## News Briefs..

### Special Town Meeting--

## Seven Appointed to CEBG Committee

Saturday, July 25th, is the date set for the Fourth Capitan High School Reunion for former Capitan High School students, faculty and friends.

This year the graduating class of 1931 will be honored on their fiftieth anniversary!

The graduating class roll of 1931 consisted of Thelma Yates, Arvilla Youngblood, Woodrow Clements, Bill Ferguson, Aline Williams, Fronie Hulbert, Dixie Pearce Foster, Ruth LaMay, Lucille Everett, Giles Ramey, Gilbert Dow, Otila Vega, Roy Ramey, Geneva Lynch, Ray Serna, Henry Hobbs, Fred Silva and Wyona Hall.

Area livestock operators who graze on public lands have been notified by the U.S. Bureau of Land Management that they may elect new members for the Roswell District Grazing Advisory Board. The board advises the BLM's Roswell District Manager on the development of allotment management plans (AMPS) and the utilization of range betterment funds.

BLM Roswell District Manager, Dick Bastin, said the Grazing Advisory Board is composed of five elected members, two each from the Carlsbad and Roswell Resource Areas and one at-large.

To be eligible to serve on the board a rancher must be licensed to graze commercial livestock on public lands in the BLM's Roswell District. The District includes Chaves, Guadalupe, Quay, Curry, DeBaca, Roosevelt, Lincoln, Eddy, and Lea counties.

Ending their two year terms in August 1981 on the Roswell District Grazing Advisory Board are Bill Ball and Dick Corn, Roswell, representing the Roswell area, Bill Dinwiddie, Roswell and Hart Greenwood, Carlsbad, representing the Carlsbad area, and H.W. "Bus" Eppers, representative at-large.

Nominations will be accepted through August 5, 1981 with formal election of new Grazing Advisory Board members to follow in September.

Federated Republican Women of Lincoln County held their regular monthly meeting Tuesday, July 21 at 6:30pm at the home of Mr. and Mrs. A.T. Pfingsten, Sprung Ranch, located on Highway 380 2 miles west of Hondo.

Ground breaking ceremonies will be held for the New Mexico Girls Ranch at 10:00am, Saturday, August 1, 1981 on a 117 acre tract of land just south of Lamy, NM.

The New Mexico Girls Ranch is a division of the well known New Mexico Boys Ranch. Mrs. Alice King has served as a member of the Boys Ranch Board of Directors for a number of years and is presently serving as Chairwoman for the Girls Ranch Advisory Committee which spearheaded the raising of the necessary funds to build the first cottage and get the project started.

Ultimately the New Mexico Girls Ranch will care for 36 to 48 homeless girls. Like the Boys Ranch, it will be built and operated entirely with private contributions.

At a special town meeting last Tuesday, July 21, the council approved the names of seven citizens to serve on a committee in connection with Carrizozo's Community Development Block Grant (CDBG) Program. The following were appointed to act as the Grant-Loan Approval Committee: Bob Watson, Fr. Dave Bergs, Dr. James Miller,

Mary Vidaurri Chavez, Scott Shafer, Rene Burton and Noyola Ortiz.

The committee will be under the direction of Mr. Hubert Quintana, who was present at the special 6:00pm meeting. Quintana of Roswell, economic development specialist with Southeastern New Mexico Economic Development District (SNMEDD), assisted the town in obtaining a grant

from the U.S. Department of Housing and Urban Development (HUD) totaling \$300,000. The money is to be used for housing rehabilitation and storm drainage south of the railroad tracks. The grant will benefit low and moderate income owner-occupant households.

A manual defining application guidelines, contractor commitments

and other important details will soon be available to the public at the town hall and the chamber of commerce office. The CDBG Program will entail hiring a full-time construction inspector. Applications for the 1-year position will be advertised.

Richard Vega's letter of resignation was read at Tuesday's meeting and accepted. Vega resigned

as trustee in order that he may be eligible to bid when the housing rehab construction bidding begins. Vega is a local contractor. At the next regular town meeting, if the mayor has a recommendation for the vacant trustee seat, the council has the right to approve or disapprove.

The council received notice from the State Highway Department that Carrizozo will be included in the 1982-83 budget for street paving. The department will pay 75 percent of the total cost, with the town responsible for the remaining 25 percent. All local town streets needing repair will be worked on.

Zozo Cable TV requested a \$2.00 a month rate increase for the purpose of adding four more channels. The council voted 'yes' to the request. The four channels which will be available in Carrizozo in 90 days or sooner, are all 24 hour a day channels - Chicago, Atlanta, Hartford Conn. and Cable TV News. One of the stations (Hartford) is an all-sports channel. They are all independent stations and will not cause any conflict with the three major networks.

Zozo Cable TV at the same time will be offering a Cable "pay package" to their subscribers. "Showtime" is similar to HBO, but it has more to offer in the opinion of Zozo Cable TV owners, Hoot and Linda Gibson. "Showtime" is strictly an option for Zozo Cable TV subscribers at an extra \$9.00 per month.

## Young People's Contests Announced

Santa Rita Parish announces Contests For Young People in connection with their Fiesta Activities On Saturday, August 1, at the playground area near the golf course, there will be three separate events.

Ages 7 and under - 1:30pm  
HOMEMADE HAT AND PET PARADE. Youngsters may wear any hat made from items around the house or any already-made hat that is outstanding in appearance. They should bring their pet on a leash. Certificates of participation will be given to all those who take part.

Ages 12 and under - 2:00pm  
FISHING CONTEST (25 cent entry fee). A small pool of water with rings in it will be used for all the "professional" fishers of the area. The person to fish the most rings out in the time allowed will win a gift certificate from the Gift Gallery.

Ages 16 and under - 2:45pm:  
FRISBEE THROW CONTEST (50 cent entry fee). A tire will be the target for the sharp-eyed youngsters who will need to throw a frisbee through it. Person who succeeds the most in the time allowed will win a \$5.00 prize (\$10 if at least 10 people enter the contest). Entrants must bring own frisbee.

Applications for these events may be obtained at the swimming pool, Lincoln County Insurance Office, or the Parish Office. Refreshments will be available during the events on August 1.

7-13-81: Sheriff's Department were called out to Pat Popes Residence in Alto to check for prowlers. Nothing found, possibly a bear.

7-14-81: Received a call from the Lynn Robnett Residence in Hondo in regard to a theft of a 22 pistol which was stolen from her residence. Incident is still under investigation.

7-15-81: Sheriff's Department was called out to Eagle Creek where Dallane Alinic, 5 of El Paso, Texas was bitten on his leg by a rattlesnake - he was taken to Ruidoso Hospital.

7-16-81: A complaint from Dorothy Smith of Gilbert Peters Ranch came to the Sheriff's Department in regard to a lawn mower that was stolen. Officers are still investigating that incident.

7-16-81: Mrs. Edna M. Jones of Nogal reported to the Sheriff's Department that three rings had been taken from her home. Still under investigation.

7-17-81: Curtis Lathar of Melvin Morris Construction in Ruidoso was taken to the Ruidoso Hospital after being cut on three fingers by a table saw.

7-18-81: Sheriff's Department was called out to the residence of Ruby Hittson at the Sierra Vista Estates in Ruidoso, in regard to a family disturbance.

7-19-81: Sheriff's Department were called out to Dr. Spencer's Residence in Alto in regard to Burglar Alarm that went off. Turned out that lightning set it off.

7-19-81: Another report of a burglar alarm which went off at the Littico Residence in Ruidoso. Alarm was set off by the wind.

