

Honor society seeks school improvement

The National Honor Society of Carrizozo High School took as a project for the year the improvement of school facilities. The end of the school year has come and one of the Society's projects, the greening and grading of the school parking lot, has been completed. The material was purchased by the group, and the Town of Carrizozo co-operated by furnishing the labor for leveling and grading the lot.

The basic purpose of the National Honor Society is the promotion of scholastic improvement; therefore, the Society assumed responsibility for another project, that of offering a \$10 award to be known as the National Honor Society Scholastic Improvement Award. The award, which will be announced at the awards assembly, will go to the student of Carrizozo High School who has shown the greatest improvement in his grades during the second semester, and is open to all students except members of the Society.

Carrizozo third at Tularosa relay meet

Boltran set a new Rose Festival record and a Carrizozo school record with a throw of 179.7 in the javelin. This is the best throw Jerry has ever made. Jerry was also 2nd in the pole vault with 10 feet.

The medley relay team of Boltran, Frank Gallegos, Jim Lovato and Herman Sanchez ran the medley in 4:04.8 finishing 3rd just barely edged out by Tularosa and Eunice.

Faustino Gallegos ran a 2:17.4 half mile to win 2nd place. Bobby Crenshaw won the high and low hurdles and ran in the 100 yard dash in the finals of the 220 dash because of a pulled muscle.

Out of the 12 men Zozo took to Tularosa, 11 won ribbons either in relays or individual events. This is fairly good representation. In some events the boys should have placed higher.

Zozo goes to Eunice May 4-5 for the district track meet. The following week is the state meet at Albuquerque. To qualify for state a boy must win 1st or 2nd in the individual or run on a relay team that wins first.

Placings at Tularosa:
1st - Tularosa 80 1/4
2nd - Eunice 70 1/4
3rd - Carrizozo 63
4th - Ruidoso 49
5th - Hatch 31
6th - Capitan 13
7th - Hagerman 11
8th - Cloudcroft 6

Honor Society Installation

The Fernin S. Montes Honor Society of the Hondo Valley Public Schools installed the following new members last Wednesday evening, May 2: Stanley Thomas, Alberta Kimbrell, Edith Joiner, Priscilla Gomez, Martha Sineros, and Adellina Sanchez. The new members were installed by Leroy Gomez, President of the Society; Frances Nunez, Vice President; Ruth Joiner, Secretary; and Priscilla Sanchez, Treasurer. Only members of the three upper classes in high school are eligible for membership in this society. The members must maintain a B average.

Mr. and Mrs. Roy O. Sum of Portales, mother and step-father of Mrs. Carl P. Radcliff, visited in the Radcliff home May 4. The occasion was in observance of Mrs. Radcliff's birthday, and also to be present at the Mexican Fiesta at

Hondo in which both Preston and Harold danced.

Mr. and Mrs. Marshall Atkinson, now living in Roswell, but who are former residents of Corona, and White Oaks in Lincoln County, were guests of the Carl Radcliff of Hondo May 5. They enjoyed the Mexican Fiesta Saturday night at the Hondo School.

Mr. and Mrs. Carl Radcliff and sons, Preston and Harold, visited Mr. and Mrs. Hubert Hatch and LaDell at Pine Lodge May 6. Mrs. Radcliff and Mrs. Hatch are sisters.

Martha Sineros, daughter of Mr. and Mrs. George Sineros,

Arabella, is a very busy young lady these days. She was recently crowned "Queen of the Apple Blossom Festival", and more recently "Queen of the Hondo School Fiesta," this past Saturday. She and her escort Bobby Montes son of Mr. and Mrs. Fernin S. Montes, who won the "Charro" title, will dance some special numbers next Saturday in Raton where the entire group of "Fiesta" dancers will perform. Supt. and Mrs. Montez directors of the Fiesta, together with Mr. and Mrs. Ernest Bookley are accompanying the group to Raton.

