VOLUME 10, NUMBER 17

RUIDOSO, LINCOLN COUNTY, NEW MEXICO

FRIDAY, SEPTEMBER 30, 1955

SUBSCRIPTION \$2.50 Per Year

AROUND TOWN

—By Nose Waters—

Spencer Trehame, one-time Ruidoso resident, and now under indictment on two counts of perjury in Texas regarding statements he made to the Texas Insurance Board, has been issued a license in the state of Colorado to sell insurance in that state. . . . The Rev. Charles L. Henry of St. Luke's Episcopal Church of El Paso, who presided during communion at St. Anne and Holy Mount Episcopal Churches here last Sunday, has been vacationing here for several days with his family. After the services Sunday, he went to Albuquerque to attend a promotion department conference. He is editor of the West Texas-New Mexico diocese magazine, "The South-west Churchman."

Visiting in the News office briefly Saturday was 210-pound Earl Russell, a Comanche Indian from Lawton, Okla., who has been living with the Mesquero Apaches since 1936, he said. He says he has never been knocked out, nor beaten, in more than 50 fights he has had in light-heavyweight and heavyweight classes. He was in the Merchant Marines for several years, and boxed all over the Pacific "even Australia," and in some Atlantic ports, too, including New York City. He is now 42 years old, and has fought his last bout being at Las Vegas, N. M., when he retired unbeaten. His daughter, Anita Louise Pesenowit, is a junior in Ruidoso High School. His son is Tennyson Chihuahua.

Fledgling sororities at New Mexico A. & M. College, Las Cruces, have been their Lincoln County students: Amey Pavay, Picoch; Verma Petty and Anne Gallacher, Carrizozo. . . . Lincoln County's entry in the New Mexico State Fair, Oct. 10, will be about 30 contestants. She was Esther Sira-ley, Ancho. The winner was Jo Marie Monroe, 16-year-old from Midrose.

Grandpa and Grandma Zell and Billie Zell are the G. B. Waltrip are doing fine, the report says, following the birth of a son to the Zell family, Jr., Sept. 27. The baby was named Bronson Zell. The young couple is now at White Sands Frying Grounds, N. M. It is the first of about 30 contestants. She was Esther Sira-ley, Ancho. The winner was Jo Marie Monroe, 16-year-old from Midrose.

Near hunting news: Brother Miller and Henry Jackson went bear hunting Tuesday this week. On Tuesday afternoon George Fuchs and W. A. Hart went bear hunting. We're awaiting a report from both parties.

Ruidoso's new First Christian Church has set Oct. 23 as the final date for receiving charter members. The deadline was necessary to allow time for printing a program for a dedicatory service on Oct. 30, officials said. . . . Mrs. W. L. Parker is observing her first anniversary in business with free coffee, a discount on merchandise during her First Anniversary Sale at Lorene's Style Shop this Saturday.

Jack Meek, who served Ruidoso several months as city policeman, and who won many friends for himself and the village by his able handling of the job, leaves this week-end for Upton County, Tex., where he has secured a job as a deputy sheriff. His pet hobby is raising pigged Colliers.

Working on a new bleacher section at Warrior Field Wednesday afternoon for the Quarterback Club were Jake Moley, W. L. Brian, Ben Donathan, J. F. Lackey, Cy Leland, Jr., Harry Eckert and an employee of G. E. Waltrip's.

This is Soil Conservation Month. The most successful way to save and build the soil is by group action on the part of farmers joining with their neighbors to undertake group soil conservation projects. OUR SOIL IS OUR STRENGTH. Let's protect it by using sound conservation practices.

Street Paving
Project At Capitan Gets State O. K.

Santa Fe (Sp.)—The State Highway Commission has approved state participation in projects at Belen, Socorro, Clayton, Santa Rosa and Capitan.

In Capitan, about \$30,000 was approved for paving Lincoln and Fifth Streets. A bridge will be included in the project.

Mrs. Carl Green has been receiving medical attention at a Roswell hospital for several days. She is reported as improving.

Two More Posses To Join Parade In Aspencade

Since publication in last week's News of the names of four sheriffs' posse riding groups planning to be here for the Ruidoso Chamber of Commerce annual Aspencade parade and chuckwagon dinner on Sunday, Oct. 9, Mrs. Madeline Rachels, manager of the C. of C., has received word two more groups, the Cochran County Sheriff's Posse from Morton, Tex., numbering about 25 people, and Roosevelt County Sheriff's Posse, Portales, also with 25 riders, will be here. She suggests operators of courts and lodges here might write the secretary, J. L. Samson, and the Captain of the Portales group, T. H. Carmichael, informing of rates for rooms.

Features of the Aspencade this year will include the chuckwagon dinner, tickets for which are now on sale at \$1.00 for adults and \$1.00 for children, to be served at the end of the trail after a ride by horseback, haywagon or car into the White Mountains. Inter-denominational worship services will be held just before the parade at 10 a. m. at the church. Rev. Walter L. Brian, giving a brief message in keeping with autumn time. A trophy for the winning riding group in the Aspencade Parade Sunday morning is to be awarded at the spot where the parade will start. Committees handling the various details of the Aspencade were named last week by the Chamber of Commerce. They include groups to handle the routing of the Aspencade; stabling of horses for the riding clubs; the Ruidoso Aspencade committee; the presentation of a square dance exhibition as entertainment during the meal, and other details. Queen Contestants Named

Underway in the high school is an Aspencade Queen contest, with classes modeling a candidate to be selected by greatest advance sale of chuckwagon dinner tickets. The candidates and the classes they represent are:

Jani Sharp, Freshmen.
Gail Salyer, Sophomores.
Arlene Bostwick, Juniors.
Marvella Struve, Seniors.

Youth Meeting To Be In Ruidoso October 19-20

A quarterly meeting of the Third Judicial District Conference on Youth, has been called by Judge W. T. Scoggin. It is to be held in Ruidoso on October 19 and 20. The program follows:

Wednesday, Oct. 19—1:30 p. m.—Panel comprising High School students from Lincoln County on existing youth activities in their home area.

3 p. m.—Report on the research survey of provisions for youth activities for East Lincoln County by the students of sociology classes from Ruidoso and Hondo.

7 p. m.—Dr. L. L. Gamlen, Sociologist on juvenile delinquency as it relates to the community.

Thursday, Oct. 20—9 a. m.—Panel comprising members of the high schools in the Third Judicial District "What Youth Is Doing to Prevent Delinquency."

11 a. m.—Dr. James E. Stermer, Analysis of test results on delinquent girls.

2 p. m.—Adult panel responses to problems established by youth. Day sessions are to be held at the Pueblo Theatre in Ruidoso and the night session at the Grade School in Hondo.

Members of school faculties in the county are urged to attend these meetings.

COURT DATE SET

Senior Girl Scouts meet each Tuesday after school, place to be announced.

GRIDDERS PLAY HERE THIS WEEK

The Ruidoso Warriors play their first home conference game here at 1:30 p. m. at Warrior Field. Opponents are the Capitan Tigers. The Warriors have now won three straight, scoring 106 points to none for their opponents.

The Tigers lost a close one to Carrizozo, 6-0, defeated Estancia 12-0 and last week went down by one TD to Tatum, 7-0.

This will be the last home appearance for the Warriors until the final game Saturday, Oct. 29, with Corona.

