Leading the Grizzlies were M. Saucedo and B. Herrera with 13 and 12 points respectively, while Lee Mulkey took scoring honors for the night with 18 points, on five field goals and eight charity tosses.

The second half saw a little more scoring on the part of both teams, as they fought for the lead throughout the third quarter, with the score being tied at 30 all at the end of the third quarter.

In the final quarter the Grizzlies jumped to a quick lead in the first few minutes of the quarter and fought off a last minute rally by the Cardinals for the victory.

This week end the Grizzlies meet the Capitan Tigers Friday night at Capitan and the Tularosa Wildcats Saturday night at the local court. The Grizzlies have chalked up two victories over the Tigers during the season, with both being by close margins.

News Notes from Along the Bonito

By LOUISE RUNNELS

The Forest Service is building a fence above the Bonito Lake for the city of Alamogordo. Hugh Grafton years ago used to keep these same fences repaired for the S. P. Railroad Co. How do you go about getting the Forest Service to build fence? I need some new fencing, too.

Last week we were excited over an unusual sight on Bonito Lake. A doe deer somehow found herself marooned on a big piece of ice out in the middle of the lake. She stayed on her icy island about 24 hours. It would have been a fairly good place to store some meat if one could have joined her—but before cowboys J. D. Faulkner and Joe Sheppard could reach out to rope her the ice floated to the bank and the doe was off to the woods.

Joe and Mrs. Sheppard went to Alamogordo on business this week. J. D. Faulkner's dad, Roy Lee Faulkner from Fort Worth, Texas is visiting with the family for awhile. Mr. Faulkner likes the mountains very much.

Lloyd Coe and family were on the Bonito this week with Lloyd's water pipe thawing machine to thaw some water pipes for J. D. Faulkner. Lloyd keeps pretty busy during these cold months thawing pipes for folks.

Bill McCarty from Ruidoso was on the Bonito this week to do some assessment work for Arvel Runnels.

Fred Coe who has been staying with Tom Bragg lately went to Ruidoso on Saturday. While there he heard of Lee Boswell, a good friend of his, having been in a car accident with Ollie Miller of Tulare on Highway 70. Lee was taken to El Paso by his wife and daughter.

Alice and Tom Bragg went to Captain this week to move the

Lamarr Bailey family into the Elizabeth Tiftworth Wilson house across from the Cummins Grocery Store.

Ira and Jill Young and daughter, Wilma, returned from their trip to Indiana January 6 and are glad to be back in New Mexico!

Fred Sweet, Sr. who is in Alamogordo with his son and family is doing fair and wants his Bonito friends to know he appreciated the gift they sent him for Christmas.

Mr. and Mrs. Albert Thomason from Thomason's Furniture Store in Roswell and the Joe Levers family were in Thomason's cabin on the Bonito Saturday and Sunday. They enjoyed riding around in the mountains in Albert's red jeep while here. Mr. Levers is in the automobile business in Roswell.

Nettie LaMay who was operated on in the Ruidoso Hospital Monday morning at 7:00 is doing fine. Her oldest son, Jackie LaMay is here for a visit from the Navy and will be a big boost for Nettie to hurry and get strong so she can come home and cook some good gravy, biscuits and pies while he is here on leave.

Ben Pfingsten has something cooking that sounds good—but no details till later—but methinks I'll have turkey for Christmas Thanksgiving next year if his "deal" goes through with Nutrena. These wild turkeys are going to the coyotes and bobcats, since we have no trappers in these parts.

Indeed, I wouldn't tell a story wrong about this past history of Lincoln County except for getting names and places mixed up. Sorry I messed up on the one about Jim Davidson. Am glad to get straight that he was the founder and owner of the Lone Star Saloon in Corona which still is in operation but now owned by the Wades of Corona, Adios!

Albuquerque Pastor Was Guest Speaker At Trinity Methodist

Rev. Ken Wood, pastor of the Methodist Church in Bernalillo, N. M., made a visit to Carrizozo over the week end and brought his wife, Myrna, daughter Barbara and smallest son Ken as well as another daughter, Mary Lou. Rev. Wood and family stayed with Rev. Homer Reid.

