Thrilling drive at end of Pony Express Race

4,000 see Lincoln parade

People came from everywhere to swell the crowd at Lincoln, New Mexico, site of Lincoln County's first courthouse and stomping ground of the Lincoln County War, to around 4,000 people for the Sunday afternoon parade and pageant. According to Bill Ward this was the largest crowd ever seen in one day in Lincoln. There were 1700 people in attendance at the pageant. The parade was led by two old timers of Lincoln County, Glen Bradley of Hondo and Edgar Phillips of Lincoln. The 62nd U. S. Army Band from Ft. Bliss provided music for the parade and there were many entries from the area.

Parade sweepstakes winner was the Chaparral Gun Fighters of New Mexico from Las Cruces. Float winner was Shepler Western Wear of Roswell, horse and buggy carrying Duke and Diane Stallard, second place winner was Fort Stanton.

The Fort Bliss Band was awarded prize as specialty group, second in this class was group of Yolanda Salcido, Prudencio and Polaco families from Hondo, Mr. and Mrs. Fred Pfingsten won first place in mounted group class, second was the Chaves County sheriff's posse.

Individual entry winner was Herman Philpot of Lincoln as old prospector, second was the Floyd Hobbs family surrey. Costume winner was the Chaparral Gun Fighters, in second place the cast of pageant "The Last Escape of Billy the Kid."

Parade awards were presented by Walter Henn.

The old fiddler's contest had 12 contestants bowing for \$50 in cash prizes. Buddy Melton of Alamogordo was the winner, Dink Easury of Roswell was second and John Clark of Roswell third. The \$25 first prize money was donated by Pat Ward, \$15 second place from Bill Ward, and \$10 third place from the Exchange Bank Saloon.

HATTIE-JOHNNY-PREACHER — Postmaster Hattie Phillips of Lincoln has the Pony Express pouches, race winner Johnny Dobbs has hand on saddle, his father Preacher Dobbs, second place winner last year, at the right.

The White Oaks to Lincoln Pony Express Race was started last year as a centennial event and turned out to be real exciting, won by Fermin Chavez of Hondo. Around 700 pieces of mail were carried by the five riders that year.

This year the event was sponsored by the old Lincoln County Memorial Commission running the same course as a part of the Day in Old Lincoln festivities with Bill Ward as race manager.

It was a more exciting event, if such was possible, than last year because the four riders who finished were all close to even as they came off the Capitan Gap road and turned onto US 380 for the final few miles to Lincoln.

And then to climax the heated event two riders got their horses to the pageant grounds almost in a dead heat, Brahin Hindi of Duran only slightly ahead of Johnny Dobbs of Carrizozo when they dismounted to run the last yards of the race and Johnny had the most steam on foot, beating Brahin only about 10 feet to win the \$600 trophy saddle.

J. B. Morris of Riverside came in third, and Clifford Lambert of Ruidoso Downs was fourth in the race. Fermin Chavez' horse got sick right at the start and last year's winner was never a contender.

This special race sure puts one set of ranch horses against another and no one around Lincoln County would say that the Bar W Ranch horses are a lot better than the Hindi Ranch horses -- except that the Bar W rider Johnny Dobbs won the race.

Then you have to consider the horses used by J. B. Morris who was right with them all the way. According to Bill Ward there was a change made by Morris the morning of the race but he was going in the race with two horses from the Lincoln County Livestock Co. and two of his own.

Clifford Lambert of Ruidoso Downs was riding horses from the race track and they were good ones because he finished the race just seconds behind the winner, but not quite as good as the four Johnny Dobbs was riding the 41 mile course.

The Bar W Ranch, operated by Truman Spencer, Jr., is one of the oldest ranches in the county, originally parts of the ranch were owned by Murphy-Dolan of Lincoln County War fame, and the oldest patented ground on the ranch bears the name of Thomas Catron, a prominent politician in early day New Mexico.

The Bar W Ranch was acquired by Gov. Wm. McDonald, New Mexico's first governor, around 1890 and has been in the same family line since that time. Spencer is a direct descendant of Gov. McDonald.

That's where four of the toughest range horses in the southwest came from and proved

Tony Beltran coached his Bayard senior division all stars to a championship with victory over Silver City. Bayard beat Silver 3-2 for the district championship. Last Friday Bayard beat Tucumcari 3-2, then Saturday beat Albuquerque South Valley 3-0 for the state championship. Note from Tony says they will play in regional match this week in Albuquerque, the Western Region is composed of state winners from Arizona, Utah, Colorado and New Mexico. The regional champion will go to San Bernardino, Calif., for the World Series. Tony's guess is that if they can win the first game in Albuquerque, they can take the second and go to the series. "We have a bunch of good hard hitting boys, along with a real strong defense, and our pitching staff is one of the best" - lots of luck to Tony and his boys.

