

P.T. VALLIANT  
51 YEARS

FIRST DAY - P. T. Valliant pauses briefly during a busy morning Tuesday which marked his first official day as superintendent of the Ruidoso Municipal Schools. One of his first announcements was that Marvin "Mickey" McGuire, Albuquerque, has accepted the position of high school principal, a post vacated when Valliant was elevated to the superintendency. McGuire formerly was principal at White Mountain Elementary School. (Newsfoto).

## McGuire Named R H S Principal

Marvin B. "Mickey" McGuire, Albuquerque, former principal of Ruidoso's White Mountain Elementary School, has been named to the post of high school principal. It was announced Wednesday by Capt. P. T. Valliant.

The superintendent said McGuire, who had been associated two weeks ago in regard to the position, notified him late Friday of his decision to accept the position. He is to report two weeks later to the Aug. 23 opening of the 1959 school term.

McGuire had served as a year as principal with the Ruidoso Municipal Schools when he returned to the district in 1954 as principal of the insurance field. He originally was principal of grade 1-8 through night, and moved to White Mountain school when that structure was completed a few years ago.

He received both his bachelor's and master's degrees from Eastern New Mexico University, and before coming to Ruidoso had taught at House, Coats, Eschbach and in the Otero County school system.

McGuire, 42, and his wife, Ruth, are parents of three children. The eldest, Reeves, is a high school student.

## White Oaks Frontier Day Set July 4

The Fourth of July is still a big day in White Oaks. Many of the residents of that area remember back when the Fourth was a "really big day" for people from all around the south-west where placer gold was being mined in Pecos Gulch and such as the North Home take, one of the richest strikes of the region, was pouring out gold.

Those days are gone, but the Frontier Day celebration Friday will feature lots of fun and excitement for young and old. The event is in charge of Ben Crenshaw, with help from Glen Ellicott, R. C. Barham, Ed Dunlap, Albert Hernandez, Duke Maricle, Jim Martin, Elton Moore, Henry Garcia and host of others.

Special events such as wild burro roping, goose scramble, foot races and the extra happenings that are spontaneous will be just as old-timey as they were in the 1800's and just as much fun to watch.

Activities get underway at 10 a.m. Friday, when youngsters of all ages vie for currency tied to a goose or goat, try their hand at riding a goat, do calf riding and calf roping and participate in open barrel racing and pole bending.

Duke Maricle of Las Cruces will cook up a barbecue food for noon lunch, although actually food is available all day and the action scarcely stops for noon.

Officially, events for men and younger people start at 1 p.m. There will be jackpot roping for all comers, amateur or professional, calf roping, steer riding, open pole bending and barrel races for the girls.

Those attending can enjoy a buggy ride, see matched horse races, take a tour through the area at 4,000 feet above sea level and enjoy the beautiful climate. All in all, it will be an ideal way for the entire family to enjoy the Fourth of July.

White Oaks is located in a beautiful vale, site of the recently dedicated Cedarvale Cemetery where New Mexico's first governor is buried. Surrounded by mountains clothed at their base with pinon and cedar trees, and further up toward their lofty summits with giant spruce, pine and oak, White Oaks is ideally situated as a Lincoln County recreation site.

## Richard Wantles Completes AF School

WICHITA, KAN., (AP) - Airman Richard F. Wantles, son of Mr. and Mrs. Wayne E. Wantles, Ruidoso, has graduated from a U. S. Air Force technical school at Sheppard AFB, Texas.

The airman, who was trained as a medical services specialist, will remain at Sheppard for further training.

He was graduated in 1954 from Ruidoso High School and received his B. S. degree in 1958 from the University of Oklahoma. He is a member of Tau Kappa Epsilon.

The New Mexico cotton industry will choose its State Maid of Cotton during the annual meeting of the New Mexico Cotton Ginner's Association, held at the Chaparral Hotel in Ruidoso Downs today and Friday.

Vieing for the coveted honor will be 11 lovely young ladies, all of whom will be faced with preliminary competition Friday afternoon prior to the colorful pageant of beauties at 8 p.m. in Convention

Hall. Announcement of the winner and two runners-up is scheduled to be made immediately following the pageant.

Serving as chairman of judges will be Bill Dickson, cotton merchant of Roswell. Comprising the jury panel will be Janice Benson, Tucumcari, 1968 New Mexico Maid of Cotton; Bunny Turner, hostess for the Forenoon Show on KROD-TV, El Paso; Case Kowall, executive director, Miss New Mexico

Universe Pageant and owner of the Amador Portrait Studios, Las Cruces; and Robert W. Tobey, president of KTS Broadcasting Co., Deming, and vice-president of KWKY Broadcasting Co., Farmington.

All contestants will be feted at a noon luncheon Friday at the Chaparral, after which will be preliminary competition with all entrants appearing in play clothes, street dress and in swim suits be-

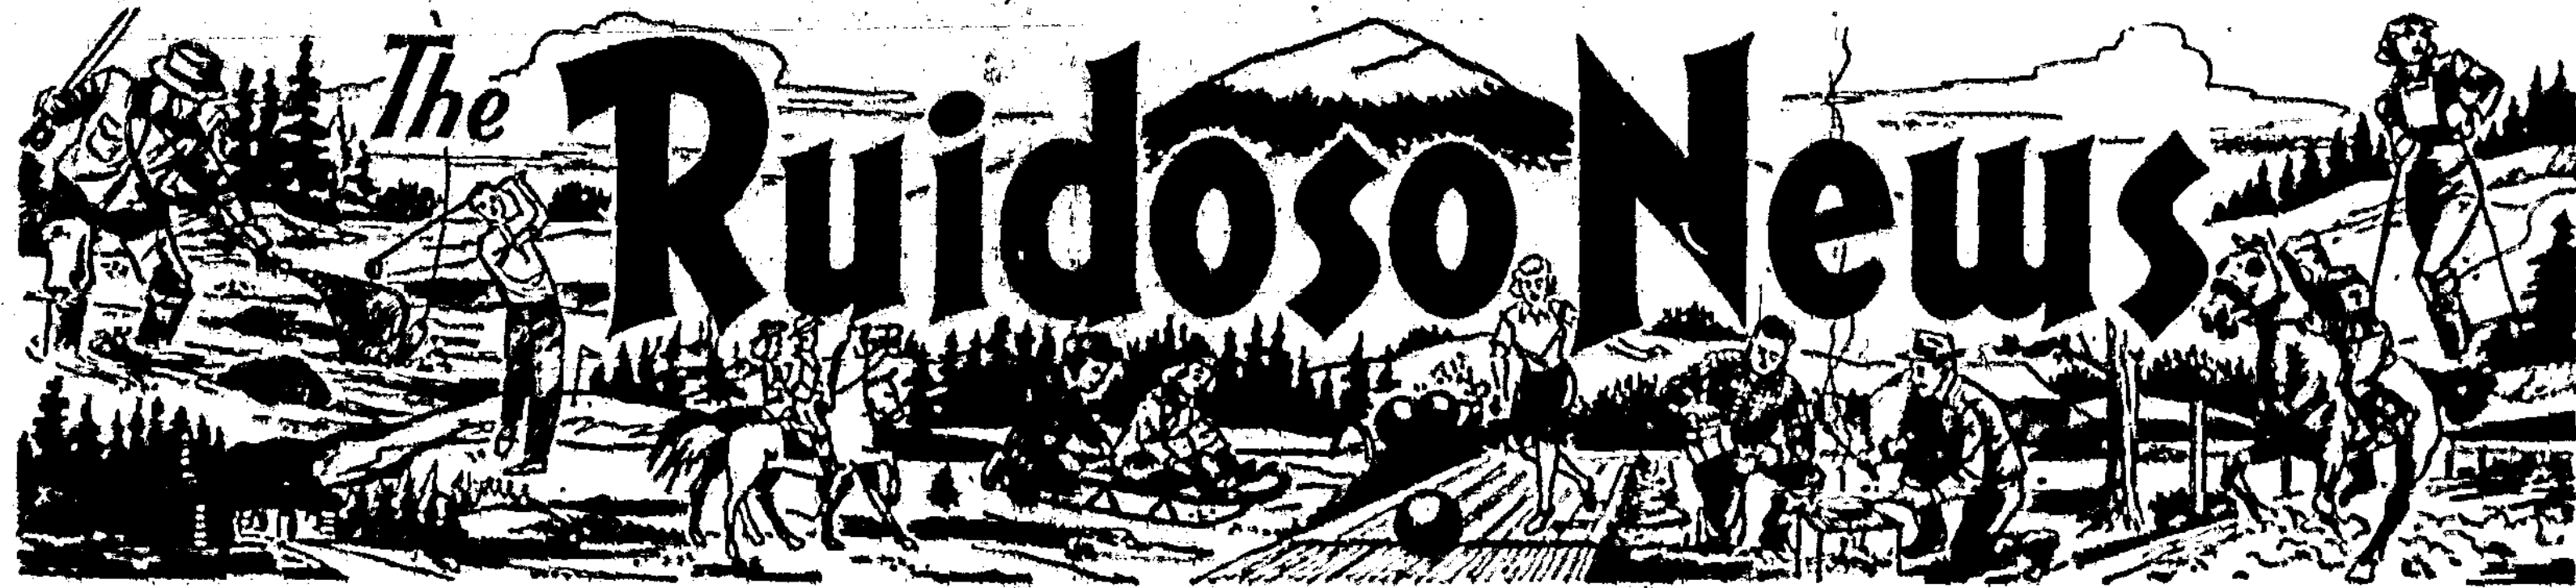

fore judges only. Personal interviews also will be held by the judges. The lovely ladies will appear in formal attire for the Friday night pageant and finals.

