With charges and counter-charges flying over the necessity of a special session of the legislature to raise money for a school system that says it is "busted" light will be shed on the local side of the issue next Monday evening at a PTA panel discussion by school board members and county legislators. Questions may be asked from the floor, said Superintendent J. T. Clegg, January usually has the lowest PTA attendance record, but a good crowd is expected to look about the money problems.

Only one area of Carrizozo — the group of new homes in the northwest part of town — is adequately zoned, the council was informed by city attorney H. Elford Jones.

Time to start thinking about planting
trees and shrubs as winter wans

By County Agent Ralph Dunlap

Here's some dope about planting trees and shrubs, particularly in Lincoln County.

1. Plant when the soil isn't frozen or too wet—any time between now and next April is all right. Container plants can go at any time—even in the summer.

2. Dig holes six inches deeper and 12 inches wider than necessary to accommodate the ball of soil or roots of the plant. Set the plant the same depth that it grew originally.

3. Water thoroughly. Soak the soil to make a saucer-shaped area around the plant. Water thoroughly once a week (five to 10 gallons) during dry weather for at least the first two growing seasons.

If anyone is lacking in entertainment at the present, all that is needed to give them entertainment is a trip to the store in Alto. It is quite an interesting sight to watch the crowd go to the Sierra Blanca ski run. But better still if a car stops and the enthusiastic occupants are on their way to ski.

Mr. and Mrs. Charlio Pechica went to Hondo last Thursday to see the Kiel Bonolla.

Sam Allen made a business trip to Lamona, Texas, last week.

'Taxpayer' pours it on the schools, notes reversal of money stand

Last week the Voice of the Taxpayer suggested that if a special session of the Legislature for considering school needs is necessary that it should be delayed until June.

The immediate reaction was that the Voice was "rapped" by educational leaders. The State School Superintendent said that the suggestion was "unrealistic and a delay in calling a special session would result in utter chaos as far as the schools were concerned."

In the same statement, the Superintendent of Public Instruction made the proposal that "the legislature should eliminate the uncertainty of reliance upon designated revenue sources and instead it should establish a guaranteed appropriation per pupil."

ATKINSON - LINDSEY VOLUNTEERS IN PRESENTATION CHURCH

with his from Canada. Mr. D. L. Marquez will shear sheep again this year. At present he is working on a mountain. His family own a home at Corona.

A New Year party was held at the El Paso Sida Station 12 miles south of Corona New Year's Eve. Many from Corona and surrounding areas were present to celebrate and see the old year out and the new year in. Most business places were closed Monday and people rested, or visited with relatives or friends.

Miss Wilson, son of Mr. and Mrs. Cecil Wilson, who recently emigrated to the States, was home for the New Year's Day from Vaughn going to Ft. Ord, Calif.

Many visitors were here over the holidays, including Mr. and Mrs. George Bagley from Ft. Worth, Bob Crow, Dean Minor, and Lee and Patsy Mulkey from Albuquerque. Wilfred and Louella Lackey from State College at Las Cruces, and many others.

Miss Pansy Hobbs becomes a bride

Miss Pansy Hobbs became the bride of Laurel S. Burkes, in a Catholic service at the Corona Baptist church, at dawn on Dec. 24, 1962, at 9 a.m., with Reverend Wesley D. Lackey, cousin of the bride, performing the double ring ceremony.

Parents of the couple are Mr. and Mrs. Leonard H. Hobbs of Cedarvale, New Mexico and Mr. and Mrs. Elmo C. Burkes of Hindsville, Arkansas.

The church was moderately decorated with Panderosa Pine, native Cedar and Mistle-toe furnished by Mr. Gilbert Bryan of Corona, N. Mex. and fresh Holly from Washington, provided by Mrs. Ben Smith of Los Lunas N. Mex. Mrs. Smith is a cousin of the bride also. Seven tall white candles burned at either side of the altar. Also there were candles on the piano and one decorated candle burned in each one of the five windows of the church among the Panderosa Pine decorations.

The bride was given in marriage by her father.

