We have a new member of the Ladies of Lincoln County. Membership in this distinguished group is earned by circumstance and attitude. There are probably many women who could have qualified had circumstances put them in Lincoln County in times of adversity.

I don't think we have ever attempted to draw up a list of these ladies, some of whom are with us and some who have gone on to that Big Green Pasture.

Shape, beauty of face, dress and homemaking skills are not considered as material to membership although most of the ladies have these qualities in abundance. The sole consideration is a quality demonstrated by the determination to persevere in circumstances that would send most women looking for a nearest neighbor's husband. It is a form of female self-reliance. When I exhibited such tendencies at a tender age my father called me 'hardheaded'.

Our new member is only 12 years old but she has earned her spurs. Lisa Crenshaw is about as pretty, shapely and talented a miss as you can find in New Mexico. She is musical and sews a fine seam (often winning such sewing and cooking events at the county fair).

She has always been such a pretty bright thing that her family told her when she was little that she was a sure Miss America Winner.

But Lisa has other talents and may win her way to fame with them. Lisa has a strong well coordinated body. The bones and muscles and courage of an athlete are also a part of that young girl and she wants to use them.

So 12 year old Lisa Crenshaw, a pretty smart student at Carrizozo, became the town's first female football player when junior practice began this fall.

Coach Ray Manley says she is one of the team. Some of the other players said that Lisa was good (and they didn't say good for a girl). If anybody is born with a talent for football, Lisa should be. Her daddy, Bobby Dan, was a star at Carrizozo at NMSU and went on to play pro football with the Eagles. He probably would still be there except for injuries that made another career advisable.

Her uncle, Ken Crenshaw, is still riding the rodeo circuit and is considered a top roper. Her grandmother, Orene Crenshaw, was quite a barrel racer in her younger days, was her father's top hand and probably could win the pony express race next year. I won't talk about Grandfather Bud Crenshaw and his many exploits as an athlete and cowboy. Her grandfather Guck was a Lincoln Forest ranger and an outdoors man of the first class.

Lisa Crenshaw—a football future?

So Lisa comes by athletic ability naturally. Her grandmother Dorothy Guck recalls with some vestigial terror when Bobby Dan and a friend would practice football by tossing baby Lisa over a car top.

Lisa also comes by being a girlie girl naturally. Her mother, Mary, is about the prettiest lady in town and she carries a load of talents including a lovely trained voice. Grandmother Guck is a writer, a talented seamstress and a marvelous cook. Grandmother Orene probably could have been a professional dancer if she had not fallen in love with that cowboy.

So here is Lisa, a lovely girl and a football player and who knows where destiny will carry her. Lisa is my friend of several years and she has unexpected strengths that even surprise me. She is playing football because she likes football and believes it is something she can do as well or better than anybody else in Carrizozo. She is not afraid of the other players or anything else that I know of.

I am certainly proud of Lisa.

Carrizozo super rumor department: The 500 motor cyclists from Washington State who camped at Three Rivers were noisy but nice according to RELIABLE local sources. We had calls about 'Hells Angels' types that were absolutely hair raising. I almost asked for a police escort to drive to the game Friday evening. These were all legitimate bikers off on a rally. No problems except as we said, the noise at Three Rivers which is not exactly an overpopulated region.

Final year for exhibit

Unhappy news from the New Mexico State Fair is that the popular agriculture-weaver-consumer oriented Sheep to Shawl exhibit located in the Dairy Barn may be discontinued following this year.

The problem, according to Janice Gnatkowski, is that the Sheep to Shawl exhibit has not been, and is not sponsored by any formal organization but has been the responsibility of three sheep producing ranch families.

We're just worn out, Mrs. Gnatkowski said. She added that members of the Las Aranas Weavers Guild, who met with the sheep ranchers recently, were disappointed by the announcement of the pending dissolution of their successful partnership. Mrs. Gnatkowski said that the popular Ladies Lead Class, a fashion parade of girls and hopefully well-behaved ewes will be continued.

"It isn't a matter of just financial help," Mrs. Gnatkowski stated. "We need bodies to help us man the display and to help supply the livestock needed. Our three families can not continue to shoulder the entire job of providing sheep for shearing, hauling the livestock to the fair, the physical responsibility for the display, the extended and expensive stay away from home during the fair... things like that."

The Sheep to Shawl spinning, shearing and weaving free-for-all will be held Saturday, September 18 at 1 p.m. near the exhibit. The object of the contest is Fun! The Free-for-all is in its second year and is sponsored by the Sheep to Shawl exhibit.

No professional shearers are allowed to participate. The goal is to hand shear, spin and weave a shawl. Judging is based on 25 per cent time, 25 per cent shearing, 25 per cent spinning and 25 per cent weaving.

The Ladies Lead Class, sponsored by the New Mexico State Fair, the New Mexico Farm and Livestock Bureau and the Sheep to Shawl exhibit will be held September 25, at 1 p.m. near the exhibit.

In the Ladies Lead Class a girl and her ewe are judged as a pair. Last year's winner was Rhonda Dickenson of Meirose, judging is 40 per cent girl and garments, 20 per cent overall grooming, personality and poise when meeting with judges at a get-acquainted breakfast sponsored by the Farm Bureau prior to the contest; 20 per cent conformation and quality of ewe, 10 per cent eye appeal (grooming and 10 per cent showmanship at halter.)

Educators and visitors are urged to bring their children to the display this year as it may be their last opportunity to see how wool is handled - sheep to shawl - when the sheep are sheared on the hour.

Capitan votes no

Capitan voters said no to both propositions in the school funding selection Tuesday. The vote was 138 to 89 against the \$450,000 bond issue. The mill levy was defeated 145 to 87.

Corona school head is academic champ

"The tail shouldn't wag the dog," said Corona's new school superintendent Mel Root in describing his attitude toward athletics and education.

The new school head knows both sides of education having been a coach, a football player and having initiated new learning programs into the academic phases of education in other schools.

The Corona enrollment this year is over the projected figures. There are 150 children and 6 additional in kindergarten.

Lincoln Forest income paid

Southwestern Regional Forester M.J. Hassell announced today the distribution of \$1,131,248.35 to 21 New Mexico counties as their 25 percent share of National Forest income for the fiscal year ending last June 30. Lincoln County's share for 364,402 acres of the Lincoln Forest is \$34,263.86 for 34,336 acres in Cibola the county gets 1,674.47. The 25 percent, Hassell said, annually is distributed to counties according to the amount of National Forest acreage within the counties. This year's payment compared with \$668,224.70 last September. The counties' share is earmarked for roads and schools.

Another 10 percent of the receipts goes to the Forest Service for roads and trails and the rest is retained by the U.S. Treasury.

Hassell said the major income sources were timber sales and grazing fees. Charges for land use permits, recreation concessions and mineral exploration fees add to the total. In addition to tangible products, the six National Forests in New Mexico provide much of the natural beauty and recreational opportunities that bring tourists to the state.

There are more than 9 million acres of National Forests in New Mexico. The National Forests are the Coronado (partly in Arizona), Carson, Cibola, Gila, Lincoln and Santa Fe.

Root finds the plant in good shape overall. He said that the PTO is actively planning playground improvements and he will try to assist that effort.

"We have the finest staff I have ever seen," he said and noted that the staff is well coordinated. Best of all, the superintendent found good rapport between the teachers, the students and the community.

State achievement tests, he said, showed a good ten year academic upgrading and that trend is one he hopes to encourage. He said that the formation of an Honor Society this past year was one of the steps in recognition of academic achievements that strengthened student attitudes.

We plan to give strong support to the student council," Root said. The student, through the council, will be given additional responsibilities in self government. They will be expected to plan student activities and to encourage student participation. "We want the students to know for sure that their feelings are being considered in Corona schools," he said.

