Lions Back City Council Plans For Improvement Of Ruidoso Water Distribution System

The Ruidoso Lions Club this week agreed to throw its efforts behind a drive to get work started on a \$300,000 municipal water system. At its regular weekly meeting Tuesday night, the club voted to take over the job of getting Ruidoso property owners to sign water-use agreements with the Village.

The agreements, guaranteeing a minimum fee each year, will be used in financing the water system.

Mayor Ike Wingfield, who was present at the meeting to explain the need for the signers, said only \$125,000 was available in tax-supported bonds for use on the water system. The remainder will have to be raised through sale of revenue bonds, he said. If the Village gets enough signers on water-use agreements, the agreements then may be used as security to guarantee the bond-purchasers that the village will be able to pay off the bonds, Mr. Wingfield said.

A. J. Gates, acting village engineer, outlined plans for the new system. He said all persons now receiving city water would be included on the new system. A great number of new users also will be provided for, he said.

All lots in the village limits, with exception of a few isolated and undeveloped lots, will be within 500 feet of fire hydrants, Mr. Gates said. Also planned are modern storage, filter and chlorination units.

The agreements will call for a fee of \$1.50 per month "ready to serve charge" for domestic consumption. In addition, users will be charged \$1.50 per month for a minimum of 2000 gallons. Gallages above that figure will incur an added charge. This means that the average water user will pay \$3 per month—the same rate prevailing in the city limits at present.

No provision is made in the plan for users outside the corporate limits. Mr. Gates said the village could not buy or maintain water distribution lines outside its limits with tax-supported bond money under present state law.

The present village water system is privately owned and is being leased from the owner, D. B. Morgan. The lease expires Nov. 1, 1951.

Date for start of the sign-up campaign has not been set but the drive will begin soon, Lions Club President W. A. Hart said.

Members also will distribute a question-and-answer sheet to explain need for the system, steps involved in financing it and a list of charges.

Stockyards Under New Ownership

The Hollywood Stock Yard, located one-half mile west of the race track, is now in operation under new ownership.

Previously known as the Western Stock Yard, the business was purchased from Mr. Coy Maroney of Brownfield, Texas, by Mrs. George Pitcock, Mr. Dan Wade, and Mr. Lee Ogg.

Mrs. Pitcock came here from Plainview, Texas, and Mr. Wade and Mr. Ogg are from Seminole, Texas.

The new owners will do their own slaughtering and handle their own meat distribution throughout the Hondo Valley.

The operators also will be dealers in livestock (cattle and pigs) and they are interested in buying livestock from raisers in the Valley.

Mr. and Mrs. B. E. Jackson and daughter, Pampa, Texas, spent several days in Ruidoso visiting her brother and family, Mr. and Mrs. Claudie Peterson.

"Old Lincoln Day" Cast In Rehearsals

One rehearsal Monday night, July 31, and a final dress rehearsal Wednesday night, August 2, and the shooting will be ready to start in "The Last Escape of Billy the Kid" historical pageant to be held the night of August 6, behind the old court house in Lincoln.

Caroline Davis, writer and director of the play, stated that the two-hundred or more actors in the pageant are making excellent progress in getting the show ready for the evening of A Day in Old Lincoln.

Johnny Davis, Hondo, alias Billy the Kid, is shining up his shooting irons for the occasion. His aim and draw are practiced down to a mighty fine point. Pat Garrett played by Ralph Bonnell, is ready to bring him in. Johnny Thomas as O'Fallard sees the Kid through his troubles as far as he can. And Old Man Gaus played by LeRoy McKnight is ready to snap into action.

A feature of the afternoon program, is the Spanish Quadrille under the direction of Fred McTigue, Hondo. Those taking part are: Mr. and Mrs. Roman Maes, Lincoln; Mr. and Mrs. Hilario Gomez, San Patricio; Mr. and Mrs. Fred McTigue, Hondo; Mr. and Mrs. Roman Nunez, Lincoln; and Mr. and Mrs. E. T. Aldaz, Lincoln. Musician for the dancers is Rinaldo Chavez of San Patricio, and his fiddle.

Under the direction of Bert Pfingsten, Hondo, entertainment will be given all afternoon for the old timers.

School children of Lincoln will serve a one-dollar plate lunch all day beginning at 11:00 a.m.

Lions President

HERBERT C. PETRY, JR.

Herbert C. Petry, Jr., Carlizzo Springs, Texas, is the new president of The International Association of Lions Clubs, (Lions International). He was elected by unanimous vote at the 33rd annual convention of the Association. Petry succeeds Walter C. Fisher, Queenston, Ontario, Canada.

The convention concluded one of the most successful years in the history of Lions International, according to the report made by Melvin Jones, Chicago, Illinois, Secretary-General and founder of the Association. He reported the addition of 806 new Lions Clubs and 21,415 men to the roster of the Association during the twelve-months period ended June 30, (Continued on Page 7)

School Repair Work Underway

A building repair program is now underway at three schools in the Ruidoso area in preparation for the new school year next month.

Mr. J. H. Morris, superintendent of schools, said the Ruidoso High School has been completely stuccoed on the outside and workmen are now replastering all classrooms and halls. The job will be completed in about two weeks.

A repainting and repair job now is in progress at the Ruidoso Grade School and the Stetson Grade School.

The three Ruidoso schools will open August 21.

JOIN THE CHAMBER OF COMMERCE

Help Boost And Advertise Ruidoso

Only limited response had been noted this week to an appeal by Chamber of Commerce directors to all businessmen in Ruidoso to join the Chamber and help boost the resort.

The annual drive for funds ends Aug. 1 and to date only about 66 individuals and firms have joined, a Chamber official said. There are 265 businesses listed in the canyon.

Funds raised to date are too meager to pay for printing of a new folder on Ruidoso, although present stocks are about exhausted, this official said.

The supply lists of tourist accommodations, which supplies persons inquiring about Ruidoso with all information concerning courts, lodges and rooms, is exhausted.

A new listing will be printed within a few days and will include only the names of Chamber of Commerce members in good standing, it was said.

Oriand Bonaguidi, Chamber of Commerce president, urged all businessmen and individuals to join the Chamber before the listings are printed.

"Let's boost Ruidoso by boosting the Chamber of Commerce," he said. "The Chamber will boost each of its members with each letter it mails—and thousands are mailed each year."

Prospective members are requested to mail their dues to the Chamber at Ruidoso, P.O. Box 714. The dues are \$30 per year for businesses and \$5 per year for associate members.

New Board Directors Named For Ruidoso-Hondo Valley Hospital; Continued Operation Assured

The first meeting of the new board of directors of the Ruidoso-Hondo Valley General Hospital was held on July 18 with all members present. Mr. Zack Collier, former member of the board, attended the meeting and assisted the new members in their efforts to formulate plans for the future operation of the hospital.

The present board includes the following: C. C. Chase, Jr., Ruidoso; Oriand Bonaguidi, Ruidoso; Ben Sanchez, San Patricio; L. P. Gipson, Glencoe; Clifford Cacy, Glencoe. Mr. Chase was chosen to serve as chairman and Mr. Bonaguidi as vice-chairman.

