HONDO VALLEY FLOOD LOSS WILL PROBABLY GO MUCH HIGHER

Flood damage estimated at \$5,000,000

The Rio Ruidoso and Rio Hondo are both back in their banks this week allowing farmers and ranchers in the Hondo Valley to start cleanup of the worst flood ever experienced in that area.

Memories of many people in the Hondo Valley area stretch back to 1941 when the last bad flood occurred, and much construction has been done based on that flood level — the 1965 flood crest was some four to five feet higher than the 1941 peak.

Talking to people up and down the Rio Ruidoso, which becomes the Rio Hondo at the junction of Highways 380 and 70, the News editor found that most Valley residents knew that high waters were coming, but were not especially worried because they didn't think the crest would be any worse than in previous years.

J. B. McKnight was going up Highway 70 to a dinner party Thursday evening, everything normal at home. He ran into high water at Radcliff's and immediately turned around and headed for home, moved his livestock, cars, trucks, and thought he probably had three hours before flood water would strike his area at the

lower end of the valley. The crest hit around 8:15 to 8:30 at his point, only one and a half hours from the time he got home. Furniture, rugs, personal belongings in the McKnight home probably could be counted a total loss.

A car was parked in the McKnight driveway and as the flood waters struck the owner decided to move it to higher ground. He got the car started but before it could be moved the water was high enough to drown out the motor.

John and Mickey Thomas had similar experiences. They were watching the flood waters rise, John told his wife they had better run, then he put a cow in a barn stall, they ran and John decided to go back and move the cow to higher ground. By that time he could not have gotten to the barn with hip boots. The cow survived.

The Ralph Bonnells knew that high water was coming, they have lived in the Valley all their lives, their home being one of the famous landmarks of the area. When the crest got to the Bonnell place it inundated their home up about five feet on the walls, nothing but water-soaked salvage left when the waters receded.

Rain started falling around 12:30 noon in the Ruidoso area and continued during the afternoon. Considerable hail accompanied the rain in that area and the mountains around looked like they'd had snow. Roof damage was severe to many buildings in the Ruidoso area.

A total of 5.11 inches of precipitation was gauged at Ruidoso Downs, this runoff heading down the Rio Ruidoso. Rain was falling all the way down the Valley in varying amounts. An interesting part of the flood situation is the damage, more or less, caused by water coming into the river from the numerous canyons that feed it.

The crest was gathering force as it went, faster and stronger, as it neared the lower end of the Valley.

E. M. "Shorty" Hill owns the Riverside Restaurant, service station and cabins. He also had some barns, corrals and a steel framed corral hut back near the river. The flood cleaned out the works. Posts were pulled out, hole remained, the quonset swept down stream where crumpled pieces could be seen, his barn swept away, and his set of bins moved about ten feet off their founda-

tion. Carl Radcliff has two ditches west of his house, installed by the State Highway Dep. to carry water from north of Highway 70-380 across the Radcliff property to the river.

Flood water came down both of these ditches, adding to the river flood. One of the highway drainage ditches probably saved his house by turning the river flood away. Water down the other ditch compounded the damage to his property.

As Valley people were surveying their losses Tuesday, the question was — what shall we do now. One answer heard frequently, a lot of fruit farmers will not replant trees lost in this flood. Profits from apple crops have not been good, last year especially marginal. It takes about ten years to get a fruit tree in production and does not seem worth the effort now.

It could well be that the Hondo Valley area of Lincoln County will be declared a disaster area by the time you are reading this news — such action will do absolutely nothing to bail out any individuals on their property losses. The designation of being a disaster area would mean an immediate

grant to Lincoln County which would let the county road department start to work replacing bridges and roads.

A party of Federal, State and County officials were touring the flood area Tuesday. In this group were: B. J. Averitt, loan specialist for the Small Business Administration, Albuquerque; Merrill E. DeLonge, state planning office, Santa Fe; George E. Hastings, regional director, Office of Emergency Planning, Executive Office of the President, Denton, Texas; Jack Flynn, director N. M. State Planning Office, Santa Fe; Lynn M. Miller, public relations director, Association of Contractors of New Mexico, Max Oliver and Joe McKnight, Lincoln County Commissioners.

The situation as it stands today is that these gentlemen will recommend to Gov. Jack Campbell that the area be designated as a disaster area; Gov. Campbell will contact President L. B. Johnson — who makes the decision. The decision is expected to be known by Thursday (News printing is completed Wednesday) if not today. Possibilities are good that a state grant of \$50,000 may be made available immediately.

INSIDE THE CAPITOL — By Will Harrison

Judge Zamora faces opposition in his party

SANTA FE — The new 38-year-old judge appointed to the Las Vegas bench could be out of office before he's 40 unless he is uncommonly successful.

Judge Mat Zamora, a resident of Santa Fe and a native of Mora, is practically sure to be challenged in the Demo primary next year by Dist. Atty. Donald (Tiny) Martinez, a powerful political figure with a San Miguel county organization of his own that defeated the regular Democratic group in last year's primary.

Martinez Democrats control the courthouse, the West Las Vegas city hall, and school board.

ZAMORA STRENGTH IN MORA COUNTY

Zamora's political strength is in his family connections in Mora which has only a small fraction of the Democratic registration in the District.

The Demo registration in Mora is 1,728; in Guadalupe, the third county of the district, the Demos count 2,571, and there are 8,004 in Martinez' San Miguel.

All San Miguel Democrats, however, are not with Martinez. He is opposed by the regular Democratic organization headed by chairman Apples Duran. But the DA has firm support from groups in Guadalupe and Mora that would seem to make him a favorite to defeat the new judge unless Zamora picks up a lot of backing before next May.

MONTOYA PREDICTS NARANJO CLEARANCE

Sen. Joe Montoya told friends here last week that the long stalled appointment of Rio Arriba Sheriff Emilio Naranjo as U. S. Marshal would be coming through in a short time.

The appointment of Naranjo, who was also a Demo chairman of Rio Arriba until he released the place to his son a few weeks ago, had been expected at the first of May and some were wondering if it would ever be approved until Montoya said that all was well.

GRACE EVANS PLANS REPUBLICAN RACE

Shattered New Mexico Republicans have a lady prospect for the primary run for governor next year, Mrs. Grace McAfee Evans of Santa Fe.

Mrs. Evans, formerly of the statehouse and now with the business office of St. Johns College, Santa Fe, said she is "very seriously" considering the run.

She was an anti-Goldwater Republican in last year's election.

WORKED FOR PICKETT AND JOHN SIMS

Mrs. Evans came up to Santa Fe from a Roosevelt county school teaching job in 1954 to work as secretary for the late Corporation Commissioner Rayen-Foot Pickett.

She was state personnel director and a prominent figure in the Gov. John Sims administration, 1955-56; she worked

for the legislature several years, and was truck licensing pro-ration officer in the last Ed Mecham administration, 1961-1962.

She changed her political affiliation from Democrat to Republican in 1963.

Another prospect for the Republican primary race for governor is Anderson Carter of Lovington, former political associate of Mrs. Evans who changed over to Republican in 1961.

CLINT REPORTED FAVORING KING

Capitol Democrats have been repeating a report that Sen. Clint Anderson is inclined to support Bruce King of Santa Fe over John Burroughs of Portales for the Demo nomination for governor next year.

The report has it that Anderson, who blocked Burroughs out of the nomination in 1962, is still against the former governor (1953-60) returning to the statehouse.

An immediate question was: What does Joe Montoya think of it?

He's also a senator and apparently favors Burroughs for the nomination.

BURROUGHS IS STRONGER

Burroughs isn't likely to be shouldered out of the race as easily as he was in 1962.

Since then he has been the state campaign manager for Lyndon B. Johnson and has consolidated his support to the point that he may feel strong enough to make the run without Anderson or even against the Anderson candidate.

Many observers think that Burroughs would be a strong primary candidate but weak in the main event general election.

MURPHY, LUSK READY TO RUN

State Welfare Director Leo Murphy who made a losing but impressive third place run for governor in 1962, and former State Sen. Gene Lusk of Carlsbad are warmed up and ready to go if party leaders are unable to get together on Burroughs or King.

Both have talked to Sen. Anderson and Montoya about making the race but neither is inclined to enter without the backing of the congressional group.

Quarter horse show Saturday

The Lincoln County Rodeo Association is sponsoring a Quarter Horse show this Saturday, June 26, in the rodeo arena. Jim Meeks of Lovington is judge of the halter and performance classes.

There is no admission charge, the show starts at 8:30 a.m. Entries have been coming in from all parts of New Mexico and West Texas which should make this an outstanding event.

An arena cleanup will take place today (Thursday) and any person can get in on this simply by showing up at the grounds in work clothes.

CORONA SCHOOL BOARD MEETS WITH ARCHITECTS

Supt. Bill Hall of Corona told the News that the Corona school board will meet June 23 with architects to complete the plans on their new school. The bond sale is expected to take place about July 13 and call for bids to follow shortly.