Pansy wore a floor length dress of white embroidered silk organza, over white Slipper Satin. The dress had a scalloped neck line and scalloped sleeves and a full flowing skirt. Her short veil was made of net and held in place by a dainty crown of pearls. She carried a bouquet of white carnations, in the center were two white roses. The bride wore something old something new something borrowed and something blue. In her shoe she had a silver dollar given to her by the bride-groom. She also wore the lovely necklace given to her by the bride-groom, for a wedding gift.

The traditional bride chorus was played by Mrs. Susan Huey, who also played La Vie En Rose, sung by Woody Dame while the candles were being lighted.

Miss Barbara Bryan of Alamogordo, N. Mex. was Maid of honor. Barbara wore a street length dress of blue silk organza, over Baby blue taffeta and carried a bouquet of pink carnations. Miss Bryan is employed at the Holloman Air Force Base.

Miss Helen DeVaney, a junior in college at Portales, presided at the guest book, the small table being lighted by a large candle, molded and decorated by the bride. These four girls helping with the wedding, Susan, Helen, Barbara and Joyce, are long-time friends and school mates of the bride.

The groom, dressed in a grey suit, was attended by Mr. Wayne Shoemaker of Corona.

Mr. Jack Vanhorn of Huntsville, Ark., a life-long friend of the groom, lighted the seven candles at either side of the altar and placed the shirred satin covered pillows for the bride and groom to kneel upon during the wedding prayer sung by Woody Dame, soloist in

Corona high school. The window candles were lighted by Daniel Lathey, cousin of the bride, a student at the University of New Mexico, and Charles Lee, senior in Corona high school.

Ushers were: Dick DeVaney, freshman in college at Portales, and Charles Lee of Claunch.

Mr. Roy Humphries and Mr. Archie Lackey were taking moving pictures and Mrs. Ben Smith and Miss Sharon Smith were taking kodak pictures of the wedding.

Immediately after the ceremony, congratulations were in order. Every one wished the couple much happiness.

The three-tier wedding cake stood on a table covered with lace cloth and on either side three candles had been lighted, by Miss Joyce DeVaney, now employed at a bank in Albuquerque.

The couple cut the wedding cake, which was decorated with swans and white candy roses between the first two layers and swans and blue candy bells between the second and third layers. On top were blue wedding bells and tiny white birds placed on a blue heart edged with white candy beads. The cake was served by Mrs. Joe Shoemaker, hostess of the wedding of the church. The breakfast consisted of coffee, cocoa, mixed fruit rolls and the wedding cake and was served by Mrs. Flora Lea Bryan and Mrs. Cecil DeVaney.

The top layer of the cake was removed by Mrs. Joe Shoemaker and saved for the couples' first wedding anniversary.

While the breakfast was being served the romantic atmosphere of the wedding was continued by the soft piano music as Miss Barbara Bryan played the couples' favorite church hymns and Christmas carols.

For the going away trip the bride wore a blue suit and the corsage of white roses taken from the center of the bride's bouquet. The groom wore a suit of grey and proudly ushered his bride through the showers of rice that their well wishers showered them with as they were leaving the church.

The couple left immediately for a wedding trip to the White Sands, Cloudcroft, Carlsbad and other points of interest in southern New Mexico.

The friends and relatives of the couple wish them a long and happy married life.

MYF over the top in building fund pledge

Carrizosa Methodist Youth Fellowship has turned out to be one of the most active groups in this community. It has only been four months since the organization pledged \$1,000 to the church building fund and despite the fact that they pledged the money for a period of two years, the youngsters paid the final installment just before Christmas. And, just for good measure, the MYF gave financial support to other areas. They made a \$25 contribution to UNICEF, which represented more than one-fourth of the community UNICEF effort and a \$20 donation to the Methodist Home in Waco, Texas.

In addition, the group has financed the purchase of numerous items of equipment for the church. Trimming used in the traditional "Hanging of the greens", were also purchased by MYF.

But the end is not in sight. The group is now considering several other projects which they will finance through their fund-raising activities. Responsible for much of the group's financial power is the MYF Thrift Shop which is operating next door to the Lincoln County News. The Thrift Shop accepts donations of anything of value which is resold with the profit going to the organization. Also, items are accepted on consignment and sold for the owner in cases where the owner elects to receive some return for his merchandise. The Thrift Shop receives a percentage of the sale price of consignment items.

