Around Town

—By Nosey Waters—

Skiers were delayed about three hours Sunday morning enroute into Sierra Blanca Ski Area when a road grader in use removing a windwhipped snowdrift off the access road tipped off the road, blocking travel. A Caterpillar was summoned to the site to assist in putting the large machine back in use. Minor injuries were suffered by one of the men working to rescue the grader . . . Village Manager-Clerk Jim Hine reported at the Board of Trustees meeting Thursday night last week that the village now has 552 sewer connections on the original sewer system.

Here's a bargain—New Mexico Glass Co. says if you'll clip their ad in today's News (on the Business & Professional Directory Page) it will be worth a 25% discount on a glass table top or glass shelving. Offer good through Feb. 25, Wilson Howard, manager, said.

The Elks Lodge will be sponsoring a regular visit here by a clinic in a truck, with a qualified technician and nurse, for cerebral palsy victims. This service was offered for several years, then had to be discontinued, but is to be resumed soon, and local Elks officials are asking for names of local persons who may need the services of this mobile treatment center . . .

Members of Ruidoso Downs Volunteer Fire Department enjoyed a supper with their regular meeting Monday night this week . . . Anyone have an old pool table in their attic or basement they don't want? Teen Town here would like to secure one. If it needs recovering, they could have the job done and gain this additional recreational item for their youth center . . . We have a request now and then to print comics in our paper, but we've always figured maybe our readers had rather see photos of homefolks and local scenes than comics. We'd like to hear from our readers on this. How about a letter to the editor? . . .

Let's talk about snow: Sierra Blanca Ski Area is reported to have (unofficially) more than 235 inches of snow in the series of snow storms this winter! That's almost 20 feet! Recently, Ruidoso school band had planned a wiener roast and sledding party—and had to postpone it once when a snowstorm made it just too uncomfortable to try it—but on the second try, even though a big snowstorm was in progress, the band youngsters went ahead with their party. Dub Williams tells us the kids had a big bonfire up Cedar Creek and enjoyed some thrilling sledding. He said they had so much fun they'll try it again sometime soon, and he's going to suggest they try using innertubes on which to ride down the slopes—he says he's seen them used elsewhere . . . Once during the recent snowy period, a Boy Scout troop from Midland held a winter camp-out here. On occasions the Scoutmaster brought the Scouts into town for eating at the Chaparral Motor Hotel coffee shop, and Chaparral Manager Bill Atkins said he heard one small model of a Scout declare, "It's better to eat food here than the stuff you cook yourself." We'll bet that's for sure! . . . The young tailor shop man here who thinks it's so much fun sneaking book matches from night clubs in other towns in the pockets of some of the young married men's coats and pants here when he delivers them back to the customer's home needs to explain to us how come he comes by those book matches . . .

Manager Bob Walker of Ruidoso Valley Chamber of Commerce said this week he had learned fences will be erected to keep the public out of the Ft. Stanton Caves. He picked that information up on a visit in Albuquerque and Santa Fe last week-end when he conferred with several folks on Ruidoso business. He attended the planning session as a committee member appointed by Gov. Jack Campbell to work up details on the upcoming State sponsored Tourism conference. He also visited with the State Corporation Commission, Bureau of Land Management, the State Parks Director and some of our legislators in the state capitol . . .

Ruidoso Downs has a couple of octogenarians who like to take long walks. We've mentioned before about H. M. Reddy, over 80 years of age, and his frequent trips via shanks mare from Ruidoso to Ruidoso Downs, and then there is his compadre, F. H. Alexander, 87, who does the same thing. He walks 6 to 8 miles some days. Alexander is the father of Mrs. J. P. Haley, Ruidoso Downs, and he's been around the Ruidoso valley a long time. The other day he was telling about a big snow in 1939 in which 39 inches of snow fell overnight at Elk Silver where he and a crew of several people were working on constructing houses for the Mescalero Apache Indians. He said a string of 35 cars left Elk Silver to come out of there during a big storm the folks had been warned about. All but one of the cars made it. The caravan fought snow for nine hours, but finally came out to Highway 70. That was back before U. S. 70 was paved! . . .

Fred Volquardson might like to hear about this—he's asked us about printing TV schedules in the News. Anyone who wants a program from any TV station that we get on Cable TV here can write that station and request a printed program, and they'll send you one. OPINION OF RUIDOSOANS ASKED ON U. S. HIWAY 70

During a report made by trustee C. W. (Buzz) Whitlock at a meeting of the Ruidoso Board of Trustees Thursday night last week he said he would like to know the opinion of Ruidosoans regarding the movement to make U. S. Highway 70 an Interstate route, which would mean relocating it as a by-pass route near Ruidoso with limited access, but with an increase of several thousand more cars to pass through here. Whitlock was named Thursday night as the village's representative to sit in on and take part in conferences to be held regarding seeking federal interstate designation. He and Mayor O. H. (Shorty) Stoneman attended the first conference on the prospective designation held here two weeks ago under sponsorship of Roswell Chamber of Commerce. In the highway meeting, it was moved to have one representative named from the county, one each from cities and towns to be affected, plus one from each chamber of commerce. Another meeting to discuss action on the Interstate designation of 70 is to be held within the next few days.

Other action in last week's meeting included granting permission for Trustee Whitlock and Village Manager-Clerk Jim Hine to attend the formal opening of the aerial tramway up the western slope of Sandia mountains near Albuquerque. Whitlock said engineers, contractors and others involved in the construction of the ski area monorail would be on hand and that they could be conferred with

Alpha Delta Kappa State Convention Set Here April 2

The State Convention of Alpha Delta Kappa, national honorary teachers sorority, will be held in Ruidoso on Saturday, April 2 with headquarters at the Chaparral Hotel. The New Mexico Eta Chapter which is the Lincoln County chapter, will host the meeting. Nellie Ruth Jones is president of the Lincoln County Eta chapter. Main speaker for the all-day meeting will be Mrs. Mary Figenbaum of Colorado Springs, Colo. The Alpha Delta Kappa state president is Eleanor Burke of Gallup.

A candlelight ceremony will be held during the evening banquet in which new officers will be installed with Mildred Riebsomer, president of the Iota chapter of Albuquerque in charge. Leota Pfingsten of Capitan who is state vice-president, has been appointed chairman for the committee making arrangements for the convention here. Approximately 75 are expected for the convention.

SKI REPORT

Skiing conditions were reported excellent Thursday morning this week by Roy Parker, Sierra Blanca Ski Area manager. Base snow depth is also excellent and six inches of new snow has fallen since the last report.

The road to the ski area is partially snow covered, but no chains are required. All lifts are operating on week-ends, and during the week the Lincoln, beginners and gondola lifts are in operation. Also, the double chair lift when needed.

Torch Light Descent Set

Another torch light descent has been scheduled for Saturday, March 5, with a buffet supper being served at 6:30 p.m. and dancing to follow. A band will play from 4:00 to 5:30 p.m. and from 7:30 to 11:30 p.m. and the torch light descent will probably take place about 8:30 or 9:00 p.m., it was reported by the Ruidoso Valley Chamber of Commerce.

Alamogordo Rites Held Monday For Mrs. Bonnell

Mrs. Grace H. Bonnell, pioneer area resident who came to the Sacramento Mountains as a child nearly 70 years ago, passed away Saturday after a brief hospitalization in an El Paso hospital. She was 80 years of age.

Funeral services were held at 11 a.m. in Alamogordo Monday from the Mullins-Hamilton chapel for the widow of the late Charles Bonnell, members of a prominent and widely-known pioneer family of the region.

The Rev. M. Buren Stewart, pastor of Grace Methodist Church, conducted service, with interment following in Monte Vista Cemetery.

Pallbearers included J. B. Close, Claude Peterson, Cecil Smith, Clayton Smith, Pat English, Mike English, Leon Green and Phillip Green.

Born Oct. 4, 1885 in Buckland, Crawford County, Iowa, Mrs. Bonnell came to the Sacramento Mountains area in 1897 with her parents, traveling in a horse-drawn wagon from Las Vegas, N. M.

She was married to Mr. Bonnell on the Fresnal in November, 1903. He passed away Jan. 2, 1960 in Alamogordo.

Always active in community affairs, Mrs. Bonnell was a charter member of the Woman's Club of Cloudcroft, and also was a charter member of the Red Cross chapter in that community. She was a member of the First Baptist Church of Ruidoso.

Mr. and Mrs. Bonnell opened Bonnell Grocery in Ruidoso 15 years ago and operated it until the mid-fifties, selling it to the Carpenter family. It is now known as Gateway Food Market.

Survivors include four sons, Charles E., Fred and Kiel Bonnell, all of Alamogordo, and Dwight Bonnell of Farmington; three daughters, Mrs. Rex Lane of Alamogordo, Mrs. Heber Forehand of High Rolls and Mrs. LeRoy English of Farmington; 25 grandchildren and 24 great-grandchildren; and a brother, George Harknes of Lovington.

Election Officials Appointed by City

Village of Ruidoso Mayor O. H. (Shorty) Stoneman and the board of trustees in their meeting Thursday night last week approved the appointment of these six persons as officials for the March 1 Ruidoso municipal election: Ed Lane, Nolon Hart, Mrs. James A. Beall, election judges, and Mrs. Pat Valliant, Mrs. LeRoy Gooch and Mrs. Tommy Hall, election clerks.

To be voted on are mayor, two councilmen for terms of 4-years each and a municipal judge. The election officials are allowed a stipend of $10 for the job, Village Clerk Jim Hine reported.

