Capitan News

(By Mrs. Ethel Kestley)

Brill! When I awakened this morning there was a white blanket approximately 8 inches deep over the countryside. Today is Saturday, Jan. 4. This afternoon I called the Block Ranch and they had about four inches of snow. Angus had 4 to 5 inches. A report from Mogal Mesa and Indian Divide had soon have snow depth 4 to 5 inches, and the road on the Divide was very slick.

We people of Capitan were all set for a visit at Christmas from the former Raynette Eddington and her husband, Howard Forrester. They disappointed us, however, coming to Artesia and deciding they had best return to their home in Colorado Springs where both are teaching.

Mr. and Mrs. Clark, Reynette's parents, are in Formosa as yet, having not signed their contract for at least year. They spent Christmas in Hong Kong. We hear they've been homelick for the states—but they've had some interesting trips and experiences, I hear.

Mr. and Mrs. T. A. Lewsen from Stephenville, Tex., are spending a week at the N. E. Britton home at the Block Ranch headquarters. Mr. Britton recently made a trip to Stephenville and the Lewsens returned him to his home Dec. 30. Mrs. Lewsen is Mrs. Britton's sister. The Brittons also have as week-end guests, Mr. and Mrs. Charles Young, Albuquerque.

The Warren Goodens, who are New Year guests the Al Robinsons of Tularosa, Edward and Paul Dale, Long Beach, Calif., were breakfast guests of Mr. W. E. Lair Jan. 1. Mr. and Mrs. Lair are in Capitan, from Thanksgiving to Christmas, visiting their parents. Mrs. Lair is their aunt.

Fred Conder, who spent Christmas with his mother and other relatives at the Air Corps station, Miss. where he is stationed in the Air Corps.

Mike Gaddos was in Capitan recently, calling on friends, among whom was Ma Edmondson. He is employed at White Sands Recreation Grounds. Mrs. Edmondson also had a niece, Mrs. Ruth Fleming, Picacho, as an overnight guest one night last week. Mrs. Edmondson is recovered from her recent flu attack sufficiently to go to the postoffice. Saturday's snow buffeted her, though, I'm amazed she's been out as much as she has.

Dr. and Mrs. H. C. Jernigan and Col. and Mrs. Le. W. Varnes, Ft. Stanton, held open house Jan. 1 in the Jernigan home from 2 to 4:30 p. m. Many guests from both Ft. Stanton and Capitan called. Delightful refreshments were served. Ft. Stanton is being visited by GING as I seemed to have left the impression in my column last week—although he has done a lot of it in the past to help get the water system improvement. I'm so glad to see him. I tried to crow and goofed in my column. Mrs. Dee Hickman and the Rev. and Mrs. Paul Reynolds are recovering from their attacks of flu.

Mrs. C. A. Morris, who works at Stanton, has been ailing and off duty recently. It's hoped she'll be as good as new soon.

Just 20 days from the date of this paper is when the revival effort begins at the local Church of the Nazarene. We are all invited to send no matter if you are a member or not. If you love God, be praying for the meeting. If you are lost and without God, be sure to come to these services. There will be plenty of love for all who come. We might try to see if we can overflow the capacity!

Monroe Reed, long-time ago Capitan resident, who now lives at Clouderoff, was a guest in the Cummins home the last week-end in December.

Miss Sally Mortenson of Pasadena, Calif., was guest in the Lewis Cummins home for a couple of days. She and Ted Cummins, Ft. Stanton, had been ailing and Albuquerque, returned to Pasadena College leaving Jan. 1. The young lady from Albuquerque (name not available) is a fiancee of Joe Don Womack.

Dolly, Ray and "Bonnie" Gavi recently returned from a very

Hal-lowe-en, Thanksgiving, Christmas and New Year's always brings lots of local items—but maybe we'll get bankrupt for news now that the holidays are behind us.

Lee Anderson is ill at home. His wife reports he is very sick.

The Henry Grieger have moved to Ft. Stanton to be nearer his wife in the kitchen here.

The old Gene Johnson house on Second Street is now a good rental property available.

Mr. and Mrs. Jack Aldrich returned from Albuquerque. New Year's Eve after a pleasant visit, Jack was in Ruidoso Saturday.

Joe Otero is all smiles these days because his son, Antonio, was home Christmas from Ft. Lyons, Colo. He has done so well at Lomo that he's asked a 30-day extension of leave and it was granted. It seems home surroundings have done a lot for Antonio. He accompanies his father to work in the forest.

Snow Sunday postponed mass at the Catholic Church.

Floyd Zumwalt, Artesia, was a recent visitor with relatives on Mogal Mesa. He reports his mother is doing very well now, but that a daughter, Glad, roped a calf and was thrown from her horse, breaking the girl's collar bone. She's doing okay now, however.

