

Gov. King Schedules Lincoln County Visit

Gov. Bruce King has scheduled open office hours with residents of Lincoln County on Thursday, Oct. 28 from 8 to 5 p.m. at the municipal building in Ruidoso.

No appointment is necessary for open office hours. The governor said he will attempt to meet with each citizen or group and he will assign members of his staff or cabinet to check out problems or issues which may come up.

The governor and members of his staff will be available to allow people a chance to talk to them in person closer to where they live. General Services Secretary Laura Threer, Human Services Secretary Dick Heim, Regulation and Licensing Superintendent Jerry Manzagol, Economic Development Secretary Bill Garcia, and state housing division director Porfirio Perez will be with the governor.

Gov. King will be in Ruidoso for the annual Governor's Tourism conference. He will address the luncheon session of the conference at the Civic Events Center.

Finally . . . They All Agreed

Adoption of near identical ordinances by 10 Lincoln and Otero county governmental entities in the last week has paved the way for financing of a regional landfill.

Last week, all municipalities in Lincoln County--Capitan, Carrizozo, Corona, Ruidoso and Ruidoso Downs--and the county government, and three entities in Otero County, adopted an ordinance which executes a Joint Powers Agreement and ratifies an ordinance adopted by the City of Alamogordo authorizing the issuance of

tax revenue bonds in the amount of \$3,845,000. The funds from the special revenue bonds will be issued to acquire, construct and maintain the Otero/Lincoln County Regional Landfill located near Oro Grande in Otero County.

The ordinances also repledge the special environmental gross receipt taxes collected by each entity, to serve as collateral for the revenue bonds. Municipalities collect 1/16 of one percent and the counties collect 1/8 of one percent of environmental services gross receipt taxes.

The ordinances state that the City of Alamogordo will acquire a solid waste facility on behalf of the participants by issuing the "City of Alamogordo Otero/Lincoln County Joint Powers Agreement Environmental Gross Receipts Tax Revenue Bonds, Series 1993B."

Near identical ordinances were also passed by the municipal governments of the villages of Tularosa and Cloudcroft, and the Otero County government.

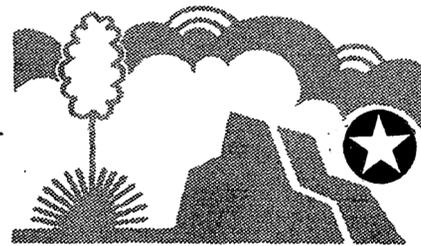

All entities of the Otero/Lincoln County Solid

Waste Authorities (all municipalities and counties of Otero and Lincoln), passed their ordinances after the City of Alamogordo ratified its bond issue ordinance Thursday night, Oct. 14.

Interest rates for the \$3,845,000 bond issue were set at 2.85 to 4.5 percent, depending on the maturity of the bond, said Capitan Mayor and Lincoln County Solid Waste Authority (LCSWA) Chairman Frank Warth.

While the ordinances allow

Lincoln County News Reporter Wins Top Prize

Lincoln County News reporter Doris Cherry won first place for in-depth news reporting for Class II weeklies in the 1993 New Mexico Press Association's better newspaper contest.

Cherry received the first-place plaque during the awards banquet held Saturday in conjunction with the New Mexico Press Association annual conference at the Hyatt Hotel in Albuquerque.

Judged by members of the Utah Press Association, Cherry won the award for her two-part series about the Kathy Palomarez trial.

This was the second first-place award for Cherry, who won the first place prize for investigative reporting for Class II weekly newspapers last year.

Class II weeklies have a circulation of 3,000 or less. Other weekly newspapers in the Class II category include, Socorro Defensor Chieftain, Union County Leader, Sangre de Cristo Chronicle, De Baca County News and Raton Range.

Lincoln County News publishers Ruth Hammond and Peter Aguilar also attended a breakfast for weekly newspaper publishers, newspaper workshops and the awards banquet.

Domenici Staff To Hold Office 26th In Corona

Staff from the office of US Senator Pete Domenici will conduct office hours in Corona on Tuesday, Oct. 26 from 10 to 11:30 a.m. at the Corona Town Hall.

Individuals who are encountering problems with a federal agency, or would like to convey an opinion to the Senator, are welcome to come by and visit with the Senator's staff.

Woman's Club Sets Dec. 4 For Annual Holiday Hoedown

Carrizozo Woman's Club members are getting ready for their annual Holiday Hoedown on Saturday, Dec. 4.

Arts, crafts and baked goods will once again be offered by Lincoln County's finest craftsmen. Anyone wishing to participate may call 648-2219.

Enrollment Is Up At Carrizozo Schools

by Doris Cherry

Enrollment is up at Carrizozo Schools, and Red Ribbon Week is Oct. 25-29.

Carrizozo Board of Education learned the student enrollment exceeded projections, and got a first hand look at the newly renovated floor in the school's old gym during their short regular meeting Tuesday.

Superintendent Jim Bayless reported that 225 students

were enrolled in classes K-12 at Carrizozo Schools. Since kindergarten students are only counted as half, the enrollment count to be sent to the State Department of Education from Carrizozo Schools will be 216.

The enrollment projection made in the spring, and on which this year's school budget is determined, was 213 students. Had the school not met the enrollment projection, it would have been funded from the state only for those

213. Since it met enrollment, the school will receive the full amount of state funding reflected in the school's budget for this year.

Next year, however, Bayless said he plans to make the enrollment projection at 208. That is due to a very small junior class this year, only nine students, which will be the senior class next year. After next year, Bayless said the school enrollment will probably go up, since most of the lower classes have about

20 students each.

Mrs. Ruby Cearley, teacher and elementary principal, reported on the plans for Red Ribbon Week, Oct. 25-29. Lincoln County Sheriff's D.A.R.E. officer Connie Hopper, Carrizozo chief of police Charlie White and troops from the National Guard will be at the school to distribute Red ribbons to students to declare them "Drug Free." The week will feature programs, a poster contest and a parade that warns students about the

dangers of abusing drugs and alcohol.

Students in grades K-6 in Halloween costumes will be the highlight of Red Ribbon Week parade which begins at 2 p.m. Friday, Oct. 29. The students will carry a banner telling how scary drugs and alcohol are. The National Guard troops will also be part of the parade. The parade will start on E. Ave. to Central (Highway 54), north on Cen-

(SEE PAGE 3)

Construction Workers Must Abide By Capitan School No Smoking Policy

by Doris Cherry

Capitan Schools will be tested by the State Department of Education on-site accreditation team on Nov. 1-4.

Adults on the Capitan Schools campus will not be allowed to smoke or dip, and basketball athletes will be expected to uphold the coaches' rules.

Capitan Board of Education, during its meeting Wednesday, Oct. 13, unanimously voted to not give a temporary exclusion to the no-tobacco on campus policy for the workers on the middle school construction project.

Work on the middle school project started Oct. 7. Superintendent Diana Sonnamaker said she told the contractor's about the school's policy. The problem with the contractors was their workers like to smoke or dip on the job, so they asked for a temporary exclusion of the policy for workers inside the construction site fence.

Some of the smoking school staff had expressed concern about the double standard. While they were complying to, and supporting, the school rule by going off campus to smoke, they find out the construction workers do not have to leave the campus to light up or dip. "It's like...no you (school staff) can't, but yes they (construction workers) can," Jean Cunningham, staff member and smoker said.

Cunningham said the situation was making some adults think some are better than others. She asked the board to re-think the policy if the workers are allowed to smoke.

There also was some concern that making workers go off campus to smoke will take away from their working time.

Board member Russell Shearer made the motion that the school not make a temporary exclusion of the policy for the construction workers.

"If we are (going to make the exclusion), I tend to agree we need to re-look at it (the policy). We told the adults who came to the games they're not going to do it. For

(SEE PAGE 2)

Health Fiesta To Feature Flu Shots And Information

Health Fiesta, with health screenings and immunizations and free information on family health issues and the health services available in Lincoln County, will be presented Nov. 9 and 12.

Health screenings scheduled are blood pressure checks, cholesterol screening, glucose screening, hemocrit anemia test, HIV testing and counseling, and prostate screening appointments. There will be a minimal charge for tests.

Immunizations and flu shots will also be available at the Health Fiesta.

Health Fiesta schedule for Tuesday, Nov. 9:

Lincoln 9 to 11 a.m. at the old school house; San Patricio 1 to 5 p.m. at the Hondo Senior Citizens Center; Corona 9 to 11:30 a.m. at the American Legion Hall; and Capitan 1 to 5 p.m. at the fair building.

Health Fiesta schedule for Friday, Nov. 12:

Carrizozo 10 a.m. to 6 p.m. in the old high school gym; and Ruidoso 10 a.m. to 6 p.m. at Sierra Mall.

Health Fiesta is sponsored by the Lincoln County Medical Center and the Lincoln County Public Health Department.

CARRIZOZO BOARD OF EDUCATION members (from left) LeeRoy Zamora, Jan Barham and Gary Hightower take a look at the newly finished old gym floor, and newly painted walls, during their board meeting Tuesday. The members just looked in, because the floor was still wet. Also viewing the floor was board member Nick Serna. Plans are to use the old gym to host basketball tournaments.

Carrizozo Chamber Of Commerce Needs Volunteers For Office

Carrizozo Chamber of Commerce officers for the 1993-94 year were elected at the Oct. 12 meeting. President Mary Lou Webster was re-elected to serve a second term. BillieJean Nunnally was re-elected president-elect and was appointed also as corresponding secretary. Hal Marx was re-elected recording secretary and agreed to also be the treasurer.

Members discussed the Halloween block party to be held Oct. 30 on 12th Street. A representative was to attend the Carrizozo Town Council meeting Oct. 12 to receive permission to use the street.

Printing of new brochures was discussed. Chamber member Dorothy Forsythe suggested new brochures include information about the climate, etc. She also wanted new brochures to not adver-

tise things 10, 15, 30 and 40 miles away, rather to mention them only in passing.

It was mentioned that the brochures should stress Carrizozo and the potential

for housing. Webster showed a new format for black and white brochures the chamber will

(SEE PAGE 2)

Diana Harris Wins FOS Slogan Contest

"Fifty years of reflection" was the winning slogan entry of the Friends of Smokey 50th celebration design contest.

Diana Harris of Ruidoso submitted the first place slogan which will appear on all Friends of Smokey sales items in 1994, Smokey Bear's 50th Anniversary year. Harris will receive a jacket with the slogan and Friends of Smokey's new design for 1994.

The second place slogan was "Put on your hat and come to my 50th birthday celebration," submitted by Amanda Tudor

of Capitan. She will receive a T-shirt with the first place slogan and the 1994 Friends of Smokey design.

Third place slogan was "Don't let his dreams go up in smoke," by Laurie Marks of Ruidoso. She too will receive a T-shirt.

