This handsome medallion commemorating the 25th anniversary of the explosion of the world's first atomic device at Trinity Site is being offered to collectors here, at Citizens State Bank.

Biscuit request puzzles commissioners

Lincoln County Commissioners Don Stark and Charles Jones meeting Monday, were handed a letter by Clerk Alice King which leaves them wondering about their federal government. Like maybe the government has lost its biscuits.

The letter is from the General Services Administration, dated February 5, subject Vouchers so and no, and addressed to Mr. D. B. Stark, Chairman County Commission, Carrizozo.

The letter reads: "We have received subject vouchers from DGSC, Richmond, Virginia, but are unable to fill them at this time as we are temporarily out of biscuits."

Upon receipt of new biscuits, we will send you our form letter B7-1185 for your completion when you are ready to receive the supplies.

Signed, Carlos C. Angeles, Depot Manager.

Other business of the commission was of a more serious nature. A group of people with Charles Engleking, biologist at N. M. State, as their spokesman came to protest location of new sanitary land fill using as

reasons the following:

- 1) Possible pollution of Bonito Creek;
- 2) Trash scattering along road to land fill;
- 3) No soil for covering at land fill site;
- 4) Excessive amount of liquid in trash would cause pollution.

The commission believes most of these items are under control or will be. They have requested a soil survey from the Soil Conservation Service which has not been received and will prove the amount of soil at the site. The commission expects to control trash scattering. It will not be the case of an arroyo

being filled with trash which could cause runoff damage, rather a pit will be dug, and trash covered with a foot of soil.

Fred Wood, Lincoln - Otero County sanitarian, met with the commission and reviewed some regulation's concerning a sanitary land fill for the commission. The site selected will serve Capitan, Ruidoso, Ruidoso Downs, Angus, Bonito area and Fort Stanton.

Wood told the commission that he had been making investigation of water well in Corona area and

Trinity site commemorative medallions on sale at bank

Johnson Stearns, President of Citizens State Bank in Carrizozo, announced this week that his bank has released a new commemorative medallion marking the 25th anniversary of the nuclear explosion of the world's first nuclear device, detonated at 5:29 a.m., July 16, 1945 at Trinity Site located southwest of Carrizozo.

Ranchers and residents in the Carrizozo area well remember that early morning in 1945 when the entire sky was suddenly brightened by this explosion. Many stories were exchanged as to what exactly had taken place. One Southern Pacific engineer coming west on his train south of Corona said he knew the engine on the train ahead of him had exploded. Some of the gals around town who had arisen extra early that morning to get their wash on the line weren't too sure that another eruption hadn't taken place on the Mal Pais.

The medallion is designed by New Mexico artist, L. B. Comalle, and exquisitely executed by one of the country's foremost private mints. It will be available in two types, silver and bronze.

"The silver medallion, which is .999 plus fine silver, will be one and five sixteenth inches in diameter. The total mintage of the silver medallion is limited to 5,000, and this is the first of 1,000 to be issued. Each silver medallion will have the serial number on the edge and will be cased individually as a collector's item. These medallions are available to the public at \$10 each."

Stearns said, "The bronze medallion will be available in unlimited quantity; however the bronze medallion will not have a serial number. They will be available to the public at \$1 each."

Medallions may be purchased at the following banks: Security Bank & Trust, the Tularosa Branch, the Holloman Branch and Security Center Branch; Citizens State Bank at Vaughn, Estancia and Carrizozo; First State Bank at Cuba, Bernalillo and Corrales; The American Bank of Carlsbad; The American Bank of Commerce in Albuquerque; The First National Bank of Portales; and the International State Bank of Raton.

ROAD SUPERVISORS HERE — A three-day training course in safety was held for state highway supervisors at the rac center in Carrizozo last week. The course was conducted by R. E. Smith and Clyde C. Anderson, safety representatives for the highway department. Their aim is to have complete safety in highway work regardless of the kind of job being done. Shown here are: Byron Vance, Pete Apedaca, Leopoldo Gutierrez, Everett McClell, Jesse Samford, Irving Slick, Frank Keller, David Morris, Don Hudson, Darrell Sullivan, Roy Summers, Juan Beltran Lee M. Samera, Fred F. Roberts, Frank Gomez, Joe S. Vega, Nat Paez, Alvin Peasey, Joe A. Sanchez, Joe Hall, Manuel V. Carrillo, R. E. Smith and Clyde C. Anderson, safety representatives.

had arrived at conclusion that the well owner was polluting his own well. A letter from State Fire Marshal's Office gives a bad mark to three county fire Departments, at Hondo, Lincoln and Nogal. The letter dated February 26 reads in part, "Subject Fire Protection Fund Distribution. Your district is still Class 10, no better than as if no fire department ever existed. We call this to your attention because it will not be long until the district will be asking for their part of the Fire Protection Fund Distribution."

"It will be difficult for us to convince the Department of Finance and Administration, the Legislative Finance Committee and the Superintendent of Insurance that a district is entitled to any of these funds if it has not developed enough to deserve reclassification. We suggest the district, meaning all three, start moving toward getting out of Class 10. A set of guidelines is attached."

The guidelines set up geographic limits, organization of properly trained men, station facilities, operational records, alarm facilities, fire apparatus. Minimum equipment required is a part of the guidelines.

Bill Ward is Lincoln fire chief and Frank Tiltworth is Hondo Valley fire chief so far as the commissioners know. Nogal has no chief on record with the commission.