Warriors Push Winning Streak To Five Straight With Victory Over Two Otero County Cage Teams

By CHARLES PADILLA
The Ruidoso High School basketball quintet started the new year off right by stomping two Otero County teams last Friday and Monday.

In the game Friday the Warriors hit a hot scoring streak to swamp the Cloudcroft Bears by a score of 62 to 33. The Warriors were off to a 23 to 5 lead before the Bruins could quite recover from the first scoring rush. Bob Plor, Rodger Pope and Bill Easley were the main guns in this game by scoring 15, 16, and 8 points respectively.

The Warriors were ahead 23 to 7 at the first quarter, 38 to 17 at the half, and 52 to 25 at the end of the third quarter.

During the last half the War-

rior substitutes played the Cloudcroft five on an even basis. Other Warriors who figured in the scoring were Royce Lackey, Jim Wilson, Benny Paul Jones and Jerry Reynolds.

The Warrior "B" team also won its game by edging the Cloudcroft "B" team 33 to 31. Tommy Graham and Lee Glascock were the main scorers by scoring 10 and 7 points respectively.

Due to the snowstorm and icy highways the Tularosa Wildcats were unable to travel to Ruidoso Saturday and the game was postponed to Monday. Apparently the delay did not help the Wildcats for the Warriors ran off in the third quarter to register their seventh win of the season by a score

Ruidoso Bowlers May Now Compete In ABC Contests

Ruidoso Bowling Association had three representatives present Monday night in Alamogordo for the annual Alamogordo Bowling Association meeting, and through affiliation with the Alamogordo association, all Ruidoso bowlers may now compete, if they wish, in any ABC contests, area-wide, state or national—if they're that hot as pin topplers. Sanctioning of the lanes at Leck's Lanes after installation of new ones has made this possible, Leck Cowden, one of the three who went to Alamogordo, said here Tuesday. The others attending from here were Emil Klemm and Jim McEuen.

New officers were elected for the Alamogordo Association with Harry Rohling president and alternate national representative; Marilyn Musch, vice-president; Ray Liffin, financial-treasurer; J. Tillotson, Gene Rau, Chas. Spere and George Jones, executive committee, and Tony Childers, state representative.

Entries close Jan. 28 on the city tournament being operated

of 51 to 41. The game, which was marked by fouls, was once tied in the third quarter by the Tularosa Wildcats, but then the Warriors started to pour in the points to pull away to a 10 point lead at the beginning of the fourth quarter. Senior Bob Plor and Freshman Benny Paul Jones were the top scorers for the Warriors with 12 points each but the top scorer of the game was T. Montoya of the Wildcats with 14. The score was 19 to 16 at the half.

The Warrior "B" team also won their game by coasting to a 32 to 20 win. Gerald Tully and George McGuire were high point men in the game with six points apiece.

The Warriors now have a season record of 7 won and 2 lost with a winning streak of the last 5 games. The only two losses came at the hands of Carrizozo, once by 12 points and the other time by one point. The Warriors have scored victories over Lake Arthur, Capitan, Hondo, St. Peters, Tularosa twice and Cloudcroft, Toppa (Friday) the Warriors will host the Capitan Tigers with the "B" team on Saturday and Saturday the Warriors will journey to Dexter to take on the tough Demons.

TIGERS SPLIT TWO GAMES DURING HOLIDAYS

Captain's Tigers split two games during the holiday season, winning one last Friday night over Corona's Cardinals 67 to 51 and dropping one before Christmas to Dexter's Demons, 52 to 37. The Dexter game was at Dexter.

In the Dexter match, McKnight with 12 and Herrera and Vance with eight each, were high point men.

Score by quarters was:
Capitan ----- 9 12 7-37
Dexter ----- 6 14 21 12-52

Last Friday in Capitan the Tigers swept through a match with Corona handily, with McKnight top scorer for Capitan with 21. Vance next with 18, Herrera third with 16 and Jones with 8 points. For Corona the point man was Huey, 13; next high was Mulkey, 12, and Eronourie was third high with 11.

Scoring by quarters was:
Capitan ----- 9 19 12 27-67
Dexter ----- 6 14 21 12-52

In B game, Capitan led to both teams. The Dexter B squad won 46-36 and Corona polished off the junior Tiger squad with a top heavy score.

Capitan swamps Hondo
Tuesday night this week, both the A and B Tiger squads stomped Hondo's Eagles with decisive scores. The A squad recovered from a 12-11 lead Hondo held at the end of the first quarter to go out in front and stay there with a 23-10 lead at the half. The squad won 54 to 48. High scorers in the A game were Vance with 24, McKnight 16, and Purcell 7, for Capitan; and Muez with 8 and Sanchez with 9 for Hondo.

through the new combination of town league affiliated in the city association of Alamogordo. Averages must be established by Jan. 17. Bowlers qualifying can enter the state tournament this fall in Albuquerque. Bowlers are given handicaps on their averages, and the Ruidosians are competing with Cloudcroft, Alamogordo, Holloman AFB, High Rolls, La Luz and Tularosa keepers in this interest heightened new competition, which opens the doors to many other communities for bowling contests. Cowden said local bowlers will likely play in Hobbs before long, and that an Alamogordo invasion could be expected shortly on the local lanes.

