Cyrus Leland III reports that since the Ruidoso News first stated that he had a new stamp collection album and would like to receive stamps from readers, that he has been sent from various sources 622 stamps of 66 countries. Cyrus said that he now realizes the "power of the press" and would like to thank all of the nice people who have sent him stamps for his collection. He also said that he would like to get acquainted with some of the other younger boys and girls who have stamp collections and who would be interested in comparing and trading stamps, since he has also received more than 100 duplicates. His address is Box 5, Hollywood, N. M. . . .

Our apologies to Albert M. Richardson, G. O. P. candidate for Lincoln County Sheriff, whom we listed as being only 27 years of age last week in the News. He is 37. . . .

Lafel E. Oman, attorney and candidate for District Judge, Division II, was in town early this week campaigning for nomination on the Demo ticket. By the time you read this, Henry Jackson and wife were to have been long gone on a leisurely fishing trip to the Falcon Dam and other points in Texas. Bob Makin was to have accompanied them in his own pick-up. The Jacksons will be using their special home-made fishing and camping trailer Henry built this winter on the bed of a pick-up. . . .

A-1 Store has certainly crammed the new merchandise into their building lately. Gene Armstrong tells us he and his wife have purchased the interest of their partner, Hollis Pritchett, in that concern. . . . Fred Greenwalt says he and Fred Richardson have dissolved their partnership in the real estate agency they have here, but that Fred is still acting as salesman for the firm. . . .

Charlie Bird, game conservationist for the State Game and Fish Department, tells us he's just a little bit mad at the local fishermen. The Ruidoso has been planted recently with 2,200 rainbow trout, measuring 8 to 9 inches, and that nobody seems very interested in trying to catch them. "If the fellas don't get out on the creek banks and start thinning them out, we'll have to wait a while before we plant again—probably not 'til we get a heavy run-off this spring." Maybe the fishermen hereabouts forget that we now have year 'round fishing on the Ruidoso now. . . .

It isn't often that we receive a present at someone else's birthday party. But that's what is happening in the Village of Ruidoso, thanks to the Girl Scouts. This week Girl Scouts of the U. S. A. are celebrating their 48th anniversary with the theme, "You Can Count on Her To Be Prepared." The present we're receiving? Along with very welcome service to individuals, to other organizations, and to the entire community, the Girl Scouts are giving us something even more important: the feeling that they are preparing to take over adult responsibilities, to maintain the good elements in our community life, and to meet the challenges of tomorrow.

Happy birthday, Girl Scouts—and Thank you! . . .

U. S. Highway 380 between Capitan and Carrizozo is undergoing repairs. . . . The Raymond Buskners recently received a letter from former Ruidosoans, Nelson and Gladys Hart, now of Lubbock, who report a continuing hard, cold winter there has certainly affected the retail business. "One of the large retail department stores asked its personnel to 'take off a week' voluntarily if they could afford to, sales have dropped so." . . .

It was the wish of Ray and Marjorie Baker last week that the publication concerning the Rev. Frank E. Taylor's recent Pre-Easter sermon entitled "I have suppressed in the Ruidoso News without the signature of their accuracy in that advertisement. They objected to certain key that in the course of the church program, without any credit whatsoever. Somehow, the Bakers' wishes were misconstrued when we went to press, and the name of their firm was left in the advertisement which was to run in their regular space. We are sorry this occurred, and we hope they will understand it was a printing error—and not the Bakers' intention—of getting any commercial remark from printing such a message. . . .

Incidentally, we were reminiscing the other day about the old town hall dance that provided everybody with an evening's fun some 30 to 35 years ago throughout the country. They have faded from the picture now. There were some real pickers, fiddlers and catchers on some of the hoedowns of the country tunes—and they gave us some real thrills on Saturday afternoons, remember? . . . Ruidoso is without a building in question, and has been for several weeks. With lots of construction planned for the next few months here, maybe Mr. we better get to one, boy! . . . Fines in the local police court for January totaled only $90, and for February only $35. In February one D. W. I. fine for $175 was assessed in district court. One Ruidosoan said to his cohorts when informed: "Looks like the judge's going to be mighty lenient!" . . .

CAPITAN TO VOTE FOR ADDITIONAL SCHOOL CLASS ROOMS

The Capitan Municipal Board of Education at its regular meeting Wednesday last week received a petition signed by approximately twice the required voters requesting that an election be held for the purpose of voting bonds for the erection and furnishing of three class rooms, a multi-purpose room and a health nurses' office and room.

The Capitan Board of Education voted unanimously to accept the petition and set the date for voting on the issue for Tuesday, April 12.

The class rooms will house the sixth, seventh and eighth grades. This will ease the crowded conditions in both the present grade and high school buildings, Superintendent Bill Hall said. The multi-purpose room will be used for grade school assemblies, grade school physical education, high school and grade school plays, community meetings, etc., he added.

Amount of the bond issue will be $79,000.00, Hall said.

Dr. Lamoine Langston and Tom Riddle of the State Department of Education made a survey of the building needs of the Capitan School and the resulting petition and Board action is in keeping with their recommendations, Hall declared.

Lloyd Davis, Jr., Is Red Cross Chairman

Lloyd Leslie Davis, Jr., is serving as the 1960 American Red Cross Roll Call membership campaign chairman for Lincoln County, and reported this week he would have community chairmen and workers named within a day or so for an all-out effort for March. In Ruidoso, Hollywood and Ruidoso Downs, Davis said the Red Cross participation would be handled through a donation out of the Tri-Community Fund, to which local citizens have already given. Specific drives in all other communities, as in former years, will be staged before March ends, he added.

Davis asked the News to reproduce the President's proclamation for the Red Cross drive:

February 16, 1960

During the month of March, the American National Red Cross conducts its annual campaign for members and funds. This is one of the three campaigns authorized within the Executive Departments and Agencies. However, those local Red Cross chapters that obtained financial requirements through partnership in Federated Fund Campaigns will not make their appeals at this time.

By Congressional Charter, the Red Cross is required to provide welfare services to members of the Armed Forces and their families at home and overseas. It maintains a program of Disaster Preparedness and Relief. It offers other vital services in the fields of First Aid and Water Safety, Home Nursing, and various youth training programs.

The American people have long provided the volunteers and the funds that make this great work possible. I urge employees of the Federal Government and members of the military establishments to continue their fine record in support of the Red Cross.

Road West Of Alto Placed On County's Road Priority List

The road up Eagle Creek, west from Alto to the junctions of the two forks of Eagle Creek was placed on the County Road Planning Committee's priority list, and is to be improved at some future date, likely no sooner than three or four years from now, and the retaining as first priority for improvement this year out of funds available for county roads, the road east from Corona about five miles, was among business talked in the annual Road Planning Committee meeting held in Carrizozo Monday.

Ruidoso delegate W. A. Hart asked that the Eagle Creek road be listed as among projects the county should plan on improving as soon as funds are available.

Second priority is still held by the White Oaks road from U. S. Highway 54 northeast from Carrizozo, and it may be the next to get attention after the route east from Corona.

A representative of the U. S. Forest Service, a representative of the State Highway Department, as well as members of the board of county commissioners attended the meeting of the committee. About 25 people were on hand.

J. Emmett Reese, chairman of the county board, reported on the county's long range program in recent years of securing much needed additional equipment for road work, and on the county's construction of a headquarters building and repair shop at Capitan, a central point in the county, for its equipment. "And, it will all be paid for including all the equipment by the time all work is completed on the building at Capitan," he declared.

Hart introduced a motion passed unanimously that the county commissioners be given a vote of thanks by the Road Planning Committee for its assistance in years past in the county's overall road improvement program.

Mrs. R. K. Knox Heads County Republican Women

When the Lincoln County Federation of Republican Women met for an organization session in Capitan last Friday, Mrs. R. K. Knox of Ruidoso was elected president; Mrs. Marian Schlarb, Carrizozo, vice-president; Mrs. Wilbur McKnight, Hondo, secretary; Mrs. Herbert Smith, Ruidoso, treasurer.

The present organization is the first to be activated by this group in 12 years, it was reported. A county-wide meeting of the club to get acquainted with Republican candidates is planned sometime soon, date to be announced.

New Lincoln Forest Supervisor Pledges Co-Operation To Ruidoso

Russell Rea, newly appointed supervisor for the Lincoln National Forest, succeeding Everett Doman, met with village officials and chamber of commerce directors and committee members here last Friday afternoon to discuss the proposed winter resort project proposed for White Mountain Park. Rea expressed a desire to assist in every way to help speed development of the park. Those present questioned him in regard to ways and means of securing a special appropriation from Congress for an access road to the park—now required to be built by the developer in a concession bid that is being asked for April 15. He said he knew of no such project in the past, but that perhaps some roads had been built through that means.

The group discussed its plan of sending a delegation to Washington shortly after April 15 to press for federal help on the road. Carmon Phillips, secretary of a co-ordinating committee on the Washington trip, reported Ralph Brown, local pilot, would provide air transportation on a share expense basis for at least three representatives from this area. W. A. Hart, chairman of the co-ordinating committee, presided at the meeting. It had been called by Tom Hood, committee member, and mayor pro-tem here.

