SERVING LINCOLN COUNTY

VOL. V.—NO. 14

RUIDOSO, NEW MEXICO, FRIDAY, SEPTEMBER 15, 1950

PRICE FIVE CENTS

## Ruidoso Band Adds Color To Grid Game

A small but determined Ruidoso High school band gained favorable comment at Friday's football game.

The recently organized group exhibited much spirit in adding color to the festivities.

"We are proud of the band's showing," Superintendent of schools J. H. Morris said. "We look forward to the development of an excellent band in Ruidoso, but must necessarily begin on a limited scale because of the high cost of band equipment."

Superintendent Morris indicated that although aid is not being actively sought, the school would welcome use of instruments and band equipment offered by persons interested in development of a band.

Band students include Betty Bennett, Frank Mort, Leon Day, Patsy Long, Mary Glascock, Joann Martin, Mina Ann Hill, Murle Riley, Billie Simpson, Eva Mae Carter, Ada Lou Long, Anna Lee Long, Linda Moore, Connie Easley, Helen Whitely, Barbara Gazaway, Georgia Ruth Fuchs, and Bill Easley. W. C. Bright is director.

## Warriors Take Roswell Team In Friday Tilt

Although the Roswell eleven made repeated gains in the line throughout the game, they were never able to score. The inexperienced Warrior line acquitted themselves creditably, most of them playing their first game. Herb Carter, Jan McIlhane, Rex Whiteley, Ray Clarke, Kirby Lewis and the four ball carriers mentioned above played the entire game. Marion Gayden and Milton Sanchez were replaced for a few minutes near the end of the game by Johnny Barajas and Bennie Gardenhire.

One of the largest crowds ever to watch a football game in Ruidoso was on hand for the contest. Head yell-leader Helen Barajas and her assistants, Norma Allison, Gloria Waitrip, Wilma Cooper and Pat Branson, wore their attractive new uniforms and kept the students cheering for the boys. Mr. W. C. Bright, new music director for the Ruidoso Schools, has already organized a band and the five members who have their instruments were on hand to do their part.

Many Legion members here for the convention attended the game, and their band from Albuquerque also attended and played several numbers. Spectators got a big "kick" out of watching photographer Carmon Phillips in action. This year the members of the Warrior Dad's Club are paying for the film for movies of several of the games. Carmon is donating his services and the camera is loaned by the White Mountain Sports Association, Lions Club and Chamber of Commerce. In order to get the proper angle for shooting the pictures, Carmon had Harold Perry lugging a folding ladder along the sidelines and he would scramble up and down the ladder as the play moved up and down the field. Fortunately, no wide end-runs were run out of bounds in his direction. The movies will be used by Coach Cy Leland and the players to perfect the play of the Warriors.

## BATON TWIRLER CONTEST FOR NM STATE FAIR

Have you a baton twirler in the family? The first annual New Mexico State Fair Baton Twirling Jamboree and Contest, to be held September 30 at Youth Hall, State Fair Grounds, Albuquerque, was announced today by State Fair publicity director, Pat Hill.

All New Mexico twirlers are invited to compete for awards and participate in a special clinic. Medals will be awarded to the top three winners of each division and every entrant will receive a carefully rated judging sheet.

Participants may enter one of four divisions for the jamboree:

1. Senior Girls—16 years and older.
2. Junior Girls—12 to 16 years.
3. Juvenile Girls—8 to 12 years.
4. Boys Division—14 years and older.

The clinic will be held at 2 p. m. Saturday, September 30, and the tournament at 7:30 that evening in Youth Hall, under the direction of John Large, New Mexico Counselor for the Baton Twirling Association, and Drum Major for the New Mexico University marching band. Mr. Large will conduct the clinic and act as master of ceremonies for the tournament.

For entry blanks to the Jamboree—write Mr. Large, Superintendent, New Mexico State Fair Baton Twirling Jamboree, 326 South Mulberry, Albuquerque, New Mexico. Deadline for entrance is midnight, September 20.

There will be no entry fee other than entrance admission to the Fair Grounds, housing will be furnished free of charge; contestants will be required to take care of meals and transportation.

## Elks To Hold Annual Meeting

Raton, N. M.—Delegates from 15 communities will attend the 21st annual meeting of the New Mexico State Elks Association here this week end.

About 250 persons are expected. The convention opens Friday and ends Sunday. William J. Bingham is association president.

Harris Shelton, New Mexico-Texas artist, has returned to Ruidoso after a week in El Paso on business.

