10 Million \$\$ Bond Issue Main Subject

The agenda at last Monday's regular town meeting included an industrial bond issue, but this business was tabled to a special meeting to be held November 17 at 7:00 p.m. at the town hall. The 10 million dollar bond issue will be discussed by the Board of Trustees and other interested parties. The meeting is open to the public. Town attorney Bill Payne briefed the council on information available.

Some people out of Dallas want to build a steel billet mill in or near Carrizozo. They apparently have the raw product, iron ore, in the vicinity to make steel. They would haul the iron ore in from the mines to the plant in or near Carrizozo and turn out the lowest form of steel - billets. This would be approximately a ten million dollar plant.

The way the Town comes into the picture is that the people from Dallas are going to request that the Town consider a ten million dollar industrial bond issue which would

be tax exempt to the holders of the bonds. The ten million dollars would be used to construct the plant. The repayment of the bonds would come out of the revenue from the production of the plant. The Town of Carrizozo would assume absolute no liability concerning the bond issue or any expenses in connection with the bond issue.

Apparently, there has been a feasibility study made concerning this project and it has been deemed feasible. New Mexico Tech at Socorro, Department of Geology, has verified the quality and quantity of the iron ore for this project.

It has not been determined as yet exactly where the plant would be located. It is not anticipated that any strain would be put on any of the town services or utilities. There would be additional electrical lines brought in and there would be additional pipeline brought in to furnish natural gas. The plant would furnish most, if not all, of the water needed in its production.

After construction is completed during the first phase of operation of plant, they would employ approximately sixty-six people. Prior to the time they commence construction, they would have contracts with major steel companies for their product. Most, if not all, questions concerning this matter will be answered by one or more of the principals at the special meeting this coming Tuesday night.

In addition to the industrial bond issue, the council also plans to discuss three other items of business which were brought up last Monday. Tabled until the special meeting on November 17 were Jim Cantrell and his request to expand his Belco operation into what is technically an alley, Phillip Ortiz and his interest in Beer and Wine License information; and the Police Department's bid on four tires for their '79 unit.

Reports from trustees included the account from Trustee Betty Fields on the State Highway Project Committee meeting which she attended last month. Other participants at the meeting with the highway official included Trustee Roy Ramon; County Manager Truman Billingsley; County Commissioner John Allen Hightower; State Congressman John Bigbee; Senator Charley Lee and the assistant manager from Ruidoso.

The committee discussion included the decision to meet annually. As a result of the recent highway meeting, the committee accepted the advance paper work for Carrizozo's street paving. Fields said that she has prepared and submitted all the necessary information.

The town council approved the employment of Guy Brown as police officer and airport manager and Albert LaFave to the position of deputy clerk.

During the audience participation portion of Monday's meeting, Mr. Robert Hill introduced himself to the council. He has been hired under the CDBG Program as Housing Rehabilitation Specialist. Among his duties will be to advise residents on home repairs and to conduct inspections and structural surveys of applicants to determine the extent of work needed. Hill is a former resident and Carrizozo High School graduate.

Early Morning Blaze Totals White's

Not much remained of Carrizozo's White's Auto Store after an early Wednesday morning blaze completely totaled out the Montoya family business. This was the second major fire in Carrizozo which have hit local businesses in a little over a month, and the third one in the last six month period!!!

Take note of this!

First Deer Hunt is Nov. 20th

The first "D" hunt period for deer, bear, and turkey in southern areas will open on Lincoln National Forest November 20. It is a three day hunt. Forest personnel expect increased use of dispersed camping areas during hunting season. Please use extreme caution with campfires. All forest visitors should wear bright colored clothing and be prepared for winter conditions.

The Smokey Bear District at Ruidoso reported snow at higher elevations this past week. Temperatures are ranging from a low teens to the 50's. Three Rivers Campground is the only facility remaining open. Fishing pressure is light on Bonito Lake, which will close November 30.

The road into Tortolito Canyon (FR 580) is closed at the new Wilderness boundary. For further information call the ranger station at (505) 257-4095. Trails into the White Mountain Wilderness are in good condition. Inclement weather is possible at higher elevations. All fuelwood areas are open except No. 4.

Bob Grant is Speaker

Bob Grant, gubernatorial candidate, will address the Federated Republican Women of Lincoln County at their regular meeting Tuesday, November 17 at Nottingham's in Ruidoso.

Mr. Grant will speak after lunch which begins at 11 a.m. Business meeting will follow Mr. Grant's address.

The public is invited.

Future of Conservation in State Discussed

Over one hundred conservationists met at the 35th Annual Convention of the New Mexico Association of Conservation Districts (NMACD). The meeting was held at Pilmont Scout Ranch in Cimarron, New Mexico on October 28-30, 1981.

"The thrust of our meeting involved future trends in conservation programs and legislative needs of districts," said Gary Hightower, Chairman of the Board of Supervisors for the Carrizozo Soil and Water Conservation District. The theme for the meeting was "Rolling Together for New Mexico's Future".

The keynote speaker for the meeting was M.E. "Bud" Mekelburg, Yuma, Colorado, Vice-President, National Association of Conservation Districts. He stressed that the goal of districts is to provide more technical assistance and cost-share funds to farmers and ranchers to get more soil and water conservation practices on the land. "We plan to do this with better state and local programs," said Mekelburg. He outlined the U.S. Department of Agriculture's proposed program for future conservation activities of the Department, which includes redirection of programs and block grants to states for the purpose of installing conservation practices.

