## Zozo Airport leased to private company

The Town of Carrizozo has entered into a lease agreement with the Yellow Bird Corporation for use of the airport, bids will be taken soon for a new fire truck and J.O. Payne has been reappointed to the Capitan-Carrizozo Natural Gas Association, by the town council in their regular meeting last Monday night.

According to Mayor Bobby Dan Crenshaw, layers for Carrizozo and the aviation corporation have signed an agreement and as soon as the necessary improvement work is completed at the Carrizozo Airport, they will begin their operations.

According to Mayor Crenshaw, about all the work that is left for the town to do is to locate and install another underground fuel tank at the airport. He said at the council meeting that the Yellow Bird Corporation can be expected to begin their operations at the Carrizozo Airport within the next two weeks.

The terms call for Yellowbird to lease the facility for the first three years at no cost, and after three years of operation, they would give the city three percent of the gross fuel and tie down receipts and furnish an air charter service.

The corporation intends to base one airplane here in the beginning and once they get their business in order, they hope to have two hangers and "plenty" of the down space.

The council also okayed a measure calling for specifications for a new fire truck to be drawn up and for bids to be taken. It will take close to 11 months for the truck to be delivered once the bid is awarded, and the town does have the money in the fire fund.

In other business, the council also appointed J.O. Payne to another term with the Capitan-Carrizozo Natural Gas Association. After a brief discussion, it was determined that Payne was doing a good job with the association, and since no other individuals were under consideration, the council re-appointed Payne.

The council members decided that the Jane Turner Memorial swimming pool in Carrizozo will be closed after August 14.

**Late flash**

After spending most of the day Tuesday working on the Jane Turner Memorial Swimming Pool in Carrizozo, town officials decided to close the facility for the summer. Brown Edwards, an environmentalist from Ruidoso, told town officials that with the pump out and the chlorinator not working properly, it would be impossible to re-open.

Plans had originally called for the facility to remain open through Sunday.

Equipment failures have hindered the full operation of the pool this summer, but the council members, along with Mike Swickard, pool manager, have determined that it can be kept open through Sunday.

Mayor Crenshaw also noted that once the pool closes for the year, it will not be forgotten. At this time, a pool committee is forming for the purpose of writing a grant to acquire money to completely over-haul the facility. The equipment is old and the pool itself is in dire need of major maintenance.

At this time, Mayor Crenshaw and others are looking into the possibility of having a partially solar heated pool.

The council members also adopted a measure encouraging Dr. Ernest A. Steinhoff and the New Mexico Research Institute to continue their efforts to stabilize the salinity of the drinking water in the Carrizozo area.

At this time, plans are being drawn up calling for a desalting plant to be constructed in this area. The resolution

passed by the trustees did not specifically allocate any money to this cause at this time.

The resolution passed by the council members is as follows:

"Resolved that the Carrizozo Board of Trustees go on record as stating their appreciation for the work done by Dr. Ernest A. Steinhoff and the New Mexico Research Institute for the work done on water study in the Tularosa Basin and in particular, the work performed on the Salinity Control Project in Carrizozo.

"Be it further resolved that the Carrizozo Board of Trustees go on record as endorsing and supporting further salinity control & the proposed demonstration project including a desalting plant in our or near Carrizozo, New Mexico."

In addition, further study is going to continue by council members regarding a proposed increase in liquor licenses in Carrizozo. The measure has met with opposition from Willie Silva and Manny Hernandez, both council members who claim that Carrizozo is already on a par with the rest of the communities of comparable size in the state.

Finally, the council was introduced to Bobby Raper, the new patrolman for the town. Raper has been on the job a little over a week now.

The council will meet again on September 12 at 7 p.m.

ONE OF THE LARGEST CROWDS anyone could remember turned out at

the Old Lincoln Days celebration last weekend. Above, a few individuals inspect the many fine items that were on display at the Arts and Craft Fair.

## Capitan High School has new principal

When Capitan High School re-opens its doors in a couple of weeks, students will find a number of new faces. One will be T.L. Brooks who is the new high school principal.

Brooks and his family came to Capitan from Chelsea, Oklahoma where he spent the last two years as principal of Chelsea High School.

He has a strong background in the education field as he previously served one year as principal of Floyd High School in New Mexico and spent five years at Shoshoni High School in Shoshoni, Wyoming.

While at Shoshoni, Brooks was a teacher, promoted to principal and eventually was the school superintendent. He is a graduate of Louisiana Tech and graduated from Quitman High School in Quitman, Louisiana.

Brook's wife, Patricia, will also be teaching in the intermediate grades at Capitan and they have two daughters, Toni, 10, and Tina, 7.

Brooks enjoys hunting and fishing in his off time, and also camping with his family.

"At this time we are looking at ways to add a few classes to the curriculum," he said in a recent interview, "but he doesn't see any major changes at this time.

"What must be taught pretty well pins us down," he said, "although we certainly hope to improve the curriculum wherever we can."

L.T. BROOKS is the new principal at Capitan High School. He succeeds Billy Hensen who was the former principal and varsity football coach.

## News Briefs

Leroy Montes, town marshal for Capitan, would like to remind everyone that the 15-mile-per-hour speed limit adjacent to the Capitan Schools will be strictly enforced beginning August 23, the first day of school. He said that the area where children cross the highway on their way to school will be patrolled and monitored by radar and citations will be issued when necessary.

The Lincoln County Development Association will meet Friday, August 12 at 7:30 p.m. at Chief Bernardos located one and a half miles west of Lincoln. Business will include, county booth at the State Fair and committee reports.

The People's Market Place will be conducted in Carrizozo at Spider Park on Aug. 21. Artists and craftsmen from all over the area are encouraged to bring their displays. For space reservations, call the Chamber office at 648-2555.

Capitan school officials suggest that lunch tickets for the coming school year be purchased before the first day of school. In this way, a massive rush for the tickets can be avoided during the first day of school. Lunch tickets are available at the school at this time.

## RC&D meets in Alamo

At the recent South Central Mountain RC&D Area meeting held in Alamo, the steering committee accepted new projects which will help people in isolated areas with phone service, and help counties develop a statewide fire protection plan. State Planning Office Field Representative, Audi Miranda proposed that the SCMR&D look into statewide planning for telephone service to areas around the state which have no telephone service for various reasons. The fire protection plan would benefit the entire state. Extensive work has been done by

Cont. on Page 6

## After Johnston is booted — Renfro is Mayor at Capitan

Norman Renfro has been selected as the new Mayor of Capitan by the village trustees at their regular meeting last Monday evening.

Renfro, who is a former member of the board of trustees, replaces Jay Johnston who was ordered to resign his

commission by Judge Jim Wheeler, magistrate in Ruidoso, last week.

Mike Riska was then selected by council members to fill Renfro's seat on the council.

In other business, the trustees turned down two bids for a tennis court to be constructed adjacent to the Smokey Bear Park. The trustees decided to contact an architect to draw specific plans and the project will be re-bid again at a later date.

Finally, Olan Brooher was appointed as the new member of the Capitan-Carrizozo Natural Gas Association. Brooher replaces N.C. Grantham.

## Raper hired by Zozo Police Dept.

Bobby Raper, 25, is the newest full-time member of the Carrizozo Police Department. The Rapers moved here from Dimmitt, Texas.

According to the Raper, he and his family intended to live and work in Ruidoso, but found they liked Carrizozo better. "All my life I've wanted to be involved in police work," he said in a recent interview, "and now I've got the chance."

He has some background in police work as a security guard for Dina Electronics in Green River, Utah.

He said that he has had an eye on this area for many years. His aunt and uncle own a cabin near Ruidoso and they have been coming to the area for many years.

As a family man, Raper has a wife, Peggy, and three children: Monica, 3; Bobby II, 2; and Sharmon Gail, six months.

BOBBY RAPER has recently become the newest member of the Carrizozo Police Department. Raper and his family moved here from Texas.

## Class offered

Orientation to Communication Disorders, a college level course, which will be offered for credit, is being presented specifically for employees of school personnel at the Fort Stanton Hospital, but will be open to interested individuals who wish to participate in the class.