Mr. and Mrs. Russell J. Patterson of El Paso are house-guests of Harris Shelton.

## C of C Holds Monday Meet; Discuss Moving

The directors of the Ruidoso Chamber of Commerce met in regular session Monday afternoon. Several matters were discussed and voted on including moving of the location of the chamber office. Forty members voted to move the office from the present location and four against. A committee consisting of Emadair Chase, Lynn Butler and Oscar Samelson was appointed to choose a new office.

It was announced that Mr. E. A. Thompson of the state fish and game department would be in Ruidoso this week to meet with a committee about the plan to dredge the Ruidoso river and build several small dams in order to improve fishing conditions.

A committee was appointed to contact the contractor doing the blacktopping at the airport and see if it would be possible to have him do paving for private individuals while here.

Walt Crosby was appointed to solicit memberships in the Highway 70 Association.

An order was placed for 10,000 revised and corrected folders.

## New Building Program For A&M Planned

State College, N. M.—To meet a long-time need for certain campus facilities, New Mexico A&M College has started a building program that will give the college a new library, administration building and agricultural science building, according to John W. Branson, president. The program also includes plans for landscaping the entire campus, Mr. Branson stated.

Architects are drawing plans which will be submitted at an early date for construction bids. Recommendations for the location of the new buildings have been made by the Campus Planning and Improvement Committee. The old library, Young Hall and Hadley Hall, the present administration building, will be remodeled for classroom and office use.

Modular structure, new in library construction, will allow for great flexibility in arrangement, according to Chester Lindscheid, librarian. The divisional plan of book arrangement, books placed according to large subject areas, and more open-shelf space which will give students easier access to books is planned also, Lindscheid said.

Two of the main features of the agricultural science building will be a wool laboratory and a poultry pathological laboratory, according to Mr. Branson.

The administration building will house offices of the college administration.

## Beta Sigma Phi Holds Meeting

First meeting of the year was held by Beta Sigma Phi in the Home Ec Cottage Monday night. President Della Hale presided at the business meeting.

"Happiness Through Control of Self and Environment" was the program theme and was in charge of Marie Farrar. Blity Moore, Lou Horton and Corrinne Swearingen were also on the program.

Hostesses Betty Dees and Ethel Carroll served refreshments of individual cake and coffee.

## COLFAX CANDIDATE FOR FAIR QUEEN

—House of Photography, Raton.

Sparkling Patsy Morrow, 17, daughter of Mr. and Mrs. Raymond Morrow of Raton, became another contender for the title of New Mexico State Fair Queen when she was selected as the Colfax County candidate, it was announced today.

Patsy will compete with 31 other county queens on Opening Day of the State Fair, September 23, when the state winner will be crowned by Governor T. J. Mabry in special ceremonies.

Queens from every New Mexico County will ride in the Grand Opening Day Parade, and will be guests of the State Fair for the entire nine days, September 23 to October 1. They will also ride in the Grand Entry of the Rodeo each evening, and will represent their county in presenting awards and trophies during Fair time at Albuquerque.

## Ruidoso Rifle Team Second At Roswell

The Ruidoso Rifle Team participated in the State Championship Matches at Roswell over Labor Day and came off with second honors.

Those making the trip included R. H. Hedgecock, George Trimble, George Limacher, Claude Peterson, Orlan Wilson, Dean Earle and Tom Jones.

George Trimble won the individual state championship capturing the following trophies: the Elks Trophy, Charles Fuller Trophy and the NMMI Trophy.

The local team lost to Silver City by only four points.

## Two Seriously Hurt In Sunday Accident

Billie Dee Pogue and wife Barbara, of Odessa, Texas, were seriously injured in a car wreck early Sunday morning. The driver evidently lost control of the automobile which crashed into a tree on Skyland Hill. The car was demolished.

The couple were taken to William Beaumont Hospital in El Paso after receiving emergency treatment at the Ruidoso-Hondo Valley General Hospital.

## Carlsbad B Squad Plays Here Friday

The Ruidoso Warriors play their second game of the season here today (Friday) at 2:30 p. m. Opponents will be the Carlsbad B team.

Tomorrow night at 8 o'clock the Ruidoso B team will play in Alamogordo. Their opponents will be a team composed of freshman and Junior High players. Some Junior High boys may see action for Ruidoso, but the starting team will be made up of players who do not start the game here this afternoon against Carlsbad.

