Most area residents, if not all, have at one time or another, heard the very pronounced and unique voice of a race track announcer as he calls the races through the public address system or over broadcasting stations.

Usually the announcer's distinct voice projects audible vibrations of sounds that make you feel as if you were atop the winning horse, with many lengths to spare, and heading for the winner's circle in the featured race of the day. His vocal excitement, mixed with his masterism in phonetics, seems to spontaneously add to the color and excitement of each and every race.

Considering the forthcoming Ruidoso Municipal Election and the number and names of the candidates, it would appear that there might be some sort of parallel between the previous mentioned races and the current Ruidoso Municipal election race. For obvious reasons we could not title our make believe race the Kentucky Derby or the All-American Futurity, although as far as the political race hopes are concerned their race might be just as important. How about the Ruidoso Quadruple Crown?

Wouldn't you be surprised to hear an announcer over some mechanical address system, "And... they're off and running at the famed Ruidoso track, a race in the 15th running of the two year Ruidoso Quadruple Crown..."

"As they make the first turn may I call to your attention that only sixteen of the eighteen hopefuls left the starting gate, two previously listed in the running on the official program were scratched, you may check with the official judges regarding their elimination from the race..."

"The sixteen are still in the first turn of this all weather Ruidoso track but picking up momentum as they make their bid for the Ruidoso Quadruple (Mayor, Two Trustees and Judge) Crown, a race held every other year, that has captured the attention of all area residents for the past twenty-six years."

"Looking to the far end of the first turn I see five of the more experienced crown hopefuls taking a lead as they make their turn, neck and neck it's Rapid Riley, Purely Pirelli, All White, Dashing Davis and Striking Stoneman..."

"Now the front five are out of the first turn and closing in fast. Behind the experienced five come the Gallant Guntar, Ready Rue and Phillips Too, making their bid for the front position..."

"Making up the pack as they are all out of the first turn, and surging for the lead is a dark horse named, 'Not-Too-Farrah' followed by Probable Payne, Miller-The Miller, Surely Atwood and Seldom Savage..."

"But wait, there's a cloud of dust, now it's cleared and closing in on the lead is Bennett's Best and Mediator Minor..."

"So it goes in this official three hundred and seventy-six hour race... To be concluded March 7th. (Please hold all of your tickets until the judges have declared the winners.)"

President Nixon's current trip to China has had to take a back seat as far as many Ruidoso area residents are concerned. First is the president, should have waited until after the Ruidoso High School Warriors participation in the District and Regional Basketball Tournaments and even possibly the New Mexico State Class AA Basketball Tournament before making such an earth shattering visit. Perhaps he will call the Warrior coaches to congratulate

NUMBER 37, IN OUR 26th YEAR

Just 4 Working Days Left— March 2nd Is Deadline For '72 License Plates

Ruidoso area automobile, truck, trailer and/or house trailer owners, after today, Friday, have but thirty-two hours or four working days to purchase their 1972 license plates or face a possible penalty. March 2, at 5:00 p.m. is the deadline for securing the 1972 plates, according to Mrs. Bob Hollis, head of the Ruidoso Municipal Motor Vehicle Department.

Penalties of fifteen percent of the state regulated cost for the respective license and a one dollar per day penalty will be charged to all automobile and truck owners unless they sign an official affidavit stating that the vehicle had not been moved, after March 2.

In reference to house trailers, Mrs. Hollis stated, fifteen percent of the cost of the license plus \$1.00 per day fine will be automatically added to the original cost of the license after the 5:00 p.m., March 2 deadline, regardless if they have been moved or not.

The only exception of the penalty for unlicensed house trailers is if they have been reentered for property taxes because the house trailer is on a permanent foundation with the trailer's wheels removed. House trailers in this category do not need a state motor vehicle department license.

As of February 1 there was a reported estimated 5,600 license plates yet to be sold in Ruidoso. Actual figures regarding the total number of plates sold by the village motor vehicle department as of February 18 totaled 1,360 passenger car plates, 531 truck plates, 102 truck trailers, and 103 house trailers.

The Ruidoso Municipal office is open Monday through Friday between the hours of 9:00 a.m. and 5:00 p.m. Area vehicle owners are urged to purchase their license plates as soon as possible to avoid a last minute surge for license plates and a possible financial penalty.

Benefit Supper Set For Captain

Mr. and Mrs. Herman C. Otero are sponsoring a March of Dimes Benefit Enchilada Supper Tuesday, Feb. 29, at the El Paisano Cafe. Proceeds from the supper will be used to benefit crippled children and those with birth defects. The supper will be served from 4:30 p.m. to 9:30 p.m. Admission for adults will be \$1.50 and children 12 and under, \$1.00.

They immediately following the District Championship game Saturday night.

I heard several of the Warriors express their apparent appreciation for the fine crowd last Saturday night in the Warrior gym—as the home town Tribe turned down the Dexter Demons, 107-97. Truth is the fans should be expressing their appreciation towards the Warriors by actively backing them with the attendance in Artesia during the Warriors' district play. Why not take Thursday, Friday and Saturday night off and make the short trip to Artesia. We've got a great team that deserves great support. By the way, why not volunteer your support, the Warrior volunteer team, many hours of hard work in an effort to make Ruidoso a town of Champions.

President Nixon's current trip to China has had to take a back seat as far as many Ruidoso area residents are concerned. First is the president, should have waited until after the Ruidoso High School Warriors participation in the District and Regional Basketball Tournaments and even possibly the New Mexico State Class AA Basketball Tournament before making such an earth shattering visit. MORE SKIS RECOVERED

For the second time in as many weeks, the Ruidoso Police Dept. has recovered several pairs of skis reportedly stolen in the Ruidoso area. The latest recovery, Sunday, Feb. 13, involved the theft of four pairs of skis by four Las Cruces youths. Two of the youths were brought before Juvenile Probation Officer Wayne Estes by RPD officer Paul Liggins, above. The other

youths involved in the Feb. 4 theft of the skis, at the Sierra Blanca Ski Resort Area, were expected to be brought before the JPO this week. The investigating police officer reported that the skis apparently had been sanded and refinished. All four boys are expected to go before the District Juvenile Court. (Ruidoso News Photo)

Pack Meet and Covered Dish Meal Held By Cubs

Ruidoso Cub Scouts Dens 1 and 2 held their regular monthly Pack meeting Wednesday evening, Feb. 16, at the Lions Hut. Pack Master Dale Wynn presided over the meeting, with opening ceremonies conducted by Den 2.

Jack Kinnady presented 1 gold arrow point and 4 silver arrow points to Cub Michael Snyder, and a 1-year pin to Cub Greg Lane.

After the short meeting, a covered dish supper was enjoyed by the group, with fathers of the Cubs serving the meal.

A planning meeting will be held Wednesday, March 8, at 5:30 at the Cree Meadows Golf Course.

The next regular Pack meeting will be held March 16, at 7:00 in the Lions Hut. The March Pack meeting will feature the pinewood derby races, with judges present to judge design and speed of the cars.

Den 2 won the Cubbie award, with 100% attendance of Cubs and parents.

Timberon Slalom To Be Held March 11-12

The "Timberon Slalom", a sanctioned ski race sponsored by the Sierra Blanca Ski Club, has been scheduled for March 11 and 12 at the Sierra Blanca Ski Resort. Feature races will be held for Junior, Senior and Elite racers and, for classes 1, 2, 3, 4 and Vets.

Ruidoso Chamber of Commerce Slates Election of 6 New Directors

Six new directors are slated to be elected by the Ruidoso Valley Chamber of Commerce this year and will take office in April. Nominating committee appointed by chamber president Dick Mound at the regular monthly directors meet Monday night included Tuffy Wilson, Joe Reinhardt, Bob Ethridge, Herb Brunell and Tommy Perle. The committee consists of two board members and the balance from the chamber members.

Directors with terms expiring are Sonny Wood, Jack DiPaolo, George White, Jill Thompson, Jay Moody and Frank Potter.

Hold-over directors are Bob Ethridge, Charley Parker, John Sears, Tuffy Wilson, George Luck, Bill Ward, Wayne Whitlock and ex-officio, Dick Mound.

The board decided to replace membership plaques with colored decals during the membership drive in May. Chamber members are urged to submit their memberships before the May drive to allow more time for the committee to contact new members.

A discussion was held on national publicity at the meet and it was decided that the chamber office should contact magazines, travel agencies and transportation companies with proper information about the Ruidoso area.

The board heard a report that the chamber was finishing the year in the black for the first time in several years, \$8,000 owed at the beginning of the year has been paid back in addition to the small balance held over for the following year. A suggestion that dues be lowered for next year was defeated by board action, and dues will remain the same as last year.

Jack DiPaolo reported on plans made by the 60 Year commemorative committee and asked if a ball couldn't be held in conjunction with the Chamber of Commerce. The board agreed and slated the ball for the closing of the Aspenade celebration.

Warriors Compete In District 5AA Tournament For '72 Crown

The Ruidoso High School record breaking 1971-72 varsity warrior basketball team is in Artesia this weekend participating in the Annual New Mexico High School District 5AA Basketball Tournament.

The Warriors, strange as it may seem, enter the tourney on par with the other nine Class AA high school teams in District 5AA. In spite of the fact that the Warriors can boast of a nine win, no loss record in District 5AA competition, having defeated every team in the district during the regular season of play. The local Tribesmen compiled a highly respectful 19 wins and five losses in the overall 1971-72 basketball season, losing all five games to Class AAA teams.