VIET NAM CASUALTY IS BURIED

A casualty of the war in Viet Nam, the husband of a Ruidoso Downs woman, was buried with military rites here Sunday in Forest Lawn cemetery.

S/Sgt. Creighton R. (Red) Grant, 32, who was killed in an automobile accident in the battle area of Southeast Asia, had arrived in the war zone only a week before his death on Sunday, Jan. 30. Funeral services were held at Wichita Falls, Tex., his home city and where the Air Force installation is located from which he had been ordered to Viet Nam. The body was flown to Wichita Falls then brought overland to Ruidoso for burial. The Rev. Wayne Joyce, Ruidoso Baptist Church pastor and a Holloman Air Force Base chaplain conducted rites at the graves.de, with military honors accorded by pallbearers in uniform, a color guard, a firing squad and bugler, all from HAFB. Chapel of Roses Mortuary was in charge of details here.

Creighton R. Grant was born July 19, 1933 in Waltham, Mass. He finished high school in 1951 and in September 1952 he enlisted in the United States Air Force. His state wide assignments included James Connley AFB, Walker AFB, Hanscomb Field and Sheppard AFB. He served overseas in Okanaus, Ashie, Japan and Viet Nam. Sgt. Grant was stationed at Sheppard AFB three years before going to Viet Nam and was assigned to the 72nd Instructor squadron. He served with the 55th Civil Engineer Squadron, a combat construction unit, in Viet Nam. He died in a military vehicle accident, south of Nha Trang, Viet Nam, Jan. 30, 1966. He received the following military decorations and awards: Korean Service ribbon, National Defense, United Nations, Army Good Conduct Medal, Air Force Longevity and Viet Nam ribbons.

Sgt. Grant is survived by his wife, Mrs. Norma Grant, two daughters, Debbie and Kelley, three sons, Michael, Ronald and Granscott of 1621 Deer Parkway, Wichita Falls, Texas, his parents, Mr. and Mrs. John E. Grant, two sisters, Mrs. Phillipo and Sally Jane Grant, all of Belmont, Mass., and a maternal grandmother, Mrs. Herbert Rooney of Spring Hill, Nova Scotia.

The widow, on her return this week to Wichita Falls, was hospitalized and is very seriously ill.

Probe of Possible Violation Of Subdivision Regulations Asked

The Village of Ruidoso Planning Commission in regular session Wednesday night passed a resolution requesting the Village of Ruidoso Trustees to get the village attorney's opinion as to the possibility of violation of land subdivision regulations and covenants by the developers of Glen Grove Subdivision here. The resolution also said that if violation does exist that action be taken and penalties be invoked. The motion was made by Bob Hollis and seconded by Max McCoy, and passed by a vote of all ayes". Commissioners present for the meeting were, Elmer Pirelli, chairman, Johnny Mobley, Max McCoy and Bob Hollis.

The commission also passed a resolution made by Mobley and seconded by Hollis that a file be set up by the public works administrator to use as a cross check list to make sure that dedications and covenants as provided by land subdivision regulations are fulfilled within specified time; making check each six months and notifying subdividers within three months' time prior to expiration of the dedication of the covenants of any requirements not fulfilled.

The commission made the recommendation for action against developers of Glen Grove Subdivision after being informed that deeds to four lots sold in the addition had been put on record in the County Clerk's Office in Carrizozo and that numerous other lots in the 77 lot subdivision had been sold prior to the developers reportedly complying with regulations pertaining to streets and utilities.

THREE PRINCIPALS GIVEN CONTRACTS

The Ruidoso Municipal School Board in regular meeting last Thursday, renewed the contracts of the three principals, Pat Valliant, M. B. McGuire and Sidney F. Miller, each contract was made for a two year period on an administrative salary schedule basis. The principals' salary schedule is based on a teachers' salary plus one extra month's salary, plus $50 for each teacher supervised, plus $800 for high school principal, and $500 for elementary school principals.

The full board was present for last Thursday's meeting, Ralph Petty, president; Dr. Howard Tate, Jack Jennings, Dave Parks and Mrs. Gerald Tully.

The board made application for Federal Project II, PL-89-10, for purchase of library and instructional materials which allows $1.50 per average daily attendance and for Ruidoso would mean approximately $1,400. The board also discussed plans for Industrial Vocational Education pertaining to a diversified occupation program.

The board passed a resolution which stated that hazing will not be permitted as a condition of membership in any group or organization which is in any way connected with Ruidoso school. The board also voted to give teachers additional money if and when available without dipping into cash reserves.

Suspend Starter For Receiving Gift of Money

(This news story received from Associated Press by special arrangement)

EL PASO—(AP)—Milford Ware, 50, Oklahoma City, was suspended from race track employment for one year, retroactive to Nov. 12, the date the New Mexico Racing Commission first learned of his receipt of a gift of money from the owner of one of the horses in the All-American Futurity at Ruidoso Downs. Ware was the starter for the big race in 1965. The suspension was ordered by the commission in a meeting at Sunland Park Wednesday after its members questioned 10 witnesses. The racing panel ruled Ware had received a gratuity of $5,000 which violates racing rules. It was noted that an owner may legally offer a tip, or stake, but a track employee may not accept same legally.

Ray Cates, also of Oklahoma, and owner of Savannah, Jr., which won a total prize of $192,730 last Labor Day by winning the All-American Quarterhorse Futurity, told the commission he had given the jockey, the trainer and the starter gifts of money after the race was over, but that he did not know it was anything but a custom. Ten witnesses under oath all declared it was common practice to give and receive stakes.

Ted Wells, trainer of Savannah, Jr., also said he did not know it was against the law to offer or receive gifts.

The racing commission was to meet two days this week, with Thursday's agenda to include a review for approval of employees of Ruidoso Downs for the 1966 season, and action on a request for more racing days at Ruidoso Downs.

COLLEGE TESTS DUE IN ALAMOGORDO

The American College Testing program will be given in Alamogordo this Saturday, Feb. 19. Approximately six seniors from Ruidoso High School have indicated they will take the tests, Bob Lee, counselor, reported this week. ACT tests will again be given April 23, Lee said.

Graham Files For Re-election

A candidate for re-election, Justice of the Peace H. M. Graham who serves in Precinct 19, and who has been municipal judge of Ruidoso for the past nine years, this week listed the following experiences: Served in World War I, 1917 to 1921, discharged as Captain in France after 18 months in the A. E. F.; served in World War II, 1941 to 1945, two years in South Pacific as president of General and Special Courts Martials, retired with rank of Lieutenant Colonel, and was Company Commander in Civilian Conservation Corps 1934 to 1938.

He filed recently as a candidate for re-election to the post of municipal judge, and plans to file on the Democratic ballot as a candidate for J. P. again in this precinct.

Incumbents List Projects During Past Administration

Two incumbent village officials have filed for re-election in the coming municipal vote set for Tuesday, March 1.

Mayor O. H. (Shorty) Stoneman and Trustee Jodie Filleman have recounted these accomplishments and these projects underway during their administration, in a bid for votes:

Work is underway on construction of several recreational facilities in Schoolhouse Campground Park, including a swimming pool, shuffleboard, tennis and all purpose courts, parking area, etc., to cost $150,000.00 with the federal government participating with $67,000.00.

Two problems were settled, with amicable agreement between the village of Ruidoso and Brown Air Service following a dispute that had lasted for several months, and with Ruidoso Enterprises over payment for acquisition of a sewer main installed for Cree Manor Apartments-Motel when the main was outside the village limits, then later included in.

Putting in motion the huge sewer assessment district No. 2, to affect about 1,000 lots owned by 860 individuals or families in 15 subdivisions in the north part of the community.

Extensive expansion of both the water and sewer systems in recent months.

Improvements to Ruidoso Municipal Airport, with federal participation in costs.

Updating the village's comprehensive plan.

Construction of a third fire station in the north part of the village, and ordering a new fire truck for delivery this year.

Instituting funds for employing three paid firemen.

Taking water to Forest Lawn cemetery, and plans for installing fence along highway to protect cemetery.

Recommendation for inclusion of a large sum in the 1966-67 village budget for considerable maintenance work on the village's streets.

Passage of a new ordinance with more equitable occupation license for businesses in the community.

Plus several minor public improvement projects such as instal-

Dr. Howard Tate, Ruidoso, was placed in charge of the Girl Scout Sustaining Membership drive which begins here next week, White reported.

To Host 1967 State Convention Here

The Ruidoso Woman's Club will host the 1967 State Convention of the New Mexico Federation of Woman's Clubs it was decided in the meeting held Wednesday last week. A letter was read from Mrs. V. J. Laney, 4th District president-elect asking the Ruidoso club to host the meeting. Other clubs in the district will assist the local club in making arrangements for the state convention here, which will likely be held in the fall, it was reported.

A letter was also read from Robert Dowell, the boy at the Boys' Ranch at Belen, who is sponsored by the local club this year, thanking members of the club for gifts sent to him. Mrs. Ed Sanders, president, read the report she has prepared, on behalf of the Ruidoso Woman's Club, on Community Achievements which will be sent to the state president to be judged with reports from other clubs in the state. The winning state report will then be entered in the National contest.

The program was presented by Mrs. R. K. Knox who spoke on "Public Affairs". Mrs. Knox said, "Service is the rent you pay on the space you occupy." She said that people should take more interest in their own communities and its welfare. She pointed out that she was sure there were women in our community who are qualified for public office if they would only let their interest in the community and world affairs be known. Mrs. Jessie Lee Hawkins played a piano selection, "Calvary."

