

Desert Dan

says:

See where two fire depts. got 'argued' about whose territory was whose and almost let 5 youngsters burn a death in a trailer home. They ought to care less about the needs of the Bulgionians across the ocean and care more about their own folks.

That ain't the case in Carrizo or Carrizozo. Them fire dept. boys have never set a limit on how far they'll go to help a neighbor.

Letter to Editor

Editor News: We enjoy the News very much, as we keep up on the news of what our old friends are doing—Alma Lesnett, Oakland, Calif.

MISS INFORMATION

GRIST and GRITS

By OLIN MILLER (Copyright 1960)

President Kennedy need worry no longer about one of the greatest problems confronting him—the cold war. The solution has been found. It is published as the lead article in the February issue of a widely-circulated pocket magazine under the title, "What We Must Do to Win the Cold War."

Don't you wish you owned a large millinery establishment with the exclusive right to produce and sell "pill box" hats?

"The suggestion has been made that taxpayers be given numbers."—Press report. Well, maybe, but we taxpayers will fight tooth and nail any attempt to have us do the book-keeping.

"Giant clusters of galaxies are racing away from our own Milky Way galaxy at 90,000 miles a second," says an astronomer. What's the matter with our local galaxy—does it have B.O. or something?

It would seem that our missile experts in seeking means for increasing the take-off speed of rockets might learn a few secrets by watching the teen-age boy drivers scratching off.

The main reason there's a shortage of school teachers, physicians, nurses and personnel in various other professions is that there is a growing language of people.

Are you living faster, but enjoying it less? Then get to bed earlier and arise later.

"Why is it that modern man is moved by an increasingly strong urge to escape from himself?" asks a sociologist. Perhaps it's because he's learning what a dangerous fellow he is.

Mountains church group, incorporates

The State Corporation Commission has issued a domestic charter to the Kingdom Hall of Jehovah's Witnesses of Mountainair, N. M. Religious. Non-profit. Incorporators: Melisandro Blum, Juan L. Lina and Hermones Luna.

LINCOLN COUNTY IN BYGONE YEARS

20 years ago

(From the files of the Lincoln County News, Feb. 7, 1941.)

Mrs. L. A. McCall of El Paso was a visitor at the English home for a day from El Paso.

Born to Mr. and Mrs. Fay Harkey, a daughter, February 2, 1941. To Mr. and Mrs. Manuel Jones, a daughter, February 2, and to Mr. and Mrs. Winzell Richardson, a son, February 3.

Louis Nalda was in Carrizozo on business and Manuel Padilla of Albuquerque was visiting for a few days.

Orville Dow was a new employee at the post office and Mooser Dudley was working at Paden's.

School-buses were bringing 77 pupils into the Carrizozo schools. Mrs. Albert Ziegler was honored by a birthday party.

40 years ago

(From the files of the Carrizozo News, Friday, Feb. 4, 1921.)

M. O. Edmiston returned from a visit of five months to the island of Cuba.

Mrs. L. B. Crawford returned from El Paso where she visited her sister, Mrs. George Dingwall, in the Hotel Dieu.

W. J. Langston was building an adobe residence on Fourth st.

At a meeting of the county commissioners, a route was outlined for a state highway between Socorro and Carrizozo.

C. L. Tippler of El Paso was in the county buying cavalry horses for the Mexican government.

Mr. and Mrs. C. E. Smith and children returned from a trip to Florida.

The editor of the Carrizozo News complained that "too many youths were wearing kid gloves and sucking cigarette, and love-sick maids writing mushy letters that would shrink at polishing the corrugated surface of a wash board."

The Southwestern Tularosa Basin Oil Company suspended drilling of their well south of Carrizozo, at a depth of over 1,700 feet. Carrizozo visitors included Fred Pfingsten, Ed Comrey, Wm. Ferguson, Champ and Don, Will Ed Harris, Judge E. L. Medler, Will Marr, Wm. M. Barnett and Fred Bitter.

