Around Town

—By Nosey Waters—

Mr. and Mrs. Woodrow Howard reported (through Woody) this week they have about recovered from a swelegant week-end in El Paso where they saw the Sun Bowl game, watched the parade from a downtown hotel room window, and enjoyed some of the other fun in connection with the Sun Carnival festivities. They won tickets on the 50-yard line for the game, the hotel room and some spending money in an attendance contest at the Ruidoso Quarterback Club held during 1959. The Club is again sponsoring a similar contest for 1960, Woody said. . . . Ruidoso's Sun Princess, Carol Ann Harris, was pictured on the float on which she rode during the Sun Carnival parade in the special El Paso newspapers' Sun Carnival edition—the only such float pictured. Nice publicity for this area. . . .

★ ★ ★

A. C. Kelley is constructing a mighty neat looking rock veneer front for Keeth Gas Co. . . . We heard over the week-end J. P. Smith's name mentioned as a candidate for mayor. . . . The village of Ruidoso paid $1,688.58 to Armstrong Construction Co. for its share of the cost of resurfacing Main Road, with the State Highway Department taking care of the balance of the cost, and with one or two machines from the county and the village being used to do the job in a few days last September. That's not quite as much as the story we heard that the job cost $200,000.00 or better. A combination of heavy rains, deep freeze and slow, snaking traffic just about finished the repair job last week and early this week there is some portions of downtown Ruidoso. Next step, I guess, will be for the village to call for a bond issue and do the job right, with curbing, gutters, decently wide traffic strip—so that the drainage problem will be eased. As the road is now, it dams up water in some places, lets it soak under and into the roadway, thereby speeding up its own destruction. With proper drainage, the water will get the heck out of downtown Ruidoso to the river. . . .

★ ★ ★

Dr. Brant Vanderstok, Robert Lee, Dave Parks, Ken Newton and Joe Moore, along with Vanderstok's youngsters, Ingrid and Robert, had themselves a ball last Sunday in the snow. They drove as far up the Mescalero Road as they could, then walked on up as far as the Catholic Boy Scout Camp, from where they sledded down the roadway back to their vehicle. . . .

★ ★ ★

When the new gymnasium is ready for use, an open house will be held for the public to inspect it, School Superintendent J. Howard Morris said. At that time, the Senior Class will serve as hosts for the school board in the event. . . . New village policeman here is young Richard Tucker, a married man with three youngsters, who moved here a few months ago from Amarillo. He is a former wrestler. . . . Carl Ross tells us a cute story about a young Indian, in the first grade at the Mescalero school, who told some folks at the Big Chief Trading Post on the reservation that he learned to make a snowman when asked what he had learned in school one day last week. The boy's name is Larry Ebucalla. . . . Dick Hilton is now salesman for R. H. Anderson car sales, local Jeep and Pontiac dealer. . . .

★ ★ ★

A recent count shows there were 1,000 Republicans, 2,314 Democrats and almost 400 independent voters registered in Lincoln County. The figure may be more now—that count is about a year or more old. . . .

★ ★ ★

Members of the Eastern New Mexico Symphony band which will present a concert Sunday afternoon this week in Hotel Matthews, Ruidoso. . . . Lucky Lanza is setting up a school for bowlers on Friday nights. See him! . . .

★ ★ ★

A big hello, and we hope you have a fine time, to the New Mexico Society of Professional Engineers executive board and chapter presidents who will be here this week-end for a session at the Carrizo Lodge. (See last week's News.) If Jack Kennedy doesn't see you have fun, we'll take him skeeter up later in kangaroo court. . . .

★ ★ ★

The Ruidoso Pioneers are negotiating with the A. P. (Doc) Parry family, owners of the golf course, . . . A new mean signs is being installed by Gateway Food Market. . . . Bennett's Freshmen more than doubled its store lighting this week, and is laying plans for considerable expansion of the building this fall. . . . Wednesday morning has been designated as Ladies' Bowling Day at Holiday Bowl, they say at this week states. . . .