Following the keynote address was a panel discussion on district financial and legislative needs. Included on the panel were Dwain Woody, President, NMACD of Lovington and Jack Maruska, Director, New Mexico Soil and Water Conservation Division, Santa Fe. Bill Harrison, 1st Vice-President, NMACD, Silver City,

moderated the discussion. "Our immediate efforts will focus on the low-interest conservation loan program to help farmers and ranchers install soil and water conservation practices," said Harrison. "With federal funds being cut, we need this state loan program now, or conservation will begin a backward trend." The proposed loans would be based on the total operating unit, and would be approved by local districts. The program would be administered by the New Mexico Soil and Water Conservation Division.

The new slate of officers elected at this meeting are Bill Harrison, President; Francis King, First Vice President and NACD Councilman; Tijeras; Clem Weindorf, 2nd vice-President; Hondo; and Jack Hester, Secretary-Treasurer, Santa Fe.

Receiving awards at the closing ceremonies were Ernest Harwell, Outstanding Supervisor, Chaves County; Bob and Phil Gillespie, Outstanding Ranchers, Springer; and Quentin Rogers, Outstanding Farmer, Artesia.

Recipients of the Goodyear Conservation Awards were Salado Soil and Water Conservation District and B.W. Cox, Magdalena. The San Juan District was runner-up in the competition. Milton F. Lechner, Bloomfield, was the Outstanding Cooperator in San Juan District.

Winners in the NACD-Allis Chalmers Conservation Education Awards competition were Joe S. McKinnon, Roswell and Sierra Soil and Water Conservation District. The Colfax District hosted the meeting.

Tune In

South Dakota friends of Carrizozo residents, Bob and Verna Rodman, are scheduled to appear on 'Real People' next week. Sarah Persall interviewed sculptor Karczak Ziolkowski. Their Talk will include the progress he has made on Crazy Horse Memorial near custer. The segment will be aired Wednesday, Nov. 18 at 7:00 a.m.

Crazy Horse Memorial is a huge sculpture of the great Sioux chief being carved out of a granite mountain. Watch Real People next Wednesday to learn more about the fascinating details behind the well-known sculor and his work of art.

Got It Down

Hopefully not many readers have tried the recipe featured in last week's P.S. because one ingredient needs explanation and another ingredient needs correction.

Thanks to readers who called in for clarification of the recipe and questioned the ingredients. The recipe calls for 'two-thirds' cup cocoa (2-3 is misleading). Also the recipe does not require '5 cup milk' as P.S. recipe states, that also should be two-thirds cup. If you will jot these corrections down, the recipe will now be accurate. It is really a quick and easy cupcake

Boys State Girls State

The American Legion and the American Legion Auxiliary will meet at the Medallion Room in the REA building on Nov. 19. The local Boy Staters and Girl Staters will be present to give individual reports about their trip. The Carrizozo High students who participated in the program were—Johnny Bob Stearns, Matt Ferguson, Randy Hollis, Lisa Crenshaw, Rosie Luera and Denise Vega.

Parents of these students and anyone who is interested are invited to attend the meeting Thursday, Nov. 19 at 7:30 p.m. That same evening Ralph Vigil, American Legion Vice Commander and his wife, Dora, American Legion Auxiliary President will also be present for their official visit. The Vigils live in Tularosa.

American Legion ranks as the largest veterans organizations in the U.S. Men and Women who have served honorably in the United States armed forces during WWI, WWII, the Korean War or the Vietnam War may join the American Legion. Boys State is only one of many worth while projects that the group sponsors.

American Legion Auxiliary is an organization of women who are interested in the program of the American Legion. One of several auxiliary-sponsored projects is the annual Girls State, a program which gives high school girls a chance to practice the responsibilities of citizenship.

Town Hall Doings

You don't have to be a council person to take an active interest in the town's planning board's decisions, keep abreast of town's budget, and make yourself heard if you feel money is appropriated inefficiently. You don't have to be on the council to attend town council meetings, they are open to the public and are listed in the NEWS community calendar 'Take Note of This.'

Attending town meetings is a way of get acquainted with the men and women who run your town—council, mayor and town employees. Let them know your concerns for improving and maintaining your community. Town attorney Bill Payne is another person who cares for the well being of the community and is always eager to be helpful.

This month Carol Schlarb, town clerk travels to attend 'Election School' along with neighboring municipal workers. A town clerk keeps informed on all facets of town needs. January 30, 1982 is the deadline for four council people and one mayor hopeful to declare their candidacy for these positions. Are you interested? Not me, I'd

rather be on this side of the table.

Two former town employees are back working with the town. Guy Brown is serving the community as a police officer and airport manager. Albert LaFave is assisting the town as deputy clerk. A newer face around the town and town hall is Robert Hill, former resident and graduate of Zozo High. He is the son of Flora Hill of Carrizozo. Robert will be working with the Rehab program as a Housing Rehabilitation Specialist and working under Hubert Quintana, project director.

Thanksgiving Dinner

The Arts and Crafts Club held their Thanksgiving get-together last Monday evening. About 12 to 15 enjoyed turkey, and all the trimmings. Phyllis Schlegel was the winner of the word game involving the use of each letter in the word 'Thanksgiving'. Emma Catherine Lawson was the winner of the second word game.

