Two Lincoln County girls, Marjorie Titsworth of Tinnie and Patsy Gragg of Hollywood, were entered in the "Miss Portales" beauty contest staged by a theatre in Portales last week. Both are attending Eastern New Mexico University in Portales. . . . Did you notice that foot scraper and brush on the porch of Claude Peterson's home—it scrapes the mud off the shoe soles while it brushes it off the sides of your shoes. . . .

Two parties last Friday night had local yokels dragging in to work at late hours Saturday morning. One was at the Navajo to celebrate Happy Roy's return to stroke the ivories; the other was at Carrizo Lodge where the Beta Sigma Phi had an April Fool Kid Party. The costumes were quite—well, they weren't quiet. As Jim Lamb says, some participants wore eyes the next morning that looked like an Oklahoma road map. . . . Pat Chubbuck is among local fishermen who can't wait for the season to open on the Ruidoso. He went to Nogal Lake and snagged some pan size trout. . . .

With letters to ye editors of several state papers, ex-legislator L. S. Ruidoso Lions Club has earned some dividends on a neighborly act it performed once for a resident of this area. They now own a 600-pound beef, given the club. They may need to increase the number of men in the department with four trucks now. . . . It takes a real man, with hunting skill, to handle those 50-pound bows and steel-tipped arrows White Auto has on sale. Just any youngster isn't a candidate for those big game archery sets. . . . The Ruidoso News editor was handed a bunch of manuscripts this week by High School Journalism instructor Cy Leland, Jr., and asked to pick the best one—a very hard task. The writers all had the same subject, an interview with Eric Bruce, retiring as a teacher after 38 years in the classrooms of small schools and large. Wish we could have printed all of them—for each had a paragraph, or an item of interest not found in the others. For instance, one, written by Dixie Evans, said: "Although he has been a busy man, he still found time to write folk songs and collect rocks." Just a touch of whimsy that makes for good writing, Dixie. . . . And Betty Carpenter wrote: "Mr. Bruce has often taught as a 'troubleshooter' in schools where discipline was out of hand." . . . Busy Rotarians took the time from their work this mid-week to solicit memberships for the Red Cross in the current National annual Roll Call. . . . In the not too distant future we'll see a new shopping center built on lots adjoining Vaughnland on Mechem Drive. Ground has been leveled in preparation for that improvement shortly. And, not too far in the distant future we'll see a new 5c and 10c store installed in the shopping area of the postoffice block. . . . Mumps are in the epidemic stage hereabouts this week, with several families reporting one or more cases in their ranks. . . .

Ruidoso has been picked as an "evacuation center" for Holloman Air Force Base, Alamogordo, and that information on this move will be discussed before a joint meeting of volunteer fire departments of Ruidoso, Hollywood and Green Tree the night of April 18 in Ruidoso. Other civic leaders will also be invited to the session to be in the Ruidoso VFD hall. Army personnel will outline the duties of all agencies involved if such an emergency calling for evacuation into this resort town becomes necessary. . . .

Ruidoso FBLA Places Two In State Office

The aggressive campaigning of the Ruidoso High School chapter of the Future Business Leaders of America in the annual statewide gathering of commercial subject students and FBLA chapters at Las Vegas last week-end elected two of their own members in the four state offices. Ronnie Perry was named state FBLA treasurer to succeed Ed Wimberly, also of Ruidoso; and Ada Lu Gragg was named state FBLA reporter.

Ray Barnett, commercial instructor in the local high school, and several parents accompanied a large delegation to the meeting. A report of their trip and the program there is being prepared for the News by Nancy Chapman, FBLA member, Jones said.

Prospects Good For Apple Crop, County Agent Says

(By RALPH DUNLAP)
County Agricultural Agent

After a survey of several different parts of the Hondo Valley, the prospects for an apple crop seem good. Although from one to four of the blossoms are dead in a cluster of five or six, the remaining blossom, if fertilized, will provide a good crop. The use of bees in the orchard will help insure a full set of the remaining blossoms. On the average, the development of the blossom of the apples are at least a week behind 1954, and two to three weeks behind 1953. The full blossom was noted last year about April 12, and March 23 in 1953.

Unless more freeze damage occurs later, there is a good chance of a full apple crop and a fair peach crop.

At the fruit growers meeting Monday night, Clyde Keaton compared figures on apple prices throughout New Mexico. The apples in Lincoln County averaged 2.14, whereas other areas averaged 1.28; and the apples packed through the shed averaged 2.84, including the culls sold through the shed.

Mrs. Morgan Memorial Totals $231 Here

When members of the family said they preferred friends of the late Mrs. Ruby Luise Morgan, 52, would remember her with a gift to her church, the Ruidoso Church of Christ, rather than with flowers, a memorial fund of $231 was raised here last week, C. D. Weems, treasurer for the church, reported this week.

He asked the News to express the appreciation of the church membership for the gesture on the part of the family as well as those who contributed to the memorial.

Funeral services for Mrs. Morgan, the wife of D. B. Morgan, were held in the home Sunday and burial was in Forest Lawn Cemetery here. She died the previous Monday while visiting in Carlsbad, Calif. Survivors were her husband, one son, three sisters and her mother.

Active pallbearers were Paul Douglass, Jennings Blaylock, Bernard Rooney, R. H. Hedgecoke, Mannie Badillo and Joe Dryden.

Honorary pallbearers were Jack Hull, W. P. Cook, George McCarty, Leo Farrar, Warren Barrett, Claude Peterson, C. D. Weems, A. Gililland, G. N. Taylor, R. A. Bennett, Milas McCoy of Alamogordo and Harry Fairbank.

COUNTY REACHES TOTAL OF $582 FOR RED CROSS

Lincoln County is climbing very slowly toward its goal in the 1955 fund drive, it was reported this week by Mrs. John Boylan, campaign chairman. With Ruidoso and Carrizozo not yet having completed their drives, the total reported so far in the County is $582. With a goal of $1625 for the Lincoln County Chapter, this means there is yet a long way to go.

Communities who have reported the results of their drive are:

Ancho	$ 46.00
Alto	14.00
Capitan	278.00
Corona	20.00
Glencoe	30.00
Green Tree	5.20
Hollywood	20.00
Ft. Stanton	35.00
Lincoln	102.43

Hondo, Tinnie and Picacho have not yet reported.

Memberships reported so far number 173. The goal is 500. Last year Lincoln County distinguished itself by being the first in Southern New Mexico to go over its membership quota.

"With the drive extended another two weeks," Mrs. Boylan said, "I feel confident that Lincoln County will reach its goal."

Drive Continues For Red Cross Here

Mrs. Lucy Vanderstok, local Red Cross Roll Call chairman, said this week she has not had sufficient reports yet to determine how well the drive for annual funds is doing in this area, and reported that as soon as a total is available, she will announce it. She added that some workers have not yet been able to make their canvas of the territory assigned them, but would likely get their part of the job done in a few days.

WORD IS AWAITED TO 'GO AHEAD' ON POLIO VACCINE

Ruidoso, like every other community in the nation, next week will get word whether to go ahead or not on the free Salk polio vaccine tests, in which frist and second graders, whose parents have consented to the test, will be given shots for the prevention or alleviation of infantile paralysis. Local school officials and doctors and nurses said they would proceed with the plan as outlined, when and if they are told to go ahead. Word will be spread during next mid-week about time and place for this community, if a favorable report is given to allow the tests under sponsorship of the March of Dimes polio foundation.

FHA Agency Asked For Otero, Lincoln Counties

A move is being made to secure a branch office for Lincoln and Otero counties of the Farm Home Administration.

This agency of the federal government makes loans to farmers and ranchers to purchase farms, restock herds, drill wells, purchase equipment, build farm homes and buildings and for soil conservation.

Mayor Marvin H. Roberts of Carrizozo last week sent a telegram to the Farm Home Administration headquarters in Washington urging that a separate agency be set up in Lincoln and Otero counties "to provide better service for our local farmers and ranchers and to allow more information about your fine program to be given to interested persons in this area."

A copy of the telegram was also sent to Sen. Clinton P. Anderson.

Frank C. Boyce, Carrizozo attorney, who represents the Farm Home Administration for Lincoln County, attended a meeting in Alamogordo last week. FHA Department Administrator Cogdill outlined the financial help available to farmers and ranchers.

Also attending the meeting were T. B. Hood, vice president of the Ruidoso State Bank, and Jack Hobson, vice president of the Otero County State Bank in Alamogordo.

OPERATES GARAGE, SERVICE STATION

C. L. "Bud" White is now operating Easter's Garage and Service Station in downtown Ruidoso. Lonnie Easter, former operator, is now driving a transport truck on a route in Southeastern New Mexico. White's Station to be known as Bud White's Auto Service, features "76" motor fuels and auto repair service.