★ ★ ★

Damian Williams is now local route man for a new bakery company, serving this area with Golden Krust bread. Williams formerly was route man here for the Borden company. . . . Pearl's Coffee Shop in Capitan has some new Smokey the Bear postcards for sale, produced in the Ruidoso News commercial printing department. . . . We saw a rough sketch for a proposed new motel, which, if put an old grist mill would be a credit to its situation, and to the town of its situation, on U. S. Highway 70 in the Ruidoso-Dexter area sometime in the next several months. . . .

Letter to the Editor

A TRIBUTE FROM A FRIEND

When Charles Bonnell, Sr., passed into the life beyond a few days ago, God called one of His choicest spirits. His life in this community was a lesson to us all and in his passing we lose a beloved citizen.

There are some whom we admire, some whom we respect, some whom we revere and others whom we love. To know Charles Bonnell was to love him. He possessed an open, genial, cooperative spirit and was by nature a gentleman.

He was a loyal citizen and went into all the business projects that were started to help his community. A man whose word was as good as his bond. Today when one can have said of him that his word is as good as his bond speaks volumes because such men are few and far between. The world needs today more than anything else, men who have proper regard for their obligations to God and to their fellow men; to their country. Long ago a man's word was as good as his bond. Later men had to be tied up with instruments of writing, still later these instruments were mere scraps of paper, and now the world is topsy-turvy as a result of trust.

Very few people are worthy of trust. Therefore, to hear such remarks about my friend has prompted these lines, hoping that many will emulate the life and principles of this man.

Charles Bonnell was loyal to the interest of his Church and strong in his advocacy of it and because of a certain dignity of character there was force in what he said.

No one ever has the place in our affections of those whom death has taken from us and, likewise in our community these losses are never fully compensated. It is for those of us who remain to honor his memory and replace the loss to society as a whole and to our community in particular, insofar as possible, by appropriating to ourselves those qualities which were characteristic of him.

Signed, J. B. Close

CLOUDCROFT, RUIDOSO MEET AT HONDO

The Ruidoso Warriors will play the Cloudcroft Bears tomorrow (Saturday) night in the Hondo gym with the "B" game scheduled for 6:30. The NMMI game originally scheduled to be played here also, has been changed to Tuesday, Feb. 9.

The new Ruidoso Gym was scheduled for a final inspection by the School Board Thursday of this week. If the building is accepted there is a strong possibility that the game with Hagerman next Friday night will be the first contest to be held in it. Definite announcement as to the site of this game will be made early next week.

St. Peter's Rolls To 76-61 Win Over Tribe

The Crusaders were never in trouble although the Warriors did drop in a whopping 28 points in the final stanza while Coach Comeau was playing his bench.

St. Peter's hit on 19 of 29 free throws for a 69 percentage, but the losers hit only 21 of 39 charity tosses.

Cool Capitan Rally

Coach Bob Lee's Ruidoso Warriors made it six out of eight last Saturday night when they staved off a last quarter rally by the Capitan Tigers to take a 43-39 victory. Ahead by 15 points in the first quarter, the Warriors cooled off in the second half and the Tigers got hot. Bob Beavers was high for Ruidoso with 16 points.

SPARE AND HEADPIN TOURNEY SET AGAIN

A group of bowlers attended the Spare and Headpin Tournament at Leck's Lanes Sunday night, Jan. 10. Partners were chosen according to averages, and in first place were Jim McEuen and Dixie Burgess, second were Hazel Brittenback and Garland Alvis and in third place Gerald and Gerry Tully. There will be another Spare and Headpin Tournament at Leck's Lanes Saturday, Jan. 16, at 7:30 p. m. Anyone who wants to practice on picking up spares are invited to come, Leck Cowden, owner of the Lanes, said.