Know Your Law

(Published as a public service by the State Bar of New Mexico) No. 5

LEGAL VERBIAGE JUSTIFIED

Many persons feel that the "whereases," "aforesaid," and other legal verbiage is used by the lawyer for the purpose of confounding the layman.

Nothing could be further from the truth. In drafting legal documents, the lawyer attempts to write them in such a way as to exclude all "double" meanings. In the last analysis, a legal document means what some court at some future time shall declare what it means. As a consequence, it is the lawyer's duty to his client to attempt to draft the instrument in such a way that it can mean only one thing.

When a lawyer refers to the "deed aforesaid," he is attempting to make it clear beyond question that the deed he is referring to is the deed mentioned in a prior portion of the instrument. Likewise, when he writes a long list of "whereases" into a legal document he is simply reciting pertinent facts for the benefit of the court to show the facts of the situation that led to the execution of the instrument.

The difficulty with drafting a document in layman's language is that to the trained lawyer such language is susceptible of several meanings, and consequently can lead to a lawsuit. It is the lawyer's purpose to avoid court action which is usually expensive for the client.

Another reason why lawyers use legal language is historical in nature. Thus, most deeds declare that the grantor "does by these presents grant, bargain, sell, release, convey and quit claim" the land in question to the grantee. Each of the words recited have a technical meaning. The words together have frequently been interpreted by the courts and consequently the lawyer knows in using them that their meaning is settled, and that they will operate to properly transfer the title. He would be inviting a lawsuit for his client if, instead of using those words, he devised new language that might be interpreted to say: "While I think the language that I have used will accomplish the purpose, I cannot be sure of it."

As a consequence, the lawyer, in the interest of his client, naturally uses the time-tested language instead of experimenting with new phraseology.

Kennecott's net income up from previous year

In a letter to stockholders, G. H. Cox, president of Kennecott Copper Corp., presented an unaudited statement of income of the corporation and subsidiaries for the year ended Dec. 31, 1960, showing net income per share for 1960 was \$7.00.

This compares with \$5.10 in 1959, the latter figure having been adversely affected by the strike in the second half of the year.

Per share income in the fourth quarter of 1960 was \$1.32, as compared with a loss of 12 cents in the fourth quarter of 1959.

Shipments in 1960 amounted to approximately 540,000 tons, which compares with 434,000 tons in the previous year. The average price received in 1960 was 31.0 cents a pound, as compared with 30.0 cents in 1959. Today, the domestic price is 29 cents and the foreign price 27 3/8 cents.

"During 1960," Cox's letter continued, "we operated our properties on the basis of seven days a week. Effective Feb. 1, 1961, the operating schedule at our domestic divisions will be reduced from seven to six days a week, reflecting increased U. S. demand. The foreign demand continues to be good."

College man transfers to West Texas State. Joe Willard, son of Mr. and Mrs. Elmer C. Watson, has transferred from the University of New Mexico to West Texas State College in Canyon, Texas, and began classes there last week.

FT. STANTON

By J. S. C.

ARRIVALS: Linda Lou Strode, Ruidoso; Sixto Aguilera, Deming; Candelario Lopez, Loving.

Juanita Maldonado's folks were here last week and she left with them for her home in Albuquerque after being discharged.

Mrs. Burton Reed and children were here from Roswell last Saturday for a visit with Mr. Reed. They had not been over since before Christmas and everyone was glad to see the kids, since they are well acquainted with everybody in Fort Stanton and have many warm friends here.

Ted Zamora of the janitor's force was taken to Roswell last week with a badly-swollen foot, evidently sprained.

Patients having company last Sunday were: Juanita Maldonado, Charles Dahn, James Craig, Judge Martin Hamilton, Mary Montoya, Jack Carlisle, Linda Strode, Ora Flisk, Allie Smith, Eulalia Montoya.

Orderly Ramon Mirelez spent last week end visiting relatives and friends in Alamogordo. Ramon attended the old-timers' dance held there on Saturday night.

Others having visitors from home last Sunday were: Paula Martinez and Augustina Rosales. Amelia Marshall and David Martinez were returned from furlough.