It has been four years, 1968, since a Ruidoso High School basketball team won the District Tournament Championship. In 1968, the then golden Warrior team, recorded a win 16, lost 7 season record and defeated the Cloudcroft Bears, 62-45, to gain the District Championship. The '68 Warriors lost to New Mexico's Cliff High School 78-65, in the New Mexico Regional Tournament.

The 1971-72 Warriors, coached by Phil Hood, in his second year as RHS head basketball mentor, played their first District 5AA Tournament competition Thursday night and will face the winner of the Jal-Dexter game Friday night at 8 p.m. The Warriors defeated Jal, 84-79, and Dexter 107-97, in regular season district games.

During their regular season district competition the Tribe averaged 93.44 points per game in the nine district games while their opponents averaged 65.66 points per game against the Warriors.

RHS Coach Hood will be assisted in the District Tournament by Warrior Junior Varsity Coach Thurman Sanchez, also in his second year as assistant coach for the Tribe.

Blane Miller, RHS Junior and Warrior starter, is leading the Warriors in individual per game scoring for the second consecutive season. The 6' 2" front man has a better than twenty point

Sierra Blanca Resort Sets All-Time Record

The Sierra Blanca Ski Resort set an all-time record for attendance last weekend with 2,000 skiers both Saturday and Sunday. With skiing conditions rated excellent, the weekend proved better than the nearest other record, Christmas, when 2,850 skiers were on the slopes.

Dub Williams ATHLETIC DIRECTOR

Other Warriors who make up the starting team and their average per district game during the regular season include Gordon Howell, Junior, 21; Ken Perryman, Junior, 13; Reeves McGuire, Junior, 10, and the only senior starter on the squad, Corky Conley with eight. Conley missed last weekend's Warrior win over Dexter because of illness.

The three tall men on the Warrior squad, Howell, 6' 5"; Perryman, 6' 3", and Conley, 6' 3", are averaging 16, 14 and 14 rebounds respectively during district regular season games.

Final district standings of the ten school District 5AA, at the close of the regular 1971-72 season and prior to the District Tournament are:

1. RUIDOSO (9-0)
2. Eunice (7-2)
3. Carrizozo (7-2)
4. Dexter (6-3)
5. Jal (5-4)
6. Cloudcroft (3-5)
7. Hagerman (3-5)
8. Capitan (3-3)
9. Lake Arthur (2-7)
10. Hondo (0-3)

Ruidoso High School Athletic Director Dub Williams reported this week that the school's activity bus is scheduled to go to each game of the District Tournament in which the Warriors are competing. Williams stated that the cost per student, on a first come basis, is two dollars per game. The bus will leave the RHS parking lot around 5:30 p.m. each game night with a second bus tentatively scheduled if needed.

Twelve members and guests will be held near the end of the event. Nolan Conner, of Cloudcroft will be chairman in charge of the contest.

The next regular meet of the group will be held at noon March 30 in Lincoln.

Regular Fifth Tuesday Meet of Local Masons To Hear Underwood

Jack Underwood, Ruidoso, Assistant District Attorney for Lincoln County, is scheduled to address the regular Fifth Tuesday, Masonic Family Night, Tuesday, Feb. 29, at the Ruidoso Eastern Star Hall.

Underwood, in August of last year, was appointed to the Assistant District Attorney position and at the same time became a law partner of the law firm of Leland Stone, Attorney at Law, Ruidoso.

The locally based Assistant DA is a native of Willow, Okla., and has been a resident of New Mexico since 1963. His legal career includes the position of New Mexico Assistant District Attorney in Anchorage, Alaska, and Assistant Attorney General for Alaska.

Preceding Underwood's address to the local organization a covered dish supper will be held for local and area-wide Masons and their families. Set for 5:30 p.m. the special affair is also open to the public.

Star

The annual Meet of the Candidates and old fashioned box supper affair is scheduled for Thursday, March 2, for all municipal elective hopefuls, including Ruidoso and Ruidoso Downs, at the Nob Hill Elementary School Cafeteria, at 7:30 p.m.

The annual event, sponsored by the Humane Society of Lincoln County in Ruidoso, according to Human Society president Joe Trull, gives residents a chance to personally meet the candidates and question them regarding municipal issues.

The women are asked to bring a box supper for two to be donated to the Humane Society. The supper will then be apportioned to the highest bidder with the proceeds going towards the Lincoln County Humane Society program in Ruidoso and Ruidoso Downs.

RD Schedules Bond Vote

A vote on a \$300,000 sewer bond is slated to be held in conjunction with the municipal election for the Village of Ruidoso Downs March 7. Citizens of the village will have the opportunity to express their desires on the \$1.2 million sewer treatment plant in a second try for the facility.

The project would include the plant itself, a main line to the plant, and feeder lines throughout the village. All areas of the village would be covered by the facility and lines would be available to some residents outside the village limits.

It is feared by many, if the bond does not pass, a case similar to the one in Hobbs would be brought against the village, forcing the building of the plant and with the possibility that no federal and state aid would be available for the project. The outside aid expected for the project would amount to about \$600,000.

Tax increase, if the bond passes, would amount to approximately \$27 per \$1,000 assessed valuation per year or about \$2.25 per month. With the reappraisal now being conducted throughout the county, the rates could show a decrease upon completion.

Monthly service charges for the sewer system have been estimated at about \$3.00 for an average home. Commercial rates would be higher.

Citizens of the village are urged to be well informed about the sewer bond before voting on the issue and may learn further facts at a meeting scheduled for Monday, Feb. 28 at the Village Hall.

A. R. (Ruidoso News Photo)

Kim Gooch Is Awarded D. A. R. Good Citizen Medal

Kim Gooch, daughter of Mrs. LeRoy Gooch, is honored recently, was the Ruidoso High School senior of the 1972 D. A. R. Good Citizen Award and Medal. In making the presentation to her high school seniors, Mrs. Thompson stated that the criteria for the selection of the girls, one each from each senior class, by the respective high school faculty members, is based upon the girls demonstration of Dependability, Service to Home, Church, and Community Leadership and Patriotism. More than eighty New Mexico high schools participated in the 1972 selection for the D. A. R. Good Citizen award. The New Mexico state winner will receive a \$100 government savings bond and the National D. A. R. Good Citizen award will receive a \$1,000 scholarship.

Miss Gooch, who recently was named as one of the Ruidoso High School Outstanding Teenagers for 1972 and who will vie for this year's Annual Outstanding Teenager of the Year Trophy to be presented by New Mexico Governor Bruce King, is a member and vice-president of the Ruidoso High School National Honor Society.

This year's D. A. R. Good Citizen awardee in 1971 served as secretary-treasurer of the Ruidoso High School Student Council and in 1971 was also president of the RHS Chapter of the American Revolution's school senior Good Citizens Award and Medal.

Miss Gooch's presentation, representing their respective high schools, was held in the conference room of the State Bank, also including the coveted Daughters of the American Revolution's school senior Good Citizens Award and Medal presented by Maudie Black, Alamogordo, who is presently to individual, who is coming a citizen of the State project special

during the annual Ruidoso High School Homecoming celebration. The twelve year student of the Ruidoso School system has been named to the school's honor roll throughout her school attendance, has been elected as a varsity cheerleader for two years, and has been awarded numerous scholastic and academic awards throughout her high school career.

Miss Gooch is a member of the United Community Methodist Church, Ruidoso, is a member of the church's official Administrative Board, choir member, organist, and president of the Methodist Youth Fellowship organization of her church.

Thursday night's official D. A. R. presentation ceremony was sponsored by the White Sands Chapter of the D.A.R. White Sands members present included Mrs. Arthur Abernathy, Alamogordo, Regent of the White Sands Chapter, and Mrs. John Dunlap, Alamogordo, White Sands Chairman Good Citizen Award.

Also present was Mrs. Marge Bevel, Las Cruces, State Treasurer for the New Mexico Society of the Daughters of the American Revolution.

Hostesses for the Ruidoso meeting were Mrs. Fred W. Pfingsten, chairman, Mrs. Hollis Cummins, both of Capitán, Mrs. F. B. Lindamood, Alto, Mrs. Wayne Underwood, Eva Ball and Mrs. Dale Dodds all of Ruidoso.

"Lost Generation" the latest release from World Wide Pictures, will be shown on Saturday, March 4, at the First Baptist Church, Ruidoso, filmed in Eastmancolor. "Lost Generation" utilizes multiple screen images and a probing documentary style to investigate attitudes on dissent, violence, the mood of America, and the answers that can be found by this generation as they face the decisions of life. According to the Rev. George Brittain, pastor of the church, the opinions of both young and old, urban and rural, rich and poor, are brought to the screen as the camera focuses on people of various backgrounds throughout the Nation. Location shots were filmed in Alaska, the Southern states, on the farms and in the small towns of mid-America, and in the dying Haight-Ashbury hippie district of San Francisco. The feature-length film, which includes special appearances by Billy Graham, Art Linkletter, and Jack Webb, was described by one reviewer as a "moving film that calls on us to make a decision about how much we want to get involved in the troubles of our times. It is a relevant story that demands our immediate attention."
"Lost Generation" will be shown on Sat. at 7:30 p.m., with no admission charge. The public is cordially invited.

