**LINCOLN PRESERVATION PLAN PRESENTED** — Plans for the preservation and growth for Old Lincoln Town were presented to a meeting of dignitaries and local interested parties at a meeting held last Saturday morning in the Old Lincoln Courthouse. Among those present were, left to right, Nick Pappas, director of the Southeastern New Mexico Economic Development District; Phillip Gonzales, representing the De-

partment of Development; Mrs. Dessie Sawyer, chairman of the Old Lincoln Memorial Commission; David King, State Planning Office; Bill Payne, member of the Advisory Committee; and William Lumpkins, architectural consultant. Copies of the 140 page book were distributed to those at the meeting. (Ruidoso News Photo)

### Plan for Preservation and Growth Presented for Lincoln at Meeting

A Plan for the Preservation and Growth of Old Lincoln Town, prepared by the New Mexico State Planning Office, funded by the Department of Commerce and the Four Corners Regional Commission, and with the assistance of the Department of Development, South-eastern New Mexico Economic Development District, the Old Lincoln Memorial Commission and a great number of residents and interested parties in the area, was presented at a special meeting in the Courthouse at Lincoln last Saturday morning.

David King, State Planning Officer, noted that area residents wanted to preserve the village but also wanted to allow growth for the area. He pointed out that the plan reflected the strong will and community spirit of the people of Lincoln.

The study was initiated in the fall of 1972 and covers detailed plans for local utilities on flood control, telephone service, electrical power, sewage and water systems. The first of its kind, the study addresses itself to Lincoln's history, environment and architectural esthetics and approaches the subject with a view of protecting and preserving the town's identity and character.

Santa Fe architect Bill Lumpkins served as the architectural consultant for the project and pointed out that future construction could be made compatible with existing buildings, as has already been done by many of the town residents. The plan proposes the restoration of many of the existing structures in the village, several of which are now state owned.

A great deal of southern New Mexico history took place in Old Lincoln County, of which Lincoln was the county seat, which was comprised of 27,000 acres.

The village was originally named La Placita del Rio Bonito, and was settled by Hispanics in the early 1850's, but the town was made into the county seat in 1869 with the establishment of Lincoln County, and the name was changed to Lincoln.

Lincoln is probably best-known for the exploits of Billy the Kid and the Indian Wars of the late 1800's, but these ac-

#### Shoplifter Convicted

A Ruidoso man was convicted last week of shoplifting after he was caught trying to carry a basket of beef out of Gibson's. James Maxey Mayo was fined \$25 and \$10 court costs by Magistrate Austin Pritchett after he found Mayo guilty.

### Aspenade Cycle Event Announced

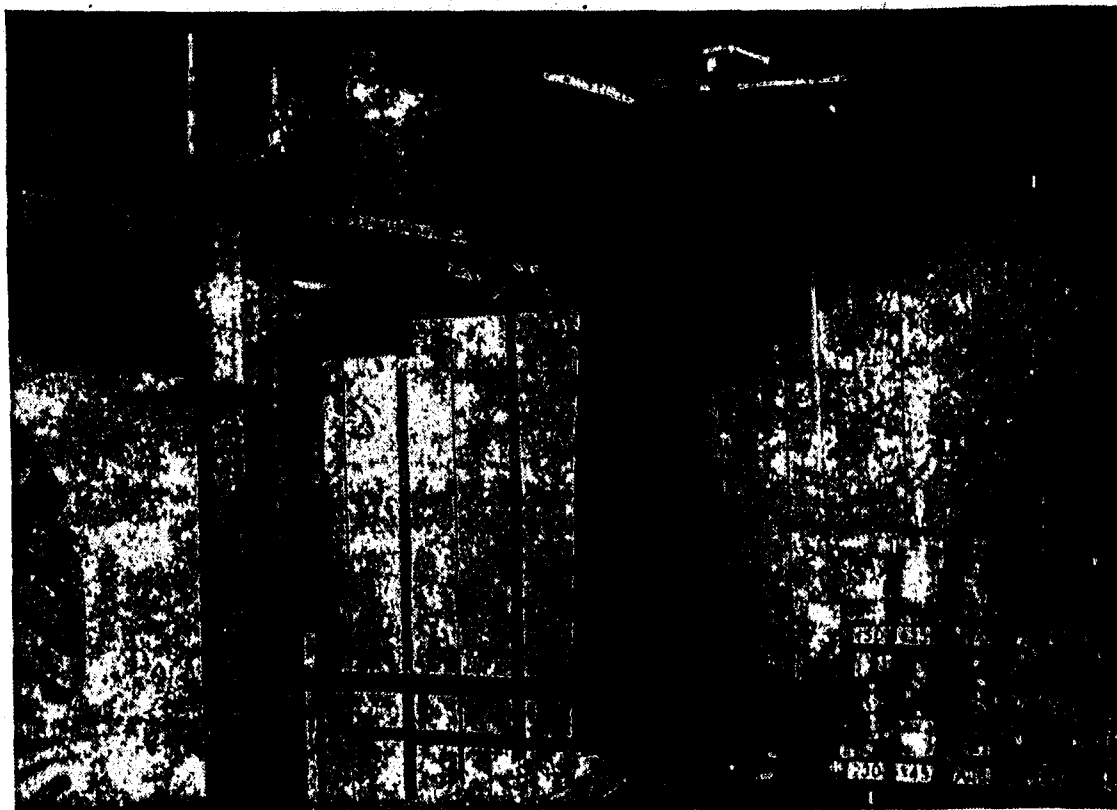

Aspenade motorcycle rally events were announced this week by local race promoter Til Thompson, the annual event is scheduled for Sept. 25, 26, 27, 28, 29 during Aspenade week. The week-long motorcycle activities will bring an estimated 3,000 cyclists and their families from across the nation. Activities will include a motorcycle show at the Chaparral Convention Center along with an accessory trade show, mini-tours, barbecue, parades, plus many other events.

Al Rosa, president and general manager of Ruidoso Downs Race Track, has again provided the facilities of the Downs for another great motorcycle racing program. Mr. Rosa was proud to announce that in addition to Sunday's race program that a Saturday program will feature a nationally advertised Youth Program sanctioned by the American Motorcycle Association.

This will be a National Youth TT Scramble race for youngsters from 7 to 15 years of age. The American Motorcycle Association has only sanctioned 15 of these National Youth events throughout the United States in 1974. Rosa will present over \$2,000 in trophies and U. S. Savings Bonds to winners of the two-day race program.

### Old, New Ruidoso City Councils Close Past Term - Start New One

The old and new councils of the village of Ruidoso each met in the past week, one to retire, the other to commence the upcoming two years of the new council.

The outgoing council met last Thursday in a meeting that the village attorney John Thompson determined did not meet the requirements of the new Open Meetings Law recently passed by the legislature. As such, no official business could be conducted or discussed in the meeting and it served only as a farewell to the departing members of the council.

Mayor Leon Farrar and Trustee Earl Allison were present for the meeting. Farrar had not sought re-election to the board and Allison was an unsuccessful candidate for mayor.

The other departing member of the governing body, Trustee Warren Tucker, was not present for the meeting.

Farrar thanked both departing and remaining members for their cooperation and diligence in serving on the council. He

pointed out that this spirit had made his job much easier and credited it for the many accomplishments of the village during his two years.

Village manager Jim Hine thanked the mayor and council for their service to the village and in particular noted their great concern for the village employees. Speaking in behalf of all of the employees of the village, Hine thanked the entire council for this concern.

Just before the meeting was adjourned, in a record 12 and one-half minutes, Farrar was presented with a pocket knife, "for all of the fishing he'll finally get to do."

The new council met Monday morning in an organizational meeting required by law.

Newly elected Mayor Lloyd Davis, Jr., was out of town on business and Trustee Ab Gunter served as mayor pro-tem for the short session.

At the session, the new council dealt with two procedural matters to set down the operation of the council. They passed two resolutions, one establishing the procedure for conducting business. This remained the same as it has been for the past four years.

The other measure established both local banks to serve as depositories for municipal funds. This also is a procedure established four years ago.

Hine presented copies of the municipal bank balances and investments, a statement of bonded indebtedness and the current cumulative operating statement for the fiscal year to the new council. He also reviewed some of the current projects underway by the village to bring the new members up to date.

These projects include the million dollar water project, proposed joint sewer project, library and senior citizens center. He noted that Ruidoso is also involved and represented in the committee to study the feasibility of building a new area airport facility.

Included on the agenda was the appointment of village officers, including village manager, police chief, attorney, engineer, inspector and heads of all of the departments of the village.

With Davis absent, naming of these officials, as well as membership of various boards and commissions such as cemetery and planning and zoning, was postponed. No changes are anticipated.

The first regular meeting of the new governing body was set for Thursday, March 28, 7:30 p.m. At this time, the council will conduct the first business of the new session. The council will, for the time being, follow the established meeting schedule to meet on the second and last Thursday of each month.

### Alert Passerby Saves Business

An alert passerby early Wednesday morning averted what could have been the total destruction of the Ruidoso Downs Package Liquor Store by fire.

Warren Baker and Gaynell Fleming were driving by the store at about 4:55 a.m. Wednesday when Mrs. Fleming thought she noticed smoke in the store. They drove back to the store and when they found it full of smoke, notified the owner, Norm Wheeler and the Ruidoso Downs Volunteer Fire Department.

When firemen arrived at about 5:10, the rear door of the store was blazing and flames had reached the ceiling and walls around the door inside.

They quickly extinguished flames that were very close to bottles of liquor displayed on the back wall of the store. Wheeler said that if the fire had burned for just a few minutes more and the bottles started exploding, "the place would have come up like a bomb."

Ruidoso Downs, Lincoln County Sheriff's Office and New Mexico State Police officers were investigating the cause of the fire Wednesday morning which started on the outside, at the base of the back door which was barred. There was no apparent attempt to enter the store.

Chestnut of El Paso.

Johnson said that when they were apprehended, approximately \$300 worth of damage had been done to the car. The larceny and vandalism charges stemmed from this damage as well as the damaged campsite.

Sgt. Johnson left for Alamogordo Wednesday morning where he was going to file the charges with the district attorney there. He commended Clearver for his outstanding work on the case.

**PATTI NELMS**  
Miss New Mexico 1973

### Miss New Mexico To Be Hostess For Miss Central N. M. Pageant

Miss New Mexico 1973, Patti Nelms of Roswell, has been selected by the Ruidoso Jaycees to serve as mistress of ceremonies for the Miss Central New Mexico Pageant they are sponsoring in the high school auditorium Saturday.