Johnny Dobbs won himself a footrace against an opponent who might be just a few years older. Johnny is 40 -- Brahin Hindi is the same age as Fletcher, Pat because they wore in college together. You'll have Fletcher about the year.

Good question around Carrizozo, at least among some people we talked to, is whether we ought to be optimistic and continue trying to help our town or are the immovable objects too hard to budge and we should just lay down and let our town fade away to a crossroads.

Terse note from Wally Olds envelope addressed as follows:

Hon. Paulus Payton, Editor, the Whoo ping Peal of Justice, Carrizozo. He is in the cable TV business as well as weekly newspaper at Red Lodge, Montana, raising a family -- all well.

There was real drama at the completion of the Pony Express Race at Lincoln and such a big crowd milling around that few people knew who actually won the race. Racers would sure like it better if traffic could be kept off US 380 on the run to Lincoln and us news and camera guys would appreciate some ropes to hold back the crowd.

Tops Club crowns queen for July

The Tops Carri Less Pounds crowned it's July queen on the twenty ninth of this month at Dr. A. N. Spencer's office. Crowned for the first time was Anna Aguilar, who lost a total of eight and one half pounds. In the month of July there were 67 pounds lost among the members which makes a grand total of 277 pounds shed since the club was formed the latter

part of March. We feel this is tremendous and are looking forward to any one joining that is interested. It is the best way to lose weight and keep it off.

Irma Wilson has resigned her position as first grade teacher in the Carrizozo schools and has accepted the position of first grade teacher at Holloman. The family plans to move to Alamogordo and the children will attend school there.

August 1, 1970

Dear Editors: Just a few lines to tell you how much my husband and I enjoy reading your paper. Our son and family sent it to us as a gift. They live in Alamogordo, New Mexico. We have had the pleasure to visit out there several times and really love it. Our son serving his military duty at Holloman, decided to stay and try for civil service when his tour was over, and this is exactly what happened. He did get on civil service and still works on Holloman and since has bought a home in Alamogordo. So you see reading your paper also makes us feel closer to him. My husband is an avid reader of the old west history and loves the stories (true) of those times

so he enjoys the paper, since your county played a big part in the olden days history.

I even enjoy comparing prices of your grocery ads, and I might add there is hardly any difference. Would love to be out there some time when you have your Rodeo and Barbeques. I guess I'm homesick.

The next time we get out there we will make it a point to visit you "God willing".

Sincerely,
Mrs. H. R. Bartels

Look your loveliest!

By Mildred North

Medical Arts

Imagine yourself in a famous makeup salon. What goes on? Step by step: Clean clear cleansing (makeup should be enhancement of your naked face).

Moisturizers if needed—pale concealer under the eyes to diminish any shadows—translucent tinted foundation, stopping at the chin line, and lightly on the eyelids—powder blushes as a shading in cheek hollows (below cheekbones). Creme rouge (shiny) as a highlighter on fatty part of cheek up to the side of the eye (but not above the brow). Silvery colored shadow on upper lid to the fold. Taupe shadow in the socket line to shape and deepen the eye.

Mascara on the tops of upper lashes to make false lashes adhere and create a single lash line. Mascara on lower lashes. Brows penciled, if they need definition and brushed. Lips outlined with brush and then filled in with color. Lip gloss over all.

Use your ring and middle finger when applying makeup by hand. (It's a give a soft touch). Use brushes for added artistry. Keep your mouth open slightly when you apply lip color.

Did you know that the throat usually looks better if not made up? Step—foundation at the chin line, blending it well so there is no line of demarcation.

Good skin care and hair care are basic necessities. Makeup helps us look our best. Hair coloring is fun. But the wise use of fragrance is what makes a woman feel feminine, sophisticated, clean and fresh.

It sets one woman apart from others as a distinct individual. A naturally lovely woman is even lovelier if she is surrounded by a delightful fragrance.

There also is denying the psychological lift that the right fragrance can give.

Perfume is a precious thing—made of costly ingredients and packaged in beautifully designed bottles—all for your pure joy in its use. It should not be hoarded. "All women are created equal until they use fragrance."

Have you seen a beautiful sun-tanned brunette lately?

Her hair color is dark brown. Her naturally medium-olive complexion has turned a very deep bronze from the sun.

Her makeup demands a complete summer make-over. The sun has virtually altered her complexion color. The key is to use more vibrant lip colors and paler pastel eye shadows. Shades that lend needed relief between her dark skin and dark hair.

Remember we must present the face that looks freshly made up hour after hour after hour.