While his job is the education of the children of Corona, Root is a community service type of person and expects to participate in the town's life. He considers the school system as a part of the community rather than a separate entity.

"I enjoy decision making and participation in useful changes," said Root. Useful changes in his mind include additional development of academic programs.

He discussed with enthusiasm the planned arts program of the school and long range inclusion of debate and drama groups.

While it is certain that the former Highland University football player will be out cheering for the Cardinals, it seems also certain that Coach John Warfield will be running the team while Superintendent Root runs the school.

Voter drive set by Demos

The Lincoln County Democratic Party began its fall campaign following Labor Day with voter registration drive plans, according to Charlotte Jarratt, president of the Lincoln County Democratic Women.

The drive will cover Saturday Sept. 11 and Sept 18 in an effort to reach as many unregistered voters as possible before the Sept. 21, 5 p.m. deadline.

Registrars will be at the following locations on both Saturdays between 10 a.m. and 5 p.m.:

Capitan: Cummins Grocery; Corona: City Hall; Picacho: Picacho Store; Ruidoso Downs: Hancock Shopping Center; Ruidoso: H&J Grocery, Safeway Store.

Voters may register at any time at the County Clerks office in the Lincoln County Courthouse in Carrizozo.

The Democratic Women will discuss other campaign plans at their next meeting Sept. 14, 11:30 a.m. at the 4 Winds in Carrizozo. There will be a dutch treat lunch and business meeting.

It's Zozo 13-0

Lincoln County schoolboy football got off to a big start Friday with at least one upset when the Carrizozo Grizzlies turned the tables on Ruidoso with a 13 to 0 score.

Fort Stanton shows result

More efficient beef production from range land was the focus of a first-ever Field Day held Friday September 3, 1976 at Fort Stanton Experimental Ranch near Capitan.

Research at Fort Stanton has shown that the Black Baldy Cow will produce a higher percent of calf crop than either the Hereford or Angus. Also, they produce a heavier calf.

Supplemental protein feeding is especially needed for the two year old cow whereas the mature cow needs a higher energy supplement.

The range management studies show that several weeds have shown up after a drought no matter the rate of grazing. If the range is properly stocked the grasses will again take over. Chemical spraying can control Broomweed but the present cost is too high to make it useable on most rangeland.

During the tour, participants saw the results of various research projects, such as the supplemental feeding studies and calving dates of beef cows. Range research projects including rotational grazing, effects of drought on vegetation and deer habitat, were inspected.

A nutritive evaluation of fertilized ranges, vegetational responses to nitrogen and herbicidal treatment of golden eye and snakeweed were other plots reviewed.

Addressing over 225 participants, Dr. L.S. Pope, newly appointed dean and director of the NMSU College of Agriculture and Home Economics, said "We cannot afford to waste any time in today's fast-changing beef industry." He pledged NMSU's continued effort to increase beef production efficiency and called for producer input into future research designs.

Noon barbeque, was served by the Range Management Club and sponsored by Worley Mills.

County gets Stoneman

Sammy Stoneman, the subject of a nationwide search since last June, was arraigned before Magistrate Bill Payne this week on 8 charges of larceny of livestock. Preliminary hearing is set for Sept. 14 at 10 a.m. and the case is expected to go before the Grand Jury Monday.

Bond has been set at \$50,000 for the former cattle inspector who is charged with cattle rustling in Lincoln County.

Stoneman was arrested in Kansas where he had been employed by the Great Bend Feeders, according to Sheriff Leandro Vega. Sheriff Vega said that Stoneman had evidently gone straight to Kansas from Albuquerque when he was advised that he was being investigated. Sheriff Vega was in Albuquerque at Stoneman's office on June 3 and Stoneman started to work at the Feeders on June 8.

Sheriff Vega said that Stoneman had indicated he would ask for a court appointed lawyer.

The new State Police in Lincoln-Hondo area is Clayton H. Floyd.

Capitan carried the day against Corona downing the Cardinals 34-18. The Tigers showed superior offense and defense and the Corona team somehow failed to put their talent together. (Details and pictures on Page 4)

At Ruidoso Friday night it was a hard fought defensive game with both teams showing a lot of talent. The Grizzlies had the edge and took advantage of an early break in the first quarter to take a lead which was never lost.

Carrizozo kicked off and Ruidoso fumbled on their second offensive play on the 30 yard line. The Grizzlies saluted Lady Luck and halfback Eddie Lueras carried the ball over the magic line for 6 points. Ray Beltran kicked for the extra point.

By the end of the 1st period, the game looked like it would belong to the defense and Zozo seemed to have the edge.

Quarterback Jimmy Samora started the Grizzlies on a good drive early in the second quarter. The team moved to the Warrior 20 yard line where Ray Beltran kicked the ball for a 3 pointer.

Toward the end of the second period. The Grizzlies again had the ball in position for Beltran who booted another three point field goal to end the half 13 to 0.

Both defensive teams dominated the third quarter and neither offense was able to do much moving throughout the quarter.

The final quarter was remarkable for the number of mistakes both teams made. The Grizzlies luck held, though, and the Ruidoso team was unable to profit by errors.

Early in the period, Beltran tried for a 25 yard field goal and missed for the first and last time that game.

In the final four minutes of play Ruidoso seemed to get it all together and marched with the ball from their 20 yard line to the Zozo 30. As the clock made its final sweep, the Grizzly defense rose to the occasion and the Warriors were stalled on the 25 yard line when the final whistle blew.

Final figures told the story emphatically with Carrizozo moving a total of 290 yards and the Ruidoso offense showing 125 yards gained. Ruidoso passed for 1 out of 3. Carrizozo took to the air for 4 completions out of 9 tries.

The three top Grizzly defenders were Edward Vega with 12 tackles; Ricky Vega with 10 tackles and Billy Bob Shafer chalking up 9.

The Carrizozo coaches say it was a good, tough game and the Carrizozo team put a total team effort into fine shape.

Friday the Grizzlies play a district game at home against Animas.

Corona will meet Mountainair in Corona and Capitan plays a district game against Quemado at Capitan. All three teams look like winners and Lincoln County football is off and running well.

Man found guilty

Roland Derrrene was found guilty of possession of marijuana with intent to distribute by a Lincoln County District Court Jury last week. He was sentenced to serve 1 to 5 years or pay a fine of \$3500 with a 4 year probation period.

Jury trials set for this week are Marcella Lucier vs. Provident Washington Insurance Company and Security Insurance Company in personal damages suit. Larry Vaughn and Gary Thomas are set for trial on charges of distribution of a controlled substance (marijuana).

The Grand Jury will convene on September 13.

FFA elects Simpson

Carrizozo FFA Greenhand officers were elected August 30 and 31, the officers are president - Robby Simpson, 1st vice president - Marc McKinley, 2nd vice president - Michael Baroz, 3rd vice president - Robert Hopkins, secretary - Mona Payne, treasurer - Lorrie Porter, reporter - Audrey Vega, sentinel - Maurita Lovelace, historian - Vince Vega, parliamentary procedure - Carrie Sue Dobbs, junior advisor - Hiedi LaMay. The Greenhand officers this year are all freshman.

Danny Knight moves

The County Agents office is losing Danny Knight who has been in charge of the 4-H and youth program. Danny and Linda are moving to Las Cruces where he will be the agricultural loan officer for the First National Bank of Dona Ana. The couple plan to move around the middle of September.

Around town

By Eleanor Payton

Mr. and Mrs. Carl Thornton and children, Jennie Lois and Carl Adam of Santa Fe spent Sunday and Monday in Carrizozo as guests of Carl's father, Mr. J.E. Thornton and Mrs. Thornton. Since they could not be here for his birthday on Sept. 8 they brought him a birthday cake two days early. Decorations on the cake symbolized his life span, a horse drawn wagon and the Atomic Bomb. The Thorntons had come from Hobbs where they visited Mrs. Thornton's parents, Mr. and Mrs. Curly Burns.

