School lunches in Carrizozo will continue at least one more week

Schools in New Mexico have been notified by the federal government that hot lunch funds will be cut off for the remainder of this school year. An appeal is being made to Congress for an emergency appropriation with some sort of answer expected on or about April 15.

using commodity items only, and raise money to pay helper.

- 3) Drop lunch program.
- 4) Discontinue free meals, and require full payment from all students.

Free meals now go to 38 per cent of students in the lunch program.

- Menues to come:
- April 8 -- Sausage patties, Pinto beans, honey cake.
 - April 9 - 12 -- Easter.
 - April 13 -- Chili meat, cole slaw, peanut butter and honey.
 - April 14 -- Peanut butter or cheese sandwich, prune crunch.
 - April 15 -- Pizza, applesauce cake.

Supt. James Steinepreis said that Carrizozo school lunchroom will continue to serve until April 15 with food items on hand. After that date one of the following courses will be elected:

- 1) Serve Type A meal as usual if government restores funds.
- 2) Continue lunch program

Commissioners set appraisal meet

Lincoln County commissioners Charles Jones, Holt Lovelace and Don Stark, chairman, were in regular session Monday. One group of visitors included five superintendents of the county, Lewis Stratton of Corona, Jim Steinepreis of Carrizozo, Ernest Bookey of Hondo, Pat McGuire of Ruidoso and Ira Caster of Capitan. The superintendents were inquiring about reappraisal and were asked to return to a commission meeting to be held April 12 at 2:00 p.m. when Haskell Smith and representative of appraisal firm will be here. The object of the meeting with the commission will be seen when work can get started on reappraisal for Lincoln County.

A group of people, with Helen Craig as spokesman, from Sun Valley met with the commission asking the county to assist with paving in Sun Valley. The county can't pave but can do blade work on Sun Valley roads when moisture is right.

Probation Officer R. H. Hedgecock asked the commission for funds in the new budget to pay office rent in the Ruidoso city hall. The commission will consider this item.

Rev. Harold Cartwright of Angus was present to discuss easement to abandon section of Angus Street, Lot 8, Blk. II and 12. Permission had been granted at previous meeting. Commissioners have agreed to put sprinkler system in for

courthouse lawn. They discussed possible water softening system with Dale Dobbs, no action taken.

The Commissioners plan to do some preliminary budget work at the April 12 meeting.

Tentative approval was given to proposed historical zoning ordinance for the Town of Lincoln, subject to approval of legal counsel.

The ordinance would regulate and restrict height, number of stories, size of building and other structures, percentage of lot that may be occupied, size of yards, courts and other open spaces, density population, the location and use of buildings, land for trade, industry, residence or other purposes, and

for said purposes to divide the town into districts of such number, shape, area and form as is necessary to carry out the purposes of the ordinance.

Area "A" is designated Lincoln Historical Area with following requirements: All exterior walls shall be adobe or appearance of adobe, roofing of wood shingles or composition of shape and texture of wood, window of wood frame, doors of wood, no mobile homes or trailers allowed, signs limited to those painted on walls or no larger than four by six feet. Area "A" extends from east boundary of cemetery to west boundary of Peppin Estate, from Forest boundary on north to base of mountains on south.

Area "B" is designated controlled except that mobile homes and trailers shall be allowed.

Commissioners Stark and Jones with help from their wives, were sitting as a Board of Equalization on Tuesday, their second day of such work. Commissioner Lovelace was busy shearing sheep that day. The Board of Appeal will be in session on Wednesday, May 5.

Socorro captures Grizzly Relays

With wins in the two-mile high hurdles, one-mile, low hurdles, 220 dash, mile relay, shot put, the Socorro track team scored 99 points and almost a runaway victory in the Grizzly Relays held in Carrizozo on Saturday.

- Teams and points scored:

THE WAY OF THE WEST

The winds of March were still at it on April 5 when a rather stiff one blew into town around 8:00 p.m. The freakish accident that will be remembered from this wind was the round open end section of steel tank that rolled and flopped down the street between the postoffice and Cox place crossing US54 and whamming right into plate glass of the Thornton store, Andy Benevidez called Thornton at 9:00, Gary Lovelace was contacted and came to put in plywood repair job. Glass had really splattered the inside of the store from the impact.

W-W Carrizozo FHA girls are writing letters to prisoners of war addressed to Hanoi, North Vietnam -- Reason being that they feel concerned about our men in prison.

W-W We have filled out newspaper survey for El Paso Times. Lots of good things in that newspaper and we're glad to oblige the carrier boy. After completing comments on this paper, and listing parts of low interest tous such as stock market, church page, womens page, editorial, syndicated features, farm and ranch -- we began to wonder, what do people find of interest to read in a weekly newspaper that has none of those things.

W-W Small papers with limited number of advertisers can't afford editorial page, got enough people mad without editorials to make it worse. We can't afford the good comics and don't want the cheap ones. Not enough sports in town to make up a sports page. We don't want syndicated features, will do our own as many as we can afford. No stock market for us. Would like more church news but is real hard to get other than special seasons. We like ranch news but couldn't begin to make up such a page nor can we make up page of classified advertising, or a Sunday sundial supplement.

W-W So, what do you get? Most weeks a front page written by the News Editor covering happenings in town, court, school, town council, county commission, column such as you are reading, and hopefully something unusual which does not happen every week. Inside will be club reports, weddings, engagements, awards, trips, visits -- all about our own Lincoln County people. Of course we print obituaries, hospital report, births, and a lot of other things -- all about us homefolks. And there you have it -- we think our readers want to know about the home folks and try to oblige them!

W-W You'll know that since Eleanor has been feeling poorly that we have no "Around Town" news. Maybe someday we'll find person to do this job, don't expect Eleanor back at it. We're like the El Paso Times -- your constructive comments or suggestions will be appreciated, any time.

W-W Arnold Boyce took his Grizzly Band to Capitan for assembly program Monday, 43 youngsters on the trip with Mr. and Mrs. Nat Chavez helping. There are 3-6th graders, 8-7th, 9-8th, 11-9th, 4-10th, 6-11th and 2-12th graders in this band.