The tea table was decorated in the Valentine motif and featured a white net cloth over white with felt borders and appliqued with red hearts of felt and sequins. The cloth was made by Mrs. Ike Kennedy. The center piece was a bouquet of red and white carnations. Valentine cake, sandwiches and candies were served. Mrs. Carl Longabaugh poured the coffee from the copper service. Hostesses included Mrs. Carl Erickson, Mrs. Loren Counts, Mrs. John Emde, Mrs. T. B Hood and Mrs. Herman Borges.

Honor Roll For Upper Grades Named At Capitan

Semester honor roll students enrolled in the Capitan School grades eight through twelve were announced last week by Jack Mayfield, principal. From the twelfth grade, Willa Edgar, Mary Lockhart and Elizabeth Rosenblatt; eleventh grade, Virgil Hall and Jane Dean; tenth grade, Doris Barber, Zane Hall, Fred Provine and Kathy Traylor; ninth grade, Peggy Darling; eighth grade, Jimmy Wright and Myrna Pfingsten.

Mayfield reported that Capitan members of the National Honor Society will be announced in about two weeks.

100 Memberships In Teen Town

Teen Town now has 100 memberships, even though it opened only ten days ago, it was reported at the open house held Sunday afternoon in the Play Center

There were 65 persons attending the open house, and refreshments were enjoyed and a tour of the facilities made by those who came.

Door prizes were given during the afternoon provided by K-RRR, U-Namit Shop, Ruidoso Variety, LaPinata, Artistic Beauty Salon, Whitlock's, Thunderbird Curios, Old Mill, Gateway Drug, New Mexico Miss, Too & Mim's Sweet Shop and Ruidoso Drug.

Centerpiece for the serving table was provided by Theda's Flowers & Gifts.

Holiday Bowl has announced that all Teen Town members can bowl for 35c instead of the usual 50c charge when they present their membership card at the alleys.

Further details on the open house are reported in this week's Around Hi School news column.

COLLEGE STUDENTS, SKI CLUB MEMBERS DUE AT NAVAJO LODGE

Thursday this week a group of 26 students and sponsors from Selwyn College, Denton, Tex., was expected for a three-day stay at Navajo Lodge in Ruidoso for a winter holiday. Saturday members of two Dallas ski clubs are expected via chartered buses to make their headquarters at the Navajo while they engage in two days of skiing. Mrs. Walt Averitt of the Navajo said about 80 persons will be here from the two clubs.

The 'Why' of Viet Nam . . .

The war in Viet Nam comes closer to us all the time. Last Sunday the husband of a Ruidoso woman was buried in Forest Lawn cemetery. "Killed in the fight for freedom," as the Air Force-chaplain said in graveside services attended by a large crowd.

Besides the service being conducted in Ruidoso, one was held last week end for a Carrizozo young man in that city. Last year a Capitan family lost a son in Viet Nam.

We read an interview with a soldier who had returned home from action in Viet Nam. The reporter asked him "What do you feel about the Viet Nam fight?" The soldier studied for a long time, then said, "It is worth it." That simple statement, underscored by the experience of the hell of fighting a modern war, is as eloquent as Secretary of State Dean Rusk's explanation recently of the 'why?' of Viet Nam. We reprint it here—we judge it as among the great speeches in American history, and hope you are as moved by some of the passages as we were:

"We have no chance of living at peace, or living in prosperity, or getting on with our affairs here at home, if in other parts of the world aggressors are moving from one aggression to the other. The rest of the world is in our living rooms and it's going to be there for as long as we live. We've got to join with others to build a decent world system or we'll have no chance to get on with the daily needs of our people and the things we would prefer to give our attention to.

"We don't have universal commitments, but we have a universal stake in there not being aggression and in the ability of small nations to live alone and not be molested simply because they live near a great power. Otherwise the total fabric of international life collapses and this becomes once again the law of the jungle where the denizens of the jungle have weapons that just must not be used if man is to survive.

"The real problem is whether South Viet Nam is going to be left free to live out its own life as the South Vietnamese people themselves determine it to be- free from an attempt by Hanoi to impose a political system on them by force."

News Items From Ruidoso News Issue of Feb. 16, 1951

Walt Crosby president of the Ruidoso Chamber of Commerce, announced that the office has been moved from the old Post Office building to the White Mountain Sports Association building in downtown Ruidoso. Mrs. Rosalind Barnes is secretary of the C. of C. here.

The Board of Trustees of the Village announced that the new water system for which this village has been striving for the last five years since incorporation, will become an accomplished fact in the near future. Wilson and Co of Albuquerque is in charge of the project. Engineers estimate the new water system will cost $414,000 which includes revenue bonds in the amount of $289,000 and tax bonds in the amount of $125,000.

Mrs Bertha Storm of Glencoe has been appointed campaign chairman in Lincoln County for the annual Red Cross drive for funds. Col H. M. Graham has accepted the job as chairman for Ruidoso, Hollywood and Green Tree.

The District meeting of the Order of Eastern Star was held in Ruidoso on Feb. 24 with members from Alamogordo, Tularosa, Carrizozo and Ruidoso attending. Mrs. R. K. Knox, district instructor, was in charge of both the morning and afternoon sessions which were held in Wingfield Hall.

A "Rain-Making" organization was formed this week by representatives from the Southwest part of New Mexico. Representing Lincoln County are Will Ed Harris, Loren Maguire Winter, Louis Nalda and Lon Merchant. Truman A. Spencer, Jr., of Lincoln County is vice-president. The entire state of New Mexico is now under a rain-making program of the Water Research Development Corporation of Pasadena, Calif., which is studying the possibilities of increased precipitation for the state.

FIXING THE BATTER — The Rev. Luther Pitts, vicar at Holy Mount Episcopal Church, and Fred Alexander are shown in this posed picture as they roll up their sleeves to prepare the Shrove Tuesday Pancake Supper. Serving begins at 6:30 P. M. Tuesday, Feb. 22, and public is invited, Alexander said, 'With all the pancakes you can eat for .75c.'

Your Minister Writes . . .

By WAYNE B. PARKER
(Community Methodist Church Minister)

Ernest Gordon is dean of the chapel of Princeton University. During WW II he was a prisoner of war. Captured at the fall of Singapore, he was forced to work on the infamous "Railroad of Death" and the "Bridge on the River Kwai". The railroad, built in Burma by the Japanese, is 205 miles long. Seventy-eight thousand, five hundred men were killed constructing it!

Gordon entered the service a happy, young pagan. In the midst of the horror and degradation of a POW camp, he and thousands of others were found by the redemptive love of God. He has told his story in the best-selling book, "Through the Valley of the Kwai", which has been hailed by reviewers as a modern day spiritual classic.

In the third chapter he describes the first reactions of the soldiers to their new status as prisoners of war:

"Church services were allowed. They were well attended. But I was not interested in going. Men I knew to have no particular religious ties went regularly, listened attentively, sang lustily, prayed fervently and read their Bibles. For most, religion was an attempt to find a quick and easy answer, a release from their fears. Church going for many thus became a kind of insurance policy to protect them from personal suffering. The dominant motivation for such wholesale embracing of religion was not love and faith, but fear; fear of the unknown, fear of suffering, fear that made for division rather than for community."

Gorden tells how this "religious revival" was destroyed when the prisoner's lot became worse rather than better.

"There are many reasons why men turn to God. (Right now we are told that we should be religious in order to defeat the communists.) But God is interested in only one kind of repentence -the repentence of love. Love which is interested in only one thing—to behold God and serve him daily. Anything less than this is not love of God at all!

Love is the only genuine motivation for discipleship, love of God, for Himself alone, not for anything "we can get out of it." If any blessings come our way because of our service, these are unimportant. The only reward we are ever promised and the only reward worth having—is our love. For love alone can cast out all fear and release us to be sons of God.

This was the lesson the prisoners of war had to learn the hard way. Later in their captivity, they turned to God in love and faith and they found God. Thus they were able to establish, in a POW camp, a "colony of heaven." When we can learn to serve God, in love, rather than fear, we can make of this earth a heaven.

Letter to the Editor

LITTERBUGS

In the countries of our enemy, the populace must participate in "self - confessions." Assume the self-confession topic is litter bugging. You are given two days to write about the amount of litter that you have disposed of carelessly. After many hours of soul searching, you have listed the amount of litter that you can remember discarding, the places discarded and when. You hand in your self-confession for acceptance, but it is rejected on the grounds that it is incomplete, and you are commanded to go back and think, and think, and think, of the many more times when you must have thrown litter on the highways, etc. After forty-eight hours and after the loss of much sleep, you have—you think—remembered all of the litter that you have disposed of wrongfully. Your report is again rejected, as incomplete. You repeat the agnozing ritual of the past forty-eight hours and this time your report is finally accepted. You are then told to report to a community meeting that night at 7:30 to read your confession to the entire community, who, in turn, administer the punishment, which by our standards would be cruel and unusual punishment.

We are free people in this country, who do not worry about such injustice as this. Freedom and justice is not free, it costs, and often dearly. If you wish to see our price tag of our freedom and justice, go to Arlington National Cemetery, just for a starter. Another price is responsibility—the responsibility to ourselves. Let's keep our freedom by being responsible people. Let's throw our litter in litter containers and keep America really America the Beautiful!

