'Coach of the Year'

Volleyball Coach Bill McVeigh of the Capitan Tigercats takes a ride on his players' shoulders after capturing District Tournament in Cloud-

croft last Saturday. Coach McVeigh was also named "Coach of the Year" for the second straight year.

### White Oaks Historical To Meet

Dr. Paige W. Christiansen, Professor of History at New Mexico

#### Betty King To Be In Carrizozo

U.S. Senator Harrison Schmitt's Southeastern New Mexico District Officer Manager, Betty King, will be in Lincoln County on Wednesday, November 15, holding open office hours for the Senator.

Mrs. King will be available to meet with constituents wanting to share news and concerns with Senator Schmitt. Open office hours will be held at the Ruidoso Downs City Hall from 9:30-10:30 and at the Ruidoso Public Library from 11:00-12:00 on Wednesday morning. Mrs. King will be in Carrizozo at the Court House from 2:00-3:00 on Wednesday afternoon.

Tech will speak at the November 18 meeting of the White Oaks Historical Society, at 7:30 P.M.

His talk 'Pages from a Miners Log Book', will include numerous interesting and dramatic vignettes about mining around the world, and particularly in New Mexico - some relating to White Oaks.

He is a native New Mexican (Santa Fe) who received his B.A. degree from Michigan State University, his M.A. degree from the University of New Mexico, and his PHD from the University of California at Berkeley. He taught at Berkeley for two years, and has been teaching at New Mexico Tech for twenty.

His research interests (History of Mining Technology and History of Mining in New Mexico). His special teaching areas, (History of Mining, Southwest History, Resource and Land

Use History, and American West), the five (5) books he has published (including those on mining give testimony to his considerable understanding of the subject of his talk.

The public is invited to attend this meeting and program to be held at the REA Building, Medallion Room at Carrizozo, N.M.

### At The Polls

The Lincoln County Republicans gave the Democrats a thrashing that they won't soon forget. In every contested race, the Republican candidate won. From Domenici to Whitham the Republicans took each race. The county commission was changed from a Democratic Commission to a Republican. Because of the write in votes, the counting wasn't complete until midnight. Offices that changed were the County Commission, Probate Court, Magistrate Division II and Sheriff's office, while Barbara Lovelace won the County Clerk's office and Marian Schlarb won the Assessor's office and Jim Wheeler, won Magistrate Division III. Democrats that were unopposed were County Treasurer Mike Kimbrell, Magistrate S.M. Ortiz and Lee Straley. Apparently not enough people know that Lee had resigned and that there was a write in campaign, because Lee won anyway. The Governor will appoint the next commissioner in District 2.

Marian Schlarb and her son, Charles, seem to be giving out with a sigh of relief, after finding out that Marian had been re-elected as County Assessor in Tuesday's elections.

Ernest Sanchez and his wife smile for NEWS photographer after learning Sanchez had won the County Sheriff race in Tuesday's elections.

### State Police Officers Qualify

Eight Lincoln County New Mexico State Police Officers qualified in a practical Pistol Course (PPC) shoot recently in Alamogordo conducted by Sergeant Bobby Miller of the Otero County unit of the State Police.

Sgt. Miller explains the procedure, which involves shooting at silhouette human-shaped targets from various distances and positions. In the first portion of the course the officers fire 12 shots in 25 seconds from a distance of seven yards. They must fire six shots, reload, and fire six more times within the time limit.

The second phase of testing consists of firing 18 shots, six kneeling, six standing from the left hand and six from the right hand in a time limit of 90 seconds. From 50 yards the officers must fire 24 rounds from the sitting, prone, standing left and right handed positions within two minutes, 45 seconds.

All firing is double action except for the 50-yard line, which is optional single or double action.

State Police Officers stationed in

Lincoln County rated the following scores:

L.L. K.G. Shockey 92.6, stationed in Ruidoso; Sgt. Jack E. Johnson 83.6, Stationed in Capitan; Off. P.J. Darfen 98.3, stationed in Ruidoso; Off. Clayton H. Floyd 97.0, stationed in the Hondo Valley; Off. Melvin Dale Housley 81.6, stationed in Carrizozo; Off. Jim A. Hillsley 96.0, stationed in Corona; Off. Tim A. Sharpe 99.0, stationed in the Hondo Valley; Off. Joseph Wade Steel 85.0, stationed in Carrizozo; Off. Dwight Kent Walle 99.0, stationed in Ruidoso.

A score of 75 or above is required to qualify and a State Policeman must qualify at least four times a year.

### L.Z. Manire Passes Away

L.Z. Manire passed away in Aztec, New Mexico Tuesday, November 7, 1978. He was born February 4, 1892 in Don, Wise County, Texas.

He was retired superintendent of schools in Carrizozo and retired insurance agent.

He was preceded in death by his wife, Ila Lois Manire in 1967.

Service will be at two p.m. Thursday, November 9 in Trinity United Methodist Church with Rev. David Lynch officiating. Interment will follow in Evergreen Cemetery with Masonic graveside services.

Survivors are three daughters: Margaret Karlin of Aztec, N.M.; Mildred Miller of Lombard, Illinois; Mary Louise Manire of Albuquerque; one brother Robert A. Manire of Austin, Texas; seven grandchildren and 3 great grandchildren.

Pallbearers are Joe Ventura, Henry Vega, Bob Shafer, Bill Gallacher, Jr., Friday Sherrill and Glen Ellison.

### MY TIME

by Mike Swickard

Just one more time I will mention elections, and this time to make a point. Several things occurred to me in the last waning moment of the 1978 election. The first is that most of the candidates the next day missed some of the significance of their election of loss.

This reporter heard several losers (no offense meant) state that they just were not able to spend enough, or meet enough people, or overcome these kinds of problems. Not one said, 'I guess the voters didn't like my position on the issues.'

Not one of the losers would realize that by stepping up and saying, 'Do you want me and my ideas?' they must realize that sometimes the voters really just don't want them or their ideas. Better luck next time guys. MS

And speaking of politics still going on:

It is very distressing to see the new slogan popping up everywhere, So-and-so thinks like us. Now if you think about this you will realize these politicians can't possibly think like us. First off, not many of us would ever consider running for office simply because we couldn't afford it. These flakes run around for two years trying to get elected, speaking at every rotary club from here to trails end while we have to go to work every day. And then they talk about the working man. When was the last time you saw a politician sweat except in front of a difficult question or television lights? This is why when the question of spending a million here or there doesn't seem to impress them. It is someone else's hard earned tax money but how often do the politician really realize what it took to earn the money they spend? MS

The NEWS learned after press-time last week that our good friend Johnson Stearns suffered a slight heart attack but is doing nicely at Gearld Champion Hospital in Alamogordo. He should be home this week-end and we are glad he is all right. We hope hope he gets back at the job soon but takes it a little easier on himself.

We are saddened to learn of the passing of L.Z. Manire recently. The services are Thursday at 2:00 p.m. The greatest thing I can say is he was a school man. He literally affected thousands of kids with his educational techniques for which this area benefited. He was brought to Carrizozo in 1942 with the express instructions to get the school back in North Central Accreditation Association. A man of his caliber is hard to find these days. MS

The one election result that I cannot get over is Straley's win in spite of his resignation. The people in most of the county seemed to get the word and voted for Stirling or John Allen, but the people in Ruidoso never seemed to get the word, which is unfortunate since now Bruce King will get to appoint anyone he wants. One warning should be stated. If Mr. King ignores 503 voters and appoints someone other than Stirling Spencer as Commissioner, and it seems a little unfair to threaten the man a day after the election, I know Bruce and he seems very fair, but if he plays partisan politics and appoints anyone else but Stirling, I believe he should be tarred, feathered and sent to Texas where they play that kind of politics: Just a thought, but well worth thinking about. We in Lincoln County have indicated our choice and by golly we expect our government to follow our wishes MS

Carrizozo Art Gallery "Penny Art Contest" winners were left to right: Cassie Barnes, 4th place winner; Diana Silva 3rd place; Marina Baca

Honorable mention: Scott Shepperd 1st place; Robert Montano 2nd place and Kim Payne.

### Penny Art Contest

A new art exhibit opened Monday, November 6 through the 24 at the Carrizozo Art Gallery. Twelve 8th grade students of Mr. DeTevis' class at the Carrizozo Mid School entered the annual Penny Art Contest sponsored by the New Mexico Federation of Woman's Club, 4th district in El Paso, Texas, and were judged by professional artists in the field of art there. Ribbons awarded were

1st place: Scott Shepperd Initial designs in pastels titled 'S.S.'  
2nd place: Robert Montano Collage on wood 'The Land of Enchantment'  
3rd place Diana Silva-Ink Drawing 'Pilgrims'  
3rd place Kim Payne, Marina-Tempera painting White Stallion  
Honorable Mention and 4th Cassie Barnes-tempera painting Two Little Bears  
Other entries were

Theresa Luna-Crayon Media-'Halloween'  
Holly Noack-Initial Design-colored pencils H.N.

Dennis Ortiz 2 Pencil drawings of Indian and Wings Horse.  
Also 1 pencil colored Designs

Alex Sambrano-Pen and ink drawing 'Eagle'  
Kevin Wilmore-2 pencil drawings 'scenery' and one watercolor 'Autumn'  
Eric Vega-Colored pencil drawings 'The Deer Hunter'  
The general public is welcomed to view these exhibits. Gallery hours and day: Monday and Thursday 6-8; Saturday and Sunday 1-4 p.m. Except Nov. 11, and 12 when the gallery will be closed. Also on display are several oil painting reproductions including the works of Peter Hurd.

### Memorial Services Set For Sittons

A Memorial Service will be held for Alva and Jody Sitton, formerly of Nogal, this Friday, November 10th at 2:00 p.m. at the Nogal Presbyterian Church. Mr. Sitton passed away sometime ago; Mrs. Sitton had made her home with her daughter in Douglas, Arizona until her recent death. The Sittons were very active in the church while living in Nogal; Therefore the family expressed their wish that friends donate to the church in lieu of flowers. The church needs extensive repairs at this time. Donations may be sent to Sue Stearns, treasurer.

Refreshments will be served after the Services.

# Zozo

# SCHOOL NEWS

By Jetty Jo Paul,  
Counselor

**OPEN HOUSE:** Put November 14 on your calendar as Carrizozo Schools Open House. The program will begin at 7:00 and conclude at 8:30. All grades are involved-K-12; and all teachers will be in their rooms for visitation with parents. Student work will also be on display in the various class rooms. The program will begin in the old gym.

**VOCATIONAL ADVISORY COMMITTEE:** The first meeting of the Vocational Advisory Committee was held Monday, November 6 at 7:00 in the home economics department.

Items on the agenda for discussion were the constitution of the committee, re-organization for 1978-79. Mr. Steinepreis, superintendent of schools, conducted the meeting in the absence of last year's president. After the general session, time was allowed for the vocational teachers to meet with the committees in their specialized areas.

Mrs. James Jones, Mrs. Jackson, Mr. Robert McChesney, Mr. Wall Wilson, Mr. Bill Stephenson, Mrs. Barbara Ward, Mrs. Carolyn Cantrell, Mrs. Viola Fenter, Ms. Cindy Fenter, Mr. Earl Bragg, Mr. Victor Sineros, Mr. Wilkinson, Principal, Mrs. Wetzel, child care teacher, Mrs. Lawson, home economics teacher, Mrs. Vega, office education teacher, Mr. Jones, vocational agriculture teacher, and Mrs. Paul, counselor, were in attendance.

**OFFICE EDUCATION:** The typing room has new typewriter covers which adds a lot to the looks of the room. In typing, students have been centering problems vertically as well as horizontally. Also included in the problems are word division and learning how to erase properly. Speed and accuracy are essential in the production of the problems. In office I students are reviewing letters, tabulations, and working on speed. Spelling is included once every other week. Students in Office II are taking a money and banking unit. They will be viewing a filmstrip and transparencies and finish the unit by visiting our local banks.

**OEA:** The Office Education Association is planning to serve punch during Open House on Nov. 14. Two weeks ago they conducted their annual bake sale and that went very well. New members and officers are Lucy Lueras, reporter, Charlotte Gallegos, reporter, Christa Bell Hill, secretary, James Lueras, parliamentarian, and Sandra Morales, member.

**TEACHERS ARE AVAILABLE:** Teachers in grades 5-12 are available before school and after school and have a conference and preparation period each day at which time they are available for parent-teacher conferences. Should any parent desire to discuss the situation surrounding his or her child, all it takes is a note or a phone call to that teacher indicating a desire to meet. Elementary teachers have time before school and after school or at recess when they are available for conferences. Again, a note or a phone call to the teacher setting up an agreeable time is all it takes to schedule a conference.

**8TH GRADE FIELD TRIP:** On Nov. 2, Mr. Dave Collins, mid-school science teacher, took his 8th grade science class on a field trip to Sunspot. Sunspot, located about 20 miles south of Cloudcroft, is the home of Sacramento Peak Observatory. There are several telescopes there and the site is one of the foremost arenas of solar research in the country. Sunspot is located at an elevation of 9,250 feet above sea level in very clean crisp air, which is ideal for constant solar observation. Dr. Keil, a resident astronomer and expert on the sun, showed about 30 slides of Sunspot facilities and of the sun itself. We saw some photos he had taken of a total solar eclipse over Australia. He informed us that the Northern U.S. will experience a total eclipse Feb. 26, 1979. However, in Carrizozo we will only observe a partial eclipse and view the sun's penumbra rather than the umbra or complete shadow. After the slide show, Dr. Keil took us through all the telescopes. They turned the turret and showed us how they move and focus telescope which is a 356 foot vacuum-tube telescope, extending 136 feet above ground and plunging 220 feet below ground level. The weather which had been cloudy, broke enough for us to be able to see Alamogordo and white Sands below. After leaving Sunspot, the group had lunch along a beautiful waterfall on the Rio Penasco. On the way the we were lucky to see a flock of wild turkeys. The field trip was a good experience for the students and was enjoyable even with the added attraction of a flat tire on the way. We had it changed in a jiffy with Scott Shepperd and Brian Vigil showing talent in the tire changing department. As we pulled into Carrizozo, we were greeted by an extremely beautiful sunset—a fitting close to a good day.

**FHA HERO:** The Carrizozo FHA HERO Chapter is going to have a Thanksgiving dinner for their 'grandfriends' from the Zia Senior Citizens Center. The FHAer's will also have a bake sale on Dec. 2 outside the Piggly Wiggly and the Grocery Basket. Come and help them out!

**THANK YOU:** For those of you who were kind enough to donate clothing and other items such as shampoo, soap,

etc., for those youngsters here at school who are needy, we say a very special 'Thank You.' If you still wish to make your donation, we still need girls clothing and other items. Please bring your donation to the superintendent's office or to the counselor.

**GUIDANCE:** UNM's Senior Day for all high school students will be Saturday, Nov. 11. Seniors who registered will have a free pass to the Lobo football game and a tour of the campus among other exciting events. The day begins at 9:00 a.m. Any junior or senior interested in a military academy or ROTC at a regular college should plan to attend an all-day workshop to be at NMMI in Roswell on Nov. 16. A workshop for students and parents on financial aid for 1979-80 will be held at the high school in December by UNM and ENMU will sponsor a workshop on financial aid in January.

Freshman should consider very carefully their courses of study. More and more colleges and universities are requiring more math than general math. The college entrance requirement right now at UNM and NMSU for most courses of study is for two years of math beyond general math.

**BOOK FAIR:** The Carrizozo School Library will sponsor a student book fair from Monday, November 13 to Friday, November 17. Students will be able to browse and purchase books. The book fair will be open during the hours of 8:30-3:15. Books will be on display in the library in Clegg Hall. All students, parents and visitors are invited to attend the fair. The fair will encourage student interest in reading and in building home libraries, and will also contribute to a worthwhile project. All profits will be used for buying books for the school library. The book fair display will include attractive new books from many publishers in all popular price ranges—wonderful books to read or to give as gifts. All reading interests will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books. The librarian is working with Educational Reading Service, a professional book fair company, to furnish an individual selection of books for the fair.

**LUNCH MENU:**  
Friday, Nov. 10 B-B-Q Sandwich-Chef Salad-Chile Beans-Fr. Fries-Fruit Milk  
Monday, Nov. 13 Bologna Sausage-Chef Salad-Soup-Peanuts-Fruit-Milk  
Tuesday, Nov. 14 Hot Dogs-Chef Salad-Possible-Carrots-Fruit-Milk  
Wednesday, Nov. 15 Pizza-Chef Salad-Soup-Beets-Fruit-Milk  
Thursday, Nov. 16 Roast Beef Sandwich-Chef Salad-Bacon & Bean Soup-Spanish Rice-Fruit-Milk  
Friday, Nov. 17 Beef Stew-Chef Salad-Combination Salad-Hot Rolls-Fruit-Milk

**FOR YOUR INFORMATION:** The school program consists of the curricular activities and the extracurricular activities. The curricular activities are the courses of study at school during the regular school day. The extracurricular activities are the student youth programs regular school day. The extracurricular activities are the student youth programs which exist in relation to the regular courses of study but take place outside the regular school day. The curricular activities are the courses of study in vocational education are home economics, agriculture, and office education. The extracurricular activities which are related to the course of study are FHA-HERO, FFA and OEA.