New Scoreboard Is Ready To Install In Gym

A new all electric scoreboard for basketball play has been received and is ready to install in the new gymnasium, it was reported this week by Cy Leland, Jr., athletic director of the local schools. The board, costing $367.00, is being provided by Ruidoso Quarterback Club, and is made by the same company which manufactured the large one for the athletic field. Interchangeable mechanism for controls on both scoreboards was the main feature of buying the new basketball board from the same company, Leland said. This feature saved more than $100.00 for the Quarterback Club in buying the new electric cage scoring device.

TIGERS SPLIT CAGE GAMES LAST WEEK

By CAROL ALLYN BONNELL

The Capitan Tigers' "A" team split two week-end games, defeating Lake Arthur's Panthers Friday night and accepting defeat from Ruidoso's rampaging Warriors Saturday night.

An early lead was established by the Tigers in the Lake Arthur game. Score at the end of the first quarter was 14-4 in favor of Capitan. The Panthers wasted no time howling. They settled down to some hard playing and managed to raise their score to 33 as compared to the Tigers' 35 points at the end of the third quarter, Capitan widened the margin in the last quarter. The final tally was 50-42. "Hot shots" for Capitan were Kerr and Preuit with 20 and 16 points, respectively.

The Warriors got off to a flying start Saturday night. At the end of the first half they had a 13 point lead. The Tigers returned in the second half with sharpened claws. Exhibiting some fast and furious playing, Capitan brought the score to a close 39-41. With only a minute left in the game and tension running high, Ruidoso got the ball on a jump and Curry tossed in a goal which gave the Warriors a four point lead. Capitan was unable to score again; when the final buzzer sounded the score was 43-39.

High point men for Ruidoso were Beavers, with 16 points, and Wilson, with 9 points. Preuit and Kerr scored 20 and 13 points, respectively, for Capitan.

Around Hi Skool

By PAULA DONNELLY

RHS students received their school pictures last week. There were good ones and some not so good but everyone enjoyed exchanging pictures with their friends and classmates.

Now that the Journalism Class has received all the class pictures they start work on the different class sections. Lorena Sanchez and Jeralynn Massey are class editors for the Seniors. They don't have much to do yet since the Seniors have special pictures made. Junior Class editors are Gerald Tully and Shelby Miller. The editors for the Sophomore Class are Wilson Howard and Kletis Perry. Editors for the Freshman class are Jim Wilson, Phil White and Paula Donnelly. Beverly Watkins and Ella Ruth Jackson, as Editors, have the hardest job of combining everything into a good annual.

• • •

The NMMI game which was to be played here tonight has been postponed until Tuesday, Feb. 9, because the new gym isn't finished. They hope the gym will be ready for the game with Hagerman on Jan. 22.

• • •

Tomorrow night the Warriors will meet the Cloudcroft Bears at Hondo. The B game starts at 6:30 and the A game starts about 8:00.

• • •

Semester tests started yesterday afternoon with the fourth and fifth periods tests being given. Today the remainder of the tests will be given.

• • •

The Warriors were stomped last Thursday by the St. Peter's Crusaders. At the half the Crusaders were leading by a large margin but in the last quarter the Warriors gave them a run for their money. The final score was St. Peter's 75 and the Warriors 61.

• • •

On Saturday the Warriors came back into their own when they beat Capitan at Capitan. At the half the Warriors were leading by 15 points. In the second half the Tigers started fighting back and brought the score within two points of the Warriors' lead but RHS won 39-43.

The B game was also a thriller with the lead changing hands every few seconds. Capitan finally won by two points. There was a pep assembly on Thursday afternoon with the B and A doing their yells and chants.

• • •

The Pep Club has been mighty busy lately. They have been selling blue ribbons with the first string basketball boys' names on it with their coach. They are selling for 25c and they are really worth it. They have also passed out a little booklet with all the yells in it. It also includes the "Fight Song" and the motto, "We're Backing The Best."

ALAMO BOWLERS CHALLENGE RUIDOSO

A group of Alamogordo bowlers were in Ruidoso Saturday night, Jan. 9, and challenged a group of Ruidoso bowlers to a contest at Holiday Bowl. There was one team of women bowlers from Alamogordo who bowled five Ruidoso women, with Ruidoso winning two out of three games, and a team of seven men from Alamogordo bowling against seven Ruidoso men, with the Alamogordo team winning.