Entrants in the state contest, as published in last week's issue of the Ruidoso News, include Rebecca Marie Cain, Deming; Lyndah Joanne Callens, Roswell; Marilyn Hendricks, Roswell; Karen Leyendecker, Las Cruces; Deedie Kay Lindley, Farmington; Phyllis Mon-

ro, Alamogordo; Pat Pennartz, San Jon; Margaret Ellen Salopek, Las Cruces; Terry Smith, Tucumcari, and Mary Jane Spence, Lake Arthur. In addition, a late entrant whose application was accepted just prior to deadline, is Kathryn Elizabeth Pardue, Loving, 22, who stands 5 ft., 5 1/2 inches tall and weighs 120 pounds. She has brown hair and green eyes, and attended college four years at Pasadena College and Bethany Nazarene College.

Her sponsor is Pecos Valley Cotton Gin Co., Inc.

New officers of the New Mexico Cotton Ginner's Association will be elected during the 1969 convention which concludes Friday. Numerous speakers outstanding in the field are scheduled to appear before delegates, and a golf tourney at Cree Meadows and a special noon luncheon for ladies are added social events.

"BILLY THE KID"—

## Pageant Casting Nears Completion

Casting is nearly complete for the most anticipated local event of summer, the annual pageant of the "Last Days of Billy the Kid" scheduled for presentation Aug. 1-3. Mrs. John Thomas, who will be serving her third year as director, said final roles will be assigned to eight (Thursday) at a meeting in the schoolhouse at Lincoln. Anyone interested in participating is invited to be present.

Playing the starring role in the role for the second year will be Earl Taylor, son of Mr. and Mrs. Ray Taylor of Lincoln, and great-grandson of the Kid's close friend and companion, the late and beloved George W. Cox.

Young Earl has been a part of the pageant since the time he could walk. A born actor and a natural for the Kid as well, Earl has played almost every other part in the show. He is the fifth man to play the part of the smiling young gunman. Others are Peter Hurd, Johnny Davis, Johnny Thomas and Johnny Taylor, brother of Earl.

Among those who have played many years in the show are Leo Joiner, portraying Sheriff Brady. Leo is a survivor of the original show put on with the streets of Lincoln as a stage and Peter Hurd as the Kid. Barney Aldas playing guard Olinger is a veteran of many years in the show.

The McSweens will be portrayed by two young actors, Earl and Dan Storn. Earl will play the role of Robert.

Others in the cast to date include Clark Taylor, Herman Philpot, Joe Montano, Mrs. Gene Baker, Minnie Morris, Gene Baker and Bill Shreengost. Davis Shreengost will be one of the acolytes, and boys from the Sierra Blanca Boys' Camp will take the roles of the four soldiers.

Rehearsals will begin immediately, according to Mrs. Thomas, and go each Monday and Thursday nights at 7:30 p.m.

Performances have been scheduled for Friday nights, Aug. 1 and 2, at 8 p.m., with a matinee Sunday at 2 p.m. There will be no Sunday production.

The traditional parade will occur at 1:30 p.m. Sunday, Aug. 3, and arrangements have been completed for the 2nd Army Band of Fort Bliss, Texas to lead the participants.

Members of the pageant cast will take part in the parade, and sheriff's posies, decorated floats, old-time bugles and wagons and other items reminiscent of the past will join to carry out the theme of "The 1880's".

The pageant, held in the outdoor amphitheatre which adjoins the Old Lincoln County Courthouse, reenacts the events leading up to the escape of the legendary outlaw, Billy the Kid.

It is a true example of American folk drama in that it is staged and acted in by citizens of the mountain area around Lincoln, many of whom are descendants of the actual participants in the Lincoln County War and the events which immediately followed.

### Village Budget Gets Final OK Wednesday

Formal approval of the 1969-70 budget for the Village of Ruidoso was granted Wednesday morning following a public hearing conducted by representatives of the State of New Mexico.

Here for the review were Ed Moya, Chief of the Local Government Division, Department of Finance and Administration, and his assistant, Raymond Lara.

The budget of approximately \$700,000 was approved with only a few line items being changed.

Moya commended members of the village council and village clerk, Jim Hise, on the excellent preparation of the budget, the evident result of careful preliminary work and attention to detail.

### AT RUIDOSO DOWNS—

## Feature Saturday To Honor 'Maid'

Following on the heels of a record-breaking Fourth of July weekend, Ruidoso Downs will offer three-day race schedules for the next two weekends before resuming four-day cards starting July 24.

Friday has been designated as Fort Worth Dallas media day at the track, when the cool racing park in the pines will honor several of the big metropolitan area's communications personalities. Five feature purses will occupy the seventh through the eleventh events on the 12-race card.

Then Saturday, another tough short-horbed race will be featured in honor of New Mexico's "Maid of Cotton" who will be selected Friday night. The race will be a six furlong allowance for four-year-olds and up. Sunday's feature will be the traditional elder Hurd Handicap, honoring the state's nationally-known artist.

Highlight of the day Friday will be the "Press Club of Fort Worth Purse" which will see 10 three-year-olds go a distance of six furlongs in an allowance race. Doc Bowman, with Jerry Moodemus aboard, could be the entry to beat despite a topweight of 118 pounds. The Jake Casco-trained colt turned in a nifty win the last time out.

Also topweighted at 118 are Jim's Fool, a rapidly improving roan, and newcomer Rio Puerco.

Popular Sheila Sheila and Aramaten will carry the light weights

of 111 pounds and both could be definite threats. Others to bear watching will be Leo's Bludady, ready to make a strong comeback, and Joyful Hoedown who has been in the money the last four starts. Rounding out the field of ten will be Navajo VII, Double Prosty and Wembley Blue.

Friday's seventh race will honor Jerry Richmond, travel editor for the Fort Worth Star-Telegram; the eighth state will carry a purse for Bob Shaw, the evening sportscaster for KRLD-TV, Dallas. Walden Owens, famous for his "Croc Country" column in the Dallas Times-Herald will be recognized

by the running of the ninth race of the day while the 10th race will be in honor of Jim Trinkle, the widely read Fort Worth Star-Telegram.

In Saturday's feature race honoring the state's Maid of Cotton, 120 entries will carry top weights of 120 pounds and any of them could take the crown. Kahlan Kaper, who beat Sandra King to a mile race the last out will battle the "King" again. However, strong Elvira Child, always a contender, and crowd-pleasing Jalapeno may have much to say about who enters the winner's circle. Not to be overlooked is Brown Joe, who has had a month's rest.

A heavy favorite could be lightweighted Pinky Dee who has finished in the money nine of her last 11 outings. Others in the field are Ron Mon, King's Kid and Fawn's Diamond.

An equality interesting quarter horse race has been put together for the 10th and "KOB IV Purse". It will be an allowance for three-year-olds and up over 400 yards.

Three first place winners from their last out will test each other to see who can keep a victory string going: Paquir's Trick, Three Pokey and Top Atom. Three Pokey, with Keith Asmussen aboard, pulled a stunner last Saturday by outstripping tough Lamar Bars Paquir's Trick, however, with newcomer Joe Richards atop, all appeared in a brilliant last performance.

Standing strongly in the wings to challenge are Master Dee, who can improve on his last race, and Lawyer Deck who has been idle since

July 6. Others in the field are Hust, Mac Reels, Vandella Straw and Hurl Ear.

Best time for all three days will be 1:30 p.m.

## Pro Footballer Ronnie Bull Visits Ruidoso; Invests

RUIDOSO DOWNS—Ronnie Bull, former Baylor University football great and presently with the Chicago Bears professional team, spent the Fourth of July weekend in the Ruidoso area. A teammate, John Cannon, and recently retired, Ken Tournaud, former Dallas Cowboy great, along with a business associate, Don Decker, were with Bull.

The foursome stayed at the Chaparral Motor Hotel and told a News staff writer that they had high praise for the Ruidoso area.

Decker, former rodeo great and spokesman for the group, stated their visit here was both for business as well as pleasure. The group, headquartered at Ann Arbor, Mich., have invested in top-notch quarterhorses.

Decker also told the News that Bull had recently been voted the Most Outstanding Athlete of the Year by the Chicago Jaycees. Both Bull and Cannon go into the rugged professional football camp soon.

It was learned early this week that the group had purchased in excess of \$50,000 worth of property in the Ruidoso area.

### NOT ONLY FIRE, BUT . . .

## Thief Absconds With Cash

Damage estimated at \$4,000 as the result of an early morning fire at the Gateway Shell Station is only part of owner Jim Riales' worries.

The confusion and crowd attracted to the blaze provided the opportunity for someone to help himself to funds in the cash register and walk off with about \$775 in cash.

Wanting to be sure valuable contents of the office were safe, Riales carried out the cash register and other items, placing them in the rear of a nearby pickup truck. When he returned the register to

the office after the fire was extinguished, Riales noted the thousand dollar key had been hit and questioned anyone ringing up that large amount. An immediate check revealed the money was missing.

