As I See It

By Lloyd P. Bloodworth

As a boy I can well remember the old time minstrel shows that came to our town, Al. G. Fields—Lew Dockstader—Honey Boy Evans, and many more who were famous minstrel men. Those were great days and we looked forward from year to year to their coming. About noon there was a parade down the main street and every kid in town followed the parade until it returned to the Opera House. Among the famous blackface comedians of those days was Bert Swor. He formerly lived in Dallas and of course was well known in Ft. Worth.

We had a touch of those old days last week when the Lubbock Lions Club came to Ruidoso with their Jubilee Minstrels for the third consecutive year. This show was under the direction of Dr. Clyde Graig, an old time minstrel man himself. Clyde was an end-man and was ably assisted on the other end by Dallas Whaley, prominent Lubbock druggist. The show was well balanced and was without doubt one of the best amateur shows to appear in this area. The soloists were good and were supported by a fine chorus.

The interlocutor to the show was Dr. Doyle Jackson a teacher in Texas Tech. I have known Dr. Jackson for many years and he is a master at the job of running the show.

More than two hundred men and women were here from Lubbock and there were representatives from a dozen Texas and New Mexico towns. The El Paso delegation was lead by Allen Falby, president of the El Paso Lions Club and sheriff of the county. Several came from as far as Amarillo.

One of the highlights of the show was the personal appearance of Louise Massey. Louise sang a number of songs that made her famous as a radio star and her offerings were most enthusiastically received.

The boys from Lubbock have already promised that next year the show will be bigger and better than ever. This annual affair is developing a very friendly feeling between the citizens of this area and the city of Lubbock. More people own cabins in Ruidoso from Lubbock than any other town with the exception of El Paso and it is good to have our friends from the plains country with us. We will look forward to next year when we shall again enjoy the Jubilee Minstrels.

FOREST OFFICIALS VISIT MESCALERO AGENCY

The Mescalero Apache Indian Agency was recently visited for a week by the Regional Forester, Mr. Harold Weaver of Phoenix, Arizona, who, with local forest officials and Mr. Bill Prestridge of the Prestridge Lumber Co., in Alamogordo, went over the timber sale areas.

Mr. Reno Sarlin is in charge of forest activities at the Reservation.

Joy Mable and daughter Vickie, daughter and granddaughter of Louise Massey, were in Ruidoso last Saturday night for the big show. Joy is enjoying her work in Roswell . . . advertising and gift shop.

THE WEATHER

By C. A. Calver
Cooperative Observer

The weather in Ruidoso for the period listed below was delightfully pleasant, with a light freeze each night.

Recreation Area Reservation Opens Sunday, May 15th

Effective May 15, the Ruidoso Recreation Area of the Mescalero Apache Indian Reservation will be officially open for the summer season and a charge of 10c per person over the age of six agreed on a month ago will go into effect.

All monies will be put into camp ground betterment. Forest guard Bradley Bignouth will be in immediate charge of three Mescalero Apache guards who will be employed at the checking gate and as camp ground attendants. Every man has been especially picked by the Apache Tribe to answer all queries concerning the Apache Tribe, their people, and the Mescalero Reservation.

Immediately contemplate improvements include construction of a six foot by ten foot temporary checking station, work on the roads, leveling of the entrance areas, and cleanup of the grounds.

In line with recommendations presented at the open meeting held in Ruidoso the Agency has already printed commuter tickets to sell ten for 75c and have made posters displayed in Ruidoso business houses explaining the charges.

Hollywood Track Dope

April 24 the Big Spring, Texas, Futurity was run with "Battlecreek," owned by Bill Marrow of Houston, Texas, winning with time of 22.8 for a quarter mile . . . the purse was for \$10,000 divided 60-30-10 . . . the payoff? . . . well this horse won by two inches . . . to beat "Hank H," owned by Oscar Cox of Lawton, Okla. "Bojet" ran third and is owned by Arnold Hawkins of Odessa, Texas.

All of the horses which ran in the race will arrive or have arrived at the Hollywood Track to stay in this locality until the Central Bar and Grill Colt Race Trials on May 29. . . .

"Central Bar," a nice horse, was eliminated from the \$10,000 colt race because of an accident, he suffered leaving the gate . . . but he came back Sunday to win over a field of eight in a consolation race for \$1,000 with time of 23.3 . . . and he won with ease. This horse had been picked by many to win the big race until he was eliminated.

Pinky Walker's colt, a Ruidoso entry, "Nobody Would Have Me," is definitely going to run in the trials here . . . and "Dogtown" Slim of Tucson, Ariz., will know she's in the race.

Also Harry Watson and Ben Jenkins will be here for the racing season . . . and will arrive several days ahead of the May 29 race . . . with "Miss Chester" . . . and they say she is "open" to any horse entered in last year's futurity . . . (that is any three-year-old) for a quarter mile race . . . for purse of from \$500.00 up.

Third Minstrel Drew Capacity Crowd

Dr. W. D. Horton, president of the Ruidoso Lions Club, announced this week that again the Lubbock Lions Club Minstrel and the lovely Louise Massey drew a capacity crowd to the Ruidoso Grade School Gym, Saturday night April 23rd.

Everyone enjoyed the fine show "said Horton, "and we want to thank every person who had a part in putting it over. This includes those people who worked so hard at selling tickets". The amount of money cleared on the benefit has not been determined yet but will be announced in the next two weeks.

Pow-Wow Fiesta Starts Here Today

Billie Ruth Simpson, Queen

The second annual Ruidoso Pow-Wow begins here today with registration of visiting schools this afternoon and the crowning of the queen, and fiesta entertainment at the gymnasium tonight. Tomorrow's program features the colorful parade in the afternoon followed by the ranch-style barbecue. There will be Western dances both nights at the gym.

The entertainment for the Queen's Court tonight begins at eight o'clock. Following is the complete program: "Rollito" by Ruidoso First and Second Grades; "New Mexico Rhythms", Ruidoso Third and Fourth; Square and Folk Dances, San Patricio School; "Sally Goodin", Stetson School; Indian Dances, Carrizo School; "Spanish Serenade", Fifth and Sixth Grade; Folk Dances, Hondo School; Indian Dances, Mescalero; "The Matador", Ruidoso Seventh; "Texas Star", Ruidoso Eighth; Serenade of the Bells, Ruidoso Juniors; Mexican Polka, Ruidoso Sophomores; and May Pole Dance, Ruidoso Freshmen.