Holidays for county workers will be the same as those observed by the state, except that the road department will not work any half-days. Dates are: January 1, February 22, March 27, May 30, July 4, September 7, October 12, November 11, November 24 - 27 and December 25.

A request to move liquor licenses from Rodeo Bar east of Capitan to Angus is getting serious opposition. Petition with approximately 300 names was received at February meeting and another petition with around 400 names of protestors was received at March meeting Monday.

Bond election for two Lincoln County hospitals has been set for March 31 with voting in five precincts at Capitan, Carrizozo, Ruidoso, Hondo and Corona.

The question will be shall the county issue its general obligation bonds of \$685,000 for the Ruidoso hospital and \$142,000 for the Carrizozo hospital. Plans at Carrizozo are for new construction and equipment. Plans at Ruidoso are to build an intermediate care unit as an addition to the present structure.

The election is necessary to conform with supreme court ruling which says that all people including taxpayers and non-taxpayers have the right to vote on such bond issues.

Only those qualified electors who were ineligible to vote at the bond election of September 30, 1969 because they had not paid a property tax in Lincoln County during the year preceding that date shall be permitted to vote in the March 31 election.

The first election carried by a vote of 489 for to 327 against in Ruidoso. 528 for and 287 against in Carrizozo. The ruling for such bond election is that the vote by taxpayers must be for the issue, and that the vote of non-taxpayers will be added to the taxpayer vote and a simple majority carries the issue.

Wood Stevenson representing Alto Village was present with plat for approval. Commission also approved Loma Grande Acres and McCraw Tracts plats.

Lincoln County will be host to the annual conference of New Mexico Associated Counties. Continued on Back Page

Weather a mite cold for 3 elephants and 1 chimpanzee

Murray Hill, owner of Circus Animal World with headquarters in Burlington, Wisconsin was traveling from Imperial, Calif. where his animals performed at a fair with new destination in Toronto, Canada when the transmission of his semi tractor gave out time about 11:15 Monday night, place about 15 miles north of Carrizozo on US 54.

Weather in Lincoln County was real fine Monday and Tuesday but the weather man was right about storm coming this way and it hit the Lincoln area Wednesday night -- the three elephants and one chimpanzee still in their truck.

The elevation of Lincoln County ranges from 546' at Carrizozo up above 6,000 around Corona and temperatures get real cold for tropical animals. The elephants and chimp came from Thailand.

Hill is spending time in Carrizozo Wednesday waiting on his transmission to be fixed in El Paso then brought to Zozo where Ed Jones would put back in the truck and at the same time trying to figure out a way to get his animals next to some heat. His trailer has hitch that will not work on any local tractor.

The storm blanketed most of the county with a wet snow and lots of drifts making driving hazardous in the early morning Wednesday but by noon it was pretty well over at least for the present.

County Fair Board going for new \$60,000 building

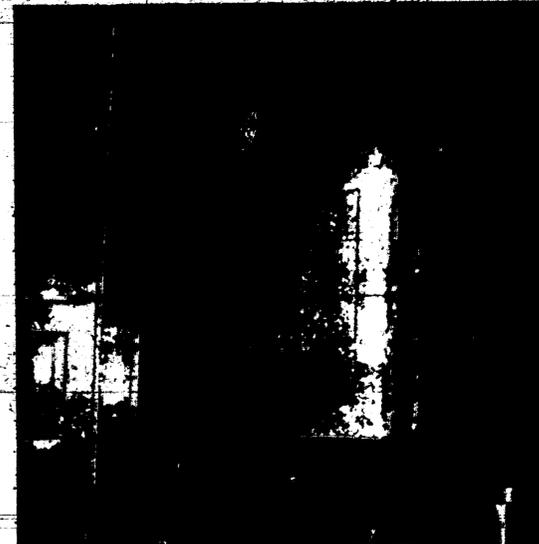

Plans have been in the making for several weeks for replacement of building on the Lincoln County fair grounds to replace the building that burned down last year and at a meeting in Capitan Monday night the decision was made to go ahead with the project.

The meeting was attended by fifty or more people from all areas of the county except Ruidoso and those present were enthusiastic about the project which will involve considerable fund raising over a period of years.

The new building will be 60 by 130 feet with 10 foot walls, rigid frame colored metal siding (turquoise) selected at the meeting), with 18 skylights, four 9x10 vents and cement floor. Question of whether or not to color the cement floor was not completely settled at the meeting.

Charles Jones, president of the fair board, conducted the meeting and answered questions about both construction and financing. The building is expected to cost \$60,000 by the time it is complete and equipped. Several good checks of money have been committed. The Village of Capitan will come in for \$10,000 spread over five years. The County has tentative plans to commit a like amount. The Town of Carrizozo has been contacted and is making investigation now to see that it can budget for such a commitment. All schools of the county will be contacted for help because school activities are tied in close with the fair.

The Citizens State Bank of Carrizozo has pledged \$1,000. Other business and individuals who pledged money or wrote checks at the Monday meeting. Continued on Back Page

PROFESSOR JONES AT HIS WORK — Charles Jones, member of Lincoln County Board of Commissioners, chairman of Lincoln County fair board and an active civic worker in the county for many years, is doing one of the things he does best - that of explaining to a large group of people how a new project can be handled. He is pointing out a feature of the new building to be constructed on the fair grounds at Capitan.

