

County Agent's Column

By RALEPH DUNLAP
(Lincoln County Agent)

A wide variety of information was given out at the Plant Science Workshop at New Mexico State University last week. The information was to help the County Agents keep up to date with research findings.

Such things as a plant uses the moisture in the upper half of the root zone for growth. The lower half of the root only keeps the plant alive. This means that frequent relatively light irrigations are better than heavy irrigations. This can also mean a saving in water used for the crop. To use this information you will need to know the rooting habits of the plant being irrigated.

Alar used in August delays the apple maturity but will also delay the bloom about one week the next spring.

Pesticide safety was a topic of concern throughout the week. Proper application and use of the minimum number of sprays were stressed. Many sprays for mites also kill the predatory mites and can make the problem worse.

Emphasized was the fact: "There is no such thing as an empty container of pesticide." It was pointed out that noxious plants are biggest contributors to pollution in agriculture. For example: an area with heavy mesquite cover is much more subject to dust storms than a well grazed area.

The use of low application rates of water by sprinklers to control frost was discussed. The company representative cited the success of the system in California. Some growers are using the same (sprinkler system to irrigate, fertilize, frost control) and apply insecticides. The idea is intriguing and deserves some thought.

Just because you keep your house plants indoors doesn't mean that insects and spider mites can't find them. Some pests, such as spider mites, may be more of a problem in winter than at other times. Unless you have a humidifier, the environment in your house becomes quite dry which makes conditions ideal for spider mites. Another reason for increased pest problems during the winter could be due to bringing in infested plants at Christmas time. Insects or mites could hitch a ride into your house on a poinsettia, cypripedium or other potted plants—even on the Christmas tree or other greens used for decorating.

Some of the most common pests besides spider mites are aphids, mealybugs, scales and whiteflies. All of these are quite small or deceptive so you have to look closely to find a light infestation. Look for signs as well as the pests. Spider mites cause very small yellow, red or bronze spots at first and often cover their feeding area on the undersides of leaves with web. Aphids, mealybugs, scales and whiteflies produce honeydew. A few small, shiny spots on the upper surface of leaves could mean some of the pests are at work.

Control is often difficult if the infestation becomes well established. Heavy infestations often require removing the plants from the house so they can be thoroughly sprayed with a good general garden spray mixture. Light infestations can often be controlled by washing infested plant parts with soapy water and a soft brush or cloth. Use two teaspoons of mild detergent to one gallon of water. Rubbing alcohol on a cotton swab is another way

Elks To Sponsor Basketball Free Throw Contest

The Ruidoso Elks Lodge will sponsor a Basketball Free Throw Contest as a preliminary to the District and State Elks Free Throw Contests. This contest is open to all boys in grade school up to and including eighth grade boys under 15 years of age. The local contest will be held February 27 at 1 p. m. in the High School Gym.

Certificates of Participation will be awarded to all contestants. First and second place winners from this contest will compete in the District Contest at the Ruidoso on March 27, at 1 p. m. in the High School gym. First and second place winners in each district will compete for State Championship at the State Elks' Free Throw contest to be held at Tucuman on April 24, 1971.

The state contestants will be guests of the Tucuman Elks' Lodge for lunch at 12 o'clock noon on April 24. First, second and third place trophies will be awarded at the district and state contests. John Anderson, Executive Ruler of the Ruidoso Elks Lodge urges all eligible boys to contact Bill Taylor, Youth Committee Chairman, and register for this contest. For more information, call 378-4800.

Deadline for entries is Monday, February 22.

Rancher Panels Set For Cattlemen's Meet At NMSU

Ranchers who have "been there" so to speak will make up discussion panels on supplemental feeding and grazing systems for a Livestock Feeders' Day and Cattle Growers' Short Course Feb. 15-16 at New Mexico State University.

The rancher panels will make up part of the Cattle Growers' Short Course which follows the Feeders' Day program the morning of Feb. 15. Activities will be in the NMSU Agriculture Building Auditorium, says William A. Ljungdahl, NMSU Extension Livestock specialist.

Panel members on supplemental feeding methods are Jasper Koons, Fort Sumner; J. W. (Dutch) Hering, Mt. Dora; Rubert Madere, Jal; and Larry Williams, Lovington.

Making up a panel which will talk about grazing systems are W. E. (H) Overton, Yeso; A. D. Brownfield, Jr., Deming; Rudy Gutierrez, La Jara; and Al Sipes, Roswell.

The Feeders' Day portion of the program begins at 9 a.m. Feb. 15 and will feature discussion of experimental work in livestock feeding at NMSU. A tour of experimental feedlots will end the Feeders' Day program shortly before noon.