"Los Valles Young Republican Club" met on May 3, to discuss

the By-laws of the club. Mr. Joe Sandoval was elected representative to attend the "New Mexico Young Republican" annual convention at Las Cruces on May 18, 19 and 20.

Members present at the meeting were: Mr. and Mrs. Pete Salas, Mr. and Mrs. Ernest Sanchez, Mrs. Lucio Zamora, Mr. and Mrs. Mike Hernandez, Mr. Joe Sandoval, and Mr. Juan Montoya. Also present at the meeting was Mr. George Sineros, a Central Committee Member, who helped to organize

"Los Valles Young Republican Club". The next meeting will be held May 21, at 7:00 P.M. at the home of Mr. and Mrs. Ernest Sanchez in San Patricio. Anyone interested in joining the club is very welcome to join. Eligible to join, is anyone between the ages of 18 and 40 years.

Attending the "School Budget" meeting in Carrizozo May 7, were Supt. Fernine Montes; Board of Education President, Frank Vigil; Secretary of the Board, J. Jaramillo; and Mr. George Sineros, a Central Committee Member, who helped to organize

ber, Mrs. George Sineros.

The Ladies of the Alter Society of Our Lady of Guadalupe Church will meet May 14 at 8:30 P.M. at the home of Mrs. George Sineros (Arabella). Plans will be made for the "Companions of the Blessed Virgin" on May 20. Father Louis Jaramillo will speak on "Code for parents of Modern Youth".

Mr. James Clayton's cousin, Eddie Arthur Cisneros, 37, of Vaughn was one of three killed in a car crash on Highway 54 near Vaughn, after they had attended the Vaughn high school senior prom. He was buried Wednesday from St. Mary's church in Vaughn.

Those celebrating their birthdays are: Helen Huffman, Roy Harmon, Duff May, Edith Faye LeMay, Patsy Barnett, Robert Chavez and Minette Smoot.

Anniversary wishes are extended to: Col. and Mrs. James A. Snow, Mr. and Mrs. Kelley Stephenson, Mr. and Mrs. Wayne Withers and Mr. and Mrs. Henry Bosch.

Harry Dawson of San Gabriel Calif., is visiting with Mr. and Mrs. Frank Englund in 1907. Mr. Dawson helped make the Exchange Bank front, White Oaks to Carrizozo.

Mr. Dawson and Mrs. R. E. Lemok went to visit Mr. Lemmon who is in the hospital in Roswell. Mr. Dawson and the Lemons are friends of old standing. Mr. Lemmon is doing fine and hopes to be home in a few days.

Mrs. Aster Jacob's daughter and son-in-law, Mr. and Mrs. Charles Gerland and daughter, Cheryl, visited with Mrs. Jacobs for a few days. Mr. Gerland is in the Air Force and they were enroute from Georgia to Lowry AFB in Denver. Vernon and Edith Searcy and George enjoyed fishing at Elephant Butte over the weekend. They brought home a good number of crappie.

Mrs. Clarence Shaw was visiting Mr. and Mrs. James Clayton and family for five days. The Shaw family is now living in Albuquerque.

Mr. and Mrs. Jerry Beltran's son, Antonio now stationed in Germany, has made the rank of sergeant. He hopes to be home sometime in July.

Mrs. Darrell Bode was surprised by a baby shower given by Mrs. R. Kondo and Mrs. R. Eddings at the home of Mrs. Kondo. Twenty guests attended. Three games were played, one being for each guest to write a caption under a baby picture for a scrap book for Mrs. Bode. A beautiful cake, homemade ice cream, punch, mints and nuts were served. Those attending were Mrs. Clarence Griffin, June Straley, Mrs. John Helm, Frances DeZener, Mrs. R. Currie, Mrs. Tom Banks, Mrs. Troy Sadler, Mrs. Tom Kearns, Mrs. J. R. O'Neil, Mrs. R. Harkey, Mrs. Wm. MacVeigh, Mrs. George Seale, Mrs. C. Charles, Mrs. Roy Baker, Mrs. B. Laabs, Mrs. Roy Shafer, Mrs. J. Voss and Mrs. J. Allen.

