Alto Briefs

By MRS. AILEEN LINDAMOOD

The past week we had two snows—a light one on Tuesday and Wednesday and a big one on Friday. The big one being a very wet one, it isn't easy to be sure how much fell but about ten inches wouldn't be too far from the amount that fell.

Mr. and Mrs. J. W. Robinson of Porales stayed with the Ernest Bloods Monday night on their way home from attending the services at Angus for Floy Skinner. Mrs. Ernest Blood and Lawrence Blood were at the home of Mrs. O. L. Oldham in Ruidoso Downs on Wednesday for the meeting of the Extension Club.

Kap Kelly of Capitan was in the community last week on business. The Charlie Wileys had their parents, Mr. and Mrs. Clifford Wiley of Sarcoxie, Mo., spend the past weekend with them on their way to the west coast.

Sunday Mrs. Jan Cannon and Jimmy came over from Ruidoso for a chat. The Tom Holberts came over from Ruidoso to see us on Sunday.

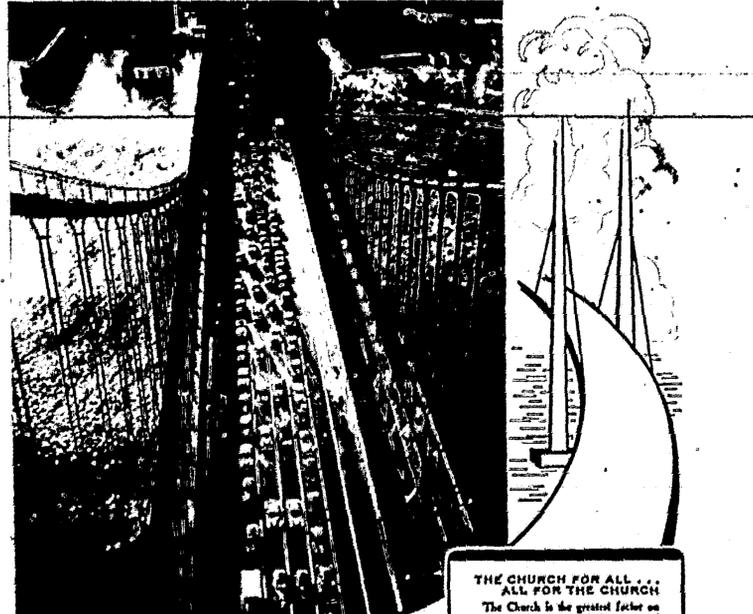

our new drive-in taller's window is open earlier and later than those in the bank. You can get checks cashed, make change or make a deposit from 8:30 a. m. until 3:30 p. m. week-days, 9:30 a. m. until 12:00 noon Saturdays at the drive-in window at the Ruidoso State Bank.

BRIDGE TO GOD'S WORLD

The bridge, what a miracle! Tons of steel hanging in air... spanning miles of water... supporting an unending line of cars like so many ants.

And what a boon to man! The bridge saves untold hours and opens up new vistas of life.

The bridge of prayer, what a miracle! Spanning Heaven and Earth... carrying the needs and hopes of believing hearts. What a boon to man! The bridge of prayer opens up new paths of creative living and vistas into the realm of Heaven.

In Church you can discover prayer—the bridge which leads to God's world.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in our life for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

THE SILVER LINING
—By—
Daniel A. STORM

Just the other morning—Jan. 30 it was—the birthday of the late Franklin D. Roosevelt—, Somehow I couldn't sleep late and so I got up real early, earlier than the snow birds, even. And I went outside to have a look at the snowy

world and a breath of good morning air. The moon had gone down over the hill to the west and so it was really darker for just a little while than it had been in the middle of the night.

The stars were fading overhead in a clear sky, and there was hardly any sign of the sun in the east. A lonely cloud began to drift out of the east and as it came, flying high, it caught the ruby red rays of the sun shining far away and far beyond. As the cloud came closer overhead it became a blaze with the sun's light so that it was a beautiful cloud of crimson fire.

I wish I could tell you what a cheerful sight this was to me, there in the early morning. It was like a cheerful sign of hope. A message in the sky telling us of bright and happy days ahead.

Goodbye to January
Farewell for this time to good old January, it brought us lots of snow. This will surely come in handy in the spring with clear running streams, green grass, crystal springs and bright flowers. And here we are in February. How the time flies. This little month will just fly by with its hand-full of twenty-eight days. February is a wonderful month, what with Valentine's Day and Ground Hog's day and the birthdays of famous statesmen and so many things to look forward to.

The snow is such a wonderful thing—bringing out the beauty of all the evergreens and letting us get acquainted with so many bird visitors. Remember to feed our little winged friends. For the first time in all my many years here the true blue jay—the fellow with the black hood and jaunty Scotch

cap and the silver colored eye-brows. Four or five of them have come down from the high country and are feeding with the snow birds, martins, cedar wax wings, robins, pylon birds, blue birds, cats and all the rest. Some time I will tell you of the many ways the birds help us.

A great collection of Metates As time goes on, one of the things that gains in interest in our South-west are the grindstones used by the Indians and other folks way, way back in times beyond all memory. They make a wonderful bird bath, and add a very colorful touch around the home. I used to know where I could find all kinds of these Metates as they are called in Spanish. But now I can't find a one. I wish I could find a few.

My friend, Ace Parker, as gathering together quite a collection of these Metates, and other Indian artifacts at his store at Main and Willow Road, known as Ace and Bob's Trading Post.

I thought I had seen all of the kinds of Metates there are, but there are some here at Ace and Bob's that are new ones to me. Running in the Snow
Did you ever feel so happy and full of life that a little song or poem starts running through your mind. This happens quite often, but after you get to the house—the little song fades away and is gone before you can write it down.

I wish I could remember the lines that came to me the other morning while I was taking my morning exercise. Maybe I can bring back just the Ruidoso municipal building.

line or two.
While I am running on the frozen snow
I thank you, Lord,
For every step I make
Upon this earth of Yours.
I bless you, Lord,
For every breath I take
Of Your good air.
My heart is flying
On the wings of joy
That carried this same boy
Across the fields of happiness
So long ago.

We all wish to extend every happiness to Mr. and Mrs. Perfecto Sanchez.

This We Believe
The financial crisis facing New Mexico Schools (Ruidoso schools are no exception) points up the need for school board members with business experience and knowledge of finance. In addition to these qualifications, they should have an inherent interest in public schools with special reference to the improvement of academic standards at all times. We believe that a vote for Charley Carpenter, Don Savell and Jodie Fillemann will be:

1. A vote for men thoroughly qualified in business life, conscientious in their efforts, and men who will use prudent judgment at all times.
2. A vote for a business-like operation of our schools.
3. A vote for school board membership dedicated to the academic advancement of our schools.
4. A vote of confidence in our schools.
5. A vote for the democratic principle of "majority rule" in school board operation.

For School Board Membership Vote For:
C. Z. Carpenter (2-year term); Jodie Fillemann (4 year term); Don Savell (2-year term)
