Speaking of the Power of the Press. That little article we had in last week's *Of Sassafras Tea* hit Win, Place and Show. . . We thought we had plenty of root and bark, but ran out but quick. . . More is on the way so by the time this issue hits the street, we'll have more. . . Drop in. . . It's free. . . Incidentally, Mrs. Gerald Thompson, Mr. Jingle-Bob Stable's wife, suggests a bit of orange after the tea is brewed. . . Sounds good.

Did you know that only one person out of 200 ever reaches the height of 6 feet? Maybe Bill and Lillian Hills up at Rock Ridge Rancho should use that for advertising their lovely high ceiling rooms. . . Idea?

Lillian Hills tells us one about Frank Parker and the TV tenor, walking into a ladies' turkish bath. . . Seems Mr. Parker was a bit non-plussed, but covered it by starting to sing "Take My Hand, I'm A Stranger in Paradise."

Mrs. Jack Lee mentioned that Miss Linda Darrill has purchased some property here in the Valley. A number of inquiries have come in from Hollywood, Calif., folks about ranches, etc., around here. . . Would our town no harm, were we to have some movie folk call Ruidoso their summer residence. . .

We learned the other day that there are only 750 Grizzly Bears left in the United States, 749 that is, as we saw a beautiful hide that once belonged to a Grizzly up at George Bonal's place. . . George shot it in Montana last season. . . And speaking of abounding, Miss Bonal got a Brown all by herself over around Chidister's, in from Hollywood, Calif. . . While we were there, their little parakeet, Slinky, hopped over to Jo-Jo the parrot's cage. . . Jo-Jo started to step on him, and Slinky yelled, "No!" on the 8th day of April 1954. . . Passed, approved and signed this 6th day of February 1954.

**RESOLUTION**  
NO. 54  
A RESOLUTION PROVIDING FOR THE ISSUANCE OF OBLIGATION BONDS IN THE AMOUNT OF \$159,000.00 FOR THE PURPOSE OF ENLARGEMENT AND IMPROVEMENT OF THE EXISTING WATER SYSTEM.

WHEREAS, As set forth in Section 14 article 3024 of the 1951 Cumulative Supplement of the New Mexico Statutes 1941, in part, it is the purpose of this act to enlarge, improve, or extend an existing system, election could be called without consent of the real estate owners.

NOW THEREFORE, It is resolved by the Board of Trustees of the Village of Ruidoso, New Mexico that the said bonds shall be voted upon at next regular election.

**VILLAGE OF RUIDOSO, NEW MEXICO**  
ORDINANCE NO. 75  
AN ORDINANCE TO AMEND SECTIONS 2 AND 5 OF ORDINANCE NO. 62 AND SECTION NO. 5 OF ORDINANCE NO. 46 OF THE VILLAGE OF RUIDOSO, LINCOLN COUNTY, NEW MEXICO, WATER DEPARTMENT, TO SET RATES TO CONSUMERS, AND TO REPEAL ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HERWITH.

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF RUIDOSO, LINCOLN COUNTY, NEW MEXICO: THAT SECTION 2 SHALL BE:

**SECTION 2 METERED SERVICES**—3/4 inch pipe—there shall be a minimum charge of \$3.00 per month and a minimum turn on period of five months costing \$10.00.

**SECTION 3 SHALL BE:** Where water service is being furnished on a flat rate basis at the time of passage of this ordinance, the rates for such service shall be \$3.00 per month minimum charge and a minimum turn on period of five months costing \$10.00 until such time the Water Department shall install meters on such service, whereupon such flat rate shall immediately cease and the meter rates provided shall apply.

**SECTION 6 ORDINANCE NO. 40 DEPOSITS**: All persons desiring to use the Village water shall make a money deposit with the Water Department. The maximum amount of said deposit shall not exceed the estimated amount of two month bill and shall be a reasonable amount to protect the Water Department from loss due to unpaid bills and in no case be less than \$10.00. Ten Dollars for each service connection.

BE IT FURTHER RESOLVED: On event of disconnection of service at customers request a fee of \$1.50 shall be charged for reconnection of service.

PASSED, APPROVED, SIGNED AND EXECUTED this 25th day of January, 1954.

There are a few general measures that will be effective in solving most of the disease and insect problems of roses. These measures are rather simple. All that is needed is a good hand duster, a small sprayer, and a few insecticides and fungicides.

