B. & P. W. Club Nets \$150 Profit On Hawaiian Dance

"A Night in Hawaii," with transportation furnished by the Ruidoso Business and Professional Women's Club last Saturday at Martin's Dine and Dance here was a huge success.

Music for the dance was furnished by Ruidoso's own orchestra, The Mellotones, consisting of Carmon Phillips, LeRoy Gooch and Mrs. Nannie Lou Dodson with a surprise appearance of Jack DiPaolo on the trumpet.

Two hundred people enjoyed the dance, and the club realized over \$150 profit from it. The brilliant colored leis worn by all the dancers, with palm tree and Japanese lantern decorations together with the colorful costumes of the club members who arranged the event gave an atmosphere of the island and created a wonderful background for this delightful affair. The floor show which was in keeping with the Hawaiian theme, consisted of dances by Rose-line Norris of Holloman Air Force Base and Mrs. Duncan Campbell of Alamogordo in beautiful costumes of the islands; a song and dance by Maston and Charlie DeBaun of Ruidoso, formerly of Honolulu, and several toe and ballet numbers by Miss Judy Canfield, daughter of Dr. and Mrs. James Beall of Ruidoso.

The Merry Oldsters depicting the end of the show consisted of Jack DiPaolo and Mary Gloche, beachcombers, and Jack Wilson, engine and the four wheels were Carl and Dink Janzen, Fred Graszwell and Charlie Martin.

Two hundred people reported they had a wonderful time and the club is very well pleased with it all, its officers declared.

FIRST DISTRICT HOME TILTS FOR WARRIORS SCHEDULED HERE THIS WEEK-END

First district home games for the Ruidoso Warriors will be played here Friday and Saturday nights this week at the local gym when they meet the strong St. Peters Crusaders tonight and the Carrizozo Grizzlies tomorrow night. Games Friday night will be between the Freshmen teams of the two schools followed by the Varsity game Saturday games will match the A and B teams of Ruidoso and Carrizozo. First games begin at 8:30.

The Warriors jumped into the win column in a big way last week-end as they won three out of four. At Lake Arthur the A team took a close one 36 to 34 but the Freshmen Warriors just an equally close contest 20-22.

In Cloudcroft Saturday night the Warriors jumped into a big first half lead 31-10 and were never headed. Final score was 54-31. Sophomore center Benny Jones of Ruidoso led the scoring with 18, followed by team-mate Royce Lackey and Cloudcroft's Dockray with 13.

Next week on Thursday, Friday and Saturday nights the Warriors will participate in the annual round-robin with Hondo, Capitan and Carrizozo. All games will be in the Carrizozo gym. At the time this article was written the exact schedule had not been received, however, there will be two games each night between the four teams, and each team will play each of the other three during the round-robin.

Lackey, Easley On First, Second All-State Teams

Central of Kirland, the Class C football state champions, placed five men on the conference's all-state high school football team announced by The Associated Press.

Top vote-getter in the balloting by coaches and sports writers throughout the state was Menaul's Larry Trujillo, a back who paced the Panthers to a 9-1 season record and the Dist. 3-C title.

Named to the squad from Central were ends Bye Beckstead and Rodney Harris, center Roy Flack and backs Sam Smouse and Rodger Pool.

A 12-man team was announced when three tackles ended in a tie. They are Ronnie Greenwood of Bloomfield, Wilbert Lope of Navajo Mission and Clifford Ortiz of Menaul. Ortiz was the only non-senior selected. He is a junior.

The only repeater from last year's all-state team is Ruidoso's standout guard, Royce Lackey. His teammate, center Billy Easley who was named to the mythical team last year, slipped to the second team.

On the second team from this area were Carlos Otero, a tackle from Corona, Bill Easley, center, Ruidoso, and Carol Jones, a back from Capitan.