Ortiz Bros. open

Yucca Bar soon

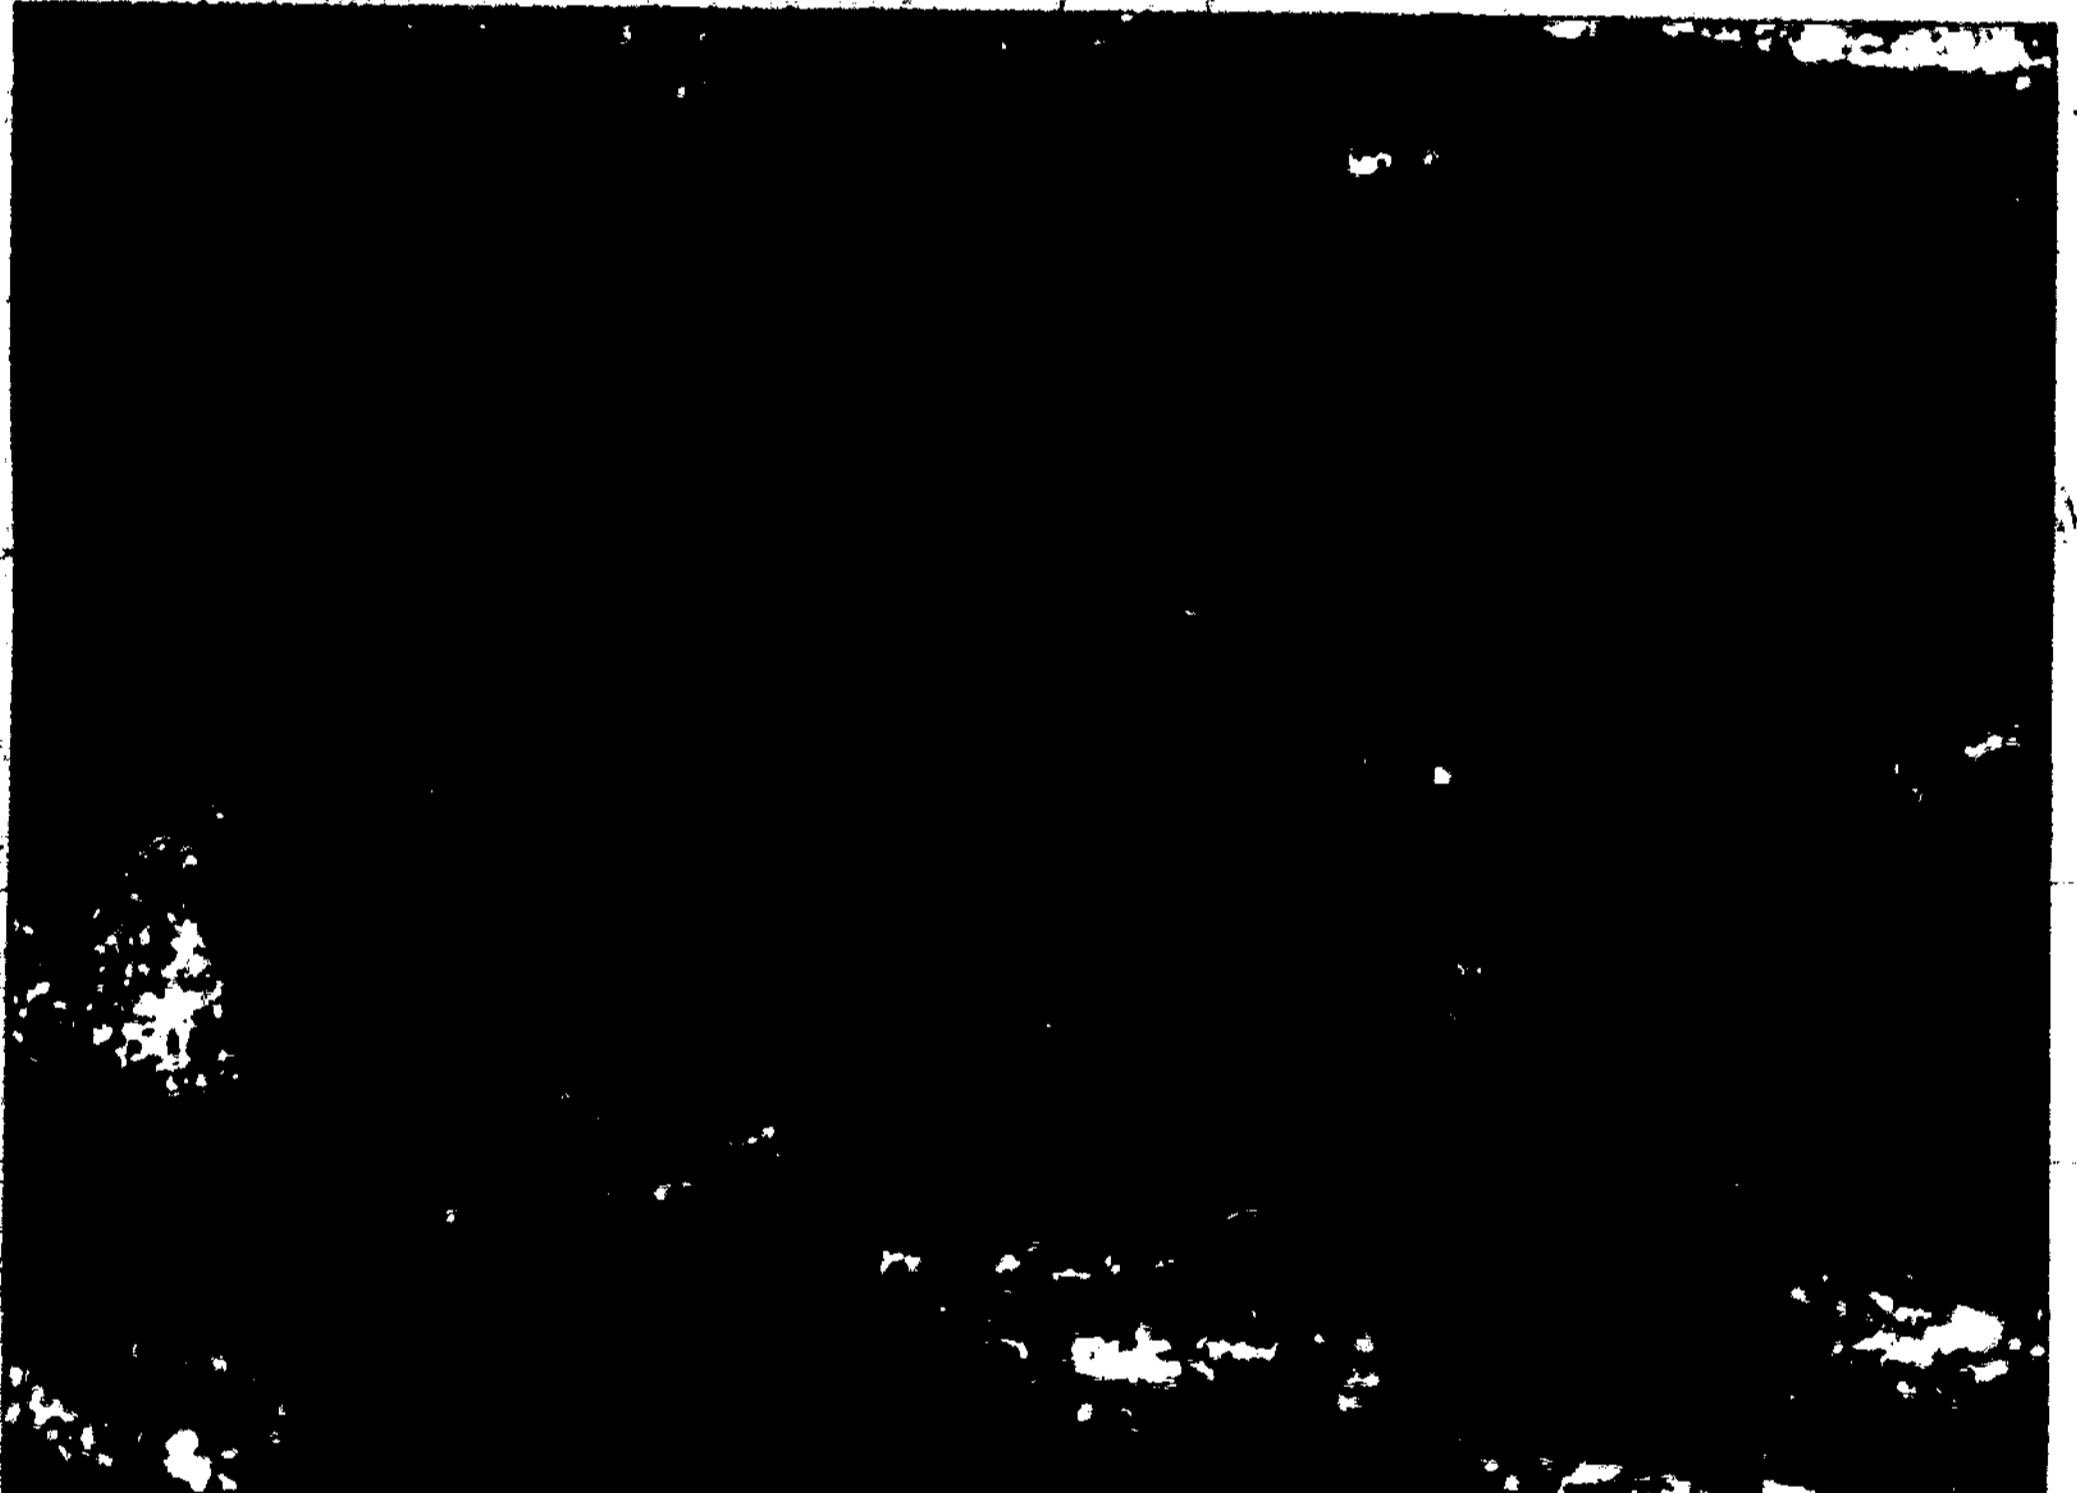

The Ortiz Bros., Kino, Sally and Manny, completed a deal June 15 for purchase of the Yucca Bar and liquor license from the Joe Sargent estate. The bar has been closed since last Labor Day. This week the building is being put back in shape, literally that because Joe Garrison and Don Means were busy Tuesday pulling the east wall back in alignment with wooden rods attached to the west wall.

In addition to the wall straightening considerable other cleanup and renovation is taking place. Kino Ortiz said they were looking for a manager for the bar. The restaurant will not be opened immediately.

\$25,000 allotted for Zoza airport

In January of 1964 the Town of Carrizozo was notified by the Albuquerque District Office of the Federal Aviation Agency that certain landing field equipment would be available from the emergency field near Corona. This equipment list included one 51' beacon tower, 5,000' of runway lights, 33 metal landing strip markers, 3 observation lighted poles, frame building, and fencing.

