

Ramblin' Around Lincoln County

[Ed Note: The author of the following articles on Lincoln County has asked that his name remain anonymous.]

Those of us who were born in Lincoln county at or near the turn of the century were very privileged and most fortunate because we saw a fast frontier, not yet marred even by the plow or the axe. It was indeed a virgin country, and one which brought out the best in men and women, who accepted the responsibilities of a new and untried land as they found it and visioned a new day. Unfortunately not all of them lived to see the fulfillment of that day.

Those who were born in Lincoln county prior to 1900 were privileged to know some of the outstanding men of the old west—men of iron nerve and determination, men of supreme optimism and men who left bright and enduring records in the economic and political life of the southwest.

Just a few of the outstanding men who might be mentioned in connection with these stirring days were:

PATRICK F. GARRETT

Patrick Floyd Garrett, perhaps the old west's most illustrious peace officer who was later collector of customs at El Paso, Sheriff of Lincoln and Dona Ana counties. He was later killed on a lonely road between his ranch in the Organ Mountains and Las Cruces. One Wayne Brazel was charged with and tried for his killing, and was found not guilty on a theory of self-defense. Albert Bacon Fall, who later fell from a high place in the government, was the chief defense attorney. At the time of the killing, which shook eastern and southern New Mexico to its foundations, those who knew both Pat Garrett and Wayne Brazel said they were sure Brazel did not fire the fatal shot, and in later years, it was pretty well determined that one Jira "Killer" Miller, and not Brazel was the trigger man. Miller is now long since dead.

GEORGE CURRY

George Curry was a colorful territorial governor of New Mexico, appointed by President Theodore Roosevelt after the removal of Herbert J. Hagerman. He was a Rough Rider and contributed greatly to statehood for New Mexico. He was at one time Sheriff of Lincoln county and held other county offices. Governor of various provinces in the Philippines and chief-of-police of Manila. Confidant of two presidents—Theodore Roosevelt and William Howard Taft. At the time of his death he was official historian of Lincoln county.

CAPTAIN J. C. LEA

Joseph C. Lea, best known as the "Father of Roswell," and one of the most outstanding men who ever lived in Roswell and southeastern New Mexico. A remarkable leader, organizer and builder. Captain Lea had a large part in the beginning of Chaves county, Roswell and the New Mexico Military Institute. Pioneer merchant and developer. The father of Mrs. Hiram M. Dow of Roswell.

JOHN W. POE

John W. Poe, early day buffalo hunter and peace officer. The man who followed Pat Garrett as Sheriff of Lincoln county and one of the deputy sheriffs who was with Sheriff Garrett at Fort Sumner the night Billy the Kid was killed. Roswell banker and developer.

DILLARD H. WYATT

Dillard Hiram Wyatt, Harvard graduate and brilliant young attorney who was killed in an automobile accident near Vaughn while serving his second term as district attorney of the fifth district. A man who was on his way up and would have gone far had not cruel fate stepped in to take his life during the early days of his career.

FRANK and GEORGE COE

Frank and his cousin, George Coe, early day settlers on the Rio Grande and pioneer apple growers. Both were participants in the Lincoln County War and both were among the best loved and highly respected citizens of Lincoln county. Wilbur Franklin Coe, son of Frank B. Coe, carried on with distinction at the original homestead on the Rio Grande. He is a power in Lincoln county historical affairs, and the leading spirit in the pageant "Billy the Kid's Escape" given each year at Old Lincoln.

EDWARD A. CAHOON

Edward A. Cahoon, founder of the First National Bank of Roswell. He came to Roswell in a buckboard with a metal box under the front seat filled with money with which to start the then Bank of Roswell, which later became the First National Bank, an institution which has most successfully withstood all of the onslaughts of drought, adversity and depression since its organization in 1880. E. A. Cahoon was one of the real builders of Roswell and southeastern New Mexico.

JAMES F. HINKLE

James F. Hinkle, a Missourian who made good in New Mexico. Manager of the CA Bar Ranch on the Pecos, his first and perhaps most lasting love. Early day office holder in Lincoln county, member of the constitutional convention, member of the New Mexico house.

And Carrizozo Outlook

CARRIZOZO, NEW MEXICO, FRIDAY, MAY 29, 1939

Outlook, Volume 53, No. 4

Summer Recreation Opens June 8

The summer recreation program for boys and girls of Carrizozo will open on June 8 under the direction of one of the instructors of the Carrizozo municipal schools. It was announced this week by the Carrizozo Recreation Committee.

The director of the program will be assisted by several men of the community in his work with the Little League baseball team.

Fred McDonald and Marcus Barrels are in charge of fixing up the ball park for both Little Leaguers and the older boys' team.

It is planned to build bleachers, and dugouts and backstop will be moved forward to avoid the telephone and light lines that cross the park.

PLEASE HELP, DON'T HINDER THE RECREATION PROGRAM

The Carrizozo Recreation Commission, town officials, and adults who are devoting time and money to provide recreation for the community have been given some cooperation—in reverse.

Several expensive 15,000-watt globes at the tennis court have been shot out—apparently by rifle bullets.

Also over the week end, every street light from King's Cactus Bar to the Mal Pais courts was shot out and one \$30 time clock destroyed.

Any citizen who sees this sabotage being committed against the community should report it to the authorities.

The Recreation Commission is trying to obtain lights for the field and in this effort has been greatly assisted by Red Canyon personnel.

The Commission has authorized the purchase of many items of new equipment for the baseball program; also the purchase of wire screen for two baselines.

There will be a program in the school gymnasium for younger children and as usual the tennis courts and equipment will be available.

The summer recreation programs are planned to run eight weeks.

Otero County GOP Meeting June 6

Ray Tingley of Alamogordo calls attention of Otero County Republicans to the county convention of Otero county to be held at the court house in Alamogordo at 2 p.m., Saturday, June 6.

Mr. Tingley, county chairman, further announces that voting for the county chairman, county vice chairwoman and members of the county central committee will be by all registered Republicans who are present at the meeting.

This method of election replaces the former method of voting by precinct delegates only.

"A maximum attendance is desired," Mr. Tingley states, "since officials will serve for a two-year period."

Scholastic Honors for Miss Joanne Atkinson

Hester Joanne Atkinson of Corona, a senior at Eastern New Mexico University, has won scholastic honors by attaining a point grade of 2.800.

Figured numerically, a grade of 2.700 (a high "B") is necessary to make the honor list.

A Junior at the University, Jo Elizabeth Allen of Ruidoso, had a straight A average.

MRS. PEARL STEARNS

who has attended every Carrizozo High School graduation since 1914, three of these times to see her own children graduate. They are Robert Poage, Albuquerque; Irma (Poage) Adams, San Angelo, and Johnson S. Stearns, Carrizozo.

Made Trip to Las Cruces At Point of Gun

Lending a helping hand to a stranded motorist cost Marvin Sharp, Carrizozo GI, some tense moments according to the Lincoln County Sheriff's office.

At Indian Divide Saturday afternoon, Sharp stopped his car to assist Paul Jones, 35, who had wrecked his car at the turn approaching the summit. The motorist asked for a ride into Carrizozo, then asked Sharp if he would drive him to Alamogordo where he could catch a bus to Las Cruces.

He handed Sharp \$5, reaching Alamogordo, Jones asked an additional ride to the outskirts of town. There he drew a gun on Sharp and forced him to drive on to Las Cruces.

En route he informed Sharp that he was going to shoot his wife and father-in-law.

In Las Cruces, Jones got out of the car at his trailer house, after relieving Sharp of the \$5 previously given.

Sharp reported the matter to Alfred Garcia, sheriff, and deputies arrived at the trailer house to find Jones holding a gun on his brother-in-law. He was disarmed and jailed. It was stated he had been drinking.

Sheriff Ortiz is checking the ownership of the 1930 Oldsmobile that Jones was driving to see if it had been stolen. The car was a total wreck.

Water Development At Fort Stanton

Bids are being asked for this week on the second phase of the Fort Stanton water program. This new contract calls for a purification and filtration plant at the reservoir site, and a covered steel 210,000-gal. storage tank—all work to be completed around August 1.

The first phase of the Fort Stanton water program was the award May 11 of low bid of \$24,911.14 offered by E. M. Silver, Albuquerque.

The contract included the rehabilitation of an old well on the premises and the installation of the necessary pumps, equipment and pipe to insure a flow of water into the existing reservoir.

L. W. Varner, superintendent, states that the development of this auxiliary source is timely considering an anticipated water shortage this summer from normal watershed sources.

Cedarvale Prepared For Memorial Day

D. L. Jackson of White Oaks has been spending a good deal of time in recent weeks getting the Cedarvale Cemetery in readiness for Memorial Day.

The usual large number of visitors is expected and, as has been the custom in the past, they will gather for a picnic lunch at the school house.

Mr. and Mrs. C. R. Cadenhead (Miss Vivian Lane) and Mr. and Mrs. Joe Mahoney of El Paso visited Mr. Jackson at White Oaks last Sunday. Mrs. Cadenhead brought a new marker for the graves of her parents, Mr. and Mrs. Allen Lane.

Mr. and Mrs. C. L. Wetzel (Larue Lane) and three sons, also from El Paso, have written Mr. Jackson they will visit Cedarvale Cemetery on Memorial Day.

Many Business Firms Closed Memorial Day

Most Carrizozo business firms will be closed Saturday, May 30, in observance of Memorial Day. The food markets, however, will remain open.

Firms announcing closing are the Lincoln County Motors, City Garage, Shuler Motor Company, Ben Franklin, Gambles, Carrizozo Hardware Company, Harkey-Poey Lbr. Co., Vega Feed Store, Lincoln County Agency Bank, Carrizozo Mercantile Co., Lane Sisters, Carrizozo Gas Company and the Tularosa Basin Gas Company.

Lions Club to Serve Cowboy Breakfast

The Carrizozo Lions Club will serve a cowboy breakfast of bacon, eggs and coffee this Friday morning at the Lions Park across from the Carrizozo Hospital.

Time of the breakfast will be from 6:30 to 8:30 in the morning—first come, first served, and the price is 75 cents for adults and 50 cents for children.

Arrel Poey is chairman of a committee planning the breakfast.

RUMMAGE SALE FRIDAY

The Ladies Auxiliary of the Carrizozo Country Club will open their rummage sale Friday morning, May 29, at 9 in the Fire Hall.

District Court

In district court May 25, Judge W. T. Scoggin presiding, the cases of three juveniles, charged with permitting themselves to be served liquor were referred back to justice of the peace court. (In Cecil Clark's court they pleaded guilty to disorderly conduct and were fined \$20 each.) A fourth minor pleaded guilty to the charge of permitting himself to be served alcoholic beverage and was assessed \$50 costs.

