By HUGH STILES

October 1st marks the First Anniversary of Norman's Pizza in the Gateway Center here in Ruidoso.

Evidently Mr. and Mrs. Larry Norman have serious plans to continue trying to convert the area populous to Italian-American because we learned this week that they have purchased the business.

Hence—they will not only celebrate their First Anniversary in the pizza making business in Ruidoso, but will also begin their first year as the owners, managers and the celebrated cuisines of the circular commodity—the pizza. By the way . . . is it really true that Ham and Pizza go together for breakfast?

Our hats are off to the members of the Ruidoso Village council and employees who have willingly and graciously volunteered to appear before any civic group or club and explain the forthcoming Ruidoso Water Bond election, Oct. 8. So far they have appeared before the Ruidoso Valley Noon Lions Club, the Ruidoso Rotary Club and are scheduled to attend the Ruidoso Newcomers Club in early October. Mayor Pro-tem Elmer Pirelli, in the absence of Mayor White, has served as moderator for the occasions.

Speaking of the Village of Ruidoso and more especially of the village hall, the office staff found out early this week that they had come undesirable creatures inhabiting their office. It seems as though mice have taken up lodging in several of the storage cabinets and are having the time of their life. Probably destroying everything but the residents' utility accounts. Come to think of it, they may have found a home because I am sure they are White mice.

While taking our hats off to the village elected officials and employees, motions in "these" direction are also certainly in order for the excellent work by our local law enforcement officers during this past summer season. Ruidoso Chief of Police O. S. Montes and the personnel of the Ruidoso Police Department are to be commended! Also commendations are in order for the cooperation of Lincoln County Sheriff Ernest Sanchez and his deputies and State Police Officers Ken Shockey, Bobbi Miller and Jeff Darden. We all appreciate their watch care over our community. All together, including Jerry Russell, Ruidoso Downhill Marshall, they did an outstanding job when you consider the many extra calls and duties for which they had to respond during the tourist season. (Just watch—first hat out of the box and I'll get a ticket . . . then see how nice they are.)

Ruidoso Police Radio Dispatcher for nine years John Anderson has been 10-tearing and 10-eighting people for so long that we heard he annoyed his wife with a 104 or a 104. Thought I asked about it and when questioned he urgently replied . . . "I say YES MAM AND NO MAM!"

A uniquely talented band healthy Ruidoso basketball team is scheduled to play against the Harlem Stars here in Ruidoso Oct. 12. Coach for the local team is Dick Pearson. Proceeds from the encounter will go to the Ruidoso Warrior Booster Club in support of the Ruidoso High School athletic program. The game will be played in full color.

Harlem Stars To Appear Here Oct. 12

The "Stars" are coming!

The world-famous Harlem Stars will be appearing in Ruidoso on Tuesday night, Oct. 12 in the local high school gym. The Ruidoso Warrior Booster Club voted to sponsor the Stars here against a team composed of local basketball schedule. Perhaps her name is "stars."

The Harlem Stars are well known for their action on the field as humans and for their basketball ability. They mix well with the spectators of crowning it up football. Her team, the Oakland Raiders blew it last night but lost to a predicted cellar team—the New England Patriots. Admission price for the game will be \$1.50 for adults and \$1.00 for students and no charge for separation of church and state, pre-school age children.

Council Acts On Postponed City Business

Elected officials of the Village of Ruidoso met with the village building and subdivision inspector Chuck Brown Monday afternoon, in a special called meeting. The special meeting was called in reference to the council's decision last July at which time they requested Brown to explain his employment status between the village and the Ruidoso-Hondo Valley General Hospital.

Brown is currently serving as both the village building and subdivision inspector, and the official full time building inspector for the hospital during their present building and expansion project.

The council's original action, taken during a regular business meeting July 23, 1971, instructed the village clerk to write Brown a letter and give him the opportunity to "resign one or the other of the inspection jobs." The letter was presented to Brown on Aug. 2 but no response had been received or further action taken by the council since that time.

Monday afternoon Brown told the council members that he had received the letter around the first of August and that he wrote a letter of explanation and presented it to Ruidoso Mayor George P. White.

White further stated that Mayor White told him, when he presented his letter of explanation as requested by the council, that "rather than cause controversy" he would just hold the letter.