Truck wrecks Feed Store

The bend in US 54 at the south edge of Carrizozo has been the scene of a number of accidents lately no fatalities to date. The most recent accident almost completely wiped out the Vega feed store building because the north wall is cracked so bad the wall will have to be torn down.

This accident happened when Tom Gonzales of El Paso was coming north and traveling in excess of 90 mph, according to Sheriff Ernest Sanchez, as he approached the US 54 bend, Gonzales failed to make the turn. His pickup truck went off the road on the right hand side then out of control as he came back across the road and hit the front of the feed store. The front is wiped out, the outside wall, away had.

Gonzales has been charged with reckless driving by Marshal Choncho Morales. The accident happened at 11:00 p.m., March 5. The picture is courtesy of Sheriff Ernest Sanchez.

Word Of Death Received
Word was received in Carrizozo at 11:51 a.m., Wednesday morning of the death of Mrs. Ralph Martin in Las Vegas.

Old homesteader finally went home

The fine old gentleman a lot of Carrizozo people have seen out in the yard around the Jones place moving dirt or sitting in a chair and raking was named Denny Spald who came to this country from West Virginia with the Warden boys, both old timers of the area.

Denny at one time homesteaded a section of land in the Ancho area now a part of the Hightower ranch. As he aged he lived for a time in the El Cibola Hotel then moved to Tucuman and his last several years were spent in an apartment in Carrizozo where he literally kept his health by working around the yard and dieting.

Denny apparently died several weeks ago but was not missed for the reason that he didn't always come outdoors and really didn't want any person meddling in his affairs. The News editor has talked with him many times but he would not give his name nor did he want his picture taken so we never did.

Elfred Jones contacted the sheriff's office March 6 and they called Dr. A. N. Spencer as coroner. Denny Spald was buried in the Ancho Cemetery, the place he selected as his final resting ground in Lincoln County. Continued on Back Page

Payne moving law office

Carrizozo attorney Bill Payne has bought the Shafer house, second from the corner across street from courthouse, and plans to move his law office to this location by the first of April.

Payne came to Carrizozo in March of 1968 and has served as assistant district attorney since that time as well as carrying on a private practice. He recently won election as municipal judge for the Town of Carrizozo and will be a candidate for Magistrate in Division 1, position now held by Friday Sherrill who is retiring, in the coming election on the Democratic ticket. He is also serving as attorney for the Village of Capitan.

Civic affairs have occupied Bill Payne and he has been more than generous with his time serving as president of the Chamber of Commerce and Lions Club. The Shafer house will be remodeled some for office for both Payne and secretary Nayola Ortiz.

OTHER HALF LOOKS GOOD — This view of debris was left when house was moved off lot several years ago and the other parts of this block are as neat and beautiful as day in town. What does one tell visitors while driving around the area of Carrizozo — that we're too lazy, we don't care, we can't afford the cleanup, that we just don't give a darn.

Heart volunteers Marches

The Heart Sunday Volunteer Corps will be on the march beginning at 2:00 p.m. on Sunday March 15th to give every resident of Carrizozo a personal opportunity to fight the Nation's Number One health enemy -- the heart and blood vessel diseases. The residential canvass will be made on this one day only.

The members of the local Beta Sigma Phi will visit homes in every section of Carrizozo to accept contributions to the 1970 Heart Fund Campaign, and, as educational ambassadors, to distribute heart-guarding literature.

"In addition to distributing this heart-saving information," Elizabeth MacVeigh, Heart Sunday Chairman, said "the Heart Fund volunteer will

present a Heart Sunday envelope which the resident can use to strike a blow at the diseases which took more than 1,000,000 American lives last year and afflict about 27-million living Americans."

Where the volunteer finds no one at home, she will leave a pre-addressed mail-in envelope in which a contribution may be sent conveniently to Heart Fund headquarters during the next few days. Heart Sunday marks the high point in the Carrizozo Heart Association's annual Heart Fund drive which makes possible the crusade against the heart and blood vessel diseases.

So put out the welcome mat and remember the volunteer is working for your heart. Give Generously.

Carrizozo women bowl in Albuquerque tourney

Carrizozo had three teams representing the Alamogordo Association at the New Mexico Women's Bowling Tournament in Albuquerque over the week end. The tournament was held at the Lomas Bowling Alley and the Fiesta Lanes. The three teams representing Carrizozo were: Aguilars; Mela Herrera, Dolly Chavez, Ruby Jackson, Lorene Baroz and Juanita Vallejos. Alley - golfers; Jerry Light, Dorothy Payne, Anne Withers, Marton Schlarb and

Lola Villescos. Castillo Girls; Barbara Pena, Alyce Castillo, Mary Means, Elizabeth MacVeigh, and Nena Vega. These three teams all went to Albuquerque on Saturday and returned to Carrizozo Sunday.

The Canyon Cowbells had a meeting Tuesday from 9 to 12 at the Recreation Center. They will be hosting the cowbelle breakfast at the Cattlemans Convention in Santa Fe. Mrs. Wally Ferguson is the President of the Canyon Cowbells. The meeting was followed by a luncheon at the Recreation Center.

chapter was presented by our secretary Mrs. Francis Shaw, who was Grand Martha last year under Mrs. Dorothy Pendleton, Worthy Grand Matron of 1968-1969.

The Worthy Patron, Mr. C. E. Burns presented the Worthy Grand Patron Mr. Wesley Drury

with an honorary membership certificate, and our Treasurer, Mrs. Clara Lowe presented the gift from the chapter, Mrs. Erdine Kiefer from Macy chapter # 124, Macy, Indiana filled the star point of Adah in the absence of Mrs. Elmer Roberts.