Capitan Band Sets Concert Sunday Afternoon

By BARBARA McGREW
And JAMES VAN DYKE

The Capitan High School Band will present its first winter concert under the direction of James Van Dyke on Jan. 17 at 2:00 p. m. in the high school gymnasium.

This is the first time that a concert on Sunday afternoon has been tried. Most of the community attends church during the morning and stay home in the afternoon. This will present an opportunity to hear the band of Capitan in action, the sponsors said.

There will be a great variety of music. The band will play Trumpet Voluntary by Purcell, The Westerners by Walters, Irish Folk Song Suite by Erickson, Los Picadores by Conova, and Air Force Band by Erickson.

James Van Dyke and the Capitan High School Band invite you to a Sunday afternoon of music, Jan. 17 at 2:00 p. m.

NUMBER OF BUSINESSES INCREASES IN COUNTY DURING LAST YEAR

Statistics released today by Caywood R. Knapp, manager of the El Paso office of Dun & Bradstreet, Inc., reflect the growth of business population in Lincoln County during the past year. Figures obtained from a physical count of the Dun & Bradstreet Reference Book for November, 1959, totaled 242 manufacturers, wholesalers and retailers in this area as compared to 217 listings in 1958 an increase of 11.5% for the period.

The Reference Book, incidentally, only lists manufacturers, wholesalers and retailers who seek or grant commercial credit. It does not include some of the service and professional businesses such as barber and beauty shops, security and real estate brokers. Therefore, the figures for the businesses in Lincoln County would actually be higher than the 242 quoted above, the company pointed out.

The County Agent Reports

By RALPH DUNLAP

Recently a local committee, composed of Tom Tebbs, Wilbur Coe, and John Thomas, met with representatives of the Experiment Station, to discuss the setting up of an experimental tree fruit farm in this area.

Every one present agreed that it was definitely needed as soon as possible.

The idea was brought up that to set one up, there would be needed around 40 acres of irrigated land, not presently in orchard. For the usefulness to all concerned it should be located in the central part of the valley.

At the meeting, it was emphasized that the local group make arrangements to acquire the land and basic buildings. Any ideas you might have for getting land or buildings to set up an experiment station, will be welcomed.

* * *

The farmer's main problem for the 60's is going to be labor, especially as it affects the cost of raising and harvesting crops.

The two main crops that are likely to be affected by labor problems in Lincoln County are apples and alfalfa.

In both of these crops the two places most affected are irrigation and harvesting. Irrigation is not limited to these two crops but to all irrigation.

The irrigation labor cost can be reduced by using more lined ditches, siphon tubes and leveling land.

Editor Vic Lamb

Ruidoso, New Mexico
Dear Editor Lamb,

We read your paper each week with much interest.

Our hats off to such a fine Christian gentleman as Dr. W. D. Horton, who cares enough for his home town to want to improve it, especially along the lines of radio music.

Three beer to the Lions that do not realize what they are doing when they approve Rock 'n' Roll music.

Did you know that Rock 'n' Roll dances were discontinued at Las Lunas, New Mexico, because every time there was such a dance a youth was killed? Rock 'n' Roll affect people, especially our youth, in the same way the movies you have lashed out against, lately, do.

May we say Radio Station KYAP will be greater apreciated by the listeners if they play quality music. We have a very nice station in Tularosa that refrains from Rock 'n' Roll music, and we respect them for their policy.

Again, may we give three cheers for Dr. Horton. At least, he tried.

Sincerely,
Mr. and Mrs. Dee W. Simpson

GOVERNOR PROCLAIMS FARM BUREAU WEEK

The week of Jan. 10-17 is Farm Bureau Week in New Mexico, Governor John Burroughs has announced. In a proclamation issued from the Executive Office at Santa Fe, Gov. Burroughs cited the farm-ranch families of New Mexico for making "an irreplacable contribution to the economic progress and stability of the state of New Mexico," and the New Mexico Farm and Livestock Bureau as "the largest general organization of farm-ranch people of this state working for the economic progress of the rural population in particular and of all the people of New Mexico in general."

