

Grizzlies face Hagerman Bobcats for class 'A' state championship

After edging Roy by the score of 24 to 20 last Friday night at Roy the Carrizozo Grizzlies will go after their 5th Class 'A' Championship in the last 6 years against the Hagerman Bobcats Saturday night at the Bobcats homefield, game-time is slated for 7:00 p.m.

This will be the second encounter between the two teams in the Class A Championship game. The two teams met for the title in 1971 at the Wool Bowl in Roswell, with the Grizzlies prevailing by the score of 20-6. This time however, the Grizzlies will have to make the trip

all the way to Hagerman, after losing out on the coin flip to determine where the championship game would be held.

Hagerman will go into the championship game with a 8-1 record for the season, and the number one ranking in the state in the polls, after having slaughtered Navajo Mission in their regional game last Saturday night, by the score of 67-7. The only blemish on the Bobcat's record being a 24-14 loss to Class 'AA' powerhouse Dexter.

The Grizzlies will go into the game sporting a 4-6 record, which tends to be a little misleading. After having lost their first five games of the season the Carrizozo squad has responded with four wins in their last five outings, with their last three wins being very impressive victories over Reserve, Capitan and Roy, to earn the right to play in the championship game.

The last victory for the Grizzlies was very impressive indeed. After spotting the Roy Longhorns a 20 point lead in the first-half, the

local squad came out in the second-half with no intention of losing the game, held Roy scoreless for the rest of the game and scored three times themselves to come out on top.

Roy got their 20 point lead by scoring once in the first quarter of the game on a long run by one of the Longhorn backs, this after the Grizzlies had twice driven inside the Roy twenty-yard line, only to fumble the ball away. Roy came back with two more scores in the second quarter. One coming after a Roy player picked up another Grizzly fumble and going about 60 yards for a TD. The third and last score for Roy came on a

long pass play good for about 85 yards, the pass being caught after being tipped by a Carrizozo defender. Score at the half, Roy 20, Carrizozo 0.

The third quarter was all Grizzlies, with QB Ray Beltran connecting on a 32 yard pass to split-end Bobby Beltran good for the first Grizzly score. Score at the end of the 3rd quarter, Roy 20, Carrizozo 8, and driving. The Grizzly defense doing a real outstanding job at this point, holding the Roy team to a minus 10 yards rushing for the entire third quarter.

With the Grizzly offense controlling the ball on the ground on the fine running by Ray and Ernie Beltran, the Grizzlies moved to the Roy six-yard line from where Ray Beltran took it in for the second-Grizzly score. Ernie Beltran converted the 2-point conversion behind some fine blocking by Michael Vega, making score, Roy 20, Carrizozo 16, with just a little over four minutes to play in the game.

After kicking-off the Carrizozo defense held Roy for three downs and forced the Longhorns into punt formation on fourth down. Michael Vega broke through the line and blocked the attempted punt by Roy (his second blocked punt of the game) and Clifford Sombrano recovered the ball for Carrizozo, inside the Roy ten-yard line. Three plays later Vega went over from six yards out to make the score 22-20 in favor of the Grizzlies. Ernie Beltran added his second 2-point conversion of the night, final score Grizzlies 24, Roy 20.

The Grizzlies rushed for a total of 315 yards and added 32 yards through the air on the 32 yard completion for their first touchdown. Ernie Beltran gaining 182 yards on 16 carries, Ray Beltran 77 yards on 18 carries, Michael Vega 48 yards on 9 carries, Tony Samora 16 yards on 3 carries and Dickie Portillo 8 yards on 1 carry.

The Grizzly defense had an outstanding game, with Michael Vega, Tommy Lueras, Leo Samora, Rick Edwards and Ray Beltran leading the way. And the rest of the Grizzly defense chipping in, such as Gary Lindsey, Tony Samora, Bobby Beltran, Ray Hernandez, Clifford Sombrano, Willie Vega, and a host of others.

A fall morning in Carrizozo with frost coating the trees and shrubs

Jackpot goes to closest guess

With eighty-two cards coming in last week on the Jackpot Contest and nobody really coming close to the 24-20 score, the final pot of the season will go to \$20, which will go to the lowest point spread of the difference between the score of Carrizozo and Hagerman, in the case nobody comes in with the exact score.

Of the 82 cards coming in last week, 63 of them favored Carrizozo, with 17 picking Roy, and two of them going for a tie score. David Vega went with a 0-0 score, while Mary Holmgren went for 6-6. Most of the guesses went for a low score, although a few like D. Lopez went all the way with Roy by a 34-14 count, and C. Holmgren by a 28-7 count.

Biggest point total given Carrizozo was by M. Samora who guessed 32-20 in favor of Zozo. Those guessing the right point total for the local team included T. Delgado, 24-6, Ronnie Beltran going 24-7, and Delia Vega coming the closest of all the entries, coming in with a 24-13 guess.

P.O. DRAWER 459

CARRIZOZO, N.M. 88301

Industrial park reviewed

Wednesday morning and afternoon, Carrizozo Mayor Bill Payne, Councilmen Earl Fenter, James W. Silva, Roy Harmon and town engineer Tom Ward, Supt. Johnny Johnson, and Ruth Armstrong and Eleanor Payton representing the Carrizozo Industrial Development Corporation met with the EDA representatives.

Representative of EDA from Austin, Texas, James Miller, supervisor of public works program, Walter Brady, engineer, Alfredo Garcia, civil rights division, Jim Swearingen, EDA in Santa Fe and Bill Brickett and Nick Pappas, Roswell, Bill Gomez, Community Development Agent, Las Cruces, and G. W. Murray, SNMEDD were all present.

The purpose of the meeting was to go over the

third phase of bringing an industrial park into existence in Carrizozo. The proposed park will occupy some 30 acres of land set aside for the purpose in the airport area. It will have complete utility hookups, water, sewer, electric, plus paved streets and curbing following a plan laid out by City Engineer, Tom Ward.

Presuming no snags are encountered the town expects to receive some \$200,000 in federal money for construction of this park. Present time schedule calls for a meeting on November 19, to review ordinance which will call for bond election to supply about \$65,000 to be used for water and sewer system improvements, the work to be carried on at about the same time as the industrial park.

Presbyterian rep to be here Nov. 15

Ms. Siegal, representative from Presbyterian Hospital will be here in Carrizozo on Friday, Nov. 15 to start on the review of the Lincoln County Municipal Hospital. It is our understanding that this review will take at least six weeks.

Mr. Larry Olson has been appointed as interim administrator of the hospital and the ICF unit and Mr. Roland Walsh, administrator of the Ruidoso-Hondo Valley Hospital is acting on a consultant basis and visits at least once or twice a week.

doing their best — all except one — the guy training to be a hospital administrator, we thought a cold fish as well as a prude.

66 Friday morning wheeled down the hall for surgery, zig this way and zag that way so a person is totally lost and couldn't run for the exit if you wanted to. That surgery room is cold, real cold. Decided that thing to watch there is when you start to warm up — sure sign you've gone to join your friends.

Kaseman is new, with more gadgets than we needed, like reading lights, personal shower and a control box to regulate TV, dial for radio, turn on light or call nurse. They bring you pitcher for relief in bed — which action requires considerable practice.

About three days in a strange medical motel one begins to find out things, like where the coffee pot is at nurse station, how to handle the gadgets, how to rest comfortably in fairly hard and rubberized bed, how to break up the routine by trips down the hall, all it takes is a bit of practice.

Those hospital gowns cover only your shoulders, on full-time basis that is but we got to liking them for sleeping because you can roll around so easy. Their computer-thermometers have dial much like desk computers, and buzz when they are through with their work.

Carrizozo is a strange word — even to people as close as Albuquerque. If we don't want people to know about us, we're winning. If we do want the world to know about Carrizozo, we're losing bad.

Med-We-Care, Inc.

Enclosed is \$1.00 membership fee in Med-We-Care, Inc. Please enroll me as a member.

NAME

ADDRESS

TELEPHONE

Med-We-Care application officially approved

Congressman Runnel's office has advised that the Med-We-Care, Inc., application submitted to the National Health Service Corps for help in finding a physician for the Carrizozo Medical Trade Area has received official approval.

The National Health Service Corps has advised Congressman Runnels that they will work with Med-We-Care, Inc., in recruiting for a second physician to service the area, which was officially designated as a "critical medical shortage area". The projected arrival of a physician will be July, 1975. However, it is now possible for Med-We-Care, Inc., to refer physicians to the National Health Service Corps, thereby being able to take advantage of a government subsidy to insure a salary for a physician who would care to service the area.

Because Med-We-Care, Inc. is incurring expenses in their recruiting such as mailings and telephone, we are asking for a membership fee of \$1.00 to cover these incidental costs. Further, although the National Health Service Corps will pay for an initial trip for a physician to see our area, it will be necessary for Med-We-Care, Inc., to pay for travel expense of spouse, should there be one. We are, therefore, asking you to fill out a familiar coupon once again, and further asking that you enclose your \$1.00 in an envelope along with the coupon.

Hospital board meeting

A hospital board meeting was held at the Lincoln County Courthouse on Wednesday, Nov. 13. It was announced that the County Commissioners have appointed Mr. Vernon Petty of Carrizozo to fill the position on the hospital board vacated by Mrs. Jackie Spencer.

A number of matters were discussed concerning the hospital the main one being the financial facts of running a hospital in this day and age, as well as reviewing ways in which to make both the hospital and the ICF unit self-sustaining. In the meantime, the residents of the ICF unit are being cared for as before, even though the administration has changed hands.

A total of seven bids were received with regard to the construction of a garage to house the ambulance and a decision should be reached by the middle of next week.

The new sprinkler system for the hospital has been installed in accordance with Medicare regulations. Efforts are now going forth to restore Medicare and Medicaid to help cover the charges in running a Diagnostic and Treatment Center as the hospital is now classified.

As soon as the cost comparisons are in; there is a strong possibility that the ICF unit will receive two frozen meals a day, but still be served the regular breakfast. It is our understanding that a number of ICF units throughout the country are serving frozen meals to their residents.

It was pointed out that there are a number of serious problems to overcome, but all the avenues have not been totally explored as yet; but they are in the process.

Cancer Society fund in area

In response to numerous requests from families and individuals in Lincoln County, the American Cancer Society has inaugurated a Memorial Fund. Families and friends of cancer victims are invited to contribute to commemorate their loved ones.

Contributions made in memory of a friend or a member of the family are acknowledged by the American Cancer Society, and a memorial card is sent to the family stating that a memorial gift has been received and giving the name of the donee. "Those contributions may be in any amount", Mrs. Frank Titsworth, the Lincoln County Memorial Chairman said. "The memorial funds are used to support the society's three fold attack on cancer through research, education and service." Mrs. Titsworth explained.

Although the major source of funds for the American Cancer Society programs come from the annual April crusade, the memorial funds received throughout the year are becoming an increasingly important source of the society's funding dedicated to wiping out cancer. As more families and individuals become aware that they can contribute to the ultimate victory over cancer, they are choosing to make a memorial gift today. "Commemorating their loved ones and friends today may spare others tomorrow," Mrs. Titsworth said.

Memorial funds should be sent to Mrs. Frank Titsworth, Box 2, Hondo, New Mexico 88336. The Citizens State Bank has cooperated in helping Lincoln County participate in this worthy endeavor by providing its depositors with a handy American Cancer Society Memorial envelope.

Tennis Anyone?

Sunda Tennis Villa is nestled down at the base of Nogal peak in the quiet and novel village of Nogal. The orchard that borders the highway and entices many travelers toward the old grey adobe buildings, spelling a type of stability, and tranquility, as the view discloses two teared tennis courts surrounded by mountains of magnetic beauty.

The Villa is owned and operated by Mr. & Mrs. H. F. Burkstaller as a tennis camp for young people in the summer and it provides an excellent place for adult clinics, group and private lessons in the fall and spring. Mr. Burkstaller is a member of the United State Professional Tennis Association and a qualified teaching professional. He learned the game in his pre-teen years and has competed in open tennis since that time and is playing tennis on a national professional level now. He has owned and operated his own indoor facility at RIAC for 5 years in Roswell and has taught every type of tennis student from the beginner to tournament player. Herman is an enthusiastic teacher, and is particularly interested in young people as well as character through tennis.