Apaches Search University Records In Hunt For Proof Of Land Claims

A delegation of about 20 Apache Indians spent Friday afternoon at the University of New Mexico library working on land claims dating back hundreds of years.

Of first importance Friday was a compromise agreement between representatives of the Jicarilla and Mescalero Apaches on a line between the two tribes that would run from Santa Fe to the East Side of New Mexico.

The leaders of each group made their talks which were tape recorded. Peace and harmony seemed to reign throughout the discussion.

The various Indian tribes of the nation are proving up their claims to their original reservation lands for a suit against the U. S. government.

The government is permitting them to sue for what land they can prove was originally included in their reservation.

For the Mescaleros, the council chairman at Friday's proceedings was Wendell Chino, and the claims chairman was Eric Tortilla. Leo Vicenti was claims chairman for the Jicarillas and Charlie Vigil was the council chairman.

Reason for their meeting at the university is that the UNM library is a depository for storing maps, various treaties and official documents tracing the history of the tribes.

To Sell Lilies On Streets Here In Easter Seal Drive

Tiny white paper lilies will brighten thousands of lapels in New Mexico Saturday, as shoppers observe National Crippled Childrens' Day by contributing to the Easter Seal drive.

According to Mrs. Cyrus Perkins, Albuquerque, state Easter Seal campaign chairman, 32,000 lilies have been shipped to all parts of the state. They will be sold on Saturday by members of such organizations as the Girl Scouts, Job's Daughters, womens' clubs and sororities. In Ruidoso the Lily Parade will be sponsored by Weldon Garner, representing the Lions Club.

The traditional paper lilies have been prepared for sale by handicapped workers.

Thirty-two towns in New Mexico will participate in the Lily Parade on Saturday, Mrs. Perkins said. A total of $2,515 was contributed to the New Mexico Society for Crippled Children and Adults through the Lily Parade in 1954.

Number of lilies being offered for sale in the various communities ranges from 100 in Encino to 12,000 in Albuquerque.

340 'Bunny Cards' Given Children Here In Easter Seal Drive

More than 36,000 New Mexico school children, youngsters with strong arms and legs and with the ability to hear and see, are helping their less fortunate friends.

Mrs. Cyrus Perkins, Albuquerque, state Easter Seal chairman for the New Mexico Society for Crippled Children and Adults, has announced that 36,782 "Bunny Cards" have been distributed in 32 New Mexico communities. The cards invite youngsters to share their allowance money this week with crippled children. Distribution of the coin cards is being handled through the schools.

Last year only $872 was received through the school campaign, which is a part of the Society's annual Easter Seal drive. "We hope to leave last year's total far behind in 1955," Mrs. Perkins said.

Each child will also be given a metal rabbit lapel pin to show that he has helped crippled children. Weldon Garner, Ruidoso chairman, said this week 340 of the cards had been given Ruidoso school children for soliciting dimes for the drive locally.

Several Churches Plan Special Easter Services

Climaxing Holy Week, several churches of the area are planning special Easter Services.

Father George Markey announced in behalf of St. Eleanor's Catholic Church here that for Good Friday the service of Stations of the Cross will be conducted at 3 p. m. today, and on Easter Sunday mass will be at 7 a. m. and 11 a. m.

Rev. H. L. Atkins III, minister of Community Methodist Church, said an Easter Egg hunt will be held during the Sunday School hour Sunday for the youngsters, and during the morning worship hour, starting at 11 a. m., special music will include a song "Holy City" by Mrs. Perle Davison and a violin number by Mrs. Ralph McGuire. A revival opens that night at the Methodist Church.

The Rev. Wm. B. Holmes, Jr., for the First Presbyterian Church and E. S. Waddell, minister for the Church of Christ, said there would be no special observance in their churches on Sunday other than appropriate messages through the sermons.

Rev. Holmes' sermon topic will be "The Third Day," he has announced.

Ruidoso First Baptist Church will hold an Easter Egg hunt for the Sunday School department at 3 p. m. Sunday afternoon. For the morning Sunday School program, the Easter theme will be followed throughout and during the 11 a. m. worship service, special music and a sermon fitting the day will be heard, the minister, the Rev. Walter Brian, announced.

Ruidoso's new First Christian Church, meeting in the River Room at Navajo Lodge, plans special Easter music and a program for its regular 11 a. m. service and communion Sunday, church leaders have announced.

Holy Mount Episcopal Church here will hold communion at 7:30 a. m. Sunday. In Glencoe, St. Anne will hold communion at 6 a. m. and at the Church of Our Redeemer, Ft. Stanton, communion will be at 10 a. m. On Saturday at noon this week, children of all Episcopal churches in the county are to meet at St. Anne chapel, Glencoe, for an egg hunt and weiner roast. Good Friday services are set for today from 2 to 3 p. m. at the Holy Mount Episcopal Church here, and at Glencoe at noon today—and at 10 a. m. at Ft. Stanton.

Green Tree Baptists end their revival on Easter Sunday, with special messages and songs on the Easter season. The B. T. U. will be honored during Sunday services at Green Tree, with special emphasis on its program. Last Sunday the Green Tree Baptist church had more than 110 in Sunday School in a special campaign, topping the previous high mark of 98, it was reported.

Benefit Movie Set At Lincoln For Red Cross

"The Glenn Miller Story," starring Jimmy Stewart and June Allyson, will be shown at the Old Lincoln County Courthouse in Lincoln this Saturday evening, April 9, at 7:30 p. m. The Lincoln County Red Cross Chapter is sponsoring the movie as a benefit for its fund drive.

Admission for adults will be 50c, and for children 25c. All proceeds of the movie will go to the 1955 campaign for members and funds.

Senior Play On Tap 2 Nights This Week

Two nights this week Ruidoso High School Seniors are presenting their annual play, this year a three-act comedy, "Bolts and Nuts," with a cast of a dozen youngsters. The play is directed by Ray Jones. Admission is 75c for adults, 50c for students and 25c for children. First presentation was to be Thursday night this week, with the second one tonight (Friday), in the Ruidoso Gym.

Mr. and Mrs. O. S. Cutbirth of Bar-L Cafe met their grandson, Don Cox, son of Betty Cox of Carlsbad, in Roswell Wednesday. He is here spending the Easter holidays with the Cutbirths.

CARRIZOZO RESIDENTS FILE SUIT PROTESTING TRANSFER OF BONITO

Alamogordo city officials disclosed Tuesday that a protest to the transfer of Bonito waters to Alamogordo and Holloman has been filed with the state engineer.

The protest was filed on March 31—last Thursday—by George Shipley, Alamogordo attorney, on behalf of three residents of Carrizozo. Mr. Shipley subsequently has left for a European trip.

Although admittedly surprised by the turn of events, Mayor John Rolland declared:

"We'll fight this thing to the very limit of our power."

The objection raised in the protest lodged with the engineer last week contends that the Bonito waters were transferred to the Southern Pacific railroad for municipal purposes at points along the road, including Carrizozo, where the three persons named as principals to the protest reside.

Originators of the protest action were named as Grace M. Jones, Carrizozo abstractor; J. A. Fulmer, Jr., and Leandro Vega, merchant.

City officials met Tuesday afternoon with Daniel Brenton, Carrizozo attorney who has represented the city of Alamogordo in proceedings leading to the transfer of the Bonito water rights to Alamogordo and Holloman Air Force Base, to study the new protest and to plan the city's fight against the move to block acquisition of the waters.

Spokesmen for the city pointed out that the city filed its application for transfer of the waters in October, 1954, with the application seconded later by the United States on behalf of Holloman.

Apparent Delaying Move

"The time in which objections should have been lodged, according to regulations of the state engineer, expired Dec 9, 1954," the spokesmen continued. "One protest was filed from the Pecos Valley Conservancy District of Roswell which the city has moved to dismiss on the grounds that the Pecos Valley district has no powers over waters 90 miles removed from their area.

"The only explanation readily available for the long delay in the filing of the present protest is that the protestants must feel the city and Holloman will be successful in their petition to dismiss the objection of the Roswell group, and wish to have their objection on record to delay granting of the application for transfer of the Bonito water right to us," the city spokesmen added.

Four Girls Picked From R. H. S. For Girls' State

Two representatives and two alternates from the Junior Class were picked by the faculty of Ruidoso High School this week to attend the American Legion Auxiliary Girls' State to be held in Albuquerque June 12-19. Principal Paul Vance announced the delegates were Betty Carpenter and Jo Betty Reese. Alternates named were Theresia Barajas and Linda Moore.

HAL BOYLE TO VISIT RUIDOSO

Plans are shaping up for an outstanding summer convention of the New Mexico Press Association, to be held in Ruidoso Friday and Saturday, June 3-4, according to Vernon Bryan, Artesia Advocate, chairman.

