Capitan Schools First Phase Drawings Shown

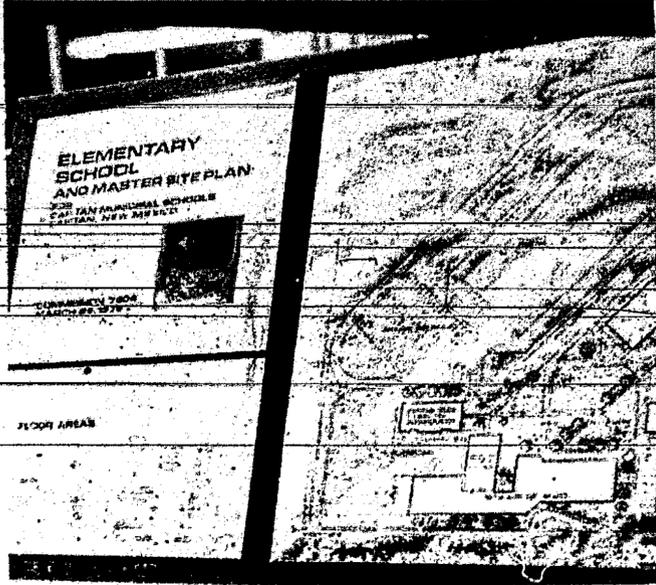

Schematic drawings of the proposed Capitan Elementary School were revised and approved at a special meeting of the Capitan School Board.

Meeting with architect Ron Hutchinson, the board approved a fourteen classroom building to be constructed facing Forest Street south of the gymnasium-cafeteria complex. The building will fill the present parking lot and will be tied onto the intermediate building, a possible 17-rooms. Floors will be carpeted and 2 boys and girls bathrooms as well as toilets in the kindergarten rooms will be included.

A student commons, an interior relaxation area will be situated near administration and custodial rooms.

The board agreed to go with underfloor forced air gas furnaces and thermo-plane glass on the windows. A metal building was discouraged for the high cost and Hutchinson suggested a split-face clock construction. He explained the block unlike traditional cement block, has a higher insulation rating and has a decorative exterior face. Construction with it eliminates the need for stucco.

A built-up roof will be hidden by a parapit. Bus parking and vehicle

traffic will be rerouted with an entrance from Forest Street and exit onto highway 380.

The architects will now go to a design development, a detailed working then onto a construction document phase. Hutchinson stated bids will possibly go out by July.

The schematic drawings may be viewed at the Capitan School Administration Building.

Letter to Editor —

Last Week's My Time

Dear Editor:

Concerning your latest editorial, I agree with you up to a point. You stated that the first problem is that people spend too much money out of town and out of this county. I, too, feel this is the greatest problem we face as a community. It is in essence a vicious cycle. The people feel that their demands and wants aren't met by many of the merchants and the prices are high, so they take their business out of town. The merchants, thusly, feel that the townspeople will go elsewhere to shop so why should they invest in stocking a large inventory. And so it goes. Of course, there are several businesses in our community despite this that couldn't be better and do have fair prices.

A possible solution to this problem would be to investigate through our Chamber of Commerce a task force that would specifically set as their goal to find how much money does leave this community given any one month. A questionnaire might be a possibility used for such a task force. As a first step this would let us know more than an estimate of how much money does leave. No doubt, it would be astonishing. Any money leaving this community does hurt whether it be in this county or another. And, of course, we are all guilty, but not totally by choice.

The next step, I feel, would again be working through our Chamber of Commerce to work with merchants in an optimistic and guided effort of "Buy

It In Carrizozo" campaign. Information, education and advertising would be a vital part in this endeavor. Spontaneous results would not happen or it would be unlikely, but it would be a constant strive for us and our merchants in this program. If the money were kept in Carrizozo it would be almost like having a new industry, and that's worth working for.

Now, I have spoken to your first and second problem as you stated in your column. The third problem you have solved. Your solution being that as of your last edition, you'll no longer print any informative news (as I define it-free ads as you define it) in your paper concerning certain fund raising events. I'm really not sure which ones, but I do know of four. They include; St. Jude's Hospital sponsored by Mrs. Dale Goad, American Cancer Society sponsored by Mrs. Craig Nelson, Red Cross sponsored by Mrs. Truamm Spencer, Jr., and March of Dimes sponsored by Mrs. Stirling Spencer. I feel this is slightly dictatorial. I am not surprised at you mentioning all of the fund raising that we have had in our community and asking for possible solutions to this problem; but I feel that maybe you as a person who does have power in our community have certainly acted in a negative way. It does hurt us that we no longer can ask you to print our news for we are only at your mercy. But I do think your thinking is wrong and I hope it does not reflect totally the thinking of our merchants.

We are all plagued at times by too many requests for money. A kind and simple "no" has never been misunderstood. The merchants can certainly do this for themselves without the help of you. I also feel if they truly wanted to advertise constantly with you, our fund raising would not stop them. There are several other effective ways to advertise one of them being showing support for their community and interest in the different organizations. A supportive merchant of their community, as in all communities, is a wonderful asset. In the same token, a merchant must not feel he has to give in order to keep that person's business. That is not profitable thinking.