The Villa is a special place for children to enjoy country living. Last year there were three full two week sessions and the camp program was designed for boys and girls ages 10 to 18. Each camper is assured a minimum of four hours of instruction, six days a week. This includes both group and individual training, proper strokes, court strategy, and understanding of the rules of sportsmanship. All students have an opportunity to find their mistakes by the instant replay television.

Extra activities were provided by Mrs. Miles Williams, in crafts and square dancing, during evenings and week-ends. Many Carrizozo residents gave of their time and talents. Our two Shetland ponies given to the camp by Jack Frost and Sterling Spencer, and Susan Frost gave the children many happy hours. Mr. & Mrs. Burton Smith sent "Herman", the Raccoon to the camp from Louisiana and the St. Bernard steals most anybody's bed every night.

Mrs. R. Callaway and Mrs. E. Current kept the stove hot with goodies all summer. Our two counselors Lisa McIntyre and Jimmy Johns added instruction and care for the students. After the last campfire the Villa was quiet, — fall was already there. November is a nice month to take up tennis, bring your family and start lessons. It is \$12.00 an hour for as many people as you want to. It is \$6.00 for a half an hour to take lessons. If you have 6 it would amount to \$2.00 a person, if you divide it up. For more information call 354-2389 or write Box 67, Nogal, N.M. 88341, Herman Burkstaller.

Some people start out early in life losing parts. As a youngster back in Kansas we knew a guy in his 20's who lost all his teeth and we did not think much about it. Elderly, (to us) real estate dealer named Charley Wilson coined a phrase that we used for years. Charley had a peg leg and a drinking companion named Blake. They would get pretty drunk together and whilst staggering down the street Charley would say "Bear me up, Blake". We lose a little hair each day but some much faster than others. We lose tonsils, and other interior parts that don't really seem vital to a person.

All of these losses are better than losing ones disposition, or patience, or optimism, or youthful outlook on life in general. You give up a part here and there — got nose busted early in life and don't even remember how — none of which should cut down on one's enjoyment of life.

Five days in Davis County Hospital, as it is known on the Saturday TV show, otherwise Anna Kaseman in Albuquerque, was not bad at all. The TV crew was in there filming couple of days. We saw just a little bit of their work in main hall.

Would you believe four doctors and 30 to 40 nurses types on one case at various times — no fooling, that's the way it was. Couple of MD's were internists to check over the body, another on hand for the old one-two should local anesthesia not be sufficient, course there was the main man who handled the miniature tools for eye surgery. All these things come to you in your room, each performed by different people, and a different set each day — pills 3-4 times a day, temperature taken by computer gadget, blood pressure and we had lots of that, gal makes your bed, another straightens it up late in day, food brought in, then taken out, and a fellow named Mark all the time asking if we needed anything, young lady named Nilchee was equally friendly and helpful, so was Bernadette Avila.

The essence of life is relating to or understanding other human beings, and we're not saying that all those nurses, aides and others had genuine human understanding but they were

The Cuicadanon Hispanos, Mayores de East San Jose performed entertaining and attractive dances in the school gym Saturday for real small crowd. You see them swinging about the floor in this picture.

Canyon Cowbelles to attend mid-year state meeting

Twelve Canyon Cowbelles and one guest met October 10 at the Corona School for a covered dish luncheon and business meeting. Vice President Ruth Wilson opened the meeting by calling upon the members to observe a few moments of silence in tribute to the late Holt Lovelace, husband of Canyon President Judy Lovelace.

President Judy Lovelace's resignation was read and was accepted with much sorrow. Judy has moved to her mother's home in Socorro at 702 Fitch Ave. Ruth Wilson will act as president for the remainder of the 1974 term. Canyon Cowbelles voted to donate \$25.00 to the Holt Lovelace Memorial Scholarship Fund and \$25.00 to New Mexico Boys' Ranch in memory of Holt.

Plans were discussed for the mid-year State Cowbelle meeting to be held Oct. 14 and 15 at Philmont Boy's Ranch. Canyon members who will attend the meeting are Annie Withers, Edna Gallacher, Jane Shafer, and Anne Ferguson.

Members discussed having a family-fun night at the Carrizozo Recreation Center, with a covered dish supper and bowling for Cowbelles and their families. Buntly Richardson, Liz McEigh, and Margaret Stearns were appointed to the date for the affair and make the arrangements.

The December meeting and Christmas party will be held at the ranch home of Nancy Nalda at the date will be announced later. Appointed to the nominating committee were Chairman Jaunita Abercrombie, Kellene McDaniel, and Anne Ferguson.

The November meeting of the Carrizozo Woman's Club will be held Thursday Nov. 21 at 2 p.m. at the club house.

Mrs. C. A. Snow is program-chairman. Mrs. Harold McDonald will give the program in the form of a book review. Her subject will be "The People Who Discovered America Before Columbus." Hostesses for the afternoon will be Mrs. Alma Sherrill, Mrs. Ray Wells, and Miss Margaret Lane.

Woman's Club Meets Nov. 21

The November meeting of the Carrizozo Woman's Club will be held Thursday Nov. 21 at 2 p.m. at the club house.

Mrs. C. A. Snow is program-chairman. Mrs. Harold McDonald will give the program in the form of a book review. Her subject will be "The People Who Discovered America Before Columbus."

Hostesses for the afternoon will be Mrs. Alma Sherrill, Mrs. Ray Wells, and Miss Margaret Lane.

Around Town by Eleanor Payton

Miss Lois Lane of Albuquerque and Mr. and Mrs. Ade Lane and baby daughter, Monica Lois, of Ruidoso, were Sunday guests of Mr. and Mrs. R. L. Sherrill and Miss Margaret Lane.

Majorie Scott of Las Cruces is visiting her sister Mrs. Jim Cantrell and family.

Mr. Albert Snow, Miles Williams, and Brazel Harley were hunting last weekend. Miles Williams got his deer.

Mr. Lonnie Blackwell and friends from Houston, are here hunting this week. Mr. Blackwell is a brother of Mrs. Archie Witham.

Mr. and Mrs. R. J. Jones and two grand-

children of Tucumcari visited several days this week with Mr. Jones aunt, Mrs. S. O. Barnes.

Mr. and Mrs. Richard Chavez and family of Chula Vista, California, and Mr. and Mrs. Manuel Carabajal and family of Roswell will be guests of Mrs. E. Belio for Thanksgiving. Mrs. Chavez and Mrs. Carabajal are daughters of Mrs. Belio.

Mr. and Mrs. Eddie Davis and family of El Paso spent the weekend at their place in Nogal.

Mrs. Wm. Gallacher, Sr. entertained members of the Town and Country Bridge Club Friday afternoon. A luncheon was served at one o'clock followed by bridge. Mrs. Gallacher won high score and Mrs. A. N. Spencer second high.

Mrs. J. B. Cantrell attended the chrysanthemum tea given by the Alamogordo Woman's Club Friday afternoon.

Stewart Appgar and sons, Del and Scott were here for the weekend visiting his mother, Mrs. Thelma Appgar, and getting in some deer hunting.

Mrs. Elva Wilson, district deputy president of District 10 or the Rebekah Lodge made her official visit to the Alamogordo Lodge last Tuesday evening. She was accompanied by Mrs. Katharyn Cornett.

June Cook of Alamogordo, a former Carrizozo resident stopped here Saturday on her way to Roy for the weekend.

Guests of Mr. and Mrs. Wayne Withers this week were his aunt, Mrs. Allie George and cousin Elva Dillard of Lubbock, Texas and aunt and uncle, Mr. and Mrs. B. J. George and son, Wilton of Andrews, Texas. Jay and Sis Withers of Alamogordo and Pat and Nadine Withers of Oscura and Margaret Lightfoot and daughter, Denise, joined the group for a family dinner on Monday.

Rev. Wm. R. Miller left Monday to attend the New Mexico Baptist convention that began Monday evening and will continue through

