Treasure Hunt Replaced Skiing On TWC Program

In spite of "no snow," a condition which is general, the two hundred students from Texas Western College who came to Ruidoso last weekend for their annual party here had a wonderful time participating in the day's activities which included a "treasure hunt."

Ruidoso Clubhouse was headquarters and it was swamped from morning to night as some bowled, played pool or ping-pong.

The treasure hunt started from there with directions and clues taking the group out the Alto road, into the forest, and away around many a bush to find the "treasures." Winners of the treasure hunt were awarded \$5.00 gift certificates.

During the day an impromptu bowling tournament was organized with Les Webel who scored 194 winning the prize for the boys and David Schneider scoring 130 taking a similar \$5.00 award for girls' high score.

At 5 p.m. Queen Mary Louise (Clasy) Dugan was crowned at the Navajo Lodge as "Snow Queen." Following the coronation Les Webel and his orchestra played for dancing from 6 to 8 p.m.

Throughout the day coffee and doughnuts were served at the Clubhouse for the students by the Student Association of TWC.

Lou Cope was in charge of arrangements and was assisted by Jim Foster and Tom Shockman. Judd Williams, Dean of Men, and his wife were also in the party.

Valentine Square Dance At Navajo

The Navajo Club announced this week that they are making plans for a "Valentine Square Dance" to be held Saturday night, Feb. 11th. Invitations have been sent out to square dance clubs in the area to come en masse or send a set to make it a real jamboree, with the girls in their frilliest dresses (and the guys as usual in blue jeans and Western shirts) or evening dresses would be in order.

In addition to these plans there will be special favors and a grand door prize given during the evening.

B.T.U. Has Party

There were twenty-five young people at B.T.U. at the Baptist Church last Wednesday evening for a party. Jimmie Ruth Gayden, Helen Barajas and Mary Lynn Hart supervised the games and served the group punch, sandwiches and cookies.

All young people who do not attend elsewhere are urged to attend the Baptist Training Union Sunday evening at 8:30.

The Weather

By C. A. CULVER
U. S. Dept. of Commerce

Another week of mild sunny weather with damaging high winds on the 24th. The month went by without measurable snow fall. The mean nightly temperature was 23 degrees. The past four years the range was from 13.1 degrees to 14.9 degrees bearing out everyone's statements that they never saw a January like this one.

Canyon Echoes . . .

J. R. Murrain of Austin, Texas, Jack Fokes and Pete Booker, both of Del Rio, Texas spent several days in Ruidoso this week "vacationing." They had come up to ski but unable to find enough snow stayed and had fun.

Mrs. Nolan Hart and daughter, Mary Lynn, are in Lubbock, Texas for a visit. Hazel Brittenback went as far as Tahoka with them and then on to Lamesa to visit friends there.

Ike Wingfield was in Roswell Monday on business.

Mr. and Mrs. G. A. Jay, cabin owners of Ruidoso, were up last weekend, and driving a new Oldsmobile.

Jeanne Cardwell, Betty Watson and Cora Becker, all of Amarillo, Texas spent last weekend in Ruidoso.

P.-T.A. To Observe Founder's Day

The Ruidoso High School Parent-Teachers Association will observe Founder's Day of the National Congress of Parents and Teachers in their program Monday afternoon, February 6, at the Home Economics Cottage at the school. Mrs. Ezell Clarke, program chairman, has announced a fitting program to begin at 3:30 p.m., to be followed by a Silver Tea.

The actual birthday of the P.-T.A. is February 17, 1950, and will mark the 63rd birthday of the organization.

The objects of the National Congress of Parent Teachers as well as districts and councils, the local associations, and the individual members are as follows:

To promote the welfare of children and youth in home, school, church and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

Mrs. George Perry, president of the high school group, urges every member to be present for this meeting and all guests will be welcome.

5 Bulls, 1 Heifer Sold By Bonnell At Roswell Sale

Representing Lincoln County at the 19th annual sale of the South-eastern New Mexico Hereford Breeders Assn., were five bulls and one heifer from the Bonnell Ranch at Glencoe. The cattle, all two-year-olds this spring, were shown by Ralph Bonnell.

All of the registered cattle found ready buyers. Following are listed the names of the cattle and the buyers:

Advance Domino Mischief to J. D. Slaughter, Lubbock, Texas; Advance Domino Mischief 37 to Poe Corn, Roswell; Advance Domino Mischief 47 to Mike Nalda, Vaughn; Advance Domino Mischief 46 to Poe Corn, Roswell; Advance Domino Mischief to C. E. Smith, Roswell; and Miss Domino Prince 132 to Royce Burns of Lovington.

This herd of registered show stock was established by Ralph's father, E. J. "Bert" Bonnell, pioneer cattleman, well known throughout the West in stock raising circles. Bert is wintering in Arizona, but plans to be back to the valley in the spring.

B&PW Members Talk of Ambulance

The Board of Directors of the Business and Professional Women's Club of Ruidoso had an enthusiastic and well attended meeting at the home of Mrs. Al Vaughn, Wednesday night, January 26th.

In discussion several possible projects were discussed and it has been announced that the members are considering as their yearly project securing a regulation ambulance for the use of Ruidoso and area.

The Public Affairs Committee, headed by Mrs. Lloyd P. Bloodworth, and the Finance Committee, with Mrs. Edith Sheehan as chairman, are working on ways and means to carry out this project in the event it is voted for by the entire membership.

Mrs. Royston Johnson, president, presided for the meeting.

Veteran Farmers Meet

The Veteran's Training Class for On the Farm Training meets every Monday and Friday evening at 6 p.m., with Joe Morris as their instructor.

Joe Morris, son of Superintendent and Mrs. J. H. Morris of Ruidoso, is a graduate of Texas A&M.

PROCLAMATION

WHEREAS, February 8, 1950, is the 40th Anniversary of the founding of the Boy Scouts of America, chartered by Congress of the United States as a program for all the boys of America, and

WHEREAS, The Boy Scout Program has affected the lives of 16,500,000 boys and men since 1910, and now has an active enrollment of 2,300,000, and

WHEREAS, The Movement is engaged in a Crusade to "Strengthen the Arm of Liberty" by giving more boys a richer experience and increases its usefulness to the nation, and

WHEREAS, The Boy Scouts of America, a great force for training youth in right character and good citizenship, marks its 40th Anniversary by a great National Scout Jamboree at historic Valley Forge, Pa., this coming summer;

NOW THEREFORE, I, Ike M. Wingfield, Mayor of the City of Ruidoso, in the State of New Mexico, do hereby proclaim the week of February 6-12 as "Boy Scout Week," and do urge our citizens to recognize the unselfish patriotic service being rendered to our community by the volunteer Scout Leaders who bring the program to the youth of our city, and in all possible ways, to further this wholesome youth program, and help the City of Ruidoso to be adequately represented at the great National Scout Jamboree this year.

In TESTIMONY WHEREOF I have hereunto signed my name officially and caused the Seal of the City of Ruidoso to be affixed, this 31st day of January, 1950.

(Signed) IKE M. WINGFIELD.

Board Of Directors Named In Thursday Meeting Of White Mountain Telephone Assn.

By DAN STORM
Special News Correspondent

At their first meeting, held Thursday night, Jan. 26, in Alamogordo, members of the White Mountain Telephone Association elected a board of directors, thus establishing the foundation for bringing telephone service to every home and place of business in an area covering all of Lincoln and Otero Counties, the Mescalero Indian Reservation, and possibly parts of Chaves and Lea Counties.

Beagley To Direct Men's Style Show

Plans are going ahead for the Men's Style Show and Box Supper being sponsored by the Ruidoso High School P.T.A. Saturday night, February 11th at the Grade School Gymnasium.