Checks and credit card accounts in the station's office were not in the register, Riales said.

A report was made immediately to local authorities, but with the many spectators who stopped by at the time of the fire, leads are few. Police Chief O. B. Moates said today an intensive investigation is

being made but was not optimistic that the culprit would be apprehended.

Riales said he was working on a car in the station's grease stall when an explosion of undetermined origin set off the blaze. Damage to the building was placed at about \$1,000, with another \$3,000 loss in tires, oils and equipment.

The fire broke out about 6:30 a.m., according to the owner, and Ruidoso Volunteer Fire Department had the blaze extinguished within 45 minutes.

Main speaker for the 7:30 p.m. banquet scheduled for Thursday night was to be Alfred J. Kuhn, director of Chapter Affairs and Public Affairs, American Public Works Association, Washington, D. C.

Friday morning, members will view a film, "Solid Waste Disposal", moderated by Robert P. Lowe, head of the liquid waste department for the City of Albuquerque.

Registration got underway at 8 a.m., with the morning devoted to numerous group meetings. Following a noon lunch, a panel discussion on labor relations was conducted by Neil Gozales, executive secretary, New Mexico State AFL-CIO; James A. Maloney, attorney general of New Mexico; George Schmidt, Las Cruces city attorney and George B. Schold, personnel director for the City of Albuquerque.

The convention has scheduled an 11 a.m. adjournment so that those attending may attend the races at Ruidoso Downs in the afternoon.

## TWO SONS REPORT FOR ARMY SERVICE

A Ruidoso mother, Mrs. Cilea Akins, experienced a sad climax to the Independence Holidays as she saw two of her sons report to the U. S. Army. On Sunday, July 6, one son, Benny Montoya Urban, left to report to Fort Sam Houston in San Antonio, Texas. Then the next day, July 7, Mrs. Akins said good-bye to another son, Raymond Montoya Orrego, as he left for Fort Ord, Calif. Both of her sons were drafted.

Mr. and Mrs. Edgar Root, former Ruidoso area, now of Hobbs, visited in Ruidoso over the July 4th weekend.

## Democratic Women Meet In Capitan

The Democratic Women's Club of Lincoln County met at the El Paso-Capitan Cafe in Capitan Tuesday, July 8, with eighteen persons enjoying an excellent Mexican dinner.

Following the business meeting a program was presented on the Democratic Party, its origin, development and policies by Mrs. Robert H. Lytle of Ruidoso.

It was announced that the next meeting for this group will be on Aug. 12 with the time and place to be given at a later date.

## CANYON ECHOES

Visiting Mr. Winfred Ivy last week and over the July 4th holidays was her daughter, Mrs. Jean DeWitt of Phoenix, Ariz.

Father, Father A. Labroche, former pastor of St. Edward's Catholic Church here and now pastor of St. Michael's Church at Socorro, was a Ruidoso visitor early this week.

MISS MARY POPE

## Touring Europe On Cigarette Money

Miss Mary Pope of San Angelo, Texas, who is a Ruidoso summer resident, this summer is touring Europe on money which had been saved since she was in the third grade.

Mary is the daughter of Mr. and Mrs. J. Davis Pope of San Angelo and Ruidoso. Mary's mother talked her into saving the money after an argument with Mary's father about smoking. Mrs. Pope said that if Mary did not smoke, the money ordinarily used on cigarettes would be deposited in the bank and after three years, approximately \$1,200 accumulated.

Mary left for Europe June 22 after graduating from San Angelo Central High School this spring. She was joining a group of 20 students from Central High and Angelo State University who are part of a large group of 2,000 from the U. S. who will spend about 40 days in Europe.

Following the trip, Mary will return to San Angelo where she has a part-time job, and then fall she will be a student at Southwest Texas State University. She plans to continue to refrain from smoking and instead plans to save every month the same amount as in the past. She will use the money on travel in the U. S. and Mexico.

## Monday Card Games At Woman's Club

All women of the area, visitors as well as year-around residents and summer residents, are invited to attend the Monday afternoon card games at the Ruidoso Woman's Club beginning at 1 p.m.

The card games are the highlight for the month of July and will be serving refreshments of cookies, tea and coffee during the afternoon. Card games of bridge and canasta will be played and a small fee is charged to help defray expenses.

The Ruidoso Woman's Club building is located on the road to Carrizo Canyon one block south of Suddorth Drive in the Skyland area of Ruidoso. Anyone wishing more information can contact Mrs. Sandness at 257-2295.

## Garden Club Meet Slated July 15

The Ruidoso Garden Club has scheduled a meeting for Tuesday next week, July 15, at 9 a.m. in the home of Mrs. Ada McClelland with Mrs. R. L. Annals as assisting hostess.

A coffee hour will be held first, and following a business meeting the program will be on "Birds—Know Your Garden Tanagers". Members are urged to attend and guests and visitors are welcome; the club president, Mrs. Zoe O'Connell, said.

Get the message across with a wastebasket in the Ruidoso News!

Married to Bill Payne, Carrizozo attorney, she will devote her time to any problems in the county concerning home economics.

The meeting again will be held on the camp grounds on Nogal Mesa in the Lincoln County National Forest. The area can be reached by turning off U. S. 80 ten miles west of Capitan or 15 miles east of Carrizozo onto the well-marked forest road leading south about three miles across the mesa to the camp grounds.

Arriving Wednesday evening will be a youth group from Lincoln, Iowa, who will be working with the camp meeting organization. The group, to include about 30 young people, will assist with the necessary work details, conduct classes and instruct in camp crafts for older pre-school children and primary and junior age children during the two day time services throughout the meeting.

Two outstanding ministers will be present for the camp meeting, J. Milton Bell of East Orange, N. J., and R. L. Williamson, McAlester, Okla., formerly of Clovis.

All camp and parties will be registered and teenage and youth camping without parents must have a registered sponsor camping with them. This year, a ruling against dogs in the camp area will be enforced, it was stated.

A work day has been scheduled for this Saturday, July 12, at the camp grounds and those who would like to volunteer in the clean-up are urged to bring a sack lunch and help get the area in order for the six-day meeting.

Those attending the sessions are asked to bring their own sleeping accommodations. However, three meals a day will be served at the dining tent, so there is no need to provide any cooking or eating facilities.

## POLO GAME RE-SCHEDULED

Announcement has been made that the Centennial Polo Games at the Peter Hard Polo Field, San Patricia, has been re-scheduled to Saturday, July 26. The date change was necessary in order for Peter Hard, famed artist, to be present for the event.

## Last Rites Held For Carl Green, 31 Year Resident

Last rites were held Wednesday afternoon this week, July 9, at 2 p.m. in the First Baptist Church in Ruidoso Downs for Carl B. Green, 76, who died in the Ruidoso-Hondo Valley Hospital here Monday, July 7. Conducting the services were Rev. Hugh Siles and Rev. Ben C. Fox. Burial was in Forest Lawn Cemetery in Ruidoso under the direction of Chapel of Roses.

Green, who was born at Austin, Texas on Jan. 23, 1938, was a retired plumber and had been a Ruidoso resident for the past 31 years.

He was a member of the First Baptist Church of Ruidoso Downs and was also a member of the Local No. 12 of the Plumbers Union.

Survivors include the wife, Mrs. Irene Green, Ruidoso; three sons, Carl Lee (Skip) Green and Joe Green, both of Ruidoso, and Francis Green, Springfield, Ore.; two brothers, J. B. Wood, Ruidoso Downs, and B. L. Wood, Houston, Tex.; two grandchildren, Jerry Green and Carl Richard Green, and one great-grandchild.

Palbearers included James Fitzgerald, C. C. Watkins, Tommy Choate, Charlie Carpenter, Stansell Jones and R. H. Hedgecock. Honorary palbearers were Dr. W. D. Horton, Fritz Christman, Bryan Boykin, R. D. "Dutch" Collins, Barney Gardner, Wallace Gardner, C. L. Wright, Elton Rodgers, George Bonal, Warren Tucker, Melvin Nelson, Bill Hart and Albert Henry.

## PAINFUL STIFF NECKS

The muscles of the neck become spasmodic, stiff and painful on movement. They are usually sudden in occurrence, such as upon arising in the morning from bed, a sudden twist or jar or strain, or even drafts, exercise, or strenuous work may bring on such a condition. Research in our field shows that people are susceptible to these conditions because of a basic underlying apical problem. A condition that may have been present over a long period of time, without symptoms, as weakness the stability of the spinal column, that at the right moment, a jar or twist brings about sharp pains in the neck, or back for that matter. These conditions are best cared for by a complete spinal examination and X-Rays, to determine the exact cause and best approach for the utilization of Chiropractic manipulation and physiotherapy, so as to assure prompt relief and correction.

## Helen Betts Fund Begun To Help Meet Mounting Hospital Expenses

Ruidosans, ever sensitive to the needs of others, are rallying to the aid of the John Betts family, who face a financial crisis as the result of mounting hospital expenses.

A daughter, Helen, 18, remains in critical condition in Providence Hospital at El Paso, following injuries received in a two-car collision June 23 which resulted in the death of two Ruidoso youths, Mitchell R. Locke and Brooks W. Ward. She is in the intensive care ward and said to be responding slightly to treatment. Her father has been admitted to the same hospital, suffering from strain and Mrs. Betts is in El Paso helping care for both her daughter and husband.