There are several good insect-fungicide combinations on the market. Effective compounds contain a mixture of the following ingredients in varying amounts: Sulfur, copper or ferbam, lindane, DDT or methoxychlor, and rotenone or Aramite. Compounds of these types are sold under several trade names. In some combinations certain organic fungicides replace the sulfur and other miticides replace the Aramite or rotenone. Nicotine sulfate and Aramite should be available for use as sprays to control any unusual infestations of aphids or mites. The nicotine is used at the rate of 1 teaspoonful per gallon of water to control aphids, and Aramite at the rate of 4 teaspoonfuls per gallon to control mites. Occasionally a white-oil emulsion will be needed to control scale.

The first requirement for successful disease and insect control is to begin with insect- and disease-free plants, particularly as regards crown gall and the virus disease. During the growing season a weekly application of an insecticide-fungicide will keep most of the insects and diseases under control. If rust is a problem, the mixture containing ferbam should be used. When aphids appear, it will be necessary to spray the plants with nicotine sulfate or malathion.

### LAFF

**And You'll Live Longer**

"My friends were talking, 'Was your uncle's mind vigorous and sane up to the very last?'" asked one.

"We don't know, yet," replied the other. "His will won't be read until next week."

A little boy, caught in mischief, was asked by his mother: "How do you expect to get into heaven?"

He thought a minute, and then said: "Well, I'll just run in and out and in and out and keep slanging the door till they say, 'For godness sake, come in or stay!'"

Just applications containing a high content of sulfur should be discontinued during the hottest weather as they may burn the foliage. At this time, however, particularly if it is also dry, the spider mites build up rapidly and cause serious injury. Spray applications of Aramite or malathion will control the spider mites. Diseases do not spread during hot dry weather. Weekly applications of the fungicide-insecticide are not always adequate for thrips control. It may be necessary to make two or three applications of a powerful DDT dust to every year if the thrips build up rapidly.

Sanitation is very important in the rose garden. Old foliage and weeds should be cleaned up because they may become excellent sources of infestation by spider mites, thrips, and leafhoppers, as well as disease organisms. Rose chafers and rose leaf beetles breed in weedy areas or in other wasteland vegetation. It is essential to cut and burn infested rose stems, leaving borers, insect and bacterial galls, cankers, and other insect-infested tips. When pruning cut infested parts, make the cuts close to nodes or buds so that they will heal rapidly. In gardens where leaf-cutter bees enter the plants, cut stems further, injury can be prevented by pushing paper bags into the cut ends to close the wounds, or by painting the wounds with tree-wound paint.

**Art Show Which Drew Exhibits From Ruidoso Region Last Year Is Set Again At Roswell Museum**

The second annual Circle Show presented by the Roswell Museum, Roswell, will be shown late in the spring, beginning May 23, and continuing until the middle of July. The Circle Show, very successfully inaugurated last year, is so called because entries are considered from a 100 mile circle around Roswell. Any artist within this radius, whether professional or amateur, may enter work in the show, also those artists who were both in the area, and those who have lived in the area for five years and consider it their home.

**Paintings, Sculpture On View**  
The two classes of entries include paintings—in various media—and sculpture. A jury of three will judge the show before the opening date, and declare the prize winners. The last date for entries will be April 30; consequently publicity on the show has been begun early, in order to enable entrants to prepare material for exhibition and write to the Roswell Museum for entry blanks.

Last year's show drew many entries from all over the 100 mile circle. It ran from May 3 to late in May; the prize-winning paintings and sculpture were exhibited throughout the summer. Twenty-two cash and honorary awards were presented from the 124 items on exhibition. The winners of the two purchase prizes were Richard R. Tucker and Eloise L. Lindeberg. Tucker won the Howell Dealers' and Decorators' Award for his easel painting, "The Miner." Mrs. Lindeberg won for her oil, "Rim Rock Pentstemon," the Mr. and Mrs. Irving Baranich Prize.

**Four In This Area Exhibit**  
The panel of judges for last year's show included Jerry Harwell, Curator of the Dallas Museum of Fine Arts, Isabel Roblin-

son, head of the department of art at West Texas State College in Canyon, Texas, and Sally Gillespie, Taos artist, and former director of the Fort Worth Art Association.

Exhibitors in last year's Circle Show from the Ruidoso area included Eula Lee Fritz of Hollywood, and Peter Hurd, Henriette Weyth and John Meigs of San Francisco.

