Around Town

—By Nosey Waters—

J. L. Merritt, rancher at Yeso, Lincoln County, exhibited the reserve champion territory one-half blood winner in the recent International Livestock Exposition Wool Show in Chicago. . . . Political winds blowing over here from Carrizoso, and circling around other parts of the county, leave these rumors: J. F. Bobo, Ruidoso village marshal, might run for sheriff on the Demo ticket; Abe Sanchez, Demo, might again toss his hat in the ring; Bill Shrecengost, Hondo, may run for state representative on the GOP ticket, and of course Glen Bradley will be out for State Senator on the GOP side of the ballot; Herman Keil, Carrizoso, may seek the Demo nomination for State Senator; Fred Richardson of Ruidoso says he won't run for State Senator as he once thought; K. Ortiz, Carrizoso, is reported a likely candidate for state representative on the Demo ticket, while these people are mentioned as possible county commissioner candidates: Charlie Jones, Demo, Ewing Carter, Demo, Johnson Stearns, Demo. It's a pretty good cinch Lewis Cummins will be up for re-election for county treasurer on the Demo ticket. . . .

★ ★ ★

More political rumors: Contrariwise to the report above about Bradley, it seems he's also being mentioned as a candidate for sheriff, and that the present sheriff, S. M. Ortiz, may run for State Senator; and we hear J. Emmett Reese may run for the legislature on the Demo ticket; and now, Fred Richardson may have changed his mind about the Senate race. . . . The terrific snow storm that swamped mid-New Mexico last Tuesday automatically cancelled the big G. O. P. doings here at Navajo Lodge. It may be scheduled here again in early 1960, H. H. Shier, county G. O. P. chairman, said. . . . The county Demo central committee probably will get together for a session about the second week in January, we hear. . . .

Note from Nora B. Pistole of Hollywood: "Finding it necessary to close the chapter of life by selling the Artesia property—in its place I now own an adobe hacienda about one mile west (or this side) of Louise Maney's shop. Please know I shall enjoy having my friends stop at the turquoise cottage. I still own my mountain home next door to a fine neighbor, Pat Valliant." . . .

A notice here says Carmon Phillips has the group pictures of the Ruidoso Masons taken at the dispensation of their new lodge here recently. . . . An internationally famous person has contributed $750 to our hospital for its new wing. We won't embarrass him by naming him, but he's a native New Mexican and he's as well known in Europe as he is in the U. S. . . . Haven't had a chance yet to check this but we hear J. A. Crockett of Roswell, brother-in-law of Fritz Christian, has bought the S. W. Stout building in Ruidoso Downs, and he may install an appliance store there. Meanwhile, the Elks Lodge has had to move out of there for its meetings and is now convening at Whipple's here in Ruidoso. . . .

Mrs. Molder at Ruidoso Downs Mercantile has been showing friends a beautiful and interesting Christmas card she received from Peru. . . . We hear that Miss Jester, who works with her in-laws at Jack's Waffle Shop and Cafe on U. S. Highway 70 is a very talented vocalist. . . . A couple of game officers recovered two transistor radios for a local store almost before the store personnel knew they were missing. Sgt. Bill Kruse of the State Police called attention to a clerk in Buckner's, Inc., that a transistor radio he had been looking at only a few minutes before turned up missing before he left the store. The village police were called and Marshal J. P. Bobo spotted and apprehended a suspect within a few minutes, searched the suspect and found TWO, not one, radios valued at almost $90 each! Just a warning to storekeepers—there are shoplifters [illegible]—doing their Christmas shopping late, it seems. . . . The Lamb family, for the second year, has decided not to send Christmas cards, instead using that money to contribute to a worthy cause. They suggest to some of you why you didn't get a Christmas card from us. . . .