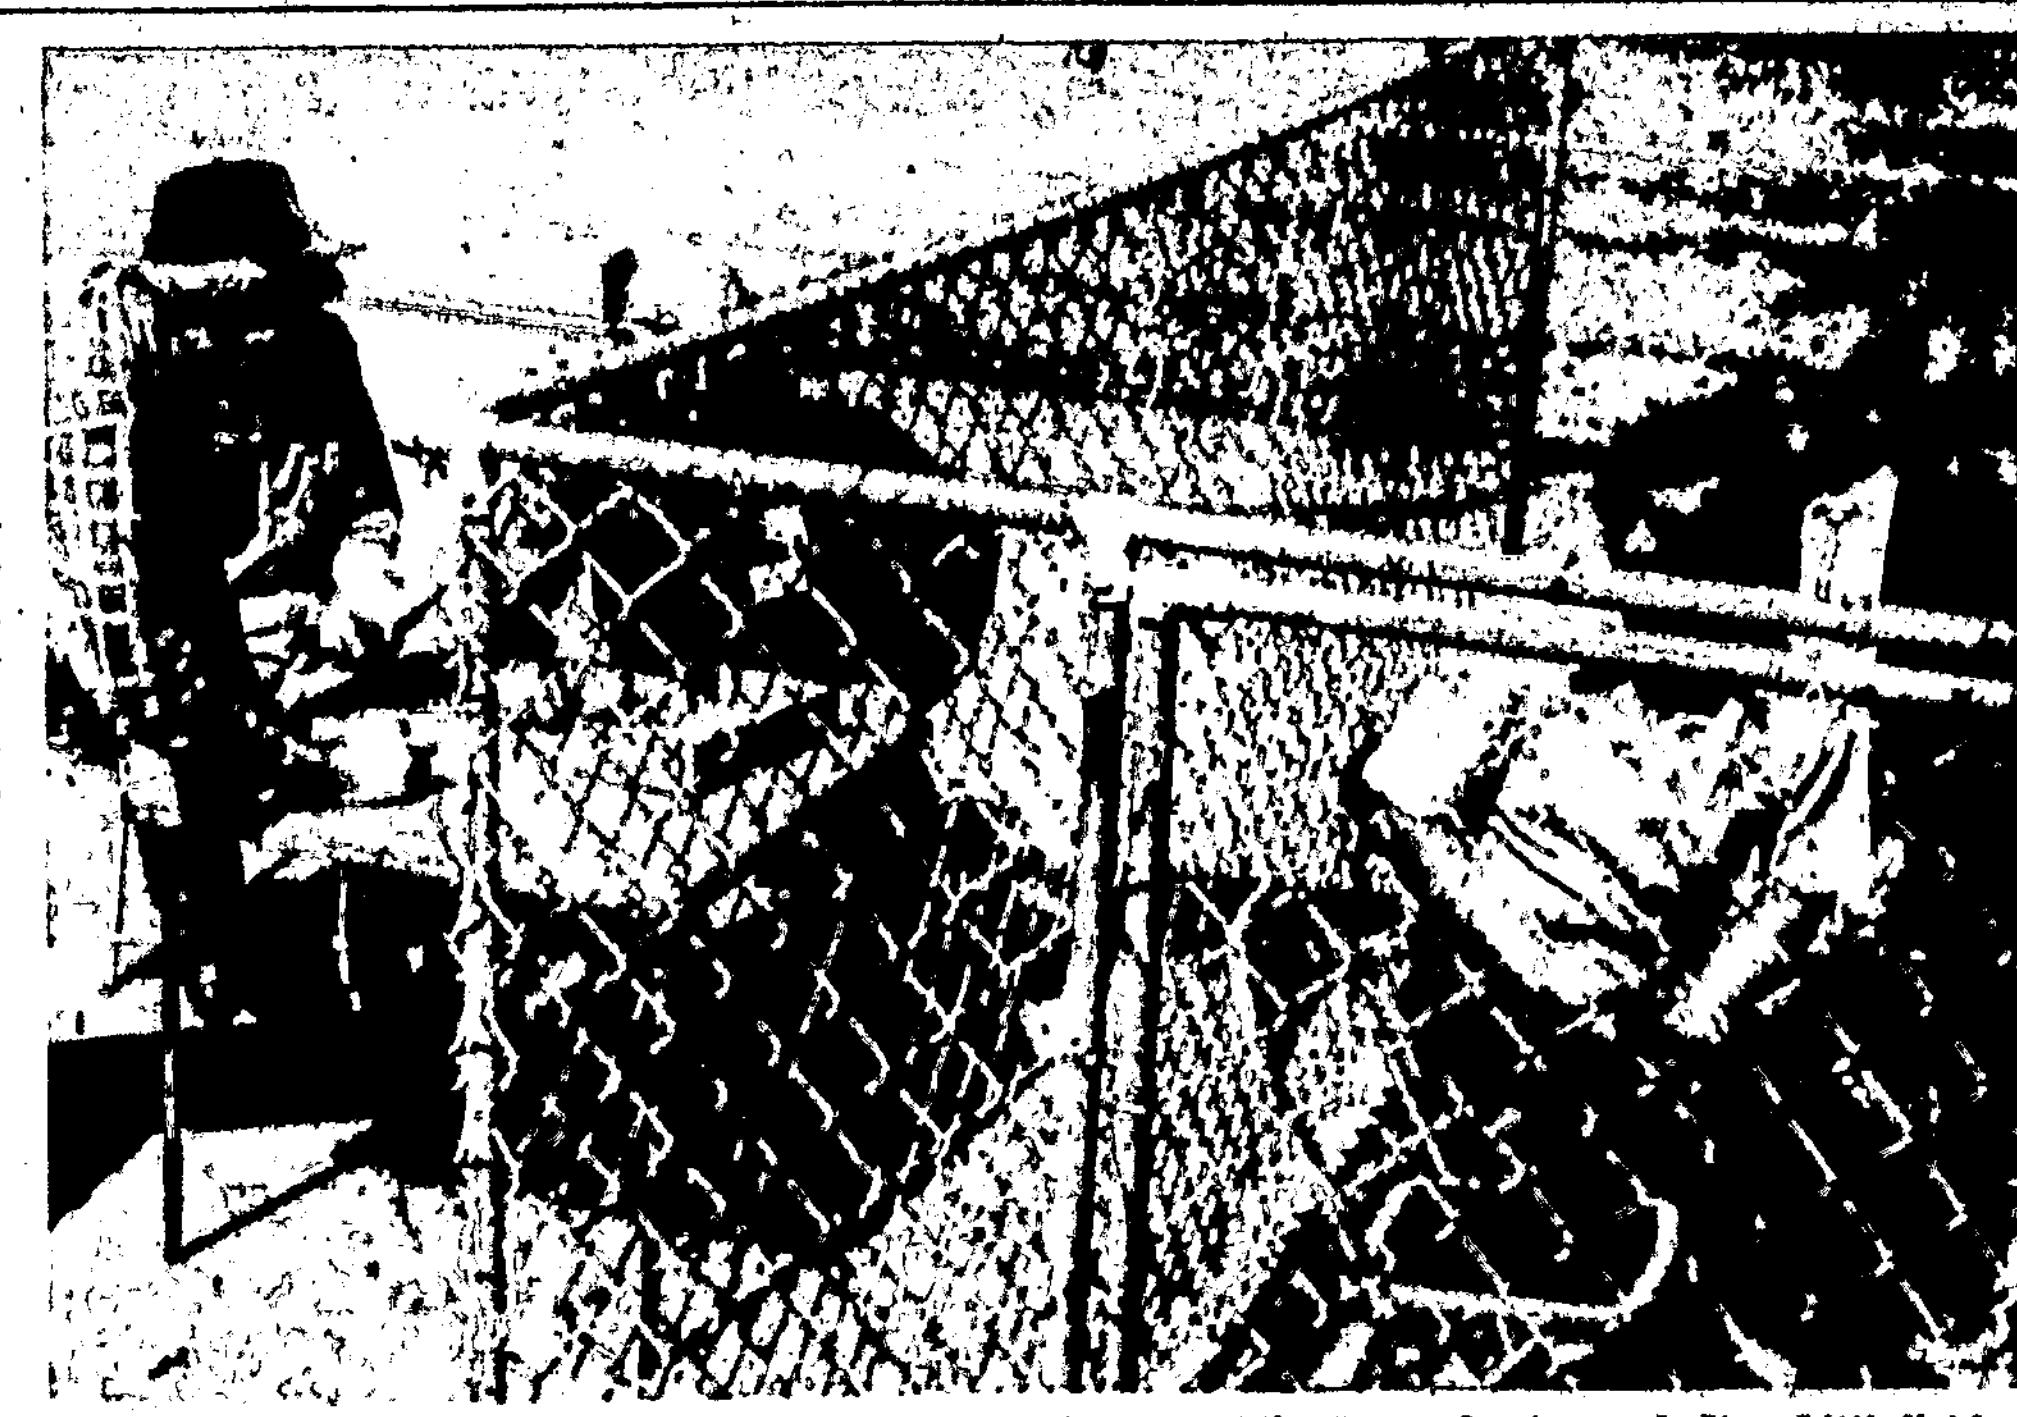

The governing body concurred that one of the reasons for the special meeting was to determine why, after official action by the elected officials, no action had been taken and why a response had not been received by them.

One council member cited, "why have a council, and why make a motion, vote on the motion, have the majority pass on the motion, and then just forget it or do nothing about it?"

Mayor Pro-tem Elmer Pirelli, following Brown's explanation regarding his joint village-hospital employment, stated to the governing body, "It is unfortunate that George (Mayor White) did not inform us" referring to Brown's letter.

The council voted in favor of retaining Brown as the village building inspector.

SWIFT JUSTICE — Swift Justice was meted out Tuesday noon at a Kangaroo Court located on the Plaza Dee parking lot. Ab Gunter is shown before the judges paying his fine for not having an Aspencade Board Contest badge while Dave Parks and Jim Littlefield await their turns. The alibi of "I'm too young to grow a beard" is not an accepted excuse.

DE Classes Stage Shopping Survey

By LINDA WEBB

White Mountain Jeep Club To Host Breakfast

A group of students from the Distributive Education classes are doing a survey on the extent and reasons of Ruidosoans doing out-of-town shopping. The group will be setting up road blocks at Apache Summit on Thursday, Sept. 27 and Saturday, the 29th, from 1 to 5 p.m., to stop cars traveling toward Alamogordo and El Paso, for the survey. Students will be set for placing road blocks on the roads going toward Roswell and to Albuquerque.

The group will also compare prices between Ruidoso stores and those of stores in Alamogordo and Roswell. The students would very much like to hear any ideas or reasons you might have for doing your shopping out-of-town. Please write to:

Jaycee Sponsored Youth Boxing Program Scheduled

The annual Ruidoso District Jaycee Youth Boxing Program is scheduled to begin next Thursday, Sept. 30, according to the program's director, James Fitzgerald.

Fitzgerald stated that all interested boys in the Ruidoso area are invited to participate in the boxing program. As last year, the boxers will meet at 7:00 p.m. in the High School next to the Ruidoso Municipal Building. There were forty-six boys in last year's Jaycee-sponsored boxing program.

This year Fitzgerald will be assisted by Roger Marshall, Richard Urban and Rod Gallo.