Plans were made at this meeting to continue operation of the hospital on a basis that was consistent with the available funds at that time. It was also decided at that time to conduct a financial audit and complete inventory of equipment.

Two other meetings have been held since that time and among actions taken was the acceptance of Mr. Jennings' resignation. Mrs. Olive Rader, registered nurse, was placed in charge of the nurses and office details and Mrs. Hobby will take care of the kitchen. There will be a competent nurse on duty at all times and two registered nurses will be subject to call.

A meeting has been held with the doctors of Ruidoso and a satisfaction (Continued on Page 5)

Two Feature Races On Card At Hollywood

A joint presentation of blankets to winners of the Nolsy Water Lodge Purse and the Westerner Purse will highlight the weekend racing program at Hollywood Park.

Mid-point in the summer racing program at the track arrives this weekend. Originally only 12 racing dates were scheduled. However approval was received at the first of this month for a six-day extension. The extension will permit racing on weekends in August up to August 20.

The Nolsy Water Lodge Purse will be the feature race on the Sunday card. The Westerner Purse was run last Sunday and won by Dick Mancho in 49 seconds. The feature, an 870-yard event for quarter horses and thoroughbreds, will be repeated next Sunday. Dick Mancho, ridden by jockey R. Holly, paid \$3.60, \$2.70 and \$2.60. He is owned by J. D. Christie of Hot Springs. Second in this race was Billy Brunson, \$8 and \$4.20. In show position was Secret Advice, \$5.40.

About 3000 persons attended the races last weekend, despite chilling rain and leaden skies. Mutual wagering also showed an increase over the previous weekend. Fans paid \$71,660 through the mutual windows to raise the total for the meet to date to \$476,906. The handle for the first 1 days last year was \$475,701. The weekend handle showed a rise of \$5341 over the previous weekend.

County Democratic Convention Meets In Carrizozo August 2

The Lincoln County Democratic Convention will be held at the Carrizozo County Court House on Wednesday, August 2 at 7:30 p.m. according to announcement made by Carl E. Ness, county chairman.

The purpose of the convention is to elect representatives to the state convention and to elect officers for the Lincoln County Democratic Central Committee.

We Must Not Lose In Korea

THERE has been great disillusionment in this country over the United Nations. The high hopes for world amity and civilized solutions of international difficulties that were held out when the organization was created have not materialized. And so, in many minds, a feeling has arisen that the UN is a dismal failure, and that it might as well follow the League of Nations into oblivion.

But there is another side to this great question. That is because the remaining independent Asiatic nations must themselves participate in stabilization, and in so doing work side by side with the nations of the West.

"Our own stake is enormous. We must not forfeit the assets of the Japanese potential or neglect the Philippines. For once the Soviet appears in the warm waters of the Pacific, it will develop sea power and challenge our position in the entire ocean.

"The United Nations must do or die, and if it dies, civilization everywhere will be in grave peril."

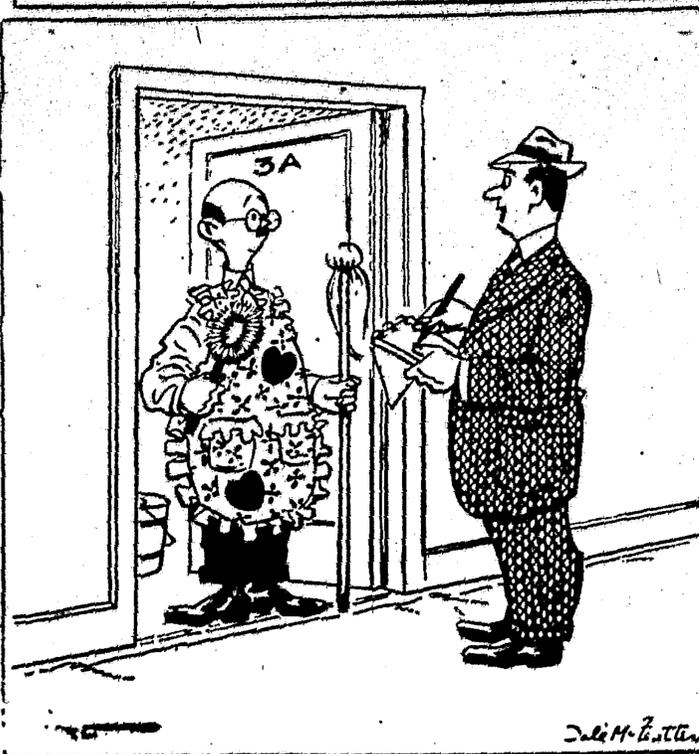

The failures of the UN—which have been largely due to Russia's constant use of her veto power in any matter that does not further the Soviet policy of world communist expansion—have overshadowed its achievements. The UN has brought together the nations of the world, and the vast majority of them are on the side of the West. Countries with a total population of something like a billion people have formally expressed, through the UN, their opposition to the communist invasion of South Korea. And the UN acted promptly, and to the limit of its existing capabilities, when the Korean crisis arose.

The UN has protected our own position in Korea. There we are acting, not just on our own hook, but as an agent of the UN. We are following exactly the provisions of the UN charter, which are to block aggression wherever it may appear. We are, therefore, taking on the job of policeman in that tragic little country.

It may be a long time before the world learns what the Korean war will lead to. For us to lose in Korea would be the final shattering blow to American and United Nations prestige throughout the world. This is what the Russians are hoping for. It would be the greatest victory the Soviet Union could gain.

FORT STANTON NEWS ITEMS

By Frank E. Smith
 "Don't be half safe" is part of a commercial frequently heard on the radio, this can very easily apply to most of the folks around here in regard to getting blood typed. Have you been typed? It is possible for you to get this service by coming to the hospital. It takes but a few minutes to "Get Safe."

Mrs. H. Merrell entertained the Captain Round Table group at her home last Thursday. Items of interest came in for discussion.

Tommy "Skipper" Gould is the latest of the younger set to break out with a new motor scooter.

Andrew Richardson who recently flirted with the undertaker is now at home and according to report, getting along fine.

I noticed that the Big Paper and Ink man, Louis R. Spain has taken over the paper and is now publisher, Editor and Printer of one of the finest of county papers printed by the letter-press method. Bobbie Spain should make it easy for anyone who might have business in the NEWS office.

Bernie Bast checked in the hospital on Saturday night, Gabe Gomez, looking in the pink and with a bay window brought him down from the Duke City.

Miss Mary Fish rendered a solo, "Everywhere You Go" at meeting of Captain Woman's club on Friday evening. Mary has a sweet voice and is taking vocal lessons.

Frank Biondo, motor cycled here from St. Louis, Missouri to see his brother, Larry. Lots of rain was encountered at Amarillo and Portales.

Mrs. Bill Gould in company with the McClains went to Roswell on Saturday to do some shopping and the Clarence Boyds went also for Claire's music lesson. Claire can "BBoogie Woogie" as well as play the most exquisite classical music.