## Camp Meeting Closes

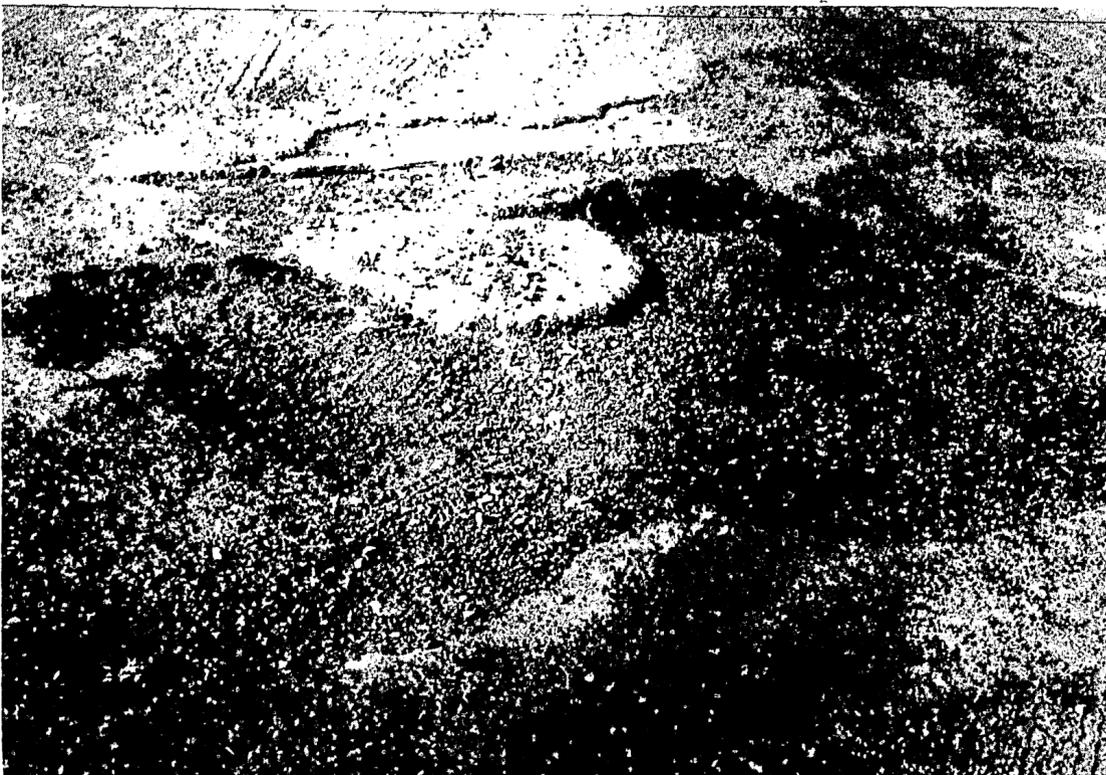

One of the most unique western annual events in Lincoln County, in this modern day, concluded Sunday. The Nogal Mesa Ranchmen's Camp Meeting had the largest encampment in its 41 year history 578 campers in an overflow of trailers required space outside the 23 acre enclosure. About 1200 registered to attend services.

The diversity between the two preachers gave everyone a choice of the quiet sincerity of Rev. Bob Goodrich or the dynamic fervor of Rev. Reggie Creekmore.

The first few days, participants had to brave the wetness of summer showers. The weekend was sunny and warm. Memorial services Saturday morning were exceptionally impressive for the friends of the eleven deceased mentioned. The theme used was of "God's Mantle" dropping to the shoulders of the living to carry on the work of their Christian ancestors.

The tabernacle was completely filled Saturday afternoon as the youth, under the leadership of T.R. Fillingim and his guests, Masters Four Quartet, filled the air with western revival music.

As services closed Sunday night, the ranchmen managers agreed it was one of the most inspirational meetings ever held in Lincoln County.

Paving scheduled for Carrizozo streets--

RECENT rains have caused the worst in Carrizozo to re-appear--such as this 'pothole', one of many found all over town. Town has just been notified that State

Highway Department will include Carrizozo in its 1982-83 budget for street paving.

## Federal Budget Cuts

May Hit State's Smaller Towns Hardest

Cuts in the federal budget and changes in federal budget policies will affect the entire state of New Mexico, but the state's smaller towns will probably feel the money pinch the most.

Since New Mexico's small towns serve as economic centers for area farmers and ranchers, the financial squeeze could become widespread throughout New Mexico's \$1.1 billion agricultural industry.

Dr. John Oren, director of the Cooperative Extension Service at New Mexico State University, described the situation as "... sort of a financial domino-effect that's full of short-term and long-term conflicts for all the state's agribusiness interests."

The first conflict agribusiness interests will face, according to Dr. Oren, will be more competition for less available money. "This is one of those cold, hard facts of life and it's going to require some new thinking on everyone's part," he said.

New Mexico's economic development in the 1980's should continue on the upward trend established in the past decade, but

there are going to be new variables. Dr. Oren said.

"In our smaller towns, for example, the shortage of federal funds through traditional grant and loan programs could force local banks to consider more innovative ways of supporting the local economy," he said.

The steady growth of small towns in New Mexico is essential to farmers and ranchers because they provide services farmers and ranchers need. "It's not going to work if farmers and ranchers in Union, Harding and San Miguel counties have to depend on Albuquerque banks for financing, or Albuquerque businesses for

machinery parts and ag chemicals," Dr. Oren said.

Officials in smaller towns will find traditional sources of federal funding drying up in coming years. The Farmers Home Administration will be directly affected by federal

(Con't. on P. 6)

## Board Meet Rescheduled

"No quorum" - was the reason that the regular July 21 Carrizozo Board of Education meeting was rescheduled for Thursday, July 23.

The 3:00 pm agenda will include employment recommendations for mid-school social studies and high school language arts teachers; acceptance of the resignation of Liz Luera; goals for superintendent evaluation; and a review of the 1980-81 CTBS student scores.

Thursday's agenda will also include a progress report on the high school renovation. The remodeling of the Carrizozo High School building

has resulted in a large number of doors, windows and screens being available for purchase at the District Office.

Items for direct purchase include approximately 57 sets of large windows, valued at \$10 per set, 4 sets of medium sized windows, valued at \$7.50 per set, and one set of small windows, valued at \$5.00. Approximately 20 interior doors are available for purchase at prices varying from \$5 to \$10 depending on the quality of the doors. Doors include locks and some closing devices. Large

window screens are also available for sale at \$2.50 each.

An additional 15 exterior doors, some metal with others having glass panes in them will be for sale in mid-August. Sales will be made on a first-come first-serve basis, with payment on the spot by cash or check.

There is also a large pile of lumber resulting from the removal of old door and window frames in the building. The pile is at the south end of the High School and may be taken by interested members of the community at no charge.