TWO MIRACULOUSLY SURVIVE CRASH — A young California couple, Mr. and Mrs. Gary Lynn Bensing, married just seven weeks, were the only survivors of a Cessna 172 airplane crash in Lincoln County last Saturday, September 17. Two brothers, James Smith, San Mateo, Calif., the pilot, and Doyle Smith, Farmington, N. M., both died in the crash. The single engine plane, enroute from Albuquerque to Roswell, was last

heard from by the FAA tower in Roswell at 10:15 a.m. Saturday. The demolished plane, above, was found about twenty-four hours later, about fifty yards east of state road 16 and 18 miles northeast of Capitan at the foot of the Capitan Mountains. The couple was taken to the Ruidoso-Hondo Valley General Hospital and were treated for injuries. The two are still in the local hospital recovering from the ordeal.

The Ruidoso Parent-Teacher Association is Ruidoso is sponsoring two community projects for the week end of Sept. 27-28 to raise funds for the plumbing and water fountain to be installed in the new addition to the grade school. A barn dance at the Skating Rink will be held Friday night to the music of Will T. Cee, Harold Cox and Mr. and Mrs. Scott Haggard. A rummage sale is also being held.

Ruidoso housewives were having their troubles this week with other housewives of the nation as a result of the meat shortage. Three El Paso packing houses and two at Roswell normally supplying Ruidoso butcher markets, were shut down for several days. Housewives of the Southwest have been warned of a meat supply in the future.

Federal services were conducted Wednesday at Ruidoso School House for J. W. Armstrong, 44, who died Tuesday after 24 years residence in Ruidoso. He came to Ruidoso in 1923 and built and operated the first store in the canyon.

Members of the Dexter Garden Club met Thursday, Sept. 16 in the summer home of Mrs. Frank Wortman in the upper canyon in Ruidoso for a turkey dinner at noon and an afternoon meeting. Assisting with the serving of the dinner were Mrs. Fay Kerr and Mrs. Myrtle Gatz of the Dexter club.

Mrs. Zoe Glassmire, member of the Ruidoso Garden Club, was the guest speaker for the afternoon. Her subject was "Conservation". She gave several quotes pertaining to conservation, including "God Gave It, Let's Save It"; "It Is Later Than We Think"; and "Conservation is Protection and Wise Use". The following poem was also quoted by Mrs. Glassmire: "Hordes of gullies now remain us.

We should build on lands to stay.

And departing, leave behind us

Fields that have not washed away.