Monday's event included a short business meeting. Club President Madelle McDaniel appointed a nominating committee. The club is planning a Dec. 14 homemade gift exchange.

Help At Convent

Raymond, son of Mr. and Mrs. Louie Ortega of Carrizozo spent last Saturday in Roswell. He joined Roswell friends in helping the sisters at St. Clare convent in yard work.

The all-day enjoyable work including a cookie baking session. Raymond, a 6th grader at Carrizozo, and his friends also ate lunch with the sisters.

Hog Innards?

I found an interesting question in 'Action Line' last Sunday. This authentic question and answer column is written by G. Ward and Louise Miller for the Albuquerque Journal. Action Line never bores me because the column always has educational questions and more important, intelligent answers.

The question that caught my attention in particular was "What's the difference between chitterlings and chitlins?" Answer "No difference. Chitlins is an abbreviation for chitterlings, hog innards. They are served fried or boiled, and if you can forget for a moment just what they are, they taste good."

Think Tank Thoughts

On hand last Wednesday were Cecilia Ortiz, Mary Ellen Payne, Ramona Ortiz, Paula Vidaurri, Helen Serna, Gloria Munoz, Arsenia Narvaez, Sister Gail and a new comer to the group, Corraine Sandoval. Zachery and Mom stopped by briefly.

In addition to the weekly quilting sessions, the women asked Mary Ellen Payne, home economist to make available programs offered by her depart-

ment. Among projects discussed were food and drug interaction; sewing machine maintenance; quantity food preparation; cpr; and Christmas Gifts from the Kitchen. The group welcomes new people to their weekly meets.

Last Laugh

People who stretch the truth often find it snaps back and hits them.

Potatoes Beat The Budget "Blahs"

Beat the budget blahs with Fruited Pork Chops with Potatoes.

Don't let the budget blahs get you down. Creative and economical meals are as close as your supermarket produce department. Potatoes, our most popular and versatile vegetable, cost just pennies per serving. So you can do all kinds of delicious plain and fancy things with them to make meals exciting without breaking the bank.

It's nice to know, too, that potatoes are nutritious. A medium-size potato provides 35 percent of the U.S. RDA of Vitamin C, 20 percent of Vitamin B6, 15 percent of iodine and 10 percent of iron, niacin and copper, all for just 100 calories. That's a bargain to appreciate.

Potatoes can help you extend servings of higher priced foods. You can stretch hamburgers and meatloaf by adding shredded potatoes before cooking. Or, select less expensive cuts of meat and slow cook them to tenderness with lots of potatoes and other vegetables for a hearty, satisfying meal-in-one that's easy on your budget. Or, serve hot baked or mashed potatoes as the base for economical clam chowder, chili or leftover stew.

For another delicious economy meal idea, try this recipe for Fruited Pork Chops with Potatoes. Pork and potatoes are always tasty, economical partners. Dried fruits add extra nutrition and a nice sweetness that goes well with pork.

Who says economical meals have to be dull!

FRUITED PORK CHOPS WITH POTATOES

- 6 pork chops, about 1-inch thick
- Salt and pepper
- 2 cups (about 12 ounces) assorted dried fruits (pitted prunes, apricots, pears, apples)
- Peel of one orange, cut in long strips
- 1 cup water
- 8 medium potatoes (about 2 pounds), quartered
- 3 ginger snaps
- 2 tablespoons chopped parsley

In large, heavy skillet or Dutch oven, brown chops on both sides. Season to taste with salt and pepper. Remove 3 of the chops. Cover the chops in skillet with the fruit. Top with remaining chops. Add orange peel and water. Cover and simmer over low heat 15 minutes. Add potatoes; cover and continue to cook about 45 minutes, or until potatoes are tender. To serve: arrange chops, fruit and potatoes on warm serving platter. Sprinkle with parsley. Remove orange peel. Moisten ginger snaps with a little water and crumble into pan juices. Cook, stirring constantly, until sauce is smooth. (Add a little water, if needed.) Serve sauce separately. Makes 6 servings.

TAC Demonstration Pilot To Perform at Open House

HOLLOMAN AFB, N.M., Nov. 3 — Captain Mike Larkin, Tactical Air Command's F-15 demonstration pilot for airshows west of the Mississippi, will demonstrate the capabilities of the F-15 "Eagle" at Holloman Air Force Base's annual Open House on Saturday, Nov. 14. Capt. Larkin is weapons officer for the 7th Tactical Fighter Squadron, 49th Tactical Fighter Wing, at Holloman.

The Mobile, Ala. native received his pilot wings 10 years ago. He was an F-4 "Phantom" pilot in Thailand in 1972 and at Hahn Air Base, Germany from 1973 through 1975. Capt. Larkin was first assigned to the F-15 in 1976 while assigned to Bitburg Air

Base, Germany. He has a bachelor of arts degree in history and a master of arts degree in international relations. His military decorations and awards include the Distinguished Flying Cross with two oak leaf clusters, Meritorious Service Medal, Air Medal with nine oak leaf clusters, Air Force Commendation Medal, and Republic of Vietnam Gallantry Cross with Palm.

The public is invited to attend Holloman's 1981 Open House, from 11 a.m. until 4 p.m. There is no admission charge for the fun-filled day which will feature a variety of displays, demonstrations and entertainment.

In the service . . .