W-W Something to be said for teachers -- more than 4,000,000 did not strike or participate in riotous demonstrations last year.

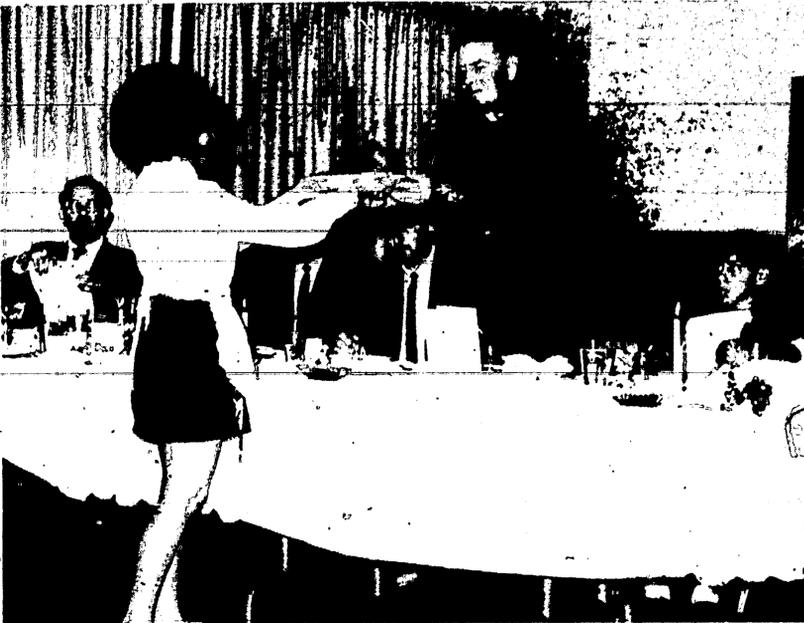

W-W Local historians should obtain

for themselves a copy of the American Railroad Journal 1966 edition. It has this paragraph. The Southern Pacific received twelve 2-8-8-4 superpower coal-burning articulated passenger and freight locomotives from the Lima Locomotive Works during the latter part of 1939. They were the longest and the heaviest pieces of motive power on the entire Southern Pacific system. The locomotives were designed for the Rio Grande Division and placed in service between El Paso, and Tucumcari, a distance of 332 miles. This trackage had mountain grades reaching a maximum elevation of 6,724 feet and ascending grades of one per cent. The line rises 3,000 feet east-bound from El Paso to the Corona, and 2,700 feet west-bound between Tucumcari and the summit.

W-W Swiped from Duffy -- Insomnia is becoming a thing of the past -- what with all these sleeping pills -- and the late, late TV movies. Have you heard the story of the Texan who wrote a check, and the bank bounced? Whatever else you can say about them, you'll have to admit that beards cover a multitude of chins these days.

W-W Stockholm trumpet player: Toot Swede.

Pascal Meal observance at St. Rita Parish

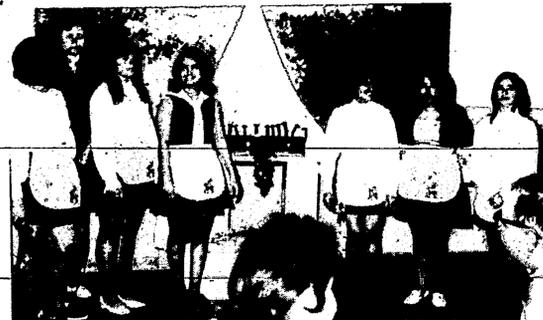

Pascal lamb is placed before the leader.

According to ancient Jewish custom, it is the task of the mother to light the festival lights in every service which takes place in the Jewish home to symbolize the coming of Christ. Shown here are pictures taken by David LaFave of the celebration of The Pascal Meal at St. Rita Parish Hall.

Billy Graham movie showing 15th

"The Restless Ones," considered the most successful motion picture yet produced by Evangelist Billy Graham, will be shown in Carrizozo on April 15, 7:00 p.m. in the First Baptist Church.

With the accent on youth, this feature-length film deals imaginatively and dramatically with the teen-age crisis. With a background setting provided by the 1963 Billy Graham Los Angeles Crusade, and artfully woven into the story pattern, "The Restless One" is a hard-hitting, bold approach to our social problems.

Here is a film which dares to be different, a story which will stir the heart and mind. Having seen "The Restless Ones," you will never be the same. As one reviewer said, "Here

is a picture that tells the world the truth and comes up with an answer, not an easy answer, but an answer from beyond us." This answer will satisfy, challenge and inspire young and old alike and will appeal to churchgoers and non-churchgoers. The Christian message comes through in the midst of a realistic teenage situation, cleanly and without cloying. Swift-moving plot episodes highlight the opportunities facing the church.

Screen writer James Collier has skillfully brought into focus the contemporary plight of both teen-agers and parents. A sensitive script, produced by World Wide Pictures under the direction of Dick Ross, has resulted in a "break-through" in "The Restless Ones."

The Thunderbirds at Holloman AFB

Residents of the Holloman AFB-Alamogordo, N.M., area can treat themselves to a real thrill Saturday, April 10, when the world famous United States Air Force's Demonstration Squadron -- The Thunderbirds -- appear at Holloman.

The Thunderbirds will be the featured attraction of the Open House being sponsored by the 49th Tactical Fighter Wing (TFW) to celebrate the 25th Anniversary of the wing's parent command, Tactical Air Command (TAC). Starting at noon on the main flight line area at Holloman, the day's events will include performances by two Air Force ROTC drill teams from New Mexico State University -- the male Saber Squadron and the Angel Flight.

There will be continuous performances from noon to 3 p.m. by weapons load crews of the 49th TFW to demonstrate the techniques and equipment used to load ordnance onto the F-4D Phantom II's flown by the four tactical fighter squadrons of the 49th.

Other attractions will be static displays of aircraft in TAC's inventory, including the F-4D, F-105, F-100, A-7, At-33, RF-4 and C130. Aircrews will be on hand to explain their aircraft's equipment, instruments and mission capabilities.

