Ruidoso Election Contested

Blaze Sears 11,500 Acres In Capitan

Fire fighters battling what is believed to be the biggest forest fire in Lincoln National Forest history gained hope Wednesday that a drop in winds and a heavy cloud cover might give them a chance to control the blaze which has devastated the north slope of the Capitans.

Smoke so thick it was almost impossible to distinguish flames shrouded the fire scene. Only the lengthening scar of the seared mountain told of the fire's progress.

Extent of the burn probably will not be decided until the smoke has cleared but an unofficial Forest Service "guess" said an area nine miles long and two miles wide had been ruined. That would mean some 11,500 acres of "mixed" timberland has been lost. The fire was about five miles from Pine Lodge on Wednesday.

A dramatic incident in the fight was reported Wednesday. It was said 25 men, trapped by a rock slide, were cornered for several hours when the flames broke into a "crown fire" and surrounded them. They survived by burying their faces and keeping moving as the flames veered from place to place, it was reported. None of the men was injured.

The fire broke out in Capitan Gap shortly after another fire had been extinguished at a sawmill north of the Gap. The mill was destroyed by the first fire which was one and a half miles from the second fire.

The first fire broke out Thursday, it was said. The second fire, fanned by winds up to 50 miles per hour, got its start in the dust (Continued on Page 2)

Hollywood Park Open To Quarter, Distance Racers

Thoroughbred and quarter horse races will be featured on every racing program during the Hollywood Park racing season, track officials emphasized this week.

They said they were repeating this statement, covering a fact well known to many horsemen, because a number of persons had written to inquire whether or not only quarter horse races were scheduled. "Every race program on all racing dates will contain races by thoroughbreds and quarter horses," the spokesman said.

"If your horse is registered, it can race at our track, provided it is entered properly," he said.

The announcement came as activity at the track took a decided upturn. As new leaves and greenery appear around the track, more and more trainers arrive to take their entries through their paces.

At almost any time of day, a visitor can see some high spirited quarter horse or thoroughbred galloping around the track. Unscheduled match races are common on weekends, also.

Upwards of 25 horses were reported stabled at the Park this week, with about 75 more expected to arrive before the May 23 Central Bar and Grill Quarter Horse Futurity eliminations. It will be the fifth running of this race, the richest in all quarter horsedom.

MUSEUM PLANNED FOR OLD MILL: Purchase of the historic Old Mill by Carmon Phillips this week assures future Ruidoso visitors that the famed landmark will be maintained as a tourist attraction and museum. The wheel will be kept turning from May to September each year.

Road Contract To Be Let, State Promises

Call for bids for improving and black-topping of State Road No. 37 between Ruidoso and Angus will be issued June 23.

That was the assurance a delegation of Ruidoso men received from the State Highway Commission in a meeting at Santa Fe on May 5.

The men, W. A. Hart, L. L. Butler, W. D. Crosby and L. B. Morgan, said the commission informed them that engineering work is being rushed so the call can be issued. Completion is scheduled this year, it was said.

The meeting, attended by some 35 persons, representing groups interested in the road project, was crowded with delegates from Lincoln County, it was said.

Represented, in addition to Ruidoso, were Capitan and Carrizozo and Fort Stanton.

Lions Commend Local Firemen

The Ruidoso Volunteer Fire Department this week received the unanimous commendation of the Ruidoso Lions Club for the part the firemen played in extinguishing two forest fires within two weeks in or near the village.

Both fires proved minor, largely because of the quick action of the department in reaching the scene and battling the flames.

Orland Bonaguail, Lions Club president, upon motion of Will Hortaon, past club president, instructed that a letter of commendation be written to the department praising it for its work.

The club also adopted a plan to hand out circulars to visitors, cautioning them of the fire danger and requesting their cooperation in preventing fires.

Carmon Phillips Buys Old Mill; Plans Museum

Drive Planned On Speeders

Frank Barajas, village marshal, plans to start a campaign against speeding and reckless driving.

In a formal statement today, he said the drive resulted from numerous complaints he had received in recent weeks concerning fast and reckless driving.

"Due to the fact that the season is on us and our streets will be congested with tourists, as well as our own school children who are now beginning summer vacations, this is a warning to slow down," Barajas said.

The drive starts Monday, May 15, he said. "I will start handing out tickets to all fast and reckless drivers on that date."

Hospital Day Observed Here

The Ruidoso-Hondo Valley Hospital will be open for inspection today as a part of the local observance of National Hospital Day.

The day, set aside because it is the anniversary of the birth of Florence Nightingale, will be open all day and all evening. Russell M. Jennings, superintendent, announced.

Hospital admissions and discharges during the past week, included these persons:

Mrs. Leopold A. Pacheco and son, Arabella; Ernest Blood, Ruidoso; Mrs. Harry Fairbanks, Ruidoso; Kate M. Ritter, RN, Mescalero; John Richardson, Hondo; and Jess Medlin, Ruidoso, and Mrs. Alfred Rader, Ruidoso.

* Sale of The Old Mill, historic Ruidoso landmark, to Carmon Phillips of Ruidoso was announced this week by the White Mountain Development Co.

The sale agreement contains a provision that the Mill be maintained as a landmark and that the mill wheel be kept in operation from May to September each year.

"Mr. Phillips has been more interested in seeing that the Old Mill is kept operating than anyone else," a company spokesman said. "The purchase agreement will assure future Ruidoso visitors that the mill will be maintained and that the wheel will be operating for their benefit."

Mr. Phillips has operated a photography studio and curio store by The Old Mill since May 1946.

"We plan to maintain the mill in its present condition for the time being," he said. "But in the future we hope to replace some of the decaying timbers and perhaps open a portion of the building as a museum for benefit of tourists."