Preceding the meeting during the dinner, Mrs. Irma Wilson sang "The Lord's Prayer" and "The End of a Perfect Day" accompanied by the Grand Organist of the Grand chapter Mrs. Mary Ellen Johnson. In attendance were 65 visitors and members, from near and far.

STATE OFFICERS VISIT CARRIZOZO WOMANS CLUB — State Officers of the New Mexico Federation of Women's Clubs line up to partake of the luncheon prepared in their honor by the Carrizozo Woman's Club. They are: Mrs. Paul House, Albuquerque, state corresponding secretary, Mrs. C. A. Glover, Ala-

mogordo, 4th district president, Mrs. E. K. Stephenson, President of Carrizozo Woman's Club, Mrs. Charles Dewitt, Albuquerque, State president, Mrs. George Maki, first vice-president, Carrizozo Woman's Club, Mrs. Lewis Cooper, Kenna, first vice-president, and Mrs. Milton Scudder, Albuquerque, second vice president.

Salad luncheon for visitors

A delicious salad luncheon was served at 12:00 noon, Monday March 2, at the Carrizozo Woman's Club building to members and guests.

State officials attending were: Mrs. Charles De Witt, President Mrs. Lewis Cooper, First Vice President, Mrs. M. E. Scudder, Second vice president, Mrs. Paul House, Corresponding secretary and Mrs. C. A. Glover, District president.

Following the luncheon, Mrs. B. K. Stephenson, president called the meeting to order and presented Mrs. De Witt to the group. Mrs. De Witt spoke of the many advantages to our clubs by federating with the national organization, The National Woman's Club headquarters are in Washington, D. C. and is the largest group of organized women in the world. The National organization is staffed by a group of thirty men and women. The first group of club women formed in the 1833, (at a time when women were not so free to voice their opinions.)

They pledged to raise funds to train young women to be teachers. The president then spoke of the New Mexico Federation of Women's Clubs. The state federated in 1911 and has since become vitally interested in parks and recreation in New Mexico. Have been instrumental in much constructive legislation and worked for conservation projects in the state.

Our state motto is, "The Desert Shall Bloom as a Rose." The colors yellow and white and the state flower is the Rose, emblematic of love.

Mrs. De Witt especially thanked Mrs. A. N. Spencer for her dedicated work in achieving a Chapel for the Boys School at Springer. The combined effort of Women's Clubs in New Mexico, presented a beautiful Hammond Organ, piano and 100

hymnals to the Chapel.

The project for the clubs completed this year is a camp for the physically handicapped, ten miles south of Clodcroft, in the Lincoln National Forest. The camp is called the Sleepy Grass Campground, officially named the "Trail for the Blind." There are twenty six braille signs on the path, a foot high cement railing on all walks, and many other beautiful advantages for the visually handicapped.

"La Pacencia Encanta" (Meaning Enchanted Path) is the only park of this magnitude in the U.S. sponsored by Women's Clubs. The park will be officially dedicated as New Mexico State Convention of Women's Clubs to be held in Alamogordo, April 29 and 30.

The club enjoyed other talks by the group of state officials traveling in a caravan through out the state, visiting all districts.

A variety of salads, hot rolls, tea, coffee, sherbert and cookies were served to members and their guests by Mrs. Fred Hase, chairman and committee, Mrs. J. E. Thornton, Mrs. A. N. Spencer, Mrs. J. Fay Harkey, Mrs. Chuck Wetzel, Miss Grace Jones and Mrs. B. K. Stephenson.

Guests from Carrizozo, Alamogordo and Ruidoso enjoyed the luncheon and program, along with Carrizozo Club members and state officers.

The officers planned to meet with Captain Woman's Club the same afternoon and the Ruidoso Club later in the evening.

Mrs. Julia Sherrill had as her guests this week end, Alan, Lois, Elva and Robert Sherrill, Mrs. Sherrill's grandchildren and all from Captain Mrs. Sherrill and her grandchildren were accompanied to Tularosa by Leland Barnes on Saturday. While there they visited Mr. and Mrs. E. W. Myers.

The Worthy Grand Matron was presented with an honorary membership certificate by our Worthy Matron, Mrs. Phike Ruth Rickerson. Also a gift from the

10 resounding reasons why you should buy a new Chevrolet instead of a new something else:

- 1 Higher resale value.** Year after year. No other car in Chevrolet's field gives you as much back on your initial investment.
- 2 Deep down value.** Exclusives like flush-and-dry rocker panels and an extra set of fenders keep Chevrolet looking good longer.
- 3 Smooth, smooth ride.** Because of Chevrolet's computer selected springs, Full Coil suspension and advanced body-mounting system.
- 4 Impressive styling.** The impression is that it's an expensive car, if you want to make an impression.
- 5 Massive interiors.** Result? Room to stretch out or to sit tall. Chevrolet has more front-leg room than any other car in its field.
- 6 Side-guard beams.** Chevrolet puts more between you and the outside. Steel beams built into every door.
- 7 A finish that lasts.** It's unfortunate other cars in Chevy's field don't have a Magic-Mirror finish because it sure keeps its shine.
- 8 Exceptional engines.** Chevrolet's standard 350-cubic-inch V8 runs on regular fuel. Plus there are five more engines available.
- 9 Tremendous selection.** Of colors. Of accessories. Of engines. Of transmissions. Of fabrics. And of models. There are nine big Chevrolets alone.
- 10 America's favorite.** Something a new "something else" can't claim. If actions speak louder than words, doesn't this say something to you?