The Open House begins at 12 noon on the 10th with the Thunderbirds scheduled to take off at 3 p.m. There'll be plenty of free parking near the display areas.

How Now?

HOW NOW BROWN COW? Rep. John Hunt (R-N.J.) quotes the old saw about government "isms" as follows:

SOCIALISM: You have two cows. The government takes one and gives it to your neighbor.

COMMUNISM: You have two cows. The government takes both and gives you the milk.

FASCISM: You have two cows. The government takes both and sells you the milk.

NAZISM: You have two cows. The government takes both cows and shoots you.

NEW DEALISM: You have two cows. The government buys both, shoots one, milks the other and throws the milk away.

CAPITALISM: You have two cows. You sell one cow and buy a bull.

ensemble of blue accented with bone accessories. Both mothers wore white daisy corsages.

A reception was held in the church immediately following the ceremony. The bride's table was covered with a white cloth with a pink net overlay. Centering the table was an arrangement of pink and white carnations accented with daisies. The three-tiered wedding cake featured a miniature bride and groom.

Miss Debbie Fugate of Kermit, Texas, cousin of the bride, attended the guest book. Hostesses were Mrs. Mark Finner and Mrs. Marilyn Hobbs. Reiter attended Eastern New Mexico University, Roswell campus and is currently employed in Aztec. The bride is a 1970 graduate of Corona High School and attended ENMU - Roswell, School of Nursing. After a short wedding trip, the couple is at home in Aztec.

Miss Jan Ellen Randle

June bride elect

Mr. and Mrs. Bill Randle of Capitan announce the engagement and forthcoming marriage of their daughter, Jan Ellen, to Gordon Douglas Barham, son of Mr. and Mrs. R. C. Barham of Carrizozo. The bride-elect was graduated in 1968 from Capitan High School and is a junior at New Mexico State University majoring in elementary education. The prospective bridegroom was graduated from Carrizozo High School in 1968 and is majoring in animal science at N.M.S.U. The wedding date has been set for June 19.

Margaret Stearns is vice president

Gamma Tau Chapter of Beta Sigma Phi met March 25th in the Rural Electric building. Roll call was answered as each member named her favorite style of furniture. Recording secretary Anne Ferguson read the minutes of the previous meeting and Sharon Hecker presented the treasurer's report in the absence of Eleanor Payton. Margaret Stearns was installed as Vice President due to Phoebe Taylor moving to Las Cruces. The business meeting closed after a discussion concerning the Founders Day Banquet.

Jane Shafer presented the program for the evening on "Interior Decorating". Members were given a home decorating quiz by Jane, which we all learned a lot from. Jane showed several swatches of upholstery material and a color chart as she explained the different

Capitan Woman's Club met Thursday night, at the Wortley in Lincoln. There were thirteen members present and four guests, including Mrs. Vivian Clem, Fourth District President, Mrs. Tim Hunt, Mrs.

Ira Caster and Mrs. Lynn Stoneman. Mrs. Gerald Dean, Jr., president, called the meeting to order.

Mrs. Wayne Langford, Park Chairman reported, with the help of club members and their husbands, forty-five trees were set out over the weekend of March 7. Mrs. Butch Allen, nominating committee chairman presented the slate of officers for the ensuing year. Mrs. Gerald Dean, Jr., president, Mrs. Mike Somerville, vice president, Mrs. Doyn Robertson, secretary, Mrs. Wayne Langford, treasurer.

Mrs. John Able, program chairman, with Mrs. Pearl Soderback, planned a delicious meal, which was served from attractively decorated table.

Following the meal Mrs. Clem was introduced. Mrs. Clem gave us an inspiring history of the General Federation of Woman's Clubs, from the very beginning up to the present date. Stressing that unity among the members on local, state and national levels has proven the success of the Federated Clubs through the years.

This was the kind of message that inspired each of us to be a better club worker.

FHA members at convention

Fifteen members of the Carrizozo Chapter of Future Homemakers of America attended the State Convention in Albuquerque, March 26 and 27, under the sponsorship of their adviser, Mrs. Emma Catherine Lawson, their chapter mother, Mrs. Barbara Harkey, and their student teacher, Mrs. Barbara Radcliff.

Those attending were Susan Harkey, Janie Chavez, Carol Sidwell, Kathy McBride, LuEllen Harkey, Margaret Monreal, Ruby Romo, Margie Zamora, Liz Ortiz, Lois Ortiz, Gloria Ortiz, Carla Stuteville, Patsy Samora, LeAnne Straley and Marie Barela.

The Carrizozo Chapter presented the "Thought for the Day" at the Saturday afternoon session.

"Then, I missed!"

During a hot and heavy game of "Cowboy and Indians" in our neighborhood, a little three-year old got slightly confused. After rushing up to a nine year old boy he thrust a small gun against his back, and with joyful glee shouted: "Bang." The boy turned around with a look of contempt and said, "I'm on your side!"

Not to be outdone, the little fellow decided, "Okay, then, I missed."

Vows in Immanuel Lutheran Church

Miss Vida Marie Longorio became the bride of Mr. Daniel Lee Reiter of Aztec in a double ring ceremony March 20, 1971, in the Immanuel Lutheran Church of Roswell. The Rev. J. C. Hettlinger officiated at the early evening service.

Parents of the bride are Mr. and Mrs. Marshall F. Jeffcoat, Roswell, formerly of Corona. The groom's parents are Mr. and Mrs. Earl Reiter of Aztec.

Miss Sherrill D. Perkins, organist, played traditional wedding music and accompanied the soloist, Mrs. Paul Snead, who sang "Walk Hand in Hand" and "The Wedding Prayer."

Escorted to the altar by her step-father, the bride wore a formal-length gown fashioned with an Empire waistline and A-line skirt of organza. Daisy appliques trimmed the cow neck-line and Bishop sleeves and edged the gown and chapel train. Her elbow-length veil of imported silk illusion was caught to a headpiece of daisies.