In case State of New Mexico vs. Tracy Louver, charged with driving while intoxicated, a plea of guilty was entered. He was assessed \$200 costs and his driving license revoked for a year.

Case State vs. Gertrude Schock, charged with selling liquor to minors, plea of not guilty was entered and hearing set for June 29 at 10 a.m. Defendant placed under \$1000 bond.

Judge Scoggin will reconvene District Court June 2.

Carrizozo High Seniors, Home from Trip, Receive Diplomas This Thursday Night

The Class of 1939 of Carrizozo High School will receive their diplomas in exercises to be held this Thursday evening at 8 p.m., in the Junior High auditorium.

M. F. Stubbs of New Mexico Institute of Mining and Technology at Socorro, N. M., is the commencement speaker.

Opal McBrayer will play the professional and recreational at the piano. The girls' chorus, under the direction of the music teacher, Richard Carbajal, will sing "He."

JOSEPH VERNON PETTY JR. Class Salutatorian

Joe, who plans to enter the New Mexico Institute of Mining and Technology at Socorro this fall, won a certificate from that school, which in monetary value amounts to about \$1,000.

Commencement. When the senior's name is called, the parent will step forward to award the diploma.

Mrs. Catherine Cornett, Mrs. Alice King, Mrs. Zane Petty, and Mrs. Ruth Rickerson, will award the diplomas to Eddie Bob Hemp-hill, Mary Alice King, Ralph Petty, Jr., and Harry Rickerson.

Marilyn Harkey will receive a scholarship to New Mexico State University in the Physical Science Laboratory. Marilyn is valedictorian of the class.

Joe Petty, salutatorian, is to receive a scholarship to the cooperative program at New Mexico Institute of Mining and Technology at Socorro.

Clara Nell Burns is being awarded an activity scholarship in music at New Mexico Western.

Capitan to Have Three-Day Rodeo

The fair grounds in Capitan will be the scene of a three-day rodeo, July 3, 4 and 5. The event is being sponsored by the Capitan Chamber of Commerce.

Events and entry fees have been set up as follows:

- Calf roping (\$20).
- Bull-dogging (\$20).
- Bull riding (\$15).
- Bareback riding (\$15).
- Saddle bronc riding (\$20).
- Ladies barrel race (\$10).
- Added monies 10% of gate.

Troy Lard's famous rodeo stock, approved by the S. R. A., has been engaged for the rodeo.

Admission prices have been set at \$1.50 for adults; 75 cents for children.

A cowboy dance is to be held the night of July 4 at the old gymnasium in Capitan.

TO LEAVE ON EUROPEAN TRIP

Barbara Jean Brunum and Joy Dawn Reil are busy getting their necessary preventive shots, etc., before leaving for an extended trip to Europe about July 1. The girls will fly to London, then to Paris for a week. Countries on their itinerary include Italy, Switzerland, Germany and Spain—a trip of four to six weeks.

New County Sanitarian Comes from Santa Fe

J. G. Harris, Lincoln County's new sanitarian, comes from Santa Fe, where he has been connected with the State Health Department. He is a graduate of St. Michael's College, Santa Fe, with a bachelor of science degree. He is a native of Colorado.

Mrs. Harris, the former Lula Romero, was born in Dixon, N. M. The couple are making their home in Ruidoso.

Visiting Mr. and Mrs. Harris for at least part of the summer is their nephew, Johnny Brenner whose home is in Santa Fe.

Carrizozo Lodge Adopts Toy Project

Carrizozo Lodge of Odd Fellows has adopted a project to repair and distribute toys to needy children next Christmas.

The Lodge members will repair the toys after their regular meetings on Tuesday nights.

Anyone having unused toys or those that may need some repair or painting are asked to contact one of the Lodge committee—Euster Smeot, Bill MacVeigh, Tom O'Rear or Fred McDonald. They will call for the toys.

Carrizozoan, Now State Police Officer, Has Had His Share of Top Assignments

(Special to Lincoln County News) One of the four state policemen assigned to the Grants District is Patrolman Albert Vega of Carrizozo.

Vega, a member of the State Police for the past three years, patrols the area west of Grants and east of Prewitt.

Although Vega has been on the force a comparatively short time, he has had his share of big cases. One of his top assignments was when he arrested one of the FBI's "10 Most Wanted" men near Gallup.

Another case Vega worked on was the airplane accident which claimed the life of Mike Todd and three other persons near Grants.

Vega was the first person at the scene and handled the preliminary investigation of the fatal accident.

But along with the interesting assignments, Vega has had his share of routine calls.

"When I graduated from the State Police Academy they said I would live in my car," Vega said. "They weren't kidding."

Vega is currently on 24-hour assignment until more men can be added to the Grants district and patrol the highway at least 12 hours every day.

Vega has to keep his eyes alert

Mrs. Louise H. Coe On Tour of World Writes From Russia

Mrs. Louise Coe, who has been making a world tour, has remembered her many friends in Lincoln County with frequent letters and postcards. A letter written May 22, from Moscow, Russia, follows:

This is my last day in Russia. I have had a wonderful visit in three Russian cities. I flew from Vienna, Austria, to Kiev. This city is the capital of the Ukrainian Republic, located in a big farming area where wheat and grain are grown; also fruits. The apple, cherry, plum and pear trees have been in bloom all over Russia and I have taken some pictures of the orchards.

Most of the trees are young because during the war the trees were cut or destroyed. Lots of trees are being planted. I visited a large factory in Kiev where 2000 employees make synthetic rubber soles and heels for shoes. These are sent to 400 other factories in the country.

I also visited a school in Kiev. The schools in Russia are not divided as ours are, but the entire grades from the first grade through high school are in one building—boys and girls both attend the same school.

Age of beginning is 7 years. There is kindergarten school for the 5 and 6 year old children. Pupils usually finish high school at 17 years of age.

The streets in Kiev (1,200,000 people) were lined with chestnut trees and they were in full bloom; also lilacs, tulips, spruce, and other spring flowers were in bloom there and in other cities also.

I flew from Kiev to Leningrad, a city of 3,000,000 people and big industrial center, called the Venice of the North because Leningrad is built on more than 50 islands in the Neva River. There are more than 365 bridges in the city.

The weather has been cool in daytime, cold at night. The people are rather well dressed, tall, and good-looking on the whole. There were few cars in Kiev and Leningrad, but there are lots here. My guide says they are mostly not privately owned, but they are owned by enterprises; for example, "Intourist" owns cars. This organization receives all the tourists in each city, provides guides, cars with drivers, or sight-seeing buses for groups. I have seen groups from Finland, Peru, Cuba, and I am sure there are dozens of others.

From Leningrad I flew to Russian plans to Moscow. This city of 10,000,000 people is very lovely—hundreds of new buildings, mostly apartment houses from five to ten stories high. My hotel, completed two years ago, "The Uralian," accommodates 1500 guests. It is very nice, with good elevators and rooms with private bath. There are wonderful subways in Leningrad and here in Moscow; also, trams and buses.

I have been glitcheing every day with my guides, young ladies, graduates of universities who speak excellent English and are informed on all objects of art, public buildings, show parties, museums, etc. I visited the big department store here, GUMMA, three stories and huge. Everything too expensive to buy. I go to the theatre every night. (Very few people speak English, but many at universities are learning.) I saw Mr. Khrushchev, Mikoyan and three Afghanistan minister guests at the ballet here as I sat near their box.

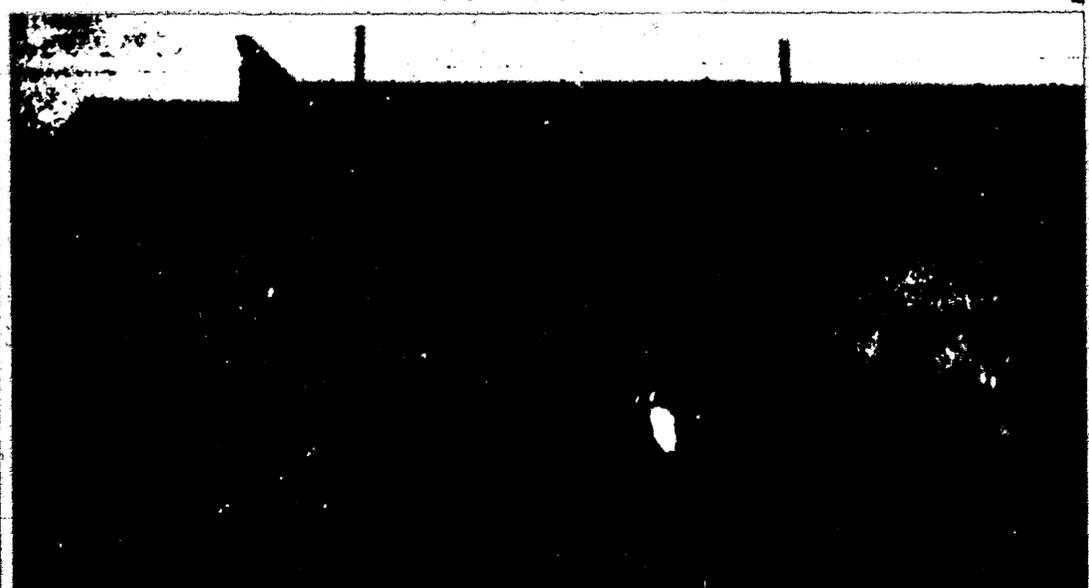

This trip to Russia has been very revealing. The people look and act like we or other people all over the world, with the same desire for peace that we have. This entire trip around the world has been marvelous—Japan, Hong Kong, Saigon, Bangkok, Karachi, Delhi, Mashair, Cairo, Athens, Vienna, Russia, Oslo, Copenhagen, Amsterdam, London to New York by jet plane June 4, then Washington and home June 12.

CARRIZOZO'S PUBLIC SCHOOL IN 1909

School children in Carrizozo attended this school building in 1909. The structure had a wooden floor, wooden frame, tin roof and the siding was canvas. The building was located in the block where the Ray Steiner home (left later) now stands. The school house was in the middle of the block. Fourteen pupils finished the eighth grade in 1914, including Rachel (Hughes) West, Beede (White) Beane, Alma (Roberts) Evans, Patsy (Johnson) Barnett, Howard Hall was the professor and Mrs. Hunt teacher.

Despite the long hours and other problems, Vega says police work is something he really enjoys.

See where the governors of eight states are going to Russia to see how the Communies run their regional governments. No doubt the Russians will also be glad to show how they run their free elections. Anyway, the hard-workin' governors should have a nice trip goin' an' comin' back.

An inveterate golfer came home to dinner. During the meal his wife remarked, "Junior tells me he caddied for you today."  
"Now that accounts for it," said the father. "I know I'd seen that kid before!"

### Capitan Thorium Mill Unique in Southwest

The New Mexico Economic Development Division in its May bulletin described the new thorium mill under construction in Lincoln County.