Earnest Beagley, local artist, is helping with the staging of the style show. Carmon Phillips has been asked to act as auctioneer for the box supper.

This affair, which will be fun for all, will start at 7:30 with the style show first followed by the supper.

Wednesday night, February 8th has been set for rehearsal night. Everyone taking part in the style show is urged to be at the gym at 7:30 p.m.

Some of the men who have already been chosen to model (on a strict system of merit) are Bill Nolan, Paul Vance, A. Ray Clarke, Cecil Clarke, Jack Veator, Virgil Bilbo, Howard Morris, Dave Parko, Rex Whitely, J. W. Peterson, Dwight Watkins, Coke Hedgecock and Ezell Clarke. Others will be selected and named next week.

Two Cage Contest Here This Weekend

The Ruidoso Warriors play two games here this weekend, meeting Lake Arthur tonight and Capitan tomorrow night. There will be two games each night with the first tip-off set for 7 p.m.

Last weekend the Warriors A team won their first victory of the season by defeating Hondo on the latter's court 39-37. Tommy Nunez of Hondo was high with 18 points. Jack Veator edged 14 for the winners. Wally Whiteley, who dropped six out of 11 free throws, scored ten points. Sam Kamees was second high for Hondo with 13. Veator, Whiteley, George Noel, Joe Gallegos and Jimmy Veator played the entire game without relief.

The Hondo B team took another thriller in the first game by a score of 33-30. Bennie Jeroz of Hondo was high with 12 points. Buzz Page and Bob Langford led the Warriors with eleven points each.

Saturday night in Ruidoso the Carrizozo Grizzlies bored a capacity crowd by playing a stalling game even in the first quarter when leading five to two. The listless first half ended seven to five. Action picked up somewhat in the second half after five members of the Ruidoso girls' pep squad came out on the floor in mock formation as if to start the half. The final score was Carrizozo 29, Ruidoso 23. Joe Gallegos of the Warriors was high point man with eleven. Louis Vega of Carrizozo scored ten.

Mr. and Mrs. John Ellison and friends had their Cedar Creek home open last weekend. They went on from Ruidoso to Hot Springs.

Albert Vaughn of Ruidoso was elected president of the eleven-man organization; Forest Chambers of Highrolls was named vice-president; and Wilbur F. Coe of Glencoe, secretary and treasurer. Other members elected to the board were: T. Laramie, Capitan; Charles D. Fuller, Picocho; W. D. Ratliff, Ruidoco; Daniel R. Brenton, Nogal; J. B. Runyan, Elk; Eldo Lewis, Weed; James Mahill, Mayhill; and Stanley McNatt, Mescalero.

Others present who paid membership fees and agreed to work toward the complete organization of the association were: J. Emmett Reece, Hollywood; Joseph H. Kelch, Bent; Heber Forchard, Highrolls; George Fuchs, Green Tree; E. V. Morris, Bent, and Daniel A. Storm, Glencoe.

H. H. Hembry, head of the Mountain States Telephone at El Paso, Texas, addressed members of the gathering, assuring them that his organization stood ready to cooperate in every way possible with their effort to bring about complete telephone service to the area represented at the meeting. Briefly outlining problems that might be encountered, Mr. Hembry said that the cooperation offered by Mountain States Telephone would include technical advice, and help in engineering construction.

P. B. Hendricks, manager of the Otero-Lincoln County Electric Cooperative, presided as chairman of the meeting.

Mr. Hendricks pointed out that the Rural Electrification Administration has established a record to be proud of in bringing electric power to all rural and small town homes throughout entire areas. He stated that before the REA was established ten per cent of rural homes in America had electric service, whereas today 80 per cent have the service. In a very short time, he said, the percentage should be 90 or 95 per cent. The same general policy of entire area coverage would be followed by the REA in granting loans for rural telephone cooperatives, the speaker explained.

W. Add Painter, representing the American Farm and Livestock Bureau of America, in Alamogordo, acted as secretary for the meeting.

Mr. McArthur, representing the Mountain States Telephone Co. at Alamogordo, spoke at the meeting, outlining differences between telephone and power networks, and the particular problems of the mountain areas.

Western Band To Play Davis Club

Denny Davis announced this week that Paul Harper's Western Band will play for dancing at Davis Club and Bar in downtown Ruidoso Saturday night, February 4th from 9 p.m., until 2 a.m.

This band is booked out of California and the boys can play so "you can square, put your little foot, polka or just dance."

CAPITAN LOCAL NEWS ITEMS

By Mary F. Werner
We are very glad to report that Robert Earl is now at home and apparently doing all right after his narrow escape of falling down the steps at the school.

Mr. and Mrs. Joe Wigley went to El Paso Sunday to take Joe's mother and father to visit another son in El Paso.

The following Firemen went to Roswell Friday night to a meeting of the Eastern New Mexico State Firemen's, Chief Joe Wigley, James Palmer, Lloyd Absher and Ray Provine. They report a very good meeting.

Our basketball team have had a streak of bad luck at their last few games. The high school team lost to Carrizozo and Hagerman this weekend. However, the B team made up for the losses. They won both of their games with B teams from the same towns.

We are very sorry to lose Miss Patricia Miller from our school faculty. She resigned this week.

Several from here attended the opening of the Hospital in Carrizozo Saturday and remained for the dance. They report a very beautiful and well equipped hospital. Every one in Lincoln County should be very proud to have a hospital like this in their community.

Earl Harcerow has taken a job in the office at the Fort. We are very glad for Earl to get this better job but do hate to lose

Mrs. Maude Fritz has moved into town for the winter months. Then she plans to return to her home in time to start her spring gardening.

We noticed in the crowd at the basketball game Friday night Mr. and Mrs. Fletcher Hall and Pamela. We are always glad to see Fletcher in town as Capitán hardly seems the same with him gone.

Mrs. Carl Ness is going around with a sunshiny smile on her face. She now is grandmother. Her daughter Sue has a new baby boy.

Local Girl Marries Jerry E. Delaney

Mr. and Mrs. Jerry Elmer Delaney, who were married Thursday of last week in St. Patrick's Cathedral in El Paso, Texas, have been on their wedding trip to Chihuahua City.

They will make their home in Las Cruces, N. M., while both continue their studies at New Mexico A&M.

Mrs. Delaney is the former Margaret Earlene Fowler, daughter of Mr. and Mrs. J. M. Fowler of Ruidoso. The bridegroom's parents are Mr. and Mrs. D. E. Delaney of El Paso.

The Rev. M. Smigelskies officiated at the rite and Mr. Fowler gave his daughter in marriage. Miss Nancy Roby of Las Cruces, N. M. was maid of honor and best man was Thomas Knight of Ancho, N. M.

Ushers were Pat Driskell and Pat Tabor. Preceding the ceremony Jack Griffin sang "Panis Angelicus" and "On This Day, O Beautiful Mother."

A reception in the Delaney home, 913 North Lee Street, immediately followed the rite. Assisting with the courtesies were Mrs. George Dickinson, sister of the bridegroom, and Mrs. Rudolph Hoofs of Balmorhea, Texas, aunt of the bride, Misses Vera Garing, Mary Louise Jack and Nancy Roby.

LINCOLN LOCALS

By Mrs. Jeff Dockray

We're always doing something in Lincoln. New shelves are being built for the museum and they are quite badly needed.

Also our residents are often speaking of our coming school board election. Mr. J. G. Ramey goes off of the board this time and it is necessary to elect someone to replace him.

Everyone's thoughts in Lincoln: When is summer going to end? When does winter begin? When does the Spring wind begin blowing? What happened to Mrs. Martin's garage recently? I've heard of husbands having to get the car off of the garage after friend wife had her first driving lesson, but never had I heard of getting the garage off the car. You've heard of old fashioned barn raisings, quilting bees and corn huskings haven't you? Well, its a good thought.