(m) Wholesale services, meaning thereby those services performed by a wholesaler of services for a retailer who is liable for retail sales tax as provided in this Ordinance on such services.

(n) Sales of commodities in which the following conditions are met: (1) That the sale is made to a purchaser for principal use outside the corporate limits of the Town of Carrizozo and (2) that delivery is made by the retailer or his agent to a point outside the corporate limits of the Town of Carrizozo. The presumption shall be that all sales at retail are made for delivery to a point within the corporate limits of the Town of Carrizozo. The presumption may be rebutted by the presentation of a delivery receipt, or its equivalent, in such form as may be prescribed by the Bureau of Revenue accompanied by sales tickets.

(o) Services rendered wholly without the corporate limits of the Town of Carrizozo. This exemption shall apply only to those services described in Section 3C of this Ordinance.

(p) Proceeds from the sale of cigarettes, cigars, and tobacco in all forms on which a tax or use thereof is imposed by the law of this state or the Town of Carrizozo.

(q) Each and every paragraph of this section is hereby declared separate from all the other portions of this Ordinance and shall not be deemed as the consideration of inducement for the enactment of the whole or any part of this Ordinance. Should any paragraph of this section for any reason be declared invalid, the remainder of this Ordinance shall remain in full force and effect as though such paragraph had not been included in this Ordinance.

(r) Sales of meals, food and drinks on common carriers operating through the Town of Carrizozo.

(s) Gross receipts arising from messages transmitted by wire or other means, transporting for hire persons or property by railroad, motor bus, truck, or air transportation between a point within the municipality and a point outside the municipality.

LARRY HICKS EARNS ROTC AWARD AT CAMP

Larry Hicks, a graduate of Pilot Rock high school, is a senior at Organ State University and house president of Tau Kappa Epsilon social fraternity. Last summer he attended ROTC camp at Ft. Lewis, Wash., and out of 1100 cadets he was ranked number 11; number 1 in his company of 140 men and also number 1 of the cadets that attended from O. S. U. He received awards at camp for being best of his company and for being tops in test grades.

He is a cadet major, the executive officer for Pershing Rifle Battalion Group, and was awarded the Pershing Rifle Gold Medal for outstanding work as a junior in this outfit.

The Gold award is the highest given nationally.

Larry was also presented the Daughters of the American Revolution award. This is given to the outstanding junior in ROTC. He has been made a distinguished student at the school.

Larry Hicks is the son of Lawrence Hicks of Fayetteville, Ark., who lived in Carrizozo until 1948. Larry is the grandson of Mrs. Edna Littleton of Carrizozo.

WHAT IS COMING
in the
NEW YEAR

The information below can be a guide to more of what you want in 1962 . . . if it's business you are after —

Public all for newspaper ads,
But annoyed by direct mail
53% of those who receive advertising in the mail discard it without reading it, Bureau of Advertising study reveals.

Almost four out of ten persons are considerably annoyed when they get advertising in the mail. And among the upper economic group the figure is almost five out of ten.

These are some of the findings of a four-city survey conducted for the Bureau of Advertising of the American Newspaper Publishers Association and reported in a folder just released by the Bureau.

The survey also disclosed customers' attitudes toward stores advertising by mail compared with those advertising in newspapers. On every count newspaper advertisers were favored overwhelmingly. By votes as high as ten to one, the respondents said newspaper advertisers are more likely to carry well-known brands, offer better quality merchandise, give better value for the money, offer "real bargains."

Gentlemen:
 An enclosing check for renewal of my subscription to the News that has been sent to Nogal but I am now in San Antonio until about April 1962, and wish to have the paper sent to my address there until I get back to Nogal and notify you again to send it there.
 I wish you would send me the back copies of News for the past three weeks as copies that were sent to me at Nogal were lost in the mail, copies of Dec. 1, 8th, and 15th are missing and as I have had very little news that went on at Nogal I would like to have these three back papers sent to me at San Antonio.