This community is, of course, not perfect, but working together does make the difference. I do hope to convince you to change your mind, short of money, that we are only trying to help in mainly our own community, nevertheless, many of these national organizations have helped many of us directly and indirectly and they, too, deserve some attention. We want no one to feel that they have to give, but we do wish the opportunity to inform our community of what these organizations do and what we're doing for them. I don't think that is asking too much after all what is a newspaper suppose to do? I still have some things on my mind, but at this point, I feel, if you do not censor this letter and print it in total, it is a step forward.

Thank you,
Mary Spencer

Beulah's Shop holds Grand Opening

By Polly Chavez

Do-it-yourself and handicraft hobbies offer fun and relaxation for persons who like to use their hands. People often turn to handicrafts for enjoyment and recreation. Handicraft also serves as occupational therapy.

Art is skill in making or doing. Handicraft is the process of making articles by hand. Merchandized industry has not replaced handicrafts. A designer-craftsman produces handicraft as original works of art.

Beulah's Shop provides hobbyists with outlets for their creative natures and artistic talents. Macrame is both a craft and an art form and the ideas are endless as is evident by the beautiful works of art by Beulah, displayed in her new Carrizozo shop.

Grand Opening at Beulah's Shop was March 30-31. Local people wished shop owner, Beulah Moore success in her new shop. The guest book included far-away places such as; Millilana, Hawaii; Majave, California; Missouri; Battle Creek and East Tavas, Michigan.

Closer to home visitors who registered for the 2-day grand opening

were from Corona, Capitan, Nogal, Ancho, Ruidoso, Clovis, Albuquerque and El Paso, Texas.

Three lucky Zozo women were the winners of the free door prizes, which were handcrafted by Beulah. May Hayhurst won the macrame frog; Lois Collins, the mohair tree wall hanging and Liz McVeigh the straw-dry flower arrangement.

Grand Opening specials available included finished macrame articles, supplies, Beulah's own design off-loom weavings, rustic frames and many other hand crafted items for gift giving. Beulah will later have a kiln for firing of greenware for ceramic hobbyists.

The seasoned macrame enthusiast will find all macrame equipment and supplies at the shop. For the beginner there are instructions available. The Zia Senior Citizen Center, the Happy Homemaker 4-H Club and numerous individuals have acquainted themselves with the knots and techniques of macrame.

Beulah was a former Carrizozo resident for five years before she

moved in 1967 to El Paso. Beulah is an experienced hobbyist and shop owner. Prior to returning to Carrizozo the later part of 1978, she was the owner of a Las Vegas, Nevada shop.

This shop was located next to her son-in-law's barbershop, "Hair West". Beulah's Shop was known as "Hair West Side Story".

"Beulah's Shop" in Carrizozo is located at 621 South Central, by the post office. Twenty-seven years ago, Marion Pherigo had his car garage there and later a service station was located there. Beulah had remodeled the building and it is now an attractive addition to the community once again.

Beulah's Shop includes the front show room, a supply room, followed by a macrame and ceramic instruction room.

Beulah was employed at the Four Winds, whose owner was then Frank Phillips, when she lived in Carrizozo. She has a daughter and a son. Louisa and her husband Doyle Eubank live in Las Vegas, Nevada with their daughters Elizabeth and Sharon. Kenneth Moore and his wife Carolyn live in Houston, Texas, with their daughter, Belinda and a son, Darren.

Service To Carrizozo By Lions.....

"Put men who are successful because of their drive, intelligence and ambition to work helping improve their communities."

By Polly Chavez

Mel Jones was a young Chicago insurance man in 1917. Noting the growing apathy of the Business Circle, his men's luncheon group, Jones asked: "What if these men who are successful because of their drive, intelligence and ambition were put to work helping improve their communities?"

On June 7, 1917 Lions International was officially launched. Lions International membership as of June 30, 1978 was 1,244,717 in 32,363 clubs throughout the world.

Carrizozo Lions Club and their guests celebrated their 30th year anniversary the evening of March 29, 1979 at the Four Winds. Five neighboring fellow Lions Clubs joining the proud Carrizozo Lions Club for the grand event were; Tularosa Lions sponsoring club on March 12, 1949; Alamogordo Noon and Evening Lions; Ruidoso Noon and Evening Lions.

The Carrizozo Lions and their guests were stirred by the splendid talk given by main speaker, District Governor Lowell Stephens on "Old Glory" a.k.a. the American Flag. Stephens commented on the pride of all Lion International Club achievements. Leading the field are sight conservation and aid to the blind and the speech impaired. Other Lion projects include

youth activities, citizenship, civic improvement, education, health and welfare, United Nations and International affairs.