We've had wind here but in Capitán there's a windmill tied in knots, and also a few houses that resemble the lost country boy in the city (don't know which way to turn next)

The collection of Indian rocks, etc., that have been in the Titsworth Store are now being displayed in the Museum here.

Kayo and Dixie Dockray spent Saturday night with their grandparents, Mr. and Mrs. Stanley Pepper of Capitán.

The Lincoln Ditch Assn., held a meeting January 23, 1950. This was requested by Mr. Bert Pfingsten.

Some more thoughts of us all: Wonder what we are going to do for irrigation water if it don't snow in "them thar hills."

Wishing, all of us, I'm sure, that Little Loss Morris improves.

Enjoying seeing Red and Fronie Ramey drive their new Dodge. They've gone a lot of places and can really enjoy the spare time they have to gallivant. However the old Ford V-8 is a prized possession.

When the "Day In Old Lincoln" is going to be?

New Mexico Game Commission Meeting

"There will be a regular meeting of the State Game Commission, during the early part of February, at which the seasons, bag limits and other regulations will be set for the ensuing license year," State Game Warden Elliott Barker said today.

"We would like to urge all individuals and organizations, having any suggestions for or change in any of the regulations now in effect, to please get their recommendations in to the Department of Game and Fish before February 2. The meetings are always open to the public, but we have to have time to consider the proposed recommendations before the Commission meets," Barker said.

Movies of Hawaii Shown For Friends

Mrs. Harold Magaw and her son Bob were hosts in their home last Sunday night for a group of friends who gathered to see the beautiful movies of Hawaii which were taken by William Hickman.

These 16mm movies were shown at a recent Lions Club meeting and were enjoyed immensely by the men.

Those gathered at Mrs. Magaw's to see them included Mr. and Mrs. Bill Hines, and son Billy, Mrs. C. W. Murray, Mr. and Mrs. Dwight Watkins, Edward Minarik.

After the showing Mrs. Magaw and Bob served sandwiches and coffee to their friends.

Alfred Sanchez, son of Henry and Caroline Sanchez, is Captain's yeoman or secretary on the U.S. S. Boxer which recently sailed for the Far East. Alfred and his more than 3,000 shipmates stopped off in Manila the other day before joining the Seventh Navy Task force in the China Sea. Alfred's diligence plus his excellent training at Capitan HI are responsible for his rapid promotion.

Mr. and Mrs. Jack Smith had weekend visitors from Odessa, Texas, who were Mr. and Mrs. Mike Smith and Mr. and Mrs. John Gidney and family. Jack had to don the cher's hat since his wife Nellie is on night duty and had to get her usual "shut-eye" regardless.

"Jiggs" Marr celebrated his birthday last Wednesday when his wife invited Ethel and Jim Thompson for a surprise dinner.

Mary Nell Barber, the blue pencil artist, dropped in for a chat last Wednesday after visiting Mrs. Roy E. Whitehead. It was quite a surprise as I thought she would be on her way to Carlsbad for the New Mexico News Editors Convention.

Dr. and Mrs. Albert C. Rood, formerly stationed here at the Fort, and their two boys Corky and Don Bill came down from Albuquerque for the weekend. Their many friends, who remembered their friendliness and kindness during their all-too-short tour of duty, went all out to see that their week end was a pleasant one. They were just in time for the monthly Bonita Club supper-dance on Saturday evening, followed by horse-back riding Sunday morning for those in the mood and then dinner. Your correspondent was with the Doctor in Mobile as well as during his stay here, so has a special regard for him.

Dr. Pollard, the well known oculist, also one of the Fort's old timers weekend here at the Fort. He was accompanied by Mrs. Charlotte Krumpitz and they had a thoroughly enjoyable time. Seems every one wanted to do something to entertain these folks from Albuquerque.

The monthly Bonita Club supper-dance on Saturday, January 28th hosted by the Goulds and McClains was a gala affair with so many out-of-town guests. The club carried the Valentine motif in decor-red and white. Behind the bar and at the opposite end of the room, white sheets were hung, on which red hearts and valentine were pinned and accentuated artistically by red and white crepe paper. About 10 o'clock Dr. Townsend gave an excellent presentation speech on behalf of the club when he gave the Rogers their going away gift. At 12 supper was served.

Miss Patricia Page came back from her short vacation with the well known "spring" in her step. Congratulations are in order to her for her well deserved promotion which she has just received, also for nearly hitting the century mark on the scales.

"Lazy Bones!"

By Betty Barclay

"L'YIN' in the sun. How you 'spect to get your day's work done?" Well, there is no harm in ignoring some of the day's work during the lovely summer days that tempt us to be out. But we still have to eat! There is consolation, though, in the fact that most of us eat less, and more lightly when it's hot. And that's where Fluffy Omelet comes in. For a quick, easy main dish that is still substantial enough to be satisfying, yet light enough to tempt summer appetites, you can't beat a good omelet. And if you want it to reach the table still looking temptingly puffy and light, learn the little trick of using tapioca, as suggested in this recipe for Fluffy Omelet.

Fluffy Omelet
2 tablespoons quick-cooking tapioca; ¼ teaspoon salt; ½ teaspoon pepper; ¾ cup milk; 1 tablespoon butter; 4 egg yolks, beaten until thick and lemon-colored; 4 egg whites, stiffly beaten.
Combine tapioca, salt, pepper, and milk in saucepan. Place over medium heat and cook until mixture comes to a full boil, stirring constantly. Add butter. Remove from heat and allow to cool slightly while beating eggs. Add egg yolks and mix well. Fold into egg whites. Turn into hot, buttered, 10-inch skillet. Cook over low heat 3 minutes. Then bake in moderate oven (350° F.) 15 minutes. Omelet is sufficiently cooked when a knife inserted comes out clean. Cut across at right angles to handle of pan, being careful not to cut all the way through. Fold carefully from handle to opposite side and serve on hot platter. Makes 4 to 6 servings.

Chavez Forces Bidding For Administration Support

By R. L. CHAMBERS
Santa Fe Correspondent

Santa Fe.—Senator Dennis Chavez would like very much to forget that famous blast he issued against the "barnacles and leeches" in office under the Mabry administration. For present Chavez strategy consists of making a deal with the governor, who not so long ago he was accusing of all sorts of crimes.

And the governor would also like to forget that he slammed back by accusing Chavez of being a traitor to the party because he allegedly supported GOP gubernatorial candidate Manuel Lujan who ran against Mabry.

Chavez has apparently decided that he will back an administration man, and he wants the administration to agree to the deal so that a common front can be presented against John E. Miles in the primary. He is courting the governor by offering him a nice federal job, so the Santa Fe political crowd has it.

But in all this politicking, many of the high-ups appear to have lost sight of the Democratic party workers. Long since lost along the tortuous road the big boys have followed, these small county and precinct workers have their minds made up: they want Bryan Johnson to run, and if Bryan doesn't get in, then they will swing over to Miles. They know that Bryan can give Miles a run for the money. But nobody else can, they figure.

Apparently, the senator feels this way also. He has now done the remarkable turnabout of saying that he "could support Bryan Johnson for governor." Not too long ago the senator was placing dynamite caps under Bryan's gubernatorial aspirations by accusing the quiet-spoken Albuquerque lawyer of railroading the pre-primary bill through the legislature.

Chavez's intention of discussing issue such as minimum wages, health and welfare benefits, rights for workers, and discrimination may mark a new trend in politics. It is significant that Chavez followers are assuming the senator will have his candidate campaign for recognition of the fact that discrimination exists in New Mexico.

