

Needlework contest at Lincoln County Fair

Management of the Lincoln County Fair has just announced its participation in the 1963 National Wool and Needlework Contest, being inaugurated this year under the joint sponsorship of the National Hand Knitting Yarn Association and the American Wool Council. The Fair takes place from September 6th and 7th at Capitan, New Mexico.

The contest, which is open to all non-professional needleworkers, offers over \$10,000 in prizes and over 15,000 awards including ribbons and trophies. Potential contestants in this area wishing to compete for national honors in the contest, which includes a first prize of \$1,000, a special engraved trophy and a three-day trip to New York for two, must first submit their designs, either knitted or crocheted, to this fair for judging.

Contestants, the Fair's management announced, may submit entries within ten different classifications, five each for both knitting and crocheting. Categories include: afgans; sweaters; stoles; scarfs and shirtings (one category); three-piece baby sets; and socks, gloves and mittens (one category).

All blue ribbon winners selected by the Fair's panel of judges will also be eligible for the engraved "Best of Fair" trophy, being presented at this Fair by the contest's joint sponsors.

First prize blue ribbon winners, selected by the Fair's panel of judges, will automatically become eligible for the next round of judging at a designated Sweepstakes Fair, in competition with other winners from fairs within a state or other wide area. Winners at the Sweepstakes Fairs in turn will compete for the national prizes. To be eligible for judging, articles must be made of 100% wool yarn of any ply and must have been completed since January 1st, 1963, with one label from the yarn used attached to the entry.

Full information on the 1963 National Wool Needlework Contest can be secured from the secretary's office of the Lincoln County Fair, Miss Eleanor L. Jones, Box 158, Capitan, New Mexico.

Dear Vernon!
Thank you for your compliments and the wonderful words for our Indian Divide. Without prayer and the uplifting of the spirit that your work gives, the mile stones that we must tread would be unbearable.

Vernon, what better way to express one's feeling than by poetry and song. The wonderful feeling that "The Sibilants," gave me inspired me to send you a poem that I learned in my younger days. I am relaying it in this column so others may read it too.

May Be Shut In
May be shut in, yes, perhaps,
If by those words you mean I

Woman's World

Edited by Eleanor Payton

stay in just one place by night or day;
Afair from all life's busy strife,
But should you mean I am through with life
Tis then I say: "Pray, think again."

To me the days are far too short
For all the things I want to do;
Life's golden hours are all too few

To glimpse the glories round about;
While I'm shut in, the world's shut out,
For in a magic land of love, I dwell,

Within that land are treasures great
Brought to my side from lands afar;
For overhead there gleams a star,

Beneath my window flowers so fair,
While breezes bring me perfumes rare,
And all life's beauties meet me there,

Shut in with me are friends I love,
And children bring their gifts to me,
I've books to read and hills to see,
With songs of hope and laughter there,
And other's cares that I may share,
While I am here — shut in with God.

ATTITUDES TOWARD THE CHURCH

We should give serious consideration to our attitude toward the New Testament church, because our spiritual welfare is determined by it. If our attitude toward the Lord's church is right, our attitude toward God is right.

There are three possible attitudes from which to select — we can be actively opposed to the church, we can enthusiastically support it.

The church was planned by God, established by Christ, and animated by the Holy Spirit. It is the family of God (1 Tim. 3:15), the spiritual body of Christ (Eph. 1:22,23), and the household of faith (Gal. 6:10).

Christ bought the church (Acts 20:28), built it (Matt. 16:18), and is its head (Col. 1:18), its foundation (1 Cor. 3:11), and its savior (Eph. 5:23). The church and Christ are inseparable, and both are essential to our salvation (Eph. 2:14-16). Our attitude toward the church is our attitude toward Christ (Acts 9:5).

God expects us to support the church with our time, our abilities, our full energies, our money, our loyalty, and with our lives.

Building improvements made at Hondo school

Work continues on the many projects at the Hondo school. So far the buildings have been painted outside, sidewalks built all around, a shade porch built to protect classrooms on the west and south sides and a new storage room for the school lunch programs supplies and equipment is near completion.

New vinyl flooring will be laid soon in the cafeteria and office areas. Blacktopping of the parking area, widening of road leading down to the school and opening another exit lane is expected to be done in the near future.

Elementary Teacher Resigns

The community heard this week of the request made by Carl Radcliff that the school board approve his retirement from teaching.

Mr. Radcliff taught elementary school classes for 11 years at Hondo. He first taught in grades 1-8 at Tinnie school, and then moved to Hondo when the new elementary school was completed and taught the 4th and 5th grades. His fine teaching abilities will be missed.

