

Fireworks Display in Carrizozo Night of 4th

When night falls the evening of July 4, Carrizozo's Volunteer Fire Department will go into action with its second annual fireworks display.

The display is to be at the ball park and is free to the public. Considerably more aerial ammunition is on hand than last year and there will be something to see all the time during the show lasting from an hour to an hour and a half.

Skyrockets and aerial bombs and displays will be mixed with some displays on the ground, according to the firemen.

Things should start to happen at the ballpark around 7:30, they say, and invite all to come and witness the display.

Big Time Rodeo

Coming to Capitán

The fair grounds in Capitán will be the scene of a three-day rodeo, July 3, 4 and 5. The event is being sponsored by the Capitán Chamber of Commerce.

Events and entry fees have been set up as follows:

- Calf roping (\$20)
- Bulldogging (20)
- Bull riding (\$15)
- Bareback riding (\$15)
- Saddle bronc riding (\$20)
- Ladies barrel race (\$10)
- Added monies 10% of gate

Troy Lane's famous rodeo stock, approved by the S. R. A., has been engaged for the rodeo.

Admission prices have been set at \$1.50 for adults; 75 cents for children.

A cowboy dance is to be held the night of July 4 at the old gymnasium in Capitán.

County Tax Valuation

Reaches \$15,808,854

Lincoln County's property valuation for tax purposes for the year 1959 is \$15,808,854. It was revealed this week following the county's annual budget hearing.

The current valuation compares with the figure of \$14,662,065 for 1958, an increase of \$1,146,789.

The Lincoln County Board of Commissioners and Clerk Ince last reviewed the county's budget Monday with the following state officials: A. E. Hunt, director, Department of Finance and Administration; Ernest Bain, chief of local government division, and Louis Fernandez, deputy chief of local government division.

Following the hearing Mr. Hunt commented that he found the county's budget was in good order and that the county was operating well within its means. The budget officers also met for a budget hearing with the Carrizozo town board of trustees.

The county 1959 budget allows \$300 per year salary increase for deputy county officers. No change is permitted in the salary of elected county officers' salaries during their current terms of office. This restriction is imposed by law.

Capitán's Cub Bear

Aids Work of Forest Fire Prevention

By DOROTHY GUCK

The little brown bear cub that Capitán adopted in February has outgrown her baby days. Game Warden and Mrs. Charlie Bird lavished all the care and affection on the little cub and they would have given a prize puppy. But the little bear is a wild animal, without the gentle manners of our domestic pets.

Weighing less than one pound at birth, the cub now weighs about 25 pounds. Her days of freedom are over. Fred Patton, educational director of the New Mexico Department of Game and Fish, explained to the people of Capitán that the type of permanent cage necessary for the safety of the people and the well-being of the bear would probably cost about \$3,000.

Capitán had to admit that they could not finance such a project. Through the Game Department they appealed to one of the larger cities in New Mexico to give the bear a home.

Smokeless, as the cub is called, has toured the state in the interest of forest fire prevention like her predecessor, Smokey, and also for the protection of wildlife. The State of New Mexico has never chosen a state animal. With all the interest created by Smokey and Smokeless, it might be most fitting to choose a bear.

Mayor Joe Ketch deserves the grateful thanks of Capitán for all he did in trying to make Capitán the permanent home of Smokeless, and Betty and Charlie Bird can never be repaid for their generous efforts.

RETIREMENT PRODUCE DEALER

BERS IN TULAROSA

Gas Otic, widely known proprietor of the Otic Produce Co. of Tularosa, died Tuesday at the hospital in Alamogordo, following an operation.

Funeral services were to be held Thursday at 2 in the afternoon from the Mullins-Hamilton Mortuary.

LINCOLN COUNTY NEWS

And Carrizozo Outlook

CARRIZOZO, NEW MEXICO, FRIDAY, JUNE 26, 1959

(Outlook, Volume 53, No. 8)

Services in Capitán For Jean Cloud

Funeral services were held Tuesday, June 23, in the Capitán Methodist Church for Jean Ella Cloud, 16, who died the previous Saturday in the Carrizozo hospital.

Rev. Homer Reid, assisted by Don Minich officiated at the service and interment followed in the Capitán community cemetery. The Shaw Mortuary was in charge of arrangements.

A tragic accident was the cause of Miss Cloud's death. She and Mary Guck were riding a horse double when the animal, ordinarily gentle, suddenly pitched both girls off. Jean fell on her head and lost consciousness for a brief time.

When she revived Mary went for help, but in the meantime Jean decided to walk to her home only a short distance away. The accident occurred near the bridge behind Black's store in Capitán.

At first Jean apparently suffered no ill effects from her fall, complaining only of a headache. Later partial paralysis developed and she was rushed to the hospital and was semi-conscious upon arrival. Death was attributed to a blood clot on the brain.

Miss Guck, daughter of Mr. and Mrs. M. E. Guck of Capitán, was not seriously injured.

Jean had finished her sophomore year in Capitán High School this May. She was freshman cheerleader, a member of F. H. A., the high school chorus and high school band. She and Mary Guck and Mary Ann McKnight all started to school together.

Jean was born March 3, 1943, in Fort Stanton. She is survived by her mother, Mrs. Lydia Hall of Capitán; by her step-father, Virgil Hall of Capitán; her father, Roscoe D. Cloud of Capitán; by two sisters, Donna Cox and Sally Cloud; a half-brother, Virgil Hall, Jr.; paternal grandparents of Walkerville, Mich; four uncles, two aunts and two brothers.

Casket bearers were Jeff Shaw, Lee Galloway, Lonnie Wilson, Ronnie Henderson, Robert Salas and Israel Salazar.

Honorary bearers were Mary Guck, Linda Bailey, Judy Smith, Mary Ann McKnight, Judy Minter and Diana Shaw.

SGT. ROYCE N. GOTHARD

Ruidoso Marine in Navy Relief Rodeo

Camp Pendleton, Calif. (FHTNC)—Marine, Acting Sgt. Royce N. Gothard, son of Mr. and Mrs. R. C. Gothard of Ruidoso, participated in the 12th annual Navy Relief Rodeo held at Camp Pendleton, Calif., June 13 and 14. He vied for prizes including saddles, boots and steta sons.

All proceeds of this, the world's largest free rodeo, go to the support of the Navy Relief Society.

C. of C. Members Ballot for Directors

Carrizozo Chamber of Commerce members will ballot for four new directors this Thursday afternoon from 2 to 4 at the city hall.

Eight nominations appear on the ballot, four to be elected. J. H. Fulmer, chairman of the membership committee, reported this week that over 40 firms and individuals have paid current dues for 1959-60.

DISTRICT COURT FRIDAY

With nine criminal cases and three juvenile cases on the docket Wednesday, district court is to convene in Carrizozo June 26.

Petitions Protest Town Paving Plans

Petitions protesting Carrizozo's proposed paving plans were presented to the town board last Thursday night at a special meeting at the district court room.

The petitions protesting the paving plans were signed by a majority of the town's property owners.

Oral objections to the paving, expressed at the meeting, ranged from the size of the project, inability of some property owners to pay for the paving, its cost and maximum interest rate.

A town official informed the News this week that the town board would take action on the petitions after the town's attorney had examined the petitions and the signatories.

Project Engineer Ashley G. Clasen explained the proposed project, probable cost, interest charges and other details and answered a number of questions from the floor.

The courtroom was comfortably filled by interested citizens. Hiram Dow, Roswell attorney, was present in the interest of some petitioners; also a representative of the bonding firm of Boot-ticher Company of Denver, which has contracted with the town to purchase the paving bonds at the interest rate of 4 1/2%.

Carrizozo's Highway 54 Quota Set at \$250

A drive to collect annual assessments for Carrizozo's quota to the State and National Highway 54 Association, will be made Monday, June 29, according to Roy E. Shafer, president of the New Mexico State Highway 54 Association.

All towns in the state along Highway 54 are being asked to take part in the drive at this time. Carrizozo's quota is \$250, the same as last year.

Mr. and Mrs. Bill Belcher from Bingham were guests of Mr. and Mrs. Lewis Farris Wednesday.

Paul Gardner Again to Direct Lincoln Pageant

Paul Gardner, who directed last year's successful presentation of the pageant "The Last Escape of Billy the Kid" will again be in charge of this year's production, the News learned this week.

Pageant dates are Friday, Saturday and Sunday, August 7, 8 and 9.

Governor John Burroughs has accepted an invitation to be a guest of the pageant on Sunday, August 9, "A Day in Old Lincoln" and old-timers' day. Sen. Dennis Chavez has also written he will attend if he is back in the state from Washington at that date.

Invitations have also been extended by the pageant committee to Dinah Shore and family and to Dale Robertson of Alamogordo and Wells-Fargo-TV fame.

It is also expected that the old-time auto caravan from El Paso will again be present for the pageant days Saturday and Sunday.

Using Parking Lot for Street Causes Collision

A head-on collision at the Frontier Motel Sunday afternoon would not have taken place had the drivers of both vehicles not used a private parking area as a roadway.

According to Tony Beltran, Carrizozo chief of police, Frances Warner, driving a '54 Ford and Ernest Herrera, driving a '52 Chevrolet met head on at the east side of the motel office.

One car was going west, the other east. Instead of using the intersection, where there is a stop sign, each driver cut off in front of the motel office, it was stated.

This is a dangerous practice, according to Officer Beltran, and future violations will be prosecuted through a town ordinance which forbids use of private parking areas for a public thoroughfare.

The Warner car was damaged to the amount of \$75, grill and fenders, and the Herrera car damage was estimated at \$100. No one was injured.

New Mexico Chronicle

By WM. S. WALLACE

Associate Librarian
New Mexico Highlands University

Better known as "Billy the Kid" W. F. Bonney has long been a legend in the Southwest. Many of the stories about him are pure fiction. However, the bulk of published items dealing with him have reached such proportions that there is even a scholarly bibliography devoted to this subject alone.

The Kid's escape from the Lincoln county jail is perhaps the best known event of his career. Just as the modern gangster depends heavily on a good car the gangsters of earlier generations depended on a good horse. In 1881 the old Las Vegas Gazette published the following little-known story concerning the Kid's horse:

"Everyone who has heard of Billy 'the Kid' has heard of his beautiful bay mare, about whose speed some remarkable stories are told. Billy kept the beautiful mare very carefully and always reserved her for an emergency, fully appreciating her good qualities, and knowing full well that no other animal could run her down. There is no doubt in the minds of those who are most competent to judge but what she is the best animal in New Mexico.

"She was purchased from Texas stockmen a few years ago and whenever put to the test she has demonstrated the fact that she was a remarkable piece of horse-flesh. When Billy was besieged in the old stone house at Sinking Springs by the Stewart-Garrett party, he intended to make a break for liberty on her back Mazoppa-like, and expected that her fleetness would carry him out of harm's reach and from the bullets of the 'dead shots' who were lying in wait for him. But the doorway being blocked by the dead body of a horse he was hemmed in. When he was finally rounded-up, he presented the mare to Frank Stewart knowing that he would appreciate her as he certainly did, and he afterwards rode her in triumph to Vegas.

"Those who have seen her have grown enthusiastic and it will be gratifying to our horsemen to know that the mare will remain in our neighborhood. W. Scott Moore, proprietor of The Adobe at the Hot Springs, made Frank Stewart a New Year's present of an elegant revolver valued at \$60, one of many gifts our citizens have presented the brave Stewart as a testimonial of their appreciation of his good work in the campaign against 'the Kid's' band. Not to be outdone Stewart in turn presented Mrs. Moore with 'the Kid's' mare, and she now has the satisfaction of owning one of the best, if not the best animal in the territory."

In April of 1881, Billy the Kid was in jail at Mesilla, N. M., trying to raise money for an attorney. Apparently he did not think he had given Moore his prized mare because he brought suit against Moore to re-claim the horse in order to sell it and give the money to his attorney. The Sinking Springs mentioned in the above story is located in De Baca county. It was named by early travelers because of the peculiar smell which the black ooze and reeds that grew in the springs gave off. The rock house in which Billy the Kid was captured along with his gang was built nearby.

Billy the Kid also had a dog he was quite fond of. Whatever happened to the dog? The Las Vegas Gazette reported on October 7, 1882: "C. B. Smith, of Internal Revenue fame, has shipped his noted canine 'Kid', to Illinois. This dog has a romantic history, having belonged at one time to 'Billy the Kid'."

Francis Warner, Steven, Robert and Sonny Chavez were in Carrizozo last week end sightseeing and visiting the Caverns.

REPLICA OF CHAPEL AT RED CANYON RANGE CAMP

Replica of the chapel at the Red Canyon Range Camp, made in the Dodson Cabinet Shop. The model was built to scale, 3/8" to one foot. It rests on sand and is 2 1/2" wide by 12" long. The model will also have miniature furnishings.

Lt. Col. J. J. McCarthy Given Chapel Replica

Lt. Col. John J. McCarthy, commander of Red Canyon Range Camp, and Mrs. McCarthy were honored Saturday evening with a surprise farewell party at the Carrizozo Country Club.

The occasion was sponsored by Mr. and Mrs. Fred English and Mr. and Mrs. Truman Spencer Jr. and officers of Red Canyon sponsored the steak fry.

Guests included personnel stationed at Red Canyon; also Col. Kopsak, 2nd GM Gp. Comdr., and Mrs. Kopsak from Fort Bliss and Sgt. and Mrs. Sidell and Sgt. and Mrs. Fields. In all, about sixty were in attendance.

The farewell party marked the approach of the termination of Col. McCarthy's tour of duty at Red Canyon, as Fort Bliss has closed its Nike-Ajax firing activities at the Canyon.

The honored guest was completely surprised when he walked into the Country Club. He was under the impression he was attending a meeting of club stockholders. As he walked into the

club the group began to sing "For He's a Jolly Good Fellow." His amazement increased when he discovered the presence of Col. Kopsak.

A highlight of the pleasant evening was the presentation to Col. McCarthy of two models of the chapel at Red Canyon—a structure which was a labor of love on his part and the personnel of Red Canyon. One chapel model was built by the First GM Brigade training aides and the other model by the Dodson Cabinet Shop.

The chapel made by the brigade training aides was very beautiful, with its artificial grass growing around the chapel.

However, the chapel built by Dodson's was more realistic, as no green grass grows in Red Canyon. Small rocks and sand were part of the landscape design and the same stone was used as on the original chapel. The roof was fashioned from miniature shingles, an exact duplicate of the ones on the Red Canyon chapel.

Colonel McCarthy was asked to take his choice of the two chapels and he chose the Dodson model because it was most typical of the Red Canyon chapel.

The Red Canyon Ordnance Department presented him with a Nike-Ajax missile, made from brass.

The officers of Red Canyon Range Battalion presented "Col. McCarthy" with a picture history of Red Canyon, with the following tribute on the first page of the album:

"To the man who led us with his ever-present characteristics of intelligence, perseverance, sternness, intestinal fortitude, high moral character, and eternal physical and mental stamina, we the officers of Red Canyon Range Battalion dedicate this brief picture history of a great organization. We all thank you for your wonderful guidance when things were looking dim, and above all, the trust that you placed in the officers of your command and the backing that you consistently gave to the officers and enlisted men of Red Canyon. We all know how fortunate we were in serving under your command. We shall always remember Red Canyon and its echo "Non Inimicentii Carborundum." May God bless you in your future endeavors."

Captains Chosen for Little League Teams

The Carrizozo summer recreation program engaged the attention of approximately a hundred children this week.

Baseball and basketball were the favorites among the boys of all ages, and the girls were learning to play basketball.

The Story Hour, Tuesdays and Thursdays from 10 in the morning has grown in attendance, but there is still room for more youngsters between the ages of 4 and 7.

Little League team captains have been chosen and the "Indians" and "Tigers" picked for the names of the two teams.

Buddy Hill was elected captain for the Indians and Mike Ortiz will lead the Tigers.

Messrs McDonald and Brister plan to schedule games with Ruidoso, Capitán, Tularosa and other area teams.

Carrizozo merchants have been generous in sponsoring the Little League program. Each of the following to date has contributed \$10: Ray Wells, Rolland's Store, Carrizozo Hardware Co, Monte Vista Service Station, City Garage, Nike Recreation Center, Clifford E. Zimwalt, Paden's Drug, Messrs Motor Supply, Vega Feed & Bldg. Supply, Bar W Ranch, Frank Vega, Carrizozo Mercantile Co, Sacra Gas Company and I. O. O. F. Lodge No. 30.

The above sponsors are providing baseball caps and Little League T shirts for the players. The Recreation Committee provides all the necessary playing equipment, such as bats, balls and gloves.

Next Teenage Dance Friday, July 3

The next teenage dance will be Friday, July 3. The teenage dance last Friday night was successful and enjoyed by all. The club will elect officers at the next meeting and all members are urged to be present.

Membership fees for new teenagers who wish to join is 25 cents. Regular members will not have to pay any more monthly dues until August 11.

All teenagers are urged to join the club and take part in the summer teenage dances.

Rodeo and Dance At White Oaks

The annual Fourth of July White Oaks rodeo and dance is being sponsored this year by the newly-formed White Oaks Roping Club.