For something old, the bride carried a handkerchief which belonged to the groom's grandmother. Something new was the bridal gown, something borrowed, her shoes, and she wore the traditional blue garter. The bridal bouquet was cascading white mums accented with baby's breath.

The matron of honor was Mrs. Michael Payne. She was attired in a pink gown featuring white Venise motif trim on the Empire waistline. The dress was fashioned with a back sweep and Bishop sleeves. Her headpiece and veil were identical to the bride's. Mrs. Payne's dress was duplicated in shades of orchid for the bridesmaids, Sally and Barbara Reiter, sisters of the bridegroom.

Flower girl and ring bearer were Jan and Bruce Cauthen. Serving his brother as best man was Jimmie Reiter. Grooms-men were Charles Longorio, brother of the bride and Bobby Reiter, brother of the groom. Ushers were Donald Longorio, brother of the bride and Jack Cauthen.

For her daughter's wedding Mrs. Jeffcoat chose a two-piece dress and coat ensemble toned in mint green. Mrs. Reiter was attired in a two-piece dress

Warm days and nights followed by heavy ice which nips spring flowers

We had several very warm days and nights and it was followed by heavy ice. It is very cold now. The Spring flowers froze in the bud. But we are watering now to bring the grass as it crunches under foot. Easter is so very near and we usually have this kind of weather and sometimes much worse. We have much to be thankful for just the same.

I wish everyone peace and joy and all of the good beginnings with this Easter.

Fishing season opened Sat. April 3. There were lots of people coming through and stopping in our City on their way to fish. It was good having that activity. I am certain everyone did enjoy that.

Sixty-five members and guests enjoyed the monthly Church of Christ Fellowship dinner last Sunday at the home of Mr. and Mrs. Jack McGarry.

Mrs. Duane Darling, Gary and Kenny of Lovig, came last Sat. and spent the weekend at the home of Mr. and Mrs. Jack Shaw.

Mrs. Hilda Young, who teaches in Mescalero, has one week's vacation for Easter. She will enjoy being at home with her husband Jack. She lives in Tularosa during the week.

Miss Alice Jean Montes who has been home for one month with her parents, Mr. and Mrs. S. A. Montes. She has finished her tour of duty in the Army. She enjoyed her duties in many countries. She does not know at this time just what she will do next. She is enjoying home.

Miss Lou Harris is very comfortably settled in her new home here in Capitán near her sister, Maude Kingston. She moved the last of her possessions last Thursday. She is happy to be with us and we are glad to have her.

Mr. Guy Dean of Tucson, Ariz. arrived last Friday to visit his parents Mr. and Mrs. Robert Dean and left Tuesday.

Vickie, Beckie and Paula Taff of Jal arrived last Sunday to spend this week of their Easter vacation with their grandparents Mr. and Mrs. Hap Allen. Their parents, Mr. and Mrs. Charles Taff, joined them Wednesday to spend the remaining part of the week with them.

Mr. and Mrs. Red Ramey were in Capitán on business last Mon. morning. They are spending one week at their home in Lincoln. Fronie has a week's Easter vacation from her duties in the Mescalero school in which she has taught for 16 years. They live in Tularosa. I know they do enjoy being home.

Mr. N. C. Grantham, Jr. entered the Ruidoso Hospital Sun. morning quite ill. I wish you a good recovery.

Happy Birthday to Mrs. Delores Trujillo whose birthday was April 1.

Mrs. Doris Pounds, Patricia and Wesley went to Portales last Friday to visit her son, Grover Dobbins, at Eastern College and they returned home Sunday evening.

Mr. and Mrs. Otho Lowe, Mr. and Mrs. Jack Shaw and Mrs. Rench attended the regular meeting of the Eastern Star at the Masonic Hall last Thursday.

Mrs. J. C. Harris and Tracie of Ruidoso Downs visited their aunts Miss Lou Harris and Mrs. Maude Kingston last Saturday.

Mrs. Rench and Mrs. Kingston made a business trip to Ruidoso last Friday.

Dirt is being moved to the spot where the Buena Vista Hotel Annex once was. To fill in there. It looks very nice.

Mrs. Mittie Ruth McBride was very ill four days and then had to enter the Ruidoso Hospital last Tuesday and remained there until Saturday morning when she was released. She and Cody made a business trip to Roswell. She returned to her duties at the Ruidoso Hospital on Monday morning.

Mr. and Mrs. S. M. Cozzens visited his sister Mrs. Mamie Holden in Clyde, Texas. They reported the country from Capitán to Clyde was extremely dry.

Mr. and Mrs. Otho Lowe and Mr. and Mrs. Jack McGarry made a business trip to Carri-zozo last Monday.

Mrs. Lottie White of Alamogordo passed away unexpectedly last Sunday evening. She and Mrs. Jess Harris have been friends for many years. Mrs. Lola Harris and Mrs. Jess Harris went to the family Monday morning after they had received the call. The message did not get through Sunday night, though they called.

Mrs. J. C. Harris and Tracie left Tuesday morning for Monte Vista, Colo. to spend one week with J. C. After school is out they will move there.

Bertha Greer passed away suddenly and unexpectedly at her home last Wednesday morning in Nogal.

Mr. and Mrs. Otho Lowe made a special trip to Alamogordo Wed. March 31 to visit Mrs. Nannie Stone who lives in the Elderly Intensive Care Unit of the Gerald Champlin Hospital. She was just as cheerful as always. She would love to hear from her friends. Do send her cards of cheer. Many at Corona will remember her. She sends good wishes to her many friends.

Mrs. H. C. Otero underwent surgery March 25 at the Ruidoso Hospital. She came home Friday April 2 and is doing O.K. I wish you a good recovery.

Jimmy Don Wright returned to college in Las Cruces Sunday March 25 and he became ill and returned home Tuesday 30th, and entered the Ruidoso Hospital. He was released April 3. I wish you good health Jimmy.

Paul Randle came home from Ruidoso last Thursday after he had spent several days there very ill. Get well fast Paul.