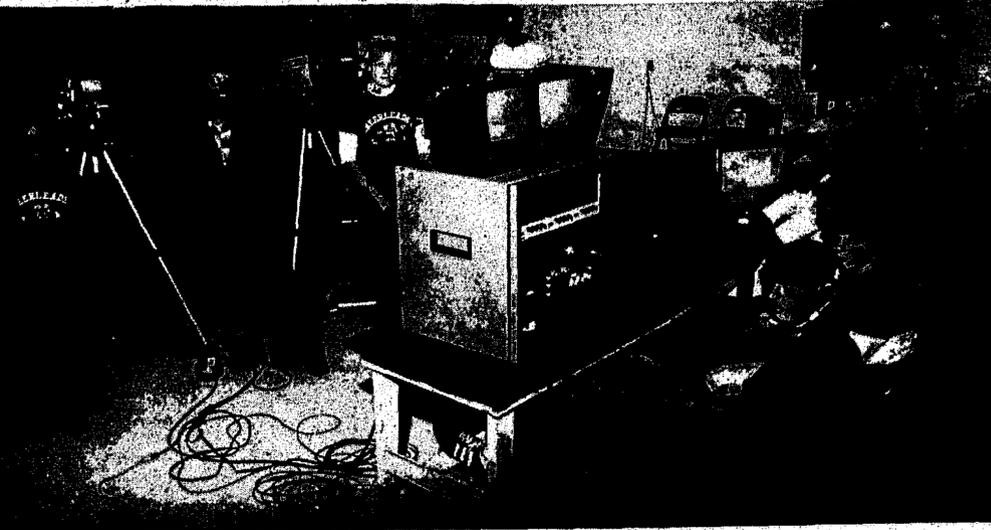

The same thing exists in sports. Athletics, physical education and intramurals are three entirely different aspects of sports which function within the realm of a regular school program. These three activities are many times confused. Let's consider physical education.

Physical education is a minimum

standards requirement of the curriculum of every high school program in New Mexico. Each student who graduates from Carrizozo high school must have 2 credits physical education are: physical education (P.E.) activity classes, health and driver's education. These classes are taught by teachers who meet specific requirements and are certified by the State Department of Education to teach P.E. or health or driver's education. The P.E. activity classes are comprised of activities which will promote the physical fitness of the individual such as exercises, a weight program, a coordination program, running, tumbling or gymnastics or modern dancing. The activity class is also used to teach those sports which will carry over into adult life by the student as a hobby or form of relaxation or enjoyment such as golf, square dance, softball, volleyball, basketball, swimming, bowling, tennis, flag football, and running. Little competition is introduced in P.E. classes. The students are concerned with learning physical skills which will help them individually. No physical examination is required, no special insurance is required, and no special officials are required to referee games during P.E. classes. All students except those with a doctor's medical excuse are expected to participate in class activities just as they are expected to participate in English class. Physical education is a required part of the regular curriculum of the school and is completely supported by the operational budget. There are usually no specific required expenses for the student. The student may have to provide clothing in which to participate such as pants or shorts or proper shoes for the gym floor. Physical education classes are not recess for the students; they are a planned part of the regular curriculum of the school.

**STUDENT COUNCIL:** The Council also made plans for the mock election held in conjunction with the general election. The mock election will be Tuesday, Oct. 31 and students, grades 9-12 are urged to vote. Students will be voting on several of the state political contests and all of the county contests. The results of the mock election Tuesday, Oct. 31 are as follows: There were 102 students that turned out to vote out of a possible 116 eligible voters; this is a 88 per cent voter turnout. Results the election are as follows:  
U.S. Senator: Anaya-44 Dominic-57; Governor & Lt. Governor: King & Mondragon-56 Skeen & Dow-44; State Senator: Crenshaw-69 Conway-33; State Representative: McDonald-61 Hobson-33  
District Judge: Payne-75 Sandenaw-26;  
District Magistrate, Div. II: McEuen-41 Montes-51;  
County Commissioner, Dist. I: Stoneman-52 McKnight-31  
County Commissioner, Dist. II: Straley-55 Spencer-17 Hightower-3;  
County Commissioner, Dist. III: Suddeth-60 Hall-29;  
County Clerk: Ward-45 Lovelace-55;  
County Assessor: White-32 Schlarb-68;  
County Sheriff: Elliot-30 Sanchez-71 Meador-0;  
Probate Judge: Hirschfeld-35 Witham-63;

**Tigerettes Win Volleyball District**  
The Capitan Tigerettes Volleyball team took first place honors at the District tournament in Cloudcroft last Saturday by beating Cloudcroft in two straight games 15-3 and 15-11. The Tigerettes showed excellent ability in their pass-set and spike game with the spikes made by Cindy Cline, Donna Cooper, and Sally Abercrombie. Target sets for the kills were placed by Debbie

Mr. Paul Salgado (far right) and his students display new equipment in the new telecommunication class now offered at Carrizozo High School.

## New Equipment At Carrizozo High School

Carrizozo High School has added a new course to its communications curriculum this year.

The course under the direction of Paul Salgado, involves the use of television.

The students in the telecommunication class are learning the various aspects of television production.

These aspects include directing, manning the cameras, floor managing, lighting, set production, and communication techniques while in front of the cameras.

The television equipment includes a special effects generator, video cassette player, two color TV monitors, three black and white cameras, four microphones, and four sets of headphones.

The special effects generator is the "heart" of the system. The student director can manipulate the three cameras through directions that he gives through the headphones to the various students who are manning the cameras. The various buttons on the special effects generator allow the director to create some special effects such as lap dissolves, superimposes, fading, and corner inserts or wiping.

Some of the features of the Video Cassette Recorder include recording one TV program while watching another, recording two programs with being present, audio dubbing, still picture with manual frame adjustment of the tape position, and automatic rewind. The tapes are one hour long and can be used with color.

The black and white cameras allow the students to zoom in or out on the subjects with the lenses as well adjusting for focus. The cameras are on tripods with wheels and can be moved about the room at the discretion of the director.

The television class is being taught in the old v-o-g room which has been refurbished and converted into a television studio.

Carrizozo High School apparently is the only school of its size in New Mexico to have such a program.

The telecommunication students will be taking a field trip to Albuquerque next semester in order to take a tour of some of the commercial television studios.

## New Mexico Wildlife

**SANTA FE, N.M.** — One of the handiest items a deer hunter can have along is the N.M. big game proclamation, the compilation of laws and regulations governing deer hunts. It may be, says Ted Burt, chief of the Game and Fish Department's Law Enforcement Division, as important as having the proper ammunition for the rifle.

'Studying the proclamation can prevent mistakes, embarrassment, time, game and even money,' Burt points out. 'The answers to just about every question on the coming big game-deer, bear and turkey-seasons are in there.'

One important change this year: The stratified deer season (Nov. 4-21) is reserved for rifle hunters only ('rifle, including modern center-fire rifles, shotguns and other caliber handguns). Deer hunters who chose muzzleloaders or bows had special seasons set aside for them, and they may not hunt during the stratified deer season.

As for the past three years, the stratified deer season is divided into three hunt periods: D-One, Nov. 4-5, D-Two, Nov. 8-12; D-Three, Nov. 15-21. Hunters may choose any one-but only one-of those seasons. Game and Fish employees only may change the hunt period selection up to the day before opening of the 'D' period for which the license is currently validated. Officers will be available in most New Mexico cities on Nov. 2 to accommodate most last minute changes.

Bag limit is the same during all three hunt periods and all open areas: a legal animal is an antlered deer-as a deer with at least one antler at least two inches long (spike buck or larger).

## Tigerettes Win Volleyball District

Womack and Lisa Lamb. Cathleen Story helped with several hard-to-handle hits and spinning serves. Effective serving also by Donna Cooper and Cindy Cline put the games out of reach for the Tigerettes. Relief play by Jackie Deweber, Debbie Castillo, Beth Long, Regina Lobb, Becky Jones and Sandy Cranwell put together a strong Team Effort in winning the Championship.

Named to the All-District team for the Tigerettes were: Sally Abercrombie, Lisa Lamb, Donna Cooper, Cindy Cline, and Debbie Womack. Coach Bill MacVeigh was also named Coach of the Year for the second straight year.

The Tigerettes now travel to Regionals at San San Jon on Thursday. They are matched against San Jon at 2:30. A win will advance Capitan to the State Tournament at Silver City on November 17-18.

Carrizozo defeated the Lake Arthur Panthers to capture 3rd place in District with a quick come from behind

# Capitan

by Margaret Rench

November came with gentle rain all night and day. Warm all day and we did have one half inch of good rain. It was great moisture.

The School Carnival did have a large crowd and lots of activity on October 31st Halloween night. There were not very many little goblins out. I did enjoy the ones who were. They have such fun in their costumes.

There were a lot of visitors at the Smokey Bear Museum this week. Everyone wants to see the mountains and certainly tell us of their enjoyment there in.

Progress is rapid on our new visitors center. It is going to be beautiful and large. Luckily there has not been enough frost to hurt the concrete work, and there is lots of it.

A new business 'The Tigers Den' opened in Capitan Tuesday October 22, it is located just east of the school on the corner. There is a game room and fast food service. Good recreation for our youngsters. It is open seven days a week, the owners and operators are Spencer and Carmen Burch with the help of Delores Booher during the day. I wish them success and lots of happiness therein.

Residents south part of Capitan subdivision noticed a Pitts Bull dog six months old coming toward them and then went to lay down under a tree stretched out with a whin as if he could a whin as if he could not go farther. They checked and found him full of porcupine quills. They did not know what to do so they got in contact with Deputy Sheriff Charlie Engelking who had the dog taken to the Vet in Ruidoso paid the bill and brought him home with him to recuperate and find him a home. Vet said the dog would not have lived but a few hours as the quills would have penetrated his heart. That is a humane deed and appreciated.

Mattie Thorpe of Mentone, Texas, arrived in Capitan Sunday afternoon October 29th and spent the night at Smokey Bear Motel. Monday morning she visited friends and then went to Carrizozo business. She took Hondo Valley Apples home with her. She could not go a winter without them. Her birthday was November 5th. I do wish her many more very happy and healthy ones. Thank you for your nice visit. I did appreciate that. She had of been in Capitan as usual on the 4th of July due to a broken foot and then illness in the family.

Betty Joiner and their four children left Capitan early Friday morning to go to Colorado City, Texas and pick-up her mother Bessie Jones who had been there visiting her two sisters a week. They visited and returned home Saturday evening. They enjoyed the trip both ways.

Mr. and Mrs. Neil Ford of Oregon who were in the process of moving to Portales spent last Sunday with their friends Howard and Maxine Wright.

Harriet McGinnis returned home from a 10 day vacation visiting relatives in Omaha, Nebraska. Her grand son Mark Vassar and a boy friend of Big Springs, Texas spent last week end with her.

Nariette Boyd enjoyed her 6th birthday Saturday October 28, at the home of her parents Mr. and Mrs. Sam Boyd with eleven of her little friends joining her for games and lots of enjoyment. Each enjoyed the cake and ice cream. I do wish her many more such happy birthdays.

Mr. and Mrs. Russ Fish held open house and a birthday party at the new house he built Saturday night October 28, with an orchestra and lots of music and enjoyment.

Mr. and Mrs. Jimmy Wright entertained his parents Mr. and Mrs. Howard Wright and his sister Kay and Terry Strickland, and two daughters last Sunday evening. Linda prepared a delicious birthday dinner honoring Maxine's birthday October 29. Kay's birthday was October 31st. I do wish those ladies many more such Happy birthdays.

Happy Birthday to Albert (Slim) Muse whose birthday was Thursday October 26, and his little granddaughter Milissa Powers whose day was October 31st.

Leslie LaRue was six years old October 28th. May each of you have many more Happy Birthdays.

Mr. H. N. LaRue spent October 24th, thru 27th in the Bataan Hospital in

Albuquerque. Then had to stay in Albuquerque for observation for a time before returning home. Getwell soon.

Mr. and Mrs. Wayne Hobbs visited her Parents Mr. and Mrs. L. J. Daniel in Abernathy, Texas, Friday and Saturday. They found him improving but she is not. It is very warm in Texas compared to here.

Mr. and Mrs. Malcolm Petree of Albuquerque spent last weekend on their ranch north of Capitan. We do always enjoy visiting with them.

Bronson Cummins of New Mexico State in Las Cruces and his brother Kenny of the University in Albuquerque spent last weekend here at home with their parents and brother Mr. and Mrs. Hollis Cummins, David and Danny.

Beverly Payne and children made a business trip to Ruidoso last Saturday.

Janie Randle and Joe Paul of Reserve, N.M. spent last weekend here with her parents Mr. and Mrs. Gerald Dean Sr.

Mr. and Mrs. Richard House and three children visited her sister and family in Los Alamos last weekend.

Maude Kingston, all of your friends send good wishes for your recovery. Remember, all of us have daily prayers for your return of good health.

## A Bowl of Activities

from Nogal

Around the bowl

A Moment of Thankfulness!!!!

It was just last week that Johnson Stearns was briskly walking through the church door, looking healthy, wealthy and wise! When suddenly, we find that he was in the hospital with a slight heart attack. This put a scare into all of Lincoln County, mostly in the family. Johnson has always been thought of as 'The Rock Of Gibraltar', well, it seems that he has nerves and can over do just like every-one else. Nogal rejoices in his recovery and hope that he will take it easy - with the following words—Look to this day!

For it is life, the very life of life. In its brief course

Lie all the verities and realities of your existence:

The bliss of growth  
The glory of action  
The splendor of achievement,

For yesterday is but a dream  
And tomorrow is only a vision,  
But today well lived makes every yesterday

a dream of happiness  
And tomorrow a vision of hope.  
Look well, therefore to this day!  
Such is the salutation to the dawn.  
(translated from the Sanskrit)

Flash!

A memorial service will be held at the Nugal Church on November 10 at 2:00 P.M. for Jody and Alva Sitton, you will remember her as the Nugal Postmistress for many years, and Alva was an old time resident and owned theaters in Tularoso and in Carrizozo. They owned the Orchard - and home in Nogal-later sold to the Burkstaller's. Alva and Jody were leading citizens in this area. This is an invitation to all of these friends to attend their memorial service.

Special News!

The outstanding young lawyer and his wife, Mr. and Mrs. Archie Witham - has brand new Baby Boy! Congratulations!

A Bit of News!

Rolland Armstrong read a card, during the church services this last Sunday from Bill and June Scholes. They are having a delightful well deserved rest, but will be home soon.

It was charming and thoughtful of Molly Bosh to send her offering in to the Mountain Ministry Parish. She is well and taking care of her friends in the Nursing home in Carrizozo, at the age of 102, more power to you Molly.

Robie's Box

Halloween has come and gone land before we know it we will be eating - and stuffing on a nice brown turker, so watch out for November it will be a food month!

Do You Know ?

That Fern had visitors this week,

Mr. and Mrs. Joe Baker from Albuquerque.

May Sharpe has been here several days, doing all kinds of interesting things for xmas presents.

Ma stearns recieved a smile sticker for having an exceptionally warm heat - that her grand son put on her lapel.

The good looking man who stopped and picked up a lady with her arms full of cup cakes.

A Dash of Humor wisdom and Ideas—

Say, start your xmas ornaments. Take ½ cup salt and stir it with ¼ cup of water, then dump 2 cups of flour into it - stir fast until it makes a good ball, kneed it a few seconds - then put it under a bowl until you decide how you would like to form your xmas ornaments. After they are formed bake them for 30 min. In a 350 oven - take them out and paint with acrylics, put them back in the oven for about 15 mins then after they are cool dip in acrylic varnish. They are so much fun. You can make these for Thanksgiving too.

How about a little style ?

The dresses are blousey and long, the hose are textured and colored. The hair is full of flowers, bows, and stones. Lot of braids, and buns. Hair is very exciting you can twist it and curl it all over the head. Try all this for a change.

## Residents May Lower Fuel Bills

New Mexico residents will have an opportunity to lower their fuel bills this winter by participating in a free service offered statewide by the New Mexico Energy Institute at the University of New Mexico.

The service is the Home Energy Analysis Program, which is based on a questionnaire which is available to anyone who owns or rents a house in New Mexico.

Using this questionnaire, a home's energy consumption and losses can be computer analyzed. Individuals who participate in the program by completing and returning a questionnaire will receive a detailed, personalized report on the steps which can be taken to conserve energy in their particular homes.