A Helen Betts Fund has been started, and those interested in contributing may do so by mailing their contributions to the fund, in care of the Ruidoso News, P. O. Box 128, Ruidoso, New Mexico 8835, stopping by the News office, or giving their donations to Mrs. Charles McClellan. Contributions can also be made for the Helen Betts' Fund to Veta Tarlock at the Ruidoso State Bank.

First contribution to the fund was made Sunday morning when a special offering was given by members of the Ruidoso Gateway Church of Christ, of which the Betts family are members.

RUIDOSO DOWNS The Village Trust met Monday night at a special called meeting to approve the use of funds in preparation for the fiscal year-end closing of the village finances. Mayor pro tem J. A. Crockett, presided and requested the clerk, Allen Gray, to explain the money transfer. The business was acted upon without objection.

The State Finance Department met with the Council yesterday, Wednesday, to review the newly adopted budget.

Members in attendance at Monday's special session included the Mayor pro tem, Bill Hale, Cloris Perry and Hugh Sikes. Mayor J. J. DiPasio was out of the city.

### DECREASE OF \$61,000—

## \$853,689 Budget For County OK'd

A budget of \$853,689 for the 1969-70 fiscal year was approved for Lincoln County Tuesday by county commissioners meeting Tuesday at the courthouse in Carrizozo.

It was also accepted after review by Edwin Moya, chief of the local Government Division, Department of Finance and Administration, State of New Mexico, and his assistant Raymond Lara.

The figure represented a decrease of \$61,177 over the \$914,866 budget for the fiscal year just completed.

Budget was based on assessed valuation of \$22,036,571 in the county for the past year. Anticipated valuation for the new fiscal year was placed at \$23,196,390. Actual taxation rate will not be known until after final approval is received from the state, which is anticipated to be between Aug. 15 and Sept. 1.

Estimate of expenditures from the various funds include: General, \$83,656; Salary, \$64,710; County Road, \$115,800; County Agricultural Agent, \$9,590; Court House and Jail Repair, \$4,000; County Audit, \$3,436; Elections, constitution and hospital bond, \$4,464 and constitutional delegates, \$4,534; Farm and Range Improvement, \$3,000; Health, \$8,575; Recreational Facilities, \$7,500; Fire Districts, \$3,500 each for Fort Stanton, Hondo, Nogal and Lincoln, and \$5,000 for Bonito; Reappraisal, \$1,563; Hospital Operating, Lincoln County Municipal Hospital, \$90,831, and Ruidoso-Hondo Valley General Hospital, \$403,080; Predatory Fund, \$10,000.

Debit expenditures also listed included \$11,000 in the Interest Fund and \$40,300 for the Sinking Fund. The budget showed a total of \$400,000 outstanding bonded indebtedness for the county as of June 30.

In other action the commission-

ers Awarded a heavy equipment insurance contract to J. G. Moore Agency General Insurance, Carrizozo, for a two-year period at a cost of \$1,020 and an insurance contract to Dan D. Swearingin, Inc., Ruidoso, for yearly premium of \$690 for liability and \$1,950 for workmen's compensation for three years.

Authorized Carl D. Womack of

the State Office of Civil Defense to conduct a county wide survey in connection with the National Community Shelter Planning Program at no cost to the county.

Approved a plat for 53 acres of the Alto Lakes Golf and Country Club Estates Unit 5 including Blocks 12 and 14-17 in Section 27 and 37, T10S, R13E, as well as the final plat of the resubdivision of Tracts 4, 5 and 6, Block 1, Timberlane Hills subdivision west of Capitan. The subdivision is owned by Mohaco, Inc. Also approved the final plat of 29 acres of the Pine Cone Valley subdivision owned by Villa Madonna Corp. and located about nine miles northwest of Ruidoso.

Agreed to keep county roads 60, 61 and 67 all near Corona following a request by Carl Hiner, Smith Peters and Rand Perkins.

Approved a preliminary plat for 38 acres of Alto Lakes Golf and Country Club Estates Unit 6 including Blocks 15, 17 and 18 of Sections 26 and 27, T0S, R13E.

Restated a decision to call a special election for a \$665,000 general obligation bond for the Ruidoso-Hondo Valley General Hospital at the earliest convenient time, which would probably be this fall.

### One Injured In Two-Car Mishap

One person received medical treatment following a two-car mishap Saturday at 10:30 p.m. at the intersection of Sudderth and Grove Street.

Taken to Ruidoso-Hondo Valley Hospital for treatment and then released was Gregg Warren, Lovington. He was a passenger in the late model Pontiac driven by Glen Dale Davis, college student at Las Cruces, and owned by W. T. Davis, Hobbs.

According to the police report, Davis was talking to his wife when he came over the hill, looked up and saw a 1963 Ford pickup making a left turn. He hit the brakes, and slid sideways into the other vehicle. Driver of the pickup was reported as Henry Rue of Valley Plumbing, Ruidoso.

Passengers in the Rue vehicle included Mrs. Rue, Dean, 13; Jodie, 6 and Katrina, 4. None reportedly were injured. Damage to the pickup was listed at \$400. Riding in the Pontiac in addition to the driver and the injured youth was Mrs. G. D. Davis also unhurt. Damage to the Pontiac was estimated to be \$800.

Davis was cited for reckless driving.

### Forest Fires On Reservation Burn 13 Acres Friday

Mescalero officials reported two fires on the reservation during Friday's Fourth of July observance. The first fire came just before noon about 18 miles southwest of the Mescalero Indian Agency headquarters. The agency reported around three acres had been burned with lightning the contributing factor.

The second fire in the upper canyon area watershed for Ruidoso, created much anxiety both for the large number of campers in the area and because the Indian recreation area also serves as a critical watershed for the Village of Ruidoso.

The fire was reported shortly after noon and was extinguished in around five hours. Mescalero Reservation personnel, U. S. Forest Service men, and 2000 Indians were quick to control the blaze. Around 33 acres were burned with limited damage done to the huge pine trees.

Mescalero Tribal Chief Wendell Chino was at the scene shortly after it was reported. Area USFS men stated that firecrackers were definitely the cause of fire. They also were concerned about the difficulty bringing in fire fighting equipment through the many borders of curious holiday visitors.

Make one extra preparation when getting ready to leave for your summer retreat. Be sure to have good secure locks on your doors to prevent a home burglary while you are away. The small price of a good lock just may save some of your most prized possessions.

## DIMMING FREEDOM'S LIGHT

We seem to live in an age of the decree, the ultimatum and demand, all aimed at achieving the good life by some sort of shortcut process. When demands and ultimatums fail, senseless civil disorder and destruction have become almost routine. No matter how logical the explanations given for the rise of the idea that brute force is the handmaiden of progress, the fact remains that in practice it never works. The more prevalent force becomes the more rapidly civilization declines and the good things in life disappear.

Exponents of force usually have a macabre ending — by violence. In modern times, classic examples have been Mussolini and Hitler. There are those who point to the American Revolution as justification for any acts of wanton violence. Such a perverted interpretation of history is a poor excuse for joining the crowd who thinks that the ultimatum and the riot will force open the door to progress and spiritual and material abundance. These things, along with confiscatory taxation, expropriation of property and failure to respect the personal rights of others, dim the light of freedom for everyone.

## NEWS 'N NOTES

From Your County Home Agent

This is the first of what I hope will be continuing, articles of information for homemakers. We will try to have news about extension clubs, 4-H Clubs and other activities homemakers are involved in. I would like to invite you to come visit with me in the County Extension Office in the Courthouse Annex and let me know what you would like to have help with.

We don't have to be too observant to realize that food prices have really shot up in the last several months. All of the homemakers I have been talking to keep asking themselves how they can feed their families attractive, nutritious meals and still stay within the budget. One of the primary areas of concern is with the protein portion of a meal. Have you thought about using eggs as a main dish? Eggs have been and are at the present very reasonably priced protein. There are a few things you will want to know about purchasing eggs. Always look for the USDA shield on the carton, it will have the grade and size of the eggs on it. This official grade shield certifies that the eggs have been graded for quality and size under Federal — State supervision. The grade refers to the interior quality and condition and appearance of shell. The grades we can purchase are US-Grade AA, A and B.

The Grade AA and A are ideal for all purposes, especially good for frying and poaching where appearance is important. Grade B eggs are good for general cooking and baking where appearance is not important.

A few tips on buying and using eggs are:

Buy eggs from a refrigerated case and refrigerate eggs promptly at home, with the large end up, to help maintain quality.

Use only high-quality, clean eggs with round shells when making egg nog, milk shakes, or lightly cooked dishes.

Cook at low to moderate temperatures. High temperatures and over cooking toughen eggs.

Eggs are nutritious! They contain significant amounts of vitamin A, iron, protein and riboflavin (vitamin B2), as well as smaller amounts of many other nutrients. An economical main dish in this Egg and Vegetable Casserole 4-6 servings.

Mixed vegetables, canned or frozen (cook according to pkg directions) or a combination of left over vegetables — 2 cups

## Report On Airport Will Be Reviewed

A preliminary engineer's report on the proposed airport to accommodate jet airplanes will be reviewed Friday at a joint meeting of the county commissioners and the Lincoln County Airport Committee.

