Jess Lamb, who was an instructor at Hondo school two years ago, will direct band at Carrizo in the 1957-58 term. He attended Eastern New Mexico U. at Portales last term and earned his master's degree.

Among some very beautiful pieces on display at Eric Ball's Antique Shop are some fairly lamps from Burma and some china from Scotland—some of them nearly two centuries old.

Real estate transactions hanging fire here include the sale of another large four court apartment and the leasing of a cafe—all to be reported in due time.

One of the attractive 6-foot and very colorful kachina dolls the late Elmo Carter carved for display at the Apache Trading Post here has been stolen, and a liberal reward is being offered for its return—no questions asked. It has been photographed many hundreds of times by people posing outside it on vacation visits here.

We feel very sorry for those many millions of people who do not have a chance to view the magnificent panorama of our country at this time. It is an emerald green, the brightest you ever saw, with grass, trees and everything that grows in the country with life. Wild flowers are beginning to show their colors in splashes of every hue on our hillsides and along the roads. It is a tonic for the soul just to view the magnificent nature in our country now after wonderful rains of more than a month.

We've just paid a visit to Pee Wee (G. N.) Taylor's Tailors, furniture shop here to look over some of the very handsome rustic furniture he has been building for many years. He's staging a clearance sale on a display-room full of his work, marking prices down as much as 25% off. Village Marshal J. P. Bobo tells us in view of the very possible rabies threat from El Paso was known to have had the disease and later died of it) all stray dogs in the city MUST be destroyed. He says dogs without licenses, indicating they have not been vaccinated and are not to be picked up. He also asks that anyone having a pet should observe their dog very closely in the next few weeks, and if the dog shows any signs of illness, it should be taken up for a rabies test. Any dog that has rabies DO NOT KILL IT. Diagnosis of rabies is not certain when the dog is killed before the disease develops. Veterinarians advise that when a dog is suspected of having rabies, it should be taken up, and if the animal dies, then a certain diagnosis is possible.

Melvin Knox has promised as a cup of coffee for printing this edition, which totals some three miles, is now complete in the Palmer Gateway area of Ruidoso, giving the community about 15 miles of TV cable, bringing the program of stations in three towns, Roswell, Albuquerque and El Paso. Homes and businesses now getting the service from the cable network nearly 150, he reports. Brunell's has added a line of Hallmark greeting cards. We visited the store in our visit to Ruidoso Sunday at noon—the city's two parks in the east part of town, the new Forest Service park up Cedar Creek, and the Apache's recreation area on the west edge of town. The picnic table and dog park in use! That probably set a new record for picnickers, for sure. Both the city park commission and the Forest Service are to be commended for recognizing the growing need and doing something about it in time for the big rush and crush this summer.

Overheard in the Chocolate Shop: A friend talking to Beth Lilly, who operates Cakes & Creams—Are you cleaning up now? Overheard in the Log Barn: It may be an old one, but it was funny to me. One Texas race fan talking to another said "I bet on the best trained cow horse you ever saw." The other said "He must have been a cow horse, he herded all the rest in to the finish in perfect form."

This year's Camp Farthest Out, which closed last week at Carrizo Lodge, had 81 registered. They came from several nearby states.

Fletcher Hall Is New Head Of Eagle Creek

Fletcher Hall of Capitan was unanimously named president of the Eagle Creek Inter-Community Water Users Association in its annual election here in Ruidoso Municipal Building Monday night. He succeeds Don Snyder, mayor of Ruidoso. Snyder was elected vice-president. Jack Earling of Capitan was elected secretary-treasurer, a post he had held in a previous term. Earling succeeds T. B. Hood of Ruidoso. Snyder succeeded Mayor Don Murphy of Capitan in the vice-presidency position. Other business handled Monday night included discussion of terms of contracts to be drawn up between the two villages of Ruidoso and Capitan and the Eagle Creek association for purchase of water. Both villages are readying pipeline systems to bring to their communities water from Eagle Creek, which the association brought from the Southern Pacific railway. Captain let a contract late in July to a construction firm which handled the Bonito pipeline for Alamogordo, and the laying of a pipeline from Mesa Rancho Station into Capitan. Work is to start soon. The firm also will work on a pipeline into Corona, and at the meeting here Monday night, it was announced the same firm would be handling the Eagle Creek pipeline contract letting, to be advertised shortly. Captain's pipeline is to cost approximately \$90,000. Within 30 days, the terms agreed upon by the association in its deliberation Monday night will likely be finished and signed, one member of the Ruidoso delegation stated. Member T. B. Hood of Ruidoso said, "We are now making real progress in all of our negotiations and arrangements to speed up bringing water into both communities."