Rev. Wood brought the message on Sunday at the Trinity Methodist Church. His text was "The Thief in Our Church" and brought out the idea that indifference to the church and the church's program is probably the greatest threat to the continued existence of the church as we know it.

"Indifference is contagious," said Rev. Wood. "Wives catch it from their husbands and husbands from their wives. Very few individuals have the courage and stick-to-it-iveness to continue to attend the church when one of the members, the husband or the wife, will not attend with them."

Rev. Wood operates a successful television repair business in Albuquerque, as well as being the pastor of the Bernalillo church. His chief interest is with the youth of the church and outside the church too.

In his message to the Methodist Youth Fellowship Sunday night he told the "Youth Adult" group that they must live the religion of Jesus—not just "have" a religion about Jesus—and there is a big difference. It takes courage and intelligence to live the life of a Christian and have the religion of Jesus; but it requires very little dedication to have a religion about Jesus.

Rev. Wood and family returned to Albuquerque after the youth service Sunday night.

News of Baptist Ladies' Sunday-School Class

By The Reporter

The Friendship Class of the First Baptist Church held its regular monthly meeting in the home of Mrs. Nettie Berry Monday night, January 5.

The roll was called and minutes were read by the secretary Mrs. Louise Wooten.

There were two very interesting Bible games played by the class under the leadership of Mrs. Catherine Eaker.

The next meeting will be held the first Monday in February in the home of Mrs. Joyce McCollum with Mrs. Elisha Clayton the hostess.

We would like to urge that all the ladies of the church attend these meetings. We enjoy the programs and fellowship we have together.

Present at this meeting were:

FARM NEWS

Apply Fertilizers To Orchards Now

You don't have to wait until spring to put fertilizer on your orchards. It will do just as much good now, and you'll probably have more time to do it. Fertilizers should be applied at least 5 weeks before bloom if the trees is to benefit this year.

Fertilizing in the fall gives nutrients plenty of time to penetrate the soil so that tree roots can use them.

Rates of application will vary according to the age of the trees, soil conditions, and the amounts applied in previous fertilizations. However, as a general rule, for young trees apply 1/10 pound of actual nitrogen for each year of tree age up to one pound of actual nitrogen per tree and use 150 pounds of super phosphate per tree. For older trees apply approximately 60 pounds of actual nitrogen and 65 pounds of actual phosphorus per acre. Adjust the rate of application up or down depending upon subsequent growth and production of the trees.

Nitrogen and phosphorus are the major fertilizers needed in most orchards. If your trees do not respond to nitrogen phosphorus applications, then iron, or other nutrients may be needed.

LINCOLN

Mrs. Marson had to go back to the hospital in Roswell for a few days but is feeling fine now. Her son Bobby was in the hospital too, with a strep throat.

The porch on the old Ellis house—owned by Ned and Fronie Ramey is being rebuilt and looks very nice. There is also a new roof on the old Watson house—which is a great improvement.

Mr. and Mrs. Tom Durleson of Roswell visited Mrs. Annie Ramey last Sunday.

The little Baca girls, Mary, Gloria and Lorena were the first to put their pennies in the March of Dimes receptacle in Lincoln.

Edd Downing continues to improve from day to day we are pleased to report.

Mrs. Margaret Ball, Mrs. Louise Wooten, Mrs. Catherine Eaker, Mrs. Cordella Harris, Mrs. Joyce McCollum, Mrs. Elizabeth Sprules, Mrs. Martha Kelley, Mrs. Elisha Clayton, and the hostess, Mrs. Nettie Berry, with Mrs. Edna Carl co-hostess.

State EC Commission Hopes to Get Water Desalination Plant

The December meeting of the New Mexico Economic Development Commission, presided over by Vice-Chairman Lloyd A. Calhoun, was held on the 17th of the month in Santa Fe. Part of the meeting was devoted to reports on the progress in the water desalination program.

