THURSDAY, NOVEMBER 18, 1976

CARRIZOZO, NEW MEXICO 88301

Capitan vs ZoZo Saturday 7:30

Capitan and Carrizozo will meet again, this time to determine the Class A schoolboy football state championship. Game time is 7:30 p.m. Saturday at Tiger Field in Capitan.

Carrizozo soundly trounced Melrose 19 to 0 Monday afternoon to earn its spot

in the state playoff. Friday night in a blowing snowstorm Capitan defeated Cloudercroft 28-22 in an exciting game that almost no one saw. The Tigers facing a team accustomed to playing in snowy weather took advantage of the breaks in the final minutes of the game.

David Hightower, with the score 21-22 in favor of Cloudercroft somehow managed to steal the ball out of the hands of the opposition and take off down the field 70 yards for the six pointer to make it 27-22. Ronnie Works kicked the extra point and it was 28-22. Just to keep it that way, Hightower

grabbed a Cloudercroft fumble and the Tigers were in control when the game ended.

Carrizozo's game Saturday against Melrose was postponed when that team was unable to make the trip because of highway conditions. The two teams finally met Monday in Carrizozo on a beautiful afternoon and when the clock ran out there was no doubt of the winner.

The Grizzlies played a beautifully coordinated game both defensively and offensively and held the favored (Not by the News) Melrose team's nose to the ground.

In the first quarter Gary Lindsay climaxed a long drive with a dive over the middle for a six pointer. The attempted conversion run failed.

Several times in the second quarter the Grizzlies approached scoring territory but failed to over the tough Melrose defense.

In the third quarter a drive ended in a touchdown after an exciting moment when carrier Ray Hernandez fumbled the ball. It bounced in the end zone and Mike English dove to cover and make the points. Ray Beltran kicked for the PAT.

In the final period the Grizzlies took the ball on their 40 yard line after a series of four Melrose incomplete passes. A drive gave Ed Vega the ball and he scored to make the final score 19-0.

The coaching staff commended the Carrizozo defensive effort which successfully blocked passes, hit hard and kept Melrose scoreless.

The Saturday game will be in Capitan since the last playoff between the teams was played in Carrizozo. The game time was the option of Capitan which chose night over a day game. Capitan had no choice as to the date since state rules require at least five days between competition and Monday's Carrizozo game made the Saturday time mandatory.

This will be the 59th contest between the two teams. In regular district play this season Capitan grabbed the district title with an 8 to 6 win over Carrizozo.

The teams are well matched and it is any one's game. Although Capitan defeated Carrizozo, Capitan was defeated by Melrose who has fallen twice this year to the Grizzlies.

Bobby Dan Crenshaw, Waddie Hobbs and Bud Crenshaw took four gentlemen from California, two from Arkansas and a couple from down south hunting in the White Oaks area. This is a part of the pay off of eight bucks. Holding the heads are Harry Stark, Terry Dodd, Ron Deakin and Hank Rhone from Oroville, California. Waddie Hobbs is the guy in front with the big smile.

This is what it looks like when you have won semi-finals by a resounding

19-0 and are headed for the state finals. It is the end of the game and Grizzly

fans rush to hug their players. Sweet, sweet victory.

Flora Vega named treasurer

Deputy County Treasurer Flora Vega was appointed Lincoln County Treasurer and given the full salary of that office by the county commissioners in a special meeting Friday.

Ms. Vega will serve until January 1 when newly elected Mike Kimbrell takes office. The vacancy occurred with the death of Treasurer Veta Allen. Ms. Vega was commended for her performance in office in the interim period.

The commissioners approved the election canvas and signed the certificates of election of the new county officials.

Courthouse improvements were started with the approval of a tentative landscaping plan by Ralph Dunlap. Dunlap outlined the use of low and high growing junipers which he said were best suited for this climate and needed minimum care.

The plants will be ordered for winter planting. The entire courthouse, park and patio will benefit from the plantings. The commission also authorized the repair and painting of the exterior of the courthouse annex.

Under capital outlays, the commission went ahead with the purchase of shelving for tax records.

The low and only bid in excess of \$4000 was accepted.

The commission told County Manager Les Olson to go a head with the purchase of a transmitting tower for the county radio. At the present the county is renting tower space from Ranchers Radio and Olson said the purchase would save the county money.

Bonita FD drive set

The Bonito Volunteer Fire Department, chief John Hall, has announced, is launching a drive to increase the membership.

"Due to the rapid increase in the number of homes and other structures in our fire district," Hall said, "it is absolutely necessary that we increase our active membership by at least ten volunteers."

"Volunteers must have Alto, Bonito or Angus post office addresses. Both men and women are eligible.

"We have all of the fire fighting equipment we need," Hall said, "but we need manpower. . . need it now!"

In addition to bolstering the fire fighting crew, there is a need for members to assist along the emergency line in providing food and water and administrative services. "We may, for example, need someone to transport the injured to the hospital," Hall said.

Volunteers are asked to call Ralph Michels, 336-4538, or Hall, 336-4321; for membership information.

Five representatives from the county were appointed to Subarea Health Planning Agency which will coordinate all public health needs in the area. Members of that new group will be Dr. David-Bauleau-Capitan, Jim Burns, Hondo-Ruidoso Hospital Administrator, Hazel English, County nurse; Geraldine Perkins, Corona; Mary Rich, Carrizozo.

Aileen Lindamood spoke to the meeting in behalf of the Bookmobile. She commended the county on its participation in the program which she said was made great use of. She commended the Lincoln County News on its recent article on the Bookmobile and spoke about the excellence of the Western section of that library facility.

The next meeting of the commission will be Tuesday, Nov. 23.

Grid dinner

An after the game dinner for the Carrizozo football team will be sponsored by the Carrizozo Booster Club Saturday night at the Four Winds.

The dinner for the team will be paid for by the organization and other fans. Families of the team and club members are invited to come and buy their own dinner at \$2.75 adults and \$1.50 for children.

It will be served buffet style and will have roast beef, ham, salad, vegetable, ice tea, bread and dessert. Club memberships will be available at the game.

Bennie Jansen

Ray B. (Bennie) Jansen died Oct. 23 at Winslow, Arizona. Mass of the Resurrection was held at St. Joseph's Catholic Church in Winslow.

Bennie Jansen worked as a registered nurse at the Carrizozo Hospital when it was housed in the home a block back of Piggly Wiggly and operated by doctors Johnson and Turner.

Of the Carrizozo people who worked in this hospital, Bertha Chavez Lafave, Rebecca Warner are remembered by Nurse Ruth Carter Totten. She was interviewed for a job in Carrizozo in March of 1936.

The only living relative of Nurse Jansen is a brother, E.L. Benham of Winslow who had weekly newspaper in Winslow.

Schmidt party set

Lincoln County will host a reception Saturday night Nov. 20 in the REA building for the senator-elect Harrison "Jack" Schmitt.

Everyone is welcome to come and get better acquainted with "Jack" Schmitt. He wants to express his appreciation to the voters of Lincoln County and give his plans for the future when he goes to Washington, D.C.

Town meeting to make future plans

Carrizozo will have an opportunity to make a bid for up to \$250,000 in federal funds for community development.

The money will be awarded to communities in New Mexico and other states on the basis of need and community participation in planning.

Carrizozo will have the first of two meetings to discuss possible projects on Nov. 23 at 7:30 p.m. in the town hall. All citizens are urged to attend and to participate in discussion as to the type of improvement most needed in Carrizozo, Bobby Dan Crenshaw, Mayor, said.

Almost anything that will substantially contribute to better living for residents would be eligible as a project. One town in California received funds to develop a tool lending center so that members of the community could do their own home repairs.

Other towns have been funded for parks, various recreation projects, lakes, playgrounds, street improvements, water and sewer systems, libraries, flood control, landscaping.

Behind this particular fund is the concept of making living better in communities that are the most needy. The following information on community development was supplied by the New Mexico Extension service.

increase. Farming systems are constantly changing. Of course, change is not new. However, today it seems to be happening faster. Pino says. Change brings both problems and opportunities. Intelligent forethought is needed to guide changes in the direction people feel is desirable.

Planning is not new—in fact it has been going on for years and years. The farmer plans in advance, as do successful manufacturers, merchants, financial institutions, and even homeowners. Planning is mapping out the future you hope to achieve. Successful individuals chart where they are going and what they want to accomplish.

The same principle applies to communities. They need some blueprints for the future. They need to define goals and determine how best to achieve them.

Planning should involve enough community people so that the plan represents their wants and meets their needs. Therefore, it's important that this plan be developed by the community people and not by an outsider.

Flu clinic big success

The Swine Influenza-clinics were a big success in Lincoln County, due to the capable volunteers in the communities. County Health Nurse, Hazel English wishes to thank in particular the Community Chairman, Corona - Mrs. Ted Chavez; Capitan - Mrs. Gene Parker; Carrizozo - Mrs. Phil Richardson; Hondo - Mrs. Joe Skeen and Ruidoso - Mrs. Charlotte Jarrett.

Special thanks go to the Senior Citizens Organization in Ruidoso, the Canyon Cowbells in Carrizozo and the Hondo Home Economics Students, the Carrizozo Senior Extension Club. These groups provided workers or refreshments for the clinics in their areas.

Palle Dishman was honored as Corona's Woman of the Year Sunday by Beta Sigma Phi and people from over Lincoln County who have known the lovely lady in the years since 1909 when she came to Lincoln County as a bride.

Smokey Bear was buried last week in the Smokey Bear Historical Park in Capitan which was built as a tribute to Smokey and the forest conservation efforts that he represented. Mayor Jay

Johnston, his wife Dorothy and Village Trustee Valton Hall were present for the memorial services Wednesday along with state and national dignitaries.

Around town

By Eleanor Payton

Mr. and Mrs. Clyde Fisher of Stratton, California left for home last Wednesday after visiting Mrs. Fisher's sister, Mrs. Wayne Withers and Mr. Withers for ten days.

Mr. and Mrs. J.E. Thornton were in Alamogordo Monday.

Mr. Gordon Racher of Carrizozo and Mr. Mike Capps of Capitan are in southern Texas this weekend on a fishing trip.

Mrs. Mary Rich and Mrs. Welcorm Armstrong were in Albuquerque Sunday. On the return trip they stopped in Corona to attend a Beta-Sigma-Phi tea.

Mrs. Robert Shafer was hostess to the members of the Town and Country Bridge Club at her ranch home northwest of Carrizozo on Friday. A one o'clock luncheon preceded the bridge game. Mrs. Mae Shafer and Mrs. John A. Hightower were guests. Mrs. C.D. May won high score. Mrs. Robert Shafer second high.

Weekend guests of Mr. and Mrs. C.A. Snow were her son-in-law, Robert White of Farmington and her grandson, David Evans, student at UNM in Albuquerque.