Stephens, who was accompanied by his wife, Lioness Caron, gave special attention to the Lion's Club flag program. The Club's patriotic flag program makes available to all citizens, an American flag for their businesses and, or residences; to be displayed on national holidays. Stephens stated that driving through a town and seeing the flags flying, gave him a sense of pride, as did the sight of the prominent display of the flag at club meetings, saluting the flag and singing patriotic songs.

Stephens read "The Ragged Old Flag", written by Johnny Cash. Stephens added, "Too many Americans made the supreme sacrifice so our flag can still fly."

His closing statement to fellow Lions was, "Never forget that you are a Lion, and a member of the world's greatest service organization and never forget that you are an American in the greatest country in the world, and never forget to be proud of both!"

Bill Marr, Past District Governor, Tularosa Lions was Master of Ceremonies for the Carrizozo Lions Club 30th anniversary. Marr represented Rex Hobson, Charter Night

president of sponsoring club. Hobson was unable to attend because of a prior commitment.

MC Bill Marr introduced former Carrizozo resident Barbara Jean Branum of La Luz. Ms. Branum was a Carrizozo Rainbow girl who helped serve at the Charter Night 30 years ago at the school gym. She presented Carrizozo Lions Club president Charles Pflingsten, with the original Charter Night program that she had saved. Also introduced was Dr. Horton, Ruidoso Lions, who was at the 1949 Charter Night.

Other guests at the head table for the March 29, 1979 event were Lions and their spouses; Third Deputy Dist. Gov. Bill Mills, Tularosa; Past District Gov. Jimmy Livingston, Tularosa; President of Alamogordo Evening, Sarge Shortz; Noon Zone chairman Bill Fugate. Also at the head table, Alamogordo Desert Lioness Club president, Ann Haynes. (The Lion Club began the Lioness Program which seeks to unify Lions Ladies Auxiliaries throughout the world and provide new opportunities for the needy.)

March 12, 1949

This year-1979, marks the 30th and 20th year anniversaries of two local service clubs.

The Carrizozo Lions Club celebrated their 30th year anniversary in Lions International on March 29, 1979 at the Four Winds. Charter Night was March 12, 1949 in the Carrizozo High School Gymnasium. Tularosa Lions Club, whose president then was Rex Hobson, was the sponsoring club. Roy E. Shafer was Carrizozo Lions Club first president. Charles Pflingsten heads the club now.

The Carrizozo Rotary Club was admitted into Rotary International on

March 17, 1959. Charter Night was April 11, 1959 at the Carrizozo Country Club. Their sponsoring club was Alamogordo Rotary, whose president was Ted Bonnell. Carrizozo Rotary president that first year was Ralph Petty. 1978-79 club president is Dale Housley.

Carrizozo Lion and Rotary Clubs which include professional and business men, sponsor community projects, support youth activities and welfare services. They promote good business and citizenship. These clubs provide service to the community, the Nation and fellowmen.

Lions were present for the 30th anniversary; Bob Means, Fred English, Marvin Rowan and Leon "Hoot" Gibson. Means and English were two charter members on hand for the occasion.

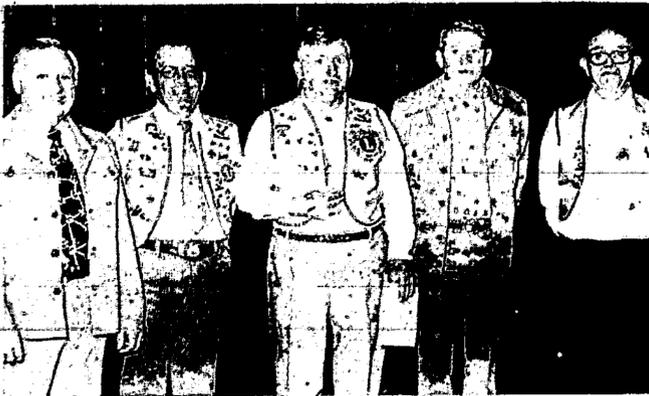

1978-79 officers are as follows: Charles Pflingsten, president; Henry Paul, 1st vice-president; Bob Means, 2nd vice-president; Marvin Rowan, 3rd vice-president; Leon Gibson, secretary; Lynn Ayers, treasurer.

A three piece band from Capitan provided the music for the event. Band members were Howard Wright, Will Rogers, and Rufus Hardy Jr. Good food, dance music, cheer and reminiscing were enjoyed by the Carrizozo Lions Club, their wives and

other guests and out of town fellow Lions and their wives.

Fond memories of charter member, L.Z. Manire, who passed away last year, were recalled. Manire was an outstanding Carrizozo Lion. Earlier this year the NEWS carried an article that mentioned the various Carrizozo Lion Club activities, help throughout the 30 years in the community and the "Beary days" at the S.P. Hotel on Railroad Street.

The Lions Club anniversary at the Four Winds marked 30 years of Lionism in Carrizozo. "Lionism-people caring for people", theme of Joseph M. McLoughlin, President of the International Association of Lions Clubs.

story of a great nation that was carved out of a wilderness by a brave and freedom-loving people. The men and women who built the U.S. came from almost every part of the world. Every American is an immigrant or a descendant of an immigrant. Lions and Rotarians represent many different nationalities, races and religions.