"This mill," the bulletin states, "is the only one of its kind in the Southwest. The 50-ton-per-day mill will extract thorium and rare minerals from ore located in the area."

"Planning for the mill began in 1954 and will culminate in processing operations which are to be initiated with the completion of the mill in July, 1959.

"Initial employment is scheduled for about 15 workers, although the plant is designed so that it may be expanded to produce several times its capacity."

### Visitors from Deming

Mrs. Esther Ruth Smith, formerly of California but now of Deming, and Mrs. Marshall, widow of the late District Judge Marshall of Deming, visited Mr. and Mrs. C. E. Degner and family last Sunday.

### Sewing with Wool Contest Now in Full Swing Over State

University Park, N. M. — New Mexico's "Make It Yourself With Wool" contest is now in full swing throughout New Mexico, according to Mrs. H. M. Corn, Roswell, state contest director.

The purpose of the contest is to encourage girls to sew with wool so that they may become experienced with the fabric—with its varieties, its characteristics, and with the best techniques for cutting, sewing, shaping, and pressing wool garments.

A contest for girls 14 to 22, it is conducted in the nation's 20 major wool-growing states. In New Mexico it is sponsored by the New Mexico Wool Growers Assn.

The state finals will be held at Eastern New Mexico University in Portales, November 21. State winners in the junior and senior divisions will receive expense-paid trips to the national finals in San Antonio, January 26, 1960. Grand prize winners in the national contest will receive expense-paid tours of the fashion capitals of the United States and Europe.

Following are the names of area contest directors, dates and places of the district contests:

District V: Mrs. Edgar L. Powell, Puerto de Luna; October 31; Vaughn; Torrance, Guadalupe and DeBaca.

District VIII: Mrs. Bob Callaway, Alamogordo; October 31; Alamogordo; Sierra, Dona Ana, and Otero.

District IX: Mrs. Charles D. Fuller, Roswell; November 14; Capitan; Chavez and Lincoln.

### Arkansas Legislator Visits in Carrizozo

Visiting in Carrizozo this week were Mr. and Mrs. Raymond L. Mays and son from Rison, Ark. They were guests of their son and wife, Mr. and Mrs. Raymond S. Mays. The latter is stationed at Red Canyon Range Camp.

Mr. Mays represents Cleveland county in the Arkansas State Legislature. He says Governor Faubus has strong support over his state in the integration issue and that Little Rock's four high schools are still closed.

Students are attending private schools which an act of the legislature has made eligible for state assistance.

Dr. Phillip J. Leyendecker

### To Lecture at N. M. Homemakers College

Dr. P. J. Leyendecker, assistant dean of agriculture at New Mexico State University, will use a well-selected group of brilliant color slides to acquaint his class at Homemakers College with the diversified native flora of New Mexico.

The class in native flora is one of the electives which homemakers may choose to round out their curriculum at the NMSU Homemakers College June 1-4.

Other elective classes are "Flower Arranging for Pleasure," "Trends in Building and Remodeling Homes," "How to Preside at a Meeting," and "At Home Abroad."

Dr. Leyendecker, who also heads the Department of Agricultural Services, has been with New Mexico State University since 1941. He is a native New Mexican.

### Eunice Scott to Wed Howard Wayne Gustin In Deming June 7

Mr. and Mrs. Noah A. Scott Sr. of Deming have announced the engagement and coming marriage of their daughter, Eunice Gene, to Howard Wayne Gustin.

The marriage will be at the First Baptist Church in Deming, June 7.

Howard Wayne Gustin was a 1957 graduate of Corona High School, and is pastor of a Baptist Mission Church near Deming. His wife is a church missionary.

"Judge Rules That Stop Sign Means Stop." — Headline. Judging by their actions, this is contrary to the interpretation of many drivers that it means slow down to 10 mph — If there's a traffic officer in sight.

"The Commerce Department announces that the national product reached a new high of \$467 billion in the first quarter of 1959." — News item. If we continue to become increasingly prosperous until this figure reaches \$1 trillion (\$1,000 billion), maybe we could afford to reduce the national debt by \$1 billion.

## Teensters Union No. 1

By PAM REID

See, we sure are busy around school—final exams and everything—but that's about over. Then summer will be here.

I got a letter from Corona the other day. She didn't want me to print the letter but she wanted to know when the dances were and if I would please put in my column when we would have one. Sorry, we won't have one this week because of Commencement, but may be next week.

Speaking of the teenage dances, did you know we might not get to continue them this summer? Mr. Mac is not going to be able to be our sponsor. Until we find one, we won't be able to have them.

Wasn't it nice having Mary and Bill Nickels with us for a few

### THE MATING SEASON

By Frank Alsop  
(poet, low-rate)

Has he gone berserk  
And like a soft headed jerk  
Promised his freedom to forsake?  
Then grab him and hop  
Down to Alsop's Cake Shop  
And order your own special cake

In his moment of weakness  
And absent mindedness  
Although he once was a rake  
Don't give him his head  
Take him instead  
To order an Alsop's cake

Something old and something new  
Something borrowed and blue  
A honeymoon cottage by the lake  
Marital bliss  
May start with a kiss  
But you'll need an Alsop's cake  
As the years go by.

You'll recall with a sigh  
The vows you induced him to make  
And that feeling of pride  
You'll be unable to hide  
When you remember your Alsop's  
cake

In Carrizozo you can order your  
cakes from Thornton's Grocery

## ABOUT PEOPLE

Mr. and Mrs. E. V. McKim of Osuro were Carrizozo visitors on Tuesday.

Mr. and Mrs. Louis Huffman report good luck fishing Saturday and Sunday at Elephant Butte dam. Born to Mr. and Mrs. John J. Dolan of Albuquerque at 6:02 p.m., Sunday, May 24, 1959, twin girls. ("Not as yet named... all well.")

The Lincoln County Clerk's office has issued a license to wed to Mary Lou Chandler, 17, and Ernest Arthur Rowlinson, 18, both of Hollywood, N. M.

To Ola Montoya Sanchez, 18, of Ruidoso, and Andy S. Roe, 21, of Tinnie.

To Louise Patricia Joiner, 17, of Hondo, and Terence (Terry) Leigh Racher, 22, of San Patricio.

To Lydia Romero Chavez, 18, of San Patricio, and Barney Benavides

days? I met them at the Rainbow installation and it was real nice seeing them again.

Speaking of the Rainbow installation, wasn't it just beautiful? Congratulations, Anne, on Worthy Advisor, and all the other girls who were installed.

I understand you Seniors had a wonderful trip. Good luck in the future.

We'll be seeing you.—Pam.

## Dorothy Ann Garrison Installed Worthy Advisor of Carrizozo Assembly No. 7

Dorothy Ann Garrison, daughter of Mr. and Mrs. Jess Garrison, was installed Worthy Advisor of Carrizozo Assembly No. 7, Order of the Rainbow for Girls, in a ceremony held at the Masonic Temple at 2 in the afternoon on Sunday, May 17.

Sandra Kaye King, outgoing Worthy Advisor, was the installing officer. She was assisted by Martha McKnight, Mrs. Eugene Garrison, Mrs. Jane Shafer and Mrs. Ethel Roberts.

After taking the oath of office Dorothy was escorted to the East by her father, through an archway formed by the Rainbow Girls, holding pink speckled carnations. These flowers were gathered up by her two small nieces, Linda Galding and Cherry Miller, and presented to Dorothy.

As the incoming Worthy Advisor reached the East, Margaret Stamps sang "He," accompanied at the piano by Mrs. Jane Shafer.

Other elected officers installed were Judy Stearns, Barbara Taylor, Jean McGwier and Frances Schlarb.

Appointive officers installed were Jean Gott, Dianno Shaw, Kathleen Ladd, Margaret Withers, Janet Greer, Brenda Kilpatrick, Ann Robinson, Era Dell Hemphill, Pam Reid, Nancy Hall and Gail Peebles.

Dorothy chose as her color coral; her watchword, faith. Her term was dedicated to her mother and father. Her Dad Advisor will be Mr. Jess Garrison.

Dorothy introduced her parents in the East and presented them with flowers and a gift as a token of her love and appreciation. Her three brothers and three sisters and their families were present at the ceremony and were introduced and made welcome.

Dorothy wore a beautiful net (bead white formal). The installing officer presented her with her gavel and in turn the junior Worthy Advisor was presented her white Bible.

Former past worthy advisors and two past mother advisors were introduced. A beautiful flag drill was exemplified by the girls at the conclusion of the installation.

Following the afternoon ceremonies refreshments were served in the dining room of the Masonic Temple. Coral and white accented the trimmings of the refreshment table.

A beautifully decorated cake, with the rainbow motif, and coral-tinted punch were served to ap-

proximately ninety guests present for the installation.

Miss Dorothy Ann Garrison, Sandra Kaye King and Mrs. Queenell Galding presided during the serving session. Guests were present from El Paso, Alamogordo, Deming, Silver City, Capitan, Ruidoso, Tularosa, Hondo, Ancho and Carrizozo.

## Sandra King Elected Rainbow "Girl of Year"

Miss Sandra Kaye King has been elected Rainbow Girl of the Year of Carrizozo Assembly No. 7, Order of the Rainbow Girls.

This honor is given to a girl each year who has done outstanding work in her Assembly.

She will be introduced in Grand Assembly, which is to be held in Alamogordo June 11, 12 and 13.

Miss King is the Junior Past Worthy Advisor and will be a Junior in Carrizozo High School this fall. She has been a member of the school band for several years and is an active member of the Methodist Youth Fellowship.

## OUR TOWN

By MRS. H. E. MARR

Mr. and Mrs. Bud Payne of Tularosa (former residents of Capitlan) are mighty proud parents, and we think rightly so. All four of their children won awards at the Award Night, Wednesday, May 20. Darlene (8th grade) received High Honor award and Perfect Attendance; Bonnie (6th grade) also received High Honor and a Twirling award; Curtis (5th) Perfect Attendance, and Sandra (3rd) High Honor award, Perfect Attendance and Twirling award.

Seems to us that Mr. and Mrs. Payne deserve an award also.

Billie Fitts (6th grade) son of Mr. and Mrs. Bill Fitts, received a High Honor award at the award night last Wednesday.

Measurement of the cotton acreage in Otero County started Tuesday and will continue until all the acreage has been measured.

The Lions supper and carnival drew a large crowd Saturday, May 5. In fact, the crowd was so large that the food ran out before everyone was fed. The cooks guaranteed this won't happen again.

The Lions are noted for their fine meals and this one was no exception.

The street dance that followed also drew a large crowd. It was a very fine ending to very fine Tularosa Festival.

The new city jail is now completed and will be ready for use this week end.

June is Dairy Month. During the month Dairy princesses will be chosen at local contests, then regional; finally, a state-wide contest. The state winner receives a \$500 scholarship to be used at any college in New Mexico.