Miss Nelms, sponsored by the Roswell Jaycees in the state pageant last year, will graduate this spring from Southern Methodist University where she is majoring in Spanish and English. She was an honor graduate from Goddard High and has added numerous scholastic awards in her four years at SMU.

The 21-year-old brunette won the talent competition last year on her way to winning the state title and the trip to Atlantic City, N. J. She also served as mistress of ceremonies for the Miss Alamogordo Pageant.

She hopes to continue in school for her master's degree and then teach English at the college level.

"Ideas and concepts are the basis of all creativity, and I hope to encourage original thinking for young people of America," Miss Nelms explained.

She is currently an honor student at SMU.

Miss Nelms will host the annual pageant which this year will include nine contestants, four from Ruidoso, four from Artesia and one from Truth or Consequences. The contestants

will represent a broad range of talent ranging from musical instruments through dramatic presentations.

In addition to the pageant events which will begin with evening gown competition, followed by talent presentations and finishing with swim suit competition, the pageant will include a modern dance performance by the reigning Miss Central New Mexico, Cathy Hine.

Miss Hine was a runner-up at the state pageant in Hobbs last year and at the end of the evening, she will pass her crown on to the new winner.

All of the contestants will also take part in musical numbers at the opening and close of the pageant.

For the 1974 pageant, the sponsoring Jaycees have posted \$750 in scholarship awards for the winners.

As well as the top scholarship award, the winner of the pageant will earn a trip to the state pageant at Hobbs, sponsored by the Ruidoso Jaycees. From there, she has the opportunity to be named Miss New Mexico and represent the state in the Miss America Pageant in August.

The Miss Central New Mexico Pageant is the first step toward a possible trip to Atlantic City and the Jaycees promise a show worthy of the Miss America tradition.

### Hospital Seeks Rate Increase

Roland Walsh, administrator of the Ruidoso-Hondo Valley Hospital, at a news conference held last Monday, reported that a request for exemption from Economic Stabilization Phase Four regulations for rate increases be allowed the hospital because of drastic increases in costs of medical supplies, wages, and food prices. He noted that the only businesses still under control were the oil industry and hospitals.

Walsh stated that, unless the increase was granted by the Cost of Living Council, the hospital would be required to cut back on services and reduce the capabilities of the institution to stay within the budget. He estimated that the hospital

would lose a total of approximately \$82,000 this fiscal year.

In requesting a larger increase than the 7.5% allowed per year by the ESA, Walsh pointed out that there had been only one increase of 6% since 1969. He predicted that three or four small hospitals in New Mexico will close this year because of the regulations, and noted that the Ruidoso Hospital was the first to make application for an exemption and receive approval from the state advisory board, who must approve before the request can be forwarded to Washington. The application was submitted Jan. 30 and an answer is expected within a week or two.

If the requested increase, which will bring the hospital to a break-even level, is approved,

it would be implemented by April 1.

#### Low Wages Bring Turnover

When asked about the loss of key personnel at the hospital, Walsh noted that about 40 employees "draw the minimum wage (\$1.60 per hour) and that the entire staff average was \$2.00 per hour, therefore, there is a large turnover of the 85 employees of the hospital. He pointed out that the number of Registered Nurses had been increased by 100% since Presbyterian Hospital Center assumed operation of the hospital in November of 1972 and that the physical plant, which was valued at \$202,000 in 1969, is now valued at \$1.6 million. The larger area now to be covered by personnel naturally requires (See Page Seven)

#### Elliott Announces Booster Club Meet

Bill Elliott, president of the Warrior Booster Club, has announced that a report from the nominating committee will be given at the regular meeting of the club slated to be held Thursday, March 28, 7:30 p.m. at the high school.

According to Elliott, the annual Athletic Banquet will also be discussed at the meet.

Meetings of the club are open to the public and all interested residents are urged to attend.

# Chatter from the Lanes

By Gutter Gus

Congratulations this week to Barbara Click for getting it all together on the Tuesday Ladies' League. Barbara carries a 134 average, she rolled a 517 series which is 106 pins over her average.

David Krezer, bowling on Monday Night carries a 161 average. He rolled a nice 246 game. This was 85 pins over his average. There is only 6 weeks left in the leagues, and beginning next week we will keep you up to date on the league standings.

**Flames of the Lanes**  
MEN — David Krezer, a 246 game on the Monday Nite Mixed League, bowling for Dairy-Free.

Punch Prowell a 592 series on the Wednesday Nite Mixed League, bowling for Metropolitan Life.

**WOMEN** — Barbara Click, a 208 game on the Tuesday Ladies' League, bowling for Ruidoso Home and Auto.

Dee Von Rosenberg, a 531 series on the Tuesday Ladies' League, bowling for Von Rosenberg Construction.

Splits this week were: The 3-10 by Annie Keith, Shirley Taylor (2), and Wes Aldrich. The 2-7 by Annie Keith, Pat Burgess. The 5-7 by Irene Chitwood. The 4-5 by Gary Ross. Howard Hassell converted the 2-9.

Annie Keith picked up the 5-6-10, and 5-8-10. Byron Fanning got the 2-5-7. The 4-5-7 by Elaine Sneathen.

Special credits this week to Walt Hughes for the 3-6-8-10, and also the very difficult 4-10.

(Held Over from Last Week)  
For everyone who might be interested in watching some of the professional bowlers in action, the regional pro tournament will begin in Carrizozo Saturday, March 16 and continue through the 17th.

There will be a pro-am tournament held on Saturday the 16th. If you have the time, go to Carrizozo and enjoy the action. The lanes in Carrizozo are located just past Highway 54 at the Recreation Center.

Maybe the bowlers are just getting their wind for the last seven weeks of league, for there was nothing really spectacular this week.

**Flames of the Lanes**  
MEN — Jim Clements, a 236 game and a 590 series on the Wednesday Nite Mixed League, bowling for Winner's Circle.

**WOMEN** — Georgia George, a 210 game on the Wednesday Nite Mixed League, bowling for Sierra Development Co.

Walt Hughes, a 522 series also on the Wednesday Nite Mixed League, bowling for Winner's Circle.

Many splits were converted this week, among them were the 3-10 by Evelyn Freeman, Wanda Shaw, David Krezer, Annie Keith, Betty Rupe, Jeff Von Rosenberg, Shirley Taylor, Jim Clements and Jerry Gallagher (2).

The 2-7 by Annie Keith. The 2-5-7 by Gerald Tully. The 5-7 by Jeff Von Rosenberg, Jack Stevenson and Barbara Dickinson. The 5-10 by Harold Rushing, Erma Stevenson, Frank Sayner, Rick Stevenson, Betty Rupe, Phyllis McCarty, Tom Babers and Herb Ford. The 4-5 by Gerald Tully, and the 4-7-9 by Margie West.

Special credits to Evelyn Kammady for the 3-8-10 and to Jeff Von Rosenberg for the 6-7. Jeff will be getting a patch for this split as soon as more patches come in.

## School Scoop

The end of the nine weeks is the 25th of March with report cards coming out on Wednesday, March 27th.

Easter this year comes on the 14th of April and Easter vacation starts Thursday, the 11th, through Tuesday, the 16th.

The track team is beginning to shape up this week. For most people, the initial soreness is over and they are able to concentrate their efforts on their specialties. The sprinters and long distance men pretty well have their form down and are now working on increasing their speed. The weight men or field men are also working on increasing the distance of their throws and the height of their jumps. All together, things are looking good for the first meet in Jal.

The Ruidoso high golf team sponsored a father-son golf tournament Saturday, March 16. Twenty-five teams entered the event. All players were handicapped, and played 9 holes.

Tom and Kent Battley won first place honors, followed by Bill Morrison and Danny Wimberly at second, and Bill and Dana Rhoten placed third. All proceeds went to the RHS golf team.

Jobe McGuire and Rhonda Taylor received the prize for "Best Jitterbuggers" at the Happy Days Sock Hop last Saturday night. Other winners were Tim Hassell and Kire Cole, for "Best Dressed." The prizes were all-day suckers and

## WWSC Offers Seniors Sponsored Summer Workshop Program

Western Washington State College, in Bellingham, Washington, is sponsoring a Summer Workshop for interested high school seniors. The mathematics and computer science departments of WWSC will teach mathematics and computer programming during this four-week program which will begin July 1, 1974.

The qualifications are the completion of their junior year of high school mathematics and a curiosity about some topics in this program. The topics covered will be number theory, combinatorics, probability and computer programming.

The students will learn to write computer programs during the first week of the workshop and will use this skill to test their mathematical conjectures. The facilities of the WWSC Computer Center will be available to the students and each student will be encouraged to tackle any programming problem of interest to him. Students who already know how to program will start with more advanced computer concepts. The WWSC faculty do not, however, assume previous exposure to any of the topics of the workshop.

A detailed brochure describing the nature of the workshop should arrive at the counselor's office in two weeks.

were presented by Mr. Williams.

Prices at the dance were all Happy Day prices. Cokes were 5c, candy and cupcakes 10c, and admission was 50c.

Approximately 100 people attended the dance sponsored by FHA.

The University of New Mexico's Choral group came to RHS early Monday morning for a fine performance that thrilled everyone.

The choir, made up of approximately 30 boys and girls, sang a variety of songs that were spirited and modern. There were solos and even group singing by a few of the members.

The group received a standing ovation for their performance.

National School Assemblies treated Ruidoso High School students with Foy, world famous unicyclist and juggler, last Friday afternoon.

Mr. Foy performed various juggling and unicycle acts for the student body, and told how the acts were learned. He has performed during half time at many of the Harlem Globetrotters basketball games.

The assembly was enjoyed by everyone.

The Miss Central New Mexico Pageant, Saturday, March 23, will be conducted with the help of the R. H. S. Stage Band. The Stage Band will be accompanying the entire Pageant.

## Cyclists Conquer Sunny Summit

And a fantastic bicycle ride it was! At least the four members of the Alpine Shifters bicycling club who rode the 19.8 mile round trip to Apache Summit last Sunday felt so. The participants from the club were Bobby Hamlin, Kevin Lane, Rick Mafit and the club sponsor, Galen Farrington.

It couldn't have been a more beautiful day with the sun shining brightly, a mild breeze and not a cloud in the sky. At 1:00 p.m., the assault began and 2:00 found them at the top, 38 minutes to conquer the steep climb, not including a leisurely rest stop at the half-way point.