The parade tomorrow will begin at four o'clock at Montie's Riding Academy. Participants are urged to be at the starting position by 3:45. Asa Daklugie, will lead the parade followed by Ramona and Maud Geronimo and Chief Waterfall and his Indian dancers from the Mescalero - Apache Reservation.

The parade will wind its way down Canyon Road to the Forest Service Park where the barbecue will be served. Special entertainment will also be provided during the barbecue.

Many out-of-town and out-of-state school groups will be here today and tomorrow to attend the various activities of the Pow-Wow. Local residents are urged to dress in the Fiesta style, which is the theme of the Pow-Wow this year. The Amarillo square dance set will present exhibitions at the dances both Friday and Saturday nights.

Eighteen 4-H Club Girls Selected Winners At County Dress Revue

Eighteen county 4-H Club girls received special recognition at the 4-H County Dress Revue held at San Patricio last week. A total of 40 girls entered the style revue that was judged by Mesdames B. J. Bonnell, J. G. Harris, and Elzy Perry.

The clothing articles that have been made by the girls were judged for construction after which each girl modeled the garment which she had made. Following is a list of girls who received special recognition: Dorothy Jean Chavez, of San Patricio, was chosen as the county winner, and will represent Lincoln

C of C To Sponsor First Frontier Days Rodeo In August

Monday night, April 25, a group of members of the Ruidoso Chamber of Commerce met at the Navajo Lodge for the regular open monthly meeting of the organization to discuss whether or not Ruidoso wants a rodeo in August of this year.

After thorough discussion, with Oscar Samelson, a member of the Board of Directors presiding in the absence of the president, those

Thomas-Babers Top Two Ropers

The Lincoln County Ropers Club had a nice crowd out last Sunday, April 24, for their calf roping, burro roping, and jackpot roping which events were held in their own arena out from Capitan. In the roping the results were as follows on three calves and one burro:

First—John Thomas	94.2
Second—Tom Babers	105.1
Third—Fletcher Hall	107.9
Fourth—Dyer Forbus	119.8
Fifth—Bill Stover	120.5
Sixth—Grady Eldridge	125.5
Seventh—Orland Wilson	156.8
Eighth—Bill Karr	297.4

Barrier judge was Tom Karr; flag judge, Mac Thorp; timekeepers were Ray Reed and Jack Foster.

Fastest time for calf tying was made by Johnny Thomas, top man, from San Patricio, N. M., with time of 18 flat. Fletcher Hall had fastest time on burro with 17.1. Fletch lives in Capitan.

News to Mark Season With Special Edition

A special edition of the RUIDOSO NEWS will mark the official opening of the Season in Ruidoso, heart of the Southwest's Vacationland. Already, indications are that thousands of guests will make the 1949 Summer Season the most auspicious in years.

In order to provide a thumbnail sketch of the Ruidoso's vacation and recreational facilities, the RUIDOSO NEWS will publish a Special Summer Season Edition on May 13. Priced in the past and used constantly as a shopping and pleasure guide by Ruidoso guests, The News Special Edition is open to all merchants and business and professional people.

In view of the tremendous size of the Special Edition and its vast circulation, advertising rates for this issue have been fixed at one dollar per column inch.

County in the state contest to be held during the early part of August at Las Cruces. Mary Zamora, of Lincoln, was chosen as first alternate, and Gloria Fresquez, of Picacho, was chosen as second alternate.

Winners in the respective divisions are:

- First Year Aprons
- First Award—Catherine Thomas, San Patricio.
- Second Award—Trena Herrera, San Patricio.
- Third Award—Ollie Herrera, San Patricio.

presented voted to have Shorty McCrory of Capitan, N. M., who is associated with the Earl Sellers Shows out of Del Rio, Texas, carry out plans for the first annual "Ruidoso Frontier Days" on the dates of August 5, 6, and 7.

McCrory gave a full description of the type of R. C. A. Approved Show they put on in many places throughout the Southwest and guaranteed Ruidoso a good fast rodeo, with plenty of participants.

The total cost of the show is estimated at \$8,500, which includes \$1,500 in prize money for the three performances to be added to entry fees. This includes stock, bucking horses, bulls, steers, roping cattle, saddles, arena help, flags, and everything it takes for a top rodeo.

An agreement was made with McCrory that the Chamber of Commerce would accept the responsibility of asking local business men to underwrite half of the expenses, \$1,500. This agreement of 50-50 will hold on whatever the profits or losses on the show might be.

The method chosen to financially back the rodeo is through ticket distribution to business houses of Ruidoso which are members of the Chamber of Commerce. Each business will be asked to take as many tickets as they feel they can guarantee, with the maximum set at \$50.00. Wide distribution of the tickets should assure availability to all who desire to purchase them. In this way no one will be responsible for more than the \$50.00.

In the discussion of the evening all present agreed the most important thing is to get the local people behind the rodeo 100 per cent for it is actually to the benefit of all to make Frontier Days successful.

Although so few were present for the monthly meeting those who were interested enough to come felt sure when the plans were explained it would safe to go ahead and have the show and that it can make money for the town.

In the interest of the Village of Ruidoso discussion was brought up on turning over the profits from the show to some department of the city for improvements. The final decision made was to give this money to the water department for use as they see fit. John Christman, Mayor, was present for the meeting, and explained to the group something of the water situation and the need for funds. He also added he did not see how anyone could fail to work their hardest on the rodeo knowing that profits were to go into further development of the water system.

Other meetings will be held in the next three weeks on the rodeo and every member of the Chamber of Commerce should try to attend to help with plans, ticket sales and publicity to make this show a success.

NOTICE

The Robert J. Hages Post No. 79 of The American Legion will have a regular meeting in the Ruidoso Legion Hall next Monday, May 2 at 7:30 p.m., according to Cy Leland, newly appointed Adjutant for the Post. Commander Jim Hale has urged that all current members and all former members be present.

DOWN MY LANE By The Vagabond

Guest Columnist-Louise Ben-
net (Quitman, Georgia) Note-
Back in my college days in
Georgia, I knew a very fine
person who was a member of
the college faculty. Today I am
using a column which she wrote
for her local paper, as a Guest
Columnist. I wish to invite any
person within the reach of the
NEWS, who feels an urge to
compose a column for Down
My Lane to send it in to the
editor of the paper, and if it is
accepted, it will be published
under this column with the
author's name as Guest
Columnist.)