"Conflict between groups is real, and it's time we face it," one of his lieutenants said the other day. Chavez will not campaign on this matter the way he did years ago when he would go to the northern counties and play up "in raza," the race. Today, people are more intelligent. Today's voter wants to know the facts. And Chavez intends to offer some real solutions to intergroup friction.

He will have some things to say about the New Mexico Fair Employment Practices Commission, which is just now starting to act on cases of employment discrimination. He will probably request funds for the group, which is now hampered because of absence of an appropriation. He will also ask for a minimum wage for state workers, better protection for male workers who now can work 77 hours a week according to the law, and he may campaign for a merit system for state workers to show that he will not staff the statehouse with "barnacles and leeches."

NOTES—The State Corporation was amazed to find that the railroads didn't object when it shifted the burden of proof from the state to the utility. For 23 years, the state had to prove that rate increases were not justified. The railroads, telephone companies, and others simply had to say they felt they were necessary. . . . Lt. Gov. Joe Montoya made the mistake of his political life by releasing a young state prisoner without action of the state parole board. The boy was a relative of a business associate of Montoya. Governor Mabry had learned that the abuse of prison releases was bad publicity, and Mabry strictly stuck to the board's recommendations. But Santa Fe Joe slipped and the crash was heard 'round the state. Montoya is still interested in running for Congress. . . . And so is Schools Superintendent Charles Rose who doesn't have anywhere to go after he's out of office in a year. . . .

THE AMERICAN WAY

Where Do We Go From Here, Lefty?

Letter To Editor

Ruidoso News
Dear Editor:

The American Legion campaign to teach children religion interested me to the point of being critical and I hope helpful to someone by the following quotations and suggestions since statistics tell me 90 per cent of Americans believe in God but very few of that number have a concrete idea of what they believe about God; and all too often they ask how one can know which church is right?

To this question the Bible gives criticism and commendations to seven churches in Revelation Chapters 2 and 3 and finishes by saying: "He that hath an ear let him hear what the Spirit sayeth unto the churches," and Revelation 3:2: "To those who wish to teach the Bible, first commend study." II Timothy 2:15: "Study to shew thyself approved unto God a workman that needeth not to be ashamed, rightly dividing the word of truth."

To divide the word of truth, the Bible, too closely is a mistake for it takes the Book of James to give God's law of liberty which is repeated in Peter but very briefly stated by Christ in Mark 22:30: "And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength, this is the first commandment. And the second is like, namely this, Thou shalt love thy neighbor as thyself."

One other criticism . . . why didn't the American Legion poster picture a MAN leading the prayer in that family? That is the standard set throughout the Bible.

Sincerely,

Mrs. Nina Taylor,
Lincoln, N. M.

We of El Paso are certainly indebted to your organization for having sponsored Sun Princess Maquelin Ratliff, who graced the 1949-1950 Sun Carnival with her lovely and charming presence.

Princess Maqueline, whom we and many, many others had the honor and pleasure of meeting in person, was indeed generous in participating in all of the activities, which brought so much happiness to thousands, and great credit to you and your organization; because of her presence. If you didn't see this delightful young lady, who was so beautifully gowned, presented at the Queen's Coronation Ball, the Symphony Concert, etc., you certainly missed a real treat.

Please extend to her our very best wishes, and accept our sincere thanks for your having made it possible for her to have come our way when she contributed so much to this annual event, which is definitely yours and ours.

With best wishes, we remain, on behalf of the entire Board of Directors,

Sincerely Yours,

HONDO NEWS

By Caroline Davis

Miss Libby Torres, daughter of Mr. and Mrs. Martin L. Torres, of Hondo, has returned from Southern California, where she has been on an extended visit. While in California, Libby visited her brother, Fred Torres, and his family. Libby and her niece, Irene Torres, daughter of Fred, were 1949 graduates of Hondo High School.

Mr. Albert Booky has returned to Hondo, and is now on duty at the Vets' Cafe, Hondo Junction, following a week spent in Albuquerque where he visited his father, James T. Booky, who is convalescing in the Veterans Hospital there. Al reports his father is doing nicely and should be home before too long.

McKinley McTeigue, Miss Nora Sanchez and Mrs. Beatrice Nason went on a shopping trip to El Paso last weekend. The assistance of all three was required to help Lucia McTeigue select her wedding gown.

A children's clinic was held at Hondo School, Thursday January 26, under the direction of Dr. Larry Moore of Ruidoso, and Mrs. Baumgartner, County Nurse. This proved a popular event and was well attended. Another will be held next month.

Sunday, January 29, Miss Lucia McTeigue, popular bride-to-be of Monroe A. Sanchez, of Hondo, was guest of honor at a bridal shower at the Hondo Grade School.

Hostesses honoring Miss McTeigue were Mrs. E. E. Chayez, Mrs. Bernice Nason, Mrs. Albert Montes and Mrs. John Davis. They were assisted by Miss Nora Sanchez, Miss Libby Torres, and Miss Patsy Torres, and Mrs. Orlando Montes.

The guests played games and enjoyed refreshments of cocoa and assorted cookies.

McTeigue-Sanchez Wedding Tomorrow

Miss Lucia McTeigue, daughter of Mr. and Mrs. Fred McTeigue, of Hondo, will be united in marriage with Monroe A. Sanchez, son of Mr. and Mrs. Mauro Sanchez, also of Hondo, at St. John's Church, Lincoln, Saturday, February 4. Father Vito G. DeBaca will officiate at the nuptial mass in the same church where the bride's paternal grandmother, Mrs. Inez Rue, was married fifty-three years ago.

Miss McTeigue will wear a wedding gown of white lace, with long sleeves falling in a point at the wrist, and the traditional wedding veil. She will be given in marriage by her father.

Members of the wedding party include McKinley McTeigue, brother of the bride, best man; Libby Torres, of Hondo, maid of honor; Orlando Montes, Glencoe, Groomsman; Mrs. Orlando Montes, Glencoe, Bridesmaid; Albert Booky, Hondo, and Luyin Chavez, San Patricio, ushers; Priscilla Mae, Lincoln, and Patsy Torres, Hondo, flower girls.

Following the ceremony, there will be a reception at the McTeigue home in Hondo, for which invitations have been issued.

Among the out-of-town guests expected are Mrs. A. Sena, Lubbock, Texas, maternal grandmother of the bride; and Mr. and Mrs. Tommy Chavez, of Las Cruces, at whose wedding last spring Miss McTeigue served as maid of honor.

The bride attended New Mexico A&M College, at Las Cruces, and the groom is currently attending Highlands University, at Las Vegas, where the young couple will be at home, following a brief wedding trip to the northern part of the state.

Mr. Sanchez is a veteran of three years' army service, and served 27 months in the European theater. Both the bride and the groom are graduates of Hondo High School.

Reserve Corps Regular Meeting

At the regular bi-monthly meeting of the training unit of the 4183 AAA Battalion of the Organized Reserve Corps in Ruidoso last week, Joe Morris became an active member. He is a Reserve lieutenant from Texas A&M and the son of Superintendent J. H. Morris of the Ruidoso Municipal Schools. He is conducting vocational agricultural classes in the Ruidoso Valley for Veterans.

The meeting was attended by Lt. Col. Frame, senior instructor of the Roswell Area and his assistant, Sgt. Sims. Instruction during the evening was conducted by Paul Jones and Joe Hawkins, who is commanding the local unit in the absence of Pete Breese.

Meetings are held on the second and fourth Thursdays monthly at 7:30 p.m. in the Ruidoso High School. Ex-service personnel interested in learning of the retirement program of the ORO are invited to contact Hawkins at Sacra Brothers in Ruidoso or to attend one of the regular meetings.

HOOT, MON, I'M THRIFTY!