The session, scheduled at 1 p.m. in the commissioners' board room at Carrizozo, will be devoted to reviewing the report prepared by Gordon Herkenhoff & Associates, Inc.

Proposed site for the airport under construction is in the Fort Stanton range area, northeast of Ruidoso. While no cost figures were available, indications that the expenditures involved for such an airport are considerable.

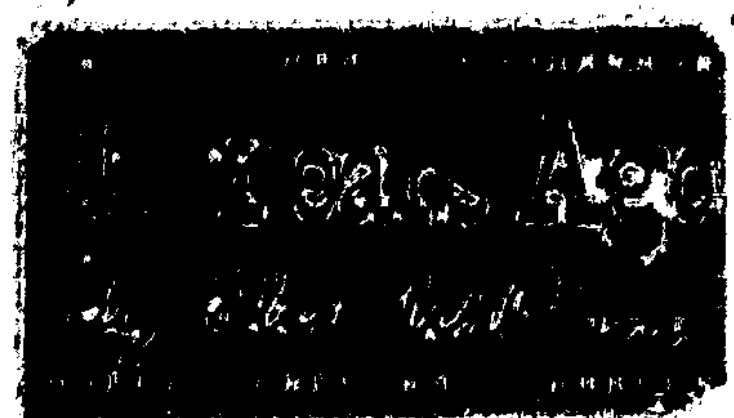

Members of the airport committee include Butch Carmell, Corona; Johnson Searns, Carrizozo; Bert Cheney, Captain, Jack DiPaolo, Ruidoso Downs; Wayne Elden, Ruidoso and Fred Dantonio, El Paso, an area land owner.

Eggs, hard-cooked, coarsely chopped — 2 cups.  
Onion, finely chopped — 1/3 cup.  
Olives, green or ripe, sliced — 1/2 cup.  
Eggplant, chopped — 1/4 cup.  
Cream of mushroom soup, condensed, canned — 10 1/2-oz. can.  
Salt, if desired — 1/2 teaspoon.  
Shredded wheat, crushed — 1/2 cup.  
Cheddar cheese, shredded — 1/2 cup.

Pre-heat oven to 350° F (moderate). Grease a one quart casserole. Combine vegetables, eggs, onion, olives, eggplant, soup and salt. Pour into casserole. Toss crushed shredded wheat and shredded cheddar together. Sprinkle over casserole. Bake 30 minutes, or until bubbling hot. Calories per serving: Approx 200. Menu suggestion: Serve with a green salad, hot bread, and fruit for dessert.

If you would like more recipes and information on eggs, come by the Extension Office and ask for U. S. Dept. of Agriculture Bulletin No. 103 — "Eggs in Family Meals". — MARY ELLEN PAYNE

The new First Baptist Church at Green Tree will be dedicated Sunday with Rev. Jesse Allen as host pastor. Former pastor of the church will take part in the program.

Ruidoso Village Council last week voted to give franchise to Harry Jennings for construction of a giant television antenna here from which cables would be strung to residences unable now to receive a television picture.

The Rev. H. L. Atkins who was moved here by the New Mexico Methodist Conference from Elida, is the new pastor at the Community Methodist Church in Ruidoso. He succeeded Rev. Frank Matthews who he moved with his family to Tumacac.

After several months of planning and preparation, construction of the new addition to the First Baptist Church in Ruidoso was begun on June 24. The estimated cost of the structure is \$40,000. The basement of the church was built some time ago and has been used as a meeting place for the congregation and Sunday School classes.

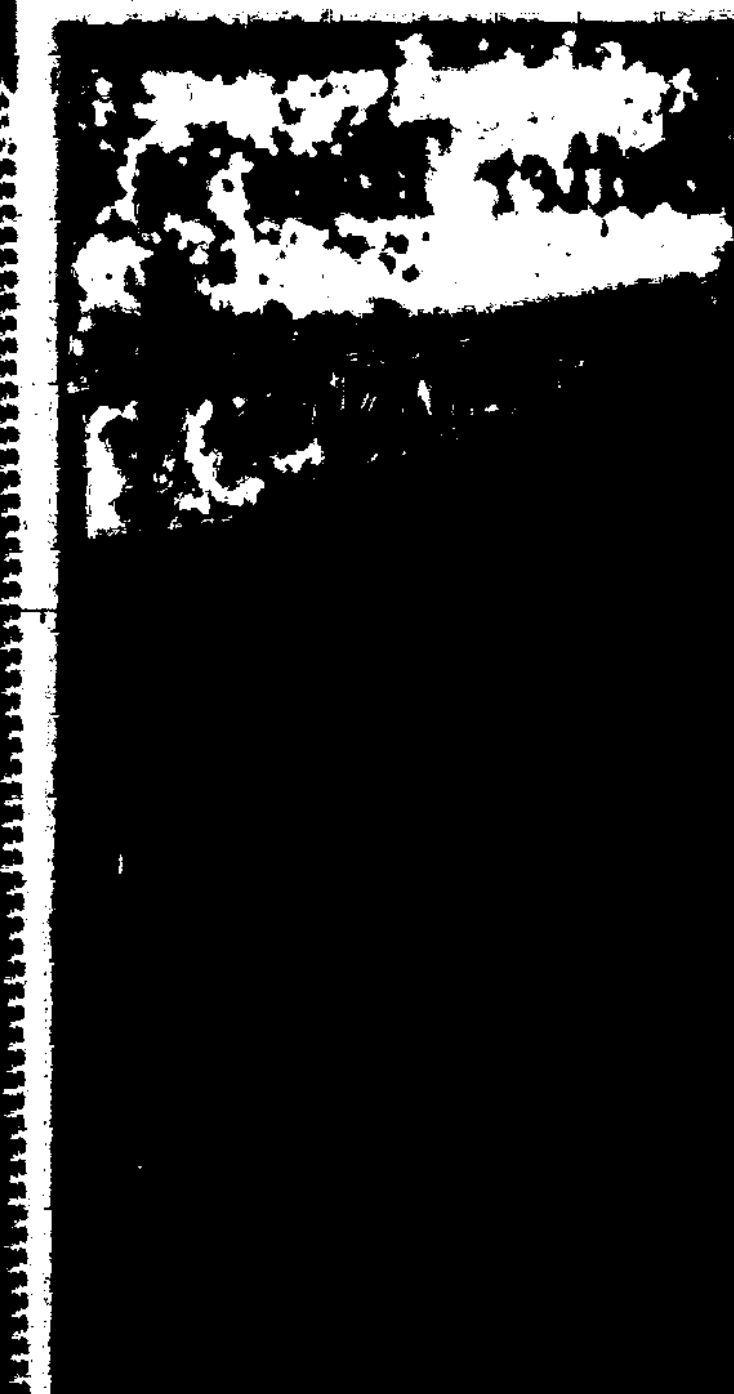

The State Corporation Commission announced the chartering of a new business for the Ruidoso area to be known as Ruidoso Cinnelilla Farms, Inc. Principal stockholders are Mr. and Mrs. Walter Schneider and Marie Smith.

## L. & L. Carpet In New Location

Ruidoso's one and only complete carpet store has been owned and operated by Lynn and Lynda McGuire since their purchase of the business in 1963 when the store was located in the Gateway Shopping Center. They have recently bought and remodeled a building more centrally located for the store across the street from the Wild Snail.

A complete line of carpeting is offered by the business, brand names as Barwick, Bigelow, Mohawk and others. The store also offers hard-surface flooring, custom made draperies, window shades and bedspreads.

The McGuires try to specialize in friendly, prompt service and quality work.

## Unsolicited Help At Fires More Hindrance Than Help, Firemen Say

While persons who seek to assist the Ruidoso Volunteer Fire Department in extinguishing fires are appreciated, a spokesman said today that in reality they create more of a hazard than a help.

During recent fire calls, the firemen, who are trained especially in their work, have been hindered in their efforts by numerous persons who want to lend a helping hand.

Not only is the department hampered by such unsolicited aid, but personnel and equipment also have been hindered in reaching the scene on a fire by drivers who follow the fire truck or inadvertently get in their way. In addition, fire hoses have been damaged when run over by cars which have no reason to be in the area.

The fire department especially is composed of men who work on a volunteer, non-paid basis and who are trained for their special type of duty. They have a large territory to cover, limited manpower and equipment, and only through top organization and ability to reach the scene of a fire quickly

Hunters and shooters would receive extra \$5 million per year if Congress passes identical bills introduced in the House and Senate. The bills would divert the 10 percent on handguns from general revenue to the U. S. Department of the Interior.

## Pony Express Race

Deadline is July 26

Deadline for entries in the Pony Express Race, one of the most unique and exciting events for Lincoln County's Centennial year, is Sunday, July 26, reminder Bill Ward, in charge of arrangements.

Ward said riders desiring to participate in this historic event need to get their signed applications in no later than 5 p.m. on that date, together with the \$20 entry fee. Ward is curator of the Old Lincoln County Memorial at Lincoln, and may be contacted there. He may be contacted by telephone at 633-4381.

Cash awards will total \$100 plus entry fees. Ward reports, with trophies to be given the first and second place teams. In addition, a pair of boots, courtesy of Tony Luma Boot Co., El Paso, will be awarded both members of the winning team. Two entrants have been received to date, according to Ward, and numerous others are expected to complete registration by the deadline. Already entered are Barney Aldaz and Roy Payton.