Dear Vic:

Those of us who are fortunate enough to live in Ruidoso and the Hondo Valley have many things to be proud of in this area. One of these is our local hospital.

I have been in several hospitals, including a large one in Dallas, Tex. and nowhere have I ever had better care or nicer treatment.

The nurses are so kind and they are thoughtful. They make you feel they are happy to do anything for you that would relieve your pain and make you more comfortable.

Even the "Pink Ladies" (members of the Women's Auxiliary) bring a ray of sunshine into your room.

The recent painting and redecorating hab made the rooms cheerful and bright.

Having recently spent 16 days in our hospital I feel that I am qualified to say we are indeed fortunate in having such people dedicated to alleviating the pain and distress of those who are ill.

So I say let us all do what we can to show our appreciation.

Sincerely,
/s/ Frieda Bryan Hyatt

To Ruidoso News—Vic Lamb

Being a member of a family owning business and residential property in Ruidoso for many years during which my father, Jack Little (now deceased), had the privilege of serving as Mayor has been a pleasure. Being a summer and winter resort area affords one the opportunity to become acquainted with people from all walks of life representing practically all of these United States. Here, as in other cities and communities everyone takes interest in our great American way of life since we are at liberty to discuss freely without fear of reprisal—our views. One of our important assets is the publication of the weekly newspaper. I agree, as you state, "The Ruidoso News" is the most widely read and circulated weekly newspaper in New Mexico. Additionally, I might add, this mentioned news media contributes immeasureably to our betterment since numerous property owners reside in varied parts of the country owning real estate and having other interests here depend, with enthusiasm for the News to arrive since it is an economical, truthful, informative contact during their absence. Only recently, on a trip to Texas, some friends in Houston and Pampa expressed themselves to this extent, remarking that the first section that they digested was "Letters To The Editor". Since I was a recipient of some rather derogatory remarks in the last issue, I shall endeavor to present an answer, completely factual, in order that the citizens may be fully informed as to the progress that has been made to furnish natural gas to Ruidoso. Perhaps, since it was necessary for me to qualify myself before the Village Trustees during one of the meetings, I should reciprocate by a presentation of a brief resume to the readers attesting to my professional ability to discuss the problem with unchallenged authenticity. Having been reared in the oil fields I can well remember when gas was considered a nuisance and was flared excepting what little was consumed by the residents in the immediate proximity of the field. Aside from schooling I have spent the past 25, with the exception of five years in the Air Force in combat as a flying officer, pursuing every phase conceivable. The first being a laborer for a teaming contractor digging ditches, laying pipelines, road construction, etc. Following were jobs as roughneck, tool dresser, driller, tool pusher then drilling supervisor over both cable tool and rotary rigs. Branching off into the specialty field supervising and participating in radioactivity and electrical well logging, perforating, acidizing, fracturing, diamond coring, completing and testing, pioneered in the use of radioactive tracers as an additive to cement slurries during recompletion and testing old wells. In addition I was stockholder in a company in Louisiana d/b/a Fishing Tools, Inc., engaged in retrieving any tool or mechanism lost or stuck in either straight or directional holes, cased or uncased. During this time I worked on jobs with such imminent individuals as Red Adair (fire fighting expert), designed electrically initiated explosive cutters to remove obstacles from burning wells offshore. Articles by my pen have appeared in Technical Journals distributed throughout the oil industry (Tomorrow's Tools Today, Lane Wells Co., Houston, Texas). In the October 1952 issue of "World Oil" (World-wide circulation, Houston, Texas) describing a unique procedure, devised by me, to recomplete old, depleted oil wells and determine their productive deliverability as commercial gas wells. The perfected process with its infallable results was accepted and practiced by both major and independent oil companies. I have applied this experience in the oil and gas industry from Utah to Florida and last in the Persian Gulf out of Abadan, Iran for Pan American Oil Co., just prior to an unfortunate automobile wreck. From the experience gained I have devised and perfected two unique processes to improve both domestic and private water wells, these procedures patented. Acquiring the above has required that one investigate any problems to the most minute detail. So, you will find a copy of my proposed Franchise Option and also a copy of NEW MEXICO PUBLIC SERVICE COMMISSION, CASE NO. 750. These are of prime necessity since references will be made and you may extract what you deem necessary to be informative.

Problematically and geographically, Ruidoso and vicinity do not present an insurmountable nor impossible task, but they do present a formidable one. A transmission line with its accompanying components (distribution system, meters, regulators, etc.) in approximately 150 miles of right of way over and through peevish, narrow defiles, each with its own special diabolism. Ditches and fills must be hewn directly from mountain rock to elevations approaching, or in some instances above, 7,000 feet. The diversified, sparce population necessitates many more miles of distribution system than the main line from a source of supply. All these factors, fulfilling requirements set forth in the copy of the attached Franchise Option classifies Ruidoso as a marginal area. By this I mean that the number of potential and existing customers versus cost of construction does not project a fabulous return on the investment. One cannot assume that every resident or business is a consumer as some will continue to use liquified gas either by choice or accessability as is the case with some of our existing utilities. Also, the distributor, with a permit from The New Mexico Public Service Commission does not regulate the price to the consumer. The cost is set by the Federal Power Commission. So it is readily understandable that volume is of prime importance. Bearing this in mind the number of companies now marketing gas in the state of New Mexico willing to make such a vast outlay are limited, however the ones who contacted me originally to pursue a course on their behalf still will come in with absolutely no delay.

Southern Union Gas Company, a multimillion dollar corporation, has appeared before the Village Trustees and requested that they be allowed to construct the necessary facilities long ago and were denied. Had they been allowed to, natural gas would now be a reality and not one of Aesops fables. Having worked closely with them and observing their engineering figures, estimates and appraisal of the undertaking one can readily determine, with ease, that an outlay of 1.8 million dollars will be required to install a trouble-free, efficient gas system to meet the requirements. In their willingness to perform and render a service, if given the opportunity, they made a substantial offer to purchase existing lines owned by Ruidoso Gas Co. Their offer was for the same figure, I am told, that was paid as stated in Item 1, page 3, of the attached copy of "The New Mexico Public Service Commission" ruling "In the Matter of Joseph Hawkins and Lincoln County Utilities, Inc., Case No. 750."

As you will note the mentioned document has nothing whatsoever to do with the sale or distribution of natural gas. Also one can see the affixed signatures of the entire staff of the Commission with seal. I acquired several copies of this public document from the State Capitol in Santa Fe by means of direct contact with Mr. Joseph A. Bursey, Chairman, New Mexico Public Service Commission, not The State Corporation Commission as one would be led to believe, therefore it should be an extremely authoritative source of information.

Upon being approached in Hobbs as to the status of the much publicized project for Ruidoso and their knowledge that I was acquainted in this area coupled with the awareness of the reception received by Southern Union, they suggested that I investigate to ascertain the status as it now stands since approval by the voters. After discussions with some of the Village Trustees and others it was learned that the Franchise Ordinance granted to Mr. Hawkins had not produced anything materialistic, but that he had been granted a one year extension that was to terminate September 30, 1966. Further it was not an exclusive instrument but would be utter folly to assume that more than one company could obtain a permit, however, more than one participant would expedite action to the utmost. So it was with this in mind that I approached the Village Trustees during one of their regular meetings.

The proposal that I presented was broader in scope in that we felt that the residents of the Hondo Valley should not be excluded. They trade with the merchants here, pay taxes and assert themselves at the polls in numbers that are serious to be reckoned with in our County and State. Any exclusion certainly would not be in the best of better judgment or interest to anyone. If the service isn't extended on the original construction then such could never be a reality there being no municipality—just numerous individuals residing in a valley. I stated that to the best of my knowledge The New Mexico Public Service Commission had not issued a permit or granted a certificate for the sale of natural gas. The challenge by Mr. Hawkins and his attorney was to the effect that they did possess such an instrument and that a consignment was made to Ruidoso Natural Gas Co. in August 1964, Case No. 750. I then withdrew since at this point I had no knowledge of the authority though I doubted it.

Acquisition of the attached copy revealed, as stated previously, was dealing in transfer of a liquified gas franchise and a stock deal with Lincoln County Utilities and had positively nothing to do with

Come in and take on a tiger!

The only thing that looks low-priced on a Pontiac Tempest is its price sticker.

And that's removable.

Take it off, and there's just a pure, unabridged Pontiac: crisp, Wide-Track style and handling. A handsome interior. Plus the effervescent performance of a new, overhead cam 6 engine that puts out with all the spunk of an 8, yet saves like the traditional 6. And of course, being a Pontiac, Tempest allows you the luxury of choice—with options in engines, transmissions, suspensions, practically everywhere. And like all Pontiacs, Tempest also has a standard safety package with items like seat belts to buckle—front and rear. (That ought to do for now. We'll tell you the rest when you get here.)

Juvenile Cases Are Reported With Names

Juvenile cases handled in Third Judicial District Court in Carrizozo included these matters, as reported by Probation Officer R. H. Hedgecoke:

Larry Dee Helms, 17, of Carrizozo appeared before Judge George L. Zimmerman Feb. 16 and admitted to a charge of drag racing within the town limits of Carrizozo. Helms is to be confined in the juvenile cell at Carrizozo from 4 p.m. Friday, Feb. 18 until 7 a.m. Monday, Feb. 21, and his driver's license will be suspended for a period of 30 days.