'For instance, the report will tell you whether or not, in your specific circumstances, it appears to be cost-effective to add insulation or storm windows or to take other energy conserving steps,' said Ken McKenzie, a program director at the institute.

Copies of the Home Energy Questionnaire are available directly through the institute or from any New Mexico Energy Extension Service office. For further information, contact the New Mexico Energy Institute at the University of New Mexico.

**REALLY GREAT WALL PAINTS**

from  
**Colony**

Colony's SatinTone is the kind of wall paint you'll like from the beginning. It applies easily with lots of hiding power. Dries fast to a rich, velvety finish that resists dirt and marks. Smudges, even fingerprints, wash away without a trace. Tools clean with water. Hundreds of beautiful colors.

## HANG IN THERE BABY!

**PROTECTS YOUR HOME BEAUTIFULLY**

Easy to use. Beautiful. All-season tough. Colony's SatinTone is the best way to protect your home from the elements and keep it looking great, year after year. Brushes or rolls on beautifully. Great coverage. Dries in 30 minutes to an attractive low sheen finish. Tools clean with water. Choose from hundreds of colors.

Carrizozo, New Mexico  
**648-2572**

# Polly's Potpourri

## Around Town & Surrounding Areas

Carrizozo Womans Club members Rachel West, Natalia Vega, Gertrude Risher and Marjorie Wells traveled to Fort Stanton October 28, where they served punch and home made cookies to 80 students. Other club members who contributed to this annual treat were Mabel Vigil, Nancy Miller, Mary Spencer, Jerry Jo Paul, Bobbi LaMay, Minnie Thornton, June Teague, and Polly Chavez.

Mr. and Mrs. Charles Rominger, Jonette and Michael from Santa Fe were here the week end of Oct 28-29 to visit Mr. and Mrs. Refugio Najjar and other relatives.

The benefit dance for Robert Portio last Saturday was a big success. Mr. and Mrs. Aaron Portio are very grateful to friends and neighbors who helped before and after the dance, and Roberto Grigio and his band, 'El Nuevo Sonido', of Albuquerque.

Relatives and friends of the Portio's from out of town who attended the dance were Rosie and Robert Ortiz, Viola Ortiz, her four daughters and son, Larry Martinez all from Albuquerque. Cathy and Stan Wheeler, Fort Stanton, Dan and Betty Lueras, Tularosa, Lorenza and Fernando Trujillo, Capitan. Those from Alamogordo were Enacia Lueras, David and Helen Lueras, Rita and Ruby Padilla.

Happy birthday to Tony Ortiz Nov 9, Rosalie Dunlap, Laurie Barela Nov 10, Rusty Leslie Nov 12, Kim LaMay Nov 13, Marie Barela, Maxie LaMay Nov 14, Stephen Payne Nov 15, Kathy Wheeler Oct 31, Clifford Wheeler Nov 9, Bill Wheeler Nov 15, Ernie Gallagoes Nov 16, Stanley Wheeler 25.

Nat Chavez and his boxers have been training for the boxing tournament scheduled for November 18. Frankie Baca, Leroy Silva, Frankie Silva and Gabriel Chavez are looking forward to the event.

Guests in the home of Mr. and Mrs. J.N. McDaniel this hunting season are their sons and their families of Tucson, Arizona. Mr. and Mrs. Ronnie McDaniel and daughters Dawn and Surae, Mr. and Mrs. Roger McDaniel and CHILDREN Katerry, Shannon and Shane.

Mr. and Mrs. Orlando Fresquez, Mr. and Mrs. Bonnie Plino of Tularosa were visitors in the home Mr. and Mrs. Louie Ortega. They attended the benefit dance Saturday evening.

Mark and Matt Ellison of Roswell, sons of Glen Ellison were visitors in Carrizozo for the hunting season. The Santa Rita CYC was busy Halloween night operating their haunted house. The line of youths waiting for their turn at the spooky place was very long. There were even several parents dying to see it too. One of the several ghostly inhabitants of the haunted house was 'La Llorona' who wailed and moaned in grief, searching for her children.

Visitors this past week-end in the homes of Pat and Jackie-Vigil and Jackie's mother, Mrs. Helen Bonney were Mrs. Esther Schrader, her daughter Sandra and husband Larry, Chuck Schrader, from Burt, Iowa and Dr. and Mrs. Clarence Schrader from Roswell. Mrs. Bonney is the former Helen Schrader and Burt was her home town.

The above families, Pat and Jackie's children, Brian, Kelli and Patrick and Pat's mother, Mrs. Mabel

Vigil were guests of Dr. and Mrs. Schrader at a dinner party at the Four Winds Restaurant Friday evening.

Saturday and Sunday the men were part of a hunting party, with not success.

The ladies visited Lincoln, Smokey Bear Museum, Inn, of the Mountain Gods and enjoyed the tour thru the Valley of Fires.

They were so impressed that they plan to return again next year.

La Llorona, the wailing ghost woman of Spanish legend haunts the streets of Carrizozo and surrounding areas searching for her murdered children. Young ones who are out later than they should be, or who are being naughty are warned that La Llorona will mistake her for her own children.

Edna Littleton celebrated her birthday October 27. A birthday dinner was enjoyed by Edna, her three sisters of Roswell, Mrs. Eva Leslie, Betty Walker and Mary Walker, and Edna's

brother and his wife, Mr. and Mrs. Roly Ward.

George Sanchez of Las Cruces stopped to visit with Rita and Danny Narvaez last Saturday.

Some of the many people at the benefit dance last Saturday included former Zozo residents David and Stella Ortiz, George and Martha Sanchez of Albuquerque. Other out of towners were Mr. and Mrs. Bernardo Mancha and Mr. and Mrs. Henry Griego, Fort Stanton, Mr. and Mrs. Melvin Chavez, Hondo.

Dolly Ward and Barbara Ward were in Ruidoso last Friday. They stopped to visit with Dolly's sister Hada Hightower.

Dolly Ward recently returned from a trip to Sanford, Florida. She went with her daughter Betty Lou and husband Dole Ray of El Paso.

Lon, son of Cindy Swickard is in Alabama visiting his father Bob Freeman for a week.

## CORONA

Robert Williams reports a total of 1.91 inches of rain last week at Lincoln Station with a low of 32 on the 27th and a high of 62 on the 28th. Muddy and slick roads did not deter the hunters although several remained stuck all Friday night. An Elk was the victim of the first day's hunt, apparently there are too few deer for the number of hunters.

With the cooperation of the Corona School Administration our senior citizens are invited to eat lunch at the school. No Lunteers are helping with the program until a coordinator may be hired. For details one may call Mrs. L.E. Davenport.

The Rainbow Cafe opened Thursday under the owner-management of Mrs. Linda Wetzel.

Mrs. L.E. Davenport had as weekend guests her granddaughter, Mrs. Bill Phegley and their daughter, Mrs. Phegley and their daughter, Tonya, of Bloomfield.

We were saddened to learn of the death of Joe Ed Claunch, 40. He died Sunday of last week in Pietown. Joe Ed was born in Corona, the son of the late Mr. and Mrs. Paul Claunch who owned and operated the saw mill just outside the village. Mrs. Claunch taught in the high school. Joe Ed, a pharmacist and resident of Albuquerque is survived by his wife, four children, and one sister.

Julie Ann Straley, Roswell, won first place in the beef carcass contest at the Eastern New Mexico Fair. Julie, a student at Goddard High School won 5th place last year. She is the daughter of Mr. and Mrs. Ken Marlow and the granddaughter of Mrs. June Straley, Carrizozo, and Mr. and Mrs. Lee R. Owen, Corona. She plans now to attend Colorado State university to earn a degree in forestry. Congratulations.

Mr. and Mrs. Mike Tracey were here from Cotton City for the weekend. Fred Large is hospitalized in Albuquerque.

Mrs. John D. Holleyman has returned after spending a week with her new granddaughter, Kasi Jean Kibbe, in Floyd.

Mr. and Mrs. Lynn Alexander, Midland, TX, are the parents of a daughter, Jennifer, born October 28th. The baby has a brother, Eric. The mother is the former Marchelle Bohon, who taught in the high school here.

Mr. and Mrs. W. M. Pfeiffer and Dell Roberts returned Monday of last week from a visit with the Stan Kimballs in Littleton, CO.

Lon Holleyman was home from NMSU for the weekend.

Mr. and Mrs. Emery Owen is now employed by the Moriarty Schools as an assistant coach of girls athletics, secretary to the director of athletics and half time as a reading aide.

Champ Turner, Big Springs, TX, was reported Friday to be in stable condition but remained in intensive care following a serious heart attack.

Guests of the Wayman Lightfoots were Mr. and Mrs. Otis Mabry and Mr. and Mrs. Virlon Smith of Lovington. Mrs. Mabry is a sister, and Mrs. Smith a niece of Mr. Lightfoot.

The first official New Mexico State Fiddling Contest was held Saturday in T or C. Olan James is the junior champion. Darrell James is second in the junior-junior class. The boys were accompanied by George James and Walter Garfield.

Mrs. Robert Williams was in Thatcher, AZ for the weekend. Susan and Colleen Williams, Albuquerque, joined their mother and brother there for the homecoming festivities that included a bonfire, parade, talent show, dance, and the football game between Eastern Arizona Junior College and Western Arizona Junior College. Scott, after a month out of practice because of a pulled muscle played on the special punt return team.

Mrs. J. M. Melton writes that she is improving at her new home in Enterprise, AL after lung surgery.

## Christmas Tree Program

James R. Abbott, Forest Supervisor for the Lincoln National Forest, announced today the locations in which applications for personal use Christmas trees will be available.

Two National Forests in New Mexico, the Lincoln and Gila, will sell Christmas tree permits through the mail for the first time this year. Mr. Abbott stated that persons who plan a trip to the Forest to cut their own tree must first apply for and receive a permit through the mails. There will be no permits sold at Forest Service offices as has been done in the past. Complete instructions, along with maps and answers to most questions, are contained in the application forms which will be available starting November 13th at Forest Service Offices in Cloudercroft, Mayhill, Carlsbad, Ruidoso, and Alamogordo, New Mexico. In Carrizozo, applications will be available starting November 13th at the Chamber of Commerce.

The Lincoln National Forest in Alamogordo will issue 7,150 permits, while the Gila National Forest in Silver City will issue 5,870.

Applications will not be available to anyone until November 13, 1978, to ensure that everyone has an equal opportunity to obtain a permit. On the Lincoln National Forest, there is no way to get a permit to cut a Christmas tree for your family other than by submitting an application through the mail.

## Inside the Capitol

By Fred McCaffrey  
SANTA FE—There's no bigger bore than the person who tells you 'the way it used to be.'

Reminiscing is a constant temptation to everyone over a certain age—probably 12.

After all, casting the mind back over the past is a great way to avoid the exigencies of the present.

Election day is a special danger. We old gaffers have a fund of 'how it used to be' stories about the first Tuesday after the first Monday in November. And since most of them happened—if they happened at all—back in the 20's and 30's, there aren't many folks around to say those hateful words: 'That's not the way it really was.'

So let's get on with the stories. It's 1928, and the presidential race is between Herbert Hoover and Al Smith. Voting, as always, is on Tuesday. But vote counting, in those days of paper ballots is quite a different thing from today.

On Wednesday, Hoover's declared the winner. Yet the vote-counters for Bernalillo county are still locked in the Albuquerque county armory, at Fifth and Silver, on Thursday Morning.

What took so long? The boxes from Chilli. (These days lots of people forget there is another settlement in Bernalillo county besides the sprawl of Albuquerque. But there is today, and there was in 1928.) In 1928, though, things were different: Each Box, stuffed with paper ballots, filled in with pencil, had to be brought from the Manzano mountains into town. A wood-cutter's wagon was the normal method of locomotion—and there were rumors that the horses were so trained they automatically stopped at a certain arroyo where the boxes from certain

polling places were casually kicked off into the sand.

Have times changed? Yes, they have in some ways, and in others not.

Every year, those of us invited to lend our presence to radio microphones or TV cameras on election night are told, 'this year the station has a new system. We've got spotters in every precinct, and a computer standing by to take the results. By 8:30, we ought to know who the winners are, be able to announce the results and go home.' Good deal. Nothing the listeners or viewers should like more. Early results, and early to bed.

Does it happen? Never. Why not? Because we're still waiting for those damn boxes from Chilli, just like they were in 1928, that's why!

Or there's the day the North had horrible storms on election day. In one small town, where voting was in the schoolhouse, across the arroyo from the village proper, run-off kept the voters from getting over to the school vote.

A considerate election-day official, who lived on the same side as the school, not wanting to see his fellow citizens derided of their franchise, took the registration list and voted for one for each and every one of them, one by one. He only made one mistake: He copied their names just as they were on the books—which meant that the record showed they had arrived at the polls in alphabetical order. That unusual circumstance led an unfriendly grand jury to indict him, and a jury of his peers (more or less) to find him guilty.

Fortunately, like most election day stories, this one has a happy ending.

On the day he was being taken to the penitentiary for a term of incarceration, the Governor arranged to be out of the state; the Lieutenant Governor issued an gubernatorial pardon, which was served at the penitentiary gate; and one more faithful party regular went free.

## Letter To The Editor

Dear Editor:

Carrizozo has more welfare than it needs. The people who need it can not get it. You take it either on this side of the tracks or the other side and they are driving new cars even while on welfare. But the old people who have lived long ago and are still alive today need it more than the young ones. And we want it for the old ones and not the young. The senior citizens need more help than we get. They can't get jobs but the younger generation can. I think something should be done and to see what our county is doing. There really should be something done and to find out why people who are on welfare can drive new cars and their children drive new cars to school. Why should they drive them and how can they afford it while on welfare.

James L. Willis

Editor's Note:

We have wondered the same thing about all of the people with new cars and welfare checks. They say that money can buy almost anything, except poverty, but in the case of welfare we seem to have bought quite a bunch of poverty for ourselves.

MS

## Inside the

# Outdoors

by Gary Dollahon

It doesn't seem to me like a year has passed since the 1977 deer season, but according to the calendar it has. Therefore, ready or not, here we are amidst the 1978 Big Game Stratified season.

This year's big game season looks like its going to be a good one. License sales to date indicate there will be a somewhat smaller number of total hunters in the field, and in-the-field observations reveal a good number of bucks. Combine these two factors together and the chances of getting a deer in New Mexico look better than they did last year.

Don't get me wrong. Last year was a good deer year too. In that 1977 season, 95,900 hunters divided among the three hunts periods in that 26 percent chose the first hunt period, 34 percent selected the second, and the remaining 40 percent took the longer third period hunt.

The total hunter success last year was 20.6 percent, which was 1 percent higher than that of the previous year.

As usual, the southeast quarter of the state had the highest percent of hunter success at 23 percent, but also had the majority of the hunters - 40,300.

Another statistic that might catch your eye was that those hunters in the second, or the D-Two hunt period, had the highest hunter success at 39.3 percent. This was slightly better than the D-One hunter's success at 36.9 percent.

While speaking of statistics, another annually increasing figure comes to mind, that being the number of citations issued by Department of Game and Fish personnel.

It seems such a shame that people go through the millions and expenses of purchasing licenses, supplies, gasoline, and miscellaneous in preparation for an enjoyable outing, only to ruin such an adventure by not complying with laws and regulations.

Just as ignorance of the law is no excuse, neither is laziness. Take the time to acquire a big game proclamation and read it carefully. It is a compilation of the laws and regulations which govern the big game hunts.

Each year, numerous citations are issued for violations which common sense should make you avoid. These are violations such as unattended campfires, littering, failure to tag game, spotlighting, using another's license, loaning license to another, shooting from a vehicle, shooting from across a road, and camping within 300 yards of a watering unit.

If personal pride isn't enough to make you do right, perhaps fines are. Fines range from a minimum of \$50 to a maximum of \$500 for each violation.

Game and Fish Department personnel will be in the field in full force during the season. We have no quotas on the number of tickets to write, and we get no monies from the fines levied

as they go into the state school fund, but wildlife law enforcement is part of our job and we will enforce these laws.

And, don't forget Operation Game Thief, the program that offers a minimum reward of \$250 for information leading to the apprehension of wildlife law violators.

Callers to OGT do not have to identify themselves, or testify in court. Persons having information on a wildlife violation should call toll free 1-800-432-4263 and give all the information pertaining to the violation. The violator's description and vehicle license number are key information.

Upon issuance of a citation to an OGT violator, the caller, identified only by code, will be eligible for a reward. If you don't think this program works, check Game and Fish files.

Again, violations can be easily avoided, take the time to do so. I would like to stick my neck out and predict that hunter success for this upcoming deer season will jump to almost 23 percent. Good Luck.

# Capitan Tigers Gain Play-off Berth

The Capitan Tigers took advantage of several Grizzly mistakes in the second-half of last Friday's football game, and defeated Carrizozo by the score of 16-6.