Roaring Atom Uranium Corporation Sets Up Headquarter In Ruidoso

A new corporation recently was chartered in New Mexico, with Ruidoso as headquarters.

The Roaring Atom Uranium Corporation was incorporated under the laws of New Mexico, having been granted a charter Aug. 16, 1955. The total capitalization is 25,000 shares of common stock with no par value, with the original stock being R. V. Oberholzer and Jessie B. Oberholzer, both of Ruidoso, and their son, C. E. Oberholzer, of Midland, Texas. With the publication of notice appearing in the Ruidoso News Sept. 23, 1955, the firm is now officially in business. As its name implies, its principal business will be that of mining uranium.

On July 15, 1955, R. V. Oberholzer purchased a one-third working interest in three known uranium claims, including the Roaring Atom, on Copper Creek, in the

Henry Mountains, Garfield County, Utah, and this was the basis for the corporation and name. Since that time, however, the corporation has agreed to purchase the other two-thirds working interest so it now owns seventy-eight percent of the whole.

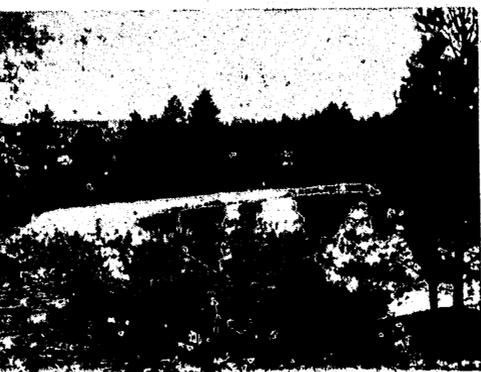

The Atomic Energy Commission men have inspected the ore face on Copper Creek and according to their statements they are of the opinion that it will carry through. One test of ore, that they took from the face, ran 1.85 and that of the trash on the ground below the face ran .63. Nevertheless it is not the intention of the corporation to attempt to mine uranium. It is advised it is more profitable to market .35 to .50 ore.

All of the stock authorized sold has been subscribed and paid in. The remaining will not be sold unless the mining operation becomes more than anticipated in what amount will be necessary for an additional offering.

In Copper Creek canon wall there is an outcropping of high grade uranium with its length of near one hundred feet and varies in width from nothing to approximately 100 feet. This outcrop is upon the common line between the Roaring Atom and Nellies claims and as to its depth into the mountain would be anybody's guess, the owners say. However on the back end of these two claims or a distance of approximately twelve hundred feet there is an outcropping of uranium ore with a length of fifty feet that has been uncovered. This outcropping is upon the same level as that on Copper Creek side and should the ore carry through the mountain this should be a major strike.

The Corporation has built the road to the mine but it takes a four wheel drive vehicle to make the grade, which in two places will run about 40 degrees. It has a bulldozer with which to pull ore trucks up the mountain. It also, to break the loaded truck down grade. It has the necessary mining equipment to start work as soon as it has completed the purchase of the two-thirds interest but it may defer mining operations until it can have some exploratory work done to determine the course of the ore.

Most of our farm land is capable of profitable and permanent production, but land washed or blown away becomes useless. And money you would make on crops and livestock goes with it. Remember OUR SOIL IS OUR STRENGTH. Join in the observance of Soil Conservation Month in New Mexico.

SAVE THE WATER—An aerial tour of the territory which is served by the Upper Heads Soil Conservation District can easily prove the worth of the service's work in constructing check dams to hold back run-off water in the hilly country in which we live. The checking of torrential run-offs has a multi-fold purpose, saving water for livestock and wild life, preventing further soil erosion, and assisting in the growth of grasses and trees nearby to stabilize the soil.

Soil Conservation Makes Strides In All Parts Of New Mexico

The soil conservation program in New Mexico is progressing at a good rate, according to Robert A. Young, state conservationist of the U. S. Soil Conservation Service.

Reports from New Mexico's 61 soil conservation districts show that conservation accomplishments for the fiscal year ending July 31, have increased considerably over the previous year. The 61 districts cover approximately 76 per cent of the total area of the state and carry out their conservation work in cooperation with the Soil Conservation Service and other agencies, providing assistance to farmers and ranchers in planning and carrying out soil and water conservation practices.

Among the major accomplishments in the district was the addition of 751 new co-operators, totaling 1,855,000 acres. At present there are 12,217 farmers and ranchers, with over 20,000,000 acres of land, co-operating with the districts. Soil Conservation Service technicians have completed conservation plans and 1,377 district co-operators' farms and ranches to date, with a total of 20,830,240 acres. Technical assistance is provided to these co-operators in establishing conservation practices at their request, through the local conservation districts.

Hospital Gets \$1,595.99 Check From Downs

Manager Wade King of Ruidoso-Hondo Valley General Hospital last week received a check for \$1,595.99 from Gene Hedges of Ruidoso. Downs as proceeds from the second annual Charity Day at the race track on Aug. 19 this year. Last year proceeds from the Charity Day netted the hospital better than \$3,100, King said, but in the 1954 total were several large donations by race horse owners. Hedges contributed purses they won that day to the hospital. This year's gifts came from gate receipts, all of which were given the hospital, and from several individuals, and the Downs itself.

The cost of all the advertising and printing of tickets for the Charity Day was borne by the Downs.

S-D Day is Dec. 1.

Funeral Is Held In Oklahoma For Dodson

Funeral services and burial were held near Atoka, Okla., Thursday of this week for E. C. (Gene) Dodson, aged 45, who was found dead in his home in the early hours of Monday morning this week. Dodson was a partner with his nephew, Robert Dodson, in the operation of the sawmill at Hollywood and the former Harris mill at Green Tree, which they had bought only recently. They also owned the Alamo Lumber & Supply Co. in Hollywood, and were interested with Frank Smith in the Stephenson Hdw. & Appliance in Alamogordo and the Alamo Lumber & Supply in Alamogordo.

Dodson and family had been visiting friends Sunday night and returned home at about 11 o'clock, Mrs. Dodson said. She reported her husband said he must have drunk too much coffee, for he wasn't very sleepy. She retired, and at about 2 o'clock Monday morning she awoke to find he was not in bed, and that a light was burning in the bathroom. She investigated, finding her husband slumped over the edge of the bathtub. A doctor was summoned and he said Dodson had been dead for more than an hour.

His death was a surprise to everyone, for Dodson had never complained of any illness, his friends and family attested. He was an outdoorsman, enjoying hiking in the mountains, hunting and visiting logging camps which supplied the mills with timber. His employees all were high in their praise of Dodson as a boss. Summary of most of the men's remarks was that "there never was a better man to work for."

He and Mrs. Dodson moved here from Oklahoma about four years ago after acquiring the Hollywood saw mill with their nephew. They later bought the Alamo Lumber & Supply. Early this year the building firm moved into its own new home across the street from its former location.

Dodson is survived by his wife, who is very active in community affairs here, and two sons, Barry and Ronnie. The body was carried to Oklahoma early this week, where members of the family and close friends will attend final rites at a small community church. Dodson had grown up as a youth.

Two brothers and three sisters all living in Oklahoma, survived Dodson.

Dodson was a member of the Ruidoso First Baptist Church. He was also a member of the Ruidoso village councilman in the last village election and polled a large vote.