Cont. on Page 3

SHATTERING THE OLD RECORD, these two Picacho cowboys ran the "Pony Express" race in two hours, one minute and fifty-two seconds. David Cunningham (left) and Ted Clements (right) rode Arabian horses over the 41 mile course. Clements was the winner of the 1974 Pony Express race and this was the seventh year he entered. It was Cunningham's second race.

## Lunch prices raised

The Carrizozo School Board raised the price of lunches in the school cafeteria, awarded a bid for shower stalls in the girls locker room and considered expanding the athletic program at their regular meeting last Tuesday evening.

"On the recommendation of Larry Wilkinson, high school principal, the board passed a resolution calling for the price of full-pay lunches to be raised to .50¢ beginning this school term.

Wilkinson reported to the board, that the cafeteria staff is going to attempt to vary the menu much more this year in hopes of attracting more students to the facility. He said that if more students can be persuaded to eat in the lunchroom, then the staff will be able to put a larger variety into the meals they prepare.

A bid was awarded to Jesse English to install two shower stalls in the girls locker room. English's bid was the lowest of two bidders. The project will cost about \$1,795.52.

While considering and passing a proposed plan for coaching salary

increments for the coming year, the board instructed Jimmy Steindreis, school superintendent to look into the possibility of offering golf and swimming as part of the physical education program.

In other business, the board also agreed to set substitute teaching pay at \$24 per day for an individual with a college degree and \$20 a day for substitute teachers without a college degree.

In addition the following measures were adopted regarding substitute teaching in the Carrizozo District:

Any substitute who begins at 8:30 and substitutes any portion of the afternoon (1-3 p.m.) will receive pay for a full day;

8:30 to 12:15 (morning session) will count as two-thirds of a day and payment will be made accordingly.

1:00 to 3:00 will count as one-half day and payment will be made accordingly.

No substitute will receive less than one-half days pay, regardless of the number of hours worked.

# Polly's Potpourri (648-2524)

## AROUND TOWN & SURROUNDING AREAS

Recent visitors in the homes of Agnes Hein, Mrs. C.E. Degner and Frances Degner were Mr. and Mrs. Scaccia and children Michael and Andrea from Boston, Mass., Mrs. Scaccia, is the former Sandra Kaye King and granddaughter of Mrs. C.E. Degner.

Mr. and Mrs. Brack Cornett enjoyed the weekend company of Dolly and Ed Sprouse from Bloomfield. Dolly is the Cornett's daughter.

Mr. and Mrs. Alex Vigil returned from a week long visit to Clovis where they had a wonderful time with Mr. and Mrs. Buckseth and family. Mrs. Buckseth is their daughter, Carol. While there they participated in a fun-filled church picnic. They had a delightful time with their seven grandchildren during their stay.

The Jane Turner Memorial Pool originally opened in 1962, will soon be closing for the summer, to the disappointment of many Lincoln County youngsters as well as adults.

Here now, is a little bit of information concerning the group of people who are responsible for the happy splashing sounds coming from the pool:

Mike Swickard, manager, comes from Albuquerque. Sometimes things do not go 'swimmingly' because of maintenance problems or thunder clouds, but Mike who efficiently runs the pool, enjoys his job and making people happy.

Mike, a former Alamogordo High School graduate. A man of many talents. Being musically inclined, he played and sang his way through a college education with his guitar. Presently his regular job is as television director at UNM, thru a branch of channel 5. He also, part-time, writes lyrics for songs and commercials.

This creative versatile young man is no stranger to the area, as he was also pool manager in '73 and '74. His grandparents, now deceased, were Mr. and Mrs. McKim of Oscura. In the early 1900's Mr. McKim was with the railroad and Mrs. McKim was a school m'n, or teacher in White Oaks.

Teri Warnock, one of two life guards, is in her junior year at Northern Arizona University in Flagstaff, Arizona, where she is studying zoology. Teri whose parents reside in Albuquerque, is also a water safety instructor.

Mona Payne, the other life guard, will be entering her sophomore year of high school. Mona, daughter of Mr. and Mrs. Bill Payne is a very active young lady year round. Recently, she participated in competition swimming in Missouri on a team. She is in Rainbow, 4-H, school sports, and FFA. Mona has been raising a hog, which she will enter in the Lincoln County Fair, in the near future. At the beginning of summer when the tall, blonde life guard passed by as she surveyed the pool, I was anxiously clutching the chain link fence from the outside of the pool, I said to her, "That's my boy at the three foot water level, if you see him in the deep end, he's drowning, he can't swim." Mona and Teri are used to mothers like me.

Annette Chavez is cashier at the pool. After a very active four years of high school she thoroughly enjoys her work at the pool. Presently she is occupied in reading every available paper back on ghosts, reincarnation and vampires before entering her freshman year at UNM.

Part of the credit for the re-opening of the Jane Turner Memorial Pool goes to the Happy Homemakers 4-H club. Proceeds of their hog raffle went

towards pool fund. After applying lots of elbow grease, they painted where needed. The group was awarded a Chevron oil grant.

Marion Spencer and Jackie Dross conduct swimming lessons, as do Mike and Teri. Fort Stanton, students, Capitan, Corona and local residents had a fine time at the pool this year.

Thursday Mr. and Mrs. Natalio Chavez became the grandparents of Natalie Marie, new born daughter of Margaret Chavez, Natalie born at Socorro General Hospital weighed 7 pounds and 4 ounces. Monique-Teresa, is spending some time with grandparents Mr. and Mrs. Natalio Chavez. She is the daughter of Mr. and Mrs. Louie Serna from Socorro.

Visiting our area last week, were Bernard Harris and wife Katherine. Mr. and Mrs. Harris who passed thru Carrizozo, used to live here in 1908 to 1912. They said, "Things have changed somewhat." Mr. Harris' sister was born in Oscura in 1912. The Harris' live in Tucson, Arizona. They saw Mr. and Mrs. Jiggs Sidwell of Oscura while here.

Mr. and Mrs. Jake Hawkins, Nancy and Thomas, former residents of Johnson, Kansas have been visiting in Carrizozo. The Hawkins, friends and neighbors of Mr. and Mrs. Joe Ortiz left nine years ago. While here Mrs. Hawkins taught remedial reading, Mr. Hawkins was school counselor. They own the old Pino house and both presently are on the school staff at Johnson.

Dr. and Mrs. Ravi Bhasker and Jeff are at home in Socorro after relocating. Local folks were fortunate to have such a fine, dedicated physician as Dr. Bhasker for as long as we did. His office is now located at 212 Neal N.W., Socorro. Carrizozo will miss Debbie (Mrs. Bhasker) as she contributed her time and effort in various community areas. Credit goes to her for her part in the success of last year's first People's Market at Spider Park. Personally, I will miss her as she is a fine person and my children will miss their little friend, Jeff. I am thankful to her for helping me obtain my first used typewriter which she found at a Socorro flea market. I may never be as good at typing as she is, but someday I will type "The quick brown fox jumps over the lazy brown dog" without the temptation of observing my fingers. If at first you don't succeed, t-2, t-3 again.

Two of my children, Christetta and Gabriel Chavez were lucky enough to be part of a group of Lincoln County 4-Hers who attended a camp sponsored by the Rural Electric Cooperatives. Mrs. Bill Payne, County Extension Agent stayed with the 4-H'ers at Camp Inlow in the Manzano mountains near Estancia on August 4, 5, and 6. Others in the group from Lincoln County to attend were: Terry and Trent Tolbert Capitan; Ezell Clark, Ruidoso; Johnny Bob and Steven Stearns, Nogai; Todd Proctor, Lincoln; Phillip and Stephen Payne, Randy Dross, Todd Lindsay, Liza Crenshaw, and Denise Martin from Carrizozo. Angie Garcia and Mary Crenshaw helped Mary Ellen drive the group to Camp Inlow Thursday morning. Sue Sterans and Sally Tolbert went Saturday and assisted in the return trip that day.

Christetta and Gabriel brought home dirty laundry, two table lamps they made and enough memories of adventure and happiness to last a year.

Cathy Sandoval, our niece was crowned Queen of Immaculate Conception Catholic Church of Alamogordo last Saturday at the coronation dance in the Alamogordo Knights of Columbus Hall. She competed in the church event against two other girls and one boy, who aspired to become King, a first for the Alamogordo church. Cathy and her duchesses raised over \$4,000 for her parish and earned her the throne.

