It is reported the old Hammett homestead near the Capitan Gap is to be converted into a dude ranch by a son, Clifton Hammett and a brother of the late Pearl Hammett, Ernest Dunn, who will promote the project. The property was homesteaded about 1912 and in later years Mrs. Hammett often painted word pictures of what it would someday be.

The Johnnie Werners visiting parents and friends during the July 4th week-end. Mrs. Annie Petree, former Capitan resident, but who is now cooking in Carrizozo hospital, went by train for a vacation to visit a daughter and family in Seattle, Wash. AT STATE FAIR—Arthur Godfrey, the versatile radio and television star of world-wide fame, and his renowned Palomino horse, "Goldie," will headline the 1958 New Mexico State Fair's entertainment show, Leon H. Harms, the fair's secretary-manager, announced officially today. The "ole redhead" recently added personal appearances to his already crowded schedule of performances, "to get out with the folks, and ride my horse," Harms said he was told.

Mrs. Jack Robinson's sister and family, Albuquerque, visited the Robinsons during the July 4th week-end at their ranch. Car trouble seemed to throw some dampers on the wonderful trip Mrs. Edmondson had in the Mogollons. They had to have their vehicle towed 18 miles. They visited the ghost town of Mogollon where only three houses are occupied. Mrs. Edmondson brought to her heart's content, for she enjoys viewing old ghost towns.

"We had a wonderful time on a fishing trip July 4th." He and wife joined their family on Big Bear Lake, 100 miles from Pasadena for an overnight stay and a day's fishing. A later letter tells of plans to come to Capitan to visit home folks, probably in August. A successful Girls' Camp was held at Angus last week, with 149 girls, aged 9 to 18, enrolled. The week before a mixed group from Roswell, numbering about 300 was on hand. The Rev. Harold Nicolson, Nazarene First Church pastor of El Paso, was speaker last week. Studies and activities followed the usual pattern of handicrafts, first aid classes, card and secular music, etc. The wife of the Capitan pastor, Rev. Kuykendall, served as counsellor for four girls from Capitan and one who lives near Angus, and they won camp championship!

**Fields white to harvest**

**THE CHURCH FOR ALL**  
ALL FOR THE CHURCH

The Church is the greatest factor in each for the building of character and good citizenship. It is a backbone of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend church regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Jesus had that piercing perception of spiritual opportunity!

Others saw teeming cities and quiet villages. He saw fields white to harvest. People were not simply people—they were souls to be brought to God.

It is a mistake to think of our churches as institutions. It is inaccurate to measure their strength by the size of buildings, or the number of members on the roll.

The strength of any church is its outreach. Constantly it seeks to win souls. And as it wins them, it enriches lives! It inspires men and women, boys and girls, with the same intense eagerness to win still others to the Christian faith.

The fields are white to harvest... with souls like yours and mine!

### Crippled Children's Camp Here Needs Additional Registrations

Joe Coe, president of the Ruidoso Chamber of Commerce, and past president of the Lions Club here when that organization undertook the local sponsorship of assistance to the first New Mexico Society for Crippled Children and Adults first camp for crippled youngsters two years ago, said the 1933 camp, the third annual one, was coming beginning for registration.

The New Mexico Society, proud of the reception of the idea of a crippled children's camp the first two years here, planned for the 1933 season to sponsor two camps, the usual one in Ruidoso at Carizo Lodge for children of the southern part of the state, and another in the northern part.

Registration blanks, blanks for doctor's examinations of the children and other information have been sent to county chairmen in each of the state's counties where the organization has representatives to stage the annual Easter Festival—the means of financing the society's work in the state.

Coe said he had a letter last week from the society's headquarters in Albuquerque declaring only 10 registrations have been received so far for 1933 and plans were for taking care of 100 children with the divided camps.

Coe said he would like the camp publicized and an effort made to spread the word in southern New Mexico that crippled children would be welcomed. The Lions

### Real Estate Dealers Report Several Sales

Three real estate firms here have reported the following recent sales:

The Warren Barrett Agency Club membership in Ruidoso aids in providing some of the things needed for the camp's operation. Mr. and Mrs. Herb Gregerson, operators of Carizo Lodge, provide facilities of their place at cost to the colony.

Coe said the camps the first two years provided recreation for crippled children, numbering about 80 each year. Besides his aid through the Lions Club, Coe has served as the county finance chairman for the Easter Seal drive for several years.

He said any parent interested in the camp should contact their county's N. M. Society for Crippled Children and Adults, or they could write the society's state office in Albuquerque for information. The camp will begin the last week in July and runs into early August. A doctor is always available for the children at camp, and there is ample supervision for the youngsters. In camp, the crippled children give their parents a vacation, too, from the responsibility of their care. Coe pointed out, stressing that parents and child each share in the holiday.