Most people living in our world
today are concerned about the
general condition of things as
they are now. We are all confused
and uncertain as to how to tackle
the problems that face us. And
all of us, quoting Mark Twain's
familiar remark about the weath-
er, "talk a great deal about it,
but do very little about it". Per-
haps the reason is that the average
frustration in the question "Well,
what can I do about it?"

In recent months a book has
been written that attempts to
answer that question. It is a book
challengingly entitled "You Can
Change the World". It is written
by Father James Keller, a Mary-
knoll missionary, who started the
Christophers, in 1945. The book
blurb states: "He was convinced
that the command of Christ to
'go ye into the world' could be
fulfilled more quickly and com-
pletely if everyone played a part
to the best of his or her ability.
For some ten years before he had
been working towards the present
simple formula of getting LITTLE
people to do BIG things — of
encouraging the average person
to reach beyond his or her own
little circle for the big world
outside". An NBC program di-
rector in Hollywood, who was
present at one of Father Keller's
broadcasts, said "This Christoph-
er idea has terrific possibilities!
—I'm not a Catholic myself, but
what you're driving at makes
good sense. There's a bit of the
missionary in every one of us.
The trouble is that so far about
the only ones who have been
working hard at it have been the
fellows upsetting the world".

Surely that last statement is
sadly true. "The slogan of the
Communists is 'A WORLD TO
WIN', the same motto used by the
Nazis, the Fascists, and every-
one else who is out to wreck the
world. All of them together total
less than one per cent of human-
ity, but give them credit, they
always think and work in terms
of the WORLD, not merely their
own small locality. Over and over
again it has been the same story:
while most people with good ideas
have been taking care of them-
selves, those with evil ideas have
been taking care of everybody

else". And as Father Keller says:
"It seems logical that if less than
one per cent can be so successful
in wrecking the world, another
one per cent of the normal, de-
cent people should be able to tip
the scales and save it. The fate
of our country and all mankind
for a long time to come may de-
pend on whether enough Ameri-
cans are determined to accept the
personal responsibility of chang-
ing it to their own evil pattern".
And what is Father Keller's idea
as to how we can do this? By the
very ordinary way in which ordi-
nary people go as "Christophers",
or "Christ-bearers", into those
main spheres of influence which
touch and sway the majority of
mankind, especially the fields of
education, government, labor-
management and writing.

Let's put it more simply, in
words of the book, "One of the
best ways to get rid of weeds is
to plant something in their stead.
The big need, therefore, is to en-
courage people with good ideas
to go into the market-place rather
than to concentrate too much on
driving out those with evil de-
signs". Our simple task is to
"insist on truth where others are
spreading confusion; where there
is hate, to bring love; where there
is darkness, light. Even if nothing
more is achieved than filling one
spot which otherwise might be
occupied by one bent on subver-
sion or perversion, this is no small
accomplishment. To quote again,
"The very presence of a bearer of
Christ, in any sphere, means that
Christ is also present there
through a personal representative
who acts as an instrument of His
grace".

It is the old and simple idea
of overcoming evil with good.
And what should be the distin-
guishing marks of every person
working for this?—First of all
LOVE of ALL PEOPLE, even
love of those who hate. Complain-
ing and criticizing accomplish lit-
tle or nothing. Three things we
must do: Pray for all; Go to all;
Teach all. "It is better to light
one candle, than to curse the
darkness". People with this ideal
in mind do not stand aside. They
feel a sense of "personal respon-
sibility to work for the corporate
good of all, no matter what sacri-
fice may be entailed". They live
and practice the loved prayer of
St. Francis, "Lord, make me an
instrument of Thy Peace. Where
there is hatred, let me sow love.
Where there is injury, pardon.
Where there is doubt, faith. Where
there is despair, hope. Where
there is darkness, light. Where
there is sadness, joy. O Divine
Master, grant that I may not so
much seek to be consoled as to
console; to be understood, as to
understand; to be loved, as to
love; for it is in giving that we
receive; it is in pardoning that
we are pardoned; and it is in

dyng that we are horn to Eternal
Life'

Let us work to light the candle
of love and service and Christian
grace in our own life, and stop
so much discussion and talk, so
much "cursing the darkness". Let
us become so many small channels
of His grace, depend more upon
God, and less on human techni-
ques, and as Father Keller says,
"By our living presence in the
mainstream of life, we can, with
God's grace, help renew the face
of the earth".

Harold E. Dye To Hold Revival

Harold E. Dye, pastor of the
Central Baptist Church of Clovis,
New Mexico will be the guest
speaker at the Ruidoso Baptist
Church during the Lincoln Coun-
ty Association Simultaneous Re-
vival May 1, to 8th inclusive.

Special prayer services will pre-
ceed the evening services at 7:30
to 8:00 P.M., for Juniors, Inter-
mediates, Young People and
Adults. Services will also be held
each morning from 10 to 11 A.M.
Homer Rose will direct the
choir and special numbers will be
rendered at the evening services.
Brother Dye is well known in
New Mexico and throughout the
Southwest. He is not only a
preacher of the gospel but an
author as well, and has written
several books among which are,

Robes of Splendor, Shining Like
the Stars and Through God's
Eyes. He was editor of the Baptist
New Mexican before his call to
Clovis as pastor.

Poppy Day In Capitan May 7

Preparation for the observance
of Poppy Day, May 7, has been
completed in every detail. Mr.
Hall, of the Capitan Drug Store,
has very generously donated on
of his windows for advertising
purposes. There you will soon see
the poppy growing "between the
Crosses row on row".

The poppies to be offered for
sale on May 7 are exact replicas
of the wild poppies which grew
in the battle cemeteries of France
and Belgium during World War
I. They were nature's floral tri-
bute to those who died and as
soon as the American Legion and
Auxiliary were organized the
flower became our memorial em-
blem.

When more young Americans
gave their lives in Europe's pop-
py-studded fields in World War
II the poppy became their me-
morial flower, too, and it now
signifies remembrance for Ameri-
can War dead no matter in what
part of the world they gave their
lives.

The poppies to be sold here are
the work of the disabled Veterans
in the Ft. Bayard hospital. The
veteran not only earns badly
needed money by making this
little red flower, but the employ-
ment is considered valuable as
occupation therapy.

Won't you wear a poppy on
May 7 and help this worthy
cause?