In Securing Winter Sports Project Designation Of New Through Hiway May Take Some Traffic Off U. S. 70

(Editor's Note: Loss of some traffic through this area off U. S. Highway 70, and possibly off U. S. Highway 380, may result from a movement being sponsored by West Texas communities and some communities in Eastern New Mexico. A report of that movement is given in this news story from Santa Fe.)

The State Highway Commission agreed Friday to join Texas and Arizona officials, if they give their consent, in an application to renumber two southern New Mexico routes.

The designation of US-82, whose western terminus is now at Lubbock, Texas, would be extended through Brownfield and Plains, Tex., Artesia and Alamogordo to Las Cruces.

Commissioner John Sudderth said chambers of commerce of Lubbock, Lovington and Artesia favor the change. In New Mexico the route is now NM-337, NM-83 and US-70.

Also requested was renumbering to designate as US-80 the highway from El Paso across New Mexico via Deming and Silver City to Holbrook, Ariz. The present designation is US-260. Commissioner Frank Tatsch of Silver City said the Silver City Chamber of Commerce supports the transfer.

Requests will be presented to the numbering committee of the American Association of State Highway Officials.

SCHOOL CENSUS IS UNDERWAY

The annual school census for the Ruidoso School District is now being tabulated.

The law requires that a school census be made each year and is to include every unmarried person residing in the school district who will be six (6) years of age or over, and not over eighteen (18) years of age on the first day of January following the taking of the census.

The census tabulation is under the supervision of Cy Leland and his Journalism Class students. It is quite a meticulous task to obtain the exact date of birth for each eligible student in the school district, school officials point out. One of the most difficult groups is the group who will attain their sixth birthday on or before next January 1.

Parents of children who will have reached their sixth birthday during 1960 are urgently requested to call the superintendent's or any of the principals' offices and supply the needed information. Names and telephone numbers are as follows:

J. H. Morris ..... CL 7-2281
Dwight Watkins ..... CL 7-2285
Pat Valliant ..... CL 7-2285
Herbert Traylor ..... CL 7-3321

Any one having knowledge of children becoming of school age are also requested to notify any of the above and personal contact with the parent will be made. It is most important that each eligible child be enumerated.

Letter to the Editor

March 8, 1960

Mr. Vic Lamb, Editor
Ruidoso News
Ruidoso, New Mexico
Dear Vic:

In order to clarify any confusion that might have been caused by the publication of the call for election regarding the general obligation bond issue of $100,000.00, I am writing you this explanation.

There are various purposes for which general obligation bonds can be issued, one of these purposes is for street improvements. The term "street improvements" includes the acquisition of right of way and/or damages, but the Bond issue itself can not limit the use of funds to right of way acquisition or damages. This can be done only by the Village administration. It is, of course, the intent of the present Village administration to use the proceeds of this bond issue only for right of way acquisition or damages and it has been entered on the minutes of the Village records that if the street improvement does not materialize then the bonds will not be sold. In other words, the sole purpose of issuing the $100,000.00 of general obligation bonds is to acquire the necessary right of way and pay damages with the actual cost of street construction being borne by the property owners along main road.

I hope that this explanation will clarify the situation in the minds of some of our citizens who are not entirely familiar with the procedure.

Yours truly,
T. D. Head
Mayor Pro-Tem

RICHARD A. STANLEY

Alamogordo Attorney Announces For District Judge

Richard A. Stanley, age 41, prominent Otero County attorney, has filed as a candidate on the Democrat ticket for election to District Judge, Third Judicial District, Division I. His opponents are W. T. Scoggin, incumbent Judge, and James A. Landon, both from Las Cruces. Stanley is well qualified for the post, not only from the standpoint of his experience as an attorney, but also from the viewpoint of his personal qualities and judicial temperament. Stanley, presently a private attorney in practice in Alamogordo, has established a reputation as an honest, able and industrious trial attorney.

For the past four years, Stanley has been superintendent of the Sunday School at the Episcopal Church. He is presently a member of the City Commission of Alamogordo. He was Assistant District Attorney for two and one-half years in 1953, 1954 and 1955. In 1956 he was president of the Otero County Bar Association. He has been active in civic affairs in Alamogordo, and is a Mason, Lion, Elk and Legion.

Stanley is a graduate of Oklahoma A. & M. College, and the University of Arizona Law School. He is a World War II veteran, having served as a pilot in the Pacific Theatre. Stanley is married and has two children. He has been a resident of New Mexico since 1943 and practiced law in Alamogordo since March, 1950.

Stanley states that as Your District Judge, he will display and apply honesty, industry and courage blended with humility and understanding in the administration of equal justice under the law.

Lions Club To Send Delegates To State Convention

The Ruidoso Lions Club, in the meeting Tuesday night at Carrizo Lodge voted to send delegates to the state convention at Raton in June. The delegates will be named at the next meeting of the club.

A large number of members of the local club attended the meeting of the Tularosa Lions Club on Thursday, Feb. 25, and a regular Tuesday night meeting was not held that week.

Body Of Pilot Is Found After Four-Day Search

Members of the Civil Air Patrol in the Ruidoso area, and private pilots, as well, were on the alert for four days last week-end awaiting word from the Air Force they might be needed in a search for a lost pilot, or for his body, believed down in the rugged mountains of South Central New Mexico. Numerous Air Force planes and helicopters were used on the western slopes of the Sacramento and the White Mountains hunting for the man, Capt. M. R. Roberts of Holloman, who radioed the control tower at H. A. F. B. he was going to have to eject from his jet last Thursday afternoon.

Roy Baker, communications officer for this area for the C. A. P., was on his "ham" radio as many hours as possible, ready to assist.

The wreckage of the jet was found Friday about four miles from Bent in the foothills of the White Mountains. The body of the pilot was found, with his parachute fouled, on Sunday about five miles from the wreckage, and about four miles north of U. S. Highway 70 in the mountains in Dry Canyon.

Truck Driver Is Accused Of Theft Of Trees

The FBI has charged an unemployed truck driver in Houston, Tex., with cutting down 735 Christmas trees last November on U. S. forest service land near Capitan.

Duane Graham, 36, of Houston, went to jail in lieu of $500 bond set by U. S. Commissioner Billy Costa. Graham said the bond represented about what he made on the trees. But he took issue with the government's tree count.

"There were only about 400 trees," Graham told newsmen. "Do you think you can get 735 trees on a 15-foot bobtail truck?"

"We went through the woods and when we saw the signs on the trees that indicated it was forestry service property, we went on beyond and cut some fir and spruce," he said.

Did he pay for the trees?

"Well, not exactly," Graham replied. "We had, most of the trees loaded on the truck when a man drove up and asked us if we knew we were on private property. We said we knew it and asked how much we owed him."

Graham related the man had several companions and said he had to take them home but would return for his money.

"We waited a couple of hours, but when the man didn't come back and it looked like it would snow any minute, we got out of there. I know who he is."

Graham said he brought the load to Houston and opened a Christmas tree lot. "I sold all the trees because we didn't try to rob the public. We sold them for 50 cents to $2.50. I guess I made about $500 profit on the lot."

WESTALLS TO REBUILD DAIRY QUEEN

Mr. and Mrs. George Westall this week were making preparations to tear down their Dairy Queen plant at the junction of U. S. Highway 70 and Ruidoso's Main Road in Hollywood, and rebuild it in a slightly larger size a few feet back from its original location. They hope to have the new stand ready for opening early in the spring, "weather permitting," George said.

New Motel Being Built In Upper Canyon

The upper part of the canyon will have another motel built of cinderblocks, when Mr. and Mrs. Albert Taylor complete their eight-unit court now under construction. The Taylors bought the former Word cabins last September, which are located directly across the road from Jewel Lodge and on Main Road above Montie's Riding Academy. The motel will have four units with kitchenettes and four sleeper units, and will be called "The Lazy T Inn." The Taylors lived in Albuquerque for three years before they moved to Ruidoso, and are originally from St. Charles, Mo. They hope to have the Inn ready to open about May 20. Taylor is doing the work himself at present, but will have some help later. The Taylors have two daughters, Judy, who is in the 9th grade and Sharon, in the 6th grade in school here.

Formal Dedication Of New Wing For Local Hospital Set March 26

RESIGNS—Bill Hall, above, superintendent of Capitan schools the last four years, has resigned that position. He will leave the school system at the end of the current term, planning to "go back to college" to earn additional educational training, he said. He will be succeeded by Duane (Dub) Darling, who has been high school principal for several years.

The new wing for Ruidoso-Hondo Valley General Hospital, put in use recently when a flu epidemic swept through the country, is to be formally dedicated in a program and with an open house on Saturday, March 26, at 3 p. m., the hospital's board of directors decided in its regular meeting here Monday night. Manager Chuck Kuchar said the board would invite the mayor, postmaster, former managers and other persons in the community to be on hand for a ribbon cutting. Following the ribbon cutting, an invocation will be given, and an open house from 3 to 6 p. m. will be held in the new wing and in the rest of the hospital as well. The open-house will be extended to Sunday afternoon also, Kuchar said.

The Ruidoso Business & Professional Women's Club is to serve a silver tea that afternoon, and again on Sunday, from 1 to 6 p. m., with all proceeds going to the hospital's needs.