Attending the meeting were Mayor Murphy, Fletcher and Earling from Capitan; Mayor Snyder, Hood and Dan Swearingin, Ruidoso. A brief visitor was Vic Lamb, Ruidoso editor.

Local Police Send Out Warnings To Tourists Who May Be Victims Of Rabid Dog Loose In Ruidoso

City police officers in Ruidoso Sunday night were searching for persons who may have been bitten by a run-away rabid dog in the resort town around Aug. 3.

Mrs. Lewis Roberts, 132 Helms Road, El Paso, reported Sunday that she and her family had spent about a week in a private cabin in the Paradise Canyon addition, where the family dog "became irritable."

She said the dog, a black and white Boston bull terrier, nipped at her children when they tried to play with it, and Saturday night, Aug. 3, the dog disappeared from the cabin.

It was found the next morning in the center of town.

The El Paso family took the dog to a Ruidoso veterinarian, who apparently found nothing wrong with it. Upon returning to El Paso Monday, Aug. 5, the dog was taken to the Animal Shelter, where it later died.

The head was sent to Austin, and it was found to be rabid.

Mrs. Roberts said members of the family have begun taking the Pasteur rabies treatment and suggested anyone in Ruidoso who came in contact with the dog consult a physician immediately.

J. P. Bobo, Ruidoso village marshal, was polling the area Sunday night to find out if anyone had been bitten by the dog. He said Sunday night he had had no report of anyone being bitten by a strange dog.

Ruidoso physicians also had not heard of anyone being bitten by the animal.

"We have a lot of stray and wild dogs around here," said Bobo, "and that's where the real danger lies. If the rabid dog got into a fight with a stray and bit him, it could cause an epidemic here."

Mrs. Roberts said the dog had been given anti-rabies shots only five months before the family left for Ruidoso. Her husband, Lewis Roberts, said he thought the dog may have been bitten about 30 days ago by a "many black dog" which wandered into the family's back yard.

"This dirty black dog wandered into the yard about dark one night," he said, "and our dog ran at it to chase it out of the yard. The animal got in a hole, and our dog was bitten on the leg. We were sick and about it at the time, but that could have been where the dog got rabies."

An El Paso physician said Sunday night anyone who was bitten by a stray dog in Ruidoso, Lincoln County, will be safe for "several days" before symptoms of rabies would be apparent.

"That is, unless the victim was bitten on the face," he said. Mrs. Bobo said the fact that Ruidoso is a resort town poses another problem in tracking down any possible victims. "A person here for a visit could have been bitten and already gone back home by now," he said. "We have no way of tracking them down after they leave town."

BULLETIN!

Fire of "undetermined origin," at 3 a. m. Thursday gutted a new 3-bedroom residence in Palmer Gateway, not yet lived in and being completed by Arvel Runnels of Socorro City. He was building the frame and stucco structure for an out-of-state resident, who planned to combine an office with living quarters there. Both Ruidoso and Hollywood volunteer fire departments answered the summons, but the blaze was too advanced to allow salvaging very much of the structure. Fire Chief Claude Peterson of Ruidoso VFD said the loss would be several thousand dollars and that the place was partially covered in insurance.

Apple Field Day Set Aug. 19 In Hondo Valley

The first annual Apple Field Day and Tour will be held in Hondo Valley, August 19. Object of the field day is to bring fruit growers in other areas of the state to the Hondo Valley to look over the production, packing, and marketing facilities.

The tour will start at Hondo Junction at 8:30 a. m. The group will spend an hour and a half looking over the A. T. Pfingsten orchards near Hondo. After lunch, the fruit growers will go to the White Mountain Fruit Growers Packing Shed at Hondo to inspect the packing, grading and shipping facilities.

At 2 p. m., the group will head up the Hondo Valley, making stops at Hondo and John Thomas orchard near San Patricio, then to the Willamette, near Hondo, and Angelina Gonzalez fruit farms near Glencoe. The entire afternoon will be spent in studying the cultural practices—pruning, fertilization and irrigation of the orchards on the tour.

Arrangements for the field day and tour are being made by W. G. Burckhardt, chairman of the New Mexico Farm Bureau's Fruit and Vegetable Marketing and Advertising Committee and A. T. Pfingsten, Hondo fruit grower.