MESCALERO INDIAN CALL

By Edna Shields

The following children were christened, the past Easter Sunday, in the Dutch Reformed Church: Aldon Davison Spitty, Victoria Chino, Iola Maud Kazhe, Curtis Ray Johnson, and Betty Jean (Gisale) Carroll.

Mr. and Mrs. C. S. Deveau drove to El Paso Saturday to meet Mrs. Deveau's sister, Mrs. Jack Stevens, of Glendale California, who is here to spend a week with the Deveaus.

Mrs. Alice Weis was called to New York City this week due to the serious illness of her father.

The writer was mistaken about the stork last week. He was here all right, but he visited Mr. and Mrs. Bernard Little instead of the Baldonados as we were expecting. The Littles were presented with a boy, and the same this week for the Baldonados.

Mrs. Mary LaRose and Edna Shields attended a Stanley party given by Mrs. Betty Lee Carroll, in Tularosa, last Monday.

Young Edward Smith is the Pajarito Lookout man this year. Presuma Luis Chino is at Harley Tower—he's a permanent fixture there by now.

Mr. and Mrs. Stanley McNatt took young son, Terry, to El Paso Thursday for a tonsilectomy.

Mrs. Ten Haken reports that the benefit box supper given by the church Friday night was a great success. One hundred forty-five dollars was cleared. They are planning a dinner for May 4, and hope to have a large attendance, as these benefit affairs are paying for the new buildings. The dinner will be served in the basement of the church, and the charge will be five dollars a plate.

Mrs. Sarlan, Botone and Shields were hostesses Friday night to

Variety Girls Best Bowlers

The "Scenic Variety Girls," the team sponsored by McCoys Variety Store in the ladies league at the Ruidoso Clubhouse took top honors when scores were tallied last week.

Second honors went to the "As I See It" and low place to the Hi Toppers.

High score for a single game during the tournament, which started in January, was won by Miss Beatrice Borroum with a score of 194.

The ladies with the five highest averages were in order as follows: Mrs. Sid Courvell, Billy Westfall, Artie Bowden, Marge Miller and Beatrice Borroum.

Tuesday night April 19th ended the tournament and after all was over Mr. and Mrs. Jim Conway and Mr. and Mrs. Claude Young were hosts for an ice cream and cake party for the members of teams and their families and patrons of the Clubhouse.

This will be the last tournament until next fall but one will start then as usual.

The monthly bridge club. Mr. LaCourse won first and the slam prize. Mrs. Crow first, Mrs. Campbell and Mr. Crow won seconds, and guess who got low—John Hall. He decided something is wrong, so plan on changing the arrangement of the owl feathers in his barn.

Mrs. Victoria Watson Limacher, of Rancho Trinidad in Hondo, and young son, were in Mescalero Saturday to see about getting trees for the high school.

Mrs. Rgnal Boyd and Miss Natalie Gross of El Paso were weekend guests of Shields.

Mr. and Mrs. Weaver of Phoenix have spent the week in Mescalero on official business. Mr. Weaver is the Regional Forester, and he and wife have been guests of the Sarlans.

COUNTY BOND REPORT

Residents of Lincoln County invested \$5,331.25 in U. S. Savings Bonds during March, the U. S. Treasury has reported to S. E. Grelsler, chairman of the county's Savings Bonds Committee. \$4,331.25 of this total was placed in Series E Bonds.

Dona Ana Countians led the state last month. Their savings bonds purchases exceeded all the months of post-war years with \$105,949.75 put away into savings bonds during March. Of this total \$55,631.25 was placed in Series E Bonds.

The national bond drive this spring will be called the "Opportunity" Bond Drive, following the "Security" Bond Drive of 1948. This year the American people are asked to invest some of their savings in U. S. Savings Bonds to make possible better opportunities for themselves and their families. Local units of national organizations will be asked to spearhead the drive.

ANCHO NOTES

By Bessie Jones

Jerry Delaney and Mrs. L. Y. Jackson of El Paso visited her mother, Mrs. Jackie Silvers and other relatives Monday. Mrs. Reba Bingham went back with them for a few days visit.

Tommy Knight and Ralph Coulter of Las Cruces spent the holidays with the Straleys.

I failed to write Mr. Blackshire was with his daughter, Mrs. Harriet Wilson and son J. R., visiting in Carrizozo and Ancho during the Easter holidays.

Mrs. Allie Snodgrass and children and Mrs. Mae Robinson were in Roswell over the week-end, visiting the Hendricks family.

Mr. and Mrs. J. A. Hightower and son, Gary, visited Mr. and Mrs. Ivy Payne and children of Carlshad over the weekend.

Howard Harkey of Las Cruces was home during the weekend.

Mr. Harry Straley went to the Jackson dinner in Albuquerque Friday.

Mr. Cap Straley went to the National Highway Convention at Alamogordo Friday. He took Mr. and Mrs. Swain as far as Tularosa with him to see the doctor.

Mr. Carl Radcliffe took the Straley children and Sport Harkey to the Willis Lovelace ranch for the 4-H Club meeting Sat.

Wednesday afternoon at the home of Mrs. George Straley a shower was given in honor of Mrs. June Straley by Mrs. Milt Jones. The table was decorated very appropriate with a large doll in the middle, dressed in baby clothes. The guest covered the table with very nice gifts. Names were made from June and John C. Straley—Household Hints were written on the back of place cards—and articles written down remembered as a bowl was passed around Mrs. Rose won first prize in one game and Mrs. Adena Brown in the other. Mrs. Dome Hobbs won consolation prize and Mrs. Betty Bond in the other. Cake and iced tea were served to Mesdames: Geo. Brown, Dome Hobbs, and

Announcement

The United States Civil Service Commission announces an open competitive examination to fill the position of Postmaster at Holly-wood, N. M., at which office a vacancy exists. The closing date for receipt of applications is May 12, 1949, and the date for assembling of competitors will be stated on the admission cards sent applicants after the date for the close of receipt of applications. Application Form 15, Physical Fitness Form 13, Form X46-80, and Instruction Form 2223 may be obtained at the Holly-wood Post Office or from the United States Civil Service Commission, Washington 25, D. C. Forms 15 and 13 must be properly executed and on file with the commission at Washington prior to the hour of closing business on May 12, 1949. An application claiming veteran preference should obtain Form 14, execute same in full, and submit it with his or her application.