Built in 1899, the mill was erected by Paul and Will Dowlin who operated it as a grist mill for several years. It was the stopping point for travelers between Roswell and El Paso and between Fort Stanton and Mescalero.

A saw mill, powered by a wheel which stood where the present wheel stands, supplied lumber for Fort Stanton. The nearby Rio Ruidoso and the convenient "mesa" near the mill provided a rendezvous for Indians about once a year. Fort Stanton cavalry companies made frequent stops at the mill during their forays.

Among frequent visitors at the mill in the old days was William Bonney ("Billy The Kid"), Pat Garrett, Major Llewellyn, and Johnny Riley. In 1884, after the death of "The Kid," Paul Dowlin and a cowboy named Jerry Dillon shot each other to death in a gun duel on the hill behind the mill.

The mill was site of Ruidoso's first postoffice, 1896. It also was where Peter Hurd, one of the Southwest's best-known artists, held his first exhibit.

Mayor Ike Wingfield was born in the mill.

Ratliff, Dill File Action; Assail Votes

A smoldering controversy over the manner in which the April 4 village balloting was conducted broke into the open this week with filing of a suit to contest the election.

Plaintiffs were W. D. "Dick" Ratliff, unsuccessful candidate for mayor on the Non-Partisan Ticket, and Ray Dill, unsuccessful candidate for trustee on the same ticket.

Defendants are Ike N. Wingfield, who was re-elected mayor, and O. A. Luallin, elected trustee.

No date has been set for the case to come to trial. It was filed in District Court at Carrizozo.

The action brought quick but unofficial reaction from City Hall. It was reported there that filing of the suit had knocked village efforts to complete sale of a \$125,000 bond issue and an airport improvement program "in the head."

"We won't be able to do anything on these projects now for a year or more," one village official said. He declined to be identified.

Mr. Ratliff was vehement in his denial of this allegation.

"This suit does not involve the village, the water bond issue nor the airport program. It affects only the men named. It will not halt sale of bonds authorized in the bond election nor will it stop work to improve the airport."

Mr. Ratliff said he and Mr. Dill initiated the contest because "right is right and we intend to see that (Continued on Page 2)

Clerk Lists All Candidates For Primary

A list of all candidates who filed for nomination in the primary election in Lincoln County was announced this week by J. G. Moore, county clerk. Filing deadline was May 6. The primary is June 6.

Democrats who filed and the posts they seek:

Representative, 16th Dist., W. B. (Bud) Sheff, Frank C. Boyce; County Commissioner, Dist. 1, Pete Romero, Hilario Gomez, Sylvester Balcido; County Commissioner, Dist. 2, Harry Straley; County Commissioner, Dist. 3, W. A. (Bill) Hart, Pat K. Farrar, Ben Lealle, Sr.; Probate Judge, Elardo Chavez; County Clerk, Don J. Queen; Sheriff, S. M. Ortiz; Assessor, Ramon S. Luna; Treasurer, Mrs. Maude F. Eahom; County Superintendent of Schools, Elva S. Wilson;

Justice of Peace, Precinct No. 9, Capitan, Ross E. Aldrich; Constable same precinct, Phil K. Blaise; Justice of Peace, Precinct No. 14, Carrizozo, Johnson S. Stearns; Justice of Peace, Precinct No. 19, White Mountain, Harold M. Graham, C. D. Weems, Jim Ayres; Constable same precinct, Frank Barajas.

Republican candidates and posts they seek:

Representative, 16th Dist., L. E. (Heavy) Drake; County Commissioner, Dist. 1, L. A. Pacheco, Granville Richardson; County Commissioner, Dist. 2, A. C. Hester; County Commissioner, Dist. 3, Wilbur L. McKnight; Probate Judge, Paulino Aldaz; County Clerk, J. G. Moore; Sheriff, S. E. Grelsen; Assessor, Manuel V. Chavez; Treasurer, John E. Wright; Superintendent (Continued on Page 2)

Feeders' Day Set For June 5 At A&M College

Feeders' Day, when farmers and ranchers of New Mexico and neighboring states are particularly invited to come and see the progress in research on livestock feeding, will be held at New Mexico A. & M. College June 5, J. H. Knox, head of the animal husbandry department, announced this week.

In addition to research reports, the program will include discussions of the market situation and developments in feeding under practical operations, Knox pointed out. Details of the program will be announced later, he said.

"We selected June 5 for Feeders' Day because it is the time when more of our experimental livestock will be on hand for inspection," Knox explained. "It is also the day for commencement exercises at the college, and the 4-H Club Leaders' short course will begin here on June 6. Some visitors may want to plan to come early to the Feeders' Day program, attend the commencement exercises in the evening, and remain over for the five-day short course."

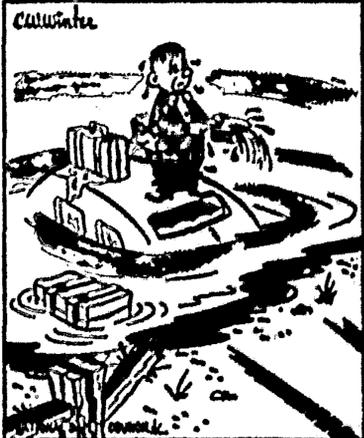

This is the eleventh year for Feeders' Day at New Mexico A. & M. It was begun in 1937, discontinued during the war, and resumed in 1946. The day is sponsored jointly by the New Mexico Agricultural Experimental Station and the Extension Service.

(Continued from Page 1)
storm of last week and soon raged out of control.

At one point it was said the 300 men and six bulldozers fighting the fire, including crews from Fort Bliss, Holloman Air Force Base and White Sands Proving Ground, were forced to abandon the fight while the flames swept unchecked through the tinder dry stand.