The Governor's proclamation urges all agricultural families in New Mexico "to unite in one great effort to promote the welfare of our agriculture and the general welfare of our state through this organization."

The maid had answered the telephone several times within just a few minutes. Each time, after a brief remark, she hung up.

Becoming quite curious, the lady of the house finally asked, "Who was that on the phone?"

"Same lady every time," replied the maid. "She keeps saying, 'It's a long distance from New York,' and I keep telling her, 'Yes ma'am, it sure is'."

Probation Officer Gives Report For December

December report of cases handled by the Ruidoso Probation Office is given below, prepared by R. H. Hedgecoke who holds that position here:

The Ruidoso Probation Office handled 17 cases during the month of December, 15 of these were for truancy. Warning letters were written to the parents of thirteen of these children, explaining the State Compulsory School Law and the penalties attached thereto upon conviction of violation. Two truancy cases were referred to the Juvenile Court at Carrizozo and were heard before Judge W. T. Scoggin. In each case the parent was fined and the children made a ward of the court and placed on probation, one for the duration of the 1959-60 school term and the other until she reaches her 17th birthday, with the admonition from the Judge that they must attend school each and every day that school is in session. The only excuseable absence would be for illness or death in the family. Parents are usually warned twice. Upon the third complaint of truancy by the school authorities the parents are cited into Juvenile Court.

One case of fighting was dismissed with warning.

One case of curfew violation was handled where the father was fined $10.00 by Judge H. M. Graham and the boy was placed on 30 day probation.

"I would like to compliment the children of the area on their good behavior," Hedgecoke concluded his report.

VEHICLE TAG BUYING IS GOING SLOWLY; DEADLINE MARCH 2

There are going to be a whale of a lot of motorists who will either be afoot or liable for overdue license plate penalties on March 2 unless there is a speedup in license tag buying. That's the word of State Motor Vehicle Commissioner Benny E. Sanchez. He said purchase of motor vehicle license tags this year is 35 percent below the total last year at this same time.

AMERICAN SECURITY

The United States of America has been very fortunate in the past in enjoying a remarkable degree of security. The Atlantic on the east and the Pacific on the west, with a protective polar ice cap on the north, with friendly neighbors to the north and south, this security was not only unchallengeable but free. In addition the existence of a vast area of free land meant not only security but prosperity. In addition to this until comparatively recently there were light taxes until the first World War, exemption of American youth from a long period of military training that was required in other nations. All of this is ancient history but its spell still rests upon us in spite of the new threats to our security in the process of the cold war.

Russia does not think in terms, if we have a third war, she says when and this statement can be documented. Atomic warfare is not a threat of thousands of miles but a matter of seconds. Granted that we have the superiority in atomic weapons with which to counter Communistic attack, which is a question, do we have the moral and spiritual purpose to sustain us in such a crisis? Or to provide the statesmanship to possibly avoid such a tragedy? The answer to that for you and me is not in statistics and newspaper opinions but in what I am contributing as a person to the moral and spiritual fibre of my country. This is not only a question of personal character but what I do through the institutions which are the foundation of American character, the home, church, school and community. When these forces are united in a common purpose of peace built upon righteousness, you have security for both peace and war. Many persons in their blind pursuit of material success are discounting the above foundations of national security. We should be enlisting, training and working in the army of security under God and for our nation.