Kuchar mentioned that the dedication will be coincidental with the hospital's 10th anniversary. He mentioned that planned for the future is some remodeling and changes in present rooms of the old portion of the hospital.

FOR RE-ELECTION — Lewis Cummins, a Democrat and a retired Capitan school teacher, has announced his candidacy for re-election as Lincoln County Treasurer, and has no opposition in the primary, or general election.

Ruidosoan To Install TV Cable Service At Ft. Stanton

Ronnie Battles of Ruidoso has been awarded a state contract to construct a TV cable service for Ft. Stanton, and to service it for 90 days after it is completed. Currently he is surveying Capitan with a postcard query asking if that community would desire a similar service. He proposes a three-channel service at Capitan.

Capitan Seniors Present Play There Tonight

The seniors of the Capitan high school will present their annual play tonight (Friday) at 8:00 p. m. at the school auditorium. The title of the play is "A Feuding Over Yonder," and is directed by Mrs. Emma Gene Hall.

The cast is as follows: Becky Mae Hornhonker, Juanita Griego; Izzy Fry, Fernando Montoya; Emmy Fry, Betty Walker; Ma Fry, Bennie Trujillo; Clem Fry, Joe Lee Smith; Willy Hornhonker, Kenneth Huey; Pappy Popoff, Sammy Gabi; Rosabell Fry, Carol Bonnell; Zeke Popoff, Jim Kerr; Mountain Maggie, Savella Joy; Traveling Preacher, Claudio Montoya; Aunt Harry Hornhonker, Barbara McGrew; Guests at a wedding, Cecilia Griego, Arcenia Trujillo and Christina Cozzage.

The play is a musical comedy and will have special square dancing and songs. Admission is $1.00 for adults and 50¢ for students.

Drive-In In Skyland To Open Soon

New owners of the Skyland Drive-In, located across the road from Swearingin's Insurance, are Mr. and Mrs. J. B. Dobbins and their partner, Verne Gummeson. The Dobbins are now busy painting and remodeling the place and plan to open on Saturday, March 19. They will serve hamburgers and all kinds of food for people to buy and take out to eat.

Mr. and Mrs. Dobbins lived in Alamogordo for a year before coming to Ruidoso a couple of weeks ago, and before that lived in Carlsbad, where Dobbins was in the trucking business. Gummeson came to Ruidoso from California. The Dobbins are now living in the house next to the Drive-In.

Dixie Lee Capps, Rodger Herald Pope Repeat Wedding Vows

Marriage vows of Miss Dixie Lee Capps and Rodger Herald Pope were solemnized on Saturday, March 5, in the Presbyterian Church in Ruidoso, with the Rev. C. Edward Ditterline, Methodist minister, officiating at the double ring ceremony. The bride is the daughter of Mr. and Mrs. James C. Capps of Ruidoso, and the groom's parents are Mr. and Mrs. Herald D. Pope of Ruidoso Downs.

The bride was given in marriage by her father, and wore a gown of lustrous bridal satin with a fitted bodice and a bouffant skirt which dipped to a chapel train. The neckline was appliqued with imported Alencon lace and seed pearls and the shirred sleeves were trimmed with Alencon lace and handmade satin roses. The draped skirt was also caught with satin roses. She carried a bouquet of yellow baby roses and white stephanotis with white satin ribbons. For something old she wore her mother's wedding band, the something new was her wedding dress, for something borrowed she had an old coin in her shoe and for something blue, she wore a blue garter.

Miss Theresa Capps, sister of the bride, was maid of honor, and wore a gown of crystal blue silk organza fashioned on straight lines with full back interest. She wore a matching half pixie hat with tulle fleet.

The bride's maids were Miss Ann Capps, sister of the bride, and Mrs. Charles Perry, both wearing maize silk organza dresses with tucked bodice and full circular skirts with hats of matching fabric. Each carried a cascade bouquet of feathered carnations in maize and crystal blue.

The flower girl, Miss Keven Mehaffey, a cousin of the bride, wore a dress of maize silk organza similar to the bride's maids and carried a basket of white and maize gladioli petals.

Richard D. Pope, brother of the bridegroom, was best man, and the ushers were Robert Pope, another brother, and Charles Perry. Jim Capps, brother of the bride, was junior usher. The bride's mother wore a gown of navy blue crepe, fashioned with a fitted bodice of lace accented at the waistline with a draped belt. Her accessories were pink and navy and she wore a corsage of pink roses.

The bridegroom's mother wore a two-piece knitted blue suit with seed pearls at the neckline. Her accessories were black and she wore a white hat. Her corsage was pink roses.

A reception was held at the Methodist Church Youth building, immediately following the ceremony. The serving table, covered with an imported cut-work cloth over blue, was centered with a five-tiered wedding cake topped by a miniature bride and groom, and was made by Mrs. Bob Pope of Alamogordo, a sister-in-law of the groom. On each side of the cake white tapers burned in tall silver candelabra. The cake was cut and served by Mrs. Al Arend and Mrs. Bob Pope, and the punch was served by Mrs. R. K. Knox and Mrs. Gene Nash assisted by Mrs. Gladys Nosker, Mrs. R. L. Johnson and Mrs. T. J. Short.

The newlyweds left on a trip to Phoenix and other points of interest in Arizona, and on their return will be at home in Ruidoso.

The bridegroom was graduated from Ruidoso High School and attended New Mexico State University. He is presently employed by the Forest Service.

The bride graduated from Ruidoso High School and attended New Mexico State University and the University of New Mexico. She recently finished a business course at McCauley's School of Business, and is also employed by the Forest Service.

PROCLAMATION

WHEREAS the Girl Scouts of the United States of America have rendered continuous service to their country and communities since their founding on March 12, 1912; and

WHEREAS we the People of Ruidoso are aware of the important contribution to community welfare being made by Girl Scout leaders through their work with the youth of the nation; and

WHEREAS the Girl Scout organization has grown to more than 2½ million girl members and almost 800,000 adult leaders, who are each day living up to their Promise to Do Their Duty to God and Country, to Help Other People at All Times, and to Live By the Girl Scout Laws of loyalty, honesty, courtesy, cheerfulness, usefulness, kindness, and helpfulness to others;

NOW, THEREFORE, I, T. B. HOOD, by virtue of the authority vested in me as Mayor Pro-Tem of Ruidoso, hereby proclaim March 5 of this year 1960 as Girl Scout Week and March 12 as the 48th Anniversary of the founding of Girl Scouting in the United States of America. I therefore call upon all citizens to give the Girl Scouts now and in the coming years the fullest cooperation and support so that increasing numbers of girls may benefit from the splendid program of training in citizenship which the Girl Scout organization offers.

s/ T. B. Hood
Mayor Pro-Tem

Ruidoso, March 5th, 1960.

Hondo P-TA Honors Supt. Montes For 25 Years' Service

Supt. Fergus S. Montes was honored at the 1st Hondo Valley P-TA meeting for a quarter of a century of service in the Hondo Schools.

According to Mrs. Joe W. McKnight, P-TA President, Mr. Montes began his teaching career in September, 1935, as a teaching principal of the Hondo Elementary Schools. In 1942 he was elected superintendent, and has held this position for the past 17 years.

Mrs. A. N. Kimbrell, a past P-TA president, and a former school board member, made the presentation to Mr. Montes of a P-TA life-time membership certificate and pin. She expressed the sincere thanks of the P-TA for the help and support he had given to the association since it was organized 14 years ago. Mr. Montes is a charter member of the association. Mrs. Kimbrell also expressed the gratitude of the community for his untiring efforts the past 25 years to further the progress of the Hondo Schools.

World Day Of Prayer Observed In Ruidoso At Episcopal Church

The "World Day of Prayer" was observed in Ruidoso Friday, March 4, with a program at the Episcopal Church. Mrs. Carl Longabaugh was in charge of the entire program. Father Brown, minister of the Episcopal Church, opened the meeting with a prayer. Mrs. Harold Jones was in charge of the business meeting which followed. A nominating committee was appointed to select officers for next year in the United Church Women's Organization.

Mrs. Paul Van Dyke was appointed chairman, with Mrs. Frank Taylor and Mrs. C. Edward Ditterline as members. Mrs. Jack Little was appointed treasurer to fill out the term of Mrs. W. C. Campbell.

The program, which was on "Laborers Together With God," was given by several ladies from Mescalero, with Mrs. Harvey Calabeck, wife of the pastor of the Reformed Church in Mescalero, as chairman.

Rev. Frank Taylor of the First Christian Church gave the dedication prayer for the offering and gifts, and the closing prayer was given by Father Brown. Approximately 30 women attended. The next meeting of the United Church Women will be in May, and will be held at the Methodist Church in Ruidoso.

Bennett's Foodliner Is Stockholder In Tri-State Wholesale Buying Co-op; Lower Grocery Prices Are Forecast

Bennett's Foodliner, of Ruidoso, now in its fifth year in its new and larger quarters on Mechem Drive, has pledged an all-out campaign to bring down grocery prices with a frontal attack on the high cost of living in two directions.