It was stated that the Lincoln County extension agent, host at the White Mountain Fruit Growers Packing Shed will be H. E. Baxter, manager.

Fruit growers throughout the state are invited to attend the Apple Field Day and make the tour. Next year the field day will be held in another fruit growing section of the state.

Officers Hunt For Trio Missing On 'Baldy' Hike

Lincoln County Sheriff's department personnel, including Sheriff S. M. Ortiz and Chief Deputy Fred L. Richardson, headed a searching party of several people, including Mr. Aloys of Eagle Creek and the Rev. Wm. T. Tolson, Jr. of Ruidoso, on an all-night hunt for three persons missing on a hike up Sierra Blanca peak Sunday to Monday morning hours, before sun-up, seeking a fire or signal light from Bill McWay and his two boys, aged 8 and 11, who failed to return late Sunday after walking to the top of Baldy.

They were discovered by a ground searching party deep in the hills about 8 a. m. Monday, Richardson said. Relatives of the trio had been alerted at their being missing. Richardson said they were all right physically after all night on the peak, but very cold.

Lincoln County Stands 25th In State In Per Capita Income

Lincoln County's per capita income for 1956 was \$959, and the county's total income last year was \$8,057,000, so says a business research group of the University of New Mexico. Its survey revealed Lincoln County's per capita income stands 25th among the 32 counties of the state. Top is Los Alamos, and bottom is Bandolay.

The survey further stated: Lincoln County folks get their income from the sale of livestock and wool and from the operation of retail trade and service firms.

Income from agriculture is unstable, and bottom is Bandolay. A range of crops is quite vulnerable to weather and market changes. Some diversification into quality

COOKING?

Cook ELECTRICALLY!

Electric cooking is by far the coolest way to cook. Electric range surface units transfer heat by direct contact with utensil bottoms, so little or no heat escapes up the sides to raise kitchen temperatures. And because an electric oven requires no oxygen to operate, there's no flow of hot air through the oven and into your kitchen. Cook electrically... live better electrically!

The board said the Albuquerque physician had accepted the position as "a challenge."

The position has been budgeted for \$15,000 a year.

Warriors Open Grid Practice Monday

The Ruidoso Warriors begin football practice this coming Monday, August 19, with two-day drills until school starts Sept. 3. Coach Cy Leison stated that in addition to twelve returning lettermen there will be a good group of reserves and several promising transfers and freshmen expected to show up for practice Monday morning.

They have been told about three or four boys whose families have moved here during the summer, said Leison. "We'll not know just who they are and how many until Monday morning."

The Warriors are scheduled to take the field at 9 a. m. and 5 p. m. each day except Sunday. Practice will be without heavy pads for the first few days, according to Leison. The dressing room will be open at 8 o'clock the first day.

"We feel quite fortunate in having our own Wade Hedgecock return to Ruidoso as a member of the faculty and coaching staff," added Leison. "He was the rambrod of our first championship team in 1950 and had four good years under Mike Brumel at Texas Western. Last year he was a player on the Junior High athletic program this year for Newton resigned and will attend school at Arizona University."

Returning lettermen include Captain Pat Rooney, co-captain Bob Pior, Eston Fulson, Jim Wilson, Roy Luckey, Barry Swanson, Bill Eastley, Charley Perry, Dave Vance, Dick Kelley, Benny Sullivan, and Barney Rus. All except Pior, Fulson and Wilson are linemen.

The first game for the Warriors will be in Ruidoso Sept. 6 at 1:30 p. m. with the Horwell "B" team.

3rd Annual Thoroughbred Maturity Slated On Downs Card Saturday

The third annual running of the Thoroughbred Maturity, one mile, is slated to be run this Saturday, August 17, at the Ruidoso Downs. Seven of the top four-year-olds on the circuit entered the entry box Tuesday morning.

Jean's Demon, well suited to this distance, was a winner at Oaklawn Park, running a mile and one-sixteenth in 1:45.8. Jean's Demon has one second and two thirds to his credit at the current meeting and could reach the coveted circle this out. Named to oppose him will be the vastly improved Quick Thrust. Winner of three at this meeting, Quick Thrust was second a head to Ahb's Bull in the "Curragh Stock Farm" last Sunday. Little Quaker, by Any Minute—My Lady Weston, has two victories to his credit over the local track. Little Quaker has horses on the grounds, and appears to have met an easier band this start.