In honorable mention, there area players were picked Bob McCrady, Hondo, an end; Eloy Sedillo, a tackle from Capitan; Bill Terry, a tackle from Corona; Luis Sandoval, a tackle from Carrizozo; Joe Lee Smith, a guard from Capitan; Red Strman, a back from Ruidoso; Lee Mulkey,

By FREDDA PERRY

Hi! Except for two exciting basketball games, things around school have been rather quiet. Last Wednesday night the Carrizozo Grizzlies defeated the Eagles by a topsy-turvy score of 73 to 58. James Sanchez was high point man with 21 points. And then Saturday, Nov. 29, the Eagles gave the Dexter Demons a rough time until the final quarter and lost by a score of 70 to 52. James Sanchez again led the Eagles Saturday night with 17 points. This week-end Dec. 5th and 6th, the Eagles travel to Lake Arthur and Capitan. LET'S WIN, EAGLES!

The "B" squad lost to Carrizozo by a breathtaking score of 38 to 36. They offset the defeat Saturday by beating Dexter in a thrilling game with a score of 50 to 49. Ray Torrez led the Eagles against Zozo with a total of 12 points. High point man against the Dexter Demons was John Blea with 22 points.

The San Patricio and Hondo students enjoyed a delicious Thanksgiving dinner in the Hondo Grade School Cafeteria last Wednesday, Nov. 26. The cooks, Mrs. Mary Polanco, Mrs. Max Sanchez, Mrs. Jimmie Herrera, Mrs. Aristo Chavez, Mrs. Grace Gomez and Mrs. Frank Titusworth served over three hundred persons. The menu consisted of turkey, dressing, potatoes, green beans, cranberry sauce, hot rolls, oranges, ice cream and milk.

Before lunch a short program was presented by the 10 and 5th grades of San Patricio in the high school gym, and afterwards the Hondo and San Patricio grade school teams played two basketball games in which Hondo won both games.

Ermen Gray, an eminent musician and performer, appeared in the Hondo High Gym last Tuesday, Dec. 2. Mr. Gray and his wife have appeared on many TV shows throughout the country, and are well known for many of their different types of musicals.

(Left Out Last Week) Hi everybody! Well, believe it or not six-weeks exams are over once a back from Carrizozo.

Lackey was just one of two boys from the southern half of the state making the first team. The other player was from Tatum, Benny Hoyle, a back.

Bear Weighing 550 Pounds Bagged on Bonito

On display here over the week-end was a 550-pound brown bear, killed late Friday by a hunting party headed by T-Bone Moore, noted Ruidoso and Odessa sportsman. Moore said credit for bagging the extra large bruin went to a pack of dogs owned by Marvin W. Jones of Capitan. The bear was one of three large ones seen in Bear Canyon above Bonito Lake last week-end by the party. He was chased into another canyon, lying east of Bear Canyon, into the South Fork of the Bonito Creek where he was slain, Moore said. In the party were Tony Frank, Jones and Arvel Runnels, and T-Bone's son, Roland. T-Bone said he planned to make a bear rug of the hide. Old-timers living on the Bonito said it was without doubt the largest bear they had ever seen in that region. (Further details on the hunt are in the Angus and Bonito news column this week.)

CAPTAIN DROPS FT. SUMNER TILT

Outstanding players for Capitan were Jimmy Kerr, who scored a good portion of the Tigers' points, followed by Johnny Lockhart who lopped in a dozen or so. Billy Huey proved outstanding as forward for the Capitan crew.

Billy Huey proved outstanding as forward for the Capitan crew.

Sun Bowl Ducats, El Paso Trip To Be Awarded

For those who get their paper on Thursday, the Ruidoso Quarterback Club will meet that night 30 minutes earlier than usual in order that members may attend the Band concert later. Meeting time is at 7 o'clock. Big order of business for the Club is the drawing for the all-expense paid trip to the Sun Bowl game in El Paso. Winning member will receive two mid-field seats to the Wyoming-Hardin Simmons game, room for two nights at El Paso's swank Hotel Cortez, and allowance for mileage and meals.

As a special Christmas gift drawing the Quarterback Club is offering two 21-jewel watches. One dollar donations will be accepted at the basketball games Friday and Saturday nights, where the watches will be on display. Valued at \$85 each, there is one for a man and lady. Tickets are also available at Ruidoso Food Mart, where Billy Tucker is general chairman of this project. Drawing will be held at the Gym Dec. 19 when the Warriors play the Tularosa Wildcats.