Mr. C. G. Ray of El Paso came in and changed their paper back to Ruidoso for the summer, so guess they are here to stay, almost all the time.

Dean White of Coyote, Mrs. Johnny Bond and Betty Bond of Corona, Mesdames Rose Harkey, Mollie Smith, Jim Hall, Dede Marriele, Allie Snodgrass, Maud Rysnger, Lavona Miller, Florence Stiham, Kate Straley, June Straley, Rosa Aragon, J. A. Hightower and Bryan Hightower and hostesses. All had an enjoyable afternoon.

Methoxychlor to Replace DDT For Dairy Animals

Entomologists of the United States Department of Agriculture have announced that DDT should not be used for insect control on dairy cows. Even small amounts of DDT in a food such as milk, a universal diet especially for infants and small children, might prove harmful in time. This conclusion has been reached after several years of study by toxicologists of the Food and Drug Administration.

The entomologists now recommend that methoxychlor (known as "Marlate"), another effective insecticide, be substituted for DDT to control insect pests on dairy cows.

The federal entomologists make no change in their recommendations for the use of DDT in controlling insect pests on other livestock, including beef cattle.

An Excellent Move

NEW MEXICO will increase the number of its state patrolmen from 40 to 55, only about 60 days from this date. This is certainly a step in the right direction, a minimum of 70 patrolmen having been recommended by the National Safety Council following a recent survey in New Mexico.

Before the 15 new patrolmen assume their duties as members of this important force, they will undergo several weeks of training at their headquarters at Santa Fe. Then for another month, they will be assigned to work with experienced members of the force, before being put on their own.

One of the features of the headquarters training course will be instructions in courtesy and the furnishing of accurate information to motorists, particularly those who visit our "Land of Enchantment" from other states.

This is one of the most important functions of our state police. Those in some other states are known as "Courtesy Patrols." Many travelers have come to rely on the troopers as a dependable source of highway information and data on attractions which the visitor might like to see.

Much of New Mexico is strange and sometimes confusing to persons from other states, and everything we can do to make them feel welcome here is casting bread on our own waters.

It is only proper that the state police should set an example in this matter for other law enforcement officers, from sheriffs down to town constables.

State Police Chief Hubert Beasley is to be commended on his plans for training our 15 new troopers, so badly needed to augment our present state force.

Will Robinson Says

IT IS THE GENERAL CUSTOM in New Mexico to give some nice present to the boy or girl completing the work of the grade and high schools, and thousands of parents are now puzzling over what to give. With those who are well-to-do it is a problem easier to solve than with the folk of limited means. The best possible present is one that combines the greatest usefulness and benefit to the youngster, with a cost that can be paid. Such giving is a fine custom, especially when it is fine without the idea of waste.

Observing here at the University of New Mexico the entrance and progress of young people coming from families of moderate means, it has occurred to this hired man that about the finest gift that can be bestowed is the entrance fee, with a fair entertainment and recreation allowance. This shows that Father and Mother are betting on them, upon their going to school in their own country, in familiar air, and with certainty of contact with the men and women who will make the history of tomorrow.

Many young New Mexicans are starting in life with insufficient education under the mistaken idea that the costs are prohibitive. As a matter of fact the expense is nominal considering the benefits. The overall at the University of New Mexico begins at \$800 for the scholastic year. Of course there is no roof for those who wish to "make a showing," and have the money to do it with. A great number of the best students at the University of New Mexico pay a considerable part of their expenses by work in the various departments on the campus. There is a broad policy of helpfulness

On the Grapevine . . .

By ANN MCKENZIE

THOUGH many persons consider this an arid land, composed largely of dust-dry desert, the state's largest city now faces threat of a major flood, predicted three weeks away.

The anticipated disaster may be even worse than the flood of 1941 when the usually sluggish Rio Grande went on a roaring rampage.

The snowpile on the river's headwaters in southern Colorado now is much deeper than eight years ago. Latest reports show 150 percent more snow there than ordinarily at this date.

The State Engineer already has left four contracts for emergency projects intended to minimize damage from the expected high-water. The Corps of Engineers, the Reclamation Service and the State Highway Department all are expected to swing into action to help in this endeavor.

Meantime, efforts are under way to persuade Congress to appropriate the millions of dollars necessary to appropriate the millions of dollars necessary to prevent recurrence of damaging floods on the Rio.

They're still talking about the huge crowd that turned up for the Jefferson-Jackson banquet at Albuquerque the other night.

This event is staged annually to help raise money for the party's national committee, and the latest event was the most successful of the sort ever held in New Mexico.

Tickets for men were priced at \$25 and those for their dinner partners, at \$5 apiece.

More than 750 persons showed up for the affair this time.

Despite reports of dissension among the Democrats of this state, little was in evidence at the dinner, according to all reports.

The faithful came from ever corner of the state, and for once, the speakers—including Gov. T. J. Mabry, State Chairman Bryan Johnson, U. S. Rep. A. M. Fernandez, and others—exercised good judgment and kept their talks brief.

The intra-party fight over the new pre-primary convention law and all other Democratic differences appeared to mean little.

Like the Irish, the Democrats seem to be able to brawl among themselves until election day, then turn out in a united front to keep their party in power.

Better Telephone Service

THE Poage-Hill Bills now pending in Congress provides, among other things, that telephone service may be obtained over REA Lines to serve Rural people.

This bill must pass NOW if YOU and millions of rural people, who want adequate and reliable telephone service, are to get it.

Far less than half the farmers of our country have any telephone service at all.

Write or wire your Congressman today, to support the Hill and Poage Bills (S. 121 and H. R. 2960) without any crippling amendments. This bill must have your active support!

The voice of the people is what gets the job done.

among the members of the faculty, and full explanations are had for the asking, without obligation.

Now is just the right time to be planning for the best of all graduation presents, the first year at college.

"Trade Winds Cafe" Open House Tonight

Mr. and Mrs. Joe Maloy, formerly of Los Angeles, California, are opening the "Trade Winds Cafe" next door to Quality Grocery tonight by inviting all to open house from 5 p.m. to 9 p.m., and they will serve coffee and doughnuts to all visitors.

Mrs. Maloy is a niece of Mrs. Suzanne Oliver, a long time resident of Ruidoso, and has been visiting up here for many years.

The young couple purchased the "Dawg House" from John McSpadden. They will feature friendliness, courtesy and good food in the small cafe and have come here to make permanent Ruidoso citizens.