Once all four riders were at the summit, they were joined by Mrs. Farrington, who ate lunch with the group before the fast descent. The 20-minute descent was plagued by a blow-out, which was easily fixed and put the riders on their way again. Three o'clock and all were at the bottom, ready to go again. The Alpine Shifters have more rides in the planning for the coming weeks which should be great with this nice weather and if you're interested, they'd be glad to have you. If interested, contact Mr. Galen Farrington at the high school.

## Students Visit Blind School

Fourteen RHS students made a tour of the facilities of the New Mexico Visually Handicapped School in Alamogordo, Thursday, March 14.

The students in the Drama Club learned many problems of the blind, which will help them in the production of the play, "The Miracle Worker."

The students traveled to Alamogordo in two cars driven by Mrs. Dan Griffith and Mr. Kenneth Newsom. Students were: Jan Carter, Pam DiPaolo, Mark Egbert, Dawn Griffith, Shawn Griffith, Rick Mafit, Kenna Newton, Junior Padilla, Kristi Perryman, CharLee Puckett, Bobby Ann Ray, Deana Stevenson, Kelly Taylor and Sue Zahm.

The RHS students were impressed with the blind students and discovered they are typical young people.

## GMI Offers Liberal Arts Program

General Motors Institute is offering a Liberal Arts Graduates program to qualified high school seniors. This five-year cooperative program deals with students interested in engineering and industrial administration.

Graduates who have good academic records, whose interests lie in these fields are eligible for consideration.

The areas of study available at GMI are mechanical, industrial, electrical engineering as well as production management, production and material control, and marketing in the industrial administration area.

The Liberal Arts Graduates Program provides the management of General Motors units with a means for the effective orientation of liberal arts and other non-technical graduates into employment in General Motors.

The cooperative phase starts at entrance and continues through four and one-half years with alternating periods of study at GMI and plant work experience of one of the 140 sponsoring GM plants and other units. These 3,000 students earn enough to pay almost the entire cost of education.

A brochure, containing a list of other GMI sponsored programs, may be obtained in the counselor's office. For additional information, interested seniors should write: The Admission Office, General Motors Institute, Flint, Michigan 48502.

## Girls Track Team Chosen

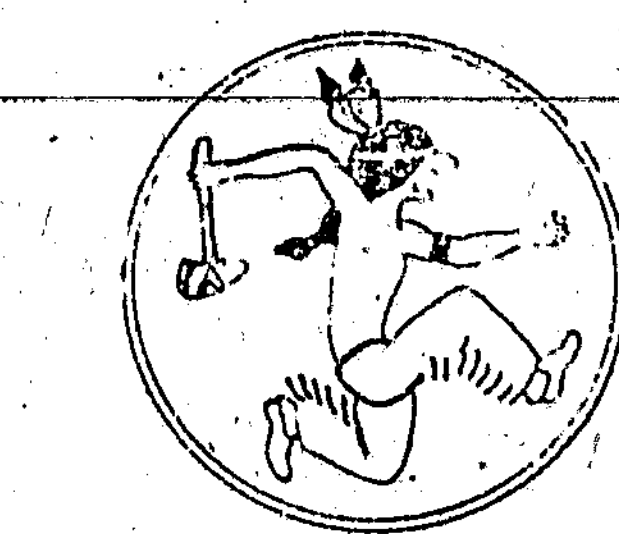

The 1974 girls' track team has been announced by Miss Mari Beth Ries, sponsor and coach. The girls who will be competing in the various track and field events will be: Gretchen Annala, Ruth Bonnell, Cheryl Chastain, Sarah Davis, Pam DiPaolo, Dana Driver, Donna Dutton, Becky Eby, Julie Gooch, Gina Hall, Donna Keith, Melonie McGuire, Karen Marshall, Dianna Padilla, Terry Payne, Vicki Veater, Lisa Winslow and Cathy Wynn.

The track schedule is March 29, in Jal; March 30, in Carrizozo; and April 27, in Hagerman.

"That pain in the neck you complain about may be the result of looking backward."

3-bedroom, 1-bath, den/dining area, beautiful fireplace, all city utilities. Lot joins National Forest. Can be bought unfurnished or completely furnished, including TV, stereo, washer, dryer, pots, pans, dishes, and some small kitchen appliances. To see this lovely home call Bruce Poorbaugh at:

## New Student Council Officers Elected

The newly elected 1974-75 Ruidoso High School Student Council officers are: Sonny Pool — president, Kelly Perryman — vice president, Rhonda Taylor — secretary-treasurer, Matt Gooch — business manager.

Almost 300 R.H.S. students voted in the Tuesday election following speeches given by the candidates and their campaign managers. The new officers will be installed in a few weeks.

## 37 Boys Participate In Junior Wrestling

The Ruidoso First Annual Junior Wrestling Tournament, held Saturday in the Ruidoso High School Gym, had thirty-seven boys participating from the fourth, fifth, sixth and seventh grades.

Coach Phil Yost was impressed by the boys' quickness to learn and ability to execute wrestling moves. After only eight practice sessions, the future hopefuls demonstrated their knowledge in wrestling and displayed unbounded enthusiasm in their tournament matches.

Response from participants and spectators alike, was so encouraging that Coach Yost definitely plans to involve elementary and junior high boys in more programs next year.

The rules, weight classes and the match times were modified for the sake of simplicity and convenience. Referees, timers and scorekeepers were members of this year's RHS wrestling team. Each young grappler earned a ribbon for their wrestling efforts in each of their matches.

## Chino cares... About Technology

The mining enterprise now known as Kennecott's Chino Mines Division had its origin 65 years ago because of technology. Engineers had proved that it was economically feasible to mine and treat large quantities of formerly worthless copper ore.

Technology today continues to make the mine productive through better metallurgy. Technology has extended the life of the mine, and will continue to do so for many years in the future.

## Two Local Students Make Dean's List

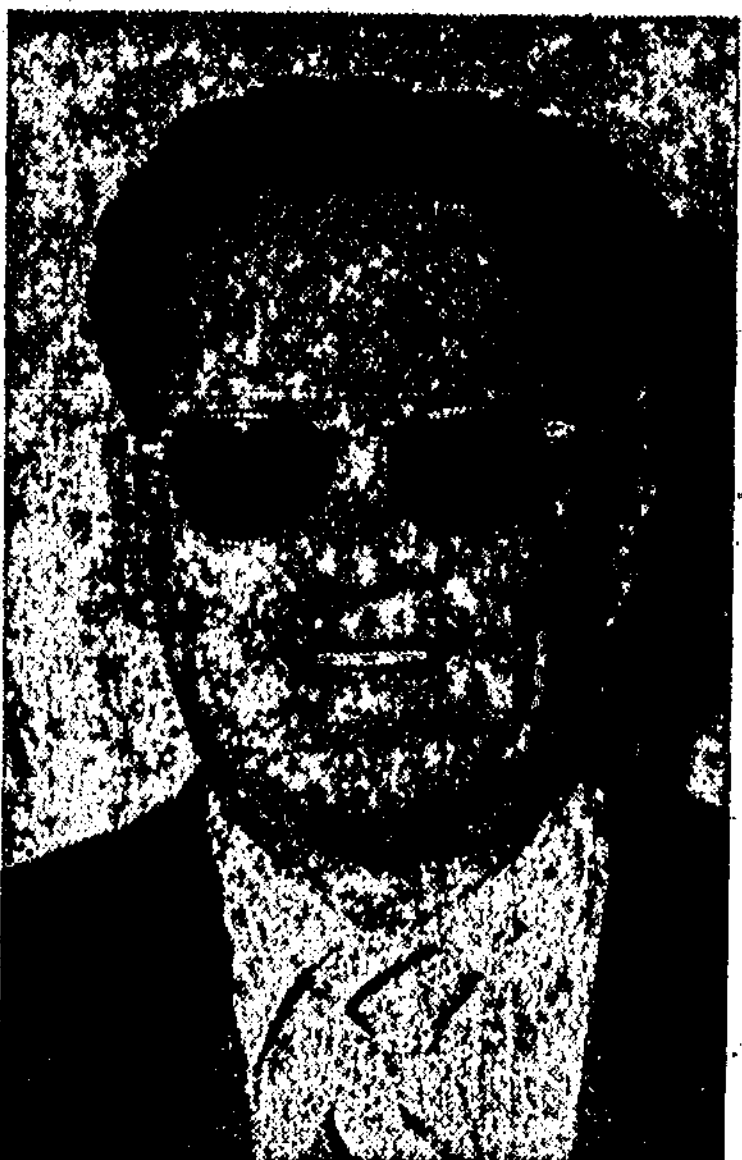

More than 500 students in the College of Home Economics at Texas Tech University made the dean's list during the fall semester.

Among them were two from Ruidoso, N. M., including Kim L. Glenn, P. O. Box 671, and Mary Wooldridge, Box 957.

## CANDIDATES CORNER

### Carl Jorren To Run For Lincoln Assessor

Carl Jorren, a 12 year resident of Ruidoso, has announced that he will seek the Democrat nomination for the office of Lincoln County Tax Assessor in the June primary election.

Carl Jorren  
Democratic Candidate  
Lincoln County Assessor

Jorren, who has been a host and maintenance supervisor at the Ruidoso Jockey Club for four years, is the manager of Sierra Security Patrol and managed the El Alto Lodge for a number of years.

He said, "If elected, I will strive for dedicated, dependable management of the office. All of Lincoln County will be served fairly and impartially." He also stated, "I will attempt to establish a sub-office in Ruidoso — due to the fuel situation, the cost of travel, and the inconvenience to our taxpayers. This should benefit a large area of our county."

Jorren and his wife, Elnora, have two sons, Jim, presently resigning a commission in the U. S. Navy to serve as director of Technology of the San Diego, Calif., Children's Hospital; and George, in the ceramic tile business in Colorado Springs, Colo. One son, Harry, is deceased.

Both of the Jorrens have been active in the Democrat Party since living in Ruidoso and Elnora served as chairwoman of the Lincoln County Democrat Woman's Club for several years.

Jorren notes that he is familiar with all areas of the county and, if elected, plans to attend all schools related with the improvement and maintenance of his office.

He served for eight years on the Ruidoso Police Department, several years as a sergeant. He is a property owner in Lincoln County and a veteran of World War II.

The Jorrens served as co-chairman of the Lincoln County March of Dimes Campaign for a number of years. Both are members of St. Eleanor's Catholic Church.