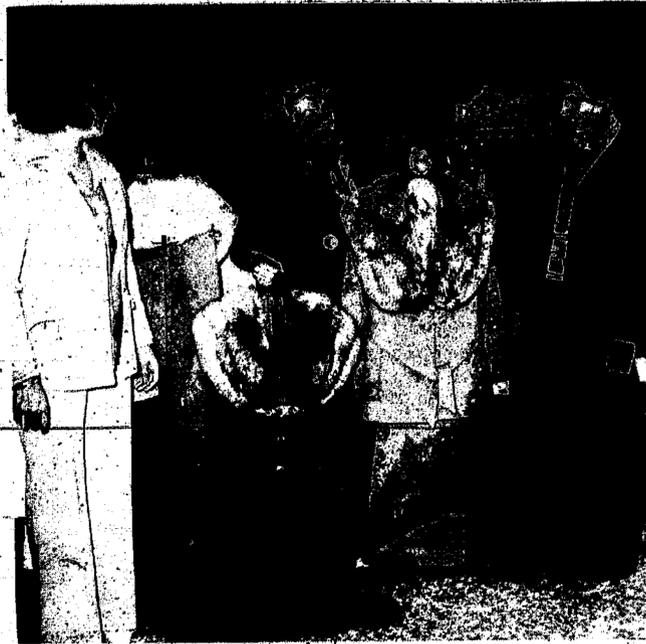

Mr. Kelley Stephenson was called to Dallas, Texas last week by the death of his sister, Mrs. Frank Fair. Funeral services were held in Dallas on Saturday. Mr. Stephenson returned home Tuesday.

Mrs. Willis Lovelace was a guest of Mrs. Mabel Rentfrow several days last week. Mrs. Lovelace has been in California and is presently visiting her daughter, Mrs. Louis Erramouspe on the Lovelace Ranch.

Bobby Ortiz and Henry Tafoya of Albuquerque were in Carrizozo Monday for the Carrizozo-Melrose game. Monday. Tafoya is a sportscaster on Channel 7. Shots from the game were shown on the ten o'clock news Monday evening.

Frank Belio of Lemon Grove, California, arrived Tuesday for a visit with his mother, Mrs. E. Belio.

Pvt. Ernie Beltran, son of Mr. and Mrs. Jerry Beltran, Sr. has enlisted in the U.S. Army and is presently undergoing his basic training at Fort Knox, Kentucky. Ernie is a 1975 graduate of Carrizozo High School.

Members of the Carrizozo Woman's Club were in Ruidoso at Faye's Couture to try on costumes that will be modeled at the organizations fashion show-lunch Thursday. Faye, center, shows some of the suits to Viola Fenter and Mary Crenshaw who will be two of the models.

GOP women meet

A luncheon meeting of the Lincoln County Republican Women's Club was held Tuesday, Nov. 9. Following the luncheon Mrs. Paul Pacheco gave an interesting account of her trip to Washington, D.C. to attend the National 4-H Leaders Conference. She is the only 4-H leader to attend from New Mexico.

She supplemented her talk with a scrap book filled with colored pictures taken on the trip.

After the program the following officers were elected for the coming year: President, Penta Pool, Vice president Lorene Radcliff, recording secretary, Mary Skeen, Corresponding secretary, Flora Vega, treasurer, Gladys Knox.

NEW RATES FOR WATER AND GARBAGE

CARRIZOSO, NEW MEXICO

Water rates will be \$4.00 for the first 3,000 gallons and 55 cents per thousand thereafter.

Garbage rates will be \$3.25 for residential and an 18.2 percent increase for commercial.

These rates will be in effect on the Dec. 1, 1976 billing.

Capitan

by Margaret Rensch

Our Smokey Bear died Monday night, Nov. 8, and his body was flown to Roswell and the Forest Ranger brought him to Capitan Tuesday night, Nov. 9, he was buried at 10 p.m. that night. There will be a dedication and memorial Wednesday, Nov. 17 at 1 p.m. He was buried in the northwest corner of his Smokey Bear Park here in Capitan. He was a faithful servant for 26 years. His motto, prevent forest fires will live for years. Smokey Bear the second has taken over his duties. So his work will live on.

Mrs. Norm (Marla) Renfro under went surgery in Roswell at the Medical Center nearly two weeks ago. She is doing okay but must remain in Roswell for a time. I do wish you a good recovery, Marla.

We had the most beautiful 12 inches of good wet snow last Thursday and Friday. We still have lots of it with lots of deep mud. That is just grand. It did bring the hunters in and this town was full. There are still lots of hunters remaining and they do seem to be getting their deer.

Mr. and Mrs. Rodney Perkins went to Albuquerque and was caught in the snow storm and they returned via Portales and spent two days with his parents.

Mrs. Louise Ferguson accompanied Mrs. Bessie Cummins to Roswell on business last Monday.

Mr. and Mrs. Tranquillino Silva, their daughter Janice Ware and daughter Jonel went to Ruidoso for their treatments last Saturday. After they arrived home Tranke took Mrs. Rensch and Mrs. Kingston to Ruidoso for their

treatments. That four wheel drive really takes care of the snow and ice. How we do appreciate and thank them for that. The highway was clear but the streets of Ruidoso were packed snow and ice.

The new bridge on highway 48 at Angus was completed before the storm. Also the two inch coat of new oil on that highway on to Ruidoso was completed. That was great as the bridge is wider and has a long approach. Certainly is a big improvement and much appreciated.

The highway crews had such a hard time getting the ice to break or melt but finally Saturday it was finished and clear.

Mr. and Mrs. Rufus Waltrip of Artesia stopped to visit Mrs. Maude Kingston last Wednesday as they were enroute home from visiting schools.

The Capitan Methodist Women held their bazaar last weekend and did well but they are extending it to Friday and Saturday November 19 and 20. Remember it is a Bazaar and Bake Sale. Do patronize them for they do have lots of merchandise and certainly lots of home baked goods.

The Methodist Church will hold their fellowship dinner at 12:15 Sunday, November 21.

Bessie Jones, Janice Gwatkowski and Juanita Sultemeier made a business trip to Pecos, New Mexico last week.

Mr. and Mrs. Charles Greene of Las Cruces are spending one week with her parents, Mr. and Mrs. Charles Jones at their ranch home and enjoying hunting.

Bryan-Wright-of-Albuquerque spent one week with his nephew Mr. and Mrs. Howard Wright and went hunting though he did not have any luck.

Bessie Jones of Capitan and Juanita Sultemeier of Corona, N.M. spent a few days visiting in the Melrose community. Juanita visited her son, Lon, wife and family. The new granddaughter is named Kelli. She brought the older one home for a few days. Bessie visited her brother Mr. and Mrs. J.A. Morrow and family.

Mr. and Mrs. Terry Strickland had as hunting guests, Mr. and Mrs. Orville Trammel of Hobbs, Mr. and Mrs. David Trammel of Lovington and his father Bill-Strickland and his brother Joe Strickland.

I came across a very interesting little magazine, if you do not have a member in your family that is a Lion you may not be aware of the 'The Lion' publication.

First of all a Lion is a member of the International Association of Lions Clubs. It ranks as the world's largest service club organization. Lions Clubs are associations of business and professional men who seek to recognize and meet the needs of their communities. Carrizozo has a Lions Club.

Some nation wide club activities are citizenship and patriotism, civic improvement, community betterment, education, health and welfare, safety, sight conservation and aid to the blind, agricultural needs and United Nations and international affairs.

The association was founded on June 7, 1917 in Chicago. Lions Clubs have since been established in all parts of the free world. It publishes the 'Lions' magazine in English and eight other languages.

I found a copy of the November 1976 issue and these are some of the interesting articles I read:

Welcome Back to Society about Lions and parades. New Jersey is one of the 18 states that have launched a Volunteer in Parks Program

(V.I.P.P.): Lions are provided with general information to assist them in their dual role of parole officers and big brothers.

Building nurseries for poor tots, preserving city's heritage, combatting crime in the community, building recreation area for town; shipping building materials to Guatemala, raising funds for clinic, and providing a mobile coronary unit for the community are some of the services Lions Clubs support.

should be in assembling the patchwork. You may alternate solid color with print or all prints or all solids. Use the same type of fabric throughout.

Poets wanted

A grand prize of \$1000 is being offered in a new poetry competition sponsored by the World of Poetry, a monthly newsletter for poets. In addition, there are 49 cash and merchandise awards.

Says Poetry Editor Eddie-Lou Cole, "We hope to encourage new poets—even poets who have written only one poem."

For rules and official entry forms write to: World of Poetry, 801 Portola Dr., Dept. 211, San Francisco, California 94127.

By Polly Chavez

Bed covers are not the only articles you can create with patchwork. You can fashion a vest, the yoke of your favorite shirt pattern, apron or skirt from patch work. Curtains, throw pillows and couch covers get a lift with patch work. Even toys and games can be designed with patchwork.

Use your imagination to create your own original designs for everything from clothing to home decorating, to toys. Only a simple sewing technique is necessary.

Pre-shrink all new fabrics and press smooth. Trace square shape using pencil, on wrong side of material. Line up straight edges of template (card board shape) with straight of the fabric. Cut accurately with sharp scissors. Template should include 1/4 inch allowance.

Sew square shape patches together right sides facing, one after another without cutting threads. This 'continuous feed' process saves time and thread.

Press seams to one side. Sew several squares to form long panels. Piece panels together matching seams. Press seams to one side.

When your patchwork piece is ready, place pattern for clothing or toy on it and cut. Sew pattern pieces as usual.

These are the basics. Information on patch work may be obtained from books on quilting, available at the book store or book mobile.

The larger the article you are constructing, the larger the square

THE WAY OF THE... West

by Mary Rich

The Lincoln County News did a better job forecasting football than most others. We knew that Capitan and Carrizozo would be playing for the state title. Never had a doubt.

Lincoln County is the home of really superior school boy football and this season should remove any doubts. I have enjoyed '76 fall football and survived with only minor injuries. It seems best to make this statement before next week's game when the News feels obligated to be for both teams.

We will be on one side for half the game and on the other for the second half. Please be careful with the photographer, you guys. This message is for the chain gang, too. I almost lost an ear to a piece of pipe last week.

I want to thank Phillip Payne who has assisted me at every game. The coaches have all been courteous, understanding and helped with the coverage. This goes for the entire Lincoln County athletic brigade and my correspondents Renfro, Garfield, Hourigan and what ever boyfriend has been feeding them info.

I have really enjoyed the two afternoon games. Daytime football is superior; certainly it is better for a sports photographer. I think the boys play better football although I have heard that point argued.

Sorry I couldn't get to Capitan for the Friday game. The highway guardians had asked that everyone stay off the roads except for emergencies. When that request is made, it should be heeded so we missed a thriller.

To all you guys and gals out there in Lincoln County football land, remember that there is going to be a winner and a loser this weekend. But there will be another year and before you let high spirits get away from reason, remember the fellow you take out after may be your brother-in-law in a few years.

Let's do all of our fighting on the football field and show what good supporters and citizens we are otherwise. That goes for some of the over 21 fans, too.

Ruth Armstrong and I went to Albuquerque for breakfast Sunday. At least that is what we are telling everyone. Actually we were trying to do some shopping at the "Starving Artists" sale which was supposed to be all day Sunday. The truck full of pictures (not artists) was delayed between Dallas and New Mexico and so we missed the show. But we had a marvelous brunch at the Albuquerque airport where one of the best buffets in the West is served every Sunday. There were over 100 dishes to select from including crepes, shrimp, eggs, pastries, fruit and roast beef.