Discussions on this subject were presented by Rogers-Aston of the Southspring Foundation and S. E. Reynolds, State Engineer. Mr. Astor reported that New Mexico is estimated to have a half billion acre feet of brackish and saline water. Sixteen New Mexico communities, according to Mr. Reynolds, now use water which fails to meet the standards of the Department of Health for domestic consumption.

The Commission resolved to continue its activities in support of the establishment of a federal experimental water desalination plant in New Mexico.

An 80-acre industrial site may be donated to a manufacturing firm, meeting certain conditions, adjacent to the main line of the Santa Fe Railway in Lamy, New Mexico, or between Highway 83 and the Santa Fe tracks in Canoncito, New Mexico, 11 miles from Santa Fe. The site is being donated by a prominent New Mexico industrialist in the interest of developing the state. Further details may be obtained from the Commission.

A survey of industrial sites in New Mexico by the Commission is underway. The survey will afford New Mexico communities a unique opportunity to develop basic inventories of industrial development assets. It will have direct practical application in industrial promotion, through contacts of the Commission with prospects, expressing interest in New Mexico, and through the publication for distribution of an Industrial Site Directory. The directory will cross-list sites and descriptions by community and type of industry.

**Notice of Intention to Im-
pound Trespassing Livestock.**
Alamogordo, New Mexico
January 15, 1957

Notice is hereby given that all
livestock found trespassing upon
lands of the United States within
the Sacramento Division; Cloud-
croft and Mayhill Ranger Districts
and the Lincoln Division; Captain
and Ruidoso Ranger Districts of
the Lincoln National Forest, State
of New Mexico, will be impounded
by the United States Forest Ser-
vice, after February 6, 1957, if the
same be not removed from the
National Forest on or before said
date.

After the impoundment, owners
of trespassing livestock may re-
gain possession thereof only by
first reimbursing the United States
in full for the expenses incurred in
gathering, impounding, pasturing
and advertising said livestock. All
impounded animals not previously
so redeemed will be offered for
sale at public auction. Animals not
sold at the public sale will be sold
at private sale or condemned and
destroyed, as required by the regu-
lations of the Secretary of Agri-
culture.

IRS to Help Tax Payers With Minor Problems

Telephone your nearest Internal
Revenue Service office for prompt
answers to many of your 1956 in-
come tax problems, says Ernest
W. Bacon, District Director of In-
ternal Revenue Service.
"Now, before the filing season
nears the April 15 deadline, we can
help most taxpayers with minor
problems they've met in complet-
ing their returns," Mr. Bacon said.

TOWN MEETING

A town meeting will be held at the Corona recreation room Friday, Jan. 17, at 7:30 p.m. Purpose of the meeting is to consider a recreation center and bowling alley. Everyone is urged to attend.

The Farm Bureau will have a covered dish supper and meeting at 6 p.m. in the recreation room Monday, Jan. 19. Dues were payable November 1, 1958.

Mr. and Mrs. Gene Roper and children have moved from Belen back to Corona. Mrs. Roper is a daughter of Mrs. John Ingram.

Mr. and Mrs. Pete Porter and children, and Marshal Minor and his mother, Mrs. Bessie Minor, made a business trip to El Paso Monday of this week.

Miss Nema Boykin Weds Bud Tatum

Miss Nema Boykin of Vaughn, daughter of Mr. and Mrs. Gerald Boykin, formerly of Corona, was united in marriage the past week end to Bud Tatum of Roswell and Ft. Worth.

Both young people are students at ENMU in Portales, and they plan to continue their education.

The wedding took place at the first Methodist Church in Roswell. Miss Sherrill Perkins of Corona and Sonny Gentry of Clovis were the attendants.

Only the immediate families of the couple and a few friends were present at the wedding.

Mrs. Betty Bond of Corona passed away in a Roswell hospital Saturday, Jan. 10. She had been ill for several weeks. A number of neighbors and friends from Corona attended the funeral services in Roswell Monday of this week.