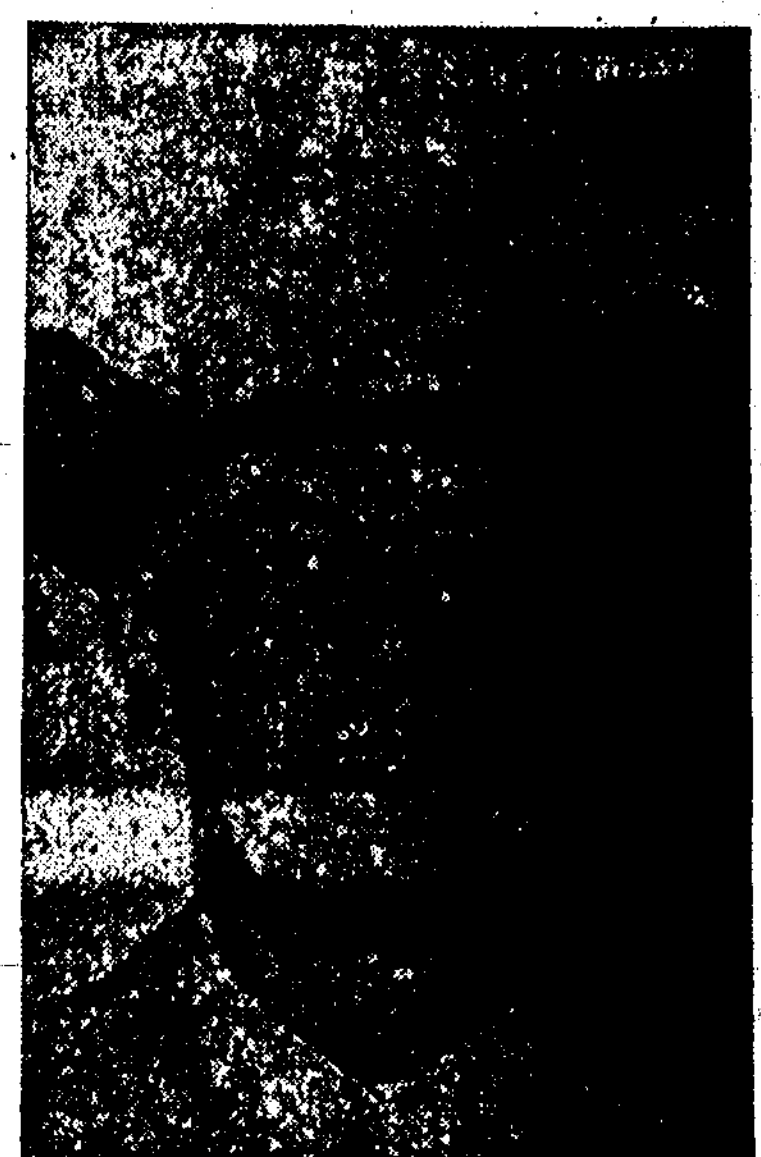

Jorren's parents, Mr. and Mrs. Harry Jorren, operated a business in Ruidoso 25 years ago and now are retired and living in El Paso.

## Re-election Sought By Bud Payne For Commissioner Seat

After talking to many friends, I wish to announce that I will run again for County Commissioner.

After serving for a little over a year, I have become aware that it is impossible to get all the things done that a commissioner would like to get done. Some of the things which we have made gains on, but have not completed, is the paving of Highway 37, Highway 42, and a program of improving Highway No. 14 to Gran Quivara.

Some of the things which I feel are of interest to the public and for which I would like to state my position on, is the improved quality of our county road system. Although there is always work to be done in improving many roads, we do feel that most roads have been noticeably improved. We were fortunate in being able to secure approximately \$100,000 of new road equipment and this has enabled us to move approximately five times as much gravel and road material in an effort to improve our road system.

For Lincoln County  
Commissioner

I have strong feelings for our hospitals and feel that we should do everything in our power to give them the necessary help they need. Due to the Attorney General's opinion in 1973, it was necessary for us to remove the ¼ mill levy. Recent legal opinions have enabled us to go on record to the effect that the ¼ mill levy will be reinstated with the beginning of the new fiscal year, July 1, 1974. I would hope it may be possible for us to assist both hospitals through some other area, possibly through Revenue Sharing.

Presently we are in the process of obtaining a water system in the historic site of Lincoln. I feel very optimistic that this will be finalized in the very near future.

The 1973 New Mexico Legislature required all counties to institute their own subdivision regulations and meet the minimum state guidelines. Although this presented quite a hardship on the commissioners, workable subdivision regulations were developed which met the state requirements. I feel that the regulations are good but will become better with revisions which will be made periodically.

Due to our increased operations, our increased subdivision areas and with the big increase in cost in 1973-74, it has been increasingly difficult to live within our budget that was formulated in early 1973 and approved in June 1973.

Another interesting matter is the fact that the State Legislature has now set the salary of elected officials at \$12,000 per year and each commissioner will receive \$3600 per year. This will become effective January 1975.

## Baha'i Community Holds "Pot Luck"

On Thursday, March 21, the Baha'is of Ruidoso will join the members of the Baha'i community throughout the world in celebrating Naw-Ruz, the Baha'i New Year.

Members of the Ruidoso Baha'i Community shared in a "pot luck" dinner on March 20 to celebrate the beginning of their New Year.

George Keith-Beattie, Chairman of the Ruidoso Baha'i Assembly, explained that the

Baha'i Faith, which originated in Iran (then known as Persia) has a calendar of its own which consists of nineteen months, each with nineteen days. The year is equalized to total 365 days by the addition of four days (five in leap year) called the intercalary days which precede the last Baha'i month. The new year coincides with the vernal equinox.

Prior to Naw-Ruz, Mr. Keith-Beattie said, "Baha'is the world over observe a nineteen-day period of fasting from sunrise to sunset to refresh and invigorate their spiritual lives. They celebrate the new year at the advent of spring, a time which mankind naturally associates with renewal and rebirth."

On the Baha'i calendar, this is the year 131. The Baha'i Faith began in 1844 A. D. Mr. Keith-Beattie further explained that Baha'is believe the founder of their Faith, Baha'u'llah (whose name means "the Glory of God"), is the Prophet of God for this day. The basic principles of Baha'i belief include — there is only one God, the oneness of mankind, independent investigation of truth, the common foundation of all religions, the essential harmony of science and religion, equality of men and women, elimination of prejudices of all kinds, universal compulsory education, a spiritual solution of the economic problem, a universal auxiliary language, and universal peace upheld by a world government.

Republican Candidate  
For Sheriff

## Alfred Montes Enters Lincoln Sheriff Race

Alfred Leroy Montes is a Republican candidate for Lincoln County Sheriff in the June Primary. A native of Lincoln County and graduate of Hondo High School, lives in Captain with his wife, the former Rose Carvajal and three children, Lilly, 14; Ronnie, 11, and Yvonne, 6.

Served in U. S. Army during Korean Conflict. Attended St. Michael's College in Santa Fe for two years, majoring in Business Administration.

Was employed seven years with the Alamogordo Police Department as a Patrolman and Supervisor. Attended six weeks of training at the El Paso Police Academy, also FBI Schools on Narcotics, Fingerprinting, Auto Thefts, Search and Seizures. Employed as Assistant Cottage Coordinator at Fort Stanton Hospital for the Mentally Retarded for five years.

Served as Lincoln County Deputy in the Captain area for 17 months. Is a graduate and holds Certificate from the New Mexico Law Enforcement Academy which is required by the State of New Mexico to serve as a Law Enforcement Officer.

Presently taking leave of absence from Fort Stanton Hospital, where employed as an Arts & Crafts Instructor in the Education Department.

to point out that your tax is very near 20 mills, whereas the State receives this 20 and returns to the county approximately ½ — with certain restrictions attached. The only tax that stays 100% in the county is the hospital ¼ mill levy. In lieu of the ¼ mill levy, the county furnished approximately \$25,000 to offset this temporary loss.

During 1973-74 we, as commissioners, have had several requests to close roads, I am opposed to closing any road that leads to the forest. I feel that the main attraction in our area is the climate and mountains which attracts many tourists. I feel that more access roads to forest lands and campsites should be developed.

In closing, numerous projects are still in the preliminary stage. Again, thank you for the opportunity in allowing me to be a part of your community.

May I say it has been a privilege to serve as your commissioner in District 2. I will appreciate your consideration and approval to serve you for the next two years.

**A PROCLAMATION** — As America enters its second year of peace after a decade of conflict, it is highly appropriate for us to acknowledge the debt we owe to those veterans who served in the Armed Forces during the conflict in Southeast Asia. The untiring devotion that characterized our Armed Forces during this trying conflict is a tribute to the national character.

There are over six and one-half million Vietnam veterans, of whom more than two and one-half million served in Vietnam. Despite significant disruptions in their lives and other personal sacrifices, they answered the call of their country and served with great distinction.

As a Nation, we have acknowledged our deep respect and admiration by setting aside March 29, 1974, as Vietnam Veterans Day to remember that the honorable peace America achieved came through great sacrifice. Those who served, those who gave their lives, those who were disabled, and those who are still missing in Southeast Asia — and whose full accounting we shall continue to seek — deserve the profound gratitude of their countrymen. For this purpose, the Congress has authorized and requested me to issue a proclamation designating March 29, 1974, as Vietnam Veterans Day.

NOW, THEREFORE, I, RICHARD NIXON, President of the United States of America, urge the people of this Nation to join in commemorating Friday, March 29, 1974, as Vietnam Veterans Day with suitable observances.

I direct the appropriate officials of the Government to arrange for the display of the flag of the United States on all public buildings on that day; and I request officials of Federal, State, and local Governments, and civic and patriotic organizations, to give their enthusiastic support to appropriate ceremonies and observances throughout the Nation.

I urge all citizens of every age to participate in the events of this day as one means of honoring those men and women who served their country faithfully and courageously during the Vietnam conflict.

IN WITNESS WHEREOF, I have hereunto set my hand this twenty-sixth day of February, in the year of our Lord nineteen hundred seventy-four, and of the Independence of the United States of America the one hundred ninety-eighth.

/s/ Richard Nixon

**EXCLUSIVE RIGHT TO SELL**

When listing your home with a Realtor to sell, there are a variety of arrangements you can make. But if you are seriously intent on selling your home within a reasonable time and at the price you are asking, it would pay to consider making an "exclusive right to sell" agreement.