High temperatures, extreme dryness, rough terrain and the high winds combined to give the fire fighters every disadvantage and the flames every chance, a Forest Service spokesman said. He said both fires were man-caused.

It was the third fire within recent weeks in the Lincoln National Forest. Others were at Bonita Dam, 640 acres, and Weed, 1,500 acres.

Canyon Echoes . . .

Buddy and Ruth Kopp, former residents of Ruidoso, arrived last week from Erick, Okla., with plans to spend the summer here. They were accompanied by Buddy's sister and husband, Peggy and Bob Lang, who have recently returned from Japan after two years with the occupation forces.

Guests of Mr. and Mrs. George Westall, Ruidoso, this weekend were Mr. and Mrs. Milton West and sons, Mr. and Mrs. Gerald Westall and Miss Sandra Westall, all of Artesia, and Miss Ruth Yancey and Ed West of Roswell.

Arriving in Ruidoso Thursday from Dalhart, Texas, were 50 seniors from the Dalhart High School and their four sponsors. The group visited a number of scenic points during their four day stay.

Roger Schenk is planning to drive from Ruidoso to Albuquerque Friday. He will attend the Shrine Ceremonial while there and also a department executives' meeting of the American Legion. Plans for the state convention to be held here in the fall will be discussed at the Legion meeting.

Ratliff, Dill File Action; Assail Votes

(Continued from Page 1)
the voters of Ruidoso realize their right to an honest election."

The suit alleges that a number of persons voted who were ineligible to vote.

Asked for a statement, Mr. Wingfield said he had requested an opinion from his attorney and that any statement he made would be after he had received this opinion.

The election was close. Mr. Wingfield was credited with a seven-vote margin over Mr. Ratliff, while Mr. Luallin tallied 209 votes to 180 for Mr. Dill.

The water bond issue carried by an overwhelming margin. The airport program was only a side issue in the campaign and did not figure in the balloting.

Bible School To Open Soon

Preparations have been completed for the opening of the Vacation Bible School at the First Baptist Church in Ruidoso May 15, Rev. C. L. Thomas, pastor, announced this week.

Children of all faiths, between the ages of 4 and 17, will be welcomed, he said.

The school will last until May 26, with classes held Monday through Friday, from 1:30 to 4:30 p.m.

Plans have been made for a larger and better school this year, Rev. Thomas said, with Bible study, handwork, recreation, picnics and worship to be featured.

"Preparation Day" will be Saturday, May 13, from 2:30 to 4:30 p.m., at the First Baptist Church. Children planning to attend the school should be present at that time for enrollment and special instructions.

Graduating Class Feted At Clubhouse Tuesday Night

Members of the high school graduating class were guests of Mr. and Mrs. Jim Conway at the Ruidoso Clubhouse Tuesday evening.

Entertainment provided for the group included bowling, ping pong and billiards.

The class colors of green and white were carried out in the refreshments, which were served at the Clubhouse Cafe later in the evening.

Large donuts, frosted in green, were topped with generous servings of vanilla ice cream and served with fruit punch. Green lollipops were given as favors.

The green and white motif was also included in the table decorations.

Surprise Shower Honors Two Women

A surprise "hankie shower," given by the Ruidoso Women's Club at their meeting Wednesday afternoon at the Navajo Lodge, honored Mrs. Elsie Evjen and Mrs. Bill Hines.

The shower was a going-away gesture to the honorees. Mrs. Evjen is planning to move to California, while Mrs. Hines will leave Ruidoso to live in El Paso.

Following the regular meeting, the club members were hostesses to the graduating class of the high school at a tea.

Entertainment during the tea included a vocal solo by Bill Nolan. Mrs. Don Richner played accompaniment.

Piano Recital

Four piano pupils of Mrs. Don Richner will be presented in a recital May 16 at the home of Dr. and Mrs. Robert D. Moore.

The students are Dona Rose Sur-giner, Mary Maes, Linda Moore and Eugene Langford. The recital begins at 7:30 p.m. The public is invited.

Report, Dinner For Seniors Feature Party

A report on the state convention of Beta Sigma Phi highlighted the regular meeting of the Ruidoso chapter at the Home Ec Cottage Monday.

It was the first meeting at which the new officers presided. Before the meeting, the group feted Ruidoso High seniors at a dinner.

Opal Scott, Della Hale, and Gladys Knox, convention delegates gave the report. They told of a delegation of the Beta Sigma Phi men's auxiliary at Artesia, only such group in the state. Bob Rodke, founder, urged that the convention seek establishment of more such auxiliaries, to be called the Phelta This. His wife is president of the Artesia Beta Sigma Phi chapter.

Delegates visited the Santa Rita copper pit and the smelter at Hurley. Other program features were a barbecue at White Signal, 20 miles from Silver City, and a breakfast and business meeting at Silver City Sunday morning.

The dinner for the seniors was buffet style, around a centerpiece of cake in the form of an open book. One page read, "Ruidoso Seniors of 1950, Miss Loise Simpson, sponsor." The other page listed the seniors' names. Birthday cake and jello were served in honor of Mrs. Gladys Knox, a chapter director, for her birthday. Hostesses were Frances Rogers, chairman, Lou Horton, Jimmy Lee Parsons, Bitay Moore, Maxine Ratliff, and Mildred Ramey.

Mrs. Longabaugh To Be Hostess

Canasta players filled three tables at Monday's canasta party, sponsored by the Ruidoso Women's Club.

Scene of the party was the home of Mrs. Clayton Richner. Refreshments served by the hostess included an attractive arrangement of molded salads, canapes and nuts, and coffee.

Mrs. Carl Longabaugh will be hostess to the players next Monday, 2 p.m., in her home at White Mountain Cabins.

