The work of laying the city's new water mains has been completed, but the work of cleaning up will continue until all property and streets are restored to their original condition. The contractor will leave a resident worker here to continue the clean-up work, and as fast as the ground thaws, the rough spots on our streets will be smoothed. In April, the contractor is to return a full crew here for a final clean-up.

We will appreciate your understanding in this matter, and your patience until all the problems have been taken care of.

With encouragement from his parents and some Impermental scient tific training this young men has learned a great deal about shells. He knows, for Instance, that the ocean floor is covered with millions of living creatures which would be unable to sucvive without the protection of the shells In which they live. With similar encouragement from his parents, and with some fundamental religious training, this young man will learn some far more useful truthe about souls. He will learn, for instance, that God's highest creature-Man-lives in a moral environment just as hostile to his survival as that ocean fiber, and that Man depends for his protection not on any outer armor, but on the inger being which God has taught him to call And when our young man compares shells and seuls he will discover that, just as God provides many of his lesser creatures with the means of building up and strengthening their shells, he provides Man with the Church, the Bible, and the Gift of Prayer to enable him to strengthen his soul.

Let's look at my TIME CLOCK

My "TIME CLOCK" is your electric meter. It's as accurate as a jeweled watch. In fact, its bearings are tiny fewels. My company spends large sums of money for these meters, which are among the most accurate of all measuring devices, just to make sure you don't have to pay one cent more than I earn.

Yes, ma'am, my "time clock" registers every second I work, and it stops the second you turn off the switch. There's no loafing in my book. You KNOW my wages are for services DE-LIVERED. *

So the next time you look over my "time card" (electric service bill) think of all the appliances you've given me to operate and the hours I worked doing it. And, best of all, there's no guesswork-you KNOW it's a bill for VALUE **RECEIVED!**

For Red Cross Mrs. A. L. Sadowski of Carrizozo has accepted the post of Home Service Chairman in Lincoln County, it was announced this week by Mrs. John Boylan, Red Cross Chapter Chairman. In her official capacity, Mrs. Sadowski will be the Lincoln County representative of the American National Red Cross in all communications Red Cross in all communications concerning active servicemen and their families. Her duties will include counseling in personal and family problems, reporting and communications service, assistance in applying for government benefits, referral service, and financial assistance.

Mrs. Matthew Price of Ft. Stanton had served as Home Service Chairman of the Lincoln County Red Cross Chapter until her recent resignation made necessary by the limited phone service available to Ft. Stanton. During 1954, Mrs. Price, assisted by Home Service representatives in 12 Lincoln County communities, handled 30 cases, Of this number, 11 cases involved emergency leave for a serviceman, 2 concerned hardship discharges; 6 cases required financial assistance; and 11 cases involved sending messages to the military for service personnel or exchanged messages directly between servicemen and their families. Acting as Home Service representatives in their respective communities are Mrs. Frank Titsworth, Tipple; Mrs. Tom Babers, San Patricio; Mrs. Gladys Nosker, Glencoe; Mrs. Jess Harris, Green Tree; Mrs. Charles Fuller, Picacho; Tree; Mrs. Charles Fuller, Picacho: Mrs. Ruth Martin, Lincoln; Mrs. Lewis Cummins, Capitan; Mrs. Percy Parker, Ft. Stanton; Mrs. June Straley, Ancho; Mrs. R. A. Perkins, Corona, and Mrs. Grace Cummings, Ruldoso, Mrs. George Zimmerman of Ruldoso, and Mrs. Fred Current of Carrizozo former-ly served their communities as

Home Service representatives.
While the Chapter is able to support only the cases of servicemen, plans are being made to work out a program of limited civilian emergency relief. At present, Chapter funds for such a program are not available, Mrs. Boylan re-