Edward L. Queen Passes Away

Edward Lawrence Queen, born in Pueblo, Colorado, August 10th, 1881, and departed this life at Carrizozo, April 22, 1949 at the age of 67 years, 8 months and 12 days. While a small boy he moved with his parents to San Antonio, New Mexico, later coming to White Oaks in Lincoln County where he grew to manhood. On January 1st, 1902 he was united in marriage to Miss Mae Lee, who survives him. In addition to his faithful companion of 47 years he is survived by one daughter, Mrs. E. L. Whitwell and two sons, Lawrence L. and Donald J., one grandson, Donald Queen and one grand daughter, Carol Lynn Queen, all of whom reside at White Oaks.

Mr. Queen, together with D. L. Jackson of White Oaks and the late A. A. Lane, was associated for a number of years in the ownership and operation of the North and South Homestake mines at White Oaks. In 1918 he and his family moved to Douglas, Arizona and later to Los Angeles, California. Since that time he has been engaged in the mining industry in California, New Mexico, Arizona and Nevada. He recently returned to White Oaks to become associated with his sons, nephew and A. E. Baker of Los Angeles in the operation of mines at White Oaks. He was well known over all the Southwest states as a mining engineer. His return here was especially pleasing to him as it gave him an opportunity to return to the mountains among which he spent the greater part of his life.

Brother Edward Lawrence Queen united with the White Oaks M. E. Church South August 20th, 1902. He was a man of sterling integrity, a fond and loving husband and father and will be missed by the family and a host of relatives and friends.

Interment was Sunday afternoon, April 24th, at the White Oaks cemetery. Mr. Clyde Brewster sang his favorite hymn, "Blessed Assurance, Jesus is Mine". Rev. Harry L. Webb of the Trinity Methodist Church in Carrizozo had charge of the service.

"There's a gold mine in the sky far away,
 We will find it, you and I, some sweet day—
 Where the skies are always blue, Pal of mine
 And we'll set up there and watch the world roll by
 When we find that long lost gold mine in the sky."

—Charles and Nick Kennedy

We'll find that long lost gold mine some sweet day—
 And we'll say, "Hello" to friends who said, "Good-bye".
 When we find that long lost mine in the sky
 Far away, Far away in the sky"

*--in the new **ELECTRIC** refrigerators*

There's plenty of room in today's **ELECTRIC** refrigerators for the frozen foods that mean so much to modern living.

Most 1949 models have freezer space for 20 to 50 pounds of frozen foods, ice cream and ice cubes. Some have a separate freezing compartment with its own outside door.

And, of course, being **ELECTRIC**, they provide ample reserve power for the hottest summer weather, plus low cost of operation that's figured in pennies per day.

IKE RUDE IN ACTION—WON LAST YEAR'S ROPING—Pictured above, in an outstanding shot is Ike Rude, of Dodge City, Kansas, one of the outstanding "steer ropers" of the world. Ike won the 1948 World's Championship Steer Roping in Ruidoso and will be in there pitching again this year on May 21-22. In last year's two-day show Ike tied four steers with time of 86.9. This gave him an average of a little over 21.7, winning for him both first day money, second day money, and final money

The next three contestants the closest to winner's time will, all be roping again this year and were Jiggs Burka of Comanche, Oklahoma; Clark McEntire, Limestone Gap, Oklahoma; and Cotton Lee, Fort Sumner, Oklahoma.

Jack Shaw and Bob Boyce, again sponsoring the show, say that others who will be here are Everett Shaw, F. C. Stover, Jack Skipworth, Jim Brister, Carl Arnold, Gerald Tully, Red Davis, Buddy Neal, Jim Snively and Marvin McMillan.

GLENCOE GLANCES

By Sydney Bonnell

Mr. and Mrs. Tom Sellman of Dexter, stopped by on their way to Wilcox, Arizona to visit their son Tom Jr., and family.

The Hondo High held their annual Junior, Senior banquet at Bonnell Ranch Wednesday evening, April 20th. There was fifty-five present, faculty and students. Mr. Dunbar was sponsor for the Juniors and they served a nice menu. Baked ham, potatoes, beans, hot biscuits and honey, tomato and lettuce salad, ending with ice cream and cake. During the dinner, toasts were given, led by Superintendent Montez and they ended the evening with dancing. The ladies that helped to prepare the dinner were: Mrs. Frank Titsworth, Mrs. Britton, Mrs. Tiffin of Tinnie and later Mrs. Sweeney and Mrs. Kimbrell came and helped. Four Freshmen girls helped with the tables and to serve. All reported a good time.

Mr. and Mrs. E. J. Bates of Roswell came by on their way to El Paso, taking their niece to the train, to return to California.

Mr. Carl Rateliff and Miss Hughes, of State College sponsored a 4-H Club program at San Patricio school, Friday. This was a sewing test and girls from San Patricio, Tinnie, Hondo, Lincoln and Picocho entered aprons, blouses, skirts, and dresses and after the judges. Mrs. Jesse Harris, Mrs. Elzy Perry and Mrs. B. J. Bonnell judged the articles for

workmanship the girls modeled them. All garments were so well made and looked so nice on the girls, it was very hard to choose the winners. Mary Jean Chavez was placed 1st., with a trip to Girls State camp in August. Miss Zamora of Lincoln was alternate, with Adela Fresquez of Tinnie second alternate. Miss Brewer entertained with having the 2nd and 3rd grade children of San Patricio do the folk dances and they surely do them well. Refreshments of cake and punch were served. Mrs. Pauline Whitman of Louisiana, is visiting her son, Norman and Mr. and Mrs. Herman Ellis.

The Extension Club will meet with Mrs. Kiel Bonnell at her home in Ruidoso, this Wednesday, starting with a covered dish luncheon. The program will be "Modern Kitchens" led by Mrs. Elzy Perry. We are looking forward to a pleasant day.

Morris and Eleanor McClendon of Alamogordo, brought the two-week old baby, Linda Carole over for a visit with the Grand-parents, including the Great grandmother. She is fair and sweet.

Enjoyed the Lion's Club program very much and especially, Louise Massey. She sang like her own sweet self and the way it was presented made it more interesting. Mary Nell Barber wrote the script, coming through the twenty-one years of her concert and radio singing and it was presented by Cy Leland.

