Commissioner Candidates

Sam Montgomery, a resident of Ruidoso who has spent years in road construction and farming, announced this week that he is a candidate for commissioner of Lincoln County on the Democratic ticket.

Earl V. Morris, who first came to Lincoln County in 1934, now a tractor and oxegen dealer in Ruidoso, announced his intent Monday to seek election as commissioner of Lincoln County on the Republican ticket.

Nat Palomarez reported a flock of sea gulls settled in at the highway department yard Monday morning -- what more proof could one need that this is wet country.

Tu-ta-ro-sans. How the Coyotans and Claunchans make a group pronunciation is their own business.

Notice how quick the local TV stations switch off commercials on Johnny Carson's show and switch on something local -- that's because the advertisers have not bought any time on the Albuquerque station. We do the same with Betty Crocker, Sears, in fact any advertiser not buying space in the News gets switched out of our news columns because it is not fair for them to get a free ride while local business people are paying for space.

Eunice Lions are getting feverish. They would like to see the whole town get a face cleaning. This type of effort will do much to enhance the beauty of our city -- and will add to the eye appeal for any tourists or prospective residents of our city -- they say in Eunice.

A total of 40 bands, three coral (their spelling) groups are coming to Taos for festival Saturday -- wouldn't it be wonderful to see that many musicians gathered up anywhere in Lincoln County. Us old concert-in-the-park types sure miss our music.

The Small Business Assn. (a federal agency) will loan money to small business if new corporation formed to increase employment and payroll in Espanola can find the business wanting to locate there.

Jal editor Joan Ann Brinnstool is getting her people prepped for 90-mile round trip to Hobbs if they miss buying license when mobile vehicle comes to town -- it won't work worth a damn-n-n not being able to license your vehicles in your home town or trading center.

Got to talking with friend about school news reporting -- we'd like more but it's not easy. Neither Corona, Capitan nor Carrizozo have journalism class nor any person or class in the business of preparing news so it would just be extra work for some teacher to do this job... result, it does not get done. We send reporter to Zoza school each week which only partly does the job.

Ted Morse, editor of Torrance County Citizen, has made an interesting point about economy of his area -- 10,000 head of cattle went to market from Torrance County last year, yet the corned beef sold in Estancia was canned and shipped in from Argentina and Brazil.

Welcolm Armstrong used his influence in Albuquerque and got us tickets for the Friday NCAA games. John Wooden, UCLA coach, could have told his boys, "Just play it cool until Coach Lou Henson's big guys foul out and you've got it made." -- That's the way it worked out. Then Santa Clara, the team that poured ice on the Lobos, looked real common when UCLA put both their pressing defence and

The spelling and pronunciation of Carrizozolans, Ruidozolans, Alamogordolans, Tularozolans, Socorrolans, Capitanians, Coronians, Claunchians, Coyotelans and maybe a few others make for real tongue-twisters. + month observed here

The work of American Red Cross organization in Carrizozo, in Lincoln County and the State of New Mexico is being reviewed during March, which is designated as Red Cross Month.

Carrizozo has benefited measurably since a swimming pool was put into operation here and such services as qualified trained lifeguards and swimming instructors made available through Red Cross programs. Lincoln County does not have a flood disaster every year (most people hope) but it wasn't long ago that the Hondo Valley experienced several floods in a row and Red Cross spent around \$8,000 in Lincoln County at that time.

Travelers stranded at Grants the past winter were receiving first aid and a warm lunch from Red Cross workers. A once-in-60-years flood at T or C brought on a lot of misery to people of that area and the Red Cross provided \$30,000 in food, clothing, lodging, fixing household goods and homes.

The Red Cross is helping in many areas with sending packages to Vietnam. Socorro people asked for instruction and got it from American Red Cross, the result being they made 500 ditty bags for boys serving in Vietnam. The bags contained items approved by Defense Department and needed by soldiers in Vietnam. The bags cost donors about \$1.75 each, 40,000 have been made and sent from U.S.A., 3,000 of them from New Mexico.

Perishable packages should be sent 'SAM', weight under five pounds, they go airmail and get to destination within a week or ten days. Bigger and heavier packages may take a month or three.

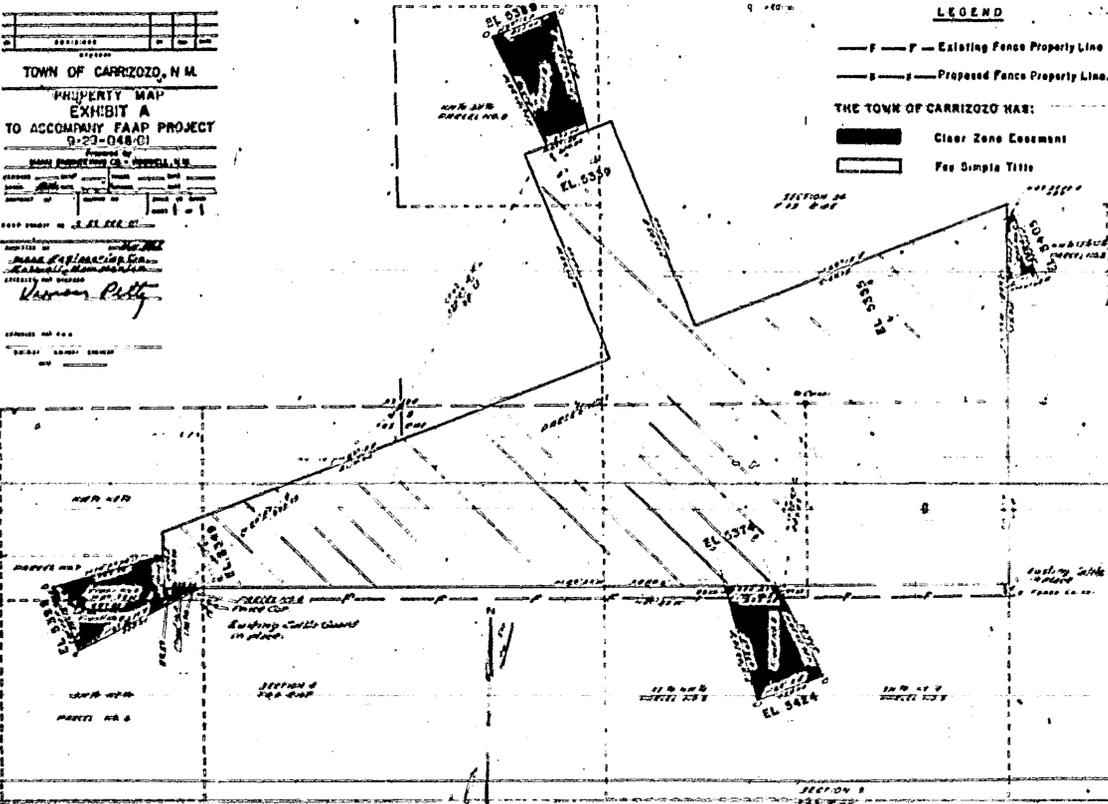

Red Cross sets up first aid stations during hunting season in Lincoln County, in addition to supplying training courses for Forest Service personnel and ski patrolmen. State Policemen regularly go through a first aid course sponsored by Red Cross. Service to military families becomes more and more important all the time.

March is Red Cross Month, your help for this organization and local people doing such good work will be appreciated.

EASTER COLOR FUN AT THORNTON'S GROCERY

Youngsters of any age, boy or girl, can have fun coloring the Eastertime bunny in this issue of the News. When you get through with your color artistry, cut-the-Thornton-advertisement out of the paper and take it to the grocery store.

Each entry will receive free candy, and right at Easter time winning boy and girl entries will be selected for grand prize.

Airport lighting bids to be let May 7

Three new Town of Carrizozo officials, Mayor Johnson Stearns and Councilman Duff May and Magistrate Austin Wooten, were sworn in Monday night and the new council immediately got to work on several matters.