W. & W. Stable's Miraculous, Mrs. G. B. Person's Court Victory, William T. Ryan's Mad Pogo, O. M. Leo, Iris Spl. L., and J. E. Homan's Patsycke Kid are named to contest in this year's Maturity. Saturday's co-feature brings out eight of the fastest sprinters on the grounds to contest at the four furlong distance. K. M. Chalin's Hijo Leo, Bill Smith, and J. E. Homan's Patsycke Kid are the top early choice. Winner of his only thoroughbred start at the meeting, this 3-year-old Spotted Bull—Hijo Lany colt ran the four furlongs in the excellent time of 46.8. Named to oppose him will be Perique, Spanish Charge, Frijoles Route, and

meeting by Coliseo, will be trying to make amends to his disappointed followers. Opposing these two sprinters will be Atomic Speed, Miss Rowdy, Double Hygro, Me-a-H, Mac Answer, Dream Mint and Little Lolly.

The Knox Cattle Company of Artesia, New Mexico, has featured two previous races. Last year's victorious horse was Sistory.

"Barbara L. Purse" named in honor of A. B. Green's Barbara L., one of the most consistent mares of all time, will be featured as the tenth race on Sunday's card. Barbara L., winner of the Bright Eyes Stakes at Centennial Park in 1953, this game mare won many races under adverse conditions. Little Nippy, equalling the world's record for 350 yards, will be opposed this out by Lady Leo. Second in her only start at the meeting, Lady Leo could upset this band. Rounding out the field will be Bella St. Mary, Corbett's Star, Breeding Johnny, Maroon and Ridge Butler.

A pair of features, one for thoroughbreds and the other for quarter horses highlight the Friday card which will herald another week-end of racing at this course. The thoroughbred feature is the "Jim Carter Oil Company Purse" at six furlongs and the quarter horse sprint is the "Miss Meyers

Purse" at 400 yards.

The "Miss Meyers Purse," named in honor of one of the greatest quarter horses in the past few years, brings out ten of the fastest sprinters on the grounds. Miss Meyers, owned by A. B. Green of Purcell, Oklahoma, was the leading money winning quarter horse for 1953, boasting a gross total of \$15,388. Co-favored in this event will be Clabber Bar and Captain Dick. Clabber Bar, a 3-year-old Three Bars colt, has been competing with the top quarter horses of the world and appears to have found an easier spot this out. Captain Dick, making his first appearance at the current meeting, boasts a win and a third at the recently concluded Denver Quarter Horse meeting. Doll Up, always a favorite at the Downs, is a two time winner at this meeting, finishing fourth in her only other start, in the "Bright Eyes Stakes." Rounding out the field will be Jimmy Lator, Sute Now, Mr. Mackay, Mack Shade, Tee Beau, Dial Ann and Johnny Bull.

Friday's co-feature will be the "Jim Carter Oil Company Purse," a thoroughbred cash with eight top sprinters contesting for a purse of \$400.00. Sure Fire Sure, second last Saturday to Miss Rowdy in the "New Mexican" appears to be the early favorite in this race. Pitted against him over the six furlong journey will be such capable antagonists as Baker's Horace, Bolopere, Queen Dream, Ambrose, Grain Bin, Clyde's Camerone and Thema Miss.

Billy The Kid Rodeo Slated For Sunday

The Tenth Annual Billy the Kid's Rodeo will be held on Sunday, Aug. 18, at Three Rivers, New Mexico. The Rodeo is staged by the Tularosa Loop Club and Mr. F. F. Ryan, owner of the Three Rivers Ranch. The Rodeo is for New Mexico boys and girls only.

The Rodeo, the first Kid's Rodeo ever to be staged in New Mexico has grown into one of the largest events of its kind in the southwest. The barbecue and Rodeo will probably attract over 3,000 people during the performance. People will name the state champion-Youth Hooper for the coming year, and as a special added event the well known Thunderbird mounted Square-Dance team from Las Cruces will perform.

The Rodeo for the first time will give cash awards to the winners, performers and the large interest shown should insure good purses for the competitors.

Carrizozo Opens Grid Warfare Against Tularosa

The Carrizozo Grizzlies open their 1957 season with Tularosa in a night game there Sept. 6.

Coach Albert Burch will have 11 returning lettermen as a nucleus to build his team around. They are J. Nowell and Jack Melker, guards; P. Aguilar and L. Grier, ends; R. Fisman and B. Stearns, tackles; Sandoval, center; L. Nowell, R. Simpson, L. Gallegos and S. Shrum, backs.

Coach Burch estimates a turnout of around 35 candidates for the Grizzly squad, including a number of promising youngsters.