Mr. and Mrs. Tom Kearns were dinner guests of Mr. and Mrs. C. Dobson of Joplin, Mo., Monday evening. They also enjoyed visiting with the Dobsons and Mr. and Mrs. A. J. Ranker of Hondo, Texas, and Mr. and Mrs. Koch of DeWitt, Tex.

Mr. Herman Kelt, former Texas resident, was in the News office Tuesday afternoon. Mr. Kelt moved to White Oaks when he was just a young boy where he worked for the Wildcat Leasing Co. 1910. After scanning Kit Carson's column for this week about Lincoln County in 1910, he remembered most of the people mentioned in the White Oaks section. Mr. Kelt moved to Carrizozo in 1927 and was postmaster from 1933 to 1957. He is now retired and living in Albuquerque. While in town, he and Mr. Dawson, also an old-timer of Lincoln County, enjoyed remembering the old days.

Mrs. Mary Johnson and Mrs. Bess Dingwall were Alamogordo visitors Monday morning.

Mr. and Mrs. C. D. May and daughter, Doris Jo, visited the Bob Shafer's Monday afternoon.

Mr. L. E. Murphy and sons Pat and Mike were fishing at Elephant Butte this weekend.

Lynn and Glenn Stoneman were in Alamogordo Sunday visiting their mother who is a patient

Jay Stewart, four day old son of Mr. and Mrs. Edwin Walrath, died at the Eastern New Mexico Medical Center in Roswell Monday morning. The baby was born April 24 in the Carrizozo Hospital. He was an R/H baby and was rushed to the Roswell hospital Saturday when his condition became more severe. The baby was buried in Albuquerque Tuesday.

Dear Sir:

I would like some extra clippings concerning Bowen Zumwalt, printed in your issues of April 12 and April 26.

My husband and I were quite fond of Mr. Zumwalt. I expect he touched a lot of peoples lives during his lifetime. Knowing him has influenced my life by giving it a singleness of purpose, a drive I had never before known, and the courage of my convictions.

Sincerely,
Gertrude Timberlake

Livestock Report

By Steve Treadway - Lewis, Kans.

RANGE CONDITIONS —
Spring is finally here. A great number of western ranges are about two weeks later with grass than usual, but cattle are being moved rapidly to summer ranges at this time. Moisture supplies are a little light in many areas from central Kansas west. While not serious, it is a cause of some concern. It will take continued good rains to keep grass growing normally. Wheat looks very good in most areas of the Great Plains. Texas Panhandle has been very dry. Farm work is going ahead at a rapid pace. Planting intentions of the feed grain and silage folks seem to be about in line with a year ago. Most conversations find many people gloomily forecasting a drought, but old timers say the west is always only six months away from a drought.

CATTLE PICTURE —
The past month has seen one of the largest volumes of cattle in history move to summer programs. The wheat cattle are almost cleaned up. All cattle must be moved off diverted areas by May 10th. Some folks stayed as long as possible to recoupe some gains lost in a severe winter. This caused a more orderly marketing than might have been. Demand has been good and cattle have been distributed over a wide area. Every section seems to have plenty of cattle, but not especially overstocked. I think it's a very good situation for the industry as a whole to see such a good distribution of cattle on grass. Most pastures are taken and demand has been very keen. Grass prices are a little higher than last year. About every class of cattle have been turned out this year from fancy western wheat cattle to plain southern and Mexican calves. With a normal season, feeder supplies next fall should be plentiful.