Friends of Smokey president Rick Riddle said the group received more than 30 slogan entries.

Winners need to contact Friends of Smokey by calling Capitan City Hall at 354-2247, or Riddle at 257-9335.

All Agreed

(Continued from Page 1)

that the bonds be paid off with the special environmental gross receipt taxes, it is expected that the bond will be paid off by tipping fees once the landfill is opened. Tipping fees are what customers pay to dump trash at the landfill.

The regional landfill is the first such cooperative project in the state. Through a series of negotiations, LCSWA became a full partner with OCSWA and the City of Alamogordo in ownership of the landfill and that is reflected in the ordinance also.

The property for the landfill was purchased from the state. Currently, excavation work has begun at the site by contractor Drew Construction of Ruidoso.

The ground work for the revenue bond took several months to complete, and was very complicated. LCSWA

attorney Robert Beauvais told various governmental bodies which held public hearings for their bond ordinances in the last two weeks.

The regional landfill is scheduled to be opened by January 1994. The biggest paying customer to the landfill, one which does not belong to either OCSWA or LCSWA, will be Holloman Air Force Base.

Beauvais said the project is now going forward, with no other foreseen difficulties.

To Beauvais, who has been with the project since its inception, is excited about the ratification of the ordinances. "It is the culmination of three years of effort to establish a long-term solution to Lincoln and Otero Counties solid waste disposal problems," Beauvais said. Also, it is the first such effort in the state

where a number of local governments were able to overcome their differences and work together to a common purpose.

"It was really nothing short of incredible," Beauvais said.

Although Lincoln County entities will be responsible for less than 20 percent of the garbage which will go into the regional landfill, LCSWA will be full 50 percent owners. By being full partners, LCSWA will be involved in setting tipping rates. "We will be controlling our own destiny," Beauvais said.

The next step will be the signing of the purchase agreement with the bond advisors. The bond advisors marketed the bonds as soon as the BAA1 rating was issued for

the bonds. The BAA1 rating is investment quality, Beauvais said. And municipal tax free bonds are popular now.

"Everyone stuck together," Beauvais said about the months of meetings between the Otero and Lincoln County Solid Waste Authorities. But everyone had a common goal—no where to put garbage after Jan. 14, 1994, the date the State Environment Department gave to close the Dog Canyon Landfill. All of Otero County trash and some of Lincoln County trash currently is dumped at Dog Canyon.

"It was one step short of miraculous," Beauvais said. "It speaks highly of the Lincoln County Solid Waste Authority, and the people who worked to get it done."

"There's nothing to stop it (the landfill) now," Beauvais concluded.

Carrizozo Chamber

(Continued from Page 1)

consider, and wants names of paid chamber business members to be printed on the brochures.

Ruth Hammond, secretary of the Carrizozo Lodger's Tax Committee, reported that the lodger's tax committee paid for the color brochures that were printed a few years ago. At that time the lodger's tax committee made the decisions about what type brochures should be printed.

Nunnally said the chamber should make the decisions about the brochures instead of the lodger's tax committee.

Hammond said the lodger's tax committee did get input from the chamber.

Nunnally said the UNM Tourism Department will design brochures for the town at no cost and they are doing a layout for her business for free.

Chamber members voted to look into new brochures with Nunnally in charge.

No decisions were made concerning the Adopt-A-Block program. Police chief Charlie White is to prepare the paperwork and present it at a chamber meeting.

Hal Marx reported there were five planes at the chamber Fly In on Sept. 19. Invitations were sent to other chambers of commerce in the state to attend. Marx complained that the event was not mentioned in the newspaper calendar of events.

Rene Burton announced the group called "Concerned Citizens for Carrizozo" meets the 4th Monday of the month at 3 p.m. at United New Mexico Park. The latest project for the group is street lighting.

Dorothy Forsythe was concerned about having no more luck with volunteers on that than at the chamber office. She said, "We are spread

thin," and suggested not taking on any more work.

Forsythe also said she thought the volunteers at the chamber office should not be asked to clean the floor, answer the mail, etc. with only two volunteers at the chamber office. Forsythe said she and Ruth Burris are the only two volunteers at the chamber office.

Ruth Armstrong asked about the JTPA paid volunteers that were to work at the chamber office. Nunnally said it takes time for the paperwork.

Rene Burton was appointed to chair the welcome committee.

Webster announced the phone at the chamber office had been disconnected because four or five unauthorized long distance calls had been made to Oklahoma. One call was made to Florida. The chamber office space and the phone are donated by the Nunnallys. The telephone company is investigating to find out who made the calls.

Members agreed to pay \$50 to join the UNM executive chamber of commerce committee. Any chamber officer is eligible to attend any seminar presented.

Forsythe made the motion for the Carrizozo Chamber to give four honorary memberships to the Nunnallys for donating the two rooms and phone. Members agreed.

Health Clinics

Health clinics will be held in the Lincoln County Public Health Office in the court-house in Carrizozo on Oct. 29.

Scheduled are a clinic for breast and cervical checks, and family planning, and pre-natal clinics. Call 648-2412 for an appointment for the clinics.

Capitan Schools

(Continued from Page 1)

us to tell adults that are behind the fence on the construction site they can do it, I don't think we're showing them the role model we're attempting to," Shearer said.

Board president Tom Trost replied, "If it takes (the contractor) three months over, he'll be paying out the nose. He (the contractor) better find people who go with the rule or not be working on this."

All members, Shearer,

Trost, Jack King and Beverly Payne voted for the motion, and no smoking will be the rule at Capitan School. Board member Tim Worrell was absent.

During the work session before the regular meeting, head boys basketball coach Ron Becker presented the board with his Code of Ethics for Capitan Boys Basketball. The code must be signed by both the athlete and parents.

Becker first used the code last year. The code defines the purpose of interscholastic athletics, ethical considerations for athletes, team policies concerning training, hair, travel, practice, school, equipment, dissension, school rules, conferences, athletic standing and action taken.

During the regular meeting board members accepted the school organizational chart which shows the chain of command from the electorate, board, superintendent, and the various branches of command from there.

The Board of Education Mission Statement, issued for the last two or three years, became school policy.

The disaster preparedness plan also was approved.

Both plan and policy were put in place in preparation of the Nov. 1-4 on site visit by the State Department of Education. The state department personnel will hold two formal meetings; the Entry Conference and the Exit Conference. The attendance at the meetings will be determined by the superintendent.

Team members include Syd Gould, team coordinator for special education; Vicki Breen, basic instructional programs, support services; Sharon Fox, vocational education; Gene Gurule, special education. The team will conduct its entry meeting at 1-2 p.m. Nov. 1. The team will hold its exit meeting at 11 a.m. to noon Nov. 4. At the exit meeting team members will give overviews of the visit. Oral reports will be given on areas of non-compliance and strengths and professional comments.

A project begun by former board member Ken Cox got the nod of approval to continue from the board. Shearer reported he was working with village supervisor Terry Cox to turn the school property north of Highway 380 into a ball park. Capitan VoAg teacher Todd Proctor said the park could become a community project for his FFA chapter.

The board approved the transfer of instructional assistant Jean Cunningham to high school custodian and hired June Taylor as instructional assistant/elementary for a special needs student. Taylor has two years experience at Fort Stanton and three years at Ruidoso Care Center.

OBITUARY

ROBERTA MACKEY MARTINEZ

Roberta died in her home in Albuquerque of natural causes on Oct. 7.

She was born on Aug. 13, 1948. She was a graduate of Carrizozo High School and Hotel Dieu School of Nursing in El Paso. She was a registered nurse.

She is survived by her husband, Dave, of Albuquerque, New Mexico, one son, James Watson II, of El Paso,

five aunts and two uncles, Jane Ortiz of Carrizozo, Andrea Salas and George Kimbrell of Picacho, Mable Vigil of El Paso, Adelina Kimbrell, Ramona Holguin and Margaret Holguin of Albuquerque, and Eddie Holguin of Mesa, Ariz.

She was preceded in death by her parents, Robert and Pauline Mackey.

Services were conducted in Albuquerque, N.M. and burial was in Picacho, N.M.

Carrizozo Schools

(Continued from Page 1)

tral to the intersection with Eighth Street.

Cearley quoted frightening statistics of fatality rates among young people as the reasons why there is a need for drug/alcohol awareness and education. Students will sign pledges saying they will not use drugs.

Also during the meeting Tuesday, members and meeting guests were shown the brightened old gym. The floor, including the stage, was stripped, sanded and refinished to an original gloss. Bayless said the refinishers found the hardwood floor to be in very good condition with no buckles.

The floor was sealed with a clear hard finish, and also features a red Grizzly painted onto the center. Striping is done in red, one of the school's colors. The gym's walls were brightened with white paint.

People for Kids, parent organization, will replace the curtains on the stage.

New backboards will be installed in the new gym, and the ones taken down put in the old gym. Plans are to host a basketball tournament which will utilize both old and new gyms.

A contest is planned to name both the old and new gyms. When the new-old gym is rededicated, the names will be unveiled.

The recent parent-teacher conferences were very well attended, with nearly 100 percent participation in the elementary and about 50 percent in the high school.

Cearley reported she has re-instituted the elementary honor roll for students in grades 1-12. Students of the month in grades K-6 will receive certificates at assembly and be noted in the newspaper.

The Halloween Carnival will be held on Saturday, Oct. 30. Through Cearley's efforts, Carrizozo Mayor Cecilia Kuhnel proclaimed Oct. 30 as Halloween day in Carrizozo. The carnival will be held in the cafeteria from 6:30 to 8:30 p.m. The carnival is being sponsored by the PFK. All booths have been reserved.

Mid-school principal Kay Patterson reported that 27

students who were on the A-B honor roll were treated to a pizza party, compliments of a local restaurant. Parent/teacher conference turn out also was good.

Patterson, who is also volleyball coach, said the regular volleyball season ends with the junior high and varsity matches at home with Corona, Thursday, Oct. 21. The matches will be Parents' Night, where the players' parents will be recognized and honored.

The football team travels to Reserve for a district game. Then on Friday, Oct. 29, Carrizozo will play Capitan on Laabs Field in Carrizozo. That will also be Grizzly parent night. Patterson will go to an upcoming meeting of the New Mexico Athletic Directors where redistricting will be discussed.

Seventeen high school students are registered to take the ACT college test, two sophomores plan to take the PSAT.

Gabe Papponi, high school principal, reported there are five students in the Super Computing Challenge, which is connected to the Los Alamos labs. National Honor Society members are offering tutoring for any student.

Papponi said he is monitoring the discipline situation. Referrals have slowed down, and he thought he had a handle on them.

This year's seniors, Papponi said, are not interested in a senior trip.

Papponi said he plans to get some type of financial aid, or scholarship, for every graduating senior this year.