New Teacher Arrived

Robert Shenkins, his wife and daughters, Kathy and Sandra, arrived this week and are settling into community life. Mr. Shenkins will teach industrial arts and social science at Hondo.

He is well qualified in both and has already shown great interest in widening the subject fields that can be taught in the industrial arts and classes mentioning welding and electronics as possibilities, along with the basic woodworking and auto mechanics already taught.

The Shenkins are living at the Andrew Fresquez home in Picacho.

ALTAR BOYS PICNIC IN BONITO AREA

Altar boys who serve Mass at Our Lady of Guadalupe Mission in Hondo and their fathers joined Father John Zablnsky last Wednesday for an all-day picnic in the Bonito area.

Arrangements were made by Mrs. Dick Fresquez for the St. Mary's Altar Society, who sponsored the group.

Attending were Father Zablnsky, Ricky and Arthur Fresquez, Tommy Rogers, Jimmy Booky, Michael and William Kimbrell, Arturo Pacheco, George, Ray, and Frank Simeros, Donald McTeigue, Fernando Gonzales, Eloy and Pressy Torrez, Joe and Albert Torrez, Bobby Richardson, and three altar boys from Capitan as guests.

Fathers who went along to help eat the hot dogs, cakes, watermelons and Cokes, were Dick Fresquez, Ernest Booky, Albert Kimbrell, Paul Pacheco, McKinley McTeigue, and George Simeros. Everyone was sorry that a misunderstanding in time prevented Eddie and Gerald Montes and Tito Salcido's joining the day's fun.

Albert Montes was the successful low bidder for a bus contract to bring children from the Alamo Canyon area. Pedro Salcido, who had driven the route for 22 years, retired this summer. Albert lives at the end of the route and has five children of his own in school.

Fort Stanton

Sorry I've been so long in getting back to reporting for the paper but here I am again and hope I can come up with a lot of news.

First we would like to welcome to our nursing staff Mrs. Lucy Griego from Capitan, Mrs. Della Pena from Lincoln. And we give a big welcome back to Marion Sims. Marion left last year to attend nurses training

in Carlsbad, so she is back with us now as an L.P.N. We are real happy to have these girls with us.

We are sorry to see Juanita DeVries, who has resigned to take another position elsewhere.

M. Hernandez is retiring from the medical department of the hospital.

The Boy Scouts spent an enjoyable week at camp in July. All came home safe and sound.

I had the pleasure of visiting the school house on the hospital grounds and was invited to look at the displays of the work the children in Bldg. 12 had done during their summer school. Their work is beautiful. The children had woven pot holders, made vases from old jars, decorated boxes beautifully for jewelry cases, made beads from macaroni, and also made bracelets from different colored beads. They also had a beautiful display of ceramics. The children are all very proud of their work and with good reason.

Mrs. Hattie Lacy has worked hard with these children, and so proud of each and every one of them.

Mrs. Doris Rumsey and Mrs. Mary Baza went to Albuquerque the first of the week for surgery. We wish these girls a lot of luck.

There have been some discharges. Rosalie Cortez and three children were discharged. Also Maria Martinez and Iris Elsin. Hope these girls take good care of themselves.

Mr. and Mrs. Glenn Peters and family of Enid, Okla., spent a week at the home of his brother, M. G. Peters of Roswell. They came to Fort Stanton and spent a day with Mr. M. G. Peters who is a patient here. On July 28 Mr. and Mrs. M. G. Peters celebrated their 24th wedding anniversary.

On August 1 Mr. James Cox enjoyed a nice visit with members of his family from Ohio. Mr. Clifford A. Cox, Mr. and Mrs. Arnold Rathburn and daughter Ruth. It was the first time in 12 years that James had seen these particular people. It marked the first time too that the visitors had ever been west of the Mississippi River. They

were very well impressed with the hospital and grounds.

During this past week the hospital played host to Ann Wauneka from Window Rock, Ariz. She is chairman of the Navajo Tribal Council committee on health and welfare. She was accompanied here by two other members of the committee, Anna Wauneka is one of the few persons to receive a presidential citation for her work among the Navajo Indians.

The Fort Stanton Library has now been completely catalogued and revamped. It is now open from 2:30 p.m. to 4:30 p.m. Liz Loera is in charge of checkouts.

Arkansas parolee nabbed in Lincoln Co.

The sheriff's office received a call from Lee Straley at the Ancho Truck Stop Monday afternoon about a drunken driver on Highway 54, Powder Knoblock and Ken Wilson of the

State Police stopped the 1950 Dodge just outside of Carrizozo and after stopping it found out that the driver, Robert Clinton Parker, 38, from Texarkana, Arkansas didn't have a driver's license. Parker, his 10 year old companion, and four hitchhikers, on their way to California, were brought into the sheriff's office. Investigation by deputy Leandro Vega showed that Parker was on parol from Arkansas and did not have a written permission to leave the state, and have James Taylor, 10, a distant relative with him.