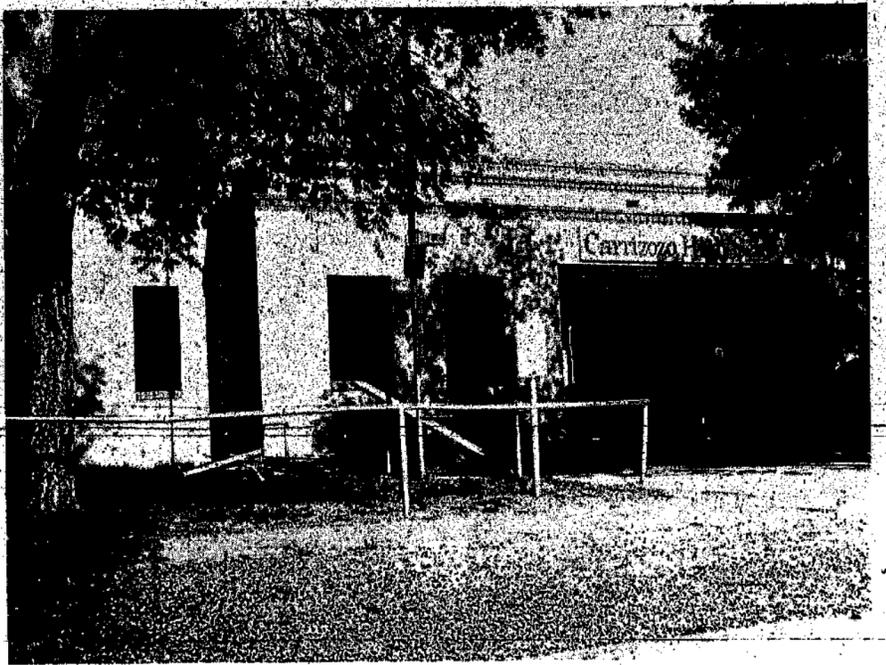

NEW HIGH SCHOOL BUILDING OPENHOUSE, JULY 24, 7:30 P.M.

### VISIT HOMETOWN

Rhoda Kohler and daughter, Pat of Higginville, Missouri and Mary Stafford of Tucson, Arizona were visitors last week in the homes of Nellie Baker and Catherine Cornett of Carrizozo. The Freeman sisters, Rhoda and Mary, are former Carrizozo school students.

Another former student, John Allen Bell was in Carrizozo earlier this month visiting friends. John, who now lives in Abilene, Texas, had been in Santa Fe to see his brother, Sterling. Their father was a Methodist minister in Carrizozo at one time.

Catholic Church was followed by afternoon reception and an evening dance.

Attending from Carrizozo were Bobby Ventura and girlfriend Sherri Clark of Moriarty, NM; Mr. and Mrs. Louis Ortega and family; Adelina Salazar Silva; Mr. and Mrs. Nat Chavez and family; Mr. and Mrs. Leo Samora; Albert Baca. Capitan guests at the event were Mr. and Mrs. Lionel Griego and family; Lucy, Mary and Gina Griego; Ninfa Chavez.

Former Carrizozo wedding guest included Linda Houaley of Los Lunas; Annette Chavez of Albuquerque, fiance Arther DeLaCruz and his friend Mark; Lilly Barraza and Flora Garcia of Alamogordo.

Other relatives were Mr. and Mrs. Louie Sandoval and family; Tony Chavez and Becky Perea and family of Alamogordo; Mr. and Mrs. Bonnie Pino and family; Mr. and Mrs. Orlando Frezquez and family, Tularosa.

### ATTEND 4-H CONFERENCE

Mary Jane Ferguson, Roxanne Gable and Lisa Cantrell, who attend Carrizozo High, were among the 600 members from 4-H clubs throughout the state who attended the annual N.M. 4-H Conference last week.

The event was held on the New Mexico State University campus. An awards banquet honoring 33 members closed out the annual 4-H conference.

Wild Snail, Ruidoso - feather duster. Cecilia Ortiz and Arsenia Narvaez - handmade quilt and pillow.

Whites, Frank Montoya - hinges, hardware, curtain rods. Jim Miller - wooden material for facing and walls. John Allen Hightower - rpl and roofing felt. Carrizozo Welding - welding service. Polly E. Chavez - cloth doll.

### BIRTHDAY PEOPLE

Vince Vega, Josefita Lopez, Ken Wells July 23; Barbara Langley July 24; Jack Magee, Wink Bancroft July 25; Stacy Ortega, Victoria Cisneros July 26; Diana Silva, Patricia Baroz, Anthony Vallejos, Betty Means July 27; Anna Clark, Daniel Morales, Buddy Hill Jr., Refugio Najer Sr. July 28; Mike Moreland, Brian Vigil, Eugene Hernandez July 29.

### VISIT 'THE LAND'

Albuquerque residents Tiofilo and Rosie Martinez, son Isaac and nephew, Alex Sanchez and the Nat Chavez family of Carrizozo joined the Danny Narvaez family also of Carrizozo for an outdoor hamburger picnic last Sunday. The site of the picnic was on Narvaez acreage, out of the town limits, where the Narvaez family is building a 3-bedroom adobe home.

Construction is advancing rapidly. Water and electricity is available. Shade trees have been planted. There is a beautiful view of distant mountains and the setting sun.

### PILFERED LAFFS

... There's a new Chinese diet - eat all you want, but use only one chopstick.

... Outside a suburban house: "Beware of the dog - he makes snap judgments."

... Inflation is like a balloon. Once it carries you high enough, you hesitate to let the air out.

### PRESIDENTIAL GREETINGS

If you want your parents to receive a greeting on their 65th wedding anniversary from the White House, the person to write to is: Mrs. Joan DeCain, Room 39, Old Executive Office Building, Washington, D.C. 20506. They handle this type of correspondence.

I came across this address in Albuquerque Journal's 'Action Line', an authentic, educational and informative question and answer column by G. Ward Finley and Louise Miller.

### ATTENTION BOOK-WORMS

Mark your calendar now, the bookmobile will be in our area again on Tuesday, July 28. Scheduled stops include Lincoln P.O., Capitan Smokey Bear Cafe, White Oaks, Carrizozo Electric Office, Oscura.

Among the books I have checked out recently was 'Hints from Heloise' - tested, easy, inexpensive tips. Sections are Cooking Up a Storm, All Through the House, The Great Outdoors, and Strictly Personal.

Another book which I checked out was Paul Harvey's 'The Rest of the Story' by Paul Abrandt. The book is about startling, but true heartbeats behind the headlines.

Aileen Lindamood of Carrizozo, a bookmobile fan, was trying to explain to me who Abrandt is. I found out that Harvey is Paul's middle name. He dropped his last name 'Abrandt' because it was difficult to spell and to pronounce. His son, also named Paul, kept the name. And now I too, know the rest of the story.

### TOUR CAVERNS

Five Santa Rita Catholic Church altar servers enjoyed a trip last Friday to Carlsbad. Father Dave Bergs accompanied Joseph Candelaria, Robin Beltran, Gabriel Chavez, Raymond Ortega and Kenny Vega on the all-day trip.

Following the fascinating Caverns tour, the Zozo group rode bumper cars in White City. The Friday trip included munching out at Pizza Hut in Artesia and at Sirloin Stockade in Roswell.

### ATTEND VAUGHN WEDDING

Many friends and relatives joined Mr. and Mrs. Frank Baca Sr., Dino and Mr. and Mrs. Andres Herrera of Carrizozo at the wedding of their son, brother and grandson last Saturday in Vaughn. The ceremony at St. Mary's

## Federal Budget Cuts

(Con't. from P. 1)

budget cuts, and there is going to be less federal money available through multi-county councils of government.

Other programs that small towns depend on will also be affected - industrial revenue bonding, sewage treatment plant grants, federal loan guarantees, direct grants, low interest loans or loan subsidies, and other favorable credit terms.

"One major change we will see is the federal government's attempt to return some discretionary power to the states by turning federal funds over to states in block grants," Dr. Oren said.

This will create new, and unfamiliar, routes for grant and loan applications until the new system is organized and has been operating for a few years, he said.