We returned by way of Corona to attend a Woman of the Year tea honoring Pallie Dishman. The ladies were lovely in their long gowns and the tea table was beautiful with candlelight and silver service.

Ruth and I, on the way home, talked about how young people in the city seek 'back to nature' ways—barefoot, denim and hair a la natural—while these ladies who really live as close to nature as one can, like to have pretty clothes and nice parties. She may be out there on a horse in the dust gathering cows on Saturday, but on Sunday afternoon it is fun to go to town in a beautiful gown. Ruth noted that the women in this part of the world are versatile. They can work harder on the ranch than most men and still preside with elegance at a candle lite dinner table.

Last week Mable Rentfrow and Frances Lovelace were talking about their introductions to ranch life. Both women were from towns. Mable said she remembered crossing this country on a train seeing the infrequent ranch houses, wondering what kind of people lived so alone and far from civilization. She found out.

Mable and Frances came to ranches west of Carrizozo in the 1930's. It was not easy living in those days before REA, telephones and paved highways. They did not have indoor plumbing or running water when they arrived.

Still, from their description of the living conditions of some of their neighbors, I guess they felt like they were fairly well off. Frances remembers one family that lived in nothing but a covered hole in the ground.

Later, after her husband was killed, Mable ran the ranch for 15 years by herself. I understand that a lot of buyers thought she would be easy to take advantage of, being a woman alone. Boy, did they get a surprise. Mable usually came out with better prices than anyone else in the county. Frances, too, had her hands full after she lost her husband and son but both ladies, like other Lincoln County women, hung in there and were successful in what remains one of the most difficult industries—turning cows into cash.

I sometimes smile a little, when those two gals start off on trips to California. I wonder how many people looking at the two ladies with their pretty hairdos, dresses and maybe playing bridge, would guess what experiences they have had and what hardships they endured to get to their present pleasant way of living.

It may seem a long way from the football field to a visit with Frances and Mable but actually there is a connection. It takes a lot of work, courage, knocks and adversity to build a top football team and certainly these are the same factors that the early ranchers (and present ones) dealt with. Often it seems that human nature requires a certain amount of difficulty to reach an enjoyable place.

The successes gained from meeting challenges are the very sweetest.

Letters to the editor

I just want to express my sincere thanks to everyone for the support given me and to my bid for re-election to a fourth term as U.S. Representative from the Second Congressional District.

I also want to congratulate the voters of New Mexico who turned out in record numbers to exercise the constitutional right given all eligible voters—namely, to choose those whom they want to represent them in public office.

We here in America have a lot for which we can be thankful: We have a political system that has managed to survive 200 years. Where else but in America can a peanut farmer from Plains, Georgia, Jimmy Carter, a virtual unknown less than two years ago, manage to win the support of millions of Americans and within such a short time succeed in becoming President of the United States.

May we put aside any divisiveness that may still exist following the election, and unite our efforts. New Mexico has a bright future, but we can only guarantee a steady, healthy growth for our state if everyone is willing to do his and her share.

I promise you I will continue to work hard for the people of New Mexico. I will also continue to be fiscally responsible aiming my efforts to the realization of a balanced budget and wiser use of the taxpayer's money.

This year is the anniversary of our first revolution and it is a good time to salute the revolutions of the future. May our devotion to life and the challenge of change make them peaceful. May the celebrants of the Tricentennial commend us, as we commend the patriots of 1776.

Again, I thank you for your support and confidence and I am looking forward to working with each and every one of you as your Representative for another two years.

With best wishes,
Sincerely,
Harold Runnels

Dear Mary,
I thought I would let the reader's of 'Polly's Bulletin Board' know through this letter that the 'filler' at the bottom of 'Polly's Bulletin Board' in the November 11th issue was not part of the column.

The item was concerning the educational system and not my opinion. Some people are not aware that a 'filler' is a short, space-filling item in a newspaper.

I would like to thank the News and employee's for letting me observe the Lincoln County News going to press. I was impressed!

Your local newspaper informs about town and school activities and provides us consumers with advertising. Newspaper advertising is a powerful selling agent.

Polly of
'Polly's Bulletin Board'

The following letter comes to the News by way of Jack and Carrie Magee at the Family Pharmacy.

Dear Mr. McGee,
I want to thank you for shipping our belongings to North Carolina. We have received both boxes, and without any damages. You along with many other people in Carrizozo were so helpful to us after our accident.

My family and friends as well as Gail and I were very touched over the warmth we received in your town.

Thank you very much for your time, energy and most of all your thoughtfulness.

Sincerely,
Elaine Mack

A bowl of activities

From Nogal

by Roby Burke

A bunch of gun control laws would handicap the private citizen, destroy the hunter and delight the criminals. Gun legislation simply doesn't work! There are some 10,000 state gun laws on the books, none of them are effective. To enforce a gun control law against the hard working taxpayer, who doesn't need it anyway, would be easy; but, to expect a bank robber or the street corner stickup artist to register his means of livelihood, is ridiculous!

Yes, it is expensive! The cost of enforcing a gun control law would cost

the poor taxpayer besides taking his only means of protection away from him—millions of dollars. It would also create a huge bureau that would have to be financed every year to keep the process in operation.

Most forms of gun control are also unconstitutional in intent. "A well-regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed." The anti-gun faction argues that this does not make sense today; on the contrary, today the average law-abiding citizen needs a gun for protection more than ever. They are asked to help the police by putting double locks on doors, taking keys out of their cars and, in some places, to patrol with their neighbor and set up secret stations to find the criminal.

Sure, gun education is important; but, we have a crime problem in this country, not a gun problem. So many criminals get away with crime, it has become very profitable to steal and kill. We must stop this by demanding that the judicial system stop letting the criminals go to repeat and repeat, again and again, the same crime. The policeman tries with all his skills, but the judicial system does not back him up.

"The only effective way to cut down crime," says a legislator, "is to crack down on criminals, not guns."

Roby's Box Humor Ideas Etc.

Dear Roby here is a goodie for you.

The seven deadly sins are: politics without principles; wealth without work; pleasure without conscience; knowledge without character; commerce without morality; worship without sacrifice; and science without humanity. No name.

Dear Roby,
A young man came for an interview with a bank president. "Tell me, sir, how did you become so successful?"

"Two words."

"And what are they, sir?"

"Right decisions."

"How do you make right decisions?"

"One word—experience."

"And how do you get experience?"

"Two words."

"And what are they?"

"Wrong decisions!"

Henny Youngman says he knows a doctor who gave a guy six months to live, the guy didn't pay his bill, so the doctor gave him another six months.

Do You Know

That without at least some air pollution this planet would be in very poor shape, for raindrops will not form in an unpolluted atmosphere.

The new game of bridge played with only three persons? I understand that they played it at Gayle Porter's last week.

The newlyweds who visited Nogal this week and hope to stay in this part of the world, Mr. and Mrs. R. Granger.

That Jackie S. is always missed when she leaves. Hope to see her at the Women's Club meeting.

That the Methodist Church is having their annual bazaar next Friday and Saturday from 9:30 to 6:00. Do come to Capitan and get your xmas gifts—all hand made.

Our Recipe This Week is Paprika Chicken for 4 people.

I made some this week and it is great!

2 T chopped onions

1 teasp. paprika

6 broiler size chicken breasts

2 T lemon juice

3 T butter

1 T flour

Salt & Pepper to taste

1 C. sour cream and a little water

Saute the onions in butter until lightly browned. Put in chicken breasts and brown lightly. Add paprika and lemon juice. Cover tightly and cook over low heat until tender. Remove chicken and keep hot. Add flour to saucepan, season with salt and pepper. Blend in sour cream stirring constantly. If too thick, add a little water. Pour over chicken and serve.

Around the Bowl

We are in an ice fairyland today; everything is covered with icicles. In Nogal it's a good time to think and read and rest; however, I did creep through the snow to get the mail and found Ralph Forsythe warming his toes by the fire. He tells me that the Sharpes are all fine, but couldn't get much more out of him.

U.P.W. met at the home of Leora

Zumwalt—with fresh pumpkin pie, that she had made with pure whipping cream. Election of officers was held and we are proud to say that Leora Zumwalt will be the next president. If you are interested in studying the Bible, come join us. Agnes Crouse was elected Recording Secretary and Vicé Pres. and Sue Stearns, Treasurer. Dot Burkstaller will be our sewing chairman, and the programs will be decided by the members on a monthly basis. The Christmas party will be next month—the date will be decided later.

Nogal has had an excellent attendance of ministers, but, the congregation is too small. Do try the little church on the hill, it's so easy to get to and you might learn something. These ministers travel a long way to bring us a message. Let's be there to hear it.

Bye now Roby

Socorro Market

NOVEMBER 15, 1976

STEER CALVES: Choice - 250-350 lb. - 35.00-38.00 - 450-650 lb. - 22.00-27.10; 375-500 lb. - 34.00-37.50; Good: 250-350 lb. - 32.00-34.00 - Stocker Cows; 375-500 lb. - 32.00-34.00;

HEIFER CALVES: Choice: 250-350 lb. - 27.00-30.30; 375-500 lb. - 26.00-30.00; Good: 250-350 lb. - 26.00-28.00; 375-500 lb. - 26.00-28.00 - cow and calf pairs.

STEER YEARLINGS: Choice: 500-700 lb. - 33.00-34.50 - packer bulls - 22.00-27.10; Good: 500-700 lb. - 31.00-33.00 - packer cows.

HEIFER YEARLINGS: Choice: 500-700 lb. - 27.00-28.50 - Cutter - 17.50-19.00;

The News, November 18, 1976, Page 3

Good: 500-700 - 25.00-27.00 - Canner - 14.00-17.00.

Market on stocker and feeder cattle was slow on a lower market. In comparison with a week ago feeder steers and feeder heifers \$1.00 lower. Stocker yearlings \$1.00 lower. Stocker calves \$2.00 lower. Stocker cows steady to \$.50 lower. Cow and calf pairs slow; \$10.00 per pair lower. Stocker bulls steady, packer cows steady. Packer bulls steady to \$1.00 higher on better high yielding bulls.

A "stalk" of celery means the whole plant. A single stem is properly called a "rib."

Mike English falls on a loose ball in the end zone for another Grizzly score. A minute later and it was 13-0 in the third quarter.

Under a pile of Melrose players is an undamaged Grizzly but the News Photographer is not able to guess who.

Danny Sandoval jumps for the catch in one of Carrizozo's successful trial moves. (Below) After considerable forward progress he is finally downed.

Its Melroses turn to move the ball but once again the Grizzlies were in position to hold the opposition behind the 50 yard line and force a punt.

ANYWAY YOU LOOK AT IT...

by Paul

Kathleen O'Donnell at Ellsworth sent along an answer to problem we've never had, but nice to know the answer anyway. If you have a bird pecking at your window glass, get a plastic snake and put on window sill - that will scare the heck out of birds looking in.

New Mexico Business, a publication of University of New Mexico, gives population estimates for 1974 and 1975. The state population increased 12.8 percent from 1970 to 1975. Net immigration (people moving into county) was a significant factor in population growth of many counties; however the most dramatic changes in population were recorded for Chaves, Hidalgo, Lincoln, San Juan, and Torrance Counties. Population of Lincoln County increased 20.7 percent and Torrance County increased 16.7 percent. Projected population by county for 1985 shows Lincoln 10,000-20,000, Torrance less than 10,000.