The Town Council, with Jete Voss as mayor, expressed interest and shortly after this notification Wayne Withers, utility manager, and Paul Payton, News publisher, made a trip to the Corona field and checked the condition of the equipment (all good) and estimated the cost of moving equipment. Since that time most of the equipment has been moved and stored at Carrizozo, all except the beacon which will be moved when a site is prepared for its installation.

Numerous meetings were held with Bob White, State Aviation Agency Director, and Lewis Million of the Federal Aviation Agency. Both men were helpful to the town of Carrizozo in completing the airport project.

In March of 1964 word was received from the State Aviation Agency that this department had OK'd \$5,500 for the Carrizozo airport, with no strings attached. Getting Federal participation took more time but this hurdle was cleared last week.

The Carrizozo Town Board, with Vernon Petty as mayor, passed a resolution June 17 accepting a grant offer of Federal funds in the amount of

\$19,000 and accepting terms and obligations thereby imposed (mainly that the Town keep the airport in good condition and in operation for a specified length of time).

Land has been purchased from Dr. J. P. Turner, 206 acres for \$16,514.56. This land is located at the east end of Eighth Street, just beyond the Ortiz Bros. bulk plant.

The main landing strip will be 4500' x 100' and secondary strip will be 2500' x 100'. The Mann Engineering firm of Roswell has been doing planning for the new Carrizozo airstrip and construction should start in the near future.

Smokey Stampede July 2-4

Three candidates in, more wanted

We now have three girls entered in the contest for Queen of Lincoln County — so hurry all you other girls that are interested and get your entry in.

We would like to have all the contestants that we can possibly get. The more girls, the greater the competition, therefore making for more showmanship from the girls.

We would also like all the former queens that are available to be at the Smokey Bear Stampede and ride in the Grand Entry. Some of the former queens are: Miss Sherrill Perkins, Mrs. Christing (Jones) Honeycutt, Judy Minter (who is married now), Mrs. Mary Ann (McKnight) Harris, Mrs. Nathalee (Britton) Fort, Mrs. Janice (McKnight) Eldridge, Mrs. Margaret (Withers) Lightfoot, and Miss Pam Hall.

We would like for all you girls, or ladies if you prefer, to wear your nicest western outfit and the ribbon you were given when you were queen and come out and help us make this a "grand" entry this year.

In this way we feel that we may show our appreciation of the fact that you were interested in the Smokey Bear Stampede and the Lincoln County Fair, and to let you know that we haven't forgotten you.

I may not have the names of all the girls, but I do want all of you there if possible, and perhaps you will forgive me if I have forgotten any of you. I think Mrs. Betty (Jones) Joiner was one of the former queens also.

Please all you girls, come out and help us make this Stampede a great big success.

Mrs. Zane Leslie The contestants that are entered are: Miss Waynette Withers, Carrizozo, sponsored by the Chamber of Commerce; Miss Willa Marie Edgar, and Miss Denise West, Captain.

Gusting winds overturn trailer

A trailer pulled behind a car driven by Mr. C. W. Connors of El Paso was overturned by gusting winds June 18. Mr. Connors was accompanied by his wife. Neither was injured in the accident which occurred 2 miles south of Corona, but the trailer was a complete loss. The Connors had been en route to Alaska for a vacation. State Patrolman Andy Benavides investigated the scene of the accident.

Mr. and Mrs. Sabino Vidaurri renew wedding vows at St. Rita Church

Mr. and Mrs. Sabino Vidaurri were honored by their family with a mass and reception celebrating their 50th wedding anniversary Sunday evening, June 13.

Wedding vows were renewed before mass at St. Rita Catholic Church, with their son and daughters as witnesses. The reception was held at the Carrizozo Country Club with music provided by the Vidaurri's grandson's band. The refreshments of punch, coffee, served d'oeuvres and cake were served by the couple's daughters.

Among the immediate family present for the occasion were their oldest son, Lucio, from Monterey Park, Calif., Mr. and Mrs. S. M. Ortiz and family, Mr. and Mrs. Fred Chavez and family, Mr. and Mrs. Chevo Bara and boys, and Mr. and Mrs. Pat Agullar and son from Clayton. Unable to attend was the couple's younger son, Sabino, from Berwick, Maine, and grandson Gilbert Ortiz and family from Wichita, Kansas.

Sabino Cervantez Vidaurri was born at Teocaltiche, Jalisco, Mexico, Dec. 30, 1888, a son of Rito Vidaurri, former merchant tailor, and Mrs. Toribla (Cervantez) Vidaurri. Mr. Vidaurri obtained his education in the schools of the Southern Republic and began earning his living when he was only eleven years old. When he was seventeen, he came to the U. S. and settled first at Alamogordo, where he was first employed as dishwasher in a cafe. In a few months he was promoted to the position of pantry man and later served as second cook and chef until he had saved enough money to go in business for himself. Mr. Vidaurri came to Carrizozo and opened his general merchandise store in 1913.

On the tenth of June, 1915, Sabino Cervantez Vidaurri was married to Miss Apolonia Juarez, a native of Gomez Palacio Mexico, and a daughter of Francisco Juarez and Mrs. Flavia (Vasquez) Juarez.

Ruth Armstrong is guest speaker at Capitan Woman's Club June 10

The Capitan Woman's Club met Thursday, June 10 at their clubhouse.

Guest speaker for the evening was Mrs. Welcolm Armstrong, president of the Carrizozo Woman's Club.

The subject she spoke on was "Parliamentary Law". Her speech was thoroughly enjoyed by a good attendance of club members. The program chairman for the evening was Mrs. N. E. Britton.

Preceding the program, a regular meeting was conducted and plans were made for the Woman's Club booth at the up and coming Smokey Bear Stampede, being held the 23, and 4th of July, and a flag for the parade Sunday, July 4th.

Refreshments were served by Mrs. Gerald Dean Jr. and Mrs. J. C. Germany, hostesses. The theme for the evening was Flag Day, depicted by a table centerpiece made up of the American Flag and the New Mexico Flag.

Class at Provine Home

On June 14 at the home of Mrs. Ray Provine an evaluation class was held in connection with the series of lessons taught since January. Booklets and materials that were used in any of the classes were put out for members that had missed receiving them. It was stated all had learned new things in connection with the units taught.

The most popular units were: Home Furnishings, Family Clothing and Accessories for ourselves, You and Your Baby was attended by the younger members.

The Foods unit is to be completed June 24.

The closing thought given by Mrs. Provine was that activities outside the home are important; but more important is the home to build strong bodies and minds of our children and ourselves. The Parent's Prayer was read. Refreshments were served and this ended an enjoyable unit for all.

Sterling Spencer, son of Mr. and Mrs. Truman Spencer of Carrizozo, received a silver trophy, the Saunders' Memorial Award, for his neatness of appearance, and the Roswell Daily Record Award as an outstanding new cadet during the awards ceremony held at NMMI on May 28.

Stephen Spencer received the New Mexico Society SAR Award as an outstanding cadet in the First Class in leadership and excellence in military curriculum.

Pvt. Combs completes course FORT KNOX, KY. — Pvt. Burl W. Combs, whose wife, Charlene, lives at 6758 LeConte, Cincinnati, Ohio, completed a seven-week armor track vehicle mechanic course at the Army Armor Center, Fort Knox, Ky., June 7.

During the course Combs received instruction in the maintenance and repair of engines, chassis and powertrains.

He entered the Army last December and completed basic training at Fort Knox, Ky.

The 18-year-old soldier, son of Mrs. Connie Combs, Captain, was employed by Virgil's Garage before entering the Army.

Bridal shower given for Jeannette LaMay

Thursday this week a shower was given bride-elect Jeannette LaMay by Amelia McKnight, Janice Eldridge, Ann Robinson, Anna Mae LaMay, and Louise Runnels. The beautifully decorated serving table included a bride's cake made by Ann Robinson in the shape of a heart. The room was filled with guests and Jeannette received many useful housekeeping gifts.

The program for the evening was "Making an Art of Living" by Marlene Dross and Bessie Knoblock.

Golden wedding is lovely occasion

One of the loveliest occasions of the early summer was the golden wedding reception honoring Mr. and Mrs. Roy Shafer on their 50th wedding anniversary.

The hosts were the Shafer's children, Mrs. Johnson Stearns, Mrs. J. B. Howell, Mrs. Don Young, and Robert Shafer, and their families.

The Carrizozo Woman's Club was beautifully decorated with flowers for the occasion. The tables in the dining room were covered with lace cloths festooned with rosettes of gold ribbon. A three tier wedding cake centered one table, the other had an arrangement of gold chrysanthemums, with a gold and crystal punch bowl on either side.

Mrs. R. E. Lemon was in charge of the guest book. Hostesses assisting in the dining room were: Mrs. Frank English, Mrs. Mabel Rentrow, Mrs. William Gallacher, and Mrs. Shafer's sister, Mrs. Joe Hayden, of Denver.

Lindsey - Hudson vows at Corona

In a double ring ceremony at the Corona Baptist Church, Miss Camilla Lindsey became the bride of Tommy Dewey Hudson with the Rev. Elliot Smith, of the University Baptist Church, Portales, officiating.

The bride is the daughter of Mr. and Mrs. Henry Lindsey, Corona. Parents of the bridegroom are Mr. and Mrs. Dewey Hudson, Fordyce, Arkansas.

Music was presented by Mrs. Wayne Lindsey, pianist, and "The Wedding Prayer" and "The Lord's Prayer" was sung by vocalist, Tommy Poole.

Given in marriage by her father, the bride chose and made a floor length gown of satin and lace, styled with a sabbina neckline, and skirt which swept into a chapel train. Her veil was attached to a seed pearl coronet. Her bridal corsage was white orchid with feather carnations and Lily of the Valley. Miss Bea Eita Harris was maid of honor. Bridesmaids were Miss Sue Ann Lindsey, a sister of the bride, and Miss Donna Adamson. Best man was George Adamson, brother of the bridegroom. Ushers were Wayne Lindsey, brother of the bride, and Dennis and Eddie Widener.