The victory by the Tigers threw the district 3a race into a 3-way tie involving Reserve, Carrizozo and Capitan, all ending the district competition with 1-1 records.

The first-half found Carrizozo playing on Capitan's side of the field throughout. But the Grizzlies were unable to score once they got close to the Tiger goal line. Although, the Grizzlies did manage two penetrations in the first period.

Carrizozo got their first penetration after recovering a Tiger fumble on the third play from scrimmage by the Capitan offense.

But after getting to the Capitan 18-yard line the Grizzlies returned the favor and Capitan recovered at their own fourteen.

Carrizozo managed their second penetration of the period after stopping Capitan on a fourth-and-one situation at the Tiger 32-yard line. The Grizzlies got to Capitan's 13-yard line with Rudy Samora hitting Doug Whittaker on a pass and Robbie Hollis tacking on some good yardage on a couple of end sweeps.

But the Capitan defense again rose to the occasion forcing the Grizzlies to fumble on fourth-down at the Capitan 8 yd. line, after an apparent Grizzly first-down.

Carrizozo mounted one more drive in the second quarter, getting to the Capitan 23 yard line before fumbling away another opportunity, with the Tigers recovering at their own 25.

Capitan then mounted their own offensive drive, getting down to the Carrizozo 26-yard line behind the strong running of Marc Stewart and Ritch Sanchez. At that point Grizzly middle-guard Pat Ventura and Chris Zamora dropped the Capitan backs for losses on three consecutive plays. Half ended in a 0-0 tie.

It didn't take long for things to start going in Capitan's direction in the second-half as Carrizozo fumbled the opening kick-off and the Tigers recovered at the Grizzly 20 yd. line.

On the fifth play of the drive Ritch Sanchez found Jeff Greer in the end-zone on an option pass from the 11-yard line for the first score of the game. Adam Aldaz added the PAT, making the score 7-0.

Carrizozo received the ensuing kick-off and managed a first down before being forced to punt on the next series of downs. Gus Allred broke through the Grizzly blockers and blocked the attempted punt and the Tigers recovered at the 22 yard line. On first down full-back Jack McGarry

busted through for 13 yards to the 9 yard line.

Grizzly defense stiffened at the 5-yard line and Adam Aldaz responded by kicking a 22-yard field-goal, making the score 10-0.

The Capitan defense kept the pressure on after the kick-off and Jack McGarry showed his defensive skills by intercepting an errant Grizzly pass and returned it back to the Carrizozo 28-yard line, although the Tigers were penalized back to the 44.

The Tigers behind the running of Stewart, Sanchez and McGarry drove to

the Grizzly 7-yard line before quarterback Aldaz found end Jeff Greer in the end-zone for another 6-point, with Greer making his second T.D. catch of the game. Attempted kick for PAT was wide. Score stood at 16-0. All the scoring taking place in the first half of the third quarter.

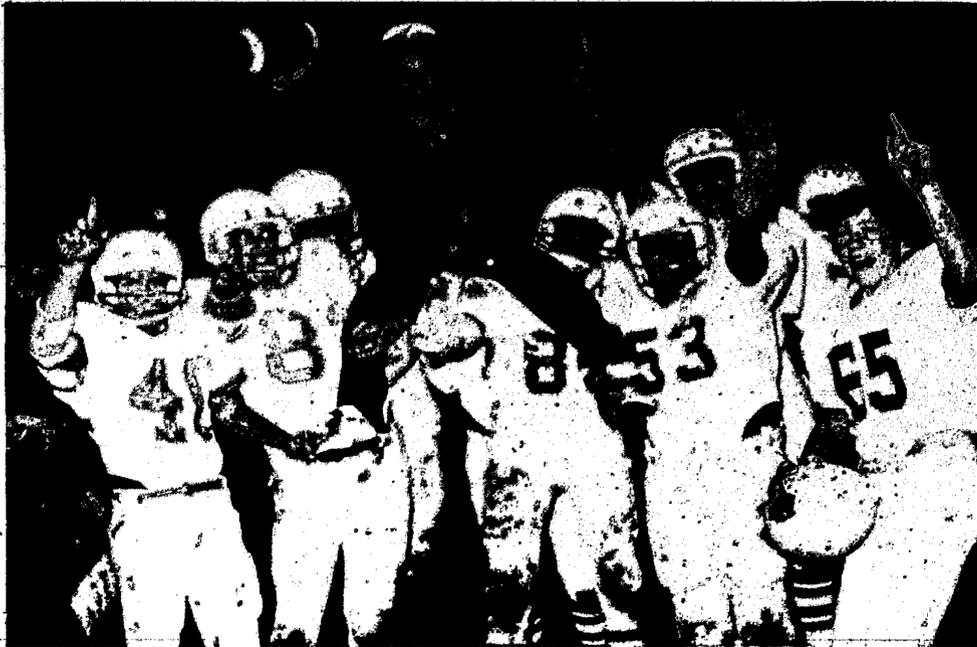

Carrizozo managed to get on the scoreboard in the 4th quarter when Rudy Samora connected on a 40 yard-pass to Doug Whittaker. PAT was unsuccessful making score 16-6.

Carrizozo had two more chances to score, once when Par Ventura

recovered a Tiger FUMBLE AT THE Capitan 30 yard-line, but Tiger Billy Page thwarted that threat by intercepting a Grizzly pass at the Capitan 21.

One play later Carrizozo's Chris Zamora recovered another Tiger fumble, but the Capitan defense stopped the Grizzly offense on a fourth-and-two situation at the Tiger 15-yard line.

Marc Stewart later pick'd off another Grizzly pass to keep the score at 16-6 in favor of the Tigers when the final gun went off.

Tiger Coach Jack Cisco, with game football is hoisted onto the shoulders by

Jubilant Capitan Tigers after defeating Carrizozo 16-6.

Tiger back Marc Stewart (44) breaks through Grizzly defensive line.

as Chris Zamora (72) Grizzly defender fights off block.

Grizzly Robbie Hollis (31) goes

wide, as Tiger defender sets his sights on Grizzly running back.

## Wilson Named Official Delegate to National FFA Convention

This November 7-10, 122 young men and women will meet in Kansas City, Missouri, to represent their states as official delegates at the Future Farmers of America's Golden Anniversary Celebration at the 1978 National Convention. The delegates will represent nearly 510,000 FFA members nationwide as they discuss and vote on issues of critical importance to the future of the National FFA Organization. Rex

Wilson, State President from Carrizozo, and Jamie Wilder, State Vice President from Melrose, have been selected as official delegates from the New Mexico Association.

For years FFA members have made the decisions that shaped their organization, now know as the largest and most imitated vocational student organization in the world. Delegates to the National FFA Convention are selected by each State FFA Association and are usually members of the state officer team. Each state is permitted to send two delegates from its active membership plus one additional delegate for each 10,000 members above the first 10,000 members. This year 15 states are represented by more than two delegates, the largest delegation being from Texas which has seven delegates.

During the National Convention the delegates are seated in a special section at the front of the auditorium. They initiate, debate, and vote on all convention business. At the 1978 convention, delegates will vote on several important items including constitutional changes, acceptance of individuals for honorary degrees and distinguished service citations and selection of the 1978-79 National FFA Officers.

In addition to their duties on the convention floor, the delegates carry out responsibilities on special committees. The committees of delegates and adult leaders review and make

recommendations to the National Organization on many activities including: Leadership programs, finance of the organization, the national program of activities, national public relations activities, and many other aspects of the operation of the National Organization. After meeting with committee members and adult leaders, each committee chairman reports on his committee's findings and makes recommendations on the convention floor.

Delegates to the National FFA Convention arrive in Kansas City two days before the Convention is officially convened, to begin their committee work and make other preparations. Delegate expenses are paid in part by the National Organization. In most states the State FFA Association also helps pay their way to Kansas City.

The delegates will be in session for the first time on Monday afternoon, November 6. All business meetings are conducted by one of the six National Officers and are interspersed with other activities such as guest speakers, presentation of awards and music by the National FFA Band and Chorus.

Delegates will meet for the last time on Friday, November 19, when the new National Officers take the oath of office. After a final call for official business, the 1978-79 National President will close the FFA's Golden Anniversary National Convention and the delegates will return home to report their activities to other FFA members in their state.

Three chapter members from Carrizozo are attending. They are: Maurita Lovelace, Mona Payne, and Lisa Ferguson.

## The Cricket Predicts . . .

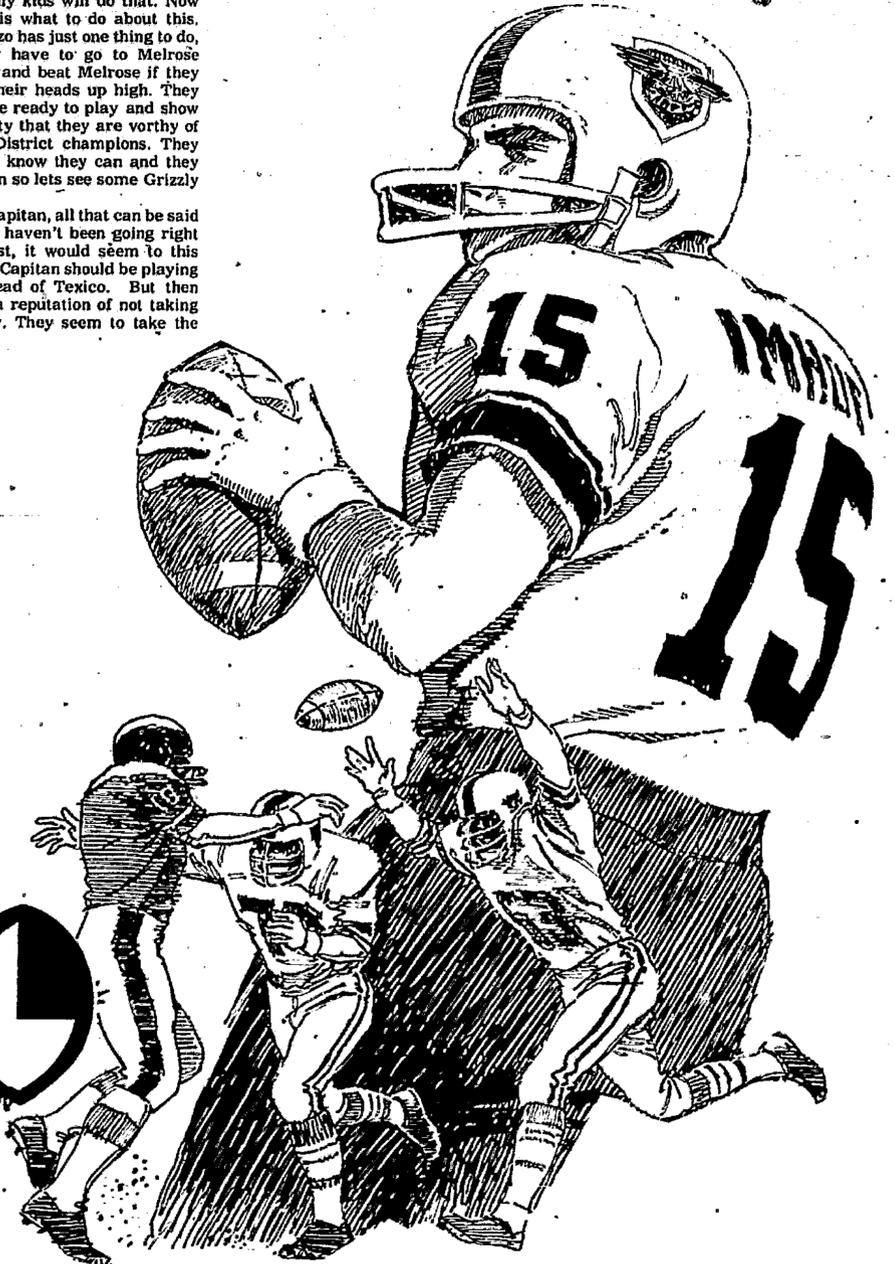

The football season winds to an end and luck is with some teams and is not with others. The luck was with Carrizozo football team for they had a 2-5 and 1 record, but won district. A four minute scoring spree of 12 points in the fourth-quarter of the Reserve game is Carrizozo's only call to fame. In fact their total scoring all season is 24 points. That is not 24 points a game, but just 24 points. In the ballot procedure since each of the three teams in District 3A won at home and lost on the road, Carrizozo came out as the winner with Capitan second. Now if it hadn't been for a broken pass pattern in the Ruidoso game Carrizozo would have won just one game and still been the District champs. I guess you can sew a district patch on your letter jacket, but I don't think too many kids will do that. Now the question is what to do about this. Well, Carrizozo has just one thing to do, which is they have to go to Melrose Friday night and beat Melrose if they are to hold their heads up high. They have got to be ready to play and show Lincoln County that they are worthy of the title of District champions. They can do it, we know they can and they know they can so lets see some Grizzly Pride.

tough way and like it that way. In the Mountainair game with just seconds left and a 6 to 6 tie, 4th and long on their own 5 yard line they tried a fake punt and missed the pass, which almost assured Mountainair of the win. But they held on in spite of their position. I admire the courage that it took to try for the win rather than settle for the tie. Against Hagerman with 3 seconds to go I would have like to see Carrizozo take a chance. They were close but ran the ball rather than throwing or trying a field goal. Anyway Capitan plays Texico in Texico and they have the opportunity to knock off the number one team in 1A Football. They can pull the upset of the year, but like all opportunities there is

some risk, like they could get beat. But after watching them play Carrizozo, I think if anyone can beat Texico, Capitan will do it. They have had an uphill battle all year and that has conditioned them to work harder than most teams. The game to predict this week is the Carrizozo at Melrose game. In last week's game Cris Vallejos was the closest to the correct score with a 16 to 7 guess. His brother Eugene had 16 to 0. So there is \$25 to the winner or winners that guess the correct score of the Melrose-Carrizozo District playoff game. The Cricket says keep the score guessing low for neither team will score much and the one with the fewest turnovers will smile all day Saturday.

(Parent night) ceremonies were held during half-time honoring both the Capitan players and their parents.

Most important of all, your income will be directly related to your personal diligence and hard work. There's no limit on how much you can earn. Write or call Lincoln County News Box 459, Carrizozo, N.M. 88301.

## Hunters: Be Careful With Fires

Hunting season is off to a wet start this year with the expected fire danger ranging from moderate to low, says Judy Johnston, Fire Prevention Officer at the Smokey Bear Ranger District.

Although the threat of fire will be fairly low, the people at the Smokey Bear Ranger District requests that you continue to use your fires safely. Good habits with fire use in the forest are our safeguards for dry years.

In past years, the Smokey Bear Ranger District has provided trash bins throughout the forest especially for hunter use. Because of the amount of time, personnel, and expense involved, the bins will not be erected this year. Proper trash disposal will be the responsibility of the hunters.

Please remember, litter is unsightly to all of us, damaging to the environment, and very long lasting. Sanitary landfills and local city receptacles are for trash, National Forest are not.

### NOTICE TO PUBLIC

The 1978 Survey of the Town of Carrizozo Finances is available for public inspection between the hours of 8:00 a.m. and 5:00 p.m. Monday thru Friday at the office of the Town Clerk, City Hall, Carrizozo, N.M.

## Few Rules and Regulations For Hunters In The Field

Hunting is generally statewide in all three periods, primary exceptions being military and Indian reservations and game refuges.

Hunters under the age of 18 must have in their possession a card certifying they have taken and passed this or another state's hunter training course. All hunters are required to have a deer license.

Turkey and bear are also legal game in most management units. There are some exceptions, for which hunters should study their proclamations.

Downed big game animals must be tagged. The hunter must detach the appropriate tag (deer, bear or turkey) from the license immediately and sign and date the tag. The tag must be attached to a carcass being transported in any vehicle, left unattended in the field, or stored in a camp, residence or other place of storage. The tag may be temporarily detached from a carcass being removed from the field to a camp or vehicle. Attaching an entire license to a carcass does not meet tagging requirements.

Persons eligible for resident license privileges are those who have actually resided in the state with intent to establish residency, for at least 90 days prior to application for the license. Owning property in New Mexico but maintaining residence in another state does not qualify a person for a resident license.

Non-Indian hunters on any reservation except the Mescalero Apache Reservation in south-central New Mexico must have a valid New Mexico hunting license.

Possession of a hunting license does not allow trespass. Hunters should secure landowner permission before hunting on private property.

All state school trust lands are open to hunting, but access is guaranteed only if by public road. Camping, at the discretion of the grazing lessee, may or may not be allowed on trust lands that are also under grazing lease. Although it is not a law, wearing of

blaze orange contributes greatly to the hunter's personal safety, and firearms should be unloaded before a hunter enters camp or a vehicle. Most firearms accidents in the past several years have involved loaded weapons in camps or vehicles; the mistaken-for-game type accident is becoming increasingly rare, due to hunter training courses and wearing of blaze orange.