He had also been associated with the Lions Club in Ruidoso. Among families in this area who planned to attend the funeral at Oklahoma from here were the Bohl-Harrises, Harvey Adams, Son Goodson, Muri Adams, Jet Lucas, Piro Wilson, R. J. Dodson, Tom Folsom, Bill Ray and Lewis Coban and Lee Wambler. This list is not complete by any means but represents those who reported to the News at press time late Wednesday.

Tenth Of County Votes On Amendments

Only one tenth of the county's eligible voting strength was represented in the election Tuesday of the county's 10th and 11th amendments to the state constitution, and in a hospital vote in the county.

Amendment No. 1 set by vote of Amendment No. 6 last by 109 votes, and in the hospital 109 votes, a good majority. The county's voting on each question is given below:

Legislative reappointment (No. 1) For 232, against 233.
Absence Billings (No. 2) For 290, against 173.
State Highway Commission (No. 3) For 269, against 194.
Control and Management of State Institutions (No. 4) For 266, against 105.
State Institutions—(Names and Boards) (No. 5) For 263, against 196.
Regulation and Control of Public Utilities—For 181, against 290.
Lincoln County Hospital Levy—For 298, against 171.

To Draw Plans For Courthouse Improvements

Following a lengthy discussion in Carrizozo last week by interested citizens, members of a special Courthouse Advisory Committee and the Lincoln County Board of Commissioners, it was decided by the board to have plans drawn for an adequate courthouse addition to replace the old portion of the present building, and to construct a new annex in exterior and interior styling and design.

J. G. Moore, former Lincoln County Clerk, presented figures on the tax levy necessary to finance the courthouse construction. Using a \$550,000 bond issue as a basis, it would require a tax of \$1.87 1/2 per \$1000 assessed valuation.

The tax would gradually drop over the period of 17 years required to service the bonds, at a proposed interest rate of 2 1/2%. The county's total assessed valuation at the present is approximately \$14,000,000.

Representing the southeastern part of the county in the meeting were: Commissioner George Fuchs, Kiel Bonnell and Emmett Reese, Ruidoso; Ben Sanchez, San Felipe; and J. P. and LaRoy Mc Knight and W. G. Shrecongost, Knight.

GENERAL ELECTRIC SUPPLY CO. TO AWARD MOUNTAIN CABIN IN RUIDOSO CONTEST

Bess Marshall Dies Saturday

Bess L. Marshall, 65, sister of Mrs. Harry Fairbank, died after a long illness at the Fairbank cabin in Ruidoso Saturday afternoon. She had lived in Roswell with the Fairbanks from 1937 to 1948, when she moved to Ruidoso. Mrs. Marshall was reared and educated at Lima, Ohio, leaving Lima to work with the Singer Sewing Machine Co., in Cleveland. She left Singer to go with the Artzyr and a Kraft Co. and was with them for 14 years selling commercial diamonds.

In 1935 she was made supervisor of the Childrens Fresh Air Camp in Cleveland where she stayed until moving to Roswell. During the war she was matron of the girls dormitory at Holloman Air Force Base, and after the war she was employed at a corporation at the Fletcher Ranch at Prescott, Ariz. Mrs. Marshall led a full life helping other people. She was a member of the Methodist Church.

She is survived by two sisters, Mrs. Harry Fairbank, well known in Roswell, and Mrs. H. H. Van Worl, Ohio; one brother, Walter Gear of Lima, Ohio, and four nephews, one, Lawrence Fairbank, being of Roswell.

Funeral services for Mrs. Marshall were conducted at 2 p. m. Tuesday in Ballard Chapel in Roswell by Dr. Austin H. Dillon, Methodist minister.

There were special songs by Mrs. Maria Hull Rooney of Ruidoso. Burial was in South Park Cemetery.

Fairbankers were E. T. Amnett, Cecil Anderson, Otto Brenemann, Fayette Davison, F. Grant Keys and Amos Monk.

Doing for others seemed to be the code of Mrs. Marshall's life, for during the depression while living in the city, she was known as "the lady who gave away" to buy a wheel chair for a sister. In fact the check she wrote in payment for it was the last check she signed, it was remembered.

During the war she had proved such a true friend to her neighbors, that when she became ill and as she passed on, she was remembered with an overwhelming number of sympathy cards, gifts and flowers. Her sister here said Mrs. Fairbank had said that so many had shown their love and interest in kindness during the illness and death of Mrs. Marshall she felt the customary card of thanks just would not do justice to saying what she wanted to say in return for the wonderful expressions of love that were received.

Drydens Buy Elliott's Store Near Postoffice

Announcement was made this week of the purchase by Mr. and Mrs. Joe Dryden of the interest in the store Elliott's Store, located just off Mechem Drive in the Cree Meadows home area, in the neighborhood of Mt. Vee Drive. In Theatre City water is available and the lot needs very little leveling for construction of the store. It is a most desirable place to work with many utilities and both gas and water available. Details of the purchase will be given in a later issue of the News.

The Drydens have announced a program of construction of a sign for the store, including a sign for the store, including a sign for the store, including a sign for the store.

The Elliotts plan to continue making their home in Ruidoso, Joe Dryden has not settled yet on what type business they may go into, should they return to the retail trade.

Episcopal Bishop To Visit Churches In Lincoln County

New Mexico-West Texas Diocese Bishop, Kinsolving will visit the three Episcopal churches in Lincoln County early next week, with a schedule of meetings as follows:

St. Stanton Chapel of Our Redeemer 10 a. m., Sunday, Oct. 2; Ruidoso Holy Mount Episcopal Church at 5 p. m., when confirmation services will be held, and St. Anne, Glencoe, 7:30 p. m., Monday, Oct. 3. In Ruidoso, following the 5 p. m. services, members and friends of the church will gather at the Vic Lamb residence for a covered dish supper.

Mrs. W. D. Horton and sons were visiting her parents in Midland early this week.

(As compiled by C. A. Culver, co-operative weather observer for the U. S. Department of Commerce Weather Bureau.)

Some lucky resident of West Texas or Eastern New Mexico next June 1 will receive a \$12,000 mountain cabin in Ruidoso as the first prize in a contest to be conducted by General Electric Supply Co. in a region from Amarillo to the north to San Angelo on the south, from Abilene on the east to Roswell and El Paso on the west. Details of the contest, to be handled through 125 dealers for General Electric appliances in that area, will be carried in a tremendous advertising campaign, with newspapers, radio and television in eight cities of that territory—to cost the GE company thousands of dollars. The first announcement ads in the daily press of that territory will be in full color, with Ruidoso as the central theme. Ruidoso will be included in advertising of all types regarding the contest—posters, co-operative dealer newspaper ads, window signs, folders, etc. The advertising barrage will run for two months, next April and May.

GE Officials Visit Here

To outline details of the contest, officials of the General Electric Supply Co., B. F. James and W. D. Clark, and a representative of their advertising agency, Dale Buckner, all of Lubbock, Tex., met with a committee from the Rotary, Lions and Chamber of Commerce groups here in a luncheon on Monday at Navajo Lodge.

Out of the meeting came concrete plans for development of the project—with Kiel Bonnell named as general chairman, and Paul C. Moore as treasurer. A sum of about \$5,000 is to be raised here, either in the form of a fund-raising party, to complete the house General Electric will equip the two-bedroom cabin with an all-electric kitchen, with appliances such as a hot water heater, stove, dishwasher, dryer, garbage disposal unit, cabinet, refrigerator, and electric range, which will total \$2,500 itself. Gifts of plumbing fixtures, building materials, wiring, etc., are to be sought for the home.