A reception was held in the Corona Recreation Room. Mrs. Bob Buchanan had charge of

GOLDEN WEDDING ANNIVERSARY — Mr. and Mrs. Sabine Vidaurri had all of their children home for their golden wedding reception at the Carrizozo Country Club last week. (News Photo)

Bonito Water

By Louise Coe Runnels

"You can give out but never give up!" was what Grover Maroney from Tularosa said Sunday when he and fishing partner, Henry Beebe didn't have any luck at Bonito Dam. They promised to come and try their luck again.

A Lincoln County pioneer will be getting the Lincoln County News after this week. She is Mrs. Velma Luck, 1725 Ballentine, Waukegan, Ill. Velma would like to hear from anyone of her many friends. She is a long way from home and can't do much writing.

Mr. and Mrs. O. D. Tarpley and Mrs. Tarpley's sister, Miss Erma Walker who is a school teacher at Hereford, Texas were in the Tarpley cabin at Angus over the weekend.

Lawrence Watson had company over the weekend. His friend, Ray Ansley from Roswell came to see him.

Mrs. Jess Hanks and son Benjie from Las Cruces visited her husband Jess over the weekend. Jess, age 22, is living at Bonito City this summer while studying burned areas for plants, the technical name being succession. Jess and wife live at University Park where Mrs. Hanks works as a stenographer. Jess is writing his thesis for his Master's degree.

From Ruidoso Downs to fish were some new comers to our county, Mr. and Mrs. Fidel Cordova and children, Mr. Cordova is working in the Indian Reservation.

Joe Sandoval of Piencho was by Bonito City and wanted to know where all the fish were, and that has been the question for more than a week. This dam is big, the fisherman many and the fish scarce.

The book, "Captive Mountain Waters" is still on sale at Bonito City, recent sales have been made to Johnson Stearns from Carrizozo and Mrs. O. D. Tarpley from Lockney, Texas.

Mr. and Mrs. Sonney Elam and children from Lamesa, Tex. spent the week end with Sonney's parents, Mr. and Mrs. Charlie Elam and Sonney's two daughters, Theresa and Cindy.

Many Louise Runnels is spending a week with DeeDee Montgomery in Glenwood.

From Carrizozo this week that stopped by Bonito City Cafe were Marion Pherigo and daughter Paula, Mr. and Mrs. Bill Means and children and Sonny Stearns, also Fay Harkey in his new business pickup advertising Twin Peaks products. Then, too, Ralph Forsythe and Ralph Murfin and son Bill.

A native of Carrizozo was in our area this week to visit old friends. He was Miller French from Phoenix, Arizona.

Miller's father ranched around Carrizozo years ago, and had the Ford Car Dealership. Mrs. French, we will all remember, was a popular Lincoln Co. School Supt. when the family lived in the county. Miller went to school with Bryan Cazler in Carrizozo. He planned a visit with the Cazlers if he found them home.

Probato Judge Austin Wooten, and his father-in-law, Doodle LaMay fished at the Bonito

Lake this week but the number of fish they caught they didn't tell.

Charles and Eula Corder, who now live in Roswell were in Carrizozo on business this week. They had lunch at Bonito City, Charles is now in the real estate business, both here and in Roswell.

Pug and Ruth Eckland from Carlsbad now own the Corder Store at Angus and are real happy in our community, if you don't believe it stop in and see how friendly folks treat friendly folks.

Pug and Ruth are both artists and have paintings in their mountain home. At Bonito City there is a picture that Pug painted of uncle Billy Ferguson, Tom Bragg and Will Stearling, with a wagon load of pipe in 1907 when water was being piped out of South Fork.

Selling fishing permits for the city of Alamogordo this year is Emmett McNatt. Emmett is a New Mexican. He has H. Elfred Jones' farm leased and is there in his spare time. Emmett has his permits ready to sell by 4:00 in the morning. Also selling fishing permits is Kitten Talley.

From Tularosa to try their luck fishing in Bonito Dam over the weekend were Fred Agullar and David Murrillo. (Fred is and old timer, he remembers well the Wingfields the Coes and the Gomez's.)

Some of the boys working on the recreation project in the South Fork Canyon are Eustacio Chavez, Tommy Davara and Johnnie Padilla. Joe Starr is their employer.

Mr. and Mrs. Leo Pagal, and Mr. and Mrs. Leon Farrar of Ruidoso celebrated their wedding anniversaries with a dinner at Parson's Hotel this week. During the week, Leon, Little Pat and Big Pat Farrar, and Leo Pagal fished at the lake. No luck, but Big Pat said not too long ago he did catch a 19 inch trout, and it was enough to feed three people.

On a sight-seeing trip this week were Janie Whipple and sons, Larry and Craig from Ruidoso Downs, and Janie's mother and brother from Houston, Tex.

Mr. and Mrs. Harlan McCraw came by on their way to Phoenix, Arizona this week.

Mr. and Mrs. Dan Pruitt are at home in Capitan for a while. They have accepted teaching positions with the Alamogordo School System.

From Corona stopping by Bonito City this week were Maude Euford and grandson, Maude brought me some beautiful rock specimens and polished rocks.

Mr. and Mrs. A. C. Thomsen who operate Thomsen's Trading Post in Corona had been down in the valley to see the flood ruins. Game Conservation Officer George Hanson was on duty at Bonito Lake Saturday. George Bonal and Herold King from Ruidoso were on business in the Canyon this week.

Mr. and Mrs. Roy Tucker from Tularosa drove over to try their luck fishing, they weren't skunked, but would have liked to even come close to their limits.

Constance Ward and husband, and their daughter and husband, Mr. and Mrs. Howard Dixon from Roswell, fished at Bonito Sunday.

They couldn't believe how their fishing luck had changed in a couple of weeks, but they don't know how many have fished since then either.

Newlyweds to see us who are spending their honeymoon in and around the country are Mr. and Mrs. Leroy Clay. They visited Mr. and Mrs. Harvey Talley at Bonito Lake and will be at home in Alamogordo soon. Mrs. Howard is the former Sonney Shook, who at one time lived down in the canyon, where Mr. and Mrs. Gil Peters now live.

The Angus Cemetery looks real beautiful after more cleaning was done this Saturday.

Lloyd Harris and Paul Randle tried their luck at fishing in Bonito Dam Monday.

Mr. Degner from Carrizozo was here on mining business last week.

Marylou Runnels went to Silver City with Bonnie Coe and sons. She will spend some time with Dee Dee Montgomery at Glenwood.

Alto Country

By Aileen Lindameed

The terrific and tragic storm that hit Ruidoso Downs east to Hondo last Thursday did not do any damage at Alto. We had some hail and heavy rain but no damage. However, Paso Monte Ranch — four miles NE of here and the home of Sonny and Ruth Wright — received severe damage from hail and flood waters.

Mr. and Mrs. Holvey Williams of El Paso are guests of his brother Robert Williams and Mrs. Williams at present.

Saturday Mrs. Lyda Peables was here from Alamogordo.

Last weekend Mr. and Mrs. A. C. Morrison of Amarillo were at their Eagle Creek summer home.

Mrs. Judith Ann Kitchens and her children are visiting her parents Mr. and Mrs. Sam Allen — they make their home in McAllen, Texas.

Saturday Mr. and Mrs. Alan Johnson of Carrizozo arrived to spend the summer at their Eagle Creek home.

Sgt. and Mrs. William Venable and family of Monjeau AFB Retreat are on a vacation in Commerce, Ga.

Mrs. Richard Gillham and children of Odessa, Texas vacationed in the Paget home at Eagle Creek last week.

Mr. and Mrs. Frank Kirby-Smith of El Paso were up for the day Wednesday of last week.

Mr. and Mrs. Sam Allen went to El Paso June 11. Mrs. Allen stayed there while Mr. Allen flew to Ft. Worth to attend the quarterly meeting of the Texas Branch of the Empress Chinchilla Breeders Co-op. He was elected to the board of Directors at that session. The Texas branch includes Texas, New Mexico, Arkansas, Louisiana and Miss. At this time Mr. Allen is also director on the National Board of the Mutation of Chinchilla Breeders of America. After the meeting in Ft. Worth he and Mrs. Allen then drove home from El Paso.

Mr. and Mrs. Hamilton Moore of Midland were here last weekend.

Jim Tully from Glencoe was visiting in the community last Wednesday.

Mr. and Mrs. A. A. Swanson arrived Thursday for the summer.

Wednesday Ed Guck of Nogal stopped by to see us.

Bert Johnson of Denver and Merle Rinkey of Albuquerque, both with the Armstrong Cork Co., visited the Lindameeds last Sunday.

Mr. and Mrs. Charlie Nabours of Cameron, Texas arrived Saturday to open their summer home at Eagle Creek for the season.

Mr. and Mrs. Miller French of Portland, Ore. were here Friday and Saturday visiting in the community. They had

been in Santa Fe attending a meeting of the Western Division of the Federal Bureau of Roads. Miller is a Lincoln County native and grew up in Carrizozo. The Lindameeds were very happy with their visit as Miller and Aileen are childhood friends.

Marjorie Mayfield of Alma, Mich., arrived Thursday to make her home with the Sonny Wright family.

Mr. and Mrs. Morgan Maxwell and Donna, Jim and Marshall returned Tuesday from a trip to Denver, Yellowstone National Park and Moses Lake.

Ancho Tracks

Barbara Harkey

Mr. Wayne Butchel was guest speaker in the Ancho Church last Sunday, and was well received by the congregation. Mrs. Butchel accompanied him from their home in Pittsburgh, Pa. Mr. Butchel is a candidate for minister for this field. Mr. and Mrs. Butchel and the Rev. Tom Meyers were the dinner guests of the J. A. Hightowers.