Used Television sets, \$29.95, \$39.95 and \$49.95 with 30-day warranty at Gambles in Ruidoso.

Some Comments on Restoring Ruidoso

Ruidoso's sole industry is tourism. A resort town's most important asset is its atmosphere. By atmosphere we mean the difference between what is available here and what is available in the cities and plains of Texas. Ruidoso has mountains and trees—cool greenery in summer; bright white snow in winter. The appearance of our village should complement the natural attractiveness of the area.

The attractiveness of this environment led to the development of the race-track and the ski area. Other village developments however, have been haphazard and short-sighted. The results are beginning to show—rough-cut, scarred hillsides; vacant, deteriorating buildings; stately pines wantonly bulldozed for parking lots; village services increasingly inadequate for the vast areas of land taken into the corporate boundaries.

FITFULS OF BOOM YEARS

It seems that every two or three years Ruidoso has a very prosperous summer or excellent skiing conditions. These bumper years are often followed by a spurt of growth. Such spurts are generally accompanied by new under-financed, over-promoted, and improperly planned businesses that open and close their doors within months. These fly-by-night businesses leave behind not only bad checks and unpaid bills; but also bad business reputations for the rest of the village to live down. The result is a net loss for the village, not only in tax revenues, but in future repeat tourist business. Many of the growth spurts are

accompanied by land booms. More discretion should be exercised when annexing new subdivisions into the corporate limits. The annexation should be beneficial to both parties. The city should insure that the subdivision's population warrants the village's umbrella as well as insuring that the developer has met all the state and village subdivision regulations. Another consideration should be whether or not the village can provide the necessary city services, such as water and sewer lines, road maintenance, garbage disposal and police protection.

TIME TO RESTORE — NOW!

The time has come to restore and preserve Ruidoso. Ruidoso's development is at the stage when it is vital not only to have a business-under-every-tree, but also to save the trees that draw vacationers to our area. People hardly leave the cities of asphalt jungles to look for acres of paved parking lots here. Convenience and natural beauty can be made compatible with a little extra effort on our part. Our village trustees should exercise their power to grant all construction permits in order to maintain the charm of our rustic, western, "old alpine" architecture. Business construction permits and occupation licenses should be granted only after a public hearing before the village council. This type of regulation could control the development of the community as well as protect our non-resident property owners from the encroachment of broken restrictions.

Many non-resident property owners complain about the lack of protection for property values when they build nice resort

homes. There should be room in Ruidoso for everyone and for every type of dwelling. Let's set aside certain areas, such as the upper canyon to remain primitive and rustic. But let's also have designated areas for homes, cabins, modular homes and mobile homes. We need to do this in order to continue to accommodate that cross-section of the tourist trade that is so vital to maintain balance in the business community.

MANY IMPROVEMENTS COMPLETE

During the last few months many downtown businesses have been improved; these businesses are to be commended. This is another area where much can be done. Restoring old vacant buildings for small resort type businesses is perhaps one area that will best improve the atmosphere of our village. And perhaps most important, downtown parking must be provided, hidden from view by trees and other camouflage. Some old buildings have deteriorated to the point where they must be removed. We also need to set aside areas now for future parks and recreation. Such areas could be landscaped and planned to provide natural settings for tennis courts and other recreational facilities. Most important, several natural areas within the corporate limits would enhance the mountain atmosphere.

Last, but not least, one spring day every year should be set aside for cleaning up the river, streets, vacant lots and any other areas whose trash might collect. The yearly spring cleanup could be made a volunteer task if you are among the collection points for large items that the sanitation department can't

handle on their daily pickup were made available. Progress could be made in the area of street cleaning if the sweeper ran during the early morning hours rather than when it has to dodge parked cars (and street dirt) during business hours.

Ruidoso has so much to offer the vacationers of the Southwest. Why are we so far behind in the area of protecting our most important commodity—our natural beauty?

— IN SUMMARY —

Some things that must be done:

1. Replace and restrict the cutting of trees.
2. The city council must exercise its option of approving all new businesses and housing building permits.
3. Restore or remove ugly buildings that are death traps or fire hazards.
4. Protect permanent local habitats from fly-by-night operations that remain only one season and give the village a bad reputation.
5. Before taking in any new subdivisions insure that mutual benefit results; that the developer has provided water rights, water, and sewer.
6. Require all future line utilities be placed underground.
7. Re-evaluate the use of paving and un-maintained cutting of hillsides.
8. Protect non-resident property values by setting different rates of the village aside for different types and values of homes.
9. Provide more parks and recreational areas.
10. Clean up the trash on the streets and vacant lots and provide for picking it up.

LETTER TO EDITOR

To The Whole Community of Ruidoso and Ruidoso Downs, Have any of you driven by "Forest Lawn", our beautiful cemetery lately and seen how much nicer it looks since Don Riley so unselfishly painted all the iron work. He took his time out from his work and did it for us all. And I want to take this means of thanking him for doing it.

We are asking for people that have any suggestions for the beautifications of our cemetery to tell us. We plan to get busy on it. There is quite a bit of iron individual that has loved and there could do to help

the looks of it, such as remove all old flowers that have faded and died and just clean up around your own plots.

Since the city has been so kind as to donate the money that comes from the sale of lots directly to the Cemetery Fund, maybe we can make several improvements that will help the looks of it—it's such a pretty cemetery—we could have the prettiest cemetery in the whole country, as if it is not pretty as it is but we do hope to improve some more on it.

Any help or suggestions will be appreciated and I just want to take this opportunity to not only thank Mr. Riley for his contribution but to the men who open and close the graves, they do such a good job cleaning up after having a funeral—I am proud of you too.

Sincerely,
Billie Clark,
Chairman of The Cemetery Board

SKI INSTRUCTOR OF THE WEEK—Diana Grover has been named Instructor of the Week by members of the Sierra Blanca Ski School. Diana has served as an instructor at the resort for eight years, and works as a fire lookout in the summer months.

Services Pending For Mrs. Atwood In Amarillo, Texas

Funeral services were pending this midweek for Mrs. Hazel Sarah Atwood, 80, who died in the Golden Age Nursing Home in Amarillo, Texas at 7:00 p.m. on Tuesday, Feb. 22. Mrs. Atwood was born in Wellington, Kansas on Nov. 24, 1891. She and her husband were some of the early settlers in Amarillo, and she had the first flower shop in Amarillo which she operated until her retirement about ten years ago. She was a past president of the Texas Floral Association and was honored by that organization about ten years ago with a dinner when she was made a lifetime member of the group.

Mrs. Atwood was a past worthy Matron of the Amarillo chapter of the Eastern Star, and served six terms as president of the Grand International Auxiliary to the Railroad Engineers. Her husband who died in 1939, was an engineer with the Santa Fe Railroad. Mrs. Atwood was also a past president of the Business and Professional Women's Clubs.

Surviving are one son, Sherman Atwood, Ruidoso; one daughter, Mrs. Roy L. Gamme, Amarillo; four grandchildren and two great-grandchildren.

Diana Grover Named Instructor of Week

Sierra Blanca Ski School has chosen a new Instructor of the Week. An instructor's enthusiasm for his job, class return rate and cooperation are all factors which determine the winner of the award each week.

This week the award was given to Diana Grover. This is Diana's eighth year as an instructor at Sierra Blanca. The Ski School has an amputee ski program for men at William Beaumont Army Hospital and Diana is the instructor who teaches those classes. She also gives private lessons to amputees. Her husband, Denny, is the head of the Pro Patrol at the ski area.

During the fire season in the summer Diana works as a fire lookout at the Mon Jean fire tower. When she is not working Diana turns into an avid gardener.

Diana is a fine instructor and should be congratulated on being selected Instructor of the Week.

Candidates Corner

LEON FARRAR

Leon Farrar, 46, a resident of Ruidoso since 1944, has filed as a candidate for mayor in the forthcoming municipal election. Farrar and his wife, Marie, have two children, Candace Russell, who resides in Durango, Colo., with her husband, Cary, and two daughters; and Pat Farrar II and his wife, Lynne, who are sophomores at New Mexico State University at Las Cruces. Both attended 12 years of school in Ruidoso.

Farrar has been in business in Ruidoso for the past twenty

seven years and at present owns and operates Pat's Sporting Goods. He has also been employed by the Ruidoso Municipal Schools as a bus driver for the past 16 years.

He is a member of the Community United Methodist Church.

Farrar is running as an independent and would welcome the opportunity to serve the citizens of Ruidoso.

He especially urges all to vote on March 7.

TO THE RUIDOSO VILLAGE COUNCIL
MARCH 7th

My heart is so heavy over what has happened at City Hall the past few years. It is so heavy that I am out to do something about it. We recently passed a city water bond that says nothing of where the money is going or what it is going to do for us. Let us put the money where it belongs. Rue restores the trust.