All these creams and shadows and blushes you put on can make you absolutely beautiful. For a while. Then they can blotch and creak and streak and fade away. But now, Temporary Beauty, you can have Lasting Beauty. Lasting Beauty Makeup Finish. A revolutionary new mist that keeps your makeup looking fresh as new. For hours.

Lasting Beauty is a nice new experience all around. After your makeup's on, you close your eyes and release the gentle mist over your entire face. It feels cool as a morning mist. When you open your eyes, you won't see the Lasting Beauty or feel it. (It's non-sticky and hypo-allergenic and it won't clog your pores or anything like that.)

But it works like magic. For any type of skin, over any kind of makeup. Especially eye makeup. You'll look fresh as new. Whatever you're doing. Indoor or out. Day or night.

The reason people pass one door to call upon another store is not because the busier place has finer gloves or silk or lace. Or cheaper prices.

The reason lies in pleasant words and smiling eyes.

The true trade magnet I believe is just the treatment folks receive.

Mr. and Mrs. Jack Tunnell of Cross Plains, Texas, and Mr. and Mrs. Rodney Goebel of Lubbock visited Scott Bledsoe at his place in the Jicarillas the week end of July 26. Both families had daughters to entertain grand father.

Mr. C. H. Steinepreis who has been in Carrizozo visiting at the home of his son, Superintendent James Steinepreis, has gone to Albuquerque for a three month visit with his son, Carl and family.

Shannon and Shelley Wise of Loving, New Mexico, are visiting in the Steinepreis home this week. They are the nieces of Mrs. Steinepreis.

"Wear dates" items are good buys

Many mothers have started buying clothes for school already, and many more will in the next two weeks. We all want to get the most for our money in children's clothes. A good way to insure getting our money's worth is the new "wear dates" items. This means the garment is guaranteed to wear a certain length of time. If it doesn't the manufacturer assures the consumer that she'll get her money back or will replace the garment with a similar item.

It is very important that the consumer is on her toes to catch this guarantee. When she buys a garment, no one is going to tell her that it's guaranteed, that she has to save the label, and that she must keep the dated sales slip until the guarantee date runs out.

She has to catch these things herself. This means reading the label on the garment when she buys. The label states clearly that the garment is guaranteed to give normal wear for a definite length of time, and this time is given on the label. To prove that she has had the garment for no longer than the specified time, the consumer must keep the sales slip that gives the exact date of purchase. Also she must be sure the salesperson dates the sales slip.

SMOKEY BEAR COUNTRY — By Margaret Ranch

Full scale fire investigation started

The Special Investigator, David Gentry of Santa Fe out of the Fire Marshal's office arrived here Monday August 3 for a full scale investigation on these fires we have been having. He has been here several times one of which was last week. But this week he is staying here to get to the bottom of this. The Nazarene State Camp meeting started Monday, August 3 at Angus at the Nazarene Camp and will last through Sunday August 7.

We have had one and one tenth inch of rain in small showers this last week. There were three days that we did not have any so we had to start watering. But these little showers daily truly do make everything perk up and be bright and gay.

The old Titsworth water storage tank was taken out last week. It was built of rock. There was several cisterns and old cess pools filled too. There are more to take care of, but everyone is doing their part to take care of this kind of items. David Torrez took the old adobe garage down and they filled an abandoned cistern there.

Many weeds have been cut and that does improve things. Art's Lounge was finished painted cream with light blue trim. The new owner opened the Lounge Saturday at noon.

This town was full of people who were attending the Lincoln Pageant and it was reported to be going strong and doing fine. Lots of people in attendance. I like that report as Lincoln citizens worked so hard in the preparation for the annual occasion. There were so many people in Lincoln last Wednesday. They have had good crowds at the museums there all summer. Many old friends meet there at Lincoln and have lots of enjoyment. Their success gives me happiness.

Mr. Gordon Dockray of Ajo, Arizona spent several days with Mrs. Maude Clark and family last week and visited many friends.

Mr. Bill Tyler who is the owner of the former Palmer home on North Hill has made his home so

beautiful. It is painted a medium tan with brown trim and a dark red roof with trellis and it looks divine. The yard is so well kept with blooming flowers. He said he was working on the inside now. It proves just what a person can do with an old place when they really work and make it all new again.

We have a lot of houses that could be fixed into nice homes if persons could just see the possibilities.

Mr. and Mrs. Robert Dean spent Saturday night and Sunday with their son Mr. Harold Dean and Sally Ann at Bingham.

Mr. and Mrs. O. M. Heartsill of Ardmore, Oklahoma, accompanied by their grand daughter, Susan Charnock, who had been with them one month arrived at the home of their daughter Mr. and Mrs. Charnock and Ann, Monday, July 27 and stayed until Wednesday. Susan remained with her parents. Welcome home Susan.