The Cattle Growers Short Course begins after lunch Feb. 15 with appearances by Dr. Gerald W. Thomas, NMSU president, and Reuben Pankey, Truth or Consequences, president of the New Mexico Cattle Growers Association, at 1:15 and 1:30 p.m. respectively.

Dale Furr, nutritionist for Hi-Pro Feeds, Inc., Friona, Texan, precedes the panel on supplemental feeding to help highlight the short course program. Furr will speak on "Cattle Feeding in the '70's."

Furr has been with Hi-Pro since June, 1969, after spending four years as superintendent of a Texas Tech University Research Farm. Before that, he was an Extension Livestock specialist in Hawaii. Furr earned a master's degree and a doctorate in animal nutrition from Oklahoma State University. He is a native Texan.

Among others appearing on the program are George Spencer, Denver, Colo., executive vice president of the American National Cattlemen's Association; Jesus Almeida, Chihuahua, Mexico; Dr. J. Hal Hopson, Albuquerque, New Mexico State veterinarian, and Carlton Herbel, Las Cruces, USDA Agricultural Research Service.

Your Draft Board

President Nixon, in a message to Congress on 26 January 1971, requested a two year extension of the National Draft System and authority to end student and divinity student exemptions.

The President's request for only a two year extension of his authority to induct demonstrates the Administration's determination to reach the announced goal of attaining a zero draft call by July 1, 1973, the date the proposed extension would run out. Since 1961, Congress has customarily extended induction authority for intervals of four years.

What this means to the two million young men who reach draft age each year is that their vulnerability to the draft will continue to be determined by the random sequence drawing and that those men with low numbers drawn in the annual lottery will be called to meet the needed draft calls for two more years commencing July 1, 1971.

Following the phase out of the draft, manpower needs will be filled by volunteers. The Selective Service System would be geared to a "standby" operation for processing registrants.

The President's request for legislation to permit the phasing out of undergraduate student deferments has gained the support of the National Security Council, the American Council on Education and Selective Service Youth Advisory Committees.

In addition to his request regarding undergraduate deferments, the President is also requesting the authority to phase out exemptions for divinity school students. If undergraduate deferments are ended, the President proposes to phase out deferments for students in junior colleges, apprentice programs and technical training schools. A separate proposal, if granted, would replace the deferment for high school students who are called for induction with a postponement of induction. This change is simply for administrative purposes and would not alter the relationship of high school students to the draft.

As proposed by the President last year, the cutoff date for eligibility for undergraduate student deferments would be April 23, 1970. Students in college prior to that date would retain eligibility for student deferments. Those who entered college after April 23, 1970 would have their deferments cancelled.

During the phase out period of these deferments, it is expected that the available manpower pool will be somewhat larger. In addition to graduates and draftees entering the pool of available manpower, college freshmen who lose their deferments will also become available. In 1971, the pool should be slightly larger, with more significant increases in 1972 and 1973. The increased size of the draft pool will reduce the number of lottery numbers called and more equally spread liability to the draft. College men will no longer be able to wait and choose their year to join the pool and thus will more equally share the responsibility of military service with those who do not pursue a higher education.

Enrollment at colleges and universities is not expected to drop significantly over the next two years as a result of the end of student deferments and should not work a hardship on the administration of such institutions. Such conclusion is based on the following factors. Anticipated reduced draft calls will limit the number of men to be inducted. Almost all draft eligible sophomores, juniors and seniors this academic year and almost all draft eligible juniors and seniors in the next academic year will continue to be deferred since they meet the qualifications for such deferments prior to April 23, 1970. Recognizing that over 40 percent of today's college students are women, that only 10 per cent of college-age men will be found qualified for military service, and that ROTC students and young men enrolled in other officer training programs will not be draft eligible, only a small percentage of college students will actually be drafted.

To equalize the military obligation among all students, divinity students will be treated the same as all other students except that the effective date terminating their deferments will be January 29, 1971 for divinity students and April 23, 1970 for all other students. Divinity students have the same opportunities as other registrants in applying for the remaining available classifications, including hardship and conscientious objector classifications.

The uniform national call requested by the President on April 26, 1970 and again on January 28, 1971, in effect means that all local boards will be reaching the same lottery number at approximately the same time. No local board will be required or allowed to induct a man with a lottery number higher than that reached by other local boards.

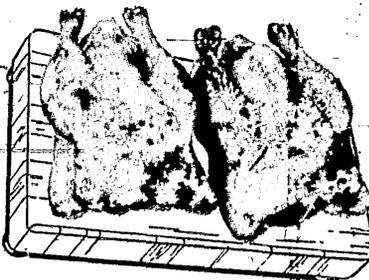

As before, local boards will be assigned quotas. The uniform call will assure that the same numbers will be reached at approximately the same time throughout the country. This in no way limits the responsibility of the local board to determine which men are available for induction. It will, however, permit the lottery system to function in a more understandable and equitable manner.