Cathy, the daughter of Carrizozo high school graduates Mr. and Mrs. Louie Sandoval was escorted by Edward 'Bugsy' Vega, son of Mr. and Mrs. Edward Vega Sr. The lovely reigning queen will enter her senior year of high school this fall.

Mr. Roy Shafer has guests from Littleton, Colorado, Mr. and Mrs. Young and their daughter Donna. Donna brought her friend Tricia Talbert to visit also. Mrs. Young is Mrs. Shafer's daughter.

Mr. and Mrs. Dennis Jeter and son Shawn were visitors at the home of Mr. and Mrs. Jim Steinpreis. The Jeters, who recently moved to Indianola, Oklahoma were both teachers at our school. Lynn, daughter of Mr. & Mrs. Steinpreis was here last weekend. She will begin practice teaching in Farmington, Stanley will return to New Mexico State this fall to continue his studies.

Lt. Colonel Gilbert Ortiz left last Friday for Travis AFB in California after spending three weeks visiting his brothers Tommy and Bobby and sister Gloria in Albuquerque and his parents Mr. and Mrs. S.M. Ortiz, his grandmother Mrs. S. Vidaurri and other relatives here. Lt. Col. Ortiz was sent to Albuquerque on an inspection tour of Kirtland AFB as it is now under MAC (Military Airlift Command). After a week of inspection he had a two week leave. While here he played in the Carrizozo Member Guest Golf Tournament. He and his dad, Sally won 1st place.

Gloria Ortiz, daughter of Mr. and Mrs. S.M. Ortiz has been visiting her parents and other relatives before entering her senior year of college at UNM. She plans to earn a master's degree thereafter.

Stephanie, daughter of Mr. and Mrs. Max Saucedo joined Mr. and Mrs. Nat J. Chavez and family for a picnic in Nogai Canyon on family owned private property last Sunday. An old fashioned outing was enjoyed despite the 'traditional' ants and poison ivy.

Mrs. C.D. May was hostess to the Carrizozo Bridge Club at her mountain cabin at Eagle Creek last Friday. Present were Vernell Hightower, Ancho; Jackie Spencer, Carrizozo; Gayla Porter, Marge Whittaker, Nogai; and special guest, Patty Knight from Brownfield, Texas. Patty is Mrs. Whittaker's daughter. The group enjoyed a luncheon. Mable Rentrow spent the weekend at Eagle Creek.

Mrs. Lewis Farris had Hobbs guests: Mr. and Mrs. Omar Spurlock, former Carrizozo teachers. While here the Spurlocks did some repair work on their property.

Mr. and Mrs. Clifton A. Alford had Oklahoma guests recently: Mr. and Mrs. Lee Smith. Mrs. Smith was a former grade school teacher.

Mr. and Mrs. Paul Payton were in Aztec last week, where they visited with Mr. and Mrs. Dwight Payton.

Mr. and Mrs. Bill Gallacher, Sr. from Ancho had guests this past weekend. From Safford, Arizona came Mr. John D. Gray and Mr. and Mrs. John Robinson. From Silver City came Mr. and Mrs. Max Echiff.

Morgan and Preston Korn, grandsons of Nellie Baker from Jackson, Wyoming have been spending some time with her. Mr. and Mrs. Brady Smith from Yuma, Arizona were here to visit Nellie. Mr. Smith is her brother.

A joyous occasion at the Maggie Jump home this past weekend. Her daughter, who she had not seen in 23 years from La Junta, Colorado was here to visit. She is Gladys Munsell. Gladys had with her two sons, Jack and Junior, whom Maggie had not even met.

Grandson Jack lives in Grants and is in the drilling business. Maggie also had other guests that same weekend, Mr. and Mrs. T.J. Robinson from Socorro. Mr. Robinson is her brother. The group enjoyed a meal at the Four Winds Restaurant. Everyone at the reunion had a wonderful time catching up on the news.

Prior to the Charlie Brown show last Thursday evening, the Lions Club served a delicious pancake supper at the Rec Center. Manning the kitchen were Lions Doug Siddens and Lynn Ayers, and Lions and their missus', Bob Means, Marvin Rowin, Richard Young, Victor Sisneros and Hoot Gibson. The ladies spread the sunshine and men spread the butter, as all handed out the stacks and short stacks. Lions International rank as world's largest service club organization. Club members seek to recognize and meet the needs of their community. Their interests are boys and girls activities, citizenship and patriotism, civic improvement, community betterment, education, health and welfare, safety, sight conservation and aid to the blind. Support your local Lions Club.

The College of Santa Fe's Mobile Theatre Company presented their free performance of "You're A Good Man, Charlie Brown", last Thursday evening. The 11 member, nationally recruited group's swing through Carrizozo is part of a five-week, 40 performance season. The group is in its fifth season of free performances to neighborhood and community groups and I certainly hope it puts Carrizozo on its schedule in the future again.

People of all ages, in lawn chairs and blankets, enjoyed a delightful outdoor performance. Anne Middlebrook, who played loud mouth 'Lucy' was terrific. She almost brought tears to my eyes as she chokingly carried on that her mom would not give her a birthday party. The production directed by Salome Martinez was performed on a flatbed truck, which is sometimes the company's home-on-the-road, and manages to carry a foldable 12 by 16 foot stage, lighting facilities, costume storage and sets.

Following the entertainment I saw the actors at a post performance party hosted by Chamber of Commerce members. Out of their "Peanuts" costumes the group enjoyed refreshments, dips and cookies. Mike Swickard entertained the entertainers with song and music.

Frank Baca Jr., son of Mr. and Mrs. Frank Baca escorted Duchess Margaret Ortega at the church coronation ball held in Alamogordo Knights of Columbus hall last Saturday night. Frank Jr. is a cousin of Cathy Sandoval, who won the queen title that evening.

Susan Spencer Frost, from El Paso, visited her parents, the Truman Spencers for four days on Bar W Ranch and helped her brother Sterling work cattle. She was accompanied by Jolie and Jackson Frost.

Mr. and Mrs. A.M. Scaccia and family from Boston, Mass., visited in the homes of Agnes Hein, Mrs. Degner and Frances Degner. Mrs. Scaccia is the former Sandra Kaye King and granddaughter of Mrs. Degner.

Visitors in Alamogordo at the home of Mr. and Mrs. Eugene Degner last Saturday were Mrs. Degner and Frances Degner.

Dr. and Mrs. A.N. Spencer of Carrizozo announced the engagement of their son, Christopher Bancroft, to Miss Susan Hrubetz, daughter of Mr. and Mrs. Albert Hrubetz of Dallas Texas.

Both are students at North Texas State College in Denton, Texas. They plan a church wedding on November 19th in Dallas.

## Rep. Runnels to visit this area

U.S. Rep. Harold Runnels, D-N.M., will be visiting with media representatives in Ruidoso next Tuesday morning, August 16 as part of a planned visit to several communities in the Second Congressional District during the month of August.

Runnels will be meeting with members of the media at 9:30 a.m. and will be in Alamogordo to meet with media members there at 1:30 p.m. on the same day.

"I find it most important that a Congressman maintain a constant rapport with his constituency if he intends to be effective and truly represent them in Washington," Runnels said in a press release.

The New Mexico Democrat, who has toured the second district every summer since first elected in 1970, will begin the tour on August 11 in Farmington upon his return from two days of hearings in San Francisco. Runnels, chairman of a special investigative subcommittee of the House Interior Committee, will be conducting the two day hearing in California on the distribution of the Alaskan North Slope crude oil and the possible surplus of the Alaskan crude on the west coast.

## Mail order books

A free public library service is available to New Mexico residents who are visually or physically handicapped. It is a statewide mail-order library which provides books and magazines on record, cassette tape or in Braille, plus special record and cassette players. The books include mysteries, westerns, romances, bestsellers, poetry and classics. Among the thirty-five magazine titles are Good Housekeeping, Reader's Digest, Saturday Review, and Newsweek. These materials go through the mail as free matter.