Frank Sanchez Candelaria, 16, of Ruidoso admitted to driving a vehicle without a driver's license. He is to be confined in the juvenile cell at Ruidoso for a period of 10 days. Candelaria was described as a school drop-out and had been cited before the Juvenile Probation Officer twice for vandalism in the past.

Four minors from Alamogordo appeared and pled guilty to allowing themselves to be served alcoholic beverages and three of them were committed to the Otero County jail for a period of 30 days. Sentence was deferred on the fourth because he was being inducted into the armed services. If he does not get into further trouble the charge will be dismissed after his induction.

FOR
MAYOR
RUIDOSO DOWNS

I am seeking the position of Mayor of Ruidoso Downs on the Independent Ticket and I am taking the liberty to write these facts to you, the voters of Ruidoso Downs—not to promise you a lot of tax cuts or projects, but to tell you my program—

First on the list would be to rectify some of the many mistakes made in the past years, and to start laying the right foundation for administration of the village business and problems.

Second, utilize village equipment and supervise labor and materials to the advantage of all citizens.

Third, Up-date a comprehensive plan with a minimum cost, which is necessary to qualify for Federal and State participation, for future sewer, water, housing, and, most of all—recreation.

Fourth, join and participate in county, State, Federal and private organizations in order to keep up with the latest programs of progress and developments in other cities, villages and towns. All these programs cost nothing, and should be taken advantage of in order to progress and for the village to have a healthy growth.

lation of Christmas lighting displays, staging a thorough clean-up campaign in the village recently, working closely with Eagle Creek Inter-Community Water Supply Association in studying and providing ways and means of assuring this community an adequate water supply for its continuing growth, and the providing of information to all media, newspapers and radio, of activities of the village's governing bodies and boards to keep the citizens better informed.

One of the most gratifying accomplishments, the present administration reports, is completing arrangements late in 1964 with the Humane Society of Lincoln County for taking over the need for operation of an animal shelter and the licensing and vaccination of dogs.

The administration has also encouraged its employees to attend and participate in the varied meetings, schools, conferences and short courses offered to better train them for their handling of public works. Along this line, Mayor Stoneman has had an active part in the state's Municipal League, having served as vice-president of the organization.

Nominating Committee Named To Offer Slate for CC Board

A committee of five was named by Ruidoso Valley Chamber of Commerce president Don Stark at the board's last meeting, to offer a slate of 14 nominees for the seven vacancies coming up on the C. of C.'s board of directors. New directors are to be elected in April. The nominating committee is composed of Max McCoy, James A. Beall, LeRoy Sammer, Les Crews and T. C. (Dee) Delaney.

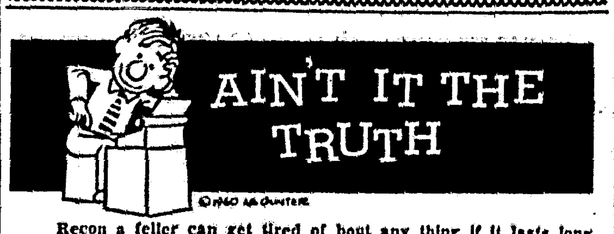
Stark also appointed Sam Nunnally as chairman of a committee to plan for the annual meeting and banquet to be held early in May.

SUNDAY SCHOOL CLASS TO HAVE GUEST SPEAKER

The "Pairs and Spares" Sunday school class of the First Christian Church will have Rev. Lindquist of Mescalero as the guest speaker next Sunday, Feb. 20, at 9:45 a.m. The class meets in the home of the pastor next to the church in the Gateway.

FUNERAL IS HELD FOR MOTHER OF RUIDOSOAN

Funeral services were held at Portales Wednesday for Mrs. Bessie Verna Kimmel, 78, the wife of a retired Church of Christ minister, T. L. Kimmel, Sr., and the mother of Mrs. Dick Ratliff, now of Littlefield, Tex., but a longtime resident of Ruidoso. She and her husband managed Monjeau Motel here last summer and fall, moving to Littlefield shortly before Christmas. Mr. and Mrs. Paul Douglass attended last rites.



Recon a feller can get tired of bout any thing if it lasts long enough and Im purt near gettin tired of winter. Had a lot of fun seein it snow and watchin the kids out sleddin and buildin snowmen but shucks enough is enough and seems we had enough winter. Im gettin ready fer the poppies to start poppin and the crockus to start croakin and all that suff.

In other words Im ready fer the ladies to start their spring house cleanin and furniture buyin. When the lady of the house decides to do somethin bout that worn carpet er rug and plans on havin it replaced I hope she calls on Curley Headed Ab to replace the worn carpet er rug from our supply of bran new patterns we get available. Then when we get the new coverin down an she sees how rough her furniture looks on the new carpet we can bring out a new livin room suite an all the accessories that go with it. Now can you see why Im ready fer the snow to melt and the green up time to hit the mountains, yep we need the business an I hope we get it purty soon. Through the grapevine I hear the boss has bought me one of them cotton sacks and if necessary he will have me doin a little moonlightin over in the cotton patches of Tularosa er maybe on the Pecos so dont encourage this situation, discourage it by commin in and pick out some of the purty furniture we got right here in town.

regarding such a posibility for the Ruidoso area. "We can get answers to some questions on how such a tramway could be built here," Whitlock said in the board meeting.

Permission was also granted for Sewer Department superintendent Blair Halladay and Water Department superintendent Alfred Nash to attend a two-day school in Las Cruces Feb. 24-25, conducted by the public health department and the New Mexico Water and Sewer Works Association.

Hine gave a report on the airport board meeting held Feb. 10. The board recommended the village purchase the fuel truck owned by L. F. Jennings for $495 in May, the date of expiration of Jennings' contract with the Village. It was noted that the Village will have to secure a new chassis for the fuel tank, pumps, etc., and that this could be done through surplus properties. Trustee Jodie Filleman made a motion, seconded by Trustee Guy Robertson, that was passed that the Village accept the recommendation of the Airport Board.

Village Engineer Quinton Daniel reported on his work regarding the proposed Sewer Assessment District, stating that the assessment ownership roll is being prepared. Daniel also stated that no method of assessment, zone or front footage, has been determined awaiting the outcome of the bonding company's attorney's suggestion. Don Hart reported that a portion of Wingfield street property owners had asked for the Sewer Assessment. Daniel was ordered to include that area in the proposal district.

On behalf of the building inspector, Hine stated that a request for a building permit for purpose of repairing the damages sustained to the Smith building which is located on Sudderth Drive. After discussing the type construction, the hazardous condition of the building, etc., Trustee Filleman made a motion, seconded by Robertson that was passed, that the building inspector determine through insurance benefits and/or through the Uniform Building Code, as to whether or not the building has suffered more than 50% damage and if so, a permit for repair should not be issued due to the location within the Fire Zone; and, that the building be condemned through legal procedures, if the more than 50% replacement costs is determined and established.

Hine read a letter from Stern Brothers Investment Bankers requesting Village Attorney John Thompson, Engineer Daniel, Manager Hine and Mayor Stoneman to meet with their legal department in Denver Feb. 16 to go over the laws, procedures, etc., pertaining to the proposed Sewer Assessment District. Hine said this week revenue bonds in the amount of $500,000 will have to be issued for the improvements.

Tularosa Girl Has Meningitis

A Ruidoso physician has confirmed that a 5-year-old Tularosa girl, Donna Kay, daughter of Mr. and Mrs. C. W. Beach, is in isolation in Ruidoso-Hondo Valley General Hospital receiving treatment for spinal meningitis. This mid-week her condition was reported as satisfactory.

DEADLINE FOR TAGS MARCH 2

Deadline for buying vehicle tags for 1966 in New Mexico is Wednesday, March 2 this year, Jim Hine, village manager-clerk, in whose office the tags are issued here, has announced. He reminds local folks that due to the municipal election on Tuesday, March 1, the clerk's office will be closed that day, thus shortening the time near the deadline for getting license plates.

"That should mean a whale of a big rush on the final day, March 2," he said. "We would like to urge all those who plan to buy tags in Ruidoso from our office to please come in before the last minute—it will be much better for all—and we will appreciate your understanding and co-operation."

Pari-Mutuel Tax Is Increased

The pari-mutuel tax bill passed the New Mexico House 55-18 Wednesday and was sent on to the Governor for his approval.

The bill increases the commission to horse race tracks in New Mexico from 15 to 18 per cent. It increases the state pari-mutuel tax one per cent in each category of the existing graduated scale.

Rep. Bobby Mayfield, D-Dona Ana, putting the bill through passage, said the tax increase would provide the state an estimated $300,000 to $400,000 in increased revenue. He pointed out that the tax increase goes into effect regardless of whether the tracks decide to increase their commission from 15 to 18 per cent; this is permissive.

FBI Official Speaks To Rotarians

John F. Condon from the Albuquerque office of the Federal Bureau of Investigation was the principal speaker at Ruidoso Rotary Club's Tuesday luncheon at Wattie's. Condon was introduced by Les Crews, program chairman, and spoke on "Operations of the FBI". J. H. Cooper, assistant secretary, reported.

Out of town guests present were: Austin Wooten and Glen Bradley, Carrizozo; Roy A. Irby, Phoenix; Don A. Belou, Charles Nolan and Moose Hermansen of Alamogordo. Charles Parker and the Rev. Wayne Parker were initiated as new Rotary members, Cooper announced.