Buddy Boyce, often referred to as "the promising young attorney" is still loose and fancy free. What a catch or is he? Someone told me he had graduated from Harvard

Law School, "Come Come, Laudate. (Could be cum laudie.)"

A fine group of people was on hand for the Friday night rehearsal of the "The last escape of Billy the Kid," in the grounds of the old Lincoln Court House. The dress rehearsal will be held on Saturday, August 5th.

Jack Hannifin, easy going—likeable—ever smiling, had a walkover in the election as Chairman of General Welfare Committee last week. Most everyone was sorry that "Chuck" Avery found it necessary to resign, for he had done an excellent job.

R. W. "Whitey" Harned is the latest subscriber to the News, he told me he wanted to keep up with what is going on around the Fort. Whitey does all kinds of leather work if you ever need anything in that line.

Dr. Howard W. Koping arrived here on Sunday night from Chicago to take up his assignment. The doctor told me that he had a nice trip and was agreeably surprised to see everything so green, and he thought he was going to like his new station.

Mr. and Mrs. James H. Howard are on vacation and journeyed to Buffalo, N. Y. to see their latest grandchild, recently born to their daughter, Eva now Mrs. Sutherland.

There were a number of arrivals during the last week, W. M. Spivy of Houston, Texas, R. J. Brown, San Pedro, Calif., Charles H. Furlis, Englewood, Fla., John H. Davis, Panama City, Fla., Ingvald Norwold of Ketchikan, Alaska and "Long Jaw" Alsop flew in on a freight train from Beaumont, Texas.

Charley Wilson, son of Mrs. Elva Wilson is now located in Denver, Colorado, being affiliated with a surgical and hospital insurance plan that is being sponsored by a bank in the mile high city.

A price tag of \$250.00 has been placed on an original painting by Peter Hurd and the money from

the sale of the oil canvas will be given to the San Patricio School Fund.

Mr. and Mrs. Elmer Bible of Dexter, enjoyed their weekend visit with the Ray Bakers and also made some nice comments on the Bakers new land yacht. Elmer was cold most of the time, but was glad he made the trip.

Cooperation on every hand was given to Dr. Whitehead during the time he was holding down the Fort alone. It is hoped that before very long other medical officers will arrive.

Ray Baker and Joe Escobedo were tapped of the blood given to Eddie Wozencraft, both during and after his thoracoplasty operation.

PAS is being given to many of the boys here and good results obtained, as may be evidenced by several cases turning negative and graduating to the first floor, Ray Moore, Charlie Murciak, Joe Brunner, Mitchell Stanley made the downstairs move.

The Mesdames John Eshom, Fred Richardson and Miss Hazel C. Eshom of Hamilton, Illinois visited with Mrs. Maude F. Eshom and her son, Bobbie. Might mention that the County Treasurer's books were according to the State Comptroller found to be in about the best shape of any in the whole State of New Mexico.

Mrs. Ed White has made several trips down to Alamogordo of late to see Mrs. C. E. Agnew, who has been very ill.

Mr. and Mrs. Tom Burleson took Johnny Kusanovich fishing the other day and Johnny "caught" 15 fish.

I am still ready and willing to write up any new subscriptions or even renewals for the NEWS.

Carl E. Ness, has called a meeting of the Lincoln County Democratic Central Committee for 7:00 p.m. Wednesday, August 2nd.

NAVAJO CLUB

Last week the 300 summer students pitched in with the faculty at Harding and we moved the college's 25,000 books from 50-year-old Godden Hall, which soon will be razed, our beautiful new Beaumont Memorial Library. As we carried armloads of books from the old building into the new it was like leaving a distant past and entering a new world. Everything that went into the construction of the new building represented a great achievement over the materials used in the old ones.

I had watched the new library go up, and had helped select its air conditioning and radiant heating systems, the indirect lighting installations, the acoustical plaster for the ceilings and the sound-deadening tile for the floors. With one notable exception, everything in our new library, every thing directly or indirectly connected with it, represented progress. Competition in the free market and the incentive of profit have stimulated the development of all these improvements.

The Exception

The one exception to progress is the sewage disposal system to which our new library is connected. Like that in other cities, it has changed little in a century, except in size. It is government-owned and operated — socialized. There has been no profit motive incentive for development, for improvement; no challenging competition in the field of sewage disposal. I'm not denouncing municipally owned sewage disposal systems. I'm simply pointing out that the method of performing this universally needed service hasn't changed much, under government or "social" ownership, in a century.

Leonard Reed, president of the Foundation for Economic Education, says: "It is inconceivable that men who can find ways to release the power of the atom could not find ways to dispose of sewage. . . Without the (dead hand) of socialization we might, by this time, be vaporizing it, or doing something even more "fantastic." Reed adds that while it is commonly believed government is responsible for discovering atomic energy, the fact is "all the theory was worked out by free, as distinguished from directed men."

Atom Energy Too

And now Government monopoly has begun to bog down its vast potential. Even David Lilienthal, zealous crusader for government control, has now reversed himself. In a Collier's article, the former atomic energy boss says: "I was among those who, back in 1945 and 1946, were unable to see any alternative to the course of government monopoly. On the basis of experience . . . I am convinced our monopoly course is no longer justified." He proposes the immediate transfer of atomic energy development to private enterprise.

Almost simultaneously, a Congressman declared the distribution of the mail, another socialized enterprise, could be put on a paying basis if it were turned over to private industry. Neither of these late-coming suggestions may be feasible at the moment but they spotlight the danger of stagnation in any enterprise of service put under political or government control or established as a government monopoly.

Ancient Methods

Regarding the Post Office service, the Hoover Commission reported: "To operate this huge business, the department has an obsolete and overcentralized administrative structure, clogged by a maze of outmoded laws, regulations, and traditions . . . it is short of equipment of all kinds, and most of its equipment is obsolete. Average age of the department's 10,000 trucks: 15 1/2 years." The department's deficit ran approximately \$500,000,000 last year.

The point is, government control invariably exercises a deadening hand on any enterprise or service it gets in its grasp. And

Capitan Woman's Club In Regular Meeting

The Capitan Woman's Club held their regular meeting July 21 at 8 p.m. with the president, Mrs. L. E. Merrell presiding.

After a short business meeting the program was turned over to Mrs. Travis Werner who gave a very interesting paper on the Taos Indians.

The next regular meeting will be held August 18 at 8 p.m. at this time the members will vote on an amendment to the club's constitution which will increase the dues for the coming year. Each member is urged to be present at this time.

after a time it becomes too late to do anything about it. In France the airplane industry was socialized and in a few years fell into chaotic condition. When the government tried to turn it back to private enterprise nobody would buy it in at any price. Yes, "stagnate" is the proper synonym for "socialize" or "government control"—in an industry or a nation.

Mrs. Melvin Mercer of Ruidoso was in Roswell last week on business.

Bus Driver Institute

Most important man on the highway, when it comes to school children, has a chance to further benefit himself again this year. July 31 through August 4 will mark the continuation of the annual Bus Driver Institute at New Mexico Western College, Silver City, N.M.