Carrizozo football fans have not seen any better defensive work against a team rated as state champion contender than was displayed Monday afternoon. Melrose has been in the playoffs three times recently against Carrizozo. They were not ready for a tough Grizzly line and set of aggressive linebackers who consistently sacked the Buffaloes for big losses, Nov. 15, 1976.

Charley Castillo was doing the game announcing, and he was naming Grizzlies making the tackles - in the Monday game, defense won it and Charley did fine.

Albuquerque Journal sports man Roger Ruvolo does not know how the pads fit on the Class A teams. He picked Melrose over Carrizozo 22-9, picked Cloudcroft over Capitan 27-21, picked Ruidoso over McCurdy 20-14 - wrong each time. Roger is undoubtedly a nice guy and good to his kids, but us Lincoln County people figure he could not find his rear with both hands in the kind of fog on our mountains the night Capitan laid it on Cloudcroft.

Swiped from Duffy - Sudden Thought: How disheartening it is, when you know you've made it on your own, to learn that you owe most of your success to Uncle Sam.

Dining Room: Where the family eats while the kitchen is being painted.

Remember when only heaven protected the working girl? Now, it takes a union, a wage hour law, unemployment compensation, health insurance and Women's Lib.

You're an old-timer if you can remember when the only pickets we had were part of a wooden fence.

If you're looking for benefits from

space travel, remember there are no chiggers up there.

You may remember from driving through Belen the large store on west side with remodeled front. It has been Belen's oldest commercial business, 100-year-plus and is now going out of business. The store dates back to 1873 when the late John Becker Sr. bought it. The property, building and all, has been sold to George Gabaldon.

There was no question about the store-person in business in Carrizozo the longest while Dutch Reil was alive now, who knows. Our newspaper dates back to 1905 but it has changed names and owners a number of times. We will ask the best authority around town for some information - that's Albert Roberts.

Another question-of-history-with-no-ready-answer - sixty years ago (and in later years) the News was a radical Democratic newspaper. This was common in first century of our country's history when newspapers were started entirely for political reasons. When the News might have started representing all the people and political parties is something we do not know. Might not have happened until Paul Baker came along.

Ranch - A hunk of land on which, if you get up early enough mornings and work late enough nights, you'll make a fortune-if you strike oil.

District Court

State of New Mexico - vs - Sammy Stoneman: On October 19, 1976 Motions were heard in the Stoneman case, Sammy Stoneman is charged with 3 counts of Larceny of Livestock. Stoneman was represented by Scott McCarty of the Marchiondo & Berry firm in Albuquerque. Motion for Pre-Trial and Disclosure of Evidence was granted; it was ordered that the State's Attorney file Statement of Facts responding to each of the five particulars set in Defendant's Motion for Statement of Facts; Motion for Order to Dismiss was denied; Order for Change of Venue was granted and the trial has been moved to Eddy County in Carlsbad, New Mexico. Judge Zimmerman denied the Affidavit for Disqualification because the Affidavit was not timely. The trial has been set for January 4 before the Hon. Geo. L. Zimmerman.

State of New Mexico - vs - Anthony Lucero, Lucero was convicted on March 4, 1976 by Jury Trial of Aggravated Battery, Notice of Appeal was filed on April 13, by Public Defender, James Weldon. Court of Appeals upheld Judge Zimmerman's Sentence for Lucero to serve Not less than two (2) nor more than ten (10) years in the New Mexico State Penitentiary.

Harvey Marcus Snow - entered a plea of guilty to burglary and received a probation sentence.

Harold Dixon entered a plea of guilty to trafficking heroin and received a probation sentence and \$2000.00 fine.

Tony Sheehy - entered a plea of guilty to trafficking, dilaudid and was sentenced to 10-50 years in the NMSP by Judge Burks.

Tom Tucker entered a plea of guilty to trafficking heroin and was sentenced

by Judge Burks to 10-50 years in the NMSP.

Steve Lucero entered a plea of guilty to burglary and received a probation sentence and \$200.00 court costs.

Nathaniel Winters entered a plea of guilty to aggravated battery with firearm enhancement on Frankie Calderon of Ruidoso and was sentenced 2-10 years in NMSP.

Senior club plans dinner

Lincoln County Senior Homemakers Extension Club met at the Medallion Room on Monday, November 8 at 1:30. Plans were made for the Christmas dinner when they will host the Junior Extension Club with a party and exchange of gifts.

Ethel Roberts had the program in which she made Christmas boxes for tree decorations. Present were: Mary Holmgren, Elva Wilson, Catherine Eaker, Irene Hayes, Dorothy Current, Ethel Roberts, Earline Tubbs, Effie Chisholm, Gertrude Risher, Mabelle McDaniels and Rachel West.

FFA attend meet

Rex Wilson and Gary J. Lovelace have been chosen to represent the Carrizozo Chapter of Future Farmers of America at the 49th National Convention in Kansas City, Missouri, November 9-12. Rex and Gary will board the FFA bus November 7th in Roswell and return home by bus on November 13th.

This year's convention is to be the most successful yet. As the largest youth convention, the FFA will be attracting national leaders to their stage, along with award winners, and degree recipients, Foundation sponsors and many other V.I.P.'s.

FHA installs officers

The Carrizozo Future Homemakers of America Chapter had their Installation-Initiation of members and officers recently. It was held in the school cafeteria. All the members dressed in their finest, added to the beautiful candlelight ceremony. We would like to thank the parents who took time out to come and see the installation of members and officers. After the installation everyone who was there enjoyed refreshments brought by the chapter.

The results of the November 11 volleyball game between FHA and the Carrizozo Faculty were in favor of the latter. The faculty won four out of five games. Faculty cheerleaders were: Larue Wetzel, Jeanne Simpson, Eugina Vega and Helen Locke. Almost all faculty members participated and should be commended for doing so. FHA cheerleaders were: Charlotte Gallegos, Julie Portio, Charlotte Ghase, Lucy Lueras, and Esther Miller. All FHA members also participated and did their various assignments well.

The News will do your printing!

Hikers near this area

Two veteran hikers, members of a National Park Service sponsored expedition, have arrived at Gran Quivira National Monument near here after nearly 1700 miles of backpacking along the crest of the Rocky Mountains from Glacier National Park on the Canadian border.

The hikers, Stephen Studebaker and Loren Froemke, set out Tuesday (Nov. 16) on another leg of their border-to-border walk which will take them to White Sands National Monument, N.M. Their final destination is Boquillas, Mex., just across the border from Big Bend National Park, Tex.

The twosome will cross through parts of the Cibola and Lincoln National Forests at the highest elevations possible on their way to White Sands, where they plan to stop and show slides of early parts of their trip which began in early June on the snow-capped peaks of Glacier.

"We found the Manzano Mountains more rugged than we thought," said Studebaker, the expedition leader and a nine-year veteran seasonal park naturalist and archeologist. "We walked through six inches of snow in places and the chill factor at times was 30 degrees below zero."

The hikers had left Pecos National Monument near Santa Fe Nov. 7 and had walked over the crest of the Sandias, hopped Interstate-40 in Tijeras Canyon, and continued walking in the Manzanos until they reached Gran Quivira, a monument of preserved prehistoric Indian and early Spanish ruins.

Besides White Sands, the pair will hit three other National Park Service areas - Carlsbad Caverns, Guadalupe Mountains and Fort Davis - before arriving at Big Bend National Park at Christmas.

At Gran Quivira, Studebaker telephoned his wife in San Antonio, Tex.

to learn if a new baby the couple is expecting had arrived yet. He learned that the baby is running behind schedule.

He probably won't get another chance to phone his wife until he arrives at White Sands, several days from now. The purpose of the nine-month hike is to promote environmental awareness, make a photographic survey of existing

and proposed wilderness areas along the route

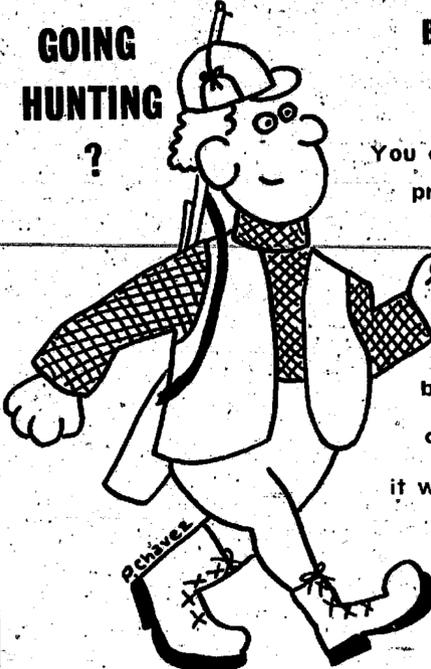

NOTICE - The Lincoln County News issue of November 25 will be printed on Monday, November 22. We will appreciate having all news and advertising copy in the previous Friday and Saturday.

LEGAL NOTICE

IN THE PROBATE COURT OF LINCOLN COUNTY, NEW MEXICO

IN THE MATTER OF THE LAST WILL AND TESTAMENT OF RUBY M. CURRILL, DECEASED.

NO. 1465 AMENDED NOTICE OF PROBATE

THE STATE OF NEW MEXICO TO WHOM IT MAY CONCERN:

An instrument purporting to be the Last Will and Testament of Ruby M. Currill, deceased, has been produced, read, and filed as required by law.

On December 22, 1976, at 10:30 a.m., at the Probate Court in Carrizozo, New Mexico, the Court will conduct a hearing for proving this Will, and if proved, the Court will render a judgment approving it as the Last Will and Testament of the decedent and admit it to probate.

Witness my hand and seal of the Probate Court of Lincoln County, New Mexico, on November 12, 1976.

Barbara Lovelace, Clerk of the Probate Court (SEAL)

First published in the Lincoln County News, November 18, 1976. Last published December 9, 1976.