First leg of the race is from White Oaks to the John Robinson turn-off, then on to Encino, from there to the south base road turn-off, and finally on to Lincoln. Riders must wear western dress and a western style saddle is required to be used.

Entrants must be 14 years old or more, and each rider will carry a letter given to him at the start of the race to be delivered to the judge at the finish line. The riders each will dismount at the edge of Lincoln and carry the letter on foot to the courthouse to complete the race.

## Frank Crown Begins Fourth Year Of Pastoral Duties In Local Area

Mr. Frank Crown begins his fourth year as pastor of the Ruidoso Presbyterian Church next Sunday. He moved into Ruidoso three years ago from his former pastorate in Andrews, Texas.

Since coming to Ruidoso, the pastor and his family have become involved in the life of the community. Both Frank and his wife, Betty, have identified with the people of this area and have made hundreds of new friends.

Mr. Crown wears many hats in his busy life. He is pastor of three area Presbyterian Churches—Ruidoso, Andrews and Mogul. He conducts worship in all three churches on each Sunday and carries out an organized visitation program in each congregation during the week.

In addition to his duties as pastor of the three churches, Mr. Crown serves as manager of the Chimney Spring Presbyterian Camp near Cloudcroft. A schedule of week long youth camps are under his supervision. He has a long record of working with adults and youth in both church and scout camps. Sixteen new buildings are currently under construction at the Presbyterian Camp near Cloudcroft and the local pastor is representing his jurisdiction in overseeing their construction.

Added to the duties of the local pastor are his responsibilities in the judicialities in which he works. He has committee responsibilities in both the United Presbyterian Church and the Presbyterian Church, U.S. He is chairman of the Special Ministerial Committee of the New Mexico Council of Churches.

Despite his busy schedule which involves driving over 20,000 miles a year to meet his appointments, the local pastor gives much time to family and individual counseling.

Frank made the following remarks in a recent interview: "I look forward to living and serving in this area for many years to come."

Drive there with care—arrive alive.

LET'S ONE FLY: Pro golfer Billy Maxwell, of Dallas, tees off at the first green of the Alto Village golf course. Maxwell, vacationing here this week in the home of Mr. and Mrs. H. T. Huchuck, described the course as "one of the most beautiful in the country".

**Village Council OK's TV Franchise; Receives Application For Another**

An application was approved by the Village Council for a television franchise submitted by Continental Television Corporation, (CATV), a subsidiary of the Continental Telephone Corp.

The application calls for installation of a 50-mile cable TV system within 10 months from date of granting the franchise. CATV proposes a \$13 charge for initial installation with monthly charge of \$7.95 for the 10 channels it plans to provide. This would include a four per cent gross receipt tax payable to the state and a two per cent franchise tax payable to the Village of Ruidoso.

**Keep It Beautiful**

If America hired people for the job, it would take the longest part of army to keep our country free of litter. But there is no need to hire anyone. It's a job we can do for ourselves. All of us. Every family that spreads a picnic blanket. Every boatman who cruises the lakes and rivers. Every motorist who uses our roads and highways.

It's the pleasure of the U. S. Brewers Association to say to you its fullest support to the Keep America Beautiful Campaign. Remember: Every Litter Bit Hurts. This is our land. Let's treat it right.

**Six 4-H'ers To State Contests**

Six 4-H'ers will be among 500 4-H'ers from throughout New Mexico in Las Cruces this week for the annual state senior 4-H contests. They are: Dan Knight, Carol Lynn Davidson, Allen Sultemeier, Bill Tyree, Allen Sultemeier, Lois Ann Holleyman and Joel Barham. The contest will be conducted at New Mexico State University, with Garciola Hall to provide housing for the contestants.

The contests and related activities continue Wednesday and Thursday, July 9-10, with participants departing from the NMSU campus following breakfast Friday morning.

In addition to the contests themselves, automotive and consumer education workshops are being offered some of the 4-H'ers, together with a workshop on the advertising of clothing and grooming products.

Presentation of contest ribbons will take place Thursday afternoon, with a concluding banquet and awards presentation to take place that evening in the Corbett Center Ballroom. An honorary 4-H membership award will be made to an adult during the banquet, while another adult 4-H supporter will receive a silver tray recognizing outstanding service to the 4-H club program.

Included in contests to be conducted will be meat judging, land judging, livestock judging, foods presentations, agriculture presentations, livestock presentations, a tractor operator's contest, a dress revue, public speaking, clothing presentations, general home economic presentations, engineering presentations, crop judging and range plant identification.

Modeling training will be offered by Miss Teresa Phillips, Miss New Mexico, Universe. In addition to the contests and training, there will be social activities, culminated by a dance to follow the banquet Thursday evening. And, as a part of the closing day activity, Paul Rader, vice-president of development for NMSU, will speak to the 4-H'ers on "New Mexico State University in the Future".

Lawn diseases are beginning to appear in most parts of New Mexico. Although there are many effective chemicals on the market these days to control lawn diseases, the best way to grow healthy grass is to follow a few simple rules that will prevent disease from getting a foothold. The most common cause of lawn disease problems is the result of poor watering practices. Some areas in the lawn simply do not get enough water because of poorly placed sprinklers.

Droughty areas are usually the places where lawn diseases first appear. Place sprinklers so that the lawn gets uniform coverage, and water to a depth of 12 inches or more. Loam-type soil require one inch of water to penetrate to a depth of 12 inches. Coffee cans or similar containers should be placed in the area to be sprinkled so that the rate can be measured. Some sprinklers may require six hours to provide one inch of water, while others may apply one inch in 45 minutes.

When grasses have developed a deep root system, daily watering is not needed. Water applied twice a week or less often should be sufficient for most lawns. Fungicides will also help diseased areas to recover more rapidly. Turfgrants fungicides may be purchased from nurseries and other garden centers under various trade names.

If you suspect lawn disease cannot be diagnosed, select a broad spectrum fungicide recommended for both cottony blight and Helminthosporium lawn diseases.

**Funeral Processions Call For Courtesy**

A reminder was issued today by Chief of Police O. S. Montes that the motoring public exercise courtesy when approaching or following a funeral procession.

Chief Montes said that in the main, the general public was most thoughtful in such instances. However, he said, there have been several instances in which motorists have passed a procession, or failed to yield right of way.

He suggested that drivers, when meeting a procession, pull over to the right until all cars have passed. If following a procession, it is best for the driver to proceed slowly behind the final car as long as the procession remains in front.

Chief Montes also expressed his appreciation and that of the entire department to the White Mountain Jeep Club for their invaluable assistance at the recent double funeral held here.

**Receive Report of Another Fish Kill In Ruidoso River**

Fish kills continue to plague the Ruidoso River, according to the New Mexico Department of Game and Fish, which reported the latest to have occurred immediately below the Ruidoso sewage treatment plant last week.

Extent of the kill was undetermined, but it is known that several people picked up dead fish and there were still some in the area when the kill was discovered.

No catchable size trout have been put into the Ruidoso River since a kill that occurred in April. Six plantings of catchable fish scheduled for May and June were not made and the four plants of catchables scheduled for July will not be put into the river if the problems continue to exist, the department reports.

A hearing involving the Valley Lumber Co. is pending in Magistrate Court at Ruidoso, after the company's Hollywood Mill was charged with introducing material from the holding pond into the river and causing the first kill. No charges have been filed in the other kills.

Department Director Ladd S. Gordon said, "We need the cooperation of everyone in the area, industry and the City of Ruidoso, alike, to see that these problems are cleared up."

"Production of trout to plant in these waters is expensive and it is a waste of the sportmen's money to put fish into water that is being polluted to the extent that the fish cannot live. If these problems can be cleared up, we would restock the river, as it can furnish some valuable fishing recreation to the citizens of this area and the people who visit here."

**Alamo Players To Present Comedy 'Zozo Saturday**

A delightful comedy will be presented Saturday night, July 12, at Carrizozo high school by the Alamo Players' Workshop as part of the Lincoln County Centennial Festivities. Curtain time is 8 p.m.

Advance ticket sales are underway, but may be purchased at the door.

The comedy, "Never Too Late," by Sumner Arthur Long, is directed by Nick Price, assisted by John LeBlanc. Bill Evans portrays Harry Lambert, a married man in his late forties who suddenly learns he is to be a father again. His youngest child, a 24-year-old daughter, is convincingly played by Elaine Strader. Considering the boob she ended up marrying, Harry finds the prospect of another such affair unthinkable. His daughter and son-in-law, Charlie, hilariously played by Earl Constock in the main comedy role, are still living with him, and he has a first hand picture of how they turned out.

The announcement of the baby, however, is not all that is to startle Harry, for at long last his meek, doleful wife, charmingly played by Jean McKenney, puts her foot down and issues some terms of her own.

FILL 'ER UP, PLEASE—Marty Armstrong, four year old son of Mr. and Mrs. Harold Armstrong, of Roswell, retrieves a plate full of beans and barbecue served by Mrs. Shirley Goodloe of Capitán at the Smokey Bear Stampade held there July 4th.

## Rodeo, Parade, Barbecue Highlight Capitan Smokey Bear Stampede

With red lights flashing and sirens blaring above the whirr of the Forest Service helicopter directly above, the final day of the 11th annual Smokey Bear Stampede got underway with the July 4th parade down the main street of Capitan.