Capitan News

By DIXIE SPARKS

Hi! I would like to pay a little tribute to a very wonderful person who has been lifted from this existence of everyday trials, tests, heart aches and worries and is at last at rest with God and resting peacefully, which he richly deserves, Saturday night, Jan. 9, Capitan and vicinity were shocked to hear of the sudden death of our Mayor Joseph E. Rench. Joe had been sick with a cold but otherwise felt fine. One of the large arteries to his heart ruptured, causing his sudden death. Joe Rench will long be remembered for his help to his fellow man. In his profession as brick mason, where he was head of the list, his art speaks for itself over the state of New Mexico, to name a few, Carlsbad, Hobbs, Lovington, Roswell, Albuquerque and his home town, Capitan. As president of the brick layers, he is accredited with a great number of their betterments. He also served as vice-president of the Federation of Laborers. Joe was a member of the AA Fellowship with 13 years to his credit. He was known far and wide for giving of his "Pearls of Wisdom" to help his fellow man to help himself. His spiritual existence was truly an inspired way of life that inspired others to follow in his footsteps. Joe had faith within himself as well as faith in his fellow man and an unlimited faith in the future of Capitan. Working for the future of Capitan, Joe not only served as mayor but was president of the Capitan Chamber of Commerce and served as building chairman of the Smokey Museum, his favorite project. His is accredited with the following: A new bridge north of Capitan, paving the street in front of the Capitan Schools, ditch drainage for the churches, sewage for the village, and instigator for the clean-up campaign for Capitan. These are just a few of his many improvements for Capitan. Joe's understanding of his fellow man and his working of God's truth in his every day life, gave him the courage and wisdom to take the gaffs of his fellowmen in midnight calls of complaints. Joe was never too busy nor too tired to listen to his fellowmen. Joe's slogan of "A Bigger and Better Capitan" will live long in the minds and hearts of the villagers of Capitan for Joe has told me time and time again, "Mark my words Capitan will grow and Capitan will some day unite and work together as a whole and be a bigger and better Capitan." Margaret Rench has stated she will carry on where Joe left off—namely the Smokey the Bear Museum. As one means of raising money, Joe and Margaret Rench have been sponsoring the Smokey Bear Dances. Margaret stated, "There will be a dance Saturday night, Jan. 16!" She also stated, "Dixie you will have to take Joe's place and help me." "No," I said, "I can't take his place but I can carry on his work to the best of my ability." So Margaret and I will be there Saturday night, Jan. 16, for the Smokey the Bear Dance in memory of Joseph E. Rench. We will be there, (will you?) to help us to help the Smokey Museum.

You have heard of the song, "Coming In On A Wing and A Prayer." The Rev. Adbany family coming home after the New Year's Watch in Roswell ran into the snow storm and arrived in Capitan on ice and a prayer. Rev. and Mrs. Adbany were raised in California and Louisiana respectively and this is their first experience with snow.

Oliver Reed of Ft. Smith, Ark., wrote his mother, Mrs. Ethel Keathly, that their cousins there had received by air freight a hind quarter of moose. So the Reeds and the cousins had moose for Christmas dinner.

Mr. and Mrs. Tobe Foster paid a flying visit to see Mrs. Foster's mother, Mrs. Lair. The Tobe Fosters reside in Alamogorgo.

Johnny Soderback and Paul Hubner were Capitan visitors last Sunday. Johnny came home to help Pearl and Louis celebrate their birthdays. Pearl's is the 11th and Louis's is the 19th.

Johnny Annaratone and son were in Ruidoso on business Monday.

Mrs. Lair has purchased herself a trailer and will spend the remainder of the winter months in Alamogorda. Her trailer will be on the same lot as her daughter's.

That's all for this time folks. Before I leave you may I leave you with this thought. Confucious said, "A silent man is never strangled by his own tongue." How true, if we foolish mortals would stop and put ourselves in the other's place, maybe we would not be strangled by our tongue. Sometimes our fault-finding in the other person, just maybe our own fault. See you at the dance Saturday night and see you next week, God willing, Dixie.

Letter to the Editor

So you think you'd prefer the good old days.

Consider the following office rules, posted in this country in 1872 by Zachary U. Geiger, sole proprietor of the Mount Cory Carriage and Wagon Works.