Local Clubs Enthusiastic

When the contest idea, with Ruidoso getting the cream of the advertising, was outlined before the Lions and Chamber of Commerce clubs here, the clubs' enthusiasm and both groups named committees to work on "making done" details of arranging the contest. It would promote Ruidoso as the "Mountain Cabin Capital of the West." Memorial Tea Scheduled Sunday For Two Clubwomen
Ruidoso Woman's Club will honor two pioneer clubwomen of the region who have died in recent months with a memorial tea Sunday afternoon, Oct. 2, from 3 to 5 p. m. in the Ruidoso Woman's Club building here. Suitable mementoes in their honor will be selected for Misses Sydney Bonnell of Glencoe and Ruby Morgan of Ruidoso, each of whom worked with their respective women's clubs in their own communities for many years. The community is invited to attend the tea to pay honor to the faithful community workers.

GIRLS GROUP HERE
Ten members of the Girls Friendly Society of St. Luke's Episcopal Church, El Paso, with two leaders, visited Ruidoso Sunday, attending church in a group at Holy Mount Episcopal Church.
Mrs. Tom Bingham of Green Tree was visiting in Texas this week.

SUNDAY, OCTOBER 23rd Is Charter Day At The First Christian Church First Christian Church Palmer Gateway Ruidoso

The organizational charter will be closed on this day in order that we may be able to list all charter members on our dedicatory program which must be printed in advance of the Oct. 30 dedication. John E. Sparks of Artesia is filling the pulpit each Sunday pending the arrival of a permanent Minister.
You are cordially invited to worship and commune with us each Sunday at 11:00 A. M.

MEMBERSHIP DINNER FOR P-T. A. SET AGAIN OCT. 6
First set for Thursday night this week, the annual membership supper meeting of the Ruidoso Parent-Teacher Association has been postponed for one week, until Thursday night, Oct. 6. Starting time still will be at 6 p. m., and there will be entertainment of some sort during the time the families are eating, it was announced. Annual payment of dues is the custom during the supper meeting, and local school patrons are urged to bring their families for the repeat. Plates will be \$1 for adults and 50c for children.

Senior Girl Scouts Hold First Meeting Of Fall, Winter
Ruidoso's Senior Girl Scout troop held its first meeting for fall and winter in the home of Mrs. R. K. Knox Tuesday afternoon. A short business meeting was held and new members, a dozen in all, were introduced. Plans for projects during the coming months were talked, and work is to begin on the projects at the next meeting. The troop will meet each Tuesday afternoon after school, place to be announced each time.

Hospital News
Patients receiving treatment the last several days in Ruidoso-Hondo Valley General Hospital have been:
Mrs. Opal Tesque, Johnny Soderback, Captain Mrs. Georgia Tafaya, Mary Chavez, San Pacifico; Mrs. Ray Osborne, Riverside; Conley Ward, Ruidoso.

OTERO CO-OP GETS \$654,000 REA LOAN
Electricity Administration has made a loan of \$654,000 to the Otero County Electric Co-operative, Clouderoff, N. M. Funds will finance the construction of 74 miles of distribution line to serve 44 new rural consumers, and system improvements including 12 miles of 34.5 kv transmission line and 15 miles of tie line. Loan funds will also cover reimbursement to the co-operative for general funds expended on previously approved construction.
With funds from this loan and previous loans, the Otero County Electric Co-op will be able to serve 100 irrigation wells. J. B. Runyan is president and J. D. Lacater is manager of the Otero County Co-operative.

PVT. JIMMY STEWART IS NOW STATIONED IN KENTUCKY CAMP
Fort Campbell, Kentucky (Sp.). Pvt. Jimmy L. Stewart, the son of Mr. and Mrs. Leo Stewart who reside in Ruidoso, has been assigned to "B" Company of the 51st Airborne Infantry which is part of the 11th Airborne Division ("Angel"), stationed at Fort Campbell, Kentucky.
At the present time he is assigned as a rifleman within the unit.
The Charlie Martins vacationed in Otero last week, fishing and hunting in the area of Pile's Peak.

LAFF
And You'll Live Longer

An enterprising sailor offered to smuggle a young woman to Hawaii and hid her in a lifeboat. After several days and nights had passed, with the sailor spending all his spare time with the girl, she began to wonder why they didn't arrive at their destination. Finally, she went to the captain of the boat, confessed and told him the whole story. Then she asked: "When will we get to Honolulu?" "Lady," the captain said, "this is the Seattle-Bremerton ferry."

"I want my hair cut like daddy's," the little boy said as he climbed into the barber chair, "with a hole on the top."

"Oh, George, do you realize it's almost a year since our honeymoon, and that glorious day we spent on the sand? I wonder how we'll spend this one?"
"On the rocks."

"You've been paying your son's college expenses two years, Sam. Tell me," education expensive nowadays?"
"Language runs the highest," replied Sam. "Last month it was \$10 for English, \$20 for French, and \$115 for Scotch."

"Dob sure has a wide acquaintance."
"Yeah, I saw him out with her last night."

"I wish you'd wear a gown in the second act that is not quite so darnedly cut," the stage manager told the star of the show.
"But this is the latest style and I put a fortune for it," she pouted.
"Why should I change?"
"Well, in that serious scene

YOUR BIGGEST BARGAIN

Years ago, practically all that a prescription could do was to alleviate the patient's pains and make him a little more comfortable—while nature did a slow job of curing the ailment. But today's prescripton, containing wonder drugs completely unknown years ago, cures the ailment in hours, not weeks . . . keeps the patient out of the hospital or gets him out after only a few days . . . and puts him back on his feet in a hurry. That's why we say:

Today's Prescription Is The Biggest Bargain in History

NEW SUNDAY HOURS

FRINGE BENEFITS... 24 extra paychecks every year

When a Kennecott Copper Corporation employee draws his pay at Chino Mines Division he is in effect receiving an extra — although unseen — paycheck. That's because Kennecott, in addition to paying good wages, spends nearly \$1,000 a year in providing each of its 2500 employees with about 20 individual "fringe" benefits, including insurance, pensions, sick leave, holiday pay, and vacations.

Kennecott's operations provide "fringe" benefits, too — benefits which extend to every part of New Mexico. Chino's payroll, nearly \$7,000,000 a month, helps create other jobs in the community. Kennecott supply purchases contribute to the success of other businesses. And Kennecott taxes, among the highest paid by any company in the state, help provide roads, schools and other needed state services that build a better New Mexico.

Kennecott Copper Corporation

WARRIORS BLANK GRIZZLIES TO TAKE CONFERENCE WIN; CAPITAN IS NEXT FOE

The rampaging Ruidoso Warriors roared over the Carrizozo Grizzlies in Carrizozo last Friday night by a score of 27-0. It was the first conference game for Ruidoso. They met the Capitán Tigers on Warrior field this afternoon at 1:30.

Jovan Donathan stopped the opening drive of Carrizozo by grabbing the ball from the outstretched hands of a 'Zozo back on the fifty yard line. The Warriors scored in seven plays with Nyles Lackey making the final yardage from the three yard line. Ronnie Perry circled left end untouched for the extra point.