The FFA chapter will go to the National FFA Convention in Kansas City Nov. 10-14.

The board accepted a letter of resignation from nurse Jim Ann Rascio. The school will seek another nurse.

All Carrizozo school busses passed inspection. Bayless said two New Mexico State Police officers inspected all district busses, including the newly repaired old activity bus. All busses passed the inspection.

Bayless also told about a letter the school received from the New Mexico State Highway and Transportation Department district engineer about school bus signs. The engineer said highway department personnel checked the bus sign locations and found them properly placed on the state and federal highways.

School board president Jan Barham said she will send a copy of the letter to the National Transportation Board which has recommended the bus signs be placed at every school bus stop.

Cecilia G. Cieplenski was approved as substitute bus driver.

Two budget adjustments were approved, to accommodate problems with the finalized budget returned to the school from the state department of education in Santa Fe. School finance officer Nena Whittaker said this year Santa Fe was indefinite in its instructions for the budget, which resulted in the loss of flexibility on where funds are to be placed.

EASTERN STAR INSTALLATION from left, Wilbur Marrow, Gloria Marrow, Florence Harris and Jake Harris. The Marrows presented special music at the installation of Comet Chapter #29.

NEW OFFICERS FOR COMET CHAPTER #29, Order of the Eastern Star. Front row, from the left, Bartley McDonough, Jake Harris, Florence Harris, Frances Degner, Maggi Bohks, and Barney Hicks; Backrow, l. to r., Janette Baldwin, Valda Watson, Anita Weber, Anna Belle Burrow, Doris Pounds, Frances Shaw, Vera Forrester, and Agnes Hein.

Comet Chapter #29 Eastern Star Holds Officer Installation

Comet Chapter #29, Order of the Eastern Star, installed new officers Oct. 9 in Carrizozo. Installing officers installed the following: Worthy Matron Florence Harris, Worthy Patron Jake Harris, and Associate Matron Anita Weber. Associate Patron Vernon Petty is expected to be elected at the next meeting.

Also installed were secretary Agnes Hein, treasurer Frances Shaw, conductress Janette Baldwin, associate conductress Doris Pounds, chaplain Frances Degner, organist Valda Watson, Adah Margaret (Maggi) Bohks, Martha Anna Belle Burrow, Warder Bartley McDonough, sentinel Barney Hicks, and marshal Vera Forrester. Certain officer positions will be filled later.

Installing officers included Opal Armstrong and Suzie Chaplain, George Shannon, Matsler, secretary Katie Ballweber and organist Elizabeth Schmidhamer.

The Bible presentation was done by Felicia Leighton, Eddie Leighton, and Ashley Leighton. Special music was by Wilburn Marrow accompanied by Gloria Marrow.

The theme for the "Harris Year" is Love and Kindness. Her emblem is the Bible. Her colors are yellow, white and blue. Her flowers are rose, gailiolus, and carnation. Mrs. Harris has chosen the humming bird as her fun symbol.

Scripture chosen is Psalm 119:105. Florence Harris dedicated her year to Comet Chapter #29 and to family and friends. Worthy Patron Harris dedicated his year to Jack Forrester, a dedicated member of the Eastern Star for many years.

A reception followed in the dining room. It was a beautiful ceremony and a beautiful day.

Halloween Carnival To Be Held

Oct. 30 At Carrizozo School

Carrizozo People For Kids (PFK) plans its annual Halloween carnival for Saturday, Oct. 30 in the Carrizozo school cafeteria from 6:30 to 8:30.

PFK president, Mary Ann Bingerman, announces there will be numerous booths including a haunted house, bingo, sponge toss, a fishing pond, grab bags, jail, and food booths. Cash awards will be presented to three best booths. The entire community is invited to attend and/or participate in this fun project. Admission is 25 cents.

Other business discussed at the recent PFK meeting included discussion on the purchase of a new stage curtain. Fundraising efforts are underway with a donation from the PFK treasury for the first \$200.

PFK offers membership to anyone interested in helping our schools for a donation of \$2. Membership cards will be available soon.

The next regular meeting is set for Thursday, Nov. 9 at 3:30 p.m. in the Carrizozo School's Library. All interested persons are welcome. For more information please call 648-2182 or 648-2142.

NM State Highway & Transportation Department (NMSHTD)

* Opportunity To Request A Public Hearing *

U.S. 380 Reconstruction/Realignment West of Carrizozo, NM

The NMSHTD in cooperation with the Federal Highway Administration [FHWA] announce an opportunity for the public to request a Public Hearing regarding plans to improve U.S. 380 west of Carrizozo, New Mexico.

The project begins 11.7km (7.3 miles) east of the Socorro/Lincoln County line and continues eastward for 5.45km (3.4 miles) toward Carrizozo. The proposed scope of work involves: horizontal & vertical realignments on new and existing right-of-way, road relocation approximately 12.2m (40 feet) north of the present alignment, acquisition of 14.9ha (37 acres) of new right-of-way, new construction of two (2) twelve-foot driving lanes, varied ten (10) & twelve (12)-foot road shoulders in addition to providing turning lanes & scenic turnouts within the vicinity of the Malpais. The project improvements will enhance safety and drainage aspects of the existing roadway.

An Environmental Assessment [EA] study has been prepared and distributed for public review and comment. The EA document focuses on the project impacts upon the social-economic, environmental and human environment. The EA is available for public review at the following locations: (1) Carrizozo City Hall, 100 5th St., Carrizozo, NM (2) Ruidoso Village Clerk, PO Drawer 69, Ruidoso NM and, (3) Roswell Public Library, 301 N. Pennsylvania Ave., Roswell NM.

All comments & request should be directed to the NMSHTD at the following address no later than November 22, 1993: NMSHTD, Public Involvement Coordinator-Room 213, POB 1149, Santa Fe NM 87504-1149. Telephone inquiries may be directed to (505) 827-5226.

LOOKING THROUGH THE FENCE

The Swat Method of Repair

By MICHAEL McKIM SWICKARD
Lincoln County News Columnist

Back in the 1960s, my family had a black-&-white TV that would suddenly malfunction. What happened then was what I call, "The Swat Method of Repair."

We would be watching *Bonanza* on Sunday night when suddenly the horizontal hold on the picture would let go. At that point Ben, Adam, Hoss and Little Joe would start rolling. It was quite distracting and annoying to us. But we knew what to do.

The person closest to the TV would jump up and swat it. Whap! The idea was to smack the TV in what we had found to be the special repair areas—there was the left-side for problems with the sound. Also, there was the right-side in the middle for picture roll-and no matter where you hit it you then gave it a shot on top for good measure. Whap, whap, whap.

Sometimes the rolling picture stopped and sound came back after a good healthy swat. Even if it didn't cure the problem, we felt better because we had done something instead of sitting there enduring the irritation.

There were times when both my older brother and I arrived at the TV at the same time to fix it, so he took one side and I took the other. We gleefully beat the vacuum out of the TV's tubes.

Despite our method of repair, the family TV worked for several years before it quit, without warning, in the middle of a *Twilight Zone* episode—we never knew if it was the swats or something to do with *Twilight Zone*. I still don't watch any reruns of *Twilight Zone* just in case it wasn't our swats that knocked our old TV out.

I am not sure just how this form of equipment repair and adjustment got started, but many people use impact as a method of repair.

I remember using it on my junior high school locker. In fact, all 831 students at my school used the impact adjustment method on the lockers several times a day. It sounded like a battleship full of ball bearing being torpedoed. The noise we created with those lockers could have made an escaped lunatic homesick for the asylum.

And the teachers in junior high used impact as a corrector of behavior and attitude. While it worked, I always maintained I was going to change my behavior anyway.

I've heard several computer users admit that they use CPR on their computer when they experience trouble. CPR stand for Computer Pounding Repair.

Their motto is: A love tap a day on the computer keeps the computer repairman away. The other day someone told me that when his computer malfunctions he taps it briskly and it seems to help. He probably also hits the monitor whenever he notices that he has misspelled a word.

The champion home repairman was the guy who tried to use the Heimlich Maneuver for Computers after he locked up his computer by giving it too much data to swallow all at once. He stood looking at the computer which just sat there on the desk blinking back. No matter what he did it sat in its reverie without taking notice of his frantic commands. Finally, with an odd jump of logic he got behind the computer, reached around it, interlocked his hands and squeezed with all his might. He had seen the Heimlich Maneuver work in a restaurant.

He informed his wife, who happened into the room to see a middle-aged man hugging his computer tightly and grunting, that it was a new way to fix computers.

His attempt was unsuccessful, but it certainly did make quite an impression on his wife—she walked quickly from the room. Perhaps she should have swatted him. :-) MS

LETTERS TO THE EDITOR

EDITOR: Since the county has so much money, some of the commissioners feel that there is a need to spend it on buying private property, that will come off of the tax roll. This would hurt all tax payers in the county. Since when is the county going into business against its own people? It seems that part of the commissioners didn't mind spending money on buying private property but didn't bat an eye when it came to cutting services for the people in the county. We know now that the lack of funds was not the real reason for cutting the county road department. The county roads in the northeast part of the county have not been bladed by the county but maybe ones in the last year. The cattle-guards that we go over are in such bad shape that nearly every time we cross them, we have to have front-end work done. If there is so much money in the county, why can't we have some service. Road work is all we ask for in the north end of the county. Commissioners, why not start providing some services for all the citizens of Lincoln County. Give the road department their funds back with an increase. Give the sheriff more money for deputies. I doubt if there is one deputy in the county who can find the Roadrunner Ranch—yes, it is in Lincoln County.

Since some of the commissioners don't feel that their meetings have to be in the county seat, I will offer them a place in the county to have a meeting that not one of them has ever been to. **THE ROADRUNNER RANCH.** I will provide the noon meal for all who come. No car pooling. I will even provide a map. This way you know that there are those of us who live in the north end of the county who don't ask for many services. Road work mainly. Let me know the date you choose for your meeting here!

BILL C. HAYS
Roadrunner Ranch
Yeso, NM 88136

EDITOR: I agree with and appreciate Mr. Swickard's column "Solving Problems With Guns". I hope this column and others like it will help American parents see what a dangerous "babysitter" television is. Most parents carefully screen any babysitters or caregivers they entrust with their children. But most parents don't take the time to screen what their children are exposed to on television.

The media frequently mentions how many murders occur in the U.S. where we have almost no gun control. The murder rate in Great Britain, other European countries and Japan who do have gun control laws is then contrasted with

(SEE PAGE 12)

Inside The Capitol

by Jay Miller

SANTA FE—Northern New Mexico has a new mystery.

First it was the Taos Hum. Then a European archaeologist unearthed the devil's skull in the Sangre de Cristo Mountains between Taos and Santa Fe. Now it's shoes that keep appearing in the middle of an important entry to the City Different.