Mrs. Maxine Gott of Clovis visited over the weekend in Carrizozo with friends.

Mrs. Mabel Rentfrow returned last Wednesday from California where she had been visiting her sister, Mrs. Freida Weidinger at Sunny Valley. Mrs. Rentfrow's brother, Mr. Fred Henrich of Albuquerque accompanied her on the trip. Mrs. Mae Shafer who had been visiting her daughter and son-in-law, Mr. and Mrs. J.B. Howell in Albuquerque accompanied Mrs. Rentfrow home from Albuquerque.

Mr. Eugene Donaldson of San Clemente, California was in Carrizozo last Saturday and visited with Mr. and Mrs. C.A. Snow. He was a freshman in high school here in 1940 and lived with his grandparents, Mr. and Mrs. McGinnis. He still considers Carrizozo, his home town and enjoyed reminiscing about places and people he had known. He is now a building contractor in San Clemente.

Scott and Rosemary Shafer of Estancia spent the Labor Day weekend

visiting Scott's parents, Mr. and Mrs. Robert Shafer.

Guests of Dr. and Mrs. A.N. Spencer last weekend were Chris Bancroft of Denton, Texas, and Bob and Michelle Conti of Taos.

Sgt. Alton R. Whittaker of Lowry Air Force Base was in Carrizozo over the Labor Day weekend visiting his family.

Guests of Mrs. Beatrice Ortiz over the Labor Day weekend were Mr. and Mrs. Manny Ortiz and children, Kelly and Jay and Mr. and Mrs. Billy Ortiz and Matthew.

John and Jane Eisenberger of Albuquerque were Labor Day weekend guests of Mr. and Mrs. Bob Curtiss and family.

Mrs. Mae Shafer enjoyed a short visit with her nephew, Billy Shields, Mrs. Shields, and their daughter, Lynn, of Ft. Lauderdale, Florida. They were on their way to the Carlsbad Caverns.

Mrs. Alton Whittaker will be hostess to the members of the Town and Country Bridge Club at her home in Nogal on Friday.

Guests of Mr. and Mrs. R.C. Calloway last weekend were their son, Robert Garcia, Mrs. Garcia and their daughter, of Woodland Park, Colorado. They were enroute to California and plan to visit relatives in San Francisco and Hewood.

Guests of Mr. and Mrs. Brack Cornett over the Labor Day weekend were Brack Courson of Albuquerque and Rockie and Bobbie Miller of Durango, Colorado.

Connie O'Rear is a patient in Sun Towers Hospital in El Paso having recently undergone surgery. She would no doubt enjoy hearing from friends in Carrizozo.

Mr. and Mrs. J.N. McDaniel were called to Oregon by the death of Mrs. McDaniel's father, Mr. William Yates.

Earl Dow of Colorado was here for two weeks visiting his mother, Mrs. E.C. Dow and his brother, Roy. While here they all visited in Artesia with Mrs. Dow's daughter, Mrs. Esther Lewis.

Mr. and Mrs. C.E. Degner enjoyed a visit with Eugene Donaldson of San Clemente, California when he was in Carrizozo last Saturday. He was in school in Carrizozo with their son Eugene. His grandfather, Mr. McGinnis was county clerk here at that time.

Mr. and Mrs. William J. MacVeigh of Capitan are the parents of a baby boy born Sept. 1, 1976 at Gerald Champion Memorial Hospital in Alamogordo. He weighed 6 lbs. 15 oz. They have named him Matthew Jordan. Maternal grandparents are Mr. and Mrs. Harry Smith of Los Alamos. Paternal grandparents are Mr. and Mrs. Wm. MacVeigh of Carrizozo.

Mr. and Mrs. Devon Smith from Irving, Texas and Mrs. Minnie Reil's granddaughter were visiting here over the weekend. Also Mrs. Forrest Cathy, a relative of Peggy's, came along for the trip. They had been vacationing in Colorado.

Marine Private First Class Joseph Ventura, Jr., 19, son of Mr. and Mrs. Joe S. Ventura of Carrizozo, has been meritoriously promoted to his present rank upon graduation from recruit training at the Marine Corps Depot, Parris Island, S.C.

He received the early promotion for his superior performance during all phases of the 11-week training cycle, which emphasized physical conditioning, self-discipline and teamwork.

A 1974 graduate of Carrizozo high school, he joined the Marine Corps in March 1976.

Sun Carnival notes

Delores McBride

Miss Lota Delores McBride, daughter of Mr. and Mrs. Frank McBride, will be honored as Sun Duchess representing Carrizozo in the 42nd annual Southwestern Sun Carnival celebration.

During the midwinter festivities, Duchess Delores will attend a series of holiday time parties and social events hosted by leading civic and service organizations in El Paso.

Her Sun Carnival schedule also will include rehearsals for the gala Sun Carnival Coronation show, Dec. 29 in the El Paso Civic center. The program will include presentation of the royal Sun Court, the surprise announcement of the new Sun Queen and Ladies-in-waiting, musical entertainment by "The Singing Rage," Miss Pattie Page, and the Coronation Ball.

Sun Court activities also will include the Sun Parade on New Year's Day and the Sun Bowl football game, on Sunday, Jan. 2.

Other special events are luncheons, a style show, rancho breakfast, discotheque night, western party and New Year's Eve celebration.

Miss McBride is a 1976 graduate of Carrizozo High School, and plans to attend New Mexico State University in Las Cruces, majoring in biology.

While in high school she was active in athletic activities and was named Greatest Grizzly-Female this year, as well as serving as head cheerleader during her senior year. She participated in track events for two years, and earned a leadership trophy. She also played volleyball and basketball. In 1974 she reigned as football homecoming queen.

Other high school activities included membership in Future Homemakers of America, serving as treasurer, vice president and president, Future Farmers of America and C-Club.

Personal interests include horseback riding, playing the guitar, swimming, sewing and cooking. She has worked as a lifeguard at the Carrizozo municipal swimming pool.

Miss McBride will be escorted to Sun Carnival events by Danny Sandoval, son of Mr. and Mrs. Sabino Sandoval. A senior at Carrizozo High School this winter, he is active in sports and has been honored as offensive and defensive football player of the year and All-Star baseball player. He also plays basketball, participates in track and enjoys hunting and cars. He has been named Outstanding Spanish I student.

Sun Duchess Delores already has taken part in one of the first Sun Court summertime events, the opportunity to meet informally with Sun Carnival officials and other members of Sun Court royalty.

She was among the guests of honor at a picnic and ranch party held in July at Three Rivers Ranch, hosted by directors of the Southwestern Sun Carnival Association. At that time she was introduced to other members of the Sun Court and received her Sun Court bracelet charm which identifies her as royalty in the 1976-77 Sun Carnival celebration.

Directors of the Sun Carnival also have announced the opening of the "Son of the Sun" membership drive for priority selections of the best seating for the Sun Bowl game and the colorful coronation show.

"Sons of the Sun" members also enjoy the benefits of special parking privileges at the Sun Bowl game and special prices on children's tickets for the big gridiron competition.

Drawing for the order in which ticket preferences will be filled is scheduled Oct. 13. All ticket orders for priority seating should be turned in to the Sun Carnival office before that time.

Friends of Sun Duchess Delores and her family are encouraged to make Sun Carnival activities a major part of their 1976 holiday time celebration by attending the Coronation, Sun Parade and Sun Bowl football game with the benefits of "Sons of the Sun" membership.

Additional information is available from the Sun Carnival office, (915) 533-4416, or by writing to P.O. Box 95, El Paso, TX 79941.