Church of Christ Capitán will hold a gospel meeting beginning Sunday 9 thru Friday 14. All are invited to attend.

Mr. and Mrs. Otho Lowe have just completed their new cinder block garage and have torn the old garage down. It is now being filled in. It looks very nice. They have done lots of improvement on their property and it shows for the best for it is beautiful.

Mrs. Lucille Smith and Mrs. Jonelle Lucas both were ill last week. Mrs. Lucas still is not OK. I do wish both of you ladies a good recovery.

Rev. and Mrs. Leslie Conder, Mr. and Mrs. James Conder of San Diego, California and John Conder of Guntersville, Ala. visited Mr. and Mrs. Jack Shaw a short while Sunday as they were passing through Capitán. He was the former Episcopal Church minister at Ft. Stanton. They moved 13 years ago.

Pat and Alkie Hicks moved into their new home on West Fourth Street recently. It is a very lovely home. All antique inside. Just beautiful and I did enjoy it. It is their happy dream come true. The outside is veneered in the lava rock. Truly

a nice home in which they will have many happy hours and years. My wishes are for many years of happiness therein.

There are posters over town of \$500 for the discovery of the person who is responsible for the fires we have had.

Mrs. Lee Ingalls of Hondo was a business visitor in Capitán last Monday.

Mr. and Mrs. Jerry Foster and daughters Becky and Melanie enjoyed one weeks vacation in Moore, Oklahoma with his parents Mr. and Mrs. R. S. Foster. Melonie had her second birthday Friday July 24. While there Becky fell and broke her left collar bone. Outside of that they had a lovely vacation and returned Sunday July 26.

Mr. and Mrs. Jack Meriwether and daughter of Trenton, N. J. spent ten days visiting his step father, Mr. A. E. (Blondie) Lane. They are always so happy here and enjoy every moment. We love to have them with us. His mother is visiting in Warsaw, Mo. with another son, Ralph and family. She is in good health at this time.

Mr. and Mrs. Orville Trimble and six children of Humble City, Texas were guests last weekend at the home of Mr. and Mrs. Terry Strickland.

Mr. and Mrs. Elmer Skinner and Mr. and Mrs. Chris Skinner of Carlsbad camped on the Bonito last week. Enjoyed visiting old friends. They were born and reared here. Their parents Mr. and Mrs. Con Skinner moved to Malaga, N. M. years ago. They are natives here. Friends expressed happiness of having seen them.

Miss Mary Griego who is in the Army at Ft. Hood, Texas arrived to spend two weeks with her parents, Mr. and Mrs. Jake Griego of Ft. Stanton. She did arrive in time to visit her brother Jake who is going to Vietnam.

I learned that Robert Griego who had returned from his one year tour of duty in Vietnam has won several medals. The purple heart, accommodation medal and the air medal. I do think that is a good accomplishment for one of our boys. Though perhaps they may not think of it.

Mr. and Mrs. Ray Luck and three children of Roswell spent Thursday thru Sunday visiting

her mother Mrs. Maude Kingston.

A letter to Mr. and Mrs. Lewis Cummins from the F. R. Whitley of Atascadero, California sends greetings to their many friends here in Capitán whom they did hate so much to leave. They are happily located in a home of their own there now. They like it.

Mrs. Arch (Agnes) Parker of Alamogordo, formerly of Capitán passed away in the Alamogordo Hospital after two weeks illness. She had been active all of her life and would have been 100 years old September 11. She was formerly of Capitán and is well known to old timers. She had been making her home with her daughter Sue Lane. She was laid to rest in the Alamogordo Cemetery. Her survivors are a daughter, Sue Lane and two sons Clarence and Jess of Texas.

Pat Casey says books are first

Dear Mr. Payton,

You asked me to drop you a line this summer if I got the Carrizozo football job, so here it is. I hope this information will be about what you wanted.

My wife's name is Bettye Jan, the children's names are: Nita, 13, Mark, 11, Rusty, 6.

I participated in football for two years before I got married. I received my B. S. from Sul Ross in 1959 and my Master's from the University of Texas at El Paso in 1963.

I have coached football for 9 years since 1959 (missing 1967-68 while at Logan H. S. as principal and basketball coach and 1968-69 as elementary principal at Whiteface, Texas). My overall football record is 54-16-4. I have been very fortunate and have had the honor to coach some extremely talented and dedicated athletes who had a great desire to win.