In the second quarter passes to Bob Pler and runs by Lackey and Perry set up a one-yard plunge by Perry for the second touchdown. He also rumbled center for the extra point. The Warriors scored again in the second quarter when Perry, on the option run for pass play, passed to Billy Goodson on twenty yards over the goal line on fourth down. A line play for the extra point failed. Half time score was 20-0.

A heavy downpour at the end of the first half and during the intermission let up conveniently before play resumed and served to settle the dust on the playing field.

The Grizzlies held Ruidoso scores in the third quarter, but the Warriors opened up with passes at the start of the final period and with Lackey and Perry throwing drove for another coun-

ter. The final ten yards were made on a well-executed quick pass from Perry to Charley Hall. Lackey rumbled the line for the extra point.

Pass Plays Click

Coaches Cy Leland and Ralph McGuire, in commenting on the game, were of the opinion that improved line play on both offense and defense and the special plays for the Carrizozo game were the deciding factors in the one-sided victory. "The near-perfect execution of our pass plays by both passers and receivers also played a big part," said Coach Leland.

"We felt that we could stop the Grizzly running attack but we were worried about their passes. Our hard-charging line and alert secondary were responsible for several interceptions and if my memory serves me correctly I believe Carrizozo did not make a score by period."

Ruidoso	19	0	7-27
Carrizozo	0	0	0-0

Touchdowns: N. Lackey, Perry, B. Goodson, Hall. Points after touchdown, Perry 2, N. Lackey.

TURKEY SHOOT SET

Alamogordo's 20-30 club will be host to a turkey shoot Sunday on their rifle range up the old La Luz road, starting at 8 a. m. Any rifle, any night will be eligible.

S-D Day is Dec. 1.

Capitan Tigers Play Good Defensive Tilt In Tatum; Lose 7-0

The Capitan Tigers dropped to the Tatum Coyotes 7-0 on the Coyotes' home field Friday, Sept. 23. The only score of the game came late in the second period when the Coyotes plunged one yard through the center after a long, slow march down the field. The conversion was completed on a pass.

In the opening period the Coyotes lost possession of the ball after many attempts to penetrate the Tiger line. Jim Minter and Mick Guck held the runners to such little yardage gained that the Tigers took possession on the 50 yard line. After marching for two first downs, the Tigers lost possession of the ball on a fumble. The Coyotes again concentrated on line penetration but were scoreless at the end of the first quarter.

The only score of the ball game came late in the second period as the Coyotes plunged one yard to pay dirt. A pass made the conversion and the score 7-0.

The entire second half was a series of little yardage gained and the ball changing possession. The Tatum Coyotes chalked up only 10 first downs while the Tigers were gaining 8.

Tullback Boney Zamora and tailback Joe Gallegos found openings through the tackles and chalked up the Capitan yardage. McKnight completed a pass to Stewart for several yards. Rudy Chavez and Joe Aldaz gave the crowd a performance with their skillful tackling.

Mr. and Mrs. George Trimble attended the state fair in Albuquerque early this week.

Ruidoso Downs Expansion Plans Get Set-Back From Race Commission

Action on a request by Ruidoso Downs' management to increase its grandstand area and pari-mutuel plant has been postponed indefinitely by the State Racing Commission.

General manager of the Ruidoso park, Gene Henstley, met Thursday in Albuquerque with members of the state board, but learned the request will not be heard until an audit of the Downs' books is completed. The audit was ordered by Gov. John Simms after the mountain park was subjected to state-wide publicity concerning a stockholders' squabble over ownership of the park.

Secretary of the commission, contacted Friday, said that it was impossible to say just when the audit would be complete.

Other action taken by the commission included the suspending of one jockey, reinstatement of two riders, and suspension of three owners and trainers.

Drawing suspensions were jockey Billy Burke, trainer Flaky Wilson, owner-trainer Roy Hall and owner-trainer J. R. McClanahan. Jockeys Sam Baca and Harold Baker were reinstated, although Baca drew a reprimand from the commission.

Will There Be Horse Racing Here During 1956, Associated Press Asks

(Editor's Note: The article below, prepared by the Associated Press staff at Albuquerque, was printed in Sunday daily newspapers of New Mexico and West Texas and has some information which should certainly be of interest to Ruidoso.)

Horse racing has eight more days to go in New Mexico in 1955—a year which might well go down as a year of decision for the sport of kings.

The nine-day New Mexico State Fair racing season opened in Albuquerque Saturday. It's the last of three track seasons held in the state starting in early spring.

What the future holds for horse racing in this state depends a lot on what happens within the next few weeks.

An Albuquerque minister has a suit pending in First District Court in Santa Fe to ban Sunday racing. Due to action of the court, the suit will have no effect on Sunday's races at the State Fair track in Albuquerque nor those scheduled for a week from Sunday.

But a decision proffered for later on could very well break the back of horse racing in the state. The other two tracks, Ruidoso Downs at Ruidoso and La Mesa Park at Tatum, count on making a big season by week-end racing—with cards scheduled for Saturday and Sunday throughout the late spring, summer and early fall.

Of even more importance—because it hits directly at racing's pocketbook—may be the action taken during the special session of the New Mexico Legislature starting Monday. One proposal is that the state gain additional revenues to meet Welfare Department needs by hiking the tax on pari-mutuel betting.

In the past, a 5 per cent mutual tax has been contemplated. To La

Mesa Park, owned by nearly 300 small stockholders, the majority of which are New Mexico residents, this would mean running in the red and probably going out of business.

Racing people contend that a solution can be found—a solution which will permit a greater tax on pari-mutuel operations and afford a means by which the tracks can stay in business and yet continue to deliver a high quality of service and entertainment.

Track officials say New Mexico already is operating at the top in the matter of the total amount of money permitted to be withdrawn for other than returns on betting—or what is known as the total take-out. A 15 per cent take-out is permitted in this state for the state's take, the purses and operational expenses. Only one state, Maine, permits a greater takeout—and that of 18 per cent of the total.

Economically, any blow against horse racing in New Mexico will be a blow against the economy of several communities. It's a big dollar-and-cents factor in Albuquerque, Tatum and Ruidoso—and the communities around them.

Racing men say a solution can be found—but that the racing industry in New Mexico should be given at least two more years to get its economical feet on the ground before action is taken.

Three Ruidosians Get Antelope

Three Ruidosians, hunting in the area about 20 miles north of Capitan last week-end, each got an antelope with special permits G. B. Wallrip, R. K. Knox and "Schools" Clarke came home with their bucks. Wallrip said out of 21 hunters with permits, 16 made a kill in that area, and that all

A New Driver Responsibility Law Goes Into Effect in New Mexico.

Foremost among its requirements is that you must be financially able to take care of liability you might incur if you have a wreck. That is one of several new rules in this safety law—and we'll be glad to go over it with you, point by point. Liability Insurance is the safest method of making sure you will be prepared for any financial responsibility in case of an accident. Let's discuss the matter.

CORONA HOLDS THIRD OPPONENT SCORELESS

Corona defeated Estancia in football at Estancia Friday 12-0. Estancia never threatened.

Sheldon Dickie scored both Corona's touchdowns, the first coming in the second quarter from the half-yard line after a series of penalties had moved the ball down the field. In the third quarter, Dickie broke loose around right end for 44 yards to score.