Several outstanding attractions for newspaper people, including an address by Hal Boyle, world-famous Associated Press correspondent, have already been lined up by the convention committee.

Among the speakers who are expected to appear at the convention are Tarleton Jenkins of Fort Worth, former regional chief of information for the U. S. Soil Conservation Service, and Gen. Leighton I. Davis, commanding officer of the Holloman Air Development Center, Alamogordo.

Several top-flight newspaper people of the nation are being invited to appear as guest speakers and on panels for the summer session.

Three events for the press women have been decided on, one a style show by Ruidoso women with a coffee, a brunch for the visiting ladies, and a business session of the New Mexico Press Women's Club, with Mrs. Winifred Reiter of Albuquerque presiding.

A panel is being arranged on Tourist and Highway Development and What It Means to New Mexico, headed by representatives of the State Tourist Bureau and the State Highway Department.

The Navajo Lodge, Ruidoso, has been designated as convention headquarters, and reservations should be directed to the Navajo Lodge.

The convention committee has delegated NMPA President Ed Guthmann to invite Gov. and Mrs. John F. Simms and Lt. Gov. and Mrs. Joe Montoya to attend the convention.

Assisting Bryan on the convention committee are Billie Holder, Alamogordo, Homer Gruver, Las Cruces, and Vic Lamb, Ruidoso. Bill Colvert, Carlsbad, is also working with the convention committee. The committee met in Ruidoso late in February with Ruidoso Chamber of Commerce representatives, and another committee meeting is planned there late in April or the first of May.

Induction Ceremony Set For Pledges

(By ADA LU GRAGG)

The Ithana Chapter of the National Honor Society will hold its first induction ceremony on April 16th at 7 o'clock at the Ruidoso Gymnasium. The purpose of this ceremony is to initiate the new pledges from the Sophomore class. The selection of these students was based on all four of these standards: character, leadership, scholarship, and service. These standards will be defined by various speakers: Mrs. Gladys Knox, the sponsor; Mr. Vance; Mr. Morris, President Jerry Chapman, Vice-President Cecil Clarke, Secretary Nancy Chapman, Treasurer Jo Betty Reese, and Eddie Wimberly. All the members in the club will participate and are as follows: Theresia Barajas, Patsy Brown, Ann Capps, Betty Carpenter, Wanda Coe, Arnell Evans, Dixie Evans, Georgia Fuchs, Sofora Fuchs, Ada Lu Gragg, Virginia Halladay, Marijo Hart, Rowland Hensley, Shirley Holmes, Max Jones, Nyles Lackey, Barbara McDaniel, Linda Moore, Angela Posey, Mirty Standefer, Naomi Walton, Faye Ward, Glen Westall and Zelma Zinn.

The names of the new Sophomore members will not be disclosed until the night of the initiation.

Refreshments and a party will be given in honor of the new members directly after initiation.

We would like to extend a warm invitation to each and everyone of you. The success of this first National Honor Society induction depends upon you, won't you come?

PUEBLO TO SHUT DOWN TWO DAYS NEXT WEEK TO INSTALL CINEMASCOPE

Pueblo Theatre will not show two nights next week, Tuesday and Wednesday, to allow installation of CinemaScope screen and equipment, J. C. Capps, owner, announced. On re-opening Thursday night, a regular size picture, as a benefit for the Capitan High School Seniors, will be screened, and the first CinemaScope offering, "Hell and High Water," will be offered on Friday and Saturday, he said.

Ronnie Perry, Max Jones Picked For Boys' State

Ronnie Perry, son of Mr. and Mrs. Elzy Perry, Jr., and Max Jones, son of Mr. and Mrs. Harold Jones, have been picked as this year's Junior boys to attend the American Legion's Boys' State in 1955. Alternate is Nyles Lackey, son of Mr. and Mrs. J. F. Lackey. The three were eliminated from a long list of possible delegates and alternates through an essay contest, High School Principal Paul Vance announced.

½ and ½ WIT & WISDOM

By El Toro

Below is a carbon copy of a letter we wrote our fish and game department last week. Several people have expressed the same idea, so we thought we'd just put it on a letter, in an envelope and send it off to the point where it'd do the most good.

"Our Rio Ruidoso is now getting the benefit of the melting snow in the Sierra Blances, and, since it is only one month until fishing season opens, we'd like to invite you to have your wagons roll in here with some legal size trout for our stream.

"Ruidoso is expecting a record number of vacationers this year, and we want them to get some good fishing. If you could plant some more fish in our Ruidoso river, sometime soon, they'd have the chance to scatter up and down the river, get over their sluggishness from their trip here, and provide some real sport for our visitors."

Down at our end of town, the city is having to shut off the water rather frequently to work on the new system and to make repairs and changes with the street improvements. Each time it's shut off, we get mud, rust and a few other vitamins for a few hours when it's turned back on. We sent a sample off the other day to get it analyzed, and found it contained 85% moisture!

Resident Of Lincoln County 91 Years Worked At Fort Stanton In Days When Indians Were Still On Warpath

(By SAMUEL J. BIGGERS)

The passing of the well known Lincoln County citizen, Julian Serna, on March 24 in the home of his son Ray, in Ruidoso, called from the scene one of the county's oldest residents. He died of pneumonia and the infirmities of old age, having reached 90 years only recently.

He was born in 1865 at Manzano, Valencia County, N. M., now known as Torrance County. When nine years of age he moved to the historic old town of Lincoln with his parents. As a youth he was employed at the frontier military post of Fort Stanton until the Indian troubles had ended, and later was re-employed there when Ft. Stanton became a hospital for merchant seamen.

In the late 1890's he worked for the famous VV Ranch in the White Mountains, owned and operated by Mr. and Mrs. James Cree, who came to the Southwest from Scotland. Their ranch at that time extended as far as the Pecos River on the East; to Seven Rivers in the Southeast and over the mountains to Three Rivers and the Jarnado de Muerte West and Southwest. The ranch also went as far Northeast as old Fort Sumner.

The Crees liked Julian and they promoted him to wagon boss and at the round-ups he rode with such men as John B. Burch, Newt Kemp and Felipe Gomez, old-timers now deceased.

Retiring from the VV he decided to operate his own small ranch three miles west of Capitan and near the lively coal camp of Coalora where he worked as a miner while his little herd increased. He was also employed as a teamster by the late George A. Titsworth, president of the Titsworth Company which had the contract to supply Fort Stanton with practically everything needed at that institution.

A very ardent politician, but never an office seeker, Julian was courted by both political parties at election time.

He was married Jan. 18, 1896, to Miss Julianita Padilla. They were parents of five children, Mrs. Sophia Torres, Alamogordo; Victor Serna, Capitan; Mrs. Marie Pacheco, San Patricio; Louis Serna, El Paso, and Ray, Ruidoso. Also surviving were 17 grandchildren and nine great grandchildren.

Funeral services were conducted by Father George Boennighausen at the Sacred Heart of Jesus Church in Capitan 9 a. m. March 26. Burial was in the cemetery at Capitan. Pallbearers were Felix Cordero, Alamogordo; Frank Phillips, Alamogordo; Martin Trujillo, Denver, Colo.; Martin Baca, Belen, Manuel Chacon, Las Cruces, Herminino Otero, Capitan.

In closing this biography on Serna, the writer says "Yes, a very nice old gentleman has left us, sleeping, enjoying a deserved rest from the sorrows and tribulations of a troubled world. Peace to his ashes!"

Easter Greetings . . .

"— — And Mary stood without at the sepulche weeping . . .
She turned herself back, and saw Jesus standing
and knew not that it was Jesus.
Jesus saith unto her, 'Woman, why weepest thou?
Whom seekest thou?' "
— — In wondering pity Jesus spoke; to ask why tears remain and why His death upon the Cross no joy or peace did gain for those who loved Him best and knew His vow that He would rise again.

Or had they not believed their Lord, nor known His words were sure? So sat they weeping bitter tears beside His sepulchre, nor turned to face and grasp the joy that ever shall endure.

The questions asked of Mary then still echo here today: "Why weepest thou, oh, Sons of Men?" still we may hear Christ say: "Whom seekest thou?" — — should yet another come to point the way?

What more remains than He has done to fill man's every need? His living gave us richer life; His death from death hath freed; His resurrection gave us life and sealed our joy indeed!

Two thousand years! Have men not learned since Christ from death arose, that cause for sorrow is at end, and men made free from woes? Let men rejoice! Let tears be done! 'Tis joy the Christian knows!

LAMB STEW

—By Jim—

Portales—A whole new breed of cheer leading has been spawned in the high schools of America in the last few years. No doubt engendered by a misinterpretation of the word "cheer."

Time was when the fan could fulminate his feelings for his team with short, snappy yells, that rolled out of the stands and encouraged straining athletes.