Radio Station KYAP asks us to report it will be on the air throughout the night on both Christmas Eve and Christmas Day. . . . A very informative 8-page Church Report, [illegible] Church, the pictures of the [illegible] family—the Rev. C. Edward Ditterline and wife and children; a history of the Community Methodist Church; a financial statement to date and a projected view of what the church needs to do in the next few months to care for growth in the area, was mailed to some 500 persons last week-end here. Rev. Ditterline, Church Treasurer Robert Pearson and others prepared the report, and it was printed in the Ruidoso News plant. . . .

Names Of Three Area Landmarks Changed To Honor Smokey Bear

Names of three landmarks on the Lincoln National Forest are being changed in honor of Smokey the Bear—to commemorate his rescue as a small burned cub from a 14,000-acre forest fire there in May of 1950, the U. S. Forest Service announced today. The mother-less little bear, who is now recognized and accepted as the international symbol of forest fire prevention, recovered from his burns and today resides in the National Zoo in Washington, D. C. He has grown into a big, husky cinnamon-colored 10-year-old — full grown for a bear—and is visited by hundreds of thousands of fans each year. The fire which destroyed his home was started by a careless smoker who flipped a match or a cigarette into the dry woods along the road going through Capitan Pass. The smoke was first discovered from the Block Lookout. This blaze took place on the Capitan Ranger District of Lincoln National Forest above the town of Capitan, New Mexico.

The following name changes are being made: Capitan Ranger District, with its Ranger Station in Capitan, will henceforth be the Smokey Bear Ranger District and Station. Block Lookout will become Smokey Bear Lookout; and Capitan Pass, which is locally often called Capitan Gap, is being changed to Smokey Bear Gap.

Since the adoption of Smokey Bear as a symbol and the launching of the nationwide Cooperative Forest Fire Program by the Forest Service, State Foresters and The Advertising Council, the number of man-caused forest fires and acreage burned has been drastically cut. However, there are still too many millions of acres of valuable timber and watershed lands being damaged by fire each year because of human carelessness or indifference. With an ever-increasing number of recreationists going into our National Forests year by year every forest user must be extra careful with every fire.

Purchase Store was the lucky winner of the transistor radio given away by the Phi Chapter of Beta Sigma Phi at a drawing Monday at Radio Station KYAP. Mrs. Carmen Phillips, Ways and Means chairman, did not have a final figure on what was netted on this project because all the members had not reported in yet. She said thanks to all who helped make the event such a success. . . .

The custom is growing throughout the nation among Christian families to place a birthday cake on their dining table on Christmas Day with a candle, to remind them that Christmas Day is Christ's birthday—a very fitting and wonderful idea in keeping—and focusing attention on—the real meaning of the day. May the glow from such candles touch the heart of each of you who read our weekly paper—that is the wish of all of us here who produce the News. (Personally and aside to the crew of the News, from the Editor and wife: We think you've done a magnificent job this year for us in producing this paper—you deserve a lot more credit for what is published than the average reader realizes. We want credit to go where credit is due—certainly in this instance so true.—V. and J.)

OPEN LETTER TO SANTA CLAUS!

Dear Santa Claus:

It has been a long time since I have written to you.

I have now moved from the old home on Happy Street to a house of loneliness and doubt which stands at the end of disillusion avenue.

All the glorious bright little baubles that I had in years gone by are now either broken or tarnished and tear-stained.

Please bring me a few of those toys that I once had, the string bubbles of joy, the tinkling bells of cheer that ring in my voice; the candles of faith that shone in my eyes, the frankincense and myrrh of steadfast hope that strengthened my soul and the lodestar of Universal love that gleamed in my heart.

In the years past I realize I did not appreciate those priceless treasures or care for them as I should have. But now I repent my carelessness and humbly ask you to remember me with another supply this Christmas. I will hang my empty heart right by the chimney, Santa and please this is what I want:

Give me a large basket of forgetfulness with which to cover up all loneliness and empty brooding, a large box of forgiveness for those who robbed me of laughter and filled my eyes with tears; leave me enough of element of hope to mend the shattered fragments of joy, tuck in a little song of cheer; and please Santa, leave quite a lot of plain old fashioned faith, understanding, unselfishness and tolerance that I can share freely with friends and neighbors.