Joe Ortiz is in Ruidoso hospital in traction for ruptured disc in back and was not present to be sworn in as councilman. Mr. Ortiz is expected to return home Saturday if everything goes well. Richard Cordova of El Paso is filling in as butcher at Piggly Wiggly.

The council voted to advertise for bids April 18 for installation of lights on airport runway, and connect lights to beacon and wind cone. The bids will be opened May 7, cost expected to be around \$18,000.00.

Discussion of possibility of oiling the runways puts a favorable light on this project and oiling would be a major factor in upgrading the airport. Engineer Tom Mann told the council that plans for the headquarters building at the airport would be ready for the April 2 meeting. Possibilities are good that 56% Federal participation could be obtained and by town furnishing machines and labor the town cost could be further cut down, a \$60,000 project costing the town \$10,000. Mayor Stearns reappointed

Nellie Lee Baker as clerk, and Robert Luna as assistant. H. Elfred Jones reappointed as attorney for town, Choncho Morales as marshal and Glen Parsons as radio operator.

Mayor Stearns resigned from Recreation committee and appointed Boyd Harper to fill this vacancy. Duff May was appointed as ex-officio member on the recreation committee in place of Fred Chavez. Stearns also resigned from the town planning committee, no appointment.

Bobby Lee wins Malpais roping

With a total of \$587.05 in winnings to his credit, Bobby Lee of El Paso won the Mel-M saddle at the end of the roping season in Malpais Livestock arena. Second place went to Gerald Marr of Tularosa with \$452.20. Sherrill Overtuff of El Paso won third with \$402.25. Dwain Felton of Artesia placed fourth with \$360.70 and Leonard May of Tularosa was fifth with \$327.80.

Results of the March 17 roping are as follows:
Roping two calves -- 1st ground Bobby Lee 9.5, 2nd ground Sherrill Overtuff 10.1. Average, Paul Petka 25.2, Lester Wilcox 25.4, Bobby Lee 30.9.

Roping three calves -- 1st ground Bobby Lee 10.3, 2nd ground Paul Petka 11.0, 3rd ground Sherrill Overtuff 8.9. Average, Bobby Lee 31.7, Paul Petka 34.3, Sherrill Overtuff 34.4.

Team roping -- 1st ground Sherrill Overtuff and Bobby Lee 8.4, 2nd ground Gerald Marr and Lester Wilcox 15.0. Average Bill Tremble and Buddy Havens 15.0, Gerald Marr and Lester Wilcox 32.1.

Roping three calves -- 1st ground Gerald Marr 9.7, 2nd ground Lester Wilcox 10.5, 3rd ground 10.9. Average, J. D. Franklin 36.8, Sherrill Overtuff 37.1, Dwain Felton 49.5.

FULL COUNCIL AT CORONA -- After going along most of a year short-handed Mayor Tom Huey has four councilmen to help him with village work. Shown being sworn in by JP

Jim Wherry are Earl Roper, Carlos Otero, Mayor Huey and Ken Fuller. Leon Erramoupe, in center of picture, is holdover councilman and O. S. Simmons on left is retiring councilman. Village Clerk Gertrude Allen is seated at desk. (News Photo)

252 Ramona Street
Sierra Madre, California
Dear Mr. Payton,
Enclosed find \$5.00 for subscription for a year.

I certainly enjoy reading about what goes on in Carrizozo, although there are very few people left there that I can remember.

Some of the old timers will remember my father and mother (Mr. and Mrs. Fred Lalone), who were born and raised in Lincoln County, and raised their family there in Carrizozo. We left there for California in 1924, so you see why I can't remember too many people there now. I still have a soft spot in my heart for Carrizozo. That's why each week I wait for the paper anxiously.

Best wishes,
Mrs. Josephine (Lalone)

School News

Eight students from Carrizozo attended the State Student Council Convention in Farmington last week. The two-day meet was devoted to conferences and sectional meetings on leadership, citizenship and topics of vital interest to today's youth.

Outstanding highlights were addresses by Dr. C. L. Kay of Lubbock Christian College; Earl Reum, director of student affairs at Denver Public Schools; and the annual address by New Mexico Student Council President, Gary Cordova of Valley High School in Albuquerque.

Students attending from CHS were Scott Shafer, 1967-68 student body president; Quill Bradley, vice-president; Donda Jo May, secretary-treasurer; Gordon Barham, Bill Hightower, Linda Simpson, Susan Harkey and Beatrice Samora, council members.

John McCollum, sponsor, accompanied the group to Farmington.

Monday, March 18, ten high school seniors made a trip to New Mexico State University at Las Cruces. The purpose of the trip was to let the students get first hand information about the university.

The following seniors made the trip: Scott Shafer, Donda Jo May, Linda King, Linda Moore, Sharon Smoot, Dee Ann Jackson, Eric Lynch, Gordon Barham, Bill Hightower and Jean Sidwell. Mrs. R. M. Shafer and Mr. Jake Hawkins were sponsors. All were cordially welcomed by the university staff.

The schedule for the day included: meeting with the Dean of Admissions, meeting with the Dean of Student Aids, lunch at La Posta, meeting with the Dean of Departments, tour of student housing and a social hour in the student union and meeting with past graduates of Carrizozo who are now enrolled at State.

WCS MEETING IS HELD IN METHODIST CHURCH

The Woman's Society of Christian Service met in the fellowship hall of Trinity Methodist Church, March 18 at 2:30 p.m. The meeting opened with prayer by Mrs. C. E. Burns, Vice President. Following the business meeting, a devotional was read by Miss Frances Degner on "Window of Gold." A memorial in memory of Mrs. Elena Sales was held. The program, "Let's Listen and Learn" was given by Mrs. C. E. Burns. Delicious refreshments were served during the fellowship hour by Mrs. Bill Gallacher Jr. to six members. The Jennie Thornton Circle will meet March 27, 2:30 p.m. at the home of Mrs. John Hein.

Grand officers visit

Comet Chapter #29

Mrs. Olive McDowell, Worthy Grand Matron, and Mr. Welch Morgan, Worthy Grand Patron, of the New Mexico Jurisdiction of the O.E.S. made their official visit to Carrizozo Comet Chapter No. 29 March 12. When all were assembled in the chapter room the Rainbow Girls entered and sang their Rainbow song to Mrs. McDowell and Mr. Morgan. Patti English, one of the members, presented both Mrs. McDowell and Mr. Morgan with honorary membership to their organization. After Mrs. McDowell and Mr. Morgan accepted and expressed their thanks, the girls retired.

Upon the invitation of Worthy Patron Jack Shaw, Worthy Matron Margaret Rench and her officers entered the chapter room. They then opened the chapter in regular form. Mrs. McDowell and Mr. Morgan were introduced to the chapter and then escorted to the East where they were seated after being given grand honors.

Mrs. Hazel Harden, a Past Worthy Grand Matron, was introduced to the chapter and after being escorted to the East, and given Grand Honors, was seated near Mrs. McDowell. Grand Representatives, members of the Grand Family, Past Worthy Matrons and Patrons were introduced and escorted to the East where they received a hearty welcome. Ohio Lowe, Comet Chapter Chaplain, was introduced to the chapter and was given a special tribute from Mrs. McDowell. Mrs. Annie Pierson was then initiated into the degrees of the order. The officers performed their

initiation work very efficiently and in a dignified manner. After the initiation Mrs. McDowell and Mr. Morgan gave very interesting and informative addresses. Mrs. McDowell's was on symbols of the O.E.S. The Worthy Grand Matron honored Comet Chapter's Worthy Matron and Worthy Patron with appointments of Grand Page and Grand Usher for the general assembly in Albuquerque in October.