The next time you come to town, take the Old Pecos Trail exit off I-25. It's the most scenic, anyway, and the quickest route to the Capitol regardless of which direction you are traveling the Interstate. As the road curves past a dangerous intersection with Arroyo Chamiso, it is likely you won't be able to miss seeing at least one shoe in the middle of the street.

That's not so odd, except that most any time you come along, there's likely to be at least one shoe in the street. It's been happening for two months now. People who drive the route daily say they'd been wondering when someone would finally say something about it.

Well, now the shoes are out in the open and Santa Feans can talk about them. There is never a pair of shoes in the street. It is always a single shoe—sometimes several single shoes. It's a wide assortment—men's, women's and children's shoes; old shoes, new shoes; slippers, loafers and dress shoes; work boots, thongs and tennis shoes.

What does it all mean? Your ordinary political columnist wouldn't mess with such trivia. But Santa Feans look for truth and reality in every experience.

Most seem to agree that the shoes are some sort of art form. Recently I revealed to you that Santa Fe has more artists than any other city in the nation. We rank somewhere around third in art sales, but we have the most artists, according to the guy who does the counting.

That means we have a lot of people with time to think up new art forms. Some would call the shoe phenomenon "participatory art." One person does it and others get the idea. Others would call it "conceptual art."

Still others might call the shoes art in public places. There's always major disagreement over public art, especially when public money pays for it. But everyone can relate to shoes.

If you are questioning whether shoes can be called art, the answer is a definite yes. Wearable art is big in Santa Fe. That's when someone takes a plain old piece of clothing and does something to it to make it art. That usually means painting a

picture on it, but who's to say that tossing it out at a busy intersection doesn't make an item of clothing just as artsy.

Maybe it's an outgrowth of the magical Christmas tree that appeared on I-25 near the top of La Bajada Hill between Santa Fe and Albuquerque last year. Someone put a string of lights on a small juniper. Soon garland and balls were added. Before the holiday season ended other small trees in the median had been decorated and several people were taking credit for starting the idea.

It seems obvious this is a copycat sort of thing. Maybe we can call it "discovered art"—people discover shoes and are inspired to add more of their own.

What will happen once New Mexico's politicians discover the new art form? It's known that state Rep. Max Coll drives the route daily from his home to the Capitol. Gov. King uses

Old Pecos Trail on his way from the Capitol to the ranch.

Fortunately state tax chief Dick Minzner takes the St. Francis exit into town each day. Otherwise he would think of a way to tax the art work.

Perhaps the shoes are a political statement. Because that stretch of road is so dangerous, someone may be trying to make it look like an accident scene.

Santa Fe police quickly decided that although the art form qualifies as some sort of third-degree littering, they aren't going to spend a lot of time on it. When asked why, Sgt. Dan Chappell explained that the Los Alamos lab has detected a power vortex at the intersection that sucks the shoes off passers-by.

Someone tell Ross Perot he's completely mistaken about that giant sucking sound.

Reduced Special Camping Permits At State Parks

New Mexico State Parks will be offering a special seven-day camping permit at a reduced rate, State Park Director Richard Cooper announced. The reduced-fee permit will be available from Nov. 1, 1993 through Mar. 31, 1994.

The permit allows campers to stay at a state park campground for seven consecutive days for the price of five days. Individuals with annual camping permits may receive a special rate for hook-ups, receiving seven days service for the cost of five days. The special permit must be paid in full at the time of purchase. Refunds are not available, but "rain checks" may be issued for unused paid service.

The 14-day stay limit will be waived during this period at many of the state park campgrounds, provided campsites are available.

"Winter is a beautiful time of year in New Mexico," Cooper said. "We hope people will visit New Mexico's state parks at a time when the parks are less crowded. We also hope lifting the 14-day stay limit in many of our campgrounds will allow visitors more time to enjoy our parks."

The special permits are available at all campgrounds under the management of the State Park and Recreation Division.

The Other Side

By OWEN RUSSELL

It has long been a practice by those who write things to write things others wrote and call them their own. I don't do that because I need the benefits of deniability. If I said I said it, what more could I say, but if I said you said it, I can later say I didn't hear what you said but I thought you said what I heard you say. At any rate, after all that introduction, I am prepared to set out into my first adventure in FAX plagiarism.

As is endemic in social adaptation, new machines tend to develop their own cultural propensities. Since the introduction of FAX machines, not only has the process of written communication advanced to the speed of Ma Bell, but the proliferation of humor has expanded in the same geometric proportions. At last estimate the ratio of unsolicited wise cracks to important documents transmitted on FAX machines was something like 60-40. An example is one I received the other day from a prestigious law firm from a large city in our state which announced on the cover sheet that "this facsimile transmission is confidential and any dissemination to unauthorized individuals should be made only under the strict guidelines of professional responsibility and the canons of ethics", and the second page contained an illustration of this gross looking cartoon figure . . . Oh, never mind, you've probably already seen it.

At any rate, I received an unsolicited list of "Hillary's Health Terms" and wish to make excerpts therefrom available to those of you readers who are not blessed by FAX machines. Artery was defined as the study of paintings, barium as what a doctor does when his efforts aren't enough, cauterize as making eye contact with her, enema as not a friend, colic as a sheep dog, fester as quicker, genital as not a Jew, morbid as a higher offer, nitrates as cheaper than dayrates, seizure as a Roman Emperor, tablet as a small table, and urine as the opposite of you're out. Impotent was also included in the list and defined as possessing elements of distinction, but that's another story. Being the most important individual in my circle of acquaintances has gained me the distinction of having picked up more tabs than advisable. (That's with an accent on the "a", madam!) *****

Tipsy customer to bartender: "Give me something cold and full of gin."

Bartender to tipsy customer: "That describes my wife; and you can have her as soon as she returns to a mobile condition."

CALENDAR

THURSDAYS

—Alcoholics Anonymous meets at 7 p.m. at Zia Senior Citizens Center in Carrizozo every Thursday.
TODAY, THURSDAY, OCT. 21

—New Mexico Workers' Compensation Administration Personnel will be at the Civic Events Center in Ruidoso from 11 a.m. to 1 p.m. to answer employee and employer questions on workers' compensation and safety problems. There will be no charge for the service, and no appointment is necessary.
FRIDAY, OCT. 22

—The Ruidoso High School cheerleading staff will be offering a cheerleading clinic from 1 to 4 p.m. at Ruidoso High School gym. The cost will be \$10 and is open to all girls and boys ages 5 to 11 years old. Snacks will be served. All participants will cheer with the high school cheerleaders during the Ruidoso football game against Silver City.
SATURDAY, OCT. 23

—Lincoln County Historical Society will hold its annual meeting at 5 p.m. in the Fairgrounds Building in Capitan. The program will begin at 6 p.m. and will be a presentation on the Seven Rivers area. The public is invited to attend.
MONDAY & TUESDAY, OCT. 25 & 26

—55 Alive/Mature Driving course will be given in the Capitan Chamber of Commerce Bingo Hall at 103 2nd Street. Enrollment in the 55 Alive/Mature Driving course is limited so please call Wayne or Molly Mason at 354-2666 before Oct. 22. There is a fee for the course.
MONDAY, OCT. 25

—Capitan Village Trustees will hold a special meeting at 6:30 p.m. Items on the agenda include opening of bids for the old co-op building and old grader. A closed session for personnel has also been planned so trustees can be involved with interviews of applicants for a patrol police officer.
TUESDAY, OCT. 26

—Carrizozo Board of Trustees will hold a regular meeting at 6 p.m. in Town Hall.

—Ruidoso Village Council will hold a regular meeting at 6:30 p.m. in the village administration center.
WEDNESDAY, OCT. 27

—The Lincoln County Chapter #4512 of AARP, Inc. will hold its regular monthly meeting at 10 a.m. at the Ruidoso Senior Citizens Center. Recognition awards will be presented and a surprise guest will attend the meeting. Bring a covered dish and join the Halloween potluck luncheon, at noon, sponsored by the Center. Halloween goodies and Spider Punch are promised by the Center as well as a "Ghoulish Good Time!"

—Carrizozo Extension Home Economics Club will meet at 1 p.m. at Otero Electric Co-op building. Helen Lock will present the program on making sweatshirt jackets. Everyone is invited to attend the meeting.

SATURDAY & SUNDAY, OCT. 30 & 31

—St. Jude Church Fiesta will be held in San Patricio. The Fiesta will begin with a Fiesta Mass at St. Jude Church at 8:30 p.m. on Oct. 30. The coronation dance will begin immediately after mass, at the St. Jude Center. Music by "La Buena Compania." There will be a charge. The celebration continues on Sunday, beginning at 9 a.m. There will be dance performances by Hondo Fiesta Dancers, a group of former Hondo Fiesta Dancers, singing by Bethany Rae Sanchez and Lois Almagares. Also, games for kids of all ages, a cake walk and bingo which begins at 1 p.m. Come help us celebrate!

MONDAY, NOV. 1
 —Republican Party of Lincoln County will hold its "First Monday" dinner meeting at 6 p.m. at Cafe Carrizo, on Carrizo Canyon Road in Ruidoso. The main speaker will be Connie Krumler who will clarify the REAL situation regarding an MRS in this area. To make dinner reservations please call Coleta Elliott at 258-4455 or Bob Nys at 258-4372 by noon Saturday, Oct. 30.

THURSDAY, NOV. 4
 —Carrizozo United Methodist Women will serve their fall luncheon, with turkey and trimmings, from 11:30 a.m. to 1 p.m. at the Trinity United Methodist Church on D. Ave. in Carrizozo. Donations will be accepted.

OTHER SIDE

(Cont. from P. 4)

Tipsy customer to bartender: "Never mind, I already have one like that."

I made a comment last week about something being so old that it originated before Ronald Reagan's first date with Martha Washington. I must this week apologize because I was in error. It was really their second date, because the first one was back even before her name was Martha.

One secretary to another: "If you think his dictation is difficult, wait until you see his handwriting."

Sometime in the middle of writing this column this week, I heard that Fern Sawyer had died. I didn't know Fern very

well, but since I was brought up in circles that discussed Democratic politics with the usual fervor of those who while away their time amidst the tobacco juice and wood shavings around the old potbellied stove at the hardware store down the street, I have known about her and her family all of my life.

The news came as quite a shock to me because a year or so ago, I had made a date to dance the Cotton-eyed Joe with her at her 100th birthday party and now neither one of us is going to make it. However, if you are in some gin mill in the year 2017 and the band starts playing the Cotton-eyed Joe, don't be surprised if the best couple on the floor is us.

SPORTS

Grizzly Jr. High Whaps Estancia 43-6

The Carrizozo Junior high upped their season record to a mighty 3-1 after their victory over Estancia. The scoring began on the first play of the game with an 18 yard pass from Willie Silva to Cody Turnbow. Extra point by Silva was good. Silva later found the endzone himself from 13 yards out, making the score 15-0.