CARD OF THANKS

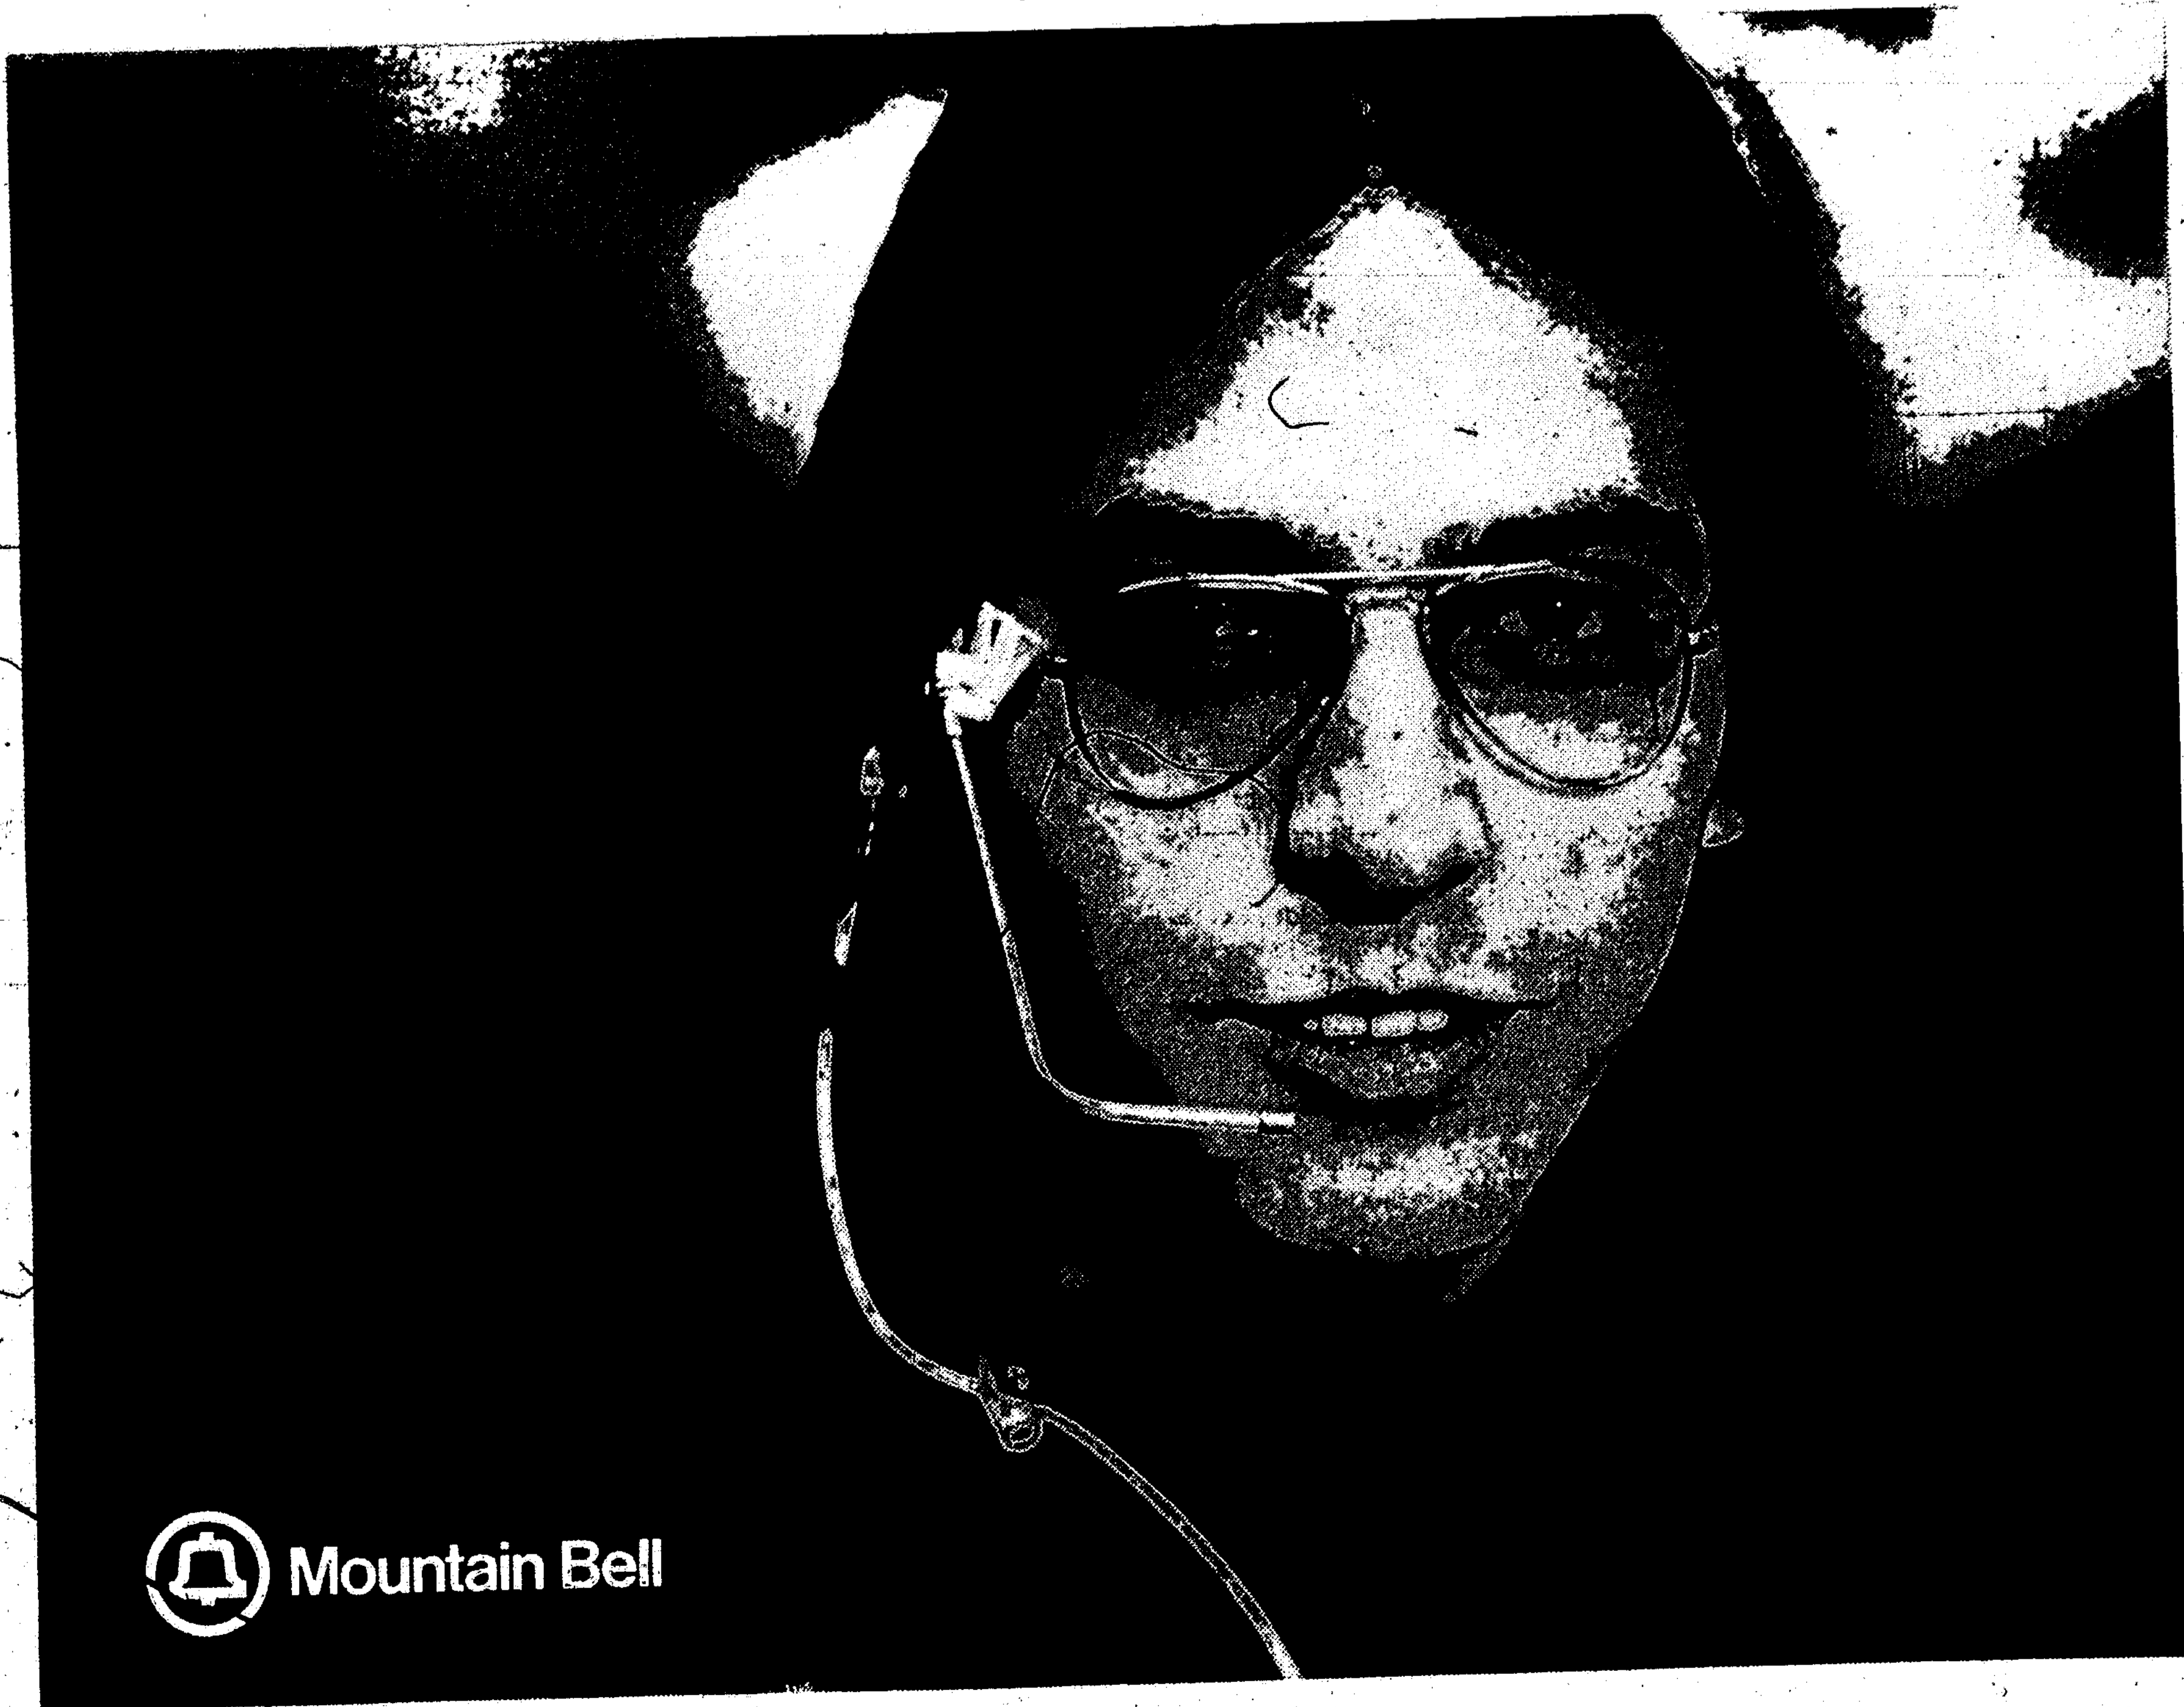

I want to thank sincerely all the nice people who helped me get through a five-day hitch in the hospital. Tom Ward, who transported me to Albuquerque, Betty Means and Eleanor who brought me home, the three lovely friends in Estancia for remembering, the wonderful gang at The Village Press for carrying on work of the News and such beautiful flowers, two wonderful people up in Kansas for being so thoughtful, friends around Albuquerque for their calls and visits, Margaret Stearns for providing me with gadget I need during recovery from eye surgery, and a lot of wonderful people in Anna Kaseman Hospital who will never read this but will be remembered by me for a long, long time. There is nothing better in this world — than friends.

Paul W. Payton

Bowl of activities from nogal

by Roby Burke

The thought for the month:

When you get what you want in your struggle for wealth

And the world makes you king for a day
Step up to the mirror & look at yourself
and see what the man has to say
For it isn't father or mother or wife
Whose judgement upon you must pass;

The fellow whose verdict counts most in your life...

Is the man, staring back from the glass,
It's him you must please, and not all the rest,
For he's with you—right down to the end.
And you have passed life's most difficult test
If the man in the glass is your friend.

You may fool the whole world, down the path way of years
and get pats on the back as you pass;
But your final reward will be heart aches and tears.

If you've cheated the man in the glass,
You may, like Jack Horner, chisel a plum,
and think you're a wonderful guy,
But the man in the glass says your only a bum,
If you can't look him straight in the eye.
So always be certain you are doing your part,
To help everybody you pass;

Then you can be sure deep down in your heart
You're square with the man in the glass.
Thank you Mr. Sharpe for sending this in.

A shopping tour,

Nona Anderson, Pres. of the United Methodist Church Women showed me some of the goodies to be sold Friday & Saturday Nov. 15-16 at their Bazaar in Capitan. They will have white elephant tables, a bake sale, home canned goods and a tea table, so don't miss a fun time.

A tablespoon of OOPS!!!

The Nogal Senior Citizens met this Wednesday at Faye Wooten's instead of the week before last, but it was a gay time, and we thank Mrs. Wooten for her tone and generosity, in offering it many times for many occasions.

Also my grapevine broke down and it seems that Bill Payton did not move to Alamo for the winter, but will be in Nogal and we are very glad, he told me this on the way to the Country Club last Saturday, so you can depend on it.

Roby's Box

Dear Roby,
If you need to store large pieces of cheese for a long period of time, dip the cut surface in hot paraffin to help preserve it.

Mary E. Payne

Dear Roby,
If you submerge a lemon in hot water for 10 or 15 minutes you get almost twice the amount of juice from it. It also has a better flavor.

Mrs. George Houck
Tiffin, Ohio

Dear Roby,
The true test of a civilization is not the census, not the crops but the kind of man the country turns out.

C.B.

A thing worth knowing now and 1800,
Windows may be kept free from ice and polished by rubbing the glass with a sponge dipped in alcohol.

Sharon Bandy sent in a great recipe for childrens shakes.

4 envelopes Knox unflavored gelatine
3 packages (3 oz. ea.) flavored gelatine
4 cups boiling water
In a large bowl, combine Knox unflavored gelatine and flavored gelatine; add boiling water and store until gelatine dissolves. Pour into large shallow baking pan and chill until firm. Cut into squares to serve. Makes about 100 one inch squares.

These are firm enough to never melt or get mushy even at room temperature.

Happening around the bowl.

Thanksgiving is just around the corner, the trees are getting brown, and it is time to gather those dried arrangements for your home. The ladies of St. Anne's were planning an excursion to find some dried bouquets. They will meet at Allene Luck's house Thursday, Nov. 21. The U.P.W. will meet with Mrs. Jones this week please come anyone who is interested.

Say! Do you know?

That Louie Padilla and Mary his wife drive the Roswell Carrizozo State Line Postal Service and they have been doing it for a long, long time. They brought me from Roswell last week and we had a very interesting visit — they do a lot of things beyond the call of duty.

Gamma Theta sponsors booth

CORONA - Gamma Theta of Beta Sigma Phi met October 14th, 1974 at 7:00 p.m. in home of Mrs. Penny Knipps.

President Betty Donohue conducted the business meeting. A thank you note was read from Colleen Williams for the scholarship awarded her last year. Gamma Theta will again sponsor a "Lady of the Year" from Corona. This will take place sometime in March of 75.

Gamma Theta along with Xi Beta Epsilon will sponsor the food booth at the Halloween Carnival on October 31st as a Service Project. Proceeds will help buy newspapers for the Corona Social Study classes and literature for the English Departments.

Gamma Theta will hold a Bake Sale on November 5th, Election Day, in the Corona Bowling Alley as a Ways and Means Project. They will also be taking orders for Current Stationary.

Gamma Thetas' guests for the night were Mrs. Maria Owens and Mrs. Betty Russell. Gamma Theta members present were: Mrs. Martha Bend, Mrs. Denise Byrd, Mrs. Betty Donohue, Mrs. Gilda Johnson, Mrs. Lanell Fish, Mrs. Corrine Mullins, Mrs. Suzanne Surratt, Mrs. June Tyree, and hostess Mrs. Penny Knipps. Guests and members enjoyed refreshments of peach up-side cake, cheddar-blue cheese ball with crackers, mints, nuts, coffee, and punch served by our hostess Mrs. Knipps.