Altrusa Club Has Guest Speaker For Feb. 16 Meet

Mrs. Edward V. Stalzer of Ruidoso was the guest speaker for the meeting of the Ruidoso Altrusa Club held Feb. 16 in the conference room of Ruidoso State Bank. Mrs. Stalzer spoke on a tour she and her husband took last fall to the Galapagos Islands and showed colored slides from the trip. The Stalzers tour included the following islands in the group, North Seymour, Hood, Floreana, James, Santa Cruz, Plaza, Bartolome, Isabela, Fernandino and Tower Islands. Mrs. Stalzer stated that some of the species of native wildlife in the islands being studied by the Charles Darwin Research Station include land iguanas, red marine iguanas, flamingos, mocking birds, frigate birds, nests of swallowtail gulls, colonies of fur sealions and breeding areas of the albatross, flamingos, penguins, and flightless cormorants. She said that a look into the crater which

Bruce Tells of Plans For Exchange Tour

Secretary Leon Bruce explained methods of scheduling tours for Rotary Exchange students at the regular weekly meeting of the Ruidoso Rotary Club held Thursday at Joe's Cafe. The importance of the tours to learn more about the United States was stressed in the talk. Bruce noted that preparations for the tour involved a great amount of work and should be started at least four months in advance of the tour itself. Students on tours are hosted by Rotary clubs throughout the nation.

Volunteers for the Timberon Slalom, slated for March 11 and 12, were requested of members in the club. The volunteers will operate as gate keepers on the course and are slated to attend a class on the duties of gatekeeper the week preceding the event. Those volunteering for the job were Leon Bruce, Mike Waldrip, Al Lane, Ray Crawford, Wynnan Scarborough and Dick Mound.

Visiting Rotarians were Lee Hoyle of Wichita Falls, Texas and Carroll Collier of Brownfield, Texas.

Class 3-4 Skiers Do Well At Santa Fe

Brian Skinner, local ski racer, was in Steamboat Springs, Colo. Feb. 15 and 16 for the Werner Cup Race where he finished in 15th place over-all.

In the giant slalom held at Santa Fe last weekend, Linda Mobley was a second place in the Class 3 girls, Greg Mobley took a third in the Class 4 boys, and Kevin Crawford captured second place in the Class 4 boys-only. A second from first place.

Kevin placed 13th over-all with college students and Class 1 and II competing.

Skiers slated for meets this weekend include: Crested Butte at Gunnison, Colo., Elite downhill qualifying for Junior National - Dale Pearson, Kathy Campbell, Brian Skinner and Sawyer Ward.

Pajareta at Los Alamos, Sunday, Elite, Senior and Classes 1, 2, 3 and 4 - Greg Mobley, Kevin Crawford, Mark Mobley, day, Elite, Senior and Classes and Steve Reynolds.

Saquis at Taos, Classes 4, 5 and 6 - Greg Mobley, Kevin Crawford and Mark Mobley.

BRING HOME THE TROPHIES—These three Ruidoso Junior Racers were in Santa Fe last weekend for the giant slalom and returned with two second place and one third place trophy. They are, left to right, Linda Mobley, 2nd place in Class 3 Girls; Kevin Crawford, 2nd place in Class 4 Boys; and Greg Mobley, 3rd place in Class 4 Boys. Ruidoso skiers have had a good showing at almost all of the meets attended this season. (Ruidoso News-Photo)

Band Boosters Hold Meeting Monday, Feb. 21

The Ruidoso Band Boosters met Monday, Feb. 21, at 7:30 p.m. in the high school library for their regular monthly meeting.

In the absence of the president and vice-president, Mrs. Mickey McGuire, secretary, conducted the meeting. The treasurer's report was read by Mrs. LeRoy Gooch, and she reported that the recent enchilada supper made a profit of \$241.92.

Mrs. Ken Newton, chairman of the Ruidoso Revues, gave a report on the progress of the show, and the various acts that will appear. The Revues will be held in April, with the date to be announced later.

LeRoy Gooch, band director, announced that the High School Band will be participating in solo recitals beginning Sunday, March 26, at 6:30 p.m., and continuing for four sessions through that week. Each high school band student will be required to memorize a selection and perform that selection solo. The public is invited to attend any or all sessions.

A tentative date for an appearance of the Southern Singers of the University of Texas has been set for March 27. The Ruidoso Band will sponsor the group this year, to raise money for a trip to Amarillo, Texas for the "Band Festival." The Festival is to be held April 27-28. The local band will compete in stage band, concert band and solo competition.

The next regular meeting of the Band Boosters will be held Monday, March 20, at 7:30 p.m. in the high school library.

Surely one of the nearest things to Heaven is to go home after being away a long time.

After a stay of three months and eight days in the Ruidoso Hospital I drove across the creek and along the old road toward the house in the blue pick-up that used to belong to Charlie Culver and which Charlie and the Rev. John Miner worked out for me to buy. I keep forgetting to send you Charlie's new California address, but will get it right away. Everything is all stacked up in the house.

A little before noon on the sixteenth of February, I passed the old corral, on the way up to

the house. A snow bird came out of a cedar tree and flew in front of the pick-up flashing his white tail feathers. I felt he was welcoming me home. Then right near the house a little band of blue birds stood unafraid on the REA wires as I stopped and walked in the gate. What better welcome could you have?

The house inside was in much better order than I had left it, thanks to my brothers, Mark and Lynn and Helga Haake. I built a fire in the fireplace from the good wood pile put out in front by Conrad Keys, Fat Dumbahoo and Mike Gonzalez. Fire of pison, pine and walnut blazed up. The heat warmed my bones, and the smell filled my soul with "sweet content". But there was something missing.

The Return of Shady Logan

All through the late fall and winter my Collie-Coyote dog, Shady Logan, has had a wonderful home given him by Mr. and Mrs. Ed Hebert. (Mrs. Hebert is the former Jo Morrison). The Heberts showered Shady with every kindness and care. And besides this, there was a dog and a cat in the house for company. The two times that Ed brought Shady by the hospital, the little dog acted as though he dreaded to give up his new home. And wanted no part of the hospital.

Often, in the hospital, I would lie there and wonder if Shady Logan would come back. Had he wanned himself away from the lonely life across the creek? Did he figure I had deserted him and would not forgive?

My friend who knew dogs better than I, notably Elsie Williams, said that when both of got home, everything would fall back in place. I could not help but wonder.

The next day, the 17th, I was to go down to the State Highway trailer at Shorty Ellis' Texaco Station and pick up Shady. As I approached Ed Hebert's car, there was the little gold and white coyote face looking out. When I opened the door, he hopped out and ran over to the pick-up and jumped in the seat. Lightly wagging his tail he seemed to say, "Well, let's get the show on the road."

The closer we got to the home gate the faster the tail wagged, till at the gate, I had no more than half opened the pick-up door. Out he squirted like a lemon seed and hit the ground running toward the creek. In he waded out to the middle and went swimming down stream drinking as he swam. Then he got out and rolled over and over in the sand and dirt making of himself a ball of mud.

At the house, he opened the screen door himself, and went all through the house making sure a squirrel had not broken in, and then outside he went, slamming the screen door behind him, and went the rounds of all his outposts. Grinning his coyote grin from ear to ear, he came back into the yard. All at once he dashed out of his special little gate he had made for himself by pushing up the net wires of the yard fence. Back through the little gate he came and back out again, as fast as he could go, then he circled the house, and came out in front looking up with tongue hanging out, parking, and eyes shining.

Got a bird that I know in Atlanta and thought I better write and let him know all the things that have happened around town the past few years. I mean the things that count. We have had several new restaurants, shops and a new hardware that have made the town a little bigger and better and there have been many new homes going up in all parts of the village that will someday make us quite a town. Aint no town we might even get mail service if we keep a goin, wouldnt it be sumthin to have a mailman gain to the last house on bootleggers gulch and then have to cut across the hill to Ed Lane's house and back down to George Rues place. No foolin it would be quite a feat but its one of the hazards of civilization that we got to face.

Aint been too many years ago that I had a place to keep the shovels, hoes and the garden equipment and then all of sudden the Village made it feasible to have an outdoor privy and we had to move all the stuff out and last down one of the historic sites in Ruidoso. But so goes progress.

WARRIOR'S FINISH WITH 2 MORE WINS

By HUGH STILES

With the repeatedly pronounced chant, "We're number one, we're number one," by Ruidoso Warrior basketball fans throughout the closing minutes of play during the Warriors' convincing defeat, 107-97, over Dexter here Saturday night, the local Tribe climaxed one of the greatest win-loss records in the local high school's history.

The Warriors, winning thirteen out of their last fourteen games, ended their regular season of play with an extremely complimentary 19 wins and 5 losses, the five losses, all to Class AAA schools. Ruidoso is Class AA.

What is of greater significance is that Ruidoso High School head basketball coach Phil Hood's proud Warriors were unblemished in their District 5AA competition winning nine games with no losses, reportedly a new school record.

Their double victory last weekend, defeating Cloudercroft, 77-71, Friday night in Cloudercroft, and then demolishing the Dexter Demons here Saturday night, gave the gallant Warriors the top seat in the annual District 5AA Basketball Tournament.

The ten team tournament got underway Wednesday of this week in Artesia with the Warriors playing their first game in the tourney Thursday at 8:00 p.m.

Friday night in Cloudercroft, with the exception of the second period, the Warriors outscored the host Cloudercroft Bears in every quarter of play. The Miller/Gordon/Howell combination proved to be too much for the Bears as Miller and Howell dropped in 23 and 20 points respectively in trouncing the host club. Joe Castanon, Cloudercroft starter, topped the Warriors' scoring with 33 points. Saturday night the Warriors took an early lead over the Dexter with only forty-eight seconds

to play to put the Tribe JVs in front. To clinch the win Joe Bob McGuire, with two seconds of play, dropped in two free throws to give the host JVs an 82-78 victory.