"Our larger towns have full-time people who spend all their time tracking down these money sources and making applications for the money that's available. The smaller towns are going to be at a disadvantage - even more than they already are - for the next few years," Dr. Oren said.

The long-range problem Dr. Oren predicts is the competition for community development capital and the operational budget needs of cities and counties.

"In many ways, it's going to be a new ballgame," he said. "The nature of growth is going to be affected."

Marginal business ventures and some community programs may fall by the wayside without direct federal grants, subsidies and guarantees, he said.

"This will be unfortunate in some cases, especially in the case of small ventures with hopeful futures but inadequate resources," Dr. Oren said. "Small towns and small businesses are going to have more trouble growing and surviving."

The balance to all this potential bad news may be found in state government.

"There are already indications that the state legislature, and many leading state political figures, are more open than ever before to new financing programs to encourage economic growth in New Mexico," Dr. Oren said.

Some important economic growth seems assured for New Mexico through the 1980's because of the state's Sun Belt membership, and the spillover of economic benefits of industrial and commercial development along the United States-Mexico border.

However, most of New Mexico's growth for the coming decade ap-

pears to be targeted in existing larger cities.

"If we add large numbers of consumers over the coming years without paying attention to the state's agricultural development, we will be facing some problems that are really unnecessary," Dr. Oren said.

"The small towns and the state's rural areas need their fair share of attention," he said. "New Mexico has yet to develop an overall strategy to administer what federal funds will be available, and coordinate that with efforts to manage the state's anticipated growth in all sectors."

## Locals to School

Fred Munk, Secretary of the Taxation and Revenue Department, has announced that the 1981 county assessors school will be conducted at the University of New Mexico in Albuquerque, July 27-July 31, 1981. This annual school is sponsored by the Property Tax Division of the Taxation & Revenue Department, with instructors furnished by the International Association of Assessing Officers in Chicago, Illinois. One hundred and nineteen (119) assessors and appraisers from throughout New Mexico and three (3) from out of state will be attending the five-day school. The Fundamentals of Real Property Appraisal, the Appraisal of Income Producing Property, Personal Property Valuation and the Fundamentals of Mapping will be offered.

The primary objective of the school is to provide the persons involved in the administration of the property tax with technical, legal and administrative skills that will improve the administration and

collection of the property tax statewide. Attending from Lincoln County will be: Ronnie Beltran, Paul Baca and Dave LaFave.

# Corona Area News

Temperatures registered last week at Lincoln Station saw a low of 53 on July 18th and a high of 89 degrees on the 19th.

Jack Donohue returned Sunday from a vacation spent at their cabin at Vallecitos, CO.

Donald Coker has been transferred from Lincoln Station to Window Rock.

Flossie Smith Goffy, Pueblo, CO has been visiting her niece Pauline McCloud. Mrs. McCloud took her to Santa Fe Monday to spend some time with the Frank Smiths.

Mr. & Mrs. Archie Perkins and Sherrill Bradford were in Pueblo for a few days last week to be with Mr. and Mrs. Tom Perkins. Bob Bradford flew up Sunday and Sherrill returned to El Paso with him.

Seven members of the 1940 CHS class and their sponsor, Archie Perkins, held a reunion Sunday, July 12th in the school recreation room. There was plenty of good food, good conversation and slides from former reunions. Class members present were Evelyn Kilpatrick Bates, Susana Nafatal Park, Three Rivers, CA; Sibyl Schneider, Griffin Brown, Reserve; Ruth Welch Campbell, Alamogordo; Corine Lucero Gallegos, Vaughn; Mildred Simpson Fryor Killen, long time resident of Farmington and now residing in Clovis; Helen Foster Toland, Portales; and Nolan Vickrey. Ten of the class, all living, were unable to be present. Also enjoying the anecdotes and reminiscences were Dale Bates, Jack and Benny Bates of CA; Jim Brown and Grant Griffin, Benny Gallegos, Dayid Campbell, Lola Morrill Bickrey and Geraldine Perkins. Mrs. Jess Wade and Tom Livingston joined the party.

The Corona Board of Education and their wives entertained members of the school faculty and staff with an appreciation dinner honoring Mrs. Neva Brown who has resigned as Superintendent of Corona Schools to accept a position in the English Dept. of the Merton, Texas schools. The Browns are former residents of Mexizop and have a home there. Mrs. Brown was presented with a rock painting done by Mrs. Dimmitt Bond. There were forty-six present to eat and visit on an evening so cool that a bonfire was required.

Mr. and Mrs. Walter Hiatt of Corona are the parents of a daughter, Chrizonra Renee, born July 15th in El Paso. Paternal grandparents are Tommy Hiatt and Pat Anderson of El Paso. Maternal grandparents are Mr. and Mrs. Howard Wetzel Jr. of Corona. Chrissy and her parents are expected home about August first. Congratulations Walker and Zondra.

The Corona Mug Club held its second meeting July 8th at Jessie's Place with Head Mug President presiding. Right Mug Gordon Owen, Left Mug Marie Owen. The food served consisted of alligator tail, chili, potato salad, tortillas. The free beer was donated by Richard Flores, owner of the bar. The alligator tail was brought by Ruth and Don Schneider from their recent trip to Mississippi and Louisiana. The next meeting will be July 28th when members will enjoy barbecued goat. New members are welcome. The Club is entering a float in the Summer Festival parade and challenge other organizations to do so.

Mr. and Mrs. Ralph Villella of Fort Lee, Virginia are the parents of their fourth child, a daughter. Mrs. Pete Porter has been in Virginia with her new grandchild, who had some problems but are reported out of the hospital at this time.

Perry Randall has entered the Festival Parade and will perform some of his Indian dances.

William "Bill" Bramlett arrived from Albuquerque Monday to begin familiarizing himself with his duties as the new Superintendent of Corona Schools. Mrs. Bramlett (Suzanne) is recuperating from an appendectomy and will join her husband a little later.

Sixteen members of the Corona Youth Group and five adults attended the Nogal Camp Meeting, washing dishes for five meals and enjoying the

services, campfire, and other youth activities.

Kathi Garfield returned Friday from a twelve day vacation trip to Mission Hills with her father, Rick Garfield, and Mrs. Garfield. This week Kathi and her mother are on a photography expedition to Durango, CO.

Mrs. Jim Hiltley has announced some slight changes in schedule for the Summer Festival on August 8th. The Horse Show for Lincoln Co. youth will begin at 8:30 so that contestants may enter the parade at 11:30. Lunch will be served at the school during the noon hour and the Play Day will begin at 1:30. Classes are planning reunions. The Sagebrush Revue will play for the dance from nine to one, and the cheerleaders will have the concession at the dance. Fried chicken will be served at the luncheon for a moderate fee with all proceeds going to the school lunch program. Contributions of eggs, potatoes, fruit for the cobbler etc will be welcome. For additional details one may contact Mrs. Hiltley or Mrs. Lee Mulkey. Booth spaces are still available at \$10 each.

Jack Livingston, Baton Rouge, LA, is spending ten days with his brother, Tom Livingston and taking care of ranch business. Mary Livingston, a graduate student at LSU, loves New Mexico and accompanied her father on this trip. They planned to start home Thursday and to stop in Amarillo with Inez "Babe" Sorrell.

Mrs. J.E. Robinson was called to Alamogordo last week by the critical illness of her brother, Clarence Griffin. At the last report he remained in serious condition in the hospital's intensive care unit.