1. Office employees will daily sweep the floors, dust the furniture, shelves and sowcases.
2. Each clerk will bring in a bucket of water and a scuttle of coal for the day's business.
3. Clerks will each day fill lamps, clean chimneys, trim wicks. Wash the windows once a week.
4. Make your pens carefully. You may whittle nibs to your individual taste.
5. This office will open at 7 a. m. and close at 8 p. m. daily, except on the Sabbath, on which day it will remain closed.
6. Men employees will be given an evening off each week for courting purposes, or two evenings a week if they go regularly to church.
7. Every employee should lay aside from each pay a goodly sum of his earnings for his benefits during his declining years, so that he will not become a burden upon the charity of his betters.
8. Any employee who smokes Spanish cigars, uses liquor in any form, gets shaved at a barber shop, or frequents pool or public halls, will give me good reason to suspect his worth, intentions, integrity, and honesty.
9. The employee who has performed his labors faithfully and without fault for a period of five years in my service, and who has been thrifty and attentive to his religious duties, is looked upon by his fellowmen as a substantial and law abiding citizen, will be given an increase of five cents per day in his pay, providing a just return in profits from the business permits it.

First Grade—Mrs. Matthews

We are ready to begin the last half of the school year. There are twenty boys and girls in our room. The thirteen boys are Jerry Adams, Rex White, Rickie Armstrong, Harry Enjady, Mykel Gable, Harley Howtowavit, David Jansen, Bill Meeker, Frankie Rodriguez, Paul Stout, Mike Sublette, Richard Waltrip and Larry Walsh. The seven girls are Gerry Linda Benavides, Debra Carpenter, Flora Candelaria, Roxie Langford, Georgia Pena, Ellen Scott and Monica Sharp.

We have just about finished with all of the pre-primer work and are ready to begin reading in the first hard-back book, "With Jack and Janet." The teacher is very well pleased with the progress in general.

In art we have been making winter decorations for the room. We have some very nice snow pictures. We have enjoyed learning "Frosty, The Snow Man."

Almost everyone in the room can count and write to one hundred. We are also learning to add and take-away. We have some number games that we enjoy playing.

Second Grade—Mrs. Sullivan

We have four with a perfect attendance. They are Laura Jones, Betty Jo Maes, Henry Temple and Rogene Hollis. Jerry Parks has missed only one day.

Everyone was on the honor roll in Spelling except five. They were Margie Pior, Betty Jo Maes, Laura Jones, Rogene Hollis, Virginia Klein, Delores Garcia, Billie Guynes, Jerry Parks, Dearl Wayne Joyce, Gena Sharp, Bobby Gene Nash, Arden Comanche, Vicky Harris, Lillian Randolph, Clay Hull, Jennie B. Pratt, Dewayne Clover, Hoyt Graham and Henry Temple missed only one word.

In our science work we studied about how birds help us in the summer and how we can help them in the winter. Also, we learned about the many different kinds of sounds and how they help people.

A new girl in our room is Brenda Byrd from Fruitland. A new boy is John Winningham from Alamogordo.

First Grade—Mrs. Jones

Pat Dunagan and Sara Lively will celebrate their seventh birthdays this week.

Dan Garcia went to Roswell Sunday.

Danny Bell has returned from a vacation in Arkansas where he visited relatives.

Linda Kay Ditterline and Etta Shier enjoy playing with their pet hamsters.

Doris Gallegos, Kevin Lane and Diana Moore are the newest members of the "Lost Tooth Club."

Hub Traylor is proud of his family's new station wagon.

Diana Moore looked real snappy in a new red slack suit Monday.

Lorenzo Sanchez is very proud of his new baby brother.

Barbara Smith is the cowgirl in our room. Her horse bucked with her Saturday but she rode him successfully!

IF YOU WANT A CORVAIR— Chevrolet's peppy little compact, economy car, you can get one through B. M. Hopkins, at Lester's Indian Curios, west at the Y on Hiway 70. Authorized salesman for Corvair, Chevrolet and Oldsmobile.

America is a land of bells!

Wedding bells, door bells, dinner bells, school bells, sleigh bells . . . all speak of a country where Freedom from tyranny exists.