With the score tied at 74-74 at the end of the final buzzer of the game, the team went into regulation 3 minute overtime and Howell dropped in 23 and 20 points respectively in trouncing both teams, including the Warrior starter, topped the completions by Mike Garry, Warrior JV starter Clyde Reynolds dropped in a fifteen footlock an early lead over the Dexter with only forty-eight seconds

to play to put the Tribe JVs in front. To clinch the win Joe Bob McGuire, with two seconds of play, dropped in two free throws to give the host JVs an 82-78 victory.

HOWELL'S HABIT—Garden Howell, No. 30, 5' 8" Ruidoso Warrior center, made a habit last Saturday night, during the Warrior's bombardment of Dexter, 107-97, of using the soft touch of a master resulting in his scoring twenty-nine points. Howell collected on ten field goals, much like the one pictured above, and tallied on seven of nine free throw attempts. Dexter players are Paul Grassie, No. 33, and John Wortman, No. 31. (Ruidoso News Photo)

MCQUIRE'S MILESTONE—A common occurrence during Ruidoso Warrior basketball games is to see Warrior Reeves McGuire, 5' 6" starter for the Tribe, make a drive down the middle of the court through a host of taller, much taller, opponents, and twist, bend and stretch as he collects on a field goal. The Ruidoso junior dropped in 13 points for the home team as they defeated Dexter here Saturday, 107-97. Dexter's No. 31, John Wortman, barely saw McGuire pass by. (Ruidoso News Photo)

MILLER MOOD—Just minutes before the end of the final period of play in the Ruidoso-Dexter basketball game, played here last Saturday, Blaine Miller, above, the Warriors' leading scorer for the season (paled out of the contest. His long strides to the bench and the apparent look of disgust with himself certainly is not indicative of the twenty-six points he scored during the game to assist in leading the Tribe's convincing defeat over the visiting Dexter Demons, 107-97. (Ruidoso News Photo)

TWO (MORE) FOR MCQUIRE—Joe Bob McGuire, center Ruidoso Warrior JV, dropped in twenty-five points to lead the Warrior JV's over the Dexter JV squad, 82-78, in an overtime game, played here prior to the Warrior-Dexter varsity game Saturday night. The sophomore starter on the JV squad is averaging nearly twenty points per game. Britt Beal, fever right, Warrior JV team member, is seen getting ready for the rebound, which needless to say did not come as McGuire hit on a perfect shot. (Ruidoso News Photo)

HARLAN SMILES—A close look reveals Ruidoso Warrior Junior Varsity starter Harlan Butts smiling as he makes the tie-breaking basket in last Saturday's Warrior JV overtime win over the Dexter Demons. The Ruidoso JV team took over the slightly played game with but 48 seconds of play remaining as Warrior JV Clyde Reynolds dropped in a fifteen footer. (Ruidoso News Photo)

FRESHMEN LOSE—Ruidoso Warrior freshman, Ted Durham, No. 44, tallied two points following the above rebounding during the Warrior Freshmen-Dexter Freshmen preliminary game last Saturday night in the Warrior Gym, Collier Parks, No. 44, stands as a backup for the high jumping Durham. The local Freshmen dropped the game to the visiting Dexter club by three points. (Ruidoso News Photo)

RAINBOW GIRLS ASSEMBLY Meets each 1st and 3rd Thursday, 7:00 p.m. in O. E. S. Hall in Palmer Gateway. Rainbow Advisory Board meets each first Thursday of month, same place.

The Second Session of the 30th Legislature adjourned at 12:30 p.m. on Friday, Feb. 18, some 24 hours after the scheduled time to adjourn. As I recall, last year we stayed over 28 hours, so we are improving.

The Constitutional Amendment that I introduced to reduce the number of jurors from 12 to 6 passed the Senate 41-0 and the House 39-12. This will now appear on the November ballot for everyone to vote on. I think it is a good amendment and hope that it will pass.

Two bills did not pass that I feel we need. First was a bill that would make all district attorneys of the State full-time instead of part-time. The bill, as presented, gave a considerable increase in salary that would adequately compensate this important office. Most of the district attorneys in the State, including ours in Otero and Lincoln counties, favor the bill. A few, and I think for selfish reasons, disapproved of the bill and successfully convinced the Senate Finance Committee to kill the bill.

All district attorneys are up for election this year for four-year terms. From a constitutional standpoint, we can't change this part-time position for another four years. With all the criminal problems we are experiencing, the State of New Mexico can certainly afford a full-time official in this important position.

The second bill, the subdivision bill that passed the Senate, was considered a weak bill by the environmentalists, and too strong a bill by the subdividers. Basically, I thought it was a very good bill and was sorry it didn't pass the House. It gave to the County Commissioners a great deal of control over new subdivisions, including information that had to be supplied them as to the amount of water, the type of contract that was going to be written, environmental effect that the subdivision would have, and other information before they would approve

CONWAY from the CAPITAL

JOHN E. CONWAY STATE SENATOR

One of the strong points of the bill was that it applied to all subdivisions, whether they had been approved prior to the date of the act or afterwards. Therefore, any present subdivider would have to supply the information and would also have to file a disclosure statement with the Attorney General. The bill was amended in the Senate to apply to all subdivisions of 25 lots or more. Some subdividers in the desert area of northern New Mexico are simply dividing old live-acre tracts and selling them to people from all over the United States, without benefit of a subdivision filed with the County Commission. This bill would have put a stop to this problem. Likewise, a purchaser, if he did not in fact see the land before he purchased it, would have six months after he first inspected it to terminate his contract and have his money refunded.

The bill did not suit three members of the House of Representatives, who consider themselves to be strong environmentalists. The three are from counties outside of Otero and Lincoln. The committee chairman of the House, who was against the bill, as time was running out simply did not call a committee hearing and therefore let the bill die. This strikes me as a very negative attitude; although the bill may not have been all he wanted, it was certainly a much better bill than what we presently have in New Mexico.

Next week I will explain what the Contrary Control Substances bill, which was passed on the last day of the Session, does to our drug laws. Again, this bill caused a great deal of controversy, a large amount of hard feelings between several Senators, but although we were able to strengthen the bill, it is still too weak.

FACULTY REVIEW

A. J. THOMPSON — Mr. A. J. Thompson is shown standing by his classes' styrofoam model of a dinosaur which, he noted, had been displayed before all of the classes at White Mountain School. Thompson, who is an eight-year veteran teacher in Ruidoso, began his career of teaching in Torrey, Colo., in 1957. (Ruidoso News Photo)

A. J. Thompson, Title I instructor at the Nob Hill School, has been chosen for this week's faculty review. A Thompson's class includes students from classes 4, 5, and 6 under the Title I program.

At the time of the visit to the classroom, Andy Haddix, well known teacher worker, had just completed instructing the children in the basic of reading.

The classroom showed the effect of a one-day absence of the student seated in the front row. Thompson has had a varied career in the teaching profession having taught at White Mountain School, Nob Hill School and Otero High School. He has also taught in Torrey, Colo., and at the Mountain School in the State of Colorado. NEWS 'N NOTES

Mary Ellen Payne (Lincoln County Home Agent) "Slim and Trim Meals" was the topic at Leader Training meetings for Extension Club members this past week. The club women attending will take the lesson and the materials to their respective clubs at future meetings.

The lesson taught by Mary Ellen Payne, Lincoln County Home Agent, featured three main dishes, two vegetable dishes and two salads. Information was given on proper nutrition to maintain the glow of good health while reducing.

The meeting was attended by Extension Club members and the Home Economics class at Hondo High School. The students were accompanied by their teacher, Mrs. Hazel Arthur.

One of the low calorie dishes was "Fish Creole". The recipe was taken from the Pillsbury Family Weight Control Cook Book.

Fish Creole
1 lb. haddock, cod or halibut fillets, thawed
1 tablespoon butter or margarine
1 cup (8-oz. can) stewed tomatoes, cut into pieces
1 cup (1/2 med.) chopped onion or 1 tablespoon instant minced onion
1/2 cup finely chopped celery
2 table spoons chopped green pepper
1/2 cup sugar
1/2 teaspoon salt
3/4 teaspoon leaf oregano, if desired
1/2 teaspoon pepper

Oven 350°, 4 servings
203 Calories Each

Place the fish fillets and dry with a towel. Arrange in 9-inch square or 11x7 inch pan. In medium saucepan, melt butter. Stir in remaining ingredients; mix well. Carefully pour tomato mixture over fish fillets. Bake at 350 for 40 to 50 minutes until fish flakes.

By FRED BURBES

SANTA FE—The 1972 Legislature adjourned after voting a \$91.3 million General Appropriations act and withdrawing a verbal explosion over marijuana penalties in a drug abuse bill.

The legislature accepted a compromise on marijuana penalties shaped by a conference committee that included Sen. Aubrey Dunn, D-Alamogordo, and John Conway, R-Alamogordo, both representing Lincoln and Otero Counties.

Sen. Odie Echols, D-Clovis, quit as chairman and a member of the Interim Drug Abuse Committee in the "blowup" on the senate floor.

Rep. William J. Upton, D-Tierra, opposed a substitute land subdivision control bill sponsored by Sen. Dunn. The bill limited to one acre-foot of water a year from a domestic well in a land subdivision in a declared water basin. Upton said the standard 3 acre feet per year should be applied.

After much wrangling the legislature passed the land subdivision bill. Rep. Upton voted for the House reappointment bill cleared by the legislature. He said: "I will, if re-elected, represent all of Hidalgo and Luna Counties although a couple of Luna County precincts will not have the opportunity to vote for me."