## Obituary

### Stanislaus Venego Sr.

Stanislaus Venego Sr. passed away July 16, 1981 in El Paso, TX. Mr. Venego was born on December 23, 1927 in Mesclero, New Mexico.

Survivors include one son Stanislaus Venego Jr. of Mesclero, and one daughter Charlotte Enjady of Mesclero.

Services were held with Rosary Sunday July 19, 1981 at 6:30pm with Mass Monday July 20, 1981 at 10:00am. Officiating was Father Justin. Interment followed at the Mesclero Cemetery.

Pallbearers: Jovian Smith, Christie Laraz, Elroy Randall, Larry Feabashy, Vincent Cojo, Oliver Enjady.

Arrangements by Clarke's Chapel of Roses, Ruidoso, NM.

## L-e-t-t-e-r

July 20, 1981  
Biggest Lie of Lincoln County  
I don't know who this Mel Coe is (July 16, 1981, Lincoln Co. News, Billy A Hero Says Mel Coe) but he is not George W. Coe's grandson. George Coe has only one (1) grandson living by the name of Coe. He is Harold Coe of Tularosa, New Mexico.

I knew George Coe while he was living and he was very particular who his relatives were. My wife, Nina Perry Taylor is George Coe's granddaughter. She didn't have any relatives by the name of Mel Coe, to my knowledge.

Ray Taylor  
P.O. Box 126  
Lincoln, NM  
Pho 683-4881

SOME of the best scenery around Carrizozo these days is the beautiful green garden at the J.O. (Bud) Payne place. Recent rains and Bud's hard work and green thumb has made this assorted vegetable garden something really to be proud of. The corn, green beans, okra, beets, carrots and squash are all looking great.

## A Zingy New Flavor For Chicken 'N' Rice

Brandy and spices add zest to this chicken dinner.

Chicken, rice, tomatoes, mushrooms... just mentioning such foods can bring to mind favorite dishes from traditional Hispanic kitchens.

Here is a recipe that combines these ingredients in a sauce that's made extra special by the addition of Hennessey's V.S. Cognac, chicken broth and zesty seasonings.

Traditional? Maybe not. Delicious? No question. Here's how:

- 3 cups hot cooked rice
- 2 whole chicken breasts, skinned, boned and cut into thin strips (about 1 pound)
- 1/3 cup cornstarch
- 1 1/2 teaspoons salt
- 1/4 teaspoon black pepper
- 1/2 teaspoon dried thyme
- 2 tablespoons each vegetable oil and butter or margarine
- 1 cup sliced green onions with tops
- 1 can (8 ounces) sliced mushrooms, drained
- 1/4 cup Hennessey's V.S. Cognac
- 1 1/2 cups chicken broth
- 1/2 teaspoon tarragon
- 3 fresh tomatoes, peeled and cut in eighths

Combine cornstarch with salt, pepper and thyme. Toss chicken strips in this mixture until well coated. Heat oil and butter in a large skillet. Add chicken and sauté until brown on all sides. Stir in onions and mushrooms, cook two additional minutes. Add Hennessey's V.S. Cognac, broth and tarragon. Cover and simmer for 10 minutes. Stir in tomatoes, re-cover and cook for five minutes. Serve over rice and garnish with bright green sprigs of fresh parsley. Serves six, memorably.

## Corona Sr. Citizen News

Minnie Davenport was in El Paso this week for her regular eye checkup. Three of the council members went to Capitan July 10 to the Area-Wide Council meeting held in the home of the Frank Millers. Minnie Davenport, Mola Vick and Ollie D. Wade. They went to Carrizozo by car and on to Capitan on the Senior Citizen bus. It was a very informative meeting conducted by Beatrice Beltran.

The four council members and one alternate went to Carrizozo July 16 to the Election of Project Director held at the Woman's Club. Mrs. Barbara Ward was elected for this position. She will begin her duties August 1st-1981.

We were saddened by the death of one of our old timers, Mrs. Bessie Minor, who passed away in Roswell July 12. She was laid to rest in Corona July 17th with Rev. Ray Wells of Assembly of God church of Carrizozo officiating.

We are working on our arts and crafts which will be on sale at the center on Festival day August 8th. Our quilt will be raffled off at the dance that night.

## N.M. Farm & Livestock Bureau Conference 29-30

A host of hot agricultural issues are up for discussion at the New Mexico Farm and Livestock Bureau's 1981 Summer Conference, July 29-30 in Taos, New Mexico.

County Farm and Livestock Bureau organizations from across the State will address everything from Congressional reapportionment to public land use at the two day convention at the Kachina Lodge in Taos.

Registration for the conference will begin at 10:00am Wednesday, July 29th in the Kachina Lodge Lobby with welcoming remarks from the President of the New Mexico Farm and Livestock Bureau, L.E. "Pete" Davis of Clovis, set for 1:00pm at the north end of the Kachina Convention Center.

Wednesday's keynote speaker will be Jim Hughes, Chief Legislative Aide for N.M. Sen. Pete Domenici's Energy and Natural Resources Subcommittee. Hughes was previously Director of Information for the New Mexico Farm and Livestock Bureau.

At 2:30pm several special interest commodity conferences will convene

for discussion of public land use, beef cattle, cotton, wheat-feed grains, peanuts, sugar and alfalfa hay.

Thursday, July 30th, the farmers and ranchers will hear from a representative of their national organization, Bruce Hawley, of the American Farm Bureau Federation. Hawley is a director in AFBF's Washington, D.C. office.

At 10:15am a panel discussion on reapportionment of the state to Congressional districts will include veteran political journalists Ernie Mills and Fred McCaffrey. The director of the New Mexico Retail Association, Bob Gold, will moderate the discussion.

Trading New Mexico chili for midwestern berries may become a reality in the near future through direct marketing of agricultural commodities. This new area of trade is the subject of a session set for 11:00 featuring a representative of the Michigan Farm Bureau Federation.

At 11:15 the Associate Director for NMSU Extension Services, Dr. John Oren, will take a look at the future with "Agriculture and the Year 2000". In addition, the organization's Board of Directors will meet prior to the Summer Conference beginning at 1:00pm July 28th.

# LISTEN IN!

## It's Robie's Party-Line!!!

### Hot off the Wire:

Hi Mabel! Yes, we are back on weight again. I know because you're thin you are bored with the subject, but the fat people will be glad. Here is that other diet I promised you last week. Ruth Denton of Roswell sent us this two day diet. Believe me, it is very scanty.

**LOSE FIVE LBS.**  
Upon awakening, drink 1/2 pt of water at room temperature, then lie back down for 5 minutes before getting up. This helps to get the kidneys going.

**BREAKFAST** - A cup of tea or coffee, without sugar (or Sanka better still). Eat two rye crisps or a no-sugar, no-salt cracker.

**MID MORN** - A cup of lemon tea or coffee.

**LUNCH** - Mix together: 8 oz cottage cheese and a few drops of tobacco- or worcester- sauce. Use chipped chives or onion. Eat half the mixture with two raw, sliced tomatoes and a few lettuce leaves, plus a slice of whole wheat bread, tea or coffee. No sugar, no butter.

**MID AFTERNOON** - A cup of tea with milk, but no sugar.

**DINNER** - The remaining half of the cottage cheese mixture, again with 2 tomatoes, a few lettuce leaves, slice of whole wheat bread plus a hard boiled egg. Coffee or tea.