Airman Ralph E. Delgado, son of Mr. and Mrs. Raphael Delgado of Carrizozo, NM, has completed Basic Military Training for the USAF.

During the six weeks he trained at Lackland AFB, Texas, Airman Delgado studied the Air Force mission, organization and customs, and received special training in human relations.

Delgado is now receiving specialized instruction as a Printer Systems Operator. As a Printer Systems Operator, Airman Delgado will learn to identify, receive and operate equipment related to reception of radio signals. He will learn how to select antennas best suited to receive various types of communication

signals, and operate and tune receiving sets to produce

maximum clarity of signals. He will also operate ground-to-ground radio sets, teletypewriter equipment, and recording devices including both tape and wire recorders.

Airman Delgado will receive about 20 weeks of technical training at Corry Field, Naval Air Station, at Pensacola, Florida.

much potential with this year's team.

"We will not have much height," Rouche said, "but should show quickness and strength in jumping ability and rebounding."

The only returning starter from last year's team is John Vega who was voted the most valuable player from the '80-'81 Grizzly team. Vega is expected to again be one of the Grizzly leaders both offensively and defensively. Joining Vega are two other seniors, J.P. Ventura and Randy Hollis. Both Hollis and Ventura showed improvement toward the end of last season and could be a big asset to this year's team.

Other returning players include Alex Serna, Timmy Vega, Keven Wilmore, John Rousche and Clarence Beltran all of who will be counted on to provide the depth needed to have a sound program.

Coach Rouche encourages all Grizzly fans especially parents to come and support these young athletes. Without fan support, much of the enjoyment of high school athletics is missing.

The first game of the year will be against Tularosa with the Junior Varsity starting at 6:00 p.m. and the Varsity playing immediately afterwards. It is hoped by the coaching staff that many of the Carrizozo fans will come out to support these girls in their quest to return to the State Tournament in March.

The Carrizozo Jr. High girls basketball season opens Nov. 20, at 4:00 p.m. against the White Mountain Braves from Ruidoso. The Braves offer good competition and we are looking forward to meeting them this early in the season.

This year's team has several returning players, they are: Liz Beltran, Linda Ortiz, Julie Vega, Sandra Silva, Dawna Ward. To add to their talent and height are our new members: Kay Zumwalt (5'7), Michelle DeBerg (5'7), Janet Willis (5'8), Melissa Greer (5'7), Theresa Guevara (5'4), and Karen Baroz (4'10). Our manager is Tammy Barnes.

These girls show a great deal of promise, are willing to work hard, and are looking forward to a great season.

FFA News

The Future Farmers of America is holding their 53rd national convention. It is held in Kansas City, Missouri. The national convention is held annually. The people that are going from Carrizozo are the chapter officers. They are Matt Ferguson, Johnny Bob Stearns, Mary Jane Ferguson, Joe Curtis, Brian Vigil, Daryl Lindsay and John Hemphill. Jerry Lovelace is one other member that is attending the convention.

These members will attend sessions and attend tours. There are also many other events that will take place in which they will participate. They are leaving on Monday and will return on Sunday, November 15.

The national convention is a goal of every FFA member, to go to. These people are very lucky to attend and will bring back many leadership qualities. The people are looking forward to a very exciting trip. This year it is very special because they will know a national officer personally. David Peirce is the Vice-President, Central Region. He visited the chapter last spring.

Art Department

The Carrizozo High School Art Department is featuring a student artist of the month in the school's cafeteria bulletin board. This month's art work is by Johnny Bob Stearns, senior and art II student. Johnny Bob's charcoal drawing depicts an eagle in flight.

In preparation for Open House, the students enrolled in Mr. DeVetis' class will each display one art work which they have completed since the school year started. In addition, Mr. DeVetis has volunteered to do 5-10 minute charcoal portraits of those attending open house on a first come, basis. Other students will be doing 'art in action' that evening.

Jr. High Sports Banquet

Carrizozo Jr. High Sports Banquet will be held in school cafeteria, Thursday Nov. 19. All parents are welcome, the volleyball and football athletes will be honored.

Open House

November 15-21 has been named as American Education Week across the United States. Sponsored since 1984 by the National Education Association and the American Legion, American Education Week seeks to have parents become more active in and informed about the schools. Local activities during this week will include an open house for all students and parents on Monday, November 16 beginning at 7:00 p.m. There will be a short program put on by elementary students followed by parent visits to individual classrooms. The PTA has rescheduled their November 12 meeting for the night of open house with the election of officers to be the purpose of the meeting. The Carrizozo Teacher Association will be providing refreshments and useful information for parents.

Basketball 81-'82'

The 1981-82 chapter of the Grizzly girls basketball season began in earnest last Wednesday with some very hard work being done by the girls. The defense of the 1981-82 District, 5-A, Regional D championships looks pretty good at this early date, but it is too early to tell yet. Coaches Jerry Koller and Veda Lou Stephenson welcomed 22

prospects for the 1981-82 season. Among those 22 were returning lettermen Lisa Crenshaw (Sr.), Denise Vega (Sr.), Rosie Lucras (Sr.), Michelle Vermillion (Sr.), Christetta Chavez (Soph.), Mary Jane Ferguson (Soph.), and Stacy Stephenson (Soph.). Missing because of items to work out was letterman Roxanne Gabel and Annette Hill, but they are expected very soon. Also welcomed was returning Junior Varsity players Judi Ortiz, Lisa Cantrell, Kim Payne, Brenda Baroz, and Bonnie Jo Shepperd.