The first day of festivities saw Miss Dee Ann Jackson, of Ancho, selected for the dual honor of Lincoln County Centennial and Fair Queens at 7 p.m. ceremonies, followed by a rodeo and western dance.

Miss Jackson, along with Miss Debbie Dearman, 1968 State Fair Queen, led the parade which featured colorful floats, fire trucks, antique cars and mounted Sheriff's Poses from Torrance, Chavez and Valencia counties.

First place in the parade was won by the Capitan Woman's Club with second and third place positions going to Ft. Stanton Hospital and Camp Sierra Blanca.

As soon as the last float rounded the corner, approximately 2500 guests lined up to sample the western delicacies served up at the free barbecue in the sheep exhibition barn.

After feasting on the pinto beans and over 600 pounds of beef provided, the spectators gathered at the arena to await start of the 2 p.m. rodeo.

After the presentation of colors and the grand entry, Ralph Dunlap, chairman of the Lincoln County Centennial Commission, made a presentation of centennial medallions to Debbie Dearman, State Fair Queen, and Dee Ann Jackson, Miss Lincoln County.

Next the crowd delighted in the cavorting of Tommy Wetherington, rodeo clown, before getting down to the real and sometimes dangerous business of rodeo competition.

Earning top honors at the rodeo were Dickie Wellborn of Dali as All-Around Cowboy and Bobbie Prather, Tularosa, as All-Around Cowgirl.

## Four-Day Attendance And Wagering Records Set At Track Over Fourth

All records for a four-day racing weekend fell at Ruidoso Downs over the Fourth of July holidays when 27,350 fans flocked to the popular mountain oval and made the pari-mutuel machines groan under a \$1,256,155 wagering load.

The holiday racing throng helped continue the Downs' march toward what could be a record year. To establish a new season mark the track must surpass the attendance figure of 217,950 and the betting high of \$12,185,558 set in 1962.

Highlight of the holiday race card was Saturday's first running of the "World's Championship Quarter Horse Classic" for a purse of \$50,000. Jet Smooth, Walter Merrick's speedy four-year old son of Jet Deck and Lera's Bar, switched on the afterburner about three-quarters of the way down the 440-yard course to flash across the finish line ahead of nine other top contenders. Surprising Diamond Sun Joe captured second place, with Hank's Dial Doll coming in third.

The winner's share of the glittering purse for three-year olds and up was \$24,000.

In Sunday's feature race, the fiftieth running of "The Governor's Handicap", Flying Elijah, owned and trained by James E. Byars of El Paso, Texas, pulled a major upset by taking the 6 1/2 furlong race and returned backers a whopping \$74.00 to win.

Another sparkling performance was turned in during the four-day state when Lady Bug's Moon, owned by Marvin L. and Ella Barnes of Ada, Okla., stepped 350-yards in the seventh race Saturday in 17.65 seconds, almost equalling the track record of 17.0 flat, co-held by Mr. Bar None and Easy Jet.

Fans in attendance Saturday had an added thrill when a record \$1,256,155 was wagered before those fortunate enough to have tickets to exchange.

## Ruidoso Enjoys Greatest Year

Final figures, as compiled by Jim Hine, village clerk, following the June 30th closing of the fiscal year, substantiated the preliminary report in the Ruidoso News two weeks ago that the Village of Ruidoso, in 1968-69, showed the greatest economical growth in its 24-year history.

Building permit values topped the \$1 million mark, totaling \$1,077,383 as compared to \$798,249 the previous year for a substantial gain of \$279,134. While permit fees reflected the increase, from \$2,002 to \$2,299. Four subdivisions or units were annexed representing 63 acres as compared to one unit and 30 acres the prior year, making the current total number of acres now in Village 4,362.

Estate tax received by the village showed a heavy jump of \$18,589, from \$81,320 the previous fiscal year to \$99,918. On-line tax was up \$7,350, from \$36,186 to \$43,536 and airport revenues increased \$3,539, from \$23,047 to \$27,186.

Water consumption figures showed an increase of 28,756,295 gallons, with 122,085,688 gallons being metered as compared to 93,329,393 gallons the previous year.

### Frankie Candelaria Serving In Vietnam

U.S. ARMY VIETNAM Army Private First Class Frankie Candelaria, 20, son of Mr. and Mrs. Roy V. Candelaria, Ruidoso, is in the 1st Infantry Division in Vietnam as a combat soldier.

His wife, Maria, lives in Carrizozo.

ons the previous year. Pumpage was reported at 143,381,000 gallons, an increase of 33,548,000 gallons over 1967-68. Eighty-two additional water taps were reported, for a total of 2,173, and 41 new sewer taps to make a total of 698 for the year just concluded.

An additional 3.7 miles of gravel roads were added during the past year, to bring the total to 139.7 miles within the village, and 1.4 miles of paved road, for a current total of 61.8 miles. This compares to 2.3 miles of gravel roads and no paved road during the 1967-68 fiscal year. Also installed during the year just concluded were 3.6 miles of water lines for a current total to 68.9 and 5.8 miles of sewer lines, for a 23-mile total. No sewer lines were installed in 1967-68, and but three miles of water lines.

Other comparative figures reported, with the 1967-68 amount listed first, include: Ad valorem tax, \$12,044 up to \$12,354; business license, \$9,207 up to \$9,413; cigarette tax, \$4,710 up to \$11,563 (largely attributed to the 2-cent tax increase at the beginning of the fiscal year); police fines, \$6,207 up to \$8,960; franchise tax, \$1,204 up to \$11,250.

Also utility collections, \$208,516 up to \$225,031; delinquent accounts, \$6,194 up to \$7,550; sewage effluent, \$61,133,400 down to \$55,313,600.

One employee was added during the year, bringing the total to 46, and total payroll increased from \$411,160 to \$221,547 with the average salary being \$4,023 as compared to \$4,390 during the same period a year ago.

**REMAINS EMPTY** — The Lon Merchant ranch house continues to stand empty, mute testimony to the absence of its owner, prominent Capitan man, who has been missing since June 23. Merchant's granddaddy, Willa Edgors, pauses to admire a rose remaining

after the rancher had cut a bouquet a few days before his disappearance to take to his wife's grave. All leads continue to be checked out, but no clues have as yet been discovered. (Newsfoto).

### Thiokol Representative Speaker At Rotary Club Meeting Tuesday

Dean Tidwell, counselor for vocational training, Thiokol Chemical Corporation, Roswell, was guest speaker at Tuesday noon's luncheon of the Ruidoso Rotary Club, held at the Holiday House Restaurant.

Tidwell told the group of the Roswell Employment Training Center, operated by Thiokol, which was established in the fall of 1967 and funded by the Bureau of Indian Affairs. It offers educational, vocational and family life training to volunteer students from all American Indian tribes.

The speaker said approximately 450 Indians are in training at the present time, with many tribes represented. Navajos currently are the most predominant tribe, he said.

Vocational training offered at the Center is divided into four clusters, or training topics. Tidwell commented, including electronics assembly, automobile mechanics and welding, government services and food processing. The student is encouraged to progress at his own individual rate and the training courses take about a year to complete.

Job placement of the graduate is considered one of the key designs of the program. The full resources of the BIA's Branch of Employment Assistance, the State Employment Security Commission and the Thiokol Placement Service are brought into action to assure the individual graduate is placed on the job.

Counseling and guidance is available during the initial period when a graduate is locating in new surroundings as part of the placement.

### Locke Memorial Gifts To RHS Department

Persons who desire to make a memorial gift in memory of Mitchell Locke, 1969 Ruidoso High School graduate killed June 29 in a two-car crash, are being asked to give their contributions to the electronics department at the local high school.

The in memoriam gifts made may be made directly to the high school, or to Ken Knapp at Dan Lee Cabins who will turn the funds over to the school.

Mr. and Mrs. J. D. Locke, parents of the youth, said today their son had been deeply interested in the place of his studies, and felt it would be his wish that memorial gifts be used to further the department's work.

Gifts in memory of Brooks Day, a fellow graduate who also lost his life in the accident, have been requested by his parents, Mr. and Mrs. Raymond Day, to be given to the science laboratory at Ruidoso High School, in keeping with his field of interest.

Mr. and Mrs. R. E. McElroy and son, Gary, of Thioko, Texas, spent last weekend with the Charles McElroy family.

### Need For Correct Reporting Told By Social Security

During the past year, social security personnel in southeastern New Mexico have contacted nearly 750 employers. "Many of these contacts involved incorrect reporting of employee social security numbers," Bob Noble, social security field representative stated today.

A significant number of claims for retirement, survivor, disability, or Medicare are disallowed because the persons involved lack one or more "quarters of coverage." (In most types of employment, a "quarter of coverage" is credited if the worker is paid as much as \$50 in wages during the calendar quarter.) Some of the claims turned down would have been approved if all earnings had been reported with the correct name and social security number.

The electronic and clerical processing of incorrectly reported earnings items is a major expense to the Social Security Administration. A properly reported wage item costs about 3 cents to post in the individual worker's record. The average cost of posting improperly reported items (items which can be posted without contacting the employer involved) varies from 50 cents to \$1. Obviously, if an employer contact is necessary, the cost is considerably more.