The spirit of cooperation and pride helped make the U.S. the huge, powerful and wealthy nation it is today, a nation founded on the principle that all men have a right to "life, liberty, and the pursuit of happiness".

The American flag can stir up people to joy, to courage and to

sacrifice. It stands for the country's land, its people, its government and its ideals.

The idea of patriotism is deeply embedded in the consciousness of every Lion and Rotarian. Patriotism is a positive civic virtue when moderated by a sense of world fellowship.

The presence of Lions International and Rotary International in the U.S., binds people together the world over in friendship, cooperation and understanding. The presence of these two fine men's clubs in Carrizozo, the county seat of historic Lincoln County, makes the community a great place to build, work and live.

"Service by every Rotarian to his personal, business and community life."

By Polly Chavez

Paul P. Harris (1868-1947) a lawyer in Chicago, organized the first Rotary Club in 1905. It was named "Rotary" because the members met in rotation at their places of business.

Rotary International is a world-wide organization of all Rotary Clubs. A Rotary Club is a group of men, each in a different profession or business in the community. Rotarians take part in community welfare, foster good citizenship, promote high business and professional standards, improve rural-urban understanding and advance international peace, understanding and good will. Rotarians encourage and foster the application of the ideal of service by every Rotarian to his personal, business and community life.

Rotary staged events for Red Canyon soldiers and their families, helped obtain funds to put finishing touches of the airport, aided in the numbering of housing, provided new equipment for the hospital, and initiated the swimming pool project to which \$4,000.00 was donated by citizens.

Other Rotary town projects include sponsoring Boys State, Sun Duchess at Sun Carnival in El Paso, Boy Scouts, Billy the Kid Rodeo, steer ropings, circuses and the Lincoln County Fair.

In 1967 Rotarian Fred English and his wife Hazel shared their home with a Rotary exchange student, Tony Costa of Belo Horizonte, Brazil. The Englishes' son Toby was a high school senior that year and he and Tony became friends that summer.

Rotarians travel to all corners of the globe and wherever they go, they take along a spirit of Rotary Fellowship. Rotarian Fred English experienced this fellowship when he attended meetings while visiting in Guadalajara and Torreon, Mexico.

1978-79 Carrizozo Rotary officers are: Dale Housley, president; Kenneth Means, vice-president; Alton R. Whitaker, secretary-treasurer; Alton Whitaker, Sargent-at-Arms.

recalled that "the cuties won by a fantastic score" against the Town Team.

In Rotary, a lack of learning is synonymous with poverty, misery, a lifetime of hopelessness and heart-break. Rotarians have long been involved in the worldwide battle against illiteracy. Through the years, Rotary Clubs in many lands have shipped text and reference books to schools and libraries in developing countries. They have provided scholarships, built

schoolrooms and endowed educational institutions by the thousands.

The 3-H Rotary International "Health, Hunger and Humanity Program" will teach food-growing techniques, health and sanitation measures, reading and writing and employment skills.

Rotary International elected Clem Renouf of Nambour, Australia, president in July. At the Rotary International Convention in San Francisco, when he was voted president, he said, "I am here because Rotary takes ordinary men and gives them extraordinary opportunities to do more with their lives than they had ever dreamed possible."

The task of Rotarians has clearly been defined this year by President Renouf in his theme—"Reach Out: across you desk, across a room, across the world".

Pictured above are Gloria Ortiz, Billy Ortiz, and Donna Wells, three students out of many who honored Dr. A.N. Spencer at a Rotary meeting, for his retirement. These three among many

The Carrizozo Rotary Club charter night was April 11, 1959 at the Carrizozo Country Club. Marvin Roberts, president of Carrizozo Chamber of Commerce gave the general welcome 20 years ago. The sponsoring Rotary Club was from Alamogordo. The first Carrizozo Rotary president was Ralph Petty. Charter members today are Albert Roberts, Johnson Stearns and Fred English.

Carrizozo Rotary met for a long time at the Village Inn Cafe, until it burned down. The NEWS now is located in this restored building. The club meets once a week for their fellowship meals at the Rec Center to exchange ideas and create more and better understanding of the business community. Rotarian ideas are carried out.

In a NEWS issue of March 26, 1964 Rotarian and former NEWS publisher and editor wrote in his "The Way of the West" column: "The Zozo Rotary Club is real proud of its president, Johnson Stearns he conducted a Rotary meeting last Saturday with more guests than Rotary ever saw before, some 400, and did an fine job. When it comes to telling stories with a castus flavor, Johnny tops the list." — Paul Payton —

The Rotary has many interesting programs each week. They encourage individual and groups to speak. Among the many guest speakers: former Governor Jerry Apodaca, Senator Pete Domenici, and State Senator from Otero County Aubrey Dunn Others have been Judge Zimmerman, Don Hoover of the Mental Health Association, Sister Gail Stackpole, Zia Developmental Services and Mary Ellen Payne, Lincoln County Home Economist.