Plans Complete For Poppy Day

The Capitan American Legion Auxiliary has completed plans for observance of Poppy Day, May 28.

Mrs. Don Murphy, chairman of the poppy committee, said poppies have been received from the Fort Bayard hospital where they were made by disabled veterans of both wars.

Contributions given in exchange for the poppies are used in Legion and Auxiliary work for welfare of disabled and needy children of veterans. Aid also is provided for families of veterans who are hospitalized and unable to work for short periods.

"All workers on poppy day are volunteers and all money goes into the rehabilitation and child-welfare funds, none being used for organization overhead," Mrs. Agnes Clark, publicity chairman, reported.

Mr. and Mrs. A. B. Corum, El Paso, were in Ruidoso Monday.

Jones Children Feted At Party

Darlana and Max Jones, daughter and son of Mr. and Mrs. Harold Jones, Green Tree, were honored guests at a joint birthday party at Cree Meadows Clubhouse Monday evening.

About 40 young friends were present to join in the celebration.

Main entertainment was square dancing. Calling the dances was Ed Parsons, who also provided the phonograph and record for music. Served with festive birthday cake was frosted punch.

The party was shared by Darlene and Max because their birthdays fell only two days apart. Darlene reached the age of 10 May 4 and Max was 12 May 9, the day of the party.

Mrs. Jones, mother of the honored pair, was assisted by Mrs. Dema Short, Mrs. Joe Palmer, Mrs. W. H. Miller and Mrs. Dean Lamberson.

Guests at the home of Mr. and Mrs. J. C. Hunter, in the Skyland Addition, were Mr. and Mrs. Glenn Dennis, of Roswell.

Egginks Are Parents

Mr. and Mrs. Gerritt J. Eggink, of High Mesa Ranch near Alto, are parents of a new son, Jon Kent, born May 2 at Mexico City, where the family has spent the winter.

Recruiting The New Teacher

THERE is little reason to wonder that our young people have been turning away from a teaching career in droves. Nobody seems to have given a thought to trying to "sell" teaching as a career for the college graduate. All the emphasis has, instead, been on the negative. If a store, or a manufacturer, or an advertising agency tried to sell goods with the methods our educators have been using to fill teaching vacancies they would go bankrupt in a week. "Wanted: Young men and women, at starvation wages, for a job without a future. Long hours. Hard work. Applicants are warned that they will be regarded as social inferiors in the community. Do not apply if you have any ambition to better yourself. Faithful service not appreciated. Please apply, regardless of these conditions, as you are badly needed."

This is the style in which teaching as a career has been advertised, not only stressing the adverse, but sometimes exaggerating and misrepresenting it. The reason is, of course, that school administrators, teacher organizations and other elements in the community have been trying to obtain better financial support for schools from government, and to equalize educational opportunity. That is a worthy purpose, and we have joined in it. At the same time our schools now reap an unexpected and unwelcome harvest. We have so emphasized the adverse that our young people have been misled into thinking that there is no other side. Suppose, for a change, the case put this way, as it could be in New York City: "Wanted: Young men and women to enter attractive profession. Starting pay immediately out of college, \$2,500, or \$2,700 if Master's degree. Steady, automatic increases. Double your pay in a few years. Pleasant associations. Make new friends. Be paid while learning. Three-month vacation each year. Retirement pension. Leave of absence every seventh year. Advancement to high executive positions possible, paying \$10,000, \$15,000 and even \$25,000."

Yes, there is an attractive side to the teaching profession and more needs to be said about it. Yet, to get teachers, good teachers, we shall have to emphasize the high mission of the profession. It is not the expected pay that brings young men into the ministry, some of them great, inspiring preachers. Nor are great doctors made that way.

We shall not attract great numbers of young people to the teaching profession with material rewards alone, though these should be adequate, but rather by pointing out an opportunity for great service, lived in a setting which is not unattractive for those so disposed. We shall have to clothe the profession with a new dignity, and in this the teacher himself will have to play his part.—Editorial from The New York Times.

The first American papermill was set up in 1690, but most printing was brought from England for many years. American mills supplied only a portion of the demand. Scarcity of paper brought about the quaint practice of printing both news and ads on the margins of newspapers.

One man in a thousand is a leader of men; the others follow women.

THE NORDIHYDROGUARIARETIC ACID content of creosote bush, which is familiar to desert travelers, long has been a mystery to us. We frequently have wondered if it would take longer to find how much of the stuff the bush held than it would to pronounce it after we found it. Of course we have known the bush had the substance for some time, although we know this will come as somewhat of a surprise to a number of folks.

Therefore we were glad to find that NM A & M College has made a study of this subject. We are sure we can read the 20-page report prepared by C. W. Botkin and P. C. Duisberg quicker than we can say the word.

PINTO-BEAN breeding investigation is another book we would like to read. A & M puts this one out, too. Only 16 pages long, it could contain a lot of absorbing reading of the "Forever Amber" type.

THE WORST PLACE in the world to live is beyond your income, it is said, but it seems pretty popular with a number of persons.

IT'S ONLY NATURAL for some old people to be quiet—they have a lot more to be quiet about.

SOME MEN WONDER how they could live without women. We don't know ourselves—unless it would be cheaper.

COCKTAIL PARTIES DON'T get going good until the conversation starts. This usually doesn't happen until two or three couples leave.

OUR DOLLARS make up in speed what they have lost in carrying power. They don't seem to go as far as they used to, but they get away with surprising speed.

FRANK BARAJAS, the village constable, has invented a new ashtray. Now he's awaiting the crowd that will beat the path to his door. It is a saddle ashtray, made out of electrical conduit which is donated by Village Trustees Raymond Buckner. Attached to the saddle, the gadget contains a moistened sponge which douses cigaret ashes in a hurry. Ninety of the ash catchers will be tied to riding stable saddles this year at 25c each. The money will go to the volunteer fire department.