Not so today. After viewing a county basketball tournament recently in this northeastern corner of the Land of Enchantment, we've reached the conclusion that cheer leading is a lost art, along with basketweaving, and knight errantry.

Throughout the tourney fans, players, officials, and reporters were scourged at every interval by scantily clad females coruscating on the sidelines, vieing for our attention; hoping we'd ignore the contests we paid to see. They desecrated the gymnasium with productions that would make some of Hollywood's biggest extravaganzas look like supper time at the old folks' home. Their antics ranged from a home made "can can" to a full fledged Indian ceremonial, replete with dance around totem pole. (Sometimes a lanky basketball center substitutes for the totem.)

Fans were hard pressed to ignore the clamor on the near sideline. The numbers (i. e., the cheers —not the cheer leaders) were presented continually during the games. Quite a number wouldn't have cared if play had been suspended during the pep squad's chants. (In fact, many wouldn't have noticed if play HAD been suspended.)

And the migration of high school cheer leaders is jeopardizing the mecca of true yells—the college pep rallies. We've watched, with alarm, comely girls enrolling in drama, voice, music, and modern dance, so they'd "be in shape when the season starts." (?)

If the present situation continues pretty soon fans will go to the stadiums clutching scored musical sheets, choreography charts, and a diploma from a voice school, just so he can yell with the group. Few, if any, will note the outcome of the game.

Perhaps in a few generations the only fans surviving the evolution will be "cheer" fans, and the game will be presented, as a mere formality, in the ten minute halftime. That'll be the day the society editors invade the press box.

MUSICAL AT PUEBLO—Danny Kaye, Vera Ellen and Bing Crosby in one of the many melodic scenes from Paramount's first Vista Vision production, Irving Berlin's "White Christmas," which is due Sunday and Monday. Filmed in color by Technicolor, the lavish musical extravaganza also stars Rosemary Clooney with Dean Jagger. Robert Emmett Dolan produced and Michael Curtiz directed.

How did the different people happen to settle here? How did you? We have people here from almost every state in the Union. Each week your Chamber of Commerce will have a story about the owners of different businesses here, how they discovered Ruidoso, how we can improve our town. We need your ideas, so on this fifth interview, we'd like for you to drop us a card. Do you like this article? Your suggestions are always appreciated too, put them in.

I was a wheat farmer in Bennington, Kans., but the floods at one season and the drouths at another made us decide we wanted to move. So, we headed West. In Hot Springs (T. or C.) we met Mr. and Mrs. Hollis who had a curio shop in Ruidoso. They suggested we see their town. We moved here April 1, 1952 and built this place a year later because we liked the restaurant business, people, climate and scenery here.

As to what we need in Ruidoso, everyone knows we need more recreation for our tourist.

I'd like to see a strip fixed for Auto Racing, this brought a lot of people in and would be a nice addition to Our Town.

NO MONTHLY CRAMPS...
not even on the VERY FIRST DAY!
Doctors' tests show amazing preventive relief of pain, backaches, nervous feelings
• Women and girls who suffer from the functionally-caused cramps, backaches and headaches due to menstruation—who feel upset and irritable on certain "particular days" every month—may be suffering quite needlessly!
Such is the conclusion from tests by doctors in which Lydia E. Pinkham's Vegetable Compound stopped or gave amazing relief of such distress in 3 out of 4 of the cases . . . even on the very first and worst day of the period!
Yes! Medical evidence proves Lydia Pinkham's medicine is in action. It exerts a remarkably calming effect on the uterus—without the use of pain-deadening drugs!
The effectiveness of Lydia Pinkham's needs no proof to the millions of women and girls whose it has benefited. But how about you? Do you know what it may do for you?
Take Lydia Pinkham's! See if you don't get the same relief from cramps and weakness . . . feel better both before and during your period!
Get either Lydia Pinkham's Compound, or new, improved Tablets, with added iron!
Lydia Pinkham's is wonderful for "hot flashes" and other functional distress of the "change of life," too!

Lydia Pinkham's has a quieting effect on the uterine contractions (see chart) which may often cause menstrual pain!

Communion Scheduled In All Episcopal Churches On Easter

Easter Day will be marked by celebration of Holy Communion in each of Lincoln County's three Episcopal Churches. St. Anne's, Glencoe, will have the first service at 6:00 a. m. Holy Mount, Nob Hill, Ruidoso, will be at 7:30 a. m. Service at the Chapel of Our Redeemer, Fort Stanton, will be at 10:00 a. m.

Holy Week activities began Palm Sunday with blessing and Distribution of palm crosses at close of morning service at Fort Stanton. Howard Henderson was baptized at this service.

Palm Sunday night teen-agers met at Elzy Perry's home at Stetson Park. "Problems in Human Behaviour" was the discussion topic, Rev. Charles L. Conder, Vicar, acting as moderator. It was decided to hold meetings on the first Sunday evening of each month, open to all teen-agers. Next meeting was set for May 1 at Josette Brook's home in Ruidoso, the topic to be "The Development of Christianity in U. S. A." Mr. and Mrs. Elzy Perry, Jr., served refreshments. Eight teen-agers were present.

St. Anne's, Glencoe, Woman's Auxiliary held a Work Day at the Church following Maundy Thursday celebration of Holy Communion.

John Thomas and Elzy Perry, Jr., will assist Rev. Charles L. Conder in staging sports at the children's Easter Party at Glencoe Saturday, April 9, following noon-hour service in St. Anne's.

Care Of Injuries, Accident Prevention To Be Shown In Film

At the next meeting of the Red Cross First Aid class held at Hondo High School Dr. Peter J. Starr of Riverside will show a movie titled, "Danger Is Your Companion," the first in a series of Red Cross films to be shown, demonstrating the prevention of accidents and treatment of injuries.

Dr. Starr, teacher of the class, has stressed the urgency for everyone in Lincoln County to have a basic knowledge of First Aid, in order to care for accident victims, and home injuries. He has also pointed out that, in the event that Roswell or Walker Air Force Base are bombed, Lincoln County people might be the only help available to give emergency first aid.

The next meeting of the class will be Thursday, April 14. It will meet every Thursday at 7:30 p. m. for approximately two hours each session. Anyone who is interested may still join the class. This First Aid course is sponsored by the Lincoln County Chapter, American Red Cross, and it is free to the public.

HIP IS BROKEN

Moisture In March This Year Above 10-Year Average

Precipitation during March of this year was the second heaviest in 10 years for that month, weather records since 1946, kept here by C. A. Culver, co-operative weather observer for the U. S. Department of Commerce, reveals. Only one other year had heavier moisture—1952—when 3.60 inches were recorded as compared with 3.12 inches in 1955.

Below is a comparative table of rain, snow and temperatures, as listed by Culver:

Year	Hi	Lo	Snow Fall	Precip.
1955	66	5	6.35	3.12
1954	70	2	1.50	1.64
1953	74	—2	4.0	1.76

Eric Bruce To Retire This Year After 38-Year Teaching Record

(Editor's Note: The article below was written by one of Cy Leland's journalism class members, judged the best from among several prepared for the Ruidoso News.)

—o—

(By ARNELL EVANS)
RHS Journalism Student

Thirty-eight years of teaching and never missed a day of school because of illness. This is the record Mr. Eric C. Bruce has achieved. Mr. Bruce, principal of Ruidoso grade school, is planning to retire after this year. "I think I need a rest after teaching for 38 years," he chuckled.

Mr. Bruce has taught seven years in Texas schools and 31 years in New Mexico schools. Twelve of these 31 years he taught in Ruidoso.

He began teaching at the age of 18 shortly after he graduated from high school in 1909. The first year he had an enrollment of 30 in the fifth, sixth and seventh grades which were combined in one room at a school in Ranger, Texas. A few years later he received a B. A. degree from the college that is now known as North Texas State Teachers College. He also attended Highlands University for two years.

"I have taught at least one subject in every grade from the first to the twelfth and have taught students from the ages of six to twenty-one." He continued by saying, "I have found no great differences in teaching in grade schools and high schools but one of the most interesting classes I taught was a first grade at Ramon, New Mexico."

Mr. Bruce stated that the schools haven't changed considerably since he began teaching. Most schools don't teach Latin any longer, but when he first taught, Latin was taught in the seventh and eighth grades. Students once had to buy their own books but now the schools furnish the text books and the teachers have more material to teach the students. There is more athletics in the schools of today.

Teaching is an interesting profession but there are many problems that come up, says Mr. Bruce. Discipline is one of the greatest problems. The advice Mr. Bruce gives to beginnnig teachers is that the teacher should not spend too much time thinking of themselves but they should try to appeal to the students. They should consider the students' viewpoints but not let them neglect their lessons. A teacher should be earnest enough to teach.