New-comers were Terri Nickason, Debbie Najar, Lynn Gallacher, Diana Vega, Brenda Koller and Vickie Vermillion. It is hoped by the coaching staff that more will come out, but they better hurry because November 13 will be the last date that prospective players can come out.

The 1981-82 Carrizozo's boys basketball team began practice Wednesday with 26 boys reporting for the varsity and Jr. Varsity squads. Coach Hal Rouche was very pleased with the turn-out and sees

Capitan Village News

It is very cold though the sun shines and the wind blows. We did have two tenths of an inch of rain Saturday night. It has been as low as 10 degrees at night. Lots of heavy ice. That east wind just drove the cold in for two days.

The Smokey Bear Museum has had three hundred fifty two visitors this month. They had some nice people from Canada last Sunday. The Senior Citizens made a beautiful quilt. It is on display at the Museum. Do go and look at it.

Seven Capitan FFA students left Tuesday morning to attend the National FFA Convention in Kansas City, Mo. Those attending are Rebecca Barber, Shelly Eldridge, Audrey Joiner, Dean Scheer, Donny Shafer, Glen Story, and Candy Trujillo. They were accompanied by our Vo-Ag teacher Mr. Jack King and Mrs. King. The group will return November 16.

The Varsity Volleyball team was defeated in their match against Corona last Thursday night in the Regional Tournament at Corona. Corona was first, Mountaintain Second, Cloudford third and Capitan fourth.

The Capitan Tigers football team was also defeated in their game here Friday night. They played Texico with the winner advancing to the State Playoff game with Reserve.

Congratulations to both teams for outstanding seasons. Basketball is getting underway now. So everyone go out and support all the teams.

The Soccer team on which little Mike Riska played won their Championship game at Ruidoso last Saturday 3 to 1. This is the second time they have won that.

The City added twelve more street lights in the sub-division last week.

The B & L Pizza is remodeling the upstairs of their building for an

office and kitchen with the stairs entering from the outside.

Pauline McGarry has had a new roof added on her business and home this past two weeks.

The Sierra Blanca Peak has snow which arrived last Saturday night. It can be seen only from the canyon now as the higher up has melted. We will be able to see it until next summer, late. We enjoy that for many months.

Nine members of Girl Scout Troop 395 attended the celebration of their founder Juliette Lowe's birthday held at White Sands on October 17th. Attending were Gina Griego, Tammy Langbotham, Amber Lovelace, Paula McClain, Danielle Riska, Lucinda Tomero, Doria Salazar, Rhonda Strickland and LaShauna Tillotson. Adults accompanying the girls were their leader LeeAnn Longbotham, Diane Riska, Gino Romero and Alice Tillotson.

The Farmers Home Administration committee from Otero and Lincoln Counties met in Ruidoso recently for the annual seminar and County Election. Tranquillino (Frankie) Silva was elected chairman of Lincoln County group again. Mr. Mort Finley, County Supervisor advised the group that the operating Farmers Loans for 1982 will be reduced to 80 percent of the 1981 levels, also farm ownership loans will be reduced to 25 percent of the 1981 levels. Frankie states "Summing it all it appears that we are drifting into an austerity program which is long time over due."

Mr. and Mrs. Valton Hall returned last week from five days visit with friends in Calvert, Texas. Marjorie's great grandmother was a Calvert and the town was named for the Calvert family. They reported the weather was beautiful but they were happy to be home as it is more beautiful in New Mexico.

Tex Weber and Diane Weber of

Albuquerque spent last weekend with their aunt Mr. and Mrs. Valton Hall. Tex and Diane are cousins. Diane is a nurse and is studying in Albuquerque.

Paulette Crain returned last week from ten days vacation in Houston visiting relatives.

I wish Betty Joiner a happy birthday and many more as her birthday was Monday November 9.

Mr. and Mrs. Byron Carpenter became the happy and proud parents of a son Benjamin Dustin who weighed 6 lbs. 13 oz. and was born October 31, 1981 in the Ruidoso Hospital.

Welcome to Mr. and Mrs. Steven Wohlgenuth and son Nicklas of Alamogordo who arrived to make their home in Capitan. He is an Electrician at Ft. Stanton. They reside in the LaRoe home on west second street. We wish you happiness here.

Mr. and Mrs. LaRue Sr. moved from their home to the house next door and rented their home to the Wohlgenuths.

Mr. and Mrs. Henry Griego of Ft. Stanton received word Saturday night that their son Patrick who is in the Army at Ft. Bliss was killed in an auto accident when a vehicle ran a stop light and hit them. The others in the car were seriously injured.

Matt and Olivia Cook enjoyed shopping in Roswell last Saturday.

Wanita Calloway of Truth or Consequences is spending two weeks with her daughter Ruth Denton and her son Mr. and Mrs. Bill Calloway and family.

Mr. and Mrs. Jerry Herd and boys of Silver City, N.M. and Mr. and Mrs. Al Snider of Farmington were here visiting Mr. and Mrs. Barry Herd.

There has been lots of sickness these last two weeks in our area.