Southern Pride (the No. 1 horse on the rail) finished second under Ronnie Morris.

'Round School

By SALLY STILES

The Ruidoso Warrior basketball Homecoming game was held Saturday previous to the Ruidoso-Rincon game. Chosen for the 1971 Warrior Basketball Homecoming Queen was Le Ann Day. The King chosen was Corky Conley, a Junior. Le Ann is a senior and is active in Student Council, FHA and Pep Club. She has been a cheerleader for three years.

The court members were selected by the basketball team and the Pep Club were announced to the school Friday afternoon. The gym lights were turned off and all court members were followed by a spotlight as they were announced to the audience.

Debbie Carpenter, Pep Club president, awarded each princess with a spray of gold mums, and their escorts received torches.

Princess Karen Parsons, senior, was escorted by Reeves McGuire, sophomore. Karen was chosen as Football Homecoming Queen for 1970. She has been a cheerleader four years.

Princess Sharon Perry, junior, was escorted by Diane Miller, sophomore. Sharon has been a cheerleader two years.

Princess Sue Ann Grimmer, junior, was escorted by Kevin Lane, junior. This is her first year as cheerleader.

Princess Kim Ochoa was escorted by Billy Ray Davis. Both are juniors. This is Kim's first year as cheerleader. Fast King Barry Bizzell and Queen Marilyn Parker crowned the new King and Queen. Queen Le Ann received a spray of gold mums and a necklace with a turquoise stone. Corky received a torch and a sash with two feathers for a headdress.

After the coronation a boutonniere was presented to Coach Hood in appreciation for all the things he has done for the Warrior basketball team.

The Girls Athletic Association played the Homecoming game on Tuesday, Feb. 9. The High School team won their first game of the season, 20-18. The girls basketball game came in just in time for the game, maybe it gave them good luck. The winning point was scored by Lisa Miller after the buzzer ending the fourth quarter of play. The final point came as a result of a technical foul called on the Home team.

The girls basketball game played at six o'clock. The game ended with a score of Ruidoso 17, and Hondo 18.

James L. Sullins, 18-year-old, was elected to the 1971-72 term of the Lincoln County Board of Supervisors. He is the son of James L. Sullins, Jr., and Mrs. James M. Rotary Invitational Scheduled For March

March 4, 5 and 6 have been set as the dates for the First Annual Rotary Invitational Basketball Tournament in Ruidoso, according to Dick Mound, chairman for the event.

Replies have been received from four schools in the area, Hondo, Carrizozo, Tularosa and Ruidoso, who will participate in the Junior High tournament.

The tournament will be a double elimination tournament and the committee is now drawing up the bracket for the event.

Trophies will include the first three places in each category, and are on display at the Plaza Deo Jewelry.

History Almost Repeats Itself

Carmon Phillips recently gave the News a statement taken from a well-known American magazine which shows that although history never repeats itself, it sometimes comes close. The statement was discovered by speechwriters for Adm. Thomas H. Moorer, chief of naval operations.

"It is a gloomy moment in history. Not in the lifetime of any man who reads this paper has there been so much grave and deep apprehension; never has the future seemed so dark and incalculable.

In France, the political cauldron seethes and bubbles with uncertainty.

England and the English empire are being sorely tried and exhausted in a social and economic struggle.

"The United States is beset with racial, industrial and commercial chaos drifting we know not where. Russia hangs like a storm cloud on the horizon of Europe dark and silent. It is a solemn moment, and no man can feel indifference, which happily no man pretends to feel in the issue of events. Of our troubles, no man can see the end."

The quote appeared in the Oct. 10, 1947, issue of Harpers Magazine.

Church News

The First Christian Church of Ruidoso will have their monthly Fellowship dinner Sunday, Feb. 14, at 6:30 p.m. in the church. A welcome is extended to anyone who would like to attend.

The Junior High and High School youth group of the First Baptist Church of Ruidoso had a Sweetheart Dinner Thursday evening at 7:00 in the church. Doane Robertson of Capitan presented the program.

Funeral Services Held In California

Funeral services were held in San Arnelmo, Calif. on Wednesday, Feb. 10 at 1 p.m. for Mrs. Laura Bagley, 81, who died Sunday afternoon, Feb. 7 at Corte Madera, Calif. Mrs. Bagley, who grew up in Minnesota, had been a California resident for about 34 years. She is survived by eight sons and daughters, including Mrs. Diane Clarke of Ruidoso.