## Game Violators Beware

SANTA FE, N.M. -- Game law violators, watch out--because the sportsman who's watching you may be fed up with the image you give to all hunters and turn you over to the law, says Operation Game Thief coordinator Dan Pursley, of the Department of Game and Fish.

"It's becoming more and more likely each year that someone's liable to turn a guy in for violating a game law," said Pursley. "Some people want the reward they can get from Operation Game Thief. Others don't care about a reward, but are just fed up with losing deer and getting a bad reputation because of the poacher."

To report a violation, he suggested that a sportsman who sees one immediately contact a Game and Fish, State Police, Sheriff or other law enforcement officer, or call Operation Game Thief at 1-800-432-4283.

"The single most important detail, especially when the poacher's name isn't known to a caller, is a vehicle license number," Pursley said. "In addition, we need as many details as possible on the time, date and location of the crime, where contraband meat may be stored, and, when possible, names, addresses and descriptions of suspects. The alert person can record numerous details that can lead to solving a case."

### NOTICE TO HUNTERS

The E.T. Bond Livestock Co. Ranch 16 miles south of Corona and the Red Lake Ranch on Highway 54, 15 miles north of Carrizozo, New Mexico have been posted against hunting and trespassing. Please observe posting.

AMERICAN EDUCATION WEEK was observed by Carrizozo Municipal

Schools Tuesday night and the Mid-School Chorus provided some en-

tertainment at the festivities. Instructor Veda Lou Stephenson (far left) on piano.

## American Education Week

*"Education can turn things around"*

American Education Week has been observed November 12-18 throughout the Carrizozo schools and was planned to draw attention to the accomplishments of the educational community as well as the problems and challenges that lie ahead in education. This week is sponsored by the National Education Association, the American Legion, the National Congress of Parents and Teachers, the U.S. Office of Education and more than 50 other organizations.

Mrs. Jetty Jo Paul, CTA president, commented, "Parents can help motivate children to learn and this week is designed to bring parents closer to their children and the schools. There are several things beside participating in American Education Week activities that can help students learn."

According to Raymond J. Wlodkowski, some ways to motivate children are:

---Acknowledge and celebrate your child's effort in learning. Any comment that says "I like the way you try," can help a child see that effort is something to cherish in the process of learning.

---Get involved in your child's school.

---Actively demonstrate your value for learning. Can your child see that you are still a learner? Do you read books, go to the library, write letters, or attend local school functions?

---Consistently offer your child, a sincere expectancy that she or he can learn effectively.

Children will continue to learn until they stop believing in themselves."

The theme of this year's observance is, "Education Can Turn Things Around" and is aimed at stressing joint efforts between parents, concerned citizens and teachers to make improvements in education and to increase educational awareness.

### Accreditation Approved

## School Board Hit With Concerns

The Carrizozo School Board's monthly meeting was heavily attended by parents and teachers. On the agenda was the North Central Accreditation Association affiliation. The Board of Education asked for a report from the superintendent. The report from the superintendent stated that none of the colleges in the area required North Central Accreditation, in fact none that he could find required it.

The Board thanked him for his report and without further comment Richard Vega moved to join North Central Accreditation Association. Stirling Spencer seconded the motion and it passed unanimously.

The item on the agenda that took the most time was a request by Mr. and Mrs. Frank Montoya to speak to the Board.

A list of concerns were presented to the board. These concerns were given to the board when, as Mr. Montoya stated, "I tried to work these things out with Jim Stehnpries and Mr. Wilkenson, but they didn't want to take action."

Quite a few concerns about the handling of children in the different programs at the schools were aired, but most of the concern on the Board's part was in the handling of the concerns since the alleged violations were already prohibited in the student handbook. Because of this the teachers in question were not questioned by the Board, but rather the superintendent and the principal were questioned as to how they handled the concerns of the parents.

A controversy of what the administration had said to the parents and what the parents had said to the school officials was discussed by the Board and then the Board went into Executive session for 35 minutes. Executive session is a legal meeting that the Board can hold closed to the public so that they can discuss matter that pertain to personnel.

Upon returning to the regular meeting room and restarting the regular meeting Board Chairman, Ray Wells, stated that the Board would do two things. Absolutely stop the

problems with the children that were stated by the concerned parents, and see to it that if the parents want one of the Board members to come to the meeting with the administration, teachers, and parents, the entire board has volunteered.

Chairman Wells stated, "All we are trying to do is take care of the problem. This seems like the best way to do that."

Several of the parents at the meeting vowed to take a wait and see attitude to the board's solution.

Other items at the meeting included:

---A report that the roofing of the old gym was inspected by the superintendent and Wesley Lindsay. Both stated that the job looked good.

---The new copy machine was announced to the Board a B. Dick 990. The board was shown that it would print on any surface such as shopping bags.

The requested funds for the track work on the Hondo, Capitan, and Carrizozo track was turned down by the Federal Agency.

## Capitan Requests For \$1.4 Mil

A \$1.4 million request to the Capitol Outlay Committee by Capitan Superintendent Richard Clifton was reported to the School Board recently.

Clifton stated he placed the request at the recent committee meeting in Albuquerque. He added that the total amount from all schools requesting for the 1978 legislature is \$47 million. The amount available will be about \$5 million.

"There will be priorities for those schools that pass their bond elections," he said.

"If we get the \$1.4 million in 1979 then we will ask for the money again the next year," he stated.

Pat Huey, board member asked if the architects were at the meeting. "No," Clifton said.

"Then we saved a million," Huey replied. "Seems like very time they come this new school will cost another million."

The Board also reviewed the proposed land exchange with the Forest Service. Dist. Forest Ranger Paul Gordon write a letter informing the Board that the work station occupies 6.2 acres, which includes 1.2 acres of highway frontage.

Gordon suggested the school not have the Forest Service purchase the land because this might result in the heliport base being moved out of Capitan.

He also stated the need for any property exchange to have access to water and electricity.

Discussion led to the possibility of having someone donate the needed land. Ralph Pearson and Jackie Spencer were both mentioned with the Board agreeing to ask Ralph Pearson if he would be willing to either sell or donate.

Discussion of bus routes and the boundaries with the Ruidoso School System settled a question concerning this. Clifton stated the boundary is at the bottom of Alto Hill with the Forest Heights Road line. It was stated that the Alto bus often parks there to Ruidoso's dislike.

Clifton explained that the Alto area, including Sun Valley, was in the Capitan School district, although Ruidoso School Systems buses students from that area.

A request to submit a proposal of \$1,792 for title IV Funds was given to the board for approval. This money is to be used for library and general materials. Clifton cited examples of material usage. He said that more than half of the year's supply of paper has been used.

Board member Eugene Parker said, "teacher's shouldn't have to buy materials out of their own pockets."

Clifton replied he did not want that either but that a memo had been given to teachers to cut down of paper usage and that there should be more use of chalk boards.

Clarification of the leave policy was given. Each teacher is to have one day of personal leave with no yearly accumulation. The leave must be shown to be necessary and must be approved by the Superintendent. In case of leave,

a substitute teacher must be paid by the school.

A time change for board meetings from the present 7:30 PM to 7:00 PM was approved. Also approved was a student release to Hondo Schools and PL674 for \$2800. There was some discussion about the eligibility of those students whose parent(s) work on Federal Lands. This includes ranches which lease Federal grazing land.

A request for matching funds from the school to those raised by the Athletic Club for two side goals was given. The cost of the goals was listed at \$2000.

Finally the board deliberated on the reinstatement of the ski program. Mr. Branum told the board that \$750 will be donated for a bus which is bonded and licensed to take students to the new ski run in Alto. The ski run has offered a special deal to students which will cover rental of skis and boots and lift tickets.

Last year students rode with parents to Sierra Blanca where they skied with boots and skis provided for \$5. The program consisted of designated afternoons when students were given excused absences.

Board member Richard Phillips stated there were problems with that because the days were decided by the ski run and were not consistent. He added that a bus would help ease the lack of transportation to the ski run.

Clifton also cited problems. "The school cannot take the sponsorship of the ski program and a teacher's release would result in one off, all off."

He explained the school could not sponsor because of the high liability involved. He added that last year there was a problem among the teachers. Some complained that if one teacher goes, then everyone should be given time off to go skiing.

Clifton said the only way to have a school sponsorship would be to have a ski team and then only if there is a program listed with the New Mexico Athletic Association. "Then there could be competition," he said.

The board agreed the program was good and should be continued. They approved of students releases for the ski program and agreed to begin surveys of students.

The meeting closed in agreement that the program be continued.

### My Time

by Mike Swickard

In the news this week the College of Santa Fe. And once again it is one of their press releases that has caught my eye. Seems they have a basketball team at this school. This school that stresses that if you want to go there they will find a grant for you. They said in a previous release that 83 percent of the students at the College of Santa Fe are on Financial Aid. Well anyway in this release in the 1978-79 'Fighting Knights' Basketball team was lauded for their coming season. Now what caught my interest was where these players are from, answer.....

New faces on this years squad include: Harold Goodson, 6-8 sophomore and Dwayne Rogers, 6-8 junior, both from Los Angeles; Al DeCarolis, 6-7 sophomore and Mike Williams, 6-4 junior both from Pittsburgh; Barry Newton, 6-4 junior from Farmington; Kevin Odoms, 5-11 junior from Hartford, Connecticut; Dewey Rivers, 6-8 senior from Houston; and Jeff Bryant, 5-7 Freshman from Bronx, New York.

Returning letterman include Morris Batts, 6-4 senior and Larry Kimble, 6-0 junior both from Los Angeles; Dan Donahue, 6-11 senior from Arlington Heights, Illinois; Tim Dowdell, 6-1 senior from Lakewood, Colorado; Jim Lowrey, 6-2 junior from Denver; Ozzie Lumpkin, 6-2 senior from Buffalo, New York; and Kevin Neal, 6-7 senior from San Francisco.

.....It seems a waste of our tax-payers money to import athletes when we the tax-payers are subsidizing the entire College of Santa Fe program 83 percent of the Student Body, and many motels and gas stations in other parts of the country, that the recruiter goes to.

What amazes me is that with that good a scam going for them at the College of Santa Fe, why are they sending out all of these news releases, at tax-payer expense. One of these days someone with some sense in Santa Fe will realize what these pikers are doing and throw the rascals out. Of course that is if there is anyone in Santa Fe with any sense. MS

### FROM THE CRICKET . . . .

## No Zozo-Ruidoso Games

Rejoice, dear hearts, for the football season was not all lost for the Carrizozo Grizzlies. In Tuesday night's school board meeting the Ruidoso Warriors have decided to end their games with Carrizozo because they will be playing 3A ball next year.

The letter stated that if they would win against a 1A school it would not

prove anything, and if they were beaten it would not be good.

This leaves the Grizzlies winner of the last meeting of the Ruidoso and Carrizozo teams. Carrizozo had a 6 point scoring spree in the fourth quarter of that game to win 6 to 3.

Now in last week's game against Melrose, one thing should be noted. Quarterback Rudy Samora suffered a broken collarbone in practice last week and missed the game, so the 22 to 0 score should be viewed in that light.

The football contest had a winner with the 22 to 0 guess. A tough player when he was playing for Carrizozo, Christy Monnreel proved that he could predict the score with the best. He hit the correct score two weeks ago and again this week. He has a \$25 check waiting for him at the NEWS office.

The NEWS wants to thank all of the Football contest sponsors for their support. We calculated that we averaged 585 guesses per week for a total of about 5,000 guesses. And they say we don't have spirit.

Two teams from Lincoln County will be playing in the state Volleyball tournament in Silver City. Capitan will play Navajo Mission while Corona takes on Maxwell. Good luck to both teams and lets hope it is an all Lincoln County Finale.

# SCHOOL NEWS

By Jetty Jo Paul,  
Counselor

**SIX WEEKS ENDS:** Friday, November 17 is the end of the 2nd six-week period. Report cards will be distributed on Monday, November 27.

**SCHOOL DAY PICTURES:** Retakes and pictures of students who were absent will be at 1:00 p.m., Friday, November 17 in the Conference Room.

**TEACHERS:** Mrs. Salgado returned to the classroom last week. CTA served coffee for parents in the Home Ec. lounge during Open House on Tuesday.

**YEARBOOKS:** Yearbooks are now on sale. Final day to purchase a yearbook is December 1. Total cost is \$8.50, but a \$5 deposit will hold your yearbook. See Mr. Salgado or a member of the yearbook staff.

**LUNCH MENU:** Friday, Nov. 17 - Beef Stew, Chef Salad, Combination Salad, Hot roles, fruit, milk; Monday, Nov. 20 - Hot Dogs, Chef Salad, Soup, French Fries, fruit, milk; Tuesday, Nov. 21 - Ranch Style Beans, Chef Salad, Hot roles, Spanish rice, fruit, milk; Wednesday, Nov. 22 - Fried Chicken, Mashed Potatoes, Gravy, Bread, fruit, milk.

**MATH CONTEST:** Debbie Kay Gallacher, Alex Serna, Kevin Wilmore and Kelli Vigil participated in the 1978-79 New Mexico Mathematics Contest sponsored by the American Council of Mathematics, the New Mexico Council of Teachers of Mathematics and the UNM Department of Mathematics. The test was given on Saturday, November 11 by the Carrizozo Department of Mathematics. The final round of the contest will be in February, 1979 and will include the top 150 students from around the state including the top ten from each of the grades seven through twelve. The format of the test emphasizes problem solving rather than achievement. Some of the problems (less than one-half) may involve some algebra and very elementary geometry. The New Mexico Mathematics Contest awards two or three scholarships to graduating seniors, based upon how well the student has done in the contest and their high school academic records.

**ALL-STATE TRYOUTS:** Cathy Hemphill and Kimberly Vallejos were in Las Cruces at NMSU on Wednesday,

November 15 for All-State Choral competition. Cathy, accompanied by Kimberly on the piano, sang a standard choral repertoire. The competition was judged by various musicians from the universities throughout New Mexico. Mr. Mike Hogeboom accompanied the girls to Las Cruces.

**BAND:** Band Boosters met on Tuesday night, November 14. Band members and boosters are busy selling raffle tickets for food baskets to be given away on November 20. Boxes have been located throughout the community at different stores for people to make food donations. These food baskets are the ones that will be given away on November 20.

## Brownie Troop

Carrizozo has a new Brownie Troop; Troop 12! Girls of the ages of six and seven were invested into the World Association of Girl Scouts Thursday night, November 2nd at the School Conference Room. Girls invested were - D'rese Aguilar, Rosenda Belmonley, Tina Chase, Jonna Gibson, Marcia Hefker, Lisa Hightower, Denise Hill, Rachel Monrrael, Cathy Najjar, Connie Najjar, Deane Najjar, Stacey Ortega, Suzanne Saucedo, Shaun Turnbull, and Seretha Wilkinson. Troop Leaders are: Brenda Monrrael, Susan Hightower and Francis Moreland.

## At Boxing Tourney

Leroy Silva, Frankie Silva and Gabriel Chavez returned from Magdalena from a boxing tourney with wins for Leroy and Gabriel, with Frankie losing in a well fought bout, shown with assistant coach Louie Ortega. This Saturday, Nov. 11 there will be a boxing invitation at Carrizozo old gym. Plan to attend.

## Zozo FFA'ers Attend Convention

On Monday November 6, three members from the Carrizozo FFA Chapter; Maurita Lovelace, Mona Payne and Lisa Ferguson departed from the Albuquerque International Airport to attend the Golden 50th National FFA Convention in Kansas City, Mo.

The members arrived at the Kansas City Airport after an exciting plane ride and were taken from the airport by charter bus to the Dixon Inn where the New Mexico members would be staying.

The convention began early Tuesday afternoon when the members attended a tour of the Agriculture Hall of Fame and Co-op Experimental Farm. Tuesday evening was occupied with the National FFA officers holding Vespers Service for all FFA members.

Wednesday morning the members were entertained by an ambassador from Disneyland who brought her special friend, Mickey Mouse, who addressed the convention in celebration of his 50th birthday.

Wednesday afternoon, Mona, Lisa and Maurita attended the unveiling of a golden anniversary FFA emblem and plaque in dedication of the Kansas City Convention Center. Wednesday evening the members attended an official business session which featured Kyle Rote, Jr. as guest speaker.

Thursday began as a normal day until that afternoon when political protestors moved into the area and staged a protest prior to President Jimmy Carter's visit to the FFA Convention. The members stated that the protest was a scar to the convention but was handled well by the Kansas City Police force.

Thursday afternoon the members visited the New Mexico Exhibit Booth at the Convention Center as well as other state booths that were on display.

Friday morning the members had an entertainment session where special guests were comedian Jerry Clower and singers Pat and Debbie Boone.

Friday afternoon Lisa, Maurita and Mona attended FFA Day at the American Royal Rodeo. Friday evening brought the "Stars Over America Pageant" where outstanding FFA members from all over the United States are honored.