WARREN BARRETT'S NAME was left off the list of fishing and hunting license vendors in Ruidoso last week. The News regrets this error.

Visiting Mrs. Fred Rowell at her Rock-Rest cabin over the weekend were Mr. and Mrs. Frank Pollen, Winnetka, Ill., Edward J. Foley, Mrs. W. E. Teague, and Mrs. Belle Grippen, all of Roswell.

New Home Planned Near Golf Course

R. H. Roden, of Fort Worth, has purchased a lot adjoining his home north of the Cree Meadows Golf Course and will begin construction soon on another "home of distinction," Palmer Realty Co. announced this week.

The lot was purchased from R. M. Buchanan of the Dallas Morning News, it was reported.

Clayton Richner will build the new residence, Mr. Roden said. The home will be for sale upon completion to meet an "increasing demand for homes of distinction in Ruidoso," he said.

Rev. Hammer Is Transferred

Rev. Carl L. Hammer, pastor of St. Eleanor's Church here three years, moved to Albuquerque this week to become pastor of "Our Lady of the Most Holy Rosary" Church.

The church, which is new, is located in "Lavaland" on Albuquerque's West Mesa.

Rev. Hammer will live temporarily at Sacred Heart Church, S. Fourth and Stover, Albuquerque.

Mrs. Ada Merten, of El Paso, is spending a few days this week visiting friends in Ruidoso. She plans to return later for the summer season.

NOTICE IN THE MATTER OF ESTABLISHING A LICENSE RATE FOR DISPENSERS, RETAILERS, AND CLUB VENDORS OF ALCOHOLIC LIQUORS

Notice is hereby given by the Board of County Commissioners of Lincoln County, New Mexico to all persons proposing to sell or dispense alcoholic liquors outside of the Corporate districts in the County of Lincoln and who have qualified under the provisions of the Liquor Control Act, Chapter 61, Laws of New Mexico, 1941 Statutes Annotated, and all acts amendatory thereof and supplementary thereto, and who have as a condition precedent hereto secured proper license from the Bureau of Revenue, Division of Liquor Control of the State of New Mexico, may apply to the Board of County Commissioners through the office of the County Clerk in Carrizozo, New Mexico, for license to sell or dispense alcoholic liquors in the following designations:

DISPENSER'S LICENSE for the sale of all alcoholic liquors.

CLUB LICENSE for the sale of all alcoholic liquors.

RETAILER'S LICENSE for the sale of all alcoholic liquors in package form.

The Board of County Commissioners within and for Lincoln County, New Mexico has designated and prescribed license fees to be paid to the County of Lincoln as follows:

DISPENSER'S LICENSE \$400.00

CLUB LICENSE 400.00

RETAILER'S LICENSE 300.00

The License tax period shall begin July 1, 1950, and end June 30, 1951, and the full amount of said license tax fee is due and payable on the date of issuance of the License for the license year, or balance of year.

Capitan Seniors Plan Busy Time During Month

A busy month is ahead for seniors at Capitan High School. With their Junior-Senior Prom out of the way, they are looking forward to leaving May 16 for Chihuahua, Mexico, on their annual senior trip.

The prom was held at the High School gymnasium May 5 and all who attended said it was one of the most successful held in recent years.

The trip below the border will be under guidance of Mr. and Mrs. L. W. Clark. Mr. Clark is Capitan school superintendent.

The tour, arranged by Fuller Travel Agency of El Paso, will take the group to the lovely Victoria Hotel in Chihuahua City. Two nights will be spent there while the seniors enjoy sight-seeing tours for three days under direction of Mexican guides. They will return to Hotel Paso del Norte at El Paso May 18 to spend a night before returning to Capitan.

Rev. Henry L. Graves of Ruidoso will speak at Baccalaureate services May 21 at the high school gymnasium.

Senior girls will be honored guests at a banquet May 22. The banquet is sponsored by the Capitan Woman's Club. Mrs. Roy Morgan is in charge. The banquet will be served by women of the Methodist Church.

The banquet will be held in the new school cafeteria, with Mrs. Dorothy Guck as toastmistress.

Senior boys will be entertained on the same night by the Capitan-Fort Stanton Lions Club.

Dr. Floyd D. Golden, president of Eastern New Mexico University, will address the class at Commencement, May 23 at 8 p.m. at the gym. D. O. Murphy, Capitan, president of the Board of Education, will award diplomas to these students:

Loretta Boal, Helen Chavez, Richard Chavez, Evelyn Cheney, Mary Ann Cox, Virginia Gomez, Pada Lou Morgan, Ruth Morris, S. Vigil.

Article Describes Role Of Proteins In Healing

The May issue of Coronet magazine carries an article called "Meat: A Medical Marvel," written by one of the country's outstanding writers on scientific subjects, J. D. Ratcliff. The gist of it is found in his first paragraph: "We don't think of a slab of juicy steak or a chop as medicine. Yet the proteins they contain have as many accomplishments to their credit as any miracle drug."

Back of that lies a dramatic story. The proteins—which are found in a complete state in a limited number of foods, including meat, fish and milk—used to be regarded with considerable suspicion. Meat, for instance, was thought to be particularly dangerous to people with kidney disease, and to presurgical patients. At one time cases of ulcers were treated with a starvation diet. Old people usually

avoided the so-called "heavy foods" which are rich in protein content—tea and toast, the theory went, provided most of the nutriment grandmother and grandfather needed.