To qualify for entering your local contests, girls must live on a dairy farm, or have that sort of background. They must be high school graduates and under 20 years of age; be single, and a resident of New Mexico for at least one year.

More details on the contest will be printed next week.

Mr. and Mrs. R. M. McNatt, Mr. and Mrs. H. E. Marr, Mr. and Mrs. Eddie Beyer of Tularosa and Mr. and Mrs. Tom Babers of San Patricio were Sunday guests in Mayhill at the Cleve Dockray home.

## Legion to Conduct Memorial Services

By IREN M. FRESQUEZ  
Publicity Officer

The American Legion Post 108 of Tularosa will hold Memorial Day services Saturday, May 30, at 9 in the morning. Assembly area will be at the front of the City Hall.

The color guard of American Legion members will be Rudy Terrazas, Gilbert Delgado and Jim Stanfill. The firing squad will be composed of members of the National Guard.

Raymond K. High, School Director of the Tularosa High School, will lead his band in some pieces especially selected for this occasion.

Harry Clifford will officiate for this ceremony. This year the salute to the dead will be at the grave of a World War I veteran. The deceased veteran's grave selected is that of Juanquin Chavez.

Rev. George Cook will give the invocation; Ricardo Guerra Sr. will be in charge of the floral ceremony; Nathan McNelly, superintendent of the Tularosa schools, will give the tribute; reading by Leonard Fribly; benediction by Father Celestine Chlun.

The National Guard will give the official salute to the dead, followed by taps by the band.

This event, undertaken by the American Legion annually, is considered one of the highlights of the year. The public is invited to attend and pay tribute to the deceased soldiers and veterans of this community.

## New Pastor for Tularosa Methodist Church

Rev. Noble Atkins, the new Methodist minister, conducted services at the Tularosa church and also at High Rolls this past Sunday.

Rev. Atkins comes to Tularosa from Belen. He has a wife and two children.

We welcome this new family to Tularosa and hope they like us and our town.

## Champion Store Being Remodeled for Market

The old R. D. Champion store building on Granada street is receiving a face-lifting. The entire front of the store has been torn out and the building is being done over, inside and out, in preparation for opening as a new Dill's Market.

Walter Dill of Alamogordo purchased the property several weeks ago.

## Rev. Grady McCullough To Teach at E. N. M. U.

Rev. Grady McCullough and family stopped in Tularosa last week for a short while. They were on their way to Las Cruces where they were to stay a few days with Mrs. McCullough's parents.

Grady will go on to S. M. U., where he plans to enroll for a six weeks' course of study before assuming his duties at E. N. M. U.

He will teach old and new Testament and philosophy and also will supervise the Wesley Foundation at E. N. M. U.

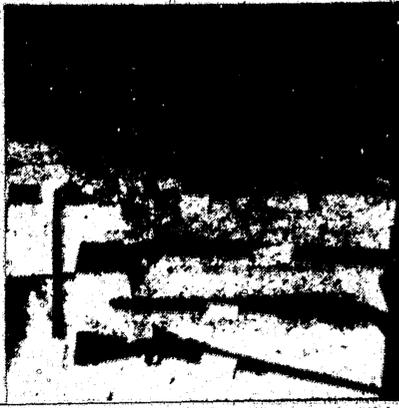

Rev. McCullough had been pastor of the Tularosa Methodist Church for five years.

## BOWLING LEAGUE CHAMPS

First place winners in the Striking Housewives Bowling League, "THE SIDEWINDERS". Left to right: Ruby Pipper, Mary Bradshaw, captain, and Shirley Cole.

## ANTIQUES ON EXHIBIT

Part of the antique exhibit displayed at the High School gymnasium—some of the features of the Tularosa Festival. The exhibit was by the Tularosa Farm Bureau.

ROSLYN BEYER with her trophy for high scratch and high handicap game in the second division, 193-244.

## Recreation Program Starts Next Monday

Tularosa's annual summer recreation program will get under way this year Monday, June 1. Director for this summer is Vince Budenholzer. He has directed the program, with co-director James Reynolds, since 1957.

Since that year the program has grown by leaps and bounds with over 400 boys and girls participating last summer.

New activities initiated in 1957 included free swimming for boys and girls of all ages at Holloman Air Base, and a 10-20 year old baseball team that won the Alamogordo league; also the formation of a four team Little League here in Tularosa.

In 1958, trampolining for boys and girls of all ages, including tots, was introduced, along with teenage skating and arts and crafts.

New activities planned for this year include a Junior High basketball league, tennis, ping pong and opening the school library periodically during the week.

Little League activities will be held until new lights are installed on a new Little League field planned for the southwest corner of the present athletic field.

The first week of the program will be limited to starting the Junior High basketball league and building a backdrop for the new field. Bleachers for spectators will also be moved to the new field.

When the field is ready, all school boys from the third through the sixth grades who have indicated interest will be contacted by postcard. These cards will explain when practice play will begin. Any adults interested in helping out with this league, please contact Mr. Budenholzer.

Holloman AFD has again been contacted regarding use of their pools for swimming. But due to overcrowded conditions at the base pools, the Tularosa summer program will not be able to use their pools as in the past. Efforts are now under way to work out a program with the Alamogordo municipal pool.

If these arrangements can be made, swimming will begin the week of June the 8th.

## CLUBS AND ORGANIZATIONS

### Thursday Bridge Club

Members of the regular Thursday Afternoon Bridge Club were guests Monday, May 23, at a luncheon at the home of Mrs. G. V. Clayton. This was a farewell party for Mrs. Don Phillips who is planning to leave soon.

After the luncheon, the guests played bridge. Mrs. Charlie Ferris won first and Mrs. Harry Clifford second.

The members presented a gift to Mrs. Phillips. Mrs. G. D. Stewart was unable to attend and Mrs. Pat Murphy was a guest in her place.

### Husbands Entertained by School Mothers' Club

The Mothers' Club entertained their husbands with a dance Saturday night at the Parish Hall. They served punch and dips and a lovely time was reported by all.

The St. Francis Parochial school held its end of the school term party Friday afternoon, May 22, at the school.

The mothers of the pupils served refreshments.

### Ladies Spend Week End at Holy Cross Retreat Home

Several ladies from here spent the week end in Mesilla at the Holy Cross Retreat Home.

There were 67 in attendance, representing 17 churches. This is a study group that is held every year. Rosa Valdez, Rosa Diaz, Paulina Garcia, Susie Terrazas and Mrs. Edward Silva attended from Tularosa and Mrs. Elena Gabaldon from Bent, N. M.

### Party-A-Month Club

Mrs. Stella Mitchell hosted the Party-A-Month Club on Saturday night, May 23, with dinner and bridge. Billie Mitchell was a guest.

Family prizes went to Mr. and Mrs. John Hall, first, and Mr. and Mrs. Ralph Sippers, low. Other prize winners were Mrs. Jessie Gullion, high, and Mrs. C. R. Jeffries, low.

The Party-A-Month Club was started in Tularosa about thirty years ago. Several of the original members are still active in the club.

### Birthday Celebrants

Jackie Suska, son of Mr. and Mrs. John T. Suska, celebrated his fifth birthday Thursday, May 21, with a party for all the neighborhood children. Jackie left Monday with his grandmother for Chicago to spend a month.

Little Miss Karen Klump, daughter of Dr. and Mrs. E. J. Klump, celebrated her sixth birthday Saturday, 23. Twenty guests were present to help Karen celebrate by playing games, having their pictures taken and, of course, to help eat the ice cream and cake.

## Services Tuesday for Tularosa Youth

Tragedy struck in Tularosa Saturday night when Andy Sanchez, 17, was struck and killed by a large truck as he walked along the highway east of town.

Andy was a Junior in high school and was working for the summer at the new Kidd's grocery. He was the son of Mr. and Mrs. Tony B. Sanchez of Tularosa.

He is also survived by four brothers, Tony, Alfonso, Eddie and Dickie and a sister, Anna Marie.

Rosary rites were conducted at the Sanchez home Tuesday night and funeral mass was at the St. Francis de Paula Church at 9 a.m. Wednesday. Burial was in the Tularosa cemetery.

Pallbearers were chums of Andy: Raymond Torres, Tony Cordova, Roy Delgado, Reynaldo Cordova, Tony Torres and Danny Salas.

## Farm Bureau to See Films on Europe

The Tularosa Farm Bureau will meet Tuesday, June 2, at the Lions Hut. The board of directors are to meet at the Ship Ahoy dining room at 8:30 p.m. and the regular meeting will start at 7:30 p.m.

Mr. and Mrs. Guy Grant of Alamogordo will show pictures of their European tour last summer.

A vote is to be taken on the manner of financing the new Farm Bureau building. Every Farm Bureau member is urged to be present at this meeting.

## MEN'S CLOTHING EXPERT TO SPEAK AT NMSU

University Park, N. M.—Irving Schwartz, executive with the Populart Dry Goods Company, El Paso, Texas, will address a New Mexico State University Homemakers College class here June 2 on "Men's Clothes and the Occasion." His lecture will be documented and illustrated by actual fabrics and models.

Schwartz is well-known in the men's apparel industry, particularly for his research work in connection with operation costs.

A resident of El Paso since 1907, he is past president of the El Paso Rotary and chairman of the building committee of Temple Mt. Sinai. His present civic interests include presidency of the board of El Paso Public Library System for many years; membership on the executive board of the Yucca Council, Boy Scouts of America, and holder of the Silver Beaver Award.

The Homemakers College class which he will address is in the clothing and home furnishings division, one of six majors being offered at this year's college. Mr. Schwartz will discuss wardrobes, clothing, budgets, fabrics, materials, workmanship and quality, and cleaning. He will also demonstrate what should be worn for various occasions, proper fitting of garments, and preview some of the latest style trends.

Other clothing and home furnishings division class topics will be "What's New in Consumer Cottons," and "Modern Trends in Floor Covering."

## THE POULTRYMAN LOOKS AT NEW DEVELOPMENTS

Hardly a week goes by that we don't hear of something new in the poultry industry. This is sure to happen in an ever-changing, nothing's impossible industry. The poultryman hears of cages, integration, started pullet programs, electronic grading, slatted floors, and many more items.

Anyone in the poultry industry should look at these possible changes with an open mind. The successful operator will examine each development carefully to see how and if it will fit into his operation so there will be an improvement. The efficient farm manager must make wise decisions that will not be costly.

Here are several suggestions:

1. Re-examine the poultry operation from time to time to insure that it is operating as efficiently as possible under existing conditions.

2. Don't buy a pig in a poke. Investigate any new item or proposition, and understand any contract. It's too late after you have signed an agreement.

3. Efficiency is the watchword—that means, aim to cut costs as low as possible wherever you can.

4. Proper management and taking heed of the above factors will allow an efficient operator to survive. Big business won't take over the entire industry.