The Walter Jones family have moved to Corona from Albuquerque. Jones, son of Mrs. Stella Jones of Corona, is working at Gallup. Mrs. Jones and children, and her mother-in-law, Mrs. Stella Jones, made a trip to Gallup last week to see him.

Mr. and Mrs. Bill Skinner from Peoria, Ill., stopped in Corona last week to visit old friends. Skinner was a well driller, living at Corona for a while a few years ago.

Miss Doll Roberts, Mrs. Sarah Hillemeier, Mrs. Robin Pfeiffer, and her daughter, Mrs. Sally Donovan attended the dry goods market day Sunday in Albuquerque.

Mr. and Mrs. Joe Dickle who formerly lived at Corona were here the past week end to pick up some of their furniture left stored at Casey's Sweet Shop. Dickle is employed by El Paso Natural Gas Co., stationed at Farmington.

Clarence (C. C.) Ashcraft is Corona's new section foreman. L. S. Clintock, former section foreman, has been transferred to Duran. Ashcraft was foreman here for the Southern Pacific several years ago, but has been working near Bloeba, Arizona.

Mr. and Mrs. Lloyd Owen attended the funeral services of an infant son of Mr. and Mrs. A. B. Sykes who passed away at Roswell one day last week. Mrs. Sykes is a sister of Mrs. Owen.

Coming Event—

There is to be a March of Dimes Mothers' March in Corona soon. Everly Shely is chairman. Watch for the date.

Bobby Dean Wade is Teen chairman for the March of Dimes in Corona.

Extension Club to Meet Thursday

The Corona Women's Extension Club will meet Thursday, Jan. 22, at 10:30 a.m. in the recreation room.

A covered dish luncheon will be served at noon. Everyone is cordially invited.

Mrs. Clint Sultemeier is leader, and will demonstrate glass etching.

Miss Julia Kerr made a trip to Artesia last week end to help celebrate her mother's birthday. Miss Kerr is a teacher in the Corona grade school.

Mr. and Mrs. Wayman Mays and children of Alamogordo were visiting relatives and friends in Corona the past week end.

Mrs. Mota Vick spent three weeks recently in Carlsbad and Las Cruces, returning to Corona first of this week.

Mr. and Mrs. Holt Lovelace spent the past week end in Portales visiting and bowling.

Mrs. W. T. James, daughter Patty and son Alvin spent the past week end visiting old friends at Plino, 12 miles south of Cloudcroft, where they used to live. Mr. James who is employed by the State Fish and Wildlife Service, is working near Artesia, but is expected to be back at Corona soon.

Corona lost to Carrizozo by two points with the score, 43 to 41, last Friday in basketball. Menaul School of Albuquerque will play at Corona Saturday night, Jan. 17.

Mrs. R. A. Perkins had a March of Dimes coffee at 11 a.m. January 7 in the Dullos Drug store. Proceeds were \$9.88.

HEART FUND CHAIRMAN

TOM BOLACK — FARMINGTON

Dr. Alan L. Frankel, Albuquerque, president of New Mexico Heart Association, and Tibo J. Chavez, Belen, chairman of the Heart Fund advisory committee have announced the appointment of Tom Bolack, Farmington, as head of the 1959 Heart Fund campaign to be conducted throughout the state during February.

Bolack, well known oil, gas and uranium operator, has recently been cited by the states of New Mexico, Colorado, Utah and Arizona for his efforts on behalf of the Upper Colorado River Storage Project, for which he organized the Aquilantes.

ors but tolerated them through their terms in most cases. Burroughs had to fire Spurrier, an Eisenhower Democrat who worked for the re-election of Mechem and then publicly defied the governor. He would have lost face and respect had he let Spurrier get away with it. The removal opens the way for the firing of Game Director Fred Thompson.

An article in Hospitals, the Journal of the American Hospital Association, says that hospitals can solve some of their personnel shortages by employing the handicapped and elderly. A study made at the Albert Einstein Medical Center shows that the work records and achievements of the disabled often surpass those of normal personnel.