The Senior concession at the Sport Car Races last Sunday proved successful. The hard-working class managed two stands and peddled refreshments to the spectators who were watching from nearby hills.

The football schedule has been set for the coming season according to Coach Cy Leland.

The Warriors will play three consecutive conference games with Carrizozo, Capitan and Tularosa. Two new opponents, NAMI "B" and Melrose, have been added to the schedule.

The first game is set for Sept. 9 with Roswell B.

The Warriors defeated the Carrizozo Grizzlies in a thriller-packed game last Friday night with a score of 60-51 in the A game.

High point men were Alan Skellett with 27 points and Earl Allison with 15 points.

The Ruidoso five also beat the Grizzlies in the B game with a score of 42-36.

High point man was Charlie Hall with 15 points.

The Junior Country Club has planned the following events for the near future:

- March 1—Basketball dance.
- March 5—Chinese dance.
- March 10—Square dance.
- March 15—Senior dance.
- March 20—Senior dance (after play).

April 1—Trail ride and Weiner roast.

Some 200 million dollars was paid in federal taxes in New Mexico in fiscal 1952, including over \$102,000,000 in direct collections. Meanwhile, federal funds returned to the State, its subdivisions and various beneficiary projects and individuals totaled only 35 1/2 million, as reported by the Taxpayers Association of New Mexico.

"A state depending on federal money has little local control over its programs. The federal government holds us to arbitrary rules based upon their social philosophy and thus more or less ties the hands of the state."—Alva A. Simpson, Jr., New Mexico state welfare director.

"If increased revenue from the property tax are desired, the alternative to raising the constitutional ceiling on rates is a more effective system of assessment."—Dr. E. H. Flank, University of New Mexico.

*The Prayer Mama didn't hear*

Mama always hears my prayers. But last night I said a special prayer, after Mama turned out the light. I said, "Dear God, please don't let my Mama and Daddy get one of those divorces, like Jimmy's Mama and Daddy are going to get." Jimmy is the little boy who sits next to me in Sunday School. I've never seen his Mama and Daddy—Jimmy always comes alone. I guess it's not so much fun to come to the Church all by yourself. Tonight, after Mama turns out the light, I'm going to say "Dear God, tell Jimmy's Mama and Daddy to come to Church with him INSTEAD..."

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**  
The Church is the greatest force for good in the building of character and good citizenship. It is a powerhouse of spiritual power. Without a strong Church, neither democracy nor civilization can survive. There are few sound citizens who do not attend church services regularly and fervently. They are: (1) For the child's sake, (2) For the sake of his community and nation, (3) For the sake of his moral and social development, (4) For the sake of his spiritual well-being. Plan to go to church regularly and read your Bible daily.

News Notes from Farms, Ranches, Orchards  
By Travis R. Hicks

**Turkey Meeting a Success**  
Thursday, February 18, turkey growers and breeders were guests of Purina Mills at a school held at the Nickson Hotel in Roswell. Although there were many interested people from this area who did not get to attend, there were enough present to go ahead toward getting some minor dressing plant interested in establishing a dressing and storage plant in this area. The group heard some valuable and timely discussions on turkey management. This was not a sales meeting, but one in which real problems were discussed. A tragic

point was reached at noon when luncheon was served the entire group for turkey could not be purchased in Roswell for the occasion. The group was served steak at a turkey meeting. Something could be done about that.

**Caged Layers Pay**  
Interest continues to grow in the caged layer program in this area. The amount of space required per hen is about the same for either caged or floor flock layers. Under good management the savings from feeding only producers in cages will about pay for the

## How to ride in comfort ...AT 2+ A MILE

One ride in a Chair Car on our modern streamliners will show you how comfortably comfortable train travel can be—and how inexpensive it is.

For about two cents a mile, on most round-trip tickets, you get soft-as-a-cloud foam rubber seats... dust-free, draft-free air conditioning... no-glare fluorescent lighting... lots of leg room and move-around room... extra large picture windows... leather-touch doors... spacious washrooms.

That's why we say that Chair Car travel on an SP streamliner is the most luxurious form of all low-cost transportation. Try it and see!

**Fright gets a low-cost ride, too.**  
On the average, we move a ton of freight for about 1 1/2 cents a mile. We have more miles of line serving more Western cities and towns than any other railroad. So for fast, efficient and dependable freight service—whether carloads or l.c.l.—call our nearest agent.