The institute is a one-week, concentrated course for bus drivers held in conjunction with the state director of transportation and the state traffic and safety department. It deals with problems, regulations and standards in regard to pupil transportation.

Mrs. Reynold Jones and her daughter, Sandra, are visiting in California with Mr. and Mrs. Colton Cronin for two weeks will be back in Ruidoso next week.

Mr. and Mrs. Harry Fairbanks had as their house guests, Mr. and Mrs. Floyd Gehr of Wink, Texas, who returned home last week.

Boston has been called the "cradle of American journalism."

The first Southern newspaper was published in 1736.

GLENCOE NEWS

By Sydney Bonnell

Mrs. Sadie Bell and Ross Coe of Mesilla Park, New Mexico visited their niece, Mrs. Louise Runnells at Bonito for several days. Stumpy Lucas was admitted to the Marine Hospital at Ft. Stanton for an operation. All wish him a speedy recovery.

Mr. and Mrs. Leroy Perry have gone to Cuba, New Mexico to do some well drilling. Mr. and Mrs. Elzy Perry, Sk.; helped them move. They returned in time to be at Camp-Meeting, Sunday.

Mr. and Mrs. Harold Coe of Albuquerque were visiting in Glencoe, Saturday. Harold had taken his mother home to Tularosa, after she had visited them and a sister in Espanola for some time.

Eleanor and Linda McClendon went to Alamogordo over the week end.

The people taking part in the "Billy the Kid" play to be given in Lincoln, Aug. 6th, are having a picnic supper and getting acquainted with each other.

A lovely party was given at the Wilbur Coe home, Saturday night. Guests were there from Roswell, Carrizozo, Picacho, Hondo and Glencoe.

Attended the Nogal Mesa camp-meeting Sunday and enjoyed meet-

ing many old time friends and many from Glencoe were there. The view from the camp is magnificent looking over the range of mountains, Carrizozo in the distance and down on Nogal. Fine speakers, singers and a real barbeque dinner was served to many people, furnished and served by the people of the country, cooked by "cow-boy cooks all free."

We had a surprise visit from Mr. and Mrs. George Antone and baby and Mary Antone and son from Racine, Wisconsin. Mary and George each helped us when we were running the guest ranch, years ago and we are always glad to welcome them back. They will visit Harry Towner at High Rolls. They are brother and sister of Harry.

Ginger Read had a birthday party at her home, Monday and had all the little friends in to wish her many happy returns. All brought gifts and they played games and ate ice cream and cake. Joy Jordan, Mary Stubb and Vida McGraw assisted Virgie in entertaining.

'Mack' Returns To Big Pines After Ruidoso's Doggie Mix-Up

By George Dennis.
The strange case of Ruidoso's mixed-up Scotties has finally been solved after 11 months.

Since last August, Mr. and Mrs. Carl Longabaugh have been puzzled by the odd behavior of their dog Mack, a six-year-old pooch with a reputation for friendliness. He'd suddenly developed a very uppity air and wouldn't recognize the folks who called him.

"Maybe it's amnesia," somebody suggested. "He doesn't even recognize his name. Perhaps an automobile hit him and he's suffering a loss of memory."

Down in El Paso during these 11 months, Mr. and Mrs. John Waller were equally bewildered by the unusual behavior of their sad-eyed Scottie named Andy.

Andy had always been an independent cuss, but now he didn't recognize his name and he'd developed some odd traits like trying to run away. It had the Wallers stumped.

Then the other day Mrs. H. C. Cashman of Ruidoso visited the Waller family and she noticed the pooch.

"Is that Andy?" she asked. Mrs. Waller said she wasn't sure.

Mrs. Cashman looked the Scottie straight in the eye, massaged his ears, and the dog licked her hand like an old friend.

"That's not Andy," she said. "That's Mack. Your dog is in Ruidoso and folks have been wondering about the funny way he's been acting."

The next day the Wallers returned Mack to Ruidoso and picked up the orphaned Andy.

During a visit here last August, the Wallers let Andy out of their car and he wandered off. After

driving 25 miles toward El Paso, they discovered he was missing. They returned to Ruidoso and picked up what they thought was their dog.

But it was Mack who returned to strange surroundings in El Paso.

In the meantime, Andy hot-footed up the canyon and the Wallers took him in, thinking he was Mack. The pooch, of course, was equally confused with the pine trees, the bowling alleys and the Ruidoso River.

The amnesia theory followed. Black-eyed Mack today is padding up and down the canyon and renewing his friendship with the Ruidoso pine trees. Andy is also a happier dog. He's found his favorite El Paso fire plug and the folks at home.

BASE RECRUITS GUARDS

Kirtland AF Base, Albuquerque, New Mexico, has started a 20-day recruiting drive in an effort to employ about 60 "guard-patrolmen", needed at the Base to augment its present security program.

Kirtland officials outlined the duties of such patrolmen as being of the "interior guard" type—that is, they will man guard posts, towers or walking beats somewhere within the confines of the Base.

The 60 men will receive a starting salary of \$2674 each.

Mrs. Bryce Rea, Washington, D. C., is visiting her parents, Mr. and Mrs. C. A. McClintie of Midland, who are in their summer home here. Also visiting in the McClintie home is their cousin from California, Mrs. Suly Hooper.

Dr. Robert A. Nichols, above, is the new dean and director of agriculture at New Mexico A&M College. Dr. Nichols took office July 1, succeeding Dr. H. R. Varney, who resigned last spring to become dean of the school of agriculture and director of the experiment station at West Virginia University.

New Directors

(Continued from Page 1)

factory plan has been worked out whereby the hospital will be properly staffed, and care of patients assured.

In a conference with the employees, the plan of operation was outlined and the response promised a more harmonious operation than in the past.

Following is a list of the charges for services. Investigation proved them to be much lower than the average established by government statistics:

RUIDOSO-HONDO VALLEY GENERAL HOSPITAL

Hospitalization Charges

Private Room	\$14.00
Semi-Private	8.00
Pediatric Beds	0.00
Maternity (Delivery Room charges up to 5 days semi-private hospitalization, nursery charges, routine drugs. Special drugs extra)	70.00
Maternity (Same as above but with 3-day semi-private hospitalization)	48.00
Tonals (Inc. 23-hr. semi-private hospitalization, operating room, routine drugs)	20.00
Operating Room (major)	15.00
Operating Room (minor)	10.00
Anesthetic Fee (major)	15.00
Anesthetic Fee (minor)	10.00
Anesthetic Materials	3.00
Emergency Room Fee (use of room)	5.00
Doses of simple drugs	.25
Hypos	.75
Penicillin (400,000 units)	3.00
Penicillin (100,000 units Aqua)	1.00
Sireptomycin (1 gm.)	1.50
Aureomycin, Terramycin, Chloromycetin	.75
Intravenous solution (1,000 cc.)	5.00
Intravenous solution (500 cc.)	3.00
Transfusion (not including 500 cc. blood)	15.00
Plasma	50.00

X-Ray Fees

Hand, wrist, foot, ankle or elbow	\$ 5.00
Knee	7.50
Shoulder—one Shoulder	5.00
Both Shoulders	7.50
Chest	7.50
Skull (2 views)	10.00
Skull (3 views)	15.00
Sinuses	10.00
Spine (lumbar and dorsal)	15.00
Spine (Cervical)	10.00
KUB (Kidney, Ureter and Bladder)	7.50
Kidneys (Intravenous and Retrograde Pyelogram)	20.00
Gall Bladder with dye	15.00
Gastro-Intestinal Series (Stomach)	15.00
Gastro-Intestinal Series (Barium Enema)	15.00
Gastro-Intestinal Series (Stomach and Barium Enema)	25.00
Gastro-Intestinal, Colon and Gall Bladder	35.00
Fetus	15.00
Fluoroscopic	3.00

Room charge starts 4:00 p.m., which would make check-out time 4:00 p.m. Administering of any shot with drugs furnished by Doctor, minimum for 50c.

