Ruidoso Downs Launches New Thoroughbred Futurity

Around Town

—BY NOSEY WATERS—

Today's News carries a most unique supplement inserted—a copy of the complete audit of Ruidoso Racing Association, the first time an audit has ever been given widespread publication. The audit was complimented by the state racing commission two weeks ago for its thoroughness.

In last Thursday night's village council meeting, purchasing agent and public works manager for the Ruidoso village Don Hart reviewed recent changes in the state's purchasing act as it applies to local governing bodies, reporting it had been liberalized considerably to allow for quicker action in acquiring needed materials and services.

DEAL HAS BEEN CLOSED — It took a lot of people to close one of the largest real estate transactions ever consummated in Lincoln County when Paso Monte Ranch was sold. Shown here, from left seated Fred A. Dantonio, Mr. and Mrs. Harry Shain of El Paso, Sonney Wright, Mrs. Ruth T. Wright Brechelsen, Everett Grantham, Standing, Mr. and Mrs. G. D. Paso Monte Ranch Deal Completed; Largest Transaction in County

What could well go as the largest real estate transaction ever consummated in Lincoln County was the closing in Carrizozo last week of sale of Paso Monte Ranch by owner F. E. "Sonny" Wright and Mrs. Ruth T. Wright Brechelsen to Harry Shain and Fred A. Dantonio of El Paso and Jack B. Ryan of Houston. The impending sale was first reported in the Ruidoso News in mid-1967.

The selling price was close to \$1 million. Involved in the sale were 12,000 acres of choice land in Lincoln County located near Alto. Sonney Wright said that Paso Monte Ranch and Fort Stanton range which joins it on the north are rated as having the highest animal carrying capacity of any ranch area in the state of New Mexico.

The era started even before New Mexico was a Territory. This is the ranch where Pat Garrett was foreman when he first came to Lincoln County. Billy the Kid got his start, before the Lincoln County War, punching cows on Eagle Creek which flows through the Paso Monte country.

Back in pioneer days a stage coach line ran from Tularosa to Fort Stanton to Fort Sumner, and traversed the full length of the Paso Monte Ranch. The Wrights have owned Paso Monte for 10 years. Sonney said he has run as high as 1,000 steers in one season. The ranch has 4,340 deeded acres, is watered by both Eagle Creek and Little Creek. Pat Moss is operating the ranch for the new owners.

Sonney Wright is the only bonafide rodeo world champion Lincoln County has produced. He has been among the top calf and steer ropers for years and in 1965 won the World Steer Roping Championship at Vinita, Okla. He expects to continue roping and some bullfighting on the rodeo circuit.

Dinner to Honor Chino and Council

Wendell Chino, president of the Mesquero Apache Indian reservation's tribal council for several years and currently serving as president of the National Congress of American Indians, and members of the tribal council who serve with him on the reservation, will be honored guests of Ruidoso and Ruidoso Downs in a dinner Friday evening at the Chaparral.

The dinner, proposed by Ruidoso All-Seasons, Inc., will be a joint effort with Ruidoso Valley Chamber of Commerce and village officials and citizens of both Ruidoso and Ruidoso Downs. Wives of council members are also invited as guests in the affair.

James L. Hine, Ruidoso clerk-manager, has been named chairman of arrangements and heads a committee of several. This mid-week, efforts were being made to have E. S. (Johnny) Walker, U. S. Congressman from New Mexico, to be the speaker in the meeting.

All residents of the area are invited to attend the dinner, which begins at 7:30 p.m. Price for a plate will be \$4.

MAX MCCOY

MCCOY NEW PRESIDENT

C. C. Invites Celebrities To Ski-Tee

Ruidoso Valley Chamber of Commerce had a busy agenda Monday afternoon in its monthly meeting in the C. of C. office, electing new officers and discussing tourism promotion matters.

In the election, Max McCoy, manager of Community Public Service Co. here and who has served as vice-president, was elected president; Don Driver, first vice-president; Ed Hyman, second vice-president, and Reggie Hughes, re-elected treasurer.

McCoy, in accepting the post, said he hoped all members of the C. of C. and the board, also would work in harmony towards building more business for Ruidoso. "Ruidoso needs to realize to the fullest its potential as a resort area," he stressed.

To promote interest in the first annual Ski-Tee program here March 29-30-31, the C. of C. voted to send telegrams to a large number of celebrities to attend the event, including James Arness, Robert F. Kennedy, Arnold Palmer, Ronald Reagan and others. Telegrams are going to those people in the public eye who are both skiers and golfers.

Ray Heid was named chairman of a committee to work on the promotion.

Other celebrities include Jacqueline Kennedy, Mike Douglas, Jack Benny, Bob Hope, Tom and Dick Smothers, Carol Burnett and Art Linkletter. Mayor Lloyd L. Davis, Jr. will sign some of the telegrams. Variety Liquor is providing cost of the telegrams.

The largest attendance in several meetings was noted at Monday's session, with seven new directors, Jake McDonald, Dr. Dale Wynn, Jack Siddens and Ray Nunley on hand, as well as re-elected directors, John Hall, Don Driver and Roy Sammer.

The board appointed Wayne Estes to succeed Walt Wiggins, whose board position was declared vacant under by-laws that state a director missing three meetings could be replaced.

First Running Of Rio Grande This Summer

General manager Tex Barron states that Ruidoso Downs has recently launched an unique race which he feels is destined to become one of the most famous racing events in the Southwest. It's called the Rio Grande Thoroughbred Futurity.

"The Rio Grande Futurity," says Barron, "fills a much-needed slot in the racing picture at Ruidoso Downs. It's a Thoroughbred Futurity exclusively for New Mexico bred foals and this has been needed for a long time."

Barron states that the Rio Grande promises to be the largest Thoroughbred Futurity in the history at Ruidoso Downs, and its original nominations are already the largest of any New Mexico Bred Thoroughbred Futurity on any race track in the state. Nominations closed January 1 with 112 two-year-olds looking toward an estimated purse of some \$40,000.

Beams Barron, "The Rio Grande is an overwhelming success and credit should be passed along to the New Mexico Horse Breeder who have created this success. Equally important, it portends a very bright future for the Thoroughbred industry in the state of New Mexico. Of great importance is the fact that it offers another tremendous avenue for New Mexico to gain regional and national publicity for its superior sport of horse racing."

The Rio Grande is scheduled July 21, 1968 with trials on July 12.

EARL V. MORRIS

E. V. Morris Is Commissioner Candidate

Earl V. Morris, resident of New Mexico since 1934 and in the Ruidoso area since 1961, has announced his candidacy for the office of county commissioner in district 3 subject to the Republican primary in August.

Morris, who has the Gray's tractor agency here and also is dealer for American Oxygen Co. on U. S. Highway 70 in Holbrook, operated the Broken Arrow fruit stand and cafe in Mesquero prior to moving to Ruidoso. He had the Honda store for eight years prior to going to Mesquero. He came to this state from San Angelo, Texas where he worked for the Texas Highway Department and had also been the county engineer in Reagan County. He is married and his wife, Myra, is local Avon agent. While living at Mesquero he operated a fruit farm.

Morris said this week he will begin an active campaign soon for the nomination, stressing his experience in road work and in the agricultural field.

PRODUCE TRUCK OVERTURNS

A large refrigerator truck loaded with produce overturned when it dropped off the paving as U. S. Highway 70 narrows east of here near Glencoe Tuesday evening. It was the second such accident at the same place in three weeks. Owned by Johnny Gafford, Lubbock, it was driven by Amos Walker, Houston, who received emergency treatment in the local hospital. State policeman Conn Brown checked the accident.

MEETS THURSDAY Tom Loudon, president of the Cathedral of the Pines, reports a meeting of the organization will be held Thursday this week at 7:30 p.m. at the Chaparral Motor Hotel.