Mr. Elzy Perry has finished planting a thousand apple trees on his mesa above the house.

CARRIZOZO ITEMS

Lions Ladies Nite

The Carrizozo Lions Club held its first Ladies Night on Wednesday, April 20th with twenty-five members and about twenty-five guests present. Among the guests were Dr. and Mrs. Townsend from Ft. Stanton. Dr. Townsend gave a really interesting talk on the history and future of Ft. Stanton. Tailtwisters Howell and Withers and songleader Brewster kept the party moving at a lively tempo. The finale was provided by ladies of the Carrizozo Woman's Club, who as "men and women of the Gay Nineties" gave a hilarious rendition of "Bicycle Built for Two" and "Down Among The Sheltering Palms".

Last Saturday's recital by Helen Beaty, soprano, and Jo Margaret Gore, violinist of Artesia, lived up to our expectations. The Woman's Club building was filled to capacity and the general opinion was that it was an evening well-spent.

The Carrizozo High School Junior-Senior Prom was held Saturday night, April 23 at the school gym, which was transformed into a Hawaiian paradise for the evening. The Junior class is to be congratulated on the fine time they gave the Seniors and all the many other guests.

The Carrizozo Rebekahs held a Gypsy Dinner on Friday night, April 22nd.

The music pupils of Mrs. Burns gave a recital on Monday evening April 25th.

Sunday night May 1, is the date for the Baccalaureate Services.

MRS. IDA BLOODWORTH OUT OF HOSPITAL

Mrs. Lloyd Bloodworth has been released from the Southwestern General Hospital in El Paso where she underwent major surgery.

Mrs. Bloodworth is convalescing in the home of her daughter, Mrs. Dan Reinhardt at Fabens, Texas. She will return to Ruidoso in about ten days. Mr. Bloodworth has spent most of the time in El Paso while his wife was in the hospital.

LINCOLN LOCALS

By Mrs. H. J. Dockray

Mr. Edgar Phillips underwent an operation in a Roswell hospital recently. We are all very glad to hear that Mr. Phillips is doing nicely and that he will be home soon.

Mr. Ray Taylor is drilling a water well for Mr. Grady Eldridge North of Capitan.

The members of St. John's Church have put a new roof on their church. This was one thing that was badly needed, as the old shingle roof that was on the church was in an unusable condition. We, of Lincoln, must say that it most certainly looks nice.

Yes, we had two big dances in Lincoln, an enchilada supper, and a spelling bee and a box supper. Who says we aren't getting on the map? From the best that I can hear, each one of the socials was very successful. We need more activity of this sort in Lincoln.

Yes, we still have a few cases of measles in Lincoln. However, they have slowed up a little in comparison to what they were a short time ago.

Our residents have planted their gardens and flowers and almost everyone of Lincoln has a flock of baby chicks. It's almost like the song "Old MacDonald's Farm". We have a "cluck here and a cluck there, and everywhere a cluck and a cluck".

Yes, this column is complete. The milkman attended the enchilada supper at the school Saturday night, April 16, 1949. I, personally, understand that he likes lemon pie.

Mr. and Mrs. B. Carabajal are the parents of a baby daughter born in Capitan, N. M. We wish them all the good luck will come their way.

Lincoln is beginning to blossom and green up a bit. I'm sure that everyone here is willing to believe that Spring is here. Of course, we've been expecting this

Alice Ann Yeates Won Spell Down

Tuesday night, April 19th, people gathered from all over Lincoln County at the school house in Lincoln for the county spelling bee which was won by Alice Ann Yeates of Ruidoso Junior High School. Alice Ann goes to Albuquerque today, April 30th, for the state contest to spell against boys and girls from schools all over New Mexico.

Alice Ann, winning first place, was presented with \$7.50 in cash by Mrs. Louis Spain, wife of the publisher of the Ruidoso News which paper sponsored the contest. Second place was won by Willie Gomez of the San Patricio School, and he was given \$5.00. Gloria Gomez of Lincoln won third place and \$2.50.

Besides the spelling contest those present enjoyed the box supper and the dance numbers presented by the Hondo High School Fiesta Dancers, and the San Patricio Grade School dancers.

All teachers were pleased over the response of the parents to this years contest and plans will be made to make this an annual affair sponsored by the paper. Nine schools in Lincoln County participated this year and next year all should be ready to take part.

for quiet sometime and more than glad to see this season arrive.

Ida Fay Morris, small daughter of Mr. and Mrs. David Morris spent last week with her grandparents, Mr. and Mrs. Ernest Purcella.

George Morris is employed on a sheep ranch near Vaughn, New Mexico. We understand that he likes his work very much.

Our Lincoln teachers attended the Teachers Convention at Magdalena, New Mexico.

Friday, April 29, 1949 the school will have their annual picnic. The lunch will be prepared by the Hot Lunch Employees. This affair is always a big and enjoyable one. As every one knows, the word "picnic" is fun to every child.

First Kids Rodeo Coming Up Here

Saturday of this week at their new corral up at Fowler's Dude Ranch a group of Ruidoso boys and girls, being sponsored by Jack Shaw and Roy Stewart, will have the first "Kids Rodeo" here. The show will start promptly at 1 p.m. Admission will be 50c and all local youngsters will perform.

For two years these would be cowpokes among the younger generation have tried to have a rodeo. They were willing to work at it and finally convinced Stewart and Shaw that they could put it over with the help of the adults.

For the past three weeks the kids have been working to help build their own corral, practicing to give the spectators a show, and are looking forward to helping the Ruidoso Kids Rodeo grow into something of interest to youngsters who love this sport throughout the Southwest.

If the first show is a success plans will be made to have a rodeo every weekend this summer so that youngsters visiting here, or coming specially to participate, can do so. There is no minimum age, and boys and girls up to eighteen years old can take part. Stewart and Shaw say the only requirement will be a written permit from parents stating their children have permission to take part and relieving the sponsors from responsibility of accidents.

The youngsters who will take part in this first show Saturday are Buck Morrison, Jan McElhane, Johnny Barrajas, Stanly Holmes, Roy Payton, Betty Lou Boyce, Ronald Stewart, Jimmy Stewart, Willard McDaniels, Amon Ray Clarke, Bill McCarty, Dee-Dee Holloway, and Marilyn MacKay.

Again, the time is 1 p.m., Saturday April 30th, at the Fowler Dude Ranch up Carrizo.