Although Mr. Bruce has taught school for 38 years, he has done other work, such as, plumbing, assistant pharmacist, worked in a hardware store, worked on a farm and a ranch and written folk songs.

"I have no definite plan for the future but after taking a vacation I plan to do work of some kind. I am too young to just retire and do nothing," Mr. Bruce laughingly said.

A Safety Tip—Be sure you're in condition to drive when you take your car out on the highway. Don't drive when you're sleepy, or when you're too tired to stay alert. And especially, don't drive when you've been drinking. Driving is a full time job and takes all of your attention.

Char, fish that were native to the Jordan River in Bible times, are blood brothers to the "Truchas" (trout) of New Mexico streams.

A Safety Tip—You can go through the entire touring season without a single mishap if you'll remember one simple safety rule: Take it easy. Hurrying causes impatience, and it's the impatient driver who gets into trouble. Take it easy when you're behind the wheel of an automobile.

The ancient city of Santa Fe, N. M., oldest capital in the U. S., is known in the Tewa (Indian language) as P'oge.

A Safety Tip—Stop for School Buses. That's the law in this state. Stop and let the School Bus load and unload its young passengers; then don't start again until you're sure the road is clear. Give the youngsters a break.

Don Coyote appears in the Creation Myth of the Navahos as the Bringer of Fire and the Shaper of the Milky Way.

A Traffic Tip—Stay within the posted speed limits when you go through towns on your cross-country trip. Local drivers and pedestrians have a right to the street, too, and even if you're traveling through, you must comply with local regulations. Take the truck route if you want to avoid the retail business district.

There are more than four hundred species and varieties of minerals found in New Mexico.

HOLLYWOOD FIREMEN ASK TRASH BURNERS TO NOTIFY DEPARTMENT

Fire Chief Henry Jackson of Hollywood Volunteer Fire Department cautions residents of that area to be very careful in burning grass or trash during the windy, dry weather now, and said if it was at all possible, such practices should be discontinued until we get some wet weather. He added, also, that if trash or weeds and grass must be burned, the Hollywood Fire Department should be notified in advance so it would not be called by a neighbor on a false alarm.

BACK FROM TRIP

Mr. and Mrs. M. D. Pior have returned from a month's visit spent in South Texas. They visited their son, Robert, and family in Waco and from there went on to Port Isabel where they spent two weeks. In Port Isabel they enjoyed lots of swimming and fishing. They also visited Corpus Christi. Coming back they visited Mr. and Mrs. E. A. Beeman at Kerrville who are well known here. Mrs. Pior has a good sun tan to show for her trip and Mr. Pior reports he caught more fish than he could eat.

NEW BANK VAULT DOOR COMPLETED THIS WEEK

Installation of the new 6,000-pound Herring-Hall-Marvin vault door was completed this week at Ruidoso State Bank. Costing a dollar a pound, the new door is 3½ inches thick, of laminated steel, has two combinations and three time clocks, T. B. Hood, vice-president, reported.

A Safety Tip—Watch for hidden entrances when you're traveling over narrow highways. You'll avoid a bad smashup if you'll take it easy on secondary roads and be especially alert for local traffic including farm vehicles, which might enter unexpectedly.

A Traffic Tip—Choose the least traveled route when you drive your car to and from work. Sometimes the side streets have less traffic and provide a route with fewer stops, than the main thoroughfares. Avoid the worst traffic by going a little earlier, or a little later than usual.

CLASS SPONSORS EASTER DANCE

The Senior Class of Hondo High School is sponsoring a public Easter Dance at the Hondo Gym Saturday, April 9, beginning at 8:30 p. m. Music will be by the Romero Orchestra.

There will be a concession stand with plenty of cold drinks and eats for everyone, it was stated.

"A special invitation is extended to all," the sponsor, Irene Stevens, said.

'FELLOWSHIP DINNER' SET SUNDAY EVENING

This month's "Fellowship Dinner" for members and friends of the local Methodist Church will be a covered dish supper set for 6:00 p. m. next Sunday, April 10, in the large assembly room of the educational building. As in the past, each family attending is requested to provide one large dish of food or two small dishes.

The dinner will be followed by the opening service of the Methodist revival.

BENEFIT MOVIE BOOKED FOR CAPITAN SENIORS

Seniors of Capitan High School will benefit from the showing of a picture here Thursday night next week when Bela Lugosi and Lon Chaney, Jr., star in "Frankenstein Meets the Wolf Man," J. C. Capps, Pueblo Theatre owner, has announced.

A Traffic Tip—Taking a trip? Avoid crowded highways by starting out early in the morning when traffic's light and you have the road to yourself. Stop early before you are too tired to drive safely.

The White Sands of southern New Mexico are practically pure gypsum. Science has found at least thirty different commercial uses for this non-metallic mineral.

IT NEVER FAILS

TO OUR VISITORS— Things to See and Do In the Playground Area Of Ruidoso & Lincoln County

You have probably never visited any place in America with such a wide variety of scenic, historic and entertaining attributes. Make the most of your visit here—explore any and all of the places recommended below to give you your most delightful vacation.

All of these things listed are within 60 Miles of Ruidoso—

Lincoln National Forest—
With its campgrounds, scenic trails and drives. Three riding stables here provide horses for riding into our forest which surrounds us.

Cedar Creek—
Winter sports area and park-like shrubs and evergreens.

Golf Course—
One of the most beautiful golf courses in the world is Cree Meadows.

Mescalero Apache Indian Reservation—
Can be entered in the recreation area west of here, or you may visit at Mescalero, on U. S. Highway 70.

Lake Bonito, Bear Canyon—
Scenic mountain lake offering a wonderful drive through the mountains. Several abandoned gold mines with tumble down buildings and their caves can be explored.

Nogal Lake, Nogal Mesa—
The mesa is scene of the annual Summer Cowboy Camp Meetings.

White Sands National Monument—
Stupendous deposit of pure white gypsum.

Lava Beds—
The Mal Pais is a fascinating and different attraction.

Old Lincoln Courthouse—
In Old Lincoln town, with three museums and once where bitter Lincoln County War centered, and where Billy the Kid killed two guards in his escape from the jail there.

Big Game—
Deer, antelope, bear, wild turkey and bobcat are found on rides into the mountains here.

White Oaks—
Old ghost town once thickly populated and once having newspaper, stores, saloons

The Three Valleys—
Beautiful orchards, ranches along Ruidoso, Hondo and Bonito. Home of internationally famous artist, Peter Hurd; screen star Linda Darnell; author, writer Dan Storm and Louise Massey and Milt Mahie, radio and screen entertainers.

Capitan, Capitan Gap And Indian Gap—
Scenic ranchland and mountains

Ruidoso Downs—
Popular summer race track, with horse racing each week-end in summer.

Night Clubs—
Numerous clubs with entertainment.

Churches—
In the immediate area are nine churches of various denominations

Climate—
The most wonderful in the world—you will especially enjoy our autumn season when fall foliage is a riot of color.

Mon Jeau Look-Out—
Drive to the top of this forest look-out tower, 10,000 feet high.

Fort Stanton—
99-year-old fort once policing Apache Indians, later used as Merchant Seaman Hospital, now a state TB sanitorium. Where Territorial Gov. Lew Wallace visited and where Gen. "Black Jack" Pershing once stationed learned to play his poker.

Cloudcroft—
High mountain resort area.

Artists, Art Schools—
Ruidoso is home of several resident artists, including Harris Shelton, Reynolds Jones, Martha Graves, and others, and art schools are held each summer. Ceramics studio also operates here in summer.

Mayhill Nurseries—
Giant greenhouses growing many beautiful flowers shipped to wide area.

Wheeler Museum—
Most unique privately owned museum in New Mexico.

Ruidoso Lookout Tower—
Gives panoramic view of Playground of the Southwest.

Ruidoso Sky Ride—
Unusual cable car lift to top of Moon Mountain.

Dowlin Mill, Blazer Mill—
Both in immediate area, pioneer adobe structures once housing flour mills, both over 100 years old. Dowlin Mill is Ruidoso now grinding flour each summer. General Pershing, Lew Wallace, Billy the Kid and Pat Garrett were among early day visitors at Dowlin's Mill in Ruidoso.

Carrizo Lodge—
With unique history, museum and scene of square dance schools, bordering on Indian reservation.

Fun In Downtown Ruidoso—
With skating, bowling, shooting galleries, bingo, theatres, children's rides, billiards, and many curio stores.

Places To Dine—
More than 50 restaurants and dining rooms to choose—some of them with specialties.

Green Tree Indian Aqueduct—
Stone aqueduct built over 900 years ago to carry water from Palo Verde Springs into Ruidoso Valley.

Indian Ruins—
Ruins and pictographs of various Mogollon settlements at Glencoe, near Capitan, in Ruidoso area.