Yours truly,
 George Wandell

FARM NEWS

By Ralph Dunlap

INCOME TAX FILING IS GETTING CLOSE

The year 1961 will soon be history. And the end of December means the conclusion of another tax year and that tax obligations must soon be met.
 Before tackling the tax reporting job, the county agent suggests that farmers and ranchmen get a copy of the Internal Revenue Service's 1962 edition of the Farmer's Tax Guide. It is available without cost from the offices of the local county agent or those of the Internal Revenue Service. The guide is written in easy-to-read style and includes examples of problems worked out on the applicable forms.

January 15 is the deadline for farmers and ranchmen who want extra time for filing their final report to file their 1961 tax estimate. If the estimate is filed, the final date for filing of February 15 then becomes the deadline for making the final tax report. These deadlines apply to taxpayers who derived two-thirds or more of their 1961 gross income from farming or ranching.

Another important consideration is the reporting of hired labor and the social security tax on wages paid. Either of two tests determine whether a farmer must pay the social security tax on wages. If the worker was paid \$150 or more during the calendar year or if the worker was paid wages (on hourly or day basis) for 20 day or more during the year, the 3 percent social security tax should have been deducted from the cash wages.

Form 943 is used for reporting farm wages. The farmer-employer must show the wages paid and give the account number of individual workers. The withheld tax plus an equal amount from the employer along with the reporting form must be filed on or before January 31 or a month after the close of the year. Because every phase of the farm and ranch business can be affected by taxes emphasizes the need for a study of the Tax Guide.

El Paso rodeo tickets on sale now

El Paso, Texas—Tickets for the big 25th Annual Southwestern Championship Rodeo February 7-11 go on sale at the Chamber of Commerce offices Monday.

The Chambers Livestock Show and Rodeo committee, headed by Chairman Jack Vowell, promises the biggest and best event in the history of the affair this year, with a greatly expanded Livestock Show and top performers scheduled for appearances in the Rodeo.

Frank Gilbert with his White Sock Jumpers, "Beeswax" Moore and Charlie Davis will be on hand for clowning and entertaining at riders from throughout the United States will be displaying their abilities aboard broncs, steers and brahms bulls for coliseum audiences.

Entries for the Livestock Show are mounting daily, according to Vowell, assuring one of the finest exhibitions of its type in history. Commitments for the International Range Bull Sale and the Southwestern Invitational Quarter Horse Sale have closed, with 300 top quality bulls and 50 of the South-west's finest Quarter Horses scheduled to be sold.

Ore Train Opens Tunisia Farcountry
 Phosphates, olives and tourism... an odd combination for one company's business interests? Perhaps anywhere else but Tunisia.
 The Gafsa Phosphate and Railroad Company operates principally in the south of Tunisia. The phosphates extracted from the mines in the Gafsa basin are transported by rail to Sfax, port of embarkation for the principal countries of Europe and the Far East.
 The railroad network includes several lines. That from Sfax to Metlaoui is used primarily for the transport of phosphates. It has branch lines to various isolated mines, and also connects with two of the most beautiful cases of Tunisia—Gafsa and Tozeur.
 The branch extending from Sfax to Metlaoui is built in the heart of the gorges of Sfax—a spectacularly spectacular technical achievement. The entry to the gorges is a split in the rock cliffs called "the snake cut." At the bottom of the gorges flows a little stream which never dries up.
 This area has become a real tourist attraction, made accessible to visitors now by the little phosphate railroad.
 The Gafsa Company also owns a large agricultural area in the beautiful region of Mahares, 40 miles south of Sfax. It is planted with 250,000 olive trees and has an ultra-modern oil producing plant. The oil produced here is extremely high in quality and is generally sold for export.
 To its multiple activities the company has recently added the management of The Olive Tree Hotel at Sfax. Built in 1925, this hotel was lately modernized and refurbished. Now, with comfortable and attractive accommodations, it provides the indispensable welcome point for the tourist wishing to set out to see the recently opened routes to the beauties of the desert.

The sturdy little phosphate, now tourist carrying train is dwarfed by the towering walls of the Bahja gorges.