This club and rodeo were both started originally to encourage youngsters, ranchers and business men to take part in one of America's most popular sports without having to compete with professionals.

A spokesman for the roping club said this week that when a few of the club's outstanding members get together, they will be matched "in this way the less experienced members can watch and learn. Everyone has a fair chance of winning and no one gets hurt financially."

"Almost anything can happen at this White Oaks rodeo, and usually does. It is basically an old-time get-together where friends meet and compete."

This year eight beautifully engraved belt buckles will be donated by Carrizozo merchants and business men as trophies in the following events:

- Junior and senior calf roping; junior and senior bareback bronc riding, barrel race, children calf riding and junior and senior steer and bull riding.

The White Oaks Roping Club sincerely thanks the following Carrizozo merchants and businessmen who have made these trophies possible: Carrizozo Hardware, Harkey-Posey Lumber Co, Yucca Bar, Ray Wells Barber Shop, Cactus Bar, Rolland's Store, Carrizozo Mercantile, Petty's, City Garage, Nike Bar, Jonnie's Package Store, Sheety's Package Store, Paden's Drug Store, Food Mart, J. G. Moore Insurance, Nu-Way Cleaners, Lincoln County Agency, El Cibola Hotel, Monte Vista Service Station, Vega Feed Store, Huffmann's Welding and Lincoln County News.

The amount necessary to cover purchase of the trophies has been reached so quickly that many places of business were not contacted and the roping club deeply appreciates the enthusiastic response.

WORK DAY SATURDAY BY WHITE OAKS ROPING CLUB

The White Oaks Roping Club is holding another work day Saturday to complete rebuilding chutes and grandstands in White Oaks. Material and machinery has been donated and all needed is strong backs, willing hands, a hammer, and a covered dish or sandwiches to sustain the effort. Cold drinks will be available.

All members are needed to help out and interested future members will be welcome.

Large Crowd Attends Picnic for Nopalites

Two hundred or more people gathered at the Old Corral up Nogal Canyon Sunday for the first reunion of people who live or have lived in and around Nogal.

Many old timers were present, including some who had come considerable distance. From Phoenix with her family came the former Lola Gosssett of Nogal.

A picnic dinner, with loads of good food, was enjoyed at the noon hour. Visiting was the order of the day during the afternoon.

An unfortunate accident occurred before noon when Tom Zumwalt, helping to free a car that had backed over a stump, caught a finger between the bumper and the stump and it was severed at the first knuckle. He was brought into Carrizozo hospital for treatment.

Attending the picnic in a group were members of the Homer McDaniell family, who were having a reunion of their own over the week end. Four sons and two daughters and their families were present. Eleven grandchildren were present and one great-grandchild.

Collision Causes Fatality on Highway 70

Pedro E. Gurrola, 21, Ciudad Chihuahua, Mexico, died in a Ruidoso hospital Sunday night from head injuries inflicted by a head-on collision with a truck 3 1/2 miles west of San Antonio on U. S. 70.

State Police said the car driven by Eloy Mendosa, in which Gurrola was a passenger, was on the wrong side of the highway when it ran head-on into the truck driven by Billy Ray McClendon of Ardmore, Okla.

RETIREMENT PRODUCE DEALER

BERS IN TULAROSA

Gas Otic, widely known proprietor of the Otic Produce Co. of Tularosa, died Tuesday at the hospital in Alamogordo, following an operation.

Funeral services were to be held Thursday at 2 in the afternoon from the Mullins-Hamilton Mortuary.

Letter to Editor

Editor, News:
Each time we hear the fire siren we feel a sense of sincere appreciation to the volunteer firemen of Carrizozo.

Since living in Carrizozo we had never needed the services of these men until last Saturday morning. On previous occasions we have observed the speed with which the fire alarms have been answered. Almost before the first wail of the siren fades away you can hear the fire trucks leaving the fire station.

But last Saturday morning we observed their operations from a "ringside" seat. It was most interesting and gratifying to observe their efficient, capable, fast methods of fighting a fire.

These men leave their businesses and give of their time and effort in performing this payless task for us.

We (and we are sure there are many more) want them to know

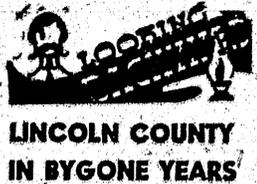

Two Corporations Issued Charters

The State Corporation Commission issued charters last week to: City Gas Company of Carrizozo, 1306 East Second street, Roswell. Purchasing, processing, refining, marketing and distribution of liquefied petroleum gases, gasoline, and other petroleum. Authorized capital \$10,000; issued \$1,000. Incorporators: O. L. Garretson, Malcolm Wright and T. J. Murray.

Western Realty Corporation, of Roswell. Real estate. Authorized capital \$250,000; issued \$1600. No stockholders' liability. Incorporators: T. E. Riggsby, E. B. Riggsby and J. P. Otto.

we appreciate their services—Mr. and Mrs. F. O. Brown.

(Ed Note—The fire referred to in Mrs. Brown's letter, was a wooden fence on the John Harkey property which caught fire when trash was being burned nearby.)

LINCOLN COUNTY IN BYGONE YEARS

Twenty Years Ago

(From the files of the Lincoln County News June 23, 1929)

Returning from a fishing trip that was not too successful, Mr. and Mrs. L. V. Hefker declared they would take some steak along next time to fill up the frying pan.

A forest fire, starting from a trash container, burned a strip a half mile wide and three miles long near Roswell.

Mr. and Mrs. Pink Roberts, Mrs. Ada Edmiston, Mrs. Anna Roberts and the Elmer Eakers visited Carlsbad Caverns.

Mr. and Mrs. Sam Kelsey returned to their home in Ventura, California.

Mrs. Lula Brooking letter of Trinidad, Colo., wrote a vent to the editor of the News, asking to be remembered to old-time friends.

Mrs. G. L. Strauss and daughter of Tucumcari visited Mrs. Strauss' brother, Mr. Bogle, at Coyote.

A. N. Runnels and son Arvel, who were bitten by a dog last week, went to El Paso to consult a specialist.

Mr. and Mrs. L. J. Stafford and Amos Emerson of Lon were visiting in Nogal.

Jeffy Graves was back home in Carrizozo for a visit, from Arizona.

Thirty Years Ago

(From the files of the Lincoln County News, June 21, 1929)

George Roberts and Bythal Jolly of Corona were on a fishing trip in the northern part of the state.

The Fort Stanton ball team played a doubleheader with the 82nd Field Artillery of Fort Bliss, winning the first and losing the second game.

According to market reports, the price of corn dropped 10 cents a bushel the day the Jones law became effective.

Mrs. Sollars and Mrs. Cavanaugh of Fort Stanton were expected back soon from their camping trip.

The Ira Greer and Walter Grumbles families were preparing to move to Tucumcari.

Supt. Helm and H. J. Garrard returned from Elephant Butte dam with a 7½-lb. catfish.

Mr. and Mrs. Harry Comrey of Ancho were temporarily living in their garage since their home with all its contents was burned.

Mrs. E. E. Barber was recovering from two painful injuries, first when she stepped on a nail and a resulting fall in which she injured her hip.

Ansel Swearingin was burned about the face and arms by an exploding can of powder near the Heien Rao mine. He and another

Farm Bureau Members Picnic at Spring Ranch

Nearly a hundred members, guests and friends gathered Sunday at the Spring Ranch at Hondo for a father's day picnic.

Picnic hosts, the Pfingsterns, Thomasen, Benla and Shreengosts, had arranged a program of games for fathers, sons, wives and daughters, with prizes for all the winners.

Contests included the fattest father, father with most hair, father with the least hair and father with most children present.

A bounteous supper was enjoyed at 7:30. The fare included covered dishes, also hot dogs, soft drinks and coffee by the Farm Bureau local.

The Ralph Dunlap family was presented a shower of gifts for their new home and the evening was concluded by singing around the camp fire.

John Hamilton to Teach at N. M. M. I.

John A. Hamilton, principal of Hondo High School for a number of years, is to teach English this year at New Mexico Military Institute in Roswell.

Another change in the Hondo faculty is the resignation of Robert McCready. He is to become superintendent of schools at Red Oaks, Texas.

Mesilla Frontier Fiesta To Last Three Days

Mesilla—The colorful three-day Mesilla Frontier Fiesta will open Friday morning, July 3, in historic Mesilla Plaza State Monument.

Climax of the annual celebration will be the crowning of the queen, on Sunday night, July 5, in which Gov. John Burroughs and Peter Hurd of San Patricio, nationally-known artist, will take part. They also will join in the royal march, preceding the queen's ball in the plaza.

The three candidates for queen are Miss Lucille Fountain of Mesilla, and Miss Nancy Rogers and Miss Frances Serna, both of Las Cruces.

General chairman of the fiesta is Cruz R. Alvarez.

J. Paul Taylor, program chairman, announced that other scheduled events include dances by the Azteca Indians of El Paso, who were one of the stellar attractions of last year's fiesta; Spanish folk songs, mainly typical of northern New Mexico, by a group of singers directed by Mrs. Elizabeth Fountain Armendariz, and re-enactment of the confirmation of the Gadsden Purchase Treaty.

There will be public dancing on the plaza each night of the fiesta.

The Mesilla Fiesta Troubadours will give daily concerts; also the Banda de Guerra, noted band of the Juarez, Mex., Fire Department.

youth, Paul Ludlow, found the powder and decided to have a premature 4th of July celebration. They strung a row of powder from the can but were not at a safe distance when it exploded.

GRIST & GRITS

By OLIN MILLER
(Copyright, 1950)

"The President's economic adviser says there is a good chance that federal taxes will be reduced the latter part of 1960 if a treasury surplus is shown on July 1 of that year."—News item. This is the most stupendous, colossal and gigantic "if" expressed in a couple of blue moons.

"Geneva Conference in Stalemate."—Headline. It seems the Russians are determined to make a dead duck of the Dove of Peace.

"You are more important to the future of the nation than missiles." Secretary of Defense McElroy told the graduating class of Wellesley (a college for women).—Press report. This seems to be about the ultimate in a left-handed compliment.

It seems Liberace's popularity index has slipped to the point that he deems it advisable to secure some publicity by suing a newspaper.

During the second week end in June some 20 people in the U.S. were murdered by relatives who had little or no excuse for bumping them off. People are getting increasingly and alarmingly worse about not liking people, especially kinfolks.

"Sixty-seven Million Americans Now Working."—Headline. This headline is flattering to some 10 million Americans now on payroll.

A cause of many nervous breakdowns is grandchildren.

It ought to be strictly against the law for any corporation, concern or individual to sell, lease, rent, lend or give a power lawnmower to an early riser.

Some people are such hopeless television addicts that they even watch the summer replacement programs.

"Most people are talking about inflation, but they aren't doing anything about it," says an editor. "The heck they aren't mister! They're frantically feeding it by spending money like mad."

Mother Nature must have been in a droll mood, indeed, when she provided the tomcat with his love song.

Fifty years ago the diagnosis or evaluation, "sound as a dollar," was considered top rating; now it's a highly discouraging appraisal.

O tempora! O mores! A honeymooning couple told reporters they were living on kisses and unemployment compensation.

"Modest women don't wear slacks, shorts or the modern swim suits," says a woman columnist. And dodos don't lay eggs.

Perhaps freedom of speech is a bit too nearly all-inclusive, in that it covers loose talk.

A designer of "mechanical brains" says he's afraid men will soon be making machines that will destroy them. Men have been making such machines for a long time, particularly since they've been making automobiles.

A wise man is one who knows as much at 80 as he thought he knew at 15.

A grammarian deplores the splitting of infinitives by splitters of commercials. Much more deplorable is their splitting of programs.

Another thing that's hard to take sitting down is a double-feature movie program.

The person trying to keep up with the Joneses loses ground if he has to zig-zag to dodge creditors.

"Truth is stranger than fiction"—and at times these days one wonders if it isn't also rarer.

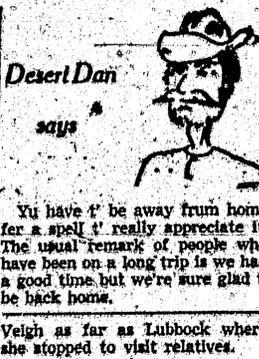

"Fisherman Marries Girl He Saved from Drowning."—Headline. There may be occasions when he will wish he had thrown her back.

ABOUT PEOPLE

The John Pendergrass family of Carlsbad visited the Arrel Poseys in Carrizozo over the week end. The couples camped out one night in the foothills of the White Mountains above Three Rivers.

Mr. and Mrs. J. E. Fulmer celebrated their 43rd wedding anniversary Monday of this week.

Mrs. T. E. Kelley returned to Carrizozo by train last week, after a pleasant visit in Texas, including a family reunion and birthday party for her brother, A. H. Thompson, at Fort Worth. Mrs. Kelley left Carrizozo by auto with Mrs. Mae Jordan and Billy Mac-

You have to be away from home for a spell! I really appreciate it. The usual remark of people who have been on a long trip is we had a good time but we're sure glad to be back home.

Veigh as far as Lubbock where she stopped to visit relatives.

Hours: 6 A. M. to 12 P. M.

ARE YOU PLANNING A TRIP?
It's always wise to prepare for emergencies. Now's what happens in case you have the misfortune to be in an accident.
You may be involved immediately with broken, bent and twisted metal. There will be reports to fill out and claims to file. You may be damaged to your car and the other car. It may be necessary for you to post a bond before continuing your journey.
To be on the safe side, many people check their insurance cover while on before leaving on a trip. There are many ways we can be useful.

"How should I reconcile my checking account balance?"

When you receive your statement of account, compare it with cancelled checks enclosed; compare those with your stubs. Reduce your checkbook balance by the amount of any service charges. Reduce the statement balance by the amount of outstanding checks; add to it deposits not yet recorded. The two balances should now agree... This way, you make the statement a "double-check" on your expenditure records — a helpful safety valve that is yours only when you pay bills by check... Make full use of your account!

Thirty Years Ago

(From the files of the Lincoln County News, June 21, 1929)

George Roberts and Bythal Jolly of Corona were on a fishing trip in the northern part of the state.

The Fort Stanton ball team played a doubleheader with the 82nd Field Artillery of Fort Bliss, winning the first and losing the second game.

According to market reports, the price of corn dropped 10 cents a bushel the day the Jones law became effective.

Mrs. Sollars and Mrs. Cavanaugh of Fort Stanton were expected back soon from their camping trip.

The Ira Greer and Walter Grumbles families were preparing to move to Tucumcari.

Supt. Helm and H. J. Garrard returned from Elephant Butte dam with a 7½-lb. catfish.

Mr. and Mrs. Harry Comrey of Ancho were temporarily living in their garage since their home with all its contents was burned.

Mrs. E. E. Barber was recovering from two painful injuries, first when she stepped on a nail and a resulting fall in which she injured her hip.

Ansel Swearingin was burned about the face and arms by an exploding can of powder near the Heien Rao mine. He and another

More car than this Impala Sport Coupe is hard to find at any price.

clings to curves like a cat on a carpet!
the travel-lovin' Chevrolet

Nothing else but a dyed-in-the-wool sports car like the Corvette can take a turn with such solid assurance!

It's easy to see where Chevrolet gets its road sense. With big coil springs at every wheel, a firm, wider stance and all of its pounds distributed with painstaking care, Chevy's born with it.

The only thing that may be hard to understand is how it can offer the ride it does, along with so many other luxury-car virtues, and still compete in the low-price field.

We use the word compete only in the sense of price. For with a ride as special as Chevy's, real competitors are hard to come by. There's a world of difference between Chevrolet's coil springs at all four wheels and the leaf springs that most other cars still use. Take a Chevy down a snaky back road and you'll feel the difference in the sure way it holds through curves and shoots over rough spots with barely a ripple.

This one's really wade to travel and love every minute of it.

CHEVROLET

Stop by your local authorized Chevrolet dealer's and sample Chevy's road sense!

Teensters
Union No. 1
By PAM REID

Dear Teensters: I was so thrilled to return from camp and to find so many nice letters from you-all! I must admit there have been times when I wondered if this column was being read (except by "copycats" and others like her) but now I'm sure that it is being read and by people who think as much of Carrizozo as I do and would like to help make it into a better, more attractive little town. That's the reason I'm writing this letter to you—in answer to and thanks for your wonderful interest and your support of this column Love—Pam.

Another letter I would like to write is to Ralph Petty Jr. in answer to his very fine letter that arrived just as I was leaving for camp—so all I could do was to submit it to Mr. Baker and he put it in the column without any comment.

Dear Ralph: Certainly no offense was meant in my remark which you quoted so accurately: "I'll bet the ones that voted against the pool have their own pools in their own backyards" and I'll be perfectly frank with you when I say that if we had a nice swimming pool here in the yard next to the parsonage I'd probably have voted for something else—the "Rec" Hall that was going to have tennis courts, bowling alleys and what not (again I'm quoting from what was told me by one who was there at the time). Actually I was asking for information—as one of the members had asked—if the information forthcoming was inaccurate then your letter certainly helped to set it right—and for that I want to thank you.