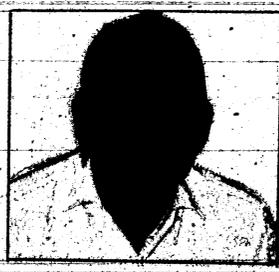

Putting you first, keeps us first. **Impala Custom Coupe**

VENDING IS BIG BUSINESS

We have enjoyed 20 years of unparalleled integrity dealing with our customers. Our company is expanding again and requires distributors to service routes of vending machines.

ROUTES ESTABLISHED! NO SELLING! NO SOLICITING! JUST PLAIN OLD FASHIONED GOOD SERVICE!

Car is required! Six to ten hours per week can run a small route. Income commensurate with investment and effort. Earnings can grow to \$1,000 per month with investment starting as little as \$1,500.

Yes, we will consider part time operators who are looking for an ideal supplemental income situation, but he or she must be expansion minded. An intelligent company financing plan is afforded after initial investment.

Please do not waste your time or ours if you're looking to "play with a few vending machines." Sincere people who are prepared to follow this company's principles of "Honest days pay for an honest day's work" may write. Your first letter should contain your phone number and sufficient references to verify.

SMOKEY BEAR COUNTRY — By Margaret Ranch

March has many old fashioned traits

March this year does have its old fashioned traits of all kinds of weather. This last Friday morning we awakened with alternating snow showers which lasted all day and finished that night. Mrs. Kingston and I made our usual trip to Ruidoso and it was beautiful with the snow sticking on the trees and the highway very wet. But one could not see the peak at all and it was advising motorists to use chains to the ski area. It was lighter at Ruidoso Downs where we stopped and visited Miss Lou Harris a few minutes.

This morning has clear skies with a brisk cold March wind. It does make us realize that it is spring.

The spring flowers are blooming and they seem to like this.

I at this time desire to wish everyone the most delightful and happy Easter. It is a joyous season.

Mr. and Mrs. H. Lee Miller of Alamogordo made a business trip to Capitán last Saturday. We are always delighted to have them.

Mr. Ben Leslie of Alamogordo is here this week visiting relatives and friends.

Mr. and Mrs. Jimmy Kerr and two children Rocky and Tammy of Clovis spent the last week end of February with her parents Mr. and Mrs. Lee Smith.

Mr. and Mrs. Joe Barber of Ft. Bayard are here at this time with his mother Mrs. A.L.

Barber and Dick. Her mother Mrs. Bert Minter underwent surgery at St. Mary's Hospital Friday February 27 and was very seriously ill. At this time she is doing better. My good wishes for a complete recovery are sincere.

Mrs. Louise Ferguson entered the Ruidoso Hospital Monday, March and was very ill though at this time is better. I wish you a good recovery.

Mrs. Ona Lair returned home from the Ruidoso Hospital a week ago after one week therein. Her daughter Mrs. Beaula Foster of Lovington is with her at this time. I wish you a good recovery.

Mr. Bob recently purchased the J. C. German home formerly the Laramie property. I wish you lots of joy and happiness with us.

Mrs. Emma Lee Alldredge of Goldsmith, Texas spent several days with her daughter Mr. and Mrs. Wayne Langford and two daughters.

Mr. Jack Daniels of Hobbs, the democratic candidate for governor was in Capitán last Wednesday meeting people and leaving his literature.

Mrs. Alva Taylor returned from Roswell last week where she had been for several days helping care for her mother, Mrs. Betty Purcella.

Mr. Travis Werner spent last Sunday in Alamogordo with his brother, Mrs. Elvis Anderson entered the Eastern Medical Center in Roswell Tuesday, February 24 and was in traction. Returned home last Saturday, March 7. I wish you good health Nona.

Mrs. Lewis (Bessie) Cummins passed out as in a heart attack last Wednesday night at Church. Hollis rushed her to the Ruidoso hospital. Her husband stayed with her all night and until they could get a nurse. She had to be watched as they had the machine working. At this time she is improved though must remain there quiet. Drs. do not know the cause but are not satisfied with her condition. I do wish you a good and complete recovery.

Though we do miss you, we do want you to remain there until you are strong.

Mr. and Mrs. Zane Leslie spent last Sunday in Truth or Consequences, N. M. visiting their cousin Mr. Robert Leslie.

Mr. and Mrs. Kingston and their came by for a few minutes to visit me. He is happily visiting everyone and it is good to see him looking so well. He visited a few days in Carrizozo with relatives. Many of whom he could not have ordinarily seen came and he was delighted to see them after several years. He told of Mr. and Mrs. Floyd Littleton of Oregon and their son came in Sunday night to visit his mother Mrs. Edna Littleton. Their other son remained in Oregon in college. They will leave Wednesday for Dallas. Mr. Leslie enjoyed everyone with delight.

He told me of his vacation he took in December and January being away one month and 10 days. He went by bus to Tucson Arizona to visit Beulah, Mr. and Mrs. Jimmy Kent. Both of their daughters are grown and married. One with her family and husband lives a few miles from them. The other with her husband and family lives near Sacramento, California.

He then went to Burbank, Calif. and Sun Valley to visit Dola and children and their families make their home.