Recent discoveries, back by a huge mass of actual practical experience, have almost completely reversed these outmoded theories. To quote Mr. Ratcliff again, "Proteins are reducing the hazards of surgery, cutting complications of pregnancy, giving newborn babies a better chance at life. With one disease formerly regarded as being universally fatal—cirrhosis of the liver—proteins are changing the picture from despair to hope. In sum, a dietary revolution is under way. The glamorous vitamins are giving up the spotlight to the even more glamorous proteins."

Moreover, the scientists have found, a high-protein diet has a beneficial effect on mental health and morale as well as physical well-being. So, if you feel like a juicy steak, eat it! It's good for you.

Cattle Growers Pay 2 Rewards

Two rewards totaling \$600 for information leading to arrest, conviction and sentencing of cow thieves were paid this week by the New Mexico Cattle Growers Association by Roy Forehand, Carlsbad, president, announced.

The rewards of \$300 each were paid to Bill Smith, Marquez, and to Buck Wilcoxson of Grants, and were authorized by the last annual convention subject to presentation of proper evidence to association officers.

Smith received the standing reward for furnishing information leading to the conviction of Jim-

my Platero, a Navajo of Canoncito, who was charged with stealing cattle from Lee S. Evans and the L. Bar Cattle Company of Marquez.

Wilcoxson claimed the reward for presentation to law enforcement officers which led to the conviction of Fred Gabaldon, Albert Taddy, Jr., and Robert P. Wilson, all of Valencia County. The three were charged with stealing cattle from Nabor Mirabal of San Rafael. Evans and Mirabal are both members of the association, Forehand said.

"Payment of these rewards makes a total of \$2,265 in rewards paid by the association during the past 10 months period," Forehand said.

Weekend visitors in Ruidoso included Mr. and Mrs. H. P. Hanwick and Mr. and Mrs. H. F. McMahan and daughter, all of El Paso.

"Liberty Bell" To Pass Here

Lincoln county's quota in the Independence Bond Drive opening May 15, is \$8000. It was announced this week. The New Mexico quota is \$1,657,000.

The drive, featuring visits to various parts of New Mexico of the Liberty Bell duplicate, ends July 17. Its goal, the announcement said, is to "promote thrift by gaining new savers and persuade established savers to continue their habits of thrift."

Liberty Bell duplicates will tour all states during the national campaign. The bell weighs 3900 with its assembly and contains 85 per cent copper. Its circumference at the lip is 12 feet, its height three feet. The clapper is three feet, two inches long. The bell pull is six feet of one-inch rayon cord.

The bell will pass by Ruidoso on U. S. 70 between noon and evening on May 22. It stops at Alamogordo at noon.

Several ceramic figurines made by Mrs. Harry Fairbanks are delighting Cleveland residents, Mrs. Fairbanks reports. She said she mailed the samples to her sister, Bess Marshall, in Cleveland.

MESCALERO INDIAN CALL

By Edna Shields
We have not obtained a full account of Miss Pat Gutierrez and Mrs. Lee Kanseah's trip to Juarez Monday last week, (we don't have Easter shopping for an excuse any longer), but perhaps they purchased some knick-knacks.

The Jesse Campbells and Albert la Rose, also, have not "come clean;" the last trip was to see the flag ceremony celebrating the opening of the highway, but they report they couldn't find the flags.

Miss Viola (Kandy) Steger, on the other hand, came right out and admitted she was going rock hunting—clear to Tucson, Arizona. She's a rockhound, as you've probably guessed. She spent about six days on her vacation.

The Dee Botones spent a recent evening visiting the Eldred Hardens of Tularosa.

The Lonnie Hardins (Indian Schools principal) entertained the John Crows and Miss Kate Ritter Tuesday night last week, in celebration of Mr. Hardins birthday.

It was a busy week, for Mr. Hardin even more so than usual, as he gave the achievement tests to all the grades, and has a big school garden in process.

Juan Baldonado Jr., store manager, said he thought a fitting sign over the vegetable stand would read: "The pinch and squeeze department."

Overheard Ed Simmons trying to explain the word anatomy to the Sit in the Sunshine group. He said, "Its what everyone has but it looks better on a girl."

Mrs. Heaple-Too-Much was a bit cynical about Eagle Feathers' "be patient." "Yeah," she was overheard to say, "I've been patient so long I have fallen arched, ingrown toenails, high blood pressure, and dandruff—he's not talking to me."

There was anxiety for a few moments in the Baldonado home the other afternoon when little Michael held his breath, over a minor hurt, till he passed out. Miss Ritter heard the commotion

and ran downstairs and administered artificial respiration. After that when she heard him cry she remarked, "That sure sounds good to me."

Carrillo, good looking son of Mrs. Alice Chimal, is here from school in Albuquerque—the girls that aren't in a dither are moaning they were born 20 years too soon.

Mrs. Stanley McNatt is working in the postoffice with Mrs. Deveau.

Reino Sarlin and Bert Shields have been pretty busy making speeches and conducting fire schools, with Captain Abbot and the men at the Gerizo Recreation Camp; and Mr. Sarlin reports that G. A. Rounds and his Roads men have been very cooperative in fixing up camp grounds.

At a recent card game at the Jesse Campbells, "Snake-bit" Rick reprimanded for having chanced a peek rather than a finesse, defended himself: "Well, I strive to be honest, but I wouldn't say I'm a fanatic on the subject."

Largest Class Of Seniors Graduates Here

Sixteen seniors, largest graduating class in Ruidoso high school history, receive diplomas at commencement exercises at Ruidoso Grade School Gym Wednesday night.

J. H. Morris, school superintendent, delivered the commencement address, stressing the importance of education in meeting the decisions which lie ahead.

Diplomas were awarded by Herbert Smith, president of the Ruidoso School Board. Awards were made by Paul Vance, school principal.