Clydia Britt Maryfield.

NEW HOLIDAY BOWL OPENED LAST WEEK-END

The most magnificent recreational facility ever offered in Ruidoso—the new Holiday Bowl—owned and operated by the Jones Construction Co., opened here last Saturday night.

The new 12-lane, fully automatic bowling center offers the very latest in bowling facilities, along with a modern luncheon service, to be operated by Harry Whipple.

Crowds stormed the new recreation center last week-end and early this week to try out the swank new center, which features the use of lots of glass, asphalt tile, aluminum trim and other gleaming fixtures. There is a public address system over which announcements can be made, or on which music can be played. The building housing the Holiday Bowl measures 74x140 feet in size. Stancell Jones, local resident of the Jones Construction business, said he and his brother, G. A., who came over from Lamesa for the opening, were more than pleased with the reception already given the enterprise.

Sandwiches, short orders, complete luncheons, and meals to be eaten at the lunch counter or taken out, are handled by the Whipples.

The lanes are outfitted with AMF Automatic Pinspotters. Product of American Machine & Foundry Company, makers of high speed, precision equipment for industry and the Armed Forces, the Pinspotter employs electrical and mechanical principles and electronics to perform automatically all pit services previously done by hand in the game of ten pin bowling. Only parts of the equipment ever seen by the bowler are the sweeper bar in its task of clearing deadwood from the alley, and the spotting table (when it descends to pick up standing pins to permit the sweeper to carry out its work, or descends to spot a new set of pins).

Shielding the machine from the bowler's view is the Pinvisor screen inset with AMF's "Magic Triangle" Pindicator. The Pindicator lights up to indicate a strike, first and second ball, a foul and pins left standing.

Construction Starts On New Station In Gateway

Construction began Monday here on a new service station for El Paso Natural Gas Co., to feature El Paso gasoline and petroleum products, on a Y-shaped lot west of the John W. Thompson residence on Main Road in Palmer Gateway.

Contractors for the job are Nick and Jack DiPaolo, who said it would be completed in time for opening about April 1.

Two other new service stations are prepared for construction in that region this winter, including remodeling of the former McKinney Oil Co. place for Humble, and a new Texaco, or Conoco station.

AUTOMATIC LAUNDRY IN RE-OPENING IN NEW QUARTERS

Bill Tadlock has announced reopening of his Gateway automatic laundry in what was formerly the Gateway Cleaners building in Palmer Gateway. Tadlock purchased the cleaning equipment of Gateway Cleaners and the dry cleaning portion of the business will be operated under lease to Mr. and Mrs. T. J. Short, who both have many years experience in this business, Tadlock said. They have owned and operated shops in various locations.

Mrs. S. B. Boykin is remaining as an employee of the automatic laundry, Tadlock said.

The laundry has been enlarged to more than 30 washers and eight dryers and will be enlarged still more next spring, Tadlock said. The general facilities of the firm have been expanded with convenience of the customer in mind, he declared. He is making plans to open a second location in the spring, also, he indicated.

Press Is Honored, Scout Leaders Speak At Elks Dinner

As is an annual custom of Elks Lodges throughout the nation, the press and other media of communications were honored in a special supper meeting Friday evening last week with the Ruidoso B. P. O. E. Lodge No. 2096 playing host.

Special guests from the Ruidoso News were Vic Lamb, Mr. and Mrs. C. W. Miller and Harry Eckert.

Special guests from the Lincoln County News, Carrizozo, were Mr. and Mrs. Paul Baker and Mr. and Mrs. Harkey.

Special guests from Radio Station KYAP, Ruidoso, were Jim Doggett, Pat O'Day and Mr. and Mrs. George Crawford.

After their introduction by Exalted Ruler J. P. Smith, the program was turned over to Frank Barajas, local Explorer Scout sponsor from the Elks, who in turn presented three Boy Scout officials from the Rio-Hondo District and the Conquistador Council in Roswell. In turn, the three men stressed the need for adult leadership for a live Scouting program in Lincoln County. A chart they presented showed that at one time, not many months ago, there were once 11 Boy Scout Troops, Cub Scout Packs and Explorer Scout Posts actively meeting—and that now there are only four.