First, the concern, operated by R. A. and Vida Bennett, has become a stockholder in a fast growing wholesale grocery buying co-operative, the Tri-State Wholesale Associated Grocers, which headquarters out of El Paso, and which now has more than 200 independent grocery store owners in three states holding stock in the concern; and secondly, the local firm is going to all cash business as soon as possible. In fact, the Foodliner embarked on this campaign several months ago and is slowly converting all charge accounts to cash business. "The savings this will mean to all concerned is obvious," Bennett told the News last weekend, "We have continuous use of our money—having none tied up on the books—which means we can operate cheaper because there is no cost in bookkeeping, no time is spent on this ever-lasting chore, and also, our money is available for purchasing in quantities at savings. In addition, there is no loss from bad accounts, which all credit concerns must figure on."

In the Tri-State co-operative, which is affiliated with the National Retail Dealer Grocers, Inc., a nationwide business, Bennett has the same vote as a big chain in a large city, he declared. Each member, to enter the co-operative, must deposit an average of a month and a half's wholesale purchases. Larger stores, or chains, may put in a larger amount of capital for the co-operative's buying operations, but the larger amount still does not entitle the depositor any more votes—all members still have one vote each.

Bennett, who has been a retail grocer here more than a dozen years, said through the Tri-Sate organization he can secure as much as 60% of the merchandise he needs to stock his store. He says several El Paso groceries, including the Big 8 chain, are members, and that two other Lincoln County stores are also in the co-op. They are Cummins of Capitan and Thornton's of Carrizozo. The three in Lincoln County get weekly delivery of wholesale items, which include canned goods, frozen foods and dry groceries. It is the plan of the big co-op eventually to go into produce and meats in a big scale.

Bennett predicts the housewife will almost immediately begin noticing savings in food purchases with this new source of lower wholesale items. "We are not competing so much with each other in Ruidoso as we are against stores in neighboring towns," he sums it up. "If we operate on the same basis as they do—selling for cash and buying at much lower wholesale prices, we can certainly bring back home some of the trade going out of town."

Capitan Prepares New Track Site For Spring Events

A bulldozer was at work early this week on the school grounds at Capitan shaping up a new track for this spring's track and field events there. A new 220-ft. track will be ready in just a few days, Superintendent Bill Hall said.

Coach Louis Stratton reported this week there were 27 men reporting for track this season, and that competition with neighboring schools is to get underway in just a few days. The track hopefuls were out in full force Monday in training.

BARBARY SHEEP HUNT SET

Applications may be filed now for license to hunt Barbary sheep. The hunt takes place May 21 through 29. Deadline for receipt of applications in the Santa Fe office of the Department of Game and Fish is May 4 at 10 a. m.

Twilight Tournament Held At Holiday Bowl Last Saturday Night

About 20 Ruidoso bowlers took part in a twilight tournament Saturday, March 5, at Holiday Bowl. Partners were chosen and each bowler paid $2.00. In first place, with a score of 1200, were Dixie Burgess and Wayne Harris; second place were Raymond Adamson and Bob Vehmar with 1162 and third place were Mr. and Mrs. Mansfield, visitors from Littlefield, Tex., with 1157. First place winners received $20, second place $15 and third place $5. In a twilight tournament most of the lights are turned out, with the exception of the lights on the pins and the lights in the front of the bowling alley, where the lunch counter and the checking desk is.

High Scores Of The Week At Holiday Bowl

High scores of the week at Holiday Bowl for the week of Feb. 29 including March 6, were Dixie Burgess 206, Tom Choate 246, and in the junior division Allen Edgar 215.

CONSTIPATED? Medical reports show how folks over 35 can establish regularity

After 35, irregularity often becomes a problem. What you need is something that aids nature and helps establish *regularity*. Such an aid to regularity is the daily use of SERUTAN. Here's medical evidence: A group of men and women took SERUTAN daily under medical supervision. In every case SERUTAN, taken daily, helped establish *regularity*. So, for real relief from constipation after 35, try SERUTAN, powder or granules.

The Talent Show held last Thursday was a real success. All of the high school and junior high attended. The acts included singing, dancing, piano and trombone solos, pantomime and comedy. Mrs. Georgia Griffith, Mr. J. H. Morris and Mr. Carmon Phillipe were judges. They had a hard time picking the winners but they finally selected Tuffy Wilson and Shelby Miller as the first place winners. They did a pantomime to Stan Freeburg's "Rock Island Line." Second place winners were Judy Beall and Mabel Cosper who did a modern dance. Lorena Sanchez and Judy Beavers took third place with the song, "I Said My Pajamas and Put On My Prayers."

The prizes were eight show tickets, compliments of Mt. Vue Sho-Dyn, a four pound box of candy, and a dozen pencils. The first and second place winners also get to go to Capitan today to appear in their talent show.

The Junior and Senior classes have elected their Class Favorites for the year 1959-60. The Senior Favorites are Lorena Sanchez and Brian Nooker. Idy Traylor and Billy Hall are the Junior Favorites. They are all active in school organizations and well liked by the whole student body. Congratulations Favorites!

Last week an important announcement was left out by mistake. One of the Ruidoso Warriors was named to the All District team. He is George McGuire, a junior. George was just about the backbone of the whole team this year and he consistently played a strong defensive and offensive game. Congratulations, George!

• • •

The Seniors have selected "Desperate Ambrose" for their play this year. It is a rootin' tootin' western and completely different from anything ever presented at RHS. The cast consists of six girls and six boys ranging all the way from Posie, the colored maid, to Stinkweed, a wild cowboy. There is not a definite date set yet but it will probably be in late April or early May.

TRY NEW THRILL — Photographer I. G. Holmes of Lubbock, Tex., visiting in Ruidoso recently, snapped a picture of two men using a new type of snow sport gadget, which they made and which they called ski jumpers. Here they are trying it out on Cedar Creek run. Sorry, Holmes, who operates Holmes House of Photography, didn't get the names of the men.

Angus & Bonito

By EULA CORDER

The weather has been beautiful and almost spring like in the mountains for the past week. This weekend there were many tourists in the mountains for rides, picnics and skiing.

Thursday afternoon the 4th a jet plane from Holloman Air Base crashed in the mountains and the pilot, Captain Roberts, bailed out. The army and many men searched the rugged mountains Thursday night, Friday and Saturday for the missing pilot. Everyone was saddened and so concerned for Captain Roberts all the hours the hunt was on. It made one feel so helpless to realize the vastness of the mountains and not knowing where to look. Even a little 5 year old girl was so worried about him, that she wanted her mother to get the car and drive as far as they could and then walk and hunt the pilot.

Sunday morning all hope was lost for the pilot when word came over the radio that his body had been found. He had not survived the crash. Our deepest sympathy goes out to his wife and children at Alamogordo and his folks in Oklahoma.

Mr. and Mrs. Collins Walker returned home after a visit to Hobbs and Collins' folks at Lockney, Texas. The Walkers were glad to get back to the mountains where it was warm, after running into the ice storm at Hobbs and over in Texas.

It is really nice to have Mr. and Mrs. Charlie Elam, Tresa and Cindy back in the mountains. Charlie and "Red" Kelley are doing some repair work for "Sonny" Wright.

Mr. and Mrs. L. V. Stone from El Paso were up for the week-end. The Stones were doing some work on their cabin.

Mr. and Mrs. Albert Thomson from Roswell spent the week-end at their cabin at Bonito City.

Mr. and Mrs. Gradon Caudill and Mr. and Mrs. Osborne Fisher from Lovington came out to the Corders' for a visit Sunday. The Caudills have a cabin at Ruidoso and also some lots at Angus.

Week-end guests with the Marvin Jones was Mrs. Jones' brother, John Menges and her sister and husband, Mr. and Mrs. Genne Story, all from Reserve, N. M. Saturday Marvin took his hunting dogs and the two men up on Loma Grande cat hunting. No luck, but they enjoyed the hunt anyway.

Mrs. Gil Peters talked with Mrs. Harold Baldwin one day recently. Mr. and Mrs. Baldwin are in Truth or Consequences with their son Howard. She reported that Mr. Baldwin is gradually improving. Mrs. Peters also said that a very interesting film on Martin Luther was shown at the Nazarene Church at Capitan Sunday night.

Mr. and Mrs. Ira Young have returned home after working at Pecos, Tex., for several weeks. Ira has been busy working in his yard, putting out roses and other plants, and also building trellises for the roses. The Youngs have a very beautiful yard and shows that many hours of work have been spent on it.

Your Minister Writes

HOW BIG IS YOUR GOD?

Few who read these lines would honestly say there is no God. Many, however, would express varying ideas concerning God. One of those variations is in our opinion of the "size" of God. To some God is no more than an Elder Brother to comfort them in time of sorrow. To others God is a dignified Santa Claus to supply their need upon the spur of the moment. Some feel that God is nothing more than a spirit of goodness that ought to rule the community at Christmas time. Also others look upon God as a good-natured grandfather who closes His eyes to their "mistakes" and loose-living. These views are of a God that is too small for any of us.

Perhaps if we will honestly answer the following questions concerning "our" God it will help us to see how big He is. Is my God big enough to be the Creator of all things? If so all things are His and we are but stewards. Is He big enough to supply my needs? If so much anxiety and fear ought to vanish. Is He big enough to deserve my loyalty? If so it ought to mean more people worshipping Him. Is He big enough for me in happiness and prosperity as well as in sadness and poverty? If so I ought to live daily knowing the closeness of His presence.