Deming Precincts 17 and 19 were moved into District 33 represented by Rep. Frank Salopek, D-Las Cruces. Upton's new District 32 spans 14,433 population, 2.54 per cent over the norm or ideal population of 14,314.

Rep. Upton said the \$4-million truck tax fee increase, signed by Gov. Bruce King, "is good legislation." He strongly favors assigning two State Police officers in each squad car. King proposed to place two officers in each patrol car on parts of interstate highways.

Rep. Upton voted for the \$7,000 annual pay raise approved by the legislature for district, Court of Appeals and Supreme Court judges. He favored \$184,000 in salary increases for magistrates. Included were \$2,000 raises for Magistrates Manuel Holguin, D-Deming, and Rosaline Salinas, D-Lordsburg.

Rep. Upton said penalties in the drug abuse bill cleared by the Senate were too light for possession of marijuana. The bill was finally adopted with modified penalties. Upton said Hidalgo County Sheriff Leroy McCarty told him 1,036 kilos of marijuana — about 2,300 pounds — have been seized since Jan. 1 in Hidalgo County.

Rep. George Blocker, D-Jalisco, landed in a House district that includes Jalisco and part of Hobbs. Hobbs was divided into three proposed House districts after much maneuvering. Blocker is retiring after 15 years in the legislature. Dan Berry of Eunice, a Democrat, will run for Blocker's seat.

The legislature cleared an additional \$35,000 appropriation to the attorney general to wage New Mexico's legal fight for a sharp natural gas price increase in the southeastern sector's Permian Basin.

A King-supported bill allowing the state to take state gas royalties in gas instead of payment was adopted. Sen. Tibbo Chavez, D-Belen, managed the bill for the administration. The bill cleared the Senate 39-6 and the House 50-0. The purpose is conservation of natural gas supplies for in-state use. The change will

apply mostly to renewals of state gas leases.

A general obligation bond issue to buy huge W-S Ranch in Colfax and Taos Counties for up to \$28.5 million died, 40-30, in the House.

A bill by House Majority Leader David Salzman, D-Dillon-Horseshoe, was passed to establish a "tree farm" at a New Mexico State University experiment station in Mora with a \$200,000 appropriation.

Rep. Salzman explained the purpose "is to develop the scientific data, research and expertise to make the growing of Christmas trees a profitable industry for New Mexico. It has tremendous economic potential."

Sen. C. B. Trujillo, D-Taos, managed the tree farm bill in the Senate. Salzman, chairman of the Legislative School Study Committee, said, "I am also exceptionally pleased that all of the LSSC bills except one—the 12-mill property tax bill—were passed." Salzman cited "as really significant the steps we have taken in the special education, vocational education, program enrichment and equalization areas."

Salzman added: "The biggest disappointment to me was the inability of the legislature to come out with land subdivision legislation." The much-revised embattled land subdivision bill finally died in a House committee.

Sen. Echols' rapid transit commission bill edged through the Senate, 22-19, but died in the House.

The legislature appropriated \$140,000 in a capital improvements bill for academic classroom at Carria Tingley Hospital for Crippled Children, Truth or Consequences.

Senate Majority Leader Tibbo Chavez, D-Belen, and Senate President Pro Tem J. M. (Ike) Smalley, D-Luna-Hidalgo-Sierra, managed the Senate smoothly. Their senatorial districts were virtually unchanged in Senate reappointment adopted by the legislature.

Smalley was pleased the University Study Committee's proposed \$10 million general obligation bond issue for state university libraries cleared the legislature. The issue will be on the general election ballot Nov. 7. Smalley is chairman of the USC which was continued by lawmakers.

Sen. Trujillo said truck tax fee increases were a major

achievement of the legislature "because they equalize taxes in proportion to use of highways."

Trujillo predicted Senate reappointment legislation "will be accepted by the courts." He noted state support for public schools was increased \$12.8 million. "It should certainly allow schools in Taos and Mora Counties," he said, "to increase salaries above the 5.5 per cent permitted by President Nixon's Phase 2."

The legislature passed a \$1.1 million bill by Rep. Fred Luna, D-Los Lunas, boosting minimum state pay from \$300 to \$330 a month.

SPIRIT LAKE, IOWA REASON: "Seems like our nation is faced with one crisis after another. One problem is solved and six more crop up. Grain prices being closed by cattle create serious problems for our farmers and those in related businesses, like elevators, railroads, truckers, etc. President Nixon is blamed for everything bad that happens, while he gets no credit for any good development. When you think about the huge headaches involved you can't help but wonder why anyone would want to be President."

TAYLOR CARPETS—Bill and Peggy Taylor are the new owners of the former L & L Carpet Shop in Ruidoso. Taylor noted that the shop now handles linoleum, tile, ceramic tile, and seamless floor in addition to carpet. The shop is equipped for installation of any type of floor covering and also does custom carpet cleaning.

Carrizozo Soldier Completes Course

Army Private First Class Frank D. Hein, 20, son of Mrs. Agnus D. Hein, Carrizozo, recently completed a 15-week Tactical Microwave Systems Operation and Maintenance Course at the U. S. Army Signal Center and School, Ft. Monmouth, N. J.

During the course, he learned the techniques required to operate and adjust and assist in the installation and repair of tactical line-of-sight and tropospheric scatter radio equipment.

Pvt. Hein entered the Army last April and completed basic training at Ft. Polk, La.

He is a 1969 graduate of Carrizozo High School. Before entering the Army, he was employed by United Minerals Co., Carrizozo.

The Private's wife, Esther, lives in Carrizozo.

Your Social Security

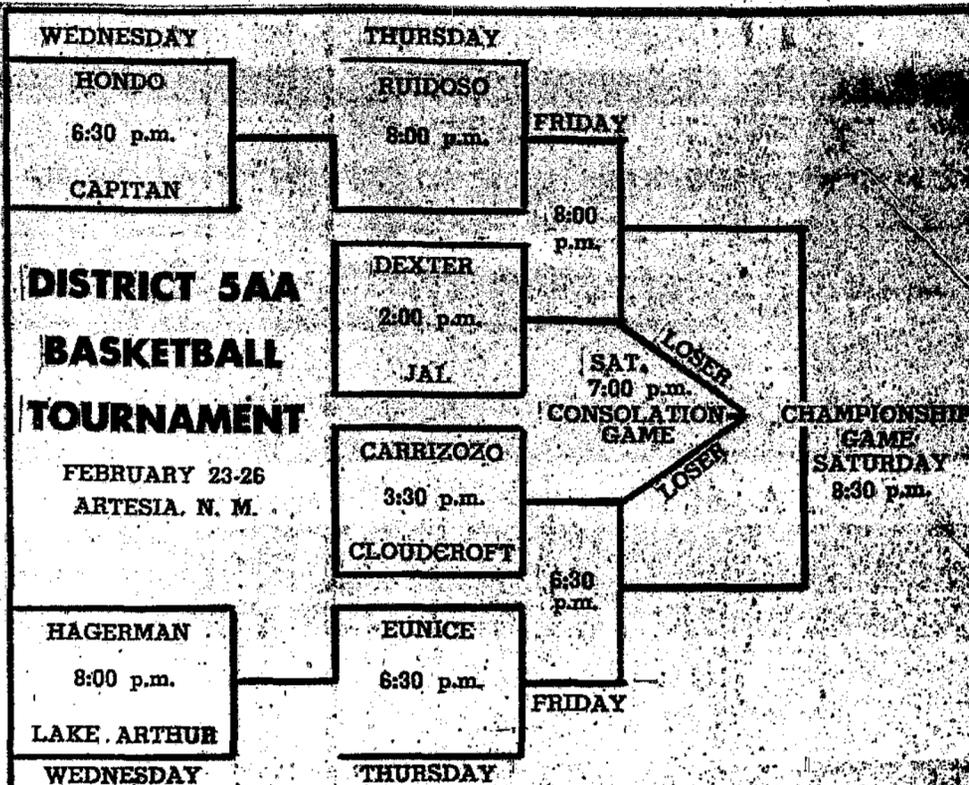

"What do I need when I go in to file for my social security?" This is a question asked daily of the social security office, according to Mrs. Christina Graves, social security field representative.

Most people know they will need their social security number and birth record. However, one record frequently overlooked but usually required is the W-2 form or copy of the tax return for the last calendar year.

Timely advice from the social security office is this: Anyone who plans to file a claim for social security benefits this year, should take his W-2 forms and a copy of his 1971 income tax return with him.

By having the necessary records with him when he files for his social security, he will be assured of receiving his benefits at the earliest possible date.

The social security office may be able to handle the claim by telephone. The W-2 or tax return would then be mailed in.

WARRIORS IN DISTRICT 5AA TOURNAMENT — The Ruidoso High School Warriors, completing one of the finest school basketball seasons last weekend, take their wares to Artesia this weekend for the annual District 5AA High School Basketball Tournament. The Warriors go into the tourney with the only perfect district won-lose record of all the teams in the tournament with nine wins and no losses. The Tribe plays their first game Thursday night, 8:00 p.m. against the winner of the Hondo-Capitan game. The last Warrior squad to win the District Tournament was in 1968. (Ruidoso News Photo)

LETTER TO EDITOR

A Big Thanks To
The Bonito Fire Department Sunday afternoon, about 6:00, a fire broke out some thirty feet from my cabin in Cavalian Canyon. My wife rushed to the Von Rosenberg, since our cabin has no telephone. Within ten minutes here came the Bonito fire chief with a portable fire extinguisher. Very shortly Mr. Von Rosenberg appeared with one fire truck. Within minutes some fifteen Bonito volunteer firemen were by and the fire was extinguished.