Mr. and Mrs. Paul Sedillo are new residents in the Sellers house on west First Street. He is employed with the Forest and will be here for three months. They came from Santa Barbara, Calif. Welcome to Capitán! We hope you enjoy your time with us.

Two weeks have elapsed since our arrival home from our trip to Calif. The fragrance of the citrus blossoms still linger. We had them for many miles. That was refreshing.

The highways were grand. At Deming, it has been finished and it by-passes Deming. The divided highways are wonderful for travel. From Alamogordo on west there is no trash nor bottles or anything on the side at all. They look clean and are of great interest for miles.

It was mild weather and we went to Yuma on our journey out and on our return we came via Phoenix. That was hotter. In fact uncomfortable so.

The freeways are in fine condition and the travel is fast. We had hoped to buy citrus fruit but it was too far out of the way even though we traveled thru Phoenix. It is much easier to order from Texas. We enjoyed it all. It was a good trip.

The Character Study of the Ladies of the Bible met in the

home of Mrs. Jack McGarry. This meeting climaxed a twelve week study with a covered dish luncheon. Each person gave a synopsis of her life and hymns were sung led by Mrs. Gloria Burba of Carlsbad. Those present were Messrs. Gerald Dean, Sr., Gerald Dean, Jr., Dick Riley, Nellie McGrath, Wayne Langford, N.E. Britton, L. R. Morgan, Elvin Anderson, Greer West, Otho Lowe, Dolly Jackson, Tom Goodrich and four children: Ramona Langford, Tammie and Rodney Dean and Jo Paul Randall. Out of town guests from Carlsbad were Mrs. Evelyn Lambert, Mrs. Ruth Henry, Mrs. Gloria Burba, Mrs. Ruby Wilson and Mrs. Opal Cox.

A new study will begin of "The Story" by Mae Chase. Mrs. Chase spent thirty years writing her book. It covers the Old and New Testament with questions to be answered at the end of each chapter. This is a comprehensive study meeting in Mrs. McGarry's home each Tuesday from 10 to 11 a.m. You are invited to study with this group.

Mrs. Rench, Mrs. Maude Kingston and Miss Lou Harris returned last Tuesday March 23 from a ten day vacation in Calif. We motored to Perris, Calif. where Maude and Lou visited their sister, Mrs. Agnes. My son, Bolse Rountree came from Long Beach and taken the home with him. We had a delightful time. We went to the Japanese Gardens one afternoon. What a delight. We roamed among 150 deer which would nibble at your clothing, etc. They had a trained

bass that won a game of poker. There was Japanese customs shown with tea party and their dances. Trained bear, seal and dolphins and doves. What a treat and such happiness and delight. Then there was Knotts Berry Farm with its wonders. Certainly one relives the pioneer days. It too is great. The Shrine was of great interest. There was everything imaginable.

The Queen Mary is now being set in its permanent setting and will be open for its first convention in July. Great crowds go daily to see her now though one can only view it from a distance though near. There has been much construction. She was moved to this position Feb. 27. She was towed by barges at proper time. Tides and winds had to be watched and it was a slow process. She is located at Pier J. All of the overpasses and ramps I had seen standing last year are now finished and connected. There are so many daily that is causing a traffic problem.

That ship stands out so beautiful. There are several decks below the water line. It is hard to imagine any ship so huge. But she is a beauty. She has a great history and should be ever successful. Do not fail to see her when opened.

Pier Point landing will not be there my next visit as they are now preparing for deep water shipping. The City is relocating them now.

We visited the fish canneries and watched shipping and loading. Also saw the Federal Prison on Terminal Island.

Port O Call in San Pedro was

very interesting with its many little shops and bakeries, etc. There was a wide variety of imported merchandise and also exclusive items. Crossed the McArthur bridge over Los Angeles Harbor, largest on west coast. I was told it has the longest single span than any in the USA though not as high as the Golden Gate.

Then there was the Todd Ship Yard where they still build ships and repair ships as well. The Needle research tower near the Port O Call was swaying in a very high wind. Help was called and very large cranes arrived and braced it until they could put more guy wires. They taken 80 ft. down. It was rhytmatic sway and dangerous. They are now reconstructing it. It is not known why it happened.

Eldorado Park to me was of great interest in East Long Beach as there was many varieties of ducks. It was started by people taking their pet ducks there after they became too large to keep at home. Now it is a great entertainment and people come daily and feed them. They are fed by the City. They are tame and delightful to watch.

If I did not mention the doves by the dozens that come and sit in your hands at Japanese then I have missed a lovely happiness for it is a joy to have them there and let them sit. Oh but it was wonderful.

There is a new shopping center being built rather than a year to build. The store will have everything. Are now stocking it and it will take several months to do that it is so large.

The Douglas Plant has been moved and will build the DC-10 under one roof. It will replace the DC 8. That is a huge building and the doors will be open when finished to take it out.

There are no more oil derricks on Signal Hill though the oil wells are still pumping. It is going into industrial complexes.

I thank everyone who took my responsibilities so well that I was able to have my delightful vacation.

Nogal Nuggets

By Sue Stearns

Mr. and Mrs. Austin Wooten's grandson, Dick Snow of Page, Arizona, spent the night with them recently on his way from Phoenix, Arizona to Des Moines, Iowa. Dick's mother, Elsie of Roswell, came to spend the night also so that she could visit with him.

Mrs. Alice May celebrated her 74th birthday Saturday with many relatives and visitors coming to see her. Mr. and Mrs. Albert May of Laramie, Wyoming, Mr. and Mrs. Hank Ellis of Medicine Bow, Wyoming, Mrs. Alice Vinson, of Fort Collins, Colo., Mr. and Mrs. Shorty Cormer of Silver City, Mrs. H. N. Harcorow, Mrs. Charlie Roberson and Niles of Alamogordo, Mrs. Robert Brazil and children, Mr. and Mrs. John May of El Paso, and Leon May helped in the celebration at her home. Many more happy birth-

days to you, Mrs. May! An art exhibit for all amateur artists in this area is to be held at the electric building. Paintings will be put in place April 29th. Oils, acrylics, water colors, pastels, and charcoals, matted or framed will be on display for a week. Many visitors were in Nogal Sunday. Mrs. Rosalie Dunlap and Mrs. Garvis Jobe visited Mollie Bosh in the afternoon. Also Raymond Rue and family, Mollie's grandson, spent the day with her.