Laboratory Fees

Urinalysis	\$ 2.00
Kahn	3.00
Complete blood count	4.00
White and differential	2.00
Red and Hemoglobin	2.00
Feces for parasites and blood	3.00
Bacterial cultures	3.00
Blood cultures	5.00
Blood sugar	4.00
Blood N.P.N.	4.00
Blood Uric Acid	4.00
Blood Cholesterol	5.00
Blood Calcium	5.00
Blood Sedimentation	2.00
Basal Metabolism	5.00
Electrocardiogram	10.00
Sugar Tolerance (4 to 6 hr.)	15.00
Liver Function (Icterus Index and Van Den Burg)	5.00
Prothrombin time	3.00
Rh Factor	4.00
Blood Typing	2.00
Cross Matching	5.00
Gastric Analysis	5.00

Legion Tournament At Artesia Next Week

Artesia will play host to the annual state American Legion junior baseball tournament, August 3, 4, 5 and 6, the Legion's department headquarters in Albuquerque has announced.

Eight area champions, now being chosen by process of elimination throughout the state, will meet in the double elimination series to select New Mexico's entry in the regional tourney later in August at York, Nebr.

Teams from Clovis, Gallup, Los Alamos and Las Vegas are certain tournament starters. They are the only teams entered in their respective areas. But elsewhere in the state there is hot competition.

One entry will come from among Carlsbad, Roswell, Alamogordo and Artesia. Another will be either Las Cruces, Hurley, Lordsburg or Truth or Consequences. Raton and Clayton will fight it out for the honors in their area.

Troubled By Flies On Screen Doors? Try This New Remedy

Would you like to try a cheap, simple way of keeping flies away from your screen doors? Well, all you have to do is to pin three or four little clumps of cotton to your screens—and flies won't come calling on you any more. For the flies are apparently afraid to come near the pieces of cotton on the screen.

This novel idea of getting rid of flies originated in Richmond, Va., last summer and has been sweeping the country since. One explanation offered to explain the aversion of flies to cotton is that the flies think the pieces of cotton are spider webs.

Mrs. Roy Nelson has recently been appointed agent for Avon Products of Kansas City, for the district of Lincoln County, Ruidoso and Hondo valley.

Want To "Whip Your Weight In Wildcats?" See Shorty Ellis

By Dan Storm

Anybody who thinks he can "whip his weight in Wildcats," as the old saying goes, can get an idea of what he is up against by stopping off at Shorty Ellis's Bonnell Ranch store.

While he was a G.I. during the last war, Shorty saw some rough old days in the European theatre; but now he is the most peaceable-like and easy going fellow you every saw. I didn't mean to pick any fights for him. I'm talking about a couple of spotted bundles of chain lightning in a wire cage behind the store.

Your footsteps on the gravel are picked up by needle-pointed gray cars trimmed in black as the cats sit up to watch your approach out of beautiful light green eyes—beautiful like a pearl-handled pistol with the hammer thumbed back and the talking end towards the front.

By taking his meals regularly and observing training rules, one of these fellows can get up to, say forty pounds. This would throw him into the heavyweight class in the wildcat world. Not much weight, I know; but then there isn't much weight or size to a forty-five caliber slug either.

It is something you will not soon forget to see Mr. Wildcat jump from the back of his cage and hit the wires on the front of it. First a sort of whining far-away sound, like a plane in a power dive, starts humming in his throat. Then, bam! He lands with all four feet on the net wire just in front of you. He couldn't come any faster if her were shot out of a rifle.

Did you ever stop to think about

the hundreds of thousands of wild creatures that live among us. We cannot ride into the hills, stroll along the river banks, or drive along the roads but what we are watched by numberless pairs of sharp eyes. And yet a man can live all his life in this mountain country and never catch even a fleeting glimpse of some of his neighbors that live close around him in every direction.

How many of us can describe, let us say, a badger, a ring-tailed cat, a groundhog, a Rocky Mountain whistler, or a side-hill dodger?

Shorty Ellis from time to time intervenes on behalf of wilderness dwellers who have run afoul of the trapper's bait. He secures for them a reprieve and keeps them around his store. Quite a hunter and general all-round man of the woods is Shorty; but more than this he is a great hand to appreciate the individuals of the animal world, the wild critters included.

Once a stray dog stumbled up to Shorty's store and hung around the place. When the owner came and claimed the animal, Shorty said:

"Some said, 'Kill it.' I'll kill something that is dangerous or for some good reason needs to be killed. To kill just to be a-killin'. That ain't me."

If you want to see a really rare little animal that hardly anyone has ever seen in the wild state, come by and see the little Ring Tailed Cat. Walt Disney himself couldn't draw a cuter little animal than this.

For a while little Mr. Coon was a guest at Shorty's place. I asked

FIGHTING EDITOR

CHRISTOPHER, ILL.—The campaign of Victor C. Leiker, 33-year-old editor of the weekly *Christopher Progress* here, against irregularities in relief administration has brought gratifying results. Four townships were notified they will lose their state grants of more than \$60,000 a month unless they show evidence that the irregularities have been cleared up. Leiker pressed his campaign against boss rule despite the loss of substantial advertising accounts.

If these animals did not stand captivity better than most.

"No they don't," said Shorty. "They are bad to pine away and pace the floor."

"How about wildcats?" I asked. "Don't they climb the wall and suffer to get out and take to the brush once more."

"Oh, no," said Shorty. "They are as happy as they can be. As long as their bellies are full they don't care if flour goes to twelve dollars a sack."

Not long ago I went down to see how Mr. Coon was getting along. Shorty said that the little fellow's troubles were over. He had been suffering from a bad foot that never would seem to heal just right. Shorty made him as comfortable as he could. And now he has gone where the good coons go, with a story to tell—a very rare story among his kind—of good treatment received at the hands of a human being.

Fort Stanton Students Enrolled At University

Albuquerque, July (Special)—Two students from Fort Stanton are among the 1877 enrolled for summer session study at the University of New Mexico, according to information released by University officials.

They are:
Ergeal C. Brown, a graduate working on a major in School Administration.
Elizabeth R. Rainey, a senior student in Fine Arts.