The first game with Tularosa will be a difficult hurdle as the Wildcats are reported to be coming up with another strong team.

Coach Burch states that this year's edition of the Grizzlies, about equal in strength to last year's good squad, should be able to a better start because they are familiar with a system of play which was new to them last year.

Football practice starts August 29, with two practices Mondays through Friday.

The Grizzlies will meet Cloudcroft and Hondo for the first time in many years. Next year these two teams will be in the local conference.

The Grizzly schedule follows:
Sept. 6—Tularosa at Tularosa.
Sept. 13—Corona at Carrizozo.
Sept. 20—Cloudcroft there.
Sept. 27—Hatch at Hatch.
October 4—Ruidoso at Carrizozo.
October 11—Tatum at Tatum.
October 18—Captain at Zozo.
October 25—Hondo at Zozo.

In its meeting last week, members of the Ruidoso Quarterback Club voted to give a 20-piece set of sterling silver, by Westmorland, as a money raising project this fall. The club usually awards a hunting rifle, but switched this time to a set of silver to honor the women of the community, as well as the men. Value of the set is well over \$100. HANA CHIEF PAYS \$63.30 IN WINNING FUTURITY PURSE

A 30 to 1 longshot, with a total of \$14,500 in purse money at stake, pushed out in front by two and one-half lengths to win the Ruidoso Thoroughbred Futurity, featured event at Ruidoso Downs Sunday afternoon.

The winner, Hana Chief, is owned by Duane Ellsworth of Queen Creek, Ariz., and was ridden by Jockey Clifton Dettige. The two-year-old brown filly took advantage of a tumble by The Laird, which threw her jockey, Darwin Howell, to move to the front.

AUDIE MURPHY STARS IN FRONTIER FIGHTER AS FRONTIER FIGHTER
Unforgettable star of "To Hell and Back," Audie Murphy returns to the Pueblo Theatre screen on Sunday and Monday in a frontier adventure ideally suited to his abilities as a soldier, a fighting man and an actor. The film, Columbia Pictures' "The Guns of Fort Petticoat," with print by Technicolor, is a hitherto untold saga of the Southwest, when a single man and a band of women withstood savage Indian attacks in a battle for survival.

According to Hollywood, "The Guns of Fort Petticoat" runs the gamut of danger, as Murphy leads his desperate, besieged band of "soldiers in skirts." Actually, of course, they are pioneer women and their children, left defenseless in the savage Texas territory when their menfolk march off to the Civil War.

colonel's plan to "teach a lesson" to the peaceful Sand Creek Indians, Murphy deserts to warn the isolated women they must organize in self-defense against the inevitable retaliatory raids to come. Even though they despise Murphy as a renegade and as a deserter, the women do place themselves under his command. He trains them ruthlessly in the tactics and military knowledge they must have if they are to repulse the certain attack.

RANDOLPH SCOTT IN SATURDAY SHOW
"Seven Men From Now," starring Randolph Scott, shows Saturday only at the Pueblo Theatre. Also co-starred in the Warner Bros. release of the Batjac production in WarnerColor, are Gail Russell and Lee Marvin.

Scott, consistently in the top ten in boxoffice appeal, plays the role of Ben Sirda, who was out to kill seven men for the honor of his woman.

'WAR AND PEACE' OPENS AT PUEBLO THEATRE
"War and Peace," the vast three-hour-and-twenty-eight minute filmization of the monumental Tolstoy novel of life, love and war in Czarist Russia during the Napoleonic invasions, is showing Thursday and Friday this week at the Pueblo Theatre. Cast with over 10,000 players, the VistaVision, Technicolor spectacular's top starring roles are portrayed by Audrey Hepburn, Henry Fonda and Mel Ferrer, with a large and distinguished cast making up a total of sixty speaking parts. Over six years in the making, the Ponti-DeLaurentis Production for Paramount release, directed by King Vidor, is a faithful reproduction of what has been called the greatest novel ever written, with its intricately interwoven stories of a score of unforgettable characters told against the background of three of the greatest battles in European history.

THE BIBLE SPEAKS
PSALM 17:1-3
1. Hear the right, O Lord, attend unto my cry, give ear unto my prayer, that goeth not out of feigned lips.
2. Let my sentence come forth from thy presence; let thine eyes behold the things that are equal.
3. Thou hast proved mine heart; thou hast visited me in the night; thou hast tried me, and shalt find nothing; I am purposed that my mouth shall not transgress.