Mr. and Mrs. Ansel Swearingen of Artesia paid a visit to Pearl Stearns. They went to Lincoln and had dinner at the Wortley Hotel.

Mr. and Mrs. Bud Glover of Roswell spent Sunday afternoon visiting with the Stearns.

We are all deeply saddened by the passing of Bertha Greer from our community. We extend our sincere sympathy to all of her family.

Lincoln countians

at cattle meeting

Those attending the 57th Annual New Mexico Cattle Growers Association meeting in Santa Fe last week were: Mr. and Mrs. Truman Spencer, Jr., Mr. and Mrs. Holt Lovelace, Mr. and Mrs. Will Orndorf and Billy Stephenson from Lincoln County. The highlights of the program was the talk and movies by Apollo 14 Astronaut Edgar D. Mitchell.

Boy Scouts of America admit girls

After two years of research and field experience, the Exploring Division of the Boy Scouts of America will now admit teenage girls to full membership in Exploring, its high school-age action program.

The announcement was made here today by E. O. Vaughan, Scout Executive, after word was received that approval has been given by the National Executive Board of the BSA and will be effective April 1.

Vaughan said that the action taken nationally was in recognition of the chartered requirement to serve boys and young men, and it would enable Exploring to more effectively carry out its mandate to meet the needs and interests of today's youth.

Until January 1970, Exploring had been an all-male program. Acting on research studies and recommendations of business, education, religious and youth leaders, Exploring began a one-

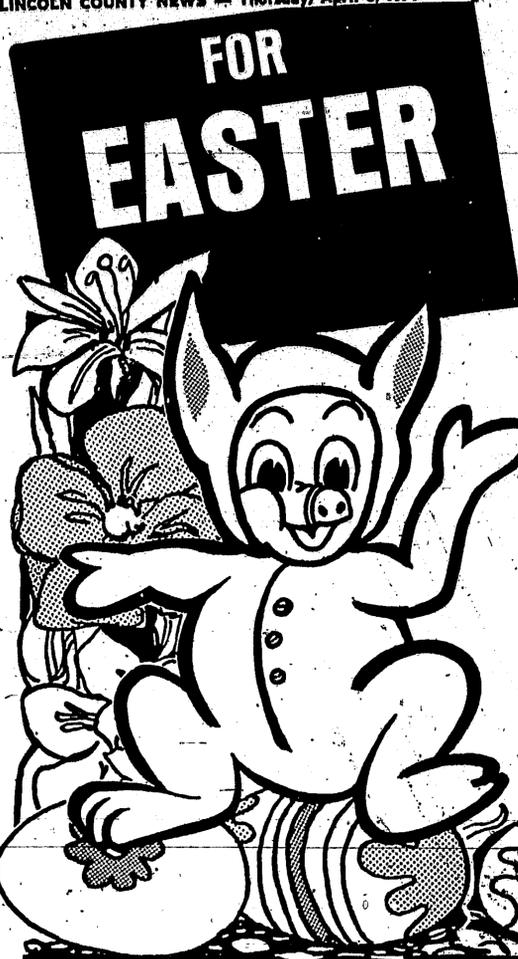

year trial of admitting young women to participate in the program. Participation was restricted to special-interest Explorer posts organized around a career or vocational interest.

The national Executive Board's action now makes it possible for coeds to become full-fledged members and for adult women volunteers to act in leadership capacities.

During the last year there have been 26 Explorer posts in this area with 4 having girls as participants. The posts specialized in such interests as radio broadcasting, advertising and public relations, and accounting.

Membership in a post or sea Explorer ship would be entirely at the discretion of the sponsoring organization, Vaughan explained.

Age requirements for girls are the same as male members. Members may enroll upon reaching 15 years of age and may remain through their 20th year.

Ancho people attend Presbyterial

March 31st Vernell Hightower, Dorothy Straley, Rose and Barbara Harkey of Ancho, Betty Crown, Ruidoso and Arabelle Molder, Corona, attended the Presbyterial meeting in Hobbs. This was a two day meeting and was held at the Hobbs Presbyterial Church. Dorothy and Vernelle had served the Pecos Valley Presbyterial for the past three years, Dorothy as President and Vernelle as Secretary. This was their last meeting as officers. They were replaced by Mrs. Elmer (Edith) Morris, Alamogordo, as President and Mrs. Bella McKenzie, Alamogordo as Secretary. The girls reported a very interesting and enjoyable meeting.

Wednesday 31st we were most pleasantly surprised by a visit from Mr. Elvert G. Perkins of Illinois who was accompanied

by his sisters Mrs. Geo. L. McKinney of Las Cruces and Mrs. E. D. Straempler of El Paso, Texas. The three were grandchildren of the late Rev. Joseph Perkins, Methodist minister of the Ancho Church from before 1912 until 1919. They left here as small children and it was their first time back. They were pleased and happy to find pictures of their grandparents on display here. They plan to come back again soon. This was a nostalgic visit for them and a real pleasure for us.

Mrs. Ernestine Germany and Miss Sharon Dean, teachers in the Carrizozo grade school system, came to see us Sunday. Mrs. Germany had been here to see us and she wanted Sharon to see our relics before her school is out when she will return to her native state of

Colorado. We enjoyed their visit immensely.

We were truly happy to have our dear friends, Palle, Wilbur and Wm. Ernest Dishman come by for a visit with us on Mon. This was their first visit since Palle's very serious illness of some time ago and it was great to see her so much improved in health and so busy with her creative work again. She brought us a beautiful bouquet of "egg carton" flowers. Theirs was a "red-letter" visit to be sure!

Last Saturday Lee Straley was in Dexter on business for the Ancho Church. He was accompanied by our pastor Rev. Frank Crown of Ruidoso.