The charts further showed that there are 775 boys in the communities of Hondo, Capitan, Ruidoso and Carrizozo that are at the right age to fit in the three categories of Cubbing, Scouting and Explorers. Only 21 men are needed, about four or five from each of the four communities, to implement an aggressive Scouting program to reach this number of boys, the men declared.

The speakers were Tom Cochran, Scout Executive; Tex McCoy, Assistant Scout Executive and George Miller, Rio-Hondo District Executive.

Heaping platts of a menu consisting of big game meat dishes, ranch style beans, salad, pickles, olives, onions and all the other trimmings, were served to about 90 people. The affair was held in the Whipple's Drive-In Restaurant in Palmer Gateway.

Bud White, of the entertainment committee, said he, Bob Fairless, J. P. Smith and F. W. Lively arranged the program, with Ole Smokey Bar-B-Q at Hollywood doing the barbecue and with members of the Does organization assisting with preparation and serving of food.

Special Feature Included In Today's Christmas Edition

This year's Christmas edition of the Ruidoso News carries a very beautiful and different kind of photo feature for the religious season now upon us. On another page of today's paper you will find a series of photos made in the Holy Land, showing the very places in which much of the drama of Christ's life unfolded. It is such a memorable part of our paper this year, we anticipate it will be clipped and saved by many of our subscribers. The presentation of this special feature is sponsored jointly by the Ruidoso News and Baker Pharmacy.

McKinney Oil Loses Lease On Gateway Station

Barney McKinney this week announced he has lost his lease on one of his two stations here. Last weekend stocks were moved from the Palmer Gateway station to his other location on the corner of Mechem Drive and Main Road. In announcing the move, McKinney posted $150 in cash prizes to call attention to the change. Cash prizes of $75, $50 and $25, plus five free oil changes, will be awarded Christmas Eve, Thursday this week at 5 p. m.

"There's nothing to buy, you register free," McKinney said.

MESCALERO ELECTS TRIBAL COUNCILORS

Turnout at Friday's tribal council election was normal, despite the heavy snowstorm which swept the Mescalero Apache reservation earlier last week.

Re-elected to positions on the council were Andrew Little, Mrs. Virginia Klinekole and Eric Tortilla. Mrs. Klinekole is presently tribal president.

New tribal council members, named Friday, include Fred Pellman and Wheeler Tsanothtos. Tribal judges also elected Friday are John Tahnito, Charlie Smith and John Shanta.

All officers chosen during Friday's election will take office the second Saturday in January. At that time, the new council will meet and select a tribal president, vice-president and other officers.

Community Tree Program Is Held Monday This Week

The annual Community Christmas Tree program sponsored by the Ruidoso Chamber of Commerce was held Monday evening, Dec. 21, at the Lions Club's new clubhouse in Skyland. It had been scheduled for Dec. 17 at the School House Park, but was postponed because of bad weather. Dwight Watkins, principal of Ruidoso High School, was to read the fabled Christmas Candle story with two students from the local schools portraying the characters in the story. Everyone joined in the singing of Christmas Carols and the Rev. C. Edward Ditterline, pastor of Community Methodist Church, was to read the Christmas Story from St. Luke's, followed by the benediction. Climax of the evening for the little children was the lighted Christmas tree and the appearance of Santa Claus with bags of candy for them.

The thorium mill [illegible] earlier this year a mile [illegible] Capitan was destroyed by [illegible] night last week in a blaze of undetermined origin. The loss figured in the thousands of dollars. A Capitan resident told the News. It recently had been closed down, pending re-opening about the first of the new year.