When our boys assume the mortgage

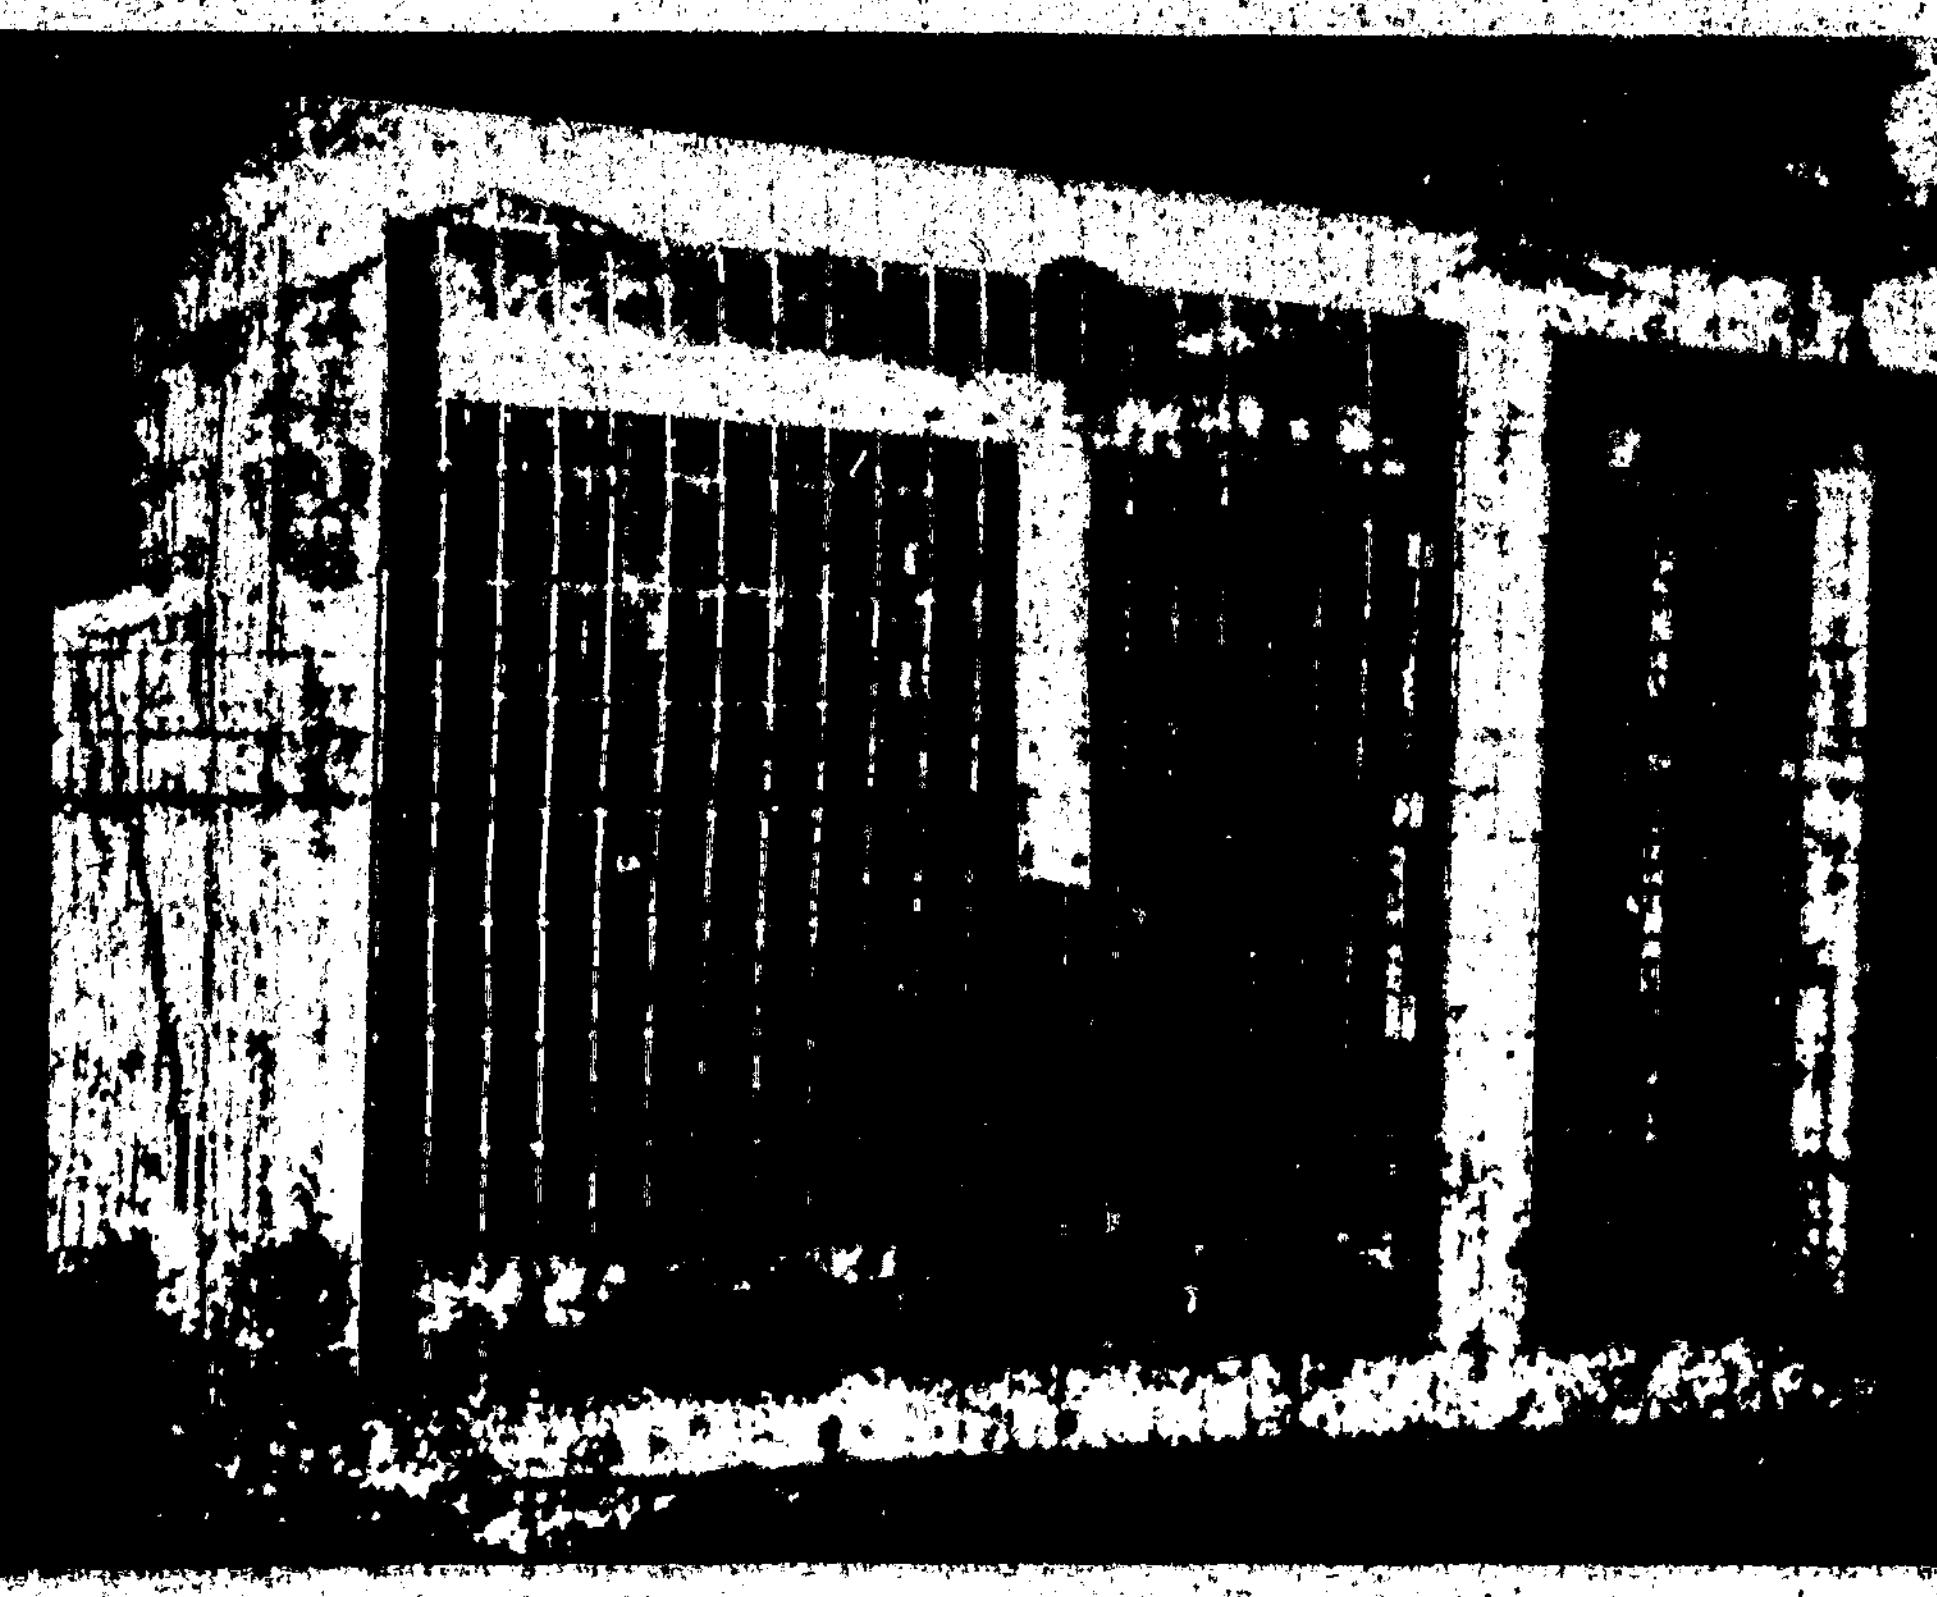

On the land that's had our toll,

They'll not have to ask the question,

Here is the farm, where is the soil?

Mrs. Glassmire displayed the four sets of Conservation U. S. postage stamps which the U. S. Government has produced, and the brown buffalo stamp. She closed the program with four Conservation songs.

Members attending from Dexter were Mrs. Worthen, Mrs. Lorr and Mrs. Gary, as well as Mrs. Estelle McPherson, Mrs. Thyra Johnson, Mrs. Tommie Pirie of Hagerman, Mrs. Ruby Whitman, secretary Mrs. Ruby Sharp, Mrs. Earle Durand, Mrs. Cecile Sterrett, Mrs. Mary Marshall, Mrs. Carroll Townsend, Mrs. Billie Carson, Mrs. Imogene Moore, president; Mrs. Wanda Stope, Mrs. Hazel Wiley and Mrs. Alma Garber. Herb Brunell Steps Down As NMRA Prexy

Herb Brunell of Ruidoso, the 1970-71 president of the New Mexico Retail Association, presented the newly elected officers for 1971-72 to members of the association at the annual membership banquet held in Albuquerque Thursday, Sept. 9.

In addition to the newly elected officers, Brunell reported that two new directors had been appointed to fill vacancies created by the resignation of Harold Morrison, Albuquerque, and Rex Ross of Las Cruces. From the Board of Directors, Appointed wife Joe L. Becker of Becker's, Inc., Española and W. Howard Woodworth of Modern Furniture & Appliances, Raton.

Doyle Welch, a retail jeweler from Gallup, was selected as the recipient of the 1971 New Mexico Retail Association "Retailer of the Year" award. He will be the guest of NMRA and Hotel Camino Real in Juarez for a weekend stay. Welch was nominated for the award by the Gallup Chamber of Commerce for his outstanding service to his community.

New Mexico Retail Association members and their friends at the banquet included Edward Rhodes, a former cowboy in the Three Rivers area, who, about the Southwest, and many readers have never forgotten him and his stories. He was known to write personal messages and poems on the flyleafs of books given to friends and sometimes signed them with a fictitious name.

Plans are developing for promotion of Ascension and Oktoberfest. Enthusiasm is running a little higher this year than last. Our committee people really have the Ascension spirit. It looks like our teams tournament may come along fairly well.

Speaking of the Oktoberfest; what is more appropriate for a German celebration than a beer drinker contest? Sigh! We are drawing up the final plans and will get out the qualifications to enter by next paper.

The trail ride association is having a re-acquaint with their trail rides this year. Ray Reed is the trail boss and has a very interesting route mapped out. The first ride will be an overnight affair. The ride will start at Nogal on Thursday, Oct. 6, and will go to Parson's Hotel. That night, there will be a dance played by Ray Reed's band.

Friday the riders will come into town. If a rider does not wish to ride the overnight he may join the group at Parson's Hotel and with this there will be a com-

come on down with them Friday.

Saturday they will be in the parade, Sunday the ride will be over to Pecos Patch for dinner and back in town. On Oct. 26, the Trail Ride Association is planning a big ride so contact them for details.

We had a meeting of the Chamber Monday and laid some ground work for more off-season promotions of our fair city. If anything comes up we will let you know.