The Ancho UPW met in the home of Mrs. Dorothy Straley on Wednesday June 16. Mrs. Vernelle Hightower was co-hostess to a baked chicken luncheon, which preceded the meeting. Mrs. Alma Bradley of Carrizozo gave a very inspiring devotional on her definition of faith. Mrs. Irene Lindsey, director of the Welfare Office in Carrizozo, gave a very informative talk on various aspects of welfare work being done in Lincoln County. Mrs. Bradley added a few highlights of her work as County Health Nurse, which also ties in with the Welfare Office. Vernelle Hightower gave a short report on the Synodical Church in Roswell last week. Vernelle and Mrs. Dixie Bond attended the meeting June 15.

Mr. and Mrs. Walter Seaman and Miss Nancy Seaman of Mineral Wells, visited with Mrs. Seaman's brother, the Eric Lynch's of Jcarilla. The elder Seamans went on to Denver, while Nancy stayed at the Lynch residence. Mr. and Mrs. Norman Atkins and two children of Mineral Wells were also recent visitors in the Lynch home.

Mr. and Mrs. Walt Wilson,

THE LINCOLN COUNTY NEWS, THURSDAY, JUNE 24, 1963

Rex, Alton and Steve Harkey enjoyed the Farm Bureau Father's Day picnic held at Bert Pfingsten's ranch last Sunday.

Mr. and Mrs. Richard Harkey and boys of Duluth, Minn., left for home last Sunday after a week's visit with Richard's parents, the E. I. Harkeys and other relatives. While here, they toured around the Bonito and Nogal areas and the families also picnicked in the Cloudercroft area with Mrs. Margaret Means and children joining them.

Mr. Bryan Hightower, and grandsons Bill and Gary visited in the home of his daughter, Miriam Payne and family last week in Albuquerque. They then went to Window Rock, Arizona to visit the Frank Youngs. Mrs. Mary Young is Bryan's sister. Vic and Paul Payne also made the trip to Window Rock with their grandfather.

Paul Payne is visiting in the Ancho community with his grandfather, Bryan Hightower and also with the J. A. Hightowers.

Mary Carol Lynch has returned from Mineral Wells where she has been visiting since her graduation from high school.

Our sincere congratulations and best wishes go to newlyweds Mr. and Mrs. Rookie Straley, who were married in Los Alamos June 19. They will make their home in Las Cruces. Almost all of the relatives from the Ancho area attended the wedding. There will be more complete details of the wedding in a later issue.

Mr. and Mrs. Sammy Stoneman and children left last Thursday for their new home in San Juan Capistrano, Calif., where Sammy will be employed as manager on a ranch. Mrs. Glenna Stoneman Fox also went along to help drive a car and get the family settled into their new house. The best of luck to you Sammy and Terry and hurry back soon for a visit.

Mrs. Chas. Stoneman is at the home of her daughter, Mrs. Ama Hollifield for an extended visit. Ama lives in Brownsville, Texas.

Recent visitors in the home of Mrs. Jackie Silvers were Mr. and Mrs. Ray Stoneman of White Oaks and Mr. and Mrs. Paul Wilson of Carrizozo.

Mr. and Mrs. Tarleton Bond and children of Pagosa Springs,

are at Lunk for a week, while they get their household goods packed, and moved to their new home. On Sunday, Dixie was presented with the book, "Great Women of the Christian Faith", by Supt. Lee Straley, Dixie was teacher of the kindergarten class for several years and also taught class during Bible school when they were being held.

News of Corona

There will be a barbecue dinner and dance July 3 for all Corona High School Alumni. Any former graduate of Corona High School and their family, are invited to attend. Zelpha Kuykendall is Chairman.

Mrs. J. M. Shelton had as her guests her sister, Mrs. H. L. Dent, and her niece, Mrs. Jean (Dent) Jones, and grandniece, Jane Anne Stanton, all of Hale Center, Texas.

Mrs. Maggie Vickrey returned home Sunday from Alamogordo where she had spent the past two or three weeks with her son, Everett Vickrey and family.

Scoggin wants purse strings for Scoggin

Another chapter in the legal hassle concerning possession of the purse strings of the Third Judicial District was opened when Judge W. T. Scoggin, senior judge of the district, authorized the revocation of an order he filed in Alamogordo Tuesday.

A release from the district court clerk's office in Alamogordo said:

"An order as been filed in the district court clerk's office at Alamogordo and Carrizozo correcting the action of the State Finance Board which recently attempted to give jurisdiction over the court fund to Judge Zimmerman, Judge of Division Two of the Third Judicial District."

Judge Scoggin's order notes that the State Board of Finance on June 7 granted \$27,500 for the court fund of Otero and Lincoln counties but designated that the monies were to be administered by Dist. Judge George L. Zimmerman.

The order maintains that the board action is contrary to Section 16-3-6.3 and .4 and Chapter 214 of the 1963 Session Laws.

GUNS OF AMERICA

North & Cheney Pistol

Simon North and Elisha Cheney of Berlin, Connecticut, manufactured the first official pistols for the new United States government in 1799. These were .69 caliber flintlocks copied directly from the French model of 1777 which had been used during the American Revolution. Only 2,000 pistols of this pattern were made.

Flood Damage

(Continued from page one)

Several agencies of the Federal Government can, and will aid individuals with three per cent loans on a 30-year basis. This may be the answer for some, but not all of the farmers in the area. Consider this — a man has worked the better part of his life getting his orchard and property built up, maybe he lost a 100 fruit trees which were bringing him a \$40-\$50 profit per tree when they made a crop. His land is covered with big rocks and rubble, gullies cut every which way, trees that survived the flood may die. His cost of getting back in the orchard business, as he was before the flood, all the way from \$30,000 to \$100,000. He won't live long enough to pay off the necessary loan.

With land leveling much of the land could be put into production of grain crops, or alfalfa. A few pieces of land even profited from the flood, crops were not washed off, and the land was washed down good — but not much of that sort of situation.

The News editor asked Judie McKnight what he was going to do, at the moment of the question every bit of property on his place needed cleaning, drying, fixing. The wall he had built based on the 1941 flood failed to do the job. After a bit of thought he said he intended to put up an eight foot dike.

Ground was cracking on the Radcliff place, other farmers he had talked to had the same problem. What was causing the wet-weather cracks? Carl Radcliff did not know but guessed that pressure from some direction was the cause.

The Rio Hondo is normally a tiny stream, but for a period of maybe six hours it was a stream 35 feet deep, or high. The speed and force of this flood was phenomenal. Concrete blocks were moved, metal "T" beams were carried along like driftwood, LP storage tanks floated like cork.

The 1941 flood washed out a dam at Silver Bridge, below Hondo, and seven individuals got together to pay the cost, \$15,000, of replacing this dam. The 1965 flood took it out again and the cost estimate today is \$50,000 or more. It's questionable today that the dam will be replaced.

More than one insurance adjuster has told customers, in time of loss, not to be too hasty about taking inventory of their loss — invariably items turn up months, even years, later that increase the loss, maybe as much as double it. Such could easily be the same with Ralph Bonnell or J. P. McKnight where water was five feet deep in their homes. Personal items may be forgotten in the busy times of cleaning up, and remembered at a later date. Fruit trees could die next year, reason — the flood. Fields covered with rock and rubble will have to be bulldozed and

leveled, cost of that operation will not be known exactly until the job is done. John Thomas lost around 6,000 trout, how much were they worth is a question.

The \$5,000,000 estimate now placed on the loss to Lincoln County probably is not high enough. As Mickey Thomas said, "It may be a good thing, the flood sure put lots of farmers out of the orchard business", but that isn't good either because apples were a cash crop in Lincoln County, though the net return went up and down a lot.

Take a look at the pictures in this issue, a page or more of them all taken June 22 by the News photographer — Lincoln County did suffer a disastrous loss. It will take years to repair the Hondo Valley.

Rainbow group goes to Grand Assembly

A group of local girls left Wednesday for the annual Rainbow Grand Assembly, held in Portales this year. The meeting will last until Sunday. Those who went are: Minette Smoot, Barbara Knoblock, Kathy Bancroft, Linda Stearns and Linda Simpson, Carrizozo; Ann and Virginia Robinson, Capitan; and Shermana Zumwalt of Nogal.

Accompanying the group were Joyce Simpson, Jess Garrison and Joan Means, the adult chaperone.

Shafer family dinner Sunday

Preceding their golden wedding reception Sunday Mr. and Mrs. Roy Shafer were guests of honor at a dinner at the Four-Winds Restaurant. The 28 guests included members of the family and guests Mr. and Mrs. Joe Hayden from Denver, Mrs. Marjorie Bessie and Mr. and Mrs. Les Moline, Park Ridge, Ill.

Olin E. Hinkle, professor of journalism at the University of Texas and a former Texas daily newspaper editor, will speak on photo journalism at the summer meeting of the New Mexico Press Assn. in Santa Fe June 25th and 26th.

Many Out-Of-Town Guests Attend Shafer Reception

Among the many out of town guests attending the Shafer 50th wedding anniversary reception were the following:

Mr. and Les Moline, Park Ridge, Ill.; Mrs. Marjorie Bessey and children, Park Ridge; Mrs. (Haldane Stover) Gravy, Belen; Joy Bowlin, Albuquerque; Mrs. Zoe Glassmire, Kathleen Doering and Callie Roselle, Ruidoso and Lawrence, Kans.; Mr. and Mrs. Chas. Fuller, Placcho; Mrs. Walter Salomon, Albuquerque; Mr. and Mrs. B. B. Wilson, Roswell; Mr. and Mrs. Jack Shaw, Capitan; Mr. and Mrs. Bob Welland, Tucumcari; F. B. President Johnson promotes Fuller

President Johnson has promoted Harrell K. Fuller, son of Mr. and Mrs. Kennan Fuller of Corona, to Class 7 in the Foreign Service of the United States of America. Fuller is a career officer in the Foreign Service, which is the President's primary instrument for carrying out U. S. foreign policy. Foreign Service personnel serve in the Department of State and in almost 300 diplomatic and consular posts located throughout the world.