Rev. C. W. Thomas pronounced the invocation. Mrs. Don Richner played the processional and recessional. William Nolan, a member of the school faculty, sang a solo.

The class valedictorian was Rowena Coe. Since only .06 of a point separated grades of Jimmie Ruth Gayden and Genevieve Hensley, each was named a salutatorian.

The seniors, divided into two groups, left yesterday morning for Mexico and the Grand Canyon for their senior trip. The commencement climaxed their school activities, which included class day Tuesday and the junior-senior prom and banquet last week.

Yesterday joint commencement exercises were held at Ruidoso Gym for the Stetson and Ruidoso grade schools. Mr. Vance delivered the graduation address. Valedictorian and salutatorian of the Stetson group were Max Jones and Yone Holman, of Green Tree. For the Ruidoso school they were Peggy Stirman and Linda Moore.

Valedictorian and salutatorian of the Eighth grade class, which received its diplomas last night, were Barbara Gazaway, Green Tree, and Patsy Coe, Glencoe.

Ruidoso schools close for the summer vacation today.

At the junior-senior banquet at Nob Hill May 5, Dave Parks, junior emcee, welcomed the seniors. Jimmy Veater responded for the seniors. Theme song of the evening, "Look for the Silver Lining" was sung by William Nolan, accompanied by his wife. Decoration theme combined colors of both classes—orchid and silver for the juniors and green and white for the seniors. Bouquets of spring flowers centered each table.

The Navajo Club, scene of the prom, was decorated to resemble a cabaret in orchid and silver. Tables placed around the dance floor were lighted by candles.

We Want More Chocolate!

By Betty Barclay

YOU'RE sure to pick a winner when you choose a chocolate dessert to climax a meal. Chocolate, whether it be in cakes, ice cream, or puddings, has led the American hit parade of favorite flavors ever since the rich little cacao beans were first brought to this country. There are innumerable ways to gratify the calls for, "We want more chocolate!" but here's a specialty dish, a melting froth of a dessert that will make all chocolate lovers sit back, sigh happily, and look longingly toward second helpings.

Chocolate Mousse Tortoni
3 squares unsweetened chocolate; 1/2 cup water; 1/2 cup sugar; 1/2 teaspoon salt; 2 egg yolks, well beaten; 1 teaspoon vanilla; 2 cups cream, whipped.
1/2 cup macaroon crumbs; 1/2 teaspoon almond extract; 1/2 cup macaroon crumbs.

Combine chocolate and water in saucepan. Bring to a boil over low heat, stirring vigorously until blended. Add sugar and salt and simmer 3 minutes, stirring constantly. Pour slowly over egg yolks, stirring well. Cool. Add vanilla and fold in whipped cream. Fold in 1/2 cup macaroon crumbs and 1/2 teaspoon almond extract and turn mixture into freezing tray of automatic refrigerator. Sprinkle 1/2 cup macaroon crumbs over mousse. Set control for coldest freezing temperature, and freeze 3 to 4 hours. Makes 2 to 10 servings.

Mr. and Mrs. Wesley Fairbanks, of Washington, D. C., visited the Harry Fairbanks for four days last week. The two men are brothers. During the visit, the Wesley Fairbanks visited Cloudercroft, White Sands and other scenic points. Mrs. Harry Fairbanks reports the visitors were greeted on their way to Ruidoso by one of the worst sand storms they had experienced.

Warren Barrett drove to El Paso Wednesday to transact business matters, returning the following day.

The semi-formal dance was attended by members of the faculty and the Ruidoso school board.

FORT STANTON NEWS ITEMS

By Frank E. Smith

Lawson D. Fish will attend the convention of medical technicians to be held at the La Fonda in Santa Fe on May 13-14. Our "bug" man hopes to acquire a few new ideas or wrinkles at the meetings.

Fred Alvarez arrived from Neponset Marine Hospital for further treatment and will operate on any watches or clocks needing to be repaired while "taking the cure."

"Jeff" Davis left here on Thursday to go to the Marine Hospital at Memphis, Tenn. "Jeff" has kin-folks living near the city on the Mississippi and will get to see them for the first time in many years.

The Fort Boy Scout Troop No. 53 passed the tests for 2nd class Scouts in a body at their last meeting. Sam Cox, Emmett Womack and Ralph Montoya comprised the review board, all were more than pleased at the splendid showing. The Honor Board will present the awards at the meeting on May 10.

Alfonso Gameroz was put to bed when he came over from Lincoln for an examination on Friday. It may be found necessary to put a halter on him to keep him in bed.

Ramon Ventura is getting ready to give lessons in "Spanish" to those who may find need of his services.

A letter from Mary Ann Townsend informed me of the arrival of a horse at the Dr. Townsend Ringgold, Georgia, farm, a gift to one of their neighbors. Mary Ann also wrote she was glad to get the Ruidoso News each week.

According to Mrs. Gene Mitchell, N. M. State Commander of the American Cancer Society, there is no organization in Lincoln County for the dissemination of information on Cancer. Several people in the county are receiving aid from the state branch of the society.

Several of the younger patients went over to do what they could to help control the fire that has been raging in the Capitans.

Information came to me that Texas had something to do with the 1950 Kentucky Derby, Texas bred horse, Texas 17-year-old ap-

prentice jockey, in fact, Texas all the way. There were also some "rooters" from Texas.

Dr. and Mrs. Roy E. Whitehead, the Dan Kuslanovichs and Walter P. Kelley, auditor from Washington, attended formal opening of the Ruidoso Hospital last Sunday as official representatives of the U.S. Public Health Service, bearing gifts in the form of white rags, almost priceless these days, and a laundry hamper bag, everlasting type.