Airport—
Paved runways long enough to accommodate two-engined planes.

—and at further distances, but still within 4 to 5 hours' drive are: El Paso and Juarez; Holloman Air Force Base (Guided Missiles) and White Sands Proving Ground; Carlsbad Caverns; Original Atomic Bomb site; Bottomless Lakes; Albuquerque and Santa Fe; Elephant Butte Lake; Truth or Consequences.

Football Field Being Improved

The football field is undergoing a major operation in the way of improving it for next football season.

There have been a number of loads of dirt hauled to fill in all the low places. A new section of bleachers is being put in on the north side and new grass will be planted in all the places that have been worn off.

The field has been watered this winter by Mr. Hicks and should be in good shape for next season.

RHS Invited To Road-eo

New Mexico Western College again has invited all the high schools who have Driver Education programs to participate in the "Young Driver Road-eo." Each school may enter at least one boy and one girl who have completed a course in Driver Education, or who are at present enrolled in this course. To be eligible for the contest contestant have not had a moving traffic violation during the current school year. An elimination contest will be given to all students of RHS who are interested and qualified to determine the boy and girl who will enter the contest from this school.

This contest will be held on the New Mexico Western College campus Friday, April 22. It will consist of a short written test of sound driving practices, and tests in driving skill. The written test will be given to all contestants at 9:00 a. m. The driving skill test will be conducted throughout the day on a practice field. Each contestant will use a Chevrolet car with standard gear shift. Qualified judges will be selected to do the scoring.

This year the New Mexico Motor Carriers' Association is offering two $250 scholarships. One will go to the boy and one to the girl who receives the highest number of points on the tests. These scholarships may be used in any college or university in New Mexico. Certificates of Achievement will be presented to each contestant.

* * *

Perfect Attendance

The following students have a perfect attendance record: Jessie Faye Ward, Barbara McDaniel, Nyles Lackey, Joanell Nosker, Jean Ward, Charles Padilla, Orvel Nash, Harold Evjen, Lee Crawford, Shirley Mathis, Monroy Montoya, Reed Stirman and Ronnie Wilson.

* * *

Scholarships Offered

Several universities and colleges are offering scholarships again this year. Among these are the two $250 scholarships offered by New Mexico Motor Carriers' Association in the annual Road-eo held at New Mexico Western College on April 22 this year. One will go to the boy and one to the girl who receives the highest number of points on the Road-eo test.

Ruidoso will know in a couple of weeks who the boy and girl are that will represent this school.

Other scholarships are being offered by the following universities and colleges: New Mexico University, New Mexico Western, New Mexico A&M, New Mexico Eastern, Highlands University, and Colorado State College for Women.

Scholarships are set up for two purposes.

1. Study of a definite subject, such as Medicine, Law, etc.

2. For those who could not otherwise go.

Different scholarships have various qualifications but you must at least be in the upper half of the class to qualify for any scholarship.

Students Get Pictures

The students received their school pictures in March. It was reported by Mr. Leland that they were the best ever made of RHS students.

For the first time the pictures were taken by Mr. and Mrs. Haist of the Louis Philippe Studio in Ruidoso. The school picture company of Jackson, Mississippi, assisted the Haists this year to give them instructions the first time.

Mr. Leland and Mr. Vance said that a local photographer was used in an effort to keep this money in the Valley.

ANDY SAYS—
To our many friends who are planning on building in Ruidoso we extend to you a welcome to visit our place and look over our stock of KILN DRIED LUMBER. We can save you money and give you lumber that will stay where you put it at no more cost than green lumber.
Build with material that is dry and doesn't shrink and will look as good five years from now as when it is first put up.
We have some of the best carpenters working with us in the canyon to help you with your work.
If you want to contract your job and know just what your job will cost, W. G. Jones and R. H. Anderson have organized the J. & A. Construction Co. We will contract any thing that you want to build with quality material and workmanship and give you a job that you will be proud of. Come see us.

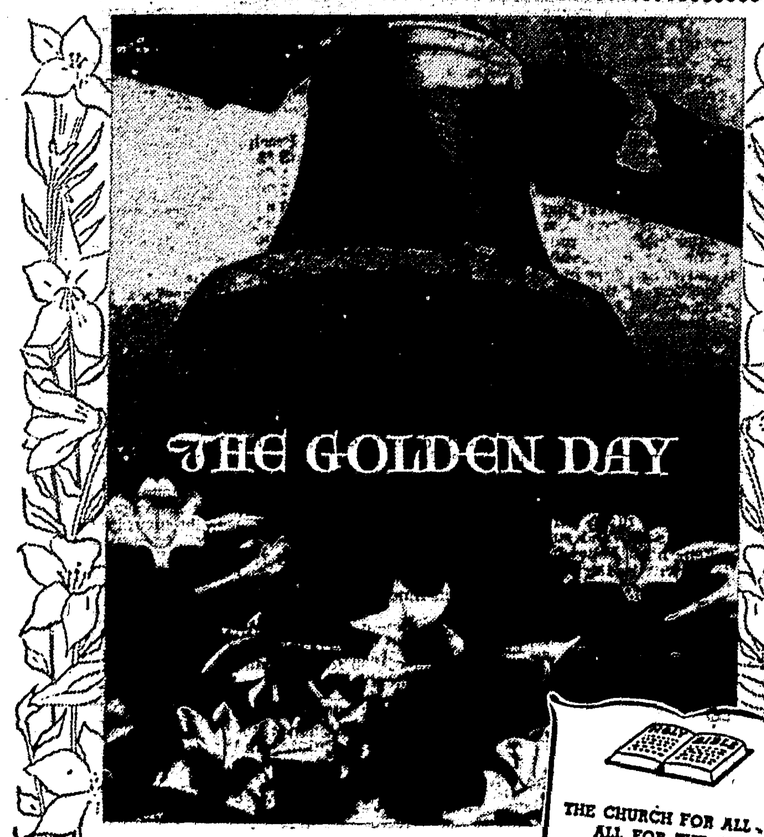
HOLLYWOOD, NEW MEXICO



The bell rings, and its message is a clarion call across the countryside. Beneath it, white lillies touched by the sunlight look upward toward a cloudless sky.

This is Easter . . . the golden day . . . the day of promise and joy. This is the time when God proffers the great gift of eternal life . . . when he shows, in the lesson of the Tomb . . . that there is no death.

There is no more joyous occasion in the Church than Easter. Against the setting of Spring, it touches the land with beauty, bringing a new upsurgence of hope, thrilling the young, comforting the old. Easter is the time to rededicate your faith . . . to listen again to a wonderful promise . . . to receive again a glorious gift. Start attending Church regularly by beginning at Easter.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

First Grade—Mrs. Kilgore

Pupils who had perfect attendance the past month were: Sharron Driggers, Ramona Gomez, Mike Graham, Mike Hall, Fermin Herrera, Ricky Simpson, John Stephens, Fred Trimble, and Will Dan Ward. Ricky Simpson is the only pupil left in our class who has perfect attendance for the year.

Those making 100 in spelling last week were: Suzanne Newsom, Sandra Basinger, Mildred Stoneman, Mike Hall, John Stephens, Fred Trimble, Robert Vanderstok, Danny Swearingin and Larry Tucker.

Ronny Paul Creek has the chicken pox.

Ronnie Garner has chicken pox and then took mumps too. Guess he's trying to get it all over at once!

We are having an Easter egg hunt and a party Thursday. We will have no school Friday or Monday.

Josephine Montoya is absent this week and we hear she has mumps. Also, Ramona Gomez is absent.

Monday was Mike Graham's birthday. We sang "Happy Birthday" to him.

Fourth Grade—Mrs. Jones

Mrs. Jones has the mumps and is out of school. We all miss her very much and hope she gets well soon.

Mrs. Hix is our teacher while Mrs. Jones is gone.

Fifth Grade—Mrs. McGuire

Since we have been reading stories about South America, the children are drawing murals of scenes from the stories.

Joe Mosley brought some pictures of scenes in the Western States, Yellowstone National Park, Grand Canyon and Pikes Peak interested the children the most.

We will have an Easter egg hunt Thursday afternoon.

First Grade—Mrs. Thomas

We had a very good response to the parental request concerning the polio vaccine. Most every child will receive this wonderful chance to make himself safe from a dreaded disease.

The children who made a perfect score in spelling are: Guadalupe Gallegos, Nelda Turnbough, Carl Kelley, Marta Shier, Katherine Duran, Ellen Spear, Sheri Hitchens, Hollis Fuchs, Barbara Creel, Carolyn Smith and Sharon Lee Alvis.