Away from it all

Would you like to be able to go to a retreat like this when you are worried—a place where you could be alone with your thoughts—a place where you could untangle your problems?
If you would, then you are like most people. Everyone needs a retreat, at moments. And everyone has one! It isn't a mountain cabin or a seaside cottage—but it is a place far better suited to prayer and contemplation, a place to sort out old errors and make new resolutions. It is your church.
Let your church be your sanctuary. Go to it when you are troubled. You will find within its walls your moment of peace, and you will walk out into the street again far better able to make the most of your life.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest force in our world for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend the Church regularly and support the Church: (1) For his own sake. They are: (1) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Washington Rain Forest Rivals Tropics

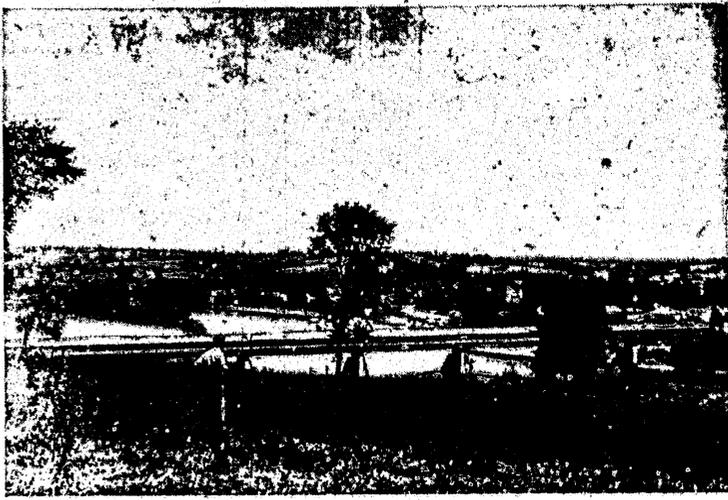

OLYMPIA, WASH.—One of the most extraordinary scenic attractions of the world is located on the western slope of the Olympic Mountains in Washington State. It is the world-famed Rain Forest—mysterious, moss-draped and silent—where towering trees reach up to 250 feet into the sky. Here, too, is growing the world's largest Sitka Spruce, almost 50 feet in circumference.

Visitors to Washington State will always remember this great forest as a strange and exciting experience. The profound silence of the area is broken only by the song of occasional birds or the sighing of the wind in the tops of the very tall trees. The floor of the area is entirely open and park-like—covered with moss to form the sensation of a deep-pile carpet. The Rain Forest, a part of the

Olympic National Park, is easily reached in just one day from Seattle by a combination of a short ferry ride across Puget Sound and excellent highways. In the park are natural forest trails that make leisurely exploration easy and interesting.

The Rain Forest is just one of the many natural and man-made wonders of the area that are described in Washington State's new free travel folder just published by its State Department of Commerce in Olympia, Washington. Readers of this newspaper can get a copy merely by writing for it.

World's Longest Covered In Canada

New Brunswick has more than 215 covered bridges including the longest one in the world—1,282 feet over the St. John River at Hardland. These covered wooden structures are still in daily use and are much photographed by visitors to the Province. The bridge roof protects the large timbers of the bridges from weathering and so lengthen their life from 20 to as much as 70 years, engineers say.

When muslins and gingham were to be had at the general store and the questions asked were "When is the stage due and who has a new horse?" This has passed into the dim gray past. The work now is "Can Elvis last?"

With all due respect to Dan Storm and his treatise on the Virginia Creeper came as follows submitted:

One asset gained by Lincoln from the tourist at this time is elimination of the weed beds in the rear of the school house and along the road by continuous passing of auto tires.

With the passing of time, Lincoln will grow more famous, but for now, back to the quiet grind of "every day"—For another 363 days until the ghost of "Billy the Kid" returns.

More next week. Pat Henderson.

Letters to the Editor...

"Interesting Places and People." New York papers please copy. "Three Days a Year" In Old Lincoln town, N. M., for these three days during the annual shooting of Billy the Kid there is no rest for the wicked, or righteous for that matter. Horsemen ride their steeds up-

on the sidewalks, autos are parked four and five abreast for a mile or two each side of the ancient courthouse, where Billy Bonney "the Kid" stomped and snorted in the days of flowering Lincoln County.

Where village belles once trod the main road to the West now amble the rock n' roll teenagers. The sex is the same but the scene has changed. Where on week-ends cowboys once galloped their horses

been enjoying a long vacation at their Eagle Creek home, returned to El Paso last Wednesday but will return over Labor Day to close their house for the winter months.