My philosophy is condensed and as follows:

1. Academic work is foremost.
2. Hard work wins games. I work harder than other coaches and expect my athletes to work harder than the other school's boys.
3. Defense is more important than offense as far as winning and losing is concerned.
4. To win, a community must all pull together. We need the support of everyone in Carrizozo to be successful this season.
5. Winning and losing are separated by very few percentage points. Psychological attitude and desire are the things which make the difference in the big game.
6. Football fundamentals win the games and not the particular offense one employs. We will stress fundamentals from the very first day of practice.
7. If coaches and players do their best and still lose on the scoreboard, I think they are still the real winners. They have nothing to be ashamed of.

I hope you can use some of the ingredients of this letter to help our football team get off to a good start.

Sincerely,
Eli Casey

Demo caravan coming to Lincoln

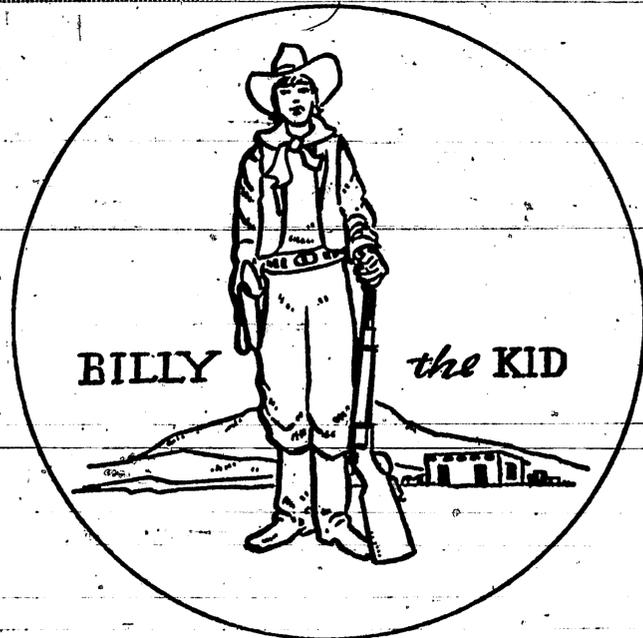

The Democratic road campaign caravan will move to Lincoln County Friday with all of the state top Democratic office seekers. The caravan, which is visiting more than 75 communities in every part of the state during August and September, will arrive in Corona about 4:00 p.m. and Carrizozo at 5:00.

Heading the tour are Gubernatorial Candidate Bruce King, U.S. Senator Joseph M. Montoya seeking re-election, and State Senator Harold Runnels, running for congress in the southern district. The candidates will move through the two cities visiting businesses and shaking hands.

The caravan moves to Alamogordo at 7:00, where former ambassador to France Sargent Shriver will address a fund-raising dinner on behalf of Runnels. Shriver will fly to Alamogordo from California.

P.S. I am now attending the University of Southern California on a National Science Foundation Grand studying astronomy, geology, and oceanography. I have been extremely busy or I would have written earlier. I feel very lucky to have the opportunity to work in Carrizozo and am confident we will get the job done. My last day of class here is on August 7 and I expect to be in Carrizozo on August 10th at the latest.

Domenici-Skeen kickoff campaign

Pete Domenici, Republican candidate for governor, and his running mate Joe Skeen will officially kickoff their campaign Sunday (August 9) with speeches in Albuquerque and Roswell.

Domenici and Skeen have been strengthening their statewide organization through strategy meetings and campaign trips since the primary election. The official kickoff date is 85 days from the November 3 election.

Domenici said the campaign pace will steadily quicken beginning August 9 with an itinerary which will allow him and Skeen to speak at functions throughout the state.

"We will visit every area more than once, to give every voter a chance to hear our views," Domenici said.

The Northern end of the kickoff will be at 2 p.m. in Albuquerque at the Highland High School Gymnasium and Domenici and Skeen will then fly to Roswell for the Southern half of the campaign opening from 6 to 8 p.m. at the Roswell Inn.

Domenici and Skeen will both speak at the two gatherings.

Republican Party officials, candidates for state office and residents from every county of the state have been invited to the kickoff gatherings. Congressmen Ed Foreman and Manuel Lujan and Senatorial candidate Anderson Carter have been invited and are expected to attend.

Domenici said the campaign kickoff will be held in Albuquerque and Roswell so that people from all areas of the state will be able to attend.

Frustrated and unhappy wife: "Well, I'd get a divorce, but it's the only thing that I can think of that would make my husband happy."

My House

Of Old Things, By Jackie Silvers

Visitors came to see us last week from Big Spring, Houston, El Paso, Ft. Worth, Dallas and Lubbock, Texas, from Cunningham, Kentucky, Phoenix, Arizona and South Gate, California. New Mexico visitors came from Alamogordo, Tularosa, Albuquerque, Ruidoso Downs, Artesia, Socorro and Las Cruces.