This gives the Realtor the right to his commission if he actually sells your home during the listing period, or if another broker sells it, or if you sell it yourself.

Under these conditions, the Realtor will have the added incentive and protection to go all-out in heavily advertising your house and showing it to prospects. He will not be afraid of bringing it to the attention of other Realtors who may have qualified prospects. As a rule, Realtors are willing to cooperate and share the single commission. That gives you the advantage of having several Realtors make a determined effort to sell your home.

If there is anything we can do to help you in the field of real estate, please phone or drop in at BUCKLEY REAL ESTATE, Sudderth Drive, Ruidoso. Phone: 257-4633. We're here to help!

SANTA FE—State brass decided in a quiet meeting that property tax ceding with a \$2.5 million impact can be used one more year.

But a 1974 property tax law amendment requires this procedure to boost school local revenue: School budget forms were revamped to reflect the change. Cities and school districts will enter formal ceding contracts. State approval of agreements must be obtained.

The new property tax code will wipe out ceding next Jan. 1. But it can be legally used in fiscal 1974-75, beginning July 1. Seventy-one of 88 school districts are ceding—a swap of up to 2.25 mills of property tax that adds dollars to school districts' revenue.

Ceding these amounts in the current year: Animas, \$11,033; Bernalillo, \$113,426; Bernalillo, \$32,045; Clayton, \$22,473; Corona, \$22,456; Cuba, \$15,237; Des Moines, \$6,845; Also Eunice, \$93,723; Fort Sumner, \$18,189; Grants, \$4,655; Hondo, \$9,631; Huerfano, \$4,816; Jalisco, \$49,373; Maxwell, \$53,369; McIntosh, \$13,716; Ojo Caliente, \$13,304.

Questa, \$29,936; Pecos, \$3,730; Raton, \$7,239; Santa Rosa, \$16,744; Springer, \$8,594; Taos, \$21,394; Tatum, \$93,437; Texico, \$12,185; and Vaughn, \$7,434.

Among school districts not using ceding are Truth or Consequences, Cimarron, Clovis, Deming, Lordsburg and Ruidoso. After fiscal 1974-75 a method must be found to replace the \$2.5 million lost to the 71 districts.

Sen. John Conway, R-Alamogordo, seeks re-election in a district of all of Lincoln and part of Otero counties. Reportedly, Alamogordo Democrat Rolfo Buck will seek the primary nomination to oppose Nov. 5. Buck is a former Otero County Democratic chairman and retired State Corporation Commission employee. Conway is Senate GOP leader.

A statewide political committee, Good Government, was formed by conservatives to push for fiscal responsibility in the legislature. Santa Fean Peter Hagan said the non-partisan

committee believes in limited government.

Hagan said, "Profit is not a dirty word. The state should not spend money it doesn't have." Among initial committee directors are ex-State Rep. George Blocker, Jr.; Les Davis, Cimarron; W. R. Nicks, Spring; and Reuben Pankey, Truth or Consequences.

The influential Legislative Finance Committee voted narrowly 4-3 not to file a suit challenging constitutionality of some of Gov. Bruce King's partial vetoes of the General Appropriations Act.

LFC Chairman C. B. Trujillo, D-Taos, strongly supported court action. Trujillo is a state senator representing Taos, Mora and San Miguel counties. The LFC whacked King's vetoes of contingency language—language effecting appropriations only if expected federal money is received by a state agency, for example. The purpose is control over state spending.

Lt. Gov. Roberto Mondragon, 33, of Nambé, Santa Fe County, announced his candidacy for the Democratic nomination for the U. S. House in Northern District 1. Mondragon had no announced Democratic opposition. He is set to oppose U. S. Rep. Manuel Lujan, Jr., Albuquerque Republican, Nov. 5.

The State Republican Central Committee voted last Monday to change its rules so Ludday Ryan of Silver City can stay on as New Mexico GOP chairman and seek re-election to the State House.

Ryan will try for a fourth term. He represents all of the northern and part of Grant counties. Sen. Conway was named to the interim Legislative Insurance Study Committee. Sen. Ray Leger, D-Guadalupe-De-Baca-San Miguel, was placed on the Health and Aging Study Committee. Leger replaced Governor-running Sen. Jerry Goddard, D-Las Cruces.

Reps. Fred Luna, D-Los Lunas, and Dan Berry, D-Eunice, were picked on the host committee of the National Legislative Conference, expected to attract 3,000 to Albuquerque in August. Governor-running Sen. Odie Echols, D-Clovis, resigned as chairman of the Health-Aging Committee, but Echols remained on the committee.

Results of a \$14,000 Town of Lincoln restoration study were presented Saturday, March 16, by State Planning Officer David King to a 10-member Lincoln citizens advisory committee.

Two thousand copies of a report, "Lincoln, New Mexico, A Plan for Preservation and Growth," were printed. State brass said Lincoln citizens will make decisions on

restoration of the historic town.

Mrs. Lessie Sawyer, Crossroads, Santa Fe County, operated in the venture as chairman of the Old Lincoln Memorial Commission. Federal planning funds are sought.

The Highway Commission will open bids Friday, March 22, to build a bridge over Carrizo Creek, 15 miles south of Clayton on NM-18 in Union County.

U. S. Sen. Joe Montoya urged a Senate subcommittee to approve \$2.5 million for construction on Los Esteros Dam project near Santa Rosa in fiscal 1974-75.

State Liquor Director Carlos Jaramillo approved a liquor license ownership transfer at Jalisco from Don Lee Gillet, doing business as Pactus Bar, to Elias Garcia. Price was \$29,000 for the permit, two lots, stock and other items.

## Streakers Hit!

Streaking, the fad that is sweeping the nation, weekend to Sunday this past week, was unsubstantiated reports of a number of the unclothed runners dashing about Ruidoso and down the slopes of the Sierra Blanca Ski Area.

The first reported incident occurred in the early hours of Saturday morning when three naked men were said to have scampered in the chilly night air from the Buckaroo Lounge to the Hideout Lounge.

Several other streakers were said to have been performing in the area of the post office early that same morning.

The streakers are reported to have come out of the cover of darkness though on Sunday as announcements that it was the final day of skiing at the area, coupled with the balmy spring day on the slopes, prompted a number of young men to doff their duds for a season-ending dash down the slopes in the buff.

Slivers coming down from the mountain Sunday evening reported bands of streakers on Capitan run overlooking the lodge as well as lone streakers working their way down Deep Freeze and back taking a "slow streak" then taking a lift to their clothes.

One streaker, apparently unabashed by onlookers, removed his clothes at the top of Capitan, skied down, rode the T-bar back to the top after his clothes. Finding them gone, he calmly skied back to the bottom and into the midst of a large crowd that was guarding them.

## Saturday Accident Leaves Three Hurt

Three area youths were taken to the Ruidoso-Hondo Valley General Hospital early Saturday morning following a two-car collision on Sudderth Dr. in front of the Chamber of Commerce.

Shelley Everett and Neila Smith, both 20 years old, were headed west on Sudderth in a car driven by Miss Everett. Another car driven by a juvenile and headed east down the hill, apparently crossed over the center line and struck the car driven by the two women in the side.

Both occupants of the west bound car were sent to the hospital for treatment, as well as the driver of the other car. A passenger in the east bound car was uninjured.

Following investigation of the accident, the juvenile was cited for careless driving.

## Organizational Meeting Held by Ruidoso Downs

An organizational meeting of the Ruidoso Downs Village Council was held last Monday evening at the village hall by the new administration of the village.

Trustee George Hancock was named mayor pro tem and re-appointed to village department jobs: Margie Urban, village clerk; Andy Miller, sanitation; Otto Temple, water; and Lynn Martin, police. Gerry Howden was named assistant village clerk and all fire department officials were re-appointed. Richard Parsons was appointed village attorney by a unanimous vote.

Mayor J. J. DiPaolo noted that department heads would be named at the next regular meeting at which time a village beautification committee will also be named.

It was reported that state environmentalist Wayne Lewis would meet with village officials April 1 and 2, to discuss the sanitary land fill and it was noted that alternate sites are now being studied.

DiPaolo stated that the regional meeting of the New Mexico Municipal League has been scheduled for March 29 at the Villa Inn in Ruidoso.

A review of village funds was held and the council voted to make Security Bank the village depository.

Village Clerk Margie Urban submitted her resignation effective April 1, which was tabled until the next regular meeting. The regular meeting of the board will be held at the Ruidoso Downs Village Hall Monday, March 25 at 8:00 p.m.

## SCMRA Meet Hears

Charlotte Jarratt

The South Central Mountain Resources Area welcomed Mrs. Charlotte Jarratt of Ruidoso as its guest speaker at the recent meeting held in Carrizozo. Mrs. Jarratt is Director of the Lincoln County Senior Citizens Committee, headquartered in Ruidoso, with five satellite stations located around the county. This project is the first of its type in the state to be approved for funding.

Since its inception in October of 1973, 1,592 persons have enjoyed its facilities, which are presently located in temporary quarters in Ruidoso. A new building is under construction now. To be eligible for membership, one must be 55 years of age or older. There are no dues. For further information, contact Mrs. Jarratt at 257-4565.

Five new projects were accepted by the steering committee.

A request was adopted to relax the standards of predatory control meetings.

The next meeting will be held in Ruidoso, April 30.

## Bonito Waters Open

For Fishing April 1

Over the past weekend there were several "fishing out of season" violations at Bonito Lake. Contrary to popular belief, Bonito Lake is not open, but will be open April 1 thru Nov. 30. All persons unsure of opening dates or laws pertaining to certain waters should either check their regulations or call their local District Wildlife Officer for information.

Another item many people are unaware of is the state requirement for storage permits for game. These permits may also be obtained from the District Wildlife Officer in your area.

Rich Flowers, area officer here in Ruidoso, said, "I certainly appreciate the cooperation I've had from the local people and area ranchers in the surrounding area. People have been very hospitable toward me since my arrival and I sincerely appreciate it."

## Presbyterians Set

Choir Program

A select group of 16 singers from the Roswell Goddard High School choir will participate in the Ruidoso Presbyterian congregation Sunday, March 24 at 11 a.m. The musical program that will be presented is the last of a series that will be made in this area.

John Walker, director of the choir, is well known in this area for the service he renders each summer as the director of music for the Noyal Ranchman's Camp Meeting. The members and friends of the Presbyterian congregation invite all who wish to join with them in this unique worship experience Sunday.