## ANCHO

J. N. Johnson of Phoenix, Ariz., visited Ruth and Walt Wilson the past week end.

Mr. Nowl of Albuquerque filled the pulpit at the Ancho service Sunday. He was accompanied by his wife and son.

Mr. and Mrs. R. E. Ralinger were Ancho visitors Monday.

Mr. and Mrs. Charley Wilson returned from Tucson. Mrs. Wilson was a patient at the medical clinic while there.

Leon Elliott of Lubbock was a visitor at the Miller Dairy. He was present at his brother Gary's eighth grade graduation. Gary returned to Lubbock for a few weeks' visit.

Mrs. Phyllis Munoz, daughter of Mr. and Mrs. Paul Palomarez, has returned to San Francisco, Calif., after a visit with her family.

Mr. and Mrs. B. A. Hightower, Mr. and Mrs. J. A. Hightower, Mr. and Mrs. Walt Wilson and Mrs. Howard Harkey attended Mrs. T. E. Kelley's recital last Sunday. Gary Hightower is one of Mrs. Kelley's pupils.

Miss Marilyn Harkey went on the Senior trip.

Mr. and Mrs. T. A. Knight attended the Bosque Farm's rodeo last Saturday. Tom won first place in the registered horse barrel race, riding "Pay Dirt"; third place in "reining," riding one of Mrs. Dunling's registered horses, and sixth place in roping. He drew a rough calf to tie. He won a beautiful trophy for first place and ribbons for second and sixth.

The first church organ to be used in the United States was carried in an ox-drawn cart from Mexico City to the Indian pueblo of San Felipe in New Mexico around 1605. A Franciscan friar, Fray Cristobal de Quinones, used the organ in his mission church and trained an Indian choir to sing.

## Where to Dine and Dance When Visiting in Juarez

ANOTHER IMPRESSIVE NAME in the annals of the entertainment world opens at La Nueva Cucaracha in Juarez this Friday. "The Three Suns," America's favorite trio, will open a limited two-week engagement starting May 29. Artie Dunn, leader of the group, is the originator of the famous Dunn favorites. An accomplished organist, Artie is arranger for the outstanding numbers and songs in which he is joined by Johnny Romano, accomplished guitarist and comedian. He is the latest member to join the group. Tony Lovello, the third member of the group, has been building his name as the "World's Greatest Accordionist." His finger dexterity is amazing and the tones he brings out leave an audience spellbound.

RAFAEL SAMPEDRO, the Alcazar's general manager and host, is expected back from his honeymoon very shortly. His absence has been noticeable, as for some reason the usual happy and carefree atmosphere is not there. The food, however, is always excellent, which is the reason this restaurant is among the best in Juarez. Good drinks, courteous service and reasonable prices—all anyone can ask for. Try this family restaurant the next time you are in Juarez.

A CORRIDO OF PRIME IMPORTANCE in the tauroine world is the event for this Sunday, in the world's most comfortable bullring, Callesero and Luis Procuna, two names that need no introduction, will vie in a "matzo-mazo," fighting six bulls from the Tequilaquin herd. Due to the tremendous demand for tickets, a few reserved seats are being put aside for people from out of town who cannot get to the bullring offices in time to get their tickets. This Sunday the best cartel in the world, at Monumental Bullring, where you see authentic bullfights, the best bullfighters and the best bulls.

A motorist was going the wrong way down a one-way street and he was stopped by a policeman. "Where do you think you're going?" the officer growled. "I don't know," sighed the motorist, "but I must be late. Everybody seems to be coming back."

"How much longer," the little boy inquired, "will I have to eat spinach to be able to talk anybody who tries to make me eat spinach?"

**RUIDOSO DOWNS TO OPEN THIRTEENTH SEASON OF RACING ON FRIDAY, MAY 29**

Ruidoso Downs will open its 13th season on Friday, May 29. The meet consists of 49 days—with racing every Friday, Saturday, Sunday and holidays — through the middle of September.

This year the 'Downs' will again offer another new look to the racing public. The grandstand, which was the last remnant of the old original track, has been replaced by a new and larger modern concrete and steel structure.

The new stand was designed by Gene Hensley and offers the racing

public more freedom of movement than any other stand in the Southwest.

The old concession stands were also thrown in the trash pile and these have been replaced by new ones with double their former capacity.

Along with the new physical structure, a new method of wagering has been added in the 12th race called the "Quinola." This is very similar to the daily double—only the better tries to pick the horses that run 1-2.

**Sponsor Entertains Bowling Team at Nob Hill Restaurant**

Saturday, May 23, Barney Hayes of the Hayes Plumbing Co. on the Bonito entertained the team he sponsored the past year in the Men's League at the Leck's Lanes bowling alley in Ruidoso.

The team members and their families enjoyed a delicious dinner at Nob Hill and also had a nice time talking over the first place trophies won by the team.

Those attending were the Hayes family, Mr. and Mrs. Barney Hayes, their daughter, Mrs. Weldon Millap and daughter Cathy who are visiting from Lovington, daughters Sharon and Sandra, Johnny Dale, Linda Witham, Mr. and Mrs. Sam Sinclair, Mr. and Mrs. Jim McEuen and Corky and the F. B. Lindmoods.

**DIAMOND DUST**

By J. S. C.

The Fort Stanton Cubs finally awakened from their Rip Van Winkle slumber and left their hibernation lair to win their first game of

this hectic season, from the Hollywood Fruitgrowers, by the score of 16 to 10. Hurray!

The game was a nip and tuck affair, so we'll not give you a play-by-play description of the same, but attempt to present the highlights as we saw them.

The hitless Cubs of previous games went on a wild batting rampage that meant doom to the Fruitgrowers from the very start.

Meraz and Dalton carried honors with their dynamite-laden bats. The former got 5 for 5. Dalton got a single, two 2-baggers and a triple. Aldaz and Montoya had three singles each.

**Awards Presented in Striking Housewives Bowling League**

The Striking Housewives bowling league held their banquet Wednesday, May 13, at the Ship Ahoy dining room.

The "Sidewinders" were in first place and each member, Mary Bradshaw, Ruby Pipper and Shirley Cole received a trophy.

Lyla Willets received a trophy for high game and series in first division (210-535), also for second high game with handicap and high average.

Three were tied for second place with a 199—Dolores Nelson, Sibyl Featherling and Shirley Cole.

In the second division, Roslyn Beyer received a trophy for high scratch and high handicap game with a 193-244. Second high scratch and handicap game went to Billye Hall with a 184-237.

The Headpin Hurlers received money for high scratch series.

Oulta Shockey received a trophy for most improved bowler by bringing her average up 22 pins during the season.

"The Gutter Dusters," Shirley Yast, Bonnie Koenig and Lucille Marr, received cash for second place and the "Batting Biddies" for third place.

series, Droopy Fours, 1977.

Spitsa Converted — Lillian Eldridge, 5-0; Bennie Filppin, 4-5-10; Betty Rader, 3-5-10; Jerry White 5-0; Lula Anderson, 4-3.

**PITCHERS GO THE ROUTE**

Aldaz went the route for the Cubs, struck out 12 batters and walked only one. Dalton saved the day for the Bears with four difficult catches in center and missed only two, a home run by Estón in the third with one aboard, and also a towering fly which landed in a tree.

We made six errors, but with 18 hits and a sacrifice, they did no damage. Escobedo also made a good catch in left and as a result two men were left stranded on base.

Marshall also went the distance for Hollywood, and to add to his downfall, he walked four, the first time forcing in No. 1 run for the Cubs in the first inning. He struck out seven and four errors by his teammates were no help.

Montano of the Fort batted in two runs in the sixth, with a 2-bagger. A. Gutierrez played the hide-ball trick on Oney in the 6th, after he had taken first by being hit by Aldaz. As soon as he stepped from the bag, Gutierrez put the tag on him. He had misfortune again in the 8th and had to be given first aid by Manager Vigil for a badly split index finger. He swung at a close ball and the impact was so great that the ball rolled foul clear to first base. He hit the ball with his hand, instead of the bat. It wasn't serious, how-

ever, and he finished the game at first base.

Umpires: Henderson, plate; Jack, bases; Chavez, scorer; Boy Henderson, bat and water bag.

The team as a whole, Henderson and Chavez wish to thank Emma Baker, Gene McCommas and Bill Zink for the group pictures taken after the game and also the girls for their palatable refreshments at their stand.

Some of the fans accused us of misrepresenting and are still clamoring as to why the movie stars of glamorous Hollywood did not appear in Fort Stanton last Sunday. Sorry, girls, but we will not relax in our efforts to bring such celebrities to your doorstep.

We can make a real effort in the future to round up a wholesome bunch of long-trussed "pachucos," with sideburns adorning their cheeks like halters in a caravan of Arabian camels — those sparkling blue crosses tattooed between their penetrating dark eyes are symbols of divine wisdom and courageous determination (with link chain).

As for those disgruntled male fans, we will hang in effigy Marilyn Monroe, Jane Russell and Jayne Mansfield, along the screen, from first, around the catcher's box and to third base. In left field we'll have Lon Chaney, Cleopatra in center, Frankenstein in right — and throw in a good calypso band for good measure!

A last word from your sponsor: Please patronize the girls' stand, for sandwiches, cold drinks, candies and chewing gum.

**Remember When?**

Bitter rivalry existed between Alamogordo and Carrizozo in baseball way back in the early 20's. The former had a fine array of baseball players and always gave Carrizozo a hard-fought battle, but try as they might, always come out on the short end of the score.

The elite of Alamogordo finally resolved to humiliate Carrizozo at any cost. They hired a southpaw pitcher from as far as Kansas City, by the name of Cox. The Carrizozo rooters nicknamed him "Bacony" at first sight, for he was a very chubby, sandy-haired gladiator who tipped the scales at 200 pounds or better.

The fracas was scheduled for Carrizozo on Sunday afternoon. A

DISCHARGED: Dolores Trujillo.

James Munson of Roswell visited J. H. Harrison in Main 1 here on the 23rd.

Harry Porter of No. 12 left on the 25th for Hobbs and Lovington on a furlough.

Mr. and Mrs. Juan Farmer, Mr. and Mrs. Benny Garcia of Roswell visited their daughter and sister, Juanita Mirabal, last Saturday.

Mr. and Mrs. Antonio Barreras, daughter and Juan Telles of Mountainair were here last Sunday for a short visit with Juan Barreras.

Ladislado Elizalde had as visitors Mrs. Elizalde, daughter and son, from Deming last Sunday.

Peggy Fort left for Albuquerque Monday to undergo surgery.

Mr. and Mrs. Henry Matthews of Belen were here Monday, spending their time with their friend, Mr. Brown of No. 4.