God is just as small to each of us as we cause Him to be. Likewise, He is just as big as we permit Him to be. How big is your God?

Letter to the Editor

(Editor's Note: Joe Coe asked us to print the clipping below, saying "I hope you can find space for this.")

* * *

Americans, two weeks ago I, Paul Harvey, started out chasing a sneak thief—and I ended up with the detection of Public Enemy Number One.

I have been two weeks on the trail. I am very tired. But the job is done.

No convictions yet. But I can name him now. And he is yours to prosecute as you see fit. Before I tell you his name, here's what happened.

Two weeks ago I got a letter from a farmer on the subject of the election. But he included this question: "Who is the middle man who is getting rich off the farmer?" He said he sells a bushel of wheat for $1.73. By the time that bushel of wheat is made into 60 loaves of bread it costs housewives $15.84.

Whoa there! "Who's getting rich on me?" the farmer wanted to know. Well, I've heard that question repeated so often that I have stopped listening to it. But suddenly I decided on the one way to silence that nosegome question — nobody had tried—and that was to answer it.

Well, with my limited staff we started playing detective. For the wheat in a loaf of bread that farmer gets 2½ cents. But you pay 24 cents. So you are both being robbed by somebody. Who?

I figured I'd backtrack on the culprit. So I went to the grocery store. "How much do you take out, Mr. Grocer, when you sell a loaf of bread?" I said. "There's more than 20 cents missing that somebody's getting. Is it you?" Well, the grocer showed me his markup is confined by competition to only three cents. In view of his salaries, and overhead, that markup seemed fair enough, especially when he explained that he has to pay more than half of it back in corporate income taxes not covered in the sales tax. And also he contributed to the Social Security and unemployment taxes of his employees.

He pays an electric bill every month plus a tax on it. And his delivery truck was taxed when he bought it and the gasoline it uses and the license plates it wears are all taxed. So all his overhead, not to mention his own income taxes, made three cents seem a fair enough "profit" for the grocer to make on that loaf of bread. Anyway, he wasn't the robber I was looking for.

I went to the wholesaler and rode on one of the trucks that delivers the bread. Maybe this driver was the boy who's been picking the farmer's pocket. After all, the Teamster's Union, you know. But I divided the number of loaves of bread the man delivers by his wages per week and his take is less than 1/20th of one cent a loaf. So he's doing all right. But he's not stealing anything. There's too much spread between the price and the cost of a loaf of bread.

The guy I was looking for doesn't just have a finger in the kitty. He's in there with both fists. I kept looking.

There were two tedious days of sleuthing for this sneak thief before I backtracked on that loaf of bread as far as the flour mill. But I made sure that I didn't miss any possible middle-man in the bakery or in the railroad that hauled the flour—or anywhere.

And not one was getting away with anything. I mean the profit slice which each took for his services was an infinitesimal fraction of one-tenth of one penny per loaf. Not even measurable.

Then I got a tip. Check the sugar source. If nobody in the wheat-flour ingredient was robbing us, maybe the sugar people. I backtracked to a New Orleans refiner and it was another dead end. The price you pay for the sugar and the salt and the yeast and the milk solids and the shortening in the loaf of bread—all put together—comes to less than one-fourth of one cent per loaf. So—

And here is where I stubbed my toe. By the time I added up everybody's profit for handling the materials and the finished product plus the cost of the ingredients—I figured it all up—and it came to 12 cents. You should be paying 12 cents for a loaf of bread.

But I can't get my grocer to sell me a loaf for less than 24 cents. "Who's doubling the price of my loaf of bread? Who's getting away with that other 12 cents?" I had figured every handler's wage down to the most minute fraction. My figures could not be wrong. But a loaf of bread added up to 12 cents and it's still selling for 24 cents. I was getting as angry as the farmer who'd written me that letter. It's frustrating to have your wife go to the grocery store and—somewhere in there—get robbed by a ghost.

Well, I went back to the farmer. I decided to start all over again, but working forward from the farmer. The research went faster this time because I knew the direction.

And this time I caught him—red-handed. The guy who's picked your pocket every time you buy a loaf of bread. And he's been dealing himself in when you buy milk, too. There are 200 separate transactions involved in getting a quart of milk from the pasture to your doorstep. And sure enough, I found the same guy doubling the price.

The syndicate he operates is so smooth and so subtle that it's little wonder he's escaped the rap for this before. But I'm going to name him now, because he's gradually aiming to double the price of your loaf of bread again.

While the farmer fusses and fumes and shadow boxes with imaginary villians, the real one has been in hiding. I took that farmer's bushel of wheat to market. The farmer got $1.73 for it. Two and one-half cents per loaf of bread.

But when the flour mill added its fraction for milling—wait a minute—the flour to make one loaf of bread had suddenly doubled. It comes out of the mill costing five cents. Still, the mill is getting only a minute fraction of a penny for itself.

But the mill is required to pay—now the trail gets warm—the mill has to add on seven federal taxes and eight separate state taxes.

The railroad which hauls the finished flour—now the trail gets hot—keeps only a tiny fraction of a penny for its services—but adds on two pennies to pay five federal taxes plus state taxes in every state through which the shipment passes. In this case there were three. Jumping Jehosephat!

I though taxes just soaked the rich! This is soaking anybody who buys a loaf of bread.

And when I backtracked on those other ingredients, I found the sugar refiner paid eight federal taxes and six Louisiana state taxes. The railroad that hauled the sugar paid taxes. The warehouses where salt was stored in Chicago paid taxes. The shortening manufacturer paid, the yeast factory and producer of milk solids. . . .

Each was keeping for himself such a minute profit that the total cost of the ingredients had added only two pennies, BUT THE TAXES HAD PYRAMIDED TO MORE THAN TWICE THAT! I was an amateur detective. But I did the best I could. And when I finally retraced the loaf of bread back to the grocer's shelf, I understood why that price tag is more than 10 times what the wheat farmer gets. BECAUSE THERE ARE 131 SEPARATE TAXES ON THAT LOAF OF BREAD.

You and I have been complaining, however feebly, about the whack the income tax takes out of our weekly paycheck. While we were watching our wallet pocket, the hidden tax has been emptying our coin purse. And again and again and again. After all, we've consoled ourselves, the tax man gets only 20% of my income. It's worth that to live in America.

But there's a lie and delusion. The "tax man" has been picking your pocket for 12 cents every time you buy one loaf of bread. But with such clever sleight of hand—by such an involved and complicated multiplicity of hidden taxes—that his hand is quicker than our eye.

You think you pay a hundred dollars tax when you buy a new car? Listen—there have been $28 in hidden taxes collected on that car before it ever leaves the factory. And then there are all the taxes the dealer pays, taxes on income, property, taxes when you transfer the title, when you pay the state tax. So when you pay $2,000 for a car—more than one-fourth of that price is just for taxes—AND ONLY PEOPLE PAY TAXES.

We can hear that our federal government is sending a billion dollars to Tito—and we figure "So what?" But every time our government spends a billion, it taxes the average American family another $25. Only people pay.

How much different it might have been if our government had said it in another way. That every American family is asked to chip in $25 this year "for Tito." Wow!

Conversely, every billion dollars which our government saves—every billion "less" that it spends—decreases the tax load for the American family of four by $25. Wow! I'm going to remember that.

Every time the Washington or state spenders speak of spending another billion for something or other, I'm going to remember it's $25 of my dollars they're spending. It'll make a difference.

Yes, I've finally tracked down the pick-pocket. The middle man every farmer has wondered about. The guy who's behind the high prices every housewife complains about. I've found him. And his name is Sam. But Uncle Sam is not alone. His accomplices are the tax laws of 49 states which add one-third to the price of one quart of milk.

The farmer's truck and the tractor are taxed. The delliveryman's truck and the tires on it and the battery in it. Even the air in the tires of that truck has four hidden taxes on it. I mean it; the power to run the compressor motor is taxed; the oil for the compressor; the gas station attendant; the sales tax on the compressor motor and the rubber hose. Four taxes on the air in the tires of the truck that hauls your milk. When you get that explicit, counting the indirect as well as the direct taxes, there are more than one thousand taxes on one quart of milk.

Historically, whenever any nation taxes its people more than 25% of their income, that nation has been eating its seed corn—headed for economic decay. Already our taxes are devouring more than a third of every income dollar. They sought to slip the money painlessly from our paychecks by withholding it before we get it.

They are like an iceberg, the far greater hunk of our tax load is under the surface—out of sight.

The best kept secret in the United States today is the whole size of the tax load.

There are 150 taxes on one lady's hat. Gasoline would sell for two cents a gallon—except for tax—and it has just been raised again.

When are you going to draw the line? I started out on the trail of a sneak thief and ended up with Public Enemy Number One.

Now he's yours to prosecute as you see fit.

Kannady Named Consulting Engineer For Ruidoso

In its last regular meeting, Ruidoso village council named Jack Kannady, local engineer, as consulting engineer on a retainer basis for the village. He is currently preparing a preliminary survey for a street improvement project here. He will also be available for work with the village planning and zoning commission.

Also discussed was the date for inspection of sewer mains and laterals. The sewer system disposal plant has already been inpected. March 21 is the date for the inspection of lines, and if the system and the plant are accepted and approved, the system will then be ready for use in the community, it was reported.