Early in the second quarter linebacker Paul Fitzpatrick intercepted a pass and bulldozed his way into the endzone. Later in the second quarter Turnbow found paydirt once again, making the score 28-0 at half. The second team for the Grizzlies played the majority of the second half, giving up one score. Later in the fourth

Silva and Turnbow put the icing on the cake with a touchdown a piece, making the score 43-6. The junior high has played together all season with this game being their best performance. They dominated the game for the whole 32 minutes. The junior high travels to Reserve Saturday for their last game of the season.

Lady Grizzly Volleyball

FT. SUMNER
The Junior High girls won both games, 15-3 and 15-10. Serving points in the first game were put over by 8th grader Michelle Samora with 5 and 7th grader Courtney Maynard had 6. In the 2nd game serving points scored by Samora with 3, 7th graders Julie Samora and Cara Baker both had 4. The JV girls came out strong winning both games 15-10 and 17-15. Serving points in the first game, senior Amber Pierce with 2, sophomore Shelley Odom 10, and sophomore Sarah Funk 2. In

the second-serving points go to Pierce with 6, Odom 6, Funk 3 and sophomore Debbie Bond 2. Hit points were put down by Pierce with 3, Funk and freshman Sylvia Zamora with 1 each. The Grizzly varsity lost all 3 games, 7-15, 5-15 and 3-15. Hits were downed by junior Amanda Vega with 1, sophomore Jessica Estrella 2, freshmen Keri Shafer 2, Katie Hightower 2, Julie Barham 4, Vega had 1 block, Estrella 2, and Barham 3.

hosted the Vaughn Aguilas on Thursday, Oct. 7, with Vaughn winning the match in four games 15-9, 15-7, 11-15, and 15-10. Carrizozo had some excellent defensive plays and digs by sophomores Jacqueline Epperson, Sarah Funk and freshmen Julie Barham and Katie Hightower. Setting was set by junior Lynette Hernandez, freshman Julie Barham and Michelle Barela.

VAUGHN AGUILAS
The varsity Lady Grizzlies

Serving points were shared by juniors Lynette Hernandez and Amanda Vega both having 1, sophomores Jessica Estrella and Jacqueline Epperson 2, and freshmen Keri Shafer 5, Julie Barham 2, Michelle Barela and Katie Hightower 2. Hits put up by Vega, Epperson, Estrella, Shafer, Barham, Hightower and Barela. Epperson had 1 kill, Estrella also had an ace, 3 kills, and Barham had 2 kills. (Cont. on p. 7)

Cloudfcroft Bears End Tiger Win Streak in Thriller, 23-22

by Doris Cherry

It was a heart breaker. With one kick, the Capitan Tigers found themselves on the losing side.

Before a full house Friday, the Tigers fell to the Cloudfcroft Bears 23-22. The loss put the Tigers 1-1 in district play, and Cloudfcroft 3-0. But the hardest of all, it was the Tigers' first season loss.

"We knew it would be close," said head Tigers Coach Ed Davis. He said the players had some critical mental breakdowns at the wrong time.

Even with the Tigers' loss, the Capitan team was still ranked first for Class A football teams in the Associated Press poll Monday. Capitan was listed first for their 7-1 season record. Fort Sumner was second, with their 7-1 record. Cloudfcroft moved up to third with their win over Capitan, which put them at 5-3 in the season. Loving was fourth, with a 3-4 record and Springer fifth with a 4-4 record after a loss to Fort Sumner last week.

At the game Friday in Capitan, the mature Cloudfcroft Bears took the first Tiger kick-off and hustled their way down for a touchdown early in the game. The Tigers rallied and worked the ball into position for Michael Fish to fire a touchdown pass to Ernie Trujillo. Fish converted the ball for the extra two points and the game was tied 8-8.

During the second quarter it was a contest of equally matched teams. Although there was no scoring - the defense was intense. The Tigers lost the ball to a Bears interception, then struggled against the Bears defensive line. A call on the Tigers for pass interference on a Bear pass put Cloudfcroft at the 10 yard line for a first and goal. But the Tiger defense pushed the Bears back. Tiger Justin King recovered a Bear fumble with 50 seconds left in the first half. Too little time was left for the Tigers to break the 8-8 tie.

At half time the Tiger Band and Honor Guard performed "Mirada."

In the third quarter, the Tigers lost the ball in a fumble. With that advantage, the Bears moved the ball down and again scored. The Bears conversion was good and they doubled their score to 16, Capitan 8.

Again the Tigers rallied. Fish kept the ball on the kick-off and ran it back for a score. The Tigers 2-point attempt was good. The Bears 16, Capitan 16.

Late in the quarter the ball turned over to the Tigers. On the next play, Fish ran it over the goal to score. The conversion attempt, was no good, but the Tigers were ahead 22-16.

The Tigers held onto the lead through several defensive plays. With only a minute to go in the game, the Tigers and their fans began to envision a victory over a tough district rival. But the tough Bear offensive line battered its way through the Tiger line and Cloudfcroft tied the score 22-22 with only 23 seconds left in the game.

Fans were on the edge of their seats as the Cloudfcroft kicker set the ball into the air. As the ball passed cleanly between the spikes of the orange goal post, Capitan's hopes of an undefeated season sank. The kick was good, and the score was 23-22.

The Tigers had too little time left in the game to avenge their spotless season record. But they fought it out to the end.

Davis said the Tigers lost a kick and a field goal that could have made a difference.

FOOTBALL ROUNDUP

Yellow Jackets 19, Grizzlies 14

Carrizozo made the long trip to Clayton last Friday and again put a good scare on their opponents, but still came out on the short end of the score 19-14. The loss put the Grizzlies at 1-6 for the season and 0-2 in district play.

The home-boys will give it another shot this Saturday at Reserve in another district game. Both junior high and varsity teams will play the Mountaineers. Junior high game starts at 11:00 a.m. (yes, 11:00 a.m.), varsity game set for a 2:00 p.m. kick-off.

District 1A standings show Cloudfcroft at the top at 3-0 and 5-3 overall. Loving is next at 2-0 district and 3-4 on the season. Capitan is 1-1 in district and 7-1 in season play. Carrizozo stands at 0-2 and 1-6. Reserve is 0-3 and also 1-6.

Over in District 2A Texico leads the pack at 3-0 in district and 3-4 overall. Ft. Sumner is right behind at 2-0 and 7-1. Springer is next at 1-2 and 4-4. Tatum stands at 0-2 and 1-7, while Hagerman is 0-2 and 0-7. Top two teams in each district make playoffs after all district game competition is completed.

Still a lot of possibilities and will probably come down to the last weekend of action before anything is decided.

In others games last week, Capitan's perfect season was ruined by the up and coming Bears from Cloudfcroft 23-22. Ft. Sumner kept on winning and whipped up on Springer 35-13. Texico dumped Tatum 14-0 and Loving did a number on Reserve 34-8. Jal edged by Tularosa 10-7. Eunice was all over Dexter by the score of 60-0. Clovis bested Alamogordo 21-7. In six-man action Lake Arthur outscored Corona big time 52-0.

Lady Tigers Remain Perfect In District Play

The Capitan Lady Tigers varsity volleyball team remains undefeated in district play after their win over Hondo Thursday.

The Capitan girls won the match in three games: 15-4, 15-8, 15-0. Jessica Cline did well at the service line, serving five straight points in the first game and six points in the third game. Stacy Gowen stayed at the serving line for seven straight points in the first game. Tycie Traylor served five points.

For Hondo, Lisa Gutierrez served three points, Vanesa Salcido had one service point. Bill MacVeigh is the Hondo coach.

The Lady Tigers have two district matches left in the season-Hagerman, there, today (Thursday), and Cloudfcroft at home Saturday.

The Saturday match will be the last match of the regular season. Lady Tigers Coach Pam Allen said the girls are playing very good volleyball and she expects the Cloudfcroft match to be very exciting.

Allen invites all patrons to come out Saturday afternoon to watch the Capitan girls play. The district tournament begins next week, with the top district team hosting the championship Saturday, Oct. 30.

Lady Grizzlies

(Continued from Page 6)

FT. SUMNER

The Ft. Sumner Vixens hosted the Lady Grizzlies on Thursday, Oct. 14. Junior high, junior varsity and varsity lost to Ft. Sumner, but still played well.

The junior high scores were 11-16 and 13-15, serving points were put over by 8th graders Joanie Bingerman and Michelle Samora each with 3; 7th graders Courtney Maynard 7, Cara Baker 6, Melissa Nava 1, and Amber Vallejos and Krystal Winfield both with 2.

The junior varsity girls lost 10-15 and 5-15 to the Vixens. Serving points were scored by senior Amber Pierce 2, sophomores Shelley Odom 7, Debbie Bond 2 and freshman Sylvia Zamora 4.

The Vixens beat the varsity girls 4-15, 9-15 and 11-15. Serving points were scored by juniors Amanda Vega with 2 and Lynette Hernandez 4, sophomores Jacqueline Epperson 1, and Jessica Estrella 5, freshman Michelle Barcela with 5, Keri Shafer and Katie Hightower 1 and Julie Barham 5. There were numerous digs Vega with 2, Epperson 12, Estrella 2, Barham 10, Hightower 4 and Barcela 10. Estrella and Hightower had the only kills each having 1. There were 4 blocks in the game, Estrella 3 and Barham 1.

MOUNTAINAIR MUSTANGS

Last weekend, Oct. 16, the

Mountainair Mustangs hosted the Lady Grizzlies. This game was the last for junior high and junior varsity. Both ended the season with a win.

The junior high girls scores were 15-1 and 15-4. In both games serving points were scored by 8th graders Michelle Samora 16, 11 of which were straight serves. Joanie Bingerman had 4, and 7th graders Julie Samora and Melissa Nava both with 1, Amber Vallejos 2 and Cara Baker 6. The junior high ended the season with 4 wins and 4 losses.

The junior varsity beat the Mustangs 15-5 and 15-4. Serving points in both games were scored by sophomores Shelley Odom serving 7, Debbie Bond and Kristi Lara both with 1, freshman Raina McDonald 7, Sylvia Zamora 1, Amanda Najar 8, and 5 for 8th grader Joanie Bingerman. Senior Amber Pierce had 1 kill and Bond had 4 kills and 1 block. The junior varsity ended the season with 7 wins and 2 losses.