SAM MONTGOMERY

Montgomery Is Commissioner Candidate

Sam Montgomery, resident of Ruidoso the last five years, and developer of Modern Camp Ground and also in the process of developing a large subdivision on land lying north of Ruidoso, this week announced he would be a candidate for Lincoln county commissioner in precinct 3, subject to the Democratic primary in August. He issued the following statement:

"Sam Montgomery offers his services to the voters of Lincoln County as County Commissioner, Precinct No. 3. The county's business is very extensive, but the largest expense is the roads and their maintenance.

"Sam Montgomery entered school at Lakewood, N. M. in 1918 and moved to Carlsbad in 1919 and finished high school there; was in the dirt and construction business until 1956, and can operate all kinds of heavy equipment.

"Sam Montgomery is a veteran of World War II and was an officer pilot in the Air Force from 1944 to 1946 and served in the China-Burma-India Theater.

"Sam Montgomery farmed a 700 acre irrigated farm from 1956 to 1961 and knows the farmers' problems; also owned and operated the Thunderbird Motel in Waco, Texas from 1961 to 1966 and knows the problems of Motel people.

"Sam Montgomery bought his first land in Lincoln county in 1952 and built a house on it in 1953, then moved to Ruidoso in 1966 and bought land at a state sale, and has secured a Biological Research Station for Lincoln County by giving 20 acres of land to New Mexico State University. These efforts led to a summer school that will start this summer in Ruidoso.

"I, Sam Montgomery ask you

Hospital OK'd For Emergency Medicare Aid

Announcement was made Tuesday this week of a new status for the local hospital, as noted in this statement issued by manager Jim Kane:

"In response to the 1967 Social Security Amendments to Medicare, the Ruidoso-Hondo Valley General Hospital has been established as a provider of emergency services to eligible medicare beneficiaries, effective January 1, 1968.

"This emergency certification has no effect upon the action of the Secretary of Health, Education and Welfare toward full certification as requested by the Board of Trustees and the survey by the State Agency on February 13 and 19, 1968.

"We are hoping for a favorable response in the very near future."

New Building Code, Permit Fees Passed In Village Ordinance

Ruidoso's village council Thursday night last week passed a new building code ordinance, which also sets building permit fees, and which voids six previous ordinances covering this subject. The ordinance appears in today's News and copies are to be mailed to real estate dealers and are available for anyone else interested.

In the same council meeting, the trustees called for bids on fuels for the village's needs for a year, and the notice also is printed in today's News.

Commenting on the new building code and fees, clerk-manager Jim Hine complimented his assistant Don Hart in his new post as building inspector for the thoroughness of his work since he took the job "Hart makes three inspections of the new construction—at the start before the foundation is started, then at regular intervals after that, and we have found both the permittee and the contractors are very happy with this system," Hine declared.

State's Photographers Set Convention Here

Local residents are invited to view a display of photographs to be open to the public Sunday afternoon at the Chaparral Motor Hotel. The exhibit is a part of the 1968 convention of the Professional Photographers Assn. of New Mexico, which will attract 100 or more, according to V. F. Hais, local member.

The convention starts Saturday and runs through Monday. John C. Maxwell, Hobbs, is president of the association, and will give support and influence to promote Lincoln County to a more prosperous community.

"A vote for Sam Montgomery is a vote for employment, industry and growth in Lincoln County."

BULLETIN

L. G. Boles, chief engineer for the state highway department has informed Jim Hine, Ruidoso clerk-manager, that funds have been approved by the Bureau of Public Roads to include construction of a new and wider bridge on the west end of the improvements now under construction on U. S. Highway 70 in the Ruidoso valley east of here. The bridge will replace a narrow one which had caused concern among many officials that if it remained it would be a death trap.

Local DeMolays

Observe International Week March 17-24

Heritage Chapter, Order of DeMolays, today announced that it joins more than 2,500 other DeMolay chapters in local observance of International DeMolay Week, March 17-24.

The annual, week-long event, celebrating the anniversary of the Order, is designed to acquaint the public throughout the free world with the purposes and activities of the organization.

The theme selected for the 1968 observance is "Young Men on the Go!" The DeMolays are planning events ranging from social activities to civic service projects to emphasize the program.

M. C. Harry White, son of Mr. and Mrs. Lincoln O. White, and Master Councilor of the local chapter, said that the 1968 theme was chosen because "it is indicative of the growth and activities of Heritage Chapter." He stated that in addition to providing worthwhile activities for a young man, "the Order builds character and leadership qualities."

FOUR AREA RESIDENTS ON SEMESTER HONOR ROLL AT NEW MEXICO STATE U.

MR. AND MRS. JOE S. TRUITT

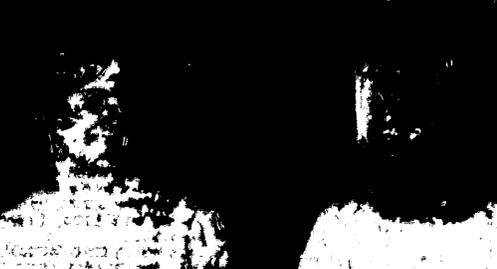

Open House Sunday To Honor Joe Truitt's On 50th Anniversary

Mr. and Mrs. Joe Truitt of Ruidoso will be honored at an open house to be held Sunday afternoon, March 24, from 2 to 6 p.m. at their home, Mountain Haven Lodge, a block west of the Ruidoso postoffice, and to be hosted by the couple's children on the occasion of the Truitt's golden wedding anniversary. The Truitt's children include: Mrs. Van White, Ruidoso; Mrs. John L. Parlette, Dallas, Tex. and Thomas J. Truitt, Dallas. All friends of the couple are invited to attend the open house Sunday afternoon, it was announced.

Joe and Bessie Truitt were married at Enid, Okla. on March 20, 1918. They have been living in Ruidoso for the past eight years and until early this year they have been operating the Whispering Pine Coffee Shop in the upper canyon which they built and opened in December, 1962. They sold the coffee shop early this year. They also operated the Whispering Pine Cabins in the upper canyon, but sold these about a year ago. They came to Ruidoso from Dallas where they lived for 10

years and where Truitt was in the packing, boxing and crating business and was working for the U. S. Government. Before moving to Dallas, they lived at Lawton, Okla. where they had a ranch with 112 head of Whiteface cattle and 15 chawlow all white.

The Truitts are now operating Mountain Haven Lodge here which they acquired early this year. Truitt is president of the Humane Society in Ruidoso and has given lots of time and effort in the operation of that organization.

LOIS ANN LANE NAMED ON SEMESTER HONOR LIST AT KENTUCKY COLLEGE

Miss Lois Ann Lane of Hollywood has been named to the Dean's List at Centre College in Danville, Ky. for having an excellent academic record during the first term of the 1967-68 school year.

Miss Lane, the daughter of Mr. and Mrs. Wade Lane, Hollywood, graduated in 1965 from Ruidoso High School where she was a cheerleader, an officer in the student council, and president of the National Honor Society. At Centre she has previously appeared on the Dean's List and has served as treasurer of the Women's Student Congress.

QUARTERLY CONFERENCE SET AT CHAPARRAL BEAUTY SHOP

Members and guests of the Ruidoso Woman's Club in the meeting held Wednesday, March 13, at the club house, enjoyed a program on "Herbs and Spices" presented by Mrs. Zoe Giacchino. Mrs. Dale Dadds who was in charge of the program introduced Mrs. Glasmiro who presented the program in three parts. She was accompanied on the piano by Mrs. Dan Orflich. In the first part Mrs. Glasmiro was dressed in an old fashioned black taffeta dress which had belonged to her grandmother, and she was wearing a white wig and walking with a cane to the music of "My Old Kentucky Home." She spoke of the early history of gardens of herbs and spices. For the second part she was dressed in pink shorts and a shirt, imitating the Waltz, to the tune of "What Now My Love", and she continued her talk on herbs in the modern age. In the third part she appeared as a "hillbilly", barefoot and dressed in blue jeans and red shirt, eating an apple and carrying a fishing pole and tin can of worms and with a green frog on the hook of the pole, and with the tune, "He'll Be Coming Around the Mountain". Mrs. Giacchino recited a poem by James Whitcomb Riley in his Hoosier dialect on Paw-paws.