John T. Clapp of El Paso bought two lots in the Barney Luck Plat near Alto on Thursday of last week. Friday he had two houses moved in and on Saturday they came from El Paso again to look over the situation.

The Hank Britts of Socorro came by to see us Sunday on their way home after spending the children Mark and Ann, who have week-end in Roswell.

Two Eagle Scouts Tell Experiences For Rotarians

Rotarians in their Tuesday noon luncheon meeting at the local O. E. S. Hall, heard two Eagle Scouts tell of interesting experiences they have enjoyed in recent weeks. Their talks were given to place emphasis on the current sustaining membership plan being pushed by local civic clubs for the Conquistador Council, which heads up and directs scouting activities and leadership in South-eastern New Mexico.

Tom Cochran, scout executive from Roswell, accompanied the speakers here. They were Eagle Scout Bill Roubush, Roswell, who described experiences he enjoyed at the recent National Jam-boree in Valley Forge, attended by 52 thousand Boy Scouts from the U. S. and many foreign countries.

Another speaker was Scoutmaster Richard Knight of Roswell, who told of the chartered bus trip through Canada he went on with 23 others and headed up by Executive Pete Meyers.

Visitors included Walter Davis, El Paso, Omaha McLearn, Pecos, Tex., Tom Cochran, Pete Meyers, Bill Roubush, Dick Knight, all of Roswell; Dr. Don Sholar, Bay City, Tex.; Bill Ledbetter, Abilene, Tex., who is athletic director at Hardin-Simmons there; W. C. Huseell, Hamlin, Tex.; Claude Hearn, Seagraves, Joe Miller, Alamogordo, Harold Voss, Post, Tex.; Oscar Harrell, Hillsboro, Tex.; Everett K. Duman, Supervisor of the Lincoln National Forest, Alamogordo; Wilford Hanson, of the Forest Service Albuquerque office; Henry Lohentzen, Forest Service official from Ogden, Utah; Tommy Hood, Tucson, Ariz.

Rehabilitation Needs Of Polio Patients Sought In County

A countywide survey to discover the current rehabilitation needs of all post-polio patients will be conducted this month by the Lincoln County Chapter of the National Foundation for Infantile Paralysis, Mrs. J. P. Turner, chapter chairman, announced today.

The local survey is part of a nationwide project by the National Foundation to compile a roster of polio cases of all ages and degrees of disability, regardless of date of onset. The canvass here is to be completed by Sept. 1.

"Modern medicine has made impressive strides in developing new rehabilitation techniques in recent years," Mrs. Turner said. "Pilot surveys already undertaken show that there are thousands of polio-handicapped in the United States who have not yet had an opportunity for medical evaluation to determine if they might benefit from these new techniques."

"Some of the techniques employed today for those disabled by polio and other causes were unknown or unused as recently as 10 or even 15 years ago."

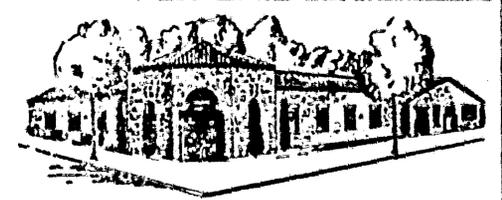

"The March of Dimes organization, having scored a tremendous victory in its war on polio, does Leonard Van Dahlen, Gollad, Tex.; Henry Felt, Pauls Valley, Okla.; Don Cox, Carlsbad; O. S. Cutler, Ruidoso; John Zonneck, Pharr, Tex.; Monte Montgomery, athletic director from an Albuquerque school.

M. B. "Pete" Sullivan, District Representative For Triplet "A" Can Be Contacted by Calling 3465, and will welcome inquiries about membership, emergency service, and local free accident insurance and many other benefits.

not now propose to walk off and leave the wounded behind, so long as help for them is possible. We wish to find everyone who has had polio, whether paralytic or non-paralytic. We want to know what the special problems may be, so that they may be helped to regain useful lives. If humanly possible, even though it will take a considerable period of time."

Mrs. Turner said that the roster was to be made in close cooperation with the Lincoln County Health Department and Lincoln County physicians. The Department of Public Welfare, Office of Vocational Rehabilitation, State Children's Service and county school systems also will cooperate. Information sought for each patient includes whether he is employed or attends school, if he can climb stairs and dress himself, whether he receives regular therapy and if he uses a respirator. Information gained will be helpful to all such agencies and organizations.