In other years

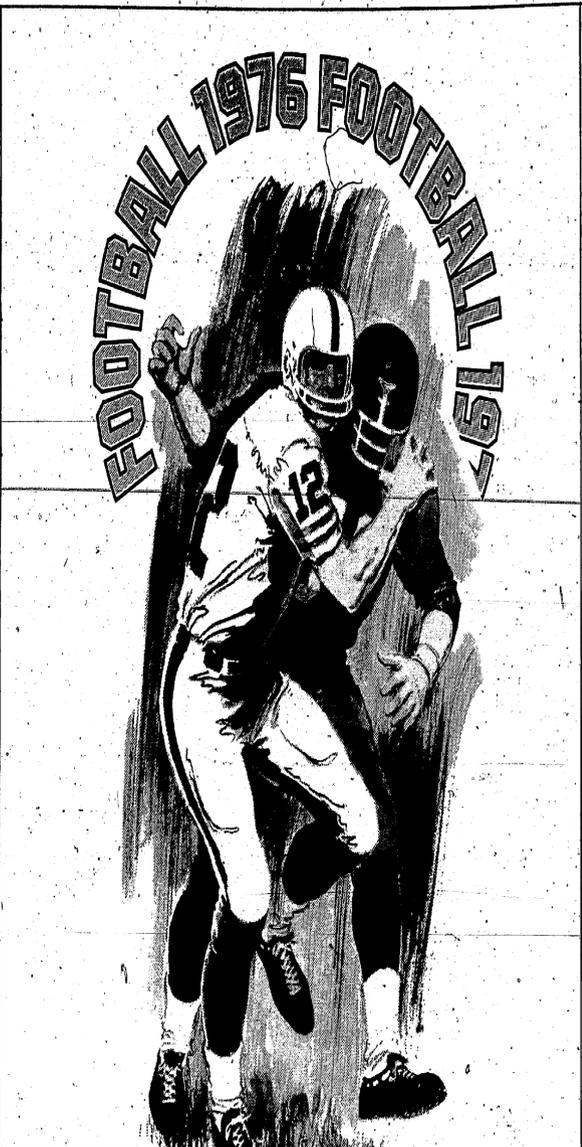

by Paul Payton

TWENTY YEARS AGO
From Lincoln County News Friday, Nov. 16, 1956.
The program for Carrizozo P.T.A. will consist of a trombone solo by Bobby Stearns. A panel discussion follows on "Our schools and the American way of life."
Colonel Carroll Cecil Hines of Chicago was in Carrizozo on official business at Red Canyon and stopped to visit Mrs. T.E. Kelley. Col. Hines is a native of Carrizozo.
The percentage of deer killed was running high during the first weekend of the big game season. Barbara Jean Brannum had herself a 200-lb., 14-point buck by 11 o'clock the first morning out at Folsom, N.M. Other getting deer were Eugene Degner, Bobby Stearns, Jim Spivey, Brack Cornell, Lester Chapman, Verna Ruth Petty, Doll Ray, Bud Payne, Billy, Sammy and Bobby Hicks, Randall and Ralph Greer, Eddie Bob Hemphill, Buddy Duncan, Mr. and Mrs. Dewey Wooten.
Three deer had been weighed in Wednesday at the Big Jo Lumber Co. Many hunters have entered the big buck contest.
Postmaster Kelt urges everyone to shop and mail early to avoid the rush.
A young boy nearly shot his toe off, another youthful hunter had his deer stolen, a lame turkey was a casualty, as well as a small antelope, two hunters got lost and several fires were started by careless hunters. So go some of the stories of the 1956 hunting season.

Along the way - by Paul Baker: Our dog Gilmore likes deer meat for a change. Other morning he was chewing on part of a deer neck and head. Last year the brown bomber brought home a piece of deer hide which he ate, hair and all. He was a very sick dog for two days.
Town trustees met Nov. 8. After considerable discussion, Mayor Wayne Withers stated he would instruct the town marshalls to strictly enforce the curfew. Those present agreed it would be best. Fred Current was awarded the bid for hauling gravel to be used for highway mix to patch town streets.
Nellie Zamora, born Oct. 18, 1877 at Old Fort Stanton, talked with the "Ramblin'" Around editor. My father came with a column of soldiers from California to Fort Stanton to fight the Indians. Some of the other soldiers were Murphy, Dolan and Fritz. Murphy was my father's best friend. When I was 15 I married to Jose Gomez in the old courthouse in Lincoln. We were married by Jose Cordova, the same Cordova who had the ranch over in the Capitan Gap. It was through his ranch that Billy the Kid went when he escaped from the courthouse in Lincoln.
Captain by Margaret - The Mountain Valley Motel has been full of hunters the past five days. There seems to be more hunters than ever, but we are glad to have them.

FORTY YEARS AGO
From Lincoln County News, Nov. 20, 1936.
"Sky High", big three-act musical comedy, Boy Scout benefit show will be presented Dec. 23 in the school auditorium. "Sky High" is different from the usual home talent play, one of the high lights of the show being the chorus girls who sing and dance in beautiful costumes.
Carrizozo Auto Co. extends an invitation to view the new Ford V-8s. Bingham Brevities - Miss Gonzales, our well liked primary teacher spent the weekend in San Antonio. Mr. Corker has his cattle at the Sedillo ranch this week.
Winner of the \$55 gun at Kelley Sport Shop was Geo. Straley with 221-1/2 pound deer.
Lincoln Locals - Miss Ofelia Miranda, Misses Lewis and Long were weekend visitors at Las Cruces.
Mrs. Ola Jones returned from Santa Fe bringing the information that a federal building to house county headquarters for the Relief Security Authority will probably be approved for Carrizozo provided local citizens show sufficient interest to secure same.
I sincerely appreciate the splendid support of Lincoln County voters and promise to perform the duties of county clerk with promptness and efficiency. - Edward Penfield.
Albert Robert's Station donated five gallons of gas as prize for the senior carnival.

SIXTY YEARS AGO
From Carrizozo News Nov. 17, 1916.
A charter has been issued by the state banking authorities for the organization of a new state bank for Carrizozo. The installation is to be known as the Lincoln State Bank, and the organizers are all "home folk." The officers are: J.B. French, S.B. Fambrough, F.W. Gurney, G.L. Ulrich and H.S. Campbell. The new bank will occupy a room in the Latta block on Fourth Street.
The Carrizozo girls lost a basketball game at Capitan Saturday 7 to 14, the Capitan boys also won, as did also the tennis team - it was not Carrizozo's day.
COST OF SCHOOLS IN LINCOLN COUNTY. Amount Expended: Ruidoso 1197.85, Carrizozo (includes high school) 9451.89, Corona 2050.89, Hondo 1519.33, Capitan (grades only) 2500.45. Average cost per pupil day \$19.
Joe N. White will build a cottage on Elm Street in McDonald addition, the building will be adobe. The residence of G.R. Aguirre on Alamo Road Ave. is nearing completion.
Ancho-S.W. Shive, our postmaster and manager of the Ancho store, will depart for El Paso to make his future home. Miss Irene Price made a visit to Carrizozo last Friday, not exactly on a pleasure trip but to have a tooth extracted. Miss Grace Kreitzer, day cashier at the Gurney Hotel, left Saturday for a visit to her old home in Philadelphia.
Our stock is large and our prices are reasonable - Binder Twine, Grain Bags, Cement, Lime, Dynamite, Black Leaf 40, Fuse, Caps, Auto Casings, Medicated Stock Salt. Wholesale and Retail. The Tisworth Co., Capitan, New Mexico.
Report from Rio Grande Republican: Votes were bought and sold, put on the rising market in Dona Ana County. The price rose from \$1.10 ten days before election to from \$5 to \$10 on election day, and even higher prices were paid. "It is said that \$3,000 was paid to 235 Republican emissaries" the day following the election."

Tiger Talk
by Becky Renfro

On Friday, Nov. 12 the Capitan Tigers met the Cloudcroft Bears in Capitan in the Class A semi-final football game. The weather may have been cold, but that didn't stop the Tigers as they went on to stifle the Bears with the final score of 28-22. The game was close and the Bears fought hard, but not hard enough. Thanks to two fumbles by the Bears, the Tigers made two badly needed touchdowns. Those scoring during the game were:
Robbie Richardson - A touchdown and a 2 pt. conversion.
David Hightower - 48 yard run, kick PAT by Works recovered a fumble and ran it for a TD.
Bert Schreengost - recovered a fumble and ran it for a TD.
The Tigers will meet up with the Carrizozo-Grizzlies for the State Championship game. The game will be played in Capitan on Nov. 20, at 7:30 p.m. Everyone be sure and be there! There will be a Pep Rally on Nov. 19, at 3:00 p.m. Let's really get the spirit up!
The students of the Capitan Municipal Schools would like to express their sorrow on the loss of "Smokey the Bear". We would like to dedicate the next school newspaper to him.
The Capitan Tigermets will play their first basketball game of the season on Nov. 23. They will play the Hagerman Bobcats at Hagerman, at 6:00 p.m.
On the 11th of Nov. an FHA meeting was held. The purpose of this meeting was to review our mistakes from a film of our FHA Banquet. The FHA Christmas Party was discussed. It was decided that the Christmas Party be held on December 20. Our gifts will be homemade.

NEW MEXICO STATE CLASS A FOOTBALL Champions

Volume 4, November 1976 A Special Section of the Lincoln County News Published at Carrizozo, N.M.

Grizzlies win 9th New Mexico championship

By Mary Rich
Under a star filled sky on a calm cool Saturday night the Carrizozo Grizzlies won their ninth New Mexico football championship. The Grizzlies defeated Capitan 8 to 0 on the Tigers home ground in a game that decisively proved that Zozo was Number One in New Mexico Class A football 1976.
The night may have been cool and calm but the feeling of the two Lincoln County teams, traditionally tough rivals, and their fans who packed the stadium were anything but calm. Earlier in the season in District play, the Tigers had defeated the Carrizozo team 8 to 6 on a cold wet field and the Grizzlies were eager for vengeance.
Going into the play the two teams were thought to be evenly matched. Capitan had won the district crown and was playing on home ground. The fiery Tigers had been ranked Number One in the state for the last part of the season and Robbie Richardson was top scorer in the state Class A grid competition.
The previous win over Carrizozo gave the Tigers a feeling of confidence.
But the Grizzlies had depth, fielding 34 players to Capitan's 20 man team. Early in the season the Zozo squad had looked unbeatable but injuries and fatigue to hold together had led to a couple of mid season defeats. It was just about half past the mid point that Zozo finally put it all together and looked like a winner again.
The defeat by Capitan did not appear to hurt the team spirits. Statistics from the game really encouraged the Grizzlies who had managed 8 penetrations to Capitan's 2. They believed the score was a fluke of a wet cold night.
Psychologically Carrizozo's two defeats of the tough Melrose team was a big asset. Melrose had defeated Capitan in regular season play and the Tigers knew Melrose was a tough team.
The new state champs may have set some kind of a new record having won three playoff games without being scored on. The quarter final score again 'Navajo Mission was 29 to 0, a semi final against Melrose was 19 to 0 and this final game 8 to 0.
These anyway were the thoughts of Capitan's Coach Billy Henson and Carrizozo Coach Henry Paul as the band played the star Spangled Banner and the referee blew the whistle for the kickoff.
Capitan had won the toss and prepared to receive the kick. But the Tigers failed to prepare fast enough and there was a yellow flag on the field and the Tigers drew a 15 yard penalty for delay of the game.
Ray Beltran's 55 yarder went into the end zone and Capitan started their first drive on the 20. The usually zippy Tigers failed to make progress and punted the ball back to Zozo on the 4th down. Ray Beltran ran the 35 yard kick back 16 yards and the Grizzlies began a march, moving with ease.
It ended four plays later when Gary Lindsay fumbled the ball and the Tigers came to life. Capitan was able to make a first down but the superior Zozo defense brought that to a halt in six plays.
Gene Vallejos broke up the punt try and Zozo took over.
The Reds again were marching down the field in a series of ten neatly executed plays when the Grizzlies took to the air with delay-of-the-game 15 yd. penalty. But, it was a hard fought game by both teams all the way.

Determination, teamwork and a season of learning put the Carrizozo Grizzlies in the number one Class A spot in the state.