Certainly I'll withdraw the remark—if you find it offensive and if you interpret my remarks as being sordid or destructive in nature—they are certainly not intended that way. Nothing I print in this column is meant in a personal way—but rather in an impersonal way with all the goodwill in the world. My "advisors" are other members of the Teensters' Union; other public-spirited citi-

zens such as you and your parents and far be it from me to even suggest that anyone was more or less "public spirited" than another! After all I'm a comparative "new-comer" and my experiences in Carrizozo have been very gratifying and to me completely satisfactory—so please do not take these letters and remarks as necessarily my opinion—or that of the paper. This is a column where anyone (preferably teenagers) may express their ideas, gripes, suggestions and opinions freely. You have done so and what's more, have signed your name to the letter.

If some other member prefers not to give their real name, that is all right—we welcome anonymous letters as well as signed ones—but either way, we neither agree or disagree (except in rare instances) with the ideas expressed. Thanks for your letter. It is such letters as yours that makes this column more interesting and more valuable to the community and to the Teensters! Sincerely—Pam.

(Received a letter from "Dusty Rhoades" which engaged in some personalities and concluded with the remark "I'm just wondering if you should even publish it!" Let's file it, OK? We can always criticize others if we want to, but don't you think it's good to try not to? It will be better if our Teensters' column tries to be constructive and not deal in personalities. Do you agree?)

Dear Dusty Rhoades: If we're going to talk about exceeding the speed limit you'll have to include everybody. I've got a little brother and a little sister, though—and so I'd certainly like to see less dragging around town. How about some comments on this gang?

Dear Pam: "Copycat" really makes me boil! Somebody like that ought to be "tarred and feathered" and run out of town on a rail! Of course I think I know who it is but can't be sure; but if I ever see her again I'm going to give her a piece of my mind. I think your column is "tops" and read it every week—of course you are not going to please everybody—who does? I admit a lot could be done to improve Carrizozo, but there are a few people who are interested. I might mention Mr. Clegg who does more for us teensters and the rest of the kids than any other one man and this in spite of general indifference...he does what he can. I might mention Mr. Baker, Mr. Eddings, Mr. Posey, Mr. Vernon Petty and Ralph Petty—all these men are trying to make this a better place to live—but it's that indifference of the majority that makes it so hard to accomplish anything! Of course I haven't named everyone that is doing something—but you know there are just a few and the rest of 'em just don't care—even if they say they do—they really don't!—"Anti-Copycat"

Dear Anti: Don't you think that Copycat wanted to make us mad? I guess she succeeded—and if it gets some results, maybe it is all for the best. Anyway, I like to think of it that way. One thing is sure—I'm getting more letters than ever before—Pam.

Dear Pam: Gladys sure is having a hard time "beating off the boys." One thing I've learned and that is no boy makes a pass unless he has been encouraged to do so—or thinks he's been encouraged. Sometimes they make a mistake about that, but I've found a good slap is very effective. I've never

been without dates and have always had a lot of boy friends. Look to yourself, Gladys, are you sure you're got giving cause? It may be unintentional—but think it over!—Sylvia.

No comment—Pam.

Victor Borge, who had just bought a chicken farm in Connecticut was asked if he knew anything about raising chickens. "No," he answered, "but the chickens do."

Next week I'll tell you all about camp—Pam.

ALTO BRIEFS

By AILEEN LINDAMOOD

Mr. and Mrs. Charlie Feebles were visiting in Roswell with the Bill Smiths the past week end.

T. L. Anderson of Las Cruces and Mrs. Edith Crawford of Carrizozo who has been visiting the Andersons came up Saturday to see the George Dingwells. They all drove down Sunday to Carrizozo to have a visit with the Alan Johnsons.

The past week end Robert Williams of Amarillo, Mr. and Mrs. Chester Gilbreth and Jack Faris of Lubbock, enjoyed the cool weather in the Williams' home in Eagle Creek Canyon.

Thursday the R. O. Pittillos were up from Tularosa for the day.

Neal Chapman and son "Bodie" of Carlsbad were in the community on business Thursday and Friday of the past week.

Bonnie McEuen and Mattie Creel were in Las Cruces Monday, Tuesday and Wednesday of last week attending a state wide lunch room workshop for cafeteria personnel. There were 380 registered for the three days.

The Albert Geslers and son Stevie of El Paso were at their Eagle Creek Lodge cabin for a few days last week.

Yolanda Manley of Ruidoso stopped by Wednesday on her way home from Carrizozo.

Mrs. Alice Lindsey and children Sue and Jim are here from Denton, Texas, visiting her parents, the Ernest Bloods. The children will stay on for a longer visit after Mrs. Lindsey leaves.

The Leck Cowdens of Ruidoso were showing their house guests, Mr. and Mrs. E. Patterson, Jr., and sons of Dyess, Texas, around this area on Tuesday making a stop at the store.

Mr. and Mrs. Hugh Walker, Mr. and Mrs. Ed Harris and Mr. and Mrs. H. B. Harris of El Paso were in Ruidoso and Alto Wednesday and Thursday of last week.

Mrs. Beth Everhart and children were over from Ruidoso Wednesday.

Mrs. Marcus Waltermire, daughter Ann, Mrs. M. Benold and Miss Betty Campbell of El Paso spent the past week at the Waltermire summer home at Eagle Creek Lodge.

Mr. and Mrs. Zack Taylor of Tatum are visiting their daughter and family, the Sonney Wrights at Paso Monte Ranch.

Mrs. Sidney Preston and children Larry and Connie and Mrs. Jim McEuen and son "Corky" were in Nogal Sunday.

The Nogal U.P.W.A. held its monthly meeting at the church Thursday, June 15, with 15 members and ladies from the Ancho circle as guests.

A covered dish luncheon was enjoyed by all preceding the business meeting. The kitchen shower was a great success along with additional gifts of money from some, and silver, stainless steel, dishes and tea towels presented by Mrs. Mollie Bosh from the Claunch Presbyterian Church.

Leora Zumwalt opened the business meeting with her devotional—"Where Love Is, Believe the Best."

Circle chairman, Lorraine Brimberry gave a very inspiring program concerning—Encouraging Islam—mainly consisting of a report of the Amara conference in Ethiopia.

Mrs. Vernelle Hightower of Ancho contributed an interesting report on the recent synodical meeting at Ghost Ranch.

The meeting was adjourned with the closing prayer by Mrs. Olivia Hulbert.

The July meeting will be held at the home of Leora Zumwalt on July 9, with Maxine Roberts as program leader. Visitors are cordially invited to attend.

Guests attending from Ancho were Misses B. A. Hightower, Vernelle Hightower, Dorothy Straley, and Mollie Bosh. Members attending were Dorothy Zumwalt, Lorraine Brimberry, Leora Zumwalt, Olivia Hulbert, Mollie Bosh, Martha Zumwalt, Edna Sanchez, Faye Woodson, Mattie Laskay, Eva Zumwalt, Alma Greer, Celia Roselle, Gladys Alexander, Opal Greer and Lydia Pootles.

"Old Shoes and Rice"
By Frank Alsop (poet low-rate)

Your jokes she may greet
With a laugh that is sweet
Or with a smile that is contrived
To entice
She may walk with a wriggle
Seem to continuously giggle
This, my boy, could lead to old shoes and rice

She may follow each word
With a breathlessness that's absurd
And your heart hammers like an infernal device
When she snuggles a little snugger
Your knees will turn to rubber
And you're ready for old shoes and rice

Though you may meander
Like an addle pated gander
In search of a receptive goose
When you've been guided to your mate
By the mysterious hand of fate
You'll be turned every way but loose

So you may as well give in
And face it with a grin
Let the preacher make the splices
Let Alsop's bake
A nice wedding cake
To go with the old shoes and rice
In Carrizozo, you can order at The Teensters' Grocery

CAPTAN

By MARGARET RENCH
Many Improvements
Beautifying Capitan

Thursday, June 18, house movers moved the three room house of Johnny Annaratore's just as easy as if it were a toy. Doss Gallaway bought it and it was taken to his ranch north of Capitan. It certainly does look good in that spot as you can see their nice home without obstruction. George McBride is building a block fence on the west which will protect their yard from the winds.

The Binns are painting their building on Main street. It is white and looks good. They also graded their property near the fairgrounds. It makes a nice improvement. We have several beautiful lawns. The Dolinar and Flores yards are so pretty. The grass and flowers makes one stop and look.

The yards of the Garcias and Lowes stand out too. Flora Peralta had good luck with her lawn. The Shaw, Annaratore, Rensch Forbus and Candy Trujillo yards all help make it pretty. Many are joining us or are preparing to.

The old Tower Station property has been cleaned and it looks beautiful. A cafe will be opened soon. The Cab Callaway home is making progress in its construction. Inside work is going on now. Cab does the work himself. He has been away for a few days on other work but now is back on his own. The brick work is near the end on Hollis Cummins' new home. Inside work still is in progress. The Margarito Trujillo home, which has been under construction for some time, is nearing completion. It, too, is a nice home. The new highway between Capitan and Ruidoso is beginning to take shape. It is going to be a big help to our part of the country. We and Ruidoso are so grateful for it.

A pleasant surprise came to Mr. and Mrs. Joe Rensch last Friday when Joe's son, Joe Jr., came to spend the week end with us. We met him at Fort Stanton airport. He left from Roswell by plane for his home in Houston. They had not met in 20 years. Both had been searching for each other in Lovington and Hobbs where Jr. was working at that time he learned of a friend of Joe Sr. of his whereabouts. Therefore a phone call and a joyous meeting. We had the most wonderful week end. Joe Jr. and family will return very soon.

Mr. and Mrs. Claude Hicks and three children of Silver City and Mrs. Edna Littleton and two granddaughters of Tucuman were guests at the ranch home of Mr. and Mrs. Robert Leslie Sr. Wednesday, June 17.

Another Smokey Bear Dance Saturday

A Smokey Bear dance will be held Saturday, June 27, at the American Legion Hall with good music. Enjoy yourself and while doing so be helping build the Smokey Bear Museum. Join us for we do need you. All the proceeds, after paying the music, go for that cause. Come and bring your friends.

Clyde McClintock of Ruidoso, donated \$10 last week for the Smokey Bear Museum. Thanks a million.

Mr. and Mrs. Hollis Cummins are the proud parents of a son, Joe David, born Thursday, June 18, at the Ruidoso hospital, weighing 8 lbs., 2 ozs.

Mr. and Mrs. Emory Tillman have a new granddaughter, born Wednesday, June 17, to Mr. and Mrs. Don Pond in Clovis. Her name is Margery Louise, weighing 5 lbs., 7 ozs. Mrs. Tillman spent the day with them.

Mrs. Christine Rucker and two children went to Clovis the 17th to be with her sister for some time (Mr. and Mrs. Don Pond).

Mrs. Elma Campbell and three children left for California this past week where they will spend a pleasant vacation with relatives. We will miss them. If there is employment for her they plan not to return.

Mr. and Mrs. Bernie Quarez returned the 19th after a week in Deming, where he had been quite ill. He is back on the job with the Armstrong Construction Co. on the highway.

Rolf Soderback of Casco, Finland, arrived last week to spend three months with his brother, John Soderback.

Mr. and Mrs. Harold Covey and three sons of the Food Mart in Carrizozo left Thursday the 18th for El Paso to make their home. Mr. Covey is supervisor of a Quikie Mart there.

Mr. and Mrs. Roy Freeland and two children spent Father's Day with her parents, Mr. and Mrs. Robert Leslie Sr., at their ranch home.

Mr. and Mrs. Bill Hall made an unexpected trip to Eldorado, Okla., to visit his sister (Mr. and Mrs. C. J. McMinds) and his mother, Mrs. John Booker, Thursday the 18th to Sunday, returning home Monday evening. Nancy stayed with her sister Sarah (Mr. and Mrs. Clyde Ward) in Morton, Tex., during that time. On her return Sheryl Greathouse of Causey, N. M., came with her to spend a few days here.

John Carter of Grants spent a couple of days with his sister (Mr. and Mrs. A. D. Williams) and children. He is the gentleman who had his back broken some time ago. His upper torso is in a cast and will be for quite some time.

More About State Immunization Law

By ALMA BRADLEY
County Health Nurse

The new immunization law passed by the last legislature and interpreted by the State Board of Health states that it is unlawful for a child to attend school in New Mexico without a successful smallpox vaccination and he must have a repeat every five years.

Check your child's record now to be sure that his school attendance will not be interrupted next year. Ask your family physician for a record showing the date of last vaccination.

People who have never seen smallpox may find it hard to maintain that feeling of conviction that is needed to run a continuous program of vaccination. Smallpox is still endemic in some parts of the world and is still being carried about by international travelers.

The only way to combat smallpox is to vaccinate. In all our discussions of the advantages and disadvantages of vaccination we should not belittle the terrible effects of smallpox as a disease. It continues to defy the exertions of physicians and remains as treacherous as it was in the days of the Arabs who first described it.

Hospital Notes

ADMISSIONS: Bryan Hendricks, Elizabeth Jones, Jovita Torres, Carrizozo; George Fitzpatrick, Nogal; Abbie C. McNatt, Tularosa; Jean Cloud, Capitan; Constanza Chavez, Ft. Stanton; Romosita Arce and Hattie Shelton, Corona.

DISMISSALS: Frances Glierhart, Romosita Arce, Hattie Shelton and Jovita Torres.

Card of Thanks
We wish to extend our thanks and appreciation to all who so willingly contributed their help and kindness at the passing of our loved one.

THE VIRGIL HALL FAMILY
AND THE DICK COX FAMILY

In appreciation of the many acts of kindness shown us during our bereavement.

ROSCOR AND OLETA CLOUD
Mrs. Williams is the new owner of the Capitan Beauty Shop. They have lived here for several months and hope to be here for a long time. We hope they do for they are lovely people. Wish you worlds of success here with us.

News Notes from Along the Bonito

By LOUISE RUNNELS

Margaret (Kelsen) Taylor and daughter from Michigan are visiting her sister, Mary Helen LaMay and family for a few days then she will fly to Denver and meet her husband. Friday they went to the races at Ruidoso Downs.

Bert Pfingsten was on the Bonito this week, doing assessment work on his mining claims.

Mr. and Mrs. Jack Pfingsten and boys from El Paso spent Sunday in the mountains. They enjoyed the "Old Timers picnic" up Nogal Canyon. They said the crowd decided to have another next year on "Father's Day" since this picnic was a howling success, with the canyon full of folks. The Pfingstens came by Bonito City and we helped them finish off their fried chicken on our outside picnic tables. Joe Melin from Ruidoso joined us.

Mr. and Mrs. Carroll Robbins of Alamogordo fished at Bonito Saturday and Sunday. Mrs. Robbins was formerly Mamie Castorena of Carrizozo.

Some of the horse backers who made the trip from Carrizozo to Three Rivers and back by Bonito and on down the creek to come out at Bonnell's ranch came by Bonito City one day this week. They had supper at the mouth of Tanbark Canyon where their trucks waited to fix supper for them. Believe they spent three nights out, but didn't get a report on their trip.

Ask Jimmy Clayton 'bout his fishing trip last week. He was so tired when he, Bud Crenshaw and sons and Arvel Runnels and his sons got back he forgot his cowboy hat. They camped over night—caught some pretty fish and saw beautiful country. Emma Jean Hall, are you ready to go again this summer?

Friends of Ufa Felts Mosteller, Mr. and Mrs. J. D. Butler from El Paso spent the week end fishing at Bonito Lake. Mrs. Butler teaches school in El Paso with Ufa.

Last Wednesday, Mrs. Schriener and daughter and our children went to Block Ranch to watch the lamb marking and get Robert Lloyd Runnels. Twas quite a trip and we enjoyed it. Mrs. Britton took us around in their pickup. Where they marked the lambs lay about 100 lambs' tails. Mrs. Schriener asked Mr. Britton what they did with the lambs' tails. "We raffle them off," he said, "to the highest bidder."

Wynema Tully and children and guest, Eloise Frye, visited at Bonito City last week. We took a jeep ride to Bear Canyon to show them the cabins there and had a hamburger picnic.

Bill Randle was on the creek checking lights in a new cabin being built by S. Cox in Roswell.

George and Virginia Schryer and friends, Bill and Helen Kempf of Tulla, Texas, have been visiting here. George is Mrs. Bill Hightower's grandson.

Mr. and Mrs. Raymond Cox and friends from Roswell were sight-seeing here Sunday. They stay live down on Eagle Creek where Jim Hogland has a sawmill.

We have telephones at Bonito now—Bonito City number is EL 4-2625. It's wonderful to hear the little thing tingle—and it's wonderful to have a phone this far out in the sticks!

Joe G. West and Becky Nixon, who is visiting her sister and brother-in-law, Mr. and Mrs. Jim Terrell in Carrizozo were on the Bonito Sunday picnicking.

Mrs. Ethel Skinner and three pretty girls, Linda Skinner, Sharon Farrell and Connie Dill Thomas of Carlsbad are spending a few days in Mills Canyon at Lester Greer's cabin.

Mr. Marson and children are spending a few days in Roswell.

Jim Ramsey's daughter, Rachel Piper, her husband and their baby visited his last week. They were en route to Oregon where he has a job. He recently graduated from college in Wisconsin, and will work in Oregon.