Throughout the 20 years of Rotary the members have been instrumental in helping to begin and conclude many town projects. The Joe Sargent Memorial Rodeo Arena was begun by president Joe Sargent. Members gave much of their time and effort to complete this project:

Mrs. Frank Speight and children, Cynthia, Frankie and Benjamin of Odessa, Texas were recent visitors in the home of Mr. and Mrs. Florencio Archuleta, Mrs. Speight's parents. The former Louisa Archuleta also visited with her brothers and their families. Mr. and Mrs. Gilbert Archuleta and Mr. and Mrs. Ernest Archuleta.

The Carrizozo Junior and Senior Extension Clubs, along with other Lincoln County extension clubs were busy as bees preparing door prizes and name tags prior to March 22. That was the day Lincoln County and Carrizozo hosted the District IV Extension Homemakers Meeting at the Rec Center. It included a cultural arts contest. Names of winners are not available at this time.

Frank Baca, Jr. was in Vaughn last Saturday to visit his girl, Josie Sanchez.

Mario Ortiz has arrived in Rosemead, California, where he has been visiting with his uncle David Sanchez and his family.

Mr. and Mrs. John Palmer from Midland, Texas were visitors in the home of friend, June Pierce for 3 days last week.

Former Zozo graduate Barbara Jeanne Brannum was here for the March 29 Lion's Club 30th anniversary celebration at the Four Winds. Mary Spencer was hostess in her home for a Rag Rug session presented by Mary Thorpe March 29. Several Woman's Club members were there to be taught the craft that evening so that their efforts could raise money for their club.

AND IN THIS CORNER...

Zozo band students and their instructor Mr. Hogeboom were in Alamogordo for the U.S. Air Force Jazz Ensemble concert "The Airmen of Note". This outstanding group has gained the reputation of being one of our nation's finest "big bands". Zozo students that attended were Kelli Vigil, Lisa Cantrell, Johnny Herrera, Christetta Chavez, Steve Howard, Robert Wetzel, Mary Jane Ferguson and Roxanne Gable.

Steven Stearns was an over-night guest at the home of classmate Gabriel Chavez March 24. Steve watched Gabe box at the boxing tournament that evening.

Dr. Dale Goad and his dental assistant, Cheri were at the REA building to present a Dental Prevention Program to the local Brownie Troop on March 26.

Last week the fourth grade class worked on another form of poetry called "cinquain". A "cinquain" is a brief form of poetry that contains five lines and has a syllable count of 2-4-6-8-2. It begins and ends with two-syllable lines, and the count increases by two each line in the middle. The French word for five is "cinq" and the Spanish word for five is "cinco", that's why a cinquain has five lines.

The Carrizozo Boxing Team, which I help promote, purchased their trophies with merchants donations. Last week's editorial inspired an idea for the "think tank". The town needs to organize a community projects calendar that covers 2 and 3 months in advance. Sometimes, everything seems to happen around the same time and residents and merchants do have to limit their money and time donated to non-profit organizations.

People have different approaches to reading a newspaper. Some start with the classified ads, or county, town and school happenings. Others search for the store ads or sports events. Many like reading the editorials and letters-to-the-editor, although their content may not be to their liking all the time. 'Letters-to-the-editor' reflect readers opinions, which may blame a mayor for the size of hailstones to commending a Trailways bus driver for work beyond the call of duty. 'An editorial' is an article that gives the editor's personal comments on current happenings. An editorial does not express the opinions of staff or employees. It may criticize, praise or merely discuss and encourage action that the paper thinks will benefit the community.

A pleasant way to wait your turn to see the doctor or dentist at the Carrizozo Health Clinic is viewing the display of creative art works by area people like Mannie Hernandez, Jane Allred and others. An excerpt from the February 1979 'The Rotarian': It has been said, "A business that doesn't advertise is like a boy who winks at a girl in the dark. He knows what he is doing but she doesn't." A note of interest: Lion Club president, Charlie Pfingsten of Nogal was proof reader for the Las Vegas Daily Optic while he was attending N.M. Normal University in Las Vegas, N.M. (Now called Highlands.)

Charlie's dad was a printer for the 'White Oaks Eagle' White Oaks, N.M. Poster Contest "Bike-A-Thon" Winners of the poster contest of the "Bike-A-Thon" are announced. They each received ribbons except the honorable mentions. 1st place: Joey Paul, 7th grade. 2nd place: Dennis Ortiz, 8th grade. 3rd place: Brenda Baroz, 7th grade. Honorable Mention: Roxanne Gabel. Honorable Mention: Terri Willis, 7th grade. Honorable Mention: Juan Osorio, 7th grade. Honorable Mention: Daniel Zamora, 5th grade. Honorable Mention: Joey Otero, 5th grade.