The Warriors started off their 1950 season last Friday with a win over Roswell B. After fumbling the opening kickoff, they held Roswell for downs and on successive plays marched 65 yards for their first touchdown early in the first quarter. Wade Hedgecock, Dave Parks, Wayne Lewis and Joe Gallegos alternated carrying the ball, with Hedgecock making the final 15 yards, only to fumble as he was tackled on the goal-line. Milton Sanchez, shortly following the play from his left end position, fell on the ball in the end zone for the score. The try for point through the line was stopped, and Carlsbad came back strong after the next kickoff with repeated gains through the Warrior line. Over-anxious linemen and backs for the Coyotes caused repeated penalties for offsides, and probably prevented a Roswell touchdown. They had just made a first down inside the Warrior five yard line, only to be offside on the play. Ruidoso held after the penalty and took over on downs.

The second Warrior score was made in the third quarter from the Roswell 40 yard line. Joe Gallegos threw a perfect pass to Dave Parks who was racing down the north sideline. He took the ball in full stride on the 25 and outran the safety man to pay-dirt. Again the line-play for extra point was stopped.

## Fan Gives \$50 To Buy New Shoes For Warriors

Friday morning an enthusiastic Boy Scout was telling the stranger who had given him a "lift" in the big Lincoln all about the Ruidoso Warrior football team. "Do you think they'll win their first game?" the youngster was asked. "Yo bet your life they will," he answered. "If they do, I'll have a nice present for them," the stranger replied.

Friday afternoon after the Warriors defeated Roswell B, Coach Cy Leland was handed a check by Marshall rank Barajas. It was for fifty dollars, made out to Ruidoso Football Boys. The stranger is no stranger at all. He is A. K. McBride who has a home in the Gateway Addition near the High School. Leland said the money will be used to buy new football shoes for several of the boys who need them badly.

## Warriors Play Tackle Captain, Friday, Sept. 22

Next Friday, September 22, the Warriors play their first Class C opponent of the season when they go to Capitlan. The Tigers tied Vaughn last week and play in Carrizozo today.

Coach Cy Leland urges all Ruidoso fans who can possibly attend to make the trip to Capitlan to help the boys in this important contest. The game will start at 1:30 instead of 2:30 as do the Ruidoso home games.

County Clerk, Lincoln Co.  
Carrizozo

## Nail That Big Lie

At long last, Americans are organizing a "Crusade for Freedom" to nail the BIG LIE.

For too many years, in fancied security, we watched the BIG LIE creeping across the surface of a bewildered world.

In many countries, notably those of Asia, the lie about America became the truth about America. In our own land it left a trail of poison and sedition.

Everywhere, people groping for liberty and peace were splattered with the Kremlin's muddy propaganda—with the BIG LIE. They were told that American freedom was a myth concocted by America's "imperialists"; that class was fighting against class; that the American economic system was nothing but a bulwark for capitalist exploitation.

Americans knew better, but they mistakenly believed that there was time for the truth to vindicate itself.

Meanwhile, around the globe, the reiterated BIG LIE dinned into the ears of millions by the Communist propaganda machine became the truth to many listeners, simply by dint of endless, noisy, unabashed repetition.

The Communist war of propaganda is global, but its magnitude and menace were brought into the open by the hostilities in Korea.

Only after the shooting began did we realize that an even deadlier conflict was raging in the field of ideas—and that our mechanism of defense was as deficient on the propaganda front as it was proved to be on the military.

Out of this realization has emerged the "Crusade for Freedom"—nationwide, asking the support of EVERY AMERICAN, and dedicated primarily to nailing the BIG LIE whenever it appears.

The campaign opened this month, spearheaded by men and women who symbolize the American concepts of freedom and equality. Its effectiveness will be measured by the support it receives from Americans in all walks of life.

The crusade has a two-fold objective. At home, it will seek to inspire every American with a sobering awareness of the extent of the Communist threat to the individual liberty and national independence, right here in the United States.

Throughout the world, the campaign proposes to give moral support and financial backing, whenever possible, to those who are resisting Communist tyranny or who have already become victims of Red aggression.

In both phases of the two-pronged drive against Communist infiltration and conquest, the TRUTH is the blockbuster on which the forces of freedom will rely.

Communists, followers of the party line, and their hordes of fellow-travelers, can be counted upon to oppose the "Crusade for Freedom" with every device of confusion and misrepresentation in their ideological arsenal.

Moscow will be watching as its agents work to "divide and conquer."