G. O. P. DELEGATES NAMED

Delegates from Lincoln County were elected Feb. 12 at Carrizozo to attend the New Mexico Republican pre-primary convention to be held in Santa Fe Feb. 26. At the Republican meeting held last Saturday at the Lincoln County Courthouse in Carrizozo with all precincts in the county represented except Corona and Ancho, the following delegates were named to attend the Republican pre-primary convention:

Mr. and Mrs. W. G. Shrecengost, Lincoln; Mr. and Mrs. A. T. Pfingsten, Hondo; Mr. and Mrs. Joe McKnight, George Sisneros and Joe Skeen, Picacho; Miles Williams and Phil Cozzens, Capitan; H. H. Shier, Mr. and Mrs. Max Oliver and Mr. and Mrs. Kenneth Nosker, Green Tree; Mrs. Dutton and Mrs. Gladys Alexander, Nogal; F. B. Lindamood, Bonito; Mr. and Mrs. Leandro Vega, Jr. and Marvin Roberts, Carrizozo; Mrs. Gladys Knox, Ruidoso, and Ben Sanchez and Mrs. Ernest Sanchez, San Patricio.

The motion was made and passed at the Saturday meeting that the county delegate list be left open and that additions were to be made at the discretion of the county chairman, A. T. Pfingsten.

In other matters discussed at the meeting, H. H. Shier gave a review of the pre-primary law and State Representative W. G. Shrecengost gave a report on activities of the 1966 legislature.

Bowman Rites Held Monday

Funeral services were held in Holy Mount Episcopal Church Monday for Roy Lester Bowman, 74, who died in Ruidoso-Hondo Valley General Hospital Friday last week. The Rev. Luther T. Pitts conducted the last rites.

The Ruidoso Downs resident was born in Devine, Texas April 8, 1892. He was a retired Arizona State Highway Department employee, having moved here with his wife in May, 1960.

Survivors include the widow, Mrs. Viola Bowman and a son, Ed W. Bowman, Brownfield, Tex., two grandchildren and five great-grandchildren.

Burial was in Forest Lawn Cemetery. Chapel of Roses Mortuary was in charge of arrangements.

Four Band Students Go To Portales For Ensemble Festival

Four from the Ruidoso School Band will play in the District Solo and Ensemble Festival Saturday at Eastern New Mexico University at Portales, LeRoy Gooch, band director, announced.

The four soloists playing at the Festival will be accompanied by Mrs. Jessie Hawkins and will leave Saturday morning and return Saturday night. The soloists are: Jane Cochran, Sidnia Cunningham, Kenneth Shows and Delana Phillips.

CARS DAMAGED IN COLLISION; NO ONE INJURED

Two cars collided on an icy hill Saturday, Feb. 12, at 12:06 p.m. Don Hank McDaniel, Big Spring, Texas, driving a 1963 Ford Thunderbird and trying to climb icy hill on Riverside Drive stalled vehicle and Strand M. McDougal, driving a 1965 Dodge stationwagon, came around curve, skidded on ice and collided with the Thunderbird. Estimated damage to Dodge $250 and to Thunderbird $100. There were no injuries and no citations issued acording to police reports.

VFW Post Is Talked

A meeting was held at Wattie's cafe Sunday to discuss the organization of a Veterans of Foreign Wars Post in Ruidoso. District 3 Commander E. L. Chavez of Anthony was present with the district officers to discuss the basic needs. There are 25 local veterans who have joined the V. F. W. here and at a later posted date will meet to organize Post 6917 in Lincoln County. All eligible veterans are urged to contact Buzz Whitlock, Ab Gunter, Darrell Isham, Tommy at Tommy's Steak House, Bill Culberson or Bob Walker at the Chamber of Commerce to make application.

"There are many eligible veterans in the county who are interested in the program and some have belonged to posts in other communities and are urged to transfer their membership here to further strengthen the V. F. W. in this area of the state," a spokesman for the group declared. The veterans from many of the foreign services are eligible. Servicemen from Laos and Viet Nam are among the latest to be eligible, it was noted.

J. P. Smith, former Ruidoso resident, was here from Alamogordo on business Tuesday.

19 Ruidoso Skiers Place In Top 10 Spots in Races

Nineteen Ruidoso junior racers, forming the Sierra Blanca Ski Area team, all placed in the top ten spots in their classes in a contest staged last weekend at Los Alamos on Pajarito.

Once again Dale Pearson, son of Mr. and Mrs. Alfred Pearson, came in first—four times in six competitions this winter. The other two times he has come in second by a split hair in timing.

Results of last week-end's contests, as reported by Coach Ray Heid, were:

Class II, Girls—Mary Estes, 5th.

Class III, Boys—Carey Horton, tied for 3rd; Charlie Seeds, 4th; Schar Ward, 5th; Danny Wimberly, 7th; David Estes, 8th, and Alfred Pearson, 9th.

Class IV, Girls—Lisa Boyer, 2nd; Beverly Seeds, 3rd.

Class IV, Boys—Steve Wimberly, 2nd; Joe Bob McGuire, 3rd; Reeves McGuire, 4th; Craig Horton, 9th; Danny Estes, 10th.

Class V, Girls—Cindy Wynn, 5th.

Class V, Boys—Dale Pearson, 1st; Mark Wimberly, 9th.

Some of the young racers were only a tenth or two-tenths of a second behind the preceding place, so close were they to making better marks than they did, Heid said. "For instance, in Class IV, boys, Steve Wimberly was two-tenths of a second behind first place; Joe Bob McGuire was one second behind second place and his brother, Reeves, was one-tenth of a second behind third place," Heid said.

Coming up this week-end are races at Santa Fe on Sunday. Next week-end there are races at Gunnison, Colo., on Crested Butte. Then Sierra Blanca will host the junior racers, March 5. After that, Class IV and V slalom races are set at Broadmoor, Colorado Springs on March 19, Heid said.

Accompanying the skiers to Los Alamos were Mr. and Mrs. Wayne Estes, Mrs. Bill R. Ward, Dr. and Mrs. Dale Wynn, Mrs. Charles Seeds from Amarillo and Al Pearson.

WARRIORS DEVOUR 'ZOZO, DEXTER FOR HAPPY WEEK-END

Ruidoso's Warriors had a happy week-end, posting a pair of fine victories.

Saturday night the Tribe earned a close 59-56 win over Dexter at Dexter.

In the Dexter battle, the locals saw Alan Ross and Allen Baker each making a dozen points while Tommy Surface put 20 through the nets for Dexter.

This week-end the Warriors play St. Peter's hard riding Crusaders here Saturday night. Friday night had been listed as an open date, but has been filled with matches for both the A and B squads at Corona. Next week-end the Warriors play in a district tournament in Roswell.

The Tribe enjoyed a 66-62 win Friday night on the home court over the traditional rivals, Carrizozo's Grizzlies. Top scorers for Ruidoso's Warriors were Alan Ross with 24 and Tim Leftwich with 12, while Lucero bucketed 14 and Voss 12 for 'Zozo to lead that quintet in points.

The "B" team dropped a close 47-36 match to Carrizozo. Mark Sloan scored 13 points, George Barraza marked up 10 to be tops for Ruidoso, while leading scorers for 'Zozo's B squad were T. Ortiz with 13, and Zamora and English with 10 each.

In the B game at Dexter, Ruidoso lost, 67-59 with Grant of Dexter leading scoring with 28, followed by Bramlett and Sosa with 11 each. Jim Sullins led the scoring for Ruidoso with 16 points, followed with Mark Sloan and James Kay poking in 11 each.

JAL BREAKS ST. PETER'S WINNING STREAK, 75-57

Jal defeated St. Peter's Crusaders Saturday night at Jal, 75-57, snapping a 16-game winning streak for the Roswell team.

Snowstorm Prevents 8th Grade Cagers From Entering Tourney

A snowstorm Wednesday last week prevented the Ruidoso 8th grade basketball team from competing in the 8th graders' tournament held at Tularosa, Athletic Director Ken Newton of Ruidoso schools reported.

He said the 7th grade team and the 8th grade team would enter a tournament this week-end on Friday and Saturday at Carrizozo. On Friday the 7th graders will meet Carrizozo at 7 p.m. and the 8th graders will play St. Peter's at 4:15 p.m.

TULAROSA TAKES TRIBE 91-61

Tularosa's Wildcats poured it on to win a late scheduled basketball game here over Ruidoso's Warriors Tuesday night, 91-61. Both team scored easily but Tularosa just got to the basket the mostest. Top scorers for the visitors were Lopez with 25 and Candelaria with 24. For Ruidoso, Allen Baker, Alan Ross and Franklin Joseph all popped in a dozen points apiece.

In the B battle, Ruidoso's junior varsity came out the winner, scoring 60 to 46. J. Kay with 17 and Rick Stephenson and George Barraza with 9 each weer top scorers for Ruidoso and Ruben Diaz with 11 and M. Gullez with 10 were high for the visitors. The game started slow, with both teams holding nine points at the end of the first quarter. Ruidoso exploded then, however, and went out front to stay there with a determined offense.