The rock fence is finished on the Smokey Bear State Park and the old Museum building is enclosed. The new recreation building looks good. Four big trees have been planted in front of it. They are pouring square blocks of concrete in the front. All of the progress in that park is something to be very proud of and we certainly are. With Smokey Bear lying to rest therein completes the symbol to prevent Forest Fires. To us we are reminded to be aware and be careful that we do not be careless with our forest.

Bill Allred built a fence behind the Standard Station for Aluminum Cans Disposal. Do gather all you can find and place there. The money will be used for the Community Center fund. And also help beautify our Village.

Everyone is working hard to make the dream of the Community Center come true. It will be great for our community and very educational. Jane Allred is going to teach Spanish and English classes in Mrs. Weaver's room at the Capitan School on Mondays starting April 9, at 7 p.m. This is in

conjunction with the Community Center. The last meeting First Aid classes were held. Do be sure to attend. There is so much to learn and enjoy. Capitan would like to organize a P.T.A. to provide a legitimate forum for communication to and from the school board and the school administration. A good P.T.A. can be beneficial with lots of peace and happiness therein.

I have had many people ask why the Book Mobile is not stopping in Capitan. It goes to Ft. Stanton but has not stopped in Capitan for three mon-

ths. Those citizens are interested.

The B & L Pizza Place has a nice new lighted sign that stands high up above the business on a iron pipe. It shows up and looks good.

Ethel James formerly of Alto who has enjoyed many travels in her Motor Home since she sold her property there spent one month in Harlinger, Texas recently. She then went to Yuna, Arizona for 10 days, then traveled on to California, Utah, Nevada and Colorado. She had quite an experience in Colorado when she did get caught in a big snow storm. She was up 9200 feet and the motor was giving trouble and met an avalanche on Blue Point. A highway crew came to her rescue and took her down to Ouray, Col., she had to get an emergency wrecker to get her out of the pass. 22 inches of snow fell that night. She will be in Ruidoso for a while. She does enjoy her travels and I do enjoy hearing about them.

Joe Gallegos who has lived in Oregon for some time returned to his home in Capitan last week.

Mr. and Mrs. N.C. Grantham, Jr., enjoyed their 35th wedding anniversary Saturday March 24. I do wish them many more happy years together. Their son N.C. Grantham 3rd, and wife Suzanne had their 4th wedding anniversary March 22. My good wishes go to them too. N.C. 3rd attended the Vinyl School in Albuquerque in November and in February. Doris Pounds and her sister Bonnie, Bick of Santa Rosa went to Buena Vista Colo., Friday 23, to help their mother Mrs. Turner celebrate her 83rd birthday on Saturday. She is in good health which pleased them. All of her children were present except one daughter who was unable to come due to an avalanche. Doris returned Tuesday. I do wish Mrs. Turner many more happy healthy birthdays.

Mr. and Mrs. Dewey Deweber celebrated their 26th wedding anniversary March 29 by enjoying dinner out. I wish you many more happy years together. They just got their city water which they waited five years for and they do appreciate it. Next is the electricity.

Officials Do Double-take

This small bit of information caused a double-take for officials manning the federal Disaster Assistance Administration field office here.

A victim of the Dec. 19-22 flood that struck five New Mexico counties called into the FDAA office earlier this week after the 4 p.m. closing time. A member of the staff, however, was working late and took the call on the "hot line."

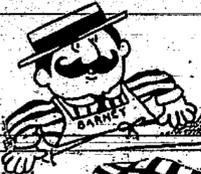

The caller asked for information concerning disaster unemployment assistance programs. Told that the office was closed, he was asked to please call back the next day.

"I can't," the caller said. "I'm working all day."

Patricia and Dan Racher spent spring break with their mother, Patsy Racher in Hondo.

District IV extension Club Meeting which was held in Carrizozo on March 22, was well attended and enjoyed by many club members and guests from several counties. La Junta Club of Hondo was represented by the following ladies: Hazel Arthurs, Ora Sanchez, Lorena Radcliff, Theresa Salas, Louise Joiner, Debbie Floyd, Inez Pacheco, Grace Gomez, Johnnie McTeigue, Dominga Salcido, Thelma Chipman, Dorothy Talley, Emelia McKnight, and Cherie Hobbs.

Mrs. Edith Imoe, high school graduate and former Carrizozo resident, came from Portales to attend the District IV meeting at the Recreation Center. She had lunch with Elva Wilson then after the meeting adjourned she went on to Hondo for a visit with her sister, Louise Joiner, before going on to Ruidoso to join her husband, Aubrey Imoe at the home of his parents Mr. and Mrs. I.E. Imoe for a short visit.

Visitors in the David Bonnell home at Glencoe March 25, included their daughter Ruth from NMST. Mrs. Bonnell's parents Leo and Louise Joiner, Hondo, her sister Edith Lawrence and three children, Carlisle, Iowa and their sister Ruth Lawrence and husband and two boys, Roswell,

who were accompanied by Ed's sister Elizabeth and husband Frank Clonts from Decatur, Alabama.