YEARLINGS —
The market on yearling type cattle has been very good in the face of big runs from wheat pastures. These runs have been some of the largest in history, for the past six weeks. A broad demand from all sections helped keep an active market. These runs will dry up rapidly from now on. Choice quality steers in feeder flesh have been in good demand at 25 - 27c for weights 650 - 750 lbs. Good quality steers in the same weight at 23 1/2 - 24 1/2c. Heavier kinds scarce with better quality at 23 - 24 for 800 - 900 lbs. kinds. Lighter thin steers in stocker flesh (suitable for grass) in very good demand from 26 - 29c from 550 - 600 lb. weights. Heifers in lesser demand selling to a strong demand. Good to choice feeder heifers at 24 - 24 1/2c for 9 - 70c weights. Plainer kinds at 23 - 23 1/2c. Lighter heifers up to 3c for kinds to go back to grass. Some of fall contracts on yearlings, but not much done as yet. Some reputation steers sold for Oct. delivery at 24 1/2 - 25c for 700 - 750 lb. weights. A few heifers sold at 23 - 24c for Sept. and Oct. delivery.

for Oct. delivery at 24 1/2 - 25c for 700 - 750 lb. weights. A few heifers sold at 23 - 24c for Sept. and Oct. delivery.

CALVES —
Stocker flesh calves still selling very strong. However the big movement is now over as May 1st is pasture date. Some choice to fancy steer calves sold at 30 - 32 1/2c last week weighing around 350 lbs. Bulk of the good to choice steer calves weighing 450 - 500 lbs. at 27 - 29c at most western

auctions. Some two way fleshy steer calves weighing 500 - 600 lbs. at 26 - 28c for corn belt interests. Heifer calves are selling about \$2 cwt. less than steers at most points. Some heifers mated to the fancy steers mentioned above at 30c. These calves weighing 304 lbs. Heavier kinds to mid west interests at 25 - 26c. Its a little too early for south Texas calves to show up as yet, but some talk of contracts on them. Ranchers a little reluctant to take offering prices so far. A few reputation north-

ern New Mexico calves sold for Oct. delivery at 28 - 30c on heifers and steers.

COWS —
The cow market has been held up well on slaughter cows. Several forecasters pointing to a big run of slaughter cows for late summer market has prompted more selling at this time on cull cows. Stock cows in fair demand. Not as aggressive as earlier. Better pairs bringing \$200.00 - \$250.00. Some plainer kinds at \$185.00 - \$200.00.

FATS —
The fat cattle market has held up very well in our section. Runs are down quite a bit from Feb. and March as area feed lots are cleaning up. Prospects look good for a steady market into late summer. Bulk of choice steers weighing 950 - 1100 lbs., 25 - 26c with heifers at 24 - 25.00 Goods at 23 1/2 - 24 1/2c. Standards at 22 1/2 - 23c.

Mrs. James Clayton's death. Eddie Arthur Cisneros, 37, of Vaughn, was one of three killed in a car crash on Highway 54 near Vaughn, after they had attended the Vaughn high school senior prom. He was buried Wednesday from St. Mary's church in Vaughn.

Those celebrating their birthdays are: Helen Huffman, Roy Harmon, Duff May, Edith Faye LeMay, Patsy Barnett, Robert Chavez and Minette Smoot.

Anniversary wishes are extended to: Col. and Mrs. James A. Snow, Mr. and Mrs. Kelley Stephenson, Mr. and Mrs. Wayne Withers and Mr. and Mrs. Henry Bosch.

Harry Dawson of San Gabriel Calif., is visiting with Mr. and Mrs. Frank Engling, in 1907. Mr. Dawson helped move the Exchange Bank from White Oaks to Carrizozo.

Mr. Dawson and Mrs. R. E. Lemont went to visit Mr. Lemont who is in the hospital in Roswell. Mr. Dawson and the Lemons are friends of old standing. Mr. Lemont is doing fine and hopes to be home in a few days.