Capitan won the toss that started the game 15 yds. behind after a delay-of-the-game 15 yd. penalty. But, it was a hard fought game by both teams all the way.

disasterous results. Texas Coach Darrel Royal used to say that four things could be the results of a pass and three of them were bad.
The Grizzlies got one of the four when Tiger Kelly Lamb latched onto the ball on the ten yard line. As Lamb fell on the ball the gun signaled the end of the first quarter.
Capitan moved the ball out of treacherous territory but failed to make it to pay dirt and on the fourth down made a try for the margin and failed.
Carrizozo kept the ball for another four plays and again tossed it away to Capitan on an interception. It was the Tigers turn but the Zozo defense held and the Tigers punted. There was a penalty on the play and the Tigers had another try at the next play.
This time the Zozo squad was not to be denied. A fast series put the Grizzlies on the 16 yard line. Ray Beltran took the pigskin on the tail back left call and crossed the goal line.
A few seconds later Beltran took the call of tail back right and went again, this time for the extra two. The score board showed 8 to 0.
Beltran kicked a 35 yarder and Capitan ran it back 5 yards. This time the Tigers carried the ball for 9 plays and got past Zozo's 40 yard line which was the closest the Tigers ever came to pay dirt.
The second half began with a 15 yard kickoff run back by Ray Beltran who took the ball from Jimmy Samora.
This time the right defense looked strong and after four plays the Grizzlies were forced to punt. Capitan moved the ball for six plays in a series that was marred by the Grizzlies' loss of their leading pas receiver Danny Sandoval who was removed from the game by for unsportsman like conduct involving a dead ball foul.
The Grizzlies broke up a Capitan fourth down pass attempt and took control of the ball but only for 4 plays. Beltran punted 36 yards, Capitan held for three plays and then attempted a punt. Rocky Willingham, the punter, made an excellent recover when the loss back went over his head. He recovered the fumble and made the punt to about mid field where the fourth quarter commenced.
Carrizozo held the ball for a series of four downs and kicked it to Capitan. Capitan held on for five downs and returned it to Carrizozo.
With the ball dead following a punt a fracas involving Ron Works, Mike English and Rex Wilson erupted on the field. The coaches and referees quickly brought order and major trouble was averted. Works was removed from the game by the officials and Capitan was penalized back to the goal line with 11 minutes left in the game. Capitan made a good punt and seemed out-of trouble.
Zozo made 15 yards on the ground in six plays and turned the ball over to Capitan. Capitan held on for five more plays but failed to make enough yardage and Carrizozo took over and was obviously letting the clock run when finally the gun sounded.

It was all sewed up and Carrizozo had the ball as the clock wound down in the final seconds of the game. Coaches Henry Paul, Dennis Jeter and Ray Manly are happy.

The team By Coach Paul and staff

then moved out until this season. he is a good if not better than defensive end I've ever coached. Jim was an exceptional addition to the Grizzly squad and instrumental in our state victory.

9th

Some of the statistics from the game show Zozo with 20 first downs and Capitan with 15. The Grizzlies had 4 penetrations and Tigers zero.

The final score was a mirror of that in 1972 when Carrizozo won its last state championship before this. The team had downed the Tigers in District play 8 to 0.

It has been a good year for Lincoln County Football with all three Class A teams making it to playoffs and Ruidoso in semifinals for Class AA, an all time record for grid historians.

Next year looks equally good for all three Class A teams. Corona is still a growth team and has its leading scorers back for another try. Capitan was considered a young team and only loses five seniors. Carrizozo will graduate ten players but will have a lot of returning strength, the Coaches say.

All three teams expect 1977 to be another great Lincoln County football year. For the present, the Grizzlies are happy to celebrate the 1976 Bicentennial with their trophy.

No. 83 Danny Sandoval	3	1
No. 11 Eddie Lueras	1	0

DANNY SANDOVAL - 6'3" - 160 lbs. - Offensive End - Defensive Halfback - Danny returned to Grizzly football for the 76 season and hurriedly became the teams leading receiver. Danny should easily out distance any other offensive end in the state as an all stater. Add to his offensive performance his effort as a defensive halfback and the Grizzlies had the most outstanding all around end in Class A football. Danny is a winner. Thus our Grizzlies are winners.

RICK HOLLIS - 6'2" - 160 lbs. Tackle - Offensive End - Rick joined football to condition himself for his favorite sport basketball, and formed the hard knocks of the game. More to his liking than he had anticipated developed into a good steady defensive tackle. Smart, agile, and determined to succeed make Rick a favorite youngster within our close knit group. He does aspire to continue with athletics in college and should do quite well if he will assert himself.

EDDIE LUERAS - 5'8" - 140 lbs. Tail back - Defensive Safety - Fleet footed tailback unable to release his full potential because of early season injuries. Eddie established himself as a "Mr. Outside" with a sparkling opening performance against Ruidoso and continued through our first 5 wins to tantalize the opponent with his "flash" runs. This year Grizzlies struggled through the remainder of the season to win playoffs, and state, without a dazzling performance of his caliber. Eddie will be hard to replace because of his speed an ability to get to the outside.

RICKY VEGA - 5'10" - Offensive Tight End - Defensive Linebacker - One of the first hitters on our squad. Very effective as a tight end on offensive but his real value can be attributed to his quickness, and devastating tackling on defense as a linebacker. A strong untamed desire to win kept him and his teammates keyed throughout the season.

JIM SAMORA - 5'8" - 155 lbs. - QB for the past two seasons Jimmy has served on the starting QB. Originally Jimmy was the starting center. His quickness in

finding holes, ability to lead the team make up for any lack of size or ability to be the outstanding break away or scrambling QB deserved by the football loving fan. Jim suffered severe knock down shoulder in the summer scrimmage. His shoulder failed to mend properly with continued abuse. Shifted to tight end for playoff games to support our injured ends corps. Exceptionally competitive with any group Jim was and has been a great example as a Grizzly for the younger team members to follow.

NAT PALOMAREZ - 5'9" - 225 lbs. - Tackle, Guard - For more years than Chief cares to he has been selected as the most improved player. Chief arrived slowly game by game he became one of our main stays on both offense and defense. Nat exceptionally fast and quick Chief was forced to "dig" lower for additional effort usually suitable to strong side defense for his strong charge and his unique ability to cover his area. Nat will be surely missed both as a Grizzly and a member of the student body.

GARY LINDSAY - 5'8 1/2" - 170 - Gary is a seasoned performer having played three previous years as an offensive guard, defensive tackle. Finally developed into an outstanding lineman for the 76 school year. Early in the season it became evident that the Grizzlies were headed for the playoffs. Gary was substituted to the FB position to aid our injury riddled backfield. He rapidly became one of our leading ground gainers. He proved beyond a doubt that he was the No. 1 PowerBack for the Grizzlies and should be all state contender as guard. The Grizzlies will need to develop another good big man to fill his vacant place.

JIM OWENS - 5'9" - 180 lbs. - Defensive End-Offensive Left Guard - Jim became the true surprise of the 76 season. He played freshman football for Zozo

EUGENE VALLEJOS - 6'1" - 150 lbs. - Eugene has played and completed two seasons of varsity football. He has exceptional speed, good hands, and has ability to make him a fine college receiver. He has toughened during defense as the key safety. In fact Eugene made 2nd team all state as a junior, bigger and better things are expected for Eugene at the conclusion of his high school athletic career.

RAY BELTRAN - 5-11" - 175 lbs. - Fullback, - Tailback - Raymond ack - Raymond completed one of the most outstanding careers in small high school football with the winners of the state playoff game. He leads the state in punting, kickoffs, returns, total yards gained number of field goals per year. Ray has not selected a college for the future but has had several indications of interest. He has the ability to play any position he desires. One of the truly outstanding all-around Grizzly athletes to have ever performed for Carrizozo. A sure contender for all state and possibly higher honors if he remains in action.,

JIM LONG - 5'9" - 160 lbs. - Excellent prospect for a starting tackle. Strong, alert, and willing to try. Coaches expect him to be a real leader for the Grizzlies.

ORLANDO SAMORA - Freshman - Like his brothers small but aggressive and unwilling to concede size as an important factor, as a Grizzly should develop into a

good halfback by graduation. (4'4" - 110 lbs.)

RUDY SAMORA - Freshman 5'3" - 120 lbs. - Courageous, tough, youngster willing to leave the skill to be used in the future as a Grizzly. Should be a good halfback in a couple of years.

ARTHUR VEGA - Freshman - 5'1" - 125 lbs. - Guard - Will develop into a good pulling guard to compliment the explosive driving of his older brother. Edward Vega, and help the Grizzly offense develop into a smooth running machine.

CHRIS ZAMORA - Sophomore -

5'7" - 170 lbs. - Developed into an exceptional utility player. Utilized as defensive linebacker, tackle or guard. Has speed and stamina to be an outstanding performer for the 77 squad both as an offensive and defensive lineman. Chris will be one of our future leaders so valuable in developing the "real Grizzly spirit."

TIM CURTISS - Sophomore - 5'7" - 165 lbs. - Center - A winner from the start. New to athletics but rapidly developed into the No. 1 Center. He has two more years to lead the Grizzlies into competition. Has desire and a real willingness to learn and to win.

GARY VEGA - Sophomore - 5'8" -

155 lbs. - Big fleet footed youngster with power to replace the loss of our outstanding fullback Ray Beltran. Gary needed only to develop those skills associated with leadership and team effort to be a true winner. With desire he can achieve excellence and in turn make the Grizzlies a winning unit.

DOUG WHITTAKER - Sophomore - 5'6" - 110 lbs. - New to the Grizzlies this season arrived late and developed slowly. Has speed, desire but lacks actual experience as a QB or tail back. Should Doug work toward being a QB during the off season he should become

an essential member of the 77 gridiron.

TOMMY VEGA - Sophomore 5'9" - 145 lbs. - Excellent potential. Tall in stature but light in weight. Tommy will have to sharpen those attributes essential for endurance or survival as a QB. Has natural speed, is a fine passer and can not be counted out as a possible starting QB position for the 77 team. Has good leadership qualities as a youngster which will make us a strong organization.

The 1976 State Championship football players are from left to right, front row: Joey Paul, Mgr., Doug Whittaker, Rex Wilson, Bobby Ventura, Billy Bob Shafer, Ray Hernandez, Eugene Vallejos, Gary Lindsay, Eddie Lueras, Ray Beltran, Mike English, Gaby Palomarez, Arthur Zamora. Second row: Coach Paul, Gillfred Silva, Jim Long, Frankie Baca, Rudy Samora, Arthur Vega, Orlando Samora, Bruce English, James Lueras, John Beltran, John Chavez, and Coach Manly. Third row: Pat Ventura, Timmy Curtis, Rick Hollis, Jim Samora, Lorenzo Sambrano, Tommy Vega, Edward Vega, and Jim Owens. Fourth row: Gary Vega, Robbie Hollis, Ricky Vega, Danny Sandoval, and Nat Palomarez.

The Ruidoso State Bank serving all Lincoln County salutes the 1976 State Class A champions

Ruidoso - Ruidoso Downs - Capitan Gateway - Carrizozo

BRUCE ENGLISH - Sophomore - Guard - Bruce missed a portion of the early season program and developed slowly and shows signs of being a fine replacement for left guard Jim Owens who is graduating. Has size and stature to play aggressively on either off. or def.