Mrs. Giacchino's part of the program was followed by a short talk by Mrs. Lucie Yaman of San Francisco who raises herbs in her garden and who showed plans of an exclusive herb garden she is planning in the future. Her experiences in growing herbs and spices and caring with them both in Mexico and in California enabled her to explain many interesting facts and give many helpful hints on using herbs and spices in food.

During the business session members voted to accept the recommendations of the executive board to change the by-laws regarding requirements for membership and on club procedures in the future. It was announced that the state convention will be held in Tucuman. (Continued to Page 8 - Sec. A)

'Reviews' Earns Band Fund Aid
 Ruidoso Reviews of 1968, presenting a variety menu of comedy, seriousness and music, almost filled the school gym-auditorium to capacity Friday evening last week — bringing in a nice round sum of money for much needed uniforms and equipment for the school band. Sponsored by the Band Boosters club, and one of several programs to be brought to the public in this financial drive, the program last week featured 14 acts with a cast of about 60 people.
 Carmon Phillips was master of ceremonies for the evening. Dress-

ed for the part he opened with a dialogue on hippies. Others appearing on the program included a combo composed of LeRoy Gooch, Bill Yeager, Jessie Lee Hawkins, Mike Clements and Carmon Phillips. Betty Bennett and Sandy White next presented a skit on a collision of the old and the new as Sandy marched in to get a job in the city library, dominated over by Betty Bennett.
 Frank Potter was well received with three guitar renditions followed by an acrobatic dance by Judy Perceet. Joan Marie Griffith presented "Ebbtide," a vocal number, with Mrs. Hawkins as accompanist.

Six local youngsters presented the kind of music the younger set enjoys today as they performed as "The Missing Links." In the group were Allan Baker, vocalist; Steve Miller, guitar; R. D. Price, bass; Rick Hewlett, rhythm guitar; Harry White, drums, and Jimmy Davis, vocalist.
 Betty Bennett offered her candidacy for the vice-president of the U. S. A. in a comic address, stating she wanted to run with Pat Paulsen, TV comic who is "not running" for the chief executive's post. Bill and Billie Yeager, with Potter assisting with guitar background, sang a comedy duet.

The widely publicized "topless" act saw Judy Perceet dance across the dimly lit stage bearing a placard "Censored" as a shield as she smiled above the sign at the audience. She was followed off stage by a dissenter also bearing a placard that said "Chicken".
 Sandy White, with piano accompaniment by Mrs. Hawkins, gave her oration on "What It Means to be an American," a piece which won her several honors when she was a student in Ruidoso high.

Ed Osborn, local junior high teacher, received a big hand for a couple of his songs, accompanying himself on the guitar. For a chorus line, the program presented the Micro-Minis in a dance routine. They were Judy Perceet, Celia Carpenter, Frances Siddens, Jane Parks, Ada Lu Newton, Judy Mitchell, Mary Lee Nunley, Delana Phillips and Cathy Hine.

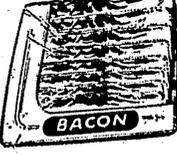

Joan Marie Griffith sang one of the big numbers from Porgy and Bess, "Summertime" just before the finale with Goddard High school's 16-member dance band from Roswell. Earl Hesse was director of the Goddard aggregation. Attendance was estimated at about 500 persons and not receipts were \$438 said band director LeRoy Gooch who said he wanted to express his personal thanks and the thanks of the band members for the response received for the variety show and to all participants, too.

ginning to doubt that. For instance a friend of mine sent me a long clipping from the Rowell paper about a bill introduced in the Congress to pay D. F. McNutt his Medicare bill. I could hardly wait until I got the Ruidoso News to get the details, but to my surprise you didn't mention a word about it.

 Dear Mr. Lamb

This is the first letter I ever wrote an editor, but under the circumstances I couldn't pass up the temptation. I bought a place in Ruidoso because I believed all the advertisements that Ruidoso has everything I also subscribed for the Ruidoso News thinking it would keep me up on all the happenings, but I am be-

Mr. Lamb I am really surprised in your coverage of the news especially anything about Medi-Care. Even though you might not like it personally you should look around you at the hundreds of people who come to Ruidoso each summer and all those that live there the year around. You know that 70 miles to Rowell could very well mean life or death to a heart patient.

Ruidoso Peace Corps Volunteer Helped Build A Bridge In Ecuador

By **MARC VALEN**
 (Ruidoso News Staff Writer)

Why go 25,000 miles to build a bridge? It seemed like a benediction to ask Billy Don Knox on his return from a three-year stint in the Peace Corps in Ecuador. Knox's greatest contribution while he was there, he said, was to help build a bridge connecting a small village near the headwaters of the Amazon with a newly constructed road on the other side of the river. The little village of Zumbi rests between the Rio Zamora and Nanga Rivers, the two rivers. The government of Ecuador had built the new highway on the other side of the river. The 350 villagers needed the road to move their crops—bananas, corn and tropical fruits to market.

Why was an American Peace Corps volunteer needed to help villagers build a bridge, especially when he really didn't know much about building a bridge? First of all, the technical help was available in a nearby city. Secondly, the steel cables would be supplied by the American embassy and would be shipped without charge by an American shipping line. The villagers needed to supply the wood and all of the labor. There was plenty of labor, and the rain forest in which the village was located had plenty of suitable wood available. What was needed was organization and determination.

Peace Corps volunteer Billy Don Knox from Ruidoso, New Mexico provided both. He graduated as a psychology major from New Mexico University. The Peace Corps gave him an extensive three-month training program after that.

While he was in Ecuador he also taught English and arts and crafts. Once he was very proud of an original handicraft plate he had made. It was displayed in a local store. A Peace Corps friend of his returned from a trip to town proudly displaying the authentic Ecuadorian handicraft he had bought. It was the plate that Billy Don had made shortly before.

I would like to see this letter in the news and your answer.

Yours very truly,
 /s/ E. L. Slay

Editor's Note: In our issue of May 12, 1967 we printed a strongly worded editorial titled "We Must Have Medicare." Regarding the McNutt news story, the facts were not made available to us, or we would have printed it. V. L.

 The President of the Chamber of Commerce
 Ruidoso, New Mexico, U. S. A.

The International Press announcement that the Ruidoso Chamber of Commerce asked the State Department for a reimbursement for \$25,000 as the proportional part belongs to the above mentioned community for the War debt incurred by France with the U. S. as a result of War I.

We applaud your decision of obtaining the payment of such a debt the generosity of the U. S. having once more been established. We would understand the attitude of France if that country would be going through some sort of depression but not as now enjoying a good economic situation and if France would be the loyal friend and really it is not. Under

De Gaulle France shows herself as ungrateful, villainous, etc., without any feeling out of gratitude towards her old defenders the French attitude that fill us with contempt especially by the U. K. preventing the U. K. to enter the common market the conspiracy vs. the E. pound and the U. S. dollar that attitudes shows France no better than a common criminal.

It is just for so many American soldiers that fought for the freedom of France, every U. S. citizen should close ranks and ask from the President of the U. S. the demand of the payment of this debt, so the dollar should get a boost and many public works carried on.

The French do not understand a gentleman's language they only understand force the only language they deserve for their lack of decency, their villainy, and De Gaulle is a ruffian, he is despicable trying that everyone forgets the debts of France that France owes the U. S. as so much American blood was spilled on their soil.