Lions Net $185 From Tree Sales; 20th Anniversary Set

A net amount of $185.00 was reported in the Dec. 15 meeting of the Ruidoso Lions Club from the sale of Christmas trees. The club will celebrate its 20th anniversary in February and a committee was appointed to lay plans for that event. Heading the committee is C. L. "Bones" Wright, and other members are W. C. WOUNDED MINISTER TO RETURN TO PULPIT

An Albuquerque Methodist minister who was shot in the chest while deer hunting near Ruidoso on Nov. 12 expects to be back in his pulpit by the first Sunday in January.

The Rev. Hugh F. Bailey who was in serious condition as a result of the hunting accident for several weeks, has been home since Dec. 7.

The pastor of the Wesley Methodist Church at 416 57th NW says, however, he is still required to return each Thursday and Monday to Veterans Hospital for X-rays and check-ups. He hopes to get his final release from the hospital by Jan. 1.

The Rev. Mr. Bailey was hit by a .30.06 slug from a rifle of E. M. Barneycastle of Midland, Tex., while hunting near Ruidoso the day after Armistice Day.

The bullet struck the center of his chest, deflected into the left shoulder and passed through his body, coming out under the shoulder blade.

Prayer groups were formed in Ruidoso shortly after the accident, to pray for the health of the minister, who formerly pastored in that community.

Any more hunting, however, is out of the question for Bailey, who said he figures his odds in the sport have just about run out.

The mail car between Capitan and Alto went in as usual but the highway wasn't in very good shape due to the heavy snow and ice. By late Tuesday night the state maintainer had cleared the highway but more snow came after that and the work had to be done over on Wednesday.

The Jim McEuens and Corky, the Sidney Prestons and Larry and Connie and the F. B. Lindamoods enjoyed the annual elk barbecue and Christmas party given by Leck and Bill Cowden Tuesday night at Leck's Lanes in Ruidoso.

MERRY CHRISTMAS

Merry Christmas—two little words that have been so often repeated—sometimes for commercial reasons—sometimes just because someone was expected to say it—sometimes in jest.

But then, there have been millions of other times when it was said with heart-felt sincerity. That is the way we want to say Merry Christmas to all the wonderful people of this fine community—the Ruidoso Area. May God give to you and yours peace, happiness, prosperity and love for all your days.

5th, 6th Graders Present Program For P-TA

A delightful Christmas program was given by the fifth and sixth grade pupils before the business meeting of the Ruidoso Parent-Teacher Association last Thursday.

The two sixth grades, directed by Mrs. Nelle Moseley and Mrs. Agnes Mills, and the two fifth grades, directed by Mrs. Alice Traylor and Mrs. Jesse Lee Hawkins, sang carols and gave readings on the meaning of each letter in the word, "Christmas."

During the business meeting, Don Soyell presented the budget for the year. A motion was introduced and taken under consideration to donate the majority of the P-TA funds to purchase stage curtains for the new gymnasium. The complete cost of these curtains was estimated at $1,-300.00. No definite decision was made.

Plans were laid for the second annual Christmas Ball for the young people which was held Monday night, Dec. 21, at the old Gym building.

GAMES PARTY POSTPONED ONE WEEK

The next regular Monday noon lunch and card party at the Women's Club will be Jan. 11 instead of Jan. 4 as announced in last week's Ruidoso News. The change was made due to the remodeling of the kitchen which is now going on, and which will not be completed by Jan. 4.

Mescalero Club Has Yule Party

The Employees Club was a very pretty setting for the Woman's Club business meeting and Christmas party last Wednesday evening, Dec. 16.

The tables in the dining room where the business part of the meeting was held, were decorated in white, with centerpieces of greenery covered with snow and centered with tall red candles.

Mrs. John Carver, president, had charge of the meeting and introduced the guests, Mrs. Duane Mohr, Sr., Mrs. Melvin Fairbanks and Mrs. Bryce Boyer.

Mrs. Herbert Spence and Mrs. Duane Mohr, Jr., were elected new members of the club.

After the business was completed, Mrs. Calsbeek had charge of the music hour with Clifford Williams singing Christmas carols accompanying himself on the guitar. Carols and rounds were sung by the group.