Prior to this meeting a covered dish supper was served in the dining room. The table decorations carried out the Worthy Grand Matron's color scheme. Gold crowns and crosses with shadows of purple, lavender streamers, candles and gladioli down the center. The main

table was centered with a gold cross on a gold pedestal with a long pink gladiola decorating the cross. At the foot of the pedestal an orchid chiffon piece was draped around the center. Flowers, candles, and small crosses of gold were down the center on each side of this large

cross. All these decorations were made by the Eastern Star artist, Frances Degner. She also made lovely favors for each to take home for his or her E.S. scrap book.

Mrs. Rench and Mrs. Burns had lovely flower arrangements in the chapter room. After the

meeting, the Past Matrons served punch, coffee, cake and nuts and mints to the group. Mrs. Lois Tucker of the Tularosa Chapter made the cake. It was in the form of a cross-topped with a crown. The crown was presented to the Worthy Grand Matron, Mrs. McDowell.

Forest Service holds school

The forest service held a fire school here at Capitan Fire Dept. Hall last Thursday with a big attendance. They studied and demonstrated how to fight forest fires, grass fires and all of the techniques. Our fire department gave the forest permission to store their one water tank equipment in our new fire dept. building for the use of it. To me, that is cooperating. There is so much to learn in these schools and our department is eager and willing to learn and they do a very fine job which is proven when they are called out on a fire which is difficult or otherwise. They perform with utmost confidence and skill.

Last week there was an election of officers in the Capitan Fire Department. Jerry Foster was made fire chief, Wm. Steinke is assistant and Mark Finley is secretary-treasurer. Good luck to you each one.

The pancake supper given by the seniors at the school cafeteria last Friday was a big success and the senior play that followed was well attended.

Mr. and Mrs. S. A. Montes of Ft. Bayard returned recently to make their home here at their home and both are working at Ft. Stanton. We are happy to have you back with us. Their daughter, Jean Altee, returned before they did and got the home fires burning again and left March 15 for Alabama where she will enter her basic training in the WACS. I wish you a big success. I know you will have just that. I thank Lucy Montes for their subscription to the News. We are glad to have you in our circle and hope you get lots of enjoyment with us.

Mr. and Mrs. L. A. Greenfield of Tatum spent last weekend with their daughter, Mrs. Ellen Faye Cornelius, Kaye and Beverly. I wish you many more happy birthdays, Ellen Faye. Always lots of happiness too.

I would like to inform the members of Comet Chapter #29 O.E.S. that the Ruidoso Chapter will have their official visit April 3. A buffet supper will be served at 6:30.

The official visit of Comet Chapter O.E.S. at the Masonic Hall was well attended March 12 with a delicious potluck dinner

in the dining hall. It was a grand evening. Mr. and Mrs. Oho Lowe, Mr. and Mrs. Jack Saw and Margaret Rench of Capitan attended.

Anyone reading this can give comfort to Gene Osborn whose husband had a serious heart attack in the State of Washington very recently. She went to him. They hope perhaps by June they may be able to return. Her address is Mrs. Don Osborn, Rt. 1 Box 562, Auburn, Washington 98002, in care of Ernie Payne. Do send them a card. They need us now. We have enjoyed Gene visiting our Chapter.

Miss Jane Dean, accompanied by three of her college girl friends from Lubbock Christian College, arrived at the home of her parents, Mr. and Mrs. Gerald Dean Sr. The friends were Jo Gatewood, Linda Hutchison and Kathy Perdue. Saturday afternoon Mrs. Dean, Mrs. Virgil Hall and Virgil Hall Jr. took the girls to the ski lodge and they spent a wonderful afternoon. They were still bubbling with excitement when they left for school Sunday afternoon.

Mrs. Helen Sears spent Sunday with Mr. and Mrs. Jack Shaw. They enjoyed dinner at the Wortley and visited friends in that area.

Mr. Guy Gibson, supt. on Bally Construction at Hondo, was injured Tuesday, the 12th, and was taken to the Ruidoso hospital. I wish you a speedy recovery.

Mr. and Mrs. Jean Parker are the proud owners of a new station wagon. It is beige in color.

Mr. Hollis Cummins and son, Kenny, Mr. Fletcher Hall, Mr. Frankie Silva and Mr. Dick Beauline attended the UCL & NMSU and the NM and Santa Clara games in Albuquerque last Friday night.

Mr. and Mrs. Jess Harris, accompanied by Miss Lou Harris, visited with their sister, Mr. and Mrs. R. D. Kingston, last Wednesday afternoon and Lou remained until the Harrises return from a bus trip to Texas to visit their son and family.

Mr. John Soderback returned last weekend from two weeks at the Veterans Hospital in Albuquerque.

Mrs. Wm. Steinke's father, Mr. Ansel Henemler of Saco,

Maine, underwent minor surgery March 11. He is doing O.K. I wish you a quick recovery.

Mrs. Willa Morris returned Thursday from a business trip to Gallup. She traveled by bus from Ruidoso and from Albuquerque they were in that terrific storm. She returned by bus to Roswell. She said the snow was piled high and everything was very white but the highway was clear.

Friday, March 15, Ethel Howard, Corrine Provine, Bessie Jones and Lorene Ferguson enjoyed a delicious lunch at the Wortley in Lincoln celebrating Ethel's birthday and returned to Etha Merrell's home and played cards. I wish you many more happy birthdays Ethel.

Recently a pink and blue shower was held at the home of Mrs. Gerald Dean Sr. honoring Mrs. Mark Finley. She received many nice gifts and a large crowd did attend.

Katerrie Otero, who is the six-year-old daughter of Mr. and Mrs. H. C. Otero, has been enrolled in the Alamogordo Visually Handicapped school and entered Monday. Mrs. Otero has been requested to remain with her for two weeks. Her grandmother, Mrs. Juan Padilla, is remaining with Patty and Herman during her absence.

Recently a pink and blue shower was held at the H. C. Otero home honoring Mrs. Marguerite Trujillo. The hostesses were Mmsee, Pat Hicks, Rosa Montes and Toni Otero. Refreshments of cake and punch were enjoyed. Though the attendance was not so large, many gifts were sent.

In the last snowstorm Mr. Dick Barber and his mother, Mrs. A. L. Barber, were visiting his sister, Mrs. Ann Hood at Ft. Sumner. They left Sunday after dinner and were caught in that snow. The car left the highway on Highway 60. They had only their coats. A couple came along and took them with them and not far the snow killed their motor by its blowing in and there they sat all night Sunday. Monday afternoon they were dug out and went on to Vaughn and had dinner. They spent Monday night there and returned home Tuesday late. Dick said it was not funny. They had nothing to eat. There were many stranded just as they were and we did hear about it on TV.

It is good to have that moisture. Today, Monday, we are having a tiny bit of misting rain. Had snow showers earlier. Looks as if it may grow extensive by night. The country has suffered for many years and to have moisture as we have had this winter is great. We are so very grateful.

Pvt. E-1 Zane G. Leslie Jr. has been home on a 14 day leave visiting his parents, Mr. and Mrs. Zane Leslie north of Capitan. He completed his basic training at Fort Leonard Wood, Missouri, and will go to Monterey, California, for further training in the Army Security Agency. Zane arrived home on March 3 and will leave March 15. Zane had planned to visit many of his friends, but due to the snow storm, he saw but few of them.

Sunday, March 10, was a big day at the Zane Leslie's, despite the snow falling. Twenty-five members of the family enjoyed

a dinner honoring Zane Jr. Those present were: Mr. and Mrs. Preacher Dobbs of Carrizozo (grandparents); aunts and uncles, Mr. and Mrs. Wayland Dobbs, Carrie Sue and Wayland Jr., Mr. and Mrs. Johnny Dobbs and Jeff, Mr. and Mrs. Bud Payne and Wesley Lightfoot of Carrizozo; Mr. and Mrs. Joe Dobbs, Gary, Cathy and Steven of Gallup; brother, Kelly; sister, Geraldine; parents, Mr. and Mrs. Zane Leslie; brother and family, Jim and Janet Leslie and three week-old Joan and the honoree, Bill Edgar stopped by to visit Zane Jr., for a little while before lunch.