You may feel free to use this letter in any way you wish in only way to express our moral protest vs. De Gaulle behavior. This prevented our miserable creature. Please accept the respectful consideration from this friend of your people.

What is the secret of the fabled Hindu Rope Trick? For more than 400 years, strange tales have been told of the mysterious occurrences from India in which a Hindu Mystic takes a long rope, coils it, and sets it on the ground. He ties a knot in one end of the rope. Slowly and mysteriously, the knotted end begins to ascend upward, until it is perhaps 50 feet in the air; the lower end still touching the ground. Then a small boy climbs the rope to the top and disappears. The rope falls limp to the ground. What is the strange secret of this and other mysteries of the Orient? CHARTER SERVICE REPORT

Brown Flying Service, Inc. No. 1

A survey of the business representatives of Ruidoso including doctors, lawyers, Ruidoso Hospital, Bureau of Indian Affairs, the Mesalero Tribe, State and Federal Forestry, land sales development centers and residents in and out of Ruidoso alike, shows the No. 1 charter service to and from the Ruidoso area is still Brown Flying Service, Inc. Established in 1947 and offering greater service and newer facilities every day, Brown Flying Service would like to invite you the public, anytime for a look at our newest and latest bird, the new Super Skyline. This six-plus passenger plane offers to the public a passenger seating. Compared to the nearest competitors, three passenger, it offers eight seating, touring parties or other groups. The same low-price rates for 1-3 or 5-passenger group. More room for hospital patients confined to stretchers. Brown Flying Service, Inc. also offers nationally known world-wide Avis Rent-A-Car service. Compared to private individuals, talk with our three commercial pilots, Ralph Brown, Joe Skeen and Mark Sloan. All long time residents of the hills of Ruidoso. Or just stop at the reservation desk. We're always glad to answer any questions you may have on flying whether it be commercial charter or student training. We also realize service alone has not made us No. 1. So we have to give credit to you, our customers. And thank you each individually. We appreciate your business.

Band, Choral Concert Set At Capitan

The Capitan band and choral concert for this spring will be Thursday evening, March 23. The concert will be held in the Capitan gym beginning at 7:30 p.m.

On the program in addition to the advanced band will be the fifth grade band and the 27-member girls' chorus. The advanced band's program will be varied with marches, waltzes and specials being featured. The girls' chorus will sing Days of Wine and Roses, The Rain in Spain and Song of the Danube. The fifth grade band will play four selections from the beginning book. The advanced band consists of 48 members. The fifth grade band is 17 members.

Tickets are now on sale by all Capitan music students. The band and chorus is conducted by Bartley K. McDonough.

Police chief J. F. Bobo and wife and daughter, Paula, were here from Lamesa, Texas last week-end to ski and play golf. They are former Ruidosians.

Several Agencies Join In Fire Training School

By MARC VALEN (Ruidoso News Staff Writer)

Fifty-seven persons interested in firefighting from throughout the southeast part of the state attended a fire training at the Capitan fire station last Thursday afternoon. Driver estimated 300 persons might attend this year's event. He said the Aggie Ramblers will play for a dance and as part of the program that evening.

This was the first school of this type. Similar schools will be held in all the other four districts, Chama, Cimarron, Las Vegas and Magdalena.

The training school was opened by Crawford Riggs from Santa Fe, the chief fire control officer for the State Forestry Department. Riggs told the objectives and responsibilities of the state forestry department and explained ways by which those present could co-operate with the other state and local agencies. A discussion followed in which the representatives of fire departments and the members of the State Highway Department made suggestions.

Mark Sloan spelled out the lines of authority, communications, first attack, follow-up and mop-up in fighting fires. Assistant district forester Lee Ingalls explained the use of hand tools, pumps and heavy equipment and discussed safety measures. Several movies on fire fighting were also shown.

John Bogardus, chief of maintenance of state highway department, Santa Fe, gave an informative short talk on the role the highway department could play in fire suppression and answered questions. Talks were given and questions answered by state highway employees, Mayor Pacheco, industrial safety and civilian defense representative, and Robert Grigo, safety officer.

Charles Murray represented Ruidoso; Claude Peterson and Paul West, Ruidoso; Jerry Foster, David Morris, Roy LaMay, Tom LaMay, Leroy McKnight and Lee Smith from Capitan; Jim Pumphrey, D. M. Burgess and George Haines from Ft. Stanton; Walter Harrah, Oland Perry and James Fruithway from Lincoln; Marvin Jones and Bob Scribner from Bonito and Frank Gomez and Fred Romero from Hondo.

Representing the U. S. Forest Service were Mack Cook and Jim McEuen from Ruidoso, Dick Beaubien, Paul Jones, Warren Harris, Capitan, and Dan McIntire, chief fire control officer, Lincoln National Forest, Alamogordo. Also from Capitan was Bunch Allen of the New Mexico Livestock Board. There were also representatives of fire departments from throughout the southeast part of the state, representatives of the Bureau of Land Management, State Highway Department, Eight Canyon Job Corps and Lincoln County Sheriff Leandro Vega.

Congressmen Push For Special Bill For McNutt Claim

Special legislation in the U. S. Congress for Medicare aid to a Ruidoso resident, which acts a precedent because of the uniqueness of the case, is being considered in the current session in Washington, according to a special report in Tuesday's El Paso Times as written by Sarah McClendon, the Times capital correspondent.

A bill by Rep. Tom Morris to collect \$1,150 in Medicare fees for the personal relief of David P. McNutt, Ruidoso hospital patient, is still pending in the House Judiciary Committee.

When and if it gets through the House and comes to the Senate, it will get a personal boost from Sen. John O. Towers, R-Tex., in behalf of McNutt's two brothers, Ross D. McNutt of Houston and Gordon McNutt of Austin.

The bill hinges on a point of considerable interest — whether the federal government can be held responsible for a statement in a government handbook of instructions of Medicare, even if a government examiner ruled the book later to be in error.

Congressman Morris thinks the government owes it to McNutt to pay his hospital bill.

McNutt was rushed to Ruidoso-Hondo Valley General Hospital as an emergency case and there was given treatment. At the time it was a non-participating hospital as far as Medicare was concerned. McNutt might have gone to another hospital for his lengthy convalescence after the emergency was over but he counted on the handbook which said if a person is taken to a non-participating hospital when there is an emergency, his Medicare insurance would still be paid. But later, examiner Denton T. Gossett in Ft. Worth, Tex., ruled against McNutt's claim, saying the handbook was erroneous.

Morris' bill is MR 1668. Tower's office said he would not be introducing a separate measure but would cooperate to the fullest with Morris.

Band Booster Show Sponsors Express Thanks For 'Reviews'

By SANDY WHITE (Co-Publicity Chairman for the Band Boosters Club)

I come to you this week, full of gratitude and I am sure that every member of the band and the Band Booster Club are in full agreement with me. When I first started the column for this week, I wanted to express our thanks in the most important, flowery way possible so as to let you know how much we appreciated your support at last Friday's "Ruidoso Reviews". After much thought and very serious contemplation, along with a rather large stack of discarded ideas, I came to the conclusion that this would never do.

Instead I can only give you the facts: An estimated 500 people turned out to see the show and I personally paid a visit to the local Fort Knox to deposit the \$486.35 received thus far. This figure is not yet complete as there is still some money to be turned in.

So as you can see when I gazed at these astonishing figures I suddenly realized that flowery speeches were extremely inappropriate. I can only say on behalf of all concerned, we would like to thank the wonderful people of this town for their support. Thank you, from the bottom of our hearts. You have given us a big step forward toward our ultimate goal. We hope that in the process we were able to give you a little fun and entertainment. Also our hat is off to Eddie Eldens, who printed the tickets free of charge and Earl Hesse who brought the Goddard high dance band all the way from Roswell. They are a fine band and they certainly added that special something that the show needed. It would be impossible to list all those people who so generously gave of their time and effort to help make the show a success, but to all of you we are grateful.