Housekeeper Mrs. Donna Butler spent last week end in Truth or Consequences, visiting and looking after her property there.

George Chambers of the local laundry went to Ruidoso last Sunday on business.

First cook Henry Griego has been out on his annual vacation. Ray Warner and Cuco Najjar of Carrizozo were business visitors in the Hondo Valley last week and on their way back stopped in Fort Stanton for a short visit.

The painters crew finished painting rooms in No. 4 and have been painting the kitchen for several days. The walls and ceiling are high, so they had to use scaffolds.

"Orzo," the origin year contract man, was in Fort Stanton last week drilling holes along the wall and service counter in the dining room, to inject deadly insecticide under the tile floor for termites.

Snow began falling about 9 o'clock last Tuesday morning and by the noon hour the ground was blanketed with an inch of snow. The ground is warmer now and the snow melted right away. The nights and early mornings are cold and very icy, but the weather has been clear.

More snow began falling here early Friday morning and by 6 o'clock it had reached a depth of 6 inches. This will insure plenty of spring grass for the ranges and the landscape will be an artist's paradise.

Walter Hill of Main 1 has gone to his home in Las Cruces on a week's furlough.

Shirley Campbell of Carrizozo returned last week to her duties as medical clerk in the office of Main 1 after a long vacation which took her and Mr. Campbell to their old home in Minnesota.

Jako Griego is the carrier, or delivery man, in Fort Stanton and when he is not taking galled clothing to the laundry and delivering the clean linen and garments to the wards he is delivering supplies from the Supply Office, or furniture and miscellaneous items from the warehouse. He is always busy.

The patients in Ft. Stanton had a gala day on Friday, Jan. 20, from the early morning hours until late in the evening. Viewing President Kennedy's inauguration on TV and also the grand and colorful parade and inauguration balls. There wasn't a dull moment all through the day, in spite of the snow in Washington. The home viewers had the best of it.

Beginning last Sunday evening the Sunday evening bingo game was again played in the dining room. It was moved to Los Amigos Club for the greater part of last summer and winter. It will be held in the dining room until further notice, from 6:30 to 7:30 p.m.

A meeting for orderlies and janitors was held in Col. L. W. Varner's clinic last Wednesday afternoon, at which the issuance and care of work uniforms was the main discussion. Team Leader uniforms are issued to each individual when he first starts to work and these should last him for some time, provided he takes care of them. Notice was given that hereafter uniforms will be issued only every six months in order to avoid waste practiced by a few. Please abide by these regulations and take extra good care of your work uniforms.

T. B. Smoot attends sales GM conference

T. B. Smoot of the City Garage in Carrizozo attended an advanced sales and management procedures conference this week at the General Motors Training Center at El Paso.

He was one of several automobile representatives from the El Paso Training Center region who participated in the professional salesmen's conference. During the two-day meeting, Smoot studied advanced techniques of modern selling.

Instructors at the El Paso training center were Ed Sullivan and Frank Kelley.

SP would give Santa Fe rights after merger

Southern Pacific has announced that if its application to the Interstate Commerce Commission for stock control of the Western Pacific Railroad is approved, it will propose that Western Pacific after Santa Fe full joint trackage rights over the WP between Stockton and Bieber, Calif.

D. J. Russell, president of SP, said that SP's announcement is "to make sure there is no misunderstanding about Southern Pacific's intentions to preserve the Bieber Route or WP's so-called Inside Gateway between California and the Pacific Northwest."

Ever since SP applied for WP control last October, he said, SP has insisted that it would retain the Bieber Route, and maintain Western Pacific, with all its routes and gateways, as a separate railroad.

Special meeting at club

A special meeting of Los Amigos Club was held at the clubhouse last Thursday afternoon, with the chairman, Henry Sanchez, presiding, together with the other officers, and 33 others attending.

Chairman Sanchez said, among other things, that Dr. Jernigan would like a little more cooperation from the patients in taking part in recreation at the club. The following suggestions for games were made: Dominoes, checkers and cards to play Canasta and pitch; also putting on more plays and talent shows. It was suggested to get bigger ash trays for the club.