Hi—again. Here it is the week-end and seems like it should be Wednesday as last Friday was Monday to me and to many more who had Thursday off. Everybody I have talked to said they had a very nice Thanksgiving. Only one thing—they like yours truly, ate too much turkey and trimmings and can well do without until say—Christmas!

Tommy was a most welcome arrival in the Geithart home, when he woke up his parents, Vernon and Frances, last Wednesday morning. He had written he would be unable to have a Christmas leave from the Navy but got a week off and a ride to Socorro and another on over to Capitan. He and Frances made a trip to Roswell Friday last week where he visited friends, Vernon and Frances, will take him to Socorro Monday where he will get a ride back to his base in California. Welcoming Tommy was wonderful to me for I shall welcome my own son in about ten days at Fort Bliss where

he is being transferred from Fort Chaffee, Ark. He stated in a phone call Thanksgiving morning he would be in Fort Bliss to further his training in radar for about six weeks and from there he didn't know, but as of now, he will be home sometime during the Christmas holidays.

Mrs. Margaret Ann Anderson will return to her home in San Francisco either Sunday or Tuesday, whichever day she can make best connections by train. Her mother and father, Don and Grace Murphy are sorry to see her go but will have really enjoyed her visit with them. I had never had the pleasure of meeting Margaret Ann before but she is a Murphy and a gal with personality plus.

Mrs. Blanche Randle, Mike and Jan spent Thanksgiving in Artesia with Paul and other relatives. A wonderful time was had by all and as Jan said when I asked her what did she do "Oh, just lots of good things." Bill, the fustler, had his turkey dinner with the Virgil Halls.

Johnny Soderback entered the Veterans' hospital in Albuquerque last Tuesday and from the unquoted reports his condition isn't good.

Mr. and Mrs. Fred Pfingsten had as their guests over Thanksgiving holidays, her niece and husband, Mr. and Mrs. Malcolm W. Richard from Farmington. Mrs. Richard is the for-

mer Carolyn Nichles who went to school here in Capitan some eight years ago. Also visiting Leota and Peg were Ralph Vance and a couple of his buddies from A. & M. College at Las Cruces. Ralph and the boys were not given the "hazing" because of football but as soon as football was over, well—did you notice they were wearing the cutest little hats, could have been if they had taken them off their heads might have been a little cool.

Mr. and Mrs. Elmer Ham left Monday for La Mesa, Tex., where they will visit with Mrs. Ed Baker. Mrs. Baker's former home was Capitan and Ruidoso where she was telephone operator. While in the vicinity of El Paso, Mr. and Mrs. Ham will do some Christmas shopping.

Mr. and Mrs. Frank Titworth's home was the scene for a gathering of relatives and friends at Thanksgiving. Those gathered there so well contented, well filled, and happy to see so many old friends and come home with many beautiful gifts. Rumor has it that in about two weeks she will be driving a new car, red and cream colored Pontiac.

Joe Rensch and Vernon Greihart from Capitan and Jim Dodson from Carrizozo motored to Santa Fe on business Sunday.

Unfortunately I did not get to attend the Community Thanksgiving dinner served in the high school gym last Wednesday night but from all reports I have had was a huge success. The school teachers were on the serving end of the dinner and all who attended had all they could eat and then some. In my conception the P-TA should have a big bouquet of red roses for their part in the community dinner and one to Bill Hall, also, as he is the instigator of the community dinner. I doff my hat and bow my head and give thanks for the wonderful people we have in this village of Capitan. Can't beat 'em, Best yet.

Many friends of Don and Grace Murphy visited them Sunday afternoon, and were quite happy to see Don up and about so soon and even driving the car. Among the visitors were Frank Boyce, formerly of Carrizozo now residing in Alamogordo, Senator and Mrs. Moore from Carrizozo, Melvin Roberts of Carrizozo, and Ross Flatley of Capitan.

Johnny and Ethelyn Werner were in Capitan for the week-end. Johnny's parents, the Travis Werners. It was a long week-end for Ethelyn as she had just returned from Trent, Texas, where she played the piano for Odell Hickman's wedding.