There is only one answer.

"Make "Crusade for Freedom" YOUR crusade.

## Equalization Board Powers Outlined

The following opinion concerning the powers, duties and responsibilities of county assessors and county commissioners, acting as boards of equalization, in view of Chapter 146, Laws of 1949, commonly known as the Reassessment Law, has been given by Joe L. Martinez, attorney general.

This law makes it the mandatory duty of the county assessors and county commissioners, acting as boards of equalization, to use the equalized values obtained from said survey in the county as a basis for valuation and equalization of property to be valued and assessed by county taxing officers.

The law does not take from the county assessor his discretion to correct errors and adjust values in individual cases when, in his judgment, such action is justified.

After the assessor has fixed his values based upon such survey, the law requires him to mail a notice to taxpayers whose values have been increased thereby, giving them the opportunity to come before the county commissioners at a fixed date in order to make any protest before the county commissioners, acting as a board of equalization, which the taxpayer may desire to make.

The county commissioners have the same powers, duties and responsibilities, in acting as a board of equalization, as they have had previously under the law, since the Reassessment Law did not take away such powers. The only restriction is that the reassessment be used as a basis for valuation and equalization within the county.

The county commissioners cannot legally ignore the law and

refuse to take action when a protest is made before them, and have full power to take what action they deem justified to achieve equality and uniformity of values without discrimination throughout the county. If the county commissioners fail to do so, they are not performing their duties in accordance with the law.

If the taxpayer is not satisfied with the action of the county commissioners, acting as a board of equalization, he still has the right to appeal to the State Tax Commission and to the courts, if he should be dissatisfied with the action of the State Tax Commission.

## License Plate Colors Reversed

Santa Fe, N. M.—Next year's auto license plates will be the opposite in color to this year's New Mexico tags. Instead of white on blue, they will have blue figures on a white background. County designations remain unchanged.

## Former Child Intellectual at Fort Stanton

By Frank E. Smith

Marvin Ziporyn, M. D., recently arrived from Alameda, California, for duty at the U. S. Marine Hospital, Fort Stanton, New Mexico, is not only an excellent young doctor, but also a widely known violinist, as will be noted in the brief biographical sketch appended hereunder.

A brilliant artist, and a former boy prodigy, Dr. Marvin Ziporyn at 26, has a musical background that is unmatched on the American concert stage. His irrepressible talent first showed itself at the age of five, when he began to play the violin, under the direction of Walter Aschenbrener, of the American Conservatory of Music, and conductor of the Chicago Symphony Choir.

Within a year, young Ziporyn gave his first public recital at Chicago's Kimball Hall, playing with virtuoso sweep the works of Mozart, Kreisler and De Beriot. When he was six, too, he played for Louis Persinger, teacher of most of America's child prodigies, including Yehudi Menuhin. Mr. Persinger declared that Ziporyn's talent equaled that of Menuhin's at the same age.

Not only was Marvin Ziporyn a brilliant violinist at six, but he proved to be highly talented in a number of other directions. When he was eight, he passed the Northwestern University tests with rating high enough to enter the University. The authorities balked, however, at his matriculation at the University at such an early age. Some years later at 14, he was a Freshman at Northwestern, graduating at 18. Four years later, he received his medical degree.

Throughout his school career, Dr. Ziporyn appeared as solo violinist in 200 recitals in the Chicago area. Recitals were given at Concordia College, the Luther Institute, and he appeared with the Chicago Symphonic Choir, the Northwestern University Symphony as soloist, and was the star of the International Hour, presented regularly over radio station WHFC in Chicago.

In all his recitals, Dr. Ziporyn used a genuine 7/8 violin, one of the few of its kind in existence, made by the celebrated Johannes Baptiste Rugerius in 1675. This instrument was presented to Dr. Ziporyn by Mrs. James A. Patten, who became interested in the young prodigy when she was told of his many-sided talents.

It was with the small-size violin too, that Dr. Ziporyn was selected as winner of the contests conducted by the Society of American Musicians, in Illinois for violinists under the age of 17, Marvin Ziporyn was named in 1939 and 1940.

Despite the demands of his time as interne and house surgeon in a New York hospital, Dr. Ziporyn continued his violin studies, and played regularly for ward patients, in the most outstanding presentation of musical therapy, Dr. Ziporyn being both a fine musician and a doctor.