JOHN E. CONWAY

Conway From The Capital

The highlight of this week, from my standpoint, was the approval by both the Senate Judiciary and the Senate Finance Committees of the judicial reorganizing bill for Otero and Lincoln Counties. These bills actually have been introduced in the Senate for judicial reorganizing, one for Valencia and Sandoval Counties, my bill for Otero and Lincoln Counties, and a third bill by the Governor's Council. The bill that passed the committees was what is called a "Committee substitute" which now incorporates all three bills.

This composite reorganizing bill would give Otero and Lincoln Counties one judge and an elected district attorney. The judge would be the current judge of Division 2, Judge Stanley, and the governor would appoint the district attorney to take office on July 1. By the time you read this column, the outcome of the bill will have been determined, as it to be debated on the Senate floor on Monday, February 8th. There is some opposition to the bill from people who believe we should have fewer, rather than more judicial districts, but in my opinion this bill is in the best interest of the people in Lincoln and Otero Counties.

The amendment to give 18-year-olds the right to vote in state and local elections passed the Senate this week. It will now go to the Governor, and then will be placed on the ballot, probably in November. This will require a special election and the amendment on it, if it passes the vote of the people, would be effective for the 1973 State election.

There are several companion bills that have been introduced to the effect that if 18-year-olds are allowed to vote, then for all purposes they have reached their majority. This would allow them to enter into contracts at 18, would remove any further age restrictions on marriage, and for all practical purposes, 18 year-olds would be treated exactly as 21-year-olds are now being treated. The two Senate bills which have been introduced to date did not receive Committee approval and were killed on the Senate floor. I voted for the bills in Committee.

THE RUIDOSO (N. M.) NEWS - FRIDAY, FEBRUARY 12, 1971

Rep. Rannels Named to Armed Services Com.

U. S. Rep. Harold Rannels, D-N.M., was officially confirmed Thursday by the Democratic Caucus as a member of the prestigious House Armed Services Committee.

Rannels, after being notified of confirmation, said, "I am most gratified with the appointment as I know how important this committee is to my district and to New Mexico."

"I plan to be a working member of the committee and will do all I can to protect the interests of New Mexico's military establishment, while at the same time, working for a more economical but adequate defense posture for the nation," Rannels said.

The new Congressman immediately received congratulations from New Mexico's two U. S. Senators, both of whom pointed out how vital the assignment is to the state.

Sen. Clinton P. Anderson said, "Congressman Rannels will be the only member of the delegation to serve on a committee deal-

ing directly with defense matters, which are exceedingly important to our state."

"This is indeed fortunate for New Mexico to have a working team on Armed Services and the appropriations committee," said Sen. Joseph M. Montoya, a member of the Senate Appropriations Committee.

"Harold Rannels already is making his mark in the Congress and this vantage point will certainly help our state," Montoya said.

Rannels is one of three new Democratic members of the committee. Others are Rep. Michael Harrington, D-Mass., and Rep. Les Aspin, D-Wis.

As a Democrat, Rannels will rank No. 24 on the 41-member committee. The committee is made up of 25 Democrats and 16 Republicans.

The trouble with the future is that it is too much like Christmas. It usually arrives before we're ready for it, —James C. Patton, The Gowrie (Iowa) News.

MILLER MAKES IT! — Blaine Miller, Warrior sophomore, is shown making one of six field goals during the Warrior's loss to Eunice last Saturday. Miller added an additional three free throws to lead the Tribe's scoring with a game total of 15. The Warriors were defeated 71 to 55. (Ruidoso News Photo)

Warriors Take First Loss In District Cage Competition

The Ruidoso Warrior basketball team, following their 64-58 district win over Hondo Friday, lost their first district competition game of the season Saturday night, to undefeated Eunice, 71-55.

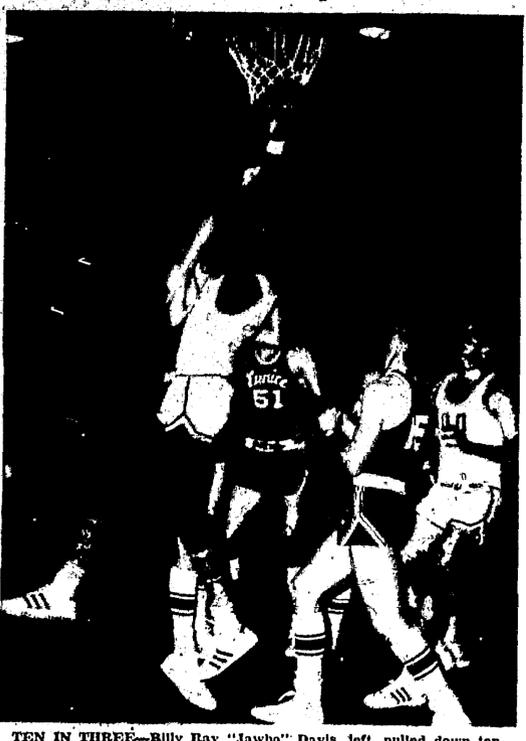

The Warrior district record now stands at 4 wins and 1 loss with a season standing of 11 wins and 9 losses.