Rev. Charles W. Dawson takes great pleasure in conducting the bingo games every Sunday evening. Some one wins every time and sometimes there are two and three lucky cards.

Gene McCommas left Monday for Albuquerque where he will be for two weeks, after he undergoes surgery. Lilly accompanied him.

With the exception of 22 cabins, the "Little Village" on the hillside has disappeared from Fort Stanton. The biggest part of the cabins were removed to the White Sands Missile Range. Only the trees, flagpoles, fire hydrants and concrete steps leading up to each row of

two-coach special of the E. P. & S. W., decorated with bunting and streamers, rolled into the depot Sunday morning and was spotted on a siding. The baseball team, dignitaries and fans alighted amidst the blare of a small band, songs and much ballyhoo.

We will not go into details, but the "Wrecking Crew" boys were on keen edge, and when the dust of battle had cleared, Baloney and teammates were beaten 6 to 2. The coffers of the Lincoln County loyals had been fattened also at the expense of the Alamo players and fans.

Not to be outdone, we too hired the special for the return contest. We were not overly confident, for we only had Harry Norman to rely on with the pitching burden. Conductor Dolan was out on his run to Duran and Hightower of Fort Stanton was laid up sick.

They were fine sports and gave us a good welcome when we arrived. The only Alamogordo regulars in their lineup were McRae, the Gillises and Rolland. The rest were Gomez, Vandewater, Leyva, Loya, Minjarez and Medina of El Paso and Juarez.

Baloney began the firing, but when we scored one run, Gomez took over and was followed by Leyva who held us in check throughout the melee.

Norman was off form and flittery from the start and had trouble finding the plate with his fast ball and baffling curves. Relly booted and fumbled the ball at short, very unusual for that brilliant infielder. They had their revenge at last, by trouncing us 7 to 1. Not much money changed hands, for our bettors became owl-wise when they saw what we were up against.

cabins remain as reminders of the once-bustling village. A silent dinner and curfew bell still hangs on the wing of the Administration Building. Some of the remaining cabins are living quarters for a few single male employees; the rest of the cabins are vacant.

Mrs. H. J. Carlisle, son Tommy and Jerry, were here from Fortales on May 20 to visit their husband and father.

Donato Velasquez was here this week from Clovis and returned accompanied by his wife who will spend a week at home.

John Smith was called to Abilene, Texas, due to the serious illness of his mother, leaving for there the 21st.

Bill Privette of Albuquerque will be here to interview Irene Sanchez, Josie Solis and Emma Baker, who will appear on the rock-n-roll program on KOAT-TV, Channel 7, Albuquerque.

Rosita Zamora and Ramona Montoya are home on furlough to see their children graduate from school.

Los Amigos Club met with 42 members present. The business consisted of a discussion on the Talent Show. Prizes will be awarded for the best talent presented.

Josie Solis and Irene Sanchez attended the high school graduation in Capitan, where Tommy Salabiye of Fort Stanton was one of the Seniors.

Mrs. Lacy, our school teacher, is spending two weeks in Socorro. Mr. and Mrs. Cruz Gutierrez were visitors in Truth or Consequences on the 17th. Cruz works in the laundry here and she is a nurse's aide.

Mr. and Mrs. Fileman Montano were here from Las Vegas to visit their daughter, Carmen. Their son, Max, who had been on furlough, returned with them.

Joe S. Chavez acknowledges the receipt of a nice letter from W. P. Dolan of Tucuman, Pat is one of the old-time greats of baseball in Lincoln County and was considered one of the best pitchers in the entire Southwest. He has retired from railroad and he and Mrs. Dolan own a beautiful home there.

Thanks a lot Perry Zamora, for your subscription to the Lincoln County News. How is the glue working in your baseball glove, and did you divide it with the other boys?

There are horseshoe pitching courts and an outdoor shuffleboard court on the grounds in front of the O. T. department, but the consensus of the majority of the men is that they would rather crochet, knit or embroider. OK, Ciss and Goldie, fetch us the yarn, thread and hooks! Also six hard-boiled eggs, salt and darning needles for Smitty, Barreras, Marquez, Edmondson, "Chales," and last, but not least, Navajo Padilla.

Virgil Foley is a barber by trade; Bill Zink, a photographer; Joe Wagers, a wizard on crossword puzzles; Steve is another "Lucky Luciano" in promoting pools for the different sports events. Carlisle and Hicks are old baseball scouts and they have a full view of the diamond from their windows. We challenge the other wards to equal our talents, (but make an exception of the "the girls" ward, for we have no idea what their talents are.) Peggy is their chaperone and they call her "Mama" and other endearing names.

**No one could see it**

Copper from Low Grade Ore? It was hard to imagine its value in 1906. This was the year when John M. Sully, a young mining engineer, surveyed the claims of the Santa Rita Mining Company for investment possibilities.

In 1906 with the survey completed, Sully reported to his backers that the large deposits of ore averaging two per cent copper could be developed profitably. No one had the vision to see what Sully saw at Santa Rita. At that time, copper was being mined only from high grade underground mines containing 10 per cent or more copper.

After considerable effort the young engineer interested Albert C. Burrage, President of the Santa Rita Mining Company in the venture. The two men tried unsuccessfully to get financial backing. Stockbrokers were unimpressed.

Other efforts proved futile until Burrage persuaded H. H. Rogers, another stockholder of the Santa Rita Mining Company that Chino was worth investing in. May 24, 1909 was the day set for signing papers. At 6 a.m. on that day Rogers died. In great disappointment, Burrage dropped his option two days later.

Sully reopened negotiations with one of the brokers, Hayden-Stone, who picked up the options. In June, 1909 the Chino Copper Company was founded... the company that later became the Chino Mines Division of Kennecott Copper Corporation.

This called for an original investment of \$400,000. In this 50th anniversary year of the Chino Mines Division, Kennecott Copper Corporation will spend more than \$5,000,000... more than five times the original investment... on major improvements at its New Mexico operations. In addition it will continue to pay good wages, buy supplies and make tax payments... all of which are helping to build a better New Mexico.

**AVENUE "G":** From the North line of Eighth Street to the South-westerly line of U.S. Highway 380  
**AVENUE "H":** From the North line of Eighth Street to the North line of Sixth Street

**II. Character of Improvements**  
Except as shown on the plans and specifications filed in the office of the Town Clerk, the character of such improvements shall be more particularly as follows:  
Paving and street improvements to consist of necessary street and roadway excavation, fill, grading, shaping, draining, drainage structures and appurtenances, adjusting sewer manholes and water works and gas system valve boxes to finish grade, the construction of driveway and alley approaches; the construction of concrete curb and gutter 24" in width and 12" in height or depth; the construction of a flexible base course of 6" compacted depth composed of crushed stone, caliche and binder material; the construction of a pavement wearing course approximately 1 1/2" in thickness composed of a mixture of asphalt, crushed stone and mineral filler, such wearing course or surface to be either hotmix asphaltic concrete or triple inverted penetration, said pavement to be 41 ft. in width.

Such improvements will more particularly be as shown in the plans on file in the office of the Town Clerk, all of which are deemed by said engineer and the Town to be essential to the construction of said improvements.  
The estimated total cost of said improvements, including engineering, legal and incidental expenses, is \$289,623.48 of which it is estimated that none will be defrayed from sources other than special assessments and \$289,623.48 will be assessed against the property abutting said streets on a front footage basis; provided that where the side of a corner lot or parcel abuts a side street so to be improved, such corner lot or parcel shall be assessed in proportion to all of its abutting frontage, if any, in the same manner as other lots and parcels in the District; provided further, that an equitable adjustment will be made for assessments levied

against any irregular lots or lands so that the assessments according to benefits are equal and uniform.  
All persons interested are hereby advised that the plans, plats, typical section, preliminary estimate of the total cost, the description of the property to be assessed, the portion of the cost to be assessed thereagainst and the maximum amount of benefits placed or parcel of property are on file in the office of the Town Clerk and may be inspected by any property owner, or other interested person, during regular office hours.  
On Thursday, the 18th day of June, 1953, at 7 o'clock P.M., at the Town Hall, in the Town of Carrizozo, New Mexico, the owners of the property to be assessed, or any other persons interested therein, may file a written protest or objection, and may appear before the Board of Trustees and be heard as to the propriety and advisability of making such improvements, as to the cost thereof, as to the manner of payment thereof, and as to the amount thereof to be assessed against the property to be so improved.

The Board of Trustees requests that any property owner or interested person wishing to make protest or objection, make such protest or objection in writing at the office of the Town Clerk before the time set for such hearing. Any person filing a protest or objection, as aforesaid, shall have the right within thirty (30) days after the Board of Trustees has finally passed on such protest or objection to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination, but thereafter all actions or suits attacking the validity of the proceedings and the amount of benefits shall be perpetually barred.

After such hearing, said Board of Trustees shall determine as to the advisability of so improving said streets and parts thereof, and shall determine the kind and character of such improvements so to be made, and shall proceed to advertise for bids for the doing of the work therefor, and shall enter into a contract for the doing of such work and the furnishing of all necessary materials to the lowest responsible bidder.  
After the making of such contract, said Board of Trustees shall determine what portion of the cost of such work, including incidentals, shall be paid by the property especially benefited, and assessments shall be levied in accordance with the laws of the State of New Mexico. In no event shall the assessments exceed the estimated benefits to the property assessed. The Board of Trustees shall provide that the assessments may be payable without interest or demand, at the election of the owner, or in twenty substantially equal semiannual installments of principal. The Board of Trustees shall also provide the time and terms of payment of such assessments and the rate of interest upon deferred payments thereof, which rate shall not exceed eight per centum (8%) per annum, and shall fix penalties to be collected upon delinquent payments.

By order of the Board of Trustees of the Town of Carrizozo, New Mexico.  
DATED this 25th day of May, 1953.

## LEGAL NOTICES

### TO THE RESIDENTS OF THE TOWN OF CARRIZOZO:

A large number of complaints are being registered because of dogs being allowed to roam the streets and alleys:  
Article 6, Chapter 4, Section 6-4-6. Municipal Code, provides as follows:  
"Running at Large Prohibited: It shall be unlawful for any owner to allow or permit any dog, whether licensed or not, to be or remain upon the streets or alleys of the Town or in any public place in the Town, or upon any other premises without the consent of the person in possession of such other premises."

against any irregular lots or lands so that the assessments according to benefits are equal and uniform.  
All persons interested are hereby advised that the plans, plats, typical section, preliminary estimate of the total cost, the description of the property to be assessed, the portion of the cost to be assessed thereagainst and the maximum amount of benefits placed or parcel of property are on file in the office of the Town Clerk and may be inspected by any property owner, or other interested person, during regular office hours.  
On Thursday, the 18th day of June, 1953, at 7 o'clock P.M., at the Town Hall, in the Town of Carrizozo, New Mexico, the owners of the property to be assessed, or any other persons interested therein, may file a written protest or objection, and may appear before the Board of Trustees and be heard as to the propriety and advisability of making such improvements, as to the cost thereof, as to the manner of payment thereof, and as to the amount thereof to be assessed against the property to be so improved.