The young doctor-violinist entered the U. S. P. H. Service and served at Portland, Maine, Bethesda, Maryland and the U. S. Marine Hospital at San Francisco, doing physicals at the U. S. Merchant Marine School in Alameda, Calif., during the latter service.

Ziporyn was "frozen" in the service due to the Korean War. Dr. Ice and this precluded the possibility of making a planned con-

## 222,342 Motor Vehicles Registered

Santa Fe, N. M.—More motor vehicles have been registered in New Mexico the first eight months of this year than were registered during all 1949.

Motor Vehicle Commissioner Mike Gallegos reported 222,342 registered, compared with 211,286 for 1949.

cert tour of 300 cities this Fall and Winter.

While Dr. Ziporyn was at the Marine Hospital, San Francisco, he appeared as featured artist in a weekly program, heard over KPFA at Berkeley, Calif.

By Frank E. Smith

The newly elected committee of the Bonita Club met the other night at the home of Percy Parker, the new president, and plans were formulated for their activities and parties for the coming year.

Judge and Mrs. Caldwell of Dallas came over from Ruidoso for a visit with the Leo Pavmans.

Ed White, chief engineer at the Fort is getting along much better now and hopes to be able to leave the hospital shortly.

The Old Lincoln Historical Society had a successful meeting at the Lincoln Museum on Sunday, a lot of business was on hand for discussion as well as long range plans started to perpetuate "The Day in Old Lincoln" pageant. The same roster of officers as formerly were elected, i.e., Wilbur F. Coe, president; Bert Pringsten, vice-president; Mrs. Ruth Martin, treasurer, and Frank C. Boyce, secretary.

Mrs. Johnny (Caroline) Davis, who is taking over the Museum as hand to greet the officers and also give a report on what she had done since assuming her new office. It is too bad that only a small group assembled for this very important meet, and it is to be hoped that a greater enthusiasm among a larger number of Lincoln County folk will soon be forthcoming.

The Capitan Future homemakers of America held a dance on Saturday night at the Capitan Grade School Gym and a fair crowd was present.

Douglas Tyler returned from a business trip to his home in Baltimore, Md., with a Ford fordor sedan and had a nice ride back here, taking his time on the journey.

Dr. Howard W. Kopping is in charge now that Dr. Whitehead is away and it should not be amiss to give a little sketch of his life. Born 26 years ago in Chicago, Ill., going to grade and high schools in that city, his pre-medical studies were taken at the Armour Institute, Chicago, Pasadena Junior College, Pasadena, Calif., and the University of California, Berkeley. Three years were then spent in the U. S. Army during World War II. Louisiana State University of Medicine was the next place of study and Dr. Kopping graduated with the class of '49. Went to U. S. Marine Hospital at Stapleton, N. Y.,

for his internship as well as the Misericordia Hospital at Manhattan, N. Y., and the Marine Hospital at Neponsit.

Mr. and Mrs. Emmett Womack took their son, Eddie, to Roswell during the week to see Dr. R. F. Waggoner about Eddie's broken arm. Everything was okay according to the report received.

Mr. William Holderman came up from Mississippi and Waco, Texas, and took his wife, Mabel, for a trip to Yellowstone Park and Salt Lake City, Utah.

The Fort Stanton Boy Scout Troop under the leadership of Ray Baker, Scoutmaster, camped overnight near the Blue Gorge on Saturday night and had an enjoyable time.

Mr. and Mrs. Sam Cox took Mary Ann to Portales where she entered the University of Eastern New Mexico for further education.

The "Red" Merrells came back from a recent trip to Roswell with a nice new green Mercury sedan. Joe Dryden, town clerk of Ruidoso, came over and purchased quite a number of handmade articles from the Craft Shop for his new gift and curio shop.

Miss Janet Ross, formerly head of the Occupational Therapy Department and now in charge of that branch at the Sheephead Bay Marine Hospital, is spending a few days visiting with the Carl Ness family as well as doing lots of other round making.

## Welcome To Hollywood Party In El Paso

A broadcast and breakfast benefit is planned by the El Paso Pythias Mattice Temple No. 31 October 7 at 10:00 a. m. The program is to be held in the Cortez ballroom.

The popular Welcome to Hollywood program will be broadcast over KROD and many prizes will be awarded. The admission charge will be \$2.00.

The rainy day most people save their money for usually arrives at vacation time.

The man of the hour has been described as a person who makes every minute count.