The Warrior schedule this weekend includes two district games with the Tribe traveling to Jal on Friday night and then hosting Lake Arthur on Saturday night in the Warrior gym.

In Saturday night's game the Warriors, making only 30 percent of their field goal attempts, had their coldest night of the season in field goals. In spite of their coldness the Warriors stayed within seven points of the undefeated Eunice roundballers going into mid-third quarter. A series of Warrior fouls and turnovers for the Eunice club late in the third period made the difference in the final score. The Tribe totaled only 9 points in that third period as compared to 18 for Eunice.

Although fouling out in the fourth quarter, Elane Miller led the Ruidoso scoring bracket with a game total of 15. Scouting, Eunice, was the game's leading scorer with 20 points. Other Warriors in the double figure bracket included Corky Conley with 13 and Billy Ray "Jawbo" Davis with 12. Conley led the Ruidoso club in rebounding with a total of 13 offensive and defensive rebounds. Teamwise the Warriors grabbed down a total of 35 rebounds.

In Friday night's action in Hondo the Warriors, trailing Hondo 33-28 at the half, picked up momentum and at the close of the third period led the Hondo Eagles by one field goal. Again it was Miller, Davis and Conley leading the Warrior scoring attack with 21, 15 and 13 points each respectively. The Warriors shot only 36 percent accuracy in the field goal column but made up for the low percentage in a very respectable 71 percent accuracy in free throws.

TEN IN THREE—Billy Ray "Jawbo" Davis, left, pulled down ten rebounds in three quarters of play last Saturday against Eunice. Also on the scene, leading the Warrior rebounding was Corky Conley, No. 00, with a game total of 13. (Ruidoso News Photo)

Brown Takes 4th At Goddard

Mike Brown of the Ruidoso wrestling team brought home a fourth place medal from the Goddard High wrestling tournament held last Saturday at Roswell. Brown took the first round by a bye, downed Steve Pino of NMSVH in the second round, continued to the third by defeating Lopez of Carlsbad JVs and was pinned in the fourth by Junior Lorez in 1:50. Brown wrestles in the 122-lb. class.

Other wrestlers competing in the tourney were:

115 class — Bobby Arnett, 1st round, bye; 2nd round, Arnett was pinned by Richard Hernandez, Roswell Varsity in 1:50.

129 class — Dale Butts, 1st round — Butts pinned by Terry Cureton of Carlsbad Mid-High in 2:43.

148 class—Joe Everett, 1st round — Everett pinned Sign Cunningham of Roswell High in 1:10; 2nd round—Dare Dayton took Everett by decision.

185 class—Gary White, 1st round — bye—2nd round White pinned by Rick Irish of Carlsbad JVs in 1:31; 3rd round — White pinned by Carlos Gonzales in 2:08.

Teams participating in the tournament were: NMSVH, Carlsbad Mid-High, Carlsbad Senior High, Carrizozo, Ruidoso, West La. Vegas, Roswell Goddard and Goddard JV.

District wrestling tournament is scheduled for Carrizozo on Feb. 19. Ruidoso will meet Carrizozo here on Feb. 16.

Low Income Allowance Explained For 1970

The Federal income tax tables for 1970 take into account the low income allowance added to the law by the Tax Reform Act of 1969.

For 1970, the maximum low income allowance is \$1100. The effect of the \$1100 allowance and the \$625 personal exemption on a single person with no dependents is to eliminate liability for tax until income reaches \$1725.

Mr. Johnson said the tables reflect whichever is the larger for each income bracket—the low-income allowance or the percentage standard deduction.

Taxpayers with incomes of \$10,000 or more who expect to itemize deductions will continue to compute their own tax instead of using tables.

Senator Montoya To Push Bill For Full Social Opportunity

U. S. Senator Joseph M. Montoya (D-N. M.) has joined in sponsoring legislation that would create a Council of Social Advisers to help achieve full social opportunity in the United States.

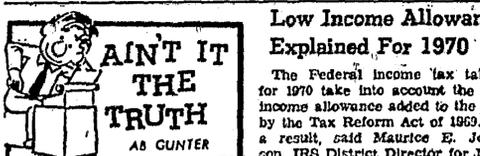

The Senator's bill, known as the Full Opportunity and National Goals and Priorities Act, establishes full social opportunity—in such areas as education, housing and health care—as a national goal.