Leo and Louise Joiner, Hondo, celebrated their forty-fourth wedding Anniversary March 30. Their children honored them Thursday evening with a lovely dinner in the Peter Hurd Room at the Silver Dollar in Tinnie. This room is where Leo and Louise were introduced to each other forty-seven years ago. At that time it was the kitchen and dining room in the home of Mr. and Mrs. Walter Rose. Miss Louise Hall boarded there while teaching school at Hondo. All five of the Joiner's children were present for this happy celebration: they were Della Bonnell, Glencoe; Pat Joiner and wife Betty, Capitan; Patsy Racher, Hondo; Ruth Lawrence and husband Ed, Roswell; and Edith Lawrence, Carlisle, Iowa.

Edith Lawrence and three children left Friday for their home in Carlisle, Iowa after spending a week with her parents Mr. and Mrs. Leo Joiner. She enjoyed visiting with sisters and brother and one evening the whole clan gathered at Hondo for dinner and visiting. Fourteen of Leo and Louise's grandchildren were present for this reunion. The fifteenth grandchild, Jayme Racher is in Japan at this time with a Cultural Exchange Group from Fort Lewis College, in Durango, Colo.

Mr. L. P. Hall now deceased, father

of Louise Joiner Hall, was at one time, State Representative for Lincoln County and later, state Senator for Lincoln and Otero Counties.

Joe and Darla Pfinsten visited his parents in Lincoln for a few days last week, and they had such a nice visit.

My granddaughter, Nancy Humble, daughters of Sam and Mary Lou Walsh spent the week-end with me.

Cadet Richard Phillips had a week with us—his parents took him to El Paso to catch a plane to return to West Point.

Rich will be quite busy from now until June 6th when he will graduate and will then have a month off before going to Ranger Training and then to be stationed at Ft. Bliss.

His brother Kirk who is a Junior at West Point will graduate next year. He spent his spring break with friends who also attend West Point in Florida.

Nogal News

by Linda J. Greer

Nogal gets its water off the pipe line that comes from Bonito Dam. The tank where the water is stored is getting old and we are having to replace it. A new tank will solve a few of the water problems but, we have many more to solve.

Bobby and Sue Stearns got home from the first water meeting Wednesday to find that their well pump had burned out and they had to replace it so they could have water.

Mert and Leona Zumwalt's daughter Donna and husband Jerry Kennedy and family from Las Cruces came for a short visit.

Robie Burkstaller is having her kitchen remodeled.

Hank and Mary Means have visitors, his sister Verna May and her husband Rod Rodmen. Verna and Rod also visited her brothers Bob and Don Means and her sister Mary Etta Miller.

Ma has decided to keep her gas pump going, so that we will still have gasoline for sale in Nogal and she will soon be getting cokes again.

Johnson Stearns just bought the house next door to me. Johnson bought it so Ma would have a better place for someone to come and stay with her.

Carl and Katie McDaniel are building a fence around their property.

Bruce and Charolett Hunter were visiting with Everett and me this weekend. They also visited with Bruce's parents Ferry and Evelyn Sidwell and family. Jerry is Fern Savyers foreman.

Alice May celebrated her 82nd birthday Sunday. Those helping her celebrate were Bill & Lucinda Harcerow from Alamogordo, Mary & Albert May from Laramie, Wyoming, Lillie Bell Bivens and Loraine Smith from Lordsburg, and Margie Douglas from Santa Fe.

Alice's grandchildren helping to celebrate were Leon May from Nogal, Alice Ann Vinson from Neivol, Colorado, Margaret Smith from Melrose.

Great-grandchildren helping to celebrate were Roy & Crystal Bonhorst from Alamogordo, and Denise & J. Dean Smith from Melrose.

There were numerous telephone calls from grandchildren.

Nogal has a very proud young man in its midst, Steven Stearns. Steven just won the recent bike-a-thon by going 26 miles, he received a trophy for his efforts.

THINKIN' IN LINCOLN

Mary Ellen Payne

Remain A Wise Consumer—Even at Friend's Merchandise Party: The lure of free gifts, commission and an excuse for a party are part of the reason home parties selling plastic storage containers, soap, jewelry, clothes, cards, cookware and even vitamins are so popular. But just because the parties are fun, don't forget how to be a wise consumer. Don't attend party-plan sales if you aren't interested. When you do attend, compare prices beforehand on similar merchandise elsewhere. Also, put off buying if you're unsure.

Many people have experienced the high pressure situation at a party-plan sales program when friends and neighbors are signing up for new jewelry, clothing, china and crystal or pots and pans—it's difficult to resist buying. Guests know that the free gifts received by the host or hostess depend on the number of products those attending buy. Therefore many party-plan salespeople depend on such peer pressure among the guests to make their sales.

If the merchandise at the party is overpriced or does not suit your needs, enjoy the party without feeling like you have to buy. If you are unsure about buying, say you want to think about it overnight—Go home and talk it over. If you decide the merchandise is a good value—and suitable, usually you can place orders the next day.