As for the future, we have more things coming up for your enjoyment. As you already know, "Hanky Panky in Harmony Valley" will be presented every week. I believe a tentative date has been set for April 13.

As for May we are very fortunate indeed for having been able to secure opening day of the races. Tickets will be on sale for one dollar with all proceeds going to the band fund. Also in the working are

Carl on April 23-4 and delegates selected included in addition to the president, Mrs. L. C. Crews, Mrs. T. J. Frank and Miss Kathleen Doering, with Mrs. Ed Sanders and Mrs. Zoe Glassmire as alternates.

It was also announced that the local club will have a rummage sale on May 4 in the American Legion Hall. Several door prizes of tea, spices and herbs were given. The refreshment table was covered with a cloth in St. Patrick's Day motif and held a centerpiece which was a pyramid built of spice cans. Hot tea was served from a large bowl and was red in color and was called buttered cinnamon tea. Several kinds of sandwiches and assorted candies were served, and small cups of yellow souffles and green mint tea were also served.

Hostesses were Mrs. Ed Lane, Mrs. Herman Borges, Miss Kathleen Doering and Mrs. Zoe Glassmire.

Band Booster Show Sponsors Express Thanks For 'Reviews'

By SANDY WHITE (Co-Publicity Chairman for the Band Boosters Club)

I come to you this week, full of gratitude and I am sure that every member of the band and the Band Booster Club are in full agreement with me. When I first started the column for this week, I wanted to express our thanks in the most important, flowery way possible so as to let you know how much we appreciated your support at last Friday's "Ruidoso Reviews". After much thought and very serious contemplation, along with a rather large stack of discarded ideas, I came to the conclusion that this would never do.

Instead I can only give you the facts: An estimated 500 people turned out to see the show and I personally paid a visit to the local Fort Knox to deposit the \$486.35 received thus far. This figure is not yet complete as there is still some money to be turned in.

So as you can see when I gazed at these astonishing figures I suddenly realized that flowery speeches were extremely inappropriate. I can only say on behalf of all concerned, we would like to thank the wonderful people of this town for their support. Thank you, from the bottom of our hearts. You have given us a big step forward toward our ultimate goal. We hope that in the process we were able to give you a little fun and entertainment. Also our hat is off to Eddie Eldens, who printed the tickets free of charge and Earl Hesse who brought the Goddard high dance band all the way from Roswell. They are a fine band and they certainly added that special something that the show needed. It would be impossible to list all those people who so generously gave of their time and effort to help make the show a success, but to all of you we are grateful.

As for the future, we have more things coming up for your enjoyment. As you already know, "Hanky Panky in Harmony Valley" will be presented every week. I believe a tentative date has been set for April 13.

As for May we are very fortunate indeed for having been able to secure opening day of the races. Tickets will be on sale for one dollar with all proceeds going to the band fund. Also in the working are

Mrs. Thompson's pre-first students have started reading in their pre-primers. They have some new records from the American Book Series, which they are enjoying very much. They are starting potter plants. They are Iris plants and they are beginning to get green. The pots will be painted by the students later and will be taken home this spring so the children can plant them in the ground at their own homes. The children are learning to weave paper this week.

Mrs. Jones' first graders are studying the moon, sun and astronauts in science. Mr. Dub Williams came to class last Friday and gave a very interesting talk to the students about rockets. The students are writing and illustrating original couplets and making a book of them. Shaun Griffith and her sister Dawn, had a birthday Tuesday, March 19. Happy birthday, Shaun and Dawn. Donda Pippin brought a chopstick holder, newspaper, money and pictures from Korea for the other students to see. Shaun Griffith brought a Japanese fan.

The other students enjoy seeing and learning about objects like this. Citizens of the month have been chosen. They are Donda Pippin and Berde Williams.

Mrs. Cheney's first grade students have some new records. They are guitars, patriotic songs, marches and rhythms. The children gave a demonstration of some of the games they play with records. They are learning the songs very fast so they can sing as the records play.

Mrs. Lathan's second graders have received a letter from a second grade in the Philippines, on Clark Air Base. They sent a letter to second graders there by Mrs. Lathan's husband when he was shipped over there. They have learned there are 30 second grade classes at Clark Air Force Base. They are thinking of spring and are making peep boxes. They are planting radish seeds and will change the direction of the plants to see if the roots will grow other ways. They are taking their math tests to see what they have learned about money, polygons and number combinations. If their spare time they are working on kite pictures. They have lost one student, DeAnn Butts, but they have two new students, Ramon Sanchez from Albuquerque and David Orr from Clovis.

The committee in Ruidoso have made a gift of children's clothes and they are in the process of being delivered now. Teachers were asked to turn in a list of students needs and this was turned over to the sororities who in turn purchased or acquired the clothes and have given them to the various teachers. They will be distributed to the needy children soon, according to a report from one of the teachers.

Congressmen Push For Special Bill For McNutt Claim

Special legislation in the U. S. Congress for Medicare aid to a Ruidoso resident, which acts a precedent because of the uniqueness of the case, is being considered in the current session in Washington, according to a special report in Tuesday's El Paso Times as written by Sarah McClendon, the Times capital correspondent.

A bill by Rep. Tom Morris to collect \$1,150 in Medicare fees for the personal relief of David P. McNutt, Ruidoso hospital patient, is still pending in the House Judiciary Committee.

When and if it gets through the House and comes to the Senate, it will get a personal boost from Sen. John O. Towers, R-Tex., in behalf of McNutt's two brothers, Ross D. McNutt of Houston and Gordon McNutt of Austin.

The bill hinges on a point of considerable interest — whether the federal government can be held responsible for a statement in a government handbook of instructions of Medicare, even if a government examiner ruled the book later to be in error.

Congressman Morris thinks the government owes it to McNutt to pay his hospital bill.

McNutt was rushed to Ruidoso-Hondo Valley General Hospital as an emergency case and there was given treatment. At the time it was a non-participating hospital as far as Medicare was concerned. McNutt might have gone to another hospital for his lengthy convalescence after the emergency was over but he counted on the handbook which said if a person is taken to a non-participating hospital when there is an emergency, his Medicare insurance would still be paid. But later, examiner Denton T. Gossett in Ft. Worth, Tex., ruled against McNutt's claim, saying the handbook was erroneous.

Morris' bill is MR 1668. Tower's office said he would not be introducing a separate measure but would cooperate to the fullest with Morris.

Pair of Exchange Students Like U. S. Food, People and Country

By MARC VALEN (Ruidoso News Staff)

Imagine miles and miles of red desert in a country about the size of the United States and only the population of greater New York

City Australia is a country of 2,640,000 square miles with a population of less than 11 million. Rotary exchange student Angella Harry was telling about her country.

Sitting next to her was another exchange student Elinor Widen from Sweden. Her country has only 173,640 square miles with a population of about 7 1/2 million. Australia, Angella said, is a country of rugged individualism, low taxes, low wages and where only the first half of high school is free.

Elinor told of the high standards of living in Sweden where the wages are comparable to the U. S., and the taxes are the highest in the world. Education (as much of it as you want), doctors and hospitals and retirement is all provided by the government at no charge.

These two girls have been thrown together in a Rotary exchange program and are staying at the Horse Shoe Court as guests of Mr. and Mrs. Les Crews. Angella has gone to school only with girls. She said there are no co-ed schools in Australia. Elinor has been educated in co-educational schools in Sweden. Both girls are going to school here for a week with Ruidoso students.

Both girls were entertained at several local homes this week and last week-end. They were the guests for dinner in the home of

Ambassadors Vote To Buy Band Suit
Ruidoso Valley Ambassadors voted to furnish the Ruidoso High School band with one new band uniform. The money to pay for the uniform would come out of the organization's treasury. The group also discussed the possibility of erecting a sign to advertise Ruidoso. No action was taken.