Senator Montoya's legislation would require the President to give Congress an annual Social Report. And it would establish within Congress an Office of Goals and Priorities Report to the legislative branch and provide it with other necessary information and analysis.

"We desperately need ways to monitor our social health and to identify such problems before they destroy our society," Senator Montoya said on his bill, which passed the Senate in the last Congress but was not acted on by the House.

Citing the inability to compare the costs and effectiveness of existing, alternative social programs, the Senator added: "A Council of Social Advisers, dedicated to developing indicators of our social problems and progress, could well be a source of enormous savings to the taxpayer as well as of more effective solutions to the problems we face."

Senator Montoya said he was optimistic about passage of the legislation in the 91st Congress.

Had a surprise over the weekend, had some friends from my home town come by for a very short visit. They had been to Yuma, Arizona, and were heading home and had to come by for a cup of Java. We visited and talked about things and conditions here and there and you. Bill was telling me they were going to move out of the cold country and to the Sunshine area of the west and I was going to try and sell them on this country right here since it has been Tater plantin weather for the past month and everything's budding out. I was doing pretty good at convincing them when all of a sudden it started snowing. That did it, they were heading back to Texas where they could get out of the cold weather. If any of you birds have been to Dalhart or Mobeetie you know what it is to get in cold weather. I've seen it so cold there it would freeze the radiator on a Volkswagen.

Fewer Required To File Tax Returns

An estimated six million people will no longer be required to file income tax returns because of liberalized rules added to the law by the Tax Reform Act of 1969.

Maurice E. Johnson, IRS District Director for New Mexico, said a single person is not required to file a return unless he has income of \$1700 or more. Previously, he said, such a person had to file if he had \$600 or more income. Single persons 65 or over do not have to file a return unless they have \$2300 or more income instead of \$1200 as in the past.

The increased filing requirements apply also to married couples, but only if they live together and file jointly and neither is a dependent of another taxpayer. Such a couple, under 65, do not have to file a return unless their combined income reaches \$2300. If both are 65 or over, no return is due on income under \$3500, or under \$2000 if one of them is 65 or over.

Married persons filing separately, however, are still required to file returns on incomes of \$600 or more, the same as in the past.

Persons with net profit of \$400 or more from self-employment must file and pay the self-employment tax, even though no income tax may be due.

Anyone not required to file but who has income tax withheld should file a return to get his refund, Mr. Johnson said.

Silver Lining

By DANIEL A. STORM

Today, February 12, is the birthday of one of the most beloved men who ever lived.

I think I have told you that the state of New Mexico came very close to being named "Lincoln" after Honest Abe. One-fourth of the state went under the name of Lincoln as Old Lincoln County. This took in seven present-day counties of New Mexico.

All of us know that February is a kind of testing time for mind, body, and soul; and it has meaning for us that Lincoln's birthday falls in this month. There are times in this month that the wear of winter weighs heavily upon us; and we wonder about the moisture and other fortunes of the coming season.

Lincoln lived during a trying period in our nation's history and carried us through safely in spite of all discouragements and difficulties. He left lessons and guide lines for us Americans that will uphold us for all time.

In his Gettysburg address — one of the greatest utterances ever made — he said: "This nation under God."

And the life of Lincoln himself is a living document that, no matter how much you may think the odds are against you, there is unlimited strength right at hand ready to be given by Our Heavenly Father.

Living as we do in the beautiful

region known as Lincoln County we are living under a constant and ever present benediction through the spirit of the great American whose name our home land bears.

Lincoln Town

The restoration and preservation of Old Lincoln Town is a project that is coming more and more into the lime-light. The little frontier village is becoming world-famous and is attracting more and more visitors from the far corners of the earth every year. With this in mind, let us remember to do everything we can at all times to keep our Lincoln County "dressed up in her best" in all her natural beauty.

The Lincoln National Forest

One thing that makes me swell with gratefulness every time I think of it, is the fact that we live here surrounded by the Lincoln National Forest — pride and joy of our state and nation. This vast mountain wonder — land is meaning more and more to us here in the county and to Americans all over our country. And as time goes on, our National Forests become more and more precious—a heritage handed down by our forefathers.

Emblems of Our County

What would be some of the emblems of our county? An official Lincoln County bird, animal, or something else. Or how about some little motto for our County? Think it over.

In addition to the SPECIAL EVENTS listed, Lincoln County offers many permanent attractions for tourists. Museums and historic exhibits at Lincoln Town, Arco, Captain, Ft. Stanton and Tinnie are open to the public. Picnic and camping grounds are among the most beautiful in the country. Year-round fishing is available at Nogal and Alto Lake with seasonal casting at Bonito Lake and along the Ruidoso River. State parks at Three Rivers (Indian Pictographs) and Valley of Fires State Park (The Malpais) invite visitors all year around. Touring the countryside is a pleasure any time, from the heights of Sierra Blanca at 9,200 feet to the desert of the Tularosa Valley.