Dr. Rosenblatt gave a very interesting lecture on tuberculosis and the skin test, last Thursday afternoon.

Sewer trouble

The maintenance boys had to dig in several places last week to locate the source of some sewer trouble. They finally found that Chinese elm roots had worked their way into the joints and formed a tight web in the pipes.

They had the same trouble in Tucuman a few years back, until the city began using creosote joints and sealed with hard cement-lime solution. These fine roots will work their way into the least little openings and keep growing in the pipes until they form an obstruction.

The new siren

The bright red siren was hoisted to the balcony of the theater building last Tuesday and it gives the appearance of a city fire-tower, with the only difference being that below is the roadway to the theater and the postoffice. The old siren at the power house cannot be heard very well when there is a strong south wind.

The new siren will awaken any hip van Winkle within a radius of six or seven miles. Wednesday morning it was connected to the power line and given a try, but it was not open full blast. Even so, with the first high shrill the squirrels and other wildlife in the hills around Fort Stanton began to come out of hibernating. If only for a short while. Finding the ground covered with snow, they hunkered back into their underground caverns.

College man transfers to West Texas State

Joe Willard, son of Mr. and Mrs. Elmer C. Watson, has transferred from the University of New Mexico to West Texas State College in Canyon, Texas, and began classes there last week.

N. M. cattle shipments up 16% during 1960

The Agricultural Marketing Service reports that a total of 680,187 head of cattle were shipped out of the State during 1960 and permits were issued for 274,769 head to be shipped into the State, exclusive of shipments to and from Clovis. Comparable totals for the same period a year earlier are 586,641 head and 290,880 head, respectively.

A total of 27,469 head of cattle were shipped out of New Mexico during December 1960 compared with 26,271 head in December 1959, exclusive of shipments to and from Clovis' auction. During December 1960, permits were issued for 13,790 head of cattle to be shipped into the State compared with 12,543 head during December 1959.

THESE WOMEN! By d'Almeida

Cartoon by d'Almeida showing a woman and a man in a snowy landscape. Text: "Oh, dear! I hope that isn't me!"

Why buy a higher-priced car when you can enjoy Galaxie glamour for less?

Despite its low price, you'll see the '61 Ford Galaxie parked in front of the most impressive homes in town. That's simply because smart buyers in every income bracket have come to realize that Galaxie is the equal or better of cars costing far, far more. For example, where else can you find the distinctive styling of Galaxie's Thunderbird roofline—the elegance of interiors that vie with the Thunderbird's own? Where else will you discover the red-blooded thrill of commanding the Thunderbird's own V-8 powerplant? Where will you see this built-for-people spaciousness... these king-size brakes... this magnificent glass area... all at Galaxie's low price, made possible by Ford's volume production? And above all, where else will you get Ford's brilliant engineering that saves you upwards of \$100 a year on operating costs? Come see and drive the 1961 Ford Galaxie that's beautifully built to take care of itself while it takes care of your pride. Now at your Ford Dealer's.

TELL ME. IN EARLY DAYS OUT WEST, THE PONY EXPRESS WAS THE FASTEST MEANS OF CROSS COUNTRY COMMUNICATION. DID THE RAILROADS PUT THE PONY EXPRESS OUT OF BUSINESS? NO! THE TELEGRAPH DID! THE RAILROADS WERE NOT COMPLETED UNTIL 8 YEARS LATER! HOW DID THE BRIDAL CUSTOM OF WEARING ORANGE BLOSSOMS ORIGINATE? ORANGE BLOSSOMS... SYMBOL OF MARRIAGE... WERE FIRST WORN BY BRIDES OF THE CRUISERS, WHO ADOPED THE CUSTOM FROM THE HOLY LAND! ARE THERE FISH THAT CAN STAY ON LAND AS WELL AS WATER? YES! THE CRAWLING FISH OF CEYLON (ANABAS SCANDENS) TRAVELS OVERLAND FOR MILES IN SEARCH OF INSECTS AND BERRIES!