**NIGHT CAP** - 1/4 pt milk with 3 vitamin B tablets. They will calm you down and help you sleep.

**ANOTHER TIP for weight loss!**  
Try some lecithin. It works inside the body the same way it does in

cooking. It keeps fats broken up into small particles so that they flow freely and do not stick in the artery walls. A healthy body produces its own lecithin, but it's usually a good idea to supplement the diet with lecithin granules or capsules.

**NOW FOR THE FAMILY**  
A little more about the Billy the Kid days from the 7th through the 9th. Last week I mentioned a little about it; however now I wanted to remind everyone in Lincoln County that in 1889 the original Pony Express Race was founded by the officials Truman Spencer, Bob Scribner and Ralph Dunlap. At that time the route was from White Oaks to Lincoln. They had three changes of horses; the 1st change went through John Robinson's, the 2nd change went to Cencinosa and the 3rd through the Capitan Gap.

A new and special treat in store for the guest is the breakfast, prepared just before the race at White Oaks by Dolly Ward, Mrs. Weizel, Carolyn Cantrell, and Edna Littleton. So don't miss the great Pony Express Race. Sterling Spencer will be there to shoot the gun, replacing his dad Truman Spencer.

**HERE'S A LITTLE FASHION**  
How to minimize the size of hips: Don't wear flared, dirndl or gathered skirts. Pleated skirts are fine, as long as the pleats are stitched down over the hips. A-Line skirts or dresses are terrific for a hip problem. Are hats in or out?  
If you like them, and you look

well, they're in! If your hat is small and you are tall, it is not for you. Short women should avoid hats, and a large head is left best uncovered.

**MABEL! THIS POEM IS DEDICATED TO MRS. TOM SULLIVAN (of Capitan)**  
by her sister Joanne Buckley of Elk City. We thank her for sending it in.

**TOPATRICIA**  
Now birthdays come and birthdays go  
And when we were young they used to go slow!  
But now that you're forty as of today  
You can run downhill all the way!  
But the life of a jogger must be kept at a pace  
That keeps you up with the human race.

And if you jazzercise, paint and teach first grade,  
There's no time for sitting around in the shade.  
You've a sister who loves you and wants you to know,  
That she has enjoyed watching you grow.

And as you sit on your Mountain with Tom and the boys,  
Away from the hub-hub and all of the noise,  
She hopes each year will bring you joy and peace  
And prays your enthusiasm will never decrease.  
And her wish for you in this 40th year,

Is for 40 more, packed full of goodness and cheer!

Love,  
Joanne Buckley

**DID YOU KNOW**  
That the average American female is 28 percent fat? The average American male is 15 percent fat.

That the average Southerner has higher blood pressure than the average Yankee or westerner?

That the 4 singers who sang at the campmeeting Saturday afternoon were excellent?

Vernell Hightower says that they used to have all tents at the campmeeting - no trailers - do you remember those days?

That the Episcopal Bazaar in Ruidoso at Holy Mount had quality items and you missed some goodies?

The lady who donated 4 flower beds at the new church in Carrizozo and the lady who donated one?

O.K. MABEL! Here is your joke - maybe two!

Doctors and weather forecasters have one thing in common: Both want to be paid whether they are right or wrong.

"Since graduation my son has been looking for a position, but I think he's getting ready to settle for a job."  
IN NOGAL

The Plannings are building on a greenhouse. Scarber Ward and his helpmate are helping; as a matter of fact, they do a lot of building. They make a good team. Bill and Louise paid us a good visit, and Bill is looking better. Bill Payton has been in the hospital with a bad arm but hopes to have it cleared up soon. The hills in

Nogal are beautiful and green. The little rains have been delightful.

**YOUR QUESTION THIS WEEK**

Q: What are corn syrup and corn sugar? Are they as harmful as white sugar?

A: In the book, "Consumer Beware", Beatrice Trum Hunter has this to say about Corn Sweeteners: "Glucose is made from cornstarch, a natural product with minerals and vitamins. But the original starch is converted, by means of sulfuric or

hydrochloric acid, into a soluble carbohydrate that dissolves readily in solids or liquids. The strong acid destroys all the nutritional values contained in the original starch; however, glucose is much less sweet than white sugar, and can be used moderately in place of sugar." She recommends natural fruits and juices instead of sugar. Concentrated apple juice makes a good sweetener.

Have to go, Mabel. Bye now till next week!  
-Robie

## REPORT FROM ... U. S. Senator Pete Domenici

The Senate Subcommittee on Public Lands of which I am a member, recently held a two day workshop which discussed the question of federal land acquisition. From it we determined one major problem - the federal government has no overall policy on how much land it should protect, own, and acquire. As a result of this, public lands have grown into unmanageable land purchases so that the public domain covers an area roughly the size of all the states east of the Mississippi.

The General Accounting Office, the independent watchdog of federal government operations, issued a report which confirmed our subcommittee's findings and called for a reassessment of the federal government's current land acquisition program. The GAO discovered an

unwritten policy in federal agencies which has been to simply purchase as much land as possible without any concern for how much land was actually needed to preserve and protect the resources it surrounded. Furthermore, when the GAO examined 314 withdrawals of land totalling more than 1.7 million acres, they found that 300,000 acres of this purchased land was unnecessary.

We in New Mexico are in a unique position during the 97th Congress to take the lead in establishing a sound national policy of federal land acquisition that is sensitive to the needs of the people.

Some recommendations for federal land acquisition reform include:

-Evaluation of the need to purchase lands, with a look to alternative means of preserving and protecting lands, and studies of the impact of land acquisition on private landowners.

-Using the large sums of money available in the Land and Water Conservation Fund for the best possible acquisitions of public lands.

## In the Service

### AIRMAN James A. Muse

Airman James A. Muse, son of Nina V. Martin of 2500 E. James, Baytown, Texas, has been assigned to Keesler Air Force Base, Miss., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airman who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the computer systems field.

He is a 1960 graduate of Capitan Union High School, Capitan, NM.

The airman's grandfather, Albert Muse, resides in Ruidoso, NM.

### AIRMAN Ritch M. Sanchez

Airman Ritch M. Sanchez, son of retired Air Force Master Sgt. and Mrs. Alfred G. Sanchez of Lincoln, NM, has been assigned to Lowry Air Force Base, Colo., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airman who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the munitions and weapons maintenance field.

He is a 1960 graduate of Capitan High School, Capitan, NM.

## National Forest News

Rain on the Clouderoft Ranger District of the Lincoln National Forest this week caused Clouderoft's fuelwood areas to be closed because of muddy roads, but fuelwood areas on other districts are open.

On the Smokey Bear District at Ruidoso, Southfork Campground is receiving heavy use and other campgrounds are receiving light to moderate use. Bonito Lake is full and fishing is heavy. Streams are running normal. Roads, except after thunder showers, are in good condition. Visitors, however, are asked to check with the ranger station on current conditions.

There will be a high-powered rifle match at the Ruidoso Gun Range in Palo Verde Canyon on July 26. The public is welcome. For more information, call Charles Moore in the evenings, at 378-4603.

At Clouderoft, all campgrounds are open and receiving heavy use on weekends. Upper Sleepy Grass Campground is open, but users should be aware of road repair work in progress. Some roads are muddy and West Side Road is very muddy. There will be a campground program at the Silver Overflow Area Saturday at 7:30pm. Trails are open, but may be muddy in spots.

The Guadalupe Ranger District at Carlsbad reports Sitting Bull Falls Picnic Area receiving moderate to heavy use, and road conditions good. Visitors should plan on frequent afternoon showers. Trail conditions are good and the trails are receiving moderate to heavy use. Fuelwood areas are open, and the district is encouraging fuelwood gatherers to cut green trees, so they will have time

to cure by fall. Standing green wood is not available on all of the districts on the forest.