GABRIEL PALOMAREZ - Sophomore - 5'3" - 140 lbs. - has gained a year of valuable experience as a reserve. Has the potential to become a starter in the 77 squad.

CHRISTY BELTRAN - Sophomore - 5'6" - 150 lbs. - should develop into a good receiver before graduation. Has size and speed to become a valuable player on next years Grizzly squad.

FRANKIE BACA - Sophomore - 5'3", 125 lbs. - should be a fine asset to our offensive backfield.

JAMES LUERAS - Sophomore - has sufficient time to develop into a "True" Grizzly.

LORENZO SAMBRANO - Sophomore - has excellent chance of developing into a strong contender as a starter in the offensive backfield, and defensive line.

GILFRED SILVA - Sophomore - very inexperienced in athletics will need considerable seasoning

before performing as a polished performer.

ROBBIE HOLLIS - Sophomore - Robbie will be a factor to contend with next year on 77 squad. He has speed and natural ability to make Grizzly supporters forget the teams of the past. Robbie should become real state contender by playoff time.

PAT VENTURA - Freshman - Tough and eager to learn, will be good back up center next year.

JOHN BELTRAN - Junior - 5'9" - 135 lbs. - plays end and half back. John has not developed as rapidly as expected. He does have the potential to fill Sandovals shoes, as a very good receiver and defensive safety. If he continues to improve, our chances for another playoff will be much improved.

BOBBY VENTURA - Junior 5'10" - 145 lbs. - End - Bobby has been used as a player this year. As a senior he should easily become a starter on both offense and defense - End on offense and halfback on defense. Has been exceptionally good in practice and games in support of the Grizzlies.

RAY GENE HERNANDEZ - Junior - 5'5" - 130 lbs. - Quarterback and Tailback. Ray has had another outstanding year for us. He alternated between tailback and up back until last

game of regular season with Capitan where he was pressed into action as the starting Quarterback to replace the injured Jimmy Samora. His performance was over our expectations. He moved the Grizzlies up and down a very muddy field for a record 400 plus yards even though the Grizzlies came out the losers 8-6. There is a place for this very aggressive youngster on both Grizzly units and if his efforts are indications of things to come we should be headed for the state playoffs again next year.

EDWARD VEGA - 5'7" - 160 lbs. - UpBack - Edward "Spark Plug" of backfield. The success or effectiveness of Edward can easily be determined in the over all success of the team - a fine defensive end which has added to 7 wins in 12 games. His quickness, determination, and struggle has helped to make our backs a more successful unit.

BILLY BOB SHAFER - Junior - Capitan plays tackle and defensive linebacker. Has been a starter as both offense and defense tackle and lineman for the 1975 & 1976 seasons. He has developed into one of the states outstanding line backers. Billy Bob has those attributes essential for a fine all around athlete. He is a natural leader, tough, spirited and very talented. Will be a factor in the 1977 Grizzly drive for state recognition. Should the expectation of the backfield be less than desirable Billy could possibly be juilized as a power back.

MIKE ENGLISH - Junior - Has had a tremdous 2nd season. A leader by example on defense, very strong and consistent on offense. He along with Shafer, Wilson and Owens presented the Grizzlies with a powerful "up front" unit. Mike is already planning for another push for state!

The Championship game was played on Mike English's birthday. Happy Birthday Mike!

REX WILSON - Junior - A new recruit for the Grizzlies this season. Off to a lafe start Rex "came on" fast at the middle of the season. He provided a very pleasing surprise to our defense

unit. Started from his first real game and could not be unseated. A real good year is expected of him for the 1977 season. He is already looking toward another trip to the playoffs.

TOMMY BRAGG - Junior - 5'8" - 120 lbs. - plays lineman offensively and defensively. A biginner in football but extremely interested. Fast, quick youngster with a fine future. Will be switched to the back field after a summer of work and polishing. His desire excele his stature. He will find a place as a starter for the 1977 Grizzlies.

After the game party guest is Supt. Jim Steinepreis.

Editor's Note:

Our appreciation and the team's gratitude goes to the two hard working managers, Lee Vega and Mitch Colwell. Somehow in the excitement Saturday, we didn't get their pictures. Our thanks to our aide Phillip Payne and, to "Coach" Joey Paul for his help with facts and figures. The editor is grateful to the coaching staff for help all year, and to Mrs. Manley who supplied a lot of stats to , to Principal Larry Wilkinson and Superintendent Jim Steinepreis for many courtesies; to Paul Salgado for the loan of a few pictures in the middle of the night; to Coach Paul and the cheerleaders for help writing this edition; to the other teams in Class A who were cooperative on every occasion when asked, especially, the staffs and teams at Capitan and Corona. We are so proud of you each and every one.

The Season

At Capitan in the District game Beltran takes off on a long run.

It is semi-final time and Melrose meets defeat at Carrizozo for the second time.

Carrizozo at Ruidoso
13-0 Wow!

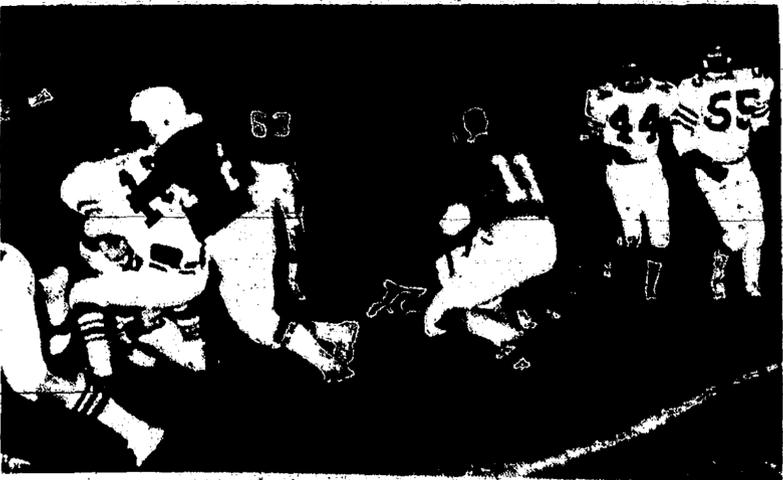

It was the first time in quite a while that the Grizzlies had tasted victory on the Warriros field. Eddie Lueras got the first points on a quick break. Ray Beltran kicked the extra point and then made two field goals. Coach Paul and the team proved up a well balanced squad against Ruidoso which went on to make it to Class AA playoffs.

Animas at Zozo
A big 41 to 12

Carrizozo scored 27 points in the first half and one in each quarter. 21 of the points belong to Beltran and the whole team had put on a top notch show. This is Animas's last year in Class A, moving up to double A next year. This was the

Quarterback Jimmy Samora takes the ball for a gain against Navajo Mission in quarter finals.

A pepped up Grizzly team was back on the winning side Oct. 21 and defeated Reserve.

Citizens State Bank

first team to score against the Grizzlies but it was only after the Zozo reserves had gone in to test their strength.

**Carrizozo at Hatch
13-0 AGAIN!**

Still going good and still away from home but victory was going to be a habit it seemed. Dandy Sandoval scored the first TD on a long pass and Ray Beltran was beginning to show up as a high point man. He scored and made the extra point.

**Cloudcroft at Zozo
9-0!**

Beltran scored a touchdown and kicked a field goal in what turned out to be a sweet defensive game on both sides. There were those who said Cloudcroft had one of the top state teams and they did have a good season. It was a good game to watch and the Grizzlies earned their victory.

**Melrose at Carrizozo
21 to 14 but trouble looms.**

Carrizozo left at the half time 21 to 7 but suffering a lot of injuries. Melrose managed another seven pointer in the second half and began to look like a much stronger team than it had the first half. Of course by that time we had lost Sandoval, Buggy, Ricky Vega and Billy Bob. We would feel the loss next week. For the time being the state sports writer ranked Zozo No. 1 which of course proved true later on.

**Carrizozo at Tatum
6-22 Ugh**

It was Tatum's homecoming and they were looking for a win. Zozo was still suffering from a loss of players. At the half in a hard fought two quarters Tatum led 8 to 6. Zozo was holding on and hoped to move ahead when Ownes and Lueras were put out of commission. In the last five minutes Tatum racked up another batch to make it 22 to 6. They later defeated Cloudcroft 41 to 6 and looked like a real strong team. Certainly Tatum took its toll of Grizzlies.

**Hagerman at Carrizozo
26 to 16 but coming back**

When the first half ended Zozo really looked down with a 26 to 0 score on a cold cold night. Everyone wondered what had happened after watching two quarters of fumbles and penalties. The second half looked like a different game and the Grizzlies were growling again with Beltran and Samora really clicking. The Zozo team had recovered too late and Hagerman won. There was a bright side, though, because the team had finally put it back together.

**Reserve at Carrizozo
and its 26 to 0.**

Reserve was the turning tide and really the score was lop sided for a team that had a fair season. They scored 22 points against Capitan (27-22). So when Carrizozo decided to play there was a lot of work ahead. Coach says that Buggy was really up on the defense. The team took advantage of every Reserve error and again looked like champs. Points were scored by Beltran, Ed Vega, Samora and Sandoval.

**Zozo at Capitan and it was
8 to 6 in the wet.**

It is the score that counts and Capitan won district on a cold wet night in Tigertown. The game, played in the mud could have gone either way. Beltran made 210 yards that night and Zozo had 8 penetrations to Capitan's 2. It was

an extra two points early in the first period that made the difference.

**Navajo Mission at Zozo
29-0**

Quarter finals

The Class A teams had elected to have quarter finals this year with the top two teams in each district playing. This gave the Grizzlies their chance and when the wounded Eagles left the field there was no doubt what the future could hold. A special event was an

after the game supper for the guest team and the Grizzlies by the new Boosters Club.

**Melrose at Zozo and
19 to 0**

Semi-finals

The Grizzlies did it again to Melrose proving that the first game had been for real. The game was postponed from Saturday to Monday because of a snow storm that kept Melrose off the roads. On a beautiful afternoon the Grizzlies proved their stuff and played a

game to delight experts. There were few penalties and the team really clicked. Lindsay, English, Vega and Beltran made the points but it was a true team effort that won the game and set Zozo into the finals.

**Carrizozo at Capitan
8-0 State Champs**

Happy Thanksgiving
from the News staff

Lincoln County Clerk
Box 330
Carrizozo, New Mexico 88301

The Lincoln County News will be closed
Wednesday thru Sunday for the holiday

Leola Pfingston's first grade class remembers that the Indians and the Pilgrims celebrated their first Thanksgiving together. A few minutes after this picture was taken, they were all beating on the tomtoms. They are (from left) Sunnybuck Pelkey, Lisa Zamora, Brenda Griego, Beth Davis, Kateri Sanchez, Marcella Nevarez and Marty Robinson.

LINCOLN County News

The Captain first graders made their own turkeys and colored them with the rainbow. They said the best thing about Thanksgiving was eating turkey. These lovely faces belong to (from left) Scott Dye, Tyla Bryam, Shane LaMay, Heath Whitehead, Darrell Young, Faustino Callegos, Shane Points, Dicky Green and Michael Chavez.