Mr. and Mrs. Paul Otero, Jr. and sons, Paul Angelo and Larry of Albuquerque, New Mexico were here for a tour of "My House" and a visit with us, Paul Jr. grew up on the W. R. Lovelace Ranch and attended Corona schools. He remembered our old store where he could stop for a cake and candy bar in the years gone by and remembered the depot where it used to be. He soon got his bearings. A nice visit with the Paul Otero, Jr.

Mr. and Mrs. Jack Hopper and Kathy of the E. P. M. G. Station were here to see "My House." They were accompanied by their friends Mr. and Mrs. John W. Greer and their children Reva, Randy, Rocky and Johnnie of Pampa, Texas. They enjoyed our relics and it was nice to meet them all.

Wilma Harpe of Rolla, Kansas was by for a second visit with us. She had been in Vaughn, N. M. for two weeks and she and her mother, Mary Gastinau planned to return home to Kansas this week after a pleasant month's vacation spent in Capitlan with their many friends. We hope they return again next year for a vacation in Lincoln County, N. M.

It was a real pleasure and joy when J. W. Barnes, Jeannie and their four lovely little daughters paid us a visit when they were here from their home in Arkansas for a vacation with J. W.'s parents, Mr. and Mrs. Oscar Barnes of Carrizozo. J. W. was one of our faithfuls who helped set up "My House of Old Things". He and Jeannie have been thru "My House" a number of times and their visits are always appreciated.

Mrs. Holt (Judy) Lovelace of Corona came to see us last Wednesday 29th. She brought her house guests for a tour of "My House." Her mother, Mrs. Eleanor Oliver of Socorro, N. M., her grandmother, Mrs. Laura D. Wolf, Socorro and her friend Laurel Wilkinings, Salano Beach Calif, accompanied her and we had a delightful visit with them.

All of us of the entire Ancho community are missing Bill Hightower who left last week for Fort Ord, California for his training in the National Guard. He will be at Fort Ord two months then return to Ft. Bliss, Texas for further training. About Dec. we hope to have Bill back home with us to his cheery hello each day or his wave as he passes by on his way to work. We miss Bill.

Mr. and Mrs. Clarence Mitchell of Alamogordo were by for a nice visit with us. They were accompanied by a niece and nephew, Mr. and Mrs. Charles Kulow of Eureka, Mo. We enjoyed a nice visit with them. It had been some time since Clarence and his wife had had a tour thru "My House". They found one new room.

The Ancho community was saddened last week by the death of Mrs. Demie Blasengame, one of our former friends of the Jack's

Peak area. She is the mother of Levene Snodgrass who lived here with his wife and children and drove the Ancho school bus. Mrs. Blasengame was on the old Hendrix ranch and was a good friend and a friendly neighbor for several years. To know Demie was to love her and our heart felt sympathy is extended to Levene and his family in the loss of his wonderful mother. She was 89 years of age.

Mrs. Helen McArthur of Salinas, California returned to her home last Tuesday by plane after a three weeks visit with the Jackson's and Jackie. Helen is always a delightful guest and her visit was over all too soon for us. She saw about all the friends she had made during the many years she has been coming to see us.

Mr. and Mrs. Tom Bingham of Tularosa spent the week end in the home of the E. I. Harkey's. Tom is Rose's brother.

Mr. and Mrs. Howard Harkey and family left Sunday 19th of July for a vacation in Iowa. They made their headquarters in the home of Mr. and Mrs. Sam McCabe at Oxford, Iowa. Mrs. McCabe is Barbara's aunt. From the McCabe home they made many excursions to visit relatives and see Iowa. One such trip they went to Davenport and crossed the Mississippi River. On Friday the 24th before leaving for home a family picnic was held for them with 95 to 100 relatives present. On their return home to the ranch they found everything green and tanks full of water, a real pleasant greeting home so ended a very happy vacation for the Howard Harkeys.

Mr. and Mrs. Jerry Gore and young sons, Jack, Sam, Lanny and Robert of Granger, Utah were here to see us; A tour of "My House" and a most nostalgic visit ensued. Mrs. Gore is the former Katie Marie Snodgrass, daughter of Levene and Allie Snodgrass. Katie Marie was born and reared here and attended the Ancho School. Her brother is "Butch" and is presently attending N. M. S. U. at Las Cruces. Katie Marie had come from Utah with her family to attend the funeral of her paternal grand mother, Mrs. Blasengame, held in Roswell on Saturday, 31st of July.