At Mayhill, James Canyon Campground is receiving heavy use, and there is light to moderate fishing pressure on the Penasco River. Roads are dry. The Annual Artesia Merchant's Tour of the District was held on Thursday, followed by a barbecue. Fuelwood areas are open.

We are back in the heat and drought area again. It truly is hot. There has been rain near us which does help but none here.

Another year has passed for the Ranchman's Camp meeting which is just over. It began Wednesday July 15 through 19th. It was marvelous. There were several showers of rain during that time. It was like a city with so many camped there for the full time. All was so quiet, peaceful and happy and everyone enjoyed their stay there. Doris Pounds and I were able to attend four nights which we did surely enjoy and appreciate. The meals were delicious and the services most wonderful. The first night there was 500 and the second 600 and Friday night there were many more though they did not say. Saturday night the crowd was smaller as many had to return to their homes and jobs. It was reported to me that the crowd was not as large. We met so many friends and also made new friends. I do pray that this campmeeting continues for many years to come. It is such a relaxing place to receive the messages. Reggie Creekmore of Oklahoma and Rev. Goodrich from Dallas were good and their messages excellent. Both did a good job. Paul Biggs as usual instructed the choir and singing. There were many good selections by others which everyone enjoyed. It was great. May God Bless them all in their work wherever they go.

The Arts and Crafts Fair at the Fair Grounds this last weekend was a big success. Just excellent. That too was a great enjoyment.

Naomi Eggleston, mother of Leon Eggleston our City Clerk, had a booth at the Arts and Crafts Fair. Saturday morning as she was taking a shower she fell and broke her upper left arm and cracked the bones above the wrist. She was taken to Ruidoso where it was taken care of and then she went home and there the Drs. had to do the work over. Reset it. I do wish her the very best recovery.

The Capitan Jr. Riding Club met Sunday July 19 at the Rodeo grounds with 38 children participating. High point winners of the day were Shadow Tate, Michael Fish, Jessica Livingston, Scott Smith, Shannon Byrd, Brent Smith, Sandra Lacy and Eddie Davis. There was a large crowd in attendance.

The Smokey Bear Museum has had over 4,000 visitors to date this month. The New Mexico State Park in which our Smokey lays in rest is now beginning to look like a Forest with all of the big lovely trees of all kinds and there is still more planting going on. Soon the grass will be planted. It is a great improvement. We are so very proud of it.

Rev. and Mrs. Harold Cartwright and daughters Terry and Chris of Biabee, Arizona arrived Saturday morning early and attended the Ranchman's Campmeeting. Left after the Sunday afternoon services to get home for their jobs. I enjoyed seeing them as it had been two years. Loyd is married and has a son. Debbie too is married and expecting. It was great to talk to these lovely people again. Thank you for subscribing for the Lincoln County News. I will do my best to keep you posted on our area. We miss you but certainly do wish you success and happiness always. May God bless you.

home they brought two little Wright boys five and seven years. This last weekend their parents Mr. and Mrs. Bobbie Wright spent the weekend here and then took them home with them.

Mr. and Mrs. Eddie Jones became the happy parents of a son Justin Zane born July 2 in the Ruidoso Hospital weighing 4 lbs 13 ozs. The happy grandparents are Mr. and Mrs. Paul Jones.

Mr. and Mrs. Howard Wright left Friday to fish at Ute Lake and returned Wednesday. Virgil Hall Sr. went via his plane and joined them. Howard's three sisters and their families will join them there for a family reunion.

Madge Miller and grandson of Las Cruces visited friends in Capitan and then attended the Camp meeting last weekend.

Mr. and Mrs. Bud Payne visited their son Mr. and Mrs. Curtis Payne last weekend and took their two grandsons Lee and Guy home to Carrizozo with them where they will spend several days.

The Ward and Leslie families are holding their family reunion at White Oaks July 25 and 26th.

Cindy Eggleston and daughter Kendra left Thursday to drive through to Omaha, Nebraska where they will spend two weeks and then will bring Eric home with them. He has had a very happy vacation there with relatives.

Our water situation remains the same. Drinking water is here for us daily brought in by National Guard. Thank you.

Ron Knuwe, the forest Helicopter pilot, was transferred to Montana last week. He has been here for the last three years. During the worst part of the fire season.

500 Members Compete

# Top 4-H Teams, Individuals Named

The top county teams and individual contestants in 4-H competition at the state level were named last Thursday after almost three full days of competition, scoring and judging.

Almost 500 4-H members from across New Mexico took part in the annual State 4-H Conference at New Mexico State University in Las Cruces July 13 to 16. Teams and individuals earned their chance at state competition by winning county and district contests earlier in the year.

Bob Gilliland, Extension state 4-H program director for NMSU, said, "The winners were well distributed throughout the state, and they are an excellent representation of New Mexico's 40,000 4-H members."

The top land judging team from Chaves County included Ross Carpenter, Mike Worley, Lori Graves, Clyde Moon and Randy Lee. Carpenter was also the high-point individual in this class.

Other county team placings in the land judging class were Quay, second; Curry, third; Newly-formed Cibola County, fourth; and Grant, fifth.

The Roosevelt County team took honors in the parliamentary procedures competition. Team members are Eddie Van Winkle, Mike Cone, Suzy Carter, Debbie Van Winkle, Art Schaap and Richard Hudson.

Rachel Mischke, Los Alamos, was the individual winner in the dress revue competition. Other placings were Amy Jones, Bernalillo, second; Denise Lockmiller, Curry, third; and Janell Gilbert, Union, fourth. Mary Helen Eastman, Valencia and Anne Back, Bernalillo tied for fifth.

The horse bowl, a question-and-answer team event based on the College Bowl television program, was won by the Chaves County team of Daryl Burden, Lisa Dupree, Troy Thompson and Ross Carpenter. The Bernalillo county team placed second.

Roosevelt County won the crops judging class through the efforts of team members Wayne McAllister, Gary Williamson, Debbie Van Winkle and Adam Anthony. McAllister was also the individual winner in this class.

Rio Arriba County's team finished second in crop judging, followed by Lincoln, third; Curry, fourth; and Bernalillo, fifth.

Bernalillo County's horse judging team is the state's best, and team member Tammy Bouker received a plaque as the high-point individual in this class. Miss Bouker's teammates were Aurora Oravec, Clay Stambaugh and Linda White.

The home economics bowl team from Santa Fe County was the state winner, followed by teams from Chaves, second; Curry, third; Bernalillo, fourth and Roosevelt, fifth. Winning team members are Yvette Gonzales, Estella Garza, Ric Herrera and Teresa Getchell.

Cheryl Esquibel was the winner

in the individual home economics presentations. Santa Fe County had three other winners in this class. Janet Glass was second, and Anna Montoya and Peggy Trujillo teamed up for a dual presentation that was rated third. Kim McNabb, Bernalillo and Lyuore Martinez, Rio Arriba were fourth and fifth.

The meats identification team from San Juan County was the state winner. Team members were Andrea Nichols, Tandra Thomas, Lea Fischer and Ronnie Wolford. Miss Nichols also won the high-point individual plaque.

Ric Herrera, Santa Fe, won the public speaking competition. Other high finishers were Bryan Brock, Rio Arriba, second; and Lucy Gaines, Dona Ana, third; Cassie Newby, Rio Arriba, fourth; and Rachel Mischke, Los Alamos, fifth.