Did anybody read my article last week that included a story of Leavenworth, Wash., and what they did as a community?

I would like to hear some comment or other thought along this line. It would be a wonderful opportunity for us to remove some excesses or have them re-furbished. The article was condensed from a news release which is more expanded and detailed. This release is available at my office if anybody is interested.

DECA Convention Delegates Selected

By LINDA WEBB

DECA held their first meeting of the year Monday, Sept. 20. The meeting was held to discuss various projects and to elect area representatives. Delegates elected to represent Ruidoso at convention are Teresa Rigidon and Rita Spence. Wes Benson was elected to compete for the State presidency and Teresa Rigidon will try for State secretary.

DECA Sweetheart to represent Ruidoso is Rita Spence and Boy and Girl students of the year chosen were Wes Benson and Mary Shaffer. A grade point of 3.0 was required for this.

Also discussed at the meeting was the bake sale DECA held on Saturday, Sept. 18 at H. & J. Food Basket. Total proceeds from the bake sale were \$44.16.

This money will go into the treasury and will be used to pay for expenses at the Youth Training Conference which will be held in Ruidoso on Oct. 14.

Terry Bender, coordinator for the DE program, announced student officers and their training schedules for the year:

Wes Benson, H. & J. Food Basket; Wes Benson, Ruidoso State Bank; Kerri Barron, Security Bank, Ruidoso; Jim Marquard, WE-3; LaDon Phillips, Whispering Pines; Kathy Petty, Party Time; Carol Ross, Zaire; Teresa Rigidon, Brundall; Doug Small, Sierra Manoil Gas Shop; Mary Shaffer, Ruidoso State Bank; Rita Spence, Ruidoso State Bank; James Walker, Construction; Linda Webb, Ruidoso News.

Those students for the program that have not been placed yet are Linda Curry, Leolle Davis, Debbie Friberg and Rebecca Herrera, Roxanne Noe, Linda Rogers, and Mike Walker.

Nosker was born on Nov. 18, 1927 in the Territory of Kansas. He had been a carpenter before his retirement. Surviving are four sons, Kenneth Nosker, Glenwood; E. B. Nosker, Fresno, Calif.; Dennis Nosker, Napa, Calif.; two daughters, Mrs. Mabel Harris, Fresno, Calif., and Mrs. Hazel Petty, Tulare; one brother, Loring Nosker, 14 grandchildren, and 21 great-grandchildren.

Faithfuls included George Berry, Jr., Lewis Perry, Lowell Neel, Miriam Nosker, Dennis Nosker and Ralph Nosker.

Have Membership Picnic September 14

A picnic to promote new members for the Ruidoso High School chapter of Future Homemakers of America was held Sept. 14 in School House Park with Mrs. Kathryn Williams, Ruidoso High School Home Economics teacher, attending. She directed the members and welcomed new members. Kim Oates, president of the local FFA chapter for the 1970-71 year, presented over the microphone. The words to the FFA song were recited and George Jones, president of the Ruidoso chapter, said about his trip to the National convention at Atlanta City as a representative of the Ruidoso FFA chapter.

George Jones gave the introduction and the group was organized for a western roast with all the trimmings and homemade punch.

News 'n Notes

By MARY ELLEN PAYNE

Quite a few of our Lincoln County 4-Hers entered projects in the Eastern New Mexico Fair in Roswell this past week. Here are the results:

Rex Wilson of the Malpais Coke — 1st Range Plant, Ex-

cellent Jewels — 2nd Home Improvement Article (Mounted Picture).

Marcella Montes of the Home Valley Club — 3rd, throw pillow.

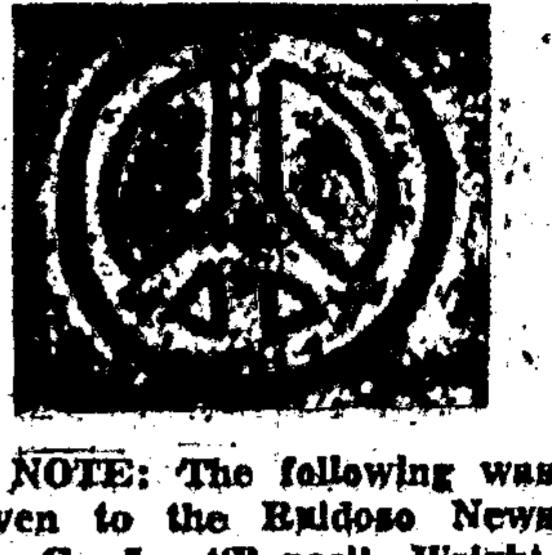

Jackie Driss of the Happy Homemakers — 2nd coordinate outfit.

Joan Alford of the Corral Jewels — 2nd wool dress.

Congratulations to you 4-Hers!

Children's shoes should be fitted properly to allow for growth and wiggle room. New styles, colors and materials naturally appeal most to children, but fit, comfort and durability should team with attractiveness in buying their shoes.

Find a sale if possible to buy better quality shoes at lower prices. Don't just buy because they're on sale, be sure they fit correctly. Children should go along to the store so that shoes can be properly fitted with the type of sock to be worn with them. One parent said she was too poor to buy inexpensive and incorrectly.

NOTE: The following was given to the Ruidoso News by C. L. "Bones" Wright, Ruidoso.

PEACE SYMBOL?

ARE YOU SURE?

This is the symbol worn by many of today's young people and is known as the "Peace Symbol." We wonder how many of them, or yes for that matter, know the real meaning of this symbol?

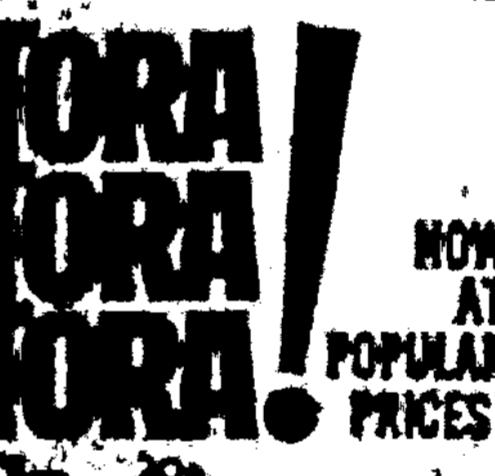

The "Peace Symbol" is not something that is the product of today's restless youth. It was well known back in the Middle Ages and was known earlier as the "Crow's Foot."

It is used today as a central part of the national symbolism of Communist Russia. It appears the Communists are winning their battle for the minds of our youth. They are making special efforts to capture the attention of today's youth in America. Many young people are familiar with the Peace Symbol and wear it as jewelry and even paint it on their cars. They wear it as a "fad" gadget, not realizing they are supporting the emblem of the Anti-Christ, The Broken Cross.

Band Boosters Hold First Meeting of School Year

The Ruidoso Band Boosters met Monday, Sept. 20, at 7:00 p.m. in the high school library. Several bills were paid, and plans were made to take the band to two out-of-town football games. Tentative games are Hatch-and-Truth or Consequenes. Arrangements are being made to stay over-night in Las Cruces, and attend the New Mexico State University Homecoming Game with West Texas State on Nov. 6. The local band would march in the Homecoming Parade.

The next meeting of the Booster Club will be Oct. 18, at 7:00 p.m., in the high school library when an election of officers will be held.

Horseshoe Pitching Turney Set Sunday At Denton Arena

The High Chaparral Horseman's Association will sponsor a horseshoe pitching tournament Sunday, Sept. 26, at 1:30 p.m. at the Denton Arena in Ruidoso Downs. All interested persons should be at the arena at that time. Teams will be entered and ground rules discussed. This first afternoon will be a get-acquainted play day, and to see how many are interested. A separate women's tournament will be held if there are enough interested women. Those having sets of horseshoes that can be used for the afternoon are urged to bring them to the arena by 1 p.m. Sunday.