Library Building Site Approved

Ruidoso Chamber of Commerce directors, meeting Tuesday afternoon at the C. of C. building, okayed a proposal that a library building be built on the property adjoining the present C. of C. building in Two Rivers Park. Carl Morrison, president, said the lib.ary board here had the start of a fund for constructing a building, suggested to be about 20x30 feet in size, and to be similar in architecture to the C. of C. home.

Also talked by the [illegible] a report from [illegible] of a giant advertising campaign to [illegible] boards and color motion pictures for this spring. The campaign will be reported on in next week's News.

Gamble's from the Office of the President

WE'RE CELEBRATING OUR 100th ANNIVERSARY...

Sixty-five years too soon so we can bring you our 100 Best Buys!

In the year 2025 Gamble Stores will be 100 years old. That's 65 years from now. How can we celebrate our 100th Anniversary when actually we are only 35 years old?

Well, why not? In the year 2025, we are not likely to be here — many of the people among our suppliers probably won't be here — and most important of all, many of our good customers may not be here, either! So why not do it now so we can all enjoy it? Why not bring to you these tremendous values while you are here to take advantage of them?

Zany, you say? Well, yes, it probably is. But the more we thought about it, the more plausible the whole idea seemed.

Our buyers liked it. They said, "If the company celebrates our 100th Anniversary in 1960, we'll find 100 of the most outstanding merchandise values this nation has ever seen."

And that was the birth of the "Big 100." Beginning this week, and throughout the year, Gambles will offer 100 special items ranging in price from 17¢ to $479.95. And they will far outdo anything we have ever presented in our entire 35 year history.

Our buyers did a grand job. Several went overseas to find "Big 100" items. When we approached the Presidents of our regular suppliers — with whom we have done many millions of dollars in business over many years — they said, "Your idea certainly is refreshing and maybe a little crazy, but let's go!"

The result — the "Big 100" — 100 items of merchandise we'll be extremely proud to show you. Never have we assembled so many outstanding values. Never has there been such an opportunity for our customers to save and save and save.

How did we do it? All these things helped to make the "Big 100" outstanding values:

We placed orders for many times normal quantities—this helped lower costs for our manufacturers, and assures enough merchandise for every customer.

We asked our manufacturers to go to their suppliers to help lower prices.

We agreed with our sources to off-season production, and this helped save money.

We're making great savings in distribution by shipping by carload and trainload and thus bringing merchandise more directly to you.

For example, we ordered 30 trainloads (20 to 25 cars each) of two-door combination freezer-refrigerators. These quantities enable us to offer unbelievably low prices and in addition to this, we will buy your present refrigerator. This means that you too can own one of these beautiful, convenient Coronado freezer-refrigerators without making a cash down payment.

So here is a 100th Anniversary Celebration 65 years too soon! It brings you — our good customers — an opportunity to buy your needs at deeply cut prices with savings you will long remember.

Sincerely,

B. E. Gamble

President and Chairman of the Board

Capitan News

By DIXIE SPARKS

An Open Letter to the Villagers of Capitan:

Quite a time back, I heard Superintendent Bill Hall make the remark, that ALL money spent in Lincoln County, the 2% school tax is returned here (based on the enrollment in schools, etc.); i. e., the more money spent here in Lincoln County the more school tax money returned. That goes for Capitan, the more money spent in Capitan, the more sent back here for the school improvements. Now, wait, one gosh darn minute, the above is the way I understand it, about the money spent in Capitan, returned to Capitan schools. I could be wrong, jeepers I have been before, if I am I admit I am wrong, BUT if I am, will not some one who knows advise me as well as the other Villagers in Capitan.

What the above was written for is this; first, for years Capitan had water that (ugh) was not fit to drink, then we got good water; second, Capitan needs the sewage; alright the Federal Government has appropriated their share, the villagers voted to float a loan (I believe that is the term used). Last week Bill Turney and his associates from Santa Fe were in Capitan to look for a possible site for the disposal plant. They returned to Santa Fe and in the next two weeks a surveyor will arrive to survey the site picked out, east of Capitan, for the best terrain for drainage purposes.

Now, the question is voiced, "when we want the sewage, we can have it." All of the above "boils down to one point." How can we buy in Capitan if businesses are not here to buy from? (I mean businesses that handle things we can't buy in Capitan AS OF NOW), why won't they establish here? No water was the one reason, now no sewage. How about the people who have voiced the thoughts they would like to build their summer home here in Capitan? What keeps them from doing so? First it was the water, then the sewage. It would seem that we are not quite anxious enough for them to establish or build here, why? Are we going to sit on our haunches the rest of our lives and bemoan the fact we are not getting the revenues rightfully due Capitan and Lincoln County because we are too lazy to get up off our haunches and DO something about it? Are we going to continue to be "a sleepy little country town," to quote one newspaper's description of us? There is some contention existing that the people's taxes will be raised to pay for the sewage, that is not true, there will be a charge, of course, (ever get anything for free? Except the Best Things in Life That Are Free, and they are within each of us and here again we are too lazy to look within ourselves to find the best things that are free, only for the asking) a charge to connect on and a small service charge each month but in the time to come the charge will not be noticed or missed. Anyway isn't the old adage quite true, anything worth having (such as the sewage) is worth fighting (paying) for?

Can not we think for ourselves, and voice our thoughts we feel within ourselves as right, I can, can you? Good, attend the next Chamber of Commerce meeting held at the City Hall, Monday night, March 21, at 8:00. If you have a question, ask it, you will get an answer. Think for yourself—speak up—and stand on your own God given two feet. I am going and I am going to help make Capitan, "A United Community that makes a Better Community."

See you—Your friend and His,
Dixie Sparks

Hi! Last Sunday Granny and I drove out to Champ and Lorene Ferguson's ranch and golly what a beautiful place. It sets in a little glen and the view is wonderful. Their lawn is green too, the home itself is like a home should be, as near perfection as two people can make it. I love the way Lorene has furnished it and I wanted to bring the fireplace home with me. We looked at old pictures and among those were two of the old Bonita City lying in the middle of the Bonita Dam now. I also saw a picture of White Oaks that showed homes standing and not the foundations, maybe, such as is the case now. Out there at Champ and Lorene's is a place that is peaceful, full of serenity and one can forget the care of the every day strife, relax and enjoy it. Thanks Lorene and Champ for a very wonderful afternoon. Jeepers, they get a real clear picture on TV too, betcha.

I had a letter from my son, Zack, from Syracuse, New York, where he is training in the General Electric Electronics Department. Said it had snowed every day he had been there, but two, and the temperature stands every day at 30°. Also he might as well like it as he would go to Greenland and then on to Alaska.

Engineer Bill Turney and his associates were in Capitan last week to find a suitable site for the disposal plant for the sewage. The site they picked is east of Capitan and in the next two weeks a surveyor will survey the site for the terrain in the drainage purpose. As the Federal appropriated some money there will be legal approvals, and all that, that goes with the government.

Well, jeepers, the siren blew and blew and just knew someone's home was burning and thought golly, Dixie, here's a scoop. No dice, it was a compressor engine that caught fire with no damage to anything or anybody and no scoop.

Ronnie Battles of Ruidoso who is putting in the TV cable at Fort Stanton met last week with the City Council and received a 30-day option to survey Capitan with the possibility of a cable for here. If enough people want the cable and warrants Mr. Battle's time, expense and etc., we MAY have a TV cable with three stations.

Mr. and Mrs. Lewis Cummins left Friday afternoon last for California. They will visit Ted and Sally, also Geraldine and her family while there. They plan to be gone about 10 days.

Pat Dickerson had his 80th birthday Saturday, March 5. Pat has lived here "for a thousand" years and is loved by one and all. Congratulations Pat, may you have many more with God's blessings always.

Vic Serna fell some time ago breaking three ribs. He is up and about but as yet he cannot work.

Ken and June Lacy with their three children moved into their new home last Saturday. Their new home is the former Stanley Pepper home.

Need the school tax man? Now, you won't have to hail him down as he drives through town, for he has a phone. Unfortunately, I do not know the number but the information gal in Roswell will tell you, when you ask for Capitan, "Tranky" Silva.

Wally and Ann Ferguson were Capitan visitors over the week-end. They came home to see the new baby in the family.

"Angie" Provine returned to work at Fort Stanton after a week's bout of the flu.

Approximately 26 forest rangers were in Capitan during the past week. The rangers were from Lincoln County Forest Reservation with a few from Albuquerque and other forest reserves. This meeting was for the 1960 campaign for combatting forest fires. The Village of Capitan, birthplace of Smokey The Bear, was very happy to be host to the foster-fathers of the future Smokey the Bears.

Well folks that is all for this week, before I close may I leave you with this thought? I wrote an open letter to the villagers of Capitan, I mentioned in there that "The best things in life are free," truer words were never spoken (nope I don't know who did) for it is true, they are free right within each of us, only for the asking, and seeking within ourselves. The good Man, 2,000 years ago said the same things, Ye who seek the kingdom of righteousness seek within thyself, know thyself, and all these things I do, ye can do only better or more so. Try it, it works, IF you have the faith of a child that it does. God's blessings, as you understand Him, for you and yours.