PINK AND BLUE SHOWER

Mrs. B. J. Waltrip, Mrs. Chick Waltrip and Mrs. McLen Knox were hostess at a pink and blue shower in honor of Mrs. John Sigler, last Monday afternoon at the home of Mrs. Knox. Refreshments were served after the opening and display of the many beautiful and useful gifts.

Thomas McLoague Dies At A. J. Lewis Home

Thomas McLoague, 93, died last Tuesday at the home of Dr. and Mrs. A. J. Lewis of Ruidoso. He was the brother of Mrs. Lewis. Funeral services were conducted by Rev. Aumond of St. Eleanor's Church of Ruidoso. Interment in St. Agnes cemetery at Tularosa.

Mr. McLoague had been blind since his early teens. He was a graduate of Lansing School for the Blind. He had lived a Christian life and had been active in business until the last 22 years, when he came to live with Dr. and Mrs. Lewis at Las Cruces. He became a resident of Ruidoso when the Lewis family moved here two years ago.

Mrs. T. E. Buckner, Lubbock, Texas, has just returned home after spending several days with Miss Nydia Dallas as her house guest.

ART CLASSES FOR CHILDREN

Due to many requests for juvenile instruction in art Ernest Beagley director of Robinwood Art Studio will offer a special course for children in basic and creative drawing.

Classes will be conducted from 9 to 12 each morning except Saturday and Sunday. The courses will consist of thru stages of five lessons each and will include, approach, proportion, space relation, light and shadow, tone value, and the use of color. The rate will be \$10 for five lessons.

Each child will need several large sheets of charcoal and water color paper, a large box of crayola, and a cheap box of water color paints all of which can be purchased locally.

Robinwood Art Studio is located in a beautiful setting right on the river one block north of the post office near the Alto bridge. (Paid Adv.)

Track Talk

By Vivian Kirk
 Rainy weather made a slow, muddy track for the week-end racing at Hollywood Park July 22 and 23. Despite the weather an estimated crowd of 1400 persons were on hand for Saturday's races. Total mutuel handle for the day was \$28,917. The eighth race on the program—a Quarter Horse Allowance (Special) for 330 yds. had the most mutuel handle of any one race for the day—\$4,570. This race was won by Tom Roden's brown horse, Bo Jet. He is trained by K. Gann and was piloted by that South American rider, Robert Silva. Bo Jet ran the 330 yds. in 18.2 seconds and was also the long-shot of the day paying \$25.00 to win, \$8.70 to place and \$3.60 to show or \$37.30 across the board. It was in this race that J. Barker's bay mare, Pard, hit and fell through the rail. The jockey, S. Baca, escaped uninjured and, at last report, the mare, though badly hurt, would recover.

Sunday's (July 23) attendance was 2200 persons. The day's mutuel handle was \$42,743. The seventh race—another Quarter Horse Allowance (Special)—had the most mutuel play of any single race for the day—\$5,828. This race, at a distance of 250 yds., was won by Jim Derrick's top Quarter mare Miss Bank in the very good time of 14.4 seconds on a sloppy track. Lewis Blackwell's good Stymie placed and J. O. Hankins consistent Hy Glo showed.

The eighth race on Sunday's card—the Western Store Purse—an 870 yd. affair open to both Quarter Horses and Thoroughbreds with a purse of \$250. plus 5% of the mutuels and accompanied by a beautiful blanket was easily won by J. D. Christie's big, black Dick Mancho. He is trained

Canyon Echoes . . .

Miss Nydia Dallas, Houston, Texas, a former resident of Ruidoso, is spending several weeks in her cabin.

Mr. and Mrs. Fay Johnson and family, Judson, Ark., spent last weekend with the R.A. Bennett and John Emde families.

Dr. and Mrs. Horace E. Woods, Dallas, Texas, are ten-day guests of the Thunderbird Lodge.

Mr. Ed Hodge was in El Paso last Friday in business.

Jack Hull, Bernard Rooney and his son, Pat, were in El Paso last week for a couple of days on business.

Mr. Wayne West, Ozona, Texas, flew to Ruidoso to spend several days with his wife in their new cabin in the upper Ruidoso.

by Charlie Welton and was ridden by R. Holly.

Mr. and Mrs. Lewis Blackwell of Amarillo, Texas, owners of some of the fastest Quarter Horses in the world, motor up nearly every week-end to watch their ponies that are stabled here perform. Two of their good ones running here are the promising two year old Legal Tender and the well-known Stymie.

There are two special races being planned for next week-end. Both of them are to be run on Sunday—July 30. For the Quarter Horses there is an Open 350 yd. Allowance race with \$100 entry fee accompanying each horse. The entry fees are to be added to the purse. The other Special, a blanket race, is another 870 yd. race open to both Thoroughbreds and Quarter Horses. These entries are to be accompanied by \$25.00 which will be added to the purse.

Lions President

(Continued from Page 1)

1950, for a total of 3,055 clubs and 402,841 members. He stated also that during the fiscal year Lions Clubs were established in two additional countries: England and Denmark. Lions International, he added, is the largest, strongest and most active service club organization in the world, with Lions Clubs in 28 countries on five continents.

Petry, in accepting the presidency, said: "My home is down near the border of two great nations, and those of us who live so close to the people of another country know that there are no great differences between the people of Mexico and those of the United States. We learn their language and their customs; they learn our language and our customs, and together we are learning to live with each other. This is equally true of the northern border. The Lions of the northern states are carrying along identical work with the wonderful Canadian Lions across the border, at all times maintaining an aggressive movement to make friends with their neighbors. The Canadian Lions are likewise maintaining this aggressive movement to make friends with us. And why shouldn't this be the object of all Lions in our twenty-eight nations throughout the world?"

Petry is a successful attorney and business man. He is the head of the law firm of Petry & Dean, in Carrizo Springs, Texas, and is President of the Dimmit County Bar Association and a member of the State Bar Association of Texas and the American Bar Association. He is also a Director of the Union State Bank of Carrizo Springs.

Lion Petry has also served his own Lions Club at Carrizo Springs in many capacities, including President, Secretary and Director. Also, he served as Zone Chairman, Deputy District Governor and District Governor of District 2-A. He is a Charter Member and a Key Member of his club and has received a 10-year perfect attendance award.

President Petry is married and has two sons. He is a steward in the Methodist Church and is very active in civic, church and community affairs.

Canyon Echoes . . .

Mrs. Grace Sutton is spending this weekend with her son, Stanly Sutton, and family in Artesia, New Mexico.

Mrs. Grant Keys, Roswell, N. M., is enjoying the summer in her summer home in Travis Canyon. Mrs. Keys has been a summer visitor in Ruidoso for years. Mr. Keys spends the weekends in Ruidoso.

Johnny Romero and his wife of Ruidoso were in Roswell shopping last Saturday.

Mr. James Gayden, Ruidoso, has been called to Tahoka, Texas, because of the illness of his mother, Mrs. E. B. Gayden.