Around in School

By BARRY SWANSON

Well, RRS is getting back into the swing of things after the holidays. It's hard to clear out those vacation cobwebs but with semester exams coming up everybody is burning the midnight oil to catch up.

The Warriors really look like champs on the court lately, don't they? What with a win over Tularosa before Christmas and Cloudcroft and Tulle since, the fans really have something to cheer about. This week it's Capitan here Friday and Dexter away on Saturday. Lots of luck, guys.

The high school trophy case has another award in it since the holidays. It's the trophy award the band received for participating in the Sun Carnival Parade Jan. 1. The band went to El Paso late Tuesday afternoon and arrived in time to be at the New Year's Eve Ball at the Coliseum. The boys were housed at Ft. Bliss and the girls at a private school in El Paso. Early Wednesday morning a cold bunch of RRS'ers marched in the three mile parade witnessed by many thousands of people plus the viewers of KRLP-TV which showed the entire parade. Money for the trip was raised at the band's "Top Concert" early in December.

Over the holidays two RRS students, Ann Lee Looney and Barry Swanson, spent seven exciting days in El Paso as Ruidoso's representatives to the Sun Carnival. They went to many swanky receptions, dinner-dances and balls. Anna Lee was entertained at the light in Juarez. The final day, Jan. 1, Anna Lee rode the float representing Ruidoso and Barry marched with the RRS band. Then they watched the Drake-Louisville Sun Bowl game. The two seniors both had a wonderful time and

5th-6th Graders Seem Headed For Cage Title

Ruidoso elementary school's Fifth and Sixth Graders basketball team seems headed for the 1957-58 State Alliance crown. In three starts they've racked up three victories—defeating Carrizozo, Hondo and Mesacero. Thursday night this week they were to engage Tularosa here.

The Seventh and Eighth Grade squad has a 363 record—winning one and losing two in the season that opened before the holidays. They have lost to Carrizozo and Hondo, but have beaten Mesacero. The 7th and 8th graders were also to engage Tularosa here Thursday night in the local gym.

Harlem Road Kings To Play At Capitan
Merchants of Capitan will form a basketball team to compete with the famed Harlem Road Kings, nationally famous comic and athletic cage squad in a game to be played in Capitan Sunday afternoon, Jan. 19, in the school gym in Capitan. It has been announced. The contest is sponsored by the high school.

THE QUEST FOR NEW TRAILS

The history of man is a story of progress. Each of its thousands of volumes could bear one common title: *The Quest for New Trails*.

Even in childhood we display this strange genius which has brought us from primal forests to this atomic age. We love to penetrate the untouched spaces... to open trails where none have ever been.

But this quest could destroy us more rapidly than it has profited us. History recounts the fall of many a civilization too busy with its search for new trails to understand its deeper needs.

For man can truly progress only when his spiritual growth keeps pace with his cultural and scientific advancement.

Or, bluntly, the future of this young Arctic explorer and of his world depends on the Church. The truths of God are unchanging—and ever more essential—as we seek new trails into the Unknown.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest force on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church: (1) For the children's sake; (2) For the sake of his community and nation; (3) which needs his moral and spiritual support; (4) to go to church regularly and read your Bible daily.

Gentlemen:
I am writing to you in concern with your weekly newspaper "RUIDOSO NEWS". Before I came into the Navy my folks used to subscribe for it, but then I joined the Navy and I guess they dropped subscription from it. I really don't know how much you may ask for a subscription, but I would want in all respects to subscribe for your wonderful paper.

I would like to know if I could start receiving your weekly paper "Ruidoso News", starting the first Monday of January '58 that is the "7"?

Again I thank you. Hoping to hear from you in the NEWS.
Cordially yours,
Manuel Garcia.

P. S. I want a two year subscription... Merry Christmas and Prosperous New Year for '58.

Just for today I will try to live through this day only, and not tackle my whole life problem at once. I can do something for twelve hours that would appall me if I felt that I had to keep it up for a lifetime.

Just for today I will adjust myself to what is, and not try to adjust everything to my own desires. I will take my "luck" as it comes and fit myself to it.