**Third Grade—Mrs. Moore**  
This third grade has two new pupils. They are Geneva Burgess and Gary Russell.

Guests at the Valentine party on Friday were Lee Anna Scott, Betty Robinson, Jimmie and Leonard Hicks. Room mother Mrs. Jimmy Hicks was assisted by Mrs. Cliff Robinson, Mrs. Bert Dryden, Mrs. John Buckner, Mrs. Dewey Gava and Mrs. Ogden Carroll.

Those who made 100 in spelling this week are: Cheryl Carrol, Virginia Dryden, Linda Gann, Joe Moore and Linda Wilson.

**Fifth Grade—Mrs. McKinley**  
The fifth grade is having a E-T-A spelling contest. We are going to buy some Tempera paint for our paper mache trays. We are making the trays in shop. Most of the children are finished with their trays and have displayed them in the show case.

We are writing reports and we hope to have some of them in the paper next week.

Thirteen children who made 100 in spelling are: Linda Vane, Anita Salter, Juan Sanchez, Elmer, Reinhard, Alfred Sanchez, Teddy McKinley, Vernon Scott, Manuel Garcia, and Johnny McPhoy.

**Second Grade—Mrs. Samelton**  
We want to thank Mrs. John Hawkins for the lovely reading books that she is lending our room. We are enjoying them very much.

A few pupils in our room have been absent because of flu.

The following pupils made 100% in our weekly spelling test: Elizabeth Sanchez, Nancy Dell Easter, Richard Kaylath, Duane Prins, Bobby Bradley, Judith K. Yuzo, and Annmie.

Those who made a B grade were: Raynard Marline, David Montes, Earlene Crawford, Robert Baysinger, Patsy Lawing, and Alan.

### Elementary School News

**Fifth Grade—Mrs. Samelton**  
We have a new pupil in our room. She is Mary Montoya from Green Tree. Lydia Mae Salas' grandmother died last Wednesday and Lydia spent last week-end in Lincoln with her grandmother who had lived. Lucille Skinner is back in school after being ill for about a week.

We are studying the Middle Western States and over half the class can list the names and tell something about each state. We also have road maps for each state.

Most of the children are doing well in fractions. We are studying how to subtract fractions with different denominators.

Since many of us finished our reading work books ahead of schedule Mrs. Samelton is ordering new and harder ones for all of us.

**Third and Fourth Grades**  
—Miss Walker

Mrs. Samelton's class has given our room a plant which we appreciate very much.

We want to thank Wanda Coe also for teaching the class Tuesday afternoon while the teacher attended a meeting.

A new border of maps is above our blackboard. These are of North America.

Donna Crumb has returned to our class from Albuquerque, and Ramon Montoya from Tulareca entered for a week. We are glad to have both of them.

George Kaylath was eleven on George Washington's birthday.

**Sixth Grade—Mr. Kaufmann**  
Several members of the elementary basketball team went to Roswell Friday, to see the district tournament.

We will finish our readers next week after which we will begin on a new one.

We are about two-thirds of the way through our arithmetic book.

Beginning next week we will have a "suggestion" box in the room.

### WATER IS FOUND IN ONE OIL TEST

In north-central Lincoln county, M and M Oil Co. is carrying on negotiations to complete drilling operations at their No. 1 Franks, SE SW Sec. 28-35-15E. Test is bottomed at 210 feet in line.

South of the M and M test, Albuquerque Exploration, Inc., No. 1 Basinal, Sec. 15-45-16E, is drilling ahead below 1570 feet in shale. Operator has reported 500 feet of water in hole. Top of the Yezo was found at 250 feet.

### KITTS CAMPUS PAPER

Albuquerque (Sp.)—Miss Dana Kuslanovich of Ft. Stanton was recently selected managing editor of the New Mexico Lobo, student newspaper on the University of New Mexico campus. Miss Kuslanovich, a junior journalism major, is also the winner of the Range Scholarship for Women, which she received last semester.

More than half of New Mexico's 32 county oilfield load is concentrated in six counties—Bernalillo, Rio Arriba, San Miguel, Santa Fe, Taos and Dona Ana, in that order.

No property taxes were levied in New Mexico until 1889, some 19 years after it became a territory, but businesses were assessed during that time.

Collections of 1952 taxes in New Mexico at the end of the last fiscal year varied from 70 percent in Rio Arriba County to 98 percent in Hidalgo County.

New Mexico's recently remodeled and enlarged Statehouse is the only capitol building of Spanish Colonial architecture in the United States.