This is the third game of the season for Corona's Eagles, who have not allowed any opponent to score against them, the same record now held by Ruidoso's Warriors. Both Corona and Ruidoso are touted as the teams that will play off for this district's title, when they meet in Ruidoso Oct. 29.

Hondo School News

Council Officers, Members Elected
 The atmosphere surrounding the election of the Student Council and Student Body was that of a hotly contested political campaign. Danny Nunez and Benito Montoya were his unsuccessful opponents. Campaign speeches for all candidates and a big rally for Pacheco on the morning of election gave a true political flavor to the affair. The other officers for the

council were chosen as follows: Vice-president, Jack Casey; Secretary-Treasurer, Diana Mofitt. From the classes the following council members were chosen: senior class—Elena Montes, Jack Casey; junior class—Rebecca Richards, Virginia Torres; sophomore class—Luisillo Peters, Danny Salcido; freshman class—Johnny Gomez, Josephine Salcido. **Teachers Elect Officers**

At the monthly meeting of the Hondo Valley teachers the following were elected officers of the Hondo Valley Teachers Association: President, Jess Lara; Vice-president, H. C. Turner; Secretary, Mrs. Epi Gurule; Treasurer, Barton Pavey.

P-TA Holds Regular Meeting
 At the September meeting of the Hondo Valley Parent-Teacher Association the resignation of the president, Mrs. George Sineros, was reluctantly accepted. A standing vote of thanks was given to her for the splendid work she has done as president of the organization for the past year. A new president will be chosen at the October

meeting. The speaker for the evening was Mr. Yonck, a bus insurance representative from El Paso. His talk gave some interesting facts on the operation and safety aspects of bus driving. He praised the Hondo County bus drivers warmly for their fine records, and answered several inquiries from the audience.

The members of the P-TA agreed that all school organizations would collaborate in 1956 efforts to raise funds for the purchase of various items for the new building.

Freshmen Initiation

The lowly freshmen were initiated at ceremonies before the student body, after which they climbed the hill to put on a new coat of whitewash on the "H." The costumes were originated by Barton Pavey and the following freshmen received prizes: first place, Reyno Montes, as a colored woman, Johnnie Gomez, as a very chic young lady; second prize—Eren Montes

Former Students Visit School

Former graduates who have recently returned for visits at the school are: Edward Sanchez; Libby Torres Austin, who now lives in Rhode Island; Trancito Polanco; Lucia Salcido; Paulina Salcido; Nuncio Gomez; James Kimbrell; Cecelia Sanchez; Liria Trujillo; Larry Nunez; Jimmie McTeague; Larry Torres; Humphrey Chavez; and Roseline Brady, who has just returned from two years on Christmas Island.

Typical of the work done by our Hondo Soil Conservation District is the reclaiming of gully-washed land for pasture and field crops, as shown in the photo above. Such scenes as this are now quite common in the three valleys of southern Lincoln County. Many fruit trees now are growing in orchards in the three valleys on land which was criss-crossed with erosion—and alfalfa and pasture grass can be seen supporting livestock where once there were gullies and lean soil. Your work deserves our heartiest support. SCS men! Soil saved is money in all our pockets!

A CHILD SLEEPS...

A child sleeps peacefully... a sleep without dreams. The day just passed has been filled with play, adventure, new learning and discoveries. The day ahead is something to look forward to.

There are no nightmares for this child because there is no fear to hinder them. For it is the fear of the unknown... the fear of tomorrow... that stirs us to unrest.

To look forward to tomorrow tranquilly... as this child does... you must have FAITH. You will find that faith in the Church, and with it you will be able to face, unafraid, your tomorrow, and all they hold.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church has the greatest ability to contribute to the building of a better world. It is the only organization that has the power to reach every man, woman and child. It is the only organization that has the power to give meaning and purpose to the lives of its members. It is the only organization that has the power to bring peace and harmony to the world.

RUIDOSO VARIETY

Ruidoso News
Friday, September 30, 1955
District Governor Visits Rotary Club
Warren T. Mithoff, El Paso, governor of Rotary International District 1-70, was in Ruidoso for two days this week, and held a series of meetings with officers and members. On Monday afternoon he conferred with President Dan Swearingin, and the secretary, Bernard Rooney. Monday evening a club assembly was held with a supper at Navajo Lodge, attended

by almost all the members. In the regular Tuesday noon meeting of the club this week at the Navajo, Governor Mithoff spoke on Rotary's worldwide program of promoting international good will. Following his talk, three local club members made contributions to the Student Exchange plan, and it was decided by the club to extend an invitation to some of the foreign exchange students visiting in this nation to make a stop in Ruidoso, to be entertained for several hours in homes of some of the club members, and to tour some of the area and visit in some of the business houses here.

AT PUEBLO—Fred MacMurray and Charlton Heston, portraying the heroic Captaine Lewis and Clark, grimly face down a party of hostile Indians in Paramount's "The Far Horizons," arriving Sunday at the Pueblo Theatre. The sweeping VistaVision, Technicolor spectacle tells the mighty story of the fabulous expedition that gave our nation its destiny of greatness. Academy Award-winner, Donna Reed, gives another inspired performance as the lovely Indian girl who guided the expedition and became Clark's great love.

Freight Loader: "I call her my little Candy Bar." she's so sweet!" Freight Loader: "No, because Yard Hostler: "Why? Because she's half nuts."

Lincoln Wool On Exhibit In Kansas City

New Mexico wool producers have entered eight 12-month ewe fleeces in the American Royal Livestock Show at Kansas City in October. Ivan Watson, extension animal husbandman at New Mexico A&M College, has announced. Entries will include the following fleeces:

- Commercial Fleeces — 3/8's blood: Fuller Ranch, Pecos; and J. P. McKnight, Pecos.
- Territory Wools—Fine: T. J. Sutherland, Ruidoso; A. D. Jones Estate, Tatum; and Flying H. Ranch, Flying H.
- Territory Wools—1/2 blood: J. F. Sutherland Estate, Roswell; and Slaughter Ranch, Pecos.
- Breed Fleeces: Corriedale—New Mexico A&M College.
- Watson said New Mexico fleeces have always done well at the American Royal, winning reserves and grand championships many times. In 1954, a 12-month 1/2 blood ewe fleece entered by the Slaughter Ranch was declared the reserve champion.
- Watson wouldn't make any predictions as to how New Mexico fleeces would fare in this year's judging, but he hastened to add that the eight entries by state wool producers are of exceptionally fine quality.

Most Modern Power in any Truck!

New Chevrolet Task-Force Trucks!

Shortest stroke V8's of any leading truck. The industry's most advanced Sixes! You get the most Modern power for your job with new Chevrolet Task-Force trucks!

Most Modern Engines
V8 or 6

V8 is standard in new LCF models, optional at extra cost in all other except Forward Control models. New Chevrolet trucks offer the industry's most advanced valve-in-head sixes, too. All have a modern 12-volt electrical system.

Most Modern Styling
Work Styled—with a fresh, functional appearance that's tailored to the job! Two distinctly different styling treatments are offered—one for light- and medium-duty models, another for heavy-duty models. It's a Chevrolet exclusive!

Most Modern Features
Panoramic windshield, concealed Safety Steps and new High-Level ventilation! New frames, new suspension! New tubeless tires standard on 1/2-ton models! Come in and see all the modern features that put you ahead!