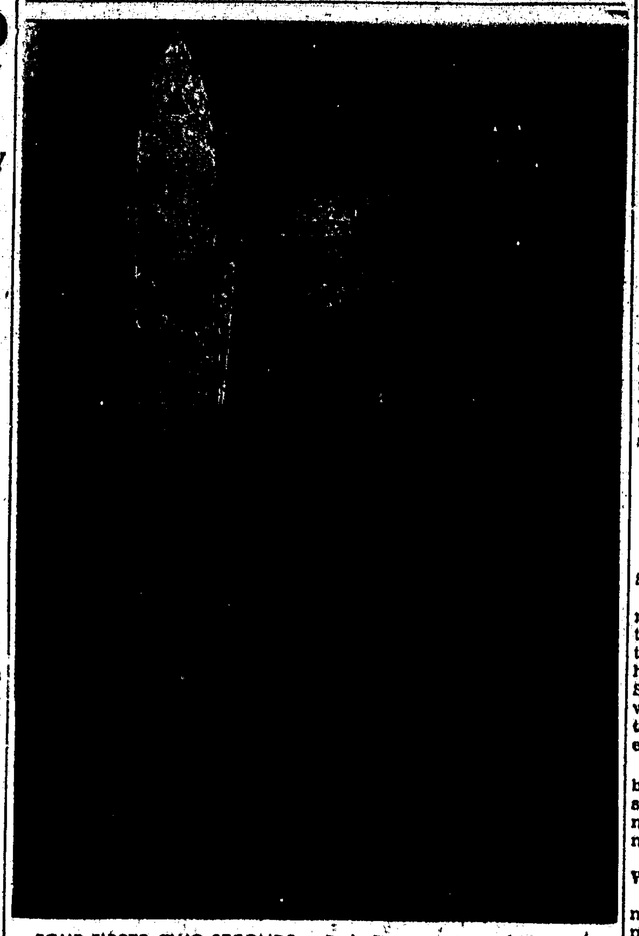
'Zozo Nips Corona In 63-60 Battle

At Carrizozo, the 'Zozo Grizzlies Saturday night won over Corona's Cardinals in a pair of games, the A squad winning 63-60 and the B squad also winning, 55-47.

Dusty Voss was top scorer for the Carrizozo A team with 16 points. For Corona's A squad, R. Tenorio was tops with 20. This week-end Carrizozo winds up regular scheduled play with a match at Hondo Friday night and hosting Capitan Saturday night.

RUIDOSO NEWS SPORTS

SECTION B—————PAGE ONE FRIDAY, FEBRUARY 18, 1966



FOUR FIRSTS, TWO SECONDS — Dale Pearson, son of Mr. and Mrs. Al Pearson, is setting some kind of record among junior racers this winter. In six ski meets he has entered as a member of Sierra Blanca's team, he won four first places, two seconds. He was nosed out of first place twice by split second times. He races in Class V.

Hagerman, Tularosa Win Over Capitan

Hagerman's Bobcats won a 60-57 basketball victory over Capitan's Tigers Saturday night at Capitan, leading in every period. Rex Mann was top scorer for the winners putting 16 points on the scoreboard, while William Herrera was top man with the points for the Tigers, scoring 25.

In the B game, Hagerman was also a winner, taking a 73-38 score home.

At Tularosa Friday night, the Wildcats of Otero County went past Capitan with a 81-50 score even though Capitan had a rich second quarter in which they scored with ease. Herrera hit for 15 and Jake Griego 11 for Capitan. For the winners, top scorers were Adams with 20, Candelaria with 16 and Lopez, 14.

For the last week-end of scheduled play this week, Capitan goes out of town, to Lake Arthur Friday night and to Carrizozo Saturday night.

Hondo Eagles Drop 66-38 Tilt to Crusaders

Hondo's Eagles had their feathers pulled 66-38 in a basketball game at Roswell Friday night by St. Peter's Crusaders.

High scorers for the evening were: For Hondo—Herrera 14, Richardson and Radcliff eight each; for St. Peter's—Willcox 17, Hartley 13 and Griffin 12.

Winding up their 1965-66 regularly scheduled season games this week-end Hondo plays host to Carrizozo Friday night and then travels to Hagerman Saturday. Next week-end the Eagles will be playing in the district tournament.

TULAROSA WINS BY ONE POINT

Tularosa's Wildcats had a narrow squeak in a basketball game Saturday night with Silver City, winning in a hot, fast-paced match, 70-69.

MAGICIANS' EXHIBITION CANCELLED

The Harlem Magicians exhibition basketball game slated for Thursday night this week here under sponsorship of the Warrior Booster Club was cancelled by the traveling comedy team, Ken Newton of the school athletic department announced Monday. He said the cancellation came in a letter from the team's business representative.

OPEN DATE IS FILLED FOR TRIBE

Friday night's open date on the Ruidoso Warriors basketball calendar has been filled, Athletic Director Ken Newton announced this week. The A and B squads will travel to Corona for games, he said.

GAME AND FISH NEWS

Spring Gobbler Hunt

The State Game Commission will meet in Santa Fe Feb. 21. One of the more important tonics will be the discussion of a spring gobbler hunt. A meeting of Southwest and Southeast Area personnel last week was held to make recommendations to present to the Commissioners.

The Commissioners meeting will be open to the public and the results will be released to the news media immediately following the meeting.

Winter Deer Survey

Throughout the state during the months of January and February personnel of the Department of Game and Fish conduct a deer survey.

The purpose of this survey is to determine the fawn survival through the winter months. Also taken into consideration is the condition of the deer and winter browse. These factors add together to give the area game manager the knowledge of general deer conditions and allow them to make recommendations to the State Game Commission on when, where and what type of hunt to have.

Jim Johnson, Southeast Area Game Manager, is responsible for the recommendations from this area. With the assistance of conservation officers in their districts, the deer count is made by vehicle, horseback and on foot.

The fawn survival is the most important aspect of the winter survey as it roughly determines number of fawns that survived the winter. The survey is conducted in February because usually the coldest weather has passed and the fawns are still young enough to identify from older deer.

Johnson stated that the feed conditions were very good throughout the area but that in some locations on the south side of the Capitans, the west side of the White Mountains and in part of the Guadalupes there seemed to be overbrowsing. Too many deer in an area causes this.

Charles Cockerell, Ruidoso District Officer, and Jim Johnson, with the assistance of Bill Edwards of the Forest Service, counted 72 deer on the west side of the White Mountains in Spring and Tanner canyons. Cockerell, as in the case of all conservation officers, will continue to count the deer, recording age and sex ratios, through February.

Capitan Wrestlers In District Meet In Albuquerque

Capitan High School wrestling team is scheduled to compete in the District Wrestling Tournament to be held in Albuquerque Feb. 18-19, Jack Mayfield, principal, announced this week.

JET PICKS UP PASSENGER HERE — For the second time a twin jet liner has used Ruidoso airport. The Lear jet came from New York City, via Roswell, to stop here to pick up O. O. Barnes of Ruidoso Downs for a flight to Oklahoma City and Battle Creek, Mich. Barnes, at right in photo of passengers, was appraiser for group of businessmen who bid Tuesday this week at Battle Creek on materials to be salvaged from 12 missile silos near Roswell and one in Oklahoma. Barnes said about 23 bids were expected on the silos, which cost $127 million and will yield 1,500 tons of scrap per unit. In photo, from left, Ben McKenzie, stewardess Michelle Newman, C. F. Parker, Bob Layton, Allen Hart, Lloyd Durensky and Barnes. Most of the men were from New York City. First jet to land here two years ago brought Winthrop Rockefeller for a political rally.

Snow — Snow — Snow — The past week the whole area has had it. The skiing is so fantastic that even those of us who do not ski are excited over the report of the skiers bring in on their way down from the slopes. But with about a foot of snow here you can imagine what it's like on the slopes. Again the weather cannot be mentioned without saying that Lincoln County really does a beautiful job of clearing the highways. The only bad part has been that the highway crews can hardly keep ahead of the heavy fall of snow.

Mr. and Mrs. Pierce White and her mother, Mrs. L. E. Graham came from Quitaque, Tex. last week to spend a few days with the Wayne Whites of Eagle Canyon Lodge. Mrs. Graham's son, Lem Graham of Durango, Colo., came on Thursday and she returned to Durango with him and the Whites returned to Quitaque.

Mr. and Mrs. Harold Clary returned from Mountainair Saturday after an extended stay there with his father, Henry Clary.

Thursday the Gene Wilson family went to Carlsbad for the week-end.

Last week-end the Charlie Cockerells were in Albuquerque.

Mrs. Robert Williams spent Saturday in Alamogordo.

Mrs. Morgan Maxwell of Carrizozo and her family spent the week-end at the Peebles' Ranch on Little Creek. Marshal and Jim went skiing with the Carrizozo ski club and Donna entertained several friends at the ranch, who came with them from Carrizozo, at a sledding party.

Hollywood Notes

Mr. and Mrs. Carl Erickson were in El Paso the first of the week to visit their friends, Sara Freese and Eleanor Ranck who have been ill.

Mr. and Mrs. T. C. Delaney were in Roswell Thursday and visited Mrs. Delaney's aunt, Mrs. Omar Leach while there.

Mr. and Mrs. K. B. Chapman and daughter, Elizabeth, and a friend from Roswell spent the week-end here and enjoyed skiing.

J. C. Haley from Albuquerque was here on business the first of the week.

Word has been received that Mrs. R. H. Anderson is out of the hospital but will stay in Indio, Calif., for about 30 more days. Her address is Box 1631 and she has enjoyed the many cards received from friends.

George Ripley was a business visitor from Roswell the first of the week.

Measles Vaccination May Prevent Serious Illness

"Measles should not be a part of growing up," Dr. G. H. Fair stated today. Dr. Fair is the District Health Officer with the Department of Public Health. "Students indicate that a single injection of a live measles vaccine should protect a child for life against the dangers of the disease. Measles can occur any time during the year, but it occurs more frequently in the late winter and early spring.