Ruth & Joe DeTevis Art Exhibit Reception Well Attended

An enthusiastic crowd attended the reception for Ruth and Joe DeTevis' art exhibit at the Carrizozo Art Gallery Sunday. The show will remain at the gallery through the month of April and the hours are set from 1 to 4 p.m. Saturday and Sunday or by appointment (648-2505). The gallery wishes to thank Ramona Ortiz for providing the cake which was in shape of an artist's palette. Live plants were by the Gift Gallery. Art Club members of the Carrizozo Mid-School presided at the guest book desk and also passed out registration slips for the door prize. They were Willie Edwards, Michele Kohrs, Troy Keller and Angelo Vega.

Ruth DeTevis has two 18 x 24" monochromatic paintings of apples and basket; several paintings of water jugs, buses and tea kettles, and a felt material collage of a partridge on top of a tree. Perhaps one of her most successful is a watercolor painting of a cowboy wearing a high rim hat and drinking a cup of coffee.

Joe DeTevis' paintings depict landscapes, indians, waterfalls, old houses and city scenes. There is a prize-winning painting titled "Mardigras". It was awarded first place by the president of the American Watercolor Society during a recent Fresno Calif., District Fair. All the

paintings have been given titles...a requirement from contests that compete for prizes as well as for inventory and record keeping. One will see such paintings with titles such as "Old Weathered House," "Springtime," "Caballeros," and "The Lonely Village." DeTevis prizes "The Old Weathered House," "Autumn Leaves," and "The Chieftain," for their informality of design and detail. He brings to mind a question that was asked of a famous artist. The question: "Sir, among all your paintings, which is your most successful?" the reply: "My next one."

Art Club members of Carrizozo Mid-School got together Saturday March 31 and removed the drawings of display in the old Thornton Grocery Store (Smith Building) and put cut-out letters that spell "Shop, Save In Carrizozo in their place.

Art Club members also helped with the art exhibit hanging at the art gallery that day. Members present were: Dwayne Zamora, Randy Vega, Robin Beltran, Dominic Vega, Angelo Vega, Leroy Lopez, Daniel Zamora, Willie Edwards. They are receiving training in learning to hang pictures properly, in painting and spacing lettering and signs for displays.

Personal Glimpse Of Wash., D.C.

by Ralph R. Dunlap

After seven months of waiting, I received the phone call asking me to go to Washington, D.C. for a month's orientation in preparation to going to Tunisia. They gave me less than ten days to make final arrangements and get to Washington by March 5th to start classes. I will be going to Tunisia March 31st as a Sheep Production Specialist with the United States Agency for International Development, which is part of the Department of State.

Quite a bit of the orientation included information on forms to fill out, procedures and getting the forms completed on overseas shipment. The medical officer from the State Department gave me a few guidelines for staying healthy overseas - some were:

Boil water for 10 to 20 minutes before drinking; Do not eat green salads in restaurants; Avoid cream puffs and similar bakery products; Recommended shots of gamma globin for hepatitis, tetanus, polio and probably yellow fever; If a soda does not "fizz" do not drink it as it may be deluted with water; Have lo-motile tablets for use for diarrhea.

One of the other outstanding classes was on how to read a foreigner. It went into how your hands, body and feet can be used to get a message across. Often our use of hands gives an extremely obnoxious meaning. For example, you do not disturb the hair on the head of a child in that area, as it will disturb the spirits to the detriment of the child. It is very offensive to get food or give a gift with the left hand in the Moslem areas, you always use the right hand. In the Philippines, you motion a person to come to you with the palm of the hand down. The palm of the hand is up if you call a dog or servant. In Germany and Italy the thumb indicates one and the index finger indicates two. If you want one drink and hold up the index finger, you get two because they assume the thumb was held up also. This is also a video tape and would be excellent for a

high school language class. I am going to see if it is available.

The second week, emphasizes the need to understand the host country culture and try to adopt to it.

Through all of this my wife, Rosalie has been home taking instructions on what to pack, how to ship it and when to have it ready. In certain ways she has had more to do than I have. (Rosalie left to Washington, D.C. March 17th)

Three New RC&D Measures Accepted

The South Central Mountain RC&D Executive and Steering Committees met at the Inn of the Mountain Gods in Ruidoso recently to conduct business.

Capitan Mayor Don Stark requested assistance in trying to obtain adequate water storage for their village. Several alternatives were discussed by the group, including a joint recreational and water storage lake. Upper Hondo SWCD sponsored this measure and it was accepted by the group to try to find a solution to a much needed problem.

The Executive Committee approved a measure to endorse the Lincoln County Model Implementation Plan under Section 208 of the Rural Clean Water Act.

Robert Hayes, President of Ruidoso State Bank, was the afternoon program speaker. He stated it is part of business to help groups such as this that give of their time unselfishly to find solutions to area problems, and leave the earth better than it was before.

He gave the group an interesting review of his thoughts on things to come such as the economic situation, energy, labor, inflation, oil situation, and consumerism. He stated that the economic situation is like a ship captain who has set his course - when we arrive