See you next week, God willing,
Dixie.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	I Corinthians	6	12-20
Monday	Romans	12	3-8
Tuesday	Luke	17	5-10
Wednesday	Psalms	77	11-15
Thursday	Revelation	3	15-22
Friday	Mark	4	14-20
Saturday	I Corinthians	16	1-2
			13-14

It's a good idea to have a check up every so often. And the idea ought to be extended to our spiritual as well as our physical health.

For instance, how much are we *thinking* about the truths our churches teach us? Do we understand God . . . His love for men . . . the sacrifice of Christ for our sins . . . the way of Christian living?

And how much are we *doing* for God and our own souls? Are we worshipping every Sunday . . . rearing our children in the Faith . . . serving the Church and fellowmen according to our talents and physical strength?

And how much are we *giving* for God to use? Do we promise Him a fair proportion of our income . . . do we set it aside regularly as a sum that belongs to God and to those who need our help . . . do we have the courage and faith to strengthen our Church by more generous support?

ORDINANCE NO. 110

AN ORDINANCE CONCERNING THE AUTHORIZATION TO INCUR INDEBTEDNESS BY THE SUBMISSION OF THE QUESTION OF ISSUING BONDS TO THE QUALIFIED TAXPAYING ELECTORS OF THE VILLAGE OF RUIDOSO AT THE REGULAR ELECTION OF MUNICIPAL OFFICERS TO BE HELD THEREIN ON TUESDAY, THE 5TH DAY OF APRIL, 1960; AUTHORIZING THE SUBMISSION OF SUCH A QUESTION FOR THE PURPOSE OF IMPROVEMENT OF STREETS; PROVIDING THE ELECTION PLACE, THE FORM OF THE BALLOT AND OF THE ELECTION NOTICE AND FOR ITS PUBLICATION; PRESCRIBING OTHER DETAILS IN CONNECTION WITH SUCH INDEBTEDNESS, PROPOSED BONDS, QUESTION, ELECTION AND IMPROVEMENT; RATIFYING ACTION TAKEN IN CONNECTION THEREWITH; AND DECLARING AN EMERGENCY.

WHEREAS, the Village of Ruidoso (herein sometimes designated as the "Village"), in the County of Lincoln and State of New Mexico, is a legally and regularly created, established, organized and existing municipal corporation, its full corporate name being "Village of Ruidoso," and has existed as such since November 15, 1945; and

WHEREAS, the Board of Trustees of the Village (herein called the "Board") has heretofore determined, and does hereby determine, that it is necessary and for the best interests of the Village and the inhabitants thereof to improve the streets of the Village and for that purpose to incur an indebtedness in a principal amount not exceeding $100,000.00 by issuing general obligation bonds of the Village; and

WHEREAS, the statutes of the State of New Mexico authorize the issuance of negotiable bonds for the purpose of securing funds for said purpose; and

WHEREAS, the Constitution and the laws of the State of New Mexico further provide that no such bonds shall be issued until the question of issuing such bonds shall, at a regular election for Trustees, or other offices of said Village, be submitted to a vote of the qualified electors of the municipality as have paid a property tax therein during the preceding year, and two-thirds of those voting upon the question by special ballot shall vote in favor of creating such debt.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF RUIDOSO, NEW MEXICO:

Section 1. That all action (not inconsistent with the provisions of this ordinance) heretofore taken by the Board of Trustees of the Village of Ruidoso, and the officers thereof, directed toward the improvement of streets for the Village and toward the issuance of its general obligation street improvement bonds to defray the costs thereof, and toward the holding of an election to authorize the issuance of said bonds and the publication of notices thereof, be, and the same hereby is, ratified, approved and confirmed.

Section 2. That at the regular election of municipal officers to be held in the Village of Ruidoso, in the County of Lincoln and State of New Mexico, on Tuesday, the 5th day of April, 1960, there shall be submitted to the qualified electors of the Village who have paid a property tax therein during the preceding year, the following question:

QUESTION SUBMITTED:

Shall the Board of Trustees of the Village of Ruidoso, New Mexico be authorized to incur an indebtedness for and on behalf of said Village by issuing its negotiable, coupon, general obligation bonds in the principal amount of $100,000.00, or so much thereof as may be necessary, and bearing interest at a rate or rates of not exceeding six per cent (6%) per annum, for the purpose of improvement of streets in the Village of Ruidoso?

Section 3. That the question so submitted shall be voted on at said regular election of municipal officers of the Village of Ruidoso to be held on Tuesday, the 5th day of April, 1960, and the polls shall be open between the hours of 8:00 o'clock a. m. and 7:00 o'clock p. m. of said day; and the Village shall constitute one voting division and precinct, and the polling place therefor shall be located therein at:

Ruidoso Municipal Building

the same being the precinct and polling place established for the regular election of municipal officers to be held on that date. Each voter shall cast his ballot at the polling place in said voting precinct.

Section 4. That the electors qualified to vote as aforesaid shall vote by separate ballot in the form hereinafter prescribed which shall be deposited in a separate ballot box provided for the particular purpose of receiving the votes cast upon said question.

Section 5. That said election on the bond question to be submitted as above set forth, shall be held and conducted in as near the same manner as possible as that prescribed for general municipal elections.

Section 6. That the ballot to be used for voting upon the proposed question submitted as above provided shall be prepared and furnished by the Village Clerk to the judges of the election to be by them furnished to the voters and shall be in substantially the following form printed in both English and Spanish:

(Form of Ballot)

OFFICIAL BALLOT
VILLAGE OF RUIDOSO,
NEW MEXICO
BOND ELECTION
TUESDAY, APRIL 5, 1960

QUESTION SUBMITTED:

Shall the Board of Trustees of the Village of Ruidoso, New Mexico be authorized to incur an indebtedness for and on behalf of said Village by issuing its negotiable, coupon, general obligation bonds in the principal amount of $100,000.00, or so much thereof as may be necessary, and bearing interest at a rate or rates of not exceeding six per cent (6%) per annum, for the purpose of improvement of streets in the Village of Ruidoso?

FOR THE ISSUANCE OF BONDS ☐

AGAINST THE ISSUANCE OF BONDS ☐

Instruction to Elector:

Each elector shall prepare his ballot, indicating his approval or disapproval of the proposition submitted by placing a cross (X) in the square opposite the group of words on his ballot which expresses his choice on the proposition and shall then deposit his ballot in the separate ballot box provided for such purpose.

Section 7. That no ballot for or against said proposition shall be received by the judges of election unless the person offering the same shall be a duly qualified elector of the Village of Ruidoso as defined by the laws of the State of New Mexico now in force and shall have paid a property tax therein during the preceding year.

Section 8. That the election on the bond question hereby submitted shall be conducted by the judges and clerks named as judges and clerks for the election of municipal officers at said regular election of April 5, 1960.

Section 9. That the vote at the election on the bond question submitted as aforesaid shall be separately canvassed and returned and the return made and the result declared in the same manner, as nearly as may be, as is provided by law for the canvass, return and declaration of the result of votes cast at the regular election of municipal officers.

Section 10. That a notice of the submission of the aforesaid question to the qualified electors as above defined at said regular election shall be published in English at least once a week for five consecutive weeks immediately prior to said election, in the Ruidoso News, a newspaper published and of general circulation in the Village of Ruidoso. The Village Clerk is hereby charged with the duty of effectuating this provision. Such notice shall be in substantially the following form:

ELECTION NOTICE
BOND ELECTION
IN CONNECTION WITH
GENERAL MUNICIPAL
ELECTION IN THE VILLAGE OF RUIDOSO, NEW MEXICO TO BE HELD ON TUESDAY, APRIL 5, 1960

PUBLIC NOTICE IS HEREBY GIVEN that at the regular election of municipal officers to be held in the Village of Ruidoso, New Mexico, on Tuesday, the 5th day of April, 1960, there will be submitted to the qualified electors of said Village, who have paid a property tax therein during the preceding year, the following question for vote:

QUESTION SUBMITTED:

Shall the Board of Trustees of the Village of Ruidoso, New Mexico be authorized to incur an indebtedness for and on behalf of said Village by issuing its negotiable, coupon, general obligation bonds in the principal amount of $100,000.00, or so much thereof as may be necessary, and bearing interest at a rate or rates of not exceeding six per cent (6%) per annum, for the purpose of improvement of streets in the Village of Ruidoso?

The polls for said election will be opened at 8:00 o'clock, a. m., on the day of said election and will be closed at 7:00 o'clock, p. m., and the Village shall constitute one voting division and precinct, and the polling place therefor shall be located therein at:

Ruidoso Municipal Building

the same being the precinct and polling place established for the regular election of municipal officers to be held on that date. Each voter shall cast his ballot at said polling place.

No ballot for or against said bond question shall be received by the judges of election unless the person offering the same shall be a qualified elector of the Village of Ruidoso under the laws of the State of New Mexico now in force and, in addition to such qualifications, shall have paid a property tax therein during the preceding year.

The ballots to be used in voting upon the question submitted shall be furnished to the voters by the judges of election and after being marked, shall be deposited in a separate ballot box, which shall be provided for that purpose.

IN TESTIMONY WHEREOF, the Board of Trustees of the Village of Ruidoso, New Mexico, has caused this notice to be published as required by law and dated this 26th day of February, 1960.