Mrs. C. C. Chase has returned home recently from El Paso where she spent several days with her daughter.

KOREA DISABLED VETS TO GET PREMIUM WAIVER

American servicemen totally disabled during the current fighting in Korea may be eligible to have their National Service Life Insurance premiums waived, if their total disability lasts six consecutive months or longer, Veterans Administration said today.

The waiver would go in effect, upon application, after the six-month period was over, and would remain in effect as long afterwards as total disability continued.

MESCALERO INDIAN CALL

By Edna Shields
Last Sunday 20 children of Mescalero, Carrizo and Bent made their first communion at St. Joseph's Mission, after which breakfast was served to everyone present. Monday, Father Marclan and his brother "Joe" left for a vacation at their home in Oakland, California.

Mrs. Blaza Dorame and Mrs. Ellen Yazza chaperoned the Thunderbird group on a picnic at Ruidoso Sunday. The youngsters took their lunches and spent most of the day skating.

Mr. Roy Salazar, brother of Mrs. M. G. Prelo, married Miss Caroline Holguin of Tularosa last week.

Mr. Leo Nunes, on his way in from cow camp last Tuesday, turned his car over, trouble with steering gear. Fortunately he was not injured. Also, Mr. John Shendo had his rear fender knocked off by a "furrin" car; that is, the fender of his pickup.

Little Miss Polly Sartm underwent an appendectomy Thursday of last week at the Ruidoso Hospital (by the way, what's the name of the hospital)? Her physician was Dr. Moore. Mr. and Mrs. L. Carl, son Lee, Rex LaRose and Bert and Edna Shields called on her Sunday. "Lucky Polly," both boys chorused, as they spied a stack of funny books on the patient's bed.

The Wheeler Gaytons (the former Narcissus Duffy) are here again from Oklahoma for an indefinite stay.

Friday night the Legion, Post 48 here, gave a dance for the benefit of Miss Pat Gutierrez who is in the hospital for some months. They were somewhat disappointed that the crowd was not larger, as less than a hundred dollars was cleared I believe. Dr. Buddy won the radio which was raffled. Ray Reed's orchestra furnished the music, and it is better than ever

—there is mountain music; modern, and even period music (my era that is) way back when rags, charlestons, etc. were in vogue.

The Daryl Youngs entertained at dinner, last Thursday evening, the Mormon Elders. Elder Harris was leaving for Arizona, and Elder Moone, District president, having just arrived to work with Elder Morrill.

Mrs. Bessie Quast left, also Thursday of last week, to visit her family home, Seattle, Washington.

Mrs. E. V. Morris, clerk at McNatt's Store, was ill at home all of last week.

The reply to my inquiry, "what did the committee from the Hoover Commission do while here," from one of the office men, was: "They expressed surprise at the amount of timber sale work being accomplished on the Reservation with the small staff of Forestry men."

Mrs. Fleta Baldonado and Mabel Betts who have been visiting their mother in Hutchinson, Kan. should return this weekend.

Messrs. John O. Crow, Bert Shields, Bill Brueninger and Albert LaRose, knocked themselves out on the Ruidoso golf course Sunday. According to the way certain ones battered the balls, it is suggested, with the kindest intentions, that they try horseshoes.

Does anyone have a good second hand medical dictionary for sale? I could use one when reading Mr. Frank E. Smith's technical column from Ft. Stanton. All in fun, Doc.

It must have been Chief Wookoo who said, "You'll have to admit that my prejudices are the least biased of any you will find around here."

Remember, news items are appreciated. Stop by or telephone when you have something in mind.

Mrs. Gloria Pollard, Anthony, N. M., was in Ruidoso visiting her sisters and their husbands, Mr. and Mrs. W. C. Marler and Mr. and Mrs. Fred Coe.

Rev. J. P. Lancaster, Loving, N. M., is spending the weekend with his wife at their cabin.

Mrs. Louis Slemeyer and children of Odessa, Texas, are enjoying a vacation in their cabin on the upper Ruidoso.

Boddy Kopp of Roswell was here last week visiting his wife.

CAPTAN LOCAL NEWS ITEMS

By Mary F. Werner

The 10th annual Cowboy's Camp Meeting was well attended this year. While it rained a little nearly every day the sermons, scenery and eats easily made up for any discomforts that the rain may have caused. Any one that has not attended one of these meetings owes it to themselves to plan to attend next year.

Mr. and Mrs. Fletcher Hall, Jr. have now taken over the management of the Hall's Drugstore. Mr. and Mrs. F. H. Sr. plan to roam around a little and take a much needed and well earned rest.

Mrs. Ruth Bradford, sister of Mrs. Roy Morgan spent a day in Capitan visiting before leaving for Germany where her husband Lt. Col. Bradford is to be stationed.

Mrs. Coleman of Truth or Consequences has been here visiting her daughter and family Mrs. Wm. Humphries.

Mr. and Mrs. L. W. Clark have left for a week or two vacation before schools start. They plan to travel over the northern part of New Mexico and on to California before returning.

The Round Table Club met at Fort Stanton Thursday at the lovely home of Mrs. Merrell. Mrs. Norma Ausbrook was guest of the day. Due to the absence of Mrs. Merchant, Mrs. Clark was in charge of the program. She gave a resume of the Seniors trip to Mexico. New officers for the coming year were elected. Mrs. Hunt Hobbs president, Mrs. Edna Laramie vice president, Mrs. L. W. Clark Secretary, Mrs. D. O. Murphy, treasurer, and Mrs. Jack Shaw Menu-chairman. The next

meeting will be at the home of Mrs. William Ferguson.

The regular meeting of the Capitan Woman's Club met Friday evening. After the opening of the meeting "America" was sung by the group followed by the pledge to the Flag and the reading of the Woman's Club creed. Several items of business was taken up, one item of interest being the raising of the dues. This will be voted on at the next meeting. After the business meeting a very interesting program was given the topic being the Indians around Taos and also the History of Taos. A song by Mary Fish of Ft. Stanton entitled "Everywhere You Go" was enjoyed by all. Delicious refreshments of cake and coffee was served.

Mr. and Mrs. Tommy Rogers of Santa Fe are here visiting friends and relatives.

A Message of Appreciation

To our dear, friends and neighbors. We wish to express our deep appreciation for your sympathy and many kindly courtesies in our bereavement. You gave us comfort and courage.

—Dr. and Mrs. A. J. Lewis.

Canyon Echoes . . .

Mrs. Ike Wingfield returned home here last Sunday afternoon from Nogal, where she attended the Ranchmen's Camp Meeting for the week. Mr. Wingfield spent Sunday with her at the camp grounds.

Dr. and Mrs. W. R. Wratten and friends attended the Ranchmen's Camp Meeting in Nogal during the week.

Among Ruidosans attending the Ranchmen's Camp Meeting in Nogal were Mr. and Mrs. Joe Evans, Mrs. R. K. Knox and her mother, Mr. and Mrs. W. B. Scott, Mr. and Mrs. Tom Coffee, Mr. and Mrs. Grover Douglass, and Mrs. Nora Pistol.