Feast of Tishri To Be Observed

The Lincoln County Scottish Rite Club will observe the Feast of Tishri with a dinner to be served in the Eastern Star Hall in Ruidoso on Saturday, Sept. 23, at 7 p.m. All Master Masons and their guests are cordially invited to attend. Guest speaker will be Charles W. Allen, 33 degree Mason from Santa Fe. Allen is the secretary of Scottish Rite Bodies of New Mexico. The Feast of Tishri is a day of obligation, and all Masons and their guests are urged to attend the dinner and program.

Visits Increase 11% To Gran Quivira

A total of 4,267 persons visited Gran Quivira National Monument during the month of August. This number brings the annual total to 22,628, an increase of 11% over the same period last year.

The Visitor Center is open 7 days a week from 8:00 a.m. to 5:00 p.m. Guided tours are available to organized groups by appointment, or visitors may use the self-guiding trail. The ruins consist of two 17th century Franciscan missions and pre-Spanish pueblo Indian dwellings.

Gran Quivira National Monument is administered by the National Park Service, an agency of the United States Department of the Interior, and can be reached by traveling south on Highway 14 for 26 miles from Mountainair or 55 miles northwest from Carrizozo on Highways 54 and 14.

Homeowners can have better vegetable gardens and flower beds with mulches. Mulches help keep the soil moist, reduce soil erosion, add organic matter to the soil, retard weed growth, and furnish food for earthworms that loosen and aerate the soil. Grass clippings, sanddust, straw, and compost make good mulches and are easy to apply. Compost is probably best. It can be made from leaves, grass clippings, stems and stalks of harvested vegetables, corn husks, pop hulls and fine twigs. Home and Garden Bulletin No. 185, Mulches for Your Home and Garden, published by the U. S. Department of Agriculture, gives detailed information and is available from the County Extension Office.

They can tell you about the community 4-H clubs and special interest groups in the county. They'll give you brochures explaining projects and the overall 4-H program.

As you become interested, and learn more about 4-H, share this enthusiasm with your friends. Maybe you can all join a 4-H club or form the nucleus of any 4-H'er, so share your interest with them. Keep them in the know on what you would like to do.

ALL-NEW STYLING... SAME OLD PRICES.

In a year when most new cars look a lot like last year's, Dodge Polara and Monaco do not. They've been restyled for '72. The emphasis in the design of these new cars has been on strength, solidity, and silence. Their strong, expressive styling achieves an

attitude of distinction with clean, fresh lines. And while the styling is all new, the prices of the '72 Polara and Monaco, and all Dodges, will remain the same as those offered on comparably equipped 1971 models. Prices may never be lower.

1972 DODGE MONACO Designed for the man who wants excellence without extravagance. The restyled 1972 Monaco has a look that sets it apart from the rest of the medium-priced field... like smooth lines, hidden headlights, and a break of protective side moulding. It's equipped with the features you'd expect in a car as distinguished as Dodge Monaco. The new 360 two-barrel V8 engine, precise power steering, power front disc brakes, and Dodge's famous, smooth TorqueFlite automatic transmission are all standard.

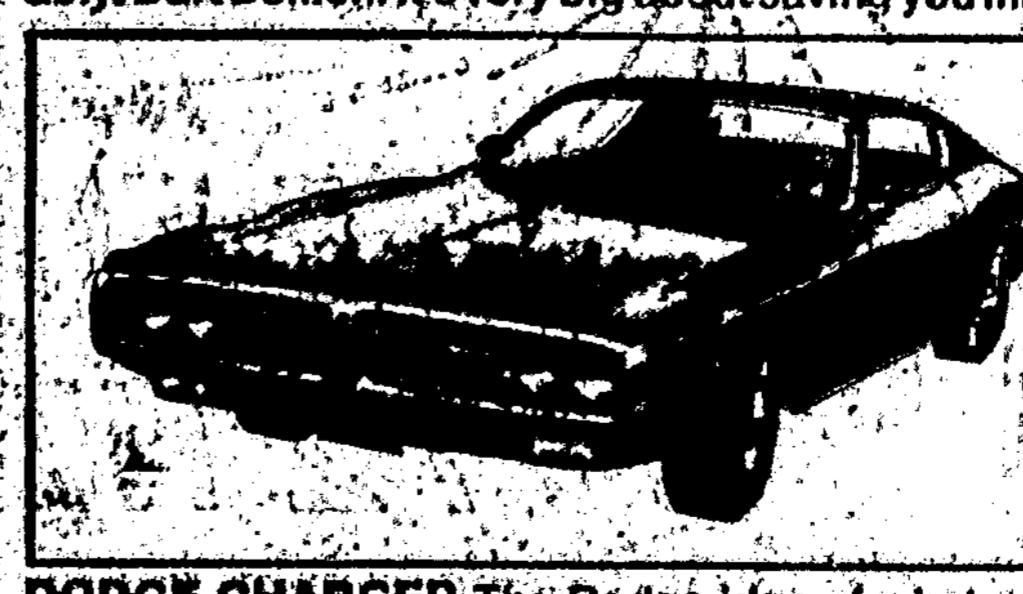

1972 DODGE POLARA

Dodge builds the Polara with a little extra size and riding comfort, and at the lowest possible price. You get such easygoing features as power steering, TorqueFlite automatic transmission, and a powerful yet economical, 318 V8 engine standard.

DART DEMON COUPE Our lowest-priced Dart. It just goes to prove an economy car doesn't have to be a hole car. Dart Demon seats five adults comfortably. Dart Demon, it's very big about saving you money.

DODGE CHARGER The Dodge idea of what a family-sized sports car should be. It's large enough to seat six, and its sporty styling adds a new dimension to the old-fashioned family cars. Check it out today!

DODGE CORONET The chrome-laden car. The perfect idea for a family car because Coronet is designed solely to be a four-door family sedan. Full-sized room for six people, and styling that you'll be proud of.

CHICAGO, ILL., NORTH LOOP NEWS: "I have seen the welfare system corrupt thousands, making beggars of once proud and independent people. I have seen otherwise proud citizens shun the responsibility of caring for aged parents and shift the burden to public aid. I've seen precinct captains help people get on welfare rolls and then threaten to get them off if they don't 'vote right.' The welfare system is not the 'American Way' - it must be drastically revised or abolished altogether."

The colonies share in National Forest income according to the amount of National Forest acreage within their borders. The major income sources, Hurst said, are timber sales and grazing fees. Charges for land use permits and recreation concessions add to the total.

By law, the county shares, distributed through the state treasurer's office, are earmarked for roads and schools. Another important source of National Forest income to the Federal Treasury, shared with the counties, is oil and gas exploration fees. These are collected by the Bureau of Land Management.

The National Forest also provides the natural beauty and recreational opportunities that bring tourists to the State. Many jobs exist in wood-based industries drawing their raw material from the National Forests.

Mike McCarty Recovering In El Paso Hospital

Michael McCarty, age 14, son of Mr. and Mrs. Jim McCarty of Ruidoso, who received a head concussion in an accident Friday morning last week when his motorcycle collided with a pickup truck at the intersection of Hill Road and Creek Major Drive, was reported recovering satisfactorily Thursday morning this week, in Providence Memorial Hospital in El Paso where he is in room 401. He is expected to remain in the hospital another 4 or 5 days.

Fire Danger Up As Weather Cools

As outside temperatures drop, indoor fire dangers rise!

This is the warning to householders that cold weather always brings an increase in the number of destructive fires.

When home heating systems are pushed hard in cold weather, any weakness in the equipment or installation may show up. Avoid possible disaster by having your home heating equipment checked and repaired now, before the first cold snap of the season. And remember that a clean, tight chimney means fuel savings—and thus money saving—as well as fire safety.