Woody Johnson of the Wild Snail is now a new member. Guests at the luncheon meeting last Thursday at the Chaparral were Rev. and Mrs. Kenneth Cole and Mr. and Mrs. Elmer Pirelli. Dr. W. D. Horton urged the Ambassadors to participate in the Tee-Ski week-end March 29, 30 and 31. President George White was out of town and Judge Austin Pritchett presided at the meeting.

School Personnel Gets Contracts

All Ruidoso teachers and non-certified personnel with the exception of two teachers have been rehired.

Two teachers who were hired only on a temporary basis, have not been offered new contracts. Miss Nell Rayburn, a retired teacher from Odessa, Texas School District was hired last September to help teach tower grades because of the over crowded classes. Because of the drop in enrollment of these lower grades her services were no longer needed this year.

Mrs. Sam Dunn was hired to fill the vacancy left by Lynn McGuire who received a leave of absence to teach at the Fort Stanton Boys' School. Another teacher taking a leave of absence, Bill Pippin, was offered a new contract this year but refused it so that he might continue in his present business.

Subject to a budget hearing which will take place June 11 the Ruidoso School Board, at its meeting March 14, agreed to a pay raise suggested by Dub Williams. The raise would provide teachers with a \$200 base raise and \$100 for each year's experience in the state and half of that for approved experience out of the state.

High school principal P. T. Valliant will spend next week in Chicago being interviewed by the National Accreditation Committee of North Central Association. The accreditation has already been approved by the state committee. Valliant has also been instructed to interview an applicant for a teacher to fill the vacancy left by the resignation of Bill Pippin.

Brown Flying Service May Move Car Rental, Charter Service Office

Jim Graham, a partner with Joe Skeen in Brown Flying Service, meeting with the Ruidoso village council Thursday night last week asked if the firm could rent an office, or desk space in the lobby in the municipal airport terminal for their business' Avis car rental. He said the charter flying service, which offers ambulance trips, scenic flights, and trips to any part of the country, may also move its office from the present location, the former Ralph Brown headquarters, into the municipal terminal building at some time in the future. The council replied it would welcome the new occupants.

Closer Cooperation Between Fire Fighters Is Subject of Report

Fire chief Charles (Cowboy) Murray reported to the Ruidoso village council in its Thursday night meeting last week that a fire training school held in Captain in several sessions had brought together village and rural volunteer fire departments of the area, representatives of the U. S. Forest Service and the State Forestry Dept., and that closer co-operation among all such agencies was one of the main subjects under discussion. He asked the council here to pass a resolution to allow Ruidoso and Ruidoso Downs to enter into mobile assistance in case of fires in either community, and for an agreement from the council to allow the local V. F. D. to work in close harmony with the state and federal forest services, as well as the state highway department to muster manpower and equipment in the case of a major conflagration.

He said a pre-attack fire fighting plan that the local department and the Lincoln National Forest people worked out last year for joint fire fighting efforts is to be revised shortly and he would provide the governing body with a report on changes and the up-dating on it soon. He added that assistance of the Ruidoso village's sanitation department in providing manpower and some of its equipment would be a major assist in fire emergency, also.

Auto Tag Sales To Close Down At Village Hall

Ruidoso clerk-manager Jim Hine said last week the services of selling vehicle license plates and tags by village personnel in the municipal building here will end April 1, and that the state Motor Vehicle Department will then operate an office, place to be announced, for all of the county here. Hine said it may be the state's vehicle license plate salesman may make regular visits to other communities of the county, but this will be announced by the state when the new operation begins. He said he was informed of the village's conclusion in this service by the department chairman, Larry Prentice.

County Agent's Report

Grasshoppers and their control were discussed at meetings held in Corona and Honda last week. Dan and Jack Judd, plant pest control talked to the Corona group about the spring survey for grasshoppers. The adult survey was as complete as they wanted, starting about the middle of April, they plan to start looking for hoppers and see if any are hatching.

Local ranchers were asked to report any grasshoppers they find to Archie Perkins or Ben Roberts in the Corona area or Ernest McDaniel in the Glencoe area. They will relay any information they get to plant pest control personnel or to the county agents office in Corona.

There are several grasshoppers showing up in different areas but the hoppers found now do not cause heavy damage to range forage. These hoppers are gone by mid-May. There are over 50 species of grasshoppers in the area and only eight species cause the heavy range damage. The soil temperature must be about 60 degrees before the hoppers hatch.

Plan to put a delayed dormant spray on your apple trees. As most growers let up on their spraying last year, it is especially important that you put on a delayed dormant spray to reduce the mite infestation. Use lime-sulphur and/or dormant oil for this spray. In the first spray include a miticide to keep the mites down.

Fruit spray schedules are available at the county agent's office to help growers to plan a spray program. A thorough spray program should keep the worms under 5% in the apples. I had a grower tell me that any orchard with over 20% wormy apples are not worth packing.

WHITE MOUNTAIN SCHOOL NEWS

White Mountain School has a new sandbox of which they are very proud. Several teachers were heard to comment that even they would like to try it out.

There will be a school picnic this year. This was decided by the Education Assn. in a meeting last week. For the last two years, adverse weather conditions have caused the picnic to be cancelled. Mrs. McCarty's first grade students are learning about suffixes and compound words in reading and in arithmetic they are studying combinations through ten. Dana Christman is back in school after being absent for two weeks with the measles. Sarah Edwards is visiting her grandmother and will be gone for a few days yet.

Mrs. Dungan's second graders are finishing lower case letters in curative writing and are eager to get to capital letters. They are working on book reports on library books. Ronnie Looten is in the lead on the number of books read and reported on, he has 17. One reading group from this room has been writing fairy tales. Two students have left this room, Herbie Skinner has moved to Las Vegas and Nita Shirley has moved to Carlsbad. The entire class has new reading books.

Mrs. Parker's second grade students made scratch pictures last week. They are studying seeds in science and are planting flowers, grass and vegetable seeds. Mrs. Newbrough's fourth grade

students are studying the Plains Indians. They have been making murals of the Plains Indians, Forest Indians and the Indians of the West. In arithmetic they are adding and subtracting three digit numbers and money and in English they are studying special plural forms. They have been making collages in art with a spring theme.

Mrs. Miller's third graders are regrouping in subtraction with three digit numbers using money in arithmetic. In science, they have begun a unit of kinds of living things, animals. In social studies they are studying Indians and in English they are studying plurals of nouns and special ways to write S-form verbs.

Mrs. Spear's fourth grade students have been studying the Nile River. They took an imaginary trip down the Nile and drew pictures of the things they saw. Rod Jones brought a rock to school to show the others. It had petrified fern on it and several other things they are unable to identify. The rock is in layers. In their spelling content the boys have been the girls for the last two weeks. In their arithmetic content, the team of Mike Settle, Wanda Thompson, Rod Jones, David Brelch and Jim Chee won last week and the team of Charles Scott, Cami Siddens, Alan Campbell, Lynn Guynes and Wanda Thompson won week before last. Gary Whitten and Allen Pham identified several kinds of protozoan in river and pond water by using a microscope.

their environment in science and in arithmetic they are studying multiplication combinations. Ricky Tate reports that he is going visiting in Lubbock this week-end. Mrs. Mosley's fifth grade students have finished their discussion on the northeastern states. Cindy Wynn and Dale Pearson attended the ski meet at Arapaho last week-end and some of the boys in this class are taking part in the boxing matches coming up soon. Madelyn Wall went to Vaughn last week-end and Steven reports his family has a new car. Dean Ruse says he has some puppies to give away.