Texico Ends Tiger

Season 7-6

The Texico Wolverines scored a touchdown on a short pass and kicked the extra point with only 12 seconds left in the game to edge Capitan 7-6 Friday night. Earlier in the fourth quarter, Capitan had taken a 6-0 lead on a 35-yard run by Grady Lee Eldridge. The extra point attempt was wide but Capitan appeared to have control of the game. A blocked punt with 23 seconds left gave Texico the ball to set up their last second heroics.

Prior to the fourth quarter Capitan had dominated play and had a big lead in overall statistics. The Tiger defense was so awesome that Texico was not able to get across the midfield stripe until late in the fourth quarter and that as a result of a fumble. A short drive ended when the Tigers held them

on a goal line stand. Capitan threatened several times in the first half, however 3 field goal attempts were just short of the mark and Texico defense came up with the big plays to thwart other drives.

The game was very similar to last year's 7-6 Capitan win over Hagerman in the playoffs, however this year lady luck was with Texico.

The Tigers close the season with a 7-3 record and outscored their opponents 165-71. Playing their final game for the Tigers were seniors Brian Sullivan, Jim Parker, Jon Wolfe, Ruben Chavez, Billy Page, and Jimmy Askev. Texico now advances to the state championship game against Reserve.

A Well-Bred Goose For Thanksgiving

Succulent roast goose is becoming a favorite of the American holiday table. Today's well-bred birds are meatier, juicier and save time and work since the goose is self-basting.

A few simple steps can insure a memorable meal—correct oven temperature in two stages, use of a meat thermometer (should register 180° F), and frequent removal of rendered fat.

Thaw bird according to package instructions. Follow the table below for correct roasting times. If you cook the bird unstuffed, cooking time will be slightly shortened.

Ready-to-Cook Weight (Pounds)	Time at 400°F.	FLUSH Time at 325°F. (Hours)	Total Roasting Time (Hours)
8 to 10	1 hour	1-1/2 to 2	2-1/2 to 3
10 to 12	1 hour	2 to 2-1/2	3 to 3-1/2

WILD RICE STUFFING
2/3 cup wild rice
2 cups water
1/2 teaspoon salt
6 cups day-old white bread cubes (crusts removed)
1/2 cup finely chopped onions
1 teaspoon powdered sage
1/2 teaspoon salt
1/2 cup melted butter
Rinse rice thoroughly. Bring to boil in saucepan with water and salt. Reduce heat and simmer 30 minutes or until just tender. Combine bread cubes, onion, sage, salt and cooked rice. Add melted butter and toss to mix. Stuff goose lightly in neck and body cavities. Makes enough to stuff an 8 to 10 pound bird.
Fasten the neck with a skewer and tie legs together.

LISTEN IN!

It's Robie's Party-Line!!!

Hot off the Wire:

Dearest Mabel!

Halloween has come and gone again and the harvest season is here. Some of the trees have lost their leaves and those that haven't are breath taking against the evergreens.

Mabel, Thinking of Harvest time leads me to the homemaker. I never read or hear much about her. It seems all the programs I see are talking about the poor house wife, and what a hard time she has, and how much work she has to do. Now! The homemaker is a different breed of woman. She is a person who is excited and interested in everything, she can learn of value for her family. She has listed the following projects to keep the home, special, now, and exciting.

1. Nutrition is very important.

for those you love - preparing foods can be easy. Choose foods that are fresh, like raw vegetables and skinny dips made with buttermilk - eat nuts and seeds and cheese through a week - then if you are in the mood to cook just put it in your deep freeze. It's much better to do this than to spend all day in the kitchen, cooking up cholesterol and starches and sugar.

2. Now! House cleaning can be OK if you do it with music, and cleanliness is important but take turns doing the dull things with the interesting ones.
3. There is also a chance to learn decorating in the home. There are hundreds of ways to change - paper, curtains, rugs & it can lead to painting - told painting sewing and all kinds of skills.

4. When your life is centered in your home - it's always nice to go out on the town - in a glamorous way - with your husband.
5. There is an opportunity to learn entertaining of all kinds, ways to create ideas - and meet new people.
6. Now! Washing, is hardly noticeable while reading a novel in between loads, and ironing is small because of the no iron fabrics.
7. And - if you have children they always love to take part in all these things and love to share the good and bad.

The biggest plus, of all is that your time is your own and your occupation is appreciated by the whole family!! Try being a homemaker instead of a house wife!! It's fun!!

DO YOU KNOW?

1. Their is a lady (Chin Zignore) who has 22 personalities.
2. The two girls who were walking toward Carrizozo near the Golf course about 9:00 Thursday morning.
3. That Ethel Roberts, attended her arts and crafts club dinner this last week - it was great.
4. The nice looking man, who passes out kisses in a certain beauty parlor. (The chocolate ones!!)
5. That the Nogal phones are out more than they are in: "There ought to be a law against it"
6. That Roby Crenshaw came to see the new room at the Episcopal Church. Looking sharp. She was!!

Mabel! A bit of wisdom and

humor:

LOVE IS NEVER ASKING FOR MORE THAN YOUR PREPARED TO GIVE.

Say! There is a company in California that rents cassette records of more than 350 full length books, if you care to listen to a book instead of reading it.

ON THE JOB:

"It was a terrible day at the office, dear. The computer stopped and we all had to think."

"Your methods of farming are out of date," said the agricultural student to an old farmer. "I'd be surprised if you got eight lbs. of oranges out of that tree." "So would I," said the farmer. "That is a pear tree."

Now here is something good to eat:

A special meatloaf -- to put in

deep freeze.