Mr. and Mrs. Christobal Zamora were in Albuquerque to visit their children and grandchildren for the weekend. Their grandson Christobal Zamora III, son of Mr. and Mrs. Christobal Zamora Jr., who has just gotten out of the Marine Corps, is visiting them for a week.

Several of our local school children are out of school with mumps.

Mrs. Chester Womack of Albuquerque is spending the week visiting her father, Mr. A. L. Hulbert, and Mr. and Mrs. Whitlock.

Mr. Hob Lucero will have his finger operated on Thursday to get the remainder of the "hardware" out of it. It's wonderful that it has healed so well with so little damage remaining. At first it seemed he would lose the finger.

Mr. and Mrs. Jack Shaw and Mrs. Helen Sears visited the Edgar Phillips on Sunday afternoon.

Barney Aldaz is working for the state as maintenance man for the OLCMC properties.

Mr. and Mrs. Bill Ward attended the annual March of Dimes dance at Tatum last Saturday night. Mrs. Dessie Sawyer is responsible for this event each year and makes a tremendous contribution to the organization.

Beverly Nethaway's brother, his wife and son came from Phoenix last week to visit her, Jim and the children.

Gold Crisis

By Walter Hubbard

Rumors that South Africa would switch her gold sales from London to Paris put strains on the European jittery money market. Last fall South Africa told the International Monetary Conference that unless the price of gold was raised she would have to shut down or take her gold off the market. With U. S. no longer in position to hold the price of gold at \$35 an ounce, a price fixed by U. S. and the dollar when bread was 10 cents a loaf, at below cost of production today, it seems that South Africa is acting out of necessity. She produces 3/4 of the free-world gold, but even with her native labor she has been in trouble. The \$35 price has virtually destroyed her gold mining.

To buy gold at \$35 an ounce is a bargain, but the U. S. citizen is the only one who can't buy it at home or abroad, even the gold cover of our currency is to be repealed by demand of the President, so it can be sold abroad for currency stabilization denied us, leaving nothing to back our currency, if the Senate now passes the repeal of the "gold cover". We had to have silver mining; and we have to have gold mining to stabilize our currency, and meet the demands of industry and commerce.

It has been tax and spend and give, to perpetuate oneself in office -- not to represent the people. It is a moment of truth.

Concert is set for March 28

The annual spring concert by Capitan Tiger Band will be Thursday March 28, beginning at 7:30 p.m. in the school auditorium. This year's concert will feature the 27 member girls' chorus and beginning band in addition to the advanced band. The Tiger band will play the following numbers: Three Baroque Chorales by Gordon;

Prayer for Young People by Marcel Frank; Prairie Song by Nestico; Four Leaf Clover Waltz by Klaus; Pomp and Circumstance, arr. by Akers; March Our Hobby by Archer and March Splashdown by Ward.

Majorities Patsy Grantham, Nicolette Nethaway; Patsy Preciado, and Jan Lamy will be featured in a twirling routine to Scout's Favorite March directed by Drum Major Patsy McDonald. A flute and clarinet duet, Nip and Tuck, will be played with band accompaniment by Kathy Robinson and Judy Provine.

The girls' chorus will sing The Rain in Spain from the Broadway Play, My Fair Lady. The chorus will also sing Days of Wine and Roses by Johnny Mercer and Henry Mancini. The final selection by this fine group

will be Song of the Danube (Tales from the Vienna Woods) by Johann Strauss.

The beginning band will play four selections. Fifth grade twins, Kay and Karon Ingalls will play the Marine Hymn on the B flat clarinet and the bass clarinet as a duet.

In his seventh year at Capitan, Bartley K. McDonough conducts both bands and chorus. Mr. McDonough is a graduate of Texas Christian University.

The tiger band has enjoyed a busy year. In addition to football games the band played in the Lincoln County Fair Parade in Capitan, the Aspencade Parade in Ruidoso and the Eastern Fair Parade in Roswell. The band enjoyed a wonderful two hours playing for the Lincoln County

News dedication in October and received a large plaque from the News; in appreciation. The band will make one visit to another school in the near future and play in a parade in Tularosa on May 11, winding up the year by playing the Capitan Baccalaureate on May 12.

The girls' chorus will also make one visit to another school soon. The chorus will sing in the Capitan FIA Talent Show on March 19 and for graduation exercises on May 17.

Tickets are on sale now by music students. Proceeds from ticket sales support the music program by paying for instrument repairs, new music, equipment such as drum sticks and teaching aids. Support the band. Music is fun!

Mr. and Mrs. Archie Lackey are proud parents of a baby boy born January 30. The baby was named Samuel Dickson. They visited the past weekend with their parents, Mr. and Mrs. Paul Lackey.

Members of Cedar Temple #26, Pythian Sisters, met at the home of Mrs. L. L. Vick for a canasta party Friday, honoring the birthday of their temple mother, Mrs. W. S. Dishman. Mr. and Mrs. Miles Walden and Nell have moved from Albuquerque to their ranch near Mountainair.

Mrs. Claud McBroom of Howe, Texas, who is a sister of Bea Ingram, has been very sick.

The Corona Bowling League has been formed and has been bowling for several weeks. They consist of four teams. The bowlers are Peggy Vickrey, Carlos Otero and Bruce Siskles with a record of 17 to 1; Shirley Sanders, Butch Carnell and Myron Yancey with a 14 to 10; Nolan Vickrey, Lewis Stratton and Joy Ann Yancey with a 12 to 12.

Pam Vickrey was home over the weekend to visit her parents, Mr. and Mrs. Nolan Vickrey. Sgt. and Mrs. Robert Minton and family of El Paso were visiting the L. A. Merrill family over the weekend.

Mrs. Bea Ingram and Mr. and Mrs. Roy McCaffin spent Sunday afternoon with Mrs. Stella Jones and son, Arthur. They enjoyed an afternoon playing dominoes. Mrs. Ingram's brother, Marvin Fly of Fort Texas, has been in the hospital very low but is improving at this time.

Mrs. Paula (Owen) Brown has received word from Mr. and Mrs. Wayne Preston, former residents of Corona, that their son-in-law Woodson Hughes, husband of Ann Preston, was wounded in Viet Nam January 9. Mr. Hughes had both eyes

removed, severe burns on right side of the body, fragments in right arm and thigh, no use of his right arm and broken elbow and also fracture of the forearm. He also had a severe concussion and paralysis of the right side. His neck was put in a four poster brace. About 30 X-rays were taken before they detected a fractured disc. He also lost some teeth. The government plans to send Mr. Hughes to California or Illinois to attend blind school training for 16 to 18 weeks. Letters or cards from friends will be appreciated. Their address is: Mr. and Mrs. Woodson Hughes, 134 E. Hathaway Drive, Apt. 118, San Antonio, Texas 78209.

Mr. and Mrs. Lee Thomas were here from Mountainair on Thursday. They left Saturday for a week's vacation with relatives in Taos and Amarillo.

Mr. and Mrs. R. A. Perkins visited relatives at Globe, Arizona, and went fishing off Guaymas, Mexico last week. They returned Monday to be met by the road block at Carrizozo.

Seen at the bull sale in El Paso were Rogene Alford, Rand Perkins, Leon Erramouspe, Howard Surett and Gary Lovelace.

Our highway crew have been more than busy with the roads toward Vaughn and at Claunch.

Wilburn Lackey, son of Mr. and Mrs. Fred Lackey, visited his parents over the weekend. Wilburn is attending Wayland Baptist College in Plainview, Texas. He is studying for the ministry.

Local goodwill shipment made

In a small Mexican village where the dust of poverty kicks high in the blazing sun new hope has been voiced by the presence of several men from New Mexico. These men, who wish to remain anonymous, came to know about the plight of this village from a chance meeting with one of its members in Juarez. From here it was only a step to becoming deeply involved with the people.