Mrs. Hal Taylor, daughter Helen and John Kallien visited in Lincoln Tuesday.

J. M. McMichael is spending a few days in Lincoln visiting.

Rambling Around Lincoln County

(Two articles appearing in the Eagle—White Oaks—reprinted in the 1900 edition of the Capitan Miner):

WHITE OAKS MINERAL EXHIBIT
Maj. S. M. Davis, who has been selected by the El Paso Chamber of Commerce to secure from the different mining districts surrounding that city, a collection of minerals representing the resources of the southwest, reached here last Saturday noon.

He met the people of White Oaks just at the right time, and a very great interest was immediately manifested by everybody the Major became acquainted with. He remained over here from Saturday noon until Wednesday when he went to Nogal to meet the people there for the purpose of collecting an exhibit.

The Major expresses himself as wonderfully surprised at the immense resources in and around this town, and says White Oaks may have the greatest mineral exhibit that will reach the Chamber of Commerce from the entire southwest.

All arrangements have been made and men are at work getting out minerals, cutting the stone, etc. The exhibit will comprise the following variety of resources: Old Abe gold exhibit as well as gold from each of the other mines here; Copper, iron, coal, fire clay, red sandstone, black sandstone, cream colored sandstone, black marble, variegated marble, lead, gypsum and lime sulphur.

The Old Abe will have an exhibition of ores from the mine showing sulphides, alunite and a blue shale, all gold bearing, and of sufficient quantities to be representative of the virtues of the property.

Mrs. Pearl and other prospects adjoining, owned by Martin May, show up well for the amount of development work done. The Pearl ore assays \$20.60 per ton in copper, gold and silver.

The Blue Beck and a large number of other first class copper prospects in this locality might be mentioned but the above are sufficient to show that there are good properties in the Copper Gulch territory tributary to Nogal.

A new copper district has lately been opened up in the vicinity of Nogal, west of Church Mountain, that gives promise of adding materially to the wealth of the Nogal mining district. These mineral deposits will come in for a more extended mention at some future time.

North of the Helen Rea, Topeka, Philadelphia and other mines bearing free gold quartz, the character

we really need we manage somehow to obtain. This week I want to discuss with you an alibi that really isn't an alibi. In other words—I think of an alibi as an excuse with no real meaning behind it—just a lame sort of an explanation that everyone knows is false including the one who gives it but that has become sort of an accepted, mutual deception. "You accept my silly reason for not doing something and I'll accept yours"—in that way neither of us will have to do much thinking. Occasionally, however, one meets up with what I would call a "valid" excuse for not coming to church, and for not supporting the church. By valid I mean to that person the excuse is valid—he or she really believes that they have no need for the church and that the church is not really necessary. When a person is sincere in this belief and is not just using it as another evasion I must listen. It is that rather sentimental bit of philosophy which says that being good is all that really matters. Just to be good and kind and honorable . . . just to be square and fair with your fellow man . . . this is enough. Creeds, doctrines, personal faith in God or a personal experience of Christ—what do such things matter? To be good is good enough!

Have we already forgotten the lesson the Nazis taught us? Are we blind to what the Communists are doing today? In various ways, they have set out to kill God in the minds and hearts of people. Their efforts have been successful among millions of persons, especially among members of the Party, and the youth of Russia and its satellites. Once God is dead they can write their own commandments. The Party can say that any action or deed is right so long as it serves the Party. And if the Party chooses a different course tomorrow its moral laws can be rewritten or revised. There is no permanency in a moral code.

The standards which we call "good" in America have come from men who believed in Jesus Christ, from men who have had an experience of God. They were sure that they were in touch with eter-

nal reality. Their morals were the expression of this faith, and their rules of conduct were the result of this creed. And since Jesus Christ is the same yesterday, today and forever, there was permanence and stability in their lives. Their goodness had a foundation which would hold. Believe me, until a man has such a faith, the ethics of Christianity can have no real validity for him, no matter what

As a minister I will be in hospital rooms this week. It may be that a doctor will ask me to stand beside him as he speaks to some patient . . . tells a person that he will never walk again, that he will be an invalid for the rest of his life. In an hour like that, do you think it will be enough if I take that person's hand and say, "Now, don't worry . . . you may never walk again, but you can still be good. Remember, there is an ethical standard to which you can still measure up. You can still be good and honest and just and kind." Do you really think that such words would offer to that person the strength or help or security that he needs in such an hour?

Or as a minister, it may be that this week I shall stand with some family around a little grave. As we stand there looking down at the flowers which may cover it, do you really think it will be sufficient if I say to them, "Now don't worry. The light of your life may have gone out. That child of yours may have been placed in a bottomless pit! But . . . you can still be good and kind and just and honorable. There are ethical standards by which you can live!" Tell me, do you think such words will help that mother and father to face life and manage their sorrow?

Do you really think that being good is enough? Do you think it could ever offer the security which we need against that hour when the bell of trouble or sorrow or darkness tolls for us? In that hour, will it be enough just to be decent?

There is only one answer; we must have a great religious faith in our life. That is what Jesus Christ can give to you now, if you will let Him.

LINCOLN

Mr. Marson and children are spending a few days in Roswell.

Jim Ramsey's daughter, Rachel Piper, her husband and their baby visited his last week. They were en route to Oregon where he has a job. He recently graduated from college in Wisconsin, and will work in Oregon.

Mrs. Hal Taylor, daughter Helen and John Kallien visited in Lincoln Tuesday.

J. M. McMichael is spending a few days in Lincoln visiting.

Barbara McGrew is visiting her uncle aunt, the Donald McGrews in Reno, Nevada.

Mr. and Mrs. Gonzalo Salinas and daughter are visiting in the J. G. Garcia home.

CHURCH NEWS

Assembly of God

Vacation Bible School at the Assembly of God Church was a "wonderful success." Pastor James Wells reported this week, with students, teachers and workers averaging nearly fifty each day.

"We want to thank all the parents and workers for their splendid cooperation," Rev. Wells said. "It has been a pleasure and a joy of our heart to work with the children. We would like to invite each of you, especially the parents, to our commencement service Friday night at 8 o'clock. It will thrill your heart to see and hear the children give their scripture verses and sing."

Trinity Methodist

Rev. Homer Reid, pastor of the Trinity Methodist Church of Carrizozo, urges all members and parents of the church school to attend the special morning service this Sunday. It is promotion Sunday and most children will be moving up to the next grade in time for vacation church school which begins Monday, June 29.

The Methodist men are giving a nice new copy of the Bible to all the children moving up from the Primary department into the Junior Department. A special program has been planned.

Mrs. Bessie Hodgkin, Church superintendent, urges all parents to attend Sunday School and give the children a boost.

Sunday evening at 6 p.m., will be the monthly potluck supper. All members and friends of Trinity Methodist are urged to come and stay for the worship service after dinner at 7:30. The service will be in charge of the laymen. Russ Eddings will bring the message. The Junior High School group will give an account of their experiences at the Methodist Camp last week.

Rev. Reid has been preaching in Hondo at their early morning service every other Sunday. He has announced a series of sermons based on the basic beliefs of a Christian.

Sunday the 26th he will preach on "Why I Believe in God"; July 5th, "Why I Believe in Christ"; July 12, "Why I Believe in Man"; and on July 19, "Why I Believe in The Eternal Life."

All of these sermons will be "continuous" and although each sermon will be concerned with the topic on hand, they are all necessarily connected; therefore, if possible all members are urged to come all four Sundays.

These sermons are the result of questions that the Junior High School students asked while Rev. Reid was teaching at the Methodist Assembly camp in the Sacramento Mountains. They are aimed toward the young people, but adults will find them helpful and meaningful.

ALIBIS
By REV. HOMER REID
We have been discussing the need of the church in modern life—we brought out the fact that if a person doesn't feel a need for something any trivial excuse is sufficient. The subject we feel that

Tularosa Basin News

OUR TOWN

By MRS. H. E. MARR

There was another example of wanton destruction here this week. Someone, using a high-powered rifle, shot a hole in the new water tank on the hill east of town. I wonder how a person's mind works who does things of this kind. It is just plain stupidity, of course, to deliberately destroy things — it takes no great cunning or intelligence to tear down what a smart man has made. We have entirely too much stupid destruction going on. Water is one thing we just can't afford to waste.

The Tularosa Lions Club served the Shriner's convention one of their fine steak dinners last Saturday, attended by 950. The dinner was at noon in Alameda Park in Alamogordo.

With all the conventions and organizations demanding the Lions Club dinners, it is getting to be a pretty steady business for them. Good news travels fast, they say, and this applies to the Lions Club steak dinners.

The annual Civil Service picnic was held at White Sands last Saturday afternoon. The weather cooperated nicely and about 2,000 people attended.

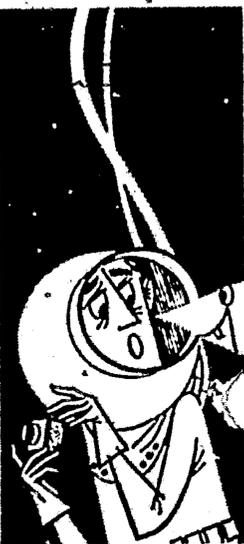

Fried chicken was the main dish for the meal. A large group from Tularosa attended.

Return from Extended Trip to Europe

Mrs. Louis Florina of Santa Fe, the former Mary Ellen Sellers of Fort Stanton, returned early this month from a tour of Europe. Mrs. Florina, her mother-in-law, Mrs. Mary Florina, and a nephew Tommy Florina, sailed from New York late in March on the Italian liner Augustine.

They went first to Italy, where Mrs. Mary Florina stayed to visit relatives. Mary Ellen toured Italy, France and Spain, then flew to Ireland where she spent a week; then to England and back to New York on the "United States," the largest liner we have.

She flew from New York to Santa Fe and will be describing her tour to friends and relatives for months to come.

Joy Adams Feted At Birthday Party

A birthday party was given for Joy Adams by her older sister, Merita Adams Saturday, June 20, from 8 to 10 at the Adams home. It was to celebrate Joy's 14th birthday—June 21.

Fifteen guests, Pam Kearney, La Donna Lockhart, Jane Nelson (of Alamogordo), Susan Archibald, Georgia Grey, Sharon Grannis, Jenness Welsler, Cinda Meldas, Larry Bishop, Dennis Marr, Ricky Stewart, Jackie Kearney, David King and Maurice Hobson danced on the patio and were served cake and Cokes.

Joy received many nice gifts.

RECEPTION FOR NEWLYWEDS

A reception for Mr. and Mrs. Lindell Wilcox was held Sunday afternoon at the home of Mr. and Mrs. Lester Wilcox of Tularosa. Cake and punch were served to a group of relatives and friends who come to wish the newlyweds health and happiness.

The bride and groom were returning from a short trip after their marriage last Friday, June 19. They will be at home in El Paso for the present.

Pre-Nuptial Shower Honors Linda Pond

Mrs. Preston Pond and Linda of Socorro are here preparing for Linda's wedding which is to take place at the Methodist Church on Sunday, June 28.

The Ponds are former residents of Tularosa. Linda graduated from high school here in 1935 and has been in school at Dallas.

Miss Pond was honored Tuesday night with a wedding shower at the home of Mrs. Dan King. Mrs. Ross Lockhart, Mrs. Jack Hobson and Mrs. Lyle Bishop were co-hostesses.

Guests were served punch, cake, sandwiches, nuts and mints from the serving table which had turquoise net over turquoise lace cover and tall pink candles. A striking flower arrangement on the mantle had little silver bells among oleander and baby's breath.

LaDonna Lockhart had charge of the guest book. Pamela Kearney assisted the honoree with her gifts. Miss Marjorie Goforth and Mrs. Darrell Hilton served alternately at the punch bowl.

Linda will be married Sunday, June 28, to Mr. Conrad Callicotte.

Hosts Slumber Party

Kathy Phillips hosted a slumber party, Friday, June 19, at her home in Tularosa. Mary Switzer, La Von Stewart, Linda Harden, and Viola Sartin were guests. The girls attended a show in Alamogordo and then returned to Tularosa for refreshments and "slumber" on the Phillips' front lawn. All enjoyed a good time.

Indian Dances and Rodeo Highlights of Annual Mescalero Apache Ceremonial

The annual Mescalero Apache Ceremonial will be July 2, 3, 4 and 5 at Mescalero, with a rodeo on three days, the 3rd, 4th and 5th.

The official ceremonial for the maidens will be July 2 from 9 in the morning until noon. This ceremony is a coming-out party for these maidens. Each has a sponsor, an attendant and a medicine man. The maidens for this year are:

Dorene Enjady — Sponsors, Mr. and Mrs. Fred Pellman; attendants (and chief medicine man) Mr. and Mrs. William Comanche.

Jo Anne Marie Treas — Sponsors, Mr. and Mrs. Woodrow Wilson, Attendant, Mrs. Guadalupe Treas. Medicine man, Woodrow Wilson.

Lynette Kahze — Sponsors, Mr. and Mrs. Isaac Kahze. Attendant, Mrs. Gertrude Torres. Medicine man, Paul Ortega.

Perida Johnson — Sponsors, Mr. and Mrs. Arthur Johnson. Attendant, Mrs. Bertha Morgan. Medicine man, Willetto Antonio.

Rufina Evans — Sponsor, Mrs. Juanita Evans, her mother. Attendant, Mrs. Catharine Cojo. Medicine man, Ernest Man.

This part of the Apache ceremonial has deep religious significance and is very important to the members. Some parts of this religious ceremony are still not opened to the public. However, the public is invited to witness the preparation of the ceremonial foods on the grounds.

Various tribes from the Southwest will present dances each night. The Dance of the Mountain Gods will be each night by the Mescalero Apaches. Daily at 4:00 o'clock in the afternoon the Jemez Indians will dance the Buffalo Dance; the Eagle Dance by a Taos group.

The Plains Indians from Oklahoma have several dances, including the Rabbit Dance, the two-step, Shield Dance and a special song and dance they have for flag raising, which is entirely new this year.

At 10 in the morning, July 4, Mrs. Virginia Kinnekele will deliver an oration. She is the first woman ever to be the head of a tribe.

A narration by Mrs. Evelyn P. Bruening will precede the Dance of the Mountain Gods on July 4 and 5.

Announcer for the rodeo on the 3rd, 4th and 5th will be Charles Force of Albuquerque. The stock belongs to the Mescalero Cattle Growers' Association and will be gathered from the reservation's rangelands.

Events for the rodeo are calf roping, ribbon roping, bareback bronc riding, wild cow milking, boot race and steer riding, the last two for adults and kids.

The rodeo will start daily at 2 in the afternoon. A new and larger parking area is being readied.

The Apache Summit will have a stand on the grounds to sell arts and crafts and there will also be an arts and crafts exhibit at the Community Center in Mescalero. A stand on the ceremonial grounds will sell for the first time the famous "squaw bread."

Indians have been invited from Arizona, Oklahoma and New Mexico and there will be Navajo, Jicarilla Apaches, San Carlos Apaches and Utes from Colorado.

Police from these other reservations will assist those from Mescalero during the ceremonial.

N. M. S. U. Rodeo Team Goes to Oregon Finals

The N. M. S. U. Intercollegiate Rodeo Team will leave from University Park June 27 for Klamath Falls, Ore., for the National Intercollegiate finals to be held there July 3, 4 and 5.

The top teams from each of the four regions, West Coast, Rocky Mountain, Southern and Southwestern, will be competing for national honors.

New Mexico State University and Sul Ross of Alpine Texas, will represent the Southwest region.

Miss Linda Harden Attending Music Clinic

Linda Harden, daughter of Mr. and Mrs. W. E. Harden, left Monday to attend the music clinic at the University of New Mexico, which started that day and continues through July 1. Students in all phases of music are given instruction, criticism and help.

Linda, who started her singing career in the Junior Methodist choir several years ago under the direction of Mrs. Dan King, is studying chorus work and voice during the clinic. She was a member of the "Sagebrush Symphonettes," also under Mrs. King, who made quite a name for themselves a few years ago. They sang and danced before many large audiences in New Mexico and nearby states.

Last year Linda was a member of the Tularosa chorus that went all-State. She has been in the high school chorus three years and was a member of the Madrigal Singers who put on some outstanding performances under the direction of John Turner.

In the past three years she has taken first and second places in voice at the regional music festivals. Eleven years ago when a majorette squad was organized, Linda was one of the first members. She also plays the bells in the high school concert band.

Linda will be a senior in high school this fall. She has been a member of the National Honor society for three years and last year was vice president of the society here.

Another of Linda's many talents is modeling. She has been a model in many fashion shows and modeled in the "Maid of Cotton" shows here the last two years.

The scholarship enabling Linda to go to New Mexico University was given by the Tularosa Women's Club to a deserving student. Linda was chosen for this honor by the club's executive committee.

Sunday dinner guests at the Eddie Beyer home were Mr. and Mrs. R. M. McNatt, Mr. and Mrs. Fred Lloyde Parker and children and Mr. and Mrs. Louis Holland and daughter.

225 Signed for Recreation Program

Over 50 more children have swelled the number participating in this summer's recreation program to over the 225 mark. Many more new ones were expected to sign up this week with the beginning of Little League activity.