He spent one week with his brother Mr. Ellis Lisle at Barstow, California. He boarded the bus for home January 14 his 78th birthday. He said he had been gone so long that he was glad to get home.

He was going to visit Mr. and Mrs. Zane Leslie for a few days before going home. He seemed very happy and in good spirits.

Cattle inventory up over 1969 year.

New Mexico farms and ranches had an inventory of 1,386,000 cattle and calves as of Jan. 1, 1970, a three per cent increase over 1969, says N. Gene Wright, livestock and wool marketing specialist at New Mexico State University.

At the first of the year, the state ranked 32nd among the 50 states for all cattle.

Beef cattle and calves in New Mexico accounted for 1,331,000 head, while cattle and calves kept for milk were reported at 55,000 head.

New Mexico ranked ninth among the states in numbers of sheep and lambs as of Jan. 1. Sheep and lambs on state farms and ranches at that time totaled 834,000, one per cent less than one year earlier.

The State's farmers had 48,000 hogs and pigs on Jan. 1, the same as in 1969. New Mexico ranked 41st among the states in hog and pig numbers.

Trees to be planted in community park

Corona Community Action will hold their regular meeting March 16 at 7:00 p.m. at the grade school building. The park will be staked on Tuesday and Wednesday for roads and water line. The trees will be here within the next ten days for planting. Please come out and help with planning of the park which will be a great thing for Corona. Let all the people interested in improving our town come out to help us in this worthy cause.

Rev. Robert Dodson will be at the Presbyterian Church March 15th. He is a missionary from Brazil. He will be showing slides of his work during the Sunday School hour at 10:00 o'clock and preaching at the worship service at 11:00 o'clock.

Regular Sunday School every Sunday morning at 10:00 o'clock and worship service at 11:00 o'clock. We invite every one that doesn't have a church home to come and worship with us.

Corona Extension Club meets March 19th. Bring # 8 knitting needles and a 4 oz. skein of yarn to make house shoes.

Obituary

John R. Baros

John R. Baros, son of Mrs. Timotea Baros of P. O. Box 292, Corona, is among the 1,100 full-time day division students attending the Technical - Vocational Institute here during the spring trimester. Vice President Louis E. Saavedra has announced.

Mr. Baros, who is a graduate of Corona High School, is enrolled in the Institute's Accounting program, which is 12 months in length.

Since there is no tuition charge to New Mexico residents, many students from outside of Albuquerque are taking advantage of the job training opportunities at T-VI.

The Institute offers technical and vocational training in 12 major fields: Accounting, automotive collision repair, automotive mechanics, data processing, technology, drafting

technology, electronics technology, hospital aide, machine trades, office education (clerical and secretarial), practical nursing, sales education, and welding. In each of these fields, students attend classes 25 to 30 hours per week.

Applications are now being taken for the summer trimester, in which classes will begin June 1. Deadline for making application for admission is May 1.

ROUND-UP

By Ralph Dunlap

I saw several wool clips being put up in the new red plastic wool bags. The bright red color should contrast very well with the white wool and show the wool to its best advantage. Growers should try to put up their wool in as good a condition as possible. The market is slow and the buyers will be looking for defects or poorly prepared wool in making their price offer.

Almost any livestock application you pick up nowadays is likely to contain an article or two on crossbreeding and numerous advertisements concerning animals for use in crossbreeding programs.

I wonder if this will have the effect of "brainwashing" to the extent that some breeders will leap headlong into a crossbreeding program without first learning the pitfalls they might encounter.

Before you jump to the conclusion that this is going to be another "anti-crossbreeding" editorial, let me assure you that I recognize the advantages crossbreeding can offer. The two most easily recognized advantages are: 1.) to get additive genetic variations not available in the breed and 2.) hybrid vigor expressed in larger calf crops.

The two most important pitfalls are 1.) individuals within a breed are often more different from one another than are two different breeds. 2.) Some crossbreeds are discriminated against in the stocker-feeder market. Crossbreeding enthusiasts talk about what breeds to cross, but

you must consider the individuals you select from the breed. If these are considered pitfalls there must be a way to avoid them. Regarding the first point, the answer is simple -- individuals for crossbreeding must be tested and selected by the same time-proven methods by which straight bred herds were improved. The better the individuals selected, the better the product of the cross. Concerning the second "pitfall" one way to avoid market discrimination is to feed out and sell your cattle on the slaughter markets. Custom feedlots make this alternative more readily available than before. For some, this is not a practical solution, but for others it could be made to work. Aside from this, one may select crosses which he believes would be discriminated against the least.

Looking at the entire beef industry, there is general agreement that crossbreeding will be much more widely used in the future. Looking from an individual breeder's viewpoint, this does not necessarily mean that the should start crossbreeding tomorrow. He needs to evaluate his present situation and his future potential with and without crossbreeding. It appears there should be a good market in the future for superior straightbred cattle to be used as foundations for crossbreeding programs. Those breeders who have been using sound principles of performance selection are those who will be in a position to capitalize most on such a market.

You may have a poisonous plant growing in your yard or house right now. Most poisonous plants are so common and seemingly harmless that you wouldn't suspect their toxic qualities. Who would guess that the beautiful oleander bush contains a toxic heart stimulant similar to digitalis. So powerful is this toxic plant that a single leaf of the oleander could possibly kill a small child. It is reported that people have died from eating steak that had been speared on an oleander stick and roasted over a fire.