Radio chimes keynote freedom of speech as commentators broadcast the news. Typewriter bells ring out freedom of the press. And church bells, whether they be the musical chimes from a cathedral's spire, or the ding dong from the steeple of a village chapel, typify freedom of religion.

Churches throughout the land are open to all. Inside their doors, we cast aside the fetters of worry that shackle our hearts in this atomic age. We find strength and courage to face the unknown future. Our faith, hope and trust in God, who says, "Fear not; for I am with thee," is renewed and peace fills our anxious souls.

Let us accept the invitation of the bells to "Come and worship," and go to church regularly.

Copyright 1960, Keister Adv. Service, Strasburg, Va.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Switzerland Swiss Cheese Tops For Sandwiches

Looking for a new sandwich and soup team for lunch or supper these brisk days? One of the tastiest hot sandwiches we've come across combines crab and Switzerland Swiss cheese. Always popular with young and old alike, the superior flavor of this delicious cheese from Switzerland makes sandwiches extra-special.

Serve with mugs of cream Mongole easily prepared by combining 1 can (10½ ounces) condensed tomato soup and 1 can (10¼ ounces) condensed green pea soup. Dilute with 1 soup can milk and ½ soup can water. Heat. If desired, add a tablespoon or two of sherry to taste.

ALPINE OPEN-FACE CRAB SANDWICH

½ cup mayonnaise
1 tablespoon prepared mustard
8 slices whole wheat bread, lightly toasted
2 cups flaked crab meat (two 6½-ounce cans)
1 teaspoon Worcestershire sauce
1 cup grated Switzerland Swiss cheese

Combine mayonnaise and mustard and spread toast with part of this mixture. Mix remaining mixture with crab meat and Worcestershire sauce. Spread crab mixture on toast and top with grated Switzerland Swiss cheese. Place under preheated broiler until cheese is melted. Serve piping hot. Yields 4 sandwiches.

This does happen and can have an adverse effect on your title. It is our desire to be of service to you at all times—Allied Realty. (Adv.)

J. J. DiPaolo To Enter Race For Commissioner

J. J. (Jack) DiPaolo, Ruidoso real estate developer and contractor, this week authorized the Ruidoso News to announce he would seek the Democratic nomination for Commissioner in District 3 in the coming primary. DiPaolo, a resident here for about six years, developed Mountain View Heights on the south slopes of Palmer Gateway, and Ruidoso Gardens, a subdivision on the Ruidoso River east of the race track.

He said since there had been no announcement for certain by anyone for this position in the Democratic meeting in Capitan last Thursday he had decided to toss his hat in the ring. Another resident of the district, living near Ruidoso Downs, said at the meeting he was "considering" making the race, but had not made up his mind definitely.

Local C. A. P. Member Joins In Search For Lost Flyer

R. H. Hedgecoke and Wayne Estes flew over an area between Farmington and Santa Fe last Sunday, searching for a woman student pilot, who was lost on a cross country flight from Farmington to Santa Fe. She was found by other members of the C. A. P. near Magdalena, about 150 miles off her course. She set the plane down in a field when it was beginning to get dark, and in landing turned the plane over, but she was not injured. Hedgecoke and Estes flew for eight hours and 40 minutes searching for her.

About half a dozen travel editors and writers for numerous magazines and newspapers of the U. S. were guests of the Sunland Club of El Paso on a tour of this region Sunday.

The tour was arranged when the writers were invited to El Paso for the opening of the new Hilton Motel near the airport there.

The group, guided by several El Pasoans, stayed overnight Saturday night at the Lodge in Cloudcroft, had coffee and were greeted by Mescalero Tribal Council officials Sunday morning at the Mescalero Summit Lodge, then came through Ruidoso on State Road 37 enroute to Capitan, stopped for a visit at Old Lincoln, went east on U. S. 380 to Hondo, then came back to Ruidoso on U. S. 70 for a luncheon at Nob Hill Restaurant. Here the motorcade was greeted by C. of C. President Carl Morrison and others. Souvenir booklets on Ruidoso were given the travelers at their luncheon here.