Denise Byrd presented the programs 'Happiness and Self-Analysis'. She stated reasons why so many of us miss out on happiness - we look for happiness where it isn't.

Around Corona

The Corona community conducted a hunter safety course prior to hunting season this year. The instructors were Everett Burch, L. L. Carnell, Al Clouse, George Lightfoot, Rand Perkins, Rick Surratt, Dave Wheeler, Alva Winchester, Byron Yancey, and Myron Yancey. Those participating in and completing the course were Tawnya Alford, Ward Alford, Herman Alirez, Michael Alirez, Brett Carnell, Cheri Carnell, Gregg Carnell, Leslie Carnell, Jack Allen Davidson, Walter Gensler, Ken Gibbs, Eva Mae Holleyman, Lon Holleyman, Mike Hughes, Kevin Kiefer, Judy Lasater, Clay Lightfoot, Cody Lightfoot, Dale McDaniel, Daren McDaniel, Roby McDaniel, Scott Mulkey, Steve Mulkey, Cully Nalda, Scott Nalda, Shawn Perkins, Tom Perkins, Karen Peshlakai, Kevin Peshlakai, Alan Robertson, Mike Sanders, Robert Stewart, Brent Sultemeier, Mark Sultemeier, Rusty Surratt, Shane Tracey, Labon.

Tubbs, Ricky Welch, Myron Wayne Yancey, Troy Yancey, Delbert Vandell, and Ronnie Vandell.

Different types of guns and shells, bows and arrows were on display with instructors standing by to answer any questions. Films were shown on safe and unsafe methods of handling firearms, hunting in wooded areas, fenced areas and around water. Slides were also shown concerning archery and safe and unsafe bow hunting methods. Textbooks and illustrations were used as teaching aids as well as individual talks given by the instructors.

These classes were held in 5 sessions over a two week period. The last class, Nov. 6, included a test resulting in everyone satisfactorily completing the course.

About 10:30 p.m. Friday, a 12 year old Albuquerque boy, Hilario Ben Saiz, Jr., was shot in the lower right back with the bullet coming out the lower abdomen. The hunters were camped at Red Cloud. The boy was brought in to L. L. Carnell's service station and was immediately taken in the Corona Rescue Unit to the Presbyterian Hospital in Albuquerque where he is reported in very serious condition.

We also heard a report of a man riding in the back of a pickup Sunday about noon wearing a 22 magnum piston in a holster. The pickup hit a bump knocking the pistol out of the holster onto the pickup floor. The pistol discharged and shot the man under the arm. He was taken to Dr. Van Osdol and then was sent on to Albuquerque. We have no report on his condition.

An 18 year old Indian youth became lost from his camp at Stroope Well in the Gallinas Mountains, Saturday night. He was found Sunday afternoon in very good condition and was

reunited with his father at the Corona Cafe.

It is strongly urged that everyone participate in the Hunters Safety Course given each year at the High School in Corona prior to the opening of hunting season. Many gun accidents can be prevented with proper instruction on handling firearms. This course also teaches how to "Plan to Survive" if you are lost.

The American Government Class made a field trip to the Court House in Carrizozo Thursday to see how a Judge conducts his business. They toured the Courts' Library visited the Jury Room and saw some records that were on file. Judge Zimmerman gave an informative talk on the procedures of the court room.

The Corona Girls Basketball team played Mountainair in a scrimmage Saturday. Corona's A and B teams won with a wide margin. A team 34-8 and B team 28-11.

Les Raney and Milt Madison taught a Multi-Media First Aid Course in the Recreation Room November 2. Byron Yancey assisted.

Mr. and Mrs. Bill Bryan recently attended the funeral of Mrs. Bryan's mother, Mrs. Arnold H. Rovey in Phoenix, Arizona. Mrs. Bryan spent a week with her mother just prior to her death.

The Annual Hunter's Ball was held Saturday November 9, and was really a great dance.

That is getting pretty bad when a man is kind enough to give the game department permission to use his land and then get arrested for it. Bye Now, Take it easy now, Roby

Turkey Day is coming up

From Art Linkletter
A three year old's report on Thanksgiving: "I didn't like the turkey, but I liked the bread he ate."

Les Carnell is FFA president

The Corona Chapter of the Future Farmers of America held their annual Greenhand initiation and installation of Friday, October 25. The initiation of new members, Dale McDaniel, Cully Nalda, and Lon Hollyman, included dyeing their hands green, cowchip throwing, and various other contests.

The installation was held that night where the Greenhands received their pins. Dale McDaniel recited the FFA creed. Due to the absence of the advisor, Royce Washborn, Mrs. Bill Brown acted in his behalf.

The FFA officers for the new year officiated at the installation. They are: president, Les Carnell, vice-president, Walter Garfield, secretary, Phoebe Foster, treasurer, Jack Davidson, sentinel, Tawnya Alford, and reporter, Brett Carnell. Other members were Mark Sultemeier and Mike Sanders.

Refreshments of cookies and punch were served by the new members to parents and other guests.

American Legion Auxiliary

Becker-Bond Unit 35 met Tuesday evening November 5th with 9 members present.

A short period of business was held, then the members conducted a workshop.

Unit Secretary reported 23 paid members. It was voted on to order 500 Veteran made poppies.

A Christmas card and gift list was made for the elderly and underprivileged children in the community.

Gifts were received for hospitalized veterans families valued at \$13.00. \$9.00 in cash was given also.

Fifty-one ribbon bows for gift-package decorations were made, and gifts, money and bows will be donated to the Veterans Hospital Gift Shop, which will be open at Hospital Recreation room December 7 and 8 this year.

Hospital representatives have asked for volunteers to assist with the packaging and wrapping of gifts. Many gifts will be wrapped for mailing.

A bingo game is scheduled for December 3 meeting and the public is invited and welcome.

Legal Notice

NOTICE

The most important aspect of the laws, rules regulations governing dogs, cats and pets is CITIZEN RESPONSIBILITY and CITIZEN CONSIDERATION for the safety and privacy of their neighbors and other community residents. Laws protecting owners of dogs and cats and non-owners can be enforced effectively only if the citizens themselves know and understand the law, support and assist in their enforcement. Lincoln County residents must assist the County Government, animal control staffs, municipal veterinarians and humane society representatives, district health officer and Sheriff in safeguarding animals and protecting the citizenry from vicious animals and abandoned or stray pets and above all from rabies.

If every citizen assumes his appropriate responsibility - either tying his pets or reporting vicious, stray and abandoned animals, the governmental authorities will be effective in safeguarding the residents and preventing rabies.

Tough the rabies problem is serious the most effective and economical approach to enforcing the law governing dogs and cats is citizen awareness and active assumption of their responsibility to tie their dogs and cats. If this is accomplished then the Sheriff and Municipal authorities will have a better opportunity to control stray and abandoned dogs, the number of which does not at this time warrant the establishment of a County dog and cat control staff, costing thousands of dollars. The Sheriff and his deputies can most likely respond to the need to control and disposal of abandoned and stray animals. However, the governmental authorities cannot assume responsibility that by law rests with the owners of dogs and cats.

At this stage in the quarantine declaration, efforts should be made to inform the County residents of their legal responsibilities of protecting their community neighbors and other residents from their dogs and cats. Many people may not realize New Mexico state law requires all citizens to vaccinate, tag and tie or confine their pets. Also Lincoln County citizens may not realize that the Sheriff may dispose of the animal after a reasonable effort to encourage a dog or cat owner to tie his pet has failed. To tie or confine a dog or cat or not to tie or confine a dog or cat is not a free choice of the pet owner. The law requires it!

On October 28, 1974, the Regional Health Director, Dr. David L. Michaels issued an order establishing a rabies quarantine for Lincoln and Otero County. The authority to establish the quarantine is section 47-1-2.65 N.M.S.A., 1953: Below is cited the State Law governing cat and dog ownership and responsibilities by agency, gov't unit and citizen and respective legal references:

Responsibilities
 47-1-2.5-47-1-2.6-47-1-6-47-1-9 County and Sheriff
 47-1-2.6 County Health Officer
 47-1-2.4-47-1-3-47-1-9 Veterinarian
 47-1-2.3-47-1-2.4-47-1-2.5-47-1-3-47-1-9-47-1-4 Citizen
 47-1-5-47-1-6 Municipal

TEXT OF STATE LAW
 47-1-6 Quarantine - Any district health officer may declare a quarantining against rabies within the health district of his jurisdiction when in his judgment rabies exists to

the extent that it is a danger to public health. Upon such declaration, all dogs and cats within the health district shall be confined on the premises of the owner or keeper, in a veterinary hospital, commercial dog and cat kennel or in a municipal animal shelter. After reasonable effort to apprehend any dog or cat running at large and uncontrolled by its owner or keeper during a period of quarantine, any peace officer may kill the dog or cat and properly dispose of the body. A quarantine shall not be removed except on order of the district health officer. Dr. Michaels Quarantine Order requires Lincoln County pet owning Citizens to:

a. Securely fasten pets upon a leash at all times.
 47-1-2.1. Vaccination of dogs and cats required. - Any person who owns or keeps a dog or cat over the age of three (3) months in this state shall have the dog or cat vaccinated against rabies annually with a vaccine approved by the director of the health and social services department. All antirabies vaccine shall be administered by or under the supervision of a licensed veterinarian.

47-1-2.2. Vaccination certificates and tags. - The veterinarian who administers antirabies vaccine to any dog or cat shall issue to the owner or keeper of the dog or cat a serially numbered vaccination certificate containing the name and address of the veterinarian, the type of vaccine used, the name and address of the owner or keeper of the dog or cat, a description of the dog or cat vaccinated, the date of vaccination and the expiration date of the period of immunity. The veterinarian shall also furnish the owner or keeper with a metal tag bearing the certificate number and the expiration date of the period of immunity. The tag shall be affixed by the owner or keeper to a collar or harness and shall be worn by the dog or cat for which the certificate is issued.

47-1-2.3. Vaccination of dogs and cats brought into state. - Any dog or cat brought into the state shall be securely confined by the owner or keeper until vaccinated against rabies, which vaccination shall be administered within one (1) week after entry into the state unless the owner or keeper has a certificate of vaccination issued by a veterinarian in another state or foreign country and such vaccination conforms to the requirements of this state.

47-1-2.4. Notice to health officer of animal bite - Confinement. - A When any person is bitten by an animal, it is the duty of such person or his parent or guardian and of the owner or keeper of the animal immediately to notify the district health officer. Except as provided in subsection B of this section, the owner or keeper of the animal immediately and at this own expense, shall confine it securely for ten (10) days at a place designated the the district health officer. Every physician shall, within twenty-four (24) hours after his first professional attendance upon a person bitten by any animal having or suspected of having rabies, report to the district health officer the name, age, sex and address of the person bitten.

B. If the person bitten is bitten by a dog and if the owner of the dog produces a valid and unexpired certificate of vaccination for the dog issued under section 47-1-2.2 NMSAS 1953 evidencing vaccination at least three (3) weeks prior to the bite then the owner shall be permitted to keep the dog at his own premises for the required period of ten (10) days. Owner confinement shall be permitted by the district health officer if he has declared his area of jurisdiction a rabies-free area. No animal may be released from confinement except by a person designated by the district health officer.

47-1-2.5. Dogs or cats bitten by rabid animals. - Any dog or cat bitten by an animal known or proved to be rabid shall be killed immediately by its owner or by a peace officer, provided that any dog or cat which has been vaccinated at least three (3) weeks before being bitten shall be confined for ninety (90) days. At the end of the confinement period the dog or cat shall be released if declared free of rabies by a licensed veterinarian. If as determined by the veterinarian, the dog or cat develops rabies during the period of confinement, the owner or keeper shall have it killed and properly disposed of.

47-1-3. Vicious animals - Rabid or unvaccinated dog and cats - Procedure following death from rabies. - It is unlawful for any person to keep any animal known to be vicious and liable to attack and injure human beings unless such animal is securely kept so as to prevent injury to any person. It is unlawful to keep any unvaccinated dog or cat or any animal which has shown any symptoms of rabies except that, if such animal has bitten a human being, it shall be confined for a ten (10) day period. If the animal dies during the confinement period, the head shall be immediately sent to a laboratory by the district health officer.