Hundreds of American children die as a result of measles each year. And, even with good medical attention, some complications develop in one in six cases. One in every fifteen victims will suffer serious side-effects ranging from middle-ear infections to pneumonia to encephalitis, a brain inflammation which will send an estimated 1,000 to homes for the feeble-minded for the rest of their lives. Low learning and behavior changes may develop.

"Until 1963, there was no lasting way to avoid the disease. Over 731,000 children were tested with this new vaccine that year, and not one died of the disease," Dr. Fair continued. "One injection may offer lifelong protection."

The parents of pre-school children are advised to contact their family physician or public health department for this immunization.

Contestants Try Out For Oratorical Meet

Robert Scribner, sophomore, and Douglas Conley, junior, are the two orators competing to represent Ruidoso High School in the twenty-ninth annual national high school oratorical contest sponsored by the American Legion. Scribner and Conley will have their final competition Thursday afternoon and the winner will represent Ruidoso in District 5 of the American Legion oratorical contest, Mrs. Jessie Hawkins, English teacher and speech coach announced Monday.

The District 5 American Legion competition in the oratorical contest will be held in the band room at Ruidoso High School Feb. 19, at 2:00 p.m. and will include contestants from the following high schools: Alamogordo, Carrizozo, Tularosa, Corona, Capitan, Ruidoso and Hondo. Karl Soards, Alamogordo, is District 5 chairman of the American Legion oratorical contest, and will be in charge of the competition here Feb. 19. Finalist in the district contest will compete in New Mexico Department of the American Legion contest which can certify one contestant into the national contest program April 7 at New England College, Henniker, New Hampshire.

The subject to be used for the prepared oration in the 1966 Oratorical Contest must be on some phase of the Constitution of the United States.

County Agent's Report

— By — RALPH DUNLAP

Problems and new development in fruit production were discussed at the fruit school held at Hondo School last week. Gene Ott gave information on keeping orchard records. John Durkin emphasized the need for using and applying insecticides correctly if you expect to have worm free apples.

Emroy Shannon described the most common fruit tree diseases and how to control them. Douglas Bryant discussed the four methods of renovating an orchard.

• • •

Control of Grasshoppers in the Capitan area will be discussed at a meeting being held at the Capitan School lunchroom Monday, Feb. 21, starting at 7:30 p.m.

George Fulkerson will explain the helps available for controlling grasshoppers on rangeland.

Everyone is invited to attend.

• • •

A Horsemen's Clinic will be held on the New Mexico State University campus on April 2. The day-long program will include addresses by several outstanding speakers and demonstrations of training techniques by some of New Mexico's leading horse trainers.

SAVINGS BOND SALES TOTAL 47,758 IN '65 IN LINCOLN COUNTY

Purchases of $1,600 worth [illegible] U. S. Savings Bonds in December by residents of Lincoln County brought the total for the year to $47,750, Edwin G Hobbs, State Director of the Treasury Department's Savings Bonds Division, has announced.

Job Corps Buildings To Be Constructed By Texas Firm

A pair of actions affecting the Mescalero reservation were announced by governmental agencies last week, each in its own way heralding a continued economic advance for the community.

The Department of the Interior announced award of a contract by the Bureau of Indian Affairs to McRan, Inc. of San Angelo, Tex., in the amount of $29,247.27 for five pre-fabricated metal buildings for the Eight Canyon Job Corps camp site.

The buildings are auxiliary structures for the camp, which is slated to be opened later this spring.

Also, in action at Washington, D. C., a measure sponsored by Rep. Tom Morris was approved by a House Interior sub-committee to permit 99 acres acquired earlier by the government to be utilized by the Mescaleros for tribal purposes.

Spokesmen for the tribe indicated the tract was purchased some years ago by the government from the Blazer estate.

Teen Towners Pick Ann Winkels Valentine Queen

Teen Towners staged a Valentine party and dance at their new recreation center Monday, Feb. 14, from 7:00 p.m. to 9:30 p.m. Key Club members selected Anne Winkels to be Teen Town Valentine Day Queen with Mildred Stoneman and Delana Phillips serving as princesses. Future Homemakers of America selected Ronnie Taylor, King with Tommy Valliant and Craig Whipple as princes for the evening.

DEMO RALLY SET AT CHAPARRAL; COMMITTEE TO MEET.

Ruidoso Downs Democrats will hold a free supper and dance Thursday evening next week, Feb. 24, at the Chaparral Motor Hotel in Ruidoso Downs, the News was informed this week. The affair is sponsored by supporters of some of the candidates in the municipal election there, it was reported.

Central Committee Meets

On Friday evening, Feb. 25, the Lincoln County Democratic Central Committee will have a supper meeting at the Chaparral with an attendance of about 35 persons expected, Dale Dodds, Ruidoso precinct chairman said when making arrangements for the affair.

Neither event is in any way connected with the other, the News was informed.

The Federal Bureau of Public Roads will hold a hearing March 15 at the State Highway Department building in Santa Fe to hear the views of New Mexicans on a proposed set of standards to control outdoor advertising and junkyards along highways.

LETTERS TO EDITOR—
(Continued from Page 4—Sec. A)

the issue at hand. It's alleged authority was simply a falacy serving only to delay any decisive action. A copy of the mentioned case was given to a Village Trustee, Jodie Filleman, to offset and otherwise to show him and the other Trustees what was happening. Before asking to be placed on the agenda for the next meeting Mr. Filleman informed me that he had discussed the copy in his possession with Mr. Hawkins and had been informed that another case had superceeded the mentioned one. Case No. 784 was the one cited as the valid instrument now concerning the affairs of Ruidoso Natural Gas Company. I contacted Mr. Phil R. Lucero, acting Chairman during Mr. Bursey's absence and discussed the Case No. 784 in detail and learned that the case was Columbus Electric Co-operative vs. Deming Electric alleging infringement. Underlying is his comment dated January 21, 1966.

"We acknowledge receipt of your letter dated January 18, 1966 requesting a copy of our Case No. 784. There is a substantial amount of material included in this case, consisting of various maps, exhibits and so forth. If you are referring to the Commission's recently issued "Finding of Fact and Order Dismissing Complaint and Denying Relief Sought", issued on January 17, 1966, copies of this are available at the statutory charge of 75c a page (this document consists of 2 pages), which is the same charge which would be applicable to the other material relevant to Case No. 784.

"Please let us know just what material you desire and we will be glad to forward it to you, subject to the statutory charges for the Material."

Sincerely yours,
/s/ Phil R. Lucero
Acting Chairman

With these documents and copies of the Franchise Ordinance for approval in hand I attended the meeting of January 27, 1966 and presented them disqualifying any authority at the same time that no constructive action as originally stipulated, pointing out that these passed many months turning into years has actually been spent forming a corporation and distributing stock. I established that Mr. Parsons, my attorney, had prepared this Franchise Ordinance and assured me that it is identical to the one granted Mr. Hawkins, except for names and dates. Further that I was only asking for the privilege to consign the ordinance to a responsible corporation already marketing gas in the State. As you will note the consignment is subject to approval by the Village Trustees and is not valid unless by written consent of the governing body. The proposal was tabled for further consideration where it now stands.

In summation it appears that to date the following has been the results of a matter voted on and approved over two years ago. A corporation that has no legal certificate to market natural gas has been formed to promote, sell, manipulate or transfer stock for monetary gain. Secondly, instead of ditch digging-machinery the only mechanical effort is physical manipulation of a pen to affix signatures on paper. By parallel comparison, using weight as a standard of measure, if affixation of signatures on papers weighing not more than a few ounces requires somewhat over two years to master then installation of 150 miles of pipe weighing several millions of pounds during the time lapsing between May or June to September as stated would be done, is an engineering marvel surpassing harnessing the atom for domestic use and about as likely as a prearranged rendevous between a female Russian cosmonaut and a male American astronaut on the moon!

New Discovery Now Makes It Possible to Shrink And Heal Hemorrhoids Without Surgery
Stops Itch—Relieves Pain In Minutes

New York, N. Y. (Special): A world-famous institute has discovered a new substance which has the astonishing ability to shrink hemorrhoids without surgery. The sufferer first notices almost unbelievable relief *in minutes* from itching, burning and pain. Then this substance speeds up healing of the injured tissue cells while it quickly reduces painful swelling.

Tests conducted under a doctor's observations proved this so—even in cases of 10 to 20 years' standing. The secret is the new healing substance (Bio-Dyne®)—now offered in both *ointment* or *suppository* form called *Preparation H®*.

In addition to actually shrinking piles—Preparation H lubricates and makes bowel movements less painful. It helps to prevent infection (a principal cause of hemorrhoids).

Only Preparation H contains this magic new substance which quickly helps heal injured cells back to normal and stimulates regrowth of healthy tissue again. Just ask for Preparation H Ointment or Preparation H Suppositories (easier to use away from home). Available at all drug counters.

CARD OF THANKS

THANK YOU for your cards, letters and prayers while I was ill in the hospital in Abilene. I am deeply grateful for your kindness and friendship.
PAUL DOUGLASS

CARD OF THANKS

We were overwhelmed by the great many expressions of sympathy we received in the passing of S/Sgt. Creighton R. Grant, and want all of you to know the wonderful display of friendship made our grief much easier to bear. We pray God may spare you such sorrow, but should it come your way, may there be as many helping hands, words of solace, prayers and good deeds to smooth the path for you.