Junior football coach Ray Manly congratulates Coach Veda Stephenson on her successful start for the season. The girls Volleyball team brought home a six game win from Cloudfcroft Saturday. Tuesday night the teams put the icing on the cake downing Capitan in both the senior and junior games.

Beta Sigma host tea

Beta Sigma Phi held a tea in honor of the teachers Wednesday, Sept. 1, at 4:00 p.m. in the home, economics room. The table had yellow roses as the centerpiece. ANYWAY YOU LOOK AT IT... by Paul

Tractor pulls are pretty big in the farm country of Kansas and probably other states. What we did not know is that the tractors are rigged. Tony Trenkamp and son Tony Joe at Spearville, Kansas recently won first at the Edwards County Fair taking three awards, first in 5000, 7000, and 9000 pulls. Their tractor was described as a "Hot Rod" 1944 Massey Harris with 425 HP Olds motor. Weights were added to qualify for the various classifications.

Through many years of church going in small towns where there seemed always to be a shortage of workers, singers, pray-ers - we have thought at various times it would be better for such churches to throw their religion in one pot and all worship together. Have long since concluded that would be a bad deal. In the long run of centuries the Christian faith would be weakened more than strengthened. Church people like to use the word 'ecumenism' which means together. Payton thinks it better to let the Baptists, Catholics, Assembly of God, Church of Christ, Methodist people and others worship in their own preferred way - and when community work is to be done these good people can come together under any banner other than a church banner.

Look Otis to see vet Saturday because he has been so skinny, thin, bony, etc. the past year or more. During this time Otis has been more active than normal, spending much of each day running the trails of his home ground and barking like he'd just tree'd a bear. The vet listened a lot to Otis' innards, said that he had some heart valve leakage which he had compensated for by losing all the fat he once carried. Otis will probably out live that younger fat glutton Waldo who would eat anything including the horny frog we snatched away Sunday.

Want to thank Arthur W. Fischer for his article "A New Yorker in New Mexico". We hope to get more writing from Arthur about New Mexico. We should make him an honorary old-timer if he stays around Lincoln County much longer.

Swiped from Duffy - Snickersnoop-of-the-month: Susie: "Jack, you remind me of the sea." Jack: "Why? Is it because I'm so wild, so carefree, so restless, so romantic?" Susie: "No, it's because you make me sick!"

From Dudley Seryus: It's the unexpected things in life that provide the biggest thrills-like a neighbor stopping you in the street to tell you what a wonderful little boy your son is.

Note in Church Bulletin: "There will be a church picnic Thursday afternoon. If it rains in the afternoon, the picnic will be held in the morning."

Parting Thought: "If the engineers really want to improve highway safety, they might give some thought to developing a pedestrian with fast getaway."

Sort of wished Eleanor could have entered that plum pie in the county fair. Course we did not know just how delicious it was until after the pie was completely ruined by Paul and some guests for dinner.

The News was one of the first newspapers in New Mexico to shift to offset printing, and maybe 'the' first to go to wide column format. This week we are backing up a bit to get with state newspaper in column width. You may not notice the difference - there should be more news - our columns are just slightly narrower than before.

Brother Dwight Payton's library is more complete than ours. The book "Myra Breckinridge" was borrowed from Dwight who must have got it from one of his sons - can't believe Dwight is spending his money that way. We are prepared to review "Myra" for the local book club but those people are probably to young for such reading. It's pretty wild, and that is a restrained statement.

Don Stark was giving us a message about price increase on paper products. Here is one for Don. Paper bags we use for mailing single copies of our newspaper (not in towns) cost \$4.60 per 1000 two years ago, now they will cost us \$6.51 per 1000 for new order.

Lincoln

by Hattie Phillips

Mrs. Vera Beall came over last weekend for a visit with friends. Saturday morning a group of ladies and Vera came to the Wortley for coffee and Mrs. McGinnis and I joined them.

Mrs. Merrell and Mrs. Beall came down Monday evening and spent the night at McGinnis home.

The auction at the home of Mr. and Mrs. Tony Martin who now own the "Old Ellis House" seemed to be a great success. Practically everything sold. There was a large crowd attending.

Mrs. McGinnis and daughter Jean went to church in Capitan on Sunday and then went on to La Luz to the Arts and Crafts Fair where they saw many interesting and beautiful things.

They were impressed in particular by the lovely sand paintings that were exhibited there.

The Joe Phillips family came up from Roswell to visit with Ricky while he was at home from West Point for the weekend. Also his grandmother, aunt, and cousin from Dexter were there.

Kenny Cummins came from Albuquerque with them (where they met the plane) and visited his folks in Capitan. Then he went back with the Richard - Phillips - Kenny - to the university and Ricky on to New York.

We missed having Kirk but first year students could not leave for Labor Day.

Plans are being made for Lincoln's Apple Festival and Market Fair for October 16-17. A kid's Art Show for the 1st thru 6 for Lincoln Co., children will be one of the highlights along with apple bobbing, recipe contest and all kinds of goodies made with apples for sale plus an Arts and Crafts Fair.

Mr. Locke is still in the rehabilitation in St. Joseph's Hospita taking therapy. He is doing so well he is making plans for the future, hoping to come home soon.

Tiger Talk

by Becky Renfro

On August 23, Capitan students returned to school after a three month summer vacation. Their were many new faces to be seen at school. On September 3, the Capitan Tigers played their first football game of the season against the Corona Cardinals. The Tigers downed the Cardinals with the final score, 34-18. The Tigers played an outstanding game on both defense and offense. Their unflinching spirit was also an important factor in winning the game. The Tiger cheerleaders and fans were there to cheer them on to VICTORY. After the game a sock-hop was held in the old gym. The Band, Sierra Blanca and Company, provided the music and everyone had lots of fun. The Tigers will play Quemado on September 10, in Capitan at 7:30 p.m. The Tigerettes Volleyball team is coming along quite well. Their new coach, Mr. McVeigh, has been working them hard, and they should have a strong team this year. The Tigerettes will play their first game of the season against the Grizzlies on September 7.

In August, three officers, Becky

Renfro, Lilly Montes, and Mary Gutierrez of the Capitan High School Student Council attended Summer Workshop in Socorro. Student Council will have its first meeting on Sept. 8. The new Student Council sponsor will be Tom Abbott.

Everyone has come back with great attitudes and sure that this is going to be a great year for everyone.

We're back again to start another year of Grizzly Power History! Who said that Ruidoso was going to cream us? Will I have news for you! The

Carrizozo power team "creamed", "wiped out", "slaughtered", "massacred" in fact ZOZO just cleaned their slate with a far out score of 13 to ZILCH! Eddie Luera ran 63 yds. in the first play of the game for a touchdown! Ray Beltran kicked for 2 fieldgoals and one extra point! Way to go guys! See you Friday on the ZoZo field as we play Animas, or should I say "CREAM" Animas!!

Food for thought: the Carrizozo Grizzlies have not won over Ruidoso in football in five years! Way to go guys!!

I would like to dedicate this week's column to who ever, whom ever invented the bulletin board.

Amazing invention. I tried the little magnetized objects on the ice box, but it didn't work out. When someone walked into my kitchen they were in for a fright. They thought the ice box was a huge white monster pinata, especially with the breeze of the cooler flapping all my messages.

After that I thought I was clever to use the outside of the ice box as a writing surface with crayolas that I could simply wipe off. I soon got rid of this idea as the kids also wrote messages on the stove, walls, bathtub.

Visitors thought they had walked into a graffiti gallery convention. I tried the chalk and black board bit, but some how the kids managed to climb the flour can, onto the dish cabinet and erase my messages. Come errand day and I couldn't make heads or tails of the sticky, greasy dusty goop on the chalk board.

The only draw back of the faithful bulletin board is I worry that a little one will 'taste' a thumbtack. Or step on one, or I'll sit on one.

The News will do your printing!