The head of any animal suspected of having died of rabies shall be immediately sent to a laboratory designated by the health and social services department under such procedures as specified by the department.

47-1-4. Failure to kill - Penalty. - It is the duty of any person who is the owner or keeper of any animal, the keeping of which is unlawful, to cause such animal to be killed. Failure to comply with this section, after knowledge by the owner or keeper of the fact which renders such keeping unlawful, shall subject such owner or keeper to a fine of ten dollars (\$10.00) and costs, and each day's failure to comply is a separate offense.

47-1-5. Running at large in municipalities. - Each municipal corporation shall make provision by ordinance for the seizure and killing of all dogs and cats running at large and not claimed or harbored by any person on their premises.

47-1-6. Enforcement. - Municipal corporations may provide enforcement of sections 47-1-2 through 47-1-7 NMSA 1953 by ordinance. In any area where dogs and cats are not controlled by ordinance, the sheriff or any peace officer shall provide for the disposal of any unvaccinated dog or cat not under ownership and control.

47-1-9. Abandoned dogs and cats - Notice to owner - Disposal without liability. - A. As used in this act (section), "custodian" means the owner or operator of a veterinary clinic or hospital, a doctor of veterinary medicine, a kennel, grooming parlor or other animal care facility.

B. Any dog or cat placed in the custody of a veterinarian, kennel, animal clinic or hospital, grooming parlor or other animal care facility shall be deemed to be abandoned if, after the term of any agreement for board or other care has expired, the dog or cat has not been reclaimed within ten (10) days after written notice has been given the owner or his agent by

registered or certified mail.

C. Any dog or cat deemed abandoned under the provisions of subsection B of this section, may be disposed of by the custodian if not reclaimed. Notice of the intent to dispose of a dog or cat shall be given to the owner or his agent by registered or certified mail. Such notice when sent to the address given to the custodian by the owner, shall relieve the custodian from all liability to the owner or his agent for the disposal of the dog or cat.

D. The custodian may turn over an abandoned dog or cat to the municipal or county animal control center, pound or shelter for disposal by them. Nothing in this act shall affect the holding time or notice procedures regarding any municipal or county control facility which is owned or operated by, or is under contract or franchise to a municipality or county.

E. Nothing in this act shall relieve the owner of a dog or cat for the payment of all reasonable charges for medical or care services rendered to the dog or cat while in the custody of a veterinarian, kennel, animal clinic or hospital, grooming parlor or other animal care facility.

First published in Lincoln County News November 14, 1974. Last published December 19, 1974.

NOTICE is hereby given that on October 31, 1974 Fred W. Pingsen, P.O. Box 8, Capitán, New Mexico, 88316 filed application number H-961 with the STATE ENGINEER for permit to supplement surface waters of the Rio Bonito appropriated by means of the Lutz Ditch by drilling a shallow well No. H-961, 8 inches in diameter and approximately 80 feet in depth to be located in the NW 1/4 SE 1/4 NW 1/4 of Section 15, Township 9 South, Range 15 East, N.M.P.M. for the appropriation of up to 22.2 acre feet per annum of shallow ground water for the supplemental irrigation of 7.4 acres of land located in Part of SW 1/4 SE 1/4 NW 1/4 of Section 15, Township 9 South, Range 15 East.

Water from the well will also be used for stock watering.

Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will impair or be detrimental to their water rights, may protest in writing the proposal set forth in said application. The protest shall set forth all protestant's reasons why the application should not be approved and must be filed, in triplicate, with S. E. Reynolds, State Engineer, P.O. Box 1717, Roswell, New Mexico, within ten (10) days after the date of the last publication of this Notice.

Baby-sitting Co-op now functioning

A baby-sitting co-op is now functioning in the Carrizozo area. An organizational meeting for interested mothers of young children was held on Tuesday, Nov. 12.

The co-op is seen as an alternative to the paid baby-sitter. Members agree to a mutual exchange of time and children. Participation in a co-op allows a mother valuable time to herself to complete tasks at home, run errands or do necessary in or out of town shopping. Members, thus get good and experienced child care without having to incur the additional expense of a hired baby sitter. The children are also benefiting by having the needed companionship of other playmates.

Play Groups, their purpose and how they can effectively work within the baby-sitting co-op will be the topic of the next meeting. The group will meet Monday, Nov. 25, 11:00 a.m. at 1007 "B" Ave. All interested mothers welcome. For additional information call, call - 648-2887 or 648-2273.

Student Chorus sang at Church

Capitan — by Margaret Rench

A group of 50 Lubbock Christian College High School students in a chorus were here Saturday and spent the night with members of the Church of Christ. They sang Saturday night and did a beautiful job which gave lots of happiness. They left a.m. Sunday morning to go to Dora, N.M. where they had an 11 o'clock appointment.

Hunting season started Saturday and there are lots of hunters. I noticed one hunter did kill a cub bear.

The Elks Annual Deer Hide Drive for aiding disabled Veterans is now on. There is container at the Smokey Bear Museum where the hunters can deposit the deer hides for the purpose above. Please do not throw your deer hides away. See that they get in the right channel to help the disabled Veterans.

Many hunters have visited the Smokey Bear Museum this past week. Other visitors were from Missouri, Georgia, New York, Alabama, California and Arizona. Several from Texas and New Mexico.

Also have had some (young) old timers. Such as Zona Hagee Crusap and Charlie Pfingsten.

Larry Parker of Atlanta, Georgia stated his grandfather was game warden here in 1917. He is now 86 years old and in good health and tells Larry about what life was like around Capitan in those old days.

Always glad to welcome you to Smokey Bear's Birth Place. So many people do not believe he is real or still living.

Go visit the Smokey Bear Museum and Willie Hobbs will inform you.

Mr. and Mrs. Wayne Hobbs hunting guests last week end were Vernon Jenkins, Cecil Hawkins and Ray Pursinger of Dallas, Texas. Leonard Lively of Millitas, California, Grady and Howard Hobbs of Ruidoso. Milton Burdick and two children of Crane, Texas. Dennis Schultz of Lubbock, Texas.

There was a fire at Coe cabin last Thursday. The fireman put it out before much damage was done.

There was lovely music at the Church of Christ Saturday night and the choir from Lubbock sang. Certainly was enjoyed.

Mr. and Mrs. Albert Kingston of Las Cruces were hunting in this area Saturday. They visited Maude Kingston and Lou Harris for a few hours Saturday evening.

Another election over. We had the nicest officials here. How I did enjoy working with them. Were very busy all day. We are proud of our precinct I taking interest in your vicinity at the polls.

I am now sending very sincere and good wishes for a good recovery to Paul Payton, our editor, who underwent eye surgery in Albuquerque last Friday morning.

Mrs. Rench and Mrs. Kingston made a business trip to Carrizozo last Friday we then went thru Nogal in heavy fog and rain to Ruidoso where we taken care of more business and returned home 7:30 that night thru lots of rain. Here in Capitan we had two-tenths of an inch of rain Saturday night and it became very cold with high west wind Sunday. The sun is shining bright in a clear sky this Monday morning. The dampness makes it feel much colder than it really is. We did have lots of ice last night.

Happy anniversary to Mr. and Mrs. Roy Evans on their 29th wedding anniversary November 5. I wish them many more.

Mr. Forest Cool enjoyed his 74th birthday November 14. I wish him many more such happy and healthy birthday.

Mr. and Mrs. Dee Chessar of Albuquerque became the proud parents of a son born October 12, 1974 weighing 6 lbs 15 oz. His name is Christopher George.

Mr. and Mrs. George McBride of Mesclero visited her sisters Mrs. Allie Taylor and Annie McInnes last Sunday.

Mr. and Mrs. Bruce Brinner of Albuquerque were present.

Bernadette Gomez, president, opened the meeting. Lilly Montes presented a paper with puzzling questions for the people to think about.

The invocation was then given by Reba Hardy. A buffet style dinner was enjoyed by all. The main dish was prepared by the FHA sponsor, Mrs. Angelina Provine. The other dishes were prepared by the members.

After dinner the Chapter parents and grandparents were introduced by Mary Romero. Chapter parents are Mr. and Mrs. Roy LaMay and Mr. and Mrs. Leroy Montes. Chapter grandparents are Mr. and Mrs. Daniel Gomez and Mrs. Cora Dutton.

Special guests and honorary members were introduced by Trina Zamora. Megan LaMay recited a poem, followed by "Mothers' A,B,C's" by Lilly Montes.

A report on the District FHA meeting was given by Mona Griego. The report on the National Meeting held in Chicago, Illinois was given by Rhonda Barber.

Mrs. Richard Baldwin served as installing officer. The officers for 1974-75 were installed in a beautiful ceremony. The new officers are president, Bernadette Gomez; vice-president, Reba Hardy; secretary, Mary Romero; treasurer, Rhonda Barber; vice-president of public relations, Trina Zamora; vice-president of recreation, Lilly Montes; historian, Mona Griego; and parliamentarian, Lisa Townley.

The meeting was closed by Bernadette Gomez.

Capitan club members go to district convention

The Capitan Women's Club was well represented at the District Women's Convention held recently in Las Cruces.

Members attending included: Juanita Abercrombie, Daylene Huey, and Emmeline Beck.

There was a large attendance, including a number of state officers. Mrs. R. K. Knox, District IV president, from Ruidoso, presided over the assembly.

The bi-centennial motif was carried out throughout the entire convention - a Thanksgiving banquet and a Betsy Ross Awards luncheon.

Mrs. Paul C. House, state president, announced that District IV's project for this year would be the establishment of a museum at Ft. Stanton. Women's clubs will help in the refurbishing of the old officer's club at the fort.

Letter to the Editor

Dear Sirs:
 While on vacation I happened to go through your town, noticing as I did the fact that your stress friendliness on a billboard.
 As I drove by Valley of Fire on Sunday morning September 22, 1974 my family and I decided to drive in, it appeared the roads were sound

although you had had quite some rain, and it was still raining, we went down a small hill, and found out that a clay finish on the roadbed would not let us move back up.

My son walked back almost all the way to town, before a local citizen picked him up and took him to the courthouse where the officer in charge called Means Motor Supply for a wrecker. They came and got me out, and I was on vacation again.

I do wish to publicly thank the citizen who gave my son a ride, the officer who very courteously helped get the wrecker assistance, and very much to the driver of that wrecker, who was ready to go fishing, and held up to help us. The fee was \$10.00 and being in a strange state and miles from home it was refreshing to find an honest firm, so many today gouge a stranded tourist.

Thank all of you for a friendly town, and always my family and I will have a soft spot for Carrizozo.

Yours sincerely,
 George Davidson

Awards Day Program

The Lincoln County 4-H Council was called together October 8 at 7:30 p.m. in the Lincoln County Extension Office. Meeting was brought to order by President Karen McDaniel. Election of officers was held. New officers are: Carlos

Lincoln County News, Nov. 14, 1974, Page 8

Pacheco, President, Debbie Clark-Vice President, Karen McDaniel-Secretary and Reporter, Ginger Cooper-Treasurer.

We began discussion of the 4-H awards day program. It was decided to have a covered dish supper this year. It will be held at the Recreation Center in Carrizozo on the 10th of November. The Council will furnish the meat and the bread and other members will be instructed as to what to bring. It will begin at 5:00 p.m. The Carrizozo 4-H clubs will be responsible for setting up and decorating the Recreation Room. Speaker for the program will be Mr. Dub Williams of Ruidoso.

There will be a separate Horse committee that will operate under the Council. They will be responsible for making general rules and setting and arranging shows. They will bring proposed plans before the Council, for their approval. There will be three people who will be sent on Citizenship Short Course in Washington, D.C.

Finances for the coming year were discussed as a result there was a Finance Committee appointed and they are as follows: Karen McDaniel, Donna Clarke, Raythe Gipson, Mona Payne, and Ricky Richardson. Next Council meeting was set for October 29th at 7:00 p.m. Those members present were Karen and Dale McDaniel, Debbie and Donna Clarke, Ginger Cooper, Raythe Gipson, Jim Surratt, and Carlos Pacheco. Others attending were Ralph Dunlap and Mrs. Paul Pacheco.