EVEN a Scotchman would be glad to have me on the payroll. I still work for pre-war wages, and the more work I do the less I cost per hour.

No job is too big for me and no hours too long. Every day, in many ways, I help you enjoy better and easier living, and at the same time save you time, work and money.

Just for fun, divide your next electric bill by the number of days in the month to get my daily pay. Then think of all the jobs I do and you'll agree that I represent by far the biggest bargain in your household budget.

Bill Tells About His Flight To Colorado To See Cog Railway

(Continued From Last Week)
 Today this company operates nine miles of double cog railway to the top of Pike's Peak, owns its right of way and 14 acres on the very top of the peak where they have an observatory, owns one mile of incline or cable car railway to the top of Manitou Peak. Also they own all of Cheyenne Mountain covering thousands of acres with a toll road to its top at the base of which they have the famous Broadmoor Hotel, a large zoo, ice skating rink, two miles of smaller cog railway with complete rolling stock, a complete city of shops and stores, a cancer clinic in Colorado Springs considered one of the best in the country, a hospital, three banks and numerous ranches about the country. One man said they own everything but the air above and sometimes it looks like they might take that over.

The railroad to the top of Pike's Peak was begun 60 years ago. The track and cog are practically the same today as when they began but back about 20 years ago the heavy steam equipment was abandoned for lighter, more efficient diesel, electric and gasoline driven engines. Coaches were made much lighter and capacity increased. The line had made no money up to this time but since has made more and more each year. During these 60 years they have never had a passenger killed or injured. Last year, their best season ever, they carried over 20,000 passengers.

Beginning at a level of 6,000 feet the road goes up to 14,000 the peak. They operate from May to October and at the height of the season five trains go up seven minutes apart, taking one hour for the round trip. While they still have their old steam units in condition to run and do run them on days when the crowd is large, their main units are two diesel electric units costing \$72,000 each with a coach for each at the cost of \$25,000. Those cars carry 58 people each and have re-

versible seats so that when the train backs down the mountain the passengers can face forward. The fare for this trip is \$5.00 plus 50 cents tax per person.

After the 20-year franchise on the highway ran out the road was turned back to the Park Service who had no money to maintain it. Then it was passed to the state of Colorado who also didn't maintain it. Finally in self defense the city of Colorado Springs took it over under lease with an agreement they could collect 50 cents per car toll providing all tolls were spent back on the road. It operates under this arrangement now.

The next system, the Incline Railway, is a track built up the face of Manitou Peak at an incline of 68 degrees. The power station is at the top and a cable the length of the track, one mile, has a 28-person open car attached to each end. In the middle is a double switch track where the cars pass. The power unit at the top pulls the loaded car up and lets the empty car down or vice-versa. This system handles 1,400 people per day at 75 cents each. A curio and food concession is at the top. This is the most efficient operation of all and makes more money.

The third system is the size we need here at Ruidoso. Beginning at the Broadmoor Hotel it runs for two miles up into a canyon of Cheyenne Mountains to the zoo. The track is 16 pound rail on 36-inch gauge. The engine is shop made and is powered by a Cadillac motor. It has been in service 10 years. Reports indicate it more flexible, easier to repair, and cheaper first cost than any other type power. The cars are likewise shop made and seat 40 people each. They are 72 inches wide and 21 feet long. They are also open having a top with roll down curtains for bad weather.

This line has a single cog or rack in the middle of the track

where the larger one has a double. The maximum grade is 17 degrees and travels four miles per hour. Its maximum speed is seven miles per hour.

Since this unit fits our requirements we gave it careful study. Mr. McKay was building a new engine and two new coaches in the shop so we were able to study each part, take notes and pictures and he gave us blueprints, part numbers and tracings. He advised that they were not interested in making any for anyone else but we were welcome to come into the shop for information and help at any time.

The new engine he was working on is to carry a new 1951 model Cadillac motor with hydromatic drive. Mr. McKay says this type motor operates as smoothly in the engine as on the road and requires very little use of brakes in coming down the mountain.

The cars are made up on standard flange wheels similar to those used in mines. The engines are more complicated beginning with the Cadillac motor, connected to a shop made gear box containing two 1934-36 Ford truck ring gears and a pinion. A shifting gear between the ring gears allows for reversing and running at the same speed as forward. From this box two No. 120 link chains run to sprockets on the rear axle to which is fastened the cog and two brake drums. On this same axle, which is shop made also, are two rear wheels running on Timkin bearings and free of the axle.

Castings come from U. S. Foundry at Denver. Rail from Colorado Fuel and Iron, Pueblo. Gears and chains from Hendrie and Bolthoff, Denver. All machinery was done in their own shop. The rack which fastens in the middle of the track and the cog runs in it, is made in two foot sections joined by four bolts and two six inch pieces of angle iron. Holes in these allow for spikes into the ties. The ties are six inches by six inches untreated pine, six foot long placed on two foot centers. Mr. McKay states these last for four to ten years depending on the dampness of the ground and whether they are surrounded by dirt or laying out on rock base. He said that if oak was available it would be much better. The cog and rack are not standard and must be made to order. The cog is cast by U. S. Foundry at Denver and can be bought there. The rack was cut from bar steel with an automatic oxygen-acetylene cutting torch and is the cheapest way yet found. Cast iron breaks too easily. We secured patterns for these also.

We were advised that Stearnes Rogers Engineering Co. of Denver would design us a railroad but from the information we have and other we can get from Mr. McKay, I see no reason why we cannot make our own equipment here in Ruidoso except for some large machinings. We are now assembling prices on rail, wheels, etc., in order to arrive at our cost.

It is my recommendation that we decide at once on this small cog

railway, retain a good civil engineer to lay out our right of way, get our application in to both the Indians and the Forest Service, and also an application into the RFC for a loan.

The beginning point should be at the old CCC Camp site and continue up Cedar Creek to the present Ski Course, thence up the north side of Cedar Creek to Cow Mountain, across the saddle between the ridge over the bald hill into White Mountain Park. This entire distance would be about eight miles.

Another interesting business we learned of in Colorado Springs was this. The city of Colorado Springs has a pipeline beginning half way up Pike's Peak. The water is brought down several thousand feet and through a turbine generator

where they make 400 kilowatt electricity. The water goes back into a pipeline, over another hill and down parallel to the Incline Railroad to another power plant at a pressure of 1,050 pounds per square inch. After going through another turbine where the rest of the electricity needed for the city is made, the water goes into a reservoir, is chlorinated and enters the city mains. This makes three times the water is used. Next it enters the sewer system by various means and then into the disposal plant. Here the water is reclaimed and turned into the river to supply drinking water for cities farther down the line. The efficiency of this setup exceeds even the Incline Railway.

Something About Artist Who Did "Self Portrait"

By Mary Nell

During the El Paso State Carnival Art Exhibit Earnest Beagley, Ruidoso artist, had two of his oil paintings singled out for special attention as they were pictured, one on the front page and another inside, in an edition of the El Paso Times. The two paintings exhibited were "Pink Lady", a story of frustration in oils, and "Self Portrait", painted in a moment when his sense of humor overcame all else.

Many persons in this area who have not had the pleasure of meeting Earnest Beagley and his charming young wife asked "who that, I didn't know he was in Ruidoso", so I shall try to tell you something about his life and work.

Earnest Beagley was born and raised in Houston, Texas going to school there, and taking a job when grown as draftsman for oil companies there. He worked, was intensely interested in Boy Scouts, and dabbled at painting when he had time.

In the later part of his 39 years Mr. Beagley's interest in art reached the bubbling point, but was soon interrupted by two years of service in the Navy at the onset of World War II. But his military did not go unrecognized in the Navy for while in service he was called upon to do mural for the enlisted men's mess house at Camp Parks near San Francisco.