Section 11. That the officers of the Village be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this ordinance, including, without limiting the generality of the foregoing, the printing of ballots, instructions and supplies, and the publication of notices.

Section 12. That if any section, paragraph, clause or provision of this ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this ordinance.

Section 13. That all by-laws, orders, resolutions and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any by-law, order, resolution or ordinance, or part thereof, heretofore repealed.

Section 14. That this ordinance is necessary for the preservation of the public health, peace and safety of the inhabitants of the Village of Ruidoso, Lincoln County, New Mexico, and is hereby declared to be an emergency measure on the ground of urgent public need, and therefore, immediately upon its adoption by at least three-fourths of the fully authorized members of the entire Board of Trustees and upon its final passage, this ordinance shall be recorded in the book of ordinances of said Village kept for that purpose, authenticated by the signatures of the Mayor and Village Clerk, and shall be published in the Ruidoso News, a weekly newspaper published and of general circulation in the Village of Ruidoso, in accordance with law, and said ordinance shall be in full force and effect five days after such publication.

PASSED, ADOPTED, SIGNED AND APPROVED this 23th day of February, 1960.

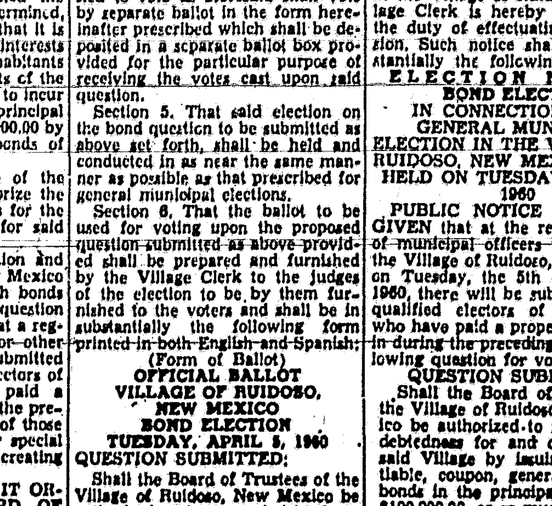
ONE MIGHTY GOOD REASON



FOR OWNING AN
ELECTRIC CLOTHES DRYER

Babies need diapers by the dozen, rain or shine. With an Electric Clothes Dryer, it's easy to keep baby—and the whole family—supplied with clean dry clothes, regardless of the weather. There's no more waiting on the sun or hanging wet clothes inside to dry. Your Electric Dryer dries your clothes safely, thoroughly, automatically... while you relax or tend to other things. And at a cost of only about 5c a load for electricity. See your electric appliance dealer soon for a work-saving Electric Clothes Dryer.

NOTICE

Various complaints have been received by the local telephone company of persons interfering on party line telephones.

Unless a fire or a life or death condition exists this interference is PROHIBITED and is set forth in the New Mexico Tariff executed between this company and the State Corporation Commission.

Part 1 Sheet 2 Subject: "Use of Profane Language."

Part 1 Sheet 10 Subject: "Use of Party Line Service." This subject is in reference to interference with an equitable proportionate use by a party line subscriber on the same line.

We are hopeful an investigation will not be warranted which would lead to removal of telephone from the responsible subscriber's premise. This company reserves the right to discontinue service to any subscriber who abuses the use of his telephone in any way.

We trust that all users are doing their part in being considerate of others by recognizing the necessity of sharing their line. We are grateful to those who follow this courteous pattern by practicing good party line behavior.

When a complaint is received, and is with foundation, each subscriber on the party line is mailed a reminder. However, the reminder is NOT intended for those who use their telephone properly or have not habitually exceeded their proportionate use.

NOTICE
VILLAGE OCCUPATION LICENSES ARE NOW DUE.
PENALTY AFTER MARCH 15, 1960 34-4c

ELECTION NOTICE
BOND ELECTION
IN CONNECTION WITH GENERAL MUNICIPAL ELECTION IN THE VILLAGE OF RUIDOSO, NEW MEXICO
TO BE HELD ON TUESDAY, APRIL 5, 1960

PUBLIC NOTICE IS HEREBY GIVEN that at the regular election of municipal officers to be held in the Village of Ruidoso, New Mexico, on Tuesday, the 5th day of April, 1960, there will be submitted to the qualified electors of said Village, who have paid a property tax therein during the preceding year, the following question for vote:

QUESTION SUBMITTED:

Shall the Board of Trustees of the Village of Ruidoso, New Mexico be authorized to incur an indebtedness for and on behalf of said Village by issuing its negotiable, coupon, general obligation bonds in the principal amount of $100,000.00, or so much thereof as may be necessary, and bearing interest at a rate or rates of not exceeding six per cent (6%) per annum, the purpose of improvement of streets in the Village of Ruidoso?

The polls for said election will be opened at 8:00 o'clock a. m., on the day of said election and will be closed at 7:00 o'clock p. m., and the Village shall constitute one voting division and precinct, and the polling place therefor shall be located therein at:

Ruidoso Municipal Building

the same being the precinct and polling place established for the regular election of municipal officers to be held on that date. Each voter shall cast his ballot at said polling place.

No ballot for or against said bond question shall be received by the judges of election unless the person offering the same shall be a qualified elector of the Village of Ruidoso under the laws of the State of New Mexico now in force and, in addition to such qualifications, shall have paid a property tax therein during the preceding year.

The ballots to be used in voting upon the question submitted shall be furnished to the voters by the judges of election and after being marked, shall be deposited in a separate ballot box, which shall be provided for that purpose.

IN TESTIMONY WHEREOF, the Board of Trustees of the Village of Ruidoso, New Mexico, has caused this notice to be published as required by law and dated this 25th day of February, 1960.

Shrinks Hemorrhoids Without Surgery

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters—money back guarantee.

Our room elected 6-weeks officers this week. We elected Cynthia, librarian; Reynalda, news reporter; Nelda, room monitor.

These people went out of town over the week-end: Doug Conley to Tularosa, Doris Winchester to Alamogordo, Jimmy Hicks to Roswell, Donna Sue Nash went to Dixie Capps' wedding. Atha Morrison's family had a family reunion. There were 52 there. Some were from Roswell, El Paso and California.

Benny Salas had company from Capitan, and he visited there also.

We had some nice reports on New Mexico last week. Many of the students brought magazines and pictures of New Mexico. We found we have a very interesting state and we would all like to be able to see more of it. We want to thank the Chamber of Commerce for giving Ellen Gardenhire the information for the class.

Sixth Grade—Mrs. Morley

Barbara Sue Rankin went to El Paso Monday with her father. We have a new girl. Her name is Judy Vinson. Judy has been going to Loretto Academy in El Paso. Jan Robicheaux went to Texas for her grandfather's funeral. D. D. Swearingin and Alan Ross were the only Airplane Aces for last week. Ellen Spear and D. D. Swearingin were the only ones who made 100% on both the definitions and the spelling tests.

NEW KIND OF CAR — Fred Richardson, local new and used car dealer, stands beside a new car just introduced to the market—a Crofton Bug, made by a company that makes marine engines on the west coast. Richardson is also salesman here for the Ford line of cars.

By MRS. AILEEN LINDAMOOD

Marvin Bownds has gone to Muleshoe, Tex., for a visit with his parents.

Lawrence Peebles made a business trip to Roswell last Monday.

Frank Florian from El Paso was in the community Friday on his regular trip calling on the trade.

The George Dingwalls and Mrs. Charlie Peebles were in Carrizozo Friday for the day.

"B" Berry of Yorktown, Penn., visited the Travis Maples the past week. He enjoyed the mountains, the snow and days of horse back riding.

Mrs. Jack Parnell and daughter Jane came over from Ruidoso Downs on Saturday.

Mmes., Bobbie and Lyda Peebles were here from Alamogordo Saturday for a visit with the Charlie Peebles and Mr. and Mrs. C. W. Byers in Ruidoso.

The Carrol Maples of Ft. Worth have arrived for a visit with the Travis Maples.

The Lawrence Peebles were away the past week-end on a trip to Clovis and Portales.

Thursday the Georgie Dingwalls spent the day with the Charlie Peebles on their Little Creek ranch.

Beef Cattle Meeting

The beef cattle meeting held in Capitan last week was enjoyed by all. W. A. Ljungdahl reviewed the recent beef cattle breeders school for the group. He said that the different parts of the industry agreed that the beef animal of tomorrow needs less fat and more lean.

Dr. Lewis Holland spoke to the group about breeding programs for the group and emphasized the need for studying all of the good and bad points about any cross-breeding program. The major cross discussed was the Angus Hereford cross. He again emphasized the need for a uniform group of calves to sell. He said a large uniform group always gets a better price as the buyer does not have to sort so many ways.

The group expressed the need for a meeting to discuss marketing of cattle.

County 4-H Award Night

The county 4-H Award night was attended by 45 4-H members and parents. Pins for completing the 1959 club year were given to the 4-H members. Nita Campbell was given the prize for guessing closest to the number of 4-H members in Lincoln County.

The film, "Waves of Green," was shown to the group and enjoyed by all.

A recreation period of games and folk dances followed the refreshments.

In plans for the coming year the group planned for a 4-H rodeo and a 4-H picnic.

The Ruidoso News is mailed to more than two dozen states and to five foreign countries.