If you use portable room heaters make sure they are in first-class operating condition and place them so they are not in the path of emergency exit routes, so they cannot accidentally be bumped or overturned, and so they are well away from walls, clothes racks, curtains, furniture, bedding and other household items which burn easily.

Children and elderly persons should be especially careful around room heaters, and every family should have a fire escape plan, well worked out and rehearsed, for use in case of fire.

Early Fall

Here lately The Storm Ranch Coyote (Coyote-Collie), Shady Logan, has been sniffing the north wind. He has sat watching the band of Robins that have moved in down at the creek, studying the weather, waiting for the right time to move. In the house the little fellow kept looking at the fireplace and then at me; and out in front of the house he cocked his head to one side as he looked at the skimpy weed pile. Then he glanced at me much as to say,

"Better rather in a little wood, Bo. We are going to get some early weather."

In winter Shady loves to run out and play in the snow and then come back to the fireplace and warm up. In various little ways he was trying to tell me that there was an early cold snap coming and that winter was going to set in early.

And sure enough on the nineteenth of September in the morning the vane was all white with an early frost and the temperature was down to twenty-eight.

Shakespeare To Be Staged This Winter

A Shakespeare Theatre in the Round is being planned for the winter season at the Rustler. With three performances per week planned, opening date has been set for Oct. 1.

Program for the season includes three comedies, three tragedies, and three histories. Sonnets and songs from the Shakespearean period will also be featured at the performances.

Local talent will be used in the shows and anyone interested in acting, directing, singing, or technical work with the group is urged to contact Rod Galloway at 257-2228.

**Thompson Is
Race Director**

Richard Thompson, general manager of Ruidoso Downs, is hard to believe Ruidoso being since 1969 has been named dry. We are finally getting back to racing at Sunland Park. The lakes and rivers are filling again.

Thompson will assume his new duties in time for the 1971 Sunland Park season which opens Oct. 9.

"We're happy to have a man with his background at Sunland Park," Art Johnson, president and general manager, said. "His knowledge of horse racing will be a big help to the continued growth and development of our racing program."

Thompson will continue as general manager and executive vice-president at Ruidoso Downs.

Sunland Park and Ruidoso Downs are now both owned by Fortune Corp. Fortune, which built Sunland Park, purchased controlling interest in Ruidoso Downs several months ago.

Thompson, a native New Mexican, has an impressive background in racing. Prior to accepting the post at Ruidoso program,"

Thompson, who was born in Lovington, has been connected with racing for 20 years.

We want your new
Chevrolet to be the best car you ever owned.

The best.
No qualifications. No reservations.
We want it to be the most beautiful, most trouble-free, most comfortable car you ever owned.

So we've given the 1972 Caprice (above) power steering, power front disc brakes, refined power ventilation and an improved front bumper to provide added front-end protection.

Plus a 400-cubic-inch V8 engine and Turbo Hydra-matic automatic transmission.

All standard, as you expect with a luxury car. And Caprice is just one of the new Chevrolets. There are 45 in all, pictured below.

(Left to right) are the 1972 Monte Carlo, Chevelle, Nova, Camaro and Vega.

Altogether, a lot of diversity. So there's bound to be a Chevrolet just right for you, your family, your budget and your kind of driving.

Whatever your choice, we want your new Chevrolet to be the best car you ever owned. No less.

Dexter Trounced By Warriors 36-12 WANT-ADS WORK

By H. B. FLANAGAN

For the third time in as many games, Ruidoso's Warriors scored on their first series of offensive plays. This time on a Miller to McGuire pass good for six points and the Warriors were on their way for their second win of the season against the season opener loss to Carrizozo.

Ruidoso took the opening kick-off which went into the end zone for a touch back. From their own 20-yard line the Warriors started rolling, with Beal, Calderon and Miller carrying the ball and Miller passing to Reeves McGuire, the Warriors worked down to the Dexter 24-yard line. Miller then found left end, McGuire over the goal line and hit him with a strike for the Ruidoso TD. Beal romped in for the extra 2-point conversion, giving Ruidoso an 8-0 lead which they never relinquished.

Hard-hitting defensive play on the part of Ruidoso stymied the Dexter offense, with Peter Melion forcing the Demons to punt on a third down when he trapped the Dexter quarterback on a third down and six play, forcing a kicking situation from midfield. Miller found pass catcher David Boehm in the Demons end zone and hit him for his second touchdown toss of the evening on a 38-yard pass. Ruidoso tried kicking the extra point after a penalty put the ball on the Dexter 15-yard line. The kick was short and Ruidoso settled for a 14-0 score.

Ruidoso tacked on another 6 points in the first stanza after the Ruidoso defense, playing a heads-up ball game, gave the offense the ball on the Dexter 12-yard line. Miller threw his third TD strike of the evening as he again found Boehm in the Dexter end zone for the touchdown, upping the score to 20-0.

Dexter's speedy Phil Griswold closed the gap just before the end of the first quarter as he raced 61-yards to paydirt for the Demons on an off-tackle play. The running try for the 2-point conversion was stopped with Ruidoso holding a 20-0 first quarter lead.

Both teams marched up and down the field in the second quarter, with neither team being able to mount a scoring threat. Penalties and fumbles was the play of the night as Ruidoso lost the ball three times on fumbles and was penalized numerous times. The only bright spot was that Mike Miller stopped three Dexter drives with interceptions.

The Warriors tacked on 6 more points in the third quarter when Kent Skarda, hard-running junior halfback, cracked in from 4-yards out. The TD was set up when Ruidoso was facing a third down and 13 yards for a first. Miller hit McGuire on a screen which McGuire raced down to the Dexter 4-yard line. The extra point try failed with Miller holding a 26-0 lead.

Miller hit Skarda with a 20-yard scoring pass to rack up his fourth TD toss of the night. Ruidoso scored their sixth TD of the night when Miller raced in from 10 yards out on a left end sweep, going in standing up.

With 20 seconds showing on the scoreboard clock, Griswold went in from 5-yard out for the Demons, with the final count 36-12 with Ruidoso on top.

Quarterback Mike Miller had a hot hand going for him as he hit on 12 out of 14 passes, with four going for touchdowns.

The defensive unit for the Warriors, led by Corky Conley, Cricket Level, Gary White and Tim Haar picked up 101 Demons' fumbles on numerous occasions, especially in the first quarter before a rash of fumbles and penalties started occurring in the last three quarters.

Capitan News

By BARTELEY McDONOUGH

The Capitan chapter of the Future Homemakers of America will have its annual Mother-Daughter Banquet the evening of September 23. This event will be held at the school. All mothers with daughters in the local FFA chapter are urged to attend. The freshman girls will present a skit in connection with the local and state program of work which is stable home, stable life and our future as homemakers.

The officers to be installed by Mrs. Terry Strickland for the 1971-72 school year are: President, Patsy Walker; vice president, Susan Payton; secretary, Patty Otero; treasurer, Kathy Robinson; historian, Linda Trujillo; parliamentarian, Abby Allen; vice president recreation, Nancy Hunter, and reporter, Debbie Cartwright.

Patty Otero was elected district historian for District J and will be installed at the district meeting in Clovis on Oct. 16. The local FFA chapter is sponsored by Angelina Province.

The Carrizozo Grizzlies scored all 40 of their points in the first half last Friday night to defeat the Tigers, 42-0. A pre-game rain dampened Leah Field, but was not a big factor in the outcome of the game. The shower ended soon after the opening kick-off.