Mescalero News

By Mrs. E. P. Brunsinger

As a part of the Yule season, a Christmas party was held at the Agency Office for all tribal and government employees on Dec. 18. Names were drawn and the group this year exchanged toys. The toys consisting of child's phonograph records, blocks, clay, balls, puzzles, color and story books, dolls, cars, trucks, cameras, paper dolls, and other toys, were donated to the Kindergarten classes of the Bent-Mescalero school. Refreshments consisting of coffee, punch, cake, cookies, doughnuts, candy and nuts were donated and prepared by the lady employees.

Christmas vacationers were C. O. Talley to California; Pat Wehling to Oklahoma; Wendell Childs to Santa Clara Pueblo, and John Carvers to El Paso. Visitors at Mescalero during Christmas were Mr. and Mrs. Henry Kane and family from Winslow, Ariz.; Miss Adeline Tortilla and Miss Ellen Ann Biggore from Lawrence, Kansas; Miss Adrienne Barden and Richard Barden from Lawrence, Kansas; Ed Cat's two daughters from Tuba City, Ariz.; and students from the Santa Fe and Albuquerque Indian schools.

On the evening of Dec. 30 a dinner meeting was held at the Apache Summit for members of the Mescalero American Legion Post 48. Honor guest at the dinner was Mr. Jesse Campbell, a long time member of this post. Mr. and Mrs. Pete Herrera, Commander of the Tularosa Post, were also guests of the post. A meeting was held

prior to the dinner with a short movie on rebuilding the land after the dinner. Mr. Art Blazer, Commander of this post, had charge of the meeting.

The newly elected members of the Business Committee of the Mescalero Tribe will hold an election meeting on Jan. 11. The President and other officers of the Committee will be elected and installed at this meeting.

The M. G. Preto family, long time residents of Mescalero and owners of the Big Chief Trading Post, moved to Tularosa recently.

Mr. Paul Brusuelas, son-in-law of Mr. Preto, is presently managing the store.

Mr. Marlon Cojo and Miss Gladys Scott were united in marriage at the Mescalero Indian Mission on Jan. 2. The newlyweds are at home in Carrizo District on the reservation.

Through the efforts of the Mescalero Recreation Committee, a television set has been purchased and installed at the Mescalero Community Hall. The TV set will be used in connection with a community night to be held at the hall. Other games, etc. are being planned at present for the entertainment of the community. The first community night will be on Saturday night this week-end. A group of about twenty people enjoyed the TV on New Year's Day.

'SIERRA STRANGER'
STARS HOWARD DUFF
Columbia Pictures' new Western adventure, "Sierra Stranger," with Howard Duff, shows at the Pueblo Theatre Friday and Saturday this week. The new film, the story of a gold-mad town and the man who tamed it, reportedly offers rip-roaring, bullet-splattering action. Lee Sholem directed "Sierra Stranger" from a story and screen play by Richard J. Dorso. David W. Skozicki was executive producer.

HEMINGWAY NOVEL PROVES COLORFUL CINEMASCOPE MOVIE

The Darryl F. Zanuck CinemaScope production of Ernest Hemingway's "The Sun Also Rises" constitutes an exciting, accurate translation of the world-famous author's earliest, and to many, finest book. This is pure, lusty Hemingway, filled with the moody sounds of Texas and the marvellous bold flavor of festivals and bull fights and peopled with the characters around and about whom he has lived and written. The result of this penetrating "Twentieth Century-Fox De Luxe" Color treatment of the novel of "the lost generation" of Anglo-Americans living in Europe after World War I, will show Sunday Paulson, Robert Evans, Eduardo

SIX SECOND SERMON
"It is a good thing to give thanks unto Jehovah, And to sing praises unto thy name, O Most High; To show forth thy loving kindness in the morning, and thy faithfulness every night." (Psalm 122:1-2).

Laff and You'll Live Longer

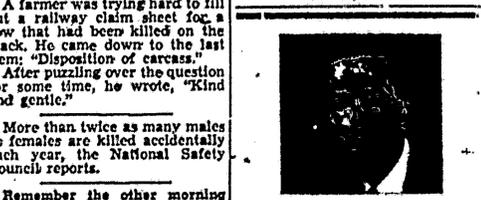

Bob: "Pat your nose is suspiciously rosy this morning. What makes it so red?"
Pat: "Sure 'tis the reflection of me soul, blushing with pride at me ability to mind me own business!"
Little Mike was saying his prayers one night. His mother tiptoed up and heard this: "And please make Tommy stop throwing things at me. By the way, I've mentioned this before."
"Yes sir," said the old man. "I'll be ninety tomorrow, and I haven't an enemy in the world."
"A beautiful thought," said the visitor.
"Yes sir," went on the old man. "I've outlived them all."

FIRE GUTS CABIN
Fire Wednesday evening last week gutted a two-bedroom, rent cabin, unoccupied, and reportedly owned by Fred Van Doren of Roswell. The fire was described by a member of the local volunteer fire department as of "mysterious origin." The house is located on First Street above the postoffice area.