The service is for children and adults who are unable to read conventional print with normal corrective lenses, or who cannot hold a book or turn pages. Physical handicaps may be caused by arthritis, cerebral palsy, confinement in body casts, multiple sclerosis, muscular dystrophy, or stroke, among others. People temporarily disabled may still be eligible.

The Library of Congress sponsors the National Talking Book Program through 54 regional libraries which it supplies with books, magazines and machines. The regional library in New Mexico is the State Library for the Blind and Physically Handicapped, P.O. Box 1629, Santa Fe, 87503.

Potential talking book readers must complete an application and have it certified by a doctor, ophthalmologist, optometrist, registered nurse, social worker, therapist or librarian.

To obtain applications or information call the New Mexico State Library for the Blind and Physically Handicapped toll free at 1-800-432-5515, or contact your public library.

## Carrizozo and Capitan Schools

1977 - 78

Carrizozo and Capitan Municipal Schools today announced their policy for free and reduced price meals, free milk for children unable to pay the full price of meals and milk served under the National School Lunch, Breakfast, and Special Milk Programs.

Local school officials have adopted the following family size and income criteria for determining eligibility:

Family Size	Free Meals and Free Milk	Reduced-Price Meals
1	\$ 2,938	\$ 4,129
2	5,160	6,456
3	6,399	8,776
4	7,610	11,086
5	8,740	13,386
6	9,860	15,686
7	10,990	17,986
8	11,910	19,286
9	12,840	20,586
10	13,760	21,886
11	14,680	23,186
12	15,590	24,486

Note: For each additional family member, add 910 1,420

Children from families whose income is at or below the levels shown are eligible for free and reduced-price meals and free milk.

In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

If there is a change in family income due to reasons such as unemployment, or there is a change in family size, parents and guardians are urged to contact school officials. Such changes may qualify students for free or reduced price meals and free milk.

Application forms are being sent to all homes in a letter to parents. Additional copies are available in the principal's office in each school. The information provided on the application is confidential and will be used only for the purposes of determining eligibility. Applications may be submitted at any time during the year.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them it should contact the school.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, or national origin.

Under the provisions of the policy the principal will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official he may make a request either orally or in writing to J.C. Steinpreis, Sup't., Carrizozo Schools (648-2451) or R. Clifton, Sup't., Capitan Schools (354-2238) for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

Parental conferences may be called to verify information on applications prior to formal hearings.

Each school and the office of the Carrizozo and Capitan Municipal Schools has a copy of the complete policy which may be reviewed by any interested party.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of federal funds, that school officials may, for cause, verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable state and criminal statutes.

# Capitan

By Margaret Rench

Smokey Bear Museum had 2630 visitors Friday thru Sunday this last week. There were 25 states, five foreign countries represented. There were children from the west Texas Childrens home, Poyote, Texas, Boys from the Boys Ranch in New Mexico, a HI Neighbors group from Roswell and Senior Citizens group from Albuquerque.

The Lincoln Pageant did bring lots of people to our vicinity this last weekend. Everyone seemed to enjoy that.

The Lincoln County Senior Citizens "Center Capers", is coming again with lots of good programs. You have to study it to realize. Ages 18 and over. They have membership information. Ages 18-29. Ages 30-49. Ages 50 and over.

The Village of Ruidoso sponsors the program. Take an interest perhaps you would enjoy it.

The REA Annual business and barbeque was held at the Cloudford High School last Saturday. It was all of great interest. There was not a fiddlers contest as no fiddlers showed up. Therefore it was over by 2:30 p.m. Jerry Brown the manager became violently ill Friday 9:30 p.m. and was taken to the Alamogordo Hospital where he was in intensive care. That was reported to us. We did miss him. I do wish him a good recovery.

Mrs. Maude Kingston and Mrs. Rench did attend the above meeting and enjoyed the drive thru those beautiful mountains. After the meeting we drove to Mayhill to the Burkett Floral. Now, that was a treat. Though we did learn some sad news. That will close permanently Labor Day. It was sold and the new owners do not want those green houses they only want the land. That is another land mark gone. We will miss that. Mr. and Mrs. Burkett, Sr. and their son and family have moved to Lordsburg where they are specializing in carnations and roses. After Labor Day all will be moved there.

We do wish them happiness and success there and we do know they will have it. We will miss them so much. They do have such beautiful plants and its so sad to have them go. If you are interested to go there you do not have long. Enjoy them while you can.

Mrs. Hilda Young just returned from a visit with her nieces, Mrs. Robert Volker of Albuquerque and Mrs. Beverly Smouse of Casper, Wyoming. Also there mother Mrs. Janie Key in Oklahoma City, Oklahoma. She traveled via way of Denver, and Cheyenne. She toured some of the area around Casper, such as Fort Casper which housed many items of historical value and several types of vehicles used in the early days. She went to the top of Mount Casper where many nice camping areas were located on different parts of the mountain. The mountain also has a ski area.

Capitan did have a terrific electric storm Saturday night. Not long after the fire alarm sounded and there was a trailer home at the trailer court burning. It was a total loss. The breaker was thrown which makes them believe it was caused by the lightning. The owner was in Lincoln at the time.

The Hobbs family reunion was held Saturday and Sunday at the Valley of Fires State Park. It was well attended by 109 present. The youngest was four months old and the oldest 88 years. The furthest away were from Salt Lake City, Utah. They regretted that Mrs. Dona Hobbs and Mrs. Callie Hobbs were unable to attend due to illness. Also Donald Hobbs who fell Saturday and broke his hip. They hope all will be able to attend next year.

Mr. and Mrs. Mario Yobbi and eight week old son Lee Bryson of Roswell visited her parents Mr. and Mrs. Hank Lacy last Wednesday night.

Henry Griego, Jr., is on furlough from the Army for three weeks and is at home with his parents Mr. and Mrs. Henry Griego at Ft. Stanton.

James Bailey entered the Ruidoso Hospital last Friday very ill with pneumonia.

A rattlesnake was found resting very quietly on the front step of the Earl Spohn home last week. It was driven off the step and killed.

Hazel Wilkinson and her daughter Betty Butler of Los Gatos, California flew to McAllen, Texas where they picked up a Honda car then drove via Capitan to visit Mrs. Winifred Cozzens a day and night while enroute home.

He's the WICKIEST Sea Lion who ever swam!

He likes pelicans, little booster boats and DYNAMITE!

Salty is a Super Splash for your Whole Family!

Sunday Only  
2:00 P.M. - 7:30 P.M.

**Lyric Theatre**

Mrs. Cozzens home has a new coat of white paint on the outside trim light brown. The Tony Chavez recently received a new coat of white paint with turquoise trim. The picket fence is the same color as the trim. The Bennett house on west fifth street is receiving a new coat of buff paint. All looks so fresh and clean.

Mrs. Richard (Mary) Flores entered the Ruidoso Hospital last Wednesday with a heart attack. She passed away Monday morning at 5 a.m. Her daughter, her niece & lady friend arrived just as she became ill and they took turns staying with her. My sympathy reaches out to Richard and her family.

Mr. and Mrs. Holbrook of Tennessee was visiting their son Rev. and Mrs. Holbrook. They were attending the Baptist Church Sunday and Mrs. Holbrook died. Mrs. Holbrook left via plane to meet the body. Rev. and Mrs. Holbrook drove the parents car back to Tennessee.

Bryan Wright of Santa Fe spent last week with his nephew Mr. and Mrs. Howard Wright.

Trankie Silya returned home last Wednesday from the Alamogordo Hospital. He is doing okay but slowly. Easy does it Trankie. I do wish you a good complete recovery.

Doris Founds made a business trip to Santa Rosa to visit her sister and family last Saturday and returned Sunday evening.

Mr. and Mrs. Bill Merrell of Las Cruces spent last weekend with his mother Mrs. Eltha Merrell.

Wallie Ferguson of Carrizozo came by and took his mother Louise Ferguson to Roswell last Friday.

Mr. Frank English, Sr. is enjoying this summer at his home on the Bonita. Has and is having lots of company. He loves to sit in his swing and enjoy that beauty and fresh air. He will reach his 91st birthday August 24. Do send him cards and give him cheer.