Accommodations for overnight or for weeks on end are available in abundance. Restaurants offer a wide variety of foods from gourmet to family style. But, probably the greatest of pleasures is the genuine friendliness extended by all of the county to our guests. We know you will enjoy your stay in Lincoln County.

Capitan News

By BARTLEY McDONOUGH

The Capitan Tigers basketball team was home Friday, Feb. 5, and won its game by defeating the Weed Bulldogs, Weed led at the end of the first quarter, 16-15, but the Tigers scored 23 points in the second quarter to lead the Bulldogs, 36-32 at halftime. The Tigers pulled away in the second half and won the game, 75-65. The Tigers had previously lost to Weed there, 66-53, on Jan. 15.

The Tiger "B" team squeaked by the boys from Camp Sierra Blanca, 47-46. This score could have easily gone the other way. The line scores went like this:

Capitan	16 25 24-47
Camp Sierra Blanca	9 19 21-46
Capitan	15 28 58-75
Weed	16 32 51-65

Ted Smercos is the new president of the Capitan student body. Junior Guevara is the new vice president. Ted is a sophomore, Junior is a senior.

We learned the following recently from former Capitan math teacher, Ellis Schildknock. Coach Neal Bergman, who coached here for six years in the "sixties", has completely lost his vision in one eye. He can watch television only from about two feet away with the other eye. Both Neal and Judy are attending school in Greeley, Colo. Judy reads Neal's assignments to him.

The Bergmans visited the Schildknock family in Lamesa, Texas over Christmas. On their return trip to Colorado, all four of the Bergmans contracted influenza and spent two days fighting this disease in a hotel in Santa Rosa. As if this wasn't enough trouble, the Bergmans returned to Greeley to find their trailer frozen up. We understand that Neal is going well in school and likes what he is doing.

In a recent oratorical contest in Tularosa, Francisco Trujillo received \$25 and a medal trophy for second place. Trujillo's topic was the United States Constitution. This event was sponsored by the American Legion. Francisco had earlier won first place in Capitan, receiving a check for \$50 and another trophy.

The Capitan Women's Club will meet Thursday, Feb. 11, 7:30 p.m. at the club house on Second St. County Home Agent Mary Ellen Payne will present the program which is entitled "Something old to something new." Tables will be shown on furniture refinishing.

"Year-All-Jersey Milk Dealer" Of Alamogordo BRINGS YOU THE

School Lunch Menu

School Lunch Menu - Feb. 8-12 Monday - Green chili enchiladas, corn, lettuce-tomatoes (chopped), yeast butter, cookies and milk.

Tuesday - Macaroni and meat casserole, green peas, tossed salad, fruit jelly with whipped cream, white wheat rolls, butter and milk.

Wednesday - Corn dogs, green lima, cabbage carrot stew, cornbread, raisin cobble and milk.

Thursday - Meat loaf with cranberry sauce, green beans, apple sauce, hot rolls with butter and milk.

Friday - Pinto beans, onion rings, spinach, cornbread and butter, cinnamon rolls and milk.

and home decorating. Program chairman is Tommie Allen. Hostesses will be Frances Shaw and Carol Reamy.

During the meeting a Valentine's Day box will be prepared which will be raffled off at Dean's Hardware, Friday, Feb. 12, at the reported time of 2 p.m.

The next National School Assemblies program will be Tuesday, Feb. 16, in the high school gym. The program is set for 12:30 p.m. John McCallum is the author of 12 books, including the authorized biographies of such famous Americans as the Eisenhowers, and baseball immortal Ty Cobb. His latest national best seller, "Everest Diary", is the basis for McCallum's present lecture program. Combining humor and wit, his version of the historic 1963 American Mt. Everest Expedition ranks as one of the superior platform performances on the national circuit today.

"Everest Diary" is drawn from the personal diary, tape recordings and private papers of Mr. McCallum's collaborator Luther Jersted, second American in history to stand on the top of Mt. Everest. Author-lecturer McCallum has a deftly blended together the highlights of the expedition so that his audience feels as though it is right there on Everest with the climbers.

Coach Pam (Hall) Deubert's varsity basketball team has defeated Ruidoso twice, Hondo once, and Tatum once for a perfect 4 out of 4 record.

Pam's district playoff will be at Dexter on Feb. 17-18. The district consists of teams from Hondo, Ruidoso and Dexter.