John in chemical engineering. He was here last week-end to visit friends and his family, the Zach Colliers.

Mrs. Bram Vanderstok and Mrs. Geo. L. Zimmerman attended a Red Cross roll call instruction meeting in Lincoln Monday night when plans were laid for the 1954 membership drive.

### Free Hauling Of Trash During City Clean-Up

With John Ellison contributing two trucks and the Village of Ruidoso, there will be three trucks at work next Wednesday, March 3, in Ruidoso, hauling away trash free of charge in a community clean-up drive, announced City Commissioner Luther Bynum, sanitation officer.

Persons putting trash in boxes, barrels, or sacks in a place where the trucks can get to them handily, will have their refuse hauled away at no charge.

Bynum urges full co-operation in the drive, pointing out that a general clean-up will be a safety measure in many ways than one by reducing fire hazards, helping prevent accidents and reducing health dangers and also getting rid of unsightly trash.

**FIRE CALL**  
Ruidoso Volunteer Fire Department met afternoon Monday answered a call to Palmer's Gate-way where a grass fire was extinguished near Wagon Wheel Motor.

The Morton family of Leveiland, Tex. came up for the races.

M. D. Self of Midland was here last week.

### Ruidoso Group 'Steals The Show' At Las Cruces

By CARMON PHILLIPS  
(Ruidoso News Traveling Correspondent)

George Bonal, Carl Janzen, George and Mildred Fuchs, Harold and Maudetha Jones and Carmon Phillips attended a Highway 70 meeting at Organ Lodge Wednesday night. The entire party which was presented to Las Cruces court owners, filling station owners and chamber of commerce personnel was paid for by various towns along Highway 70 from Clovis to Las Cruces.

With Carmon in his big hat Harold representing "Old Chick" (alias Wild Cat Kelly) and George Bonal in his plaid suit, the Ruidoso delegation literally stole the show. They entertained with songs at the cocktail party prior to the meeting, with Carmon accompanying on the "uke" and during the course of the meeting the group presented a song they composed on the way down. The song was to the tune of the familiar song "Don't Fence Me In" and words to the song were as follows:

Give me pine trees and mountains under starry skies above,  
Don't fence me in;  
Give me old Ruidoso—it's the country that I live,  
Don't fence me in;

Let me hunt, golf and fish until go plum crazy,  
Set on the horses 'til my mind is hazy,  
Lay in the sun 'til I git plum lazy,  
Don't fence me in!  
Just turn me loose—let me point my old Jalopy

Out on Highway seven oh!  
There's no excuse for a feller riding Eighty  
And I really ought to know,  
There's more to do and see—  
And the smile is lighter;  
You travel farther—  
And feel much brighter;  
The road is better—and the price is right,  
Don't fence me in.

The meeting was held in the hopes of convincing Las Cruces that they should route tourists over 70 instead of 80 because of the advantages of scenery and climate.

A similar meeting was recently held in Amarillo to show the people there why they should route travelers over 70 instead of 80.

Representatives were there from Clovis, Portales, Roswell, Hollywood, Ruidoso and Las Cruces as well as Globe in Arizona.

From all indications both the meeting in Las Cruces and the one in Amarillo have served their purposes.

The Ruidoso delegation arrived early and completely "decorated" the banquet table with literature.

Mr. and Mrs. Lloyd Bloodworth of Los Lunas and Boys' Ranch, were here last week-end.

### Money Available For Street Widening Rights-Of-Way

Vouchers to pay for rights-of-way on State Highway 37 through Ruidoso at two points where widening and straightening projects have been surveyed, are ready to issue at the county clerk's office in Carrizozo, Village Attorney Geo. L. Zimmerman told the News last week-end. These properties which were condemned by law to secure additional footage for the improvements, all have payments coming to them, with money secured through the county after Ruidoso voted bonds to repay the county.

Zimmerman said he felt that early in March the State Highway Commission would call for bids for the work, which will include leveling, widening and straightening to an 80-foot width the highway street here in Ruidoso at Carrizo Lodge curve and Carrizo hill to the Old Mill Trading Post.

**NEW SERVICE STATION FOR HIGHWAY 70**  
Construction is to get underway soon on a new service station to be built on U. S. Highway 70, on a strip of land purchased from Bill Brem just west of Fox Cave. It has been announced. Mr. and Mrs. A. L. Brown are to operate the new business.

The Ralph Oberholtzers returned last week from a three weeks' visit in Arizona tourist spots.