Fuller graduated from Corona High School in 1959 and received a Bachelor's degree from American University in 1962. After graduating from American University he served with the U. S. Air Force. Since entering the Foreign Service he has been stationed in Washington, D. C. and at the U. S. Consulate in St. John, New Brunswick, Canada. He is now serving as Third Secretary at our Embassy, Ottawa, Canada.

EDITORIAL

"A page for independent thought"

For a real cure, include seeds

Our friend Wallace Olds has been spreading a good word about New Mexico through the national publication he has been editing. The word has been on the valuable curative benefits of chili as made in this area. We feel safe in saying that a good many of the world's cares and woes would evaporate and, at least temporarily, disappear if more people were to eat a bowl of good red-hot chili once a day.

The best chili recipe is not hard to come by, in fact any newly-wed gal can throw a handful of beans in the pot, add meat, salt, chili powder, maybe garlic, and come up with a dish the old man won't scorn. But to really alarm the gentle man, get him in a mood for romance, work, etc., it takes a more delicate touch.

Fact is, if the chili blend is well directed a bowl a day can run a common cold, stop pains of arthritis, correct a golf slice or induce labor pains. It all has to do with the handling of the red chili pods.

After you have the initial mix of beans, meat and salt, you start adding the chili, preferably using the chili pod. What you want to cure, or the mood you want to create depends on your handling of the pod.

If you want sudden action

on the part of your husband, or potential husband — grind up the seed pods and use lightly for seasoning. Be sure to have plenty of water handy, and the front door open because guests have been known to head for the hydrant pronto if such seasoning is over done.

Perchance a member of your household is mentally depressed. Feed him some chili with thirteen ground chili seeds in the pot and the therapeutic effect will be marvelous. This person's mind will be centered on his glottis for an hour or more and his depression gone for the day.

Once had a lame uncle, right foot suffered when stepped on by a horse. His wife stood his lamentations long as she could, and then mixed up a batch of chili just a wee pinch on the curative or hot side. Uncle took a big mouthful, then another, swallowed and then another before the full benefits were on him. The dance he did around the table was remarkable for one his age. Strange enough the lameness was gone when he sat down to finish his meal.

It's with unrestrained confidence that we recommend chili, especially the Carrizozo mix, as being a remedy the world has overlooked. Thanks, Wallace, for spreading the word.

Of angel food cakes and fewer cavities

A sister, Kathleen O'Donnell, possibly thinks the literacy of News editorials could stand improvement (no doubt the assumption is correct) and for that purpose she sent a packet of Saturday Review magazines back to Carrizozo with Eleanor who was visiting in the O'Donnell home recently.

Lots of good reading in these magazines, but not the kind you read with your oatmeal in the morning. For instance the word mutation was defined in a cute fashion — There was once a housewife who made such good angel food cake that many people asked for her recipe. On one occasion when she wrote it out, however, she listed 13 egg whites instead of the 12 egg whites she should have specified. The cook who followed, that copy of the recipe got a cake so light and delicate that her recipe for angel food cake became one that all the members of the Ladies' Guild requested. The 12-egg cake thus became extinct and the 13-egg cake survived. The original cook's mistake when copying the recipe, was a mutation — otherwise defined as a sudden variation, the offspring differing from its parents in some well marked character, due to changes within the chromosomes or genes.

Another article deals with "Fluoridation vs the Constitution" Most of have read about the fluoridation (fluoridating cuts down cavities in teeth, usually applied to city drinking water) fights going on in several cities over the nation. Some people feel they are get-

ting medicine they don't want, goes against their religion, and hatters their personal rights in the head. The constitution covers this only in a vague fashion.

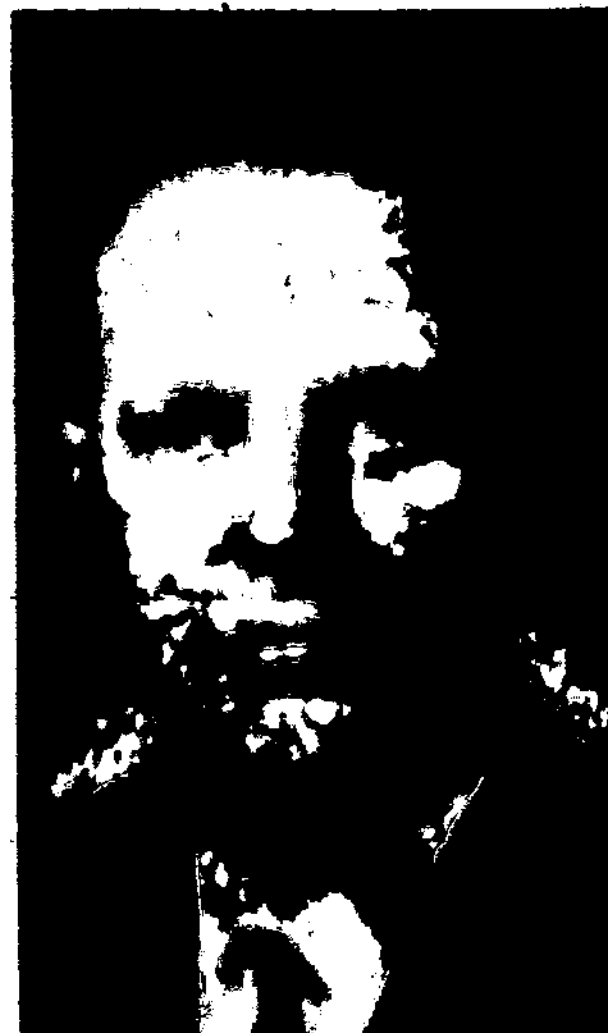

However, the writer is well-informed and gets to the root of the matter in this manner: The question of the protection of the rights of minorities, which, under American constitutionalism is a cardinal aspect of our system of government, creates difficult problems of judgement. If liberty is to be maximized, then such public invasions of individual rights should not be permitted in the absence of great public need.

Fluoridating water is compulsory medication, a form of socialized medicine, imposed for the public welfare but for the private welfare of a relative few. Since the benefits of fluoridation, if that they be, are limited to a small segment of the population (children to age 16) it would seem the rights of the majority are being violated.

Justice Louis D. Brandeis said, almost 40 years ago, "Experience should teach us to be most on our guard to protect liberty when the government's purposes are beneficent."

Now you know how to bake a mutated angel food cake and have a smattering of knowledge about the problems of fluoridation — all this thanks to Kathleen O'Donnell. Next week we will discuss one of Carl Palmer's subjects, the right of an individual to pile a stinking mess of trash on his private property, because it is his property.

A short time ago, a neighbor of mine asked me to check over his income tax return. Married only a few months, he was proudly proclaiming the fact that he was entitled to claim a six hundred dollar deduction for his wife. I scanned his return and everything seemed to be in order until I came to the section reserved for listing dependents. There he had written in bold letters: KEEP WATCHING THIS SPACE!

T. A. "Ted" Bonnell

Bonnell elected vice president

The New Mexico Bankers Assn., meeting in Las Cruces last week, elected Winford Carlile, president of the Lovington National Bank, as president of the association, T. A. Bonnell, president of the Otero County State Bank of Alamogordo and the Citizens State Bank of Vaughn, was elected vice president of the association.

The members voted to hold the 1966 meeting in Hobbs. Ted Bonnell is presently serving as district governor of Rotary, and is a frequent visitor in Carrizozo. The Lincoln County Branch in Carrizozo is a part of the Citizens State Bank organization.

Lincoln County 4-H Member of the Month

Jim Booky is active 4-H member

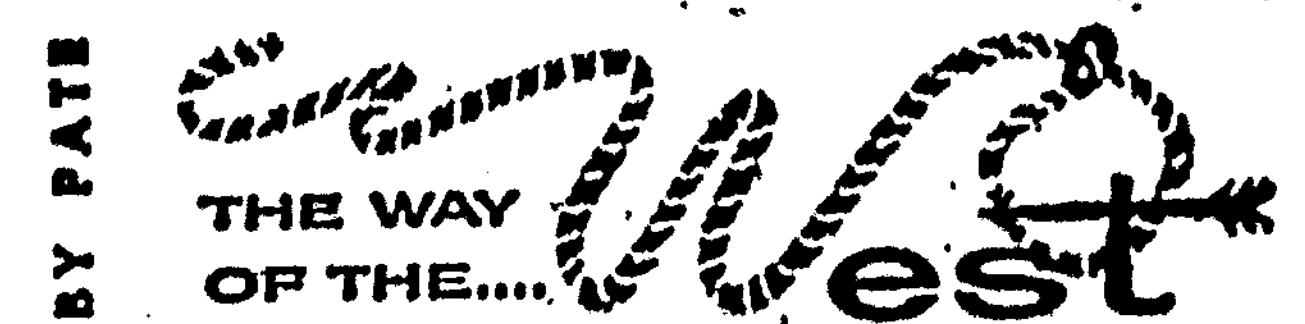

Jim Booky, 4-H'er of the month, is shown holding his registered Hampshire Ram. He is 14 and is a member of the Hondo Valley Club. Jim has taken a total of six projects in his three years of 4-H work.

He has taken part in the State Wool Judging in 1964 and was the alternate for 1963. Jim was on the Livestock Judging team that won first in the District in 1964. He exhibited in the Lincoln County Fair every year that he has been in 4-H. His first time at the fair he won Champion Black Fat Lamb and had Grand Champ-

ion Fat Lamb. He won a total of 14 ribbons in his first two years.

FARM NEWS

By County Agent Ralph Dunlap

In California choice feeder cattle expected to weigh around 650 lbs. contracted for 22.00 - 23.00 to be delivered in September - October. Fall contracts in Colorado are being made on Choice 375 lb. calves at 24.00 - 24.50 for steers and 22.00 - 22.50 on heifers.