I didn't get their names, but I am, I'd like to give the Bonito Fire Department a big

"Thank You"
Bright and early Monday morning Mr. Pulaski, Forest Supervisor, appeared, examined the fire spot, and assured me that the situation will be checked daily through the week to catch any possible fire outbreaks. It looks as if the Forest Service is on its toes, too.

Very Sincerely,
A. M. Thomson,

Four Churches Meet For Study On COCU

Representatives of the First Presbyterian Church, Community United Methodist Church, Episcopal Church of the Holy Mount and the First Christian Church met Wednesday, Feb. 16, at 7:00 p.m. in the First Christian Church. The meeting was in connection with a study the four churches are doing on Consultation on Church Union (COCU).

Communion services were held using the order of worship suggested by COCU, with the four ministers acting as celebrants. A ladies' quartet from the First Christian Church sang. The ladies were Texie Cole, Ruth McGuire, Betty Patton and Marie McNeil.

A fellowship was held after the meeting, and the future of the ecumenical movement was discussed.

Thanks Again,
Tom & Pat McNeil

Hearings Set For White Sands Study

Public meetings will be held on Saturday, Feb. 25, and Sunday, Feb. 26, at Alamogordo to receive comments and suggestions on the National Park Service's wilderness study and master plan draft for White Sands National Monument.

Frank F. Kowalski, Director of the National Park Service's Southwest Region, with headquarters in Santa Fe, said the meetings will be held at the Alamogordo City Hall, 511 10th St., Alamogordo. The master plan discussions will begin at 9:00 a.m. and the wilderness hearings at 1:00 p.m.

Kowalski explained that the Service is holding the meetings in order to solicit the public's views and desires. The National Park Service prepares master plans to guide preservation, interpretation, development and use of each area.

"The Wilderness Act of September 3, 1964 requires the Secretary of the Interior to review roadless areas of over 5,000 acres to determine their suitability or non-suitability for inclusion in the National Wilderness Preservation System," said Kowalski. "Such a study, made in conjunction with the master plan study of the monument, found the roadless areas not suitable for wilderness designation."

Kowalski added that oral comments on both the draft master

plan and wilderness study may be made at the meetings.

Persons or groups desiring to express themselves on the wilderness study are requested by the National Park Service to send letters to the Hearing Officer, in care of the Superintendent, White Sands National Monument, P. O. Box 458, Alamogordo, New Mexico 88101, by March 28. Written statements will be accepted 30 days after April 1.

Those persons wishing to express views on the master plan proposal are asked to advise the Superintendent, White Sands National Monument. Written statements regarding the master plan will be accepted by the Superintendent for 30 days following the April 1 meeting.

Persons wishing to express views on both proposals should do so in separate statements.

The master plan draft and wilderness study for White Sands are available for public examination at White Sands National Monument headquarters; at the Southwest Regional Office, Old Santa Fe Trail, Santa Fe, New Mexico; and in Room 1013, Department of the Interior Building, Washington, D. C.

A limited number of packets containing information on the draft master plan and the wilderness study are available to representatives of interested organizations, groups, or individuals from the Superintendent, White Sands National Monument, or from the Southwest Regional Office, National Park Service, Santa Fe, New Mexico 87501.

A Charge For Our Youth

(Editor's Note: The following editorial is taken from a speech given as a commencement exercise for a graduating class. The author is unknown but his sentiments well express the feelings of many of the "Silent Majority.")

Ladies and gentlemen of the graduating class. No one has more pride in your accomplishment than the older generation. But I am not going to tell that older generation how bright you are. Nor am I going to say we have made a mess of things and that you the hope of mankind.

I would like to reverse the process. For if you will look over into the bleachers, I will re-introduce you to some of the most remarkable people ever to walk the earth; people you might want to thank on this graduation day — your parents and grandparents.

Let me tell you about them. These — your parents and grandparents — are the people who within just five decades have, by their work, increased your life expectancy by approximately 50 per cent and who, while cutting the working days by a third, have more than doubled per capita output.

These are the people who have given you a healthier world than they found. And because of this you no longer have to fear epidemics of cholera, typhus, diphtheria, smallpox, scarlet fever, measles or mumps that they knew in their youth. And the dreaded polio is no longer a medical fad, while tuberculosis is almost unheard of.

Let me remind you that these remarkable people lived through history's greatest depression. Many of these people know what it is to be really poor, what it is to be hungry and cold. And because of this, they determined it would not happen to you, that you would have a better life, you would have food to eat, milk to drink, vitamins to nourish you, a warm house, better schools and greater opportunities to succeed than they had.

Because they gave you the best, you are the tallest, healthiest, brightest, and probably best looking generation to inhabit the land. And because of this, you will work fewer hours, learn more, have more leisure time, travel to more distant places, and have more of a chance to follow your life's ambition.

These also are the people who fought man's grimmest war. They are the people who defeated the tyranny of Hitler, and who, when it was all over, had the compassion to spend billions of dollars to help their former enemies rebuild their homelands. And these are the people who had the sense to begin the United Nations.

It was representative of these two generations, who, through the highest court of the land, fought racial discrimination at every turn to begin a new era in civil rights.

They built thousands of high schools, trained and hired tens of thousands of better teachers and at the same time made higher education a very real possibility for millions of youngsters — where once it was only the dream of a wealthy few.

And they made a start — although a late one — in healing the scars of the earth and in fighting pollution and the destruction of our natural environment. They set into motion new laws giving conservation new meaning, and getting aside land for you and your children to enjoy for generations to come.

While they have done all these things, they have had some failures. They have not yet found an alternative for war, nor for racial hate.

Perhaps you, the members of this graduating class, will perfect the social mechanisms by which all men may follow their ambitions without the threat of force — so that the earth will no longer need police to enforce the laws, nor armies to prevent some men from trespassing against others.

But they — these older generations — made more progress by the sweat of their brows than in any previous era, and don't you forget it. If your generation can make as much progress in as many areas as these two generations have, you should be able to solve a good many of the world's remaining ills.

But it won't be easy. And it won't do it by negative thoughts, nor by tearing down or belittling.

You may — and can do it by hard work, humility, hope and faith in mankind. Try it.

Roxie Rodgers Chosen Homememaker of 1972

Roxie A. Rodgers has been named Ruidoso High School's Betty Crocker Homememaker of Tomorrow for 1972. Selected on the basis of her score in a written knowledge and attitude examination administered to senior girls last Dec. 7, she will receive a specially designed award charm from General Mills, sponsor of the annual educational program. Additionally, she is now eligible for state and national honors.

ROXIE RODGERS

The State Homememaker of Tomorrow, to be chosen from all school winners in the state in judging centering on their performance in the Dec. 7 test, will be awarded a \$1,500 college scholarship. A complete set of Encyclopaedia Britannica will also be awarded to her school by Encyclopaedia Britannica, Inc. The second-ranking girl in the state will receive a \$500 educational grant.

In April, the Betty Crocker Homemakers of Tomorrow representing every state and the District of Columbia — each accompanied by a faculty adviser — will join for an expense-paid educational tour of Colonial Williamsburg, VA., and Washington, D. C. Climax of the tour will be announcement of the 1972 Betty Crocker All-American Homememaker of Tomorrow and three runners-up. To be chosen through personal observation and interviews, together with the earlier state-level judging results, they will be awarded scholarships in excess of \$5,000, \$4,000, \$3,000, and \$2,000.

In addition to the grants awarded state and national winners, a \$1,000 National Nutrition Scholarship has been added to the Betty Crocker Search for the American Homememaker of Tomorrow this year. To earn this award, a young woman must be planning a college major in nutrition or a related field, rank among the highest

Sales Tax Deductions Listed In IRS Tables

The amount New Mexico taxpayers can deduct for sales tax on Federal tax returns appears in tables printed in the 1040 tax instructions.

Maurice E. Johnson, District Director of Internal Revenue for New Mexico, said the tables show the sales tax deductions by family size and income.

The table is based on consumer spending patterns, and shows the average sales tax paid by New Mexico residents, he said.

The sales tax on automobiles, boats, trailers and airplanes is not included in the table. Taxpayers who bought these items in 1971 may add deductible sales taxes paid on them to the amount shown in the table.

The table is furnished as a guide for the convenience of taxpayers who do not keep detailed records of payments. Taxpayers who prefer to deduct the actual amount of state sales taxes paid during the year should have records as proof of payment, Mr. Johnson said.

Mark this date on your calendar: Tuesday, Feb. 28. This is the last day of February. This date marks the First Annual March of Dimes Supper at the El Paisano Cafe. An enchilada supper will be served between the hours of 4:00 and 9:30 p.m. The proceeds from this event will benefit crippled children and birth defects. It will be sponsored by Mr. and Mrs. Herman C. Otero.