The Tigers traveled to Dexter last Saturday with the following line score telling the story:

"A" Team	13 37 44-57
Dexter	23 51 75-107

"B" Team	3 11 22-41
Dexter	22 49 62-79

School Calendar: Feb. 12 - Carrizosa, here, for two games beginning at 6:30 p.m. Feb. 13 - Hagerman, there, for two games, beginning at 6 p.m. - Feb. 16, National School Assembly Program, 12:30 p.m., at the school. - Feb. 17-18, 22A annual Daddy-Daughter Night is scheduled also for the 18th. - Feb. 18: The Lions Club eye check begins at 10 a.m., at the school. Dr. Dale Wynn will be there. - The 7th and 8th grade basketball boys have games scheduled in Tularosa on Feb. 18. - Our last home game will be against Lake Arthur on Feb. 19. - NOTE: The basketball game between the Capitan Volunteer Fire Department and the Capitan Lions Club has been rescheduled for Feb. 22, 8 p.m., at the school. - A date to remember is the Junior Play set for March 5 at the school.

A few items from Bonito Lou: "News of a former Capitan High School graduate, Wilma June Young. She married a Young, Wilma and Marvin have two children, a girl age 4 and a son 7 months old they live in McChord, Wash., where Marvin will soon have his 20 years in service. In November this year, he will join Wilma's father, Ira Young, in his mining career in which he has become very successful."

"Mr. and Mrs. Steve Bonnell were here over the weekend from Ruidoso. Steve will have his Master's Degree in Psychology this spring."

"Roy Marable, from California, was through Capitan on his way to Roswell to visit his mother, Susie (Hale) Marable. Roy re-

members Capitan when he went to school by the old way. He worked for Champ Ferguson, Roy plans to retire to Capitan in a year."

Short Items: Feb. 12: Enchilada supper at school cafeteria, 5-8 p.m. - Judy Provine has won the 1971 Betty Crocker Homememaker of Tomorrow Award in Capitan. - We understand that Gary Darling is doing very well in the 98th class on the wrestling team at Carlsbad High School. - The Juniors and Seniors were in Santa Fe last Tuesday to look over the State Legislature. They were accompanied by Coach Dickey and Gloria Cummins.

Officers of the West Texas New Mexico Florist Association will hold their annual "Think Sesame" at the Chaparral Hotel in Ruidoso on Saturday and Sunday, February 20 and 21, according to President Mark Knox of Odessa, Texas. Approximately sixty persons are expected to attend the sessions which will begin at 1:00 p. m. Saturday.

WTNM Florist Assn. To Hold Session Here

The purpose of the meeting is to review the work of the Association and to determine new avenues of service to its members. All members of the Association have been invited to participate. The sessions will close at noon Sunday with a buffet at the Chaparral.

This is the third successive year that the Association has held their winter meeting in Ruidoso, according to Joe Koegler, Executive Secretary. "Several other cities have been suggested at various times but we always come back to Ruidoso," Koegler said. "Our members enjoy the village and the universal hospitality shown to them by the people of Ruidoso."

The WTNM Florist Federal Credit Union will hold its annual members meeting and election of officers at the same time it was stated by Rush Neff, of Colorado City, who is the president. The formation of the credit union came as a result of the first meeting held in Ruidoso. Meetings will be held in the conference room of the Chaparral.

"A smile costs nothing but gives much. It enriches those who receive, without making poorer those who give. None is so rich or mighty that he can get along without it, and none is so poor that he cannot be made rich by it." -Author Unknown

CHAPLAIN A. S. KENE

Completes 10 Years As State American Legion Chaplain

Chaplain (Lt. Col.) Alfred S. Kene, United States Army, retired, of Capitan, N. M., has served for 10 years as American Legion Department Chaplain for the State of New Mexico. Ten years ago, at the Legion State Annual Convention in Carlsbad, Kene motivated the "Four Chaplains" eponymous purpose into action. Papers were distributed from the "Chapel of Four Chaplains" in Philadelphia, to every person present, and dignified anniversary observations held every year since.

Chaplain Kene is again leading off the state-wide brotherhood spirit, the same as was expressed by those 4 chaplains on that dark night in 1945 while the troopship Dorchester was sinking in the cold North Atlantic. Kene is responsible for "Four Chaplains Sunday" program for last weekend, and is encouraging "Prayer and Petitions for Release of Our Prisoners of War" under Hanoi.

LADY BUG'S - The 4-H Lady Bug held their weekly meeting Tuesday, after school at the home of Mrs. Kenneth Newton. The meeting was called to order by president, Michelle Cooper, and the secretary called the roll. Our project for the week was the making of pin cushions. Mary Cooper assisted us with our sewing. In our next meeting we will begin to use sewing machines.

Our regular meeting days have been changed from Tuesdays to Thursdays.