The Milton Jones spent the Thanksgiving holidays with the Honeycutts. Mrs. Honeycutt is the former Christine Jones. The holidays also served as a family reunion for the Jones.

Mr. and Mrs. Dee Hickman motored to Trent last Friday for the church wedding of their son, Odell, to Shirley Carter of Trent. After a honeymoon in Houston they will be at home in Roswell.

The Smokey Bear dance was a huge success last Saturday night. In fact such a success that everybody danced until 3:30 a. m. and wanted more so the Dougherty Brothers said they would be back Dec. 13 and play for another dance. It will also be held in the American Legion hall. The Smokey Bear building fund was richer by some \$30 from the dance, coffee and sandwiches sold. This is an appeal for help. They need men to help finish building the museum.

Angus & Bonito
 By EULA CORDER

The big bear hunt up above Bonito Lake paid off Friday when the party that was hunting with Marvin Jones and his dogs got a huge brown bear. The boys had been hunting for three days and had seen several of these big bears but they would get away before the kill could be made.

The boys brought this beautiful bear by the store Saturday night to show it to us. They had worked all day Saturday getting the bear out. It was estimated the bear weighed 500 or more pounds. We never realize anything as huge and majestic as this bear was up the canyon. And they saw several more as big as this one. A beautiful rug T-Bone Moore will have. The ones in the party besides Marvin Jones and his bear dogs were T-Bone Moore and son from Socorro, Arvel Runnels and son Robert, Bonito City, and during part of the hunt J. D. Faulkner, Bonito Dam, and Virgil Hall of Capitan. Mr. Tony Franks of Ruidoso helped the boys get the big bear out Saturday. It proved to be some task to get the bear out of the high country. One of Arvel Runnels' mules was used to

bring him down. At one time the mule and bear rolled down a canyon but the mule was not hurt so after much struggling, moaning and growling the huge brute was loaded back on the game little mule and he brought him on down where he could be loaded in the pick-up. And that was a pick-up full of bear.

Mr. and Mrs. Bernie Hayes, their children, Sharon, Kent and Sandra, spent the Thanksgiving holidays in Lovington with Bernie's parents, Mr. and Mrs. W. M. Hayes.

Mr. and Mrs. Jimmie Stikes and daughter, Cherry Lyn, of El Paso, spent Thanksgiving with Mrs. Stikes' parents, Mr. and Mrs. Collins Walker.

Mr. Joe Meek of El Paso, is spending a few days with the Ira Youngs.

Mr. and Mrs. Beecher Martin and children of Lovington spent Thanksgiving holidays at their ranch north of Capitan. On Friday Beecher branded some heifers and Charles Corder helped him. Saturday the Martins visited with the Corders.

Monday Mr. and Mrs. Ira Young and daughter, Wilma, spent the day in El Paso.

There isn't much news in the mountains now that the different hunting seasons are over. Thanksgiving behind us and the Christmas holidays in the near future. The beautiful weather is still holding in the mountains, clear and cold.

Mr. and Mrs. Arvel Runnels, Robert, Bernay and Mary Lou had Thanksgiving dinner with the J. D. Faulkners at Bonito Lake.

The BEST gas is Chevron. A tankful on cold mornings will prove it. Our price is only 34 1/2¢ for regular, 38 1/2¢ for white, and you get Front Street station. Clayton Bennett's west at the Y on Hwy 70.

THE CHURCH FOR ALL ALL FOR THE CHURCH
 The Church in Our greatest need is to seek for the best of character and good character. It is a weakness of special values. Without a strong Church, neither character nor education can survive. There are four main reasons why every person should attend services regularly and support the Church. They are: (1) For the soul sake. (2) For the children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

"Three little kittens lost their mittens..."
 Bobby is thoroughly absorbed in the antics of the kittens. He will be pleased to discover that at the end of the story they find their mittens again. Like all children, he wants his stories to have happy endings.

But soon Bobby is going to find out that life's stories don't all have happy endings. Bobby is growing up, out of the land of fairy tales and into the world of reality. Bobby must learn to meet sorrow with understanding, pain with courage, prosperity with thankfulness, defeat with hope, success with humility—he must learn to face life.