Saturday morning the FFA'ers left Kansas City airport at 10 am and arrived back at Albuquerque at 10:45. Lisa, Mona and Maurita had an interesting report for the other FFA

members in the Carrizozo Chapter and stated to them that the Convention was very exciting and an enjoyable ex-

perience. Maurita Lovelace, Carrizozo FFA reporter.

ATTENDED FFA CONVENTION - National Convention in Kansas City, Lisa Ferguson, Mona Payne and Missouri. All the girls reported a exciting and enjoyable experience. Maurita Lovelace attended the FFA

# Exploding Welfare Myths

NEW MEXICO HEALTH AND SOCIAL SERVICES DEPARTMENT

One of the most difficult burdens people in poverty must endure is the stereotyping of poor people as lazy, indolent persons who are poor because they don't want to work, use their money for the wrong things, or have some other inherent fault of their own.

The "work ethic" which has dominated a great deal of American thought since the founding of our country has served us well. But it has also led to a prevalent view that anyone who tries hard enough can "make it" on his or her own.

Yet, thousands of poor people are elderly people who have worked their entire lives and slip into poverty in their later years because of inflation and the spiraling cost of medical bills. (32 percent of the persons who receive Medicaid from the State are aged, blind or disabled. Yet, their medical needs account for 62 percent of the total cost of New Mexico's Medicaid expenditures.)

Many other thousands are children whose futures are threatened because of early deprivation.

Over half of the Nation's 5.3 million poor families in 1971 were headed by an employed person - the working poor. While lack of employment is often the cause of poverty, employment itself does not guarantee an adequate income.

A person heading a family of four today, making the state minimum wage of \$2.30 an hour, will earn \$4,784. That is more than \$1,000 less a year than the poverty level of \$5,850 set by the U.S. Government for a family of four.

For the person or family on welfare, the stigma is even greater. Who hasn't heard the stories about the welfare chislers, the rip-off artists, and the welfare Cadillac?

What is the truth? Are poor people poor because they are lazy?

Are families on public assistance because they refuse to work?

Do welfare recipients drive Cadillacs at public expense? Let's look at some of the MYTHS and FACTS.

**MYTH:** The welfare roles are full of able-bodied loafers.

All employable adults on state welfare (Aid to Families with Dependent Children) are required to register and actively seek employment, either through the Food Stamp Program or the Work Incentive Program (WIN) which operates county projects in the most populated areas of the State. Most are mothers who do not have a husband (due to death or absence) to help them with demanding family responsibilities. Children 16 through 18 years of age and not in school, also, are required to register for work. Interestingly, one third of those who register for the WIN Program and volunteers who, otherwise, are exempt from the work program.

A lot of people who receive some cash assistance do work. Almost 5 percent of the families receiving Aid to Dependent Children in New Mexico are headed by workers, but their wages are so low that they qualify for some welfare funds.

**MYTH:** Why work when you can live it up on welfare.

The maximum cash grant payment for a family of four in New Mexico is \$220 a month or \$2,640 a year. Even when food stamps are added, the yearly income would be equal to \$3,972; more than \$1,878 below the poverty level of \$5,850 set by the Federal Government. This figure does not include various family medical expenses paid by Medicaid.

The latest statistics issued by the U.S. Labor Department indicate that a family of four needs more than \$10,000 to maintain an austere standard of living. On far less than one-half that amount, it is almost impossible for a

welfare family to purchase basic necessities — LET alone "live it up."

**MYTH:** Welfare families are loaded with kids and have more just to get more money.

The majority of welfare children were conceived or born before the family applied for assistance.

In New Mexico there are an average of 2.3 children per AFDC family.

The birth of a child would result in an additional payment of about \$34 a month for a family — about \$1 a day — hardly enough to meet expenses for that child.

In New Mexico, families with 3 children or less account for over four-fifths of the families receiving welfare — 82.3 percent. Families with 8 or more account for only over one percent — 1.65 percent — interesting?

**MYTHS:** Give them more money and they'll spend it on booze, drugs and big cars.

A survey of welfare families, nationally, shows that if they received any extra money it would go for essentials. Half of the mothers would spend it primarily for food. Another quarter said they would spend any increase on clothing and shoes. Forty-one percent (42) of mothers bought used clothing or relied on donated clothing to make ends meet. Seventeen percent (17) of mothers said their children occasionally stayed home from school because they lacked decent clothes and shoes.

Nearly ten percent (10) of the mothers in the survey said they would spend extra money on rent for better housing, and thirteen percent (13) said they would spend it on a combination of food, clothes, and rent.

**MYTH:** People on welfare are cheats.

Audits of the New Mexico welfare rolls during the first half of 1977, found that 2.3 percent of welfare cases were "ineligible," compared with the national average of 5.5 percent.

And some of that 2.3 percent are families who are truly needy, but are listed as ineligible because some kind of human or technical error was made in documenting the case — NOT cheating.

Nationwide, studies show that only four out of every 1,000 claims are fraudulent — a better average than for persons filing income tax returns.

Perhaps the real point of this myth

is that for America's 15 million welfare recipients, the welfare system is the fraud, and poverty the only reality.

The prevailing honesty of the vast majority of welfare recipients in the face of continued poverty and deprivation is remarkable.

**MYTH:** Once on Welfare, always on welfare.

This is one of the most prevalent stereotypes about people on welfare, but let's look at the facts.

In New Mexico, 49 percent of AFDC families remain on welfare for less than 13 months. About 80 percent go off assistance in 3 years or less. Nationally, only about 7 percent are long-term cases and a disability is usually the

primary reason.

The most important factors in determining a family's ability to become self supporting are education and job skills.

With the high rate of unemployment that has existed in recent years, it is increasingly difficult for people on welfare — the majority of whom have little education and few job skills — to compete in the labor market. Yet, during 1977 the State WIN program helped some 2830 recipients find jobs enabling 1000 families to leave the welfare rolls and another 1750 families to require a lesser amount of cash assistance because of their earned income.

## Ernie Mills

**Santa Fe—**Keeping the record straight: Check back in our recent columns and you'll see where this newsman predicted the gubernatorial contest between Democrat Bruce King and Republican Joe Skeen 'could end up with as few as four thousand votes separating the victor from the loser—in fact the final margin could be under two thousand votes.'

Of course, the results won't be final until the State Canvassing Board gets together to certify the accuracy of the county-by-county returns...and, it may be questionable for awhile what will be the outcome to the contention their party lost several thousand votes because of voting machine problems in

the Bernalillo heights.

As this column was being written, the figures from the Secretary of State's Office showed King with 174,180 votes compared to 169,093 for his opponent Skeen.

That makes a difference of 5,087 and if that holds up, we'll be 1,087 votes off our prediction.

Our predictions also showed Demo Attorney General Toney Anaya much closer to his Republican Pete Domenici in the contest for the U.S. Senate—and as far back as the convention of the New Mexico Press Association, Albuquerque Pete confided he thought our prediction was much more accurate than some of the highly-publicized polls.

The polls were giving Domenici something like sixty per cent of those polled to thirty per cent for Anaya with ten per cent undecided.

Our crystall ball showed Domenici with fifty-five per cent and Anaya forty-five per cent, with chances good Tough Toney would close the gap.

Late figures from the Secretary of State showed Anaya with forty-six per cent of the vote compared to fifty-four per cent for Domenici, which has to be considered something of a victory for Anaya considering the size of Domenici's war chest and the shoe-string campaign Anaya had to operate.

Chuckles: A long ways back, this column noted the number of automobiles parked in the lot at the PERA building with Joe Skeen for Governor stickers on the bumpers.

It was obvious, there were many more Skeen stickers in that lot than King stickers...but not so the day after the election. In fact, we didn't see one Skeen bumper sticker on a parked car in that lot.

The chuckle is that not only do the newsmen check the bumper stickers, but the candidates campaign forces as well. But the campaign people wrote down the license plate numbers and they know who the owners are!!!

New Mexico politics—it's wonderful.

**Booze Boss Chatter:** Round Housers are wondering about the future of longtime state liquor director Carlos Jaramillo. Carlos has been booze boss since 1971 when he was appointed by then Governor Bruce King.

Some speculators say Jaramillo's differences with the Organized Crime Prevention Commission make him a controversial figure that must be evaluated twice in his present job. They expect Jaramillo to transfer out of his liquor post into another government area - possibly law enforcement.

Some birdies say New Mexico Retail Association Director Bob Gold would make a strong liquor director.

Gold carried a blue ribbon citizen panel which studied New Mexico's liquor laws in-depth and held statewide public hearings on possible changes in those laws.

The birdies also say that Gold, a former broadcaster, has the personality and public image needed to make the red hot agency to from the public relations viewpoint.

But Gold has been with the Retailers for a number of years and the insiders figure it would take alot to pull Robert from his present Santa Fe duties.

**Coalitions Forming:** Birdies say coalitions of support are forming within at least one agency of the state government - hoping to convince Governor-elect King that he should appoint a certain person as cabinet secretary.

But while support is gaining for retention or replacement of certain key people in the government, those involved should make no mistake - Big Bruce will make his own decisions!

Insiders said before King and his family left on a post-election vacation, one key staffer asked the chief executive-elect what should be done with the numerous verbal and written requests for employment within the new administration.

Veteran King said those seeking employment should be asked to submit a resume and reminded the King administration will not take over the reigns of government until January 1.

**Wrong Precinct:** The last campaign weekend of the 1978 general election found numerous political volunteers disseminating voter information statewide.

One volunteer, taking information packets from house to house, dropped off some literature at the home of a Santa Fe newsmen. The packet contained 12 pieces of literature about republican candidates.

But here's the kicker: Most of the literature touted GOP BERNALILLO county candidates...and they were being given out in Santa Fe.

And that's why we call it the Merry Round House!

## Register By Mail; Avoid Long Lines

**SANTA FE—**The Motor Vehicle Division, of the Transportation Department has just released information today concerning the 1979 re-registration program.

Motor Vehicle's re-registration process began October 23 when over 320,000 renewal notices were printed. Mailing of these was completed Monday, November 5. The second mail out will commence on the week of November 13 with another 300,000 renewal notices to be printed. The remaining, consisting of approximately 400,000 renewal notices, will be printed and mailed on the week of November 20.

Renewal forms for special plates, such as prestige, ham radio, etc. Will be mailed out the third week in November.

Individuals who are veteran handicapped will receive their Certificates of Registration by December 15, or shortly thereafter.

Jerry Manzagol, Motor Vehicle Director, urges vehicle owners to take advantage of the registration-by-mail program to avoid waiting in line at the field offices after February 15 and the final re-registration deadline is March 2 at all motor vehicle field offices.

Mr. Manzagol indicated that motorists who use the register-by-mail program should review the information on their billing statement and then return the statement with payment to the MYD headquarters in Santa Fe.

"In return," Mr. Manzagol said, "vehicle owners will receive their 1979 Certificate of Registration and a sticker which is to be affixed to their vehicle's present license plate."

Mr. Manzagol noted that the stickers (white background with black lettering) are, by law, not to be placed on the vehicle plate until December 15.

Individuals who have not received their billing statement for re-registration of their vehicles by December 1, or have questions concerning information on the billing statement, or any re-registration problem, should contact their local Motor Vehicle field office, or call TOLL-FREE 1-800-432-9755.

# Capitan

by Margaret Rench

By Margaret Rench

Yes. We have had moisture. 1/2 inch of good slow rain. This last week. It is much cooler now though there are lots of leaves on the trees.

It is good to see the snow on the Sierra Blanca Peak as we do. This good moisture, everyone does appreciate. The ranchers are very happy as they did report election day.

That day was warm and quiet. Our first high wind was the 8th. It was chilly too. Did feel like November.

Election Day is over. I am very proud of my community as they really did come to do their duty. Kept both voting machines very busy all day. Our beautiful people. Such a lovely group of election officials. I always do enjoy my work with all of them and enjoy meeting all of the good people whom I do not see to often. I get so much happiness and do enjoy the work.

This week marks the second anniversary of our beloved Smokey the Bear. Thousands of people have visited his grave, old and young. We are very glad to pay tribute to our Fire Prevention Symbol. There has been over 1000 visitors this month. The Smokey Bear Historical Park continues to progress inspite of the rain.

Hunters started coming in November 3rd. For the first hunt and there were lots of them in all kinds of vehicles. Some with horses. Seems there were some lucky ones too. Monday November 6 they started coming in for the second hunt. Truly lots of traffic.

The Alpha Delta Kappa met at the home of Genevieve Duncan last week with Louise Ferguson and Angie Province as hostess with her. They had a nice crowd.

The Capitan Extension Club met Thursday October 19 and made table decorations and centerpieces for Thanksgiving. At the next meeting November 16 everyone should bring a Christmas Craft idea to share.

Mary Ellen Payne, our Lincoln County Extension Home Economist will have available a selection of Craft ideas for various holidays. The meeting will be at 10 a.m. at the Fair Building.

The Capitan United Methodist Women are holding their annual rummage sale at their Church November 15 thru 18.

The Athletic Club will hold their monthly meeting November 16 at the School Cafeteria. At 7 p.m.

Mr. and Mrs. W.T. (Pug) Eckland of Maryfield, California have returned to Capitan to make their home. Welcome home dear ones. They are

building a new home in the subdivision.

Mr. and Mrs. Gerald Dean, Sr. visited his mother Mrs. Robert Dean at the St. Mary's nursing home in Roswell last Sunday. She is doing nicely.

Johnson Stearns, all of us your friends are sending the very best wishes for your good recovery. Follow your Drs. advice. Easy does it. Sincere Prayers by the millions are going out daily. We do care.

Frank English Sr. and Albert Snow entered the Medical Center in Roswell Wednesday November 1. We want them to know their friends too are many and we are sending out those good wishes for their good recovery also.

Friends of Olin Booher gathered at their new building which was just finished last Saturday night for a fish fry and birthday party honoring his birthday. There was good music. A birthday cake enjoyed by lots of people. I do wish you many more very happy birthdays, Olin.

Mr. and Mrs. Eddy Jones took his grand mother Mattie B. Jones on her 90th birthday November 6th to Ruidoso for evening dinner out. She was just bubbling with happiness and enjoyed it all. His parents Mr. and Mrs. Paul Jones joined them for this occasion.

Her Church The Baptist Church of Capitan called her to the front and sang Happy Birthday to her. She is in good health and does her own work and keeps her home and does just great. I do wish

her continued good health and happiness for many years.

Then we do have another dear lady Mrs. Lee Anderson who had her 80th birthday November 10th. I do wish her many more good healthy birthdays.

Mr. and Mrs. Jerry Horton returned from Casa Grande, Arizona last Sunday evening after a few days business and visiting there.

Jonelle Lucas went home to Carlsbad last Friday after her several days visit with her sister Mrs. Howard Wright.

Our Capitan girls won the District VolleyBall games. They are playing a good game and we do urge them to continue that for we are proud of them.

Our Mayor Don Stark and his sister Mrs. W.L. Baker were called to the bedside of their mother last week. She passed away. Her home was in Amarillo, Texas.

Mr. and Mrs. Fred Meyers of Marysville, California visited his sister Mrs. Ysabel Aldaz while enroute home from a three days visit with his parents Mr. and Mrs. Raymond Padilla.

Mr. and Mrs. C.W. Morgan recently did enjoy a delightful two weeks vacation to Zion National Park thru Nevada and Utah. They stated it was fabulous far beyond anything they had ever imagined.

They at this time are adding more to their home. They made a business trip to Albuquerque last Tuesday.

Cow Belle, passing out beef treats to kindergarten class L to R: Mrs. Clint L. Sultemeier, Chairman of Farm City

Week Corona Kindergarten Class Mrs. Bill Bryan, Kindergarten teacher.

Corona residents read Farm City Week proclamation signed by village mayor, Lee Mulkey. The 1978 theme is "Partners in Economic Progress." L to

R: Mayor Lee Mulkey, Mrs. Lee Sultemeier, Mr. Roy Cason, owner of Corona Trading Company.

## CowBelles Celebrate Farm-City Week

New Mexicans will be celebrating Farm City Week November 17th-23rd. The purpose of Farm City Week is to develop a basic understanding among people concerning the roles of land, labor, capital and consumers. The 1978 theme is 'Partners in Economic Progress.' We all need each other to survive. Farm City Week salutes this example of cooperation and interdependence.

The Crown Cow Belles will be treating Corona students and teachers to beef snacks during Farm City Week. They also plan a television 'Beefcast.' Farm City Week ends on Thanksgiving Day. Crown Cow Belles invite your participation in Farm City Week and wish everyone a Happy Thanksgiving.

## Highway Employees In Roswell District Honored For Safety

Highway Department officials honored District 2 employees for outstanding safety and service records at a ceremony in Roswell Wednesday, November 8. Highway Commission Chairman Jim Denison, Chief Highway Administrator Fred L. O'Cheskey and District Engineer J.J. "Buddy" Hewett presented the awards.