Corona cagers win 3

The Corona basketball teams started out the year with 3 victories. Friday night the Boy's A and B teams, and girls A team played Honda. The B team boys played the first game and won, the Cardinals having 101 points at the end of the 4th quarter.

The girl's A team then played Honda and ended the game with a score of 35-22. The statistics for these two games will be printed next week.

The A team boys ended Corona's victorious night with a score of 84-41. Cully Nalda had a total of 13 rebounds and 20 points, making 53 percent of his shots. Luciano Chavez had 5 rebounds, 3 points and made 50 percent of his free throws. Steve Warfield had a total of 10 rebounds and 20 points making 50 percent of his field goals and 67 percent of his free throws. Scott Williams had 4 rebounds, a total of 8 points, making 44 percent of his field goals.

Scott Nalda had 8 rebounds and 8 points for the night. Allen Brown had 11 rebounds, 8 points, and made 50 percent of his free throws. Walter Stevens had 11 rebounds and 12 points. Steven Kiesel had 3 rebounds and 2 points. Myron Yancey had 2 rebounds and made 50 percent of his free throws. Dale McConnell had 7 rebounds and 2 points. The team statistics for the night were: 74 rebounds, 39-64 field goals for 41 percent, 6-11 free shots for 55 percent and a total of 84 points.

Saturday night the Corona Cardinals played the Moriarity Pintos. The

Cardinals lost the B game by 9 points. Statistics will be available next week.

The A team game was filled with excitement as the Cardinals battled the Pintos in a game that ended with another victory for the Cardinals. Statistics for this game were: Cully Nalda 11 rebounds, 28 points and 6-11 free throws for 55 percent; Luciano Chavez 2 rebounds, 8 points, and 4-5 free throws for 80 percent; Scott Williams 10 rebounds, 16 points, and 2-7 free throws for 29 percent; Scott Nalda 8 rebounds, 8 points and 4-4 free throws for 100 percent; Allen Brown 1 rebound, 5 points and 1-1 free throws for 100 percent; Walter Stevens 2 rebounds; Team 37 rebounds, 35-64 field goals for 55 percent, 19-32 free throws for 59 percent and a total of 89 points.

The Cardinal Girls play Estancia Tuesday night at 6:30 in Estancia. We expect a good season from the Cardinals.

Basketball fees set

Carrizozo Schools announced today its pricing policy for admission to home basketball games during the 1976-77 basketball season. Admission at high school games will be \$1.00, student or adult. Admission at junior high games will be fifty cents, student or adult.

Student season tickets to all home games may be purchased in the High School office for \$8.00. Tickets will be transferable among Carrizozo students.

Clubs back airport

Two organizations in Carrizozo are supporting Mayor Bobby Dan Crenshaw in his request that the Lincoln County regional airport site study be extended to look into Carrizozo as a possible location.

The area is presently part of a lease held by the New Mexico State University that is being used for long term range and animal research. University officials believe that the location of an airport will adversely affect the project.

The Multiple Use Advisory Board of the BLM has conducted hearings on the proposed location and decided to oppose the location of the airport.

On the other side is the Mescalero Apache Tribe which is a strong advocate of the location. Also favoring the location is the Ruidoso Chamber of Commerce, the Ruidoso Water Users Association and various tourist interests in the area.

The study of potential sites included the Ft. Stanton location and another position within 4 miles of it. Other alternatives have received little attention.

Mayor Crenshaw feels that the possibility of Carrizozo as a location deserves some study. Speaking at the hearing he proposed that the present Carrizozo Airport be looked at.

The Carrizozo Rotary Club and the Carrizozo Woman's Club passed resolutions Thursday asking that the study be extended to include Carrizozo.

Informed sources say that an immediate advantage would be a savings of \$7 million in road construction. It is believed that construction costs of runway extensions and terminals would be millions of dollars less in Carrizozo than in the Ft. Stanton area. Utilities are available in Carrizozo and those construction costs would be virtually nil.

Since the greatest use of the airport at the present would be horse racing fans, tourists and skiers, obviously the location must be feasible for their use.

Mayor Crenshaw believes that the small added distance is not an important consideration when compared to the extended use because of better weather conditions.

"With the paving of Highway 37 which is expected this year, the travel time between Carrizozo and Ruidoso will be greatly reduced, he said.

"Since any airport will be a Lincoln County project and will require the tax support of the entire county," Mayor Crenshaw said, "the construction should be the most economical possible, the use the broadest possible and the operational expenses efficiently planned for low cost.

Members of the airport student committee are the towns of Ruidoso, Captain, Ruidoso Downs, the County and Mescalero tribe. Mayor Crenshaw will ask each group to extend the study.

We are Number One now, cried the victorious Carrizozo Grizzlies as they were presented the Class A Football State Championship trophy. More pictures and coverage of the season is in a special edition of the News.

The legend of Smokey born in flaming forest

SMOKEY BEAR
by
Dorothy Guck

Wednesday, November 17, a memorial service was held in Captain for Smokey Bear. The Lincoln National Forest Supervisor was Master of Ceremonies. Speakers included Elliott Barker, Ray Bell, Homer Pickens, State Forester, Captain Mayor, State Park Director, and Game Department Director. They told of the first days of the burned Smokey's rescue from the 17,000 acre fire in the Capitan Mountains, his flight to Washington, and the success of his fire prevention campaign. The school band played. A young boy placed flowers on the grave.

The plans for the Smokey State Park were described and a plaque unveiled at the tomb. So ended a quarter century reign.

In 1950, my husband, Ed, was the ranger in the Ruidoso District. We lived on Nagal Mesa. Our three children went to Capitan schools. Ed was dispatcher for the Capitan fire. I was a Lincoln County News reporter and AP stringer.

I went out to the fire camp the day before Smokey was rescued when a 70 mile wind wrenched the mountains in dense billowing clouds of smoke, making crews helpless to quell the burning. I took camp pictures of the 23 fellows who had been trapped on a rock slide, their skin blackened and blistered. One of the fellows drove home with me, his hair singed, the soles of his shoes curled from the heat.

Capitan not only took a small singed cub to their hearts, they opened their homes and hearts to the sawmill families whose homes had been wiped

out, and vowed to wage a fire prevention war of their own.

A poster Smokey was being used by the Forest Service. The State Game Department had some difficulty in cutting through legal red tape to secure the recognition of the Capitan cub as a live Smokey. I had as much trouble having my stories of Smokey accepted until legal authorization was obtained by publications. But the children of America immediately lauded Smokey as their hero.

In 1955, the Capitan Women's Club raised the money to purchase portals proclaiming Capitan the Birthplace of Smokey. Their husbands built foundations for the signs.

I was chairman of the dedication ceremony which was intended to be small and simple. But one day, I received a telegram saying the President was sending a White House representative; the President and Secretary of the National Advertising Council would be there, along with the Washington head of the Forest Service Smokey program! That was only the beginning of the list of dignitaries that would be present.

Our little town had never prepared for such a wealth of notables, but Capitan went into full swing to produce elaborate exhibits, a dinner, music, and a dance, drawing one of the largest crowds Capitan had ever seen. The celebration was a huge success.

Three years later, I was again asked to organize a Smokey Bear Club and make plans to build a museum. I drew the plans and dimensions. We didn't have a red cent to start such a project, and no hope of state or federal funds. So the people of Capitan gave spaghetti suppers, bake sales, square dances, sold raffle tickets,

and dug deep in their own pockets. When they couldn't give money, they donated labor. Children gave their candy allowances. Never was there a more concerted effort. Our neighbors, Roswell, Carrizozo, Ruidoso, were all besieged for help and it was gladly given. Smokey was everybody's friend.

Slowly, we accumulated enough to start the building.

Hollis Cummins donated the land. Ed was Capitan ranger by then. He marked the logs and the sawmill crews cut and hauled them down off East Mountain. Roofing shakes were given; chandeliers; labor for electric wiring.

Heads were bowed as Rev. Ken Cole of First Christian Church in Ruidoso prayed over the grave of Smokey Bear, the nation's best-known animal. This act closed the memorial ceremony for Smokey Bear.

Governor Bolack won the rug that had been woven by an old man deep in Mexico who had never heard of Smokey but used a poster as a model. The Governor gave the rug back to the museum.

Charlie Pepper, a retired Forest Service construction man, built the museum, never accepting any wages. Mr. Rench and Ray Province poured the concrete floor and started the construction of the stone fireplace. Mr. Rench died before it was completed. His wife, Margaret, hauled the rock from Corona and Bricklayers' Union of Roswell finished the fireplace for their late friend.

It would be impossible to list the names of all those who gave so much of their time and efforts to build Smokey's museum. All the members of the Women's Club, Lions, Chamber of Commerce, merchants, churches, the school, and big-hearted ordinary citizens.

Long before it was finished, a dedication ceremony was held, and once again the national and state dignitaries came. Rudy Wendelin, the national Smokey artist, presented an artist's chalk-talk; the Boy Scouts, a pageant I had written. 300,000 copies of the pageant were printed by the Forest Service and distributed to US schools. Capitan and Lincoln County became nationally known places.

In 1958, President Eisenhower presented Capitan with the first golden Smokey Oscar as the first community in the United States to be recognized for conservation achievements. The day of the presentation was the hundredth anniversary of the birth of Theodore Roosevelt, and the previous year the Nation had the fewest fires in

record and most trees planted. Judy Bell accepted the Oscar in Washington, and Ray Bell flew to Capitan, buzzing the ranger station for Ed to pick him up at our crude landing strip.

Smokey receives millions of visitors each year at the Washington Zoo, has his own zip code, and is fully protected by an act of Congress requiring commercial permits for distribution of Smokey products. Capitan was granted a special permit for the use of his name on local structures and organizations. The museum is open all year to thousands of visitors.

In 1974, state and federal funds were allotted to construct a State Park in Capitan adjacent to the museum. Representative Harold Rumpels was instrumental in securing the financial help and the permission to have Smokey's body returned to Capitan.

State Representative Bill Schreengost proposed the bill to make the bear our New Mexico State animal. The Lincoln Forest sent another bear to Washington to take Smokey's place at the Zoo when he was retired last year. The new Smokey will be the continuing symbol to lead the Nation in fire prevention. Capitan and all Lincoln County will remain the center for action in forest conservation.

I wrote reams of stories about Smokey, a weekly radio program for a Roswell station, and worked as clerk in the Capitan Ranger Station Office. For several years after the name change of the District, it became common to hear a woman answer the Forest Service radio with, "This is Smokey Bear."

My deep thanks to our old Smokey. Long live the new Smokey!

This was the 1972 Junior Varsity

The seed was planted in 1972 when the Grizzlies won the state title playing against Melrose. This was the picture of the Junior Varsity team that ran in the News special edition that November. The team, front row from the left, Danny Sandoval, Willie Vega, Ray Hernandez, Richard Portillo, Raymond Beltran, Ricky Vega, Stanley Steingreis, Gary Lindsay; Second Row, Ricky Edwards, Jimmy Samora, Phil Straley, Tommy Samora, Gabriel Herrera, Billy Bob Shafer, Eugene Vallejos, Fernando Padilla, Third row, Rex Wilson, Mark Johnson, Robert Ventura, Danny Delgado, Nat Palomarez, Robert Archuleta, Lee Vega, Michael Herrera and Arthur Archuleta.