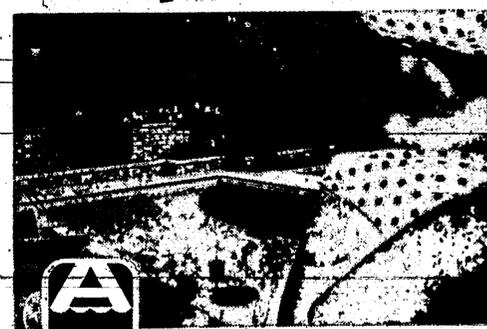

The poinsettia is full of an acrid, burning juice, so lethal that a child who consumed one leaf of the plant might actually die. The berries of the mistletoe have proven deadly to adults who made a so called medicinal tea of them.

It is easy to be deceived by plants. One part may be edible while another is poisonous. Twigs of cherry trees release cyanide when eaten. Peach tree leaves contain hydro-cyanic acid, one of the most dangerous poisons known. There is a case on record where five children became quite ill after drinking tea they had brewed for their "tea" party. They had used hot water and peach leaves.

Two of our most popular vegetables, the tomato and potato, come from plants related to the deadly nightshade. Although fresh tomato and potato tubers are harmless, the foliage and vines of both plants contain alkaloid poisons that can cause severe digestive up-set.

The most dangerous of all plants in the vegetable garden, according to USDA is rhubarb. The stalk, used in cooking and baking, is not toxic, but the leaf blade contains oxalic acid which crystallizes in the kidneys causing severe damage. Concentration of poison in the leaves is low, and you would have to eat a number of them to suffer ill effects.

Grandmother Mrs. Lupe Acabito and children: Mr. and Mrs. Ed Eaton, Jr. and Philip, Mr. Darr, Mrs. Duran, aunt and children all of Socorro, New Mexico.

Dennis Spaid laid to rest with old friends

Dennis L. Spaid, resident of Carrizozo the past few years, was buried in the Ancho Cemetery Saturday, March 7th, 1970 at 3:00 p.m. He was laid to rest between two of his old time friends, John Fagaros and Gus Hines. Grave side services were held with the Rev. Val Ball, of the Baptist Church, Carrizozo officiating. He delivered a brief but impressive message. Pall bearers were Roy Richard, Johnson-Stearns, Friday Sherrill, E. J. Harkey, John A. Hightower and Howard Harkey. Austin Wooten, Chapel of Rosess Mortuary, Carrizozo was in charge of arrangements.

Dennis L. Spaid came to the Ancho community in 1905 from West Virginia with the late Warden brothers, Guy and Pick. For several years after his arrival here he worked for the late Frank Maxwell on his extensive holdings; and in the meantime he accumulated land and stock of his own and operated the Spaid Ranch, for many years. He was an honest hardworking man who had the respect and good will of the entire community. In 1941 he went to work for Mr. Bond and lived on the old Blackshere place. He was there a number of years before becoming disabled and moved to Carrizozo.

He left his mark here, there is a well known "Spaidwell", NW of Ancho a few miles and one of his guns, a 22, he gave to George Straley, is on display in "My House". His "Denny's" burned into the stock. Ancho is saddened by the passing of our good friend "Denny" Spaid.

They plan to be up and out at the Sunrise site in Valley of Fires State Park at the time shown on the sign above. They are 1 to r, Robert Brown, David Ingalls and Jennie Smith of Capitan High.

New bank opens

Ruidoso's second bank - Security Bank of Ruidoso - became a reality Monday after more than 18 months of travail. It opened its doors Monday with \$120,000 in capital, \$120,000 in surplus and \$60,000 in undivided profits. Its staff - holding a certificate of authority from S. L. Sanders, state commissioner of banking, and documents affirming approval of its application for Federal Deposit Insurance on its deposits includes C. J. (Sonny) Wood, president; Robert Stearns, cashier; Ralph Petty, Jr., assistant cashier; Robert Scribner, chairman of the board. The board of directors includes Scribner, Wood, Maurice Hobson, T. A. and Kenneth Bonnell, Fletcher Hall, Hollis Cummins, Dr. Ronald L. Annala, J. P. McKnight, Dan Swearingen and L. F. Jennings. The new bank has an informal tie-up with Bank Securities, Inc., of Alamogordo, New Mexico's first and only registered bank holding company. T. A. Bonnell, Bank Securities president, said the holding company will make immediate application to the Federal Reserve for authority to bring the Ruidoso bank into the Bank Securities family. The group now includes Security Bank &

Trust of Alamogordo; Citizens State Bank of Vaughn, Carrizozo and Estancia; First State Bank of Cuba, Bernalillo and Corrales and American Bank of Carlsbad. Steps also have been initiated to bring American Bank of Commerce in Albuquerque and First National Bank of Portales into the Bank Securities network. The sponsors of Security Bank of Ruidoso first filed a letter of intent with the state commissioner of banking Aug. 27, 1968, after the organization had been formed and the capital stock had been subscribed. Formal application was filed the following October, and a formal hearing on the application was conducted in January, 1969, in Santa Fe. Ruidoso State Bank strongly resisted the application at the hearing, and a number of Ruidoso businessmen took a stand against a second bank here, arguing primarily that Ruidoso's economy, because of its seasonal aspect, could not support two banks. The state commissioner of banking approved the application for the new bank last March, and Ruidoso State Bank filed two court suits - one in Lincoln County and one in Santa Fe County -- contesting the banking commissioner's action. The banking commissioner

was upheld in a recent decision handed down by Dist. Judge Samuel Z. Montoya of Santa Fe. Ruidoso State Bank appealed Judge Montoya's decision, but meanwhile, the new state banking commissioner issued his certificate of authority, and the Federal Deposit Insurance Corp. approved the insurance of its deposits, clearing the way for the Monday opening.