## Best Food Buys For September

The most plentiful foods for September, according to the U. S. Department of Agriculture are cabbage, irish potatoes, cauliflower, beets, turnips, turnip greens, and sweet potatoes, with sweet potatoes listed as especially good for the month.

Milk, butter, cheese, cottage cheese, and other skim milk products are listed as the protein foods.

Hens will be plentiful the latter half of the month. Eggs are also stressed in the bulletin.

One of the best bets for cabbage lovers this month is cabbage rolls. First, wilt fresh green cabbage leaves in hot lightly salted water until they become limp enough to roll . . . For the mixture: Combine chopped or ground cooked meat with bread crumbs, add melted fat, a finely chopped onion, and moisten with gravy, chili sauce or catsup. Season to taste with salt and pepper.

Put some of the mixture on each cabbage leaf and roll it up. Place the rolls in a baking dish, add hot gravy or a very little hot water. Cover the dish and bake in a moderate oven (350° F) for about 3/4 hour or until the cabbage is tender. You'll like cabbage fixed this new way.

Many a gal returns home from the beauty shop with more gossip than beauty.

Many helpful things can be done about the war perhaps, but worry isn't one of them.

### GLENCOE NEWS

**By Sydney Bonnell**  
Mrs. J. V. Tully, Sr., is reported seriously ill in Hotel Dieu having undergone an operation Saturday. All wish her a speedy recovery.

Paul Jones is reporting for duty and will leave for Camp Hood, Texas, Tuesday.

Don Perry is returning to TCU for his second year in college.

The Woman's Club of Picacho gave a successful dance and box-supper for the benefit of the school hot lunches, Saturday night. Mr. and Mrs. Wilbur Coa played for the dance. Mrs. Louise Mable and daughter Joy came in for a short time and played and sang for the pleasure of the guests and were much appreciated. Mr. Ramon Nunez was the auctioneer and sold the boxes so well they brought over \$65.00.

Had a pleasant visit from Hazel Foresee, son Paul and Mrs. Ed Bonnell. They were planning a trip to Juarez over the week-end. Mrs. Foresee will be leaving for Los Angeles soon.

Dan Griffith plans to attend A&M College at Mesilla Park this year and will leave Tuesday.

Dick and Mary Stubb left for Oklahoma on a visit.

Mr. and Mrs. Ray Reed and children visited the Kellers Sunday.

Judge Scroggins and family were fishing with Troy and Lloyd Jordan.

### Pioneer Air Lines Sets Safety Record

Dallas, Texas, Sept. 15.—Pioneer Air lines recently completed its 100,000,000th passenger mile, all flown without a fatal accident or injury to passengers or crew.

The company started its operations on Aug. 1, 1945.

E. W. Bailey, Pioneer's secretary-treasurer, said the 100,000,000 passenger miles (number of passengers times miles carried) represented the equivalent of flying around the earth at the equator 4,026 times or the transporting of the entire population of a city of 500,000 persons 200 miles.

More than 22,000,000 passenger miles of the total were flown in 1950. Pioneer flew 1,247,993 passenger miles in 1945; 5,903,860 in 1946; 16,513,708 in 1947; 25,090,184 in 1948, and 28,295,833 in 1949. The 1950 total represents an increase of 20 per cent over the same period in 1949, Mr. Bailey pointed out.

Pioneer, oldest of the nation's local service airlines, serves 24 cities in Texas and New Mexico.

Youths who try the wrong thing once usually try it once too often.

Being a slave to bad thinking is on the road to being a slave to bad habit.

# SAN PATRICIO SENTINEL

By Betty Lou Taylor

Sam Reed left San Patricio on Wednesday after staying at the Sentinel Ranch for a month. His portrait was painted by Peter Hurd. Sam's home is in Greenwich, Conn.

Mr. Peter Hurd, Carol, Betty and Rufina Chavez and Sam Reed went to Ruidoso Labor Day to see a movie.

Benito and Ben Herrera, Roy and Brazel Chavez and Franklin Wagner were seen at the movie also.

Mr. and Mrs. Shelton Taylor, Sheila, Kay, Betty Lou and Bob Underwood, of Roswell, had a picnic on Eagle Creek then went to the movies Labor Day.

Ben Lara and family of Dexter, were in San Patricio Thursday visiting relatives.

O'Brien Nicholas spent the week end with Carol Hurd. Carol returned to Roswell with O'Brien to spend a few days before leaving for Shiply School in Pennsylvania.

Col. Alvinso Miller, from Captain, has been shipped overseas. He has been in Fort Benning, Ga., for two years.