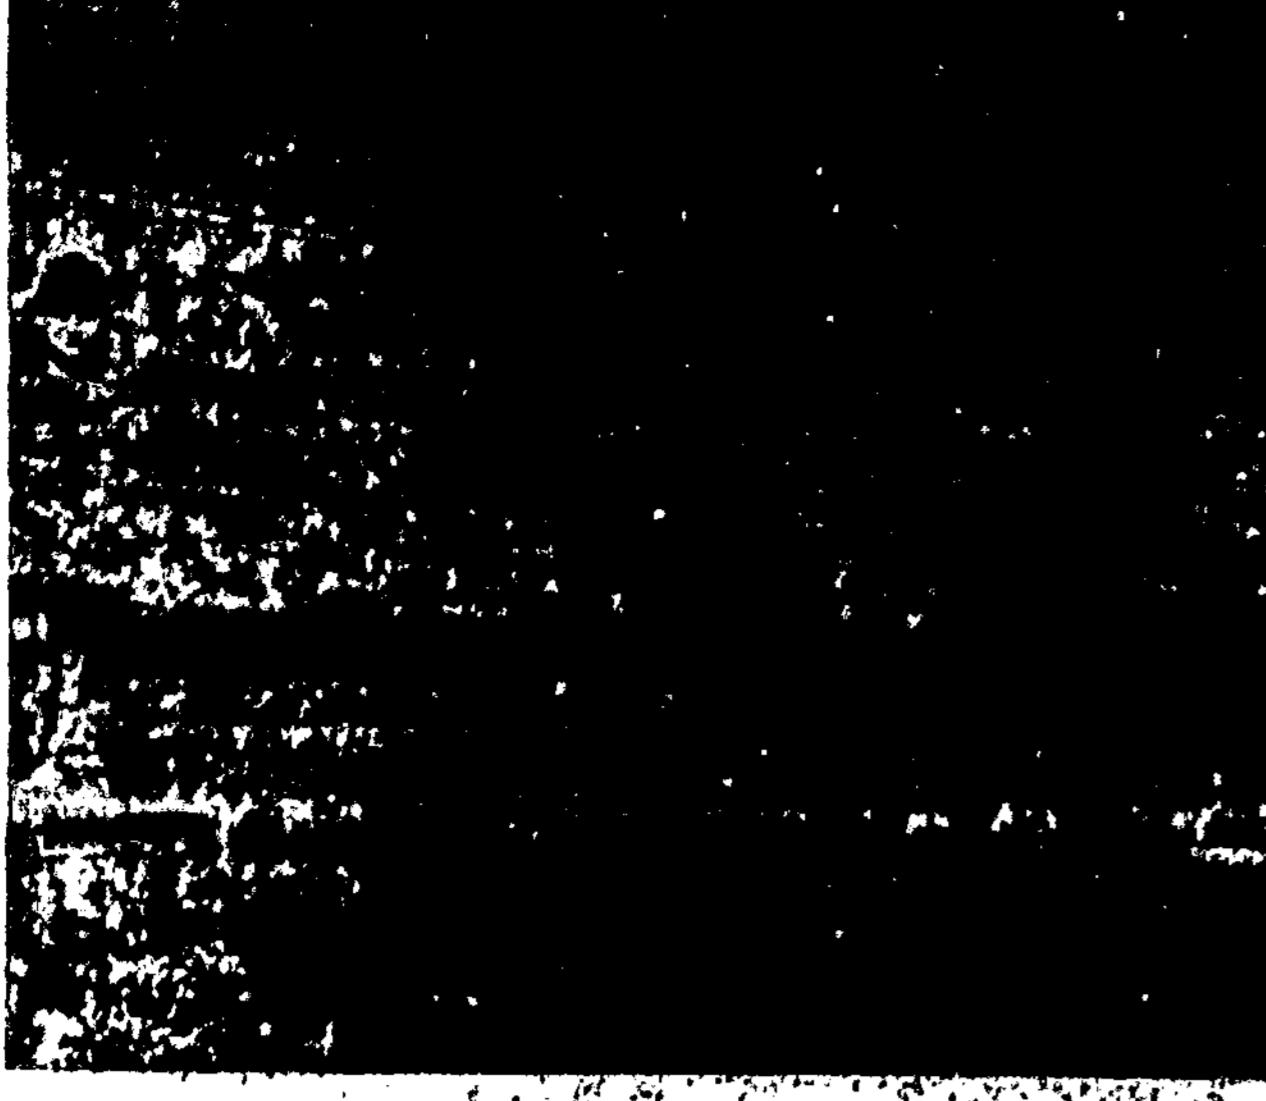

The Vaughn Eagles will be here Friday night, Sept. 24, for a 7:30 encounter with the Tigers. Be there and back the Tigers. The following Friday night, Oct. 1, will be the Tigers' Homecoming. Tatum will provide the opposition.

Myrtle Williams represented the Capitan Schools at a regular meeting of the executive committee of the Southeastern New Mexico Education Association in Artesia Saturday, Sept. 18. The meeting was held in the Artesia School Administration Building.

Twenty-four Freemasons attended Pastmaster's Night of Carrizozo Lodge No. 41, AF&AM, Sept. 8. Members of the lodge and their guests enjoyed an excellent supper served by Mmes. Sam Roper and Lee Shirley. The lodge then adjourned to the lodge room and William Jordan McNeigh was raised to the sublime degree of a Master Mason.

The degree team consisted of Worshipful Master, Bill MacVeigh (Master of the candidate); Senior Warden, Ted Rayney; Junior Warden, Vernon Petty; Senior Deacon, Robert Shaffer; Junior Deacon, Morgan Maxwell. The Stewards were Don Monroe and Bill Gallagher, Jr. All are Past Masters of Carrizozo Lodge.

Mines, Lease and Williams were scheduled to be in Las Cruces Wednesday, Sept. 22, to

attend a meeting and find out information concerning the statewide testing program. This testing program will be done in grades 1-8 in October.

The cheerleaders for grades 7 and 8 this year are Kathy Nall, Kay Huey and Bernie Gomez. Coach Gossell learned early this week that the 7th and 8th grade boys have a game with Carrizozo on Thursday.

The game is set for 4 p.m. on Tiger Field. Short items: The temperature in Capitan Monday morning, at 6:15 was 16 degrees. Summer is not officially over until Thursday. — The annual FFA Mother-Daughter banquet is Thursday night, Sept. 23. Members of the senior class will begin their annual magazine sales on Oct. 6. — There will be an organizational meeting of the Boy Scouts, Sept. 26. The meeting is scheduled for 7 p.m. in the school gym. — The first 8-week period will end at school on Oct. 5. — Over 12 units of the White Mountain Jeep Club responded to help hunt for a downed aircraft in inclement weather this weekend. Members of this club do an excellent job all year long with no pay whatsoever.

The overall enrollment in the Capitan Schools as of Sept. 13 was 222. Supt. Carter had projected an enrollment of 229. The school budget for the next school year is based on the average daily membership (ADM) of the first 40 school days of this year.

Highlights of the school board meeting, Sept. 18: 1) The oath of office for a school board member was administered to Richard Phillips. 2) Horstmann bid accepted for staff group health and accident insurance. 3) The substitute bus

DID YOU KNOW?

By E. S. HARDY

That excess use of nitrogen, such as excessive use of manures, will cause radishes and strawberries to put on excessive growth, stopping all or nearly all of its normal fruiting process.

That Dahlia tubers should be planted laying flat about 6 inches deep, with bone meal mixed in the soil.

That the "Ponderosa Pine" is also known as "Yellow Pine" or "Black Jack Pine". The trees in range from 500 to 800 years old have irregular divided scaly bark that is cinnamon brown to orange yellow. Until the trees

are 80 to 100 years old the bark is less broken and turns brown to nearly black. This accounts for the name "Black Jack Pine" and the idea that the dark-barked trees are unrelated to the older trees with the brighter bark. The needles are 5 to 10 inches long, borne in clusters of two or three, remaining on trees from 3 to 7 years. Of the annual cut of between 3,000,000,000 and 4,000,000,000 board feet cut nearly one-half comes from Oregon.

That the "Sugar Pine" is not a "Ponderosa Pine" and is found in Oregon and California and is the tallest of all pine trees.