**CAPITAN**—The crowns of the F. H. A. Sweetheart and Beau will wear after the crowning Friday night. Making the crowns are: Linda Trujillo, Reba Hardy, Mary Eillon, and Rhonda Barber. The candidates are: Senior Patty Otero and Bronson Cummins, Junior Rhonda Barber and Richard Phillips, Sophomore Bernadette Gomez and Junior High Megan LaMay and James Richardson. This is the 21st Annual Talent Show sponsored by F. H. A. members of Capitán. Mrs. Mayrilda Perry will perform with one of her readings and another special is Mrs. John Werner of Roswell—presenting her special "The Big Black Piano". Performance is 7:30 p.m. in the Capitán High School gym, Friday, March 22.

## Barn Clean Up Follows Hospital Chamber Board Meet

(Continued from Page One)

A short business session was held by the Ruidoso Valley Chamber of Commerce board of directors before cleaning the All-American Sales barn last Monday evening. The barn was the scene of a fund-raising dance held Wednesday evening.

The board voted to rent a booth at the Expo '74 show in Lubbock, Texas, March 29-30-31, and invited anyone wishing to send brochures or other literature to the booth.

A discussion was held concerning memberships and associate memberships and the board voted to set a full membership at \$75 and an associate membership at \$37.50. The associate membership would be only for individuals and not for businesses.

An ordinance and environmental committee was named to meet with village officials and request a clean-up of the village and the condemnation of buildings that are in a bad state of repair.

Manager Richard Courthorn reported three new businesses had joined the chamber this month—American Linen Supply, Art & Flower Nook and the Fire-Place Center.

## Long-Time Ruidosoan Mac Osborne Dies

Mac Osborne, 88, a Ruidoso resident for the past 27 years, died Thursday, March 14 in a Roswell Rest Home following a long illness. Funeral services were held Saturday, March 16, at 10 a.m. in the Ruidoso Baptist Church with Rev. Wayne Joyce officiating. Burial was in Forest Lawn Cemetery in Ruidoso with Charles's Chapel of Roses in charge of arrangements.

Osborne was born in Bell County, Texas on Aug. 29, 1885. He moved to Ruidoso in 1947 from Ralls, Texas. He was a retired machinist. The years he lived in Ruidoso he was engaged in the saw-sharpening business and raised vegetables and flowers at his home across from School House Park. He is survived by his wife Lillie. Pallbearers included Sid Courville, Odie Courville, John Montgomery, Dan Storm, Bill Allen and Charlie Springer.

## The SILVER LINING

By DANIEL A. STOEY

The Voices of Spring  
Spring welcomes us with many voices: the peaceful call of the Dove floating up from the Walnut and Oak trees down by the river; the Blue Bird's cheery chirping as he flies happily close around flashing his brand new silken blue coat; and the Robins — I have not seen so many Robins in a long time. They are everywhere today. This is being written on the day after Saint Patrick's Day—just two days away from the first day of Spring.

The Canyon Wren with its little song going down the musical scale beautifully with tiny notes, is here already. This is a beloved New Mexico bird. The Yellow Breasted Fly-catchers have moved in; and the tiny black woodpecker with the white head. There is a ringing, trilling song coming from somewhere, but I cannot find the singer. I thought I heard the notes of the Oriole.

There are many beloved singers of the Spring, welcoming in the new life of the world; and awakening new life and bright new happiness in all of us. Each new fruit blossom, the new delicate leaves, the bright spring flowers, so pure and fresh in their colors each give us a little Springtime thrill of happiness that sends us on our way rejoicing more and more through the day.

Everything in Spring is in such perfect harmony — the bird songs, the warm balmy air so full of aromas that bring back fond memories and start new hopes to our hearts — the fresh mornings glowing with sunrise colors — the song of the soft wind in the pinon and cedar, and through the branches of the oak, walnut, and box elder trees just barely beginning to open their buds.

The Robin's Many Songs  
All down through the Springtimes of the world, the Robin has always been one of the most welcome troubadours of Spring. The Robin has many different songs and calls.

He has a short little chirp at evening when it is going to turn cold. He has a merry, rapid warbling mixed with chirping

when he has just moved into the neighborhood and is locating nesting places. There is an unmistakable song that he repeats when it is going to rain and this never fails.

And then just as the pink and gold of the sunrise is coloring the eastern sky, the Robin Red Breast sings his Hymn to the morning, which is like music of Angels.

Right now outside, the Robins are singing all kinds of songs; and for the first time, I can not understand what they are trying to tell me. Before long, this chorus will settle into one song, and then the message will be clear.

But the great message of all birds of the Spring is very clear and felt by everyone — this message is the awakened gratefulness in our hearts for the blessings of God.

One by one, the birds of Spring and summer will be flying in, singing their songs of cheer. These little friends are very dear to us. They live in a little airy half way land of their own, midway between Heaven and earth. And this is why in the Spring time we are so close to Heaven.

Some Snow Birds Still Here  
There do not seem to be so many snow birds as there were during the winter, but there are still a few staying around as though they hate to leave. They like Lincoln County where they are treated so well.

Friends of the Birds  
We are all friends of the birds, and two of the very best friends of our little neighbors of the skies are Mr. and Mrs. James Riales. At their home in Pine Cliff Mr. and Mrs. Riales feed many birds of all kinds through the winter.

The other day Mr. Riales told me of a winter visitor at his place that resembles a Pinon Jay, except this fellow walks instead of hopping, is more stout and chunky than the Pinon Jay, and is gray instead of blue. Can you tell us the name of this bird?

The Apricot is Out  
The advance guard of the

blossom parade, the apricot is now out. There is something magic in the looks of this white blossom touched with pink. All the world still looks like winter, with no leaves, no blossoms — only the evergreens awake in their colors. Then one morning there they are. You have to look twice to believe your eyes. So white and bright against the dull landscape and on a cloudy day like this, they seem to be standing all by themselves in mid-air, like little stars in the day time down here close among us.

Mac Osborne  
On Saturday, Saint Patrick's Day Eve, services were held at the Gateway Baptist Church for Mac Osborne, the bearer of a proud Irish name, and one of the most beloved men of our City in the Pines. The message by the Rev. Wayne Joyce was inspirational and comforting.

The singing by Mrs. Joe Graham and her son, Larry, was very beautiful. We will miss Mac, but he would be the first to tell us not to be sad. Our hearts go out to his faithful and loyal wife, Lillie. But let us be glad that Mac lived such a long and happy life here among us, and that now he has gone to be welcomed home

## Racing and Breeding

**Sale Set July 26-27**

The second annual Racing and Breeding Summer Sale at Ruidoso Downs Race Track has been scheduled for July 26-27, 1974, according to an announcement by General Manager Al Rosa.

The venue will again be staged in the spacious All-American Sales Arena on the track grounds. Each of the two sessions will begin at 7:30 p.m. "Last year's inaugural edition of the sale far exceeded our expectations," Rosa pointed out.

"Within the next few years, we expect the event to develop into one of the major sales in this part of the country."

Last year, 47 head went on the auction block for total sales of \$349,050, an average of \$7,426.

"Judging by the interest already generated, we would expect to see these figures doubled in the 1974 sale," Rosa said.

The sale is open to both thoroughbreds and quarter horses of all ages — with one exception. Quarter horse yearlings are excluded. The sale is expected to attract horses in training, broodmares and three-in-one packages. Special consideration will be given to complete dispersals.

Tom Caldwell, one of the nation's leading auctioneers, will again be at the gavel.

Complete information on the sale can be obtained by contacting Richard Thompson, sale manager, at Ruidoso Downs Race Track, Post Office Box 449, Ruidoso Downs, New Mexico 88346.

On Labor Day weekend, the All-American Sales Arena will also be the site of the nation's largest and most prestigious quarter horse sale — the 13th annual All-American Quarter Horse Yearling Sale. The sale will cover four sessions from Aug. 29 through Sept. 1.

The 1974 racing season at Ruidoso Downs kicks off on May 18 and extends through Labor Day. Gross purse disbursement for the 63-day campaign is expected to reach a remarkable \$4 million.

Ruidoso High Country Wheels Car Club meets every other Tuesday at 7:00 p.m. at Ruidoso Fire Dept. Building. Red Farus, president; Virgil Reynolds, vice-president; and Kenneth Shows, secretary.

## Ruidoso's Sixth Annual "Ski-Tee"

**Skiing and Golf Tournament**

**FRI., SAT., SUN., MARCH 29, 30, 31, 1974**

**RUIDOSO, NEW MEXICO**

**TEAMS:** Competition by 4 member mixed teams (2 men and 2 women, or 2 men and 2 women, or one man and 3 women). You may enter your own team. Individuals who wish to enter but are unable to form a team, indicate on the entry blank that you wish to be placed on a team. Prizes and trophies will be awarded for overall team and individual performances.

Slalom course will be negotiable for a snow-plow skier. Golf competition consists of eighteen holes of golf and one timed slalom run. If you desire to play 9 holes of golf and double your score, you must elect to do so not later than Friday, March 29, 7:00 p.m. by mail, phone, or in person at the Friday Night Meal.

**SCORING:** The scoring will be computed by totalling the actual golf strokes and adjusted ski times of all 4 members of a team. Each ski time will be multiplied by a factor (Factor equals 72 (par for golf course) divided by fastest ski time) in order to equate the ski time to the golf score. Disqualifications, failure to finish and no shows will be given a golf score or ski time equal to the last place score or time in that event.

**ENTRY FEE:** Entry fee of \$20.00 includes green fees, lift tickets, "Ski Tee" T-shirts, Meal Friday, apres-ski wine party at the ski area; and after-golf beer party at the Cree Meadows course during the awards presentation.

**All Entries and Fees Must Be In By 4:00 p.m., Friday, March 29**  
**SCHEDULE:** Friday, March 29 — Practice round on golf course or skiing at ski area. Green fees or lift tickets are free for participants who have paid their entry fee. Cree Meadows Golf Course; 7:00 p.m. Meal — Slalom starting order posting.

Saturday, March 30 — Sierra Blanca Ski Area — (Ski ticket and Bid pickup/Ticket Office by 11:00 a.m.); 12:00 noon Slalom competition. Wine party to follow immediately. Nothing scheduled for Saturday night.