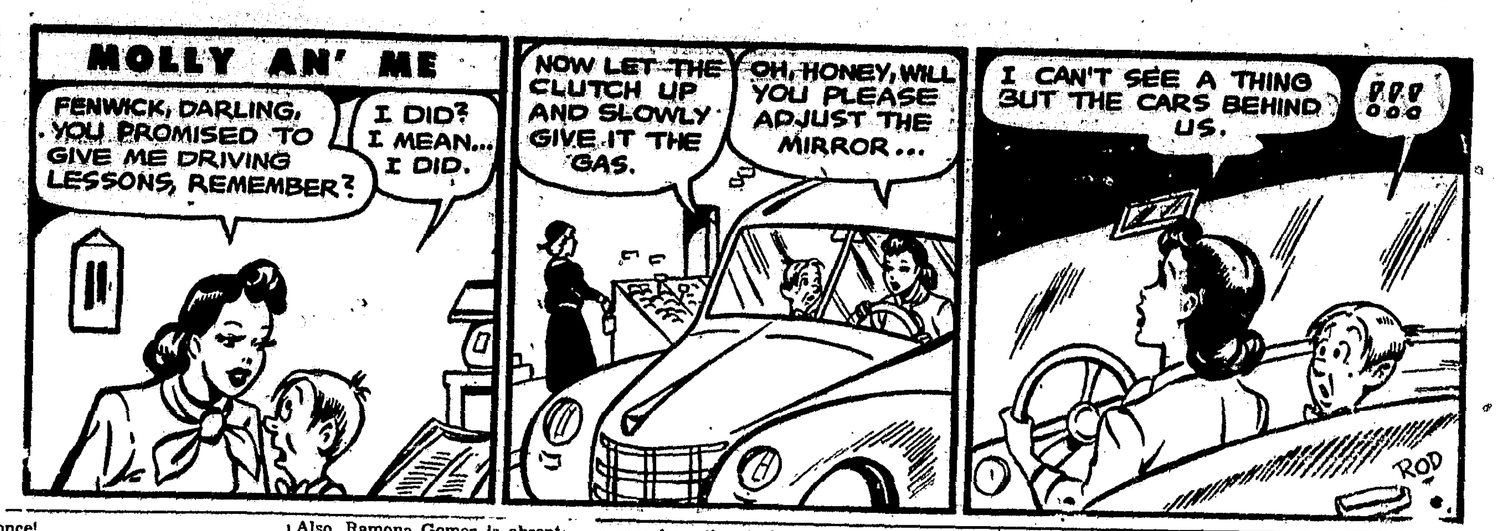
Carolyn Smith spent the weekend in Alamogordo with her grandmother.

Barbara Creel, Sheri Hitchens, Reynalda Randolph, and Katherine were all in Roswell recently.

We were glad to see Robert Jarvis back in school Monday morning. Robert has had the mumps.

Nine children won a prize Friday in our lunch program. They were: Sharon Lee Alvis, Arlinda Torres, Reynalda Randolph, Michael Lee Alvis, Dennis Boulaugh, Romeo Klein, Jesus Gallegos, Guadalupe Gallegos and Nelda Turnbaugh.

Mrs. Lester Hitchens with the assistance of Mrs. Hickans gave Sheri Hitchens a surprise birthday party in our room on Friday. Sheri is now 7 years old. The children were very surprised and enjoyed the cake, ice cream and punch.



LAFF

And You'll Live Longer

The employer called his secretary. "Here, Miss Hunt," he said, "have a look at this letter. I can't make out whether it is from my tailor or my lawyer. They are both named Smith."

The letter read: "I have begun your suit. Ready to be tried on Monday." Signed, Smith.

Two drunks were wandering along the railroad track.

"These are the longest stairs I ever saw."

"Yeah," said the second one, "but it's these low handrails that get me."

Paying off the little old lady, the bookie asked how she picked the high paying winner.

"Oh, I just closed my eyes and stuck a pin in the paper."

"How about yesterday?" he inquired. "You had four winners."

The little old lady meekly replied: "Well, to tell the truth, I used a fork."

Maw's foot was caught in the railroad tracks. A train was racing toward her. She yelled to Paw, standing about 4 feet away: "Come get my foot out'a here!"

"Can't, Maw," yelled back Paw. "If I stoop over to pull your foot out, my hat'll fall off. And it'd get runned over and ruined. Sorry, Maw!"

Junior's Sunday School was studying about Ruth. The teacher asked him: "Can you tell me something about Ruth?" "Yes, Ma'am," Junior replied. "He made sixty home runs in one season."

No other low-priced car even comes close
to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motoramic Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built in—not bolted on!
Chevrolet's beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher!
You see Body by Fisher on lots of the *high-priced* cars—and only Chevrolet has it in the *low-price* field!

Today's most modern engines!
That goes for Chevrolet's new V8 and two new sixes as well. All bring you a modern 12-volt electrical system—*double* the voltage of other low-priced cars. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry!

A drive to suit your driving!
There's silky, peppery Powerglide (even better this year!), new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

All the power helpers you want!
Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish. They're optional at extra-cost—and worth it!

Come take the key!
There have never been so many good reasons why you should drive a Chevrolet!

Over Ten Million Chevrolet owners—Two Million more than any other car!

NATIONAL SAFETY COUNCIL

Delegates From RHS Enjoy State FBLA Meet At Las Vegas

(By NANCY CHAPMAN)

Twenty-five students from the Ruidoso Chapter of FBLA attended the annual conference in Las Vegas on March 31 through April 2, leaving here about 10 p. m. Thursday. It took about five hours to arrive in Vegas and upon arriving they went to the La Loma Courts which was to be their headquarters for the trip. At about 5 o'clock the group met to go to the Student Union Building to register and get acquainted with the other chapters. At this meeting everyone was registered for the different typing, shorthand and bookkeeping tests. There was swimming for all at 7:00 that night. There were no other school activities so the group was free to go to the movie, bowling or home.

The first tests began at 7:55 the next morning. The Ruidoso group was still sleeping, however, so the first to attend the tests in the group were Linda Moore, Ada Lu Gragg and Nyles Lackey who entered the typing I test at 8:30. Shirley Holmes, Ann Capps, Naomi Walton and Cecil Clarke attended the Typing II tests at 10:50. At 2:00 that afternoon Rowland Hensley, representing the Journalism Class at the convention, attended the High School Press Association meeting. He also attended a Press banquet which was quite a success. Ed Wimberly took the bookkeeping test at 2:30, ending the tests for our group.

The opening session of the convention was held at 1:15. Here officers were elected and Ruidoso and Carlsbad stole the meeting. Ada Lu Gragg was elected reporter and Ronny Perry state treasurer. Mrs. Blitch of Carlsbad was elected sponsor; Sue Siebenthal of Carlsbad as president; Margaret Martin of Carlsbad secretary; and Robert Alfred of Artesia as vice-president. Ed Wimberly reported on his books and dues of all the chapters. Dr. Arnold Spekke, Latvian Minister and Charge d'Affairs was the guest speaker at this opening session. He brought out some important and interesting points on Communism. This meeting was over at 2:15 and the group was free to go swimming, visit the different rooms, or go to the Gym until 5:30 when the group was to attend an ice cream social in the Faculty Lounge in the Student Union Building. Here different schools were called upon for entertainment and Linda Moore, Ada Lu Gragg, Nyles Lackey, Shirley Holmes and Max Jones represented our group. Linda and Ada Lu tap-danced, Shirley and Max sang and Nyles played two selections on the piano.

A comedy musical, "Good News" was presented by the Highlands Drama department at 8:30 that night and everyone enjoyed it immensely. After the play a dance was held in honor of all the groups represented. An orchestra furnished the music. This wound up the day and the group was in bed by 12:30 or 1:00.

At 8:00 on Saturday morning our sponsors, Mrs. Capps, Mrs. Westall, Mrs. Jones and Mr. Barnett, were, along with other sponsors, guests at a breakfast given by Pi Omega Pi.

At 9:30 the closing session was held. Here an achievement award was given to Taos for their accomplishments in their own school.

After this meeting the group had to leave because the Seniors had play practice. The group divided here, however, so that the others could go by Albuquerque where they went ice skating and to the Coliseum. That group, sponsored by Mrs. Janes, Mrs. Westall and Mr. Barnett, arrived back in Ruidoso at 5:30 a. m. Sunday morning.

Easter Bunnies For The Kiddies

Here comes Peter Cottontail direct from our store. That's right. We have these wonderful pets. Children love a real live rabbit for their very own. Stop in and get yours before our supply is gone. Plenty of Micro-Mixed Purina Rabbit Chow . . . the feed terrific for rabbits prolific.