Donated clothing and food, were brought from Albuquerque to the village. Important to these people also is the education of their children. Here poverty sat most stark. A six room school housing 760 children without even a minimum of supplies was all that could be provided. The task of furnishing the school with desks, blackboards, paper, pencils, and books was undertaken by the men. Prefabricated desks were assembled here with donated lumber and loaded into a truck. In between and around them were stacked the commodities needed to supplement the almost non-existent school materials.

Upon arrival with this shipment of goods the Albuquerque men were met with cheers by the village members, who immediately were on the job helping to set up the new desks and relocate the supplies. Their gratefulness was further shown in a small fiesta given for their benefactors in the town square.

Perhaps the most rewarding thanks came from the smiles of the children as they proudly wrote their names on the new blackboards with the store bought chalk. Thanks was again heard in the remark of one of the villagers, "You really do care about us in North America."

The work of the men still goes on as is witnessed by the continuous trips they make. "Sure, these weekend safaris aren't easy, especially when you know there's your own work in the morning. Still there's more at stake here than your own physical comfort," remarked one of the workers. "Right now we need help in this work," stated another. "The needs of this group of people is great and anything we can bring to them is really appreciated." The greatest need, to help the children acquire an education, is school material in Spanish, elementary readers in particular.

One small village, and an even smaller group of men working with them is the only happening here. It represents, in miniature, however, man's responsibility to grasp the hands of those reaching out for help.

NOTE -- Father Anthony Bolman, working in the Lincoln County area, gathered up blackboards and books from Santa Rita school, boxes of paper from Lincoln County News, which were part of the goodwill shipment.

NEW DANCE FLOOR HERE - One of the most unique bars in New Mexico operated by Jesse and Ollie Wade at Corona has undergone considerable "changing" in past weeks. A new dance floor has been added and the Wades are busy hanging up many of the antique and collector items on walls of the area.

Alto Village

By Aileen Lindamood

James R. Lindsay, a junior at TCU and grandson of Mr. and Mrs. Ernest Blood of Alto, made the Dean's List at AddRan College of Arts and Sciences at Ft. Worth. This honor is achieved "only by those whose academic achievement places them in the top-five percent of all students in the AddRan College of Arts and Sciences."

Sunday Ernest Key of Carrizozo stopped in to see the Lindamoods.

The Morgan Maxwell family spent last weekend here on their Little Creek ranch.

Mrs. Lois Gould of Alamogordo came up for the afternoon on Saturday and stopped in the store.

Dixie Sparks, postmaster at Ft. Stanton, was by Saturday afternoon to talk "shop" with the Alto postmaster.

Mr. and Mrs. Larry Gansel of Pecos, Texas, were here last weekend working on their Lakeside house.

Saturday George P. White, of Ruidoso visited with the Lindamoods.

Sunday Alan Johnson was here from Carrizozo.

Kent Anderson came up from Alamogordo on Thursday.

Mr. and Mrs. Ramali Rutledge of Portales visited Mr. and Mrs. Chris Starr last weekend.

Mr. and Mrs. Stahley Pawol of Clovis went to Eagle Creek Lodge for the weekend -- that is those were their intentions -- but they couldn't get to their home due to the snow. They walked from the Lodge on up so decided to go back to Ruidoso and spend the weekend at Cree Manor.

The Sam Allens spent a couple of days in El Paso the first of last week.

The Reagan Legg family of Midland was here recently for the weekend.

Mr. and Mrs. Donald Bush went to Alamogordo last Tuesday for the day.

C. E. Degner of Carrizozo stopped by Wednesday on his way back from Ruidoso.

Thursday Leck Cowden stopped in on his way home to Ruidoso after a day on the ski slopes.

Wednesday Mrs. Joe Wiggley of Alamogordo stopped by on her way to Mr. and Mrs. Gil Peters for a visit.

Wednesday Joe Reinhardt of Ruidoso was here.

Mr. and Mrs. Robert Neal of El Paso were here last weekend.

The ground-dwelling bird made its home in the deep grasses of southern Arizona until overgrazing by cattle eliminated its natural habitat. By 1912, many ornithologists believed the bird to be extinct.

The masked bobwhite was rediscovered in 1927 when two naturalists stopped at a restaurant in Sonora, Mexico, and ordered quail for lunch.

The waiter said there would be a delay since the birds were live, and would have to be killed, cleaned, and cooked. Asking to see the birds, the

"Desperate gamble" pays dividends

The energetic whistle of the masked bobwhite may echo once again across the southwestern United States -- after forty years of silence.

Government biologists, in a pioneer experience to reestablish one of the rarest of vanishing species, are successfully breeding a flock of bobwhites at the Patuxent National Wildlife Center in Maryland. It all goes well, some 200 birds will eventually be set free in southern Arizona where the species once thrived.

The program has been called "a desperate gamble." Dan Saulis, director of conservation education at the Interior Department's Sports Fisheries and Wildlife Bureau, noted that wild animals raised in captivity are frequently ill-equipped to cope with nature when released to fend for themselves.

Habitat Destroyed
The masked bobwhite (*Colinus virginianus ridgwayi*) gets its common name from masklike black markings on its head, the National Geographic Society says.

Sergeant Walter E. Clark earns Air Force Award

GLASGOW, Mont. — Staff Sergeant Walter E. Clark, son of Mr. and Mrs. Vallery Clark of Rt. 2, Natchitoches, La., has supported his combat-seasoned Strategic Air Command (SAC) organization at Glasgow AFB, Mont., in earning the U.S. Air Force Outstanding Unit Award. He is a member of the 91st Bomb Wing that has the distinction of winning the USAF award twice for two consecutive years of continuous exceptionally meritorious service.

His organization was specifically cited for its achievement in flying long-range B-52 Stratofortresses on almost daily conventional bombing missions against Viet Cong targets while on temporary duty at a Western Pacific base from October 1966 to March 1967. During the deployment, wing KC-135 Stratotankers supported the eight-engine bombers with inflight refueling.

Sergeant Clark a jet aircraft maintenance technician, wears a distinctive service ribbon as a decoration to mark his affiliation with the 91st.

The sergeant, a 1958 graduate of Natchitoches High School attended Northwestern State College.

His wife, Billie, is the daughter of Mrs. Bessie Crumley of Carrizozo.

Rue promoted after combat basic

FT. BLISS, TEX. (AHTNC) Jimmie Rue, 21, son of Mrs. Mable S. Rue, Hondo, was promoted to Army private pay grade E-2 upon completion of basic combat training at Ft. Bliss, Tex., February 2.

Cadet Stirling Spencer is distinguished student

ROSWELL, N.M. — A Carrizozo youth has been identified as a Distinguished Military Student at New Mexico Military Institute for the school year 1967-68. Cadet Stirling Spencer, whose parents, Mr. and Mrs. Truman Spencer, reside at Box 475, Carrizozo, New Mexico. Only eight students from the total of 950 who began the school year were so honored.

The cadets selected have fulfilled rigid requirements, including military and academic excellence. All cadets selected successfully completed summer

camp at Ft. Sill, Oklahoma, in 1967.

Selection as a Distinguished Military Student is considered as the first step toward identification as a Distinguished Military Graduate. Distinguished Graduates are tendered a regular commission into the U.S. Army. Most qualified ROTC graduates are tendered Reserve Commission.

Sergeant Phil Kelly is on duty in Thailand

U. S. AIR FORCES, Thailand. Staff Sergeant Phil Kelly, son of Mrs. C. L. Kelly of 112 North Gladstone, Columbus, Ind., is on duty at Takhil Royal Thai AFB, Thailand.

Sergeant Kelly is assigned as a machinist with a unit of the Pacific Air Forces. Before his arrival in Southeast Asia, he served with the 552nd Field Maintenance Squadron, McClellan AFB, Calif.

The sergeant is a 1958 graduate of Columbus Senior High School.

His wife, Lupe, is the daughter of Mr. and Mrs. Dan Salas of Picocho.