The district itself received an industrial safety award. Three crews will be given awards for the best statewide safety records in their particular categories while 16 crews will be cited for one or more accident-free years of work. Receiving individual safety awards will be 47 employees having a total of 570 accident-free work years. Service awards were given to 53 employees with a total of 705 years of

employment with the road agency. A group of five recently retired employees were honored for their service which amounts to 75 years.

### SAFETY AWARDS

District 2 has earned the District Industrial Safety Award for the fourth consecutive year. The award is given annually to the district with the best industrial safety record among the five operating districts. The traveling plaque will be presented to the district engineer.

Three separate crews have earned statewide honors for the best safety records in their work group categories. The district survey crew is one of the winners. Joe Burke is the crew foreman. Another crew award was

earned by the highway maintenance patrol in Carrizozo. Jose S. Vega is the patrol foreman. The third statewide crew award was presented to T.C. Henington, the foreman of the highway maintenance patrol in Hobbs.

A group of 16 District 2 crews or other work units has compiled a total of 73 accident free work years. A construction crew posted the best record. This crew, now headquartered in Loving, has completed 11 consecutive accident-free work years. Robert H. Stephens is the construction project supervisor in charge of the crew.

Twenty-five year service awards were presented to a group of seven employees. Included in this group were Albert H. Hernandez of Carrizozo, a highway maintenance crew assistant with the local maintenance patrol and Joe Nail of Alamogordo, a construction project supervisor.

The ceremony marked the 27th year of the Highway Department's safety and service award program. The ceremonies are held annually in the five operating districts and at the agency's general office in Santa Fe.

## A Bowl of Activities

From Nogal

The little Mountain Parish was bulging this last week, when all of Jody and Alva friends of the Sittons, came to share their memories with god. It was a special service; and Rev Crown gave a down to earth friendly and sincere talk to the congregation. Eva Zumwalt tied all spirits together with her soft and beautiful voice. She sang 'Near to the heart of God'. Then refreshments were served and the fellowship was enjoyed.

### Robie's Box

A hint of Independence  
Independence is a strong force in marriages and it should be treated right and with care. Many marriages become richer, through individual independence, but others break up; here are some tips to help this situation.  
1 Make sure you're not trying to be independent as a way of avoiding responsibilities.  
2 If you demand independence from common tasks or home chores before they are fulfilled you're behaving irresponsibly.  
3 Establish 'free time' periods for yourself and your spouse.  
4 On paydays, put aside a little money that each spouse can spend with out having to account for.  
5 Don't make social arrangements without consulting your spouse.  
6 Plan to make major decisions jointly, such as the handling of children, and religious plans.  
Do You Know?  
1 The fellow in Nogal who say's 'A

perfect and spotless house creates a waste of the mind.  
2 Do you know the pretty blue eyed daughter who gave her Dad a Bike-a-lope.  
3 That Johnson Stearns is feeling much better and should be home by now.  
4 That one lady in Nogal has lost 12 lbs - very good.  
5 That several working girls meet and weigh in on Monday's in Carrizozo. Call Liz.  
6 That there is a real parade that follows Louis Caraveo to get the mail every morning. First the St. Bernard, the little Shelly, 11 chickens, a rooster, two turkeys, and sometimes a bull snake.  
A bit of humor; wisdom, and thoughts:  
A husband told his wife that he was adamantly apposed to buying a water bed. 'When I get into bed at night,' he said, 'I'm looking for comfort, not Victory at Sea!'  
President Jimmy Carter apologized to the members at the meeting. He said he was delayed because he met Alex Haley - the author of 'Roots', coming in the hall and he made the mistake of asking him about his family.  
People who tell you never to let little things bother you have never tried sleeping in a room with a mosquito.  
There is a foolish corner in the brain of the wisest man.  
An ounce of enterprise is worth a pound of government aid.  
Men may doubt what you say, but they will believe what you do.

## Vega Serves On Temporary Duty

Private Edward Vega, Jr., son of Mr. and Mrs. Edward Vega, sr., of Carrizozo. A 1978 graduate of Carrizozo High School, now in the Army, recently served on temporary special duty at the US Army recruiting station in Roswell. Private Vega has completed his basic and advanced training at Fort Dix, N.J., and is now stationed at Fort Riley, Kansas.

**Marian Schlarb**

Thanks to everyone for concern shown during my recent stay in hospital. Your cards, inquiries to my family, flowers, and all the rest were appreciated and will always be remembered. You are the greatest people anywhere.  
Johnson Stearns

## In Old Lincoln Town

Recently Mr. and Mrs. Christobal Zamora and Betty Shrecengost went to Santa Fe for a weekend. The Zamoras son, Christobal Jr., was honored with a big retirement party given by the Forest Service Department with whom he had worked for a long time.

Bill Shrecengost, Sr. is still with the Forest Service Department in Santa Fe.

Betty Shrecengost was in the Ruidoso Hospital for several days last week. She is at home now and feeling better.

I enjoyed having tea with Gary, Dee and Doug Miller Sunday afternoon. Joe Pfingsten and a friend and Pete, Jan and children visited the Clark Pfingsten last weekend and they really had a lot of fun together.

Harriet McGinnis enjoyed a weeks visit with her daughter and her husband and children, who live in Big Spring, Texas.

While there they were invited to Midland one day to have dinner with a friend.

We in Lincoln, were also very proud of the Capitan and Lincoln girls Volleyball team.

Edward and Ruth Penfield and

their sister Julia Reidy of Albuquerque made a business trip to San Francisco, Calif. and had a wonderful time.

Ruth and Julia stayed over for a day or two and saw "Sound of Music" at a theatre there.

## Around Town & Surrounding Areas

The Baptist Church will present a Thanksgiving music program on November 22 at 7 p.m. The public is invited.

Viola Ortiz, from Albuquerque was the winner of the crochet afghan made and donated by Mary Silva for the Robert Portio benefit dance November 4.

Dr. and Mrs. Dale Goad recently returned from a trip to Abilene, Texas where they visited with Sherry's parents, Dr. and Mrs. Ken Williams. They also attended the home-coming at Abilene Christian University where they both graduated.

Happy Birthday to Jetty Jo Paul today, November 16. Jetty Jo, who is a counselor at Carrizozo Schools and First Vice President of Carrizozo Woman's Club, also writes the informative 'Zozo School News' for the Lincoln County News.

George Sanchez of Las Cruces his son Karl and nephew Robert Cano stopped by the Nat Chavez residence last Saturday on their way back to Las Cruces. Karl got a 250 pound, 9 pointer the last day of hunting. George was satisfied with his 5 pointer.

Mr. and Mrs. Louie Ortega and family attended the Melrose-Carrizozo game last Friday night. They were accompanied by Sandy and Dino Baca and Linda Renny.

Dr. and Mrs. Craig Nelson are the parents of a baby girl, born Nov 8 at Gerald Champion Memorial Hospital in Alamogordo. Veronica Lynne weighed 5 pounds, 14 ounces.

Parents, grandparents and friends attended the Brownie investiture ceremony at the Conference Room on Nov 2. Susan Hightower is the group leader. She is assisted by Brenda Monreal and Frances Moreland. Brownies are the youngest Girl Scouts. They learn to get along in their group, to take care of themselves and to help their families and communities.

Harry Summers of Albuquerque executive secretary of the New Mexico Inter-Church Agency stopped by to share a cup of coffee and chat with Fr. Dave Bergs of St. Rita's Catholic Church last Sunday. Mr. Summers had been in Nogai, Ancho and Corona where he filled in the absence of Dr. William E. Scholes.

Zachary accompanied his parents to the Lincoln County Court House the evening of Nov 7 to vote. Zachary watched as former neighbor, Mary Lou Chavez filled in numbers at the Clerks Office as votes arrived from all over. If Zachary doesn't become a publisher, he might go into politics.

An Enchilada Supper will be held at the Methodist Church on Friday Nov 17 starting at 5 p.m. Tickets are \$2.00. The community is invited to attend this authentic meal.

Mary Holgrin former Zozo resident and Senior Extension Club member, now of Tularosa stopped to chat with Zachary and Mom election day in front of the post office. Mary who now lives in Tularosa was in town to vote. Some of her creative crafts can be seen at Catherine Cornett's Trading Post.

Berline, daughter of Mr. and Mrs. Carlos Gallegos celebrated her 2nd birthday on Nov 13.

The ladies of the Baptist Fellowship will meet Nov 20. Julia Hollis will be the hostess for the group which will meet at her house.

Emil Sanchez of Las Cruces and grandson Greg of Lakewood, California stopped briefly at the home of his niece, Mrs. Joe Ortiz. They were hunting in this area.

Birthday greetings to Becky Young Nov. 18, Mary Ellen Payne, Michael English Nov. 20, Refugio Najar Jr., Burton C. Smith IV Nov 21, John Porter, Cecilia Ortiz Nov 22.

The Church of Christ women enjoyed a Ladies Salad Luncheon in the home of Sherry Boud on Nov 8. The Devotional was by Mrs. Talley.

Leroy Silva and Gabriel Chavez returned from Magdalena with 1st place boxing trophies. Frankie Silva lost by decision, but fought well. Boxing Coach Nat Chavez, Mario and Judy Ortiz and Christetta Chavez accompanied the boxers to the Nov 11 Boxing Invitational. This Saturday Nov 18 at 7 p.m. in the old gym there will be boxing. Many out of town teams will be participating. The public is invited for an evening of boxing.

The Penny Art display will be exhibited through Nov 24 at the Carrizozo Art Gallery. They were judged by professional artists in El Paso. The annual contest was sponsored by the N.M. Federation of Woman's Clubs.

Adult art lessons are every Monday evening. School students meet every Thursday evening. A super Christmas gift would be to treat someone you know to art classes.

The United Methodist Women met Nov 8 at the Fellowship Hall. Jane Shafer, President of the ladies group presented the program. She was assisted by Agnes Hein and Irene Hayes. Alma Sherrill gave the Devotional honoring Thanksgiving. Annie Withers was in charge of refreshments.

Recent visitors in Carrizozo were Fr. Dave's sister Elaine Kryshark and his mother Mrs. Alex Bergs, both of Wausau, Wisconsin.

The Junior Extension Thanksgiving Basket will be raffled Nov 22 at Figgly Wiggly. Tickets are available from any member.

Several St. Rita parish women met Nov 12 at the rectory with Fr. Dave to discuss many upcoming church projects. The next scheduled get-together will be early in December. All

parish women are invited. A casual time was enjoyed by the women present last Sunday when they shared ideas and coffee. Mary Ellen Payne and Mary Vidaurri Chavez presented some terrific ideas which will soon be put into action.

The speedy recovery of residents Johnson Stearns and Salomon Sanchez are on the minds of fellow citizens.

Today, Thursday the Woman's Club will hold a noon luncheon. June Shafer is program chairman. The hostess committee headed by Sherry Goad were busy all week planning a delicious meal for persons attending the \$2.00 per plate meal and signing party featuring Norman Zollinger, author of Riders to Cibola!

St. Rita members will gather Nov 19 at 4 p.m. for a non-profit Thanksgiving meal and program. Dollar-a-person tickets are being sold to help defray the cost of the main dish: turkey. No tickets will be sold at the door and there is only a limited number available. Each family participating will also bring a covered dish. The following persons may be contacted for further info: Eileen Serna, Margie Zamora, Nena and Tammy Ortiz, Mary and Christine Chavez.

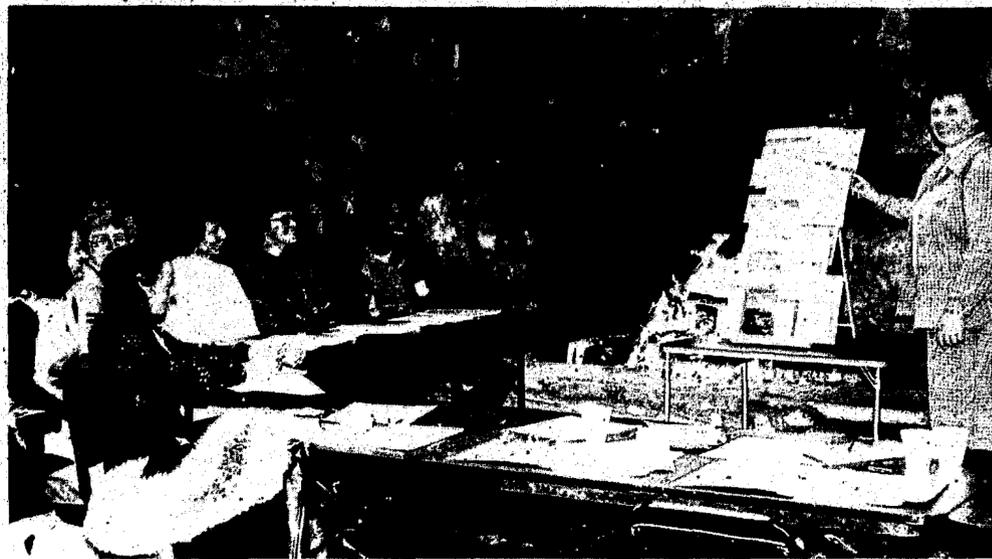

Scott and Rose Mary Shafer are the parents of a baby girl born Nov 12 at 11:45 p.m. in Alamogordo. Keri Marie weighed 5 pounds 10 ounces. She is the first grandchild of Mr. and Mrs. R.M. Shafer.

### Pvt. J. Beltran Completes Training

FORT BENNING, Ga. Pvt. Johnny Beltran, son of Mr. and Mrs. Juan L. Beltran of Carrizozo, recently completed seven weeks of advanced individual training at Fort Benning, Ga. The training included weapons qualifications, squad tactics, patrolling, landmine warfare, field communications and combat operations. This qualified him as a light weapons infantryman and as an indirect fire crewman.

He was taught to perform any of the duties in a rifle or mortar squad. Beltran entered the Army last January. He is a 1978 graduate of Carrizozo High School.

Left to right, Kathy and Nancy Finley, Capitan, Gail Stackpole, Carrizozo, Beverly Merritt, Yeso, Patsy Mulkey, Corona, Lorenzo Calpert, Fort Stanton, Standing, Earla Martin, instructor of workshop, from Roswell.

## Lincoln County -- Literacy Council Formed

The Lincoln County Literacy Council was formed October 29th as a result of the literacy workshop sponsored by the Altrusa Club at the La Junta Guest Ranch in Alto.

Officers are Mady Holstein, president, Ruth Wimberly, vice-

president, Gerry Owen, secretary-treasurer, and Liz Munro, Ruidoso coordinator.

The council will organize tutoring sessions in the home or at the library for illiterate adults and teenagers.

For more information contact the coordinators at the following numbers:

In Capitan, Kathy or Nancy Finley 354-2486  
In Carrizozo, Gail Stackpole 648-2969  
In Corona, Patsy Mulkey 846-3766  
In Ft. Stanton, Lorenzo Calpert 356-2250  
In Yeso, Beverly Merritt 623-4034

Approximately 20 persons from Ruidoso, Roswell, Fort Stanton, Capitan and Alto attended the two day Laubach Literacy International Workshop taught by Betty Townsley, Early Martin and Jane Clarke, all of Roswell.

Attending the 15 hour course were Ruth Wimberly, Gerry Owen, Mady Holstein, Karen Phillips, Liz Munro and Jean Singer, all from Ruidoso, Lorenzo Calpert, Ft. Stanton, Gail Stackpole, Carrizozo, Patsy Mulkey, Corona, Beverly Merritt, Yeso, Kathy and Nancy Finley, who, though only 11 years old, is already tutoring a student of her own.

## Inside The Outdoors

By Gary Dollahan, Roswell  
Ah, if it weren't for rumors, a game and fish office would be such a boring place to work.

It has been common practice for all of our offices to receive a large number of calls from hunters during and after the deer seasons inquiring about special hunts to accommodate unsuccessful hunters.

Well, this year has been no exception. The inclement weather that befell the D-one hunters formed the foundation for three rumors.

The first rumor was that all unsuccessful D-one hunters could have their hunt period validations changed to either of the two remaining hunts.

The second rumor was that those unsuccessful D-one hunters could purchase a second big game license at a discount price.

And, the last but not least rumor was that the Department will hold a special hunt in January for all unsuccessful D-one hunters.

I hate to be the bearer of bad news, but all three of the rumors are just that—mere rumors. All unsuccessful D-one hunters CAN NOT hunt deer again until the next license year, unless they hold a permit for one of the deer-entry hunts.

The deadline for applying for all of the deer entry hunts was more than a month ago and all successful applicants should have been notified by now.

Again, the New Mexico Department of Game and Fish has not and will not make any special provisions for any unsuccessful D-one, or for that matter, D-two, or D-three hunters.

I can't help but be amazed to note from our officers D-one hunter checks

that hunter success in our southeast quarter of the state averaged about a low 18 percent.