The new Security Bank of Ruidoso brings to 65 the number of banks now operating in New Mexico, and it boosts the number of banks operating in Lincoln County to three. Citizens State Bank of Vaughn, which opened an office in Carrizozo when there were no home-owned banks in Lincoln County, is the oldest. Ruidoso State Bank became the first Lincoln County bank with home offices in the county.

White Oaks Meeting Called
 A meeting has been called for Saturday, March 14 at 7:30 p.m. in the courthouse to organize an association with the objective of preserving historic White Oaks, the establishment of a museum in the White Oaks school, putting up signs at historic locations, and other developments. This meeting is sponsored by the Carrizozo Chamber of Commerce and all interested people are invited to attend.

Joe Light won \$200 in El Paso tourney

Joe Light of Carrizozo out bowled a field of 32 top bowlers and won \$200 first prize and the Roy Lowry trophy in the Double Elimination Scratch Singles Bowling Tournament at Bowlers Lanes.

Phil Eritato, a previous contest winner, was edged into the second spot and won \$100 for his efforts, while Chuy Castaneda was third and picked up \$75.

Bill Arnold won the fourth spot leaving Jim Miller fifth and Bill Axtz, sixth. Over \$500 in prizes were at stake in the popular bowling tournament.

Annie Withers On Trip
 Mrs. Wayne Withers left Sunday from Albuquerque for a visit with her daughter, Mrs. Eddie Allen, in Stoughton, Wis. She plans to be gone about three weeks.

Biscuits puzzle
 Continued from Front Page April 30 - May 3 at Ruidoso. Don Stark is chairman of the conference with another chairman from the association. County officials including all offices in all counties are expected to attend.

The commission has entered into a cooperative agreement with the Upper Hondo Soil and Water Conservation District for the preservation of natural resources in the SAWCD. Under this agreement the district will make a complete inventory of resources on acreage controlled by cooperators, make technical assistance available, encourage and carry out programs of broad community interest, support conservation education, and provide counsel and advice on conservation problems and programs.

New fair building

Continued from Front Page include: Frankie Silva, Zane Leslie, N. E. Britton, Pearl Soderback, Rio Bonito Stockgrowers, Claude Walker, Lincoln County News, Dick Ratten Moore Agency, Capitan American Legion, Mount Capitan Land, Kolton Corp.

Finance committees were named with Johnson Stearns as chairman. Committee members are A. W. Gnatkowski, Eleanor Jones, Clara Snow, Frank Titsworth, Daye Parks, Ralph Dunlap and Mary Ellen Payne.

Pledge cards will be available soon, waiting only on tax deduction clarification. It was suggested at the meeting that many people might want to donate money to the building project by spreading their donation over a period of months or years. Any amount of donation is acceptable, from a dollar up.

The building will line up with the west side located where old building was and east side extending out wider than old building. It will be partitioned on one end for restroom, storage office space and will include kitchen facilities. Tables and chairs will be part of new equipment.

The plan is to use volunteer labor for construction and some donations of materials are expected.

Myrna Pflingsten in top five in state

The annual search for 'Homemakers of Tomorrow' put on by General Mills is conducted among 646,041 senior girls in 15,450 high schools in the nation to enhance the dignity and prestige of the American home and stimulate interest in home making.

The search is conducted on a local basis and then narrowed down to state winners and runner up and then national winners selected. Each state Homemaker of Tomorrow receives a \$1,500 scholarship and paid four of

BOTTLE COLLECTOR -- Manuel Luera grew up at Baberton in Lincoln County where his father had sheep and goats. He's lived here all his life working at sheep herding and more recently at the Four Winds. His hobby is collecting bottles from points he knows about all around the county and figures he has acquired some real valuable specimens 700 or more which he has for sale. Manuel is holding a piece of Indian stone work and on the floor and in boxes are part of his bottle collection.

Eastern United States. She also remains in competition for one of four national scholarships. Myrna Pflingsten of Capitan has received notice that she is among the five highest ranking girls of New Mexico in the 1970 search and is still being considered for a \$1,500 or \$500 scholarship. This notice was received Feb. 13, Angelina Province is Myrna's home economics teacher at Capitan.

Our View Of **LINCOLN COUNTY**

One of the best remembered men in all of Carrizozo's history was Arthur J. Rolland you see in the postoffice picture above with Dottie Leenert on left and Hattie Ponds on the right. This picture was taken about 1913 when Rolland was postmaster and the postoffice building at right was located on corner up next to the railroad.

Arthur Rolland and his brother Frank came to Alamogordo in the late 80's and later decided to open a store in Carrizozo to be managed by Arthur. Arthur later became sole owner of this store.

Mr. Rolland was an active man all his life, always a good sport and always a fine gentleman. He served his town as mayor and town clerk, served as county treasurer and these people still living who know him say they just don't make fine people like Arthur Rolland very often.

Rolland died in March of 1950, his widow operated the store until 1955 then sold it to Red Baker.

Mr. Baker started to work for the Rollands in 1916, railroaded a while then worked with them again in 1933.