Bill McCarty Starts Own Ice Co., Here

Bill McCarty, born and reared in Ruidoso, the son of Mr. and Mrs. George McCarty, has announced the opening of his new business, the "Bill McCarty Ice Co." May 2nd.

Bill will service Ruidoso and the vicinity with ice made from pure distilled water and will have a regular delivery route or sell directly from his ice house located in downtown Ruidoso.

He is a junior in Ruidoso High School and well known to everyone in town. Bill says "Prompt, courteous service is my motto, I'm a local boy trying to make good and will appreciate your business."

Judge E. L. Pitts and his wife of Amarillo, Texas were guests of Mr. and Mrs. Al Vaughn last weekend. Judge Pitts is Justice of the Court of Civil Appeals in Amarillo.

Mrs. Michael Prinsky and Mother "Be" were back in Ruidoso last weekend. . . won't be long before they come up from El Paso for the summer.

Free TB Care For Children

Mr. Oland Bonaguidi, Welfare Chairman of the local American Legion Post, received the following letter from the state department of the American Legion which is of general interest:

To Posts, Units, Voltures, Salons and Principals of Schools:

The children's wing of the State Tuberculosis Sanatorium at Socorro is ready to receive as patients, children who have tuberculosis of the secondary stage.

Construction is completed. Adequate and competent medical and nursing personnel are on duty. Facilities are ready to receive children patients.

Only six or seven children are now receiving care and treatment, according to recent reliable information, while 30 or 40 have been expected.

This is addressed to you in the hope that you will personally canvass your community for children who have TB in its secondary stage and who can profit by care and treatment in the sanatorium; and help them get admitted.

Please remember;

1. The children's wing admits "medically indigent" children under 16 years of age for care and treatment, who have TB of secondary stage, without charge.

2. Refer names, addresses, ages, sex, etc., of children to your local representative of the State Department of Public Welfare.

3. Send me a list of names and addresses so referred, if you feel I can expedite admission.

4. Prospective children patients do not have to be "on relief" to be entitled to free care and treatment.

5. Patients will receive the best medical and nursing care and treatment.

6. Schooling will be provided to the extent that is medically advisable.

7. "Comfort items" will be provided free of charge by the American Legion, Auxiliary, 40/8 and 6/40, Department Child Welfare Co-ordinated Committee.

8. "Medically indigent" includes those families whose normal standard of living would be lowered by

SEES THREAT TO U.S.

War-essential American jeweled watch industry is threatened by heavy imports from Switzerland which discourage healthy growth of domestic manufacture and thus endanger national security in case of another conflict. James G. Shennan (inset), president of Elgin National Watch Co., tells U.S. Senate committee at hearing on extension of trade agreements act. Asking "realistic duties" to equalize difference in movement costs resulting from Swiss labor rates which are 60 per cent lower than U.S. rates, Shennan cites figures for past 10 years (above). They show that importers captured bulk of U.S. market while the three exclusively American manufacturers of jeweled movements were engaged in vital war production.

payment of sanatorium and medical expenses over an extended period of time. Only a very few New Mexican families are not entitled to free services at the children's wing.

After two years of hard work, New Mexico now provides free sanatorium care and treatment for medically indigent children who have secondary TB. Let's make use of the facilities and save lives of young people.

Yours truly,
EDWIN G. HOBBS,
Department Chairman.

Mr. and Mrs. Mack Garner have returned from South Dakota where they went to attend the funeral of his brother, J. A. Garner.

N. M. Race Season Starts April 30 In Silver City

New Mexico's 1949 racing season gets off to a flying start April 30 as Silver Park in Silver City opens a 16-day racing season. Races will be run weekends through June 19th and highlight of the meet will be the second annual Silver Park Quarter Horse Futurity—date for which will be announced in the near future. Some 50 Quarter Horses are expected to race in the trials to qualify for the futurity.

Silver Park has made considerable improvement in track, grandstand and stable facilities through the past year. Jerry E. Knott, secretary of the New Mexico Racing Commission, rates the track as one of the best in the southwest. Knott also reports that some of the outstanding horses of the entire west will be on hand for the first races of New Mexico's season. Getting an early start, Silver City will be in excellent position to attract good horseflesh. Purses paid last year at Silver Park were on a par with other tracks of similar size and somewhat better than many larger racing plants. Purses this year are expected to be even better. Purse for the futurity will be \$1,000 added plus a percentage of the pari-mutuel handle.

Last year, the futurity was run at 300 yards. This year it has been extended to a full 440 yards.

Hollywood Park
Closely following the end of the season at Silver Park, Hollywood Park in Ruidoso will begin a ten-day season on June 24. Racing will be on weekends through July 17.

Starting off the Hollywood Park season with a bang on opening day is the best and largest Futurity in the history of Quarter Horse racing. With a purse that is expected to reach \$20,000, the race will be the richest in New Mexico history and the largest purse of any Quarter Horse futurity. Seventy-five entries at \$100 each plus the \$1,000 added put up by the Central Bar and Grill, sponsors of the futurity, the additional \$100 entry fee for those colts qualifying for the trials and five per cent of the pari-mutuel handle should add up to the grand total of \$20,000. Trials for the futurity will be run on May 29. When entries closed on Jan. 1, there were 75 colts nominated for the race—the largest total nomination ever recorded in a Quarter Horse futurity. The race will be run on the 440-yard straightaway.

Report From Teachers Meet

South-Central District of the New Mexico Education Association will be held in Ruidoso next April. This announcement was made after the session in Magdalena last Friday, which was attended by most of the educators in Lincoln and Socorro Counties, which comprise the District.

Cy Leland of Ruidoso High School was elected president of the South-Central District at the meeting, and Miss Betty Jo Stevens, also of Ruidoso High, was chosen Secretary. Other officers for the ensuing year are James Meyers of Carrizozo, Vice-president, and Victor Bright of Capitlan, Treasurer.

The all-day meeting at Magdalena was featured by addresses by prominent educators, and sub-meetings and discussions by the various levels of the educational system. The visitors were entertained at a barbecue between the morning and afternoon sessions, and a square dance Friday night. Local teachers and administrators who attended reported a most informative and entertaining meeting. Approximately two hundred visitors are expected to attend the meeting in Ruidoso next year.

Mrs. H. H. Dennis of Mission, Texas was in town for several days this week, buying paint, working and fixing up, and says they will be back in another week for the summer.