Around Hi Skool

(By TERRY BARAJAS)
Pat Rooney found a skeleton in the ditch dig between the new dressing room and the Home E. Mr. McGuire stated, "From the pottery found with the skeleton it appears to have been an Indian." He also stated, "The Indian was approximately 5 feet 10 inches and weighed 135 pounds, and from his dental work he is from 35 to 40 years of age." Found with the skeleton was a jug, eleven inches in diameter. There was a hole in the skull, probably the death blow, which was made from some sharp instrument. (Gossip around school is that maybe it's a Captain Tiger finally coming to light!)

Betty Carpenter has been chosen editor of the '55-'56 Tomahawk. Others to work with Betty are: Assistant Editor, Arnel Evans; Business Manager, Jo Betty Reese; Art Editor, Max Jones; Sports Editor, Max Jones. These students were recommended by a vote of the Journalism class and the appointment made by Cy Leland, annual advisor. The remainder of the staff will be announced at a later date.

The Community Choir will hold its next meeting October 3, at 7:30 in the Band Hall. If you're interested in music and like to sing, come on out and join. Mr. Gooch, high school music director, will direct the choir. Mr. Gooch has said, "This organization should prove to be a great fun as it is much needed in the community."

The Eta Beta Phi Sorority held a "Rush Tea" Sunday, Sept. 25, at the home of Joan Matthews for all prospective members. Entertainment was provided by both members.

IN THE PROBATE COURT OF LINCOLN COUNTY STATE OF NEW MEXICO

In the Matter of the Last Will and Testament of BONIFACE SALAS, Deceased.

No. 852
ENRIQUETA A. SALAS, JOHN SALAS, GLORY SALAS ROBBINS, PETER ANTHONY SALAS, BONNIE ANN SALAS, VICTOR HENRY SALAS, MARIE KATHARINE SALAS, and to all unknown heirs of Bonifacio Salas, deceased; and to all unknown persons claiming any lien upon, right, title or interest in or to the estate of said decedent.

Notice is hereby given that Enriqueta A. Salas, Executrix of the estate of Bonifacio Salas, deceased, has filed her Final Report and Accounting with the Probate Court of Lincoln County, New Mexico, on the 28th day of November, 1955, at 10:00 a. m. at the Court Room of said Court in the City of Roswell, New Mexico, as the time and place the Court will proceed to determine the heirship of those claiming the estate, the ownership of the estate and the interest of each respective claimant therein; and the executrix is hereby notified to file her objections, if any, to the distribution thereof, with the County Clerk of Lincoln County, New Mexico, before the time set for hearing.

WITNESS my hand and official seal this 13 day of September, 1955.

INICE HUST
County Clerk
By Title Mirabal Deputy

Mrs. Aleen Glascock

The Tenth Annual State FHA Convention was held here Sept. 23 and 24. Approximately 200 girls attended at the side meeting which was held at the Navajo Lodge. Miss Scruggs, our National Advisor from Washington, D. C., outlined the program and worked with the girls in their individual chapters. The theme of the convention was to celebrate the tenth year FHA has been in existence in New Mexico. Girls were divided into discussion groups to improve and evaluate the following:

1. Having Successful Chapter Meetings.
2. Improving My Program of Work.
3. Ways of Working Together.
4. State and National Projects.

Out of these discussions came many ideas as to how we can be better FHA chapters and members.

A Joint Pep Rally and Football Festival was held at 7:30 last Thursday night, Sept. 22, at the football field. Large spotlights, loaned by Emmett Reese, lit one side of the field. The football boys went through all their new plays while Coach Cy Leland explained them. Then the cheerleaders led the students in a few yells to build up their spirit.

Three of the high school teachers and the school superintendent were in Alamogordo Friday, Sept. 23, for a teachers leadership conference. Those attending were Mrs. Chubbuck, math teacher; Mr. Vance, social studies teacher; Mr. Morris, school superintendent; and Mr. Morris, school superintendent. The meeting was held to discuss plans for promoting citizenship in classes at school. Attending the meeting were Pat Murphy, Director of Administrative Services, and Mrs. Ellen Cornett, Director, Director of Technical Education. Plans have been made to have another meeting in the near future to discuss further plans on the subject.

All students interested in baseball enjoyed the 30th World Series Sept. 20 through 30 in the study hall. The 21-inch Motorola set was loaned and set up for the school by Joe Reinhardt, local TV dealer. Students must first go to their classes and do their assigned work. After that they have finished and have their tickets for the following day they may watch the game.

Those who are not interested in baseball attend their classes as usual.

The Warriors did it again! Friday, Sept. 23, the Ruidoso Warriors defeated the Grizzlies on the "Zeke" field 27-0. Regardless of the rain which began at the end of the second quarter making the field slick and muddy the Warriors came out to win their first conference game. We're really proud of the spirit shown by the Ruidoso people and hope you'll keep up the good work of our second conference game this Friday when the Warriors meet the Captain Tiger in the time field. Game starts at 1:30. HELP THOSE WARRIORS SCALP THOSE TIGERS!

Stetson School News

Mrs. Cunningham's Third Grade has several new pupils. They are Eloy Candelario, Jr., Russell Pesowitz, David Scott, Virgie Breese, Julia Terpen and Marvalee Washington. We lost Helen and Raymond. Enid who are going to school in Colorado.

Those who made 100 in spelling Sept. 16 were Douglas Driggers, Raymond Enjay, Virgie Breese, Molly Kay Harris, Patty Lanning, Colleen Massey, Viola Sanchez, Sandra Simpson, Julia Terpen, Alice Via and Carol Lynn Wright. Those who made 100 in spelling Sept. 23 were James Hale, David Scott, Johanna Beavers, Helen Enjay, Molly Kay Harris, Donna Sue Wilson, Colleen Massey, Judy Prins, Viola Sanchez, Linda Shier, Sandra Thompson, Alice Via and Carol Lynn Wright.

Our Science Class really has a wealth of live insects to observe. We were able to watch some butterflies come out of the larvae. Second Grade—Mrs. Reese Nelda Turnbough helped pick apples one day last week. Mildred Stoneman went to Hogerman with her family last week. Hope and Arlene. John Strubben and his family picked apples at Bonito. Guadalupe Gallegos had a visit from her cousin.

Fourth Grade—Mrs. Samelson We have 30 children enrolled in the Stetson Fourth Grade so far. Our new reading work books and our phonics work books have come so we're off to a flying start. We are sorry to lose Reolina Enjay but we know she'll be happy in the new school to which she is moving. Duane Prins drew a nice picture with a hexagonal pencil and used copies for each child in the room.

Vida Marie Botella and Beatrice Silva made one hundred in spelling the first week of school. Vickie Jones, Beatrice Silva and Jimmie Carpenter made one hundred in spelling the second week. The children have gathered a number of artistic bouquets of words which they have placed around the room for decoration. They have also brought in quite a collection of bugs and caterpillars.

Robert Packer contributed a gallon for black caterpillars and Mike Driggers and Marjorie Davison brought praying mantises. These have all made interesting study.