Shortly after his discharge from the Navy Mr. Beagley decided not to return to the routine of 9 to 5 office hours as a draftsman, but to go in seriously for an art career. He studied earnestly and worked for four years with some of the finest instructors in the city of Los Angeles.

During this period he concentrated on Fine Arts and Creative Design. His proficiency in Architectural Design won for him first prize in a contest sponsored by the Chamber of Commerce in Los Angeles for the development of an approach to the proposed opera house for that city. This work included the terracing and landscaping of a beautiful park providing facilities for the exhibition of outdoor and underwater sculpture and the designing of a

huge fountain of precast concrete, glass brick, transparent plastic, and in interchangeable colored lighting system.

At the close of his studies in Los Angeles Mr. Beagley married a young lady who was attending the same school. A designer of dresses and gowns, Irene is an artist in her own right, as well as being talented in the field of ceramics.

The early part of 1949 found the artist looking for a place to settle and further pursue his chosen field. His tour of the Southwest brought him to Ruidoso, and his ended his search. For in Ruidoso he found friendly, kindly people, a fine community spirit, and he could see the possibilities for Ruidoso becoming one of the outstanding cities of New Mexico.

At the present time he is building a small home of his own design on the edge of the "Ruidoso" where he and his wife will create their own original furnishings, drapes, decorations inspired by the simple beauty that surrounds the locale.

This summer Mr. Beagley plans to teach art and conduct painting tours of familiar scenes throughout the vicinity. Admirers of his work will be glad to know that he plans an exhibition, the first complete exhibition in Ruidoso, at the close of the summer season.

Not only talented in art Mr. Beagley was a huge success as simply "the clown" in the Green Tree Minstrel presented a few months back and at the present time is planning to work with the High School P.T.A. on their "Men's Fashion Show" for February 11th.

If you haven't done so, take time out and meet the young Beagleys of Ruidoso.

NOTICE

On February 12th, designated through the world as "Scout Sunday" the Ruidoso Boy Scout Troop and Explorer Scout Troop will attend evening services in a body at the Community Methodist Church in Ruidoso. This is in direct observance of the 12th Scout Law which states "A Scout is reverent toward God and faithful to his religious duties."

GLENCOE NEWS

By Dan Storm

Mrs. Bonnell's arm is much better and she is up and around nearly as spry as ever. Friday she accompanied her son, Ralph, to Roswell to attend the 19th annual sale of the Southeastern New Mexico Hereford Breeder's Association. Six head of cattle from the Bonnell Ranch were among the 90 animals sold.

Mrs. Clifford Cacy is recovering from a spell of pneumonia. Mrs. Angela Gonzales and Amalia Montez are helping nurse her back to health. All neighbors are glad she is over the worst of the illness.

Lloyd Perry drifted up from the Salt Flats country last week and visited around the home place a day or two. Tuesday he took his Dad back to Dell City, Texas, to locate water for some important wells down in the low country where it is a long ways between drinks.

Brother Don left for Texas Christian University Monday after spending the weekend at home. As well as being a top notch athlete, Don is an excellent student.

The other day I ran across one of our Glencoe boys who has moved to the city. Kenneth Nosker is running a big, fine filling station right on the main street of Ruidoso. But moving to the city hasn't gone to Ken's head a bit. He wasn't the least bit high-falutin' at all, but was the same old Ken. He talked to me as friendly-like, and was plumb glad to see somebody from down home. I appreciate something like that in a young feller. I shore do.

Mrs. George Perry and Mrs. Ambrose Guest held a house warming as a welcome to the Sloans, new neighbors in the Hondo Valley near Tinnie. Refreshments were served and gifts for the home presented.

I see my neighbor Gerald Tully out riding after the stock every day. The old maestro of the steering art doesn't seem to mind a little wind blowing down the canyon, even if it is strong enough to knock down trees and make white-cap waves on the Ruidoso River.

Brother Jimmy got an early start on the pruning of his orchard and is now through with the biggest part of the job. Roy Brasher was his pruner most of the way on the big orchard. Roy is pruning Wilbur Coe's young orchard now. Jimmy's orchard is at its very best. It is good to see a man and his orchard come into the prime of life together.

Mr. and Mrs. Perry Bates have gone to Carrizozo where he will work with a construction company there. They will be home up Cedar Creek on the weekends.

Are YOU Going Thru CHANGE of LIFE?

causing you to suffer from HOT FLUSHES?

Does the functional 'middle-age' period peculiar to women (38-52 yrs.) make you suffer from hot flushes, feel so nervous, high-strung, irritable, weak? Then go try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this!

Taken regularly—Pinkham's Compound helps build up resistance against such 'middle-age' distress. It's what Doctors call a uterine sedative. It positively contains no opiates—no habit-forming drugs. Pinkham's Compound helps nature (you know what we mean). It's also a great stomachic tonic! Any drugstore.

BOY SCOUT Week

AMERICA'S BOY SCOUTS and leaders, now numbering 2,300,000 strong, are observing the 40th anniversary of their organization from Feb. 6 to 12. Scouting has become so woven into the American way of life it is difficult to recall when our nation did not have this character-building, leisure time program for its youth.

Since 1910, more than 16,500,000 American boys and men have had the benefits of the training, fellowship, handicraft skills and high adventure of Scouting. America is all the richer for it. Many men in high places in American affairs today proudly credit Scouting's influence in their lives.

The year-in, year-out civic and emergency service to the nation by Boy Scouts, needs no recital here. Scouting brings to boys at an important time in their lives a program of worthwhile activities, under high grade volunteer leadership.

The need is for more boys to have the advantages of Scout training. Although more than 2,300,000 boys and leaders are now in Scouting, there are thousands of boys still outside the organization. They can get into the fun if more institutions open their doors to them in their own neighborhoods, and if more men interested in boys, volunteer their time as leaders. It's an investment that pays off richly in personal satisfaction.

MESCALERO INDIAN CALL

By Edna Shields
Mr. Nelson Kaydazinnie's little son, Ronnie, was hurt pretty bad last Monday when he fell face down on the old jagged stump in the middle of the sidewalk. He had several stitches, and was out of school for a week.

Mr. Eldon LaCourse was driven to Wm. Beaumont hospital in El Paso Wednesday night of last week, and as we go to press his condition is not the best. Mr. Bill Bruening and Mrs. LaCourse drove him down, and visited him again Saturday.

The Woman's Club party, which included all members of each family, was held in the croft of the Protestant Mission so as to have sufficient room to feed and entertain the near seventy who were present. Mrs. Leland Carl, Mrs. Kueben Ten Haken, and Miss Anne Becker were hostesses, and Mesms Martina Smith and Belle Kazhe cooked the delicious Indian fried bread which was served with the dinner.

The croft is a fine, spacious place for such gatherings, having a game room, a book room, a nice stage, dining room, and kitchen. Few villages three times this size have such splendid facilities, and Mr. Ten Haken says the young people meet at least once a week in winter, and twice a week in summer, for games and reading.

Mr. John Jooco, recently discharged at Ft. Bliss, was one of the guests present at the Club party; he is from the Ten Haken's home town in Wisconsin, and is their guest for a time. Does everybody in Wisconsin grow tall and slim?

Mr. Pete Valdez was in from the hills Saturday—he's not town dude these days.

Mr. and Mrs. Raymond Enjady found a baby girl January 3, named Rosanna. The breddie Peraltos—a boy, Jan. 22, named Raymond, and the Henry Kanes a girl, Jan 18, named Corine Mae. The stork must have been breathless—a sort of Tax-Exemption-Special, no?