Mary Cantrell, Jovita Torres and Pat Moore do skilled jobs in the assembly department.

We knew Carrizozo had people with ability who wanted to work. Belco, was an expanding young industry that needed a certain kind of home-to-grow-in. Jim and Carolyn Cantrell believed that a small town that needed employment opportunities would be best for the company. They decided that Carrizozo would be a good place, too, for their children to live. It was as perfect a fit as could be imagined. Three empty buildings in Carrizozo are now occupied by a clean growing industry. Thirty five people have jobs and are steadily gaining skills that are productive. The Cantrells have become leaders in our community, giving of their time to public service. And as a benefit unexpected, the name of Carrizozo goes all over the world on the name plates on the welders that are built by Belco.

The Citizens State Bank is pleased to have played a part in introducing Belco to Carrizozo.

LEGAL NOTICE

REQUEST FOR PROPOSAL

The New Mexico State Highway Department has received a grant to design a program aimed at increasing participation by minority business enterprises in highway construction.

We are seeking a management consultant organization which will perform the following tasks:

Review and analyze existing federal, state, and industry regulations for qualifying as a prime or sub-contractor

Study state and federal agencies (such as Small Business Administration, National Economic Development Administration, and Office of Minority Business Enterprise) to locate resources to help minority contractors qualify

Compile a list of minority business firms available to participate in highway construction

Explore the establishment of training programs to assist minorities in qualifying for highway construction jobs

Research present specification and procedures to make sure they give minority contractors maximum chance to qualify

Interested organizations are urged to contact Robert I. Griego, or Robert E. Lucero, Equal Employment Opportunity Officers, New Mexico State Highway Department, Box 1149, Santa Fe, New Mexico 87503 (505-983-0602) within thirty (30) days for detailed guidelines and application forms necessary for submitting formal proposals.

Obituary

Thomas B. Yates

Funeral services for Thomas B. Yates, age 94, of Newberg, who died August 28, at a local nursing home, were Sept. 1, 10:30 a.m. at Atrell's Chapel. Rev. Frank Wiens, pastor of the First Baptist Church, officiated and interment was at Valley View Memorial Park, Newberg.

Thomas B. Yates was born the son of William Yates and the former Eva Testament in Lampasas, Texas on July 28, 1882. His parents died while he was still a child and he grew up in Texas, then went to New Mexico where he worked as a ranch hand. On December 7, 1912 he was married to Gladys L. Merchant in Capitán, New Mexico. He operated his own ranch until retiring and moving to Albuquerque. His wife preceded him in death on March 30, 1958 and three years ago he came to Newberg to live near his children. He was a member of the First Baptist Church, Newberg.

Surviving are: Five children, Thelma Pfingsten of Newberg, Drexel Hust of Newberg, Nadelle McDaniel of Carrizozo, Thomas Yates of Los Lunas, and Becky Bowing of Tehran, Iran; 10 grandchildren and 18 great-grandchildren.

Memorial contributions may be made to the memorial Gidion Bible Fund.

Capitan tops Corona 34-18

The Capitan Tigers opened their 1976 football season with a win against the Corona Cardinals. Corona fought a hard battle but Capitan's disciplined offense and defense proved the better of the two teams.

The first quarter saw the Tigers take the opening kick off and march down the field. Adam Aldaz capped the drive with a fifteen yard run around and to put the first 6 points on the board. The extra point attempt failed. After a stalled Cardinal drive the Tigers got the ball back and went 50 yards to pay dirt again as Rocky Willingham took it the last 18 yards. Ronnie Works added the extra point and Capitan led 13-0.

Capitan kicked off and held the Cardinals to 3 plays but a fumbled punt recovered by Corona led to Steve Warfield's touchdown and the score was 13-6 at the end of the quarter.

The second quarter saw the Tigers defense dominating played first with a safety by Ray Staggs and Rocky Williamson and by an interception by Robbie Richardson that killed a Corona drive after an exchange of play, Corona

punted and Robbie Richardson returned it 60 yards for a touchdown. The extra point was good by Ron Works and the score was 22-6.

The score came after a stalled Corona

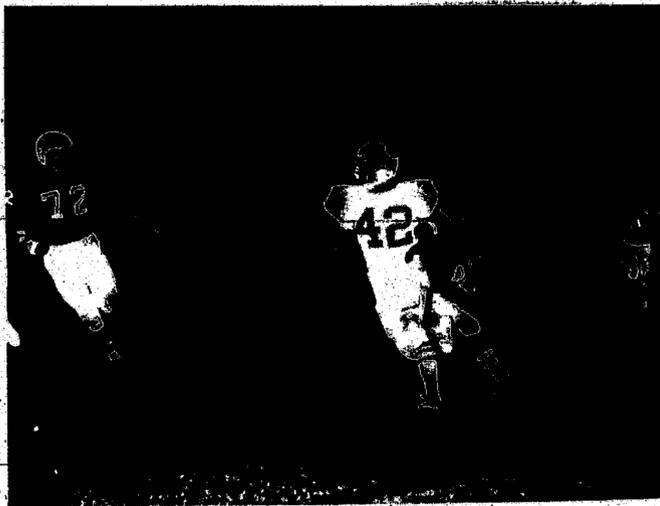

drive when Robbie Richardson raced 80 yards to the end zone to make the halftime score 28-6.

The third quarter was a battle for position and saw the Tigers score again.

David Hightower raced the score to 34-6.

The fourth quarter saw Corona put 12 points on the board as Joe Salinas scored twice to make the final score 34-18 in favor of the Tigers.

Overall the Tigers dominated the game with 14 first downs to Corona's 5. Capitan had a total of 303 yards rushing led by Robbie Richardson with 130 and

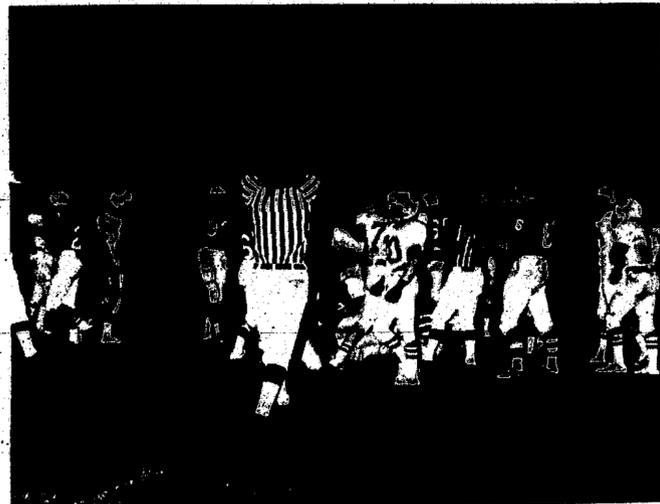

Robbie Richardson makes one of his runs that netted a total 130 yards for the

Capitan Tigers Friday night against Corona.

The Corona 1976 football team: from the left - back row: Asst. coach - Mike Graham, 72-Myron Yancey, 10-Stephen Warfield, 33-Allen Brown, 86-Cully Nalda, 42-Joe Salinas, 13-Scott Williams, 76-Walter Gensler, 44-Scott Nalda, 87-Rusty Sueratt. Middle row: 60-Tracy Lasater, 22-Ken Gibbs, 55-Olan James, 11-Troy Yancey, 68-Glen Trujillo, 35-Paul Alirez, 21-Michael Chavez, 77-Herman Chavez, 52-Luciano Chavez, 66-Dickie Winchester, head coach Warfield. Front row: Phillip Warfield, Kevin Kiefer, 25-Michael Alirez, 81-Danny Romero, 62-Danny Chavez.