## Cont. from Page 1

The class will begin Sept. 1 and will be conducted each Thursday evening from 7 p.m. to 9 p.m. for 13 weeks. The last day of class will be Dec. 1 and there will be no class held during the Thanksgiving holiday.

This is a two semester hour credit course and can be applied to undergraduate or graduate requirements. The cost is \$41.60 plus a \$5.00 matriculation fee which will be added for those who have never attended Eastern New Mexico University. Dr. Turbey, Ph.D., will be the instructor.

For further information about the class and registration, contact Loraine Sanchez at 354-2211.

# Many win at NMSU Show

Nine champions and 24 first place winners were named in the 39th Annual New Mexico Wool Show held July 27-29 at New Mexico State University. The Show was held in conjunction with the Sheep and Wool School and the New Mexico Wool Growers Convention.

Ernest Perez and Sons, Encino, won the sweepstakes and grand champion awards in competition among 198 fleeces entered in this year's show. They also took first place in the 70's ewe lamb division.

Tony Treat, Roswell, was named reserve sweepstakes winner and fine division champion. Treat also won first place in the Debouillet ewe and ram, 70's ram and 64's ewe lamb divisions.

The show's reserve grand champion was John V. White, Carlsbad. Three-eighths blood division was won by the F.V. Cauhape Ranch, Hope. Cooper Brothers, Tinnie, won the champion award in the one-half blood division.

In the junior division, Billy Roach, Caprock, was named champion, and Tom Lynn Treat, Roswell, was the reserve champion. First place winners in the junior division included Dale McDaniel, Claunch, fine ewe; David Corn, Roswell, one-half ewe; Bernard Treat, Roswell, three-fourths ewe; Jim Cooper, Tinnie, ewe lamb; and Mattie Watts, Pinon, ram.

The Diamond A Cattle Co., Roswell, won first place in the 70's ewe, 64's ewe, and one-half blood ewe. The 80's ewe and the 64's ram division were won by the Goodrum Brothers, Picacho. Larry and Victor Perez, Encino, won first place in the Rambouillet ewe and ram divisions.

The Cooper Brothers, Tinnie, was first in the ram lamb and one-half blood ewe lamb divisions. Tom Filbin, Roswell, was first in the three-eighths blood ewe and ram divisions. Walter and Mary Sue Overton, Yesso, came in first in the fine ewe division.

The one-half blood ewe competition was won by James Goodrum, Roswell. S.P. Johnson, Jr., Roswell, took the top award in the one-half blood ram division.

The judges for this year's contest were Robert Henard, Lea County Extension agent, David Kincaid, a Carlsbad rancher, and Dick Boutin, a wool buyer from Kerville, Texas.

Don't be surprised to see some pretty fancy hand made lamps around Lincoln County this week. The lamps were made by fourteen 4-H Club members who attended a three day camp sponsored by the New Mexico Rural Electric Cooperatives, Inc. This is the second year 4-H'ers from Lincoln County have had the opportunity to attend Electric Camp.

The boys and girls joined four other counties; Torrance, DeBaca, Mora and Guadalupe for the camp. The lovely lamps were made in a class taught by Jim Gilstrap, DeBaca County Extension Agent.

The lamps feature a wooden base & stem and are suitable for a study lamp. Mr. Jimmy Zinn and Mr. Herman Kelt of the Rural Electric Cooperatives taught electrical safety and energy use.

The campers also learned how to do electrical splicing. The camp is held at Camp Inlow in the Moznano Mountains and is located near Fourth of July Springs.

The campers had a lot of free time for getting to know 4-Hers from other counties and had recreation several times a day. They took part in baseball and volleyball games, ping-pong and many other games. I directed all of the recreational activities for the camp.

The 4-Hers plan to show their completed lamps at the County Fair on August 25, 26, and 27 in Capitan.

Electric Camp is just one activity 4-Hers take part in during the year. Anyone interested in 4-H Club work for their children please contact our office.

## Obituary

Services for Aldon Dale West, 22, of Carrizozo were conducted last Tuesday morning at the First Baptist Church in Carrizozo.

Rev. William Miller officiated and interment will be held today (Thursday) at 2:30 in Liberty Hill, Texas. West died last Friday evening.

He is survived by his father, Marlon Aldon West of Carrizozo and his mother, Ruth West of Eureka, California. He is also survived by three sisters, Linda Jo Gillistic, Jackie Lee Throssell and Berchelle Denise West, all of Eureka.

Pall bearers were included: Wilford Holmgren, Gary Lovelace, Jr., Chris Vallejos, Edward Vega, Jr., Steven Vega, Mike English and Bobby Ventura.

Clarke's Chapel of Roses of Carrizozo and Ruidoso were in charge of the arrangements.

**NOTICE**

DR. DAVID ROULEAU will be at the Carrizozo Health Clinic on Wednesday, Thursday and Friday from 1 p.m. to 6 p.m. This is a temporary arrangement until another doctor can be located to work at the clinic on a full time basis.

# Fort Stanton

by Dolly Lawson

The Recreation staff with help from several others prepared a float for the parade in Lincoln. This float depicted areas of instruction at the Fort. Jane Erwin drove the truck while Bonnie McEuen rode with the children. Several other employees helped with the float decoration. Tony Cherry and his adobe making class donated the bricks. The farm crew cut the corn, either the students or Joe Williams, Steve Chapman, Jimmy McTigue, or Eddie Chavez. The goat was donated to the farm several weeks ago. It has turned into quite the pet. When Bonnie took it back to the farm it didn't want to leave the truck.

We have just completed the monthly calendar for August. Eddy cottage has 18 planned special functions; from making ice cream, to Navajo fry bread to Navajo tacos; to Weiner roast, to an all day picnic at Oak Grove, to horse back riding at Al Sanchez's home. Our new fall schedule will go into effect very soon and all cottages and groups are planning fun activities for the last few weeks. Socorro cottage will be making ice cream, Navajo tacos, weiner roasts, and picnics. Laura Hopkins will be sponsoring many of the events, especially the home made ice cream. Paul With and Mrs. Jobe planned almost as many events for Sierra I and II. The teachers will attend the all day outings however the majority of the special activities will occur after the academic day has been completed. After many months of waiting the first transitional home is ready to open. Eight girls have been selected to move into the unit as soon as they have completed their orientation. A live-in house parent is being sought at this time. Cecelia Apodaca is in charge of the transitional units.

We still have three employees out on extended sick leave. We hope that Mrs. Birch and Charlene Whitney will be back on duty by the first of September. Robert Trujillo will not be returning any time soon. Steve Moro and Rudy Garcia have resigned to accept jobs in Roswell. They were never able to find housing in this area and the drive was just too long for them. The Recreation Staff and a few of the academic people are planning a "staff surprise" for later in the month. No one knows what to expect except fun. I think a pie eating contest may enter the scene as well as several other athletic events. One person has suggested a tug of war between departments. The surprise will be between 1:00 and 3:00 p.m. on a Friday. If there is a pie eating contest I wonder who will taste some of the pies that will be entered? At the last cook off we had some pretty terrible pies made for the men who would not enter the contest. This time perhaps the ladies will make pies for the men to eat. If I find out more details from the smiling faces who are planning the social event I'll pass the word.

We had a break in last week and I have been asked to help. One of the new employees brought his horses to the Fort late one night. He left his trailer for several days before he could return for it. In the mean time his two saddles, bridles, and other tack items were removed. He would appreciate having the articles returned. All items are easily identified and the authorities have been notified. The new employee is interested only in having his tack returned.

We still need books and magazines. If anyone has items they would like to donate to our library please contact us and we will pick up the items. Our students do love items to look at and to have as their own. We simply do not have enough magazines

for all of the students to take them to their rooms. We will take any type of farm, children's, see, picture, travel, sports and special interest magazines. The staff will screen donated items and repair if needed.

Wayland Holbrook will be away for two weeks. His father passed away Sunday night. Wayland and his wife will accompany the remains back to Tennessee. People wishing to donate may contact Al Sanchez or Barbara Noonan.