The apple crop for New Mexico is expected to be about the same as last year, around 250,000 bushels. In the Albuquerque area only those orchards with heaters have apples. The apple crop in the Espanola area is spotted due to the May 9th freeze.

I went to a beef marketing workshop last week in Roswell. At this meeting discussions were held with a feeder, a packer and meat market operators.

The feeder told of his operation and to meet the demand for a 1000 lb. finished animal he feeds high quality "okies" but does not want Charolais or Santa Gertrudis as they will not grade out at this weight.

In the two cutting test on choice carcasses, one carcass had 42 lbs of fat turn per half of carcass and the other had 17 lbs. of fat trim. In another way one carcass had 32% fat and bone and the other had 17% fat and bone. From these facts you can see why the butcher is demanding a trim carcass.

A new publication that tells how to plan an outdoor recreation business is now available from the New Mexico State University Cooperative Extension Service.

It explains how to select a recreation enterprise, how to estimate operating costs, problems of liability and vandalism, and methods of financing.

Mites were noted in some orchards in the Hondo Valley last week. If you have not been using a Miticide in your orchard spray schedule, plan to do so when you put on the next spray. Some of the Miticides you can use are: Kelthane, Trithion and Systox.

Cutworms have been seen in gardens and yards in the county. These worms cut the young cabbage and tomato plant just below the ground and kill the plant. Cutworms can be controlled with DDT Toxaphene dust around the base of the plant. If you do not want to use an insecticide, put a three inch cardboard collar around the plant. Put the collar one inch into the soil.

Sweet and sour cherries are now getting ripe in the Hondo and Nogal areas. Plan to get

the cherries for home freezing and canning within the next two weeks.

"What on earth is it?" If you see a triangle of fluorescent orange and reflective red ahead of you on the highway, it's a Slow Moving Vehicle emblem. It means slow down and drive carefully.

You'll be seeing more of these emblems on farm, highway maintenance, and construction equipment in the months to come.

The emblem was developed by agricultural engineers to warn drivers when they're approaching a slow-moving vehicle and should slow down. You can see and recognize it at least 500 feet away at any time of day and under almost all driving conditions.

The center of the SMV emblem is fluorescent yellow-orange, the most visible color in daylight, and the outside border is reflective red to show up at night. Intended only for vehicles designed to travel 25 mph or less, the new triangular emblem can be easily mounted on most farm equipment.

It's inexpensive, durable, and movable and doesn't interfere with the machine or its operator.

Rebel Rousers tops in talent contest

The Rebel Rousers of Hondo were very proud to receive top honors as they competed in the State FFA Talent Contest held in Albuquerque June 6-8.

The Rebel Rousers consist of Harold Radcliff, who will be a senior next year and plays the lead guitar; Preston Radcliff a 1965 graduate who plays the rhythm guitar; and Donald "Pancho" McKnight, a freshman who plays the drums.

The boys parents are Mr. and Mrs. Carl Radcliff of Tinnie and Mr. and Mrs. Joe McKnight of Piecho. The boys entertained the convention-delegates, along with other bands and vocalists for the first two days of the convention. On the final day the convention delegates voted to select the "Rebel Rousers" as the first place entry to represent New Mexico at the National FFA Convention to be held in Kansas City, Miss. in October. We are very proud of these boys and hope they are able to attend the National Convention.

Future Farmers receive plaque

Delegates from the Hondo FFA Chapter were proud to receive a plaque recognizing the chapter for carrying out activities necessary for receiving a superior rating. The standards for the ratings are set by the New Mexico State Association of Future Farmers of America.

The Hondo Chapter, the only FFA Chapter in Lincoln County, was organized in September of 1964. It is very unusual for a newly organized FFA Chapter to receive such a rating. It took much work from all the members in order to attain such a goal.

Delegates attending the State Convention from Hondo were Eddie Gomez, Gerald Montes, Harold Radcliff, Preston Radcliff, Donald McKnight and Charles Stevens, accompanied by the advisor Charles Chambers. While at the convention the boys took part in electing the state officers for the coming year. They also had the opportunity of listening to a number of outstanding speakers, one of which was Ivan Hurt, National FFA Vice President from Tucson, Arizona. Various awards were given to chapters and boys for their outstanding achievements for the past year.

Old Lincoln Town

By Mrs. Edgar Phillips

Mr. and Mrs. Cumpsten are spending a few days at their house in Lincoln getting things readied to move in as soon as they can sell their home in Hagerman. We're all so happy to know that they will be moving up here before long.

Emilio Zamora and children who is on leave from his base in Georgia spent several days with his parents and other relatives in Lincoln. His wife stayed in Belen to be with her mother who was very ill.

It was such a pleasure to visit recently with friends we hadn't seen for a long time, Mary Shely Harlan, her sister Lindey from California, and Ralph Spillers and wife from Los Lunas. Ralph's parents owned the Mitten Bar Ranch on the south side of the Capitans for many years. This ranch is now part of the Freeman ranch. The Spillers, Lewis and Bessie Cummins and the Phillips drove up the canyon and looked for old landmarks. The Freemans showed us through their lovely home. We spent a most enjoyable afternoon reminiscing and just visiting together.

There was a large crowd at the dance at Maes Hall Saturday night.

Ray and Phoebe Taylor left June 9 for Tulare, California where they visited with Ray's sister, Mrs. Lorene Williams and Margaret Taylor, arriving home early Tuesday morning. Margaret has finished her two years at the College of Sequoia so she came back home with them. She plans to attend NM SU this fall, along with James Ray and Elizabeth.

James Ray Taylor is working for the Forest Service up on the Pecos and Tom is working with a construction crew, presently at Oro Grande.

The Lincoln children who attend school in Capitan are happy to be able to go to Carrizozo twice a week for swimming. The school bus picks them up and transports them to and from.

Cathy Apodaca was the recipient of one large gold medal and two small ones intermediate piano competition in the National Piano Guild. She studied with Mrs. Lance in Roswell and appeared in recital there recently at the Roswell Museum.

Edward Penfield flew to California Sunday on business. He plans to be back Tuesday or Wednesday.

Mrs. Perry Sr., of Roswell is visiting her son and daughter-in-law, Orland and Maurildia Perry.

The Bible School at the Community church last week was well attended. The young ladies and young men who came from Alamogordo to help did a fine job. It was sponsored by the Episcopal Church under Rev. Brown's supervision.

end in Socorro visiting Mr. and Mrs. George Ralston and family. The weekend before they went to Las Cruces with Mr. and Mrs. Wayne Wright and baby daughter. They visited their many friends while Gall and Wayne visited her mother, Mrs. Grimes. Then they went to El Paso and visited friends and enjoyed the zoo and other things of interest.

Willa Marie-Edgar, who was chosen for Girls' State, went to Albuquerque June 13 to UNM and returned the 20th.

Mrs. Adolph (Dorothy) Vorpahl and son Peter of Yoder, Wyo., spent three days with her parents, Mr. and Mrs. Lon Merchant and family, recently.

Mr. and Mrs. Lon Merchant attended the funeral services for his sister, Elsie Spencer, in Artesia last Thursday.

Early 4th of July celebration calls out lots of fire fighting equipment

Last Wednesday we had a terrific south wind. A call for our fire dept. sent them up on north hill to a fire caused by boys playing with fire crackers. The Ft. Stanton fire truck, the Game and Forest Departments all responded and put it out. It burned some lumber at the Charles Pepper property before it was controlled. But, fortunately, the home and other buildings did not catch fire.

Mr. and Mrs. Don Bolt of Gorman, Texas arrived last Thursday to spend several days with Dr. and Mrs. Smith at Ft. Stanton, and Mrs. Beula Patterson, here in Capitan.

Joe Baca, who was a patient at Ft. Stanton for nearly 8 years, passed away Wednesday. He was laid to rest at Socorro at 2:00 p.m. Friday. Thirteen persons from Capitan attended the services. His survivors are his wife, Lillie, and two children, his parents, and some brothers and sisters, all of Socorro.

Mrs. Baca came to Capitan for the weekend and packed everything. Her sister-in-law came with her. They moved to Socorro where she will make her home.

The Extension Club met at the town house of Mrs. Milton Jones earlier this month. Those present besides the hostess were Eltha Merrell, Mary Dean, Pat Flatley, Kathy Dean and Corrinne. They spent the time quilting.

Mr. Clyde Germany of Atoka, Okla. arrived Sunday for a few days visit with his son, Mr. and Mrs. J. C. Germany.

Capitan is pleading for someone to buy this automatic laundry, which has been closed since the last week of May. How we do need it, and the people are just wishing for it to open.

Mrs. Champ Ferguson and Mrs. Miles Williams accompanied by Mrs. Clara Snow of Carrizozo went to Las Cruces last Tuesday. They visited Mr. and Mrs. Brazel Hartley and family.

Mr. and Mrs. Floyd Hale were visitors in Capitan last Wednesday.

Mr. and Mrs. Ollie Ackerman of Portales, who had been visiting their children in Las Cruces, stopped by while enroute home last Thursday and visited friends. I was fortunate to find them at Cummins store. They both are well and happy and it was so nice seeing them.

Mr. and Mrs. Lewis Cummins went to Roswell for her check-up and have their car checked too, while there one day last week.

The Halleck Kingstons came in last weekend pulling their camper and spent the night with his parents, Mr. and Mrs. R. D. Kington, Sunday they went on to fish at the lake for a few days.

Mayor and Mrs. Dean and Jane went to visit his parents in Lovington. His father, Robert Dean had been ill but is feeling better.

Mrs. Noveline Clayton and three children, Mike, Jolyn and Phillip of Albuquerque visited her sister and family, Mr. and Mrs. Jack Robinson, last week.