FREE BABY CHICKS

The folks really took to our offer of free baby chicks last Saturday. We are well pleased with the response, and we think the folks who got the free chicks are as pleased as we are. On next Tuesday, we have already booked our 500 chicks for that day. They will go to Dee Simpson, C. R. Goodson, Paul Turnbow, Leo Sedillo, Paul Gardner, Lincol White, Brother Miller, Olan Perry, Alky Hicks, W. J. Standfer, Don Whitacre, Jake Salas, Mrs. Pierlee, Fred Hensley, Mr. Gallagher, John Huff and Lee Crawford.

Time Means Nothing To A Hog

Time may mean nothing to a hog, but it's certainly meaningful to the hog man. Speaking of time, have you heard the good comments going around about the Purina Hog Plan for 1955 and his new product . . . Baby Pig Chow?

Folks say pigs are making good gains faster than ever with Purina Baby Pig Chow. It's a new taste discovery containing Pura-Fat and Pura-Sweet, plus all other known ingredients to keep pigs eating and gaining.

Start creep feeding Baby Pig Chow by the time pigs are 7 days old. Some pigs may need it even sooner, if the sow is a poor milker. Feed only one 50-lb. bag per litter . . . then switch to Purina Pig Startena to keep 'em gaining FAST.

Feed this program and wean one litter . . . get weight equal to two average litters. Ask for a sample of Baby Pig Chow at our store.

Don't Take Chances With Milk Fever

Milk fever is a kind of paralysis caused by lack of calcium in the blood. As soon as symptoms show up it is safest to call the veterinarian.

Milk fever will usually cause a cow to lie down, throw her head toward her flank and not move. This disorder is rare in first calf heifers, but from the second calving on, better cows will occasionally have it.

Chick Management

Starting. Keep chicks in a brooder until 5 weeks old—longer if weather is cold.

Feeding. Simply keep Purina Chick Startena before chicks at all times. Allow 2 lbs. per chick. Then change to a Purina Growing ration.

Sanitation. Extra care is well worth its cost in helping keep livability at 95% or above. Wash feeders and waterers weekly with Purina Disinfectant solution.

Sanitize Water. Keep Purina Chek-R-Tabs in drinking water for first month as a safeguard against common disease germs. Use 4 tabs per gallon of water.

See Our Live Displays

We have living proof of Purina Chows' ability to make fast growth. See our live chick displays today.

NOTICE OF PUBLIC AUCTION OF STATE TIMBER
LINCOLN COUNTY
Office of Commissioner of Public Lands
Santa Fe, New Mexico

Notice is hereby given that pursuant to the provisions of law and the rules and regulations of the State Land Office, the Commissioner of Public Lands will offer for sale and sell at public auction to the highest and best bidder at 10:00 o'clock A. M., May 27th, 1955, at the front door of the County Court House in the city of Carrizozo, New Mexico, County seat of Lincoln County, all of the merchantable dead timber standing and down, and all of the live timber marked or designated for cutting on the following described State institutional lands, to-wit:

W½SW¼, SE¼SE¼ of Section 2, SW¼NW¼, W½SW¼, SE¼ of Section 3, W½W½, N½NE¼ of Section 10, W½SE¼, NE¼SE¼; E½NE¼ of Section 11, W½NE¼ of Section 14, W½SE¼, SW¼NE¼, W½ Except the NW¼NW¼NW¼ of Section 23, NE¼, NE¼NW¼ of Section 26, TOWNSHIP 11 SOUTH, RANGE 13 EAST, N. M. P. M., containing 1,549.89 acres, more or less, according to the government survey thereof.

The estimated amount of Ponderosa timber available for cutting is 500,000 feet board measure, more or less.

The above described lands are located approximately 3 miles North of Ruidoso, New Mexico.

Said timber on above described lands has been appraised at Eight and No/100 ($8.00) Dollars per thousand feet board measure, and no bids for a less amount will be considered.

No one will be permitted to bid who has not deposited, prior to the hour set for sale, the sum of $155.00 to cover the cost of appraisement, advertising, filing fee and other incidental expenses connected with such sale. Deposits shall be in cash or in the form of a certified check drawn to the order of the Commissioner of Public Lands. Deposits of unsuccessful bidders will be refunded, but the deposit of the successful bidder will be applied in payment of the sales expense and filing fee, and any balance will be credited as part of the first payment on the timber sale agreement to be entered into by the purchaser with the State of New Mexico.

The purchaser will be required to pay in advance for 50,000 feet board measure at the bid price per thousand feet the date of the sale. The purchaser will also be required to execute a corporate surety bond, with a New Mexico agent, in the sum of One Thousand and No/100 ($1000.00) Dollars to carry out the terms of the agreement. It is further understood that the cost of survey, if necessary, is to be borne by the purchaser.

Detailed information concerning this offer of sale of state timber, and other matters related thereto may be obtained by writing to the Commissioner of Public Lands, State Land Office, Santa Fe, New Mexico.

The right to reject any and all bids is expressly reserved, and no sale shall be effective unless and until approved in writing by the Commissioner of Public Lands.

DATED at Santa Fe, New Mexico, this 10th day of March, 1955.
(Seal) E. S. WALKER
Commissioner of Public Lands.
(Thru May 27)

Information about Ruidoso's vacation and recreation attractions are outlined in the catalogue.

Sunday School Teacher Fined In Forest Fire

Herman Jones, a Sunday School teacher from Midland, Tex., who came here with five youngsters from his Sunday School class for a week-end of camping, was fined $20 and $5 costs as the outgrowth of a forest fire last Saturday morning in the woods near the Forest Service's new headquarters building at the entrance to the Cedar Creek recreation area. Firemen were called to battle a blaze which scorched two and a half acres of grass and brush in that area Saturday morning, started when the youngsters left two campfires unattended.

The fire destroyed the visitors' bedrolls, some of them new, some fishing equipment, flashlights, clothing, guns, binoculars and other personal effects, totaling about $500. Their trailer and car escaped the blaze.

Forest Ranger Fred Sweatnam filed charges of allowing a campfire to get out of control in a National Forest against the adult leader, and he was fined $25 in justice of the peace court at Green Tree

Mr and Mrs LeRoy Gooch and Baby, Kim, are visiting in Dallas this week-end

Methodists Open Revival Easter Sunday

(By CHURCH REPORTER)

The Community Methodist Church of Ruidoso will begin a series of evangelistic preaching services at 7:30 p. m. on Easter Sunday. Services will be held at 7:30 each evening during the week of April 10 and continue through the morning worship hour on Sunday, April 17. Everyone is cordially invited to attend. The Rev. H. L. Atkins, III, Pastor of the local Methodist congregation, states, "The purpose of these services is two-fold—to strengthen the spiritual lives of those who are Christians, and to help those who are consciously or unconsciously living against the will of God to accept the salvation God makes available through Jesus Christ."

Song leader for these revival services will be the Rev. Grady McCullough of the Methodist Church in Tularosa. Bro. McCullough was raised at House, N. M., and received degrees from McMurry College, Abilene, Tex., and the Perkins School of Theology, Southern Methodist University. While attending S. M. U., he served as Assistant Pastor of the Tyler Street Methodist Church in Dallas, Tex. He is married and has one child.

The Rev. Donald Simms, Pastor of the Methodist Church in Anthony, N. M., is to be the guest preacher. Oddly enough, his home town is Tularosa, where Bro. McCullough is now pastor. Simms is 33 years old, is married, and has four children. He is a graduate of the University of Oklahoma School of Pharmacy and an honor graduate of the Perkins School of Theology. During World War II, he served three years with the Navy "Sea-Bees," much of that time being spent in New Guinea and the Philippines. His former pastorates include the Red Oak-Ovilla Circuit (while a student at S. M. U.), Fort Hancock, Tex., and Hatch, N. M.

Two years ago, Bro. Simms had the unusual distinction of winning second place in the National Methodist Sermon Contest sponsored by the C. K. Kazanjian Economics Foundation. The first place in that contest was taken by Bishop John Wesley Flint, a retired Methodist bishop. Eight sermons by Bro. Simms have appeared in such publications as "The Upper Room Pulpit," "Pulpit Preaching," "Christian Century Pulpit," and "Front Rank." Also, Bro. Simms is the author of three articles published in "The Pastor," a periodical of The Methodist Church.

Beyond the various scholarly and literary talents suggested by the above description of our guest preacher, Simms has proved himself a friend and able counselor of children and young people. Last year, he served as dean of one of the two Junior Camps for the New Mexico Conference. This next summer, he is to be dean of the Conference Youth Camp. Bro. Simms' sense of humor, as well as his ability to be understood by hearers of all ages, is hinted at by the fact that one of his most effective sermons (one truly based on Scripture) bears the unlikely title, "Three Little Pigs"!

FELLOWSHIP MEET

Ministers and laymen of nine Baptist churches of the area held a fellowship meeting at Cloudcroft Wednesday last week, laying plans for the simultaneous Baptist revivals. Ruidoso was well represented, according to Rev. Travis McMinn, local missionary minister.