The Board of Trustees requests that any property owner or interested person wishing to make protest or objection, make such protest or objection in writing at the office of the Town Clerk before the time set for such hearing. Any person filing a protest or objection, as aforesaid, shall have the right within thirty (30) days after the Board of Trustees has finally passed on such protest or objection to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination, but thereafter all actions or suits attacking the validity of the proceedings and the amount of benefits shall be perpetually barred.

After such hearing, said Board of Trustees shall determine as to the advisability of so improving said streets and parts thereof, and shall determine the kind and character of such improvements so to be made, and shall proceed to advertise for bids for the doing of the work therefor, and shall enter into a contract for the doing of such work and the furnishing of all necessary materials to the lowest responsible bidder.  
After the making of such contract, said Board of Trustees shall determine what portion of the cost of such work, including incidentals, shall be paid by the property especially benefited, and assessments shall be levied in accordance with the laws of the State of New Mexico. In no event shall the assessments exceed the estimated benefits to the property assessed. The Board of Trustees shall provide that the assessments may be payable without interest or demand, at the election of the owner, or in twenty substantially equal semiannual installments of principal. The Board of Trustees shall also provide the time and terms of payment of such assessments and the rate of interest upon deferred payments thereof, which rate shall not exceed eight per centum (8%) per annum, and shall fix penalties to be collected upon delinquent payments.

By order of the Board of Trustees of the Town of Carrizozo, New Mexico.

### NOTICE OF PUBLIC AUCTION OF STATE LANDS LINCOLN COUNTY

SALE No. 3224  
Office of the Commissioner of Public Lands  
Santa Fe, New Mex.  
Notice is hereby given that pursuant to the provisions of the Act of Congress, entitled Enabling Act for New Mexico (36 Stat. 557) approved June 20, 1910, the laws of the State of New Mexico, and the rules and regulations of the State Land Office, the Commissioner of Public Lands, subject to the conditions hereinafter set out, will offer for sale at public auction, to the highest and best bidder at 11:00 o'clock, A.M., on July 7th, 1953, at the front door of the County Court House in the City of Carrizozo, New Mexico, subject to existing rights, easements, rights of way, lease or leases, if any, the following described state institutional lands, to-wit:  
SE 1/4 NW 1/4 of Section 36, Township 4 South, Range 15 East, N.M.P.M., containing 40.00 acres, more or less, according to the government survey thereof. This parcel of land is located approximately 30 miles southeast of Corona, New Mexico, and 40 miles northeast of Carrizozo, New Mexico.  
Said above-described lands have been appraised at \$40.00 per acre and no bids for a less amount will be considered.  
Any person desiring to qualify as a bidder, other than the applicant who has requested said lands to be offered for sale and who has complied with the rules for so doing, is required to deposit with the Commissioner of Public Lands, or his agent conducting the sale, prior to the hour set for the sale, the sum of \$203.00 to cover the cost of appraisal, advertising, filing fee and other expenses connected with such sale. An advance payment of 5% of the appraised value of the lands will also be required to be deposited as evidence of good faith, and not to be refunded if party or parties be highest bidder for lands offered for sale. Deposits shall be in cash or in the form of a certified check drawn to the order of the Commissioner of Public Lands. All deposits made by unsuccessful bidders shall be refunded.  
The purchaser at the time of said sale will be required to pay five (5%) per cent of the amount bid, less the 5% appraised value deposited in advance. The balance of the purchase price will be payable in thirty (30) years with interest on all deferred payments at the rate of four (4%) per cent per annum in advance.  
All minerals of whatsoever kind, including oil and gas, are reserved to the State of New Mexico.  
The right to reject any and all bids is expressly reserved and no sale shall be effective unless and until approved in writing by the Commissioner of Public Lands.  
Detailed information concerning this offer of sale, the lands involved, and other matters related thereto may be obtained by writing to the Commissioner of Public Lands, State Land Office, Santa Fe, New Mexico.

## WHAT TO DO IN REPORTING A FIRE

Corona has a new fire alarm system. In case of fire you should phone 8385, then hold receiver until fireman answers, then tell him where the fire is.

Dialing 8385 will set off the fire alarm. The old fire boxes will no longer work, and will be removed soon.

Your cooperation will be appreciated by members of the Fire Department.

## Two Corona Students To Receive Degrees

University Park, N. M.—Two Corona students at New Mexico State University are among 200 candidates for degrees at spring commencement Saturday, May 30.

They are Louell Mays Cole and Patricia Crow Bagley.

Mrs. Cole is the daughter of W. A. Mays of Corona and a graduate of Corona High School. She is a candidate for the degree of bachelor of science in home economics.

Mrs. Bagley is a 1933 graduate of Corona High School and the daughter of Mr. and Mrs. Harry P. Crow, Corona. She is a candidate for the degree of bachelor of science in home economics. While attending New Mexico State she has been active in numerous college organizations.

New Mexico State's spring commencement, one of three held annually by the university, will begin at 8 p.m. May 30 in Memorial Stadium. Dr. Donald C. Moyer, executive secretary of the state Board of Educational Finance, will be commencement speaker.

Rev. and Mrs. Bill Lytle have been in New Jersey with Mrs. Lytle's mother who has been very ill. They will return by way of Pittsburgh, Pa., to visit Mr. Lytle's father.

and senate, state land commissioner and one of the best Governors New Mexico ever had. Banker and identified with a number of the pioneer business concerns in Roswell. Truly an outstanding man.

## WILL C. LAWRENCE

Will C. Lawrence, who served the State of New Mexico, and the City of Roswell, in many official and unofficial ways, was one of Eastern New Mexico's most valuable, distinguished and outstanding citizens. He came in later years and found Eastern New Mexico just emerging into an era of great growth and distinction. Artesian water had been discovered and apples, alfalfa, cotton and other "money" crops were being featured. Will Lawrence was a natural optimist and builder, who never let anything interfere with his love of Roswell and baseball. He came to Lake Arthur in an early day from Louisiana, ill of tuberculosis. He regained his health and never ceased to thank God and his adopted land.

## WILLIAM M. ATKINSON

William M. "Billy" Atkinson, came to New Mexico in 1883, locating at Roswell. For many years he engaged in stock raising and farming. He was a member of the board of regents of the New Mexico Military Institute. Served as a member of the board of county commissioners and was largely responsible for the present Chaves county courthouse. He was Sheriff of Chaves county from 1893 to 1895 and had a large part in the building of Roswell and Chaves county.

## WILLIAM C. McDONALD

William C. McDonald, first governor of New Mexico after statehood, came to the state in 1880. He located at White Oaks and clerked in a store. In 1881 he was appointed U. S. Deputy Mineral Surveyor for New Mexico and in 1890 he became manager of the Carrizozo Cattle Ranch Co., and was also in charge of the Capital Livestock Co., one of the largest cattle companies in New Mexico. He was assessor of Lincoln county in 1885-87, a member of the New Mexico House of Representatives in 1891 and on November 7, 1911 was elected as first governor of New Mexico after statehood.

## New State Law Requires Vaccination of All Dogs

A communication from the New Mexico Department of Public Health to county and municipal governments calls attention of the provisions of the New Mexico Rabies Control Act, passed by the 24th Legislature. This law goes into effect June 12, 1933, and requires the vaccination of all dogs against rabies.

"You will note" the communication states, "that all dogs must be vaccinated every year if phenolized vaccine is used, or at least every three years if avianized vaccine is used. All dog owners must present a valid vaccination certificate for their dogs before a municipal dog license is issued."

"The new law makes it unlawful to keep an unvaccinated dog."

## 1933 Cotton Crop Exceeded Estimates

The 1933 cotton crop in New Mexico, as indicated by ginnings, totaled 961,000 bales, according to the New Mexico Crop and Livestock Reporting Service. This is 1,000 bales more than was estimated last December. The crop was 28% larger than the 236,000 bales produced in 1932 and 12% above the 1947-56 average of 269,000 bales. Cottonseed production totaled 127,000 tons, 26% more than the 99,000 tons produced in 1932. American Egyptian cotton, included in the above, came to 14,200 bales compared with 12,700 in 1932 and the average of 6,800 bales. This is the largest production of long staple cotton since the record crop of 1932, when 18,100 bales were produced.

## DRUNK COP CHARGED BRAVE COP CHARGES DRUNK DRIVING

Brava Cop: I. O. Parish of the state police who arrested Dick Weeks of Portales, manager of the governor's peanut mill, for drunk driving. The pinch was made after several complaints of the man's driving. Weeks was released on bond put up by County Demo Chairman Abe Ribble and his trial was at first indefinitely delayed because of his health. He's now scheduled for an early hearing with the charge changed from driving while under the influence of liquor to driving while under the influence of liquor or drugs. It seems the peanut executive took some kind of medicine which might have made his vehicle operation erratic.

### NOTICE TO BIDDERS

Sealed proposals, addressed to the State Purchasing Agent acting for the State Tuberculosis Hospital Board, Fort Stanton Tuberculosis Hospital, Fort Stanton, New Mexico, for the construction of a Water Filtration Plant, controls and piping will be received at the office of the Superintendent, Fort Stanton Tuberculosis Hospital, Fort Stanton until 10:00 A. M. o'clock MST June 26, 1933, and then publicly opened and read aloud.

The principal items of the work are as follows:

1. Furnish and install one 150 g.p.m. Water Filtration Plant complete with building, chlorinator, filter, pumps, piping, controls and miscellaneous construction.
2. Furnish and install one bolted steel filtered water storage tank complete with piping, controls, meter, and other miscellaneous construction.

A Certified or Cashier's check issued by a bank satisfactory to the Owner, or a Bidder's Bond executed by some reliable Corporate Surety Company, authorized to do business in the State of New Mexico, in the amount of five per cent (5%) of the largest possible lump sum bid submitted, payable without recourse to the State Purchasing Agent, must accompany the Bidder's Proposal, as a guarantee that the Bidder will enter into a Contract and execute the required Performance Bond and Guaranty in the forms provided, within ten (10) days after notice of award of contract to him. Bids or proposals without the required Bid Guaranty will not be considered.

Complete copies of the Plans, Specifications and Contract Documents may be examined in the office of the Superintendent, Fort Stanton Tuberculosis Hospital, Fort Stanton, New Mexico, and may be obtained from the office of Mann Engineering Company, Box 781, Roswell, New Mexico, upon a deposit of twenty dollars (\$20.00). This deposit will be refunded to each actual bidder upon return of such documents in good condition within ten (10) days after receipt of bid.