The Church School is waiting with open doors for Bobby, your Bobby. The Church School is prepared to show your children the best ways to make life a success. The Church School is ready to teach your children—in the language of children—the eternal truths of life.

The Warriors A hit the win streak this past week-end by bringing home victories in the Lake Arthur and Cloudercroft games. They beat the Lake Arthur Panthers by a close margin of 36-34. However, they really scalped the Cloudercroft Bears with a score of 54-31. The Ruidoso Freshmen team lost to the Lake Arthur B last Friday night. They will be Cloudercroft B won over the Cloudercroft B 31-23. Congratulations to all three teams for their fine work and sportsmanship!!! We surely would like to see a lot more of the students and townspeople at the games this week-end and for the rest of the season too. Tully, Watson, Berner, Paul Jones have been selected co-captains. Congratulations.

Royce Lackey, high school senior, has been selected for his fourth year on the Associated Press Class C football team. His position was guard. Bill Easley made the second team and Reed Strman received honorable mention. Nice going Seniors!!

School and organization pictures were taken last Tuesday for school and annual purposes. Pictures will be placed later for sale to the students who wish to buy them. This project was sponsored by the Student Council.

See you at the Gym Friday night for the St. Peter's game and Saturday night when the Warriors play 'Zona' here. Remember, first games each night are at 6:30.

Smoke Signals
 By DEL BARTON

Even a poor swimmer in the sea of life gets farther than the fellow who says "I can't swim" and then waits for someone else to hold him up.

PROGRESS
 I read in all the papers how we are going to try
 Mighty soon to grab the moon—or know the reason why.
 I hear it on the radio as well as on TV.
 How we'll take Mars and make it ours and throw away the key.
 We need another planet to expand our human race—?
 To increase and live in peace (?) out there in outer space.
 All this sounds real exciting, a most intellectual plot—
 But what's to be done with the only one that we've already got?

If people didn't gossip about others it would be a very silent world.
 There is nothing in this world that can cause us as much sorrow as not getting our own way.

TIME
 Sixty little seconds,
 Going by in haste,
 One short little minute!
 Not a lot to waste.
 Sixty tiny seconds of time
 Makes only one small minute.
 Not time enough to put to use?
 Eternity lies in it.

According to The World Book Encyclopedia's research department, the average American eats about six pounds of turkey a year. Sixty per cent is eaten at Thanksgiving and Christmas. You're proving the statistics if you eat one and four-fifths pounds of meat at Thanksgiving and the same amount at Christmas.

During the Mexican colonial days of New Mexico, 1522-1546, courting customs were extremely formal. If a young man wished to marry a young lady, he so informed his father, who thereupon would write to the girl's father, asking the hand of his daughter in marriage for his son. It usually took thirty days to get an answer.

We are glad to have Hoyt Graham back after his illness.
First Grade—Mrs. Barton
 Most of the class reported a very nice Thanksgiving.

We are getting our room ready for Christmas, and we are learning some Christmas songs.
 Our class wishes to thank Mr. Bernie Hayes of the Hayes Plumbing Co. for the pencils he sent us. Each child in the room has a pencil. We put our names on them.
 Teresa Ratliff is absent; she has a sore throat.
 Our teacher says we are getting better in all our work. We learn more words each week, and our writing and number work is improving.

Letter to the Editor

Dear Sir:
 We are stopping our vacation on the Gulf of Mexico. The fishing is fine all the big ones did not get away. Mr. Mark has caught more than enough for us to eat. It is fun to watch the big ships come and go, you wonder what far away places they are bound for one had Liver-poo, England, printed on it. We would like for you to mail our paper to us here at Port Aransas, Texas, c/o Rock Cottages, box 54 I met a lady that has known my sister in Amarillo for 20 years, small world after all.
 We are enjoying the warm Gulf breezes, but we will be happy to come back to our lovely mountains, and enjoy being near our friends after our vacation is over.
 Thanking you for sending our "Ruidoso News" to us here at Port Aransas instead of Ruidoso, Downs Sincerely,
 Mack and Helen Parr