Later the recreation hour was spent in the living room where a beautifully decorated Christmas tree waited, loaded with gifts for all. Much gaiety was shown as gifts were opened. Hostesses for the evening were Miss Pieta Cajete, Miss Yolande Dominque and Mrs. Wilbur Parker. Delicious fruit cake and coffee were served. Miss Polly Miller of Ruidoso decorated the dining room for the hostesses.

May the Blessings Of Christmas Be With You This Season and the Coming Year.

Buffet Supper Held At Hospital

The newly completed wing to the Ruidoso-Hondo Valley General Hospital Sunday evening was the scene of a buffet supper attended by about 100 persons, including nurses, doctors and dentists, ministers, board members and administrators, and their families.

A "grab bag" Christmas box was available for the children and some special guests to pick a present. The meal was prepared by the hospital staff.

At the Hospital

Visiting hours: 2 to 4 p. m.; 6 to 8 p. m.

Admitted as patients in the last several days at Ruidoso-Hondo Valley General Hospital in Ruidoso have been:

Mrs. Louise Hudman, High Rolls; Albano Fuchs, Hollywood; Mrs. Josette Herrell and Mrs. Donald Ashby, Alamogordo; Miss Kathy Smith and B. J. Judia, Ruidoso Downs.

Born to Mr. and Mrs. Donald Ashby of Alamogordo, a daughter, weighing 5 lbs., 9 oz., Dec. 17.

HONORED IN SHOWER

Mrs. Fred Hernandez, local school faculty member, was honored in a pink and blue shower Sunday afternoon here in the Homemaking Cottage of Ruidoso High School.

Hostesses were Misses Skippy Spear and Eleanor McDaniel.

Guests called between the hours of 3:30 and 6 and enjoyed delicious refreshments from a beautifully appointed serving table. The honoree received many lovely gifts.

CHECK FOR HOSPITAL—Mrs. Elsie Caylor, left, president of Ruidoso Business & Professional Women's Club, watches with pride as Club Treasurer Mrs. Bobbie Bain presents to Manager Chuck Kuchar of Ruidoso-Hondo Valley General Hospital a facsimile of a check given by the club towards cost of constructing the new wing on the local medical facility. The club has given the hospital $750 in two checks in the last few weeks.

WARRIORS WHAM TULAROSA AGAIN

The Ruidoso Warriors swept both games with Tularosa last Friday night in Hondo. The "A" game score was 57-51 with Jerry Reynolds topping the scorers with 24. It was the second time the Warriors have won over the Wildcats of Otero County this season.

The "B" contest was a thriller that took two extra periods to decide a winner. Tied 41-41 at the end of regulation time, Tulie was ahead 45-43 in the first extra period when Alfred Lane was fouled with 13 seconds to go. He calmly dropped in both free throws to put the game into the second extra period, the Warriors winning 47-46. John Hawkins led the scoring with 17.

The next game for Ruidoso is scheduled to be played here Jan. 8 with St. Peter's. However, if the new gym is not completed and accepted by then, the game will be switched to Roswell.

The Warriors' season record is now five victories and one defeat.

By PAULA DONNELLY

The Future Homemakers of America and the Home Economics students had a Christmas party last Friday in the Home Ec. building.

Those present were the FHA girls, all Home Ec. classes, their mothers, and invited guests.

The department was decorated in such a way as to give the Christmas spirit to all who attended.

The program consisted of a tea and a style show. The Home Economics I girls made and served the refreshments while the second year girls modeled shirt-waist dresses and the third year students wore tailored suits and coats.

The girls that modeled were Jedy Lou Evans, Laura Sue Fuchs, Rexene Howell, Ginger Jones, Kay Martin, Mary Sanchez, Lavonne Skinner, Janet Willong, Eleanor McDaniel, Amy Aguilar, Jenene Evans, Josephine Garcia, Jennie Harris, Dixie Looten, Susie Lualiin, Jane Parnell, Denese Short, Idy Traylor, Beverly Watkins and Sharon Sims.