The Lincoln County Development Ass'n. held its regular meeting July 29th in the auditorium of the Community Building at Ancho with Lee Straley and Jackie hosting the

evening meeting. Only a few members were present but a great deal was accomplished and the meeting was interesting and informative. Plans were made, voted on and carried for the Lincoln County booth at the State Fair in Albuquerque to be held in September. Those in attendance at this meeting were Don Stark, President of the Ass'n, and his wife Sara, Ruidoso, Ralph Dunlap, Sec. Treas., and his wife Rosalie, Lincoln, Mr. Ed Brecheisen and his wife Mora, Ruidoso, Vernon Petty, Carrizozo, Lee Straley and Jackie Silvers, Ancho.

Dee Ann Jackson attended the wedding of one of her former schoolmates at Eastern on Saturday. Miss Sue Goetting and Jack Elkins were married at Laguna, N. M. in a very lovely ceremony. At Albuquerque Dee Ann was joined by Becky Barham who accompanied her to Laguna for the wedding. Becky served at the punch bowl and Dee Ann served the cake.

Mel and Peter Gnalkowski went to Pietown, N. M. last Friday to visit with friends on their ranch. Peter returned home but Mel will stay and make a trip to California with their friends. Mel will be gone for a week or so. His school in Corona will start very soon and he plans to be back at that time.

Mr. and Mrs. John A. High tower and Bryan went to Portales Sunday. They visited with Mr. and Mrs. Ivy Payne and Paul. They returned home late Monday.

Searching for that perfect gift?

Consider a mule.

A mule is cheaper than a weekend in Las Vegas, will probably eat whatever grows in your back yard (or your neighbor's), has few or maybe no moving parts and the upkeep is a lot less than Junior's car.

You can purchase a mule for around \$300 — things ain't like they used to be far as mule prices are concerned — and this special gift probably won't be any more stubborn than some of the people around the Lincoln County News. Sure would be a surprising gift if you could sneak your mule into the living room come Christmas morning.

If, after you have considered all the many advantages of a gift mule, and you finally decide that maybe this isn't exactly for you — consider the Lincoln County News as a special gift. The News doesn't eat a thing, doesn't smell, won't frighten your neighbors much, and has many uses after you've passed your copy around among many friends and relatives.

The News is "different" in so many ways. It's strictly a local newspaper, all about people of Lincoln County, with many pictures of people of people doing their thing in this great big county.

The News rarely has stories about troubles — we just don't have many troubles in our territory — rarely prints bad messages of any kind. The News is intended to be refreshing as well as fresh and to leave you feeling good about the many people you know around these parts.

It's a bargain, after we go to all the trouble of writing the copy, taking the pictures, solicit the ads, then print and send you a copy in your personal bag — just a little over a dime a week. What else would please you and your family so much.

Courthouse annex roof is one of many problems for county commissioners

Lincoln County commissioners Don Stark, Charles Jones and Holt Lovelace had a full day Tuesday going over the several problems in the courthouse and around the county.

Roof of the courthouse annex is leaking bad, wet weather is here, discussion was whether to do the fix job on emergency basis, or go through normal channels and delay fixing roof for couple of weeks. Decision was to have specifications drawn up, advertise for bids, let bid on August 18 with expectation that roof work would start in couple of days. Ceiling in one room of annex already badly damaged.

The commission viewed a film on sanitary landfill. It was pointed out in the film that most everything people use is eventually discarded. In the Los Angeles area each person is responsible for seven and a half pounds of garbage each day. Also in the California area a number of landfills are located at the request of people in area, and the ground later used for parks and housing, built on the landfill.

\$225,000 Suit filed July 27

A rather complex case was entered in the books at the Lincoln County clerk's office July 27, Sierra Blanca Sales Company, Inc. vs. the All American Livestock Sales Co., Newco Industries, Ruidoso Racing Association and Eric N. Culver.

The complaint states that on the 11th day of April 1969 there was a contract entered into between Eugene V. Hensley and Billie Hensley, the sellers, and Eric N. Culver, acting for and on behalf of Newco Industries, the buyers, whereby the sellers were to sell their stock to Newco Industries for \$1,513,590.00.

As part consideration for the sale the purchasers, the defendants herein agreed to pay the plaintiff the additional sum of \$225,000 as reflected by the employment agreement attached hereto, designated as exhibit B.

Prior to the sale, Hensley was receiving the sum of \$1,250.00 monthly from the Ruidoso Racing Association for professional services, which contract Newco assumed along with the All American Livestock Sales Co.

Upon the sale of April 11, Newco, Culver, All American and Ruidoso Racing made a novation of this contract or warranted to the Sierra Blanca Sales Co. whereby the Sierra Blanca Sales Co. was to receive \$225,000 over a period of 15 years.

themselves over a 41 mile course carrying a cowboy who has spent most of his life on the Bar W.