This year's first Little League game is slated to be a double-header beginning at 5:30 p.m. or as soon thereafter as possible on Wednesday, July 1. The reason for the early starting time is due to the fact that lights will not be installed by that date, but should be in by the following week according to Community Public Service officials who are to install the lights.

In basketball play, league standings remained the same as each team won one and lost one. In the first game, the Bulldogs were beaten by the last place Rhythm Kings, 32-23. The Bulldogs then came back to beat the first place Nighthawks 23-20. In the final, the Nighthawks beat the Rhythm Kings 30-22.

PRESENT LEAGUE STANDINGS

TEAM	W	L
Nighthawks	4	2
Bulldogs	3	3
Rhythm Kings	2	4

One of the highlights of the past week was a picnic last Monday along the Tularosa creek for boys. This coming Tuesday morning from 9-11:30 the girls will picnic. Those attending should bring a sack lunch and water to the gym at 9 a.m.

RECREATION SCHEDULE

This week's schedule is as follows:
 Friday, June 26—
 9:15 to 11:30 a.m. Girls swim, Alamogordo, 20c
 Saturday, June 27—
 2-4 p.m. Women's Club library open.
 Monday, June 28—
 9:15 to 10:30, boys' gym hour. Tennis, pingpong games, etc.
 7:15-9:15 p.m. Junior High basketball league games.
 Tuesday, June 30—
 9-11:30, girls' picnic, bring lunch and water to gym.
 2-4 p.m., Women's Club library open.
 4-5 p.m., Grade school boys' trampoline.
 5-6 p.m., Junior High and high school boys' trampoline.
 6:30-9 p.m., teenage skating, 35 cents (8th thru 15th grades).
 7:30-9 p.m., High school library open for teenagers and adults.
 Wednesday, July 1—
 10-11, grade school girls' trampoline.
 11-12, Junior high and high school girls' trampoline.
 5:30-7:30 p.m., Little League double-header on field west of caps.

County Officials' Meet Declared Big Success

The New Mexico Association of County Officials' convention in Alamogordo was a big success, so reports Mrs. Margaret Sanchez, Otero county clerk.

The new officers are:
 President, Stanley Jennings of Quay county.

First Vice President, John Crabtree, Los Alamos county.

Second Vice President, Henry Jaramillo Jr., Valencia county.

Secretary, Margaret Sanchez of Otero county.

Treasurer, Mildred Pate of Eddy county.

About Tularosans

Mr. and Mrs. Cleve Dockray of Mayhill came down last Friday to visit and get some apricots. They had dinner with Mr. and Mrs. R. M. McNatt, got some Tularosa apricots and returned home late in the evening.

Mr. and Mrs. Eddie Beyer returned Saturday from a week's vacation in Ignacio, Colo., where they visited their daughter and family. Mr. and Mrs. Earl Rea. Accompanying them on their trip were two of their grandchildren, Karen and Gary Lloyde Parker from Alamogordo; also their daughter Mrs. Louis Holland and daughter Kathy Ann, also from Alamogordo. They visited Mr. and Mrs. Charles Williams while there. Mr. and Mrs. Williams are former residents of Tularosa. He was chief of police for several years.

Mr. and Mrs. Bud Couch from California are visiting Mrs. O. E. Dodds this week.

Mrs. Don Phillips and daughter Linda accompanied Mrs. W. E. Harden and Linda to Albuquerque early Monday morning. Mrs. Harden took Linda up for the N. M. U. music clinic.

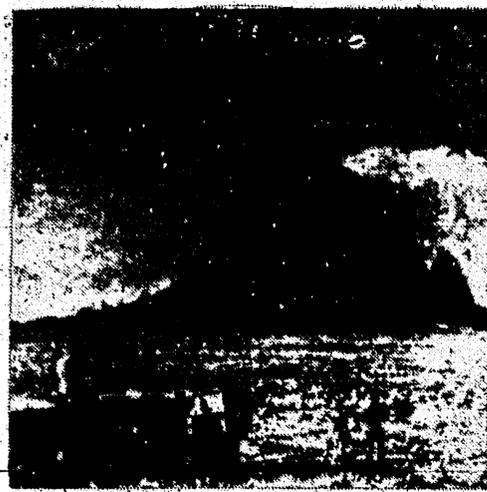

Ernest Montoya, son of Mr. and Mrs. Dan Montoya, is home for a few days' leave from the Service.

Irvin Michaud will leave Saturday, June 27, for two weeks' vacation in Caribou, Maine, where he will visit friends and relatives.

Mr. and Mrs. C. A. Fetzer of Los Angeles returned to their home last week after several days here visiting in the home of Mr. and Mrs. J. C. Johnson. They stayed with Mrs. Eva Robinson, mother of Mrs. Johnson and Mr. Fetzer, while Mrs. Johnson went to Upland, Calif., for the wedding of her daughter, Eloise, to Mr. Ernie Lewis. Mrs. Johnson made the trip by plane, leaving Tularosa Thursday and returning Monday. Mr. and Mrs. Lewis are both postal employees in Ukiah and plan to make their home there after a short trip north.

Mr. and Mrs. H. E. Marr, Don, and Gerald visited Mr. and Mrs. Tom Babers at San Patricio last Sunday. Mr. and Mrs. Stanley McNatt and sons Jimmy and Terry, David Blazer and John Pruitt of Mescalero also came. The McNatt boys joined the San Patricio team for some polo at Peter Hurd's field. The San Patricio polo team is practicing for the tournament to be held in El Paso the 25th to 28th.

Mrs. Julian Pierce of Tularosa and Mrs. Max Busch of Alamogordo and Mrs. John King of Mountain Park made a trip to Grants this week.

NEW MEXICO'S FAMOUS SHIPROCK—Frequently photographed, is a formidable challenge to mountain climbers.

ANCHO

Mr. and Mrs. Ed Miller and son Darth of Roseburg, Ore., are visiting Ed's brother, Price Miller and family. The Millers moved from here 21 years ago. Their daughter Shirley is working in northern California and Darth is on furlough from the Air Force. Mrs. Miller will go on to Kansas City to visit relatives while Ed and Darth stay for a longer visit. Mrs. Miller has been teaching in the Roseburg schools for a number of years.

The Hightowers and Harkeys report a nice fishing trip to Canehas Lake.

Don Simmons, assistant Presbyterian pastor filled the pulpit here Sunday. Don is a very sincere

tal employes in Ukiah and plan to make their home there after a short trip north.

Mr. and Mrs. H. E. Marr, Don, and Gerald visited Mr. and Mrs. Tom Babers at San Patricio last Sunday. Mr. and Mrs. Stanley McNatt and sons Jimmy and Terry, David Blazer and John Pruitt of Mescalero also came. The McNatt boys joined the San Patricio team for some polo at Peter Hurd's field. The San Patricio polo team is practicing for the tournament to be held in El Paso the 25th to 28th.

Mrs. Julian Pierce of Tularosa and Mrs. Max Busch of Alamogordo and Mrs. John King of Mountain Park made a trip to Grants this week.

young man and we are happy to have him with us.
 John Wilson II has returned to his home in Lovington. He enjoyed his visit on the ranch.
 Mr. and Mrs. J. G. Moore and Joe were guests of Mr. and Mrs. Lee Straley and family. Joe stayed for a longer visit with his sister Dorothy.

Mr. and Mrs. Lynch are in Jicarilla doing some mining assessment work for W. A. Rice.

Mr. and Mrs. Tom Knight had as their guest Nancy's cousin, Mrs. Agnes Smith and young son from Nevada.

Mr. and Mrs. Ralph Jones and grandson Stevie Jones were guests of the B. A. Hightowers on Wednesday.

VI'S VIEWS

Hil I have a letter for you this week.
 Dear Vi—Do you think it is alright for Junior High girls to date Senior high boys? How about Senior High girls dating college boys? Thank—Too Young.
 Dear Too Young: I think it depends a lot on the maturity of the girl involved in each individual case. Some Junior High girls have been dating a while and are ready to date Senior High boys, while other Junior High girls are not mature enough to be dating even Junior High boys. Pretty much the same applies to Senior High girls. And remember, too, maturity is as much mental as physical.
 Do any of you readers have special views on this? Write me if you do. Remember to write me about any other problems or opinions you have.
 I will leave you this week by telling a trade secret of the female sex:
 When a boy breaks a date, he usually has to. When a girl breaks a date, she usually has two.
 Well now I am a traitor, eh, well, see you next week—VI.

SPORTS CORNER

DIAMOND DUST

By J. S. C.

The Fort Stanton Bruins turned in a fire alarm last Sunday and the Red Hats of Mesalero soon appeared on the scene to check it before it gained much headway.

Our boys kept fanning the embers with their futile bats for 7 innings but could not start the flame again, for their starting pitcher, "Chief Red Bonnet" Donald and his fireeaters kept the fire line well patrolled.

However in the bottom of the 8th he slackened in his vigilance and had another conflagration on hand, which almost spelled their downfall, after landing 16 to 5. He walked 5 men, hit 1 and gave 3 timely hits, one a 3-bagger by Cruz Gutierrez with the bases loaded. We scored 8 runs to make it stand 16 to 13 in their favor. He fanned 3 men to end the threat.

In the top of the 8th, they had scored 4 runs on a walk and errors to fill the bags. Starr came thru with a tremendous home run to center and scored 3 men ahead of him. Dalton relieved Aldaz on the mound and retired the side without any more damage. He held them in check again in the 9th and Donald, who had been relieved by Edwards in that hectic 8th, took over again where he had left off and let us down with a single and struck out two men with the bases full.

Cruz and Aldaz made fine running stabs in the outfield. Montoya tagged two men at third trying to steal. Miller pulled the hidden ball trick on Earl at second in the 8th. Umpire Littell suffered a painful bruise on his arm when struck by a foul tip. Donald helped his cause by homering in the 5th with two men aboard.

Summary: Red Hats 14 hits, 3

Carrizozo Town Club Defeats Torreon, 5-1

The Carrizozo town ball team, playing Sunday at Torreon in Torrance county, emerged the winner 5 to 1.

The game was decided in the fifth inning when Tony Beltran connected for a home run with two mates on the bases.

Torreón's lone tally came in the sixth inning.

Batteries for Carrizozo were J. Beltran, Paul Gutierrez and N. Montes; J. Beltran took up the pitching chore in the fifth inning.

In league standings the Carrizozo boys have lost two games and won one. Santa Rosa defeated Willard Sunday 9 to 2 for the league leadership.

Other teams in the Central New Mexico League are Mountainair and Vaughn.

walks; 2 errors. Fort Cubs 10 hits, 10 walks, 6 errors. Starr was their hitting star, with a 2-bagger and home run. Donald had a single and home run. Dan Daniel and Richard 2 singles each. A Gutierrez and Dalton had 2 singles each for the Cubs and Dalton walked 3 times. Aldaz and Cruz hit 3-baggers. Hobby gun Moraz struck out 4 times in 5 times at bat.

Strikeouts: Donald and Earl 12; Aldaz 8. Umpires, Littell and Jess. Scorer, Chavez.

A big crowd turned out for the game and it was cloudy and cool. Rain threatened, but it didn't materialize.

Next Sunday the Cubs will travel to Luis Lopez in Socorro county to try their luck in greener pastures on the Rio Grande.

On Sunday, July 6, while their celebration is still in progress, the Cubs will invade Mesalero and if we can't beat them at baseball we'll try to outdo them in their tomahawk dance. Come over and watch our smoke!

FORT STANTON

ARRIVALS: Joyce Gentry, Las Lunas; Epifania Candelaria, Fortales; Curles Haynes, Albuquerque. **DISCHARGES:** Reynaldo Perez and Velma Gonzalez, a child.

Dr. H. C. Jernigan is the proud possessor of a Seafair boat, with a 50-horsepower Johnson motor. It's a beauty.

Juan Rincon returned last week from Albuquerque where he received surgery.

Lucy Montes, N. A., is on her vacation in California, visiting her children. Frances Glehart, N. A., is also on her vacation.

Thank you, Ramon Prudencio, for your subscription to the Lincoln County News. We hope none of your goats strayed while you went to the ball game.

Dr. Grasso is doing nicely after injuring his knee when his bicycle fell with him. You should put a governor in your wheel, doctor.

Joe Piro of Armiño was here for three days last week for a check-up.

The kids enjoy themselves these hot summer days by taking a dip

in the concrete pool back of Dr. Jernigan's residence.

Mr. Fahrbruch interviewed and qualified seven girls and two men for the cosmetology course.

Mrs. Lacy is teaching an arithmetic class Monday, Wednesday and Friday at 8 a.m. Those wishing to join the class, get permission from your doctor and go to Building 8.

Robert Griego had a bicycle accident recently and had to be given some stitches in his right ankle.

Eligio Sandoval left this week for Albuquerque to undergo surgery.

The children have been moved to No. 12 and the patients of that ward were moved to the large building—No. 3. Also, a few from Main 1 were moved to 3. The wire mesh fence and swings were taken up and placed at the back of 12. The large wooden porch in the front has been torn up and is being replaced with a modern concrete structure. We are all satisfied and happy in our new home.

Electrician Phil Griego has been repairing some of the wiring in the building and he will soon install our TV set.

Found under the ancient porch were two old horseshoes, two muleshoes, one 1812 nickel and several spent copper cartridge shells. One has the letters F and R and the figures 4 and 80. The other has the same letters; but Nos. 3 and 83. They are large and the same in diameter and are center fire. Presumably, the large numbers is the year the ammunition was made and the smaller numbers, the month. Anybody Lilly Franco left last Friday with her parents for Carlsbad for a furlough of two weeks.

Jose Morales left last Saturday for Logan on furlough.

The remains of Lucio Ortiz, who died last Saturday night, were taken to Glorietta for funeral arrangements.

Dr. and Mrs. H. C. Jernigan had as week-end guests Mr. and Mrs. Cobb. The ladies are sisters.

Mr. and Mrs. Joe S. Chavez and children of Carrizozo visited Joe S. Chavez here on Father's Day.

Pablo Chavez and Juan Lucero had visitors from Lemitar and Socorro on Father's Day.

Ft. Stanton's Farewell to Dr. and Mrs. Grasso

The talent show was held in the clubhouse last Saturday evening to a packed house.

Special guests for the occasion were Dr. and Mrs. Grasso. They arrived at 6 o'clock and cameras flashed all over the room.

John Almendares was master of ceremonies and announced each number with much humor.

Rock n' roll number by Irene, Josie and Carmen.

McCommas and Montano on banjo-mandolin and guitar, played "Spinning Wheel," "Mockingbird Hill," "Spanish Two-Step" and the "Tennessee Waltz."

Songs by Carmen Vigil, accompanied by Hernandez and Montano.

"Dance, Boston Fancy," by Irene Sanchez and Joe Contreras.

Spanish melodies, Rincon, Hernandez, Montano, Garcia, Sanchez and Martinez (string instruments).

Song by Irene Sanchez, accompanied by McCommas and Martinez.

Farewell song to Dr. and Mrs. Grasso by the group.

Almendares presented some beautiful gifts to Dr. Grasso from the patients and employees of Fort Stanton and told him how much we all regretted to see him leave.

He responded by thanking everyone and saying that he, too, would miss everyone and the very friendly atmosphere of Ft. Stanton.

Name New Home Demonstration Agent

University Park, N. M. — Miss Helen Davalos, a native New Mexican, has been named home demonstration agent-at-large for DeBaca and Guadalupe counties.

Miss Davalos attended NMSU in 1951-52 and obtained her degree in home economics from New Mexico Western in 1955. She taught in Palmer, Alaska in 1955-56 and was with the American Red Cross in Texas and Korea from 1950-59.

Farm and Ranch

County Extension Agent

Robt. McDaniel Named To County FHA Board

Robert McDaniel of Glenrose has recently been appointed to serve on the Lincoln County Committee of the Farmers Home Administration, according to an announcement by Warren Freeman, FHA county supervisor.

Mr. McDaniel replaces Ralph Bonnell, whose term expires June 30, 1959. The other two members serving with Mr. McDaniel are Paul Jones and Corbin Hester.

Each county in New Mexico has a 3-member committee to work with the county supervisor to make the best possible local use of the agency's farm credit service program. The eligibility of all applicants for all types of FHA loans is determined by the committee.

Also, they review the borrower's progress by means of improved farming.

The FHA is an agency of the U.S. Department of Agriculture which supplies long-term credit to farmers and ranchers to buy or improve their units, establish suitable soil and water conservation measure, and build or repair farm houses or other essential farm buildings. Both intermediate or short-term credit, for farm operations or to meet emergency needs, is provided by this organization. As part of its credit service, FHA supplies farm and home management aids and advice.

FHA, however, does not compete with other lenders in the farm credit field, and all borrowers are encouraged to graduate to other lending agencies whenever they reach a position that they can fulfill the rates and terms established by such lenders.

People today expect too much for too little. Too many people today want security for the rest of their lives through a minimum of effort and a maximum of pay.—Charles H. Kellstadt, Sears Roebuck & Co. President

Back Rubbers Help Daily Beef Gain

University Park, N. M.—Plenty of shade, good pastures, and the use of hormones for beef cattle can help lower the cost per pound of gain. However, those aids may be offset if no fly protection is provided, says John J. Durkin, entomologist with the New Mexico State University Extension Service.