Plans and Specifications will be available on and after Wednesday, June 3, 1933.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Attention is called to the fact that there must be paid on this project not less than the minimum wage rate in effect at the time of the Contract and as listed by the Office of Labor Commission of the State of New Mexico, pursuant to Section 6-5-3, New Mexico Statutes, 1931, annotated. It shall be the Bidder's responsibility to inform himself of all State, Federal, and Local Laws and Statutes pertaining to the employment of labor and conditions of employment as well as to carrying on contracting business in the State of New Mexico, and to comply with their requirements.

Working time for completion of this Contract is 120 calendar days. Time will be counted from date of notice to proceed. Such notice will not be issued until the delivery date of major equipment and materials may be established.

The Bidder's attention is directed to the fact that bids or proposals shall be submitted only on the forms provided therefor in the Contract Documents, and must not be submitted in letter form or in any other form. The Bid Form shall be filled out in ink in both script and figures. The Proposal Form provided in the Specifications and Contract Documents sets forth in detail the various items and approximate quantities thereof contained in the Project and Contract to be bid upon. Bids submitted in any other form will be considered irregular and will be returned to the bidder without receiving consideration by the State Purchasing Agent.

Payments to the Contractor will be in cash and according to the final measurement of the completed work.

The State Purchasing Agent acting for the State Tuberculosis Hospital Board reserves the right to accept or reject any or all Proposals or Bids, to waive technicalities, to make any investigation deemed necessary to a Bidder's ability to perform the work covered by the Specifications, and to accept what in the judgment of the Superintendent and Hospital Board is the best bid.

For the State Tuberculosis Hospital Board, Fort Stanton Tuberculosis Hospital, Fort Stanton, New Mexico.

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF CARRIZOZO, NEW MEXICO:

Section 1. Subject to the terms and conditions mentioned in this ordinance, the right, privilege and franchise is hereby granted to City Gas Company of Carrizozo, a corporation, its successors and assigns, to acquire, lay, construct, equip, operate, repair and maintain a system of mains, pipes, conduits and feeders, and the necessary plants, attachments and appurtenances for the purpose of storing, manufacturing, mixing, supplying and distributing undiluted or diluted liquid petroleum gas vapors, or artificial gas, or natural gas, hereinafter termed "GAS" for fuel, power, heat, light and other domestic and industrial purposes, or for any other or either of them in the Town of Carrizozo, Lincoln County, New Mexico, including any territory that may hereafter be annexed thereto; and further, to acquire, lay, use, maintain and operate in, through, upon, under and along the streets, avenues, alleys, lanes, highways, parks and bridges, a system of gas mains and all service pipes, conduits, feeders and the necessary attachments, connections, fixtures and appurtenances for distributing, supplying and selling such GAS for said purposes to the Town of Carrizozo, New Mexico, and to the inhabitants thereof.

Section 2. The said grantee is hereby authorized, licensed and empowered to do any and all things necessary and proper to be done and performed in executing the powers and utilizing the privileges herein mentioned and granted by this franchise, provided the same do not conflict with water pipes and sewers now existing and that all work done in said streets, alleys, and highways, or other grounds of said Town, by said grantee, shall be done with the utmost diligence and the least inconvenience to the public or individuals; and said grantee shall, within a reasonable time, restore such streets, alleys and public grounds excavated by it, to their original condition as nearly as possible. Provided that in laying all conduits, pipes or such other structures, and in the repairing of the same the said Town shall be held harmless from all damages on account of all excavations for conduits and other structures, and the said grantee shall assume and pay all liability or risk of damage to persons or property which may arise from the construction or operation of any or all of said plants or systems, and shall save the Town of Carrizozo, its officers and agents harmless from any and all liability that may arise or be incurred from the erection, construction or operation of same.

Section 3. The grantee hereby agrees to service all persons in said Town of Carrizozo subject to conditions hereinafter set forth, upon application and payment of required deposit hereinafter stated and approved appliances installed. The grantee shall have the right to decline to serve a customer or a prospective customer until such customer has complied with the safety rules and regulations as set forth by the New Mexico Liquefied Petroleum Gas Commission.

The grantee shall extend its mains and furnish service from time to time therefrom upon a showing that one new bona fide customer for gas service for each 150 feet of net extension required, has signed in writing to take and use gas on such extensions. In all other cases, the grantee may service such customers with gas of the same quality and at the same prices by individual tank or "bottle" service, but nothing herein shall be construed to prohibit the installation or maintenance of individual and separate gas tanks or gas bottles or to prohibit other distributors of liquefied petroleum gas from servicing individual gas tanks or gas bottles within the Town of Carrizozo.

Section 4. Prior to connection, a deposit of \$10.00 shall be required of each private household unit where GAS is used for cooking, water-heating and small appliances. Commercial users and general heating consumers shall pay a minimum deposit of \$15.00. The grantee shall pay depositors interest on said deposits at the yearly rate of four per cent; PROVIDED, however, that no interest shall be paid on any deposit remaining with grantee for less than six (6) months.

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF CARRIZOZO, NEW MEXICO:

Section 1. Subject to the terms and conditions mentioned in this ordinance, the right, privilege and franchise is hereby granted to City Gas Company of Carrizozo, a corporation, its successors and assigns, to acquire, lay, construct, equip, operate, repair and maintain a system of mains, pipes, conduits and feeders, and the necessary plants, attachments and appurtenances for the purpose of storing, manufacturing, mixing, supplying and distributing undiluted or diluted liquid petroleum gas vapors, or artificial gas, or natural gas, hereinafter termed "GAS" for fuel, power, heat, light and other domestic and industrial purposes, or for any other or either of them in the Town of Carrizozo, Lincoln County, New Mexico, including any territory that may hereafter be annexed thereto; and further, to acquire, lay, use, maintain and operate in, through, upon, under and along the streets, avenues, alleys, lanes, highways, parks and bridges, a system of gas mains and all service pipes, conduits, feeders and the necessary attachments, connections, fixtures and appurtenances for distributing, supplying and selling such GAS for said purposes to the Town of Carrizozo, New Mexico, and to the inhabitants thereof.

Section 2. The said grantee is hereby authorized, licensed and empowered to do any and all things necessary and proper to be done and performed in executing the powers and utilizing the privileges herein mentioned and granted by this franchise, provided the same do not conflict with water pipes and sewers now existing and that all work done in said streets, alleys, and highways, or other grounds of said Town, by said grantee, shall be done with the utmost diligence and the least inconvenience to the public or individuals; and said grantee shall, within a reasonable time, restore such streets, alleys and public grounds excavated by it, to their original condition as nearly as possible. Provided that in laying all conduits, pipes or such other structures, and in the repairing of the same the said Town shall be held harmless from all damages on account of all excavations for conduits and other structures, and the said grantee shall assume and pay all liability or risk of damage to persons or property which may arise from the construction or operation of any or all of said plants or systems, and shall save the Town of Carrizozo, its officers and agents harmless from any and all liability that may arise or be incurred from the erection, construction or operation of same.

Section 3. The grantee hereby agrees to service all persons in said Town of Carrizozo subject to conditions hereinafter set forth, upon application and payment of required deposit hereinafter stated and approved appliances installed. The grantee shall have the right to decline to serve a customer or a prospective customer until such customer has complied with the safety rules and regulations as set forth by the New Mexico Liquefied Petroleum Gas Commission.

The grantee shall extend its mains and furnish service from time to time therefrom upon a showing that one new bona fide customer for gas service for each 150 feet of net extension required, has signed in writing to take and use gas on such extensions. In all other cases, the grantee may service such customers with gas of the same quality and at the same prices by individual tank or "bottle" service, but nothing herein shall be construed to prohibit the installation or maintenance of individual and separate gas tanks or gas bottles or to prohibit other distributors of liquefied petroleum gas from servicing individual gas tanks or gas bottles within the Town of Carrizozo.

corporation, its successors and assigns, is fixed for a term of twenty-five years from the date of the passage of this ordinance, at the expiration of which the Town may, at its option, upon the payment of a fair valuation to the grantee or its successors and assigns, purchase and take over the pipeline and meter system of the grantee. The value of this franchise shall not be considered in fixing such valuation.

Section 6. The grantee of this franchise, or its assigns, shall bear the expense of laying and furnishing all connecting pipes from the mains to the lot lines of each consumer; and the consumer shall bear the expense of laying and furnishing connecting pipes from the lot lines to where the same are to connect with the meter.

Section 7. The grantee of this franchise shall file a map showing sizes and location of all pipes, plant and equipments; and they shall be subject to the approval of the Board of Trustees of the Town of Carrizozo, and such reasonable rules and regulations as it may enact from time to time. All constructions and material used by the grantee of this franchise or its assigns for the pipeline and meter system shall be subject to the inspection and approval of the Board of Trustees of the Town of Carrizozo; and all such materials and labor and construction shall be to the satisfaction of the said Board of Trustees.

Section 8. The gas distribution system of the grantee, its successors and assigns, shall be conducted in such manner and connection with the main plant of grantee as to give good and sufficient gas pressure to furnish each bona fide customer with sufficient gas for all purposes relating to its business operations and residence usage. The grantee shall provide adequate service at reasonable rates and conform generally with the rules and regulations of the Public Service Commission of the State of New Mexico. The words "gas distribution system" are defined as only the pipes and mains used to furnish gas supply to customers, and such system shall begin at the property boundary of the grantee; such system specifically does not include the real estate and bulk storage facilities of grantee from which gas is supplied to such pipes and mains.

Section 9. As part consideration for the grant of this franchise, the grantee and its assigns agree to pay to the Town of Carrizozo, New Mexico, each month a sum equal to two per cent of the gross receipts of the grantee from sales of gas sold and delivered through meters in said system, through the pipelines of the said distribution system or the meter used therein.

Section 10. The grantee shall have the right to make and enforce such reasonable rules and regulations as are necessary for the successful operation of this franchise, with the sanction of the Board of Trustees of the Town of Carrizozo.

Section 11. This franchise may be assigned by the grantee; and the terms and conditions thereof in such event shall extend to and be binding upon the grantee's successors and assigns.

Section 12. On the date of the passage of this ordinance, the grantee is a de facto corporation, and said corporation is proceeding with the legal steps necessary to cause said corporation to be fully incorporated in the office of the State Corporation Commission of New Mexico. The corporate status of grantee as of the date of the passage of this ordinance is hereby recognized by the Town of Carrizozo, New Mexico, and after passage of this ordinance, the said grantee is to have a reasonable time to complete said legal requirements in the office of said State Corporation Commission. The provisions of this Section 12 shall not be construed or considered to delay or otherwise affect the full validity of this ordinance according to its terms as of the date of its enactment by the Town of Carrizozo, New Mexico.

Section 13. All ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 14. This ordinance shall become effective thirty days after its enactment.

Passed by the Board of Trustees of the Town of Carrizozo, New Mexico, this 18th day of