STATE SENATOR, DISTRICT 39

Paid for by the Committee to Re-Elect Conway State Senator, George Marsh, Treasurer.

Tiger Tales

By June House

Athletic Club

The Capitan Athletic Club met for its regularly scheduled meeting on Thursday, November 7 at 7 o'clock. The main order of business was the rifle raffle. Money from ticket sales was turned in.

The rifle will be on display in the Smokey Bear Coffee Shop. The drawing for the lucky winner of the rifle will be this Saturday, November 16. The time of the drawing will be 12 o'clock noon. Tickets may be purchased until the time of the drawing.

President Norman Renfro has called a special meeting for Friday, November 15. Meeting time is 7 o'clock. The place is the Smokey Bear Coffee Shop. The purpose of the meeting is to get all tickets and money turned in for the raffle.

If you have not bought a ticket, please do so. Proceeds from the raffle will be used to purchase blazers for the athletic teams of Capitan High - both boys and girls. Support the local teams!

Student Council Report

According to all reports, the Halloween Carnival could be called a big success. A very large crowd was in attendance on Halloween Night as booths were set up in the old gym and classrooms at the high school.

There were eleven classes and clubs that made an average of \$35 each. The Student Council, which sponsored the event, made over \$70. Approximately \$450 was made at the carnival. The Student Council appreciates the good participation and attendance from all.

Cancellation

The boys basketball game scheduled for November 29 against Corona has been cancelled. It has been cancelled because it is during the Thanksgiving Holidays.

Tiger Basketball

The Tiger basketball team will begin practice this week. As of this writing, there is a very limited number of boys who have indicated they will participate in basketball. There are eight boys at this time. It will be impossible to field both a A and B team unless more boys suddenly decide to participate.

The eight boys are Henry Griego, Richard Phillips, and Mike Renfro from the senior class; Kenny Cummins, Pat Griego, Kirk Phillips, and Wayne Ware, juniors; and Robbie Richardson from the freshman class. The Tigers will be coached by Randy Lykins.

The Tigers' first game is set for December 6 here in Capitan. The Tigers will play host to the Alamogordo Sophomore Team. Game time is 6:00 p.m.

Tigerette Basketball

Girls basketball practice has been in full swing for the last two weeks. There are twenty-two girls trying for a spot on the starting five. Most of last year's team has been lost due to graduation so starting spots are pretty much up for grabs. If the Tigerettes are to be a district contender, last year's Junior Varsity team will have to come through this year.

By the time this is in print in the newspaper, the Tigerettes will have played their first game and both A and B teams will be known. However, at the time this was being written, neither of the teams had been established. Much depends on the way each girl performs in practice right up till game-time. Practice sessions are the key, for the way you practice is the way you play.

The twenty-two engaging in practice at this time are the following. Seniors: Rhonda Barber, Debra Burkett, Alice Fillingim, and Angie Zamora. Juniors: Fawna Abel, Susie Abercrombie, Bernie Gomez, Elizabeth Jenkins, Trina Zamora. Sophomores: Becky Renfro. Freshmen: Debbie Dalton, Mary Gutierrez, Reba Hardy, Darlene Herrera, Megan LaMay, Lilly Montes, Debbie Perry, Shirley Taylor. 8th Grade: Donna Cooper, Julia Coleman, Lisa Lamb, and Susie Shrecengost. Coaching the Tigerettes, is Jack Mayfield.

Saturday, November 16 the Tigerettes travel to Weed. Hope that many of you can make it to these games. Starting time for the J.V. game is 5:30 p.m. You'll see lots of action and the girls will appreciate your presence!

FHA Mother-Daughter Banquet

On October 24, 1974, the Capitan FHA Chapter held their annual Mother-Daughter Banquet. Seventy-seven people including members, mothers, special guests, and faculty members

'ROUND THE CAPITOL
by FRED BUCKLES

Tax cut expected

SANTA FE—The 1975 Legislature will receive a host of proposals to cut your taxes. The most likely tax relief bills: Removal of the state gross receipts tax from prescription drugs, medical bills and food; property tax benefits for senior citizens on fixed incomes; a state income tax reduction. Also, extended benefits for low income groups in the present tax credit. The credit is applied to the state income tax but a host of factors are considered to compute the credit. The 1975 Legislature will be under heavy public pressure to adopt election campaign reforms. A major campaign reform bill died in the Senate in the 1974 Legislature. All major office candidates in the general election campaign supported campaign reforms. Disposition of the big state surplus will be a key issue in the 1975 lawmaker session. Gov. Bruce King estimates the total of state reserves and surplus will be \$100 million when he leaves office Jan. 1. Tax relief could take part of the surplus and reserves. But increased budgets for state agencies and capital improvements will also account for a large share. The influential Legislative Finance Committee is considering burgeoning state agency budget requests for fiscal 1975-76. The LFC and the new governor will send separate proposed executive

budgets to the legislature in January. The big State Hospitals-Institutions Department proposes a \$28.3 million budget next fiscal year, up a husky 33 per cent. In state general fund appropriation alone the DHI wants a \$7.5 million increase. The controversial State Highway Department proposes a fiscal 1975-76 budget of \$131,148 million, up \$5.4 million. Within this total the SHD seeks \$78,815 million in state funds alone, up \$14 million. Federal funds for the SHD would be \$56,733 million, down \$1.5 million from the current fiscal year. Environmental legislation will again occupy part of lawmakers' time in 1975. The 1974 Legislature repealed the requirement for environmental impact statements on state projects. Legislation to restore the requirement will be introduced in the coming session. It will be opposed by industry and other conservative groups. Inflation is considered mostly a federal problem but the legislature will receive measures intended to curb inflation. New Mexico's vast, varied energy potential received much emphasis in the general election campaign. More coordinated effort to develop this state's energy potential will be pushed in the legislative session. New Mexico is among states with greatest energy potential in oil, gas, coal, geothermal, uranium and other natural resource reserves. Judicial reforms will be another legislative battle ground. A recent citizens conference on courts in Albuquerque recommended non-partisan, appointed judges. A series of other judicial reforms were also supported by the conference. In the recommended procedure judges are initially appointed by the governor from a list submitted by a nominating commission of mostly non-lawyer, non-judge members. After a period of service judges face the electorate running on their records alone. If voters reject a judge, the nominating process is used again. Rich Sims, 44 of Albuquerque campaigned at Democratic rallies in the general election campaign for the party nomination for U. S. senator in 1976. A former Guadalupe County resident, Sims is an announced candidate for U. S. Sen. Joseph M. Montoya's seat.

Our travels over the state in the general election campaign showed the economy was the major issue with voters. Despite much demonstrated concern over the cost of living, inflation and possible unemployment we found many New Mexico areas with solid economies. Farmington expects to triple its population in 19 years. The Lordsburg-Deming, Las Cruces, Raton, Santa Fe, Silver City, Belen, Clovis and other sectors also seemed to be healthy economically. Watergate and related problems turned off many voters, especially Republicans. General discontent with politicians, public officials and government was expressed by voters in the campaign.

Administrators Seminar

The Lincoln-Otero Counties Administrators Seminar will meet on Tuesday, November 19. The Seminar will be hosted by the Alamogordo Public Schools. The meeting will be in the School Administration Conference Room beginning at 9 a.m. Adjournment is set for 3 p.m. Attending from Capitan will be Superintendent of Schools, Richard Clifton and second grade teacher, Ms. Leota Pfingsten. As part of the program there will be a panel of teachers to discuss the topic, "What We Expect of Our Administrators." The area to be given special consideration by Capitan is "Recommendations teachers appreciate receiving from school administrators." Each member will have from 5 to 7 minutes to speak. Ms. Pfingsten will serve as a member of the panel from Capitan.

Spanish club formed

Carrizozo High School formed a Spanish club Oct. 23. Officers were elected and Dorothy Portio was elected president; Vivian Chavez-Vice president; Leo Samora-Secretary; and Clifford Sambrano Treasurer. They are planning an Enchilada dinner, and other activities very soon.

USDA amends regulations for Food Distribution and Food Stamp Programs

The U. S. Department of Agriculture (USDA) today amended the regulations for food stamp and food distribution programs with respect to institutions and Title VII nutrition programs for the elderly. Proposed changes were published for public comment in the Federal Register of Oct. 1 (USDA press release 2806-74). No objection to the proposed amendments were received, and no changes were made in the food stamp program proposals; however, several changes in the food distribution proposals were made after consultation with the Commissioner on Aging.

Domenici Military Academy Review Team - Members of U. S. Senator Pete Domenici's Region IV Military Academy Review Board met in Roswell at the Federal Building, October 26, to review applications from young New Mexicans interested in attending one of the nation's military academies. From left to right are Max Lowry, Clovis-Curry County, Herbert Hammond, Alamogordo-Otero County, Dr. Edward Fikany, Fort Sumner - De Baca County, Jerry Calvani, Carlsbad - Eddy County, Jack Skinner,

Carlsbad, Colin McMillan, Roswell - Chavez County, Mrs. A. N. (Jackie) Spencer, Carrizozo-Lincoln County, Billy Williams, Clovis - Curry County, and Steven Bell, Applicant for a Military Academy from Hobbs. Senator Domenici's review boards interview each of the more than 100 candidates for nomination to military academies and then make recommendations to the Senator, basing their choices on a variety of qualifications.

Standing room only on tomorrow's world?

Washington - Today she'd be more puzzled than ever, that "old woman who lived in a shoe and had so many children she didn't know what to do." Neither does anybody else, with certainty Experts from around the world have agreed in effect that the world's growing population is hardly an English rhyme quandry, but a life-and-death crisis. Nevertheless, clear-cut solutions and cooperative measures eluded them as they headed home from Bucharest, Romani, and the United Nations World Population Conference this August. Solutions to overcrowding have been eluding mankind for centuries says the National Geographic Society. However, only in recent years has it been obvious that the world's wide open spaces may be in for the sort of filling-up that has long jammed cities. CROWDED PLANET As of 1974, according to the U. S. Census Bureau, the world's population is estimated to be

3.8 billion. More than that, population specialists-demographers-say that in 36 more years there will be twice as many people. Experts talk hopefully-but uncertainly-of the world's population leveling off or stabilizing in about 100 years at somewhere between 8 and 15 billion. The population explosion--as some describe it--follows many generations of smoldering. At the time of Christ, it is estimated the world's population was between 200 and 300 million, with about 9 million in Egypt, 54 million throughout the Roman Empire, and 60 million in China, which had just taken its first census. A thousand years later there were not many more people on earth than there are in the United States today, or about 275 million. WIDE OPEN SPACES Vast areas of the world were thinly populated or entirely empty. Disease and disaster took terrific tolls of life. By the year 1650, the world was inhabited by about 545 million people and in 1750 by about 728 million. Seventy-four years ago-in 1900-the world's population was only 1.6 billion, less than half today's. With births outpacing deaths, the world's head count is going up at the rate of two more persons a second, nearly 200,000 a day, more than 6 million a month, and about 76 million a year. That's a 2 percent growth a year, and conference delegates hope it can be cut a bit by 1985. Pessimists believe the world's food supply will not increase as fast as the number of mouths to feed. To keep pace with the predicted population, says one expert, food production will have to double in the next 20 years and triple by the end of the century. Underdeveloped countries increasingly will feel the squeeze the most. Nobel laureate Dr. Norman Borlaug describes the crisis bluntly: "If population continues to increase at the present rate, we will destroy the species." Another estimate takes a longer but no more comforting view: If the population growth continues at the current rate, in another 500 years there would hardly be room for anybody to sit down.

Senior Extension Club meets

The Senior extension club met Monday afternoon in Carrizozo. The meeting was called to order by the president Catherine Baker, and the Pledge of Allegiance given by the group led by Ethel Roberts. The members then either gave a quotation that was food for thought or forfeited a dime.

Motion made by Clara Snow and seconded by Edith Lenard that the club pay \$18.50 for a trophy for the 4-H winner of the Fair in Captain. Catherine Baker then gave a report on the Council meeting held in Capitan Oct. 4th.

The Christmas party was discussed. Ruth Wilson and Thelma Apper are hostesses and Catherine Baker is in charge of the program. There will be an exchange of gifts, and the members were asked to bring what they plan to make as a gift and also any ideas they have for making gifts to the November meeting.