2 lbs chopped beef, 1/4 lb. salt pork, chopped fine, 2 eggs, slightly beaten; 1 cup milk; 3 tablespoons melted butter; 1 tablespoon prepared, horse radish; 2 tablespoons minced onion; 1/4 teas. pepper and salt, 1 cup rolled cracker crumbs, 2 strips of bacon.

Mix meat and salt (pork with the egg, milk, butter, horse radish, onion, seasonings, and crumbs. Pack in buttered loaf tin cover with strips of bacon - Bake 350 oven 60 min.

IN NOGAL:

The Zumwalts had some company this week, and Faye Stokes was here for a visit. Louis Garaveo called on the phone and asked me to tell everyone in Nogal Hello. Louis is in a position in Odessa Texas, as a Medical

Technician. He has worked very hard for this and I am sure everyone is pleased for him. He also asked me to Thank all the people in Nogal for helping him to achieve his education, and others in Carrizozo who lent him a helping hand.

Bye now till next week, please send your letters to Robie - Box 87, Nogal N.M. 89341 or just to Lincoln County News.

Corona Senior Citizens

The Senior Citizens Fund Raising dinner will be at our Senior Citizens Center November 21, from 12 noon until 8 o'clock. They will serve Beans, Chili, Sweets, Coffee and tea. There is also a Bake Sale, anyone donating food to this will be greatly appreciated, there will be carry-outs.

Our Thanksgiving Supper was November 9th at the center. There was plenty of Turkey and Dressing and all the trimmings. We hope all the Senior Citizens enjoyed it. A string band from Belen and also the James Family provided the music.

More fun nites are planned for the future.

Hondo School Honor Roll

Bush, Weed Control Conference

Jan 19-20 In Roswell

LAS CRUCES - The ninth annual Range Brush and Weed Control Conference is planned for January 19 and 20 at the Roswell Inn, Roswell, New Mexico.

The two-day conference is co-sponsored by New Mexico State University's Cooperative Extension Service and the Society for Range Management, and devoted entirely to management and control of noxious plants on rangeland.

An informal session to discuss the wide range of problems in brush and weed control opens the conference from 8 a.m. to noon Tuesday, Jan. 19. Dr. Pete Jacoby, Texas A and M University brush specialist, will chair this session.

Kirk McDaniel, NMSU brush control specialist, said, "This informal round table discussion has been a particularly useful forum for sharing expertise and knowledge with others as well as sharing information on new controls of problem species."

Invited papers will be presented from 1:30 to 5 p.m. Tuesday, Jan. 19 and from 8 to 11 a.m. Wednesday, Jan. 20. Persons interested in these research presentations should plan to attend the conference because proceedings are not published.

In addition to university Extension personnel and researchers, the annual conference usually draws representatives from chemical companies, federal and state agencies, and farmers and ranchers from Texas and New Mexico.

Additional information about the conference is available from Kirk McDaniel (505) 646-1191, or Jesse Gerard (505) 646-4465 at NMSU.

Health Views

THE OLDER WE GET, THE HARDER WE FALL.

None of us likes to think of ourselves as an "older person." You may be one of the lucky ones who feels many a twinge as the years progress. Your pace hasn't slowed much and you exercise regularly. Nevertheless, time does take its toll, and you should use increased caution as you progress in years.

Although older people make up only about eleven percent of the population, they suffer 23 percent of all accidental deaths. According to the National Safety Council 24,000 persons over age 65 die each year from accidental injuries. At least 800,000 more are disabled for at least one year due to injury. This is a rather frightening statistic when you consider the fact that most accidents are the result of pure negligence, and likely could be avoided with caution and preventive action.

Many of the injuries suffered by older people are from falling, and most occur in the home. Check your home for the following:

- Do you have well-lighted stairways with switches at both bottom and top?
 - Do you have night lights?
 - Do you have sturdy handrails on both sides of stairways?
 - Is your carpeting tacked down? Throw rugs are extremely treacherous when they slide.
 - Do you have grab bars on bathroom walls, non-skid mats in the bathtub?
 - Are all areas clear of objects that could cause a person to trip?
- Other dangers include smoking in bed (a practice best avoided altogether), and preparing meals in loose, flowing, flammable clothing. Older people are particularly susceptible to burns because of their reduced agility. Be sure all

your water heater thermostats are set so you can't be suddenly scalded. Also, the older person should plan an emergency fire exit route from the house. These precautions may seem at first over-protective. However, older people are especially prone to accidents because they often suffer from impaired hearing or poor eyesight, and coordination is not as it used to be.

The greatest number of back and limb injuries come from falls, especially on stairways, walkways and ladders. The older person should recognize that the bones are brittle and that they will heal more slowly. Likewise, one should be sensible about his or her physical limitations.

The older person should avoid standing on chairs and ladders, getting into awkward positions, or bending or stooping for long periods of time. The older person should seek help for lifting objects and use every tool available to avoid unusual physical exertion.

If a structural injury occurs, the older person should seek immediate professional attention. The doctor of chiropractic is a health specialist who gives special attention to problems of the spine and nervous system. Under chiropractic care, a patient is either treated or referred after a comprehensive differential diagnosis. Chiropractic has been particularly effective in keeping senior citizens ambulatory and active, important elements in having a fulfilling and satisfactory life.