More surgery was performed here this week than in any past year. Dr. R. P. Waggoner of Roswell and our own Dr. C. H. Lithgow were the chief operators. Mr. Roger MacQuigg, thoracic specialist from the Lovelace Clinic, Albuquerque, will be down during this week for consultation and surgery.

Dr. Roy E. Whitehead attended the N. M. Medical Society Convention, held in Las Cruces, May 4-6 at the A. & M. College. Dr. I. J. Marshall of Roswell, presided over a meeting of about 105 physicians and surgeons, including outstanding non-members from Menninger Clinic, Topeka, Kan., University of Tennessee, University of Iowa, and from Texas and Mexico. About 20 pharmaceutical houses were on

hand to exhibit their latest medicines in excellent fashion.

An article, "Mesothelioma of the Pleura" by Dr. Whitehead, will appear in May issue of the official organ of the American College of Chest Physicians of which he is a member. This condition is a rare cancer of the thorax involving the pleura, the lining of the lungs.

All kinds of parties will soon be the order of the day as the time for graduation nears.

The annual Spring program of the Lincoln Grade School will be held on Tuesday night, May 9. Mrs. Clarence Boyd, principal, told me that a good program was carded.

Mr. and Mrs. Herbert Gough left Ruidoso Sunday evening on the first leg of a 10-day vacation trip to different parts of Texas. They plan to visit in Waco and Longview before returning. Mrs. Harold Jones is welcoming Nob Hill guests during their absence.

Engineers Plan Flood Hearings

Public hearings on flood control and all allied phases of water storage and reclamation for the Pecos river and tributaries in New Mexico and Texas will be held in May and June.

Col. Charles H. McNutt, district Army Engineer, announced dates for the first two hearings today. He said a third hearing would be held at Roswell in June.

The first hearings are at Pecos, Texas, in the Community Center building at 10 a.m. May 23. The second meeting will be at the County Court House at Santa Rosa, N. M., May 25 at 10 a.m.

All persons interested are requested to attend, Col. McNutt said. He urged attendance so representatives of Federal, state, county and municipal agencies; commercial industrial, civic, highway, railroad, and flood-control interests; and property owners could express their views. They will be afforded full opportunity to express their views concerning the character and extent of any improvement desired and the need and advisability of its execution.

Col. McNutt urged sponsors of improvements to present pertinent facts and the economic justification for such an undertaking.

The June hearing will concern flood control work on the Rio Hondo just outside Roswell, he said.

Canyon Echoes . . .

Mrs. Jim Conway and Mrs. Fred Rowell, both of Ruidoso, were guests of the Glencoe Women's Club at a luncheon commemorating the Glencoe club's 25th anniversary. Scene of the luncheon was the home of Mrs. B. J. Bonnell, Glencoe. Outstanding among the spring flowers which were brought for the occasion by Tularosa guests, were the gigantic peonies, Mrs. Conway said. Several large cakes were decorated for the occasion. One was frosted in gold and purple, the club's colors, and held tiny glasses which were used in a special toast made by the five living charter members of the club. Another cake carried an inscription appropriate for the celebration and fresh flower petals surrounded and decorated still another lovely cake. A number of other towns were represented at the luncheon-meeting.

Herman Dees was wishing he knew French one day this week. A lady customer and her small daughter, who spoke only a few words of English, tried their best to be sociable (in French) and to buy

MINES ALUMNUS NAMED

some groceries. Herman's only sale was some bananas which the little girl, taking pity on him, brought and placed in his hands. They did know two other words in English, however, which they said as they left—"Good-bye."

Mr. and Mrs. Paul H. Scott and their daughter, Grace Marie, of Abilene, opened their cabin in upper Ruidoso this weekend, with plans to spend about ten days. Being shown at several different locations in Ruidoso is Miss Scott's volume of poetry, "Bittersweet Fragments." She is at work on another book of poems, publication date of which has not yet been set.

Mrs. Raymond Buckner has returned to her home after a period of convalescence in Temple, Texas, following a serious operation. Ralph Brown, accompanied by Mr. Buckner, flew to Temple and returned Thursday with Mrs. Buckner as far as Roswell, where they were forced down by high winds. The remainder of the trip was made by car. Mrs. Buckner is reported to be "coming along fine."

Among school groups which spent several days in Ruidoso this week were the eight grade students from the Courchesne School, El Paso, and the senior class of Seagraves High School, Seagraves, Texas.

Spending two weeks in Ruidoso are Mr. and Mrs. A. M. Sanders, of El Paso. They are staying in the Moskalski cabin.

Jewelry Store To Open Here

A jewelry and gift shop will open soon in the Post Office block.

Paul Douglas, real estate broker, announced lease of space he has held in the block to W. D. "Dick" Ratliff. The store will be operated by Mrs. Ratliff and their daughter "Mackie," Mr. Douglas said.

A feature of the shop will be complete repair service for watches and jewelry, it was said. Opening date and other details will be announced.

Road Menace

Anaheim, Calif. (AFPS) — The "drunk driver" turned out to be just a big flop to police who raced to a residential area to curb him. What they found was a sea lion flopping about in the front seat of the car. The sea lion was barking away. Now and then he would turn on the radio and sound the horn with his flippers and tail.

Mr. and Mrs. R. Theis, Odessa, arrived in Ruidoso last week, "for the summer, at least, and perhaps all year," Mr. Theis said.

BIG EATER

Elizabethtown, Ill. (AFPS) — Here's one way to get out of jail. Judge Charles Randolph ordered Red Brookmeyer released from serving a contempt of court sentence. The judge said: "He's eating his head off—and the county's head too."

Louis Tucker, Rt. 2, Crescent, Okla., plans to bring a horse to Hollywood Park for the 1951 racing season, he said here this week. On his way through this area, he stopped to inquire if he could enter his thoroughbred in the half-mile futurity.