Sunday, March 31 — Cree Meadows Golf Course — golf pairings and ski results posted by 9:00 a.m. Golf competition starts at 10:00 a.m., shotgun start. Putting contest after golf while results are being tabulated. 6:00 p.m. Trophy and prize presentation.

**Benefits To Sierra Blanca Junior Racers**  
Fill out entry blank below and forward with check or money order to George Marsh, (Tournament Chairman) c/o Ruidoso State Bank, Drawer B, Ruidoso, New Mexico 88345.

**Trout Stamps Needed After April 1 In State**

A small number of first-issue, undistributed trout stamps of the kind required for trout fishing during the 1974-75 New Mexico fishing season will be held for collectors, according to the State Game and Fish Department.

The stamps are circular and printed with black ink. The Class A, \$3.00 stamp is red, the Class B and C, \$1.00 stamps are blue.

A total of 250,000 red stamps ly.

and 150,000 blue stamps were printed.

The stamps have been received from the printer and will be distributed to the department's area offices during the coming week. The area offices will distribute the stamps to license vendors.

Stamps can also be purchased at Game Department headquarters in Santa Fe. Trout fishermen will need them beginning April 1.

Licenses and stamps can be purchased together or separately.

## 1973 Total Given For

**Savings Bond Sales**

U. S. Savings Bonds sales in 1973 were seven percent better in New Mexico than for the previous year. The total for the year amounted to \$22,522,908, a new record for the state. The previous year's total was \$21,046,128.

This information regarding sales of U. S. Savings Bonds was supplied by Charles Wood, Lincoln County Volunteer Chairman. Total 1973 sales for this county were \$75,690. For the previous year the total was \$49,475.

"Tree growth," observes the National Forest Products Association, "must be increased on both private and public forest lands to meet a rising demand for wood products that is expected to double by the end of the century."

BELVIEW, MINN., INDEPENDENT: "We ... read a suggestion that many problems could be solved if everyone got equal pay. The idealist who proposes such a thing is oblivious to the fact that all willing workers do not produce — we refer to the old cliché that some are willing to do it and the others are willing to let them. At any rate the small town business man could not operate on an equal pay basis. The extra unpaid hours he puts in would have to be ruled out for to be equal in pay we must also be equal in hours worked. And if those unpaid hours were not worked — well, the small town business could not produce enough to support itself."

WIBAUX, MONT. PIONEER-GAZETTE: "Water rights, pollution and reclamation are three of the most often heard words today, and when you weigh them against three other words: Energy, Heat and Light, you have to look at both sides of the scale before yelling war on all industrial progress."

## New Fish Regulations To Begin April 1

Trout stamps, junior-senior licenses and licensing 12 and 13 year olds, mark the main changes for New Mexico's 1974-75 fishing license year, which begins April 1.

The changes, instituted by the 1973 Legislature, also include a new system of paying license vendors' fees.

Trout stamps, required April 1 for fishing in trout streams and lakes, cost \$3.00 if they are to be attached to a \$12.00 residents-only general hunting and fishing license; a \$5.50 resident year-round fishing license or a \$10 non-resident, year-round fishing license.

A \$100 trout stamp can be affixed to the \$100 residents-only junior-senior fishing license; the \$2.00 resident or non-resident one-day fishing license; the \$5.25 five-day, non-residents only fishing permit.

The trout daily bag and possession limit is eight trout of any species. There is a special size limit in Cabresto Lake and the lower Red River below the hatchery, where no more than two trout in the regular eight-trout limit can be more than 12 inches long.

The \$100 junior-senior fishing license can be purchased by resident anglers who are 12 or 13 years old or who are 65 years old or older. Non-residents 12 or 13 years old or 65 or older must purchase regular, non-resident fishing licenses.

The Fisheries Division of the Department of Game and Fish emphasized that the only legally unlicensed anglers are those who have not reached their twelfth birthday at the time of purchase.

A one-day license, formerly available only during the summer months, can now be purchased at any time of year.

The vendor's fee, is added to the license and stamp cost at the rate of 50 cents for licenses costing more than \$5.50 and 25 cents each for licenses and stamps costing \$5.50 or less.

Youngsters and oldsters who are both anglers and hunters can realize a small savings by purchasing a junior-senior license with trout stamp — \$2.50, including vendor's fees — and a general hunting license for \$9.50, including vendor's fees, for a total of \$12.25. The law requires a \$3.00 trout stamp to be attached to the \$12.00 general hunting and fishing license — a total of \$15.75, including

## Vendor's fees.

Trout stamps can be purchased at the same time as the license or can be purchased separately — the 50 or 25 cent vendor's fee will be charged for each in either case.

The stamps are required year-round for fishing regular trout waters, from Oct. 1, 1974 thru March 31, 1975 for fishing winter trout waters; and in southern Rio Grande trout waters from April 1 through July 1, 1974, and from Feb. 1 through March 31, 1975.

Southern Rio Grande trout water is the stretch between Elephant Butte Dam and the town of Williamsburg.

Winter trout waters, where trout are planted and a trout stamp required from Oct. 1 to March 31, 1975, are: Bataan, Bottomless, Carlsbad Municipal, Carrizozo, Chaparral, Conservancy Park, Eunice, Green Acres, Jal, Oasis Park and West Lakes; Atrisco, Belen Riverside, Cor-

## C. of C. Asks Opinions On Interstate 70

According to Richard Cochran, Ruidoso Valley Chamber of Commerce manager, an impact study will be prepared shortly concerning the feasibility of changing U. S. Highway 70 to an Interstate Highway. Cochran feels that the Chamber will be approached for their opinion on the change and has asked

## that chamber members let the office know their feelings on the subject as soon as possible.

Several meetings at various cities along the route, both in Texas and New Mexico, have been planned, and the chamber wishes to know the feeling of members before committing itself.

The first meeting of the proposed study will be held in Hereford, Texas, March 19, at the Courthouse and a chamber delegation will attend the meet.

The proposed Interstate Highway would run from Amarillo, Texas, to Las Cruces, with a spur from Alamogordo to El Paso.

The U. S. Congress passed enabling legislation for the study but neglected to appropriate money for it, and the New Mexico State Highway Department has agreed to finance the feasibility study.

# Miss Central New Mexico Pageant Entrants

Belinda Ball

Miss Belinda Ball, 18, is the daughter of the Rev. and Mrs. Earl E. Ball. Rev. Ball is the pastor of the Community United Methodist Church in Ruidoso.

Miss Ball will graduate from Ruidoso High School this spring. She plans to attend Eastern New Mexico University in Portales, this fall.

She has taken nine years of instruction in piano and for her talent presentation in the pageant, she will perform on the piano.

Miss Ball has been the recipient of many honors while a student at Ruidoso High School. She was named to the Society of Outstanding High School Students, the National Honor Society, Mu Alpha Theta Honorary Math Society, and the student council. Miss Ball has also received a scholastic letter two years.

Miss Ball is a member of the Daughters of the American Revolution, Rainbow Girls and the Ruidoso Choir.

Miss Ball adds the unusual hobby of wishbone collecting to her other more common hobbies of piano, sewing and drawing.

She is 5'6" tall and weighs 123 pounds. Her hair is brown and her eyes, hazel.

Tracie Anderson

Miss Tracie Arlene Anderson, 17 years of age, will be the youngest contestant in the Miss Central New Mexico Pageant this year. She is the daughter of Mr. and Mrs. J. C. Harrison Ruidoso Downs.

Miss Anderson graduated early from Ruidoso High School, finishing her work at 16 in this year. She will be attending New Mexico State University at Las Cruces this fall, where she plans to major in special education.

While attending high school in Ruidoso, Miss Anderson gathered many honors both within school and in extra-curricular activities. She was chosen a class president, student council representative, class favorite two years and a New Mexico Queen Candidate. She was a member of the National Honor Society, the Pop Club and the Drill Team. She was also the "People's choice for Madeline" President U. S. A. - 1982.

In extra-curricular activities, Miss Anderson was elected district president and district secretary of the Future Teachers of America. She served as worthy advisor and grand page of the Rainbows and was elected New Mexico representative to the annual meeting in Wisconsin.

She has had special training

The Sixth Annual Miss Central New Mexico Pageant will be held Saturday, March 23, at the Ruidoso High School Gym. This year's pageant, sponsored by the Ruidoso Junior Jaycees, will have the 1975 Miss New Mexico, Patti Neims from Roswell as Mistress of Ceremonies.

Catherine Hine, last year's Miss Central winner, will also be at the pageant to crown the new Miss Central New Mexico. Again this year, there will be five judges at the pageant, including: Beverly White, White City; Charles Kurth, Hobbs; Hazel Neria, Roswell; Frank Tracy, Roswell, and Maudy Perry, Hobbs. All five judges have extensive pageant judging experience.

The competition is expected to be close this year, with nine qualified contestants in the pageant. There are four entries from Artesia: Shelly Lorang, Jami Moore, Donna Lindberg, and Donna Canada. Diana Bir is the only contestant from Truth or Consequences. There are also four contestants from Ruidoso: Marsha Payne, Yonna Crommons, Tracie Anderson and Belinda Ball.

The winner of the Miss Central title will compete at Hobbs for the Miss New Mexico title in July. The finale of all the local and state pageants will be the 1974 Miss America Pageant at Atlantic City, soon after Labor Day, in September.

in piano, drama, speech and dancing and for her talent, will perform a dramatic recitation in the pageant.

Miss Anderson is 5' 4" and weighs 105 pounds. She has auburn hair and green eyes. She enjoys skiing, photography, sewing, leather crafts, tennis and horseback riding, as hobbies.

**REDBUILT METAL PRODUCTS** — Grand opening for a new business in Capitan, Redbuilt Metal Products, will be held this Saturday, according to Wesley Cheatham, owner of the business. The business builds carports, patio covers and custom buildings with a new type of roof beam that will withstand heavy loads. The products are built of steel and are weather resistant. The grand opening will be held at the office of the business located at 3rd and Bonito streets, two blocks South of the Post Office in Capitan. Refreshments will be served.

## Mescalero Happenings

by JO KAZHE

When I reported about students going to Las Cruces for a band rating, I omitted Myrna Hanks name. Myrna is an excellent student and is on the honor roll each grading period. Myrna Fossom won the handmade Indian basket. Proceeds from this sale toward prizes for the Spring Pow Wow. Tickets are being sold on a turquoise and silver watchband, bracelet and ring, to be won by

some lucky person at the Spring Pow Wow.