The varsity girls lost the 1st, 2nd, and 4th games, 5-15, 8-15, and 11-15, but won the 3rd 15-9. Serving points were shared by junior Amanda Vega 8, sophomores Jessica Estrella with 5 and Jacqueline Epperson 2, and freshmen Michelle Barcela 10, Keri Shafer with 6, Katie Hightower 4 and Julie Barham also with 4. The many digs were shared by Epperson 15, Barcela with 12, Barham with 14, Shafer with 1, and Hightower having 2. One kill was put down by Barham, Shafer and Barham had the only blocks. Shafer having 4 and Barham 11. The varsity has one more scheduled game against Corona today (Oct. 21) at home, then they go into the district games. —by JIM BROWN

CARRIZOZO SCHOOLS CLIPBOARD

A weekly school of news from Carrizozo Municipal Schools that serves as a bridge to parents, businesses and community groups. Information about school news about student staff and board members will be highlighted.

FAREWELL—Jim Ann Rasco will be missed at Carrizozo Schools where she has served as school nurse off and on since 1986. Today, Thursday, Oct. 21 was her last day on duty with the students. The Rasco family is moving to Amarillo, Texas.

RED RIBBON WEEK—Red Ribbon Week will be Oct. 24-31. Drug information and refusal skills is on-going throughout the school year, but this one week is set aside to raise the level of awareness in students and communities. Carrizozo Schools is planning activities for that week including an art poster contest, an assembly and a parade. The students who were involved in the SIETE conference will be in charge of the assembly.

DARE PROGRAM—Region IX, Drug Free Schools, received a grant to allow the Lincoln County Sheriff's Department to present the DARE (Drug Abuse Resistance Education) in the county elementary schools. Deputy Connie J. Hopper is again teaching the program.

FIREFIGHTERS—Last week Carrizozo Fire Chief LeRoy Zamora and fireman Andy Wynham demonstrated two fire engine units on the school campus for students in grades 1-4. Zamora told the students about fire safety

around the house. The students had the opportunity to climb aboard the small unit, the Scat, used for brush fires. From the bigger unit, the 750 gallon pumper, the students sprayed water. On both units they tried the siren and flashing lights.

STAFF ADDITION—Carol Cluff is the school's newest staff member. She is the teacher aide for the 3 and 4 year old program. Carol and her husband Scott are parents of Tyler, 8th grade; Tara, 6th grade; Trevor, 3rd grade and Kate 2 1/2 years old. The Cluff family has lived in Carrizozo for almost two years. In addition to her job at school, Carol is active in the Carrizozo Woman's Club and the club project, the Tutoring Library for Children (TLC). Carol attended Mesa Community College at Arizona.

FALL CONFERENCE—The fall conference of the New Mexico Research and Study Council and the Association of School Business Officials was held Oct. 11, 12, and 13 in Albuquerque. The event was attended by Supt. James Bayless, Nenna Whittaker and Linda Brown. The trio attended several work sessions.

CARNIVAL PLANS—The Halloween Carnival, sponsored by PFK will begin at 8:30 p.m. on Saturday, Oct. 30. Art students in kindergarten through 4th grade will provide Halloween decorations for the event. Students in 3rd and 4th grades are involved in an art poster contest. Each class will have a first, second, and third place winner, with PFK providing the prizes.

BOOSTERS INVOLVED—More than 25 families are involved in the Nov. 5 and 6 project to raise money for the girl Grizzlies. The Friday and Saturday garage sales at the Carrizozo Woman's Club building will pay for new

shoes and new game uniforms.

Jeff Maynard was the winner of the cord of wood raffled by the band boosters. The proceeds of the project aided the band program in purchasing band shirts.

PRESCHOOL ACTIVITY—The preschool class viewed the changing fall colors in Nogal Canyon on Oct. 12. The students collected red, yellow and orange leaves. The group enjoyed a picnic lunch prepared by parents. On Tuesday evening, parents and preschool staff helped deputy sheriff Larry Oarley restore the Grizzly Land playground. Reminder: completed preschool applications (including immunization and birth records) should be turned in the Cheri Goad by Oct. 26, due date.

Obituaries

JOE A. CHAVEZ
Prayer Vigil for Joe A. Chavez, 67, of Carrizozo was Oct. 20 at Santa Rita's Catholic Church. Funeral Mass will be today, Oct. 21, at 10 a.m. Officiating will be the Rev. Dave Bergs. Burial will follow at Evergreen Cemetery in Carrizozo.

Mr. Chavez died Oct. 17 at Lincoln County Medical Center in Ruidoso. He was born May 18, 1926 at Dawson, N.M. He served in the Navy during World War II and was a member of the American Legion and Santa Rita's Catholic Church. He had lived in the Carrizozo area all of his life.

He is survived by his wife: Eulalia Chavez of Carrizozo; son, Godfrey Chavez of Carrizozo; seven daughters, Lorina Chavez of St. Louis, Missouri; Gloria Sampson of Germany; Mary Treese of New Castle, Delaware; Mabel Can-

delaria, Lola Villescos, Barbara Barcela and Albina Chavez all of Carrizozo; four brothers, Pete Chavez of Albuquerque, Manuel Chavez of California, George Chavez and Julian Chavez both of Albuquerque; two sisters, Flora Zamora of Carrizozo and Nellie Voelker of Socorro; 11 grandchildren and six great grandchildren. Arrangements under the direction of LaGrone Funeral Chapel of Ruidoso.

FERN SAWYER
She died in the saddle, with her boots on.

Nogal area rancher Fern Sawyer, 76, died Saturday while riding horses with friends near San Antonio, Texas.

The rancher and famous cowgirl was buried in Tatum Tuesday, following a service at St. Andrew's Episcopal Church in Roswell.

According to a report in Wednesday's edition of the Roswell Daily Record, many of Sawyer's friends, including Gov. Bruce King and his wife Alice, attended the service.

Fern's friend Peter Holt delivered the eulogy, and recalled Fern's last day. Fern went riding with about 12 other rider herding about 40 heifers. Holt said she was laughing and telling stories, even teasing Holt about falling off his horse earlier.

While riding Fern told

another rider that she was feeling tired, then put her head down on the horse and died.

"She died on the saddle surrounded by friends," Holt was quoted as saying.

Sawyer was born May 17, 1917, in Buchanan, New Mexico to Uyless Devoe Sawyer and Dessie Lewis Sawyer. She was well known for her cowgirl abilities and was inducted into the National Cowgirl Hall of Fame, the National Cowboy Hall of Fame and the National Cutting Horse Hall of Fame. She won the All-Around World Champion Cowgirl title in 1938 and the Cutting Horse World Champion title in 1947.

Sawyer served as Lincoln County Democratic Party Chairman for several years. Survivors include her sister Myrl Sawyer Good of Roswell; a nephew T.J. Good III of Chama; niece Candace Good Jacobson of Ruidoso; one great-nephew and three great-nieces.

The Rev. Robert L. Williams officiated the services in Roswell. "Amazing Grace" was sung by the friends and family gathered in Fern's honor.

Pallbearers for the service were Schaubauer Ward, Jesus Elizondo, Pete Thompson, Jimmy Parsons, Lloyd Davis, Greg Duggar, T.J. Good, Paul Bond and Mike Cervi.

AROUND CORONA

Crown CowBelles met Oct. 7 at the home of Helen Porter with Sherry Gensler co-hosts for the brisket luncheon. Present were 10 members and two guests, Billie Jo Lively, Wilcox, Ariz., and Cathy Yancey. President Shelly Frost reported that the lunch for the NMSU Ram Test Field Day had gone well with the help of Benolyn McKibben. The high school students attended as part of their innovative project for curriculum development.

Sabra Davidson, Lanita Rasak and Elaine Steele took a turn at the state fair booth. Quilt ticket sales are going well with members needing more tickets.

Newly elected officers for

next year are to be installed at the December meeting. President Wanda Duke, 1st Vice President Esther Johnson, 2nd Vice President Sabra Davidson, secretary Lanita Rasak and treasurer Shelly Frost.

The Corona Country Dance is scheduled for Sat., Nov. 27 with the Lone Star Express Band.

The November meeting will be at the home of Elaine Steele, Thurs., Nov. 4.

The Christmas party and gift exchange will be at the Frost home on Dec. 7, a tentative date, because of the annual meeting in Albuquerque the first week of the month.

The David Craigs, Elida,

spent last weekend with the Alford's.

Mr. and Mrs. Cotton Yancey plan to spend the next two months in Albuquerque at 1401 Gold SE, Apt. A, 87106. Mrs. Yancey is undergoing special treatment as an alternative to bone marrow cleansing. She is only the second person in Albuquerque to undergo this innovative new procedure. She is no longer able to receive visitors and will appreciate cards and letters.

Mrs. Rogene Alford and Mrs. Ernest Luera's attended an Aglow International Conference in Phoenix. There were over 6,000 from all over

the world present. The aim of Aglow is to reach out to all unevangelized people of the world by the year 2000. The Corona delegates were privileged to be part of the prayer watch for the conference.

Mrs. Wilma J. Davis, Carlsbad, underwent neck surgery in Roswell last week. She had become paralyzed after a fall in late May and suffered a spinal cord injury. She expects to transfer this week to Rio Vista in El Paso for at least eight weeks of rehabilitation therapy.

Mr. and Mrs. John Davis were in Roswell for his mother's surgery. They moved last week from Corpus Christi to El Paso where he started work Wednesday, Oct. 13, as assistant district attorney. Mrs. Davis is with the Court of Appeals.

Jerry and Diane Collier,

Cincinnati, Ohio, are very busy preparing themselves spiritually, physically and financially for a year in what used to be the USSR. They will leave Jan. 4 for Odessa, Ukraine where they will help Ukrainian teachers learn how to teach a biblically based curriculum designed to present both Christian ethics and Christ to students in the former Soviet Union.

So far Michael Alirez and Melvin Sultemeier are the lucky elk hunters.

The Corona PTO will sponsor the annual Halloween Carnival from 5 until 9 p.m., Sat., Oct. 30. This will feature the King and Queen pageant, a costume contest, fun and food booths.

Donald Earl Henson and Doris Jean Clay of Ruidoso Downs entertained with a delightful afternoon of classi-

cal, country western and gospel songs to 25 music lovers. Light refreshments were served. A special blessing to all who heard his wonderful music. We are looking forward to him coming back to Corona again.

Mrs. Ora Lee Miller of T or C is visiting the Moore family and friends. We miss her when she doesn't make it up so often. Hurry back.

Remember the Presbyterian bazaar and bake sale Nov. 2 at the recreation room of the school, 9 a.m. to 4:30 p.m. Come and see all the gifts for sale and drink free coffee with us.

Jaunita Sultemeier, Roswell, and Greg McDougall, Las Cruces were helping Clint Sultemeier with his lamb delivery.

Janet, Donnie, and Rusty McDaniel, Dimmitt, Texas, and the Bobby Carrolls, Roswell were home as usual to help with delivery. Ruth Davidson's daughter and a friend, Beverley Petersen, Castari, Calif., and Sandi Carter, Ventura, Calif., spent a few days with them during which they visited Mr. and Mrs. Raymond Lackey in Belen.