Corona Area News

Mr. and Mrs. Clifford Smith, Las Vegas, Nev., stopped in Corona Friday to look over his former home site and to renew some acquaintances. Mr. Smith resided here as a child with his grandmother. He is the nephew of the late Luther Clayton.

Dick Byrd is recuperating from a broken leg.

Robert Williams is on vacation so there is no weather report for last week. The shower in the village amounted to 0.1".

Linda Ponder and daughter, Nicki, and friends, Missy Jones, Toni Crain and Tammy Sultemeier, left Friday for the Paint Horse Show in Albuquerque. Nicki rode her paint gelding "Jim Again" in barrels and poles Sat. and Sunday, but she has not yet reported her times. Ruth Davis and daughter, Beth, planned to join the group Saturday to enjoy the horse show.

Remember the Lift meeting at the home of Sandra Alford at 1 p.m. Saturday, Nov. 14th. to follow a noon luncheon. Everyone, including the youth of the community, is cordially invited to attend.

Ken Gibbs and three friends from NMSU stopped by Sunday for a fried chicken dinner at the home of his parents.

The George James family spent the weekend in Las Cruces.

Tom and Shawn Perkins were in Moriarty Saturday evening to watch Moriarty defeat Lordsburg. A cousin, Allen Hollon, is a tackle for Moriarty.

Mrs. Pallie Dishman returned to Belen Friday after more than two weeks at her home here. She was to see her doctor on Monday for a regular checkup and hopes to be able to come home after that.

Mr. and Mrs. Stan Kimball were over from Albuquerque Sunday to complete plans for their daughters' wedding Thanksgiving Day.

Mr. and Mrs. Stan Kimball of Albuquerque announce the engagement and approaching marriage of their daughter, Sara Ann, to Leslie E. Sommerville, son of Mr. and Mrs. Bill Sommerville of Littleton, Colorado.

Sara and Les are graduates of Heritage High School in Littleton, Colorado. Sara graduated from Colorado State University in July

and is a Registered Occupational Therapist practicing in Minnesota. Les, a graduate of Ft. Lewis College in Durango, is working toward his doctorate degree in Biochemistry at the University of Minnesota.

The couple will be married at the Corona Presbyterian Church at 11:00 a.m. on Thanksgiving Day. The family extends an invitation to all friends to join them on this happy occasion. Reception will follow in the church recreation room.

Laura Stewart was here from Clovis for two days last week. She is employed by Levi Mfg. Co.

Lupe Gabaldon was among those here for the Montoya funeral.

The funeral mass for Marflia Apodaca was held Tuesday in St. Therese Catholic Church with Father Robert Auman officiating. Pallbearers were Bennie Esquibel, Billy Lucero, Jesse Fomero, Erminio Sena, Gilbert Stewart and Robert Stewart. Interment was in the Corona Cemetery under the direction of the Hanlon-Harris Mortuary.

Mrs. Apodaca the former Marflia Casares, died suddenly Saturday night. She is survived by her husband, Andy Apodaca, two sons, Alex and Bobby, her mother, Irene Martinez, and three sisters, Mary Ann, Martha Jean and Susie, all of Silver City and her maternal grandmother, Magdalena Stewart of Corona.

The Family of Marflia Apodaca wishes to thank all their friends for their help and expressions of sympathy at this time.

CROWN COWBELLES
The Crown Cowbelles met Thursday morning, Nov. 5th, at the home of Katie Sultemeier with Kay Stutemeier and Pet Davidson assisting. The covered dish luncheon featured beef chicken. Ruth Davis is a new member for next year and Loretta Proctor rejoined after missing a year. Helen Kay Lindsey was a guest and won the lucky winner of the door prize, a shawl made by Linda Ponder.

Betty Russell, scrapbook chairman, donated three scrapbooks to the chapter, two for future use and one nearly completed. Thank You, Betty.

Crown is donating two hundred dollars to the lunchroom at school, the money to be used for the purchase of beef. Bennie Crist, farm-City Week chairman, will present the check Nov. 24th as the high point of the week's activities. Grades K-6 will receive momentos

to mark the F-C Week.

Mrs. Ponder, Crown Chairman for the Lincoln County Ranch Tour, announced tentative plans for tour dates June 12th, sheep at the Roe Lovelace ranch, cattle at the George Ranney ranch, and horses at the 4-H arena. The freshman class of Corona High School will serve the lunch, and they are accepting donations of beef etc.

Local cowbelles are urged to write and to ask others to write our Senators and Congressmen in

support of the Secretary of the Interior James Watt. President Lee Sultemeier came up with the slogan "Protect an Endangered Species - Support James Watt". Do write, and write to Mr. Watt, too.

New Mexico Cowbelles will meet with the Cattle Growers at the 3rd Quarterly convention at the Las Cruces Holiday Inn Dec. 6-8.

President Lee Sultemeier installed the new officers and presented each with a small branding iron gavel, record book,

dollar sign etc, to mark her particular office. Installed were president Linda Ponder, 1st Vice Bennie Crist, 2nd Vice Stacey Wilson, Secretary Betty Ann Bell, Treasurer Katie Sultemeier. Lee is parliamentarian. The next regular meeting will be at 1 p.m. Thursday, Dec. 10th, at the home of Jaunita Sultemeier with Canyon Cowbelles as guests. The executive board will meet for lunch at the home of Mrs. Crist Wednesday Nov. 18th. They will plan next year's activities.