Parker was charged with driving without a license and is being held in the Carrizozo jail until further notice from Arkansas parol authorities.

The boy who had been reported missing by his parents was placed in the Western Hotel by Manuel Chavez until bus fare for his return trip arrives.

After careful examination two of the hitchhikers were released, a third is being held for further investigation.

Buy... where your trade reinforces the material foundations of your own happiness

A More Prosperous Community Doesn't Guarantee

Happiness

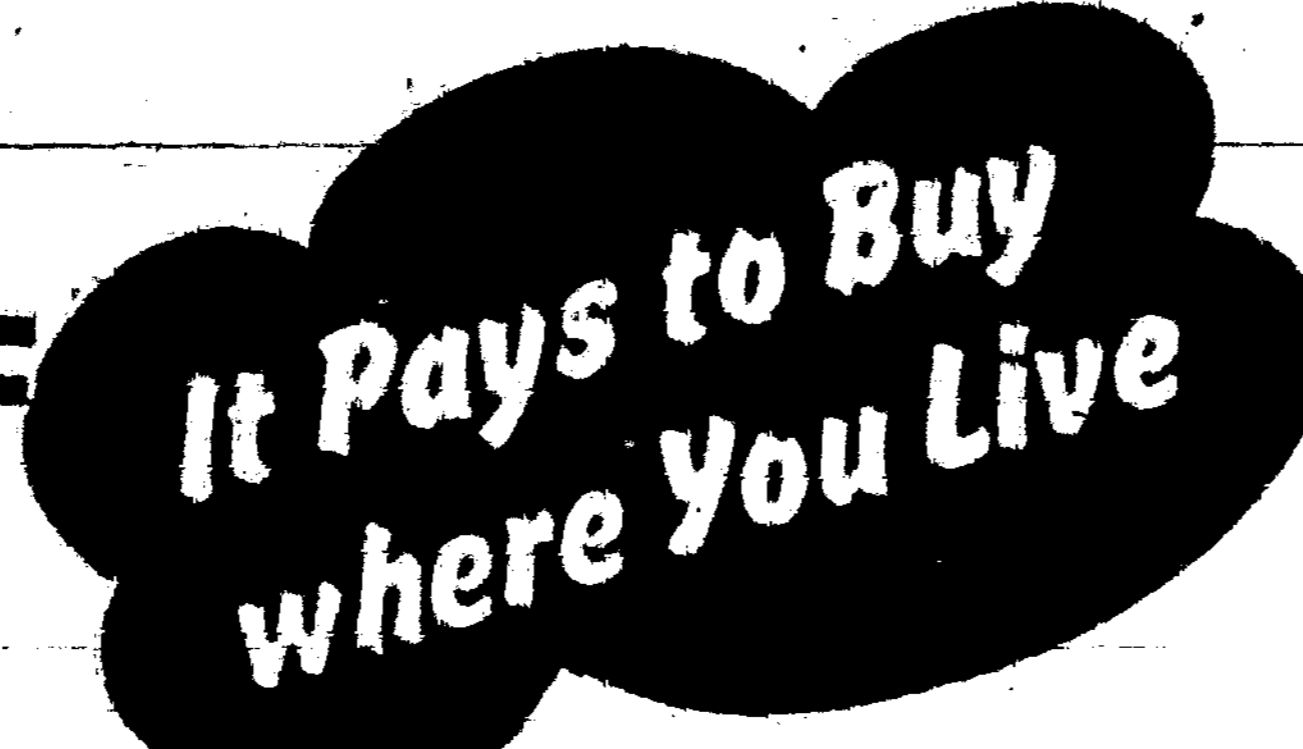

...but it helps

The recipe for true happiness calls for various ingredients to satisfy different people... just as cakes are baked with a variety of frostings and flavorings to please different palates. But... with cakes... the basic ingredients are always about the same... flour, sugar, shortening, etc. Much the same thing is true of happiness.

No matter what type of trimmings each of us may prefer on our individual happiness, the fundamental elements are about the same for all... good health, a good job or a prosperous business, ade-

quate schools for our children, strongly supported churches in which to worship... and many good neighbors, friendly and secure.

These latter things... call them the material essentials to happiness, if you will... can be assured by a substantial and ever-growing trade volume in our community. Which we, ourselves, can create if all of us spend our money here... where we live and make our living. Spending away from home strengthens the foundations of our city neighbors' happiness, and weakens our own.