Last week I wrote about Adam, a child typical of an institution. Many people have identified with Adam. This child is only one of many who can be found in a mental institution. For weeks I have written about causes of mental retardation and programs. I feel that case studies of children who have the various problems will mean more than terms. Little Adam is typical of children who are labeled retarded and function as a retardate. His family situation was not stable. The father was a brilliant man who could not work steadily at any job. The entire family had difficulties adjusting to acceptable social standards. After Adam was admitted on respite care home visits were conducted to learn more about home situation. Adam was a mass of scar tissue from suggested child abuse. The other children were well cared for but all were overly active and constantly bickering. Both parents were social drinkers who were spending more and more time drinking. The children were often left alone to care for themselves. The mother was very concerned about the family situation and felt that Adam was the major cause for the disrupted life style. The father was more concerned that Adam was hopelessly retarded.

After numerous home visits Adam was admitted to the program. Complete medical, psychological, and social histories were prepared. It was determined that (1) the child did not have a seizure problem (2) the child was not hyperactive due to brain damage (3) the child was actually a product of his environment. His medication had been prescribed by several different doctors and the amounts were near toxic levels and were contributing to the hyperactivity. The child was placed on a behavior modification program after his medication problem was controlled. Adam was found to be a great manipulator. He wanted attention and learned how to be the constant center of attention. He was not a case of child abuse. He abused himself, fought constantly with his siblings and parents. His problem began when a well meaning medical person cautioned the parents to watch for signs of mental retardation.

The well meaning parents who feared mental retardation soon found the child developing abnormally. Due to their constant moves into and out of the area they were never able to establish a routine health care plan for the child.

They visited doctors constantly. Their anxiety soon developed into a very non-stable home situation. In one way Adam helped the family. Their problem became so desperate that they had to seek professional help. More time was spent helping the other family members adjust to each other during the first year than in how to help Adam in the home situation. It was finally agreed that Adam would have only brief visits until the home situation was resolved.

During the week the child was well behaved, toilet trained, and not a behavior problem. The minute the parents walked in his behavior changed. At first it seemed that the teachers and other staff members were talking about two different people. The parents were asked to watch him from behind a two way mirror. They would not believe that he was such a sweet little boy. He would sit in a chair, play with toys, interact with the group. He was wearing his clothing and did not have an accident. To make a very long story short, Adam stayed in a special program for three years and then entered a special program in a local school.

The damage had been done but at least the child was able to leave an institution and enter society again. The family was another problem which was helped but will need continued help to adjust. The case file on Adam is not closed. He is learning but no one knows what will eventually happen to him. His brothers and sisters have started to accept him and in the future he will move back into the home if it stabilizes. The foster home placement was the only solution at the time. Adam now functions as an LD child; He has learning problems & functions several grades below his age. The label he has lost some of the stigma and Adam is

making progress. The story about Adam can be duplicated countless times. In the past children are often labeled and placed in an institution. Often the home situation was such that the child developed behaviors for self survival. Today we have more services in the community for early identification, home care programs, and special education classes. However, no one has control over a family and their life style. Authorities will intercede when child abuse is reported but there is little help for children whose parents do not realize that help is needed. We have laws mandating care for the mr and emotionally disturbed but the parents still must seek help. Working with children with similar stories to Adam is heart breaking because of the needless suffering -- for parents, sibling, and child.

## Mrs. Reil has birthday party

Mrs. Minnie Reil celebrated her 87th birthday on July 30 with a turkey dinner at the home of Mr. and Mrs. William Gallacher, Jr. Those helping Mrs. Reil celebrate her birthday included the following: Mr. and Mrs. William Gallacher, Sr., Mrs. Mabel Rentrow; Mrs. Mae Shafer; Eilyn Cady; Pat Moore and Kim along with Lynn, Gary, and Debbie Gallacher.

the N.M. Dept. of Forestry and the U.S. Forest Service, but much still needs to be done, town by town, and area by area.

Guest speaker, Leila Andrews, director of the State Planning Office, spoke about the re-organization in state government. The State Planning Office will be under the Dept. of Finance and Administration and will have two bureaus: planning and co-ordination. This should provide greater opportunity and freedom to help the staff visit with local people. The reorganization is one of the best things to happen to state government because it will have better communication with state and local agencies.

Harve Abercrombie gave progress on various projects within the SCMR&D. Others in the group reported on progress also. Bob Bell said that the Pinon Pipeline was scheduled to start construction at the end of the week. Mary Rich and Dr. Steinhoff gave an informative talk on the desalination plant proposal. The Lincoln Acequia Irrigation measure should be started in October.

Last published September 1, 1977.

Grant received

U.S. Sen. Pete Domenici's office reported late last week from Washington, D.C. that the Capitán Municipal School park will receive \$13,032 from the New Mexico State Planning Office. The money will be used to develop a school park that will include landscaping, a lighted tennis court, a little league field, an obstacle course and an acknowledgement sign. Work will begin on the facility as soon as possible.

Scoping the Past . . . .

10 YEARS AGO Capt. Francis G. Ortiz, son of Mr. and Mrs. S.M. Ortiz of Carrizozo has been awarded U.S. Air Force silver pilot wings upon graduation at Vance AFB, Oklahoma. Following specialized aircrew training in the B-52 Stratofortress, he will be assigned to the Strategic Air Command, the nation's combat ready intercontinental missile and bomber force.

The second Saturday in August is the annual clean up day at the cemetery. People are requested to bring their own tools and also a basket lunch as it will be an all day affair. This is the date for this year - Saturday August 12th - everyone is asked to come for the day.

After losing the entire 1966 backfield and backfield subs to graduation this year, Derrel Pearcey, Grizzly head coach, expects to have a rebuilding year with a small fast team. This will be Pearcey's first year as head coach, succeeding Bernie Laabs. He will be assisted by Joe Bernethy, assistant coach, and Don Harris, junior high coach.

20 YEARS AGO Commissioners, protesting the proposed curtailment of the welfare office in Carrizozo, heard Mrs. Catherine E. Lenihan, supervisor of personnel services. She said that the contemplated curtailment of the welfare office in Carrizozo to go into effect September 1-15 due to a shortage of operating funds in the department. Five other counties are included in the cutback.

The Carrizozo Grizzlies open their 1957 season with Tularosa in a night game there September 6. Coach Albert Burch will have 11 returning lettermen as a nucleus to build his team around. They are J. Nowell and Jack Hefker, guards; P. Aguilar and L. Greer, ends; R. Firman and B. Stearns, tackles; L. Sandovall, center; L. Nowell, R. Simpson, L. Gallegos and S. Shrum, backs.

At a special meeting of the Carrizozo town board in July the trustees were presented a resolution from the Chamber of Commerce asking for a permanent program of street improvement for Carrizozo.

State and Federal health officials were to be in Carrizozo Wednesday to inspect the sewage treatment plant and outfall line of the town's new sewage system. The disposal plant is approximately 60 percent completed.

30 YEARS AGO Ice Cream social, given by Mrs. C. Hodgins' group of the Methodist W.S.C.S. and held Saturday, August 9th in the City Park was reported very successful. Delicious ice cream sherbert and a variety of home made cakes were served from 4:00 to 7:00 p.m. The ladies of the W.S.C.S. are divided into two groups headed by Mrs. C. Hodgins and Mrs. Earl Thornton, they are organized to raise money for the purchase of a new water heater and linoleum for the parsonage.

Fenner Jones, Willis Lovelace, Knowlin Lovelace and Veltus Ladd returned Saturday from Stillwater, Oklahoma where they attended the National Convention of the Flying Farmers of America. Mr. Willis Lovelace is New Mexico State President of the Flying Farmers of America.

Girl Scouts and leaders returned last Thursday from a four day camping trip held on the Bonito at the Harkey cabin were: Adult leaders Mesdames, J.G. Moore, Vernon Petty, Joe G. West, Jr., and Bobby Shafer. Girl scouts attending were: Joan Elkins, Marion Lincoln, Caroline Cathy, Dorothy Withers, Marlan Jones, Wanda Garrison, Verma Ruth Petty, Betty and Dorothy Moore, Roberta Key, Maxine Reynolds, Emily Johnson, Jan Hurley and Ann Gallacher.

40 YEARS AGO Last Friday, just as the dance started, the fire whistle blew sending everyone scurrying to see where the fire was. It proved to be at the Carrizozo Hardware building. Carrizozo's fire department was on the spot immediately and extinguished the blaze in a very few seconds. Fire chief Beck and his company deserve much praise for their efficiency.