Employers are urged to copy the social security number directly from the employee's social security card, and to answer promptly any correspondence they may receive from the Baltimore accounting office concerning incorrectly reported items.

Anyone needing social security information should contact Noble July 10 at the Council Room in the Ruidoso City Hall. He will be there from 10 to noon and 1 to 2.

### Time Change Told For Scout Meetings

Time of meetings for Ruidoso Boy Scout Troop 58 have been rescheduled to the former hours of 7 to 8 p.m., it was announced today by Marvin Craig, scoutmaster.

Craig said the meetings, held each Monday night at the Scout Hut, had been advanced recently to convene at 8:15 p.m., but that it was found the 7 p.m. time more convenient. He asked all Scouts to make note of the time change.

The scoutmaster also said that regular troop meetings will be held July 14 and 21, while he is attending the National Jamboree, and will be in charge of Tommy Hall, assistant scoutmaster.

### Attends DeMolay International Meet

James L. Windham, son of Mr. and Mrs. Leon Windham of Ruidoso attended the four-day International DeMolay Conference in Kansas City, Mo., which concluded Friday, July 4.

The conference was a mid-year climax to the Order of DeMolays' 50th Anniversary Commemoration which began Jan. 1 and will end Dec. 31.

Speakers present included Sen. Stuart Symington, Rt. Hon. John G. Diefenbaker, former Prime Minister of Canada; Sen. Barry Goldwater, Justice Tom Clark, retired Supreme Court Judge, Robert Cummings of Hollywood, Lew Calaway, chairman of the Executive Committee and James Somersall, president of Pepsi-Cola. Also attending were Bruce Holloway, commander-in-chief of the Strategic Air Command and Hobson Adcock, representing J. Edgar Hoover of the FBI.

The first three days of the DeMolay Conference were basically the same in general format, with tours of the area, degree team exemplification and leadership seminars.

The final day of the conference included a large Fourth of July pa-

## Officers Elected, Plans Announced At Alto Lakes GGC Annual Meeting

Plans for further development of Alto Village Golf Course and Country Club were revealed by Don Blaugrund, developer of Alto Village and president of the Alto Lakes Golf and Country Club located just 6 miles from Ruidoso.

Ultimately the country club complex, reached by a porte cochere drive with adjacent service and parking areas, will include a fifty-foot swimming pool, dressing rooms, possibly a children's pool, as well as tennis courts and an eighteen hole championship golf course. Nine holes of the course are now in play. The course was designed by famed golf architect Milt Cogswell with the Basil Smith Engineering Company supervising construction.

Blaugrund, reporting on features already under construction, emphasized that dredging for the largest of the Alto Lakes, Alto Sierra, which will have its own private island and a fleet of sport boats, is now underway. A boat club and promenade decks are scheduled as later developments, and the lakes will feed the sprinkler system for the luxurious second nine holes of the golf course.

Visiting golfing professionals predicted that the completed Lakes Course will provide one of the most interesting championship courses in the West. The first nine holes have elicited such comments as those of John A. Walters of Houston, who wrote:

"The course is really challenging and the surroundings are beautiful. I was particularly impressed by the quality of the greens. They are better than any I have played on in the states, and compare favorably with those on my favorite course, 'The Old Man of Troon' in Scotland. I look forward to playing the second nine when it is completed."

Other work currently underway at Alto Lakes Golf and Country club includes the transformation of the historic Collier Publishing Co. concrete barn. This is being remodeled into a golf equipment headquarters, and the present game, drink, and pro-shop building will be remodeled along similar lines. Their chalk roofs will blend into the wooded setting, and wide porches will offer idyllic views of pine-bordered fairways.

Modern conveniences such as asphalted cart trails and camped

four-wheel Cushman electric golf carts are available. Greens fees and cart fees were established at the annual meeting. Play at the club will be limited to members and guests.

After initial stages are underway, work will start on the vista windowed Main Clubhouse, which will be a Southwest showplace. At the meeting, architect Rembert Alley of Roswell, was appointed architect for this elaborate project. Construction is planned to start about April of 1970.

As plans for the magnificent country club complex were unveiled and colored architectural renderings presented to the membership, Blaugrund outlined the sequences of development and gave a progress report on both the country club and Alto Village itself.

The club now has a membership of 440. Recreational opportunities draw progressively more homestate purchasers to Alto Village from around the world.

Nearby Sierra Blanca's famous ski slopes are a prime attraction. Houston Ski Club members have made public their endorsement of local winter sports, including family sledding and tobogganing, that intrigue Alto Villagers.

Buyers from California, Florida, and as far away as Africa and Venezuela have selected homesites in Alto Village. One purchaser has bought a parcel of several sites because their wooded mountain beauty reminds him of Scandinavian Country side. Many people from Houston and other heavily populated East Texas areas have bought at Alto Village because of its untouched wilderness majesty. Purchasers from the plains of Texas and Oklahoma also enjoy the contrast of climate and scenery from that found

in their city homes.

"It is to enhance the area's natural recreational facilities that the Alto Lakes Golf and Country Club has been organized," Blaugrund explained as he unveiled future plans.

"Ours is the only community here which has been thoughtfully, professionally master planned from its inception. Experts in every field have designed each phase of our progress, and our timetable has been paced to our insistence to preserve all the natural beauties of Alto Village surroundings.

"The wisdom of such planning is being proved daily by the character of facilities developing in the Alto Village neighborhood. Two deluxe motel and a scheduled top-drawer shopping center plus many other fine attractions are slated near us. Alto Village and its surrounding environs will be the ultimate in beautiful, pleasant vacation-year-round living with every urban convenience."

Officers elected at the annual meeting of members and stockholders, in addition to Blaugrund, included vice-president David E. Sanders, El Paso, Texas; John P. Paquin, Albuquerque, who is Republican minority whip in the New Mexico Senate, secretary treasurer, Don Simms, M. D., of Ruidoso, and new board members Fred

# Thousands Spend July 4th Weekend In Hospitable Ruidoso

## Four Countians Sign For Tour

The Fourth of July holidays for many, especially from New Mexico and Texas, meant the cool mountain community of Ruidoso where thousands converged to enjoy the extended weekend.

### Capitan News

The finest float in the Capitan Smokey Bear Stampede parade was a family float called "Which Way America?" It was made of a 1957 Chevrolet race-type hot rod, and was rowed by the A. S. Kline family.

Thirteen years after the Capitan VFW lowered the national colors for the last time on what is now Outpost Hill, old glory was once again raised on the top of the repainted pole on this 4th of July. United States Marine Captain Alfred B. Kline assisted by his wife proudly performed the simple ceremony.

The Capitan Lions Club had dog stand at the Smokey Bear Stampede sold out twice on July 3 and 4. Treasurer Hub Harris reports income of one hundred dollars more than they received last year. Their president Ken Reamy has expressed the gratitude of the club for this large increase in support of the several community benefits sponsored by the Lions. The proceeds include eight bags of children's glasses for needy cases, sponsoring delegates to American Legion Boys and Girls State, gift to Red Cross for assorted supplies to our boys on battlefields, contributions to fund libraries hit by disaster, and numerous other items during each year.

Capitan American Legion Post 87 plans a Community Pot Luck Festival to hear reports of our three boys (Baker and two others) States Date will be announced soon.

All eyes were lifted first before the Smokey Bear Stampede, to see the U. S. Forestry helicopter as it clipped along through the pines above the forest. Then on the street in front of the Capitan schools it was a small sample of the strength of our country celebrated by an on Independence Day.

needed just years by several thousands.

Visitors found something here for everyone, whether the hosts were spent enjoying forest ponds and canyons, fishing at the numerous lakes, attending the many fairs in the numerous planned activities in the area, or just strolling through the fascinating shops in search of souvenirs.

Ruidoso Days, the town's annual festival, began on Saturday and continued through Sunday. The festival was estimated at the oval on Saturday and Sunday that many 4,500 on hand for Friday morning.

Victims joined area residents Thursday night and Friday to participate in the annual Smokey Bear Stampede parade. The parade was held on the main street of the town and was a great success.

Many of the opportunities to view the stampede were provided by the local schools, which had students and teachers in the front of the parade. The parade was a great success.

**SPEAKER:** Addressing members of Group 1, New Mexico Bankers Association, at the quarterly meeting here recently was Roy Davidson, Raton, who spoke on banking legislation. The dinner session was held at The Wild Snail (Newsphoto).

many camp areas. Those who came later found their own choice location, stopping for a time at the roadside, by one of the many running brooks, to enjoy a leisurely picnic.

Intermittent rain failed to dampen spirit of another, who ringed Ruidoso Lake in search of the elusive fish. While parents waited patiently for their welcome tug on the line, children camped along the lake-side or played contentedly among the trees.

Hundreds also made the scenic drive to Sierra Blanca, stopping along the way at the look-out sites to thrill to the panoramic view of the countryside, and gaze in delight at the tall pines and aspens.

Private planes were almost "shoulder to shoulder" at the airport, evidence of the steady change in travel habits of vacationers. They were the many who saw to it that the needs of the visitors were fulfilled—storekeepers, waitresses, cooks, hosts and hostesses, service station attendant and a myriad of others who literally worked round the clock.

While the thousands of visitors thoroughly enjoyed themselves in hospitable Ruidoso, taking a break from the cares of the work-a-day world, others were working long hours and doing it with a smile.