Dan Storm, Glencoe, N. M., was here last Monday visiting friends.

Mrs. Della Eaton of Stamford, Texas, is visiting Mr. and Mrs. A. C. Cooper at Stamford Inn for the summer.

Mrs. A. J. Lewis, who became ill last Sunday night, is in the Ruidoso Hospital.

Mr. and Mrs. Pete Pettet, Anthony, N. M., are in their cabin to enjoy the mountains for several weeks.

Mr. Charles and Miss Lucy Smoot, Wichita Falls, Texas, are in the canyon for the weekend.

Mr. and Mrs. Foster Rust of San Angelo and Sterling City, Texas, are spending their vacation at Nolsy Water Lodge.

Mrs. Dan Reinhardt and son, Dale, Fabens, Texas, are visiting in the home of her parents, Mr. and Mrs. L. P. Bloodworth, her husband will join her next weekend.

Mr. and Mrs. Hal Rives and daughter, Sue, and Mr. and Mrs. Edward Amonett, Roswell, spent last weekend in the Amonett cabin. Mrs. Amonett will remain here another week.

Sally Ortiz of Carrizozo, Harry Straley of Ancho, and Carl Ness of Fort Stanton were seen in Ruidoso visiting with their friends.

Mrs. Bud Campbell, Ruidoso, returned from Monahans, Texas, where she spent the weekend with her husband.

Mr. and Mrs. John F. Covey of Wilson, Texas, and Mr. and Mrs. Thomas A. Sides and sons of Lubbock, Texas, were weekend guests of Mr. and Mrs. Nolan Hart and their daughter, Mary Lynn.

Eighty-Mile Stretch Of REA Lines Completed In County

A new eighty-mile network of Rural Electrification lines stretching through an area of Lincoln County lying north of Ruidoso has been completed.

Walker L. Wingfield, electrical superintendent of the Lincoln-Otero REA cooperative, had previously stated that the contractors, Thompson, Haight and Keister of Tulsa, Okla. planned to complete their project by August first of this year. Word was received recently from local REA officials that the projects was completed and the line energized on July 15.

Residents along the line are having their homes wired in preparation for use of the electrical service. Some few are already using the power.

The new line begins at Hollywood on the Ruidoso River, and goes up Gavilan Canyon to Eagle Creek with lines running down to the old Charlie Coe ranch and up to Alto. Northward the line goes to the Bonito River at Angus the line follows state highway number 48 to Capitan and from there

goes to the Flatley Ranch. From a point west of Capitan the line reaches Nogal and surrounding points including the ranches of Daniel R. Brenton, Chester Foust, the Mess Ranger Station and the O Bar O Ranch.

Engineering on the line was done by Ashton Lottin.

The recently completed project is part of a program to bring electric power to farms, ranches, and small towns in Lincoln and Otero counties, part of Chaves county, and the Mescalero Indian reservation.

A forty-mile section of line is being built in the Miller Flats area near Cloudcroft as the latest construction project undertaken by the Lincoln-Otero Electric cooperative.

Other areas in which REA service is contemplated by the cooperative include Carrizozo, Oro Grande, Pinon, Arabela, Encino, and ranches in the Capitan Mountains.

Areas where the cooperative is already extended include, the Ruidoso, Hondo, and Bonito valleys; Cloudcroft, the Mescalero Reservation, Penañco Valley, and La Luz Canyon.

Lieutenant Commander and Mrs. George Dennis, Washington, D. C., arrived here last Monday for a ten-day visit with her parents, Mr. and Mrs. L. P. Bloodworth. They joined their children, George III (GeDe) and Sally, who flew to Ruidoso early in June to spend the summer with their grandparents. Also visiting the Bloodworths is Danny Reinhardt, a grandson from Fabens, Texas.

Scouts Entertained At Walker Air Base

Walker Air Base at Roswell was host to 50 Senior Boy Scouts of the area on July 17, 18 and 19.

The monster plane, the "Apache Chieftain" landed while the boys were there and witnessed the christening of the ship by Percy Bigmouth of Mescalero.

The boys were shown how fire fighting is conducted, a trip and instructions through the weather bureau and control tower and other military installations. The trip was climaxed with a cruise over the country a B 50. Earl Wilson and Gene Nelson were from Ruidoso.

Payment Unused Leave Extended

World War II veterans and their survivors who have not applied for unused leave pay, or have not received payment therefor are advised that the time limit has been extended to June 30, 1951 for such applications to be received.

Many vets and their survivors in New Mexico have not made application for these payments, and they are urged to contact the Service Officer of any one of the local veterans organizations, or write to: Contact Officer, Veterans Administration, 400 West Gold Street Albuquerque direct for forms on which to make the application for this entitlement.

MRS. HAWKINS IN CALIFORNIA

Mrs. Joe Hawkins and children are in San Francisco, Calif., on account of the death of her brother, Paul Tinn of a heart attack.

Shorty Hudson, Clovis, Calif., spent last weekend with Mr. and Mrs. Ezil Clarke. He stopped in Ruidoso on his way home from Central Texas.

Canyon Echoes

C. A. McClintic and Ralph M. Geller have opened their cabin for the summer. Guests for the weekend were Mrs. Bryce Rea, Falls Church, Virginia, Mrs. Lula Hooper, Sacramento, California, Mr. and Mrs. Earl Cummings and son Jimmy, Detroit Michigan, Harry McClintic, Midland, Mrs. Ralph Gelsler and Gene Gelsler, Midland. They will go to White Sands and other points of interest. These families have been coming to Ruidoso for the last fifteen years, their cabin is in Flume Canyon.

Business at home requires them to be away for the remainder of July, but the cabin will be reopened in August.

Mrs. Albert Hudson and her mother, Mrs. Juanita Frost of Abilene are spending a month in Ruidoso. They are staying at the Navajo Lodge.

Mr. and Mrs. Bobby Boyce are visiting Mrs. Boyce's family in Elida, N. M., this week.

Mr. and Mrs. T. C. Delaney spent the week-end in Roswell visiting Mr. and Mrs. Omar Leach.

Mr. and Mrs. R. H. Anderson and Mrs. Horace Britton spent Monday in Roswell on business.

Mrs. J. C. Perry of Waxahachie, Texas visited the Perry family in Greentree for several weeks.

Mrs. G. C. Burdine and Mr. and Mrs. O. T. Russell of Melrose, N.

M. visited Mr. and Mrs. G. T. Perry over the weekend.

Mr. and Mrs. George Goodson of Alamogordo stopped in Ruidoso for a day or two on their way home from the Nogal Camp Meeting.

Mr. and Mrs. Mark Yirden and daughter, Alamogordo, spent three days with Mr. and Mrs. Roy Nelson.

S/Sgt. Jack Manley of Fort Bliss was here to spend the week-end with his wife, Yolanda.

Mr. and Mrs. W. E. Beavers and children, Santa Fe, N. M., are spending the weekend with her mother, Mrs. V. C. Romero.

Pfc. J. D. Barber, Fort Bliss, spent last weekend with his wife in Ruidoso.
