There's nothing is just as good that's Cheaper!

It's a fact! Your travel dollar buys more comfort, more convenience, more luxury and more miles on modern streamliners than on any other form of transportation. Roundtrips in chair cars on any of the Southern Pacific "name" trains listed below cost only about 2% a mile or less.

Chair cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud fouri-rubber seats. Lots of leg room and move-around room. Extra large windows. Ffuther-touch doors. Spacious washrooms. That's why Chair Cars on S. P. atreamliners are the most luxurious

form of all low-cost transportation. There's nothing as good as S.P. for freight shipments, too. We have more miles of line serving more Western cities and towns than any other railroad. For fast, efficient, dependable freight service -whether carload or i.c.l .- call our mearest agent.

kayitah and Martine were peaceloving farmers at Mescalero when
they were called to duty by Gen
George Crook, and were asked to
accompany Lt. Philip Gatewood into Mexico for an interview with
Geronimo. Their mission was successful; they persuaded Geronimo
to give himself up and the Indian
warfare ended. Alfred Chatto was
head of the 500 Indian recouts who
served in the campaign under Lt.
Britton Davis. An unfair thing was
that after Martine, Kayitah, Chatto and others had given such loyal
and faithful service, they were
taken slong with Geronimo's band
to the Evergiades of Florids, to
Alabama and later to Fort Sill,
where they were held as captives
of the Government for 25 years.
Old-timers recall that it was the
persistent efforts of Sam Chine
and his associates that finally
brought about the return of the
Fort Sill group to, Mescalero