The cable treating method is suitable for controlling flies on beef herds. To install a back-rubber, two well-braced posts are set in the ground about 20 feet apart. A chain or several strands of barbed wire are fastened about four feet high on each post and adjusted to sag in the center to about two feet above the ground. The chain is wrapped with burlap sacking which is tied firmly at eight-inch intervals.

Apply a 5% solution of malathion to the burlap each three or four weeks. The animals rub on this treat and pick up a light coating of the insecticide which affords good protection and helps maintain daily gains.

Apply a 5% solution of malathion to the burlap each three or four weeks. The animals rub on this treat and pick up a light coating of the insecticide which affords good protection and helps maintain daily gains.

900,000 NEW MEXICANS SIT IN ON COPPER TALKS

Labor negotiations are under way at Kennecott's Chino Mines Division. Union and company representatives are meeting daily to work out contracts to replace the three-year agreements that expire soon.

Kennecott has approached the bargaining table determined to be fair, reasonable and realistic in order to achieve an equitable settlement of issues in the interest of the common good.

For while these negotiations directly affect 1,800 employees, in a broader sense every one of New Mexico's 900,000 citizens has a personal interest in what happens. Directly and indirectly, the prosperity of all New Mexican depends to some extent on the millions of dollars circulated throughout the state in the form of payrolls, supply purchases and tax payments.

Only by continuing to compete successfully in the production and sale of copper can Kennecott fulfill its basic responsibility to stockholders, employees and customers. Maintenance of Chino Mines Division as a vigorous metal producing enterprise is vital to the continuing growth and prosperity of New Mexico.

A Good Neighbor Helping to Build a Better New Mexico

Travel Happy

TRAVEL-FREE!

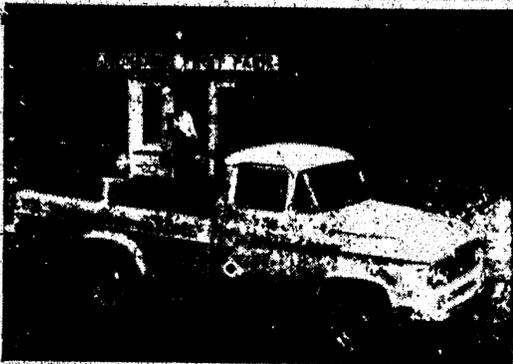

A magic carpet might seem to be a pleasant mode of travel; actually, we understand they're rather drafty. You're far better off in your automobile, especially after taking it in for a thorough check-up at your Phillips 66 Station.

For vacation travel, your Phillips 66 Dealer will help you "travel happy... trouble free!" He'll check the cooling system, battery, and tires... do a thorough lubrication job... drain, refill the crankcase with fresh Phillips 66 Trop-A-Tic Motor Oil... fill your gas tank with Ivory Phillips 66 Philo-Fuel. Then you'll be ready, ready for the open road.

Drive in where you see the orange and black Phillips 66 Shield.

Farmers Need Double-Duty Truck

ITS ABILITY TO DO DOUBLE DUTY makes this new Dodge Sweepline half-ton pickup popular with farmers and ranchers. Stylish enough to replace the family car for trips into the city or to market, the Sweepline features a payload capacity of 1,775 pounds with its 120-horsepower 6-cylinder or 205-horsepower V-8 engine. A new suspension system, which provides an easier ride and added protection for cargo, makes the Sweepline ideal for use in rural areas.

Former Carrizozo Youth Helps Rescue Girl From Riptide at Beach

(The News is indebted to Mrs. Fred J. Larsen of San Francisco for an item clipped from the San Francisco Examiner describing an act of heroism of a youth who formerly lived in Carrizozo. John Aguilar is the son of Manuel Aguilar, brother-in-law of Dan Adler, also of Carrizozo. The news item follows):

"A Pacifica Fire Department rescue team, working frantically for more than ten minutes with a resuscitator, managed to revive a 13-year-old girl who nearly drowned yesterday off Pedro Beach.

"Dorie Marnell, the daughter of Mr. and Mrs. Edward Marnell, of 32 Desvio court, Pacifica, had been swimming about a hundred yards offshore when she felt herself being swept out to sea by an undertow.

"She screamed for help and two teen-aged Pacifica boys, John Aguilar, 15, of 1275 Linda Mar Blvd., and George Robinson, 14, of 1383 Solano drive, swam to her rescue.

"They towed her to shore and placed her on the sand, unconscious and apparently not breathing.

"After ten minutes of frantic work with the resuscitator, Fire Chief Edwin Greer was able to detect a faint breathing that steadily grew more regular."

NOGAL NEWS

By ROSALIE DUNLAP

We extend our sincerest sympathies to the family of Jean Cloud, who passed away Saturday after suffering a fall from a horse.

Mr. and Mrs. Sam Cox and Mr. and Mrs. Melvin Houx and son Kenny recently took an extended trip to Fort Worth, and other points of interest.

Last Monday Floy Slinner journeyed to Penasco to bring Mr. and Mrs. Cox and Mrs. Melvin Houx and son back to Nogal.

Melvin had gone on to Egnar, Colo., to pick up their trailer house and take it to Hobbs where Melvin is employed. Mrs. Houx then left for Hobbs Tuesday with Mr. and Mrs. Sam Cox. The Coxes returned home Wednesday.

Maj. and Mrs. Snow and family arrived in Nogal Saturday from Ft. Leavenworth, Kans. Mrs. Snow is the daughter of Mr. and Mrs. Austin Wooten. Major Snow has just completed a year's course in officer's command at Ft. Leavenworth.

The Snows have bought the former A. B. Zumwalt home and expect to fit it up during Maj. Snow's leave of 30 days after which he will go overseas to Iceland for 15 to 18 months. Mrs. Snow and the children will live in Nogal during his tour overseas.

Three County Women On Dean's Honor List

University Park, N. M.—Anne Gallacher of Carrizozo, Louella Mays Cole and Patricia Crow Bagley of Corona are among 35 students at New Mexico State University in the College of Agriculture and Home Economics appointed to the Dean's Honor List for the spring semester 1959.

To achieve the honor list a student must be registered for 12 hours or more and earn a grade point average of 3.2 or better out of a possible four grade point for the semester.

Mrs. Cole is the daughter of Mr. and Mrs. W. A. Mays of Corona. She is a 1952 graduate of Corona High School and received the degree of bachelor of science in home economics during New Mexico State's spring commencement.

Mrs. Bagley also received the degree of bachelor of science in home economics during the spring commencement at NMSU. She is a 1955 graduate of Corona High School and the daughter of Mr. and Mrs. Harry P. Crow of Corona.

Miss Gallacher is the daughter of Mr. and Mrs. W. W. Gallacher of Carrizozo. A 1955 graduate of Carrizozo High School, she received the degree of bachelor of science in home economics during spring commencement at NMSU.

Tom Zumwalt suffered a painful injury Sunday at the old-timers picnic on Nogal Canyon. While helping to lift a car that had gotten hung on a tree stump, his little finger became caught and was cut off at the first joint. He is doing fairly well but the finger is still painful.

Mrs. E. C. McKinley visited her daughter and family, Mr. and Mrs. Ralph Dunlap Wednesday and Thursday. She helped the Dunlaps clean up debris left after the fire.

Mr. and Mrs. Lewis Greer of Roswell are the proud parents of a baby son, Lester Randle, born Saturday, at 12:05 p.m. at the Ruldoso Hospital. Paternal grandparents are Mr. and Mrs. Randall Greer and maternal grandparents are Mr. and Mrs. Walter Witham of Nogal.

Mr. and Mrs. Dick Cox and sons of Penasco and Mrs. Mary Ann Houx and son of Hobbs were here over the week end to be with the family.

Virgil Hall and Ray Province went after Donna Cox and boys as Dick was helping fight a fire in Arizona. Dick then flew from Globe, Ariz., to El Paso, where he caught a train to Carrizozo.

ABOUT PEOPLE

Charles Francis de Capitan was among 17 New Mexico Western College graduates who have reported their acceptance of teaching positions to the college Teacher Placement Bureau.

He will teach business education at Reserve.

Among other placements was Earl Allen Jones of Lake Arthur who will teach business education in Alamogordo.

Buster Boone received delivery Saturday of a 1959 streamlined Ford half ton pickup which he will use in his air conditioning and refrigeration business. The pickup was purchased from the Lincoln County Motors in Carrizozo.

Mr. and Mrs. Frank Brodie (the former Lily Mourine from Lincoln) visited the Fred J. Larsens and their five daughters at 80 Cordova st., San Francisco, Calif. Mrs. Larsen (Victoria Freeman) resided in Lincoln prior to her marriage.

Mr. and Mrs. Fred Miller and family have returned from a three weeks' trip, through Yellowstone Park, the Midwest and to the East Coast.

Mr. and Mrs. Carl H. Anderson of El Paso returned to their home this week after a six weeks' tour of the Midwest and East. In Petoskey, Mich., Mr. Anderson visited two cousins, Vera and Chester Anderson, whom he had not seen in 50 years. Mr. Anderson was born in White Oaks and attended school there. Two years ago he retired from a position with the Federal Reserve Bank.

Dimmitt Bond of Corona was a Carrizozo business visitor Monday of this week.

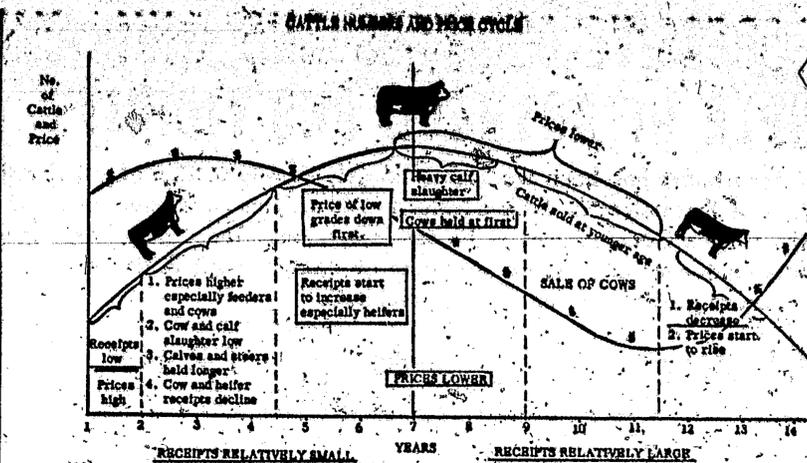

Betty Florina, secretary of state, was a Carrizozo visitor last week. Gilbert Ortiz is attending a six week summer training unit at George Air Force Base in Victorville, Calif.

June, July, August Are Critical Months For Traffic Fatalities

"At least 155 persons will be killed on New Mexico highways during June, July and August, and 450 by the end of the year," predicts the New Mexico Citizens' Council for Traffic Safety, "unless the driving public decides to share a greater portion of the responsibility of stopping the slaughter."

"Most of these needless deaths can be blamed on reckless teenagers and immature adults who display little regard for the safety of others and less for traffic laws," the council said.

"A study of the reported accidents during the first three months of this year shows that 41% of the

Such concern is now being expressed about the future of the cattle business. The above is a picture of a normal cycle. No cycle is normal, but most of the supply and demand factors in any cycle occur about as outlined above. Drastic changes in the general economy or weather conditions can alter the cycle materially.

traffic deaths and 33% of the injuries involved a driver under 25, a group that comprises only about 20% of New Mexico's licensed drivers.

"Heading a list of 12 occupational groups involved in accidents are workers, students, professional and businessmen, and housewives, in that order. At the bottom of the list are farmers and traveling salesmen."

The council added that it is not reasonable to assume that an appeal to people who insist on drinking and driving, improper passing and speeding at 80-100 MPH will have an appreciable effect. This type of person, whether he is 16 or 60, a high school student or a businessman, simply can't be told anything, especially that he is a menace on the highway. He has to be controlled by loss of driving privileges, jail sentences, fines, and kept under close supervision.

"The State Police, with their meager force of 144 men to patrol nearly 8,000 miles of road — plus other duties — are doing everything humanly possible to reduce accidents by trying to enforce the law. But the job is not entirely theirs. At least 70% of all traffic accidents occur within city limits, where the responsibility belongs to city officials and the community."

"Hard to understand is why those members of society who represent good judgment and clear thinking tolerate and condone such a waste of human life and drain on the economy, when it has been proven time and time again that an aroused public can solve almost any social problem."

"When it comes as socially unpopular to violate traffic laws as it is to 'smoke in church,' the accident rate will tumble," the council said.

NMSU Wool School Scheduled for July

The annual Wool School for growers and warehousemen, will be held in Neale Hall, on the New Mexico State University campus, July 20, 21, and 22. The New Mexico Wool Growers Association and the NMSU Extension Service and Experiment Station sponsor the school.

The program this year will consist of wool grading, a wool judging contest, and discussion of sheep and wool research. Problems pertaining to breeding, management, and marketing will also be discussed.

The staff conducting the school will be headed by J. R. Stauder, extension sheep specialist; assisting Stauder will be Jack L. Ruttle, extension sheep and wool marketing specialist; P. E. Neale, experiment station animal husbandman and professor in sheep and wool production; W. D. McFadden, professor of animal husbandry; and Dr. T. H. Belling, associate animal husbandman and experiment station veterinarian.

Classroom discussions will be informal. This will give each grower an opportunity to bring up his particular problems and have them discussed by the group. Several topics will be presented by the staff with discussion afterwards. There are: selection of rams and adjusting of age difference; wool pricing and selling; sterility of rams; and selection of the "Squeeze Machine."

There is no charge of formal enrollment to attend. Anyone interested in sheep and wool production is invited. Additional information can be obtained by contacting J. R. Stauder or Jack L. Ruttle, at University Park, N. M.

Campaign to Push Home Grown Wools

University Park, N. M. — Wool growers of New Mexico and the nation will get a break this fall in the form of a campaign to push "home-grown" woolen goods. The American Sheep Producers Council and the Woolens and Worsteds of America, Inc., both wool industry organizations, are launching a large nation-wide advertising campaign.

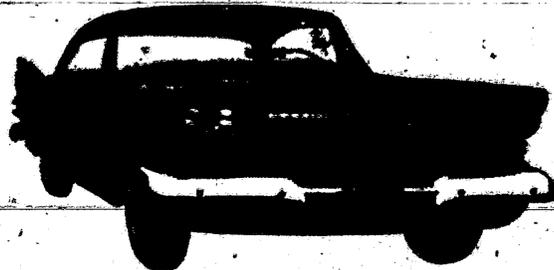

"This campaign will be a long needed push for American wools over foreign wools," says Jack Ruttle, extension sheep and wool marketing specialist at New Mexico State University. For a long time the consumer of wool products has been enticed to buy because of the dubious distinction of buying a product labeled "Imported Wool."

The leading phrase or slogan of this campaign will be "It's a wonderful American-made wool!" This phrase will be seen in magazines and stores, on television and even movie tie-ins, and heard on radio programs, and in popular songs. This program will make the consumer aware of American-made woolen products and encourage him to demand them.

"Wools produced in New Mexico and the rest of the United States are every bit as good as those from foreign countries and it is time the public was made aware of it," Ruttle added.

Drivers under 25 years of age were involved in 27% of the fatal accidents in 1958.

There's a Big Difference between talk and proof—
PLYMOUTH PROVES ITS BIG DIFFERENCE

Plymouth

Talk, as they say, is cheap. When you're looking for value in a car, you want proof.

That's just what Plymouth gives you. Plymouth has proved its Big Difference in Economy, for instance, by winning its V-8 class in the Mobilgas Economy Run for the third straight year.

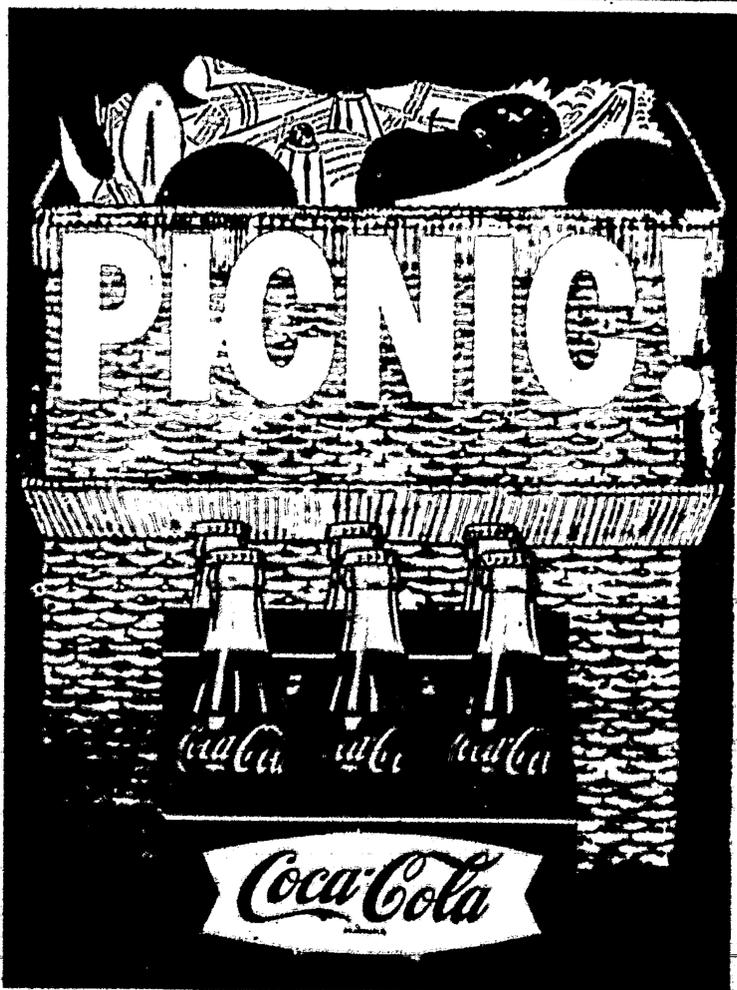

Plymouth can prove its Big Difference in Ride, Performance, Comfort and Features, too. Take a "Two-Minute Try-Out" today!

PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF ROSWELL AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of the Lincoln County News as he saw conditions. These people are leaders in their various lines of endeavor and the co-operation of these citizens in Roswell who helped to make this department possible is sincerely appreciated.

Ralph L. Matteucci

At the head of one of the district's more prominent wholesale beer and liquor distributing firms, and as a leader of recognized ability in community life, Ralph L. Matteucci stands out today as one of the best liked men on the panorama of Roswell activity.

His friends are numbered by the hundreds, and all of them are of the lasting fiber which comes of worthwhile associations, both in the world of business and in the realms of neighborhood life.

The Pecora Sales Company has been a strong factor in the growth and progress of Roswell; and Mr. Matteucci's own efforts, in many instances, have been the stimuli behind the outstanding accomplishments of the company.

The case is a fine example of a man weaving his own personal prominence into an executive's life, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to a man who is doing so much to promote the growth and progress of this entire district.

Fred Fondy

Logically a man who has earned the reputation of being one of Roswell's more dependable used car dealers would in so doing, have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves this distinction is - modest, efficient, friendly, Fred Fondy of Fred Fondy's Used Cars, who numbers many of our readers as some of his best customers.

Mr. Fondy is the type of man who would be an asset to any community, not only because the successful conduct of his business plays a definite part in the general civic scheme, but because the ultimate measure of his value to his city and this district lies in the fact that he is untiringly zealous, and remarkably successful in the promotion of civic progress.

It would be difficult to estimate the actual dollars-and-cents value of such a man to his community. We congratulate the people of Roswell for numbering among their more progressive citizens such a man as Fred Fondy, and we also express the wish that he will enjoy many more years of success.

H. F. Burkstaller Jr.

It is a well-known fact that a man's true character must come through in his work whether in business or professional activities or in public life. So when a man conducts himself in such a manner as to cause the public to recognize in him certain qualities, over and above the average, he is deserving of a few words of praise. Such a personality is H. F. Burkstaller Jr., well known and completely reliable building contractor, and a leader in the business and industrial life of Roswell.

In addition to being one of the city's more dependable building contractors, Mr. Burkstaller Jr. was never a man to shirk his civic duties. More than that he enters cheerfully and with enthusiasm and optimism into those civic affairs in which he has time to take a part. And seldom does he fail to find time to do his share.

H. F. Burkstaller Jr. deserves his share of credit for being one of those progressive citizens of Roswell who has contributed so substantially to the onward progress of the city. It is a pleasure to include him in this group.

Bill Purdy

It is not always the kind of a business which determines its importance to the community. But, more or less, the methods used in its management. The services rendered to the public. And the way in which it meets both business and civic obligations.

The cheerfulness of the entire personnel of the Purdy Furniture Company, in their contacts with the public, and the ready acceptance of all business and civic obligations by Bill Purdy, prove conclusively that he is a man who is well-versed in the principles of successful business management.

As most people know, this company is a leader in their line of business. This is partly so because of their long experience, but also because of a never ending policy of keeping abreast of the times in their particular field.

It is a pleasure to compliment Bill Purdy for the successful management and operation of the Purdy Furniture Company, and also for his many contributions to the civic and progress of Roswell and the adjacent territory.

Floyd Haake

Recognized as an authority on all general contracting problems, Floyd Haake of the Haake Construction Company, has turned his knowledge to the advantage of the people of Roswell and vicinity.

More than that, Mr. Haake is a man who has always been vitally interested in the civic betterment and progress of the city, and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. Roswell owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, Floyd Haake has become accepted as a progressive business man who is an asset to both the business and civic life of the city, and we trust he will continue to serve the people of Roswell and the surrounding area in his present capacity for many years.

John A. Blevins

John A. Blevins, the manager of the Household Finance Corporation, has won the universal respect and good will of the people of Roswell and the surrounding country for the progressive manner in which he has kept the firm in the forefront of the business and industrial life of this entire district.

Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Blevins is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment John Blevins for the successful management of the Household Finance Corporation and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

L. V. Reed

L. V. Reed of Reed's Auto Sales is one of those dependable used car dealers of Roswell who has consistently forged ahead in his business. He has also put his shoulders to the wheels of civic progress whenever concerted help was needed in furthering enterprises promoted for the general welfare of the community.

Mr. Reed was never a man given to wishful thinking. Because his methods are those of direct action, and whether the problem at hand is one concerning his own business, or that of a civic nature, he attacks it with optimism and vigorous enthusiasm. Add to this his acknowledged business ability and his keen sense of values and it is easily understood why he is almost invariably successful in business or other matters.

We feel that it is our duty to call the attention of our readers to these worth-while characteristics of L. V. Reed, and to pay him a well-deserved tribute for his straight-forward business methods and for the unselfish interest he has shown in public welfare.

Frank Estes

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man in his field is Frank Estes of the E & E Pest Control, who well deserves the reputation he has earned for being one of Roswell's more progressive business men. His thorough knowledge of everything pertaining to the pest control business is exemplified by the manner in which he fulfills each and every demand made upon him, in line with his business.

Furthermore, such experience as Mr. Estes has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of these civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including Frank Estes in this group of progressive and civic-minded men who are actively taking part in the evolution of the business and industrial life of Roswell.

J. R. Huff

J. R. Huff has proved his progressiveness by constantly adding to and increasing the service which Huff's Standard Service Station has extended to the people. The large volume of business handled by his Standard station proves that "service" to him, is not "just a word," but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Huff was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

J. R. Huff has many friends in and around this entire district, and it is a pleasure to bring him before our readers in this review of progressive Roswell business men.

Clyde and "Liz" Craig

Progressiveness coupled with ability, always a praiseworthy feature in the passing scene of any community's daily life, is to be duly appreciated. In full realization of this, and in recognition of the splendid personalities which give impetus to the personal success in their case, many residents of Roswell and our own community regard Clyde and "Liz" Craig, managers of Greens Drive Inn, as true assets to their city and this district.

Mr. and Mrs. Craig are keeping the Drive Inn at the forefront at all times, both in business and civic activities, and they have maintained positions of leadership in their field of endeavor. Capable and energetic in the management of the business, they have come to be recognized as two of the city's more progressive business people.

The splendid food and service supplied to the public by "Liz" and Clyde Craig and Greens Drive Inn in the past is the best indication of what may be expected of them in the future. They have our admiration and best wishes for continued success.

A. G. Paschall

In paying tribute to some of the more progressive business men of Roswell, we would be remiss in our duty should we fail to include A. G. Paschall of Paschall's Garage, located at 418 East McGarvey, whose business ability is no greater than the "know-how" and mechanical skill which has contributed to his well-earned success in the automotive repair and maintenance business, with emphasis on automatic transmissions.

He has also contributed generously to the welfare of the city and the community for many miles around, and his civic spirit is evidenced by the many services which he has performed and will continue to perform in the interest of the people as a whole.

Mr. Paschall is a man of wide acquaintance, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

We congratulate A. G. Paschall on his splendid record of service, and trust he shall continue to assist us for many years to come.

C. H. Thomas

C. H. Thomas, who just a few months ago assumed the operation and management of the North Main Deep Rock Service Station, located at 3030 North Main, quite readily demonstrated his unusual ability by his quickness to appreciate the obligations and responsibilities of his new endeavor, and to conduct his affairs accordingly.

Although he has been operating the business for a comparatively short time, he has already made many new friends and satisfied customers for his Deep Rock Service Station.

Mr. Thomas is an active, energetic man whose sincere and friendly personality and desire to be of service is rapidly earning a place for him in this district. He has already taken an interest in community activities, and in due course of time will assume his full share of civic responsibilities.

C. H. Thomas deserves a word of praise for having so quickly established himself in his new venture, and we are glad to give him this brief mention.

James E. McKnight

The city of Roswell has assumed its place of importance in this section of New Mexico because of the efforts of far-seeing business and professional men who have helped in developing its industry, or in some manner extended the trade advantages of the locality. One of the men who has taken an important part in many progressive movements is James E. McKnight of the Anchor Construction Company, a well known authority in all commercial and industrial contracting problems.

Mr. McKnight has devoted his share of time and energy to the growth and development of Roswell and this district, and it is fitting at this time that we attempt to express in a small way, our appreciation for his unselfish contributions to the general welfare of the community.

He is a man of wide acquaintance whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. His upright business methods are but an outward reflection of his inherent appreciation for fair practices. We congratulate James McKnight on his splendid record of service, and wish him continued success.

J. Ed. Lee

Because this is a period of growth and expansion for Roswell, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to J. Ed. Lee of the Lee Electric Construction Company, for he has become a well-known figure in the business and industrial life of the city.

Mr. Lee's persistent optimism and steadfast belief in the continued future prosperity of the people of Roswell and vicinity are characteristics which are deserving of our highest praise.

J. Ed. Lee has also always shown a willingness to do his part in civic advancement, and has contributed his bit, in one form or another, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his private affairs, and because he is willing to contribute to the public good.

Frank E. DaHarb

It isn't the size or volume of a man's business which determines its value to the community in which he lives. But rather by the manner in which it is conducted. Which, to a greater or lesser degree, reflects the personality and character of the individual. The value of Frank E. DaHarb's business to his city is a reflection of his progressiveness and a determination to render the utmost in service, a policy which has caused Frank's Model & Hobby Shop, located at 813 North Washington, to be so well thought of, and so widely patronized by the "people of Chaves and Lincoln counties."

That same progressiveness and ability which has made him so successful in his own business has also fitted Mr. DaHarb to be of assistance on community projects and public drives. Moreover, he does so cheerfully and with a friendly spirit of cooperation that is always more than welcome.

It is a pleasure to include Frank DaHarb in this Roswell review, and to wish him further success in his field of endeavor.

Curtis B. Taylor

In singling out some of the more progressive business men of Roswell, we would be remiss should we fail to include Curtis B. Taylor of the Residential Tree Services, located at 1518 South Monroe Drive. He is a man who has never spared himself in his participation in both the business and civic activities of the city.

Mr. Taylor has always been conscious of his civic responsibilities, and is ever ready and willing to meet in every detail, those opportunities which come to his attention to further civic enterprises. He may well be proud of his achievements along these lines.

Curtis Taylor deserves a great deal of credit for the honest and successful manner in which he has conducted his business affairs. He is a friendly and likable personality, whose sincere desire to be of service has gained for him a host of friends and satisfied customers in and around Roswell who would, if given the opportunity, join us in wishing him many more years of continued success.

Lincoln County News
Carriettes, New Mexico
FRIDAY, JUNE 24, 1927

Steve M. Burchik

Performing an outstanding service for the people of Roswell and the surrounding territory, Steve M. Burchik, District Manager, of the Metropolitan Life Insurance Company, has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection the people both need and can afford, have been important factors in his well-earned success.

Mr. Burchik is a man of ideas, and he is as practical as he is progressive in putting those ideas to beneficial use in furthering the service he renders to the people. His sound business judgment and unwavering honesty are characteristics which place him in the front rank of the business leaders of his city. Yet he is unassuming and modest in his personal contact with the people; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as Steve Burchik, who have caused Roswell to become recognized as the metropolitan center for this section of New Mexico.

Del and Nancy Porter

Two restaurant operators of Roswell who have based their success upon the belief that the public will appreciate good food, well prepared and appetizingly served, are Del and Nancy Porter, who just recently assumed the operation and management of the La Posta Cafe, whose many friends and customers by their daily patronage of their popular eating place, attest to the soundness of their policy.

It is not only because of the successful management of their cafe that Mr. and Mrs. Porter have come to be recognized as assets to the community; but it is also because of their policy of "looking ahead," and endeavoring to sponsor or take part in those community activities which will, in some manner, benefit the city of Roswell and the people as a whole. They are two citizens who have shown their appreciation for their success by a willingness to contribute of their time and efforts to the promotion of community projects.

It is such people as Nancy and Del Porter whom we are privileged to include in this review, and to publicly give them due credit for their success in business and civic affairs.

"Hack" Graham

"Hack" Graham of the Midway Auto Service, is one of those progressive business men who has always done his bit to maintain the prestige of the city of Roswell as the leading business center of this section of the state. He has always worked for the development of the city, and his many services are worthy of sincere appreciation.

His well-earned success as a business man is easily understood, knowing as the people do his widespread reputation for the honesty which characterizes all of his business dealings.

And it is a combination of technical knowledge, professional skill and business ability which has elevated Mr. Graham to a position of leadership in the automotive repair and maintenance business, and efficient road service may be obtained by calling him at Main 3-1215. He is completely aware of his civic responsibilities, and is wide awake to the many opportunities for service, and is always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment "Hack" Graham on his accomplishments, and wish for him continued success.

Al Moran

We desire in this Roswell review to call the attention of our readers to the well-earned position which Al Moran has reached in the business life of this section. During the comparatively short time he has been operating Moran's Chevrolet Service Station, he has made many personal friends as well as having earned the good will of his associates. For the straight-forward manner in which he has conducted his business affairs.

Mr. Moran is working hard to deserve the confidence which the people of the community have in him, and he continues to work hard to maintain in every way that high standard which he has set, not only for himself, but for the operation and management of his Chevrolet Service Station as well.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of the city of Roswell, and is always ready to lend his support to civic projects. Al Moran deserves our heartfelt congratulations on the splendid record he has already established, and we sincerely hope for his continued success.

Doyle R. Murphree and Don W. Bartlett

Roswell has attained a prominent position in the business and civic life of this section of New Mexico because of the foresight of those men who had the ability to envision the possibilities of the community, and the trade area it serves. And two wide-awake progressive men who justly should be included in this category are Doyle R. Murphree and Don W. Bartlett of Jan's Root Beer Drive-In.

Such men have, many times over, proven their worth to the community, both as business men and as active workers in the civic betterment and progress of the city. And Mr. Murphree and Mr. Bartlett have earned the good will and respect of their fellow citizens for contributing their bit to the general welfare of the city and the people as a whole.

It is our duty to include Don Bartlett and Doyle Murphree in that group of progressive and civic minded men who have done so much for Roswell, and to express the wish that they will continue for many years to forge ahead with the success which they have enjoyed in the past.

Orval and Susie Boggs

Good motels and tourist courts are indispensable to the progress and development of a growing city such as Roswell. And the Spring River Motel, combining the best features of both, has accommodated a great many tourists and business men in a manner that assures them of the continued patronage and good will of the motoring public.

The management of the Spring River Motel has maintained an ideal of service which is thoroughly exemplified by the manner in which every need of the traveling motorist has been anticipated and prepared for. Nothing is taken for granted; nothing is forgotten, and hospitality and service is always their first and last consideration.

Much of the credit for the splendid reputation of this modern drive-in motel is due to the executive ability of Orval and Susie Boggs, whose untiring efforts, foresightfulness and careful attention to detail, have maintained a standard of hospitality and service which would be difficult to surpass. It is a pleasure to publish these few words of praise about the Spring River Motel, and its friendly managers, Susie and Orval Boggs.

Orville C. Compton and J. B. Riley

In every community there are a number of business and professional men who can be pointed out as having taken a three-fold part in the onward progress of their city. Two well known business men of Roswell who belong in this category are Orville C. Compton and J. B. Riley of Compton and Riley Builders.

Their leadership in their line of business is recognized throughout this entire district. And their furtherance of civic activities and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

Mr. Compton and Mr. Riley are men who are equally well liked and respected by their intimate friends and their associates. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate J. B. Riley and Orville C. Compton for being good citizens, progressive business men, and boosters of their community.

Ellis Hobbs

One of the more progressive business men of Roswell, and a man who deserves the respect and good will of a great many residents of the city is capable, friendly, Ellis Hobbs of the Ellis Hobbs Shoe Service, whose wide knowledge and long experience in the boot and shoe repair, custom made leather goods, and hand-made cowboy boots business has raised him into a position of prominence in his line.

It is because of this that the Ellis Hobbs Shoe Service has earned a reputation for reliability - second to none.

Mr. Hobbs is also civic-minded and has always been ready to contribute his time and energy to any plan which promises to benefit this entire district. And the people of Roswell may regard with particular satisfaction, the many services which he has performed for the community in the interest of progress and civic betterment.

We urge our readers to look to Ellis Hobbs as a progressive business man of whom we may well be proud. His devotion to the city has been constant, and his achievements well merited. We wish for him further success.