ALTO BRIEFS

By AILEEN LINDAMOOD

The past week we had two snows—a light one on Tuesday and Wednesday and a big one on Friday. The big one was a very heavy snow and it isn't easy to be sure how much fell, but about 10 inches wouldn't be too far from the amount.

Mr. and Mrs. J. W. Robinson of Fortias stayed with the Ernest Bloods Monday night on their way home from attending the services at Angus for Eloy Sidner.

The Mmes. Charlie Peebles and Lawrence Peebles were at the home of Mrs. O. L. Oldham in Ruidoso Downs on Wednesday for the meeting of the Extension Club.

Cap Kelly of Capitan was in the community last week on business. The Charles Wileys had his parents, Mr. and Mrs. Clifford Wiley of Sarcosie, Mo. spend the past week end with them. They were on their way to the West Coast.

Sunday, Mrs. Jan Cannon and Jimmy came over from Ruidoso for a chat.

The Tom Holberts came over from Ruidoso to see us on Sunday.

ANCHO

Children share birthday with March of Dimes

Leanne and Philip Straley celebrated their fifth and second birthdays Tuesday, Jan. 31, with a March of Dimes birthday party.

Wanting to share their birthday, Leanne and Phil requested guests to bring contributions for the New March of Dimes instead of bringing presents to them.

Everyone took part toasting their coils into the wishing well, resulting in a total of \$15.60 collected.

Games were played and refreshments of cake, sherbet and punch were served to Alton and Rex Wilson, Sandra and Michael Bond, Barbara and Dan Knight, Dan, Susan and Ellen, Carol Ann and Steve Hartley and Tommy J. Straley.

G. L. Straley, age 3, brother of Leanne and Phil, helped his mother, Mrs. Lee Straley and grandmother, Mrs. George Straley, with the courtesies.

Word has been received of the death of Charley Peters at his home in Tucuman. Mr. Peters was a former resident in the Ancho community and is an uncle of Mrs. Price Miller. He is remembered as a good neighbor and a faithful friend.

Mr. and Mrs. Grady Littleton of Angus were Ancho visitors last Friday.

Mr. and Mrs. L. Y. Jackson and children of Socorro were here visiting Mrs. Jackson's mother, Mrs. Jackie Silvers.

Mrs. June Straley and niece Susan Caldwell are visiting Mrs. Straley's daughter, Mrs. Tom Barnett, and family. On her return, she will visit the L. Y. Jacksons at Socorro.

Mr. and Mrs. J. A. Hightower and sons attended the "Mr. Texas" film show at the Baptist church in Carrizozo last Thursday.

Mr. and Mrs. Cope Straley, Rockie and Tommy J. were guests of Mrs. Straley's parents, Mr. and Mrs. LeRoy Owen, and Mrs. Hedge of Corona.

About people

Frank McBride is now driving a Sacra gas truck in Carrizozo.

Rev. and Mrs. James Wells were called to Fort Smith, Ark., last Wednesday by the death of Rev. Wells' aunt. They will be back some time this week.

Mrs. Elizabeth MacVeigh and her son Billy were both home, ill, this week.

Lee Adell Baker and Bill Harman were home from their respective colleges over the week end.

The Raymond Walkers have moved to Hobbs, N. M., and Mrs. Hardy Shrum is managing their E-Z Wash and Dry Laundry for them.

School Supt. J. T. Clegg attended a school finance and legislation meeting Wednesday in Santa Fe. State school superintendents discussed the proper distribution of funds in behalf of the schools.

Mrs. J. P. Turner and daughter Sandra attended the Southwestern Music Educators Conference the last part of last week and the first part of this week. The conference was held in Albuquerque, with bands, orchestras and choruses in attendance from all over New Mexico.

Reports are that Mrs. W. C. Wolfe is improving and that she will probably be able to come home the hospital next week.

Mrs. L. Z. Manire was in the Carrizozo hospital last week with a throat infection.