Mrs. Turner asked that all persons who have ever had polio—whether disabled or not—send their names and addresses directly to Mrs. J. P. Turner, Lincoln County Chapter, National Foundation for Infantile Paralysis, Box 7, Carrizozo, New Mexico.

Half and You'll Live Longer

Physician: "Now, see here. Sam, you'll just have to cut down on your intake of alcohol or else you won't have a red corpuscle left. You know what a red corpuscle is, don't you?"

Tipsey Patient: "I think I'll be on non-commissioned officer."

Man: "How long will I live?" Mabel: "May I come over tonight?" Man: "Sure, Bill, come on over."

Mechanic: "Why, this isn't Bill!" Man: "This isn't Mabel, either. Put what the heck, come on over."

Customer: "Mind if I wear my velvet dress instead of the silk one?"

Boy Friend: "No, darling. I'll love you through thick or thin."

Goat: "Please, please, I implore you. You better look me up. I just hit my wife over the head with a golf club."

Dog Sergeant: "Kill her!"

Goat: "I don't think so. That's why I want you to look me up."

A flight of bombers had rained far and wide over Germany, spreading tons of propaganda leaflets. All planes returned safely to base except one. Hours passed. Night fell. Still no plane. Finally, the engines were heard and as it landed, the operations officer ran out to the plane. "Where have you been?" he yelled.

"I delivered the leaflets, that's all," was the reply.

"How long does it take you to drop leaflets?"

"Drop 'em?" said the pilot. "We were pushing 'em under people's doors."

Volunteer: "Yes. This is the second hand store."

Goofy: "Well, I want one for my watch."

Hotel Page: "Calling Mr. Neid-spondavancil, telegram for Mr. Neid-spondavancil!"

Mr. Neid-spondavancil: "What initials, please?"

BOBBY LACEY

Bobby Lacey To Conduct Revival At Green Tree

Bobby Lacey returns for another revival at First Baptist Church in Green Tree, to run from Aug. 23 through Sept. 1, with the song services to begin nightly at 7:30 p. m. and preaching at about 8 p. m. Pastor Jesse F. Allen has announced. Bobby was here a year ago for a revival meeting at Green Tree. His messages are definitely evangelistic and church centered, say those who heard him last year. He has married since being here last year. His wife will be assisting him in the revival. They are both students of Wayland College, Plainview, Tex. Rowland Hensley, who is entering Wayland this fall, will lead the singing. We urge you to hear these messages and fellowship with the church, where everybody is really somebody and nobody is a stranger," the church leaders have declared. "You have a special invitation to come and join in with the singing at 7:30 each night."

YOUNGSTERS OPERATE PRIVATE CLUB

Mrs. Samuel E. Hyatt is "baby sitting" for her daughter, Mrs. Oscar Davenport, Uvalde, Tex. Mrs. Davenport's son, Mark, 8, is spending several days with Mrs. Hyatt while another daughter, Mrs. Howard Dunson, also of Uvalde, convalesces in the hospital there. Mrs. Dunson had an infant son, born August 13. Mrs. Davenport is attending her sister. Keeping young Mark company is Austin Simpson, 13, of Levelland, Texas. His mother is Mrs. Robert O. Simpson. Mrs. Hyatt's daughter, Mrs. Youngsters built a club house under the Hyatt home and called it "Levelland Lair Club." A sign, "No Girls Allowed," is above the door. Furnishings in the form of a desk blotter, note pads, pencils, rulers, calendars, a yard stick, were contributed by Baker Pharmacy, Santa Rosa, Buckner's, and the Swearingin Insurance Agency. Mrs. Peggy Carter of the Peggy Carter Gift Shop donated a handsome shell plaque containing a thermometer. All items are now honorary members of the club. Dorothy Riley, Huxton, Colo., was a visitor here last week.

T. B. HOOD Southern Group Of State Bankers To Convene Here

Bankers of Southern New Mexico, members of Group One of the New Mexico Bankers' Association, numbering about forty, will convene in Ruidoso Nov. 9, T. B. Hood, executive vice-president of Ruidoso State Bank, announced this week. He and Mrs. Hood attended a conference of Group One bankers in Las Cruces last week-end, at which time Hood was elected vice-chairman for this section. He will be elevated to the chairmanship at the next election. Mrs. W. D. Horton and two sons were returned home from Midland where they had been visiting last week by Dr. Horton. Mr. and Mrs. G. W. Small (he's best known as Uncle George) of Tahoka, Tex., one-time Ruidoso residents, spent a week here visiting friends.