Spring turkey hunt April 20

New Mexico's 1968 spring turkey hunt will get underway on April 20, 1968. Four areas will be open this year. The Sacramento Division of the Lincoln National Forest will be open from April 20 through April 25. There will be 800 free turkey tags available for the Sacramento area. The Gila, Black Range area of southwest New Mexico will have 1,500 free turkey tags available and will be open for turkey hunting from April 20 through April 28.

Spring turkey hunters must have a free special turkey tag and a valid 1968-69 big game, general hunting or general hunting and fishing license in their possession while hunting. Hunters will be allowed to take one male (gobbler) turkey with a beard extending at least two inches beyond the breast feathers. Shooting hours during this hunt will be one-half hour before sunrise until sunset. Spring turkey hunters may use shotguns or bows in taking turkey during this season. Rifles are prohibited. Hunters holding special turkey tags for the Mount Taylor or Zuni area must check in and out at a designated check station.

Hunters wishing to apply for a special spring turkey tag must do so on form B-2 and have it in the Santa Fe office of the Department of Game and Fish by 5:00 p.m. March 29, 1968. If more applications are received than there are special turkey tags available, the tags will be allotted by means of a public drawing. Application form B-2 and spring turkey hunt information sheets are available at all license vendors and Department of Game and Fish offices.

Obituary

ALFREDO BALDONADO / Alfredo Baldonado, age 67, passed away Monday morning in an Alamogordo hospital after a long illness. He is survived by three daughters, Mrs. Rita Carlson and Mrs. Liba Mirabal, Carrizozo, Mrs. Lorena Mirabal of Alamogordo; one sister, Mrs. Josephine Gutierrez of Carrizozo; 11 grandchildren and two great-grandchildren. Mr. Baldonado was born in Lincoln, New Mexico and he has been a resident of Carrizozo for the past 47 years.

He was a retired employee of the Southern Pacific Company. Rosary services were said Tuesday evening in the Chapel of Roses. Mass was Wednesday morning at 10:00 a.m. March 20 from St. Rita Catholic Church with Fr. Anthony Bolman officiating.

Interment was in St. Rita cemetery under the direction of Clarke-Wooten Chapel of Roses Mortuary.

Bowlers plan Awards night

Representatives and members of all bowling leagues at Carrizozo Recreation Center will meet Tuesday night to plan an awards banquet to be held at Carrizozo Country Club. Date of the banquet will be set at this meeting.

Women team members will serve a buffet dinner. Officers for the next year will be elected. Trophies will be awarded for all three leagues.

Banquet tickets will go on sale at the Recreation Center. Summer leagues are now forming and groups wanting to sponsor a team can sign up at the Center. Women will bowl on Monday, mixed teams on Tuesday and men will bowl Thursday during the summer season starting around April 15 and running through the middle of August.

Joe Light, Center manager, is planning a team and ragtime doubles tournament starting April 15 and running through

April 28. It will be an invitational April 28. It will be an invitational event with any ABC or WIBC members eligible to enter.

Pioneers who blazed the trails now have descendants who burn up the road.

A total of 71 families in Lincoln County are now eating better food as a result of the Food Stamp Program, according to Carl J. Speigle of the U. S. Department of Agriculture's Consumer and Marketing Service and Mrs. Irene Lindsay, director of the Lincoln County Department of Public Welfare.

Now operating in 20 New Mexico counties, the Food Stamp Program is a means by which participants increase their food buying power. Under the program, the money needy families normally spend for food is used to buy food stamp coupons. Additional coupons are contributed free, increasing their food buying power.

Since food coupons can be used for the purchase of food, we can feel confident that these participants are receiving full benefit from the program, said Mr. Speigle. "And one of its outstanding points is that the money is placed into circulation directly by low-income families who use it to help provide themselves with a balanced diet."

During 1967, these needy families received \$41,114 worth of food coupons, including \$14,457 worth of bonus coupons.

Additional advantages of this program cited by Mrs. Lindsay and Mr. Speigle include:

1. The program makes full use of regular trade channels, as the food coupons are used just the same as cash in most grocery stores of the Lincoln County area.
2. Use of food coupons increase food sales an average of 6 percent, based on surveys of trial food stamp programs.
3. The increased purchasing power of the low-income families provides an additional outlet for farm commodities, many of which are produced extensively in New Mexico.
4. The federal-state-county program is strictly voluntary. No state, county, individual or grocer is compelled to participate. It has replaced the direct distribution of USDA surplus foods to needy persons in participating counties.

School NEWS

Second grade -- Mrs. Hawkins Mr. Pearcey is helping our second grade with tumbling for the May Day program. The children are having lots of fun. They are doing the forward roll, backward roll and shoulder roll. One group in reading will finish their book this week. In language we are studying capitalization.

Third grade -- Mrs. Halsten In keeping with March, the art month, the third grade painted some soap suds pictures on brown paper. We combined detergent and liquid starch and then added tempera paint. It was a new art medium and the children enjoyed using it!

Sixth grade -- Mrs. Laabs We are beginning the study of the British Isles in social studies. It correlates the stories in our reading book about the Magna Carta.

We are going to notice the weather reports in the newspapers, radio or TV for two weeks and then record the actual weather. We want to see how accurate the meteorologist is able to forecast the weather. This is a science project.

During art class last week, we made composite pictures using pastels. This is the first time we have used this media.

PUBLIC NOTICES

NOTICE OF BOND SALE
CARRIZO MUNICIPAL SCHOOL DISTRICT NO. 7 LINCOLN AND SOCORRO COUNTIES, NEW MEXICO SCHOOL DISTRICT BONDS MAY 15, 1968 — \$150,000.00
PLACE AND TIME OF SALE
PUBLIC NOTICE IS HEREBY GIVEN that the Board of Education of Carrizozo Municipal School District No. 7, Lincoln and Socorro Counties, New Mexico, will on Tuesday, the 9th day of April, 1968, at the hour of 7 o'clock p.m., M.S.T., at the Clegg Hall, Carrizozo, New Mexico, receive sealed bids and publicly open the same for the purpose of Carrizozo Municipal School District No. 7, School District Bonds, in the aggregate principal amount of \$150,000.00.

DESCRIPTION OF BONDS
 Said bonds will bear date as of the fifteenth day of May, 1968, will be in the denomination of \$5,000.00 each, and will mature serially in regular numerical order, without option of prior redemption, \$15,000.00 on the fifteenth day of June in each of the years 1969 through 1978, both inclusive, both principal and interest being payable in lawful money of the United States of America at the Office of the County Treasurer of Lincoln County in Carrizozo, New Mexico. Said bonds were authorized at an election held on January 16, 1968, are for the purpose of erecting, remodeling, making additions to and furnishing school buildings, and will constitute the general obligation bonds of Carrizozo Municipal School District No. 7, payable from general taxes which may be levied without limitation as to rate or amount.

Interest Rate. Said bonds will bear interest at a rate or rates of not exceeding six per centum (6%) per annum, payable December 15, 1968, and semi-annually thereafter on the fifteenth days of June and December in each year. It is permissible to bid different or split rates of interest, provided, however, that:

- (1) No bid shall specify more than one interest rate for each maturity.
- (2) Said interest shall be evidenced by only one set of coupons.
- (3) No bid shall specify more than four separate coupon rates.

BIDS
 Bidders are requested to submit a bid specifying (a) the lowest rate of interest and premium, if any, above par at which such bidder will purchase such bonds; or (b) the lowest rate of interest at which the bidder will purchase said bonds at par. Proposals should be enclosed in a sealed envelope endorsed "Bid or General Obligation School District Bonds of Carrizozo Municipal School District No. 7, Lincoln and Socorro Counties, New Mexico," addressed to Veda Lou Stephenson, Secretary of the Board of Education of Carrizozo Municipal School District No. 7, P. O. Box 547, Carrizozo, New Mexico. Only unconditional bids will be considered.