* * *

The "Stalwart Five" of Ruidoso again had that one way ticket to victory when they beat Tularosa 57-51. This was the second time the Warriors slipped by Tulie. The "B" game was really a thriller with two overtimes. The time ran out when the score was 43-43. They had 3 minute overtimes and the score came out 45-45. Then they had a sudden death with the "B" string of the Warriors winning 47-45.

* * *

By the time you people read this RHS students will be long-gone for Christmas vacation. Vacation started on Tuesday at 1:30. From 1:00 to 1:30 each class had their Christmas parties with students exchanging "silly" gifts. Classes will resume Jan. 4.

* * *

P-TA held their annual Christmas Dance for high school students at the old gym on Monday night. It was decorated in the traditional Christmas theme with bells and angels around the room. Mr. Gooch's dance band played for the dance and P-TA mothers supplied all the refreshments. A fun time was had by all.

Well, Merry Christmas everyone and I'll see you next year!

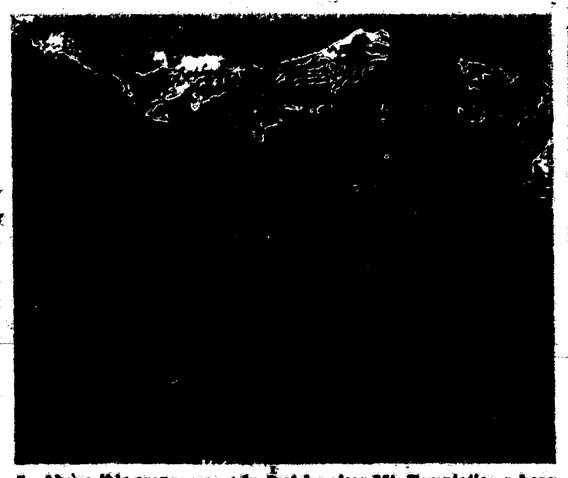
The Bible Lands

1. To Palestine was granted the most precious [illegible] of time, for it was here that Jesus Christ was sent to bring [illegible] God to all living creatures. The "Little Town of Bethlehem" in Jordan, still lies peacefully in the December mist [illegible] the birthplace of Christ, this unassuming village has [illegible] the pageant that is Christianity from its earliest [illegible] (Jordan)

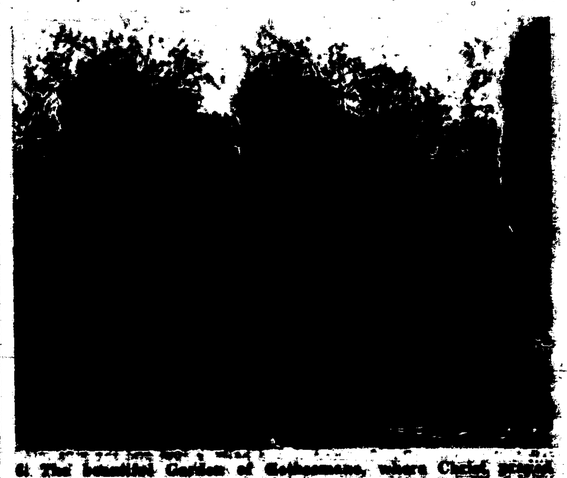
2. The Grotto of the Nativity, in the Church of the Nativity, marks the stable behind the inn in which there was no room. The fourteen-pointed star on the floor marks the manger in which the Holy Infant was placed in his swaddling clothes. (Jordan)

3. Shepherds still patiently tend their flocks in the hills near Bethlehem. It was to shepherds such as these that an Angel appeared telling of the marvelous birth that was taking place in their village. (Jordan)

4. Perhaps the most sacred spot in all Christendom, the Vale of Sorrow lies close to the walls of the Arab sector of Jerusalem. At lower right is the Church of all Nations. Nearby is the Garden of Gethsemane where Christ spent his last hours of agony before his march to Calvary. At the upper left is the Mount of Olives from which the risen Savior ascended unto Heaven. (Jordan)