Carl Thornton leaves this Thursday for the University of New Mexico to enter his senior year.

Mr. and Mrs. James from Corona and Garvis Jobe of Claunch visited the Ladd in Carrizozo on Monday.

Pat Ingram of Delequot, N. D., stopped by to visit his sister, Mrs. Henry Kilpatrick in Claunch and also stopped in Carrizozo for a short visit with Mrs. L. V. Ladd.

Mr. and Mrs. Ingram made the trip to Truth or Consequences for her to be at the bedside of her father, L. L. Ladd, who has been ill.

Mr. Ingram stopped in Carrizozo on his return home.

Susan Spencer has been home from the Loreto Academy in El Paso for an between-semester visit. She returned to school on Wednesday.

Johnny Walker, SP foreman, was injured recently, when a locomotive boiler exploded near where he was working, burning his eyes. He spent several days in the Carrizozo hospital and is now in El Paso for further treatment. No permanent injury is anticipated.

Mr. and Mrs. Dee Martin were visitors of the L. V. Ladd this week.

The reverent address followed, based on her theme for the year, "Faith" and "Peace." The gate of "Faith" as the Faith of Martha; the gate of "Peace" as peace among nations. As gates of Faith and Peace are entered, her motto "Faith Endures" was stressed as "Our guide to lead us down the path. With our motto in our daily living, then our Creed becomes a way of life—Take Time for Right Living." Her scripture, second Corinthians 5-7.

The symbol "Star of the East" was brought out in a beautiful setting, an abundance of Angel hair forming clouds over small twinkling lights, with a huge Star glittering above. Two colored revolving flood lights gave the effect of moving clouds, and changing colors. Glittering silver letters spelling Faith and Peace were placed below the clouds.

Large baskets of pink roses and lemon leaves adorned the East and West side of the chapter room. A bouquet of pink flowers, among silver leaves, was placed on the secretary's desk. Large bows of red and silver roping, with dangling ornaments were used in the West. The motto in glittering silver letters spelling Faith Endures were placed below.

Serving on the decorating committee were Eulala Snapp, Mabel Williams, Pat Green, Regina Newton and Annie Sumner.

At the close of a very eventful evening refreshments of coffee, cake, pink and white mints and nuts were served to forty people. Those serving on the refreshment committee were Carol Hall, Leah Hanlon, Helen Wells, Margaret and Dudo Jayroe.

At the club's January 2 meeting in the home room, their leader, Mrs. Ralph Dunlap and junior leaders, Brenda Kilpatrick and Carmen Pino helped the new girls, Yolanda Ortiz, Jackie Kilpatrick, Linda Simpson and Donna Jo Gray with their record books. The girls were also shown how to cut and baste their quilt matts.

Also, record book covers were passed out.

At the January 16 meeting of the Happy Homemakers, Mrs. Dunlap passed out the huck traveling for the first year girls to make their tea towels.

At the club's January 2 meeting in the home room, their leader, Mrs. Ralph Dunlap and junior leaders, Brenda Kilpatrick and Carmen Pino helped the new girls, Yolanda Ortiz, Jackie Kilpatrick, Linda Simpson and Donna Jo Gray with their record books. The girls were also shown how to cut and baste their quilt matts.

Judy Stearns feted on 17th birthday

Brenda Kilpatrick and Terry Friesquez gave a surprise party for Judy Stearns' 17th birthday on Thursday evening at the Carrizozo Country Club.

The group of teenagers spent the evening dancing and enjoyed cake and soft drinks.

A small dinner party was given earlier for Judy and her brother Bob, who is now a member of the United States Air Force.

Bob Stearns and Freddie Vega left Tuesday afternoon by jet for Lackland Air Force Base in San Antonio, Texas, for basic training.

Mountainair OES installation held

A special meeting of the Mountainair Chapter No. 59, Order of the Eastern Star, open installation was held in January for the purpose of installing officers.

The guests were welcomed by Regina Newton. The installing officer, Carol Hall, was escorted and seated in the East.