Mr. and Mrs. Denny Martin of Mountainair and baby son were guests of the L. Y. Jacksons last Saturday afternoon.

Peter Ochsenfeld has moved to Carrizozo and his friends and neighbors of Ancho will miss him very much. He moved on Thursday April 1st.

Last week was a fun week for "My House" as a number of "Old Timers" returned after very lengthy absences and many "new" visitors, all interested in "old things". We enjoyed visitors from Clovis, Alamogordo,

Eunice, Hobbs, Tucumcari and Albuquerque in New Mexico and Osborne, Kansas, Livingston, Mont., Lebanon, Ill., El Paso, Texas and Kansas City, Mo. From Corona Mrs. Billy (Doris Wilson) Bryan came to see us. Sara Jackson and I enjoyed a delightful visit with Doris. She and Billy are leaving their beloved ranch in the Gallinas Mts. for a home in Estancia Valley. They are in the process of moving but it will be awhile before their permanent departure because their young son wishes to

graduate from the Corona High School this spring. Billy is our only Taxidermist for miles around.

We shall miss the Billy Bryan family but wish them success and happiness in their new home at Estancia.

And again from Corona came Miss Noreen Cole, 4th grade teacher in the Corona School. She brought her father, J. O. Cole of Hobbs, her sister and brother-in-law Mr. and Mrs.

Green and young daughters Debbie and Carolyn of Eunice. The girls were accompanied by their friend Bessie Lueras of Corona. It is always a pleasure to see Noreen and it was nice to meet members of her lovely family.

SGT. DOUGLAS K. BRADLEY REENLISTED FOR SIX YEARS

FT. RILEY, KAN. (AHTNC)-- Army Staff Sergeant Douglas K. Bradley, 28, son of Mrs. Dessie E. Stevens, Palo Alto, Calif.,

recently reenlisted for six years in the regular army while serving as noncommissioned officer in charge of training at the Irwin Army Hospital at Ft. Riley, Kan.

Sgt. Bradley, son of William G. Bradley, Hondo, N.M., entered the army in May 1961 and completed basic training at Ft. Hood, Texas.

He is a 1961 graduate of Hondo High School.

His wife, Elizabeth, lives at 247 West Place, Salina, Kan. corona

**News from the
County Agent**

Apple blossoms are starting
to appear in the Hondo Valley
and more are expected by this
weekend. The blossoms open
when the area temperature has
been above freezing for a period
of time. The warm weather last
week caused the blossoms to
develop rapidly. The cold spell
of the last few days has slowed
the blossom emergence. I expect
that the next few warm days will
cause a large number of
blossoms to open. Plan to make
a drive in the Hondo area soon
as the sight and smell of the
apple blossoms will long be
remembered.

Agricultural judging teams and
contests have long proved their
worth as effective teaching tools.
There's no better way to help
a youngster learn than to give

LINCOLN COUNTY NEWS - Thursday, April 8, 1971 - Page 7
him a chance to put his knowledge
to practice. That's what judging
a class of wool or cows gives
the student. First, you teach
him the quality standards, then
you let him test his learning
by applying those standards
under actual conditions. And if
he learns well, a judging team
participant has a valuable skill
to carry over into everyday life.
Every generation of young-
sters has to learn a little earlier
in life to balance his actions
and ultimate decisions by asking
the question "Why?" This teaches
boys and girls at a farmable
stage of life to be responsible
for his or her decisions.
Somehow, judging gain this degree
of maturity first. Just as children
must justify their behavior to
their parents or the borrower
must defend his need for a loan
from the banker, so his learning
experiences gained in judging.
Every decision must have a
reason based on existing
standards. Members of 4-H Clubs
must justify their placings, which
is good training for later life.
Almost every decision of any
consequence in life should pass
the ultimate "Why?" test.

Before buying shrubs to plant
in your landscape this spring,
examine each plant carefully for
disease. You can't tell if you
have a dead evergreen by looking
at its leaves, instead, look at
the root system -- it should be
packed, moist and covered to
keep it from drying out. Bright
green growing tips on an ever-
green ready for transplanting
could spell trouble. Green grow-
ing tips mean the plant has
broken dormancy and chance for
survival is reduced two-thirds.

Pet Animals Are Big Business
Americans are pet lovers and
the number of pets they keep
generates a multimillion dollar
business. It takes a lot of meat
to feed 24.7 million dogs and
20 million cats, not to mention
all of the accessories and veteri-
nary medical services for these
animals. In addition there has
been a big boom in keeping caged
birds, rodents, reptiles and fish.
There are 7 1/2 million horses
in the United States, and 75 per
cent of these are companion
animals. The number of horses in
the U.S. has doubled in the
last ten years. The amount of
hay, grain, tack, blacksmith and
veterinary services required for
these animals is no small figure
either.

The number of cats and dogs
has leved off for the past few
years due to restrictions against
pets in city apartments, but the
number of horses is still rising
and nobody knows where it will
level off.

Apply Delayed Dormant Sprays
As Weather Warms
Start your pest control program
off with a delayed dormant spray

of oil or oil plus lime-sulfur
(calcium polysulfide). Spray when
the weather warms, but before
the leaves are unfolded on
deciduous trees. This spray will
control many of the most trouble-
some pests of ornamentals, such
as scales, spider mites, budmites
and blister mites, some aphids
and powdery mildew.
A delayed dormant spray should
be applied during the time leaf
buds are swelling until some
green tips are showing. On broad
leafed evergreens, such as
euonymous, the spray should be
applied just as new growth begins.
Check weather forecasts before
applying oil. Don't apply the spray
if the temperature is predicted
to drop below freezing within 48
hours after application.
Choose a warm, calm day to
do your spraying. Never spray
if temperatures are below 40
degrees. Be very thorough. Oil
kills by smothering the eggs or
immature pests. Therefore, a
continuous film must be laid over
the bark and in cracks and
crevices. A very fine mist is the
best spray to use to achieve
thorough coverage.

To improve the effectiveness
of the oil spray against scale
insects, add Spectracide, ethion
or malathion. This is a must
for control of euonymous scale
and European elm scale.