Weekend guests at the Rasak Ranch were Jerry's aunt and nephew, Mrs. Lola Masser, Michigan City, Ind., and David Mahfood, Dallas.

Mr. and Mrs. David Keelin, Alamogordo, stopped by with apricots Saturday morning. They were on their way to visit an aunt in Wheeler, Texas.

Allen Davidson Jr. and second grader son, MacKenzie, Monterrey, Calif., were in New Mexico to see Mrs. Hortense Davidson in Albuquerque, and the Davidsons here.

Friends are mourning the loss of Mr. Fred McComb. Independent to the last he drove alone to the Carrizozo clinic, and was transported by ambulance to the Ruidoso hospital where he died of a massive coronary the next day. He was a patriotic and caring person, caring both for humans and animals.

Mrs. Cleo Large has two nieces with her, Vanita Yaes, Layton, Utah and Beverley Carmichael, El Centro, Calif. A nephew, Aubrey Edentie, Edinborough, Texas and his brother-in-law from Massachusetts were helping with the fall work.

Mrs. Johnnie Fay Fluman, Artesia, spent several days with her sister, Helen Porter, and family.

Eight Students From Lincoln County Are Enrolled At ENMU

PORTALES—Six graduates of Carrizozo High School and two graduates of Corona High School are enrolled for the fall semester at Eastern New Mexico University. Eastern, with an enrollment of 4,027 this fall, is a public, liberal arts university with approximately 60 majors which attracts students from across the United States and many foreign countries.

Students from Carrizozo High School attending ENMU, and their majors, are: Anthony Archuleta, computer science; Carol A. Bucksath, elementary education; Wanda Wynett Henson, music; Nathan Lee Portillo, biology; Charles Heath Rickman, physical education; and James Allen Smith, communication.

Students from Corona High School attending ENMU, and their majors, are: Garrett B. Marshall, and Jimmy Lewis Stratton, physical education.

More information about ENMU may be obtained by calling 1-800-FOR-ENMU.

CAPITAN NOTES

By MAUREEN SULLIVAN

Congratulations to Danielle and Kenny Trapp.

Danielle Leigh Riska and Kenneth Dale Trapp were united in marriage on Oct. 1. The bride is the daughter of Mr. and Mrs. Mike Riska and the groom is the son of Mr. and Mrs. Rocky Trapp of Ruidoso. Danielle is the granddaughter of Mrs. Frances Shaw of Capitan and Mr. and Mrs. Drews Riska of Roswell.

The wedding ceremony took place in the bride's home. Danielle's attendants were Cody Morton of Ruidoso and Dusty Manion of Alamogordo. Kenny's attendants were Joe "Bubba" Lane of Ruidoso and Daniel Candelaria also of Ruidoso. Officiating at the ceremony was Mike Bush, pastor of the First Baptist Church in Ruidoso Downs.

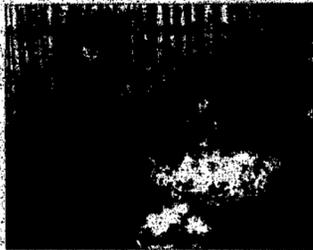

Danielle graduated from Capitan High School in the class of 1990 and attended Eastern New Mexico University in Hobbs and also Portales. Kenny graduated from Ruidoso High School in 1990 and attended Eastern New Mexico University in Portales.

Out of town guests at the wedding were Kenny's grandparents, Mr. and Mrs. Verlin

Trapp from Carlsbad, grandmother Vernie Trapp, aunt Nancy Barnes and uncle Tommy Barnes, all of Clovis.

Danielle and Kenny are residing in Capitan on the corner of Stanton and Third Street. We all wish them much happiness and many years of togetherness. Again our congratulations to you.

A bridal shower was given for the couple by the employees of Century 21 in Ruidoso. Another shower was hosted by Nina Ross, Doris Pounds, Lois Aldrich, Mae Crouse, Glenda Perry, Janice Herd, Suzie Morton, Kelli Rogers and Bessie Jones at the multi-purpose room at Capitan High School Oct. 16. She received many beautiful and useful gifts.

MR. & MRS. KENNY TRAPP

Also congratulations to Mikey Riska.

Mikey Riska left Capitan last August to spend his senior year of high school in Finland as a Rotary Foreign Exchange Student. Mikey is presently attending school in Oulainin, Finland. Oulainin is a community of about 10,000 and is located 800 kilometers north of Helsinki and about 125 kilometers from the Arctic Circle. He will live with four different Finnish families before he returns home. The Finnish people are very warm and friendly (not at all like they were portrayed on one of the late 60 minutes show, if you remember viewing that). He is doing a lot of traveling and thoroughly enjoying it. He has visited Lapland and Sweden. School has been a bit difficult due to the language barrier. He is now taking religion class, history, mathematics and advanced English. Fortunately only his grade in advanced English will appear on his transcript, but sitting in on each of the other classes is very interesting and he says surprising how much you do pick up. In December another trip is planned to visit Lapland and a trip to Russia in 1994 and a three week tour of Europe is on the horizon. How fortunate for you Mikey. How much you will have to tell your parents and grandparents. We will all be looking forward to your trip home this summer.

You are a fine ambassador for America. Just hope the people of Finland remember we do have some wonderful youth. They don't all belong to gangs and carry firearms. What an ugly picture of America the television portrays. Thank you, Mikey, for being our good will ambassador.

Robin Armenta is the person we are profiling this week. Robin is post office relief here in Capitan and she and her husband Ken and children moved to Capitan 5 1/2 years ago. They moved here from Bernalillo. They wanted their children to grow up in a more "close knit" community and Capitan, she says, fills that requirement perfectly. She and Ken have been married for 17 years. Ken works for a propane company in Ruidoso. They have three children, Wesley age 12, Justin age 11 and Tracy age 10. Robin began working for the Postal Service 3 1/2 years ago as the postmaster relief for Maxine Wright. She very much enjoys the people she meets everyday, the post office and the work she does. She said since Mike Currin became the new postmaster in January there have been a lot of exciting changes that she feels the patrons like and they all like Mike very much. Robin states that Capitan just has to be the very best place there is to work and live anywhere.

Robin is very popular with Capitan folks so we are happy that she is happy with us. Keep up the good work, Robin. Your pleasant smile and pleasant demeanor is always a welcome sight, even though we do not receive any mail.

Way to go Bessie and congratulations. The Senior Citizens of Capitan and the Senior Citizens of Tularosa have had an on-going pool tournament for some time as they share a trophy together. This week the pool players exhibited their expertise here at the center in Capitan and the winners were our own Bessie Jones in the womens division and Mr. Montoya in the mens division. So the womens trophy remains in Capitan and

the mens trophy returns to Tularosa. Ruby Alexander of Tularosa won the womens trophy last week, but Bessie came through the winner this week for Capitan. We are proud of you Bessie and will be rooting for you from now on. Again our congratulations.

J.R. and Avanelle Lewis of Houston, Texas, visited Bessie Jones last week. Bessie is an aunt to Mr. Lewis.

Seven senior citizens played pool at San Patricio Center last week. Ed Payton won second in the mens division. Congratulations Mr. Ed.

Also seven senior citizens, (the lucky seven I would say), visited the Salinas Pueblo Missions Monument at Gran Quivira. Their guide was Hank Charland. After viewing the monument, they drove on to Mountainair and enjoyed lunch. From there to Abo, Juan Gonzales was their guide. Gertrude Huey was one of the seven and entertained the members with her stories about the area and explained a lot of history on the way. Gertrude used to live in that area, in fact, homesteaded there. Will try to meet with Gertrude and see if she will give us some interesting bits of history that we can pass on to you readers.

Last week we stated we did not know where Naomi Miller was residing at the present time. After reading the article Doris Kluting called and said Naomi was living with her son in Lima, Ohio, and would be so pleased to hear from those who knew her and Frank. Her address is Naomi Miller, c/o Clarence Whipple at 117 East Michigan Street, Lima, Ohio 45801. Please take a moment or two and drop her a line. It would be your good deed for the day.

Mr. and Mrs. Fred Savrada were visited last week by their daughter and son-in-law Mr. and Mrs. John Parker. They are the parents of beautiful three year old twin daughters and when they arrived, it was 3 o'clock in the morning. We can just imagine how the grandparents were thoroughly wakened. One three year old girl is a bundle of energy, but two of them - Boy oh boy. Lucy said they were wonderful and they certainly enjoyed having them for several days.

Our little Julia Reyes is now residing in the Ruidoso Care Center at 200 D. Street in Ruidoso. I put in the address because I know she would be thrilled to hear from some of her friends in Capitan.

We are saddened to learn of the death of Molly B. Thele. Mrs. Thele was the mother of our Jo Blazer and our hearts go out to you Jo in your loss. However, as she suffered so much the past few years, God was merciful. That doesn't remove the hurt at the loss of ones mother, but you were a wonderful and attentive daughter.

Capitan wants to welcome our new state policeman Mike Browning who comes to New Mexico from Rhode Island. And girls, he is single. Wish I was in my youth instead of pushing 100, but life can be terrific at any age, if you let it.

I would like to apologize to Capitan for not wanting to move here 11 years ago. And I didn't. I did not think God had ever been here and after 11 years, I think He has taken up permanent residency right here in Capitan. I love it here in my little old house by the side of the road. Many years ago I considered myself a dramatist and I gave readings and performances at Womens Clubs and other gatherings, for free. I might

(SEE PAGE 12)

THE ANTIQUE CAR CLUB of Lubbock, Texas spent some time in Capitan Sunday. The club is named "The Nifty Fifties". There were 11 cars and about 90 people here. There are 200 members in the club in Lubbock. David Goolsby is president. They stopped at the Smokey Bear Center and then drove on to Lincoln and dined at the Worley Hotel the on to Ruidoso where they spent the night. They evidently drove right past my old house by the side of the road. I missed them but thanks to Irene Watkins we have the picture to prove they were here. To some, the Fifties seem back in the dark ages, but to some of us it was the best of times. Thanks again, Irene, for your contribution.

Sheriff's Report

It was a quiet week in the county. The emergency 911 calling system came on line at midnight Wednesday, Oct. 13. Anyone with an emergency can dial or push in 911 from any telephone for emergency response. For now, callers to 911 can expect a 10 second delay until the connections are made.

Warning to pranksters, however. Anyone who rings up 911 and who has no emergency is liable to be fined.

The following information was taken from dispatch records in the Lincoln County Sheriff's Office in Carrizozo: Oct. 10:

10:15 p.m. suspicious subject was reported across from a convenience store in Alto. The complainant advised the 13 year old or so male with a plaid shirt and glasses was "just standing there." The complainant was concerned because of the age of the subject and the lateness of the hour. The responding deputy made contact with the subject and other juveniles and the adult who was at the scene with the juveniles. All was okay.