Capitan's annual Daddy-Date Night was held Feb. 18, in the Home Ec room with 17 FHA members present. Those members included Lippa Coleman, Pam Lacy, Beverly Cornelius, Rhonda Barber, Mildred Morris, Jamie Nethaway, Linda Trujillo, Donna Hobbs, Mary Ellen Romero, Patsy Walker, Keith Robinson, Debbie Cartwright, Susan Payton, Abby Allen, Beth Kline, Nancy Hunter and Janice Silva. Chapter parents present included Mr. and Mrs. Roy Payton and Kenneth Lacy. During the evening Teresa Elam was announced as winner of the Betty Crocker Contest as the outstanding homemaker of tomorrow for the Capitan Schools. Teresa completed graduation requirements at the end of the first semester and was married during the Christmas holidays.

A pot luck supper was enjoyed by those present and 12 loaves of yeast bread were furnished by the 3rd period Home Economics II class. This evening was under the direction of chapter adviser Angelina Pivone and FHA President Patsy Walker. The Rev. Harold Cartwright offered thanks for the occasion.

Capitan's Fighting Tigers pulled their second upset in as many Saturdays, Feb. 19, defeating the Cloudcroft Bears, 76-72. High point man for the Tigers was Ted Simeros with 20 points. Lloyd Cartwright contributed to the defensive effort with 17 rebounds. He was named the outstanding defensive player of the game and was playing his last game on the Capitan hardwood. The outstanding offensive player named was Buddy Godinez. The rest of the starting included — Cartwright 14, (all from the charity line), Robert Abercrombie 12, J. W. Ware 10, Buddy Godinez and Dan Abercrombie 8 each, Sam Townley and Ronnie Smith 2 each. In addition to Cartwright, the only other senior on the squad was Dan Abercrombie. Capitan collected 19 points for the Bears. Scoring by quarters: Capitan 16 14 18 27-76. Cloudcroft 13 21 21 23-72.

The Tigers captured the "B" game, 69-50, sweeping the doubleheader. The scoring — Smith 21, Townley 18, Godinez 6, Henry Griego and Rex Chavez 6 each, Campanis 4, David Pumphrey 3, Simeros 2. Haynes was credited with 12 points for the Bears. David Pumphrey had 6 rebounds for the Tigers. The outstanding offensive players for the Tigers were Ronnie Smith and Sam Townley. Named the outstanding defensive players for the game were Townley and David Pumphrey. Capitan: 16 15 16 10 27-69. Cloudcroft: 16 15 15 13-50. The Bear Drill Team entertained the crowd during the halftime of the "A" game. They received a big hand for their efforts. The team was composed of 19 girls coached by Martina Beasley.

Short Notes: Report cards were sent home Wednesday, Feb. 2. It cost the school \$24 to replace the window in the south door of the high school building. We should be more careful. —Work was begun last week on the masonry part of the new multi-purpose building. The roof work will follow when this is finished. —Monday, Feb. 21 was the 120th day of the school year with 60 school days left until graduation day which is May 19. Deadline for purchasing a school yearbook, April 1. —The Senior play, Thursday, March 16, 8:00 p.m. at the school. "I Was a Teenage Dracula". —March 17 is a school holiday. —The Tigers were scheduled to be in the District Tournament in Artesia Wednesday, Feb. 23, with a 6:30 p.m. game against Hondo. The winner of this game was scheduled to go against Ruidoso Thursday at 8:00 p.m. —The 8th grade defeated Hondo here last Saturday morning, 62-50. Starting for Capitan were: Wayne Ware, Kenny Cummins, Kirk Phillips, Pat Griego and Frank Montoya. Our 7th grade lost its game. —The Tigers' victory Saturday night tied them for 6th place in District 5AA along with Hagerman and Cloudcroft. There are 10 teams in the district. Ruidoso gained first place with a 9-0 record.

The Tigers' competition in the district tournament, a Hondo last week, losing to a District Warrior team, 53-45. This ends basketball for the girls for this season. This was their first season to play basketball in many years. The team received many compliments for their sportsmanship and hustle on the hardwood and gained much valuable experience. Coaches Bud and Linda Gossett reported they will have about 21 returning players next year. They are very proud of their team.

We were lucky to learn today of the death of S. M. Coxzars last Saturday night in Albuquerque. His funeral was last Tuesday. We have no further information at this time.

The Fighting Tigers were in Lake Arthur last Friday night for two games with the following results: "A" game — Lake Arthur: 17 17 22 16-72. Capitan: 8 15 17 21-61. The scoring: Simeros 17, Robert Abercrombie 8, J. W. Ware 6, "B" game — Capitan: 15 12 15 14-50. Lake Arthur: 7 11 5 26. Scoring in double figures for Capitan were Smith 16, Townley and Godinez 10 each.

GRASSROOTS OPINION
JULIASKI, TENN., GELLES
PRESS PRESS: "Most forces at work in today's younger generation seem positive. Young people for example, are chief among those urging new priorities for society. They urge less dependence upon war, more dedication to brotherhood, less materialism, and the finding of better ways for all men to share the opportunities of life. In saying this, we must remember that if society is to have a new force, it must be more than a

force of protest. Protesting the world's ills will draw attention to them. But it will no more cure them than placing hayden, good citizens of them. We need a better world. But more of today's people—the young as well as the old—need to realize it will take more than noise and protests to bring it about."

The Capitan Lions Club met Monday night at the Smokey Bear Cafe with the Lions Eye Bank coming in for some discussion. A ladies' night was also discussed. President Miles Williams presided over the meeting. The next scheduled meeting of the Capitan Lions Club is set for Monday night, March 6, 7:00 p.m., at the Smokey Bear Cafe.

Tax News

Child Care Expensive But Some of It Can Be Written Off
Paying someone to take care of your small children while you're working for their room and board probably makes you wonder whether working is really worth it!

However, there are certain forms of tax relief provided, primarily for the benefit of widows, widowers, and divorcees (single women, too), who must leave their children in someone else's care during working hours.

Tax laws, says H & R Block, America's Largest Tax Service, allow an itemized deduction of up to \$600 per year, to defray the cost of in-home baby sitters, child care centers, or nurseries, for two or more dependent children, while the parent is actually working or is actively seeking employment. For one dependent child, the working parent can deduct up to \$300 per year. Child care deductions cannot be claimed for children age 18 and older, unless the child is incapacitated or otherwise unable to care for himself.

H & R Block warns that the child care deduction should not be confused with the \$850 dependency exemption. The deduction for child care can be taken in addition to the exemption, but it cannot be obtained if the child is taken as a dependent on someone else's tax return. Payments made for child care must actually be made for the care of the child and not such additional duties as dishwashing and light housework.

Working wives are also eligible, says Block, but combined family income must then be taken into account. Allowable deductions are reduced dollar-for-dollar as the total income of husband and wife exceeds \$3,000. To illustrate, suppose you and your wife have one child and your combined family income is \$8,500. Your child care deduction must be reduced for every dollar of income over \$3,000. Thus, the allowable deduction of \$600 for the child is reduced to \$300 (\$800 less \$500), the amount by which your income exceeded \$3,000. You cannot beat this rule by filing separately, since the law clearly calls for a deduction based on the combined income of husband and wife.

Letter to the Editor

(Editor's Note: The following letter was received last week by the Chamber of Commerce and we felt that our readers might enjoy it.)

Feb. 12, 1972

Dear Sirs:
Back in about 1961 I bought some pears and apples at a fruit stand outside of Ruidoso on the road going towards Lubbock, Texas. In the bottom of the box I found these false teeth. I never knew what to do with them, but have kept them all of these years hoping to return them to their rightful owner.

Someone suggested your office might be of service and be able to find the man who lost them. The person who lost them on me was a very old Indian man who could speak no English as his granddaughter probably had to interpret for him and us what each other was saying. I hope you'll locate him somehow and return his teeth

DO YOU RECOGNIZE THIS SMILE?—This upper plate was returned to the Chamber office by a visitor who found them in the bottom of a basket of apples which she purchased in 1961. We assume that the plate has not been replaced by the owner after eleven years wait but if not, he may claim them at the office. (Ruidoso News Photo)

FINALLY to him.
I'm sorry I waited this many years; however I couldn't think of any way to try and locate the owner since I don't know his name.
(Name on File)
Please do NOT return this to me.

Congratulations. You just saved \$5 by doing your own income tax. And all it cost you was three long, sleepless nights, And a slight case of heartburn.

If you had gone to H & R Block, on the other hand, you could have relaxed while someone else figured out your return. Quickly and confidently. Probably unlike any way you've ever done it before.

And, when you figure your own, you may be entitled to deductions you're not taking and taking deductions you're not entitled to. For instance, do you know all about deductions for child care or casualty losses? Or that if your income increased over the last two years, you may save tax dollars by "income averaging"? And even if you did know, you'd know to go about "income averaging" to begin with? Probably not. And there's no reason why you should. After all, you're an amateur when it comes to doing income tax.

You see, when it comes to income taxes, amateurs should depend on H & R Block. We have over 6,000 conveniently located offices manned by thousands of specially trained personnel. They're warm and friendly people who are anxious to help you. They'll sit you down over a cup of coffee and show you some things about your own return.

And, when you return is prepared, you'll see how we've saved you money. We'll explain how your return was prepared, even though we will not act as your legal representative.

And, if you're not sure that H & R Block is ready to do your return, you can call for a free, no-obligation estimate. We'll tell you how much we can save you. And we'll tell you how we'll do it. We'll tell you how we'll do it. We'll tell you how we'll do it.

DON'T LET AN AMATEUR DO HAN BLOCK'S JOB.