First Grade—Mrs. Nellie Jones At present we have 24 boys and 14 girls in our class standing nearly evenly divided at ten boys and 14 girls. We have had a busy month at school making so many new friends and learning new things. This week we are trying our hands at being a printer and finding it to be very much fun. Winners of our "clean the lunch tray" contest last week were Elmer Barcus, Sharon Nielsen, David Barcus, Amie Sanchez and Reid Devera.

Letter to Ye Editor

Mr. Vic Lamb
Ruidoso, New Mex.
Dear Mr. Lamb:
The Lincoln County Chapter of the American Red Cross wishes to take this means of thanking you for your cooperation in publicity. They could never have accomplished as much as they did without your kind help. We hope you will continue with us next year. Sincerely,
Louise Rabers, Sec'y.

MESCALERO

By Mrs. E. F. Breuninger
Richard Meryman, Chicago Editorial Office, Life Magazine, arrived at Mescalero last Friday afternoon. Mr. Meryman expects to spend one week at Mescalero and is presently working on a story on the Mescalero Apache Tribe and the Mescalero Agency for future publication in the Life Magazine.

L. H. Corbin and family are now at their home in Albuquerque. Corbin accepted a transfer to the Albuquerque Sanatorium and left Mescalero on Sept. 14.

Miss Adelta Tortilla, daughter of Mr. and Mrs. Eric Tortilla, left for Haskell Institute on last Saturday afternoon. Adelta was accepted for enrollment in high school there and will be the only girl student from Mescalero this year.

William Magoosh, Jr., is now employed by the Mescalero Tribe as Game Warden for the reservation. A brand new pickup was purchased recently for use by Magoosh.

At the regular meeting of the Mescalero Legion Post 48 on Monday night, the members voted unanimously to purchase two football uniforms for use by the Mescalero School.

The Mescalero Apache Business Committee recently approved the issuance of 25 bear permits for a \$20.00 fee. Purchasers and their permits will be required to hire a member of the Tribe to serve as guide.

Miss Anna Pickel, Assistant Editor, American Anthropologist, and Miss Marion Pugh, exchange student from India, visited at Mescalero during the week-end of Sept. 17.

Many Mescaleros attended the State Fair in Albuquerque last week-end, among them were the David Kazhe, Jr. family, John Kelly family, Wheeler Gaston family, and others.

Miss Stella Lee, reservation principal, took an additional number of Mescalero children to school at the Consolidated-Use Board School on Monday.

Mr. and Mrs. Walter Balabala and Mr. and Mrs. Keith Miller enjoyed a very pleasant trip to El Paso last week-end.

Mr. and Mrs. Leonardo Mendez honored their son, Raphael, with a dinner and dance on Saturday. All members of the Mescalero Tribe were invited to the very fine dinner served and to a performance of the "Dance of the Mountain Gods" however, due to the heavy rains on Saturday night, the dance was discontinued. Raphael recently returned from overseas.

Butler had much to tell us after their recent visit to the fair in Roswell.

We miss Roberta Lawing who has been ill nearly two weeks.

Market Place of Canyon & Valley—BUSINESS DIRECTORY—Where to Find It In Ruidoso

275 Breakfasts
Served By C. A. P.
Approximately 275 persons, most of them of Ruidoso, enjoyed the Ruidoso Civil Air Patrol Squadron's breakfast at Ruidoso airport last Sunday. Cloudy weather in much of Eastern New Mexico held down attendance by pilots and their families or friends, who were to fly here from a wide area. Before the last of the eggs, bacon, fry bread, potatoes, honey, coffee and milk were served, however, more than 15 planes had arrived here, some of them bringing group officers from Carlsbad and other points. Roswell C. A. P. was well represented at the breakfast, it

was reported. With advance ticket sales, altogether the local C. A. P. grossed about \$300 from the affair, it was reported.

"RUIDOSO—WHERE WE TAKE TIME TO LIVE"

Breakfast Shop To Be Opened

By Grace Sutton

Announcement was made this week by Mrs. Grace Sutton of the opening Saturday of Sutton's Breakfast Shop in her building opposite Lorene's Style Shop in downtown Ruidoso. The shop will observe hours of from 5 a. m. until noon during week-days and from 5 a. m. until 10 a. m. on Sundays. Mrs. Sutton will feature hot biscuits, home-made boysenberry jam, along with the usual breakfast items of waffles, pancakes, bacon, ham or sausage and eggs and coffee. "We hope we offer the best coffee in town," she declared.

She recently sold her home in Palmer's Gateway to C. C. Turner, who operated Turner's Cabins here. The Turners plan to remodel and landscape the property, Mrs. Sutton said.

Roswell Youth Dies in Accident Near Lincoln

New Mexico's Highway Death toll resumed to 249 over the weekend with the death of a Roswell youth and a Los Cruces man in two separate accidents.

The victims were Pete Ruelas, 22, Los Cruces, and Israel Pena, 16, Roswell.

Pena was killed when he was struck by a car driven by Floyd Zamora, 14, Roswell, on the outskirts of Lincoln. Two witnesses, both Roswell juveniles, said they and Pena had been jumping in front of Zamora's vehicle earlier

DO YOU KNOW
—BY JINGO—

The little chap who puts on a show during halftime at the football games, wears a blue helmet and has his own football.

The two yards on Mechem Drive that have attracted so much attention with their beautiful display of flowers?

The two men who took "Palomino Joe" to another race track and were unable to enter him?

The lady who made a birthday cake for her son and was unable to get it out of the pan—so she just tied a ribbon around the pan and decorated it with candies—that's a new idea.

The cafe owner who closed the day after Labor Day, went fishing, came back and bought a new Peckard and left for the World Series?

SUN BOWL TICKETS AVAILABLE HERE THROUGH C. O. P. C.

Mrs. Madeline Hutchins, manager of Ruidoso Chamber of Commerce, said this week she had received applications which any local resident may have to send to El Paso for tickets for the annual Sun Bowl New Year's Day football game.

In the day, State police said Pena jumped into the path of the car and was unable to step in time.

FLYING M. RESIDENT TO BE GUEST PREACHER AT PRESBYTERIAN CHURCH

S. C. Williams of Flying M, New Mexico, is to be guest speaker from the pulpit of the Ruidoso First Presbyterian Church during the regular Sunday morning services this week-end, officials have announced.

BUILD CABIN HERE

Mr. and Mrs. B. E. Hasty of El Paso are building a 4-room cabin in Paradise Canyon subdivision. The new home will sport a fireplace. Mrs. Hasty is the daughter of Mr. and Mrs. Norman Pratt.

Mr. and Mrs. George Corlke, Chanute, Kan., visited the C. W. Millers here last week-end.

The Weldon Gamers attended the Texas Tech-T. C. U. football game in Lubbock last Saturday which T. C. U. won 32 to 0.

Mr. and Mrs. Lewis Stambaugh, Abernathy, Tex., were here preparing for work last week-end.

The C. E. Hurdleys have returned to Crosbyton after a lengthy visit in Ruidoso this summer.

Frances Arzena has returned to her home in El Paso.

The Mannie Badillo family returned Saturday from Temple, Tex., where Mrs. Badillo underwent a medical check-up. On Sunday and Monday the family attended the New Mexico State Fair in Albuquerque and on Monday evening they went from here to El Paso to attend a party honoring Mrs. Badillo's brother.

Mr. and Mrs. Raymond Buckner and son, Mike, and Don Snyder attended the state fair in Albuquerque last week-end.