Mr. Thompson's sixth graders have these items to report: They have a new student, Benny Daniels has moved here from Floydada, Texas and Mark Daly has moved to Albuquerque. Susan Morrison went to Portales for the solo and ensemble contest and came in fourth.

While visiting White Mountain school this week we visited with Mrs. Barbara Isham in her special phonics class. She has a show and tell, a small TV that the students get to use about once a week two weeks. With this they learn science and history and also funny things and fairy tales. Some of their favorites are Davy Crockett, Hiawatha and Jim Bowie. They are studying the Sullivan Reader and also have a programmed reader. They write their idea of pictures that are shown and phonics records. Mrs. Isham has students from the second through the sixth grades. Each student enrolled in

This special class has at least one hour each week to study under Mrs. Isham, who teaches between 80 and 100 students. These children are socially, economically or educationally deprived children and this program is under Title I. Many children in this class have not been selected by teachers as needing it, but the students themselves have asked to join the class, as they feel they need this special training.

Tinnie Youth, John Cooper Picked International Farm Exchange Youth

Las Cruces: John Cooper, a junior at New Mexico State University, has been chosen the 1968 New Mexico International Farm Youth Exchange delegate. Dorman Brockey, 4-H and youth development supervisor with the Cooperative Extension Service of NMSU announced today John is the son of Mr. and Mrs. J. A. Cooper, Arapahoe Route, Tinnie.

The 21-year-old student will visit Brazil to live and work with local families to learn their way of life and share our way of life with them, Brockey explains.

The IFYE, conducted by the National 4-H Club Foundation in behalf of the Cooperative Extension Service, is a rural educational program operating between the United States and about 35 countries annually, Brockey points out. The International Mineral Corporation and state 4-H club members are financing young Cooper's trip.

He will leave New Mexico June 18 for Washington, D. C. for a four-day orientation period. John will arrive in Brazil on June 21 and remain there until his return to Washington Dec. 9 for an evaluation period. He will return to New Mexico Dec. 13.

"We're proud to have a young man of John's character and background as our IFYE representative," Brockey said. "The delegation have always benefited greatly from these trips."

John is studying towards a degree in animal science. He has lived on his father's 37,000 acre farm-ranch combination all his life and has been involved with cattle and sheep ranching and crop production. A 4-H club member for eight years, he has also been a member of the boy scouts and represented each group at national meetings.

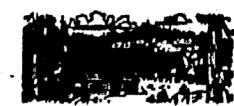

"Every conscientious citizen should strive to understand his fellow man," John explained in reference to his Brazil trip. "Through travel I can gain this understanding of different cultures and viewpoints. I hope to present a favorable image of the American culture, to gain an accurate picture of their culture, to share our views and to learn their ways of doing things. I hope to contribute different ideas and techniques in agriculture and a more realistic understanding of the American way of life."

The IFYE program began in New Mexico in 1951 and John is the 26th delegate. Brockey notes: Past delegates from the state have lived and worked in 27 foreign countries.

Ken Anderson came up from Alamogordo on Saturday.

Mr. and Mrs. Ramon Ruidoso of Pecos, visited Mr. and Mrs. Chris Starr last week-end.

Mr. and Mrs. Stanley Pawol of

Clovis went to Eagle Creek Lodge for the week-end. That is, those were their intentions. But they couldn't get to their home due to the snow. They walked from the lodge on up so decided to go back to Ruidoso and spend the week-end at Cree Manor.

The Sam Allens spent a couple of days in El Paso the first of last week.

The Reagan Legg family of Midland was here recently for the week-end.

Mr. and Mrs. Donald Bush went to Alamogordo last Tuesday for the day.

Wednesday, Mrs. Joe Wiggley of Alamogordo stopped by on her way

to Mr. and Mrs. Gil Peters for a visit.

C. E. Degner of Carrizozo stopped by Wednesday on his way back from Ruidoso.

Thursday, Lock Cowden stopped in on his way home to Ruidoso after a day on the ski slopes.

Wednesday, Joe Reinhardt of Ruidoso was here.

Mr. and Mrs. Robert Neal of El Paso were here last week-end.

The Board of Directors
Ruidoso Racing Association, Inc.
Ruidoso Downs, New Mexico 88346

Gentlemen:

We have examined the Balance Sheet of Ruidoso Racing Association, Inc. as of October 31, 1967 and the related Income Statement for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As set forth in Note 1 to the financial statements, the Internal Revenue Service has sent notice of intention to assess deficiencies in the amount of \$625,664.33 for the years 1959, 1960 and 1961. Counsel for the Association believes the proposed assessment to be very much inflated. The exact amount, if any, of income tax deficiency will be determined by litigation, and cannot be reasonably estimated at this time.

In computing the deficiency of income taxes for 1959, 1960 and 1961, the Internal Revenue Service alleged that expenditures considered repairs by the Association were capital improvements. An appraisal by a qualified MIA appraiser is now underway of the property, plant and equipment to determine if this is true. The correct totals of physical assets will be determined after the appraisal report has been completed.

We are enclosing comparative figures for the fiscal year ended October 31, 1966 for information purposes only. We did not examine the records for that year. Because of the effect of the matters reported in the preceding two paragraphs on the Balance Sheet, the related Income Statement and Application of Funds statement for the fiscal year ended October 31, 1967, we are unable to express an opinion on the attached statements for that year.

Respectfully submitted,

Ephraim Sureck, Kirby & Miller

Notes to Financial Statements

October 31, 1967

Note 1:

Under date of December 15, 1967, the District Director of Internal Revenue, Albuquerque, New Mexico, sent a notice of claimed deficiencies against the Association for the years 1959, 1960 and 1961 in the amount of \$625,664.33. According to counsel, "this notice does not create any liability to the Internal Revenue Service in any amount. The alleged deficiencies have not been assessed and in the ordinary course no such deficiencies can be assessed until after the Association has had the opportunity to present the matter to the Tax Court of the United States. A decision from that Court cannot be expected for several years. In the meantime, there is no indebtedness on this matter due from the Association". Counsel for the Association further states, "the figures used by the Internal Revenue Service in its statutory notice are very much inflated. In addition to the factual issues, there are some close legal points involved. The Internal Revenue Service has asserted a fraud penalty against the Association on account of the actions of a former officer. One of the issues which the Court will have to decide is whether or not the Association is responsible for these actions. A recent decision of the Tax Court would indicate that the Association is not so responsible".

Note 2:

The Notes Payable figure of \$114,284.12 as shown on the Balance Sheet is represented as follows:

- (1) \$77,237.50 This 6% mortgage note payable to the Ruidoso Jockey Club, Inc. is secured by a mortgage on a guest house, 35 acres of real estate with improvements and water right, all such property being owned by the Ruidoso Racing Association, Inc. The entire balance of \$77,237.50 will be due and payable December 1, 1968.
- (2) \$37,046.62 This 6% mortgage note payable to Sam Knox for the purchase of his former residence, adjacent to the guest house, is secured by a mortgage on this residence. Payments of \$300.00 are made monthly, which include both interest and principal.

Note 3:

In July, 1963 the Association purchased from W. L. McDonald 522 shares of its outstanding stock for a total price of \$188,000.00. In July, 1963 the Association received an additional 1,000 shares of its own stock from Eugene V. Hensley and Martha Etta Hensley in full settlement of any and all obligations, claims and liabilities of every kind or character, including the claims against said

parties as a result of the current income tax investigation, and including all contingent liabilities whether known or hereafter discovered which occurred prior to July 26, 1963. The balance of Eugene V. Hensley's account on the Association's books at that date was \$64,679.81, such amount having been recorded as the cost of the 1,000 shares received by the Association.