Misses Agnes and Henrietta Degner are visiting the Conley family in Roswell this week.

Mr. and Mrs. Tom Templeton of Fort Stanton and Senator Perry Sears of Capitán are Delegates to the American Legion Convention, to be held at Las Vegas, August 12, 13, and 14.

Mr. Alcario Baros and Miss Viviana Sedillo were married last Saturday. The bride and groom were reared here and have many friends who extend congratulations and good wishes. Judge M.C. St. John performed the ceremony.

50 YEARS AGO Dr. P.M. Shaver, Health Officer, announces the quarantine, which had been imposed on the Bell and Garcia families, because of the presence of infantile paralysis, has been lifted. There is also no longer a restriction on children going on the streets, or against public gatherings. The doctor states that no new cases, in town or county, have been brought to his attention and the danger appears to have passed.

Mr. and Mrs. Arthur Kudner, Chicago, and Hal Stephens and Schuyler Kudner, Wichita, Kansas, arrived Friday night, and are staying at the Venado Gap ranch with Mr. and Mrs. James.

Ben Sanchez and F. Sanchez are preparing to open a restaurant on El Paso Avenue in the building adjoining Joe Romero's pool hall. The interior of the building is being painted and brightened up counters, tables, stools, etc., are being placed and the establishment soon will be ready for business. A first class chef will be in charge of the cuisine, and public is promised satisfactory service.

Earl A. Harkey, El Paso, & Miss Jewel Townsend, Carrizozo, were married at Socorro Wednesday, August 3, Rev. Irvin, of that city, who had officiated in a similar capacity at the weddings of various members of the Townsend families performing the ceremony.

60 YEARS AGO Many believe the war will be over within a year, while many others-and they came from the best informed-fear the war may be a long hard one. At any rate it is safe for all to save and serve with Hoover.

Gladney White returned yesterday from an extensive tour through the Eastern States. Gladney accompanied Evangelist Jeter, who conducted a series of meetings in many cities, and assisted in the song service. For a youth, Gladney is a wonderful singer and the evangelist having been in Carrizozo last fall and meeting Gladney arranged for the tour this summer.

Oscar W. Bamberger and Miss Rose Lutz were married Saturday evening at the home of the bride's parents, Mr. and Mrs. Henry Lutz, Rev. Edward J. Hoerring, of Tucumcari, performing the ceremony. Immediately following the ceremony the happy couple left for the east, on their honeymoon.

(May 1959, brought in by Jerry Beltran, Sr. in a game played against Fort Stanton the Carrizozo Colts walked away with a win. Jerry Beltran, Sr. was very proud of the way his boys played back then.)

There were too many base blows and good fielding on their part and, also, three too many Beltrons in their lineup. Tony and Juan Beltran made our boys eat out of their hands by sending 13 batsmen on our dugout via the strikeout route. Their justly proud father, Jerry Beltran, Sr. made the remark that he had another one of those Beltrons in the Service and he soon would be home. To which we replied that we'd be more than glad if he re-enlisted. Enough was more than enough, for he now had inflamed our modesty and pride.

Jelly Fish

Washington - Jelly fish are primitive animals, 95 percent water and lacking true eyes, ears, or brain. Yet they have been around for a long time, the National Geo-graphic Society says. Geologists have found jellyfish fossils more than 400 million years old.

Around the Bowl

Robie Burke

A hunk of Danger - - - Watch out for Snakes alive! They are the new pet craze!

About 30 years ago, tiny green turtles with landscapes painted on their shells were all the rage - today it's slithering, hissing snakes.

"I'd say the demand for snakes has doubled over the past few years," said Susan Coady, general manager of the Reptile Collector Inc., a Mastic, N.Y. wholesaler of snakes and reptiles. "Our snake 'business' has increased by approximately 50 percent in the past 12 months alone. Some weeks we sell 6,000 to 7,000 snakes, we simply can't get enough snakes to meet the demand. Most kids are interested in reptiles for scientific reasons now, but eventually they get hooked. Garter, corn, yellow, rat and black snakes are the big sellers."

The more exotic snakes are not as popular like the python from Africa or the Burmese boa constrictor will be 6 to 10 feet long and cost \$300 or more.

A pinch of recreation for August!

Lincoln County Senior Citizens, Ruidoso, N.M. 88345, P.O. Drawer 1340, Phone 505-257-4565. Ages 18 and over, all kinds of things are happening, if you are interested call. There is something for everyone to do. This is their motto: Don't worry about the future, The present is all thou hast; The future will soon be present, And the present will soon be past.

ROBBIE'S BOX

A pinch of house hold hints, how about some scissor holders; punch a hole in top of old glasses case. Attach cord for hanger, scissorholders are very nice for gifts.

Personalized place mats, may be made by cutting a 10x16 inch piece of felt, glue yarn or other trim in letter shapes to form a name. With pinking scissors, cut out six 2 1/2 inch gingham squares; glue on. Cut out and remove backing for a 12 x 18 inch transparent rectangle. Center felt on the adhesive surface. Place rickrack all around to overlap the felt. Place identical transparent rectangle on top. Seal edges.

DO YOU KNOW?

Who shot the gun off for the Pony Express this year? Who got a special plaque presented to him, for many years of joyful excitement?

That the grounds around the fire house look very clean? The Lincoln town festivities were led again this year by Noyal's colorful Fern Sawyer?

A BIT OF WISDOM

Say! Children after a day at the white sands tanned by the sun, and sand by the ton. We have no right to ask when sorrow comes, "Why did this happen to me" unless we ask the same question for every joy that comes our way.

A man and his young son went camping. After one night in the woods, the father asked his son how he was enjoying outdoor life. "O.K., Dad," "But next time lest bring Mama and the catsup."

Around the Bowl

It is always nice to have the Warren's at home, hope they had a nice

Beauty sought

Keep New Mexico Beautiful, Inc., is searching for individuals, businesses, or organizations who have been outstanding in efforts to beautify or improve areas within the state. These persons may be eligible for an award given by Keep New Mexico Beautiful, Inc. at its annual dinner in October.

If you know of a person or group who is deserving of this award, would you tell us about them and what they have done? Please send this information to Joanne Sprenger, President of Keep New Mexico Beautiful, Inc. 2805 Eighth Street., Las Vegas, New Mexico 87701, or call 454-0551. You may also write to Evangeline M. Glass, 1829 California NE, Albuquerque, New Mexico 87110.

THE ENTIRE CAST takes it easy after their performance of You're a Good Man Charlie Brown. The play was sponsored by the Chamber of Commerce.

trip. Bill Payton's new Datsun has been around a lot lately; Bill had a little sick spell but seems to be fine now.

Some very interesting conversations go on at unexpected times in Ma Stearns little store, one day last week Urban Crouse, a philosopher at heart, Mr. Fisher our resident writer and Mrs. Guck were engrossed in some exciting subjects. With these minds working - Well? most anything may come up.

We wonder sometimes if the Lincoln County War isn't still going on, what with cows and calves and horses being shot in broad day light. This last week Sam Cox's daughter's beautiful expensive quarter horse was shot down near the highway. The Cox family would appreciate any information, anyone may be able to give concerning this unfortunate accident - If it was an accident? If it wasn't please let them know.

INSIDE THE OUTDOORS

by Ron Porter Area Enforcement Officer

The field of Wildlife Law Enforcement is not really new to the residents of New Mexico. Before the cession of New Mexico to the United States in 1848 there were no wildlife laws in effect, but in 1851, the Legislative Assembly of the Territory of New Mexico, in its 24th session, enacted certain laws pertaining to the protection of fish and game in New Mexico.

After 1880, other conservation laws were passed, but it was not until 1903 however, that the Territorial Legislature established the first game and fish department in New Mexico. The entire staff of this new department consisted of one warden and one secretary. Funds for the newly organized department, were limited since no license fee was required until 1909 when the Territorial Legislature saw fit to pass a law requiring hunters to pay a fee for hunting protected game and requiring licenses of non-residents over the age of 12 to fish for warm-water species. Wildlife protection by enforcement of laws presented about the same financial problems in the early 1900's as it does today; the vast and sparsely settled areas of the West took days to patrol by any mode of travel available.