BASIS OF AWARD
 Said bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any, and subject to the right of the Board of Education to reject any and all bids and readvertise. The best bid will be determined by deducting the amount of the premium bid, if any, from the total amount of interest which the District would be required to pay from the date of the bonds to the respective maturity dates at the coupon rate or rates specified in the proposal, and said bonds will be awarded on the basis of the lowest net interest cost to the District. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The bonds will not be sold for less than par and accrued interest, nor shall any discount or commission be allowed or paid in the sale of such bonds. The District reserves the privilege of waiving any irregularity or informality in any bid.

GOOD FAITH DEPOSIT
 All bids shall be sealed and except the bid of the State of New Mexico, if one is received, shall be accompanied by a deposit of five per cent, either cash or certified check, drawn on solvent bank or trust company, the amount of the bid (i.e., principal amount plus any premium) which shall be returned if the bid is not accepted; and if the successful bidder shall fail or neglect to complete the purchase of said bonds within thirty days following the acceptance of the bid (or within ten days after the bonds

are offered for delivery, whichever is later), the amount of the deposit shall be forfeited to the District as liquidated damages and in that event the Board of Education may accept the bid of the one making the next best bid, or if all bids are rejected, the Board shall readvertise said bonds for sale in the same manner as herein provided for the original advertisement. If there be two or more equal bids and such bids are the best bids received and for not less than par and accrued interest, the Board of Education shall determine which bid shall be accepted.

TIME OF AWARD AND DELIVERY
 The Board of Education will take action awarding the bonds or rejecting all bids not later than twenty-four hours after the expiration of the time herein prescribed for the receipt of the bids. Delivery of the bonds will be made to the successful bidder at some bank or trust company in Carrizozo or Albuquerque, New Mexico, or elsewhere at its request and at its expense, within sixty days of the acceptance of the bid, if for any reason delivery cannot be made within sixty days, the successful bidder shall have the right to purchase said bonds during the succeeding thirty days upon the same terms, or at the request of the successful bidder, during said succeeding thirty days, the good faith deposit will be returned relieved of any further obligation.

Official Bid Form and Information. Copies of the Official Bid Form and other information may be obtained from the District's Financial Advisor, Quinn & Co., 200 Second St., N. W., Albuquerque, New Mexico.

Transcript, Printed Bonds and Legal Opinion. A certified copy of the transcript of proceedings relating to the issuance of general obligation bonds of Carrizozo Municipal School District No. 7, Lincoln and Socorro Counties, New Mexico, and pursuant to Section 73-8-20.1, New Mexico Statutes Annotated, 1953, as last amended, the written approval of said Attorney General of said bonds, as to form and legality will also be supplied. The legality of the bonds will be approved, in addition, by Messrs. Dawson, Nagel, Sherman & Howard, Attorneys at Law, 1900 First National Bank Building, Denver, Colorado, whose unqualified approving opinion, together with the printed bonds and a complete transcript of the legal proceedings, including a certificate stating that no litigation affecting the validity of the bonds is pending, will be furnished the purchaser without charge.

was not as complete as they wanted so starting about the middle of April, they plan to start looking for hoppers and see if any are hatching. Local ranchers were asked to report any grasshoppers they find to Archie Perkins or Ben Roberts in the Corona area or Ernest McDaniel in the Glencoe area. They will relay any information they get to plant pest control personnel or to the county agent's office in Carrizozo.

Plan to put a delayed dormant spray on your apple trees. As most growers let up on their spraying last year, it is especially important that you put on a delayed dormant spray to reduce the mite infestation. Use lime-sulfur and/or dormant oil for this spray. In the first spray include a miticide to keep the mites down. Fruit spray schedules are available at the county agent's office to help growers to plan a spray program. A thorough spray program should keep the worms under 5% in the apples. I had a grower tell me that any orchard with over 30% wormy apples are not worth packing.

James M. Sachse was today appointed sheep and wool specialist with the Cooperative Extension Service of New Mexico State University, according to an announcement by Dr. Philip J. Leyendecker of NMSU's College of Agriculture and Home Economics. He succeeds J. R. (Dick) Stauder, who recently resigned to manage ranches in Colorado. An animal husbandry graduate at NMSU in 1961, Sachse has been employed for the past five years as area animal husbandman for the Extension Service of Colorado State University with headquarters at Monte Vista, Colorado. While working on his master's degree at CSU, he was a research assistant in animal husbandry there. He received his master's degree in sheep breeding from CSU in 1963. Sachse, who was reared on a ranch near Farley, was superintendent of the National Western Wool Show in Denver in 1967 and 1968. He received "Outstanding Extension Agent Award" presented by the Colorado Wool Growers Association in 1965.

John Cooper, a Lincoln County 4-H member, has been chosen the 1968 New Mexico International Farm Youth Exchange delegate. He will visit Brazil to live and work with host families to learn their way of life and share our way of life with them, for six months, John

is the son of Mr. and Mrs. J. A. Cooper, Arabella Route, Tinnie. The IFYE, conducted by the National 4-H Club Foundation in behalf of the Cooperative Extension Service, is a rural educational program operating between the United States and about 35 countries annually. The International Mineral Corporation and state 4-H Club members are financing young Cooper's trip. He will leave New Mexico June 16 for Washington, D. C. for a four day orientation period, John will arrive in Brazil on June 21 and remain there until his return to Washington December 9 for an evaluation period. He will return to New Mexico December 13.

We're proud to have a young man of John's character and background as our IFYE representative. The delegates have always benefited greatly from these trips. John is studying toward a degree in animal science. He has lived on his father's 37,000 acre farm-ranch combination all of his life and has been involved with cattle and sheep ranching and crop production. A 4-H member for eight years, he has also been a member of the Boy Scouts and represented each group at national meetings. "Every conscientious citizen should strive to understand his fellow man," John explained in reference to his Brazil trip. "Through travel I can gain this understanding of different cultures and viewpoints. I hope to present a favorable image of the American culture, to gain an accurate picture of their culture, to share our views and to learn their ways of doing things. I hope to contribute different ideas and techniques in agriculture and a more realistic understanding of the American way of life." The IFYE program began in New Mexico in 1951 and John is the 20th delegate. Past delegates from the state have lived and worked in 27 foreign countries.

Average amounts of fertilizer will return only average yields. Only about 50 percent of the phosphate and 70 percent of the nitrogen applied is used by the plants. If you figure only the amount of fertilizer the crop needs and none for the tie-ups and losses, then the crop suffers. Fertilize according to the soil needs and the crop production wanted and you will be in good shape. Fertilizer is not a weed control chemical, but it is a good place to start from in a weed control program.

There are several grasshoppers showing up in different areas but the hoppers found now do not cause heavy damage to range forage. These hoppers are gone by mid-May. There are over 50 species of grasshoppers in the area and only eight species cause the heavy range damage. The soil temperature must be about 60 degrees before the hoppers hatch. Grasshoppers and their control were discussed at meetings held in Corona and Hondo last week. Duane Barthoff and Jack Judd, plant pest control talked to the Corona group about the spring survey for grasshoppers. The adult survey

is the son of Mr. and Mrs. J. A. Cooper, Arabella Route, Tinnie. Nature bountifully endowed New Mexico with outdoor beauty and from that beginning, it took man's ingenuity a number of years to develop a magnificent parks system comparing favorably with any in the nation.

Today, it's New Mexico—the Enchanted!—with 22 beautiful state parks handsomely designed to offer tailor-made accommodations and all the water sports, scenery, relaxation and fun that can be joyfully jammed into a long weekend or an extended vacation.

Dotting the Enchanted State like enormous splashes of blue sky are Navajo Lake State Park in the northwest corner, near Aztec, one of the favorite fishing and boating lakes in the West; Clayton Lake State Park in the northeast part not far from the town of the same name, Elephant Butte Lake State Park is near Truth or Consequences; Caballo Lake State Park is just to the south. Morphy Lake State Park is hidden in the mountains near Mora, and Storrie Lake State Park is just outside of Las Vegas.