Rocky Willingham with 93 to Corona's 35. Corona was 6 for 10 in the air for 77 yards and Capitan was 3 for 8 for 57 yards in the air. The Tigers had 2 interceptions by Robbie Richardson and Byron Carpenter and a fumble recovered by Adam Aldaz. This week the Tigers play Quemado at Tiger field at 7:30 p.m.

Cardinal Joe Salinas moves the ball over the line for a Corona touchdown in

the 4th quarter. The Cards started their offense too late to take the top spot.

The ball carrier is Capitan Quarterback Adam Aldaz who is

pursued by Cully Nalda. Aldaz went on to score the first period for the Tigers.

Corona leaders

Corona football coach John Warfield has named Joe Salinas as Cardinal offensive back of the week. Scott Williams is offensive lineman. Scott Williams was named defensive back of the week and Luciano Chavez is defensive lineman of the week.

Sports

by Pate

Zozo Grizzlies did it to Melrose a few years back, and hasn't walked on much water since. The Aggies did it to Drake in a way that could only happen with lots of help from the Almighty. They scored twice in little over two minutes. Blaine Miller, former Ruidoso Warrior, was in on the Aggie luck.

An opening game sure does not make a season. Any predictions based on what happened on the 3rd of September would probably take lots of salt as you eat them. One safe statement is what happened in the Quemado-Reserve game that was not played because neither team was qualified with number of practice sessions etc. This game will be played October 29. In the meantime Quemado will bring 23 players to Capitan this week, four of them seniors -- about all we could find out by phone.

The Grizzlies played good football Friday says an old "football watcher" named Bob Shafer -- it may have been one of their easier games. Animas (this week's opposition) beat Anthony, Texas 22-6. Hatch on the 17th could be tougher than they looked to T or C during 30-0 Hatch loss. The Dexter Demons put it on Cloudfroft 12-0 because the Bears had no goal-line punch. Cloudfroft was inside the Dexter five yard line three times. The Bears will not be a pushover for any Class A team. Melrose, here Oct. 1, lost to Double AA Fort Sumner, usually a powerhouse, while Tatum lost 28-24 to bigger Santa Rosa, again no indication of weakness. Grizzly fans will know more about a couple of future opponents on the 17th when Hagerman and Capitan tangle on the east side.

Corona Cardinal's three scores against Capitan means they can move the ball and should give Mountainair plenty of battle. Roy is Cardinal opponent for the 17th, the Longhorns did not play last week. We don't rate them high.

The Cardinal Football Team practiced under the lights on Wednesday, Sept. 1, in preparation for their game with the Capitan Tigers, Sept. 3.

Miss Rosanne Jungwirth went to Cloudfroft to observe classes Sept. 1, 2, and 3. Miss Jungwirth is our new Resource room teacher.

Opening ceremonies for the girls volleyball team was a surprise pep assembly. Corona acquired three new cheerleaders during this assembly, Steve Warfield, Ken Gibbs, and Luciano Chavez.

The superintendent, Mr. Mel Root, gave a short speech during this assembly.

The girls volleyball team played their first game against Vaughn Thursday, Sept. 2. They played hard, but lost both games. The girls have been practicing for about two weeks under their coach, Mr. Brahim Hindi Jr. They still have a lot to learn, but they learn quickly and are eager to have a victory over their next opponent. This is Corona's first year to have a volleyball team, and we wish them all good luck this season.

The volleyball girls and their coach, went to observe Estancia vs. UNM last Tuesday night.

From your grade school news correspondent, Tom Perkins, we got these bits of information about the 4th, 5th and 6th graders:

The Pod teachers were nice this week

and let us do string art. We also did string art last week, but we did a different pattern.

The favorite sport at recess this week is football.

Although some kids rode skateboards, football was favorite.

Letters to the Editor

My Dear Mrs. Rich;
We returned from our vacation to find a copy of the Lincoln County News in our mail. And of course we were delighted to see the story about Dr. Paden recalled.

We're hoping it isn't too late to order some extra copies. I'm enclosing \$2.00 for as many copies as that will pay for and the postage.

We did call on Mr. Harkey and he told us a few things about Dr. Paden. He also said he owned the Paden bedroom furniture which he had brought from someone else.

I believe I did mention a picture of Dr. Paden which had been in the court house in Carrizozo - but no one seemed to know about it - but by very happy chance, Mr. Penfield in Lincoln was able to tell us about it and we found the portrait on the second floor of the Lincoln County Court House Museum. There was no card to identify it - but my husband recognized it.

Thank you for your interest in this bit of Lincoln County News - I should say history.

Sincerely,
Esther P. Williams

Corona by Effie - Miss Wanda June Thomson, daughter of Mr. and Mrs. A.C. Thomson of Corona has completed a six weeks' training course at Hartford, Conn., and is now employed by Bureau of Ships Security Dept. in the battleship designing office.

Bob Taylor of Artesia this week was moving heavy equipment to the Blue Rose mines in the White Oaks mining district, owned by E. F. Luyaul. Teachers and their families of the Carrizozo school met at Nogal Lake after school Monday for their annual potluck dinner.

Forty Years Ago

From Lincoln County News Sept. 11, 1936.

The Carrizozo city schools have opened under the most auspicious surroundings. Parents are in hearty sympathy with teachers and educational boards in their efforts to move forward. Teachers are educated and efficient; the courses of study are well wrought and thoroughly up-to-date, and last but not the least important, we have modern well equipped buildings.

Sixty Years Ago

From Carrizozo News Sept. 8, 1916. Representative business men and extensive property owners of Carrizozo say that the amount of money which can be invested profitable in education is to all intents and purposes, unlimited; and are willing to produce the cash. Thus the question of placing a reasonable portion of the boundless store of available knowledge, both useful and ornamental, within reach of the young people of Carrizozo, makes its appeal not only to the devotees of culture, but to those who would promote commercial efficiency among the boys and girls who hold the future of this section in their hands.

Trains of troops have passed almost daily through Carrizozo during the past ten days, most of them going south. Military movements to El Paso have included a brigade from Kentucky, which carried all equipment including 1916 Lewis machine guns; and Ohio regiments and a battery that included students from Culver Military Institute.

This year's senior class - Clara Brazel, Ula Edmiston, Mae Kennedy, Zella Mayes.

Mrs. H. G. Chunn will give special prizes to pupils making the best grades in public school music.

William M. Barnett returned from the San Patricio where he had been looking after the lot of hay he had bought. He reports the roads bad, rain every day.

There have been English poets that have thrilled us: But this (fountains on courthouse grounds) is not a foreign inspiration - for Frank A. English is the designer and contractor. And, believe us, he's some big help when it comes to beautifying Carrizozo.

Contract for the home to be built for Albert Ziegler has been taken up F. A.

English, only ten rooms, six of them for repose, and bath rooms and closets, and little such-like accessories. The erection of this residence will mark the positive progress of Carrizozo's residential district to the north. I have only heard of one contract for some 400 pound Hereford steer calves at 42c per pound. The Montana Wyoming area reports 400 to 425 pound steer calves bringing 45c per pound. Heifer contracts are reported at 35c per pound. Fed lamb prices are erratic varying from 38 to 43 cents per pound. The feeder lamb prices are up to 47c per pound. Most of the lambs in this area contracted this spring for 50 to 53c per pound.

News from county agent

Over 150 spelunkers spent the last weekend cleaning up and fixing up the Fort Stanton Caves. They poured cement around the gates where people were trying to get into the caves without permission. They also took out several hundred pounds of trash and garbage that people have left in the caves.

The records that they have been taking in the caves show that there has been more water in the caves for the past few years than there was in the 60's, yet not nearly as much as recorded years ago.

Calves and yearlings have been very slow to contract this year. The buyers are reluctant to make an offer and the owners are holding to see how prices develop. Several buyers have looked at calves in the area but no price has been mentioned. The calf prices may depend to some extent on the wheat pasture in Texas, Oklahoma and Kansas. If the pasture is good, prices will go up and if pastures are poor the prices will go down.