In 1909, the New Mexico Legislature closed the season for six years on antelope, pheasants, pigeon and bobwhite quail. Up to now, very few restrictive game laws had been enacted. As more people moved West, the populace became aware that the game herds were being exterminated by market hunters and that restrictive laws were needed to prevent a complete loss of a valuable resource.

The extermination of the near-extinction of certain species of wild animals in the early 1900's was not entirely due to habitat depletion. The failure of early lawmakers to provide adequate protection for wildlife was also a contributing factor. Some species of wildlife could not survive the slaughter by people who were unrestricted as to the firearms they could use or the numbers of birds or animals they could take.

As the human population expanded, the depletion of habitat did become a primary threat to wildlife. Today, wild game has been pushed out of the best natural ranges in some areas, and the pollution of streams and water-ways threatens successful fish management. Enforcement alone cannot provide an adequate solution to these problems but it can however, minimize the damage and provide an incentive for the solution of the problems. The most modern scientific approach to game management must be backed up by a modern enforcement program to control the take during periods of harvest and to insure protection during breeding and nesting seasons.

Why should the average citizen be concerned about the enforcement of laws for the protection of game animals, particularly if that citizen neither hunts nor fishes? Because the wildlife belongs to him, and regardless whether he personally uses or enjoys wildlife, as a co-owner it becomes his or her responsibility to protect it for this and for future generations.

The role of legislation to control reduction of publicly owned game to an individual's possession is a recognized fact and legal tradition the early colonists carried with them to America. Ultimately, most of the policies and techniques developed by all professions concerned with the management of publicly owned resources find their way into law. Law is the basis of conservation, for without it, there is complete anarchy, or at most mere moral force. And a law that is not enforced is of no use whatever. Wildlife Law Enforcement depends on public sentiment. With public sentiment nothing can fail; without it, nothing can succeed.

"We like to please our customers"

"With a smile"

"County Seat of Lincoln County"

## About Carrizozo

Nestled at the base of the majestic Sierra Blanca Mountains, Carrizozo serves as the county seat for all of Lincoln County. 1,300 active citizens currently live in Carrizozo, but the town boasts of recreational facilities that would make much larger areas envious. The nine hole golf course is well groomed and uncrowded during the tourist season, 30 units of motel rooms are readily available for your convenience, along with a clean community swimming pool, shopping facilities, service stations and a hospital clinic is open daily should the need arise. Take a little time to enjoy the area - your stay will be well worth the effort.

## About Lincoln County

Lincoln County is one of the most desirable, yet undiscovered, locations left in the Southwest. Look around you, the beautiful mountains to the east, provide camping, hiking and fishing in the summer, and wonderful skiing in the winter. To the west is the Valley of Fire State Park where thousands of years ago molting lava gushed through the valley before coming to a permanent rest. To the east is Captain, hero of Smokey the Bear Museum and State Park. Beyond is Old Lincoln Town, made famous by Billy the Kid and the Lincoln County War. The buildings have been kept intact and a well-staffed museum will let you taste the past. Set in the beautiful mountains is Rudessa, and Rudessa Downs Race Track, home of the world's fastest horse race. Activity there is buzzing with excitement almost daily through the summer. For just the vacation you've been looking for, take some time to explore Lincoln County, the historic and recreational facilities are numerous, the climate is perfect and the people are always willing to help.

### 1 Citizens State Bank

Turn left at courthouse downtown Phone 648-2377. The people at Citizens State Bank are pretty much natives of Lincoln County and will have answers for questions from visitors or travelers. All this plus full bank service that is hard to beat. There are many western pictures and artifacts to view at Citizens State and these friendly people will help make your travels in any way possible.

### 2 David's Chevron Station

On U.S.4 downtown - Phone 648-9983. "People really count along the Chevron Way" and that is especially true in Carrizozo. Louie Montano will see that your vehicle gets the best of service. Lube jobs, wash, tire repair, tires, batteries or accessories are available at Chevron. We can handle lots of large truck tire repairs and can do yours, large or small.

### 3 Johnnies Outpost Bar

Center of town on U.S.4 beyond new bank - phone 648-9994. For comfort and relaxation in pleasant surroundings while sipping your favorite beverage, the Outpost is the place. You get a full measure in your drinks at the Outpost, plus we have a full stock of liquors, wines and beers to take out. Or wheel up to our drive-in window for service. Van and Henry will see that you get the best on your stop here.

### 4 Means Motor Supply

Highway 380 West - Phone 648-2301. When you need auto or truck parts, two things can be a very big help. First, a store that has the parts, second, a person that knows the business. Bob Means has been at the business for many years, he knows about your vehicle. Means Motor Supply keeps the largest supply of parts in a large area. They also provide wrecker service. Call them or drive out U.S.380 West for your needs.

### 5 Carrizozo Malco Station

Across from courthouse downtown. Phone 648-9986. The sign out front tells you what you want to know about gasoline prices at Carrizozo Malco. The service from inside will make you feel that this stop was well worthwhile. Using good Malco gasoline can help you see more miles of interesting places in Lincoln County. It's a stop you will want to repeat on your next trip.

### 6 Monte Vista Service Station

At Intersection U.S.4 & U.S.380 - Phone 648-2211. You can get a complete run of car service at Monte Vista. Tuneups, greases or wash jobs, minor repairs, tire repair, oil change and all done by people who know the business. Texaco products are sold to guarantee quality. You can trust the people who wear the Texaco Star to give efficient and honest service whatever your needs may be.

### 7 Carrizozo Recreation Area

On U.S.380 just east of Carrizozo. Phone 648-2286. You may not find another small town in the world that has such fine recreation facilities as in Carrizozo. Henry Vega and staff keep a nine-hole golf course looking better than four lawns, and it's fun to play. Or, tennis courts are there, playground equipment for the children, a lake for fishing, Little League baseball game in the evenings. Better see it, better yet, stop and enjoy it.

### 8 4 Winds Restaurant & Lounge

At Intersection U.S.4 & U.S.380 - Phone 648-9971. The 4 Winds Restaurant & Lounge in Carrizozo has an unique combination of service that has pleased travelers and home-town people for years. You can get the finest of steaks, Mexican lunch specials, sandwiches, plus old fashioned fountain service. If you choose, fine drinks from the lounge are available. James Silva, owner, believes good food and good service makes satisfied customers. Stop at 4 Winds for pleasant dining.

### 9 Carrizozo Recreation Center

Just off to northwest from Intersection U.S.4-380. One of the main reasons Carrizozo people enjoy life so much is the wonderful climate here, plus the many facilities for fun and exercise. Bowling lanes are beautiful at the Rec Center, pool tables are there as well as skill machines. And, across the drive is the Jamie Turner Memorial swimming pool which is open to the public. You can get ideas about the good things in life from visiting Spencer Park, the Rec Center and Swimming Pool.

### 10 J.G. Moore Insurance Agency

Across from courthouse downtown - Phone 648-2911. There can be many instances when travelers need insurance help, or a new policy. Margaret and Bob Stearns at Moore Agency are here to help you in any way possible. Moore Agency is an independent insurance agent representing many companies with auto, life, health, homeowners or business policies. Let us help make your trip as pleasant as possible.

### 11 Lindsay Western Wear

In the right, around the bend on U.S.4 downtown, 648-2500. Looking for a big western straw hat, a western shirt with some flare, jeans or boots, you'll be at the right place in Lindsay Western Wear. Our stock is fresh, with new items all the time. We'll fit you out for any rodeo that goes on and there are plenty of them these summer in Lincoln County. See a gal that knows the west, Bobby LaMay at Lindsay Western Wear.

### 12 Gift Gallery & Self Service Gas

Two locations, gas pump on U.S.4 at Intersection, gift store, there and also on down U.S.4 to bend, on the right. Of course our 'self-service' gasoline price is good, we planned it that way as a help to our customers. We plan to have many gift items representing the southwest on display at all times in both stores. Roy Dow will welcome you and be glad to help you select items you want for yourself, or friends anywhere.

# Welcome to Carrizozo