The program was then turned over to Clara Snow and she showed a weskita made of scraps of velvet and brier stitched, to be worn over an evening dress. She also showed bottles decorated with egg shells, napkins and place mats made of scraps of material.

The group was asked to bring something old to the next meeting.

Refreshments were served by Edith Lenard and Ellen Cady.

Those present were: Edith Lenard, Ellen Cady, Effie Chisholm, Catherine Baker, Thelma Apper, Fayve Wooten, Ethel Roberts, Mary Holmgren, Clara Snow, Connie Morales, and Minnie Thornton.

Lincoln County News, Nov. 14, 1974, Page 10

The Senior Extension Club met Mondays afternoon at the R.E.A. Building. The meeting was called to order by the president, Catherine Baker. The pledge of allegiance was led by Rachel West. The group brought a number of attractive articles they had made for Christmas decorations.

Mrs. Chisholm directed the group in making small baskets of fruits molded from a dough of salt, flour and water and baked in an oven and then dipped in melted crayon.

There will be a meeting Dec. 4 at the Recreation Hall of members from other district. A committee was appointed to make arrangements for the meeting.

Those attending the meeting Monday afternoon were, Edith Roberts, Dorothy Current, Edith Lenard, Clara Snow, June Straley, Rachel West, Elva Wilson, Connie Morales, Erma McKinnis, Connie O'Rear, Ruth Wilson, Fayve Wooten and Minnie Thornton.

Steak fry for FB team

Carrizozo football fans have made up a pot to profice a steak fry for the Grizzly football team which will be served Saturday night, 7:00 p.m., at the Recreation Center. Coaches, cheerleaders, and managers will be included in this special banquet. Football fans are invited to attend the event, listen to the remarks, but will not be in on the steak feed.

News out early next week

The Lincoln County News will complete printing of its November 28 issue on Monday, November 25 for the benefit of both our advertiser and our readers. We will appreciate cooperation from our correspondents in getting their news to us by Saturday, or Monday if it's real important.

First meeting in new town hall

Council votes for water-sewer improvements

In its first meeting in the new town hall, Carrizozo town council handled considerable business, the major action centering on call for vote on GO bonds to finance water and sewer improvements for the town.

Darrel Fowler, vice president of Stern Bros., was present to explain handling of the bond issue for the council. The Town of Carrizozo now has \$55,000 in bonds outstanding which should be paid in 1975 at that the new bond issue coming along in 1975 or 1976 could be financed without any increase in taxes, or possibly on less taxes than Carrizozo people are now paying. Fowler said that Carrizozo property owners are now paying \$10 to \$11 per thousand of assessed valuation.

"This new bond issue has a double purpose. The ballot will read 'water and sewer improvements for the Town of Carrizozo' which should be considered the primary purpose of the bonds. A good part of the \$80,000 issue will be used to improve water pressure by running new water lines in several areas of the town. The bond money will also finance extending water and sewer lines to the industrial park area and in the park itself."

This \$80,000 water-sewer bond vote by the people of Carrizozo would, if passed, put the town in position to receive grants in the probably amount of \$200,000 to finance an industrial park. Mr. Fowler explained that the town does not need to complete such an improvement program but does need to OK the issuance of the bonds prior to going to government agencies for grants of any kind.

The first vote by the council was to suspend the rules, which refers to any action taken by the council at any time in past years which might interfere with passage of a bond issue. This vote was unanimous. Then again by unanimous vote the council voted to present to people of Carrizozo the opportunity to vote on the issue, the date of said election to be Tuesday, January 21.

Of some interest but no serious consequence concerning the bond issue, will be two voting machines at the polls, one for registered voters, and one for people living in Lincoln County, but outside the town, who will register with the county clerk 15 days prior to the election and declare their intention to vote in this election.

They must be property owners. Fowler said that in the recent \$5 million plus water bond vote in Ruidoso three votes were cast by people living outside the town, but state law requires such a setup, including use of the voting machines.

Several council members spoke up saying their taxes had increased this year. Fowler stated that this increase was due to the school building program voted last year. There will be two questions on the ballot, one for amount of \$60,000 for water improvements, and one for \$20,000 for sewer improvements and other matters (election costs). Note — the amount of \$80,000 was used in initial discussion, \$60,000 and \$20,000 obviously total \$80M, probable total will be \$80M.

Registration for voting in this bond election, will close December 23 in the county clerk's office.

Dutch Cox, president of Carrizozo Chamber of Commerce, was first on the agenda with request that the town lease the old town hall to the C of C. The building needs some repairs, including roof work which the C of C will do. Cox said they were considering this site as permanent office.

possibly include a museum and crafts display at some future date. When asked if the C of C would keep the office open, Cox said the C of C hoped to do this in time to come.

The council agreed to lease the building to the C of C on \$1 per year basis, for a specified length of time, four or five years. C of C will pay utility bills. Food stamp people will continue to use these quarters for a time.

Cox announced that a general meeting of the Chamber of Commerce has been called for Monday, November 25, to discuss the proposed bond issue, all interested people invited to attend.

Mayor Payne read resignation of Tom Ward from Zoning and planning commission. It was accepted and Paul Payton appointed to that commission.

Atty. Archie Witham read requirements of zoning administrator, which would be to keep and check on violations, act on violations, investigate applications, and other such functions. Should be salaried job, to much work; otherwise, action on this appointment put off. Mayor Payne thanked Ward for his work.

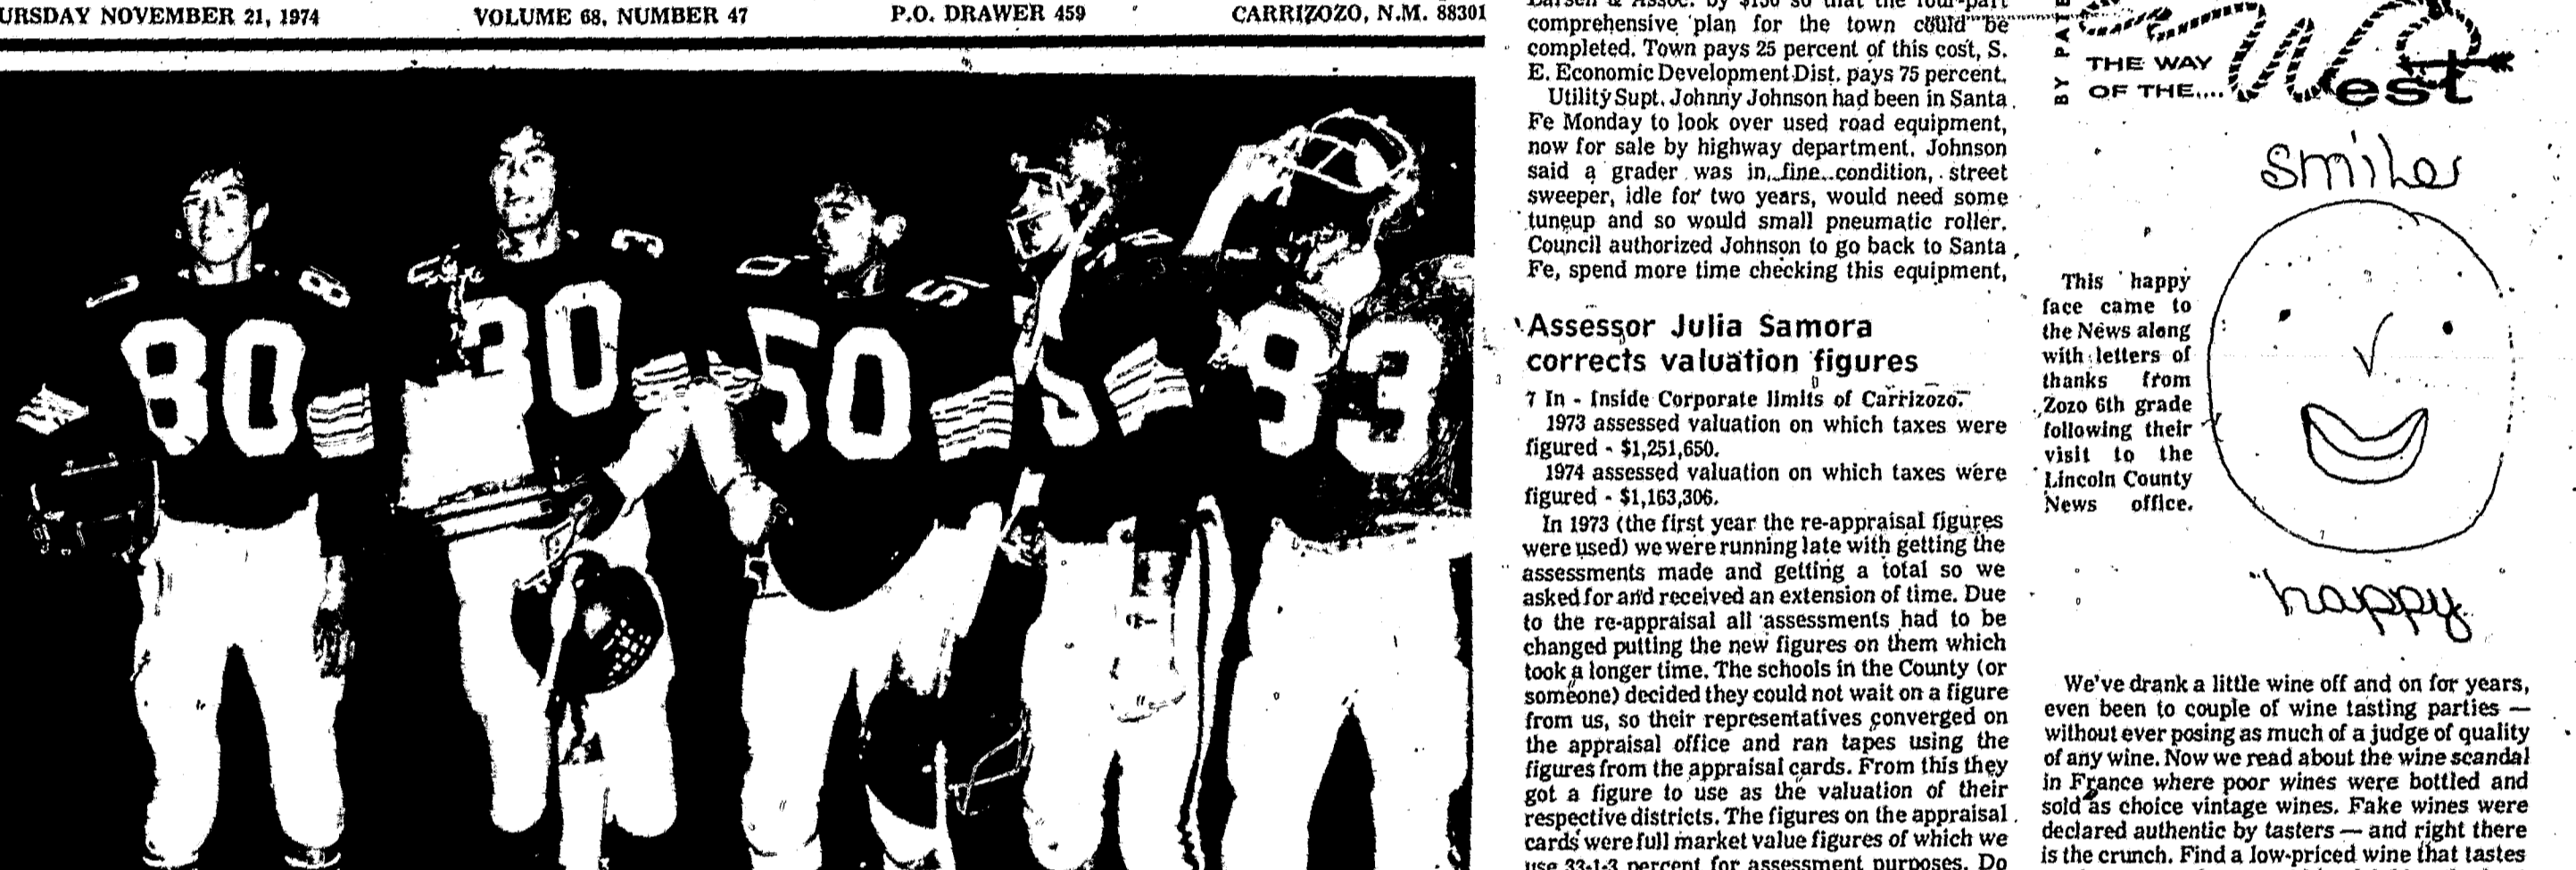

Jim and Carolyn Carter of Scott Industries were present to discuss rent on town-owned buildings they occupy. Town installed floor, ceiling and new wiring, work that needed to be done before buildings could be used by anybody, at cost of \$15,000. Scott's yearly rent \$5,000. \$1,000 every two weeks in Carrizozo, which the council considered a good thing for the town. Rent was set at \$100 per month to start January 1, 1975.