### Local 4-H Club Active Again

(By DAVID VANCE)  
County Agricultural Agent Dunlap, meeting with local 4-H club members and their leaders here on February 5, assisted the group in laying plans for an active program this year. The meeting was held in the home of Mrs. Ray Carpenter, with Mrs. Jessie Evans also in attendance.

New officers elected were Ray Dean Carpenter, president; Jerry Gazaway, vice-president; Jeaneene Carpenter, secretary; David Vance, reporter; Lena Vance, planner; Jane Parnell, song leader; Harley Parnell, recreation leader.

A motion picture on garden insects was shown by Mr. Dunlap. Several parents attended with the youths in this organizational meeting.

Refreshments of cake and ice cream were served.

Another meeting was held Feb. 19 at the home of Mrs. Evans, when a new member, Royce Loyce, was enrolled. Plans were discussed for holding a bake sale and exhibit during National 4-H Club Week about the middle of March.

In the latter meeting, Mrs. Evans served cookies and ice cream.

The next meeting of the club will be March 5 at the home of Mr. and Mrs. Paul Vance in Green Tree.

### World Day Of Prayer To Be Observed In Ruidoso March 5

World Day of Prayer, Friday, March 5, is to be observed in Ruidoso. The Presbyterian church will be host church and the meeting will be held in the Woman's Club building, the temporary Presbyterian church. The theme for the day will be "That They May Have Life" which was written by Sarah Chakko of India.

The meeting will open at 10:30. Lunch will be at 12:30. Each one present is to bring his or her own sandwich and the host church will furnish the drinks. Mrs. Warren Barrett, chairman of the event, extends an urgent and cordial invitation for all to attend not only from Ruidoso, but from Glenoco, the Honda Valley and Mesquero.

Representing the various churches taking part in World Day of Prayer are Mrs. W. B. Holmes, Presbyterian; Mrs. Iko Kennedy, Methodist; and Mrs. George Zimmerman, Episcopal.

### County Reaches 993.8 Pct. Of Quota In Savings Bonds

S. E. Gretzen, Captain, County Chairman, U. S. Savings Bonds Committee, has announced that Lincoln County has been credited with a total of \$61,007.75 invested in Series E, Savings Bonds, last year, by residents of this County, 93.8 percent of quota. In addition, \$1,000 were placed in Series H, Mr. Gretzen said.

### NEW MEXICO FLEECES GET TOP PLACINGS AT DENVER SHOW

Twenty-seven of the 28 fleeces which New Mexico wool growers sent to Denver for competition in the Wool Show at the National Western Livestock Show won placings in the various classes.

Among the placings were these Lincoln County ranchers:

Texas and Southeastern New Mexico Division: Fine (70's and 80's) — One-half blood — Fuller Ranch, Pecos, 2nd; Fred McTeigue, Hondo, 3rd.

### LENTEN SERVICES

The Ven. Robert Y. Davis announces a Lenten Service will be held at 7:30 p. m. Wednesday, March 3, at the Church of the Holy Mount and will be held each Wednesday at that hour during Lent.

### New Owners Of Golf Club Plan Changes

In reporting on the purchase of Cree Meadows Golf and Country Club last week by Edj Amonett of Roswell and A. H. Gray of Carlsbad, the Roswell Daily Record said:

"They will operate this well-known resort golf course, which has been established the past several years. They plan to improve the nine hole course and other facilities to put the entire plant in first class shape. Work will begin immediately on these improvements, Amonett said.

"There are 193 acres on the property, a spacious and rustic-type finished club house with complete facilities for dining and entertainment, a pro shop, driving range, practice putting green, according to Amonett.

"Several tournaments are planned to be spaced during the summer months, he said, and a membership Country Club will be organized. Play on the golf course will be by fee only at popular prices.

"Amonett and Gray, lifetime golfers in the state's top brackets over the past years, assure the golfing fraternity they will provide facilities for good golf—the equal of any in the state under their direct management."

Visiting the Ruidoso News office last week-end, the pair said they would not open the "back

nine," making the course a full 18 holes, until probably in 1955.

Amonett has an auto body shop and a saddle shop in Roswell. Gray has operated a Culligan Soft Water Service in Carlsbad many years.

Both have served on improvement committees of their communities' respective country clubs and are well experienced in maintenance, operation and management of such courses.

They propose to secure memberships in a club so that state and regional tournaments may be held under sponsorship of the various golfers' associations, they explained.