Peter Wyth Hurd, son of Mr. and Mrs. Peter Hurd, has returned to Syracuse, N. W.

Mrs. Nell Douthinett of Roswell, returned to her home Friday after spending a few days with her sister-in-law, Mrs. Helena Lucas.

Mr. and Mrs. Cuca Romero and twins, Eloyed and Loyed of Roswell were visitors of Mr. and Mrs. Candido Chavez, Sr., and family.

Mr. and Mrs. Barnes, from New York, left for Santa Fe last week after staying at the Hurds a week. Mr. Barnes had his portrait painted by Mrs. Hurd.

Mrs. Dow Robinson and sons, Les and Tommy, of Roswell were visitors at the Trading Post Sunday. Mrs. Robinson and Les were en route to El Paso where Les will see a bone specialist. Tommy is staying with the Taylors until they return.

Pauline Mackey, of Ruidoso, spent a couple of days with orothy Jean Chavez this week.

Dinner guests at the Sentinel Ranch last Friday night were Mr. and Mrs. Barnes, Mr. and Mrs.

Tom Babers and Billy, Jannie McArthur and Sam Reed.

Mr. and Mrs. B. J. Watkins of Roswell and Pat Chubic of Ruidoso, were guests of Mr. and Mrs. Tom Rigby last Sunday.

Mr. and Mrs. James Mackey of Ruidoso, Mr. and Mrs. Winford Stinnet and daughter Emilene, Mrs. E. L. Barns and daughter Myra Lynn, all of Roswell, were guests of Mr. and Mrs. Candido Chavez, Sr., over the Labor Day week-end.

Mr. and Mrs. W. B. Cain of Logan, N. M., and Mrs. D. M. Babers of Alamo were here Sunday night to visit the Tom Babers.

"Stumpy" Lucas is away from San Pat for a few days' vacation.

## Postmaster Meeting Held In Ruidoso

Mary McCullough, President of the New Mexico Chapter of the National Association of Postmasters, combined business and pleasure when she called an executive Board meeting at her cabin in Hollywood for September 4th, and invited postmasters of Otero and Lincoln Counties to attend. After the business session there was "shop talk" and visiting with the gracious hostess before going to Ruidoso Club Cafe for a steak dinner.

Postmasters attending the meet- Roswell, Manuel Martinez, Truing were Mrs. Mary McCullough, chas. F. W. Saddler, Dexter, Chapter Vice Presidents, Mrs. Danna Klepper, Jal, Sec.- Treas., Tony Martinez, Santa Fe, Lyle L. Gohlson, Hobbs, National Directors, Dale Dodds, Tularosa, Mesdames Mable Wimberly, Hollywood, Dorothy Parnall, Green Tree, Gladys Nosker, Glencoe, Mary Joiner, Hondo, Omev Ramon, Tinnie, and Agnes Avilo, Taos. Others attending were Mrs. F. W. Saddler, Mrs. Dale Dodds, Mrs. Virginia Guest, Mrs. Jessie Santistevan and Jack Parnell.

## Wingless Chickens At NM State Fair

The Joe Heaston Companies of New Mexico have arranged to display Peter Bauman's world-famous "Wingless Chickens," it was revealed today by New Mexico State Fair Publicity Director, Pat Hill.

The Heaston Companies will set up a special tent on the Fair grounds where several pairs of the prized fowl will be on display daily, along with preserved embryos. The exhibit is designed to show the complete life cycle of the chickens from embryo to full growth.

The breed was developed by Bauman, of Des Moines, Iowa, over a period of 12 years. He started with a Light Brahma rooster and a White Minorca hen, both hatched with wing mutations. Later he introduced a naturally stub-winged Black Australorp. Finally he introduced White Leghorn breeding in order to increase egg productivity, and so has produced a truly dual-purpose fowl.

The smaller, compact, meaty body is ideal for the small families of today, and makes them the perfect breed for backyard chicken raisers.

Probably the most important advantage of the wingless chick-

# WANT ADS

SELL RENT

Your classified ads are collected and appreciated, by mail and over the counter. Rates are 15c per line, (count five words per line) and the minimum charge is 62c per ad, so use at least 20 words and get best results.

ens is that the energy most of them use in flying and trying to fly, in flapping of wings and in planing across the chicken yard can be diverted to the more serious business of laying more eggs and producing more meat.

Bauman will appear personally at the exhibit opening day of the Fair, September 23, to explain in

Economy begins at home is a maxim the Washington bureaucrats never learned.