Mrs. Aster Jacob's daughter and son-in-law, Mr. and Mrs. Charles Gerland and daughter, Cheryl, visited with Mrs. Jacobs for a few days. Mr. Gerland is in the Air Force and they were enroute from Georgia to Lowry AFB in Denver. Vernon and Edith Searey and George enjoyed fishing at Elephant Butte over the weekend. They brought home a good number of crappie.

Mrs. Clarence Shaw was visiting Mr. and Mrs. James Clayton and family for five days. The Shaw family is now living in Albuquerque.

Mr. and Mrs. Jerry Beltran's son, Antonio now stationed in Germany, has made the rank of sergeant. He hopes to be home sometime in July.

Mrs. Darrell Bode was surprised by a baby shower given by Mrs. R. Kondo and Mrs. R. Eddings at the home of Mrs. Kondo. Twenty guests attended. Three games were played, one being for each guest to write a caption under a baby picture for a scrap book for Mrs. Bode. A beautiful cake, homemade ice cream, punch, minis and nuts were served. Those attending were Mrs. Clarence Griffin, June Straley, Mrs. John Hein, Frances Degner, Mrs. R. Currie, Mrs. Tom Kearns, Mrs. J. T. Clegg, Mrs. F. Harkey, Mrs. Wm. MacVeach, Mrs. George Seake, Mrs. Charles Hodgson, Mrs. B. Baker, Mrs. D. Latta, Mrs. Roy Shafer, Mrs. J. Voss and Mrs. J. Allen.

Mr. and Mrs. Tom Kearns were dinner guests of Mr. and Mrs. C. Dobson of Joplin, Mo., Monday evening. They also enjoyed visiting with the Dobsons and Mr. and Mrs. A. J. Ranker of Hondo, Texas, and Mr. and Mrs. Koch of Downville, Tex.

Mr. Herman Kelt, a former Carrizozoan, was in the News office Tuesday afternoon. Mr. Kelt moved to White Oaks when he was just a young boy where he worked for the Wildcat Leasing Co., 1910. After scanning Kit Carson's column for this week about Lincoln County in 1910, he remembered most of the people mentioned in the White Oaks section. Mr. Kelt moved to Carrizozo in 1927 and was postmaster from 1933 to 1957. He is now retired and living in Albuquerque. While in town, he and Mr. Dawson, also an old-timer of Lincoln County, enjoyed remembering the old days.

Mrs. Mary Johnson and Mrs. Beas Dingwall were Alamogordo visitors Monday morning.

Mr. and Mrs. C. D. May and daughter, Doris Jo, visited the Bob Shalers Sunday afternoon.

Mr. L. E. Murphy and sons Pat and Mike were fishing at Elephant Butte this weekend.

Lynn and Glenna Stomenan were in Alamogordo Sunday visiting their mother who is a patient

Jay Stewart, four day old son of Mr. and Mrs. Edwin Walrath, died at the Eastern New Mexico Medical Center in Roswell Monday morning. The baby was born April 26 in the Carrizozo Hospital. He was an R/H baby and was rushed to the Roswell hospital Saturday when his condition became more severe. The baby was buried in Albuquerque Tuesday.

Dear Sir:

I would like some extra-clippings, concerning Bowen Zumwalt, printed in your issues of April 12 and April 26.

My husband and I were quite fond of Mr. Zumwalt. I expect he touched a lot of peoples lives during his lifetime. Knowing him has influenced my life by giving it a singleness of purpose, a drive I had never before known, and the courage of my convictions.

Sincerely,
Gertrude Timberlake
P.S. Mr. Albert Jedolin, my neighbor-subscribes to your paper.

Livestock Report

By Steve Treadway - Lewis, Kans.