The bitterness of poor quality remains long after the pretense of cheap price is forgotten.

Orland and Elizabeth Johnson

Orland and Elizabeth Johnson of the O. R. Johnson Drilling Company, and Lullabye Nursery, are two of those progressive type of citizens upon whom the community depends a great deal for leadership in business or other matters. They are also civic-minded and have, in the past, no doubt will continue in the future to give more of their time and energy for the welfare of others than themselves.

They are the kind of people who make friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

Mr. and Mrs. Johnson have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm and unostentatious manner, and accomplish their objectives with a quiet dignity. We do not hesitate to recommend Elizabeth and Orland Johnson to our readers as good examples of the more progressive type of business people who have aided in the growth and development of Roswell and the surrounding country.

Lynn W. Perkins

Roswell owes much to those progressive citizens who have taken an active part in the growth and progress of the city and who have helped to make it the business center for this section of the state. In mentioning some of these men, it is only fair to include Lynn W. Perkins, assistant to the state regional manager for the Franklin Life Insurance Company, whose outstanding knowledge of the life insurance business, backed up by his many years of experience, has brought him to the forefront in his particular field.

Mr. Perkins is wholly deserving of our sincere praise, and these few words of commendation are but a just recognition for the many activities he has conducted on behalf of the general welfare of the community.

The honest and successful conduct of his business affairs is not only a reflection of his character, but has also been a strong factor in maintaining him in a position of leadership in his field of endeavor.

We trust that Lynn Perkins will continue to serve the people of Roswell and the surrounding area for many years to come.

Edward L. Polly

It is because of the unflinching optimism and faith which he so consistently displays toward the future of Roswell and vicinity that we are prompted to call the attention of our readers to the fine service which Edward L. Polly, the agent for the Arnold Transfer and Storage Company, agents for Aero Mayflower Van Lines, performs in the successful conduct of his business.

Mr. Polly is an aggressive and resourceful personality whose progressive policies have earned for him a widespread reputation as a business man of more than average ability; and his apparent willingness to devote some of that ability to the promotion of civic activities further enhances his value to the city.

The safety and efficiency of the operations of the Arnold Transfer and Storage Company, reflecting as it does the executive ability of this man, has earned for the company a well deserved popularity among the people they serve. We are glad to give Edward Polly the credit he so well deserves for his achievements, and to wish for him a continued successful career as one of Roswell's more progressive business men.

Sam S. Sloan

It is no coincidence that more frequently than not, the people who take a progressive part in the business and civic life of their city are the same ones who are pre-eminently successful in conducting their own private affairs. In connection with the foregoing statement we wish to mention and pay tribute to Sam S. Sloan of the Carpenter Nursery and Garden Center.

Mr. Sloan has proved very ably that he is a landscape gardener and nurseryman of more than average ability, for it is largely due to his progressive methods coupled with his sound and practical ideas that his landscape and nursery service holds its high position in the public's opinion throughout this entire area. He has made his business a "profession," with the result that he is today one of the more dependable nurserymen in Roswell, giving to his patrons an excellence of artistic service seldom equaled.

It is also true that Sam Sloan does his share toward community improvement, and has freely given of his time and energy to the promotion of those enterprises which have benefited the city at large. We are glad to voice our praise of a man who is successful in his own business, and who also has time to give to community development.

Wheat Applications Close July 1st

The Lincoln County ASC office announces the closing date for accepting winter wheat applications for new growers' allotments is July 1, 1959. All producers of wheat interested in filing applications are asked to contact the ASC office of their county.

CORONA NEWS

Mrs. A. E. Mulkey

Correspondent

Get extra copies of the Lincoln County News each week at the Corona Motor Company. Ten cents per copy.

Wm. Edward Myers

William Edward Myers of Alamo, Texas, was born in November, 1888, and passed away June 17, at Kerrville, Texas. Funeral services were held at El Paso Monday, June 22, where he had lived a number of years. He was a member of the Masonic Lodge in El Paso. Myers is survived by his wife, Emma, and three sisters, Mrs. W. B. Mosley of El Paso; Mrs. Ethel Stroppe and Mrs. Maggie Vickrey of Corona; also by a number of nephews and nieces. Pallbearers were his nephews Bill Mosley of El Paso; Everett Vickrey of Las Cruces; Norwood Vickrey of Albuquerque, and Nolan Vickrey of Corona.

Those attending the funeral from Corona were Mrs. Maggie Vickrey and son, Norwood, Mrs. Ethel Stroppe and daughter Zelpha Kuykendall and three children and Mr. and Mrs. Nolan Vickrey and daughter Pamela.

While in El Paso attending their brother's funeral Mrs. Vickrey and Mrs. Stroppe saw their brother-in-law, W. B. Mosley, who is still in critical condition in an El Paso hospital. He is still unconscious as a result of a stroke on May 15.

Mrs. J. M. Shelton was in the Carrizozo hospital a few days last week for a medical checkup.

Mrs. Fred Large was still at Crosbyton, Texas, this week with her mother who has been ill for several weeks.

Mr. and Mrs. I. H. Burgess of Las Cruces visited briefly in Corona the first of this week. They were en route to Estancia where Mr. Burgess has been considering teaching the coming year. He was high school teacher and principal in Corona schools for a number of years.

Mr. and Mrs. Lee Campbell and son Ronnie stopped for a visit with friends this week en route to their ranch at Cedarvale. The Campbells have been in Alamo for the past few years where they still live.

Mrs. Mateo Lucero and son Sammie, made a trip to Albuquerque and visited relatives and friends near there the past week end.

Walter Jones visited his mother, Mrs. Stella Jones, the past week end and his brother Arthur went to Artesia with him, returning Monday. Jones lives at Gallup, but does trucking in different parts of the state.

Miss Loretta Proctor will be given a bridal shower at the Corona recreation room Sunday, June 29, at 2:30 p.m. Everyone is invited.

Miss Proctor is the oldest daughter of Mr. and Mrs. Floyd Proctor and a 1959 graduate of Corona High School. She will marry Leonard Jones of Aztec the early part of next month.

Allen Davidson of Albuquerque is visiting his uncle, Jack Davidson, and family at the Davidson ranch this week; also his grandparents, Mr. and Mrs. J. M. Shelton.

Rand Perkins and Johnny Erramitspe were among the contestants at the State High School Rodeo in Santa Rosa the past week end.

Mike Crow, son of Mr. and Mrs. Harry Crow of Corona, was home this week from Jal where he has been working for Delta Construction Company. He plans to go to California for a visit with relatives.

Wayne Lindsey, son of Mr. and Mrs. H. W. Lindsey of Corona, represented Corona High School at NMMI in Roswell, June 2-9.

Mr. and Mrs. Bill Nichols and daughter Patricia of El Paso visited her mother, Mrs. R. L. Sheffield, last week.

Nuptials in Albuquerque Unites Carl Mays and Miss Blenna Lou Black

Carl Mays, son of Mr. and Mrs. W. A. Mays of Corona and Miss Blenna Lou Black, daughter of Mr. and Mrs. W. H. Black of 1811 Ridge Crest drive, Albuquerque, were married June 12 at 7 p.m. at the Trinity Methodist Church in Albuquerque. Mrs. Malcolm Nichols was matron of honor and Wayman Mays was best man. Mr. and Mrs. Mays of Corona, parents of the groom, were present at the wedding as were a number of others. Rev. Joe Emanuel of Albuquerque officiated at the ceremony.

The groom is bacteriologist at the County Indian Hospital and the bride is working as technical typist in the business department of the telephone company in Albuquerque.

Mrs. L. N. Curry, mother of Mrs. George Hanson, recently went to Los Angeles to visit a daughter who had been ill. She was accompanied by her grandson, Wayne Hanson. Wayne found employment for the summer and remained with relatives in California.

Bridal Shower Honors Miss Joanne Atkinson

A miscellaneous bridal shower was held in the lovely ranch home of Mr. and Mrs. Brack Sloan, south of Claunch, to honor Miss Joanne Atkinson of Corona. Mrs. Sue Callahan and Miss Helen Sloan were co-hostesses.

Mrs. W. S. Dishman, grandmother of the honoree, presided at the beautifully appointed table. Bridal decorations were used in the room where the gifts were opened and displayed.

Miss Atkinson is the bride elect of Sam Stewart of Claude, Texas, where the couple will reside.

Out of town guests for the shower included Mrs. C. W. Stewart, mother of the groom, Mrs. Howard Surratt and Mrs. Hubert Harris, Clint, Texas.

Following the shower, Miss Atkinson accompanied her fiancé and his mother to Claude for a short visit.

Mr. and Mrs. John Hester of Ft. Worth visited in the homes of Mr. and Mrs. W. S. Dishman and Mr. and Mrs. A. C. Hester this week.

Mr. and Mrs. Charles Stewart of Claude, Texas, were visitors this week in the home of Mr. and Mrs. Joe Atkinson.

Graduates from Officer School in Germany

Bad Tolz, Germany (AHTNC)—Sergeant First Class Robert E. Winters, 23, son of Mrs. Mabel M. Winters, 13 Enright ave., Windsor, Vt., recently graduated from the Seventh Army Non-Commissioned Officer Academy in Bad Tolz, Germany.

Sergeant Winters received four weeks of refresher training in map reading, combat tactics and leadership.

Regularly assigned as a squad leader in Company B of the 3rd Infantry Division's 7th Infantry in Aschaffenburg, Germany, the sergeant entered the Army in 1945 and was stationed at Fort Benning, Ga., before arriving in Europe in April 1958.

The sergeant's father, John C. Winters, lives in Fort Stanton, and his wife, Anna, is with him in Germany.

LINCOLN

Joe Aldaz, son of Mr. and Mrs. E. L. Aldaz who is attending summer school at Highlands University in Las Vegas, is spending a week visiting his parents.

Mr. and Mrs. E. L. Aldaz, mayordomos, this year for the church in Lincoln have repaired the church inside and out, repainting the roof and have the church prepared for the Fiesta of St. John.

Mr. and Mrs. Joe Portio were also mayordomos this year for the church, but Mr. Portio has been ill in the Veteran's Hospital for several months. Dinner was prepared and served for Father Dennis by Nellie Baca in Lincoln, June 24, at the home of Mr. and Mrs. Aldaz.

Vacation Bible School Starts at Baptist Church

Vacation Bible School started at the Corona Baptist Church with an attendance of 58 Monday morning of this week. Rev. Don Baker is pastor.

If you didn't get started this week, boys and girls, it is not too late to start next week.

The school will continue until Friday, July 3, ending with a picnic and program.

Mrs. James Cole Graduates with Honors

Mrs. James Cole graduated with honors recently from New Mexico State University, Las Cruces. She is the former Miss Louella Mays, a former graduate of Corona High School, daughter of Mr. and Mrs. W. A. Mays of Corona.

While in college she received the physical science laboratory award for the freshman with the highest grade point in the school of Agriculture and Home Economics.

She took an active part in the college community chorus. In college plays she had parts in "Gigi" and "The Male Animal." She was a member of Rhodes Hall Council and Women's Self-Governing Board. She received the Danforth scholarship to Minnawaka.

She was moderator of Westminster Fellowship and secretary of Inter-Religious Council; an active member of Delta Zeta Sorority and Mu Beta National Honorary Society. She received the Mu Beta senior scholastic award and graduated with honors.

Mrs. Cole and son, David, spent the past week with her parents at Corona.

WILL HARRISON'S
Inside the Capital
GOVERNOR DROOPS BUT STILL SAFE

Santa Fe, June 23—The summer press convention in Gallup last week, which was about as good a conviction of specialists on public opinion as you will get together, produced several conclusions:

1. Demo Gov. John Burroughs is unpopular in most of the state. Exceptions are Hobbs and Portales. His visit and talk at the convention didn't improve his position.
2. He still looks good for renomination in the primary next spring, his prospective opponents lacking the stature or backing that it takes to beat an incumbent.
3. Most all expect the three-time governor Ed McChem to go against Burroughs in the November main event but opinion was divided on who would win.

MONEY FLOWING AT THE CAPITOL

The new people at the statehouse are doing pretty good money-wise. Don Hopkins who was appointed "acting" state planning officer because he does not have the qualifications as set up in the law for the planning office job was raised from \$565 a month to \$750.

Fred Phelps of Portales who was finally selected as the head of the new development division is getting \$1200 a month. The director of his industrial development office, Howard Bessert of Walla Walla, Wash., is getting \$1100 a month.

Murray Hintz who has been returned to his old job as director of the public welfare department is drawing \$12,000 — up \$2,000 since he left two years ago.

Revenue Commissioner Johnny Walker who is figuring on shifting to the new oil accounting office as soon as a replacement is found for him in the bureau, will be on at \$1700 a month, the same as his bureau pay.

Clay Buchanan, the new boss of the legislature office, is on at \$10,000 . . . C. C. Hughes, the Florida engineer who was brought in as secretary of the highway commission, is getting \$17,000. His rate made it necessary to increase the pay of the state highway engineer, Larry Wilson, from \$15,000 to \$17,500 so he would not be under Hughes.

DEMO CHAIRMAN ADDE HIS WIFE

The invasion of Demo county chairman of the state payroll has entered a new phase. They're doubling.

Santa Fe County Demo Chairman Johnny Vigil is drawing \$550 from the secretary of state as some kind of an expert on elections. His wife, Olivia, is on the state tax commission payroll at \$305.

NEW ASPHALT DEAL COSTING STATE MORE

The great 1959 fury around road asphalt has finally subsided with the state paying maybe 2% more for the stuff than last year. Still last week was generally a little higher than that of last year with

ABOUT PEOPLE

N.M. Beauties Compete For Maid of Cotton

Ten New Mexico beauties will compete for the Maid of Cotton crown worn by Anna Jane Sitton, 1958 Maid of Carrizozo. The state finals will be held at Ruidoso Friday, June 26, in conjunction with the tenth annual convention of the New Mexico Cotton Ginners Ass'n.

Among contestants who will vie for the state title and their sponsors are:

Miss Carolyn Ann Pierson, Tularosa, will have the Otero County Farm Bureau as her sponsor. She is 19 and the daughter of Mrs. F. M. Green. She is 19, 5 feet, 7 1/2 inches in height, weighs 110 and has brown hair and hazel eyes.

Miss Jeannie Read, Cloudcroft, will be sponsored by the Dona Ana Cotton Promotion Association. She is the daughter of Mr. and Mrs. J. C. Read, is 19, and attends New Mexico State University. She is 5 feet, 7 inches in height, weighs 130 and has brown hair and blue eyes.

Carrizozo Schools Hire Five New Teachers

Five teachers have recently been employed by the Carrizozo Board of Education, it was announced this week by Supt. J. T. Clegg.

Mrs. Charles (Erma) Wilson is returning to the Carrizozo elementary school after being out last year on leave of absence which was granted her by the board.

Darrell Bode comes as Junior High School teacher and assistant football and basketball coach. He has had three years of very successful teaching and coaching experience at Freedom, Okla. He and Mrs. Bode have two small children.

Harold Lee takes Mrs. Ferguson's place as Sixth Grade teacher. Mrs. Norma Lee, his wife, will teach Spanish and English in the high school. Mr. and Mrs. Lee have two sons in elementary school. They are transferring from Springfield, Oregon.

Jack Zika is completing his Master's degree in music this summer at Greeley, Colo. He has had one year of teaching experience in Colorado and comes highly recommended as a good young band director.

The controversial Spencer Agency of Santa Fe, which Governor Burroughs has accused of holding a monopoly, not participating in the bidding. The company apparently plans to do its business with contractors who buy about three-quarters of the road oil sold in the state.

EL RIYO BOARD IN ARMISTICE

The plan to make the state school at El Riyo a junior college instead of the junior high school and high school as it now operates is going to depend on developing more unity in the school's board of regents. The Governor Burroughs board, appointed after the legislature had gone home and therefore not protected from arbitrary removal, is operating in kind of an armistice. Albert Amador, Rio Arriba school teacher and former legislator, had expected to get the chairmanship but was surprised by Del Miera of Santa Fe, brother of the Sandoval county Demo chairman. Ruben Miera. The board has hired a dean, John Flynn, at \$3,400 to prepare for the opening of the college in 1960, and has given the high school "president," Dr. R. Robinson, a five-year contract starting at \$10,000 and going up.

LIGHTNING STRIKES ON WEST CAPITAN MOUNTAIN

The Capitan Ranger Station was alerted at 4:15 Wednesday afternoon by a lightning strike on West Capitan Mountain. Only light rain was falling at the time, it was reported.

New Bus Schedule

A new bus schedule from Carrizozo, going north and south, is announced as follows:
11:35 a.m. to El Paso
7:55 p.m. to El Paso
4:55 p.m. to Santa Fe
7:55 p.m. to Santa Fe

Many Colors to Choose, but Sapphire Leads Color Parade

What goes on here? ... Pretty Lynn Martin would have you believe she is present for the first time in the parade of a Coronado parade. She is wearing a "Sapphire" sash and is carrying a basket of sapphire. The object points to the recent change in sapphire color production. The most popular shade in 1959 was silver blue sapphire. It was found in the state of Colorado. The color is a deep blue with light blue, heavy and light in color. It is also present in the parade.