The thing that makes fish stories so exasperating is that even if they're true no one believes them.

detail how he brought about his world-famous wonders.

# Light Up!

## FOR HOME STUDY

## BETTER LIGHT MEANS BETTER GRADES

Homework requires concentration and close attention to small type. Plenty of good light is needed to prevent eyestrain and fatigue that may lead to poor grades.

For better light at the study table, give your children a study lamp that is . . .

- Equipped with at least a 150-watt bulb
- Well shaded to prevent glare
- Tall enough to spread light over a wide area

We'll gladly recommend the right kind of lamp for home study . . . and help you with suggestions for better light elsewhere in your home. See us about it today!

### Free Chest X-Ray Surveys Planned For Lincoln County

The State Health Department is planning to conduct a free chest x-ray survey in Lincoln County, starting in early October. It is hoped that widespread participation on the part of residents of Lincoln County will enable this county to set a new per capita record for the state, or at least, place Lincoln County high in state standing.

An organizational meeting, to include interested people from all parts of the county, has been called. The meeting will be held Friday, Sept. 22 at the courthouse in Carrizozo.

Free chest x-rays will be given all persons fifteen years or older, all individuals over the age of three who are close contacts to a case of tuberculosis and children under fifteen who are accompanied by parents who are also presenting themselves for x-rays.

The x-ray takes only a minute or two. Clothes do not have to be removed. All reports are kept strictly confidential. If your film should show any signs of chest disorder you will be sent a confidential letter asking you to come in for a larger film, also free. This large film, together with the readings made by the Director of Tuberculosis Control will be available to any physician designated by you, for his aid.

#### Freeze Surplus Property

Washington (AFPS)—The Government recently ordered a "freeze" on surplus property, including that already authorized for sale. All such property will be re-examined to determine its present suitability for defense use. The freeze order covers plants and supplies, equipment and material whether of civilian or military character.

Mother, teaching her little girl to gargle: Look, dear. Just throw your head back, and say "Ah."

Little girl: But, Mummy, I can't help swallowing, my throat hasn't any stopper.

**RADIUM COATED DIALS** of Minneapolis Honeywell thermostat enable hospital nurse to adjust temperature at night without disturbing patients.

**CORNY KITTY**—Tommy, pet in Bellevue, Nebr. household, prefers corn on cob to milk. He nibbles a row at a time, turns cob with his paw and goes on to next row.

Springfield, Ill. (AFPS) — Lou and Dick Moakley worked day and night to do the 101 things required before opening their new tavern. Finally they opened for business. The first customer ordered a bottle of beer. When they tried to serve him, a bottle opener.

#### 8th Air Force Inspects Biggs AFB

A team of 8th Air Force inspectors arrived at Biggs Air Force Base Monday from their headquarters at Ft. Worth for an annual air inspection of the Base.

The inspectors, who are headed by Col. William B. Offutt, 8th Air Force inspector general, were met at their plane by Col. Richard M. Montgomery, Biggs commander.

Assisting Colonel Offutt are Maj. Louis B. Atkinson, Provost Marshal; Maj. Allen E. Haveman, Chief Air Inspector; Maj. Rogers L. Pearson, Air Inspector, Maintenance and Supply; Maj. Charles H. Pierce, Air Inspector, Operations and Training; Capt. Walter Whisnant, Provost Marshal; Chief Warrant Officer, Jimmy M. June, Air Inspector, Administration and Personnel; CWO Jerome G. Peppers, Jr., Assistant Air Inspector, Maintenance and Supply; WOJG Ledford L. Hicks, Air Inspector, Communications; M/Sgt. Richard C. Bone, Operations and Training; M/Sgt. Alton B. Hale, Jr., Supply; M/Sgt. Gover C. Wood, Main-

tenance, and M/Sgt. Ephraim O. Wright, Administration.

The inspectors will place special emphasis on base security. They are scheduled to return to Carswell Air Force Base at Ft. Worth September 22.

A Communist has been defined as a fellow who has nothing and wants to share it with others.

#### Pledge Non-Hoarding!

Washington (AFPS)—Mrs. Ann Tibbetts, Portland, Maine, housewife, recently flew to Washington to present to President Truman 30,000 pledges from the citizens of Portland that they would not hoard supplies during the war emergency. Each pledge was written on a separate card, and the bundle weighed 95 pounds—almost as much as Mrs. Tibbetts.