Mrs. Jimmie Crews returned from a week's vacation with her parents in Texas last Saturday and joined her grandmother, Mrs. Cora Hale, at R. D. Kingston's, Sunday they started their journey to their home in Landers, Calif. Mrs. Hale could not endure this high climate any longer. She wanted to see more of her friends, but was unable to as she was becoming ill. We enjoyed her so much. She was 89 years old in February. It was so wonderful that she could make this trip.

Mr. and Mrs. Milt Jones attended a family reunion at Snyder, Texas, then went on to Colorado City, Texas to visit her sister and family, Mr. and Mrs. C. C. Smith.

Laura Pillars of Los Angeles, Calif. surprised her cousin, Mrs. T. O. Watkins, with a visit last Tuesday. She spent the day while enroute to her home from Alto.

We had a 1/2 in of rain last Thursday with a little hail, while it was storming that terrific hail and rain on Ruidoso and the Hondo Valley Lincoln received some damage too. There were many slides in all directions. My sympathy goes out to everyone.

Mrs. Elsie Merchant Spencer of Artesia passed away after more than a week of confinement in the hospital there. She was 84. Her husband passed on 8 years ago.

Survivors are her brothers, J. Leroy and Lon D. Merchant of Capitan; two nephews, Wallace Merchant of Huntville, Ark. and Don Merchant of Los Angeles.

Mr. and Mrs. Wayne Clark and two sons spent last week-

end in Socorro visiting Mr. and Mrs. George Ralston and family. The weekend before they went to Las Cruces with Mr. and Mrs. Wayne Wright and baby daughter. They visited their many friends while Gall and Wayne visited her mother, Mrs. Grimes. Then they went to El Paso and visited friends and enjoyed the zoo and other things of interest.

himo. We are so happy he was not hurt seriously.

Mr. and Mrs. Malcolm Petree and family of Alamogordo spent the weekend of the 12th with their parents. Ronnie stayed with his grandparents, Mr. and Mrs. John LaMay.

Our Journey is Ended
 Our journey is ended, Its pleasures and fears
 And we are ready to tackle the years
 There is gold in the hillside and berries on the trees
 We surely will thrive on the mountain breeze
 There are deer in the forest and fish in the streams
 Oh my, what beautiful dreams! Land for the asking, Wide open range.
 It looks so promising, Surely it can't change.
 Just right for farming, Can raise anything
 The future looks so bright, Can it really be so?
 Forty years from now ask the baby
 She will know.

Unchanging rule . . . there's always change

An x-ray machine now is part of copper production at Kennecott's Chino Mines Division. Once considered equipment for medical use only, x-rays will increase the efficiency of copper recovery from low grade ore in the flotation process at the mill.

Change is the rule, rather than the exception at Kennecott. The production of copper from low grade ore began some 56 years ago in New Mexico with a major change . . . the introduction of mass production methods. These methods made a success of a mining venture that had a long history of failure.

Since 1909, there has been an endless chain of changes . . . improvements in methods and equipment that have increased efficiency, lowered costs and made a major contribution to successful copper production.

Change at Kennecott represents progress that is important to the people of New Mexico. It provides them with added assurance of a long life for copper production that will continue to produce economic benefits for the entire state.

SECTION 1: There is hereby granted to A. E. Hughgins, his successors and assigns, the right, power, easement, authority and privilege to build, construct, equip, own, lease, rent, maintain and operate in the Town of Carrizozo, County of Lincoln, State of New Mexico, a system for the sale, lease, or rental and distribution of television and other electronic signals and impulses, including, but not limited to audio and video, reception, and/or origination, transmission, amplification and distribution, to build, construct, equip, own, maintain and operate coaxial cable, wires, lines, poles, towers, poles for amplifiers, cables, underground conduits, amplifiers, and all appurtenances necessary or desirable to accomplish such purposes; to use all streets, alleys, highways, bridges, other structures, and public grounds of said Town, now owned or hereafter acquired, for the purpose of this franchise ordinance, express or implied; to furnish the said services and any services related thereto or compatible therewith, to the people, firms and corporations situated either within or without the limits of the Town.

SECTION 2: Provided, however, that such poles, anchors, wire, brackets, lines, towers, conduits, amplifiers, and appurtenances shall, whenever practical, be placed, erected and constructed in the alleys, and shall be so placed and constructed as not to interfere with the use of the streets or alleys, water hydrants, or water mains. Any and all excavations shall be repaired and obstructions removed as quickly as it is reasonably possible under the circumstances. In the event the Grantee does not promptly repair any streets or sidewalks damaged by Grantee, the Town may make such repairs and charge the cost thereof to Grantee, which, upon written demand by the Town, shall be paid within ten days from the date of any such notice or demand. Further, the replacing, construction, and manner of erecting the poles and lines of Grantee, as well as fixtures and attachments thereto, shall be at all times, subject to the police power of the Board of Trustees of the Town.

Grantee guarantees the Town of Carrizozo and its citizens that the construction and maintenance of their proposed installations will in no way interfere with the audio - video reception of those people who now have and/or will hereinafter own and operate a television set within the Town limits which is not connected to Grantee's installations.

SECTION 3: Grantee shall save the Town harmless from all losses sustained by the Town on account of any suit, judgment, execution, claim or demand whatsoever, resulting from the negligence of the Grantee or its agents or employees in the construction or maintenance of its system in the Town, or from a violation of any of the terms of this Agreement. The Town shall notify the Grantee within five days after the presentation of any claim or demand either by suit or otherwise made against the Town on account of any such negligence as aforesaid on part of the Grantee.

SECTION 4: Grantee, for and in consideration of the privileges herein granted, during the life of this franchise, shall pay to the Town two percent of the gross local base service revenue, not including taxes, derived by Grantee from all subscribers located within the Town limits, such payments payable quarterly, on or before sixty days after the first day of January, April, July, and October, covering said revenue for three months next preceding the above dates of each year. For the purpose of determining said revenue, the

books of said Grantee shall at all times be subject to inspection by duly authorized Town officials. Said payments shall be in lieu of any and all other franchise, license, privilege, pole, wire instrument, excise or revenue taxes and all other exactions upon the business, revenue, property, poles, wires, instruments, conduits, amplifiers, towers, fixtures or other appurtenances of Grantee and all other property or equipment of Grantee, or any part thereof, by said Town during the term of this franchise; provided, that anything to the contrary herein notwithstanding, said payment shall continue only so long as said company or Grantee is not prohibited from making the same by any lawful authority having jurisdiction in the premises, and so long as the Town does not charge, levy or collect, or attempt to charge, levy or collect other franchise, license, privilege, excise or revenue taxes or other exactions hereinbefore mentioned, and if any lawful authority having jurisdiction in the premises hereafter prohibits said payment or the Town does levy, charge or collect, or attempt to levy, charge or collect such other franchise, license, privilege, excise or revenue taxes or other exactions, the obligation to make such payments hereinabove provided for shall forthwith cease.

SECTION 5: In further consideration of the franchise herein granted, Grantee shall furnish, install, maintain and keep in repair, without charge to the Town during the whole time of this franchise, so long as it is not prohibited from doing so by some other lawful authority having jurisdiction in the premises, for the use of the Town officials and for monitoring the quality of service provided by Grantee, one service connection to be located at the Town Hall.

SECTION 6: Any person or corporation desiring to move a building or other structure along, or to make any unusual use of the streets, alleys and public ways of the Town which shall interfere with the poles, wires, or fixtures of Grantee, shall first give notice to Grantee, and shall pay to Grantee a sum sufficient to cover the expense and damage incident to the cutting, altering and moving of the wires or other fixtures of Grantee, and before a permit is given by the Town therefor, the applicant shall present a receipt from Grantee showing said payments; thereupon, Grantee, upon presentation of said permit shall, within forty-eight hours thereafter, provide for and do such cutting, altering and moving of said wires and fixtures as may be necessary to allow such moving or other unusual use of the streets, alleys and public ways of the Town.

SECTION 7: This franchise shall be in force and effect for a period of twenty-five years from acceptance as provided herein, and shall thereupon terminate and all licenses and privileges shall thereupon cease, unless more than six months before expiration date and not more than one year prior to said expiration date, the Grantee shall tender to said Town, notice of its intention to renew this franchise, in which event the same shall be renewed for a term of five years, and in a like manner this franchise may be renewed for successive terms of five years, with a maximum of five such renewals.

SECTION 8: This franchise may be transferred only with the written consent of the Town; however, consent will not be unreasonably withheld.

SECTION 9: Failure on part of Grantee to comply with any of the provisions hereof shall automatically cancel and terminate this franchise, provided, however, that the Town shall give to Grantee written notice of any such default by registered mail at Grantee's last known address, and after the mailing of such notice to Grantee, Grantee shall have 30 days to correct any defaults pointed out by the Town and continue this privilege in full force and effect; otherwise, it shall be automatically terminated and be null and void.

SECTION 10: If any section, paragraph, subdivision, clause, phrase or part of this ordinance shall be adjudged invalid or unconstitutional, the same shall not effect the validity of this ordinance as a whole, or any part or provision other than the part so decided to be invalid or unconstitutional.

that this Ordinance take effect immediately.

Padilla, 75, succumbs
at Alamo hospital

Funeral services were held in Immaculate Conception Church last week for Juan Z. Padilla, 75, of Alamogordo. Interment was in Catholic Cemetery.

Born April 9, 1890, Padilla came from Lincoln. He had been a laborer for the Southern Pacific Co.

He had lived in Alamogordo for 19 years and had retired when the tie treating plant was located here.

San Patricio News

Many farms and floods were destroyed by the flood last Friday evening.

The bridges crossing to the south side of town were all destroyed by the flood. People had to carry their groceries on foot and wade through the river. Many cows, sheep and pigs were drowned.

We all have one thing to be thankful for, that there were no people hurt.

Margie Chavez came back from Girls' State in Albuquerque Sunday evening. She heard the news of the flood and was very upset.

Many people from Roswell and Tularosa and even from as far as Las Cruces drove to San Patricio and down the valley to see the damages of the flood.