Last Friday night the Reino Sarlins surprised Mrs. Bill (Sybil) Bruening with a birthday party. Those present were the John Crows, Albert LaRoses, Mrs. LaCourse, and, of course the Brueningers, Bridge and Canasta were played, with the honoree and her

husband taking both prizes. Did not catch Sybil's age, but she's still away over on the sunny side.

Mr. W. J. Pitner, Area Soil Conservationist, arrived Monday eve for official duty.

The Thunderbird Club gave a birthday party Saturday night for Lorenzo Duffy on his fifteenth birthday, had a huge delicious cake baked for the occasion, and served punch with it, and danced.

Mrs. Richard Magoosh gave a joint birthday party for her two young unmarried daughters, Gloria, 6, and Janice 4, at the Protestant Mission, as both birth dates come in January. Gloria had just returned from the Indian Hospital in Albuquerque.

Mesms. L. Carl and Frank Dorame took their school basketball team to play Tularosa Jr. team Friday night, but lost to Tularosa.

Friday Feb. 3, the CGA, Cattle Growers Association are holding their annual meeting, and lunch was served to all members at 1 p.m.

The Business Committee reports successful farm meetings last week—refreshments were served at Whitetail. A similar meeting was held at Mescalero Tuesday.

Madms. Maxine Natche and Elton Yazza went to Albuquerque with Miss Kate Ritter for eye and physical examinations.

The Chief says we should consider the message on the "Will Rogers Calendar" sent to customers of a nearby business, which says: "Life's greatest gift, a year of time."

Son Joins Father In Local Business

Mr. and Mrs. Mires Johnson, and small son Ross, have recently moved to Hollywood, N. M., where Mires will be in business with his father at the Western Stock Yards there.

Young Johnson recently graduated from Sul Ross College in Alpine, Texas with a B. S. Degree in Ranch Animal Husbandry. Mrs. Johnson has also been a student there.

Have Hamburgers Handy

By BETTY BARCLAY

The question "What shall I serve unexpected company?" does not excite today's hostess as it did her mother or grandmother.

Manufacturers and packers have answered this question by furnishing cans of almost any food, that may be placed on the shelf or in the refrigerator—to be used almost instantly.

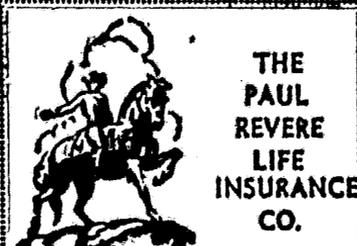

For instance, here are two wonderful tasties, made from canned broiled hamburgers:

Claridge Broiled Hamburgers With Tomato Sauce and Mushrooms
Place unopened can of hamburgers in kettle of briskly boiling water for 12 to 15 minutes. Prepare spaghetti according to directions on package—boiling required time—and drain well. Open hot can of hamburgers slowly and pour hamburgers and tomato sauce over spaghetti. Serve with tossed salad.

Broiled Hamburgers With Brown Gravy and Mushrooms
Place unopened can of Claridge Hamburgers in kettle of briskly boiling water for 12 to 15 minutes. Boil potatoes in their jackets until cooked. Remove skins and break potatoes into pieces. Open hot can of hamburgers slowly and pour out contents, making certain to cover the potatoes with plenty of brown gravy and mushrooms. Serve with your favorite green vegetable.

Wade Hedgecock, Bill Don Knox and Dave Parks spent three days in Hobbs, N. M. the past week. They attended the Student Council Meeting there Saturday morning, (and were having a terrific time getting Wade's Jeep to run on the way home when we passed them at Riverside coming in from the Press Convention at Carlsbad).

SAN PATRICIO SENTINEL

By Nellie Ruth Lucas

There is now in circulation a petition to call an election to vote the bonds to rebuild the grade school here at San Patricio.

T. S. Chavez was a business visitor in Roswell Friday.

Fredda Helena and Ronald Perry spent the weekend with Mrs. Helena C. Lucas.

Billy Babers was home for the weekend from the Fuller Ranch at Picacho.

Hondo High School and Ruidoso High School played a nip and tuck game of basketball at Hondo Friday night. The final score was 39-37 in favor of Ruidoso.

Miss Cerila Sanchez was hostess at a party last Saturday night at her home. About thirty guests were present to help Cerila and her parents, Mr. and Mrs. Ben Sanchez, celebrate the completion of their attractive new room.

Mrs. Mary Louise Mercer, sister of Mrs. Shelton Taylor, and sons are leaving Monday for Japan where Mr. Mercer is now stationed. Mrs. Mercer and sons spent the weekend with Mr. and Mrs. Taylor.

Mr. and Mrs. Tom Babers and Billy attended the bulk sale in Roswell Friday.

Mrs. B. J. Bonnel and Harvey spent Sunday at the home of Mrs. Frank Coe.

Mr. and Mrs. Henry P. Latham and Mike attended the bull sale in Roswell Friday.

Mr. and Mrs. Wilbur F. Coe gave a party Saturday night in honor of Mrs. Eva Hilton Lewis of El Paso. Mrs. Lewis is the houseguest of Mrs. Virgie Lockett of Picacho.

Mr. and Mrs. Kiel Bonnell visited Mr. and Mrs. Tom Babers Sunday.

Mrs. Victoria Limacher was a business visitor in Albuquerque this week.

Mr. and Mrs. Dow Robinson and sons of El Paso and Mr. and Mrs. Hank Woods of Roswell visited Mr. and Mrs. Shelton Taylor and family over the weekend.

Mr. and Mrs. Rafael Miranda are the proud parents of a baby boy born the 31st of December in Roswell. This is Mr. and Mrs. Miranda's second son.

Mrs. Helena C. Lucas won the beautiful hand-tooled brief case raffled off by the Women's Civic Club of Green Tree.

Program For Tea Is Announced

During the Silver Tea to be held at Wingfield Hall Sunday, February 12th, sponsored by the Pine Cone No. 31, an outstanding musical program will be presented as follows:

Vernon Allen, Hondo, N. M. Violin selections "Traumerie", Shumann; "Andante", Gluck; "Cavatina", Raff; "Minuet in G", Beethoven.

Shirley Stanford, Green Tree, N. M., piano numbers "Polonaise", Chopin; "Clair de Lune", Debussy.

Mrs. Paul Vance, Green Tree, N. M., violin numbers "Romanza" Eversole and "Meditation", Massenet.

Patsy Long, Green Tree, N. M. piano numbers "Country Garden's"; "Hungarian Dance No. 6", Brahms.

Barbara Gazaway, Green Tree, N. M., piano number "Le Secret", Gaultier.

Ada Lou Long, Green Tree, N. M., clarinet solo "Finlandia" Sibellus.

During the afternoon there will also be an art exhibit with Earnest Beagley of Ruidoso exhibiting his "Self Portrait" and "Pink Lady" among others; Mrs. Wade King showing several oils of local landscape; and Patsy and Ada Lou Long will display some of their oil paintings including one of "Old Baldy" which won the blue ribbon at the Otero County Fair in Alamogordo last year.

CORONA NEWS

By Mrs. A. E. Mulkey

Corona is still progressing right along.

A special school bond election will be held February 17 in Corona.

The Corona Board of Education plans to build a \$100,000 additional school buildings this year. They have already \$40,000, and expect to float a \$60,000 bond. If the bond issue is approved at the coming election the building will be started in March so it can be completed, or at least part of it, by August 1950. Plans have been made for a new gymnasium, additional rooms, and repairs, all of which are badly needed.

Two separate R.E.A. meetings were held in Corona recently. The general meeting was given to discussing of finances and local problems. The other meeting was held in regard to Rural Telephone Service in this vicinity.