Oct. 12:
10:39 a.m. a grass fire was reported on Highway 70, milemarker 312. At 11:14 a.m. Hondo Fire Dept. advised it was at the county line and had not found the fire. Dispatch advised New Mexico State Forestry Division in Capitan, which advised they would handle the situation.

Oct. 13:
2:27 a.m. a breaking and entering was reported at a condo in the Alto area. The responding deputy advised there were raccoons in the trash cans.

7:16 a.m. poaching was reported in the Rancho Ruidoso estates area. The complainant said the hunters were moving around, but a deputy should have no trouble finding them. Dispatch called the Game and Fish Department in Roswell, which was to contact its officer in the field.

Oct. 14:
3 p.m. an accident without injuries was reported on Angus Hill, and an officer was requested to make a report. A deputy responded.

3:28 p.m. an ambulance was requested at a residence east of Carrizozo for a person with a possible hip injury.

Oct. 15:
2:35 p.m. a deputy requested a juvenile probation officer, then later advised he was transporting an arrested juvenile to the Otero County Juvenile Detention Facility in Alamogordo.

5:05 p.m. a rancher north of Carrizozo advised a camper trailer south of the house, belonging to the University of Tennessee was stolen and there was property damage. A deputy was assigned.

Oct. 16:
3:37 a.m. an accident without injuries was reported in front of the grocery store in Capitan. Capitan police responded.

7:49 a.m. an ambulance was requested to come to the Capitan low income apartments for an elderly male

patient. Capitan ambulance responded and transported the patient to Lincoln County Medical Center (LCMC) in Ruidoso.

9:26 a.m. Capitan ambulance requested another ambulance come to the same apartment for another person, who was having a possible stroke.

9:32 a.m. an accident without injuries was reported on milemarker 156 on Highway 54 north of Carrizozo. A motorist reported to a deputy that a van had plowed into the fence at the location, and no one was around. A deputy and New Mexico State Police were assigned.

11:06 a.m. an ambulance was requested at a Carrizozo restaurant parking lot for a 40 year old man with second degree burns from a radiator mishap. Carrizozo ambulance responded, but the patient refused transport.

Oct. 17:
5:26 p.m. a breaking and entering was reported in the Hondo area. Items were taken. The responding deputy took a report and the investigation is continuing.

6:51 p.m. a caller from Capitan reported an 80 year old woman at the house had a severe nosebleed and they were unable to staunch it. The woman is on oxygen but was not getting sufficient amount. The patient has a lung ailment. Capitan ambulance responded.

8:51 p.m. an ambulance was requested at a Carrizozo E. Ave. residence for an elderly man who was not breathing. Upon arrival EMS personnel initiated full-code protocols. Carrizozo Med. I and Med. II responded with four EMTs. Carrizozo police and two deputies also responded.

10:49 p.m. juveniles with a pellet gun were reported at a RV park east of Ruidoso Downs. The complainant reported two young males with a rifle, probably pellet or BB, were lurking around the pay phone at the street light. The complainant was worried the boys were possibly attempting to shoot out the street light. The responding deputy made no contact with the boys.

The following persons were booked into the Lincoln County Detention Facility:
Oct. 11:

Robert S. Gutierrez, 53, Hondo: failure to return from work release, bench warrant; no bond.

Oct. 13:
Geno Marchioro, 70, Albuquerque: arrested on warrant for issuance of worthless checks, eight counts; bond set at \$2,500 by Magistrate Judge Gerald Dean Jr.; released on order by Dean Oct. 14.

Oct. 14:
Steven B. Lane, 21, Ruidoso: probation violation; no bond.

Oct. 15:
Alan Scott Ryen, 20, Ruidoso: violation of conditions of release; sentenced to six months in jail by Magistrate Judge Bill Butts.

Oct. 16:
Ralph O. Nosker, 31, San Patricio: aggravated battery with deadly weapon, criminal trespass, battery three counts; \$15,000 bond set by Butts; released on order by Butts on Oct. 18.

Oct. 17:
Arturo Corono, aka Louis T. Fernandez, 34, Capitan: held for Border Patrol for no seat belt, DWI 2nd, no insurance; sentenced to 364 days by Dean.

Thomas F. Tsosie, 38, Ruidoso: DWI 2nd, driving with revoked license; sentenced to 96 hours.

Oct. 18:
Jennifer A. Tells, 19, Tularosa: minor in possession of alcohol, allowing self to be served; sentenced to five days by Otero Magistrate Judge Hardison.

Mary Lou Running Water, 39, Tularosa: contempt of court; sentenced to two days by Hardison.

Danny Bradley, 18, Tularosa: assault; sentenced to two days by Hardison.

Wayne W. Watts, 24, Ruidoso Downs: criminal damage, battery/domestic, breaking and entering, violation of court order; no bond as

ordered by District Judge Richard Parsons.

L.K. Jim Maddox, 43, Timbevon: aggravated assault with a deadly weapon, firearm enhancement, criminal sexual penetration, child abuse; held for Otero County with \$150,000 bond.

Oct. 19:
Wesley L. McDonald, 30, held for Camp Sierra Blanca minimum security state prison.

Thomas Funk, 32, held for Camp Sierra Blanca.

Ross R. Chaney, 31, held for Camp Sierra Blanca.

In The Service

Navy Petty Officer 3rd Class Jerry J. Bailey, son of Cheryl A. Stevens of Alamogordo, is currently deployed and midway through a six-month Western Pacific and Persian Gulf deployment aboard the aircraft carrier USS Abraham Lincoln, homeported in Alameda, Calif., as lead ship of the USS Abraham Lincoln Battle Group.

FORT STANTON

FACTS and FICTION

by BETTY LOU JOINER

Last week I wrote my column in long hand and know the editors could not read a lot of it. My apologies. Two corrections are, Sid Gordon not Goodloe was visiting from Oklahoma and Briar Billa instead of Brian Billa.

Another comical incident was a friend called me up and asked why I didn't write the last article. Confused I didn't know what they meant. They thought the name of the person I got my quote from had started writing the column. Someday maybe I will take a course in writing and get my

adjectives and spelling right, in the meantime, just remember the fiction part takes up for the errors.

Doctor Kuykendahl spent a week's vacation in North Carolina. He reported enjoying the time off and how pretty the mountains were there.

Ursula Goss, a nurse who has been working at the infirmary for a year stopped in last week. She crochets beautiful dresses for Indian dolls and decorates them with conchos. These are really

showpieces.

Evelyn Garvey crochets afghans out of solid and variegated yarns. She has made one of nearly every color and I'm not sure which is the prettiest. Evelyn does her work for presents for family members.

Sarah Duttweiler is very talented, making all kinds of crafts. The latest craft she made was earrings out of postage stamps. Really a work of art. Sarah works with the clients here at the Fort and has a shop in Ruidoso. Lots of talented people in our small town.

Edna, Raynene and Zeke

Greer are about to get settled in their new home on Second Street. They bought Diane and Mike Riska's old house. Moving is lots of work and Edna nearly worked herself to death. She has been in bed for the past week recuperating from a hip injury. When Edna and I went to the hospital last Monday to have her hip X-rayed, we were met at the lobby by three very friendly "pink lady" volunteers. Mary Lou Sidwell and Shirley McGinnis also helped direct us where we needed to go. I would like to say to all of the volunteers, nurses, workers and doctors, who work everyday at our LCMC, "Thanks" for your wonderful smiles and services! We are very fortunate to have this hospital and staff in our area.

Eddie Davis celebrated his "28th" birthday Monday night at our home. After working on some pipelines the next day he had another celebration at

their house. Audrey baked him a cake on the 19th, his birthday. Lots of birthdays in October. Others coming up are Stacy Cox, 29th; Raynene 28th, and Zeke Greer, 27th; and Ruth Talent, 27th. Happy birthday to everyone.

The Lone Star Express Band has three new members playing with them and did a super job last Saturday night, playing for the dance at the fair building.

Eddie Womack, Thomas Montes, Shane Holder and Pat Joiner helped Janice and Barry Herd work cows at Hondo last Sunday. Weather was cold and damp.

Received the five new Christmas stamps today. The rose self-sticking stamps have been a big seller. I believe I prefer them to the licking ones. The latest issue of the African violet in books is a beautiful stamp. Since October is stamp collecting month, check out all the new issues. Coming up will be Youth Classics, Northern Mariana Islands, Columbus at Puerto Rico, and a Pine Cone stamp which will be self-adhesive.

Visited with Gwenda McDaniels at Danielle Riska's wedding shower last Sunday. Gwenda said Marnie is very happy reporting the news out of Roswell on TV. We see her and hear her often and she is

doing one fine job. Shawna is in Albuquerque working as an audiologist, and Ron is living in Oklahoma where he is an engineer, married and has two children. It is always good to hear where our previous friends and family are located.

Dewey Keller stopped in last Tuesday and it was interesting to note he has been working for the Otero County Electric Co-op for five years. His oldest son is eight and he has another five. Good to see you Dewey.

A Blueprint for Achievement
By William Ward

Believe while others are doubting.
Plan while others are playing.
Study while others are sleeping.
Decide while others are delaying.
Prepare while others are daydreaming.
Begin while others are procrastinating.
Work while others are wishing.
Save while others are wasting.
Listen while others are talking.
Smile while others are pouting.
Commend while others are criticizing.
Persist while others are quitting.

Tom and Pat Sullivan are hosting an exchange student in their home. Details will be in next week's NEWS. Think this is wonderful to have exchange students visit our country and ones like, Mikey Riska, go to visit foreign countries.

Capitan Notes . . .

(Continued from Page 9)

add and I gave a reading called "House by the side of the Road."

It began with "Let me live in a house by the side of the road."

Where the race of men go by.

Men who are good
And some who are bad
As good and as bad as I
But I will not sit in the Scorners seat,

Nor hurl the cynics ban
Just let me live in a house by the side of the road.

And be a friend to Man.

There's more, but I cannot remember it right now. However, will dig among my archives, which I have a slew of, and perhaps can come up with the other verses. So like I said, Capitan I am sorry I wasn't impressed with your beauty when I first arrived. But the beauty is not in the

landscape especially, unless you lift your eyes skyward, it is in the folks that live here. May God bless them all and keep them as nice as they are.

So until next week Happy thoughts and try a little kindness. It is good for the soul.

If you have any news, call me at 354-2591. If we don't hear it, we can't print it.

Letters . . . (Con't. from Page 4)

the U.S. murder rate. Their thesis is that our lack of gun control is the reason we have such an appalling murder rate in the U.S. I wonder about other factors that I have never seen any research on. Is television in the other countries as full of violence as it is in the U.S.? Do people in other countries spend as much time watching television as Americans do? Do the other countries have as much drug-related violence as we do? Has the family deteriorated in other countries as much as it has in the U.S.? What other factors must be considered?