As approved by the Board of Directors in their meeting on May 17, 1965, Mr. Truman A. Spencer was paid an annual salary of \$10,000.00 for each of the years 1963 and 1964 for services rendered as Secretary-Treasurer of the Association, and Mr. B. M. Keohane was paid an annual salary of \$7,500.00 for each of the years 1963 and 1964 for services rendered as President of the Association. In lieu of cash, the officers received treasury stock of the Association on the basis of \$250.00 per share, or an aggregate of 80 shares for Mr. Spencer and 60 shares for Mr. Keohane. The excess of \$250.00 per share over the average cost of the 140 shares of treasury stock has been credited to Paid-In Capital.

Note 4:

The Association has entered into and committed itself under two long-term leases.

- (1) The land on which the racing plant is located is leased under the terms of a lease entered into September 1, 1952 and amended November 18, 1957. The lease expires April 1, 1988 with three successive ten-year renewal options granted to the lessee. The terms of the lease require a base annual rental of \$3,000.00 and an additional 3% of the net income, as defined by the lease agreement, derived from the operations of the Association.
- (2) In an agreement dated April 26, 1966, the Association acquired the exclusive right to hold and conduct horse sales in conjunction with the All American Futurity Race, the Ruidoso Rainbow Futurity and the Derby Race. As consideration, the Association has agreed to pay 60% of the gross commissions, excluding nomination fees, received by the company from all horse sales until a total of \$200,000.00 has been paid to Meryl Hensley. The first \$28,900.00 is payable with 8% interest on the unpaid balance. The remaining \$171,100.00 is payable without interest. Presently, in two years of operating under this agreement, a total of \$25,902.00 has been paid, leaving a balance remaining of \$174,098.00. Amounts paid under this agreement in the current year were \$14,508.75, excluding interest.

Note 5:

The following Certificates of Deposit were on hand at October 31, 1967.

- | | |
|---|---------------------|
| (1) Payable to Ruidoso Racing Association, Inc.
Horseman's Account | \$ 1,764.88 |

| (4) Payable to Ruidoso Racing Association, Inc. | 35,000.00 |
| | <u>\$151,917.26</u> |

Note 6:

The former residence of Sam Knox, former concessionaire at the race track, was approved for purchase by the Board of Directors June 5, 1967 as an investment. The total purchase price was \$42,500.00, payable \$5,000.00 down and a 6% mortgage of \$37,500.00, payable \$300.00 monthly for principal and interest.

Note 7:

A note receivable of \$5,000.00 is held on E. E. and Maudie Miller. This note is secured by real estate in Lincoln County, New Mexico. Terms of the note include interest at 6%. This note became due on October 26, 1967.

Note 8:

The tax liability shown on the accompanying financial statements is for Federal income taxes of \$80,643.68 and State of New Mexico income taxes of \$3,058.88 for the year ended October 31, 1967 only. The amount of Federal income taxes, penalty and interest which will ultimately be assessed, if any, as a result of the current examination (Note 1) or for years subject to examination was not determinable at the Balance Sheet date.

Note 9:

Concessions received totaled \$53,950.00. A payment of \$14,333.33 was made to Sam Knox as a refund for cancelled or rained out racing dates during the years 1965 and 1966. The \$39,616.67 shown on the Income Statement is the net of these two figures.

Note 10:

In response to our request to counsel and other knowledgeable persons for information as to any unrecorded liabilities, contingent or otherwise, of the Association as of October 31, 1967, we noted the following:

- (1) Salary judgment and other claims in an amount not in excess of \$20,000.00.
- (2) Receivorship claims by minority stockholders against the Association which will result in continued attorney fees and expenses.

Comments

The principal auditing procedures used in the examination of the Maidens Racing Association, Inc. are summarized below. Examinations made in accordance with generally accepted auditing standards do not contemplate a detailed inspection of each accounting entry or record for the period of the examination but rather such testing as is considered necessary in the light of the adequacy of the internal controls and accounting procedures maintained by the client.

Because of the interest shown in the Maidens Racing Association, Inc. by various parties, we doubled our normal tests, increased our general interest areas and in addition, thoroughly tested disbursements involving stockholders, directors, officers and the general manager of the Association. For selected periods, we made tests of recorded transactions, including cash receipts, cash disbursements, admission and other income, purchases, payrolls and expenses by reference to records of original entry and supporting data. In addition, vouchers were inspected in support of selected charges to certain expense accounts and analyses of other income and expense accounts were obtained and reviewed.

Significant variations in income and expense accounts from the preceding year, or as between periods in the current year, were investigated.

Balance Sheet Comments

Cash on Hand - \$2,517.09

Cash funds were counted and reconciled to the audit date. Petty cash vouchers for an expanded test period were reviewed for distribution and approval.

Cash in Bank - \$314,874.39

Cash balances in bank were confirmed by letters received direct from the Maidens State Bank on the following accounts and were reconciled with balances shown on the books:

General Account	\$291,967.66
Payroll Account	1,205.65
All American Livestock Sales Account	<u>21,701.08</u>
Total Cash in Bank	<u>\$314,874.39</u>

Certificates of Deposit - \$151,917.26

These certificates, as detailed in Note 5, were inspected and confirmed directly from the obligated institutions.

Trade Accounts Receivable - \$15,606.61

This account is represented basically by amounts owed to the Association by horsemen and checks cashed that have been returned by the banks. It is management's opinion that these returned checks are collectible. Our efforts included inspection of the returned checks and related correspondence and in some cases direct correspondence and confirmation.

Prepaid Expenses - \$17,830.64

Insurance policies, tax bills and invoices were inspected in support of amounts recorded as prepaid expenses. Direct confirmation was obtained from the agent in regard to insurance data.

Property, Plant and Equipment - \$422,832.15

Net additions to property, plant and equipment totalled \$110,623.41 for the year. These additions were made in the following areas or items:

- 1) All American Turf Room and Grandstand Enclosure
- 2) Horsemen's Area
- 3) Grandstand Seating
- 4) Other Equipment
- 5) Knox Residence
- 6) Landscaping

We reviewed the cost of all additions by examination of invoices, construction contracts and deeds. All of the automotive equipment was physically inspected and counted.

The listing derived from the count was checked to the records and titles were matched with each unit.

With the exception of a few items, depreciation is being computed under the straight-line method.

Other Assets - \$19,708.47

The other assets listed were confirmed in a majority of instances by direct correspondence indicating authenticity.

Accounts Payable - \$20,196.89

We reviewed the Association's methods of recording accounts payable and accrued liabilities and made tests of the supporting detail. An inspection of disbursements recorded in November and December, 1967 revealed a large number of liabilities paid and did not disclose any significant liabilities at October 31, 1967 other than those included in the Balance Sheet at that date.

Notes Payable - \$114,284.12

The amount and terms of the notes payable to bank were confirmed to us by the holder. No additional liabilities were reported in response to our request by the bank with which the Association carries deposit balances. (See Note 2)

Federal and State Income Taxes Payable - \$83,702.56

For explanation of income tax liabilities, see Notes 1 and 8 of Notes to Financial Statements.

Common Stock - \$160,000.00

We have listed all shares reflected on the Association books and traced these shares to the stock certificate book. Dividends paid January 5, 1967 were reconciled with the listed stock outstanding. Common stock outstanding is without par value and consists of 8,000 shares at a stated value of \$20.00 per share.

Paid-In Capital - \$11,757.20

This account was recorded on company books as follows:

Cost of 522 Shares Acquired July, 1963 by Purchase	\$188,000.00
Value of 1,000 Shares Acquired in Settlement of Obligations from Eugene V. Mensley	<u>64,679.81</u>
Total - 1,522 Shares	<u>\$252,679.81</u>

Average Cost Per Share - \$166.02

May 17, 1965 Issue of 140 Shares in Payment of Salary Grants by Board of Directors at \$250.00 Per Share	\$ 35,000.00
140 Shares at Average Cost of \$166.02	<u>23,242.80</u>

Amount Transferred to Paid-In Capital \$ 11,757.20