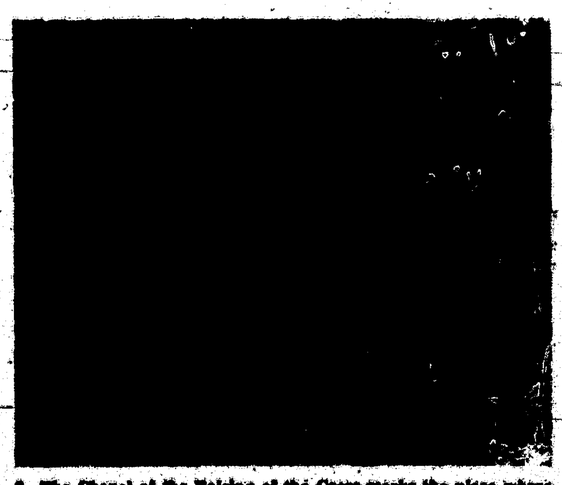
5. Above this orange grove in Jericho rises Mt. Temptation where Christ was tempted for forty days. A Monastery built on the cliff-like slopes commemorates the event. (Jordan)



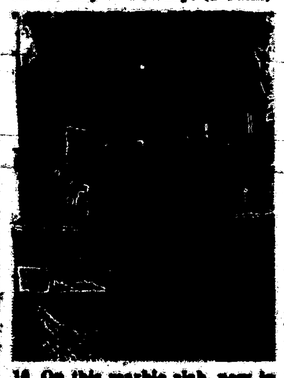
6. The beautiful Garden of Gethsemane, where Christ prayed during the last few hours of his life, is lovingly tended by monks. It was here that Jesus realized the sacrifice he must make to redeem mankind from sin. (Jordan)

7. The "Way of the Cross" is hard. And so it was on that fateful day when Jesus struggled with his burden down this narrow street in Old Jerusalem on the way to Calvary. (Jordan)

8. The devout throng to take up the cross [illegible] same path where a Roman centurion once had to draft a wo[illegible] to help the struggling Jesus with his burden. (Jordan)



9. The Chapel of the Raising of the Cross marks the place where the crosses of Jesus and the two thieves stood. On this spot, in his last agony, Christ compassionately pardoned the thief. (Jordan)



10. On this marble slab, now in the Church of the Holy Sepulchre, the body of Christ was placed when it was taken from the cross. It was to this spot that the Angel came to release the Master from the bonds of death.

Christ's life was hard and full of suffering but it served to light the way to a fuller, more meaningful existence for mankind and to a richer life after death. It is understandable that the inhabitants of Jordan, where these wonders took place, manifest a humble pride that these villages and hills witnessed the miraculous works of the Christ.

End of the Quest

Wise Men travelled a desert to lay their gifts before a King.

But the King was a mere babe. His court was a cattle shed; His princely garb swaddling bands.

Could they be certain when they knelt by the manger that this was the end of the quest?

Their certainty came not of proof but of faith. They had marveled at the heavens . . . followed a gleaming star . . . listened to prophecy. For Wise Men this was enough!

And through the centuries others have sought the King. Eagerly, earnestly they have come into the reverent beauty of the Church. And there, as ageless Words cast their light in man's darkness, they have known the end of their quest.

Copyright 1959, Robert Ade, Herring, Strasburg, Va.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest force on earth for the building of character and good citizenship. It has storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should support and attend the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

WALT CROSBY

In closing our books for the 1959 operations, we found our net gain not up to our expectations in happiness and contentment, however, after a thorough analyzation we came to the conclusion that we ran too close on our most important commodity, our stock of Faith. So with this experience behind us, and with the thought in mind of being of help to you—in that you might have encountered the same disappointments, we wish to pass the thought along, and if you concur with us in this proposition, then we can lay our plans accordingly, and look forward together to a truly "Happy Christmas" and a very prosperous "New Year." With very sincere wishes, from the entire staff—Allied Realty. (Adv.)