Johnny Dobbs told the News he had no complaints on any of his horses, they all came through in good shape and none of them were hurt any.

Johnny was riding Zeke, a 4 year old gelding on the first lap. Truman raised him. "The other riders run off and left me pretty early in the first lap but Zeke was doing all I could let him do". About that time Hindi was leading followed by Morris and Lambert, Chavez out of the race.

Johnny put his saddle on Blue, a 7 year old gelding for the second distance of 9.7 miles. All four of Johnny's horses are half brother, the daddy was a horse called Dan, not on the Bar W any more. Johnny said he was in last place coming into Encinosa, he rode Blue for all he was worth, and was figuring that a lot of things can happen in 41 miles so was content to do the best he could.

The horse that carried him through Capitan Gap is named Red, a 6 year old. At South Base Road, on the south side of the Gap, Johnny figured he was third in the race by five minutes or there abouts, Hindi was behind him.

Jamli Hindi, age 16, rode the Hindi horses through the first two laps before turning the riding to Brahlin.

Dobbs changed saddles again before the last run of 13 miles and was up on Nubbin (means small ear of corn), the same horse that carried daddy, (we know him as Preacher) to second place in the race last year.

Johnny said things were getting a little exciting and he couldn't say just where he started picking

claimed in probate (the race track ground) by the administrator. This deed was found valid by the court, that said deed was prepared by Jack Kennedy, and when he showed the deed to F. A. Miller after he prepared it, the said F. A. Miller noticed an error in the description, called it to Kennedy's attention and it was then corrected.

The final judgment -- It is ordered, adjudged and decreed that the plaintiff's complaint be and hereby is dismissed with prejudice (meaning the plaintiff pays court costs).

Excerpts from the court's findings of fact and conclusion of law: That F. A. Miller resided at Ruidoso long prior to year

1937 and was engaged among other things in the raising and selling of cattle. That on July 1, 1955 F. A. Miller executed the Warranty Deed of that date conveying the following described real estate, generally the race area, to the defendant, E. E. Miller, and to Joetyne M. Wright.

Conclusions of law:
 That the said E. E. Miller has fully accounted for all monies received by him from any source.

That E. E. Miller is not indebted to the estate of F. A. Miller in any amount on any account. That the defendant by virtue of a deed from F. A. Miller to E. E. Miller and Joetyne M. Wright became the owner of a one half undivided interest in all the lands described and set forth. That the plaintiff, Ira B. Miller, has no right, title or interest in and to the land described in said deed.

The decision might be appealed to higher courts, meanwhile it would appear that E. E. Brother Miller is the possessor of Ruidoso Race Track ground.

up ground, Brahlin caught up with him just below the Padilla place (about 3-4 miles from the Gap) and the others were still out in front. Hindi and Dobbs caught the other two riders at Double Crossing, but Dobbs doesn't exactly remember the order they were riding at that time.

Preacher had some trouble finding his way on to Highway 380 in the Centennial Race and had told Johnny how to go through there. He was leading the race at this time and had been ahead from the fork in the road back about three miles.

The riders sort of bunched up galloping along US 380 because of the many cars along the paving. Hindi went out in front and led up to just about 100 yards from Lincoln or maybe a little more.

"At Lincoln Brahlin got off ahead, maybe over-running the stop point a few steps but couldn't have been much because I outrun him in the foot race."

We asked Johnny if he could have run a little further, his answer was "Only if I'da had to". The Bar W has a good run of horses, they proved that, and that ranch also has a good running cowboy, Johnny Dobbs proved that, while running 50 yards to win a \$600 saddle. Not bad for such a short foot race -- performed in record time by a

preacher who had just traveled 41 miles off horseback.

Johnny Dobbs grew up on the Bar W Ranch, went to school in Carrizozo, cowboied some and then gave Uncle Sam a couple of years, farmed a bit and has come back on the Bar W since then. His wife is Jean, they have one son, Jeffrey Wyman age about 7.

Dobbs said he hardened 'em down some, starting about a month before the race, Red, Blue and Nubbin made the run last year. Nubbin is Preacher's horse a gift from Truman Spencer.

What do you do with a \$600 saddle when you get home with it? Johnny Dobbs said he stuck his in the saddle barn.

Award made to the Pony Express Riders -- were the \$600 saddle to Dobbs, the winner, plus a plaque; Hindi received a plaque and buckle donated by Sheplers Western Wear. Morris, third place, received a \$15 gift certificate from Tony Lama, and plaque, and Lambert received a \$10 gift certificate from Tony Lama.

Carrizozo Postmaster Fred Chavez officiated -- at swearing in the riders as special mail messengers -- they carried 1170 pieces of mail this year, each with the gold seal and stamp of the Lincoln County Express Race.