Past matrons officiating at the installation ceremony were: Installing officer, Carol Hall; installing marshal, Isabel Williams; installing chaplain, Odell Edwards; installing secretary, Paul Riggins. Louise Crist acted as installing organist.

The new officers installed for the ensuing year were: Worthy Matron, Annie Sumner; Worthy Patron, Henry Edwards; Associate Matron, Wanda Rucker; Associate Patron, Robert McNeil; secretary, Billie Clark; Ferrer; treasurer, Kathryn Riggins; conductress, Marcel Beckett; associate conductress, Joyce Lawson; chaplain, Maurice Lawson; organist, Edna McNeil; Adah, Pat Green; Ruth, Roxie Sanders; Ester, Isabel Williams; Martha, Beulah Shaw; Electa, Regina Newton; Warder, Carol Hall; Sentinel, Paul Riggins.

Before the officers were installed a lovely Bible presentation was given. A white altar Bible was placed on the altar, a gift to the Worthy Matron from her husband, B. F. and son Mike.

As Annie Sumner was installed, Robert McNeil sang her favorite song, "I Believe." Then she was graciously escorted to the East by Mike.

Annie announced her emblem for the year, "Star of the East," which was followed by the duet, Ivo and Marion Gates of Estancia Chapter No. 23, singing "Star of the East."

The reverent address followed, based on her theme for the year, "Faith" and "Peace." The gate of "Faith" as the Faith of Martha; the gate of "Peace" as peace among nations. As gates of Faith and Peace are entered, her motto "Faith Endures" was stressed as "Our guide to lead us down the path. GOOD NEWS

Sponsored by the Tri-C Ministerial Alliance

A good number of people have said to me: "Oh, I believe the Bible all right, but I don't understand it." I think one of the reasons is that not enough people take time to read and study God's Word.

Some people try to see just how many chapters they can read; others take daily little scripture pills and expect to learn something from God's word.

I feel that we need some guidance along these lines of Bible study. The following is a suggested way, not the final way, but more or less a path you can take to enrich your study of the Bible:

1. The Bible is the message of God to man.
2. It makes known to us the character and will of God, and His purposes of love to our sinful race.
3. The Bible is our only perfect and authoritative rule of life and conduct. It is the standard of the highest moral teaching.
4. The Bible is the greatest source of comfort to sorrowing hearts. It gives new faith, peace and hope to hearts burdened with trouble or fear.
5. The Bible is the sure source of light for mortal man upon his future destiny, upon the future of humanity, and upon life beyond the grave.
6. In every sphere of knowledge there are certain accepted means of verification, and science no less than religion has its faith.
7. Electricity is largely a mystery, but we recognize it is an existing force or power. So with the Christian religion; it is a great mysterious force or power which truly exists.
8. The treasures of religion are only found by those who search for them with all their hearts. By study of the Bible, prayer, church attendance and sincerely trying to do the will of God, every man can prove the existence of this great mysterious force or power between God and man which we call the Christian religion.
9. We owe it to the Bible that we should receive it with personal faith, appropriate its messages to ourselves, and put our own name in every promise.
10. Christ is His grand subject, our goal, is His design and the glory of God is His end.
11. Read it to be wise, believe it to be safe, and practice it to be holy.
12. Read the Gospels and Psalms daily. These introduced into daily living will make the whole year different by renewing your faith and bringing comfort and hope.
13. To get the connected story or thought of the writer, an entire Book of the Bible should be read at one sitting. Then go back over the same book, verse by verse.
14. Read the Bible slowly, frequently, prayerfully.

(These suggestions were taken from a tract put out by the American Bible Society.)

At the club's January 2 meeting in the home room, their leader, Mrs. Ralph Dunlap and junior leaders, Brenda Kilpatrick and Carmen Pino helped the new girls, Yolanda Ortiz, Jackie Kilpatrick, Linda Simpson and Donna Jo Gray with their record books. The girls were also shown how to cut and baste their quilt matts.

Also, record book covers were passed out.