A Cupful of Marriage

Romance is nice for a while, but marriage does not last on romance alone. Many young couples think so.

Marriage actually has 5 different kinds of love-if it is going to last.

1. Affection - means meeting the others needs, a responsibility, to the other person. You can build affection by actively recognizing and knowing each other, wanting to make your spouse happy with little things-every day.

2. Friendship is based on an appreciation of the accomplishments of each other. Sharing different interest and common interests; enjoying talking with each other creates friendship. If a man enjoys fishing but the spouse does not, encourage him to go fishing, but don't forget to share it with him when he returns, listen!

3. Empathy is very important in marriage, caring about tiny every day things that each person likes. Understanding why one person does certain things. Being aware of times when your husband needs to relax and having the ability to let him without being told. The same with the wife, being aware when she is tired and having the ability to take over and let her rest.

4. Humor! Getting a laugh out of many types of situations gets a marriage over the rough spots.

5. Passion! Yes it's time for the icing on the cake, "Eros is the most romantic type of love, and of course it is a necessary ingredient. Both husband and wife should feel free to take the initiative, in love making. Sex is the key that locks the 4 other types of love into a great marriage. Friendship, affection, empathy and humor make sex a beautiful experience without the first 4, sex is only a temporary moment of satisfaction.

A couple of drops of sounding off write your pet peeve in. You may withhold your name but you can sound off about it for example:

Dear Roby, I know a lot of people are aware of the growing dog and cat population, but I have really become more aware since we moved to country. For it is to the country that people come to dump an unwanted animal. We live on a rural road where there aren't many houses, and it's heavily wooded all around us, yet the road itself is paved and evidently it looks like an ideal spot to get rid of a pet. I could start a kennel with the stray does we get. Please do something else and don't drop them at my door anymore!

Do You Know?

That Nogal is still in "orbit," over the great birthday party for Molly.

The guy that locked Sue Stearns out of Bill McVeigh's new grocery store. By the way the new building is super Bill. That Bill and Liz were a little shy about first grandchild or just to tired from moving.

Mary Rich needs a vacation. How about that Mary?

That someone in Nogal is getting a strange new bathroom?

The new house in Nogal is looking more interesting every day?

It is getting a little chilly around the bowl, but the hills are very green now. The highway is swirling with cars going home from vacation, some stopping to buy pears, and a few summer apples. The pears are just right in Nogal, just in case you need any. The summer passed so fast this year I guess because there were so many bicentennial goodies to see and hear. They had the big Chili festival in Las Cruces this last Saturday, he headquarters for International Connoisseurs of green and red chili. If you didn't go you should try to make it next year.

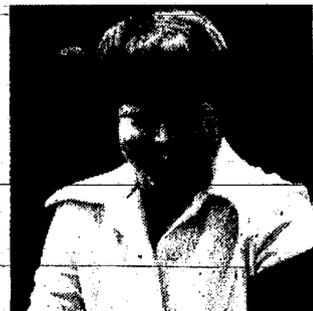

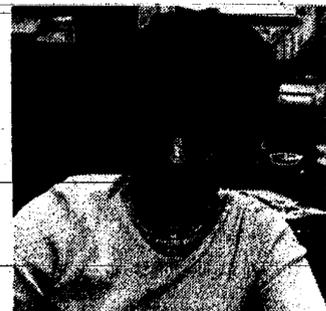

Louise and Cynthia Witham went fishing this and I was hoping they might bring me a fish. Louise is looking great with her new hair do, on her way to Alamo.

1 teaspoon baking powder
1 teaspoon salt
1/2 teaspoon soda
1 cup buttermilk
2 tablespoons melted butter
2 eggs, beaten
1 small can cream style corn
1 med. onion chopped

Real Wind takes All-American Futurity

All American Winner--Real Wind, the 3-2 betting favorite, hits the finish of the All-American Futurity at Ruidoso Downs with a 1 1/4-length lead. Gary Sumpter is up. The winner collected \$330,000 out of the gross purse of

\$1,030,000. Lord Winsalot, the second favorite (on the rail), took the runnerup slot by a nose over Mr. Glory Oh.

An American Affair--J.D. and 'Elsie Kitchens (right), owners of Real Wind, are obviously elated following their triumph in the All-American Futurity at Ruidoso Downs. Jockey Gary Sumpter holds their granddaughter, Terri. Actor Walter Matthau (center), currently filming a major motion picture--"Casey's Shadow"--on location at the track, made the victory presentation. At left is General Manager Al Rosa. Mrs. Rosa is by his side.

Real Wind, launched as a 3-2 blazed to an impressive victory in the 18th running of the All-American Futurity at Ruidoso Downs.

The filly, owned by Elsie and J.D. Kitchens of Ft. Sumner, both retired school teachers, ended the 440-yard thriller with a 1 1/4-length lead. Gary Sumpter was in the saddle.

As predicted by many observers, the filly took a slightly wayward course at the end, and was drifting in when she hit the wire. But she was obviously in control, and her course in no way bothered the competition. The filly is by Go With The Wind, out of Real New.

Real Wind now holds a seven career record of seven wins from seven starts. Her tremendous victory was worth a paycheck of \$330,000--the fattest in U.S. racing history. The sleek, brown filly zipped over the course in a stinging 21.70 seconds, and that was three one-hundredths better than the top qualifying time.

The winner handed out mutual prices of \$5, \$3, and \$2.60. Second went to the 2-1 second favorite, Lord Winsalot. But the gelding had to really scramble at the end in order to get the runnerup slot. Mr. Glory Oh--the top qualifier who went into the Futurity with a perfect three-for-three mark--was really trucking at the end.

The difference between Lord Winsalot and Mr. Glory Oh was a slim nose. A nose, in turn, was the difference between Mr. Glory Oh and the fourth-place horse, Divine Liz.

Lord Winsalot was ridden by Jackie Martin for Jim Jay, owner of an oil distributing business in Arkoma, Okla. Lord Winsalot had to be content with a paycheck of \$138,000. Fans who backed the gelding collected \$3.40 and \$2.80 in the betting.

Mr. Glory Oh, with Johnny Cox calling the shots, was well rewarded. He earned a thumping \$64,000. Mr. Glory Oh is the property of Ernest W. Carrigan Jr. of Pasadena, Texas.

The closing-day agenda was really a success at the betting windows. Total handle for the day was \$1,038,995--an all-time one-day handle in New Mexico history. It was also the first time the coveted million-dollar plateau had been reached in the state.

The All-American, which as the last race on the 13-race program, put the day's handle over the top. The world's richest race recorded a handle of \$220,882. That was also the biggest single-race handle in the states.

Real Wind, who captured the Rainbow Futurity earlier in the meeting, came out of the All-American with career earnings of \$456,274. That made her the sixth-richest quarter horse of all time. The filly is trained by T.A. Walker.

Lord Winsalot now holds a career record of 8-3-0 from 13 starts. He's earned \$333,054. Ironically, the gelding was purchased as a yearling-for-trot-kitchen purposes.

J. D. Kitchens, the winning owner, who is ailing from a severe heart condition, was paid and emotionally spent during the press conference following the All-American. He had these thoughts: "This filly won her first out at Lubbock in April at 300 yards and I didn't think too much of that. I first realized she was something special when we brought her here and she ran 350 yards in 17.86 seconds. You know, I always thought a poor boy like myself could never win the All-American. I thought I might be able to win a New Mexico-bred Futurity, but never the All-American. This is the greatest moment of my life. I told them all I thought we'd win it, but I also thought Lord Winsalot would be cast. It bothered me a little when she started drifting toward the rail. When you see that, you generally think something's wrong. But she straightened out, and I think the new equipment we used had something to do with it. We re-shod her and gave her a new bit. It helped Gary (Jockey Gary Sumpter) keep a tighter control on her. We're going to take her to Albuquerque now for the futurity, and then we'll take her home for a rest."