Jack Maes, San Miguel County, was the winner in the range plant identification class.

Rio Arriba County's team won the entomology (insect) identification class. Team members are Bryan Brock, Johanna Hils, David Wolf and Dan Tranberger, Janelda Thompson, a member of the Grant County team, took high-point individual honors in this class.

The Dona Ana No. 1 livestock judging team of Sherry Kieseling, Buffy Calhoun, Fred Mobley and Elliott Sachse were rated the best in the state. Becky Lindley, Grant County, was the high-point individual in the class.

Jay Burson, Chaves County, was the winner of the sheep showmanship class. Raynee Gerhart, Curry County, was second, followed by Andrea Nichols, San Juan, third; Teresa Dilla, McKinley, fourth; and Betty Smith, Valencia, fifth.

Morris Lockman, Curry County, was the winner in the general presentation class.

## IRS Sets Test Dates

Applicants who intend to take the 1981 Internal Revenue Service Special Enrollment Examination must have their applications postmarked by August 17, 1981, the IRS said. No extensions of time to file for the examination will be granted. The examination will take two days: Monday and Tuesday, October 5 and 6, 1981.

The examination is given annually in each IRS district to qualify persons other than attorneys or certified public accountants to represent clients before the IRS.

The application fee has been increased to \$50 for those taking all four parts of the examination, and \$40 for prior-year examinees taking fewer than four parts. All checks must be made payable to the "Internal Revenue Service". Interested applicants should obtain a copy of the free IRS Publication 486, "Requirements for Internal Revenue Service Enrollment and Special Enrollment Examination". This publication outlines the general requirements for enrollment to represent taxpayers before the IRS.

If after reading Publication 486, you decide to take the examination, you should request the free IRS Special Enrollment Examination Application packet. In addition to the Form 2587, "Application for 1981 Special Enrollment Examination", the packet contains information that will assist you in preparing for the

examination. Prior year issues of Form 2587 will not be accepted because of certain revisions made to the form for 1981.

## Transportation Department News

At the end of June, the number of traffic fatalities in New Mexico for 1981 was 80 under the number of fatalities for the State during the same period in 1980.

The State Transportation Department's Traffic Safety Bureau released the traffic fatality statistics for the month of June and the first six months of the calendar year.

According to Bureau Chief John Fenner, there were forty-two (42) fatal accidents resulting in thirty-seven (37) fatalities in June. Thirty-seven (37) of the fatalities involved motor vehicles, six (6) were pedestrians, three (3) were motorcyclists, and one (1) involved a bicyclist.

For the year 1981 through the end of June, there have been 212 fatal accidents resulting in 228 fatalities. During the same period in 1980, there were 254 fatal accidents resulting in 308 fatalities. The overall vehicle miles traveled for the first five months of 1981 show an increase of 2.1 percent.

## Lake Lucero--

### Auto Caravan Set

An auto caravan to Lake Lucero, a part of the area that is the source of the White Sands, is scheduled for Saturday, July 25, 1981. The caravan is limited to 30 cars and reservations are required. Interested persons should call monument headquarters at 437-1058.

The trip will begin at 9:00am at the Small Missile Range road intersection with U.S. Highway 70-82, 25 miles west of White Sands National Monument headquarters. Park Rangers and military police will brief the group on regulations that apply during the trip. The caravan will proceed over paved roads through the White Sands Missile Range to the trailhead to Lake Lucero. About two hours will be spent at the lake area to allow time for a one-mile conducted

walk, for photography, sightseeing and lunch. The caravan will return to U.S. Highway 70-82 by 1:00pm.

Participants will need to be at the Small Missile Range gate promptly by 9:00am because they cannot enter through the gate after the caravan leaves for the lake. All persons should come prepared with enough gasoline, a spare tire, drinking water, stout walking shoes, suitable dress for the weather, sunglasses and a lunch. Persons are also reminded that Lake Lucero is a primitive area without sanitary facilities of any kind. Cameras are encouraged for use at the lake area, but may not be used while passing through the missile range.

## VARIETY IS THE SPICE OF PRINTING

A printing job must be more than just a run through the presses. It must start with the basic ingredients you supply and then be spiced up with the latest techniques and the finest in service. We offer almost every service you require to put your idea

into print. From layout to packaging, our people handle your job with the same respect and care a fine chef does his gourmet meals. Whatever printing service you require, be sure to see us... where we offer the variety that spices up your printing!

"I can hear..."

How many times have you or someone close to you said that? If this is your problem...

Contour Miracle-Ear may be your answer.

Individually made for you - no two are exactly alike!

Of course, not everyone can be helped by a hearing aid, but, Contour Miracle-Ear may be your answer.

This all-in-one unit fits comfortably in your ear. No cords, no tubes, no wires—simply slip it in your ear. You may hear again more clearly and better understand what people say.

Find out for yourself if Contour Miracle-Ear can provide its benefits for you.

Tony Gutierrez, State Licensed Consultant, at the Crossroads Motel, Thursday, July 23, 1981 from 9:00 until 4:00 p.m. - PH. 448-3748

## In Memory of...

Private Berch Lee Tortilla was killed in an auto accident on July 16, 1981. Berch was born on February 6, 1959 in Mesacero, New Mexico. He was a private in the United States Marine Corps.

Survivors include four sisters: Nettie Lorrian Frasier of Los Lunas, Earldina Enjady of Mesacero, Darvina Jane Morgan of Mesacero, and Ruby Ann Morgan of Mesacero. Two brothers Christopher Wabanssee of Mesacero, and Earl Tortilla Jr. of Mesacero.

Services will be held Tuesday July 21, 1981 at 10:00am at the Apache Assembly of God Church in Mesacero. Rev. Merlin C. Neely officiating with interment to follow in the Mesacero Cemetery.

Pallbearers: Earl Tortilla Jr., Byron Blake, Shelby Duffy, Larry Enjady, Eugene Botella, Charles Belin, Matthew Belin, Dave Belin.

Arrangements are by Clarke's Chapel of Roses, Ruidoso, New Mexico.

(Con't. from P. 4)

## Domenici Report

-Doing away with the practice followed by federal agencies of acquiring as much private land as possible which results in unnecessary purchases and adverse impacts on private landowners.

-Revising alternatives to full-title land acquisitions to protect public lands which federal agencies have to this point been reluctant to do.

These are just a few suggestions for reforms to the present system of federal land acquisition and while a national policy is still a long way from realization, one thing is certain - the federal government needs a definitive policy on how much land it should acquire, protect and own. As we work toward this goal, I am confident that New Mexico, with its key representation in both the Executive and Legislative branches, will lead the way with its good example of cooperation in public land management.

**People's Market Place Program Set**  
 The "People's Market Place" will be held on Sunday, August 2nd at the Carrizozo Recreation Area. It is located on Highway 380, two miles east of town on the south end of the golf course.  
 A big day is planned beginning with a lift off of Hot Air Balloons at approximately 7:30am. This will be followed by a breakfast at the Carrizozo Country Club Patio.  
 The 62d Army Band will perform at 10:30am and again at 1:30pm.  
 The "People's Market Place" is held in conjunction with the Santa Rita Fiesta. The 11:30am mass will be celebrated at the market place location.  
 The Army Sky Diving Team will perform at 3:00pm, landing on a predetermined target set up in the golf course area.  
 The "People's Market Place" will feature artisans and craftsmen from all over the state. Various organizations will have food and game booths.  
 For a wonderful day of crafts, arts, food, music, entertainment and fun, come to Carrizozo on August 2nd.