Friends of Joe Gallegos will be interested to know that Joe is in the Marines and stationed on Fiji Island. He also just recently received a promotion. Joe is the son of Mr. and Mrs. Joe Gallegos of Bent.

Hear Windy and Nita McKinney were in Mescalero for a quick visit. Windy is enrolled in the Law School at Albuquerque and came down for a visit.

### Montgomery Station To Be Rebuilt If Funds Can Be Obtained

When New Mexico State University's Montgomery Biology Research Station near Ruidoso burned March 7 in a forest fire, the 20 research and service projects came to a halt.

The fire razed some 160 acres of forest, including 15 acres of a 20-acre plot where the research station was located. Dr. Max Dunford, associate professor of biology, said the research station alone was valued at \$35,000.

The concrete block building housed sleeping facilities for 20 people, a kitchen, bathroom, temporary laboratories,

work space for research activities and storage.

Little equipment was lost in the fire since provisions are transported from campus when needed, Dunford said.

Dr. William Dick-Peddie, biology department head, noted, however, that the loss of trees and the interruption of projects with NMSSU and other universities and government agencies is next to impossible to estimate.

The facility has been used not only by biology students and faculty, but by other departments such as wildlife sciences and agronomy for research and study. Other departments have also conducted field trips at the site.

In addition, visiting universities have used the area for collecting trips and field trips to study soil, vegetation and animal types because of peculiarities of the area's floristic and faunistic composition.

Located in Lincoln National Forest, the site provides easy access to five life zones for biological study.

The burned structure also provided a government service. The U. S. Forest Service has used the site in the past for a fire suppression school and had planned to use it again this summer, Dunford pointed out.

"All projects in progress at the facility will have to be rescheduled or other facilities will have to be found. Research will be drastically limited because researchers will have to camp out in the area unless the building is reconstructed," Dunford commented.

Plans are to rebuild the station if funds are available. Dick-Peddie explained insurance covering the station is based on the cost of the structure when it was built in 1967.

## County Agent's Column

By RALPH DUNLAP

Lincoln County boys and girls have signs that can be seen and read from one quarter mile if they are going to be able to let people know what they have for sale. Dr. James Kirby brought this out at the fruit meeting.

There were over 75 boys and girls and leaders at the clinic. Wallace Cox, Extension Horse Specialist, explained what you look for in judging horse and emphasized that no oral reasons should be over two minutes long.

John W. Cooper helped the group get started judging wool and sheep. Demonstration classes of horses, sheep, beef cattle and wool were shown to the group. They then judged two classes in the afternoon. Livestock for the clinic was furnished by Hugh Adkins, John W. Cooper, Preston Stone, Ronnie Eldridge and Fletcher Hall. Assisting with the clinic in taking reasons and judging classes were Scott Shafer, Nancy Knight and John W. Cooper.

Apple trees bear most of their fruit on the outer four to five feet of the tree. This was pointed out by Douglass Bryant, Extension Horticulturist at New Mexico State University at the fruit school in Honda. Any tree over 10 ft. wide has some wasted space in the center. The newer apple orchards being

As a result only \$16,500 is available — much less than is needed to rebuild.

Should the facility be rebuilt, biology professors plan to make the most of the situation. Since water is available on the property, the professors hope to develop ecological studies at the vineyard and the immediate vicinity.

Work can be done with natural and controlled reseeding. Irrigation can be provided during the dry season to experiment with the idea of speeding up the plant coverage process.

planted are closer together and the trees are smaller.

Fruit stands should generally have signs that can be seen and read from one quarter mile if they are going to be able to let people know what they have for sale. Dr. James Kirby brought this out at the fruit meeting.

When it comes to the economy, you've got to give us Americans a lot of credit, according to the IMA Reporter.

**Domenici Reports  
Smokey Bear Not Dead**

Despite news stories and reports to the contrary, Smokey the Bear is apparently in good shape, U. S. Sen. Pete Domenici reported recently.  
 Sen. Domenici's office has been in contact with the National Zoo and Malcolm Hardy of the Forest Service, who watches over the famous bear from Capitol, New Mexico.  
 Captain Mayor Jay Johnston

had asked Sen. Domenici's office to look into reports that Smokey was near death.

"The best information I have at this time is that Smokey is in good health for his 24 years, his speech is good, his appetite excellent, and he is experiencing the normal winter slowdown of older bears' suffer through," Sen. Domenici said.  
 "We've been told that he has at least a couple of good years left," Sen. Domenici said he was

talking to Forest Service and to the state. At the present time, the Smokey the Bear Museum when the bear dies.

"No decision has been made and, apparently, will not have to be made for some time," Sen. Domenici explained. "We periodically discuss the possibility of returning the bear's remains to Capitol."  
 Several New Mexicans have asked Sen. Domenici to attempt to bring the bear's remains back

to the state. At the present time, the Smokey the Bear Museum when the bear dies.

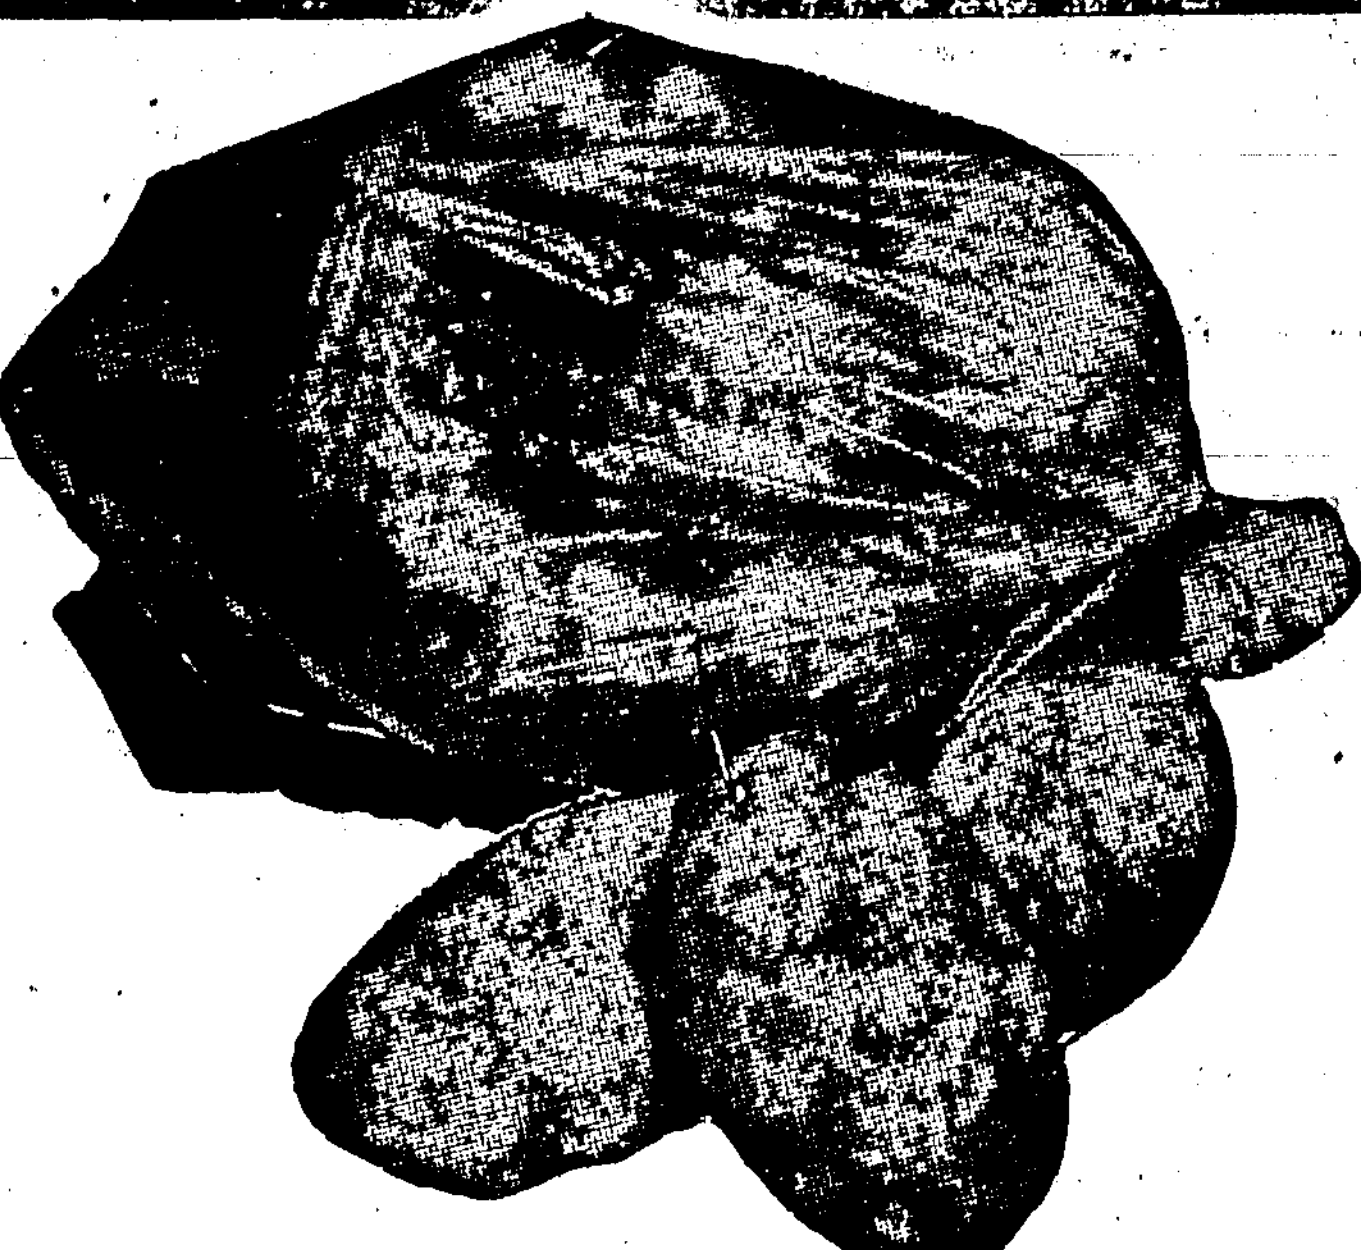

Twenty-four years ago the bear was rescued from a forest fire in the Capitol region. He has become one of the most famous symbols in American history, requiring his own personal zip code to handle the thousands of letters he receives each week.  
 His face appears on countless posters and Americans to help prevent forest fires.