The Presbyterian Women are conducting a rummage and miscellaneous sale each Friday and Saturday afternoons in the Sheldon building beside the El Rancho Hotel. Patronage and donations are both appreciated. The proceeds from the sale will be used to help furnish the new church building.

The members of the Baptist church are planning to build a balcony in the back of their church. The work on the balcony will begin as soon as the lumber needed can be secured.

Corona boys played ball in Mountainair Friday evening. They won two games and lost one. The scores were: Freshman team 16-20, in favor of Corona, second team 30-26 in favor of Mountainair; and the first team 37 to 45 in favor of Corona. Good sportsmanship was shown by both sides, and the games were well referred.

Somewhere between 40 and 50 of our State Highway "54" delegates were in Santa Fe last Friday and attended a banquet or dinner given at a meeting with the state road officials. Those attending from Corona were Mayor Cleve Brown, Archie Perkins, Carbin Hester, Ben Roberts, and Albert Mulkey.

Mr. W. T. Tyree and wife have been transferred from Vaughn to Douglas, Arizona. W. T. is a grandson of Mrs. E. L. Jarnagin.

Billie Johnson of Artesia was in Corona a few days this week visiting his mother, Mrs. E. H. Jarnagin.

Mrs. E. L. Jarnagin, Mrs. E. H. Jarnagin, and Mrs. P. H. Buchanan spent a few days in Artesia last week.

Miss Kathleen Merritt, (secretary of A.A.A. in Estancia), was home during the weekend visiting her parents, Mr. and Mrs. L. K. Merritt.

The El Rancho Cafe was opened recently for business. Mr. Bill Merritt of Kerrville, Texas is helping with the Cafe. He has had a good deal of experience with the work. He is a brother of Mr. L. K. Merritt. The Merritts also are prop. of the El Rancho Hotel.

Mrs. Bud Sheff and son are in Bovina, Texas visiting her mother, Mrs. Morie Bussell.

FRUSTRATION

Over the hills, and far away,
I sought for the noble stag one day,
Flushing him out of the pines at dawn,
Soon the exciting chase was on;
Leaping the bracken and brawling fern,
Seeming the cloying earth to spurn,
Swiftly he sped, through fern and fen,
Up the valley and down the glen.
My friends and I, with perennial hope,
Followed him over each stony slope
Until, in the twilight dim and gray,
Fired but defiant, he turned at bay.
Silhouetted by sunset skies
He was a most magnificent prize
As he stood majestically there on the hill
Watching us closing in for the kill.
Out of a chase emotion fraught
This was the moment I had long sought.
But, just as I drew for the fatal mark,
My quarry vanished into the dark!

Corona Womans' Extension Club

The Corona Womans' Extension Club met in the home of Mrs. W. A. Mays January 26, 1950 for their regular meeting. The Assistant hostesses were Mrs. Bryan Hodge and Mrs. John Ingram. Preceding the covered dish luncheon at the noon hour a short business meeting was held. The newly elected officers were installed as follows:

Mrs. Carl Hiner, President; Mrs. W. A. Mays, Vice-president; Mrs. Jack Davidson, Secretary; Mrs. Chancey Thomson, Treasurer; Mrs. Carl Ryberg, Parliamentarian.

The outgoing President, Mrs. Ryberg, was presented a lovely gift from the club members. Mrs. W. S. Dishman was in charge of the afternoon program and led in a roundtable discussion on "Personal Grooming."

Mrs. John Sigler is in El Paso visiting with her husband's parents, Mr. and Mrs. S. R. Sigler and other relatives.

Dr. and Mrs. Larry Moore, Mr. and Mrs. Harold Jones and Mr. and Mrs. Joe Palmer went to Carizozo last Saturday night for the festivities planned in connection with the opening of the new Carizozo Hospital.

Mr. and Mrs. Hal Sheldon of Council Grove, Kansas who have been touring the Western States stopped in Ruidoso last Friday to call on Dr. and Mrs. A. J. Lewis, who formerly had lived in Council Grove and were neighbors there of the Sheldons. They had not seen each other in twenty-five years. They were pleasantly impressed with this beautiful mountain country and decided this is where they will spend their next vacation.

Mrs. Lum Richards is visiting her daughter and son-in-law, Mr. and Mrs. Blair Halliday. She and Lum are still living in Los Alamos.

Mr. and Mrs. J. T. Baker of Midland, Texas were visiting the W. D. Horton family last weekend. Mr. and Mrs. Baker are Mrs. Horton's parents.

Dr. and Mrs. Don Snyder will meet Dr. and Mrs. Geo. Loughlin of Kirksville, Mo., in Dallas this weekend for a visit. Mrs. Loughlin may return to Ruidoso to visit here with Snyders.

Mr. and Mrs. Bob Boyce went with Mr. and Mrs. Jack Shaw to Mexico for a visit. They left Sunday and plan on going as far south as Chihuahua City.

Mr. and Mrs. Bill Blakely have returned from a three weeks winter vacation trip in their new car. They visited El Paso, Hot Springs, and went on down into Mexico as far as Chihuahua.

Beta Sigma Phi Studies "Ballet"

The last meeting of the Beta Sigma Phi Sorority was held in the home of Mrs. R. K. Knox.

Following the business meeting the program was in charge of Aileen Stewart who discussed "ballet". Patsy Long, a student of ballet for two years at the Arts Colony of the Southwest, was a guest speaker and she also demonstrated certain basic points of ballet dancing.

After the program and during the social hours hostesses Mrs. Knox and Mrs. Dorothy Kirkman served delicious refreshments.

L. S. (Heavy) Drake Announces for State Representative 16th Dist. (Lincoln County) N. M.

L. S. (Heavy) Drake, of Ruidoso, announces that he will be a candidate for State Representative of the 16th District, Lincoln County, subject to the action of the Republican Primary June 6th, 1950.

Drake has lived in Ruidoso since 1929, having come to this section as a health seeker. He is a charter member of the Roy Coe-Francis Curry Chapter 23, Disabled American Veterans; a charter member of the Robert J. Hageo Post 79, The American Legion, and a member of the honor section of that organization, the 40-8 whose membership is determined in terms of active interest in the Legion, particularly Child Welfare. He is a continuous member of thirty years in the Legion. He is also a member of the Veterans of Foreign Wars. He represents Lincoln County as a member of the Republican State Central Committee.

Drake wants the people of Lincoln County and New Mexico to know that he is public enemy number one to the unfair gas tax of two cents per gallon imposed upon the many thousands of tourists and people of this state, by action of the last legislature. There is no doubt that if this new two cent tax per gallon on gas was submitted to the people of New Mexico for a vote, it would be overwhelmingly defeated.

The surprising but true facts mentioned below are taken from the New Mexico Petroleum Industries of Albuquerque; whose research section has developed this information in order that the people of this state might know what is going on.

In New Mexico there is a seven cent state tax, plus a one and one-half cent Federal tax, a total of

eight and one-half cents on each gallon of gasoline. Eighty five cents tax on the purchase of ten gallons of gasoline.

New Mexico motorists are now paying more than \$10,000,000.00 per year in state and federal taxes on gasoline. About an average of \$60.00 per registered motor vehicle.

The highest general sales tax in the United States is 3 per cent of the retail price. The gasoline tax in New Mexico is about 40 per cent.

The present state gasoline tax rate in New Mexico is 80 per cent above the National average.

Gasoline tax rate in New Mexico is heavier than Federal income taxes.

A dollar buys seventy cents worth of gasoline in New Mexico. The remaining thirty cents goes for taxes.

Drake will appreciate any consideration the voters and tax payers may show him in the coming election and assures the people of Lincoln County, he will serve them, if elected, to the best of his ability.

Russell Smith, Jr. and family and Dan Price and family of Odessa, Texas spent last weekend in Ruidoso.