Here's the reactions from Jockey Gary Sumpter. "She got off to a good start, and we were right near the front. I started sticking her on the left, and she ran real straight for a long way. Then I think the crowd started scaring her, and she began lugging in. But with that ring bit we had on her, you have more control, and she came back straight for me."

Sumpter pointed out he had been sidelined for most of the season with injuries. "I started carrying the whole rabbit, instead of just the fool," he said. "It looks like it worked."

He added that Real Wind was "a big, tough old mare who seems to be getting better all the time."

A total of 217 head took part in 22 elimination trails for the All-American Futurity. Here's how they qualified: Mr. Glory Oh, 21.73; Real Wind, 21.76; Lord Winsalot, 21.77; Comingforth, 21.77; Topless Dancer, 21.79; Divine Liz, 21.82; Megahertz, 21.91; Louton's Angel, 21.91; Copin' Easy, 21.92; Pass Your Glass, 21.92.

Hollywood films movie

Filming of a major motion picture, starring Walter Matthau, is slated to begin at Ruidoso Downs Race Track.

The storyline of the multi-million production is wrapped around a Cajun trainer, played by Matthau, who brings a relatively unknown horse to Ruidoso Downs and wins the \$1 million All-American Quarter Horse Futurity.

The film is entitled "Casey's Shadow" and takes its name from the fictional horse who won the All-American.

Rastar Productions will produce the film for Columbia Pictures. The director is Martin Ritt, who carries a long string of major credits, and is well-known for his skill in bringing out the best in his actors. Ritt guided Paul Newman to an Oscar nomination in "Hud," the highly-acclaimed film of a maverick hero.

Ritt also directed such highly successful films as "The Great White Hope," "Sounder" and "The Spy Who Came in From the Cold." The latter starred Richard Burton in his classic portrayal of a double-crossed and disillusioned double agent.

Last year, Ritt, directed "Conrack." He recently completed the soon-to-be released Woody Allen Vehicle, "The Front."

Ritt appears ideally suited to "Casey's Shadow" since he's a knowledgeable owner of thoroughbreds and races on the West Coast. Last year, in fact, his stable was right near the top on the money-making list at Del Mar Race Track.

Rastar produced "Murder by Death," Columbia's current summer success. Another recent release is "Robin and Marian," starring Sean Connery and Audrey Hepburn.

Last year, Rastar released a major hit, "The Sunshine Boys." The film starred Matthau and George Burns, and Burns wound up with the Oscar as best-supporting actor, and Matthau got an Oscar nomination as best actor.

Also included among Rastar's top releases are "Funny Lady" and "Funny Girl," both with Barbara Streisand. According to a Rastar Spokesman, Alexis Smith, a major star at Warner Brothers in earlier years, has been cast in a main secondary role in "Casey's Shadow." "Who gets involved in the behind-the-scenes machinations and grooming of a champion quarter horse."

Other key parts in the film are still to be cast. Ritt, and members of the crew, have made numerous visits to Ruidoso Downs this summer in preparation for filming. Production will begin Aug. 26 with filming of actual race scenes. Shooting of similar sequences will continue at the track for similar sequences will continue at the track for another four weeks or so. Later, the crew will move to Lafayette, La., where establishing scenes are to be shot.

Carol Soblesky, who wrote the screenplay, began work on the project last summer with extensive interviews of track personal and jockeys and horseman.

Carol's credits include the top-rated TV special, "Sunshine."

Capitan

by Margaret Rench

This Labor Day it is raining gently here. If only it would continue and give us enough to help the growth as well as we people. It has given rain all around us near, but not here in Capitan. The nights tell us that frost is not far away.

The traffic has been quite here this holiday but Ruidoso is buzzing. It is good to be at home and quite.

Citizens of Capitan Sept. 7 is school bond election. I do hope that you remember and vote. It is great that we do have the privilege and each of us should vote.

The Cummins Grocery treated their customers and friends to cookies, doughnuts and coffee last Saturday, celebrating their 25 years in that business. Everyone did appreciate that. We are proud of that store. Hollis and family have done a great job and should be proud to have accomplished their efforts. Everyone does appreciate them and that business. We do wish them many, many more happy years therein and enjoyment with it as well.

Mr. and Mrs. Wayne Huffman of El Reno, Oklahoma became happy parents on their 11th wedding anniversary when their daughter, Wendy LeAnn was born, Aug. 28 at 9:51 a.m., in Park View Hospital. She weighed 8 lbs. 4 Oz. and was 20 inches long. What a beautiful gift Wayne and Sharon received on that happy anniversary. I do wish them many more very happy years together. We do miss them here but wish them the best there.

Mr. and Mrs. Mike Westbrook and son Jason of Lubbock, spent the weekend of Aug. 28 thru to Monday with her parents Mr. and Mrs. N.C. Grantham, Jr., in Roswell. A car hit them at a stop light and wrecked both vehicles. No one was hurt. They called N.M. and he went to pick them up and brought them to Capitan where they did have a happy and grateful visit thru to Monday. Then back to Roswell to get transportation home. All were so thankful that there were no injuries.

Here are some winners I promised last week:
Booster all around cowboy: Shawn Perkins; Booster all around cowgirls: Joan Leslie and Jym Cox; All around Jr. riding cowboy: Tom Perkins; All around Jr. cowgirls: Melody Hefker and Shelly Eldridge; All around Sr. cowboys: Ward Alford and Rock Willingham; All around Sr. Cowgirl: Ann Womack.

Kenneth Cox is coaching a little league football team consisting of boys in the 5th, 6th and 7th grades. They will be playing against other little league teams from Ruidoso.

Grady Lee and Shelly Eldridge who have been competing in New Mexico rodeos this summer have qualified to compete in the Junior Rodeo finals in Albuquerque in October in the team roping event.

Mr. and Mrs. Ray Rush and children Christine and Ray Jr. of Alamogordo were guests of Mr. and Mrs. Holman Young this last weekend.

Mr. and Mrs. Jack Shaw accompanied by Mrs. Tom Pope, Doris Pounds and Margaret Rench attended the regular meeting of Eastern Star in Carrizozo last Thursday night. It was a good meeting. There was an election of officers for the ensuing year.

Juanita Abercrombie and Howard Abercrombie will be our Worthy Matron and Worthy Patron. Myrtle Pope and Don Monroe, Associate Matron and Associate Patron.

The installation will be October and at 7 p.m. there will be a potluck dinner at 6 p.m., at the Masonic Hall. Then at 8 p.m. there will be the regular meeting. The Grand Chapter of the Eastern Star of New Mexico will start October 20-23 in Albuquerque.

The Lincoln County Senior Citizen still have a full calendar as the Center, Capers Express. There are many activities. Arts Crafts, sewing, knitting, machine techniques, leathercraft and so many other items to numerous to mention. Do join them and keep your time and life occupied. They have much enjoyment too. The Village of Ruidoso does believe in their senior citizens.

Mr. and Mrs. Sandy Loomis and Riley of Athens, Greece on one month furlough. He attended school and is now enjoying that time with his parents Mr. and Mrs. Virgil Loomis.

Vera Beall had a birthday Aug. 31. I do wish her many more very happy, active ones. She has been ill for quiet some time. This last weekend she arrived in Capitan to visit her friends for a few days. I appreciate having her visit me. We are friends of many years.

There was a sad tragedy last Wednesday at Ft. Stanton while Mrs. Sam (Lydia) Lopez and baby were asleep their trailer home caught fire from wiring on the lead. They barely got out in time. She works night and Sam works days. Everything was burned. If you have clothing or anything that they could use do respond and help them. There are three children.