This surprised me for the simple reason that wet, windy weather hampers a deer's senses. Therefore, hunters should have had a better chance of encountering and bagging a deer.

However, from what I saw during my patrol, the majority of hunters had convinced themselves deer could not be found in this kind of weather. So, they were quite content to ride in their heated vehicles on the few muddy roads that were passable.

Yet, most of the hunters that bundled up warm, left their vehicles behind, and set out on foot not only saw deer, but bagged their bucks as well.

Now, while those successful D-one hunters are home eating their venison steaks, those unsuccessful 'road hunters' are eating crow and dreaming up rumors about special hunt accommodations.

One such dreamer had the nerve to tell me, after I had informed him we could not accommodate his whims, that he thought he would 'just not hunt in this state any more'.

My hat is off to all those D-one hunters that bagged their deer, as well as those that did not, but at least made a gallant effort.

## Lincoln County News

P.O. Drawer 459 — Phone 648-2333 — Carrizozo, New Mexico

# News Around Corona

Last week's low was 31 degrees on the 10th and the high was 67 degrees on the 8th. Rainfall at Lincoln Station was .78 inches. There was more in other areas. Scott Williams left early Monday morning for Thatcher, AZ where he is a freshman at EAJC.

Mr. and Mrs. Carl Hollan and Allen Hollan, Edgewood were guests for hunting with the Perkins.

Xi Beta Epsilon of Beta Sigma Phi held the regular November 6th meeting in the bowling alley with President June Tyree in charge of the business meeting. More pecans were ordered and are expected this week.

Names were drawn for the Christmas party to which husbands are invited. The hours before the meeting had been spent getting ready for the arts and crafts show to be held the next day. The hostess Joanne Washburn served strawberry shortcake, tea and coffee. Donna Adkins presented the program on Leisure from the outline 'Reaching Out'. She said that the concept of Leisure as we use it is fairly modern because in our background there has been little time for leisure especially in an agrarian society. She showed a film made in Mexico which followed the steps in making pottery.

Earl Porter, Albuquerque, Mark Porter, Portales, Pete, Bobby and Dean Porter, Los Lunas, and Harold Dean Bryan, Grants, were weekend hunters in the area.

Xi Beta Epsilon Chapter of Beta Sigma Phi again sponsored an arts and crafts show on election day in the Recreation Hall. Items displayed ranged from oil paintings to sketches, elementary school art, from knitted and crocheted afghans, sweaters and dollies, from macrame to paper mache,

needlepoint, candles, pottery, jewelry, rocks etc.

The exhibit was well received by the public. Charlyne Tyree, chairman, and committee members, Pat Perkins, Joanne Washburn, Sandra Alford and Donna Adkins wish to thank all the local artists who helped in making the show a success.

Guests of the Hiners last week were John and Glenn Houston, Hobbs, and Pete Penland, Fort Sumner.

Mrs. R.L. Sharp and Jerry Sharp visited Tuesday with Mr. and Mrs. Buddy Milner in Fort Sumner.

Mrs. Gordon Owen and Les Paul were in Roswell Wednesday to pick up Mrs. Lee R. Owen who spent a few days with the Ken Marlowes.

Tom Livingston has returned from a trip to Durant, OK.

Jack Livingston, Baton Rouge, LA, spent a few days here tending to ranch business.

Bo Tyree was in Alamogordo Wednesday to see his doctor. Bo suffered a green stick fracture of his left collar bone in play Monday. He was accompanied to Alamogordo by his mother, Mrs. Mitch Tyree, brother, Kirt, and grandmother, Mrs. W.T. Tyree. He is now wearing a brace and may avoid the necessity of a cast.

Mitch Tyree is working in Carrizozo having bid in as an SF job foreman there.

Mr. and Mrs. Jim Duncan, Arlington, TX visited last week with her grandmother, Mrs. Cleve Griffin.

Griffin Construction is building a fireplace for the Korges summer home.

Xi Beta Epsilon of Beta Sigma Phi held a rush party recently in the recreation room at the EPNG Lincoln Station. A variety of games were played and sorority purposes and values were explained to rushees. Refreshments of sandwiches, chips, cookies and nuts with coffee and punch were served. Door prizes Corona potters were won by Betty Ann Bell, Yolanda Archuleta, and Linda Wetzel. Later the rushees were honored with a tea at the home of Donna Adkins. Mrs. W.T. Tyree brought some of her bronze mums to center the tea table. Sandwiches, cookies and sherry were served. The pledge ritual will be read at a future meeting and the names of pledges will be announced at that time.

Congratulations to the girls' volleyball team. They will be going this weekend to Silver City to play in the state tournament.

Kelly Gibbs was home from UNM celebrate her birthday.

Kathi Garfield and Hope McDaniel from NMSU and Sherrill Bradford came up from El Paso for the weekend.

Mrs. Lorraine Ward of Roswell is now living with Mrs. and Mrs. Elbert Owen and helping to care for Mrs. Owen. We are happy to have you in our community, Mrs. Ward.

Mrs. John Tracey celebrated her birthday November 11th and appreciates all the friends and neighbors who called on that day. These include her sister who phones from the Canal Zone.

Xi Beta Epsilon of Beta Sigma Phi held the annual model meeting at the home of Mrs. Pat Adkins at Lincoln Station. Treasurer Marie Owen was in charge of the business session. The arrival of a shipment of pecans was announced, and plans were made for the arts and crafts exhibit. Mrs. Rogene Alford presented the program 'Heritage for the Future' from the outline Reaching Out. She reminded us that heritage comes out of the past but that it is also a continuing, flowing

stream that is being constantly renewed and increased. She put particular emphasis on our spiritual heritage, past, present and future. Refreshments of sandwiches, chips, dips, nuts, millionaire pie, punch and coffee were served to Mrs. Alford, Mrs. Jack Donahue, Mrs. John D. Holleyman, Mrs. Gordon Owen, Mrs. Archie Perkins, Mrs. Robert Williams, and Mrs. Mitch Tyree and to a guest Mrs. Socorro De La Cruz. Happy Birthday, Sandra.

## Corona Senior Citizen News

On Tuesday 24th Sister Jan from the Carrizozo Senior Center, Nurse Henstee, and another nurse from the Carrizozo Health Center came up to Corona to give flu shots to those of the Corona Senior Citizens that wanted them. There were 20 getting their shots.

Also on this same day we had a meeting with Sister Jan and Mr. Root on the Luncheon Program for the Senior Citizens of Corona. From what they told us we are going to have a Luncheon Program beginning around the 30th. There were about 14 Senior Citizens at this meeting. Bad weather kept some of them from getting there.

On Monday October 30th a trip was made to Roswell for shopping and other things. A group of 10 made this trip. We had a nice day enjoyed by all. Those going were Mota Vick, Effie Mulkey, who got to visit with her granddaughter, who met us at the Bus also Telesora and Ermino Sena got to visit with their kinfolks for a little while, Ramalda Aleriz, Bibian Lucero, Elvira Flores, Mollie Aleriz, Minnie Davenport, Verna Wherry.

On November 1st, the Zia Senior Citizens Center in Carrizozo asked a group to come down and show them how to make the velvet roses we had been making. Due to a mix up we were unable to show them. Those going today were Lola Sanchez, Katie Merritt.

who got to see her new great grandson, Ramalda Aleriz, Mollie Aleriz, Elvira Flores, Verna Wherry. We enjoyed the pot luck dinner and day anyway.

On November 6th the Hot Lunch Program for the Senior Citizens in Corona was started. So far there has been on the average of 19 or 20 people served each day. Everyone says they are enjoying going and eating. If anyone wants to eat please call and let us know the day before please.

November 6th was also the night for our 6 o'clock dinner and fun night. We played dominoes, chinese checkers, card games. We are trying to learn some new games so we will have more things to choose from to play. There were 19 there. Coming to enjoy the dinner was Bill Keelin, Gady Keelin, Tom Livingston, Dick Wiegert, Mae Wiegert, Elvira Flores, Bibiano Lucero, Arturo Aleriz, Ramalda Aleriz, Minnie Davenport, Lola Sanchez, Verna Wherry, Maggie Vickrey, Della Green, Robin Pfeiffer, Walter Pfeiffer, Dell Roberts, Elwin Robinson, Katie Merritt, our next 6 o'clock dinner will be December 4th for our Thanksgiving and Christmas dinner combined.

On November 13th will be our Arts and Crafts day. We have decided to start at 10 o'clock so remember this date and hour. You all come. We'll be looking for each of you.

## Carrizozo-Capitan Youths Win Bible Bowl Contest

A team comprised of young people from the Carrizozo Church of Christ and the Capitan Church of Christ won first place at a Bible Bowl Contest held Saturday in Alamogordo.

Team members from Carrizozo were Christabelle Hill, Elaine Cantrell and Lisa Cantrell with Kenneth Qualls and Eugene Qualls representing Capitan.

The Capitan-Carrizozo group competed against teams from Alamogordo, El Paso and Botes Acres. The Thirteenth and Cuban Church of Christ of Alamogordo has sponsored the Bible Bowl for two years with the Carrizozo team placing second in the 1977 meet.

Future competition for the team will be a January meet in Odessa and a March contest in Lubbock.

## Methodist Hold Spanish Supper

There will be a spanish dinner at the Methodist Church Friday, November 17 beginning at 5 p.m.

The price is \$2.00 per plate which includes: 3 tortilla layer enchilada with sauce, onion, cheese, lettuce, tomato and egg. Crackers, beans and coffee or lemonade.

The dinner is under the direction of Rosa Chavez. Everyone please come!

## Guest Speaker At Women's Club

The author Norman Zollinger will be the guest speaker for the noon luncheon at the Carrizozo Woman's Club today.

His book, 'Riders to Cibola', will be available and he will be happy to autograph copies.

A very tasty lunch will be served, followed by the meeting.

## Rape Crisis Program Set

Through a grant from the New Mexico Department of Health and Environment under the sponsorship of the Ruidoso Hondo Valley Hospital, Lincoln County has the beginnings of Mental Health Services. This is the Lincoln County Rape Crisis Intervention Program.

Coordinator of the program, Sandy Taylor, is in the process of screening and training volunteers to man a 24 hour Crisis Line. The line will be accessible to all residents of Lincoln County, and should be in operation by late December.

Ms. Taylor, a Marriage and Family Therapist, said, 'The response of the various Lincoln County communities has been very positive.'

The first Training Program for volunteers will be held in Carrizozo in late November. We are depending greatly on volunteers for this program. Community interest, participation and general input is very much welcomed. These are the formative stages of planning Mental Health Services specifically for Lincoln County.'

A county wide meeting to form a Mental Health Association and elect a Board of Directors will be held Monday, December 4, at 7:30 in the Capitan School Cafeteria. All interested persons are urged to attend.

## VA Service Here

Linos Sanchez of the Veterans Service Bureau will be in Carrizozo at the Courthouse Tuesday, Nov. 21 from 9am - Noon.

## Deer Hunt Going Well

SANTA FE, N.M. -- The past week's wet weather seemed to have helped some deer hunters and hindered others, but it should be almost all to the benefit of those afield during the last two hunt periods of the annual big game season, the Game and Fish Department believes.

Statewide, harvest seems to have generally been good during the opening two-day hunt period, reports Walt Snyder, chief of the department's Game Management Division, and many hunters reported seeing deer even if they didn't bag one.

'It's difficult for us to tell from field checks alone, but it appears that the hunters who were able to get past the problems of muddy roads and get out to do some serious hunting were doing pretty well,' Snyder said. Season dates for the remaining hunt is Nov. 15-21.

'I'd anticipate that this moisture will really be beneficial during the coming hunt period,' he said. 'Hunters will have more time to get around during this longer season, and the cool weather should keep the deer active on into the day. Finding fresh tracks and moving quietly will both be easier to do, too. If there's snow, the deer are easier to spot, as well.'

As expected, harvest appears to be higher in the southern part of the state, but it appears generally as good as or in many cases better than last year's in the northern part of the state as well.

'Reports from the four area supervisors are that there was a moderate number of hunters afield statewide, and that they were finding deer,' Snyder said. 'Some spots were reportedly down a bit, but that likely was due to bad roads, as much as anything.'

He noted that there was quite a rush on Friday (Nov. 3) by hunters wanting to change from the first to the second or third hunt periods, primarily because of the weather.

'I don't think hunters expect the Game and Fish Department to do anything about the weather,' Snyder said, 'but they will do better if they hunt in wet or snowy weather, even though it's not real pleasant.'

He advised that hunters be sure their vehicles are equipped with mud and snow tires, tire and tow chains, jack, shovel, axe, and a tool and spare parts kit, and that the hunters be equipped with plenty of food and warm clothing for cold weather.

Each hunter should also leave word with a responsible adult as to where he's going, with whom, and when he should be expected back. A description and license number of the hunting vehicle are also important if the hunter needs to be contacted due to an emergency at home.

'Preparation, and a willingness to get out and hunt hard, are probably the most important keys to getting deer,' Snyder said. 'The license can't come with any guarantees, but those two things will certainly increase the quality of pleasure of the hunt, as well as adding to chances for success.'

## Letter to the Editor

Dear Editor: I'm satisfied with the results of the election which shows as I believed that the taxpayers were not satisfied with the sheriff or the county commissioners and the job they were doing.

I would like to urge my supporters and all Lincoln County Taxpayers to wholeheartedly and energetically support Ernest Sanchez in his efforts to clean up the tragic mess made of the Sheriff's Department in the past two years.

### THE PRICE WATCHER PLEDGE

"We go from store to store, checking prices. We stand behind Piggy Wiggle's commitment to give you quality products at low prices."

### TRIPLE THE DIFFERENCE POLICY

Everybody's talking about low prices, but we're doing something about it! We're so confident you'll save at Piggy Wiggle we guarantee you low prices with our new TRIPLE THE DIFFERENCE POLICY. Here's how it works: First shop at Piggy Wiggle and buy 25 different grocery items. Then check the prices on the same 25 items in any other store. If their total is lower, bring in your Piggy Wiggle tape and the other store's prices and Piggy Wiggle will pay you TRIPLE THE DIFFERENCE IN CASH. At Piggy Wiggle we're committed to offering you quality products at competitive prices. Meat and produce not included as quality and trim may vary from company to company.

## Inside the Capitol

By FRED McCAFFREY  
SANTA FE — There's this about elections: if you don't show up to vote, you can't get counted.

When we held last week's election, a lot of folks stayed home.

Unfortunately for Joe Skeen, those in counties which favored him, stayed home in larger numbers than those in counties which favored Bruce King.

Hence our new Governor-elect, Bruce King.

Here's a little arithmetical analysis of how that all worked out, principally for those who understand numbers and like to see how they stack up.

The newly elected Governor carried 16 counties, the same number the dejected and defeated Skeen carried. The difference is that the King counties came in with wider margins than the Skeen counties, so the total vote, which is the only one which matters, ended up on the plus side for King and on the minus side for his adversary.

In his 16 counties, most of them in the northern portion of the state, the man we elected came out with a 27,755 vote margin, out of about 119,419 voters who went to the polls to express their preference. The counties which built up these numbers for the victor are Colfax, DeBaca, Eddy, Grant, Guadalupe, Hidalgo, McKinley, Mora, Rio Arriba, Sandoval, San Miguel, Santa Fe, Socorro, Taos, Torrance and Valencia.

These counties have been designated as 'King country,' after the signs mounted by the Democrats during the campaign.

Skeen also came out ahead in the same number of counties. His were mostly in the south, and the difference is that they only turned out 54.4 per cent of their total voters, as opposed to 60.1 per cent in the King counties. So Skeen only garnered a margin of 16,252 votes in his counties, out of a total of 108,716 votes cast.

These are the Skeen counties: Catron, Chaves, Curry, Dona Ana, Harding, Lea, Lincoln, Los Alamos, Luna, Otero, Quay, Roosevelt, San Juan, Sierra and Union.

There was also Bernalillo county (you remember that one?) which went for Skeen, to make up his total of 16. That county turned out reasonably well—57.8 percent of the voters. But most of that number was made up of voters from what is called the Valley, the older areas of the city, which are traditionally Democratic (especially if some 'election day money' is wisely spent there). Result: Skeen carried the county by only a slim margin of 3,416 votes, when he needed a minimum of 8,000-10,000 out of Bernalillo to be successful in his second try for the governorship.

There are some lessons here for those who want to learn them: Republicans are under a sharp disadvantage going in, so they have to triple the Democratic effort; that tripling alone won't work unless it also applies to getting voters to the polls; and you also have to give voters reasons to turn out—which didn't happen this time because the campaign presented no sharp contrasts at the top of the ticket.

If you want proof of those statements, just look at the counties in 'King country.' They got out their people, their people voted right, and Bruce King became the winner.

Most of us wouldn't have the job he won if our livs depended on it, but he and Joe Skeen both wanted it. King won it, by hard-down work, and all New Mexicans—with the exception of one or two soreheads—wish him well of it.