RANGE CONDITIONS —
Spring is finally here. A great number of western ranges are about two weeks later with grass than usual, but cattle are being moved rapidly to summer ranges at this time. Moisture supplies are a little light in many areas from central Kansas west. While not serious, it is a cause of some concern. It will take continued good rains to keep grass growing normally. Wheat looks very good in most areas of the Great Plains. Texas Panhandle has been very dry. Farm work is going ahead at a rapid pace. Planting intentions of the feed grain and silage folks seem to be about in line with a year ago. Most conversations find many people gloomily forecasting a drought, but old-timers say the west is always only six months away from a drought.

CATTLE PICTURE —
The past month has seen one of the largest volumes of cattle in history move to summer programs. The wheat cattle are almost cleaned-up. All cattle must be moved off diverted areas by May 10th. Some folks stayed as long as possible to recoupe some gains lost in a severe winter. This caused a more orderly marketing than might have been. Demand has been good and cattle have been distributed over a wide area. Every section seems to have plenty of cattle, but not especially over-stocked. I think it's a very good situation for the industry as a whole to see such a good distribution of cattle on grass. Most pastures are taken and demand has been very keen. Grass prices are a little higher than last year. About every class of cattle have been turned out this year from fancy western wheat cattle to plain southern and Mexican calves. With a normal season, feeder supplies next fall should be plentiful.

YEARLINGS —
The market on yearling type cattle has been very good in the face of big runs from wheat pastures. These runs have been some of the largest in history, for the past six weeks. A broad demand from all sections helped keep an active market. These runs will dry up rapidly from now on. Choice quality steers in feeder flesh have been in good demand at 25 - 27c for weights 650 - 750 lbs. Good quality steers in the same weight at 23 1/2 - 24 1/2c. Heavier kinds at 23 1/2 - 24 1/2c. Heavier kinds at 23 - 24c for Sept. and Oct. delivery at 24 1/2 - 25c for 700 - 750 lb. weights. A few heifers sold at 23 - 24c for corn belt interests.

44 for 900 - 900 lbs. kinds. Lighter thin steers in stocker flesh (suitable for grass) in very good demand. Good to choice feeder calves selling to a strong demand. Good to choice feeder calves at 24 - 24 1/2c for 9 - 70 weights. Plainer kinds at 23 - 23 1/2c. Lighter heifers up to 3c for kinds to go back to grass. Some talk of fall contracts on yearlings, but not much done as yet. Some reputation steers sold

for Oct. delivery at 24 1/2 - 25c for 700 - 750 lb. weights. A few heifers sold at 23 - 24c for Sept. and Oct. delivery.

CAVES —
Stocker flesh calves still selling very strong. However the big movement is now over as May 1st is pasture date. Some choice to fancy steer calves sold at 30 - 32 1/2c last week weighing around 350 lbs. Bulk of the good to choice steer calves weighing 450 - 500 lbs. at 27 - 28c for most western

Some two way fleshy steers calves weighing 500 - 600 lbs. at 26 - 28c for corn belt interests. Heifer calves are selling about 32c with less than steers at most points. Some heifers mated to the fancy steers mentioned above at 30c. These calves weighing 304 lbs. Heavier kinds to mid west interests at 25 - 26c. Its a little too early for south Texas calves to show up as yet, but some talk of contracts on them. Ranchers a little reluctant to take offering prices so far. A few reputation north-

ern New Mexico calves sold for Oct. delivery at 28 - 30c on heifers and steers.

COWS —
The cow market has been held up well on slaughter cows. Several forecasters pointing to a big run of slaughter cows for late summer market has prompted more selling at this time on cull cows. Stock cows in fair demand. Not as aggressive as earlier. Better pairs bringing \$200.00 - \$250.00. Some plainer kinds at \$185.00 - \$200.00.

FATS —
The fat cattle market has held up very well in our section. Runs are down quite a bit from Feb. and March as area feed lots are cleaning up. Prospects look good for a steady market into late summer. Bulk of choice steers weighing 950 - 1100 lbs. - 25 - 26c with heifers at 24 - 25.00 Goods at 23 1/2 - 24 1/2c. Standards at 23 1/2 - 23c.