Bottomless Lakes State Park is not far from Roswell; Alamogordo Lake State Park is just north of Fort Sumner. Compañan lakes, one partially filled from the same watershed as the other, are Conchas Lake and Ute Lake State Parks—the former between Las Vegas and Tucumcari, and the latter near Logan—both on the South Canadian River. Blue-water Lake State Park is in the heart of Navajo Indian land between Gallup and Grants. And, finally, El Vado Lake State Park is near the picturesque town of Tierra Amarilla.

Swimming, fishing, boating, rock hounding, camping and picnicking facilities, air strips and golfing—what's yours? You'll find a New Mexico State Park made to your order.

Take your choice in scenery—mountains and forests? Then you belong in northern New Mexico. For the rolling grasslands of the prairies, try eastern New Mexico. The fertile valley of the Rio Grande runs smack down the middle, almost from Velarde to El Paso; and, incidentally, one of the largest state parks in the nation is created by this big river and runs from the Colorado border to below Taos—it is called the Rio Grande Gorge State Park. City of Rocks State Park in the western part of New Mexico, with its curious rock formations to intrigue the visitor, is in strange contrast to the rolling plains surrounding it. And for a pure, unadulterated lava bed, don't miss Valley of Fires State Park at Carrizozo.

Few states have the totally different scenes that New Mexico has from the top of the state to the bottom—from one side to the other.

More than four million people enjoyed New Mexico's state parks last year. Over the state, you'll find 22 of them offering picnicking, fishing, water sports, camping sites and scenery. The facilities, as complete as you'll find anywhere, are enjoyed by vacationers every month of the year. None of the state parks have admission charges, only overnight camping fees and lake permits for use of boats on state park lakes.

One state park has a lodge located at Conchas Lake State Park; there is also a sizable lodge facility under construction at Navajo Lake State Park. When driving your own accommodations, there's space for you at all state parks, save two—Santa Fe River State Park and Kit Carson Memorial State Park.

How about fishing? They haul them in at all the lake state parks, ranging from trout fishing to warm water species.

There are other beautiful state parks such as Pancho Villa State Park at Columbus, near the Mexican village of Las Palomas, where over 5,000 variety of cacti grow; Rock Hound State Park, near Deming, where you can take along with you any of the semi-precious gems you find; Santa Fe River State Park, located in the heart of the Capitol City, where you can rest and picnic after sightseeing; Kit Carson Memorial State Park, where the grave of the famous frontiersman and mountain man is located; Oasis State Park, nearby the area where the bones of prehistoric mastodons and mammoths have recently been discovered; Hyde Memorial State Park, not too far from Santa Fe, the oldest capitol city in the United States; and, do not forget Villanueva State Park, the newest park on the famed Pecos River, the one designed to keep New Mexico New Mexico.

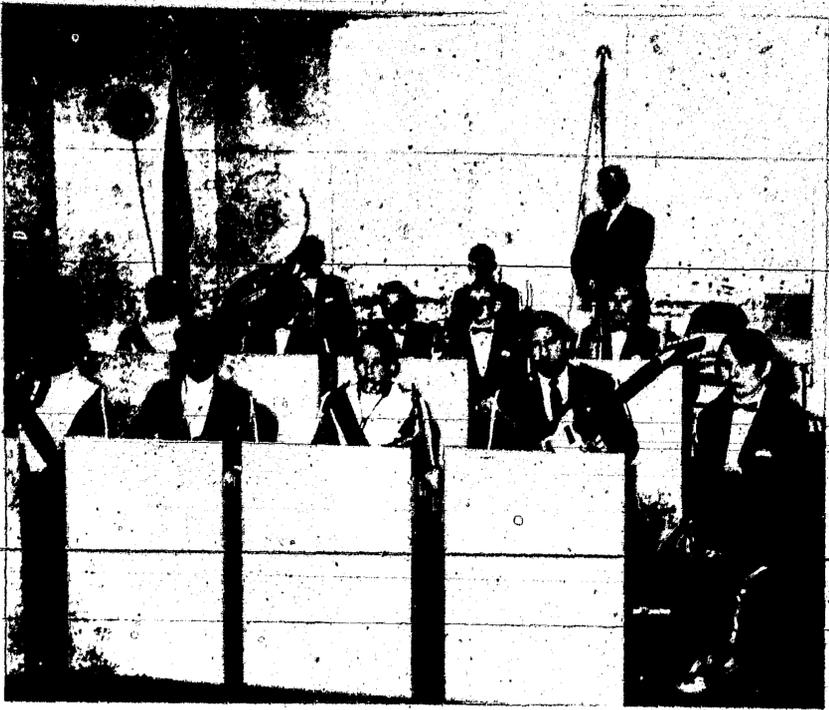

All of the 22 state parks were created and built for one reason only—YOU! For you and your family to enjoy.

Unexcelled scenery—the finest facilities—amidst the history of our country—relaxation and fun. They are all yours at the state

parks in New Mexico. Make your vacation dreams of 1968 come true in the land of Enchantment, U.S.A.—New Mexico!

Where Were You?
Joe was having trouble getting up in the mornings, his doctor prescribed some pills. Joe took them, slept well and was awake before he heard the alarm. He took his time getting to the office, strolled in and said to the boss, "I didn't have a bit of trouble getting up this morning, and I slept just fine."
"That's swell," said his boss, "but where were you yesterday?"

"Old Mac Says"
Ode To Pate:
I have been bawled out, balled up, held down, hung up, bulldozed, blackjacked, walked on, cheated, squeezed and mooched, stuck for war tax, excess profits tax, state dog tax and syntax, Red Cross, Green cross, and double cross; asked to help the society of John the Baptist, G.A.R. Womans Relief Corps, Mens Relief, and stomach relief. I have worked like Hell, have been drunk and got others drunk, lost all that I had and now because I won't spend and lend all the little that I earn and go beg, borrow or steal, I have been cussed, discussed, boycotted, talked about, lied to and lied about, held up, hung up, robbed and damned near ruined. And the only reason that I am sticking around now is to see what in the Hell is going to happen next.

Earl V. Morris, Republican candidate for county commissioner in Hidalgo, said he knew all the old timers over this way—our guess is that old timers are about twenty-five percent of the population. We newcomers who have been in New Mexico only 10 or 12 years don't know Mr. Morris.

Quipped from Duffy -- We know a clergyman whose calling card reads "What on earth are you doing for heaven's sake?" Pet shop advertised, "Going out of business -- lost our leach." At college reunions you find that your classmates have gotten so stout and so bald they hardly recognize you. Two reasons why women don't wear last year's dresses -- they don't want to and they can't. An alarm clock is a mechanism used to scare the daylight into you.

Frank Iwen back to see how mice winter

—Frank Iwen of Wisconsin University has been doing studies of the only black mice in the world, found in Carrizozo malpais, for a number of years and arrived back in Carrizozo Tuesday night to spend five days at the lava flow to see how the black mice have come through the winter. John Dajman accompanied Mr. Iwen to Lincoln County and is interested in gathering up osteology specimens to add to the collection at the University in Madison, Wisconsin.

FEDERAL GRAZING PRIVILEGES TRANSFERRED

Letter To Editor

Dear Sir:
If available, please send me an extra copy of the News dated February 22, 1968 containing the page of Southern Pacific Railroad scenes on the occasion of last day of passenger service.

R. E. Lemon, your city, who was a former railroader on both the Rock Island and S. P. divisions, is an uncle of the writer, and I'd like the newspaper clippings for our family scrap book.

Enclosed is two-bits, to cover cost and a self-addressed single wrapper for your convenience in mailing.

If you are personally acquainted with Uncle Ray Lemon, tell him hello for me. Thanking you, I am

Very truly yours,
Guy Harris, Sr.,