Before buying a dormant spray
material, read the label com-
pletely. Oil-lime-sulfur combi-
nations should not be applied to
evergreens and lime-sulfur
should not be applied to apricots.

100 Percent grazing increase ordered

SANTA FE -- State Land Commissioner Alex Armijo ordered a 100 per cent increase in annual grazing fees on state land, spreading over five years and starting next Oct. 1.

The average fee is 10 cents an acre a year now for grazing. The average will be hiked to 20 cents in 1975. Twenty per cent of leases expire each year. The increase, first in 10 years, will produce an added \$954,600 for operating expenses of 19 state permanent fund beneficiaries. Common schools are the chief

beneficiary. The state owns 9,120,451 acres. Included are: Valencia County, 181,284 surface acres; Taos County, 64,325; Quay, 193,068; Luna, 500,818; Hidalgo, 296,642; Lea, 847,781; De Baca, 298,522; Curry, 50,118; Guadalupe, 160,111; Lincoln, 274,018; Colfax, 254,344, and Union, 426,170.

The Public Lands Committee of New Mexico Cattle Growers' Association conferred with Armijo on the fee increase. A Dikewood Corp. study of the Land Office showed New Mexico grazing fees are low. Colorado's fee is 40 cents an acre a year

on land generating 10 cents in New Mexico. The State Land Office may raise fees for agricultural land leases later.

Two bills affecting grazing leases were killed in the legislative session because Armijo raised rates. Rep. Rudy Baca, D-Albuquerque, would have boosted fees 400 per cent.

House Majority Leader David Salman, D-Union-Mora-Harding says the implied consent bill was the most important measure the legislature cleared. Gov. Bruce King signed the bill. The law sets .10 of one per cent of alcohol in blood as presumptive evidence of intoxication. It is intended to curb drunken driving.

Rep. Salman said a legislature-approved environmental control bill was significant, it moves anti-pollution functions from the State Health - Social Services Department to a new governor-appointed board but the HSSD would hire the board's fulltime director. Salman also commended a bill, approved by law makers, creating an environmental quality control board to chart state policy and advise the governor.

As majority leader Salman steered House business in the 60-day session, Democrats were split and Rep. Salman's job was difficult.

The legislature cleared a Salman bill calling for a pilot project mental retardation program to serve DeBaca, Gurry, Quay and Roosevelt Counties on an outpatient basis. The program would use \$74,628 in state money. It would be based in Clovis. Gov. King supported the bill cleared by the House 58-0 and the Senate 32-0.

Rep. Richard Carbajal, D-Belen, was disappointed the legislature did not pass more social legislation. Rep. Carbajal said: "I think this was a very productive session, considering the turmoil that existed among the Democrats, especially in Southeastern New Mexico."

Conservative and moderate-liberal Democrats were divided in the House. Rep. Carbajal was a leader among controlling the moderate-liberal members. He says a 1972 tax increase will unquestionably be needed if HSSD

money projections by Waldo Anton are accurate. Anton is on loan to the HSSD to manage finances from the Legislative Finance Committee staff.

Anton forecast a much bigger HSSD deficit for the present fiscal year than had been previously anticipated. The legislature voted a \$4.1 million deficiency appropriation to the HSSD to finish the current year June 30.

Rep. Carbajal said that the Universities Study Committee should be continued. He was on the USC in 1969-70. Carbajal said: "That committee has not hurt the universities. People have a right to know what's going on at the universities, how their tax dollars are being spent." The bill to continue the USC cleared the Senate 25-8 and the House 57-12.

Application to transfer ownership of a Eunice dispenser's liquor license from F. G. Panther and Mavis Satterfield to Panther, doing business as Chaparral Lounge, was submitted to the Alcoholic Beverage Control Department. The ABCD sent the application to Eunice City Council. Panther proposes to buy his partner's interest.

The ABCD also received an application to transfer ownership of a Fort Sumner liquor license from Wandel Massey to Fred G. Gauna, doing business as Fred's Bar. The reported price for the license, fixtures, equipment and other items was \$6,000. The ABCD sent to application to Ft. Sumner City Council.

Auditors cited alleged over-expenditures of budgeted amounts in three funds of Guadalupe County in fiscal 1970. Deputy State Auditor Earl Davidson told Guadalupe County Commissioner Eduardo Cordova the overexpenditures apparently occurred in the general fund, interest fund and sinking fund.

Davidson said cash transfers are required to adjust the county treasurer's records for the warrants paid from the wrong fund. He said Guadalupe County had not filed the required annual inventory list.

Davidson wrote Valencia County Commission Chairman Gillette B. Jaramillo on the fiscal

1970 Valencia County audit: "The report discloses that the Sheriff's Department was using county credit cards to purchase gasoline for private vehicles used in the conduct of county business. The auditors recommend that personnel be reimbursed on a mileage basis for necessary official business instead of using county gasoline credit cards."

Twelve local draft board offices will be closed April 16: Raton, Santa Rosa, Lordsburg, Carrizozo, Socorro, Mountainair, Tucumcari, Portales, Truth or Consequences, Los Alamos and Bernalillo.

HERE'S WHAT WOMEN DISLIKED THE MOST!

Ralph Nader, professional champion of the American consumer, prys everywhere except into the mind of his beneficiary.

Perhaps we are all being cheated and dying of ills created by our cheaters. On the other hand, we may be dying of nervous disorders of simpler things which the typical consumer feels could be corrected.

A research company recently questioned housewives about their main complaints regarding grocery stores. The replies had little to do with chemical analyses of exotic poisons. Here's what the women disliked most: Drippy meat packages. Aerosol spray that doesn't spray. Toilet tissue that doesn't tear evenly.

"Push Here!" instructions that don't work. Twist-off tops that Mr. Clean couldn't turn.

Leaky liquid cartons. Prewrapped meal with the bad side-up.

Overloaded check-out bags that burst in the car.

Wrapping materials that won't tear straight.

Tear-off tops that cut fingers. Crumbled cookies in cookie boxes. Bacon that disappears in the frying pan.