Council agreed to use its cash payment to Larsen & Assoc. by \$150 for that the four-part comprehensive plan for the town could be completed. Town pays 25 percent of this cost, S. E. Economic Development Dist. pays 75 percent.

Utility Supt. Johnny Johnson had been in Santa Fe Monday to look over used road equipment, now for sale by highway department. Johnson said a grader was in fine condition, street sweeper, idle for two years, would need some cleanup and some small pneumatic roller. Council authorized Johnson to go back to Santa Fe, spend more time checking this equipment.

LINCOLN County News

THURSDAY NOVEMBER 21, 1974 VOLUME 68, NUMBER 47 P.O. DRAWER 459 CARRIZOZO, N.M. 88301

Seniors: Leo Samora, Ernie Beltran, Clifford Sambrano, Tommy Lucas, and Bobby Beltran, accept Runner-up trophy after the Class A championship football game played at Hagerman last Saturday.

Assessor Julia Samora corrects valuation figures

7 In - Inside Corporate limits of Carrizozo, 1973 assessed valuation on which taxes were figured - \$1,251,650.

1974 assessed valuation on which taxes were figured - \$1,163,206.

In 1973 the first year the re-appraisal figures were used) were running late with getting the assessments made and getting a total so we asked for and received an extension of time. Due to the re-appraisal all assessments had to be changed putting the new figures on them which took a longer time. The schools in the County (or someone) decided they could not wait on a figure from us, so their representatives converged on the appraisal office and ran tapes using the figures from the appraisal cards. From this they got a figure to use as the valuation of their respective districts. The figures on the appraisal cards were full market value figures of which we use 83-1/3 percent for assessment purposes. Do not know what went wrong there but when we had all our assessments in and had completed the tax roll the assessed valuation for Carrizozo was \$1,251,650. The \$2,000,000 plus figure did not come from the assessor's office.

In the tax on personal property inventories and household furniture was eliminated. Also for 1974 the amount of exemptions taken were over 1973, so you lose valuation on both these. Enough valuation was picked up to offset part of this loss.

Legal notice informs residents of dog-cat responsibilities

A legal notice in this issue of the News (and last week's) tells about the legal responsibilities of persons in the county in regard to controlling their dogs and cats.

Known cases of rabies have been found so close to Lincoln County that it would be near a miracle if there were no rabid animals in this county.

Officials of all towns in the county, and the county officials are asking for cooperation in control of stray animals. To be well informed on this matter you should read the entire legal notice.

Animal Control Report For Month of October 1974

OCTOBER 1, Picked up Mike Lucas dog. Mr. Lucas came in and paid for his dog's release.

OCTOBER 2, Caught two dogs and checked to see if they had any masters. They didn't so had to put them to sleep.

OCTOBER 3, Mrs. Fructoso Osorio asked me to put her dog to sleep.

OCTOBER 4, Picked up Mrs. Samora dog and took it to the dog pound for southern climes.

OCTOBER 7, Mrs. Florencio Archuleta called in and wanted two dogs disposed of. So I put them to sleep.

OCTOBER 8, Picked up Mr. Robo's dog and had him at the pound for a couple of days. Mr. Robo came in and paid the fine.

OCTOBER 9, Mr. Willie Vega asked if I would destroy his dog so I picked him up and put him to sleep.

OCTOBER 10, Picked up Mr. Chavez dog and put him to sleep.

OCTOBER 11, Picked up Edson Keith dog and had him at the pound. He came in and paid the fine.

OCTOBER 15, Mr. Chavez called in and asked if I would bury a dog for him.

OCTOBER 16, Picked up two stray dogs, put them to sleep.

OCTOBER 17, Picked up a dog that had been run over by an automobile and put him to sleep.

OCTOBER 18, Picked up 4 stray dogs and put them to sleep.

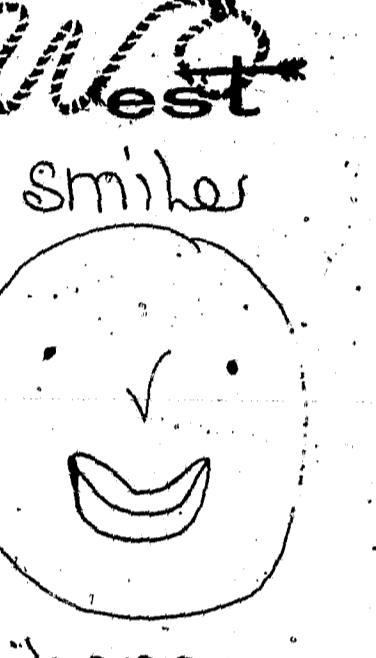

OCTOBER 21, Picked up two pups and put them to sleep.

OCTOBER 22, Phillip Ortiz reported a rabid cat around his house I went in and checked it out. Turned out to be a false report and the cat didn't have rabies.

OCTOBER 23, Picked up 3 strays and put them to sleep.

OCTOBER 25, Picked up a pup and put him to sleep.

OCTOBER 29, Picked up two strays and put them to sleep.

This happy face came to the News along with letters of thanks from Zoro 8th grade following their visit to the Lincoln County News office.

We've drank a little wine off and on for years, even this couple of wine tasting parties — without ever posing as much of a judge of quality of any wine. Now we read about the wine scandal in France where poor wines were bottled and sold as choice vintage wines. Fake wines were declared authentic by tasters — and right there is the crux. Find a low-priced wine that tastes good to you, and you could be drinking the best available. What wine we have bought has, so far as we know, all been bottled in California.

Prospective doctor to visit site

Med-We-Care, Inc., has received word from the National Health Service that a prospective doctor will be visiting the Carrizozo Medical Trade Area over the Thanksgiving holiday; November 30 to be exact. The doctor will be accompanied by his wife and a representative of the National Health Service, Mr. Burdette Morago.

Dorothy Straley, treasurer for Med-We-Care, Inc., is accepting \$1.00 membership fee to help cover the cost of transporting the doctor's wife to the area. It is now up to the community as a whole to express their desire for the new doctor by helping to defray expenses incurred.

The Med-We-Care Board will keep the community informed as to details of the visit; and will advise of plans to make sure the doctor and his wife have a pleasant visit in the area.

County lets contract for garage

Lincoln County commissioners Bill Hart and Bud Payne, Pacheco absent, met Tuesday to handle county business and spent the afternoon in a work study session with County Manager Leslie Olson and Road Foreman Jack LaMay. This report also includes action taken at meeting on November 8 in the county courthouse in Carrizozo.

Seven bids were received for construction of ambulance garage at hospital in Carrizozo. The commissioners decided to negotiate with three lowest bidders, Blue Line Construction, Central Welding & Supply and G. F. Lore. Result was \$25,000.

County manager Olson has been appointed as civil defense coordinator.

District Attorney will be asked to check on legality of locks on Water Canyon road, three expected after hunting season belonging to Forest Service, Town of Carrizozo and 1 Bar X Ranch. The commission passed a resolution suggesting that this road be kept open.

Two charged in 4-Winds burglary

Sheriff Leandro Vega, Jr. reported that investigation by the Sheriff's Department, Carrizozo Police Dept. and excellent cooperation and assistance from agents of the New Mexico State Police Criminal Division in Albuquerque, has resulted in two Albuquerque men charged with burglary and larceny over \$2500 of turquoise jewelry stolen in the burglary of the 4-Winds Restaurant and Lounge on November 8. Vega also stated that approximately 90 percent of the stolen turquoise jewelry had been recovered in Albuquerque, and positively identified by owner Willie Silva.

Arrested in Albuquerque in connection with the break-in was John D. Bird, age 31 of Albuquerque. Bird was arraigned before Magistrate Bill C. Payne on November 16. Bird pleaded innocent to the charges of burglary and larceny over \$2500. Preliminary hearing was set down by Judge Payne for December 9, 1974 at 10 a.m., bond was set at \$2500.

Also charged is John C. Hoch, age 26 of Albuquerque, authorities at this time are in the process of locating Hoch.

Legal notice informs residents of dog-cat responsibilities

A legal notice in this issue of the News (and last week's) tells about the legal responsibilities of persons in the county in regard to controlling their dogs and cats.

Known cases of rabies have been found so close to Lincoln County that it would be near a miracle if there were no rabid animals in this county.

Officials of all towns in the county, and the county officials are asking for cooperation in control of stray animals. To be well informed on this matter you should read the entire legal notice.

Lots of talk and materials in papers on what the United States should or could do for the poor and starving people in this world. Does ring our heartstrings considerable but we're at almost a total loss as to how we could help. In the first place, we're real dubious of any food or money we might give, ever giving to needy people. In second place, the United States has been doing its full share of serving world needs, of course we can do more, but no way can the U.S. save this world, from war, starvation, or any other problem. We can't do it alone. There is the real knotty problem of some nations growing people faster than they can feed present population — so we help them this year — what about five or ten years from now when there simply will not be sufficient food stuff available.

County lets contract for garage

Lincoln County commissioners Bill Hart and Bud Payne, Pacheco absent, met Tuesday to handle county business and spent the afternoon in a work study session with County Manager Leslie Olson and Road Foreman Jack LaMay. This report also includes action taken at meeting on November 8 in the county courthouse in Carrizozo.

Seven bids were received for construction of ambulance garage at hospital in Carrizozo. The commissioners decided to negotiate with three lowest bidders, Blue Line Construction, Central Welding & Supply and G. F. Lore. Result was \$25,000.

County manager Olson has been appointed as civil defense coordinator.

District Attorney will be asked to check on legality of locks on Water Canyon road, three expected after hunting season belonging to Forest Service, Town of Carrizozo and 1 Bar X Ranch. The commission passed a resolution suggesting that this road be kept open.

News Bulletin

Steak fry for FB team

Carrizozo football fans have made up a pot to profice a steak fry for the Grizzly football team which will be served Saturday night, 7:00 p.m., at the Recreation Center. Coaches, cheerleaders, and managers will be included in this special banquet. Football fans are invited to attend the event, listen to the remarks, but will not be in on the steak feed.

News out early next week

The Lincoln County News will complete printing of its November 28 issue on Monday, November 25 for the benefit of both our advertiser and our readers. We will appreciate cooperation from our correspondents in getting their news to us by Saturday, or Monday if it's real important.

Two charged in 4-Winds burglary

Sheriff Leandro Vega, Jr. reported that investigation by the Sheriff's Department, Carrizozo Police Dept. and excellent cooperation and assistance from agents of the New Mexico State Police Criminal Division in Albuquerque, has resulted in two Albuquerque men charged with burglary and larceny over \$2500 of turquoise jewelry stolen in the burglary of the 4-Winds Restaurant and Lounge on November 8. Vega also stated that approximately 90 percent of the stolen turquoise jewelry had been recovered in Albuquerque, and positively identified by owner Willie Silva.

Arrested in Albuquerque in connection with the break-in was John D. Bird, age 31 of Albuquerque. Bird was arraigned before Magistrate Bill C. Payne on November 16. Bird pleaded innocent to the charges of burglary and larceny over \$2500. Preliminary hearing was set down by Judge Payne for December 9, 1974 at 10 a.m., bond was set at \$2500.

Also charged is John C. Hoch, age 26 of Albuquerque, authorities at this time are in the process of locating Hoch.

 Some recent eye problems have brought about shorting of work load at the News. Peter has had good luck at sports coverage for us and we thank him. Action pictures by Hoff have helped — Paul does not agree with them on size of pictures. Sally has taken on new chores and so has Betty, plus Eleanor doing chauffeur work for her best friend next to this, Wildo and Coco that is. Hopefully the News
